GOODBYE WORLD

Is the world passing you by? Oh, I know that you are busy taking care of patients—we all are. Sure, and your family doesn't get enough attention as it is. Our long-suffering wives, bless them, will attest to that. And there are too many meetings. No one will deny that. But let's face one simple fact. You are a physician. That's unique in itself. There are only 320 active practicing physicians in Mahoning County. That is a genuine minority in a county of 300,000 persons.

But these 320 physicians have a common bond that crosses hospital lines, neighborhood lines, and any other lines you might care to draw—the Mahoning County Medical Society. Now, if you do not take some active interest in your own professional organization, your world is passing you by. This Medical Society is a pretty lively organization. It publishes this magazine, holds regular meetings, brings to you outstanding speakers, works with area health and other agencies, takes a stand on health issues, participates in community affairs, represents medicine's stand in the news media, keeps a watchful eye on health activities in the area, serves as an information center for both laymen and physicians alike, and on and on and on, and stands as a bulwark for medicine in a constantly changing society.

If you do not know what your medical society is doing; if you are not a part of at least some of all this activity; then the world is passing you by.

We are at the start of a new season. There's no better time than now to resolve to put a high priority on Medical Society meetings. The next one will be for fun. Come out to Coalburg Lake next Thursday and relax and have a good time. The following meeting will be more serious—nomination of officers, on Nov. 16. I respectfully suggest that no other meeting scheduled for that night will be more important to you.

Our 100th anniversary is coming up within a few months. If you missed out on the first century, get on board now, because the next one promises to be a dinger!

—John F. Stotler, M.D.

ON BASEBALL

Ever since Abner Doubleday invented the game of baseball, millions of thrills have been afforded the American public by this great national pastime.

It's difficult to assess what baseball's greatest single virtue might be; maybe it's the element of speed whereby men must coordinate their actions in terms of a ball traveling ninety miles an hour or more, or maybe it's the fact that there is something magnificently American in "hitting one out of the park." And almost all of us can play — be it Yankee Stadium or the neighborhood field, baseball doesn't discriminate against the physical or mental make-up of any of us. There's a place for everyone — the small man, the tall man, the fat, the skinny, the fast, the slow, the brave man and the coward . . . even the idiot and the wise-man.

In fact our very lives are intertwined and pervaded by baseball. Every nine year old kid knows "the Ruth is mighty;" we refer to someone who's "out in left field." We know that the guy is "a foul ball," when he is someone who "never got to first base" — and the most colorful and descriptive of all American colloquialisms, "he doesn't know his ass from third base!"

But in the final analysis, baseball's most commanding virtue has to be its sense of humor—and if you want a lot of laughs, be sure you take in the Annual Medical Dental Baseball game at Coalburg Lake, September 16th, at the Medical Society and Dental Society Outing!

MEDICAL-DENTAL RADIO SERVICE

9th Floor, Home Savings & Loan Bldg.
Youngstown, Ohio 44503
Phone 744-4513

Dear Subscriber:

ANNOUNCING AN ADDITIONAL COMMUNICATION SERVICE soon available thru your Medical-Dental Radio Service.

Your patients and/or customers, your wife, or your secretary will now be able to dial you directly from any telephone and give you their own personal message without the need of a dispatcher.

The selection of equipment was delayed due to the unreliability of some equipment that had been tried throughout the country. We now feel we have made the right selection guaranteeing you instant reception and many other safeguard features well worth waiting for to give you the very best service.

Since labor on our part is eliminated, the cost will be around \$20.00 a month—unlimited calls. This cost will include maintenance and insurance.

Of course, this service may not meet everyone's particular needs. Therefore, we are still offering the conventional radio paging, with our operators taking and screening the calls, as per your instructions, and dispatching your messages to you.

This service will be available in 60 days or less. If you are interested, please contact us so your order can be taken. For more information call Mr. Herald at 744-4513.

