We DEDICATE this, the Sixteenth Edition of the Neon to the memory of Dr. Louis A. Deesz. We believe that he had those qualifications which our Alma Mater tries to develop in every student.

Up to the time of his death Mr. Deesz served as the Dean of the William Rayen School of Engineering. He was appointed to that position in March 1943. Before entering the field of education, he had 25 years of practical experience with the Westinghouse Electric and Manufacturing Company of Pittsburgh, the Colorado Fuel and

Iron Company, Freyn Engineering Company, and Republic Steel Corporation. He held the position of combustion engineer at the Republic Steel.

He was graduated from Carnegie Institute of Technology. Mr. Deesz was also a member of The National Society of Professional and Registered Engineers, American Society of Engineering Education, American Institute of Electrical Engineering, Kappa Sigma and Mi Pi Epsilon fraternities and was a 32nd Degree Mason.

We have lost a great educational crusader and a good friend.

COLLEGE FACULTY MEETING IN SESSION

# Administration...

WILLIAM F. MAAG LIBRARY  
YOUNGSTOWN STATE UNIVERSITY

## President Howard W. Jones

Probably no one has watched the amazing progress made by Youngstown College with greater pride and interest than has President Howard W. Jones, head of the college since the fall of 1931.

President Jones has worked energetically and enthusiastically to further the aims of the college to meet the educational needs of the community.

Under his regime the standards of the college have steadily been raised. In 1940 the college was admitted to the Ohio College Association, in 1941 to the Association of American Colleges, in 1945 to the North Central Association of Colleges and Secondary Schools, and in 1946 to the American Council on Education. The Youngstown College school of music became a member of the National Association of Schools of Music in 1950.

Enrollment has been increased markedly during these years. In accord with this increase the college has added numerous buildings to its campus. In 1941 the Dana's Musical Institute of Warren became a part of the college and is now housed in its own building on Wick Avenue. In 1946 the former Rayen School building on Wick Avenue was leased to the college and became the William Rayen School of Engineering. Since the war five barrack buildings have been added to the campus. The C. J. Strouss Memorial Auditorium was added to the main building in 1949. The William B. Pollock mansion was acquired in 1950.

President Jones has been a main force in the program to finance, build and equip a new library on campus, construction of which is to begin in 1951. He has also been instrumental in the acquisition of an anti-aircraft artillery R. O. T. C. unit, presenting another worthwhile opportunity to the Youngstown College student.

May Youngstown College continue its fine record of achievement under the able guidance of Howard Jones.

JAMES L. WICK, JR., CHAIRMAN

## Board of Trustees

James L. Wick, Jr., has been Chairman of the Youngstown College Board of Trustees since the fall of 1931. Mr. Wick received his B. E. degree from Massachusetts Institute of Technology.

Mr. Wick is treasurer of the Mahoning Valley Historical Society, and a member of the Board of Trustees of the Young Men's Christian Association and that of the Youngstown Chamber of Commerce. He is Honorary Secretary of the Youngstown district M. I. T. Alumni.

Our Board of Trustees has helped and watched Youngstown College grow from infancy into the educational center it is today. We owe our sincere appreciation to these men for their invaluable contribution to the advancement of Youngstown College.

## *Business Office*

P. CALVIN PICKARD  
Business Manager

The loyalty, service, and unceasing devotion to Youngstown College is typified by Business Manager, P. Calvin Pickard. Since he came to Youngstown College 15 years ago, Mr. Pickard has watched with pride the expansion of the college. He has skillfully supervised the business financial program of the school. His entire service has been characterized by his keen business acumen, his long hours of work, and his particular attention to details.

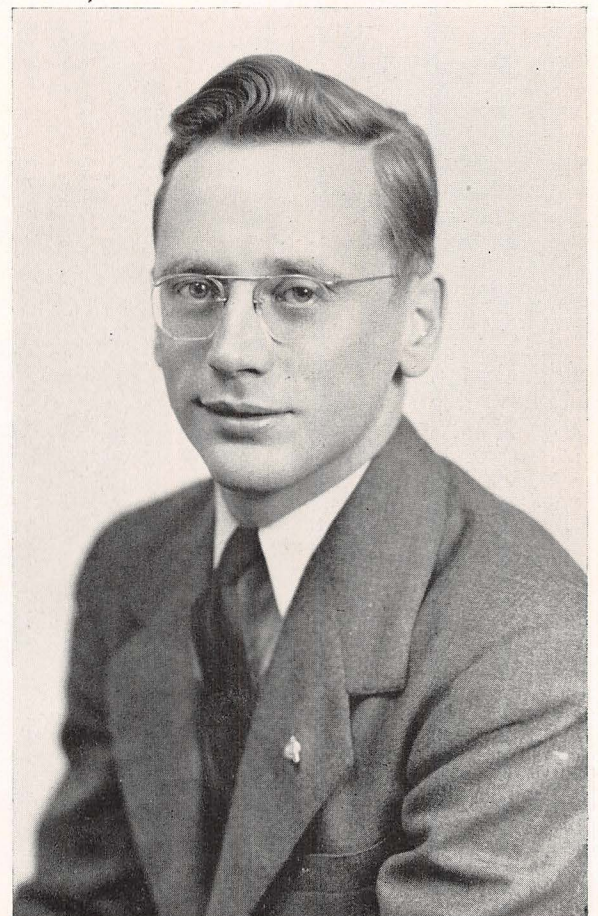

Before coming to Youngstown College Mr. Pickard had fifteen years of teaching and vocational experience in accounting, auditing, office management, credit, cost, and financial management. As Business Manager, Mr. Pickard is responsible for the smooth operation of the business functions of our college.

William G. Nelson, came to Youngstown College in November 1946. Previously he had been with the Home Builders Research Institute in Washington, D. C., as chief accountant.

During the war he served with the 11th Airborne Division in New Guinea, the Philippines and Japan. As chief warrant officer he served as Assistant Regimental Adjutant and Battalion Adjutant and was awarded the Bronze Star Medal for meritorious service.

Mr. Nelson was graduated from Youngstown College with an A. B. degree. He is working toward his A. M. degree with a major in industry at the University of Pittsburgh.

WILLIAM G. NELSON  
Ass't. Business Manager

## Dean of the College

The duties of the Dean are many and varied, but Dean Smith handles them with efficiency and skill. The recruitment and supervision of faculty personnel takes a large part of his time. There is always an open door, a friendly smile, and an interested listener to any student who wants to chat or needs expert advice. Youngstown's "Doc" Smith is a man we are proud to claim.

DEAN JOSEPH E. SMITH

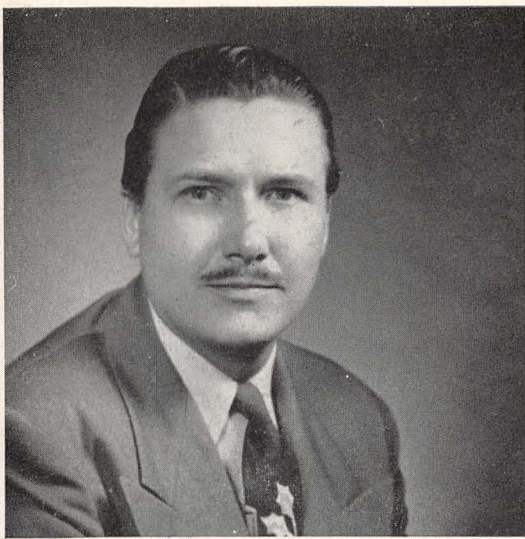

Dr. Joseph E. Smith came to Youngstown College in 1921. Although teaching full-time at Hiram College during the day, he served as part-time professor here in the evenings. In 1937 he became head of the Social Science Department. He was appointed Dean of Men of the college in 1939, and in 1949 became Dean of the College and Dean of the College of Arts and Sciences.

While a student at Nebraska University, Doctor Smith won a Rhodes Scholarship to Oxford University in England. He received his B. A. degree from Oxford, his A. M. from Nebraska University, and his Ph. D. from Wallas College, London, England.

In 1940 Doctor Smith did extensive research in the field of labor for Transcontinental Research, Inc., in New York City. During the war he was director of the War Manpower Commission in the Youngstown area.

His many obligations have never caused him to lose his personal touch and he is admired and respected by the students and faculty alike.

DEAN R. L. MILLER

Dean Robert L. Miller came to Youngstown College in August 1946 as a full-time assistant professor. After graduating from Ohio State University, where he received the degree of B. S. in Business Administration, he became instructor in business organization at Capital University. From 1942 through 1945 he served in the Army. In 1949 he was appointed Dean of the School of Business Administration at Youngstown College.

Mr. Frank M. Ellis became Acting Dean of the William Rayen School of Engineering in the Spring of 1950, following the death of Dean Louis Deesz. He has been a professor in the engineering school since September 1945. Mr. Ellis is also head of the Physics and Mathematics Departments. He received his B. S. degree in Mathematics from Carnegie Institute of Technology and his M. Ed. from the the University of Pittsburgh. Previous to his coming to the School of Engineering he had taught at Bethany College, Bethany, West Virginia.

## School of Engineering

K. W. DYKEMA

Professor Karl W. Dykema came to Youngstown College in September 1937 from Ironwood Junior College, Ironwood, Michigan. Professor Dykema is Director of the Division of Language and Literature and head of the English Department. He received his M. A. degree from Columbia University. He has studied and traveled in Europe and has written a large number of articles which have been published in English and linguistic journals.

## Part-Time Instructors

ROW 1: Mr. Reali, Mr. Ogram, Mr. Williams, Mr. Slavin.  
ROW 2: Mrs. Goodwin, Mr. Littler, Mr. Davies, Miss Kokinos.  
ROW 3: Mr. Quinbey, Mr. Resch, Mr. Shaughnessy, Mr. Callahan.

Part-time instructors comprise a considerable portion of the faculty of Youngstown College. These teachers spend a good bit of their days or perhaps it's more correct to say most of their nights on the campus. Successful in their respective fields—prominent lawyers and judges are law school teachers; elementary and high school principals and teachers take over education and psychology classes; and a limitless list of professionals who serve as instructors—these men and women justly deserve praise, for truly can it be said of them that they possess two careers at the same time.

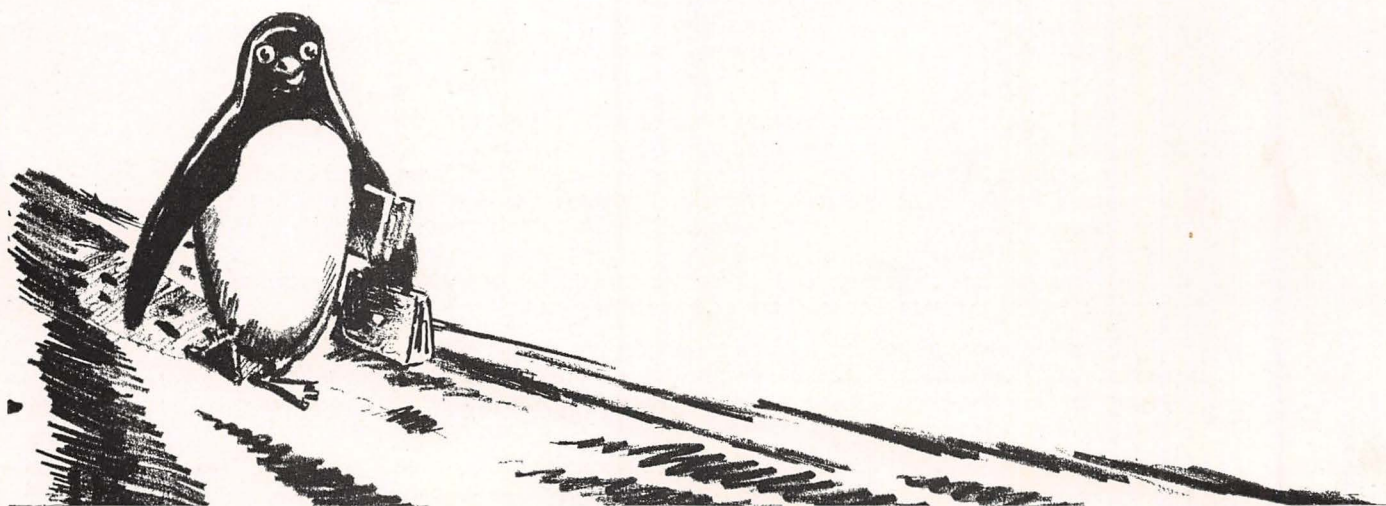

The faces portrayed on this page are only a small fraction of the great number of "part-timers." The Neon photographers could not possibly "snap" everyone, but those seen here are representative of the notable group who, through their efforts and time, enable students of all walks of life to further their education day or night.

Thus a hearty "thank you" goes out to these men and women who are an asset to Youngstown College.

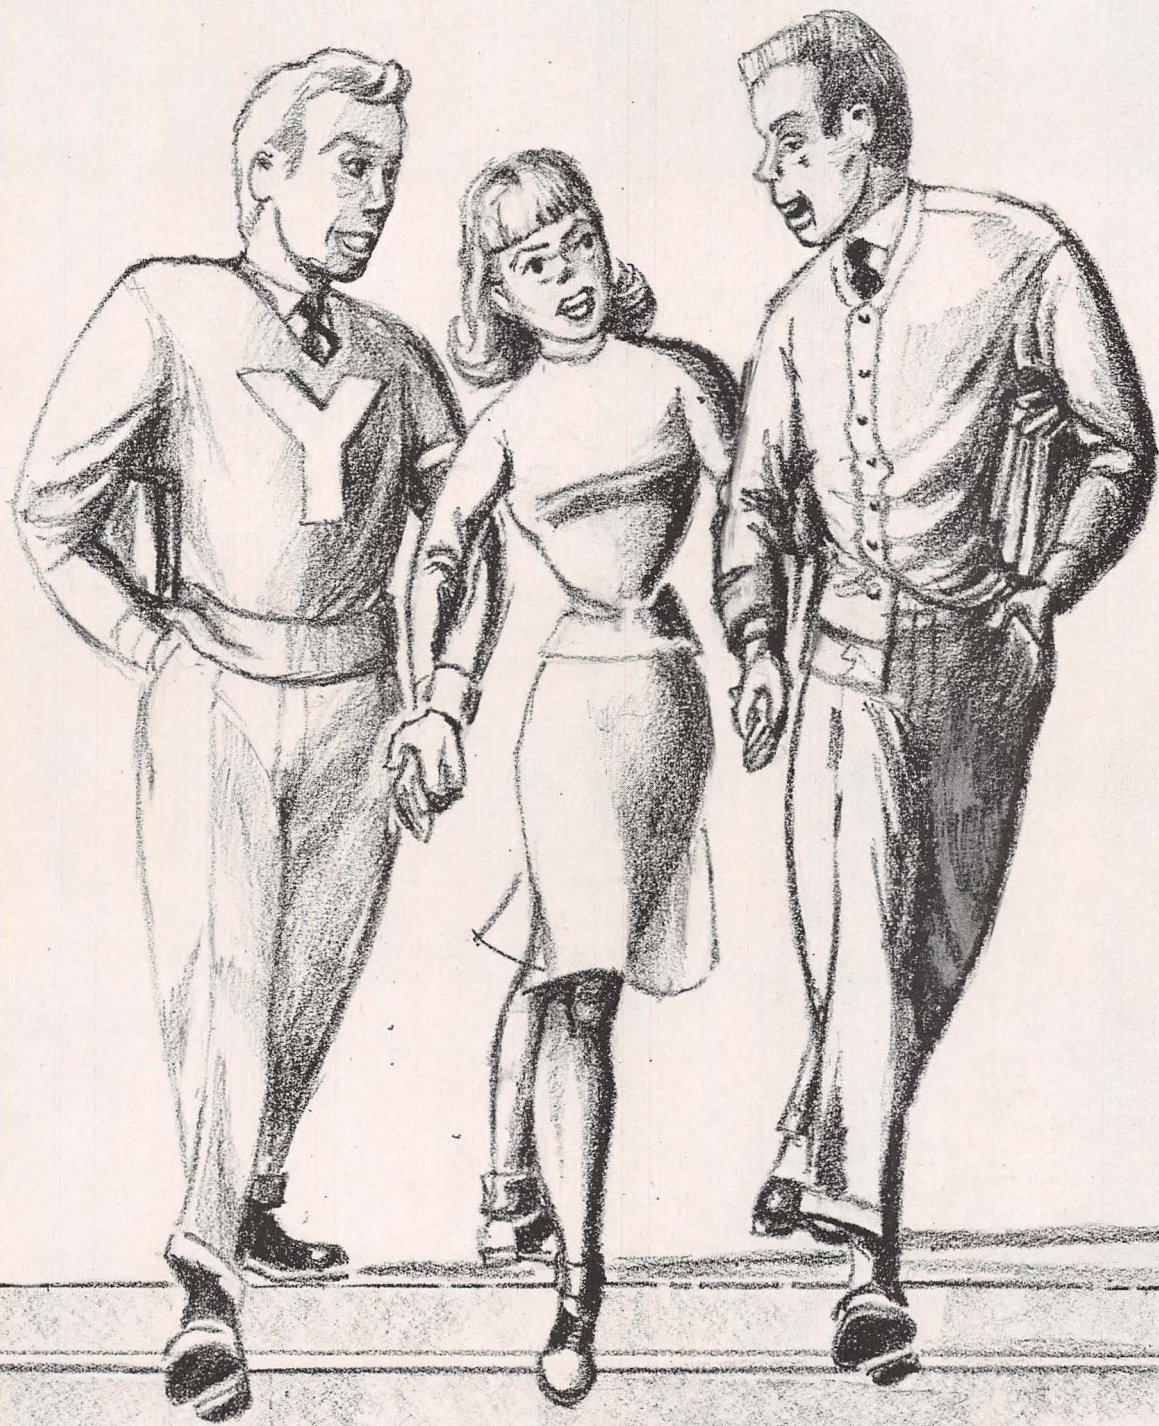

Paul Wigton, Jean Pennock, Wayne Ault.

THE DOORWAY TO SUCCESS

# Undergraduates

Will Price

# Freshman Class

Eager freshmen streamed into Youngstown College last September and embarked on a new adventure and a new life. They were soon caught in an eddy of social, scholastic and athletic activities.

The success of the Frosh Reception and the early fall Freshman Breakfast proved to the upperclassmen that these newcomers, although regarded as "grassy green", can handle the reins quite well.

Enthusiastic Dick Brush, as chairman of the Homecoming festivities did a bang-up job on one of the most outstanding affairs of the autumnal season.

Athletic achievement was displayed on the gridiron, on the hardwood courts and in the swimming pool. The freshman football record showed a 3-win, 1-tie score—a record season.

The energetic freshmen soon familiarized themselves with the political field. Their deep interest in balloting produced a splendid array of officers.

Conscious of their status concerning the draft and military training, an approximate total of 190 freshman cadets were enrolled in the Reserve Officers Training Corps.

Looking ahead to the future, the frosh can justly record their initial year as well spent, raise their hopes and extend their accomplishments to a higher level in the remaining three years.

# Freshman Class

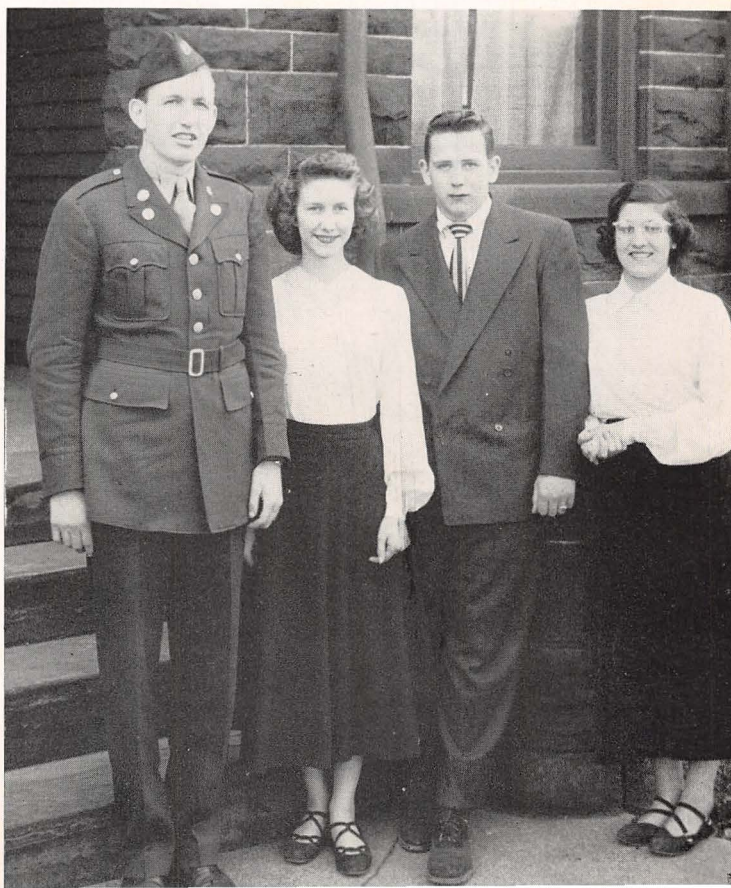

## HERB C. WILLIAMS, PRESIDENT

This curly-haired lad got off on the right foot early in his college career. Not only was he elected to the coveted position of headman of his class, but he has excelled in other school activities. During his first year at YoCo he was a member of the Youngstown College swimming team, specializing in the free style stroke. He was director of the radio show, "Youngstown College on the Air", and a band member of the Reserve Officers Training Corps unit (he plays the tuba). With this type of initiative, Herb may well hope to attain success. We can look forward to his leadership in his remaining three years at college.

William Dryburgh, Mary Lou Bobola, Herb Williams, Charlotte Italiano.

## OTHER OFFICERS

The other three officers of the freshman class were Charlotte Italiano, vice-president and an elementary education major; William B. Dryburgh, treasurer and mechanical engineering major and Mary Lou Bobola, secretary and student of laboratory technology.

# Sophomore Class

GUS MARULAKIS

"Two down, two to go". This familiar theme can well be the keynote of the sophomore class. At this half-way mark, these sophists can well expect two more years of football, frolic, and fact!

This is the time in college when students are the most carefree. They have passed the initial "hump" which alone can be sufficient reason for their easy-going manner.

The class of '53 can boast of many prominent personalities. In royalty—charming Lois Zuercher reigned at the 1950 Homecoming, and lovely Claire Komara was crowned 1951 Mardi Gras Queen.

The annual Bare Brunch, held in the early part of May, is under the chairmanship of a Sophomore student.

Sports figures did much to enhance YoCo's competitive records. Dick Weichsel captained the swimming team for two years and was an announcer on one of the Youngstown College radio shows.

Dramatics was a favorite field among this year's "Sophs". Radio and Stage stars Wilson Hamilton and Marge Pope provided entertainment for Youngstown audiences.

Youngstown College will be pleased to have the able class of 1953 among its student body, for at least a couple of years.

## GUS MARULAKIS, PRESIDENT

President of the sophomore class this year president of the freshman class last year, this young man seems to be making success quite a habit. No doubt his interest in politics is stimulated by his major objective—to become a lawyer. A future army officer, Gus is registered in the basic course of the Military Science and Tactics Department. Although the intellectual side of life takes up most of his time, he still finds energy to devote to social activities. He is a member of the Nu Sigma Rho fraternity. With his record of achievement, Gus will have no trouble attaining the high goals he has set for himself.

Jack Shea, Mary Martine, Howard Graham.

## OTHER OFFICERS

Sophomore class leaders, in addition to President Gus Marulakis, are three other able students—Jack Shea, vice-president; Howard Graham, treasurer and Mary Martine, secretary.

