## MACEBEARER

### **Maureen Charlebois Vendemia, RDH, MEd**

*Professor, Department of Health Professions*

Professor Maureen C. Vendemia graduated from The Ohio State University with a Certificate of Graduate Dental Hygienist in 1979 and Bachelor of Science in Education with a major in secondary health education in 1980. She earned a Master of Education in community health education from Kent State University in 1982.

She is currently a professor in the Bitonte College of Health and Human Services, Department of Health Professions, Dr. Madeleine Haggerty Dental Hygiene Program. Her teaching career at YSU has spanned 34 years, and over those years, she has served in several capacities, including dental hygiene program director. Under her direction, the dental hygiene program earned commendations during the 1996 Commission on Dental Accreditation site visit. While director, she had the additional responsibility of converting the program curriculum from quarters to semesters. Also during her tenure, she served as first-year and second-year clinic coordinator. More recently, she was actively involved with her colleagues in converting the dental hygiene program from an associate degree in applied science to a bachelor of science in dental hygiene. A key element was the design of a state-of-the-art dental hygiene clinic to accommodate the additional students and clinical courses in the new curriculum.

Professor Vendemia has also served as an advisor to the YSU Student Chapter of the American Dental Hygienists' Association for the majority of her career at YSU. The YSU Dental Hygiene Class of 2007 nominated her for the American Dental Hygienists' Association Student Advisor Award. She received honorable mention in recognition of her outstanding contributions as a student advisor to the YSU Chapter.

Some of her professional memberships have included the American Dental Hygienists' Association, Ohio Dental Hygienists' Association (ODHA) and the Tri-County Dental Hygienists' Association. She has served as a delegate and alternate delegate at the Ohio Dental Hygienists' Association's Annual Session for many years. In 1991 she was inducted into the ODHA Academy of Dental Hygiene Studies for outstanding participation in continuing education. In 2004 she was inducted as a senior member of the academy and has served as a board member. She has also served as president, secretary, treasurer and registrar for the Tri-county Dental Hygienists' Association.

She was a recipient of the Outstanding Young Women of America Award in 1986. In 1992 she earned the Interdisciplinary Geriatrics Award for Faculty Development in Geriatrics and was also awarded charter membership in the dental hygiene honor society of Sigma Phi Alpha. She received the YSU Distinguished Professorship Award for Teaching in 2004 and recently was inducted into the honor society of Phi Kappa Phi.

She is married to Dr. William Vendemia, Associate Professor in the Department of Management. They have two children. Their daughter Megan graduated from YSU in 2011; their son Eric will be a 2014 graduate of YSU.