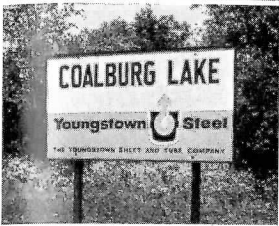

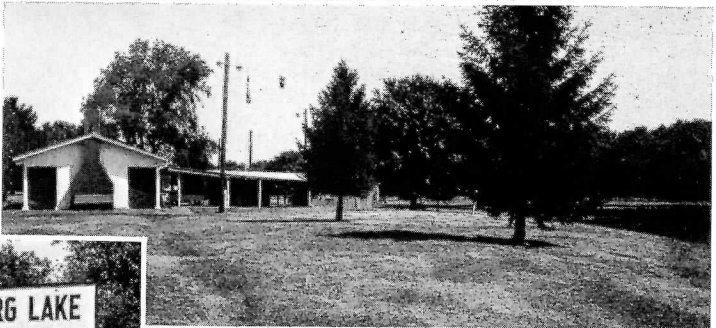

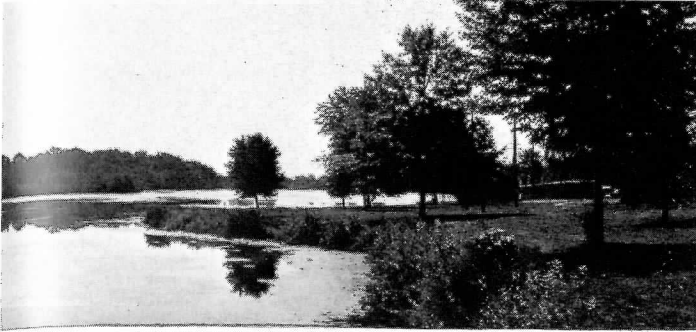

Sincerely yours,

Louis Bloomberg, M. D.
President

P.S. The *NEW Motorola Tone and Voice 3 ounce pager* will soon be off the production line.

ANNUAL OUTING IS NEXT THURSDAY

BEAUTIFUL COALBURG LAKE—Site of the outing for the Medical Society and the Dental Society this month.

The fourth in the series of annual outings of the Mahoning County Medical Society and the Corydon Palmer Dental Society will be held on Thursday, Sept. 16, at Coalburg Lake. The Medical Society is host this year.

Highlights of the day's program will be the annual softball game between the two societies (game time is 3:30 p.m.), and the golf clinic, to be conducted by George Bellino, Henry Stambaugh Pro (clinic at 5:00). For non-sports-fans, the highlights may well be the dinner at 6:30 p.m., or the all-day luncheon, which begins at 1:30.

There will be plenty to do all day for those who wish to relax at fishing, horseshoes, shuffleboard and cards. Everyone is expected to remain after dinner for the door-prize drawings. Luncheon will feature corn-on-the-cob and sandwiches, with plenty of beer and pop to drink. For dinner there will be charcoal broiled Boston strip steaks.

The softball game will provide a special challenge to the Medical Society, inasmuch as they haven't won in the last three years. Physicians are encouraged to attend the picnic and root for the home team. Winners get to keep the trophy for the coming year. It will later be presented at the dinner-dance of the winning society.

Those wishing to play on the medics team should contact either Dr. Mike Vuksta, Dr. Jack Bleacher, or Dr. John Guju. The dental team is being organized by Dr. Richard Lewis.

Reservations may be made at the medical society office. Cost per person is \$10.00. Guests are welcome, but the committee requests that guests be limited to physicians and dentists.

MRS. TIDD TO RETIRE NEXT MONTH

Mrs. Ella Tidd, well known to all members of the Mahoning County Medical Society as the Society's secretary, bookkeeper and telephone voice, will retire on October 1st, after ten years of service at the medical society office.

Mrs. Tidd and her husband, Carlton, who is also retiring at this time from Copperweld, are leaving Vienna, where they have made their home for over 40 years and will take up residence in Denver, Colo., where two of their sons are in business.

In her long term with the Medical Society, Mrs. Tidd has made many friends among physicians and their wives. She and Mr. Tidd were often present at the Society's social functions where she was accustomed to help with registration and other details. For the past several years she has handled both the Medical Society and the Medical Assistants Blue Cross groups. Over the years she also worked very closely with the Medical Assistants Society and the Woman's Auxiliary, especially in helping them get out their mailings.

She was often cited by Howard Rempes, Executive Secretary, for the pleasant and efficient manner in which she responded to the public, both in the matter of providing medical information and in the more difficult task of handling complaints with tact and diplomacy. He, along with the Society's officers, has long considered her to be the "ideal person for the job."

Her plans for the future include enjoying the "gorgeous Colorado scenery," and spending a lot of time with her 6 grandchildren.

Her work has been an important contribution to the operation of the Mahoning County Medical Society and she will be sorely missed. We all join together in wishing her and her husband many years of happiness.