Vice-president Shea is majoring in merchandising. Mary is studying laboratory technician training. This course seems to be a favorite among the women class officers. General Business was the major field selected by Howard Graham.

# Junior Class

## DOMINIC MARTIN, PRESIDENT

"Dom" Martin, junior class president, is an elementary education major. Early in his college career he arose on the political horizon. He was elected president of his freshman class. Dom is an active participant in Youngstown College affairs. Chairman of the Discipline Committee of Student Council, advertising manager of the Neon, holder of a high scholastic record, and an all-around student. His ability and perseverance have enabled him to attain the standing he now possesses.

Harry Altman, Evelyn Booth, Dan DeGenova.

## OTHER OFFICERS

Juniors Harry Altman, Evelyn Booth and Dan DeGenova served as vice-president, secretary and treasurer respectively. The many duties of upperclass officers kept them quite busy. Both Harry and Dan are business administration majors and Evelyn is a physical education major.

"DOM" MARTIN

Time waits for no one! And so it is with school. Already the sprightly juniors can look back upon three years of accomplishment and forward to one more glorious year. It will be a year of further triumphs tinged with the natural regret of partings, but sweetened by rich friendships and fond memories.

This year was particularly significant for the fact that women took new roles in junior class functions. Jean Law deserves to be complimented as the first woman chairman of the Snowflake Frolic. Ruth Wear was a swimming instructor in the Physical Education Department and also won the title "Jambar Sweetheart" for December.

While the women excelled in their respective fields YoCo's men have also accomplished much. Phil Snyder was chosen Youngstown College's "Prettiest Guy" and is a member of the tennis team. Jim Mahoney was editor of the Jambar.

The "up and coming" seniors are well-prepared to engage in their final stage of undergraduate participation. We, the graduating seniors tip our hats to them and wish them the best of luck.

# *Campus Buildings*

PRESIDENT'S  
RESIDENCE

POLLOCK HALL

Acquired in 1950, the Pollock Mansion at 603 Wick Avenue, opposite the Dana School of Music, provides a place where campus groups may have dinners, teas and other social gatherings in pleasant and commodious surroundings.

The beautifully papered rooms on the second and third floors are used as classrooms and offices of the Reserve Officers Training Corps, a newly organized department of the college.

The dining room, the spacious parlors and the kitchen, all on the main floor, are available to college groups for various events. Its comfortable atmosphere makes the Hall an appropriate setting for social occasions, answering a long-standing campus need.

*Add Beauty*

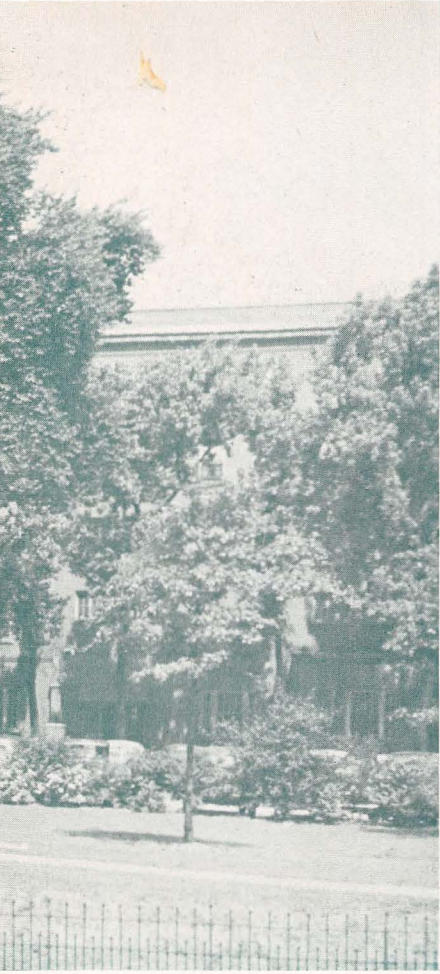

## WILLIAM RAYEN SCHOOL OF ENGINEERING

The William Rayen School of Engineering was officially established in 1946, after many years of toil and effort. Its professors, who at first had to teach classes under adverse conditions, were very proud and appreciative of the combined work of the school's administration in making the acquisition of its present building possible. The present engineering school is one of the most outstanding departments of the college.

*To College Life*

# At Youngstown

One of the most beautiful buildings on historical Wick Avenue is the main Youngstown College building. Erected in 1931, this limestone structure today stands as a pillar of higher education in the Mahoning Valley.

Previous to this addition, Youngstown College had many homes, the first of which was the old Y.M.C.A. at Federal and Champion Streets, which offered educational facilities for men and boys. The Bonnell Mansion was the college in 1923. With further expansion, a new building was needed. The purchase of the John Wick mansion in 1926 served this purpose. In 1931 the Board of Directors of Youngstown College was organized, the same year the new Tudor style college building was completed.

In the building are located the registrar, business, public relations, the president's and deans' offices, besides regular classrooms, chemistry laboratory rooms, and the fourth floor library. A new auditorium was dedicated in the spring of 1949 in honor of C. J. Strouss, and is located on the main floor. The spacious auditorium seats approximately 825 and serves as a study room and reserve library; may be converted into a dance hall, and is used for concerts, plays and programs of other varieties.

## Coaching Staff

Dike Beede

When Youngstown College inaugurated football into its inter-collegiate sports program, "Dike" Beede was named head football coach. This was back in 1938. Twelve years later, we find "Dike" still at the helm. His first coaching job was at Westminster College, New Wilmington, Pennsylvania, where he spent five years. He then took over the reins at Geneva College, Beaver Falls, Pennsylvania, for the next three years.

In the twelve years that "Dike" has coached here, Youngstown College has risen from "small time" football to become one of the better teams in Ohio. Today we play such teams as Dayton and Bowling Green Universities and the Quantico Marines. His Youngstown record over the twelve year period stands at fifty-two wins, twenty-nine losses, and five ties.

Tony Vivo

The Ticket Manager at Youngstown College is Tony Vivo who graduated in 1940. He has been handling this job for the last five years. Tony, at the present time, is the only member of the athletic administration who is a graduate of Youngstown College. During his years as an undergraduate, he received four letters as a member of YoCo's basketball team.

Tony is also a civic leader in Youngstown because of his work with under-privileged children. He is Director of Boys' Activities and Summer Camp Director at Christ Mission. Through these activities, Tony has become well known in the civic life of Youngstown.

Willard Webster

Willard Webster, a graduate of Geneva College, came to Youngstown College in 1938 to take over the job as trainer for our athletic teams and to serve the Biology Department. These were his only duties until 1946. Then, in addition to caring for sprained ankles and bruised muscles, he became Director of Athletics. Today, he continues as trainer and Athletic Director, besides teaching Biology. He is also Chairman of the Pre-Medical Advisory Committee. Last year he coached YoCo's first track and field team.

Ralph Wolf

For the last eight years, Youngstown College linemen have been under the guidance of Ralph Wolf. A three-year letterman at Ohio State University, Ralph held down the center position and captained the O. S. U. 1937 "Buckeyes." In that year he won All-American honors and participated in the 1938 East-West Shrine game.

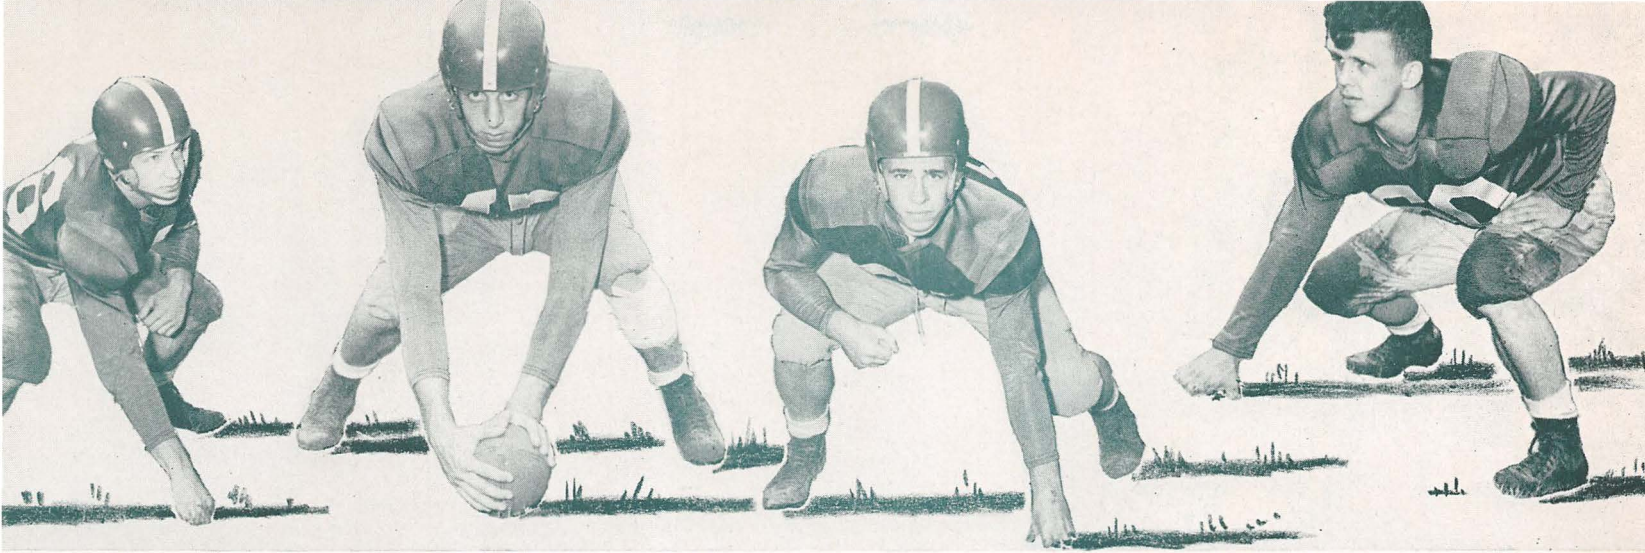

His football experience and "know-how" has been a valuable asset to Youngstown College football teams since his arrival in 1939.

Dom Rosselli

Another graduate of Geneva College is "Dom" Rosselli. While at Geneva, "Dom" was one of its outstanding athletes. Besides being captain of both the football and basketball teams, he was active in practically all other sports. In addition to his duties here as assistant football coach, "Dom" is also YoCo's head basketball mentor and, in the spring, handles the varsity baseball team.

4. Felix Rutecki

## Dayton 7      Youngstown 0

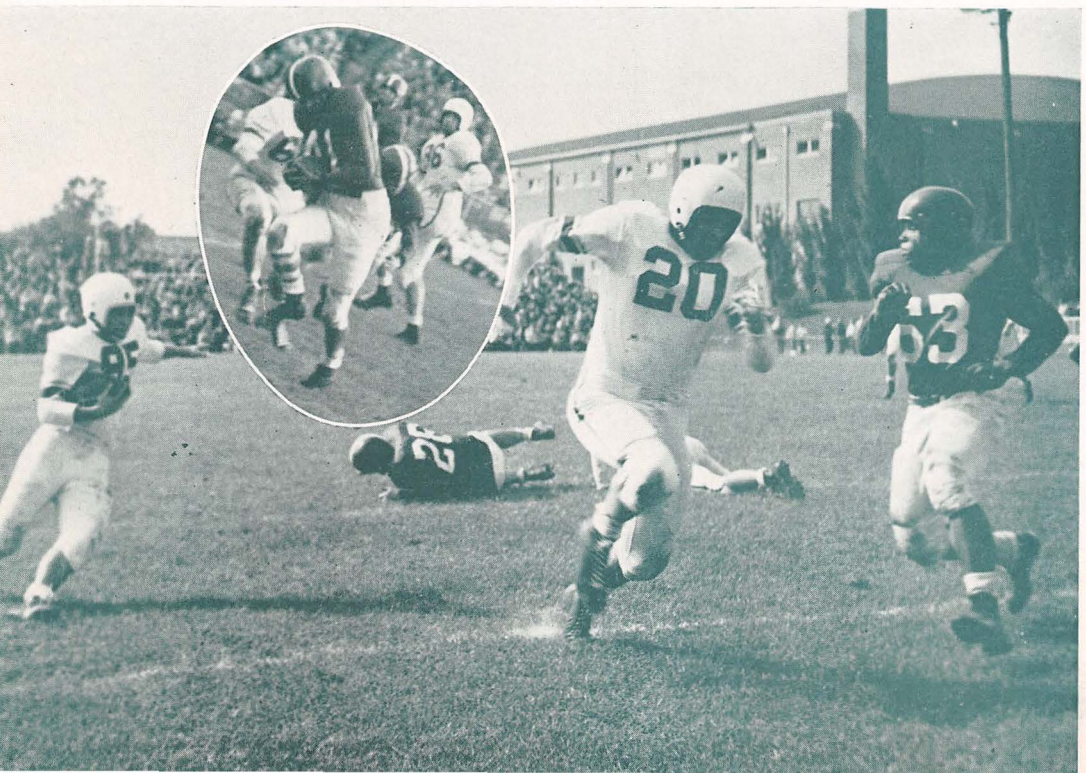

With a schedule studded with teams of national prominence, Youngstown College inaugurated the 1950 season against the highly rated Dayton Flyers. Youngstown College had the strongest schedule in their history.

Rising to unprecedented defensive heights, Youngstown College checked the vaunted Dayton offense at every turn. The Flyers' lone touchdown came on a pass with only 25 seconds of the first half remaining. Dayton's Little All American, Leroy Ka-Ne, was checked in his rushing all afternoon.

The defensive wizardry of Bill Watson, Walt Angelo, Tom Andres, Dick Hannis, and Harry Davis led Coach Beede to say, "Although Youngstown lost, I'm proud of the team. Today it was the strongest defensive team we have ever had on the field."

	Yo-Co	Dayton
First downs .....	19	7
Net yards by rushing .....	260	104
Kickoffs .....	2	1
Forward passes attempted .....	20	16
Forward passes completed .....	9	3
Yards gained passing .....	116	29
Punts .....	5	10
Penalties .....	12	6
Fumbles .....	4	1
Own fumbles recovered .....	0	0

3. Jim Jarvis
4. Howard Gustafson

Holcombe looking for his blocking

## *Gustavus Adolphus 20 Youngstown 14*

Surging ahead 14-6 in the first half proved to no avail to the out-manned Yo-Co squad as the powerful Golden Gusties came back to score 14 points in the second half while holding the locals scoreless. The margin of victory was decided by the Gusties' forward wall, which gradually overpowered the light Yo-Co line.

Goldston scored on a 44 yard sprint and then Webber hit Pittman on a 63-yard pass play for the second "T.D." before the visitors scored on a 50 yard pass play. Rutecki converted for Yo-Co on both touchdowns.

	Yo-Co	Gustavus Adolphus
First downs .....	9	14
Net yards by rushing .....	186	191
Kickoffs .....	3	4

Punts .....	8	6
Penalties .....	2	1
Fumbles .....	6	4
Own fumbles recovered .....	3	0

John Carroll's Shields skirts around Youngstown's left end.

## *John Carroll 27 Youngstown 0*

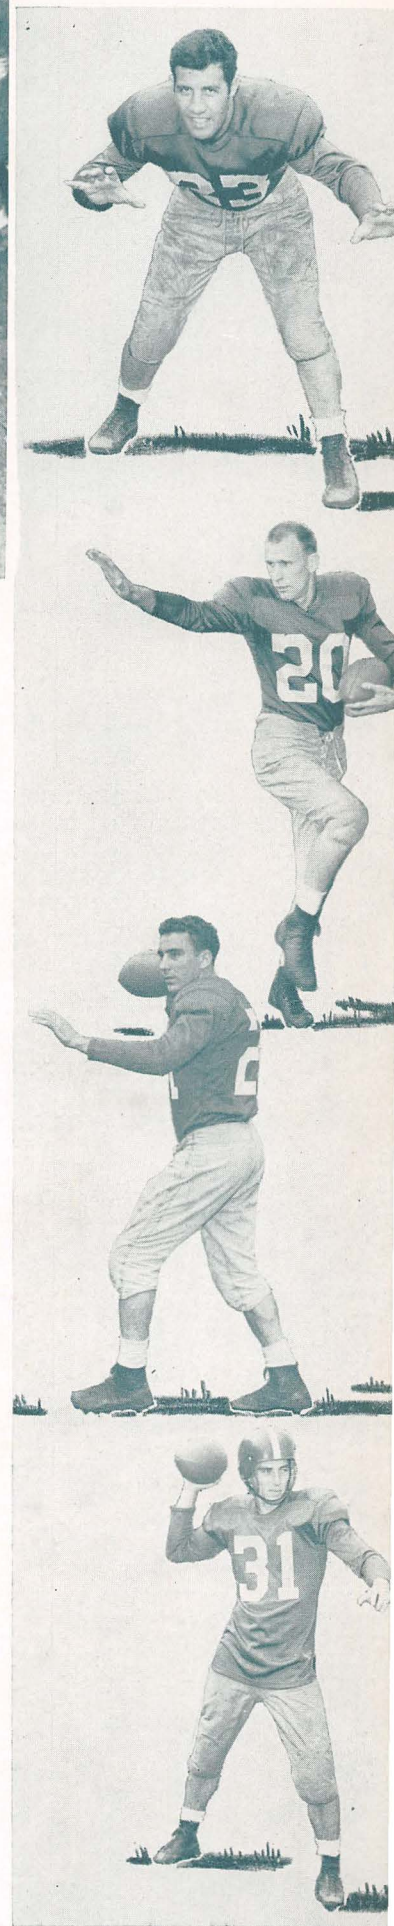

Weight superiority once again proved the margin of difference against Youngstown College. After holding John Carroll to a 7-0 half time margin, the Penguin line wilted, in the second half before the onslaughts of Carl Taseff and Don Shula.

Three pass interceptions hurt Youngstown's chances considerably. The defensive kicking of John Boliver kept John Carroll back in their own territory during most of the contest.

Ralph Goldston gained consistently on the ground while Alan Webber connected for 11 out of 24 passes for a total of 230 yards.

	Yo-Co	John Carroll
First downs -----	9	16
Net yards by rushing -----	48	234
Kickoffs -----	4	1
Forward passes attempted --	24	14
Forward passes completed --	11	6

2. Bob Housteau

3. Tony Marcovecchio
4. Alan Webber

Rutecki in to make the Tackle

## *Youngstown 28      Marshall 13*

Combining a powerful running attack with the miscues committed by the enemy, the Penguins marched to their initial win of 1950. Scoring 28 points in the first half and then holding the opposition with an excellent defensive exhibition, was the tale of the game.

Goldston and Hannis consistently gained on the ground while Webber was finding his mark in the air.

Three Marshall fumbles, recovered by the Penguins, aided the locals' cause greatly.

Pittman scored on a 47 yard aerial play while Hannis bulled over from the one and three yard lines. Rutecki converted four straight extra points.

	Yo-Co	Marshall
First downs .....	17	7
Net yards by rushing .....	176	129
Kickoffs .....	5	3
Forward passes attempted ..	12	9
Forward passes completed ..	7	2

## Youngstown 14

## Niagara 6

After spotting Niagara University a touchdown in the opening five minutes, Youngstown surged back brilliantly to defeat the Purple Eagles 14-6. This continued Youngstown's streak of having never lost a Homecoming game. Lovely Lois Zuercher was crowned Queen at impressive half-time ceremonies that were preceded by an array of floats erected by the various fraternities and sororities on campus.

Ralph Goldston personally accounted for 128 of the 202 yards gained by rushing by the locals.

An 11 yard pass from Webber to Tabachino scored the first "T.D." for Youngstown. Goldston swept through the line for 15 yards to score the second Youngstown Touchdown. Rutecki converted on both occasions.

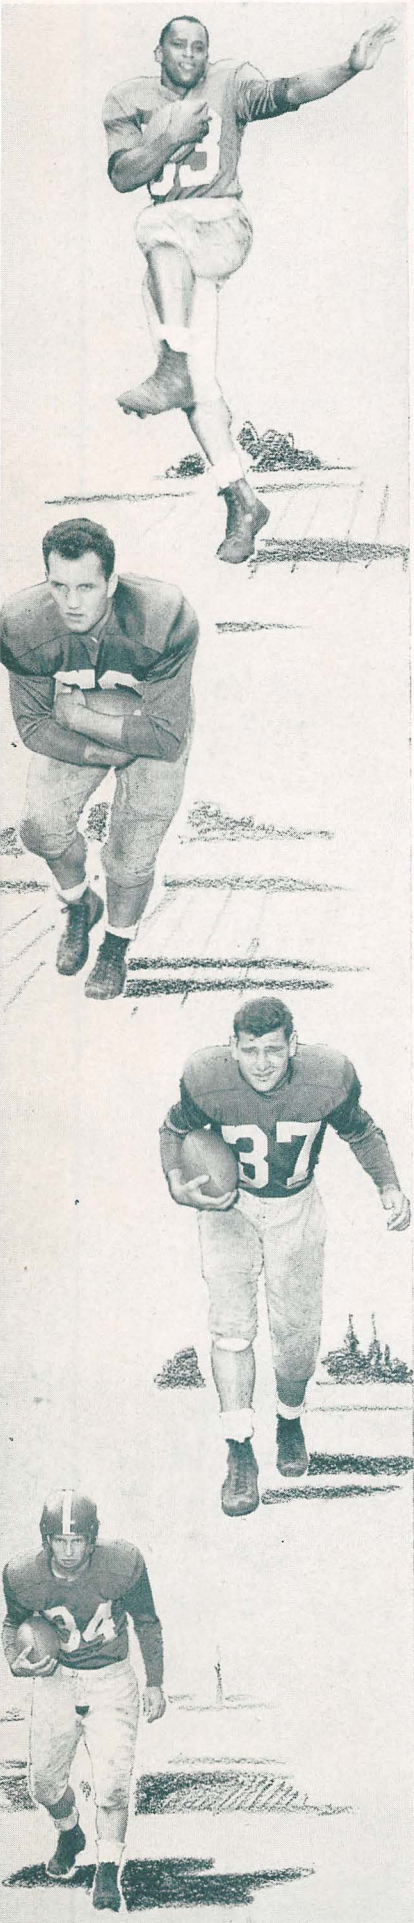

Angelo's superb defensive playing stood out for the Penguins, as he constantly threw the enemy for losses.

	Yo-Co	Niagara
First downs .....	14	15
Net yards by rushing .....	202	118
Kickoffs .....	0	2
Forward passes attempted ..	11	24
Forward passes completed ..	6	8
Yards gained passing .....	76	144
Punts .....	5	6
Penalties .....	1	4
Fumbles .....	7	0
Own fumbles recovered .....	5	0

Ugh!

1. Ralph Goldston
2. Richard Hannis

Stopped by the U. S. Marines

## *Quantico Marines 33 Youngstown 14*

Living up to advance notices, Little All-American, Eddie Lebaron, featured his superlative passing, expert ball-handling and good field generalship in a 33-14 triumph over an out-manned and out-weighted Youngstown squad. Former Navy player, Bill Hawkins, powered his way to three touchdowns for the victors. The Marines were by far the most star-studded team Youngstown has ever encountered.

