

SPRING COMMENCEMENT
OF THE FIFTY-SECOND YEAR

YOUNGSTOWN STATE UNIVERSITY

BEEGLY CENTER
SATURDAY MORNING, JUNE TWENTY-SECOND
NINETEEN HUNDRED AND SEVENTY-FOUR
TEN O'CLOCK

ALMA MATER

All hail to thee, O Youngstown,
Our Alma Mater fair;
In sunlight and starshine
We see thee in all thy glory.
The Red and the White, thy glorious colors,
Ever we praise and hold them
High to the breeze as the symbol of our
Most loyal allegiance.
This anthem, O Youngstown,
Our pledge of trust shall be
That thy sons and daughters
Shall keep faith with thee forever.

**CANDIDATE FOR THE HONORARY DEGREE
DOCTOR OF LABOR RELATIONS**

JAMES P. GRIFFIN

James P. Griffin, former assistant to the president of the United Steelworkers of America, has distinguished himself in the field of labor relations at local and national levels. As a member of the American Federation of Labor, he was instrumental in organizing the local district in 1933. In 1936, he became a member of the Steel Workers Organizing Committee, and played a significant role in the formation of the USA. From 1946 until 1969, he served as director of USA District 26, heading 120 unions in four counties. A member of the USA International Executive Board for 20 years, he was appointed assistant to President I. W. Abel in 1969. Mr. Griffin has also served as labor advisor to the U. S. labor delegate to the International Labor Organization Convention at Geneva, Switzerland, and as one of the top negotiators in basic steel industry-wide bargaining. He is a past president and vice president of the Ohio CIO and vice president of the Ohio AFL-CIO.

A lifelong resident of Youngstown, Mr. Griffin has provided extraordinary leadership in civic endeavors. He has served as a member of the executive board of the Youngstown Community Chest, as co-chairman of the Industrial Division of the 1964 Youngstown United Appeal fund drive, as general co-chairman of the Citizens Steering Committee for suc-

cessful passage of the Public School Levy in November 1963, and as co-chairman of the Arterial Highway and Urban Renewal bond renewal committees. He played an active role in the organization and fund-raising activities of the Youngstown Diocese.

Mr. Griffin was also a member of the executive committee of Interconnecting Waterways, Inc., the Governor's Commission on the Aging, the executive committee of the Youngstown Area Development Foundation, the executive committee of the Mahoning County Red Cross, and the Board of Trustees of Associated Hospital Service, Inc.

He has served as president of the Youngstown Metropolitan Area Development Citizens Committee, as chairman of the Mahoning County Community College trustees, as a member of the Advisory Committee on Vocational Education of the State Board of Education, and as a member of the Mayor's Citizens Central Coordinating Committee for Community Development. Under his administration, international and local unions contributed over \$100,000 to area hospitals.

Mr. Griffin studied law at Youngstown College night school. He holds an honorary doctor of laws degree from Central State College.

ACADEMIC REGALIA AND CEREMONY

The gowns, hoods, and caps worn in academic ceremonies today are relics of clothing worn in medieval times by students and professors. In the early universities—Bologna, Paris, Oxford—the undergraduate students had no prescribed academic dress but wore their usual clerical or ecclesiastical habits. The professors wore more colorful academic regalia than their modern day descendants. Probably the gowns and hoods were worn for warmth in the unheated halls where the lectures were delivered. From the sixteenth century on, there is a change to somber black and it is only in the hoods worn in academic processions today that the warmth and color of medieval academic pageantry is retained.

The hoods representing degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. For instance, the lining of the hood placed this morning over the head of the recipient of the honorary degree is cardinal and white, the colors of Youngstown State University. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters, or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; drab for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education. It is possible, also, to determine from the length of the hoods the type of degree held by the wearer—quite long for the doctor's degree, medium for the master's, short for the bachelor's.

Since 1895, in the United States, the colors and types of caps and gowns have been largely standardized; in 1932 the code was revised to some extent, and in 1960 it was revised once more. A few American universities have adopted gowns other than black in color, and in European universities there is more diversity in cut and in the cap than prevails in the United States. Trustees and administrators of

American colleges and universities, too, may wear regalia which is different from that commonly worn. The trustees of Youngstown State University wear a specially designed cardinal gown.

The bachelor's gown is worn closed; the master's gown is worn open or closed, depending partly on its tailoring; and the wearer of the doctor's gown has the privilege of wearing it open or closed. The sleeves of the three types of gowns are of different lengths and cuts, and in addition the sleeves of the doctor's gown have three horizontal velvet stripes. The doctor's gown also has vertical facing of velvet in front. The stripes and facing may be either black or in the color representing the field in which the wearer has received the doctorate.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period. The tassels worn on the caps may or may not be of the same types. In some institutions all masters' and bachelors' tassels are black; in others the tassels, which are the same as the colors of the facings of the hoods, reflect the degree received. The tassels worn by doctors may be black or gold thread.

There is something of the same adherence to tradition in commencement processions that exists in academic garb, although each institution has the right to adapt the ceremony to its own requirements. The chief marshals lead the line of march, followed by the president, the speaker, trustees, and other members of the party to be seated on the platform. Then follow the faculty and the candidates for degrees. The procession at the end of the ceremony follows the same order.

Recipients of **University Honors** will receive special insignia, consisting of golden honor cords placed around the shoulders.