CANFIELD, OHIO • 6872 FAIRGROUND BLVD.

OFFICE PHONE 533-6843 — 9-5

RES. 782-2439 — EVE.

DR. MCGREGOR HONORED AT DEDICATION

(L to R) Dr. Jack Schreiber, Dr. John Stotler, Gilbert James, Mollie McGregor, Grace Williams, Tom Jordan.

(Right) Mrs. McGregor cuts the gauze, officially opening the Medical Health Building in memory of Dr. H. P. McGregor.

The Mahoning County Medical Society, along with Mollie McGregor and representatives of the Mahoning County Agricultural Society, placed a memorial plaque in the new medical health building, and dedicated it to Dr. Harlan P. McGregor at ceremonies held two weeks before the opening of the 1971 Canfield Fair.

Taking part were Dr. John Stotler, president, Dr. Jack Schreiber, Canfield Fair Chairman, Tom Jordan, president of the Canfield Fair Board, Miss Grace Williams, executive secretary of the Fair, and Gilbert James, Fair Board director in charge of medical health exhibits.

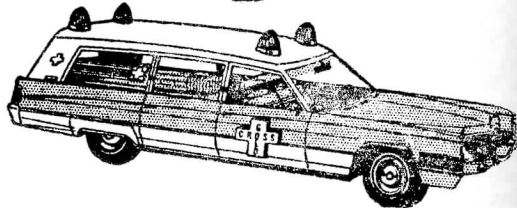

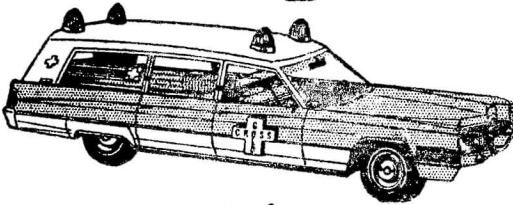

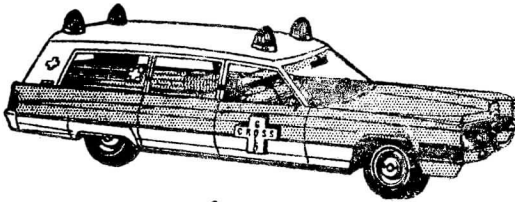

The program was opened by Dr. Stotler, who spoke in praise of Dr. McGregor and introduced Dr. Schreiber. Dr. Schreiber described the work and dedication of Dr. McGregor and presented the plaque to Mrs. McGregor. She then presented it to Mr. Jordan who accepted it on behalf of the Agricultural Society. It will be permanently mounted inside the new building.

The building was officially opened when Mrs. McGregor cut the surgical gauze stretched across the opening and the spectators filed in for a look at the huge facility.

At the conclusion of the ceremony, a small duplicate plaque was presented to Mrs. McGregor by the Medical Society.

The 1971 Fair marked the 20th consecutive year of participation by the Mahoning County Medical Society. For ten of those years, Dr. McGregor was Canfield Fair Chairman. During this time, he conceived the idea of a building to house medical and health exhibits, had actually designed one and petitioned the Fair Board to have it built. Dr. McGregor died a year ago, on the opening day of the 1970 Canfield Fair. He did not live to see his dream come true.

The memorial plaque was displayed for crowds to see during the Fair this year. At the conclusion of the Fair, it was mounted on the interior wall of the building to serve as a tribute to Dr. McGregor in years to come.

OCT. 15 IS EMBLEM CONTEST DEADLINE

In answer to questions received concerning "rules" for the contest to design an anniversary emblem for the Mahoning County Medical Society, the Centennial Committee has only one hard fast rule: deadline for entries is 12:00, midnight, Oct. 15th. This date was chosen in order that preparations may be made to use the emblem on letterheads and other material for 1972.

The purpose of the anniversary is to celebrate the hundredth year of the Mahoning County Medical Society, which was founded on Nov. 13, 1872. The emblem for the centennial celebration should reflect 100 years of medicine in Mahoning County in a simple graphic fashion.

It was felt that there is sufficient art talent among physicians, wives and their families, that it would not be necessary to go outside the Medical Society to find an emblem. A \$25 cash award will be made to the person submitting the winning entry as chosen by the Centennial Committee.

Since the winning design will be taken to a commercial artist for final rendition, excellence in drawing will not necessarily be the determining factor in the selection of the winning design.