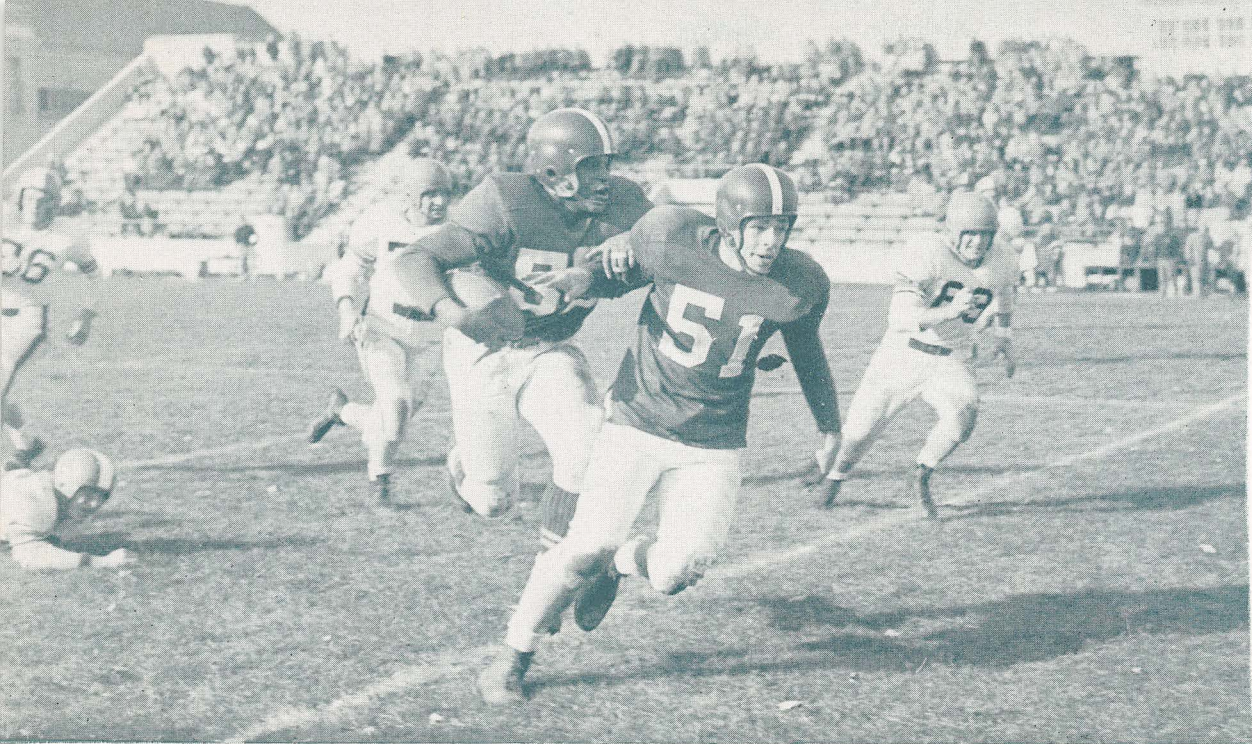

The game was heavily marred by penalties, although the Marines showed they could score virtually at will.

Alan Weber took time out from his passing to do a little running and scored the first touchdown for Youngstown from the two yard line. A "Webber to Matuscak" pass combination scored the second Youngstown touchdown late in the game.

A bad case of "fumblitis" seriously impaired the offensive efforts of Youngstown, and stopped several threats close to the goal-line.

	Yo-Co	Marines
First downs .....	16	14
Net yards by rushing .....	141	300
Kickoffs .....	3	6
Forward passes attempted ..	22	19
Forward passes completed ..	12	8
Yards gained passing .....	162	129
Punts .....	6	4
Penalties .....	2	12
Fumbles .....	5	5
Own fumbles recovered .....	2	3

3. Henry Pezzuolo
4. Don Medland

Hurry Tino, block that man

## *Bowling Green 22 Youngstown 7*

Apparently losing heart, after having a safety scored against them, Youngstown lost to Bowling Green 22-7. The offense of Youngstown College was evidently left at home as various threats were nipped in the bud by the heavy Bowling Green team.

The passing wizardry of Alan Webber was stopped by four Bowling Green interceptions. A "Webber to Pittman" pass combination provided the only score for the locals. Automatic Rutecki converted his eleventh straight extra point.

The long range punting of John Boliver was about the only bright feature of the afternoon for Youngstown College.

	Yo-Co	Bowling Green
First downs .....	11	10
Net yards rushing .....	235	160
Passing yardage .....	55	32
Passes attempted .....	9	24
Passes completed .....	3	5

Ange Nacarato

## *Youngstown 21      Mt. Union 0*

Playing a superb defensive game while the offense was scoring three times, Youngstown climaxed the 1950 season with their third win of the year.

Goldston scored first on a six yard jaunt through tackle. Webber then scored on a 17 yard end sweep in the third period.

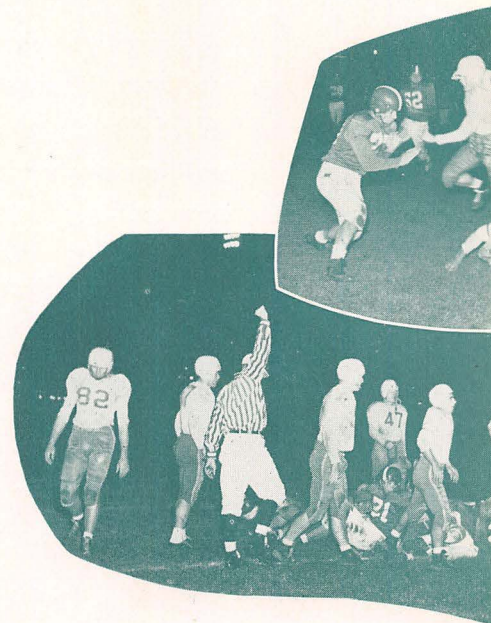

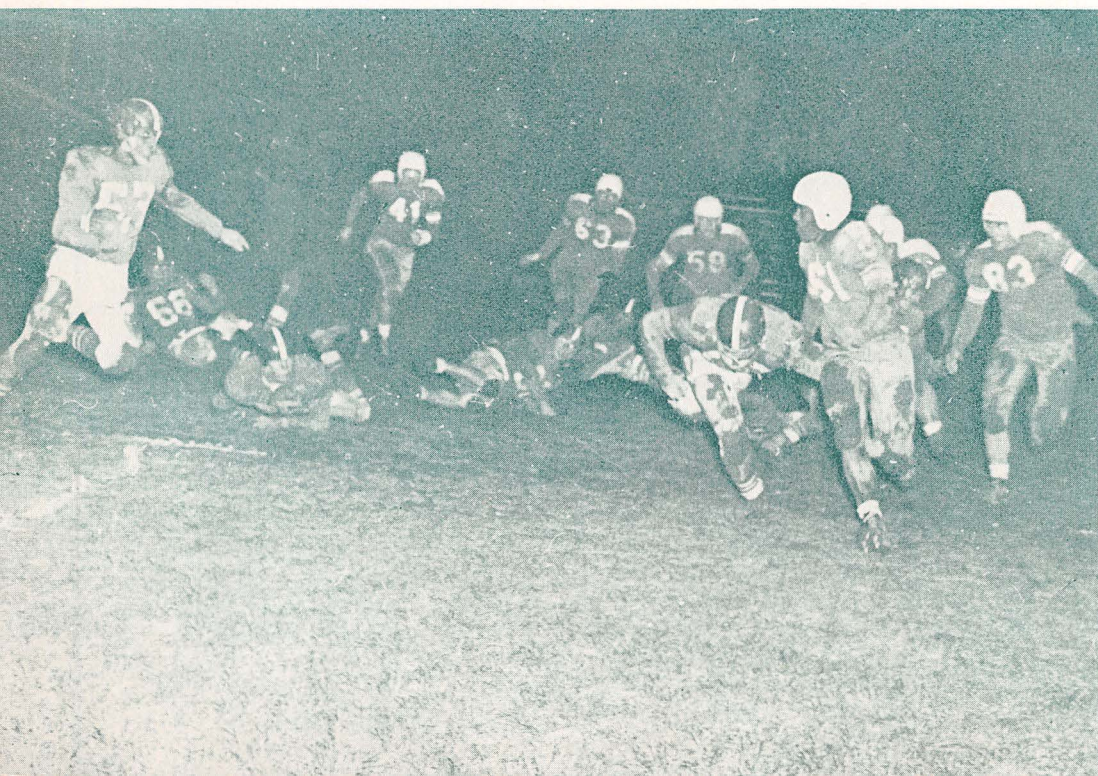

Goldston scored the final touchdown on a five yard pass from Webber.

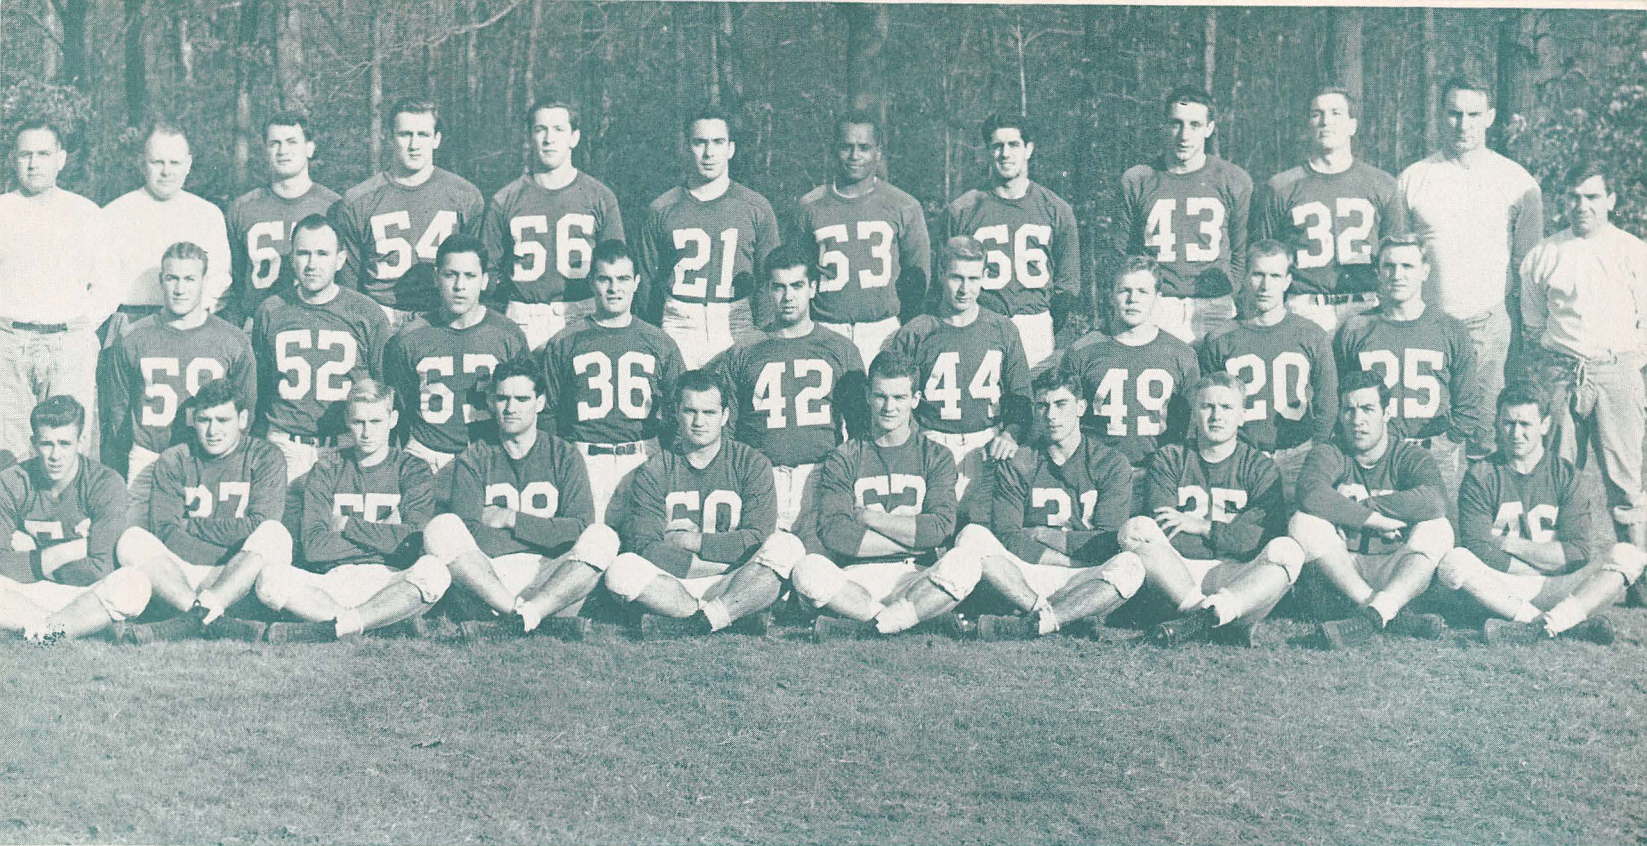

Angelo kicked the three extra points, making it 14 straight successful conversions for Youngstown College. This marked a new local record for extra points.

Four seniors, Davis, Hannis, Angelo, and Watson, terminated their college gridiron career in this tilt. All four carried on a sparkling defensive during the game. Youngstown will certainly miss their talents next year.

	Yo-Co	Mt. Union
First downs .....	16	9
Net yards rushing .....	276	82
Kickoffs .....	4	1
Forward passes attempted ..	13	16
Forward passes completed ..	5	6

## *Varsity Team*

## Freshman Team

The third season of Freshman football at Youngstown College found the future Penguin gridiron stars finishing up the season with a "won 3—Tied 1" record, the best posted by a Frosh outfit since Freshman football entered the campus in 1948.

Coached by the backfield mentor Dom Rosselli, the baby Penguins started off the season with an 18-2 win over Geneva College reserves at Beaver Falls, Pa. George Ceremuga scored twice for the local frosh and Don McCloud romped over the goal line with the other tally for the locals.

John Carroll Freshmen became the next victims as the boys from Wick Avenue walked all over the Blue Streaks 40-0. Featuring the attack for Youngstown in the scoring department were backs Ed Nogowski, who scored twice, Roger Ottawa, George Ceremuga, Fred Steffan and Lou Chicaro, the diminutive guard who broke through to block a punt and ran over for the score. Bobby Lynn converted on 4 of the 6 conversion attempts.

The next game of the season had the "Steel City" crew traveling up to Olean, N. Y. for a clash with St. Bonaventure's Frosh squad. "Mr. Mud" made it tough for both squads and the teams battled to a 6-6 tie. Youngstown's score came on a 37 yard pass play, George Dokmanovich to Roger Ottawa.

In the last game of the season, the Penguin Frosh defeated the Baldwin Wallace Freshmen 13-0 at Berea, Ohio. George Ceremuga scored both "T.D.'s" for the Youngstown Frosh having tallied once on an 18 yard ground play and the other time on a 40 yd. pass play from quarterback George Dokmanovich.

An amazing thing about the 1950 Freshman squad is that a number of boys on the team played their high school football at schools which were coached by former Youngstown College players. Here are the names of the coaches and their ball players.

Jack Cramb (North High) Fred Steffan  
Walter Maly (Greenville St. Michaels) George Ceremuga, Joe Santangelo  
Dick Sontag (Hubbard) Ben Adams  
George Kohut (Johnstown Freeport) Thomas Culkar  
Bob Thompson (Wilson) John Lucko  
Bill Sloko (Memorial) Pete Kornyak

The 1950 Youngstown College Freshman team will certainly bring much needed reserve and added strength to the varsity squad. All of the 23 ball players on the squad have the "savvy" and ability which is characteristic of good football players.

The 1951 football season at Youngstown College will find the names of CEREMUGA, STEFFAN, CHIARO, McCLOUD, LYNN, ADAMS, OTTOWA, KORNYAK and CONNELLY making the headlines of the local newspaper. Keep watching for them, they're tough ! ! ! ! !

ROW 1: L. Chiaro, J. Lucko, B. Adams, D. McCloud, P. Pellifrone, G. Ceremuga, J. Santangelo, D. Riley.  
ROW 2: W. Gurski, V. Lamarco, R. Peine, R. Ottawa, L. Lehner, R. Gornak, B. Lynn.  
ROW 3: F. Stefan, R. Cully, G. Dokmanovich, T. Culkar, J. Knapic, P. Connelly, E. Nogowski.

# Student Sports Staff

## STATISTICIANS

While the average fan just sits and yells until his tonsils are sore at both the football and basketball games, the press box and press tables at various events are buzzing, not only with newspaper reporters and radio men, but also a crew of statisticians.

First downs, yards gained rushing, punting averages, and so forth are kept in football; while basketball has its shots attempted, rebounds and assists, all of which are compiled by the statisticians.

Statistics are a vital part of all athletic events. A National Bureau of Athletic Statistics resides in New York City and there all records of ball players around the country are compiled and individual leaders ranked accordingly from reports sent in from various school publicity departments.

Youngstown College had a very efficient crew of statisticians at both the football and basketball games. Serving in that capacity were Senior, Chuck Perazich, and Freshman Football players, Lou Chiaro, Pat Connelley, Don McCloud, Bobby Lynn and "Doc" Riley. Each performed his individual task exceptionally well and to them, a hearty "WELL DONE" for their work in the statistics department of Sports Public Relations at Youngstown College.

C. Perazich

L. Chiaro

D. McCloud

## MANAGERS

"Work" is the main theme portraying the job of a manager. The manager's work is never done, it's just partially finished. Long after the clatter of cleats and cheers of crowds have died down, a manager can be seen either preparing for the next game or cleaning up after the last game.

No glory is bestowed on the managers in any way. They just go on day after day, doing their work and bothering no one. Without them though, a football squad would find it difficult to get along.

Youngstown College had a very capable crew of managers around the sports scene in 1950. Joe Vuksta, Ed. Kinney, Dick Jackanich and Mickey Yohman had the squad in tip-top shape as far as upkeep of equipment was concerned.

To them and also the many other managers who have since left the halls of the Wick Avenue Campus, we dedicate these few lines of verse.

Row 1: Mickey Yohman, Ed. Kinney.

Row 2: Dick Jackanich, Joe Kuksta.

A touchdown scored brings many a cheer  
and an injured bone will force out a tear,

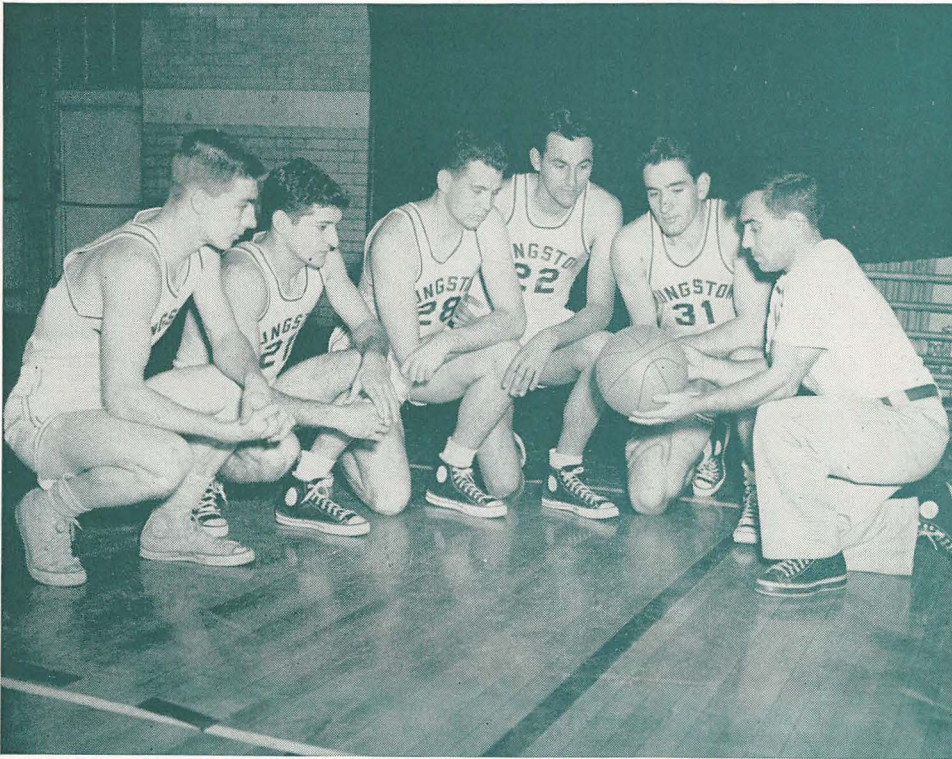

The daily practice with its drawn out ways  
which does each week work out sets of new plays,

These things a ball player will never forget,  
and also them he will never regret,

He'll miss them all as time flits by,  
the overnight trips and after game pie,

But the thing he'll miss more than all these sights  
are the managers' sets of clean practice whites.

