

ACADEMIC DEANS' COUNCIL

January 31, 1978

Present: Edgar, Loch, McBriarity, McGraw, Miller, Moore, Paraska, Rand  
Scriven, Sutton, and Yozwiak

1. Minutes of January 12, 1978 were approved with Yozwiak making the motion and Dean Sutton seconding.
2. Dr. Edgar had copies of the calendar prepared by Dean Scriven. After some discussion about the examination week starting on Thursday and ending on Wednesday, Dean Moore moved approval of the Fall 78 calendar and seconded by Dean Scriven. Motion carried. The date of September 21, 1978 for submission of the Winter 79 schedule was discussed. Dean Scriven has agreed to rework the detailed calendars. There was considerable discussion about the date Martin Luther King's birthday should be celebrated. In Winter 79 it will be January 15 (which happens to be his actual birthday). Dean Scriven moved and Dean Moore seconded the approval of the Academic Calendar for 78-79. Motion carried.
3. The impact of closing the University due to inclement weather was discussed. The consensus was that at this point we should not try to extend classes into the break. The faculty should be encouraged to meet with classes to make up the lost work. It was said that WYSU-FM will be the official source of announcing the closing of the University or indicating that the University is open. Considerable discussion took place highlighting the need for timely notice for any closure.
4. Dean Yozwiak brought up the manner in which students can earn a double major. After some discussion there was a consensus that students could earn a double major providing that one of the majors is a proper major for the given degree, and all degree requirements are satisfied and that all requirements for the second degree are fulfilled.

Dean Miller moved adjournment and Dean Sutton seconded.

The meeting adjourned at 3:25 p.m.