LETTER

To the Mahoning County Medical Society:

For the recognition, respect and honor recently bestowed on Dr. McGregor by his colleagues of the Mahoning County Medical Society, I am deeply grateful.

For the tribute, the plaque, a thank-you from the bottom of my heart. Thank you also for the replica given to me — a thoughtful and touching gift.

Sincerely,
Mrs. Mollie McGregor

COMMITTEE PLANS FOR ANNUAL OUTING

(L. to R.) Dr. Pardee Stanos, Dr. Richard Lewis, Dr. John Guju, Dr. Si Chiasson, chairman, and Dr. Jim Dallis.

Members of the Annual Outing Committee plan a full day of fun for the Sept. 16th event at Coalburg Lake. They promise plenty of food, beer and pop, with corn for lunch and steaks for dinner. Highlights of the day will be the softball game between the Dental Society and the Medical Society, the Golf Clinic and the door prize drawing.

The full committee, headed by Dr. Chiasson, chairman, includes Drs. Richard Lewis, Ronald Mangie, George Saadey, Pardee Stanos, John Bleacher, Jim Dallis, John Guju, Frank Kocab, Joe Newsome, Dick Richards and Mike Vuksta.

The Mahoning County Medical Society is host to the Corydon Palmer Dental Society for this year's event. Cost is \$10 per person. Reservations may be made at the medical society office.

BULLETIN BOARD

Dr. E. J. Wenaas, accompanied by Mrs. Wenaas, attended the fiftieth graduating class reunion of the University of North Dakota in June. He was awarded the highest alumni award, called the Sioux Award, for distinguished service and unusual achievement.

* * * * *

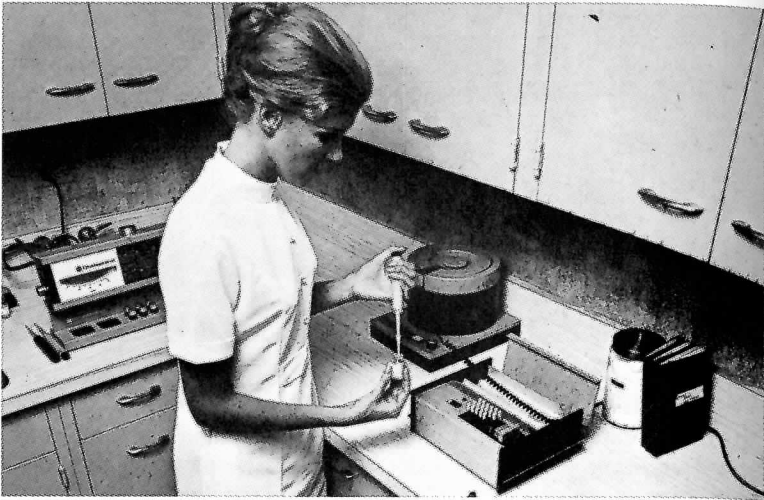

Wednesday, Sept. 15, is opening day of bowling season for the Woman's Auxiliary, at Camelot Lanes. All members are invited to participate, with the understanding that "you don't have to be a good bowler." Bowling time is 9:30 a.m. Baby sitting is provided. Call Carolyn Ebie or Ginny Martin for further information.

* * * * *

Friends are congratulating Dr. Gordon G. Nelson on his letter, entitled "Sees End to Nation's Greatness," which appeared in the August 12th edition of the Vindicator. Dr. Nelson has written several letters in the past about his concern for the inroads of Communism.

Know your patients' prothombin-times

with a

FLINT DIAGNOSTICS CLOT-TIMER

This accurate new "viscosity method" simplifies clot-time tests. Gives you new convenience.

Engineering innovations make prothombin-time tests truly *practical* in your office. Prefilled, disposable reaction tubes. Clean. Simple.