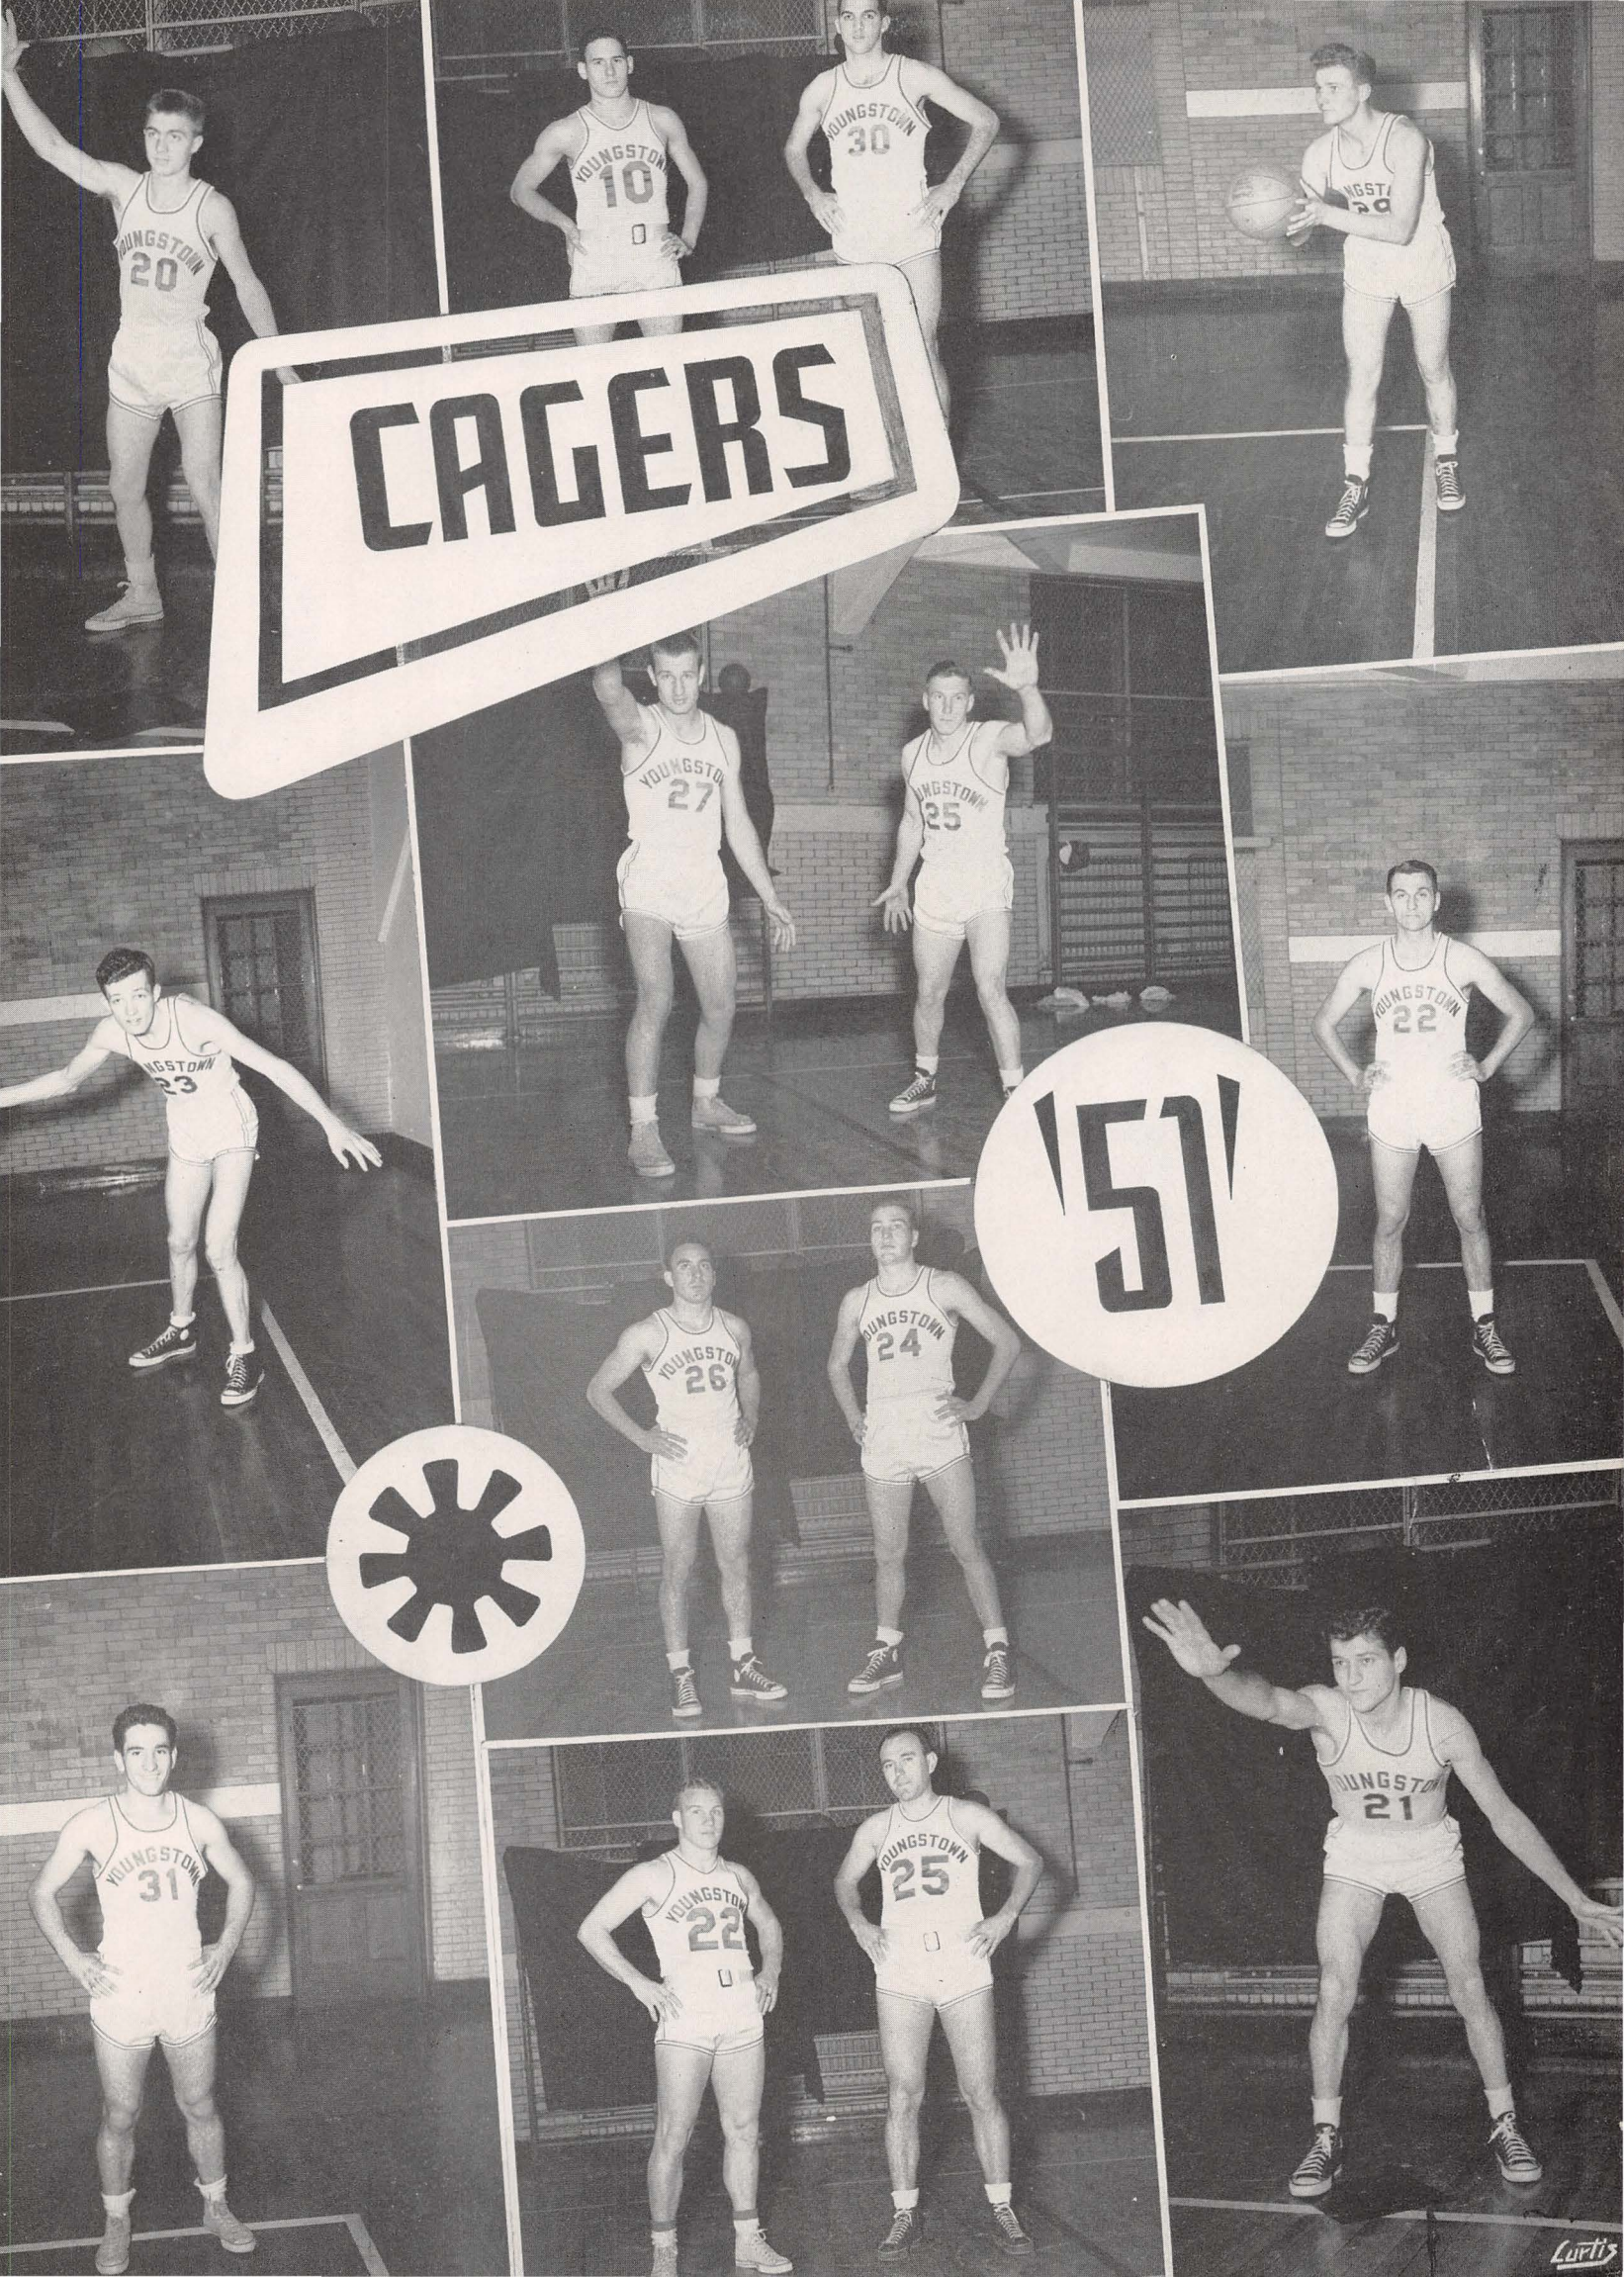

... AND GET THOSE REBOUNDS TOO

# CAGERS

'51'

### BASKETBALL FANS

This is a typical home game crowd at South High field house enjoying the fine display of basketball skill produced by the YoCo team. Attendance this season was up considerably over the last few years. On several occasions the field house was filled to capacity, which goes to show that people follow a winner. The moral support given the team by these crowds roused the players to winning action.

Every home game provided new thrills for the spectators—one of the reasons why the fans kept coming back again.

Several students of Dana School of Music formed a pep band to play for the home games and this proved to be a favorite of the fans and the team.

43	Fenn Freshmen	35
Won 11		Lost 8

Many former district scholastic cage stars dotted the roster of the 1950-51 edition of Youngstown College freshman basketball.

A former North High luminary, Earl Johnston, settled down at Wick Avenue for his education and was the team's highest scorer for the season. Johnston played his high school ball at North High under the tutelage of a former Penguin cage star, Roy Kroll. Close behind Johnston for the scoring leadership was "Bud" Mayberry, former East Brook, Pa., cage star. Mayberry's 6'4" will certainly help out next season's varsity squad. Bob Yuhas of Leavittsburg, and Leo Palmgren and "Zack" Brandes of Ellwood City, Pa., rounded out the starting five.

Other capable hoopers who saw considerable action were Kent Smith of Braceville, and Mike Butch of Youngstown East. At Mid-year the squad was bolstered by the addition of Sam Mangine of Lowellville and "Brutz" Lunich of Brookfield. Both showed ability and are definitely "varsity timber".

The Baby Penguins possessed something that teams in the past have never had—height. Mayberry at 6'4" was the tallest cager, and following him came Yuhas, 6'3½", Smith 6'3" and Johnston, 6'1".

Although they ended the season with a record of 11 wins and 8 losses, the Steel City Frosh came up with victories over some of the district's toughest independent squads. Among their victims were General Fireproof, Sharon Arners, Steel City Chevrolet and East Brook Merchants.

Add some actual collegiate experience to the height and skill of the 1950-51 Penguin Frosh squad and the result is the probability of a top-ranking Youngstown College squad.

# Varsity Basketball

The 1950-51 basketball season provided many highlights, with sixteen victories and only seven losses. This is one of the seven all-time records broken during the regular season. This number of victories was also the largest made in a single season. The total of 1,635 points for the season topped the previous high set in 1949-50 by 253 points; the total of 629 field goal surpassed all previous efforts as did the 71.1 points per game average. Against Geneva College, YoCo's 92 point tally, which consisted of 39 field goals, set new records.

After splitting even on the first two games, the Penguins began their longest winning streak of five games. Included in these five games was the annual Round-Robin Tourney in which the YoCoites defeated the favored Muskingum quintet. Next came Geneva College, which the night before had upset another favored team, Mount Union.

After dropping a game to a classy Bonaventure team, Youngstown came back to take the next three before losing three in a row to St. Francis, Muskingum and Baldwin-Wallace, the last-named being the only team to beat the Penguins twice during the season.

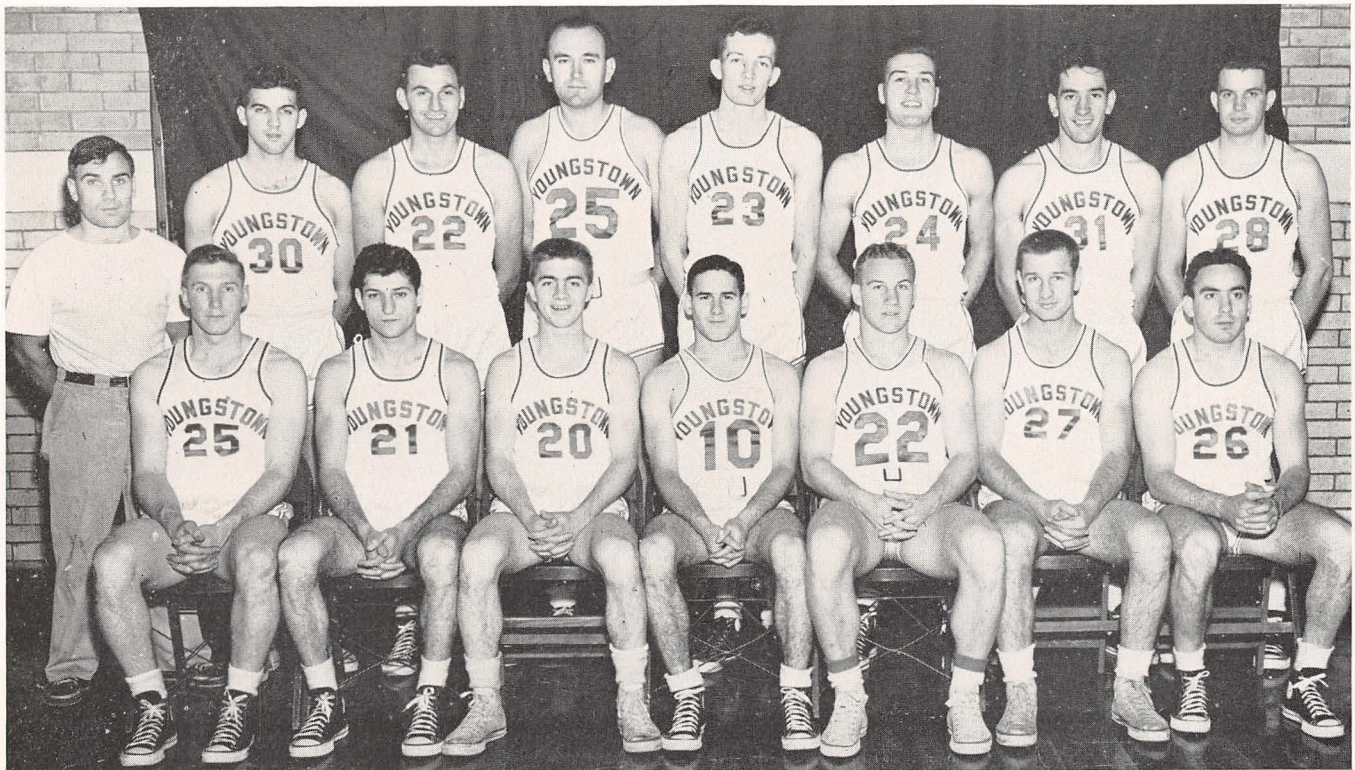

Geneva, Mount Union and Dayton were the next victims of the YoCo basketeers. Featured in this set of wins was their upset victory over the highly-touted Dayton Flyers. This was probably the most thrilling game ever seen in the South High fieldhouse. After an evenly fought contest throughout, Youngstown finally won 76-73.

Journeying to Kent, the Penguin five dropped a close game to the Kent States Flashes, but took the next four games from Alliance, John Carroll, Slippery Rock and Fenn before dropping the final game of the season to Marietta College.

Congratulations to Dom Roselli and his excellent team for a very successful season.

# Baseball

Coach Dom Rosselli can boast of a good baseball team which centered around veterans from the 1949 team. Two veteran pitchers, Mike Magula and Paul Andrish, made impressive records last season and did very well this season. They were assisted by the new pitchers Nick Granitto and Dick Selby.

The Yoco baseballers started the season with a big noise by romping to a 13-7 win over Alleghany College. In the fifth and sixth innings, Yoco went on a rampage with runs. Mike Magula was in top form.

Alliance College, next on the list, played host to Yoco. There was good pitching on both sides. Yoco's Magula struck out 10 players, but the game ended in a 5-5 tie.

Then the Yoco team traveled to Beaver Falls, Pa., to battle with Geneva College. The game was a thriller. Yoco won 6-5 with Magula pitching.

In another thriller, Yoco was handed its first loss by a strong Akron University outfit. The score was 5-6. Paul Andrish was the losing pitcher.

Yoco drubbed its next opponent, Baldwin-Wallace, 5-2, with Magula allowing only two runs.

Yoco next lost a doubleheader to the strong Fenn College nine. The first game was one of the those close shaves that the Yoco team usually exhibits, but they did not come out on top, for they bowed to Fenn College to a score of 2-3. Although Andrish was the loser, he displayed good pitching by holding Fenn to only three runs. The second game was dropped to the tough Fenn team by a score of 4-7.

Yoco came back with a bang to trounce Mt. Union College 6-1.

The next opponent was the Alliance nine that previously tied the locals. In the fourth inning, Frank Rzasa hit a home run and Al Boggia batted a run in to put Yoco in the lead. Although pitcher Granitto ran into a troublesome seventh inning, he did succeed in getting out of it so as to enable Yoco to win 6-5.

Yoco, seeking revenge for its earlier defeat, found Akron too tough. Yoco fell 6-12.

In the last game of the season, Andrish made Baldwin Wallace bow to a score of 4-2.

Yoco ended its season with 6 wins, 4 losses, and one tie.

ROW 1: W. Nagy, J. Cassese, E. Nogowski, L. Lehner, D. Williams, P. Stebelton, F. McHugh.

# Golf

Youngstown College began intercollegiate golf in 1946.

Record since that time:

1946	7	wins	3	losses
1947	9	wins	4	losses
1948	11	wins	4	losses
1949	8	wins	1	loss
1950	8	wins	3	losses

The nucleus of these teams have been the three Prokop brothers Pete, George and Mike, and Alex Kostyshak.

Pete was captain of the team for 2 years 1946-47-48; Alex Kostyshak was captain in 1949 and 1950.

Three members of last year's squad will be available this year: Mike Prokop, Ray Wise and Joe Ciminelli.

Pete Prokop represented the college in the 1949 National Intercollegiate Golf Tournament at Bar Arbor, Michigan, where he won honors in the driving contest.

Dean Smith, who manages the team, confesses that he is an expert in the art of hooking and slicing and gives the team valuable demonstrations of what not to do.

He has two holes in one to his credit. Under pressure he admits that there could have been an element of accident in this.

Dean Smith accompanies the team on its trips and usually plays the course with the coach of the opposing team while the boys are sweating out the match.

M. Prokop, G. Prokop, A. Kostyshak, R. Wise.

# Tennis

P. Snyder, J. Battafarano, Mr. Mason.

matches John also played number one doubles. John is also a member of the football team.

Jim Battafarano—Jim is a 4-year veteran of the tennis team. His forte was in doubles competition, where he finished up with the highest record on the team.

Don Ashmus—Don is the only tennis player alive who can eat a sandwich and an ice cream cone between sets and still be able to play top flight tennis. Don was equally proficient in singles and doubles last year. His 7-3 doubles record was high for the team.

Bill Houser—A three year letterman, Bill has also been the team business manager on road trips. This alumnus of Chaney excelled in singles competition.

Phil Snyder—One of the two southpaws on the squad, Phil had the highest win percentage on the team. His 10-1 singles record coupled with his 5-3 doubles record gave him a combined percentage of 789. Phil's timely jokes helped to ease the tension of the team at crucial times.

Al Mason—Al was the other lefty on the squad. He teamed up with Phil Snyder to form an effective southpaw doubles.

Lou Mahar—Lou was the utility man for the team. He filled in wherever needed with remarkable ease.

Leo Mason—Co-Coach Leo Mason has been playing tennis for 35 years. Leo has played in the city tournament 24 times. He has copped the singles crown 5 times and the doubles crown 21 times. In 1948 when he was 50 years old, Leo won his last singles crown. Leo has advanced to the quarterfinals or better every year he has entered the tourney. In his hayday Leo played on an inter-city team that played Greenville, Sharon, Farrell, New Wilmington and Grove City.

The highlight of his career was when he teamed up with Carl Dennison to defeat Madden and Lampes in the Valley Labor Tournament at Mill Creek. The latter had won the Maryland State, the Pennsylvania State, the Kentucky State and the Michigan State Championships. Tennis notables he has played include Don McNeill, and Lester Stoffoe.

Leo also was the first captain of the Youngstown Entry in the Federated Football League. This league was the predecessor of the current National Professional League. Leo was placed on the All Federated first team as fullback every year he played.

Ralph Beard—Professor Beard is a graduate of South High and Hiram College. He played number one man at Hiram three years running. YoCo's Dean Smith was his coach at Hiram. Professor Beard played in the Inter-City Tennis League three years. He was defeated 3 straight years in the city tournament finals by Carl Dennison who was the state champ. Professor Beard credits the local high schools with producing many fine tennis players. In his estimation tennis is on the upgrade in the Valley and he looks forward to many fine teams here at Youngstown College.

The team statistics for 1950 were 43 wins and 26 losses for a 623 percentage while the doubles statistics are 39 wins and 26 losses for a 600 percentage. The total-win-loss percentage was 612.

With five of the first seven men returning for 1951, it looks like the '51 team will enjoy a banner year.

Reviewing all the YoCo major spring sports of the 1950 season, we find that the tennis team had the best win-loss record of them all.

Under the guiding genius of Coaches Leo Mason and Ralph Beard, the team began practice in the middle of February. Inclement weather kept the team confined to the Y.M. C.A. gym, where they perfected their stroking and footing to the highest degree, so that by the time the opening game came they were able to win handily over Thiel, 8-1.

On their first road game the Yo-Coites disposed of John Carroll, 6-3. Next on the list were Geneva, Hiram, Fenn and Mt. Union; all of whom fell by the wayside before the onslaughts of the Penguin racqueteers.

On May 19, the locals went to Berea, Ohio, to take on the powerful Baldwin-Wallace aggregation. The Penguins met their match and succumbed to B. W., 5-2.

Next on the list was a trip to Bowling Green. The squad left on Friday morning so they would be rested up for their encounter on Saturday. On a misty, wind swept court the locals were downed 5-4 in a very close match. This was the longest trip ever taken by a Yo-Co tennis team, and it came as a reward for putting out some fine squads the past few years.

Next on the list of fallen opponents was Fenn, 6-1. After losing the return match to Baldwin-Wallace, 7-0, the Penguins bounced back and measured Hiram, 5-4.

In the finale, an illness riddled YoCo team lost to Akron, 5-4.