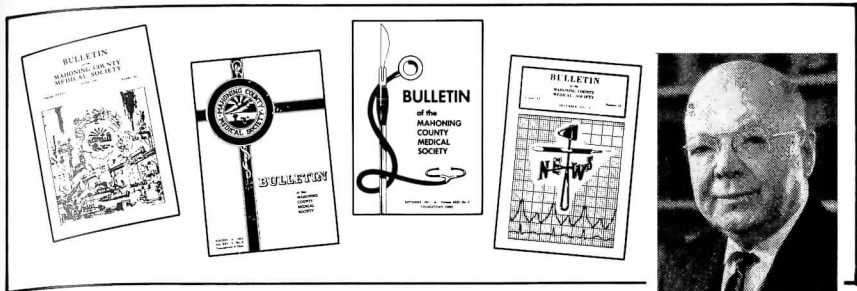

Adjusting anti-coagulant therapy for the patient before he leaves your office is a service he will appreciate. And, so will your staff. No delays awaiting lab reports. No extra telephone interruptions. No callbacks to contact patients later. And, the modest cost of FLINT DIAGNOSTICS CLOT-TIMER lets it pay for itself in a remarkably short time.

or phone 755-9876

From the Bulletin

FORTY YEARS AGO — SEPTEMBER 1931

The average family spent \$67.00 a year for tobacco, \$37.00 for candy and soft drinks, \$37.00 for non commercial gasoline, \$16.00 for radios, \$15.00 for cosmetics and \$67.00 for medical care. Prohibition was in effect and nothing was said about liquor but this writer remembers that some people cheerfully paid \$14.00 for a quart of Scotch. As always, there was public complaint about the cost of medical care.

You could get a nice room in the new North Side Hospital for \$5.00 a day but many of them stayed empty.

S. Q. Lappius observed, "After this Depression it is going to take twenty years to save up enough money to lose in the next stock market fiasco."

Fred B. King introduced a new Town Car model Invalid Coach in purple and chromium. The smartest thing this side of Heaven.

THIRTY YEARS AGO — SEPTEMBER 1941

The Ohio Pre-Marital Law was newly passed requiring marriage license applicants to supply a statement from a physician that, after an examination including a standard blood test, the applicant was found not to be infected with syphilis, or, if infected, was not in a communicable stage or likely to become so.

The Medical Society and the Ohio State Medical Association had opposed the bill because it was directed at only one disease and so much emphasis was placed on one laboratory test. But the Legislature passed it over the doctors' objections and it is the law today.

Doctors were arriving home from summer vacations while others were leaving for camps, but not for pleasure. Jones, Kocialek, Nagel, Osborne, Poling, Ranz, Scarnecchia, and Wenaas were back from a Canadian fishing trip. Sam Epstein was home on furlough from Fort Jackson and Wasilko was back to stay. Morris Rosenblum was home from Michael Reese Hospital in Chicago. The Rothrocks, Dick Grosses and Walter Turners were out to the west coast. The Fusselmans were at Virginia Beach. The Sam Goldbergs were at Camp Davis, N. C. The Asher Randalls celebrated a new daughter born at Fayetteville. Nate Belinky was ordered to the Philippines.

TWENTY YEARS AGO — SEPTEMBER 1951

The Youngstown Committee on Alcoholism (Alcoholics Anonymous) opened a new hospital for both women and men at 138 Lincoln Ave. This project which was pioneered in Youngstown, started with just a few beds in an old home across the street from their new quarters. It filled a great need and soon had to expand. The work done in this unique institution has been of incalculable benefit to the community.

John Rogers and Elmer Wenaas were tied with 77's for the golf championship at Tippecanoe. In 1941, John was tied with Bill Welsh when both had 78's. So in ten years he lowered his score one stroke and still lost because they tossed a coin and Wenaas called it right.

Dr. Louis Gasser opened his office for general practice at 651½ W. Indianola Ave. Dr. Kalmin C. Kunin opened his office in the Home Savings & Loan Bldg. for the practice of obstetrics and gynecology. Mary Herald was wearing a cast for a fractured ankle. It may have slowed her down a little, but it didn't stop her.

TEN YEARS AGO — SEPTEMBER 1961

The Polio Committee, chairman Kurt Wegner, was planning a mass immunization program with the new oral polio vaccine.

The Lyons Physicians Supply Company still hauls all the equipment for the Medical Exhibit at Canfield Fair without charge. They have been supporters of the Bulletin since it was started.

AMA dues were increased from \$25.00 to \$35.00.

James Anderson began practice of Pediatrics with Dr. Wiltsie. Robert Bocker came here from Pennsylvania to practice neurosurgery. Nicholas Garritano opened an office for general practice.

June Fisher was Bowling League President of the Auxiliary.

William H. Bunn died in August after an outstanding career. He was Youngstown's first cardiologist and charter member of the American Heart Association. —J. L. F.