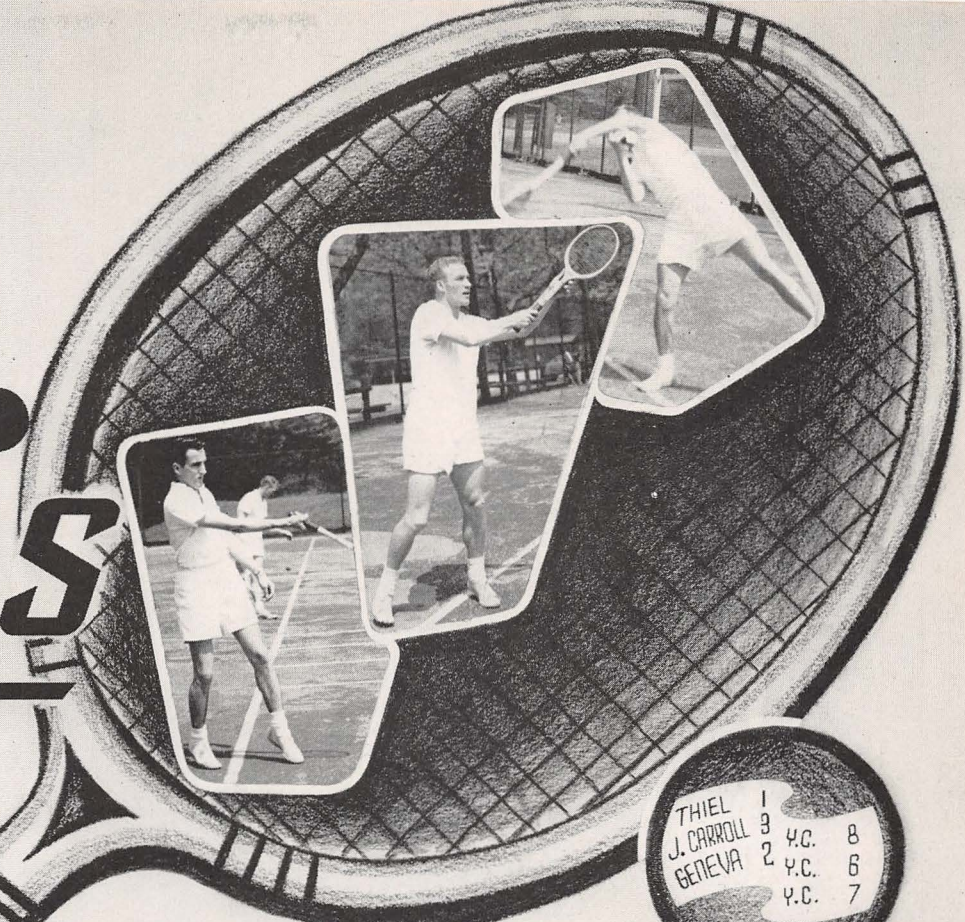

It's hard to single out specific individual highlights for the season due to the well balanced nature of the team. There was little difference of strength between the six varsity members.

However, here are a few highlights on each member of the team:

John Boliver—A transfer from Thiel, John played the rugged number one spot, winning 6 and losing 6 singles

# Track

ROW 1: W. Sibley, D. Poletto, T. Waters, C. Mechowski, B. Dolberg, H. Staub.  
 ROW 2: Coach W. Webster, R. Goldston, R. Lynch, L. Coughlin, J. Moran, C. McCollum, R. Melvin, H. Luckey, B. Gillies, J. Magoulakis, R. Rodecker, W. Anderson, O. Montgomery, B. Stormer, M. Kochert.

1950 marked the first year for a track team at YoCo. Contrary to popular belief that first year "sport's babies" have a difficult time surviving, YoCo did a better than average job in winning two out of five dual meets and coming in second in a triangular meet.

Coached by the versatile Professor Willard Webster, the team did not get outside to limber up until late March. Coach Webster was well satisfied with the showing the team made in 1950. Another bright spot for Coach Webster is the fact that almost the entire 1950 squad will be around for the 1951 season.

After losing to Baldwin-Wallace and Slippery Rock, the locals got into the win column by defeating Geneva and Akron before losing to John Carroll in the finale.

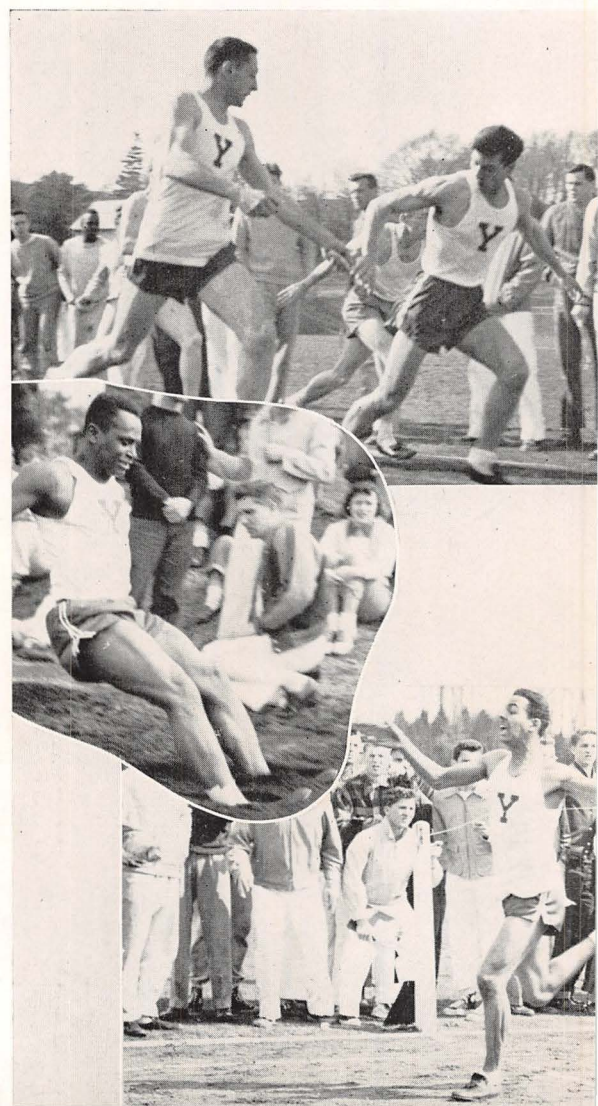

In a triangular meet with Mt. Union and Ashland, YoCo's Leo Coughlin had a first place in the mile, James Kelly a first in the 880, and Dick Hannis a first in the discus throw.

## DUAL COMPETITION

Yo-Co	OPPONENTS	
18	Baldwin-Wallace	109
56	Slippery Rock	67
68	Geneva	54
67	Akron University	60
58½	John Carroll	68½

## TRIANGULAR MEET

Mt. Union College	79-1/16
Youngst'n College	50-1/2
Ashland	27-1/3

# Swimming Team

Dick Weichsel, Sherman Law.

The varsity swimming team of 1951 was put into shape by Co-coaches Sherman Law and Dick Weichsel. Dick, who is a student at YoCo, also entered the meets. The team was entirely green except for Don McBride, Jack Magoulakis and Dick Weichsel. For the second year Don McBride had a successful season in the 200-yard breaststroke.

The perennially tough Baldwin-Wallace team was the first opponent for Youngstown. Baldwin-Wallace won 56-8.

YoCo fared badly against the Fenn College team, which was next on the agenda. The only first place won by the locals was in the 100-yard free style event swum by Bill Moore. Fenn won 58-13.

Showing improvement in the next meet against Slippery Rock, YoCo took several events but lost the match 42-22. First place laurels were won in the 100-yard free style by Moskalik and in the 200-yard breaststroke by Moore. Bob Stewart took second place in the 200-yard backstroke.

Next the swimmers journeyed to Case, only to lose again, 45-19. Stewart took first place in fancy diving, while Bob Swartz copped the 440-yard free style and McBride won the 200-yard backstroke.

Thiel handed YoCo its fifth straight loss 54-12. In a return match with Fenn, YoCo once again came out on the short end of a 51-23 score. Baldwin-Wallace likewise won the return match 49-17.

In the concluding matches with Grove City and Edinboro, YoCo was still unable to penetrate the win column.

The high individuals for the year were: Don McBride, 85 points; Bob Swartz, 61 points; and Dick Weichsel, 47 points.

Moskalik, Magoulakis, McBride, Stewart, Moore, Williams, Schwartz, Schwartz, Magni.

# *Intramural Sports*

## *Women*

The Women of Youngstown College have made great progress this year toward establishing a WRA, under the expert guidance of Bertina Loberde.

Ten students make up the intramural planning board, which is in charge of all sports activities. The officers are: Patt Loury, chairman; Frances Sampson, sport's director; Jean Law, secretary; Sally Russell, publicity. Other members are representatives of the Newman Club, RIL, and the sororities on campus.

At the beginning of the bowling season, the following teams were organized: Alpha Iota, which won the tournament; Newman Club, which placed second; Gam Lamba and YoCo CooCoo's. The three high individual bowlers were Doris Miller, Gertrude Sandusky and Ellamae Casteel.

The girls went to Cincinnati for a "Playday", which included such sports as swimming, bowling, baseball, volleyball and table tennis.

As spring drew closer signs of archery, baseball, tennis and golfing were evident. If students wondered what was going on behind the Butler Art Gallery at times, it was some of the girls learning the fundamentals of field hockey, which will be offered next year if a field is available. The men have now joined the girls in fencing and field hockey due to a scarcity of equipment.

Plans are in progress for a bigger and better women's intramural program next year.

## *Men*

The 1950-51 intramural sports season saw many teams eagerly turning out to see if they could capture the championship in bowling, basketball and softball. Sports for individual participants also brought a large turnout.

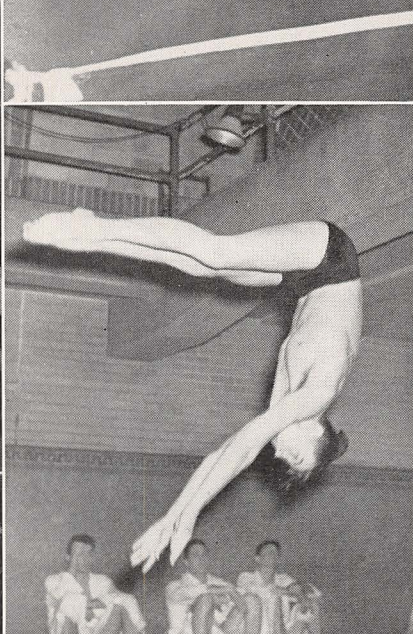

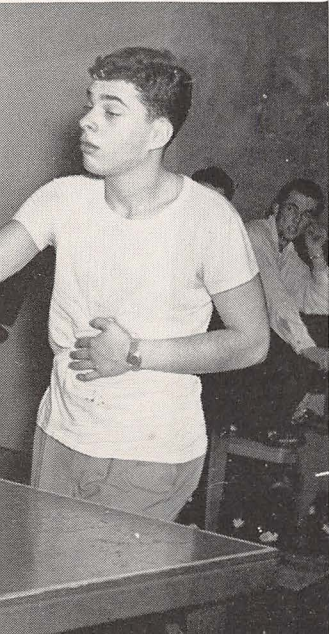

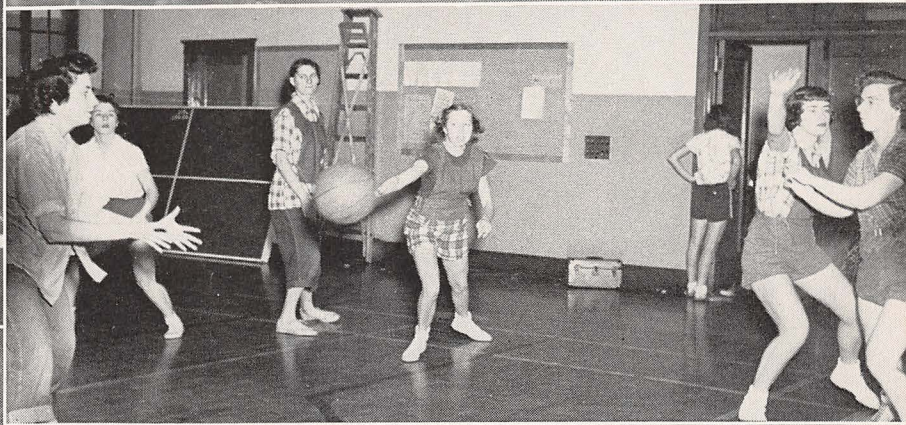

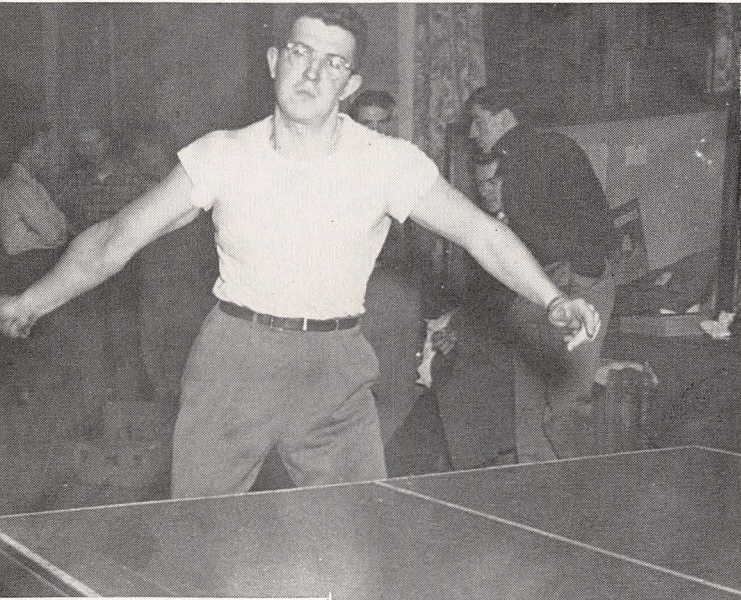

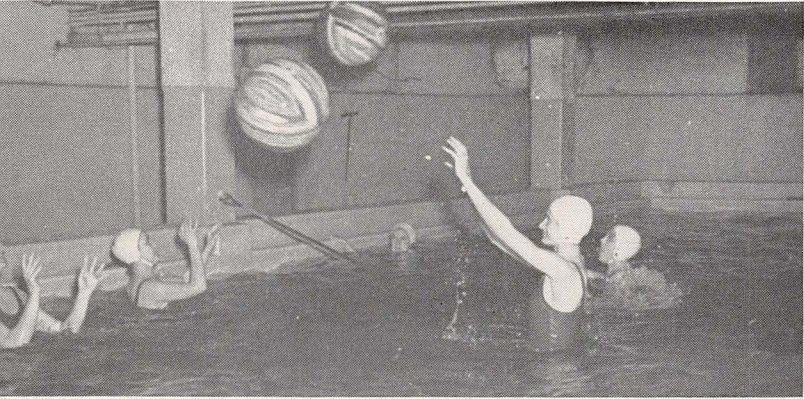

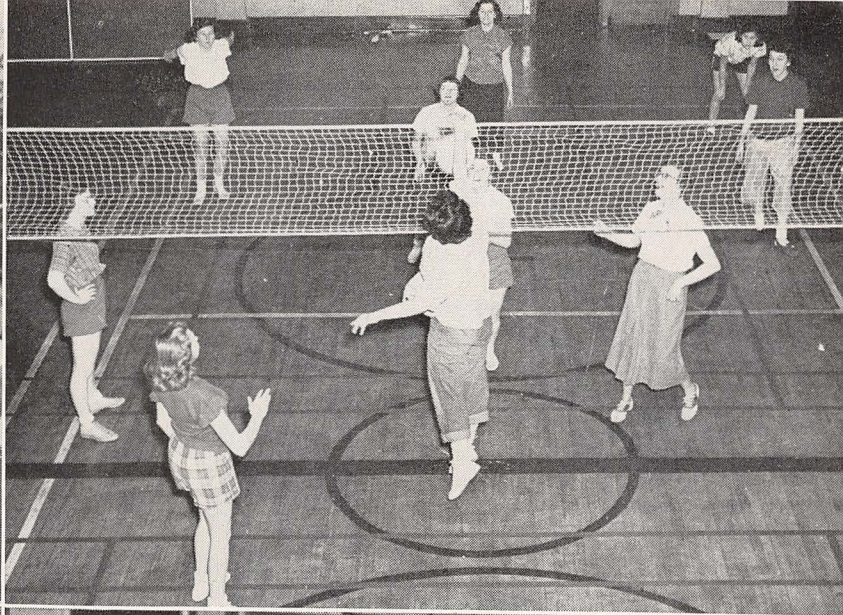

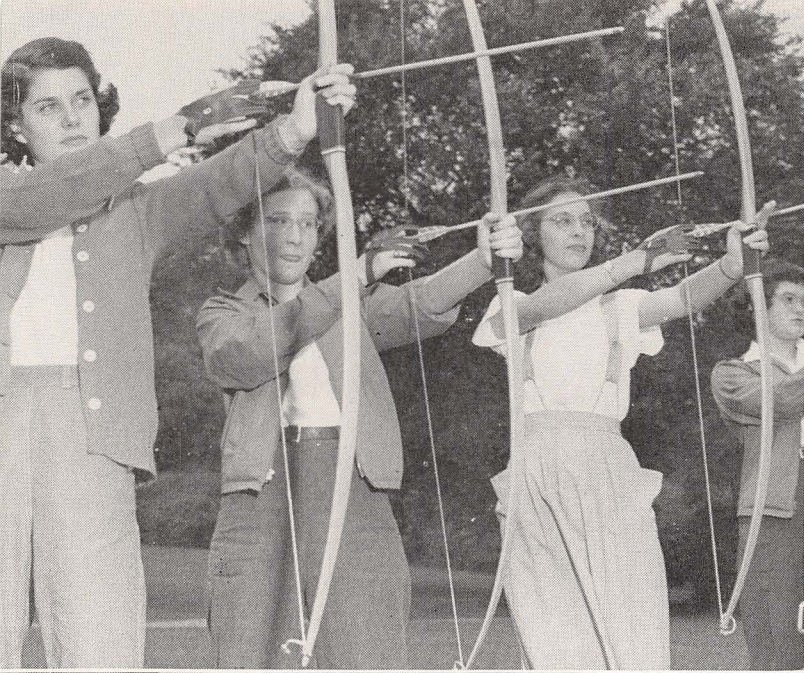

In the bowling league the Phi Sigs won the championship and then defeated the first-half winners, the RIL in the play-off to gain the championship. Paul Delic of Sigma Sigma won individual high average with a 181.18.

An all-star team from the bowling league represented YoCo in an intercollegiate bowling tournament at Gannon College. YoCo took first place with the incredibly high team score of 2936. The trophy now adorns the athletic office. J. Matune gained third place in the singles tournament with a score of 632.

In the spring of 1950 the Dazzling Dukes, with fine pitching and slugging, defeated the East Siders to win the championship in the Intramural Softball League.

The tennis matches held at Volney Rogers, were close. In the best one, Harry Perry beat the 1949 champ, Charles Lowry, to win the 1950 tennis crown.

In the 1951 basketball league the competition was keen all the way through. The Newman Club was the victor in the Chestnut League, while Varsity Hall triumphed in the Walnut League. In the play-off the 1950 victor, the Newman Club, was defeated by Varsity Hall 50-30. It was a case of height over speed.

# Alpha Iota

Alpha Iota — Professional girls of tomorrow — opened rushing season with a square dance at Pioneer Pavilion and a dinner at Ravers. Fourteen girls were initiated as active members at the home of Rosemary Sturgeon.

With Tau Kappa Nu sorority and Alpha Sigma Chi fraternity, Alpha Iota entered a very attractive float in the Homecoming Parade. Our yearly project, selling cards for all occasions, was highly successful.

Congratulations were extended to Peg Skipp, Alice McCoy, Joanne Butler and Dolores Bryan, who received engagement rings during the year.

The Alpha Iota bowling team was awarded the 1950 Intramural Bowling Trophy.

The sorority was very proud of Delephine Olenick, who was an attendant to the Mardi Gras Queen and a Snowflake Frolic hostess.

Social affairs included parties with various fraternities, date parties, a Mother-Daughter Tea, and our Formal Dinner Dance which highlighted the Christmas season.

# Alpha Sigma Chi

Alpha Sigma Chi fraternity was organized in 1947 by a group of men from the business school who felt the need for an organization to represent that school in college activities.

An honorary business fraternity, Alpha Sigma Chi looks forward to a bright future under the capable advisement of John Janosik.

The fraternity's social season included a joint party with a business school sorority, the annual Pioneer Hop at Pioneer Pavilion, a formal dinner-dance and numerous other informal parties.

# Alpha Phi Omega Alumni

"I hereby make application for alumni life membership in Alpha Phi Omega. Recognizing this is a national program of service, I promise to apply my energy and talents toward its progress and expansion throughout my lifetime. I will attend national and sectional meetings of Alpha Phi Omega whenever possible and will aid local chapters in my vicinity when occasions arise."

The following are part of the evergrowing list of Alpha Phi Omega alumni. The purpose of the Epsilon Phi Alumni Bulletin is to keep members in touch with each other, and with the active brothers at Youngstown College.

 ROW 4: B. Clark, E. Taylor, E. Byers, A. Donatelli, G. Allen, B. Huffman, B. Davis, J. McGinty.

Epsilon Phi chapter of Alpha Phi Omega national service fraternity has been active at Youngstown College for four years. During this time the chapter has carried out many service projects for the school, the community and the nation. Epsilon Phi patterns itself by the three principles of leadership, friendship and service.

The year 1950 marked the silver anniversary of Alpha Phi Omega, which now includes 233 chapters, the largest Greek-letter fraternity in the country.

During 1950 Epsilon Phi received the emblazed leather achievement award, for outstanding service, at the national convention held in Des Moines, Iowa. President Bill Houser accepted the award on behalf of the fraternity. Professor Harold Crites, Dave Massaro, and Mike Belegris also represented the chapter at the convention.

On March 31, the third annual Jester's Ball was held at Stambaugh Auditorium. This successful dance also made the formal introduction of Alpha Pi Epsilon service sorority. The basic principles of Alpha Pi Epsilon are similar to those of Alpha Phi Omega, with both groups pledging themselves to carry out service projects.

ROW 1: Mike Belegris, Edward Taylor, Bill Houser, David Massaro, Joseph Iati.

ROW 2: John Roman, Dan Daniels.

On Campus, Epsilon Phi handled the Community Chest Drive, the March of Dimes, and the Mile of Dimes campaigns for the community.

Once again at Christmas, the fraternity decorated the halls of Yoco and placed a tree in front of the main building.

The annual Food-for-the-Needy campaign was a big success, as over 2000 cans of food were collected by the fraternity.

A-Phi-O manned the refreshment stand at several Student Council stag dances, checked coats and sold refreshments for the Yocohooey Variety show, sponsored a Memorial Day ceremony, aided in the Clean Up Week campaign at school and worked at the Boy Scout camp erecting tents for summer camping. Several members served as scoutmasters and committeemen for local troops.

# Alpha Tau Gamma

Alpha Tau Gamma is a local honorary fraternity, restricted to students majoring in accounting with a 2.00 scholastic average in their major field. The fraternity advisor is Robert L. Miller, dean of the Business School.

Meetings are held on the first Friday of every month during the school year. Guest speakers, who are men very familiar with current accounting problems, help acquaint the group with up-to-date accounting principles.

The fraternity sponsors a semi-annual accounting breakfast at Mill Creek Park and several dinner dances during the year at the Girard V. F. W. Members who have completed 18 hours of accounting are presented fraternity keys at these dinners, and graduating seniors receive fraternity scrolls. Graduating members may join the Alpha Tau Gamma Alumni Association.

In April the fraternity sponsored its first "Accounting Clinic" at the Elks Club. The fraternity would like to make this an annual affair. After dinner a four-man panel, composed of specialists in the general accounting field, answered the group's questions.

## American Chemical Society

The Youngstown College Chapter of the American Chemical Society, Student Affiliates, was organized in May, 1948. The purpose of the organization is to better acquaint chemistry students with each other, and to give them intellectual stimulation and experience in preparing and presenting technical material before audiences. This chapter was received from national headquarters in July, 1948.

A picnic was held at Pioneer Pavilion for all students interested in the fields of chemistry, and later the chapter sponsored a Christmas party.

During the year field trips were taken by the group to the Ward Baking Company and the Isaly Plant. Representatives were sent to an A.C.S. meeting in Cleveland and a national meeting at Mt. Mercy College in Pittsburgh.

 Vice-Chairman ----- John Bogdan  
 Historian ----- Robert DeWitt

J. Martin, M. Macko, E. Hrivnak, J. Bogdan, R. DeWitt.

## Art Club

The dual purpose of the Art Club is to stimulate an interest in and an appreciation of art as a cultural medium and to encourage self-expression through active participation in club activities.

Several displays of famous works are brought to the school each year for study by the students. Besides many interesting projects, an exhibit of Youngstown College art is shown at the Butler Art gallery each year during May. The works are judged by a famous artist and speaker. This year's judge is Samuel Rosenberg of Pittsburgh.

### OFFICERS

Advisor	Miss Margaret Evans
President	Eileen Russo
Vice-President	Robert Leepard Jr.
Treasurer	Thomas Ownes
Secretary	Joseph Ciminelli
Assistant Secretary	Joseph Humenuk

# Delta Chi Epsilon

Delta Chi Epsilon, a social sorority composed of business girls attending night school, has completed its eleventh year on campus.

Many enjoyable events were held throughout the year including parties with various fraternities and a welcome card party with our alumnae.

Rush season was climaxed at the Pick Ohio Hotel where the pledges were formally activated and the newly-elected officers installed.

Rounding out the year was the sorority's annual June dinner dance at the Horvath Tea Room in Salem attended by both actives and alumnae.

Delta Chi Epsilon extends sincerest best wishes to the advisor, Miss Pauline Church, who has contributed so much of her time and effort to the sorority.

H. Jenkins, D. Tucker, I. Rayner, F. Hiznay.

## MEMBERS

Antoinette Choppa	Hilda Jenkins	Dorothy Miller
Gloria Davies	Rita Kramer	Jeanne Miller
Helen Demeny	Genevieve Krispinsky	Nancy Jo O'Neill
Margaret Fleischer	June Krohn	Isabelle Rayner
Ina Mae Freeley	Elaine Leuschner	Freida Reinnerth
Margaret Guilinger	Lucille Loury	Jean Rigelsky
Florence Hiznay	Marilyn Love	Wilma Suty
		Dorothy Tucker

## OFFICERS

President	-----	Hilda Jenkins
Vice-President	-----	Dorothy Tucker
Secretary	-----	Isabelle Rayner
Treasurer	-----	Florence Hiznay
Advisor	-----	Miss Pauline Church

ROW 1: G. Davies, I. Rayner, J. Rigelsky, G. Krispinsky, H. Jenkins, J. Krohn.

ROW 2: A. Choppa, L. Loury.

ROW 3: N. O'Neill, M. Fleisher, D. Tucker, E. Leuschner, M. Guilinger, W. Suty, F. Runnerth, H. Demeny, M. Freely, F. Hiznay.

# The A Cappella Choir

The a cappella choir of sixty voices has been steadily making progress in the wide field of vocal music. The highlight of the past season was its performance at Station WTAM in Cleveland over the National Broadcasting Company outlet. The group has provided fine musical entertainment at many college functions. It has also been heard for many years at the baccalaureate exercises. Musical selections during the year include hymns, folk ballads, spirituals and the great polyphonic music of Bach. The membership is open to all college students interested in music.

Within the greater body of the choir is a smaller group called the Madrigal Singers. They perform the highly technical works of the masters in the mode of early times. The troupe is directed by W. H. Miller, dean of the music school.

## MEMBERS NOT PICTURED

T. McKenna, R. Millitch, Sister Germaine Staron, M. Smith, J. Dahlgren.

ROW 1: A. Wright, D. Vitucci, D. Perell, R. Melcer, H. Brooks, R. Rohm, T. Evans, Dean W. H. Miller, F. Handwork, C. Varsko, E. Saunders, V. Jones, R. Centofanti, J. Russell, N. O'Connor.

ROW 2: M. Hogen, M. Suosio, M. Zimmerman, J. Bonner, W. Petrovich, R. Meranto, D. Fernandez, F. Michael, S. Borger, P. Dismukes, F. VanHove, J. Karavara.

ROW 3: M. Barganier, P. Carpino, S. Floresco, E. Pegues, B. Drexler, O. Crawford, D. Riley, C. Rotar, J. Penn, B. Brownlee, V. Brumbeau, L. Woodfolk, G. Oliver.

ROW 4: R. Ianazone, J. Robinson, B. Terlecki, D. DaCunto, J. Grohovsky, S. Jacobson, B. Kramer, G. Brehm, G. Brooks, R. Fawcett, G. Elser, S. Safran, J. Fawcett, E. McCollum, J. Kantarze.

# The Mixed Chorus

ROW 1: J. Millitale, J. Penn, G. Dismukes, J. Karavara, L. Mould, R. Meranto, A. L. Wright, P. Carpino, D. Vitucci, M. Barganier.  
ROW 2: E. McCollum, C. Rotar, F. Taylor, B. Woodfolk, V. Jones, D. Fernandez, F. Michael, J. Robinson, E. Pegues, R. Bruce, Dr. Henry V. Stearns.  
ROW 3: J. Fawcett, B. Younger, G. Brooks, W. Kramer, F. Van Hoen, M. Smith, E. Hamilton, G. Elser, M. Zimmerman, D. Saunders, B. Drexler, J. Grohovsky.  
ROW 4: S. Safran, L. Bertolini, O. Crawford, B. Fawcett, F. Handwork, S. Borger, N. Kelly.

The mixed chorus was first organized about ten years ago. Since that time, it has become a large and active organization. Its membership is open to all college students. Studying the best in oratorio repertoire, the Chorus presents one such selection a year in a public concert. At present there are about sixty members in the chorus. The work studied is enjoyable to sing as well as educational. During the past school year one of the main selections was a German Requiem by Brahms.

Members of the chorus always participate in the college operas, taking both major and minor roles.

Dr. Henry V. Stearns, long time director of the chorus, has always adhered to the maxim that everybody likes to sing, no matter what type of music, and the versatility of the chorus is indeed a tribute to him.

One of the outstanding annual events of the chorus is its performance of the "Seven Last Words" on Good Friday at the Palace Theater for the Union Lenten Service. The chorus also sings at the May Day ceremonies.

E. McCollum, sitting; Dr. Henry V. Stearns, J. Karavara, R. Meranto, M. Zimmerman, B. Drexler, D. Fernandez, G. Brooks, J. Grohovsky, J. Fawcett, S. Borger.

SINGING AROUND THE PIANO

# Drama Guild

ROW 1: A. Corrado, A. Krupko, E. Booth, P. Gosnell, M. L. Parker, N. O'Connor.  
 ROW 2: W. Hamilton, M. J. Graham Jr., C. Anderson, B. J. Rounsley, G. Kent, H. Brooks, D. Tamburro.  
 ROW 3: L. Muller, W. B. Dryburgh, C. Hofmeister, G. Garramone, F. Barnet, R. P. Battituna, C. Martin.

The fall of 1950 opened with the Drama Guild's presentation of the very successful "Yocohooey II", a variety show featuring the outstanding talent of Youngstown College. Proceeds of the show were donated to a scholarship fund as were those of its famous predecessor, "Yocohooey I".

The Drama Guild, in conjunction with the Dana School of Music, presented the operetta, "Patience".

All phases of dramatic work are done by the Guild. As a group the Drama Guild enjoyed an excursion to the Hanna Theater in Cleveland to see "Romeo and Juliet" and a visit to the Youngstown Playhouse to see "Light Up The Sky".

The Guild sponsors "Open House Movies" for the entire student body on Friday afternoon.

## NEW OFFICERS

# Eta Delta Sigma

Eta Delta Sigma sorority of Youngstown College was organized in 1943 with 29 charter members.

This sorority was founded to promote common interests among women students seeking higher education while continuing their professional duties in business, or as nurses, teachers or housewives.

The aim of this sorority is to co-operate in educational service, build character and develop intellectual community service as well as a democratic spirit among women at work or play.

The members are interested in promoting an educational program along with social activities during the year.

They are loyal boosters and are faithful to all civic projects promoted by the college.

ROW 1: R. Powell, M. J. Quirk, M. Menning.  
ROW 2: G. Meshot, M. Ferguson, E. Lowmiller.

## OFFICERS

# Jambar

JIM MAHONEY—EDITOR

Checking facts, writing heads, writing last-minute stories and making page dummies are part of the duties of the editor. Jim Mahoney completes late editorial work on the afternoon before publication. The editor is the link connecting the various departments — business, circulation, advertising, and editorial.

The Jambar is nearing its final stage as preparations are made to start the presses rolling. Inspecting the first page proofs are copy editor, Joe Michaels, and editor, Jim Mahoney. Once these proofs are checked, only the mechanical procedures of printing, folding and cutting stand between the news and the Jambar's 4,000 readers.

Pressman, J. Michaels, J. Mahoney.

Assignments are out, reporters have returned with their notes, and the Jambar takes its first step toward publication. Some of the staff writers are pictured in the initial stage of writing copy.

TABLE 1: J. Lyons, J. Holland, B. Savage, B. Flint.  
TABLE 2: J. Frazzini, S. O'Brien.

# Jambar

Copy editor, Josie Frazzini, and managing editor, Mel Mamula, check stories for correct information, grammar, and story and sentence construction. The copyreaders also affix heads to news and feature articles.

J. Frazzini, M. Mamula.

The business staff is one of the least-publicized departments of the college paper. Yet, without the advertisements they obtain, the contracts they negotiate, or the mail circulation they maintain, the organization of the paper would suffer considerable.

D. Cassady, T. O'Connor, H. Brock, D. Baynes.

ROW 1: A. Corrado, V. Pitts, C. Lowry.  
 ROW 2: W. Mason, C. Tuhill, M. Bruce, F. Chapman, G. Diorio, P. Wolfcale, F. Slanina, W. Stormer.  
 ROW 3: P. Julius, C. Roth, S. Loree, J. Matta, M. Mirkin, J. Ywicho, G. Winsen.

**E T P C**

The Elementary Teacher's Professional Club, organized in 1940, is open to all students majoring in elementary education.

The purpose of the club is to promote good fellowship, stimulate professional growth, and provide a source of social and intellectual entertainment.

During 1950 the club sponsored a variety show, "Youth On Parade", which featured the talent of elementary school children in the Youngstown district. The proceeds of this project were donated to the department of elementary education. The E.T.P.C. held a Christmas banquet, also a spring banquet to honor graduating seniors and newly elected officers.

Monthly meetings are held at Pollock Hall and the programs are varied to include a short business meeting, interesting speakers and entertainment.

**OFFICERS**

# Mu Pi Epsilon

Mu Pi Epsilon is an honorary fraternity open to mathematics, physics, and engineering majors having minimum point averages of 2.00.

Among the varied activities of the fraternity are field trips to industrial plants each spring. An installation banquet for new members is held each semester with leading citizens and industrialists as guest speakers. These functions aid in acquainting members with fields of industry ordinarily not covered in the classroom.

In addition to its intellectual studies, the fraternity also sponsored many events that found their place under the "social calendar". Many were outdoor activities such as the fraternity's sponsorship of softball and basketball teams that engaged in intramural games, and a golf match with the Engineering school faculty (who also opposed the fraternity in their annual football game held Thanksgiving morning). Mu Pi Epsilon held many parties for members and their guests during the year and a post graduation picnic in June.

W. Vangeloff  
R. McMeans, D. Nephew, R. Bishop.

# Neon Staff

Dan Daniels, Barbara Flint

Editor-in-Chief Dan Daniels and his staff have put out a book of which we can all be proud. Barb Flint, assistant editor, was kept busy proof reading all written material. Long hours and hard work has paid off—we feel sure that this is one of the best yearbooks ever to be presented to us. Our hats are off to you for your good job.

Frank Barczyk—a handy man behind the camera—is a retiring gentleman when it becomes his turn to pose. Nevertheless, we deem it necessary to say here, "Thank you, Frank, for all your hard work, long hours, and wonderful shots." Rev. Linder, Bill Turner, and Jerry Bernstein also aided in making the '51 NEON a real pictorial review.

Kathy Shabala, senior editor and Harry Schwab, assistant editor did a commendable job this year. It was a difficult task to compile the names of over 600 seniors alphabetically. Pasting the senior picture panels, writing lines, cropping pictures and writing copy were their duties. They were on call at all times and always finished an appointed task.

This year we were certainly fortunate in having the talents of two, very fine artists. Wilson R. Price and Bob Curtis served as Co-Art Editors. We feel certain that their art work pictured throughout the book speaks for itself.

Harry Schwab, Kathy Shabala

Top: Bob Curtis

Bot: Wilson Price

# Neon Staff

Phil Snyder and his many co-workers have been in charge of circulation and sales. The "Mr. T" dance was held to increase Neon sales, posters and various write-ups have kept our book in the foreground throughout this year. By working diligently these people have boosted our sales "over the top".

Phillip Snyder, Bette Savage, Barbara Flint, Peggy Biga

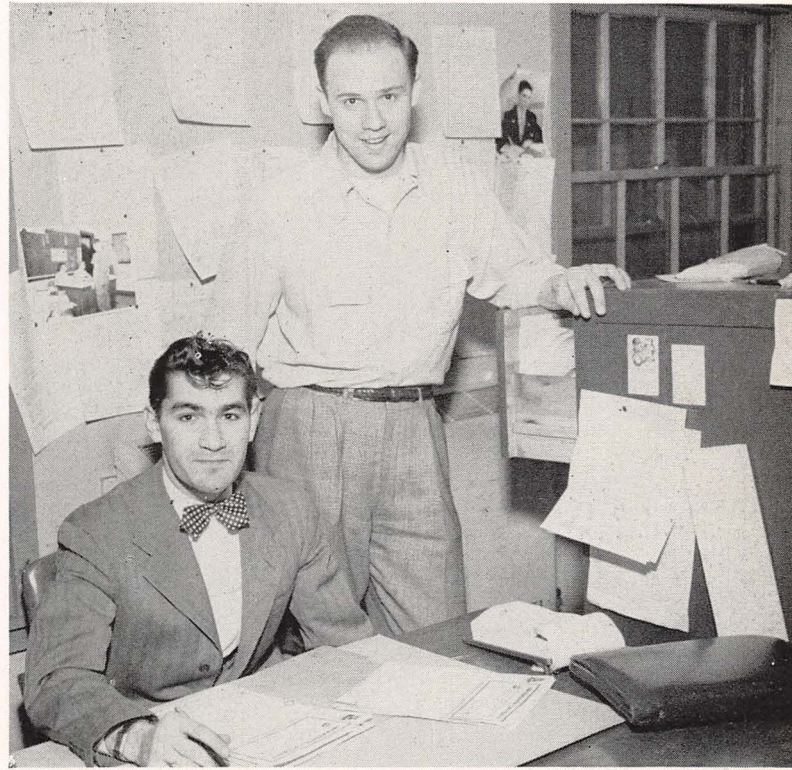

Dave Massaro, Bill Houser, Jim Jennis, Chuck Perazich

Sports Editor Bill Houser and his staff have done an excellent job this year. They recorded an interesting account of the college sports events which have been kept so that we could accurately tell the story of the '50-'51 sports picture.

Bette Savage, Organization Editor and her assistant Jeanne Lyons whipped the organization section into good order. They contacted every organization on campus, collected lists of officers and members and rewrote copy. A hearty "well-done".

Jeanne Lyons, Bette Savage

Anthony Donatelli, Bob Rodecker

Financial matters were safe in the hands of Anthony Donatelli and his assistant, Robert Rowdecker. Taking charge of money matters these days is a huge undertaking but Tony kept us on an even keel—selling ads, paying bills, preparing statements and keeping our affairs in top order.

# Alpha Pi Epsilon

Alpha Pi Epsilon, meaning "others before ourselves", is a new sorority to take its place among the active organizations on the campus of Youngstown College. Patterned after Alpha Phi Omega, the men's service fraternity, the sorority is one of four in the county. The purpose, as stated in the constitution, is to "carry forward a program of service for our school and for our fellow man."

The organization is open to all women students, full or part time. One of the first projects planned was to secure telephone pads for the phone booths around the school. The girls did a fine job of selling "Neons" in the cafeteria and co-operated with Alpha Phi Omega fraternity in their successful "Jester's Ball".

# Omega Kappa Epsilon

Omega Kappa Epsilon is an honorary science fraternity open to women majoring in chemistry, biology, mathematics or physics.

Meetings and informal luncheons have been held throughout the year at Pollock Hall. Dr. Inga Worley was the speaker at one meeting; her topic was "A Scientific Stew". Field trips have been taken to the North Side Hospital, the Bell Telephone Company Building and other places of special interest to the group.

The advisors are Dr. C. M. Bridgham and Dr. Inga Worley.

# Newman Club

Row 1: I. Rayner, P. McBride, Father DeCrane, G. Krispinsky, I. Pavlov.

Row 2: J. Welsh, E. Leskovic, T. Reedy, J. Drummond.

The Newman Club of Youngstown College is a member of the National Newman Club Federation and The Ohio Valley Province, which consists of clubs from the colleges and universities throughout Ohio, Indiana, Kentucky, Michigan and West Virginia. Our bi-monthly meetings begin at 7:45 p. m. on the first and third Sundays of each month. Following each meeting is a social with dancing and refreshments.

Among our religious functions for the year were such affairs as monthly communion breakfasts held at the different parishes, weekly devotions at St. Joseph's Church, world-wide Cardinal Newman Day which was celebrated with Mass and a Communion breakfast, and an Annual Day of Recollection at Ursuline High School which was conducted by Father Corrigan, Catholic youth director of the Cleveland Diocese, and chaplain of the Western Reserve Newman Club. The closing of the school year was marked by the Holy Year pilgrimage made by a large group of members to four Youngstown churches: St. Columba Cathedral, St. Edward's, Sts. Cyril and Methodius, and Sts. Peter and Paul.

The sixth annual Mardi Gras dance, at which Claire Komara reigned as queen, highlighted the social functions of the year along with such affairs as the annual banquet, at which honor keys were awarded to outstanding Newman Club members, open house, seasonal parties and participation in men's and women's intramural sports. At the close of the year plans were under way for a picnic, swimming, and a wiener roast with Newman Clubs from Akron, Cleveland and Kent State Universities.

The outstanding feature of the year was the Ohio Valley Province convention at the University of Kentucky, at which Youngstown College was awarded a trophy for having the largest delegation. Forty members attended. Yo-Co was also represented at the Ohio Valley Province spring officers' meeting at Akron University. Many members are enthusiastically looking forward to an enjoyable week at the National Federation convention at the University of New Hampshire this summer.

 Row 3: R. Melvin, A. Fogarish, D. Johnson, F. Barnot, B. Villiot, R. Hritzo, W. Barnes, J. Knupp, N. Williams.

Omicron Lambda is an honorary biology fraternity. Membership requirements are completion of twelve semester hours in biology with a point index of 2.00. The purpose of Omicron Lambda is to further acquaint its members with the people and problems of current biology. Field trips, speakers, monthly publications and informal gatherings help to accomplish the objectives of Omicron Lambda.

# Phi Epsilon

Phi Epsilon, local honorary chemistry fraternity of Youngstown College, has been an active organization for twenty years. The primary objective of the fraternity is to provide a basis of mutually beneficial association and solidarity among serious students of chemistry and related sciences. The existence of such a group furnishes an incentive for scholastic attainment, since the main qualification for membership is a point average of 2.00 in chemistry.

All members participate in making the year's program successful. Bi-monthly business meetings are livened by spirited discussions. Professional men who have won recognition in various scientific fields are invited to deliver addresses at the fraternity's installation banquets. Some of the members of Phi Epsilon hold positions in industry; others are studying for advanced degrees at well-known universities.

Phi Epsilon's advisors are Dr. E. D. Scudder, Mr. William Beckman, Mr. Paul C. Luginbill and Mr. Irwin Cohen; all of whom are members of the faculty of the department of chemistry.

## *Symphony Orchestra*

The symphony orchestra is a small but very harmonious organization. Each year it makes at least three public appearances, and it provides the orchestral background for the college's annual operetta. The favorite works it performs during the season include selections by Beethoven, Bach, Romberg and Gershwin. The group rehearses on Tuesday and Thursday afternoons.

The orchestra is conducted by Alvin Myerovich, who is also the head of the string department in the Music School. Mr. Myerovich's broad experience and professional education helps to guide the members and aid in their Interpretation of the masters' work. The orchestra is open to all college students regardless of their major subject. Its participation in the school program adds greatly to the cultural experience of its members, and the general student body.

# College Band

The college band, one of the most colorful organizations on the campus, takes part in many school activities. It plays at all home football games and at many out-of-town games. During the basketball season a small portion of the band holds forth in the center of the cheering section, inspiring the team and the students.

The marching band practices diligently during the football season, in much the same manner as the football team. The members can usually be found on Mondays, Wednesdays and Fridays from three to five o'clock faithfully drinking and playing at Harrison Field. When the last game has been played, the band moves into its winter quarters and prepares for the concert season.

Usually two or three concerts are given during the academic year. The band also plays for commencement exercises. To be a member of such an active group may be considered a great honor as well as a service to the school. Any Youngstown College student may become a member of the band, no matter what his major field. The majorettes are a small but very necessary addition to the marching band. These six girls add much glamour to the organization. When the band is on the football field the girls do various dance routines and lead the band in showy formations.

Delta Eta chapter of Phi Mu Alpha Sinfonia, national, professional and honorary music fraternity was established on campus in 1948.

Phi Mu Alpha sponsored its annual National Founder's Day recital Feb. 7. Attended by 150, it was acclaimed as one of the finest in the history of the fraternity.

In conjunction with Sigma Alpha Iota, national honorary women's music fraternity, Phi Mu Alpha presented its yearly All-American recital, featuring the works of outstanding native composers.

Parties, meeting, smokers and a highly successful rush season climaxed by a banquet and initiation of pledges, highlighted the 1950-51 school year.

Faculty advisor for the group is Dr. Henry V. Stearns.

# Sigma Alpha Iota

Sigma Alpha Iota is a women's national honorary and professional music fraternity.

Alpha Nu chapter was reinstated at Youngstown College in 1945 after being transferred from its original charter location in Warren.

The traditional musicale and reception, welcoming the faculty and students of the Dana School of Music, was held in October at Pollock Hall.

In November, under the sponsorship of the Warren alumnae chapter, a miniature musicale was held at Pollock Hall, honoring Mrs. Ruth Gould, provience alumnae secretary.

The spring semester was especially eventful with rush parties, pledge services and formal initiation. Outstanding musical programs included two formal recitals. One was presented by the girls in February; the annual All-American recital was given with the Phi Mu Alpha fraternity during Music Week.

Highlighting the social events were the wonderful banquet with Phi Mu Alpha and the farewell breakfast for seniors where chapter honors were presented and the annual gift was given to the music school.

# R. O. T. C.

Major Robert Sherman Stacey, a 37-year-old anti-aircraft expert, is holding the post of professor of military science and tactics of the Reserve Officers Training Corps at Youngstown College.

The new program, authorized at the College by the Army, offers general military theory in its two-year basic course, while the advanced part of the four year curriculum includes more specialized training in anti-aircraft defense.

Assisting him in setting up an administrative office has been Major John E. Arthur, assistant professor of military science and tactics at Delaware University.

Major Stacey, who began his army career as a private in 1942, recently completed the advanced course at the artillery training center at Fort Sill, Okla. Prior to that he served for three years with the Army General Staff in the office of the director of plans and operations in Washington. During the war years Major Stacey commanded a 90-millimeter battery in Panama, and was a gunnery instructor with the Training Center of the Panama Coast Artillery. He joined the regular army and graduated from Columbia University in 1932.

Major Stacey has been given a temporary promotion to Lieutenant Colonel. The promotion was one of several hundred made by the Department of the Army.

Lt. Col. Robert S. Stacey

Captain Charles E. Jones, an Army artillery expert, has joined the faculty of Youngstown College as assistant professor of military science and tactics, completing the organization of the College R.O.T.C. unit.

Captain Jones reported here from Fort Lewis, Wash., where he was in command of a battery of the 15th anti-aircraft artillery automatic weapons battalion.

A resident of Lynchburg, Va., he received a B.S. degree from Virginia Polytechnic Institute in 1940. While in college he was a member of the varsity football, baseball, and boxing teams.

Upon graduation, Jones entered the service with the 244th Coast Artillery, and served with that unit in Iceland. Later he went to England, where he attended as a battery commander in the air defense of England, Normandy, Northern France, Rhineland, Central Europe and Ardennes campaigns. After a period of occupation services in Germany he returned to the United States in 1945.

## STAFF

Sgt. John L. Young, a veteran of 12 years service, is the assistant instructor. He was previously stationed at Fort Meade, with the 70th Anti-aircraft Gun Battalion. He served in World War II with the navy in the Pacific theater. Sgt. Young and his wife and son reside in Hubbard.

M/Sgt. Richard P. Davies, a veteran of ten years' service, is in charge of the administrative staff. During the war Davies served with the Third Armored Division in Europe and received the Bronze Star Medal for outstanding achievement in combat. He resides in Hubbard with his wife and two sons.

Sgt. Paul E. Drane, a veteran of eight years, is assigned as the supply sergeant. Sergeant Drane was on duty with the office of the post engineer, Ft. Knox, before reporting to Youngstown College. Drane and his wife are living in Youngstown. The Sergeant served in Central European campaigns and was with the occupational forces in Germany and Japan.

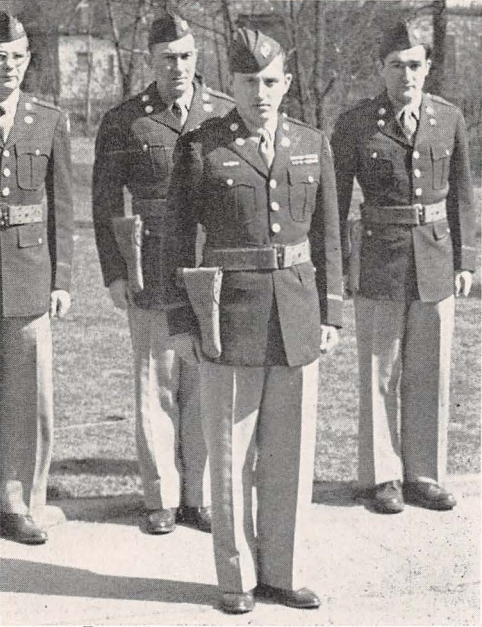

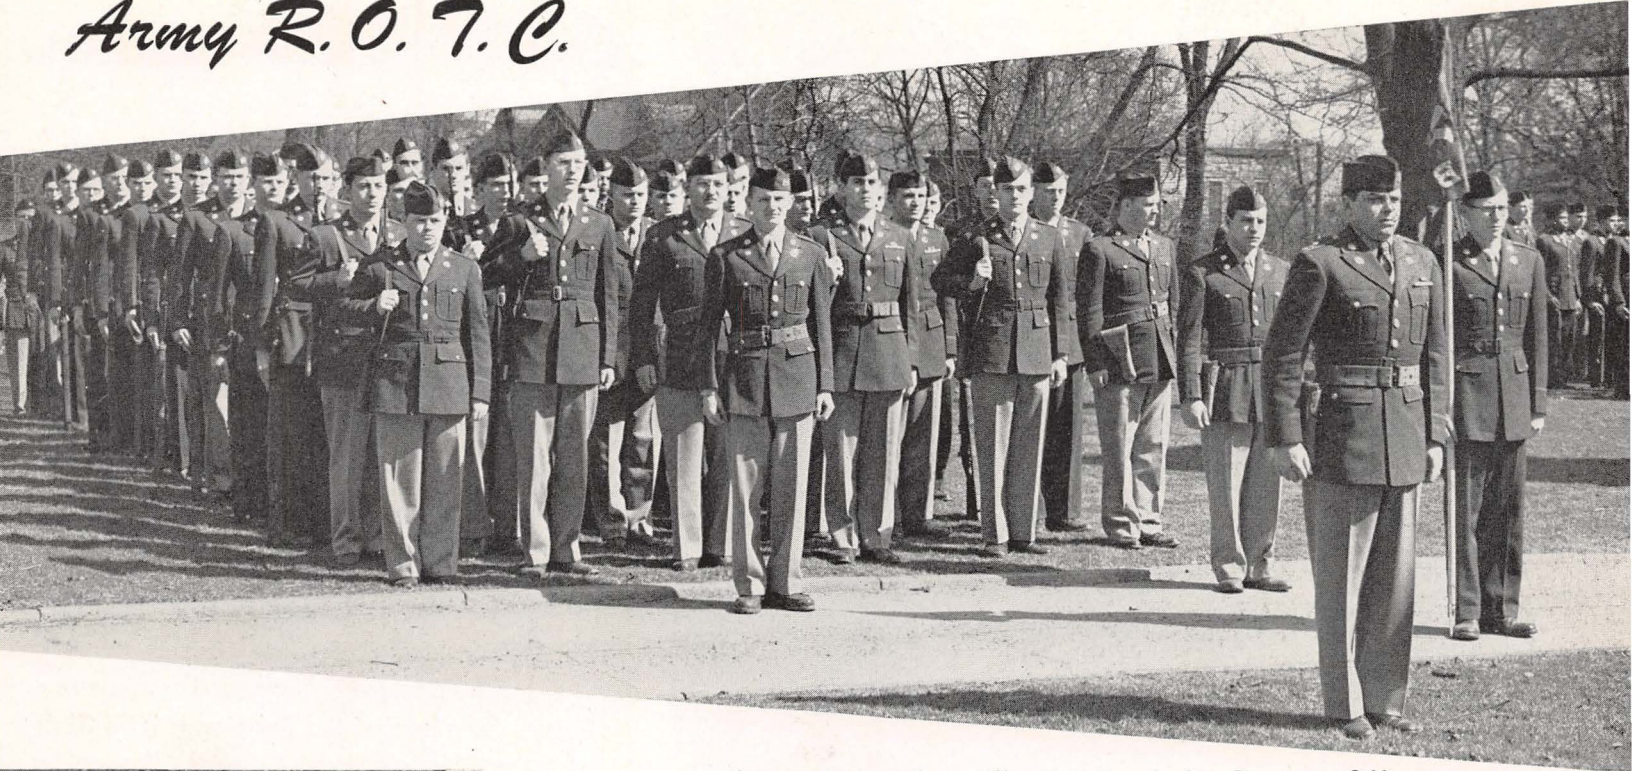

Captain Charles E. Jones

Sergeants Young, Davies, Drane.

# Army R. O. T. C.

Row 1: J. Pete.  
Row 2: N. Majecic, R. Clark, E. Miller.

An anti-aircraft artillery unit of the Reserve Officer Training Corp was established at Youngstown College in April, headed by Lt. Col. Robert Sherman Stacey who holds the post of professor of military science and tactics.

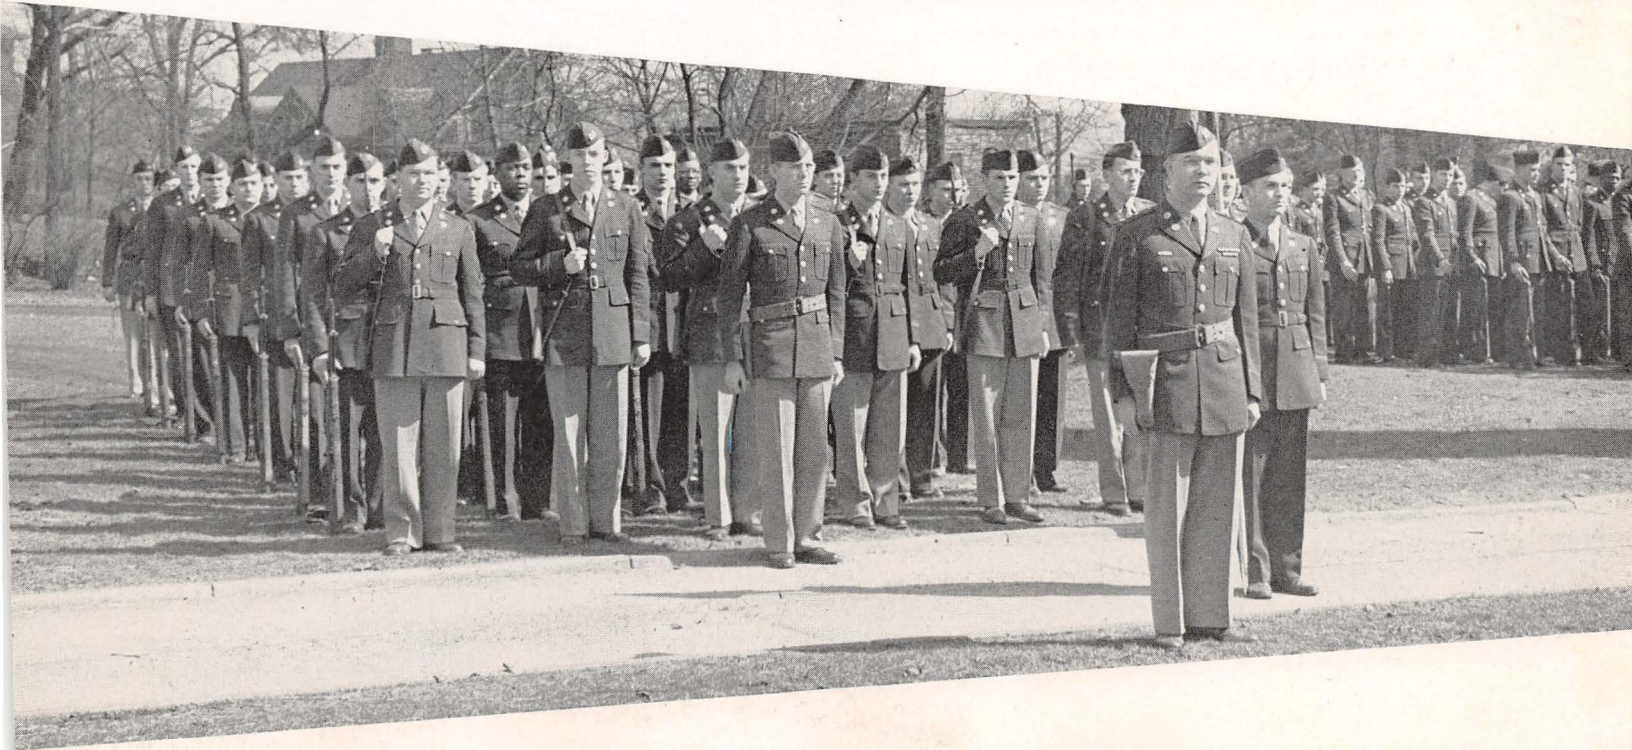

Although Youngstown has heretofore had no military science courses, a nucleus for the advanced course was provided by forty-two veterans and transfer students whose previous training qualified them.

Initially 175 men enrolled, and of the total 118 took the first year basic courses with the remaining number, practically all vets, being divided among three advanced classes.

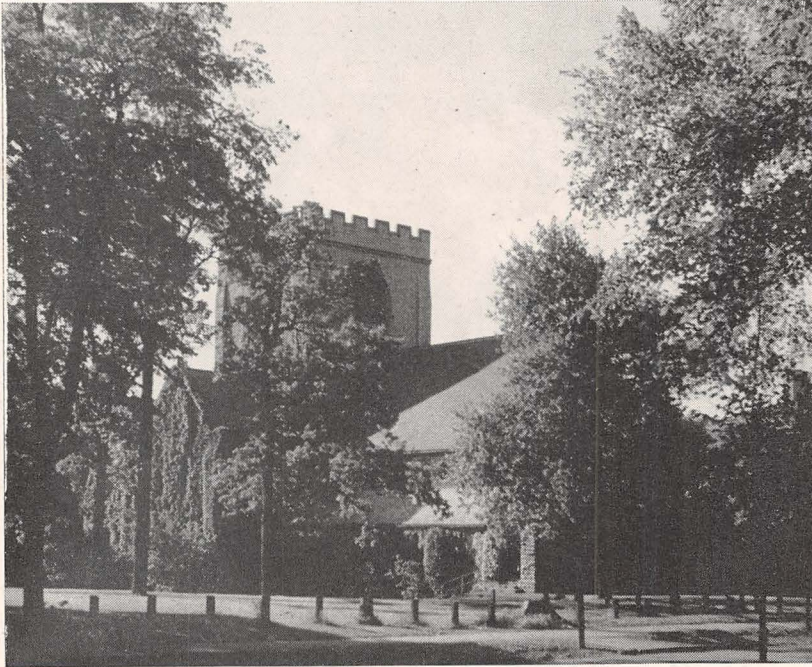

The R.O.T.C. unit is organized into a cadet battalion consisting of three batteries and a band. The first year of R.O.T.C. is spent in studying general fundamentals; the second, anti-aircraft artillery material. The last two years, open only to selected students, are spent on gunnery, tactics and other military subjects needed by officers.

Cadets Robert J. Bishop and John Pete, Jr., were awarded top R.O.T.C. honors and took their place as the first two Distinguished Military Students in Youngstown College history. Cadet Lt. Col. John Pete, Jr. also made college history by being appointed as the first cadet battalion commander.

The overall purpose of the new program is to teach students how to be leaders in military and civilian life, and to prepare them to serve in peace and war.

# Religion In Life

St. Johns Episcopal Church

THE PURPOSE OF RELIGION IN LIFE—Interest in the Religion In Life Club and other Religion In Life activities on the campus has increased considerably during the past year. The purpose of the Religion In Life program on and off the campus is to stimulate personal religious living, student fellowship and recreation, community social service and religious activity.

RELIGIOUS ACTIVITIES—The aims of the Religion In Life program are pursued in a number of ways. Members of the Religion In Life Club assist the Chaplain, Rev. Albert L. Linder, in conducting chapel services each Wednesday noon at St. John's, and other special religious services. Student also participate in the direc-

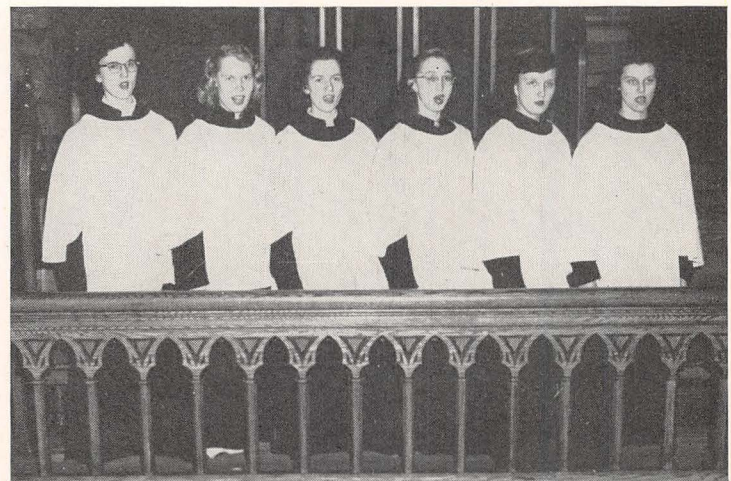

tion of Religion In Life Club Activities including the Sunday Evening Student Forum which meets monthly in the parlor of the Trinity Methodist Church and the Student Home Fellowship which meets monthly in the Chaplain's residence or in the homes of the students.

WEEKLY RADIO SERVICE—The "Religion In Life Caravan" presented each Saturday morning at 8:15 A. M. over WBBW is the latest religious service project which the Religion In Life Club is sponsoring. The Caravan committee in co-operation with the chaplain offers an interesting variety of material for each broadcast. The program includes an opening and closing musical selection by the Caravan Treble Sextet, scripture and prayer, an announcer, a weekly devotional thought, a musical selection by a soloist or the Treble Sextet—all presented by students—and a five minute message by the chaplain. This religious service is receiving a rewarding response from the community at large.

RECREATION AND FELLOWSHIP—Variety of social activities is characteristic of the club's recreational program. Numbered among the activities are a banquet in October, a fall party in November, a Christmas party, roller skating parties, monthly swims in the fall and spring, a spring party and a commencement picnic. Other social events and planning conferences are held during the summer months.

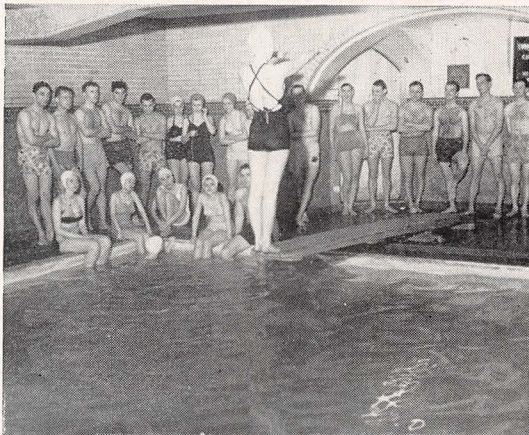

Officers of R.I.L. are Tom Richardson, president, JoAnne Ashley, vice-president, Virginia Pitts, secretary and Bob Cooksey, treasurer, and their advisor, Rev. Albert L. Linder.

The Youngstown College Chapter of the American Society for Metals, student affiliates, was organized in January, 1949. The membership is composed of engineering and chemistry students interested in metals.

The purpose of the organization is to further the students' interest in metals and to help them understand the problems of production. Monthly educational programs are planned, featuring films and guest speakers.

The school year concluded with a picnic held by the parent chapter, the Mahoning Valley chapter of the A.S.M.

Faculty advisors for the group are Mr. James Phillips and Mr. E. J. Fisher.

# Speech Club

Clifford Saunders

Donald Elser

During the past year the Speech Club has received a great deal of experience. Since we are primarily a young organization, our activities have been limited. However with the encouragement and advice of Mr. Elser, Dr. E. B. Smith and Clifford Saunders, the Debate team, consisting of novice and varsity debaters, was whipped into action and was able to attend several debate sessions.

Among these was a general debate tournament at Kent State University. Colleges from Ohio and Pennsylvania were represented. One of the nicest tournaments was a new debate convention held at Carnegie Tech. There was a mixture of practice and decision debates—all of which went into the making of a terrific and worthwhile experience.

The Speech Club can prove to be a very enlightening and enriching experience to anyone who is interested in speech work and the display of his talents of constructive thinking and analyzing in debate. The club is open to all students.

## Yo Co On The Air

"The most versatile program on radio" is the very appropriate theme of the "YoCo on the Air" program. A variety of ideas, presentation and people fill this weekly half-hour production. Under the direction of Herb and Dave Williams, the program serves to bring Youngstown College to the public.

The program is announced by Gene Smith and "Red" Costello. The various social events and college interest news are given by our news reporters, Jeanne Lyons, Barb Savage and Nancie O'Conner. Reporting on the highlights of the sports world are George Mitchell and Steve Mislav.

As a special feature for this school year a number of dramatic skits were presented. Some were written by Jerry Williams, who also worked with Eileen Malley in writing continuity. A very talented cast including Marjorie Pope, Wilson Hamilton, Don Tamburro and Bob Battaluna was

featured in the skits. Marianne Navin contributed background for the plays and orations of special events and holidays.

The music is furnished by the students and faculty of the Dana School of Music under the direction of Dean William Hugh Miller. Piano solos, vocal selections and instrumental presentations added a musical tone to the program. Among the guest artists were David Staken, Ralph Meranto, Everett McCullum, Barbara Drexler and Stephen Horvath.

The public gets a chance to "met" interesting people from the college and community as Amy Corrado and Eleanor Ekoniak interview guests on the program. Mayor Hendershot as the first guest, initiated the year's project.

Our faculty advisor is Donald Elser, and the technicians are Jack Russell and Herb Braeden.

B. Drexler.

B. Savage, G. Smith, J. Lyons.

## "Yo Co Quarter Hour"

"Good morning, ladies and gentlemen. Welcome to another 15 minutes of the Jambar Radio Edition". With these words Ollie Davis opened the first of the Saturday morning programs devoted to college news and sports. That opening took place more than three years ago and marked the beginning of the first regularly scheduled college radio shows.

The first programs were presented by Oliver Davis and Jim Lowery. Jim Lowery and Ted Berndt next produced the program, and after Ted's graduation Matt Quinn joined Jimmy on the Radio Edition. Graduation ended Jim Lowery's stay on the program. He was succeeded by Boy Tyrrell. In January Jim Shea replaced Matt Quinn.

The history of the WKBN college show has included a regular diet of campus news, sportscasts, comedy, drama, and even some poetry successfully introduced by Ted Berndt. All this and more characterized the Radio Edition and time has proved its success.

## "Let's Look At Our Town"

In the fall of 1950, through the generosity of radio station WBBW Youngstown College was given fifteen minutes of radio time for one of its own productions.

Richard H. Weichsel of the college was chosen director by Mr. Donald Elser, supervisor of radio productions for the college.

Weichsel's staff included Nancy Bunn, producer; Dale Wolfcale, moderator; Sally Connelly, public relations; Virginia Pitts, Frank Plihcik, Elizabeth Davies, writers; Jack Matteson, announcer; and Mary Helen McNab, script girl.

The broadcasts were entitled "Let's Look At Our Town". The purpose was to better acquaint the people of Youngstown with their town and its workings. To carry out this idea it was decided to incorporate into the broadcasts a particular organization and how it benefits Youngstown.

The series ran twenty-three weeks and was heard by many.

Top: Bob Tyrrell, Matt Quinn.

## Tau Kappa Nu

A little of our history first, please— We are a local sorority established in 1941, open only to full time students with an average of "B" or above.

Our gala school year began with a tea for new girls enrolled at the business school. October started the rushing season which was both down for initiation and installation. December found us with Christmas shopping for secret sisters, two weeks' vacation, and above all, our annual Christmas dinner dance.

The New Year found us ready to enjoy many activities such as squaredancing, skating-parties, intramural bowling, (of which we have been champs for three years); mother-daughter-dinner, picnics and a trip to Cleveland. During this period we also donated our services and contributed to charity and civic drives for the benefit of the community.

Our May formal dinner dance rounded up the year's activities with an elaborate array of beautiful gowns and decorations.

# Who's Who

The students shown below have been chosen from Youngstown College to appear in the 1950-51 edition of Who's Who Among Students in American Colleges and Universities.

The candidates, nominated by their respective schools, are selected from the student body on the basis of: scholarship; cooperation and leadership in extracurricular activities; citizenship and service to the school; and promise of future usefulness to business and society. This group is composed of the most popular and outstanding members of the Youngstown College student body.

Row 1: P. Biga, B. Savage, C. Anderson, M. Suosio, B. Dimenno, K. Shabala.  
Row 2: W. Dailey, R. Rodecker, D. Martin, S. Tochtenhagen, J. Gerek, B. Cummerick.

# Student Council - Fall

Traditionally Student Council has been looked to for help when a job involving school problems had to be solved. Whether the task involved making arrangements and appointing committees for the annual Freshman Breakfast, or a job as big as inaugurating an "Honor System", Student Council responded with determination.

Under the leadership of Jody DeGenaro, council revived and passed a new student constitution, drew up regulations governing conduct in Pollock Hall, brought campus assemblies under their jurisdiction, and brought the Homecoming Dance home.

Previously the annual Homecoming dance was held in the Stambaugh Auditorium; this year it was returned to the college Strouss Memorial Auditorium and headquarters for the Alumni were set up in the cafeteria. Decorations for the auditorium and Alumni headquarters were supplied by the Art Department under the direction of Miss Margaret Evans.

The Booster Club was successfully revived, and to add further color to pre-game and half-time ceremonies, new uniforms were purchased for the cheerleaders. Student Council supervised the signing of the Freedom Scroll in conjunction with the world wide campaign which was being conducted. At the same time the group was busy planning the Snowflake Frolic.

Another first for Student Council was the "stage dance" which was staged primarily to encourage a "get-acquainted on the dance floor" idea as a departure from the "bring your own date" custom.

The Big Snow presented an unexpected cost which was shouldered by Student Council who paid for clearing the snow from the student parking lot. Other council activities included the Freshman Reception, Freshman Women's Tea (the first social function held at Pollock Hall), and a trip for nine council members who attended the Ohio Regional N.S.A. Convention held at Muskingum College.

## OFFICERS

 Row 3: J. Shea, R. DeWitt, J. Gibson, L. Charles, R. Bullis, R. Reber.  
 Row 4: J. Roth, J. Gerek, A. Muntean, J. Dailey.

Bill Dailey was elected a second time as president of Student Council. Under his experienced leadership Council has had another successful term.

Under the leadership of Sam Tochtenhagen, projects committee chairman, the organizations on campus started work on a plan that would, if successfully administrated, combine the many campus charity drives into one. By consolidating time and effort, it is believed that one large campaign would be more effective than separate efforts which make donations inconvenient and untimely for students.

The social functions for the spring term consisted of the Bare Brunch, the Junior Prom and May Day. The appointments for chairmanships for the Junior Prom and May Day were made early in the season so that those organizing the affairs would have enough time.

The weekly students assemblies were again under the leadership of a joint student-faculty committee. Council expended particular effort in these assemblies for the members felt that they were a worthwhile activity.

Student Council purchased the prize winning oil painting of the Spring Art Show. The purpose was to begin for the college a permanent collection of prize-winning paintings by Youngstown College students. Council should be commended for its worthy program.

K. Shabala, W. Dailey  
 D. Nephew, R. Rodecker.

# Pan Hellenic Council

J. Law, J. Fuller

Under the capable advisement of Dr. Hubert Howard and Mr. Kenneth Kitchen, Pan Hellenic Council regulates all business of the social organizations on campus.

Composed of two members from every Greek organization, the Council holds bi-weekly meetings, governs rushing and sponsors several inter-fraternity parties as well as the Sweetheart Dance.

During the year, members of Council manned the various Crusade for Freedom booths in the downtown stores. Chairman of Council and also of this project was hard-working Joe Fuller. Competent secretary treasurer for the fall semester was Jean Law.

Industrious officers for the spring semester included Chairman John Adams and Secretary-Treasurer Mary Lou Macko.

The highlight of the Pan Hellenic season was the annual Sweetheart Dance at Stambaugh Auditorium March 17. Co-chairmen were Bill Dell and Harry Schwab. During intermission, Marilyn McCallen was crowned Inter-fraternity Sweetheart by last year's sovereign, Joan Parrott.

The close co-operation of all the sororities and fraternities was evident in all projects sponsored by the the Council during the 1950-51 semester.

Row 2: T. Wilson, M. Macko, R. Malone.

Under the leadership of our advisor, Marcia Welsh, and our capable president, Betty Dimenno, our thirteenth year on campus has been a busy and successful one.

The first main event of the season was the Touchdown Trot sponsored jointly with our brothers, the Phi Sigma Epsilon fraternity, and featuring the music of Gene Krupa and his band. Then came a Hobo Party with the Pi Beta Chi fraternity; a tea at which our famous alumnae, the Woodside Sisters, entertained; a formal dinner dance with our brother fraternity; a Christmas party; and a party with the Sigma Delta Beta fraternity. Thanks to Patty Baluck, our social chairman, an enjoyable social season was completed, highlighted by events including a hayride and roller skating party.

Our veep, Jeannie Pennock, made a wonderful pledge mistress, keeping the pledges strictly in line. However, immediately after initiation, the pledges turned the tables by barricading the actives in Bear's Den Cabin with a huge snowball against the door.

One of our greatest contributions to YoCo in our 13th year was our lovely Pan Hellenic Queen, Marilyn McCallen.

# Gamma Sigma

ROW 1: V. Nicoludis, J. Karavara, M. Parker, L. Salem, J. Clark, C. Evans.  
 ROW 2: R. Cook, G. Guran, R. Smith, C. Anderson, J. Grohovsky.  
 ROW 3: L. Law, M. Hynes, C. Cooper, E. Winger, E. Downie, M. Weichsel, M. Davin.

The 1950-51 year marked the twenty-third year of Gamma Sigma activity on campus.

Mary Lou Parker, Virginia Nicoludis, Carol Evans, Julie Karavara and Clara Cooper were welcomed as new actives in the fall of 1950. The highlight of this rush season was a "Roaring Twenty" party sponsored by the Junior Alumnae group.

The Gamma Sigs were represented in the Homecoming Celebration by Jo Grohovsky, who was an attendant to the queen. We helped our brothers, the Sigma Delta Beta fraternity, to build a float to take part in the homecoming parade. Our annual sale of "mums" at that time was a big success.

Yocohooy II brought out real talent. Ushering and ticket sales were our specialties, and Carole Anderson took her part as comedienne very well.

The Christmas season was ushered in by the Snowflake Frolic with our own Jean Law as chairman of the dance. Our annual Christmas party was held at the Bear's Club. Tinsel and green set the atmosphere for fun and good wishes for everyone.

Fashion conscious, we participated in the Sig Delt's style show and later presented our annual summer revue on May 3.

The spring semester brought a round of rush parties, dances, queens and thoughts of graduation.

A Western rootin' tootin' party, an old fashion square-dance and a dinner party at the Mural Room were the highlights of our spring rush season.

Jean Law and Lil Salem were attendants to the Queen of the Pan Hellenic Sweetheart dance. Jean Law was also an attendant to the Junior Prom Queen, and Evelyn Downie and Mary Jo Davin were attendants to the May Queen.

We give our congratulations and best wishes for the future to three of our sisters—Mary Jo Davin, Evelyn Downie and Carole Anderson—who are graduating. Congratulations are again extended to Carole who was selected to appear in "Who's Who in American Colleges and Universities".

As the year draws to a close we look forward to our spring dinner dance and the inevitable finals.

And so another chapter is completed in Gamma Sigma's history. It has taken a lot of hard work, study and sacrifice, but it's also been loads of fun. We couldn't have done it though, without the wonderful guidance of our president, Lil Salem, and our other capable officers. Well, have fun everyone, and we'll see you in September.

Phi Lambda Delta sorority has almost reached the quarter century mark. Organized in 1927 by Dr. Bare, who acted as advisor for the new group, the sorority has grown through the years, aided and abetted by its senior and junior alumnae.

It seemed the days were too short the past two semesters for all the scheduled activities. During the summer, two picnics were held—one in honor of past prexy, JoAnne McCarthy (now Mrs. James McMahan) and one with Alpha Theta Delta sorority at Mill Creek Park.

In addition to the monthly summer meetings, a safari to Madison-on-the-Lake began the last week of August and lasted till after Labor Day when the members returned home, tired but tan.

Then there was the Homecoming Celebration when a surprise dinner was held for lovely Queen Lois Zuercher, and we helped (or tried to help) our brothers, the Phi Gams, with their wonderful float.

In November, plans were completed for the "Sweater Dance" jointly sponsored by the Phi Gams and Phi Lambs, and it was decided to make this event an annual affair.

During Christmas vacation, the third annual "Papa Party" was held at the Isaly Auditorium and also our annual informal dinner dance at the Mahoning Country Club.

Spring semester brought about the election of two new officers: "Veep" Carol Henderson who succeeded Peggy Shook, and Kitty Trenner who replaced Evie Jones as corresponding secretary.

Several parties were held during the year with various social fraternities.

Congratulations to sister Mary Lou Rawson, Miss Popularity, and Junior Prom Queen; attendants to the Pan Hellenic Sweetheart, Nancy Tapley and Mary Lou Rawson; Barb Flint and Bette Savage who were in the Junior Prom Court; Ruthie Wear, hostess for the Snowflake Frolic and Jambar Sweetheart; and Bette Savage, selected as a member of "Who's Who Among Students in Colleges and Universities". Orchids also to our capable officers, our advisors, Mrs. Philip Buchanan and Mrs. P. C. Pickard; and to our very helpful alumnae groups.

A welcome to our six new sisters, Barb Savage, Patty McCauley, Marilyn Dunn, Nancy Mock, Ruthie Rawson and Gerrie Lynch, is certainly in order now. They braved the trials and tribulations of pledge season in fine spirit.

We've four sisters who've finally succeeded in obtaining the required hours for that all-important degree. We'll miss Carol Henderson, Peggy Moore, Norma Gould and Jeanne Lyons who'll don their caps and gowns this June.

There are so many things to remember. . . the spring dances, parties, rushing, meetings, our Mother-Daughter Tea, the formal dinner dance, but most of all the knowledge that the friendships formed will continue to grow throughout the years.

ROW 1: P. Shook, B. Flint.  
 ROW 2: P. Gilboy, B. Savage, M. Farnell.

# Kappa Sigma Kappa

In 1939, under President Kennedy Ray, Phi Kappa Delta fraternity became the Iota chapter of Kappa Sigma Kappa, thus becoming the first and only national social fraternity on campus.

The thirteenth annual Sadie Hawkins Dance held at the Nu-Elms ballroom was a big success. Chairman "Red" Tyrrell and the whole fraternity deserve a pat on the back for the fine job.

The annual Christmas party for under-privileged children was held at Christ Mission with Brother Jack Jobling in charge of arrangements.

The season of rush parties, smokers, date parties and dances was climaxed by the formal dinner dance held at the Club 422 in honor of the graduating seniors and members entering the armed forces.

We express our sincere thanks to our advisors, "Chuck" Zellers and "Bucky" Buchanan, for their help during the past year.

# Pi Beta Chi

Pi Beta Chi's third year of social activity began with a date hayride with the Kappa Sigs. "Poison jugs" were issued to all participants in this merry affair.

Rush Season was upon us before we had completely oriented ourselves to the new school year. A joint rush party was held with Alpha Theta Delta sorority followed closely by two additional rush parties. All were held in "Schwab's Basement Bar." A great new group of pledges was introduced.

The semi-annual installation dinner dance held in Girard under supervision of Bob Riddle, was a tremendous success. The only complaint received came from Dick Davis, perennial malnutrition candidate. The evening was highlighted by Sam's famous "submarine dance."

February ushered in our annual joint stag with Kappa Sigma Kappa fraternity. Alumni from both organizations attended.

April gave us a welcome joint party with Phi Lambda Delta sorority.

Congratulations to President Bill Dell and Social Chairman Harry Schwab for their very successful co-chairmanship of the ninth annual Pan Hellenic Dance.

Pi Beta Chi's Blue Jean Brawl was introduced to YoCo students for the first time this year. Orchids to all who made this affair such a great success.

The second annual formal dinner dance in June brought us to the close of another successful year, strengthened by never-to-be-forgotten friendships.

# Phi Gamma

J. Crytzer, E. Forney. D. Ferrell, J. Mayhew.

Phi Gamma, oldest social fraternity on the Youngstown College Campus, was founded in 1927, and has been active since that time with the exception of the four war years and a short period during rush season in 1950.

The year got off to its usual start with a corn roast and midnight polo game at the home of Stan Strouss.

At Homecoming the Phi Gams exhibited the only three sided float in the parade. Before it met the high wind on Market Street, the structure was unique with Youngstown pictured as putting Niagara over the falls in a barrel.

Our next outstanding occasion was the Phi Gamma Phi Lamb Sweater Dance held at the Pioneer Pavilion in October. This dance was well received and the fraternity hopes to make it an annual affair.

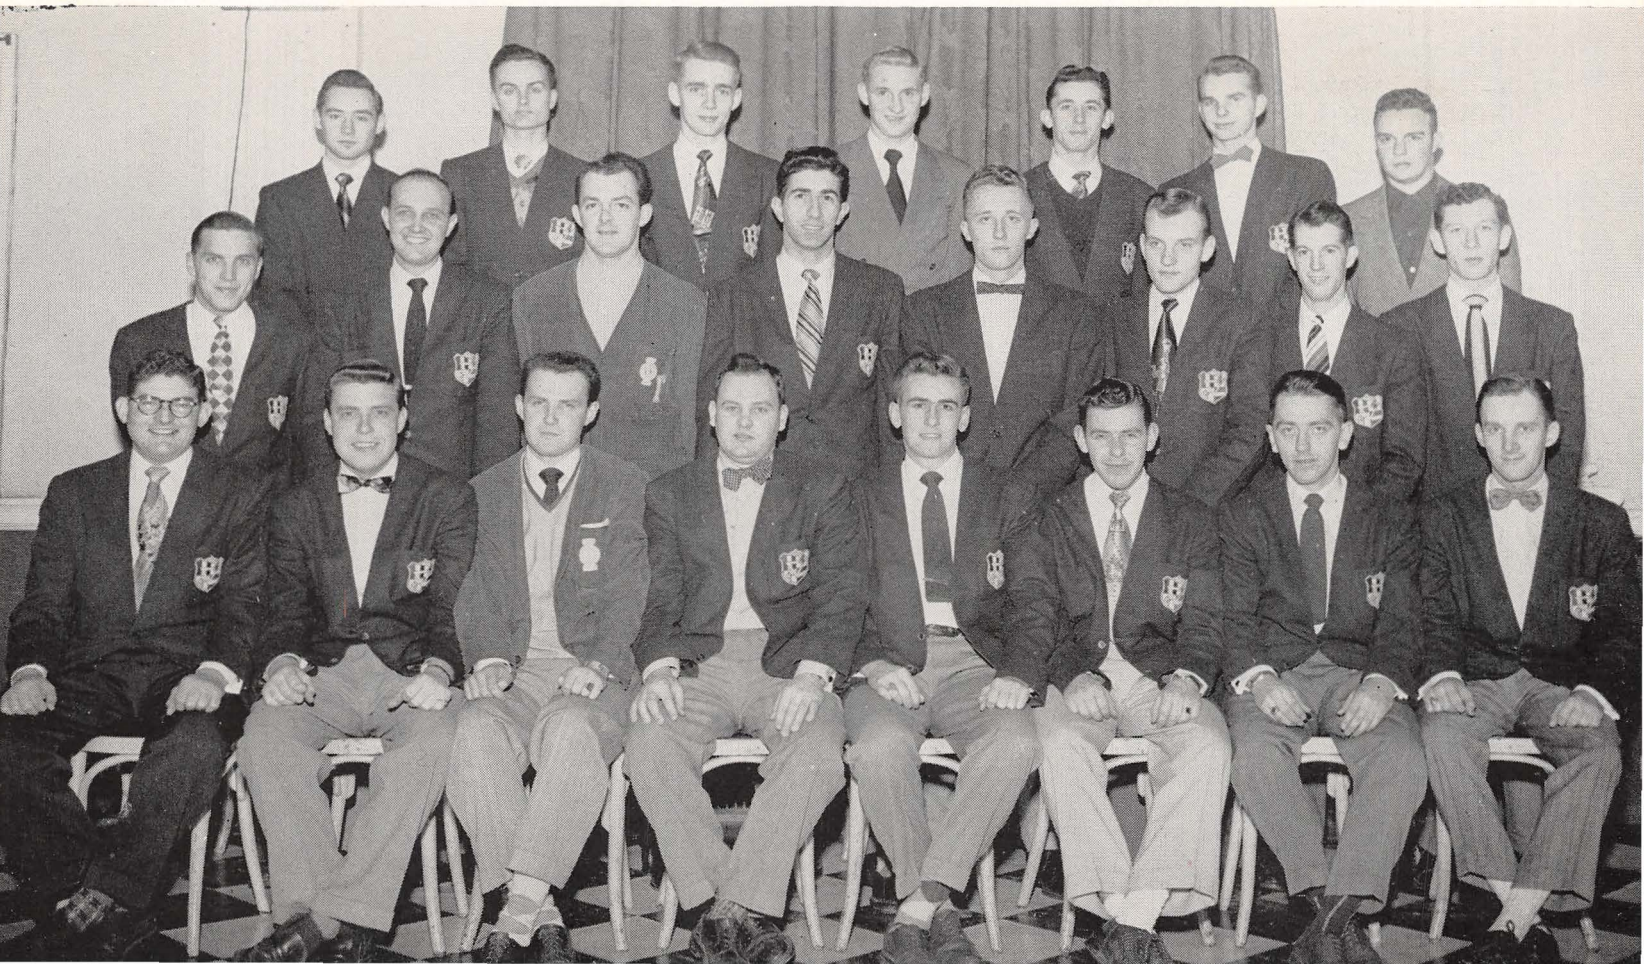

Fall rushing brought in a hilarious pledge season and a fine group of new members.

Several parties with various fraternities and sororities and many date parties were featured during the semester, climaxed by a joyous welcome to the new year.

The spring semester was highlighted by the Fifth Annual Popularity Dance held at the Elms Ballroom. Even more life came into the fraternity as a result of an intrepid rush season.

The final social event of the year was the annual Phi Gamma spring formal where even the alumni showed up in full force.

ROW 1: E. Fannon, J. Mayhew, E. Forney, W. Ferrell, J. Crytzer, G. Hurtuk, D. Johnson, B. Watson.  
ROW 2: K. McMillin, D. Hurjait, J. Walsh, T. Kotsovolos, J. Dunn, E. Schumm, J. Morrison, J. Tradler.  
ROW 3: T. Swanic, B. Clayton, C. Moore, B. Conger, W. DeSanti, A. Scotchie, L. Hatch.

# Phi Sigma Epsilon

J. Williams, J. Harkins, B. Williams, T. Richardson, T. Herman, B. Hritz.

Phi Sigma Epsilon, under the able direction of Prexy Bill Williams, took an energetic part in college activities during the past year. Many social events were held, including a banquet, a dance, parties and informal get-togethers after meetings.

In November the Phi Sigs, in conjunction with Alpha Theta Delta sorority, sponsored their third annual Touchdown Trot at the Nu-Elms ballroom. Music for the evening was supplied by ace-drummer, Gene Krupa.

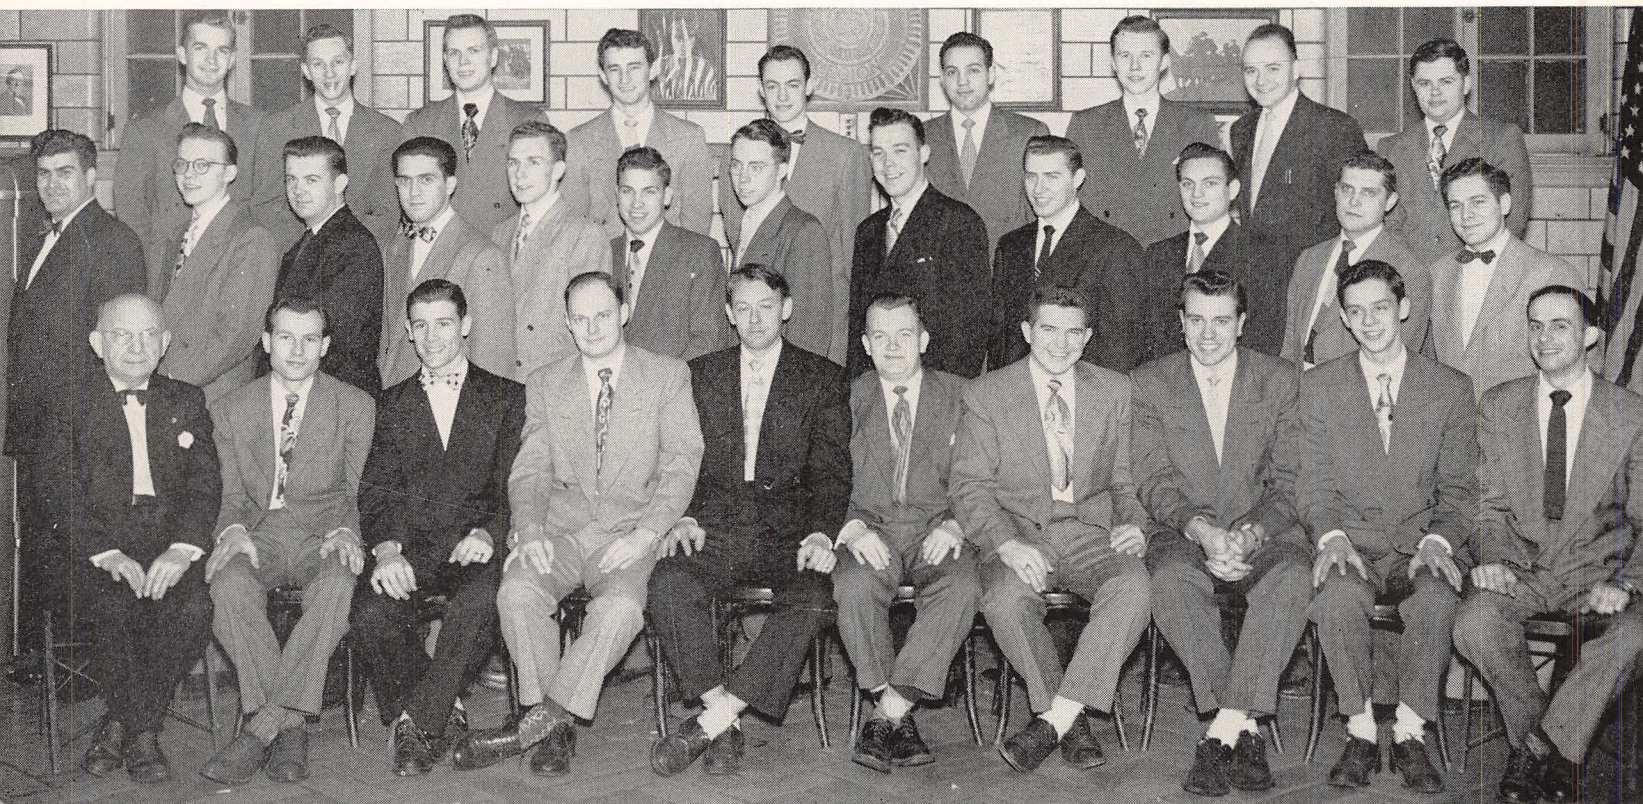

During the last school year Matt Quinn was listed in "Who's Who in American Colleges and Universities", Tom Richardson was elected president of the Religion-in-Life club and Phil Snyder was chosen campus "Pretty Boy".

In the sports field the Phi Sigs took first-place honors in the first half of the intramural bowling league tournament. Lou Mahar and Phil Snyder were members of the tennis team, and Bill Moskalik represented the fraternity on the swimming team.

The Phi Sigs were also well represented on the Jambar staff. Jim Mahoney was editor of the school bi-weekly, with Gus Conklin, Al Emery and Bill Williams serving as advertising manager, business manager and photographer, respectively.

Congratulations to our capable officers for a very successful season.

ROW 1: K. Benkner, T. Herman, B. Hritz, J. Harkins, B. Williams, J. Williams, J. Gorski, W. Feichtenbeiner, B. Moskalik, T. Hess.

# Sigma Delta Beta

T. Fasline, C. Horlbeck, H. Lepore, J. Sontich.

Sigma Delta Beta, founded in 1927 as a medical fraternity, is one of the oldest social fraternities on campus.

The fourfold purpose of the fraternity—character, loyalty, scholarship and leadership—has kept its members in close harmony with the purpose of the college itself.

The Sig Delts started the year off socially with a hayride at Bear's Den. Homecoming soon followed and we survived a hectic week that included the construction of the Sig Delt-Gamma Sig float, and our sixth annual Homecoming banquet.

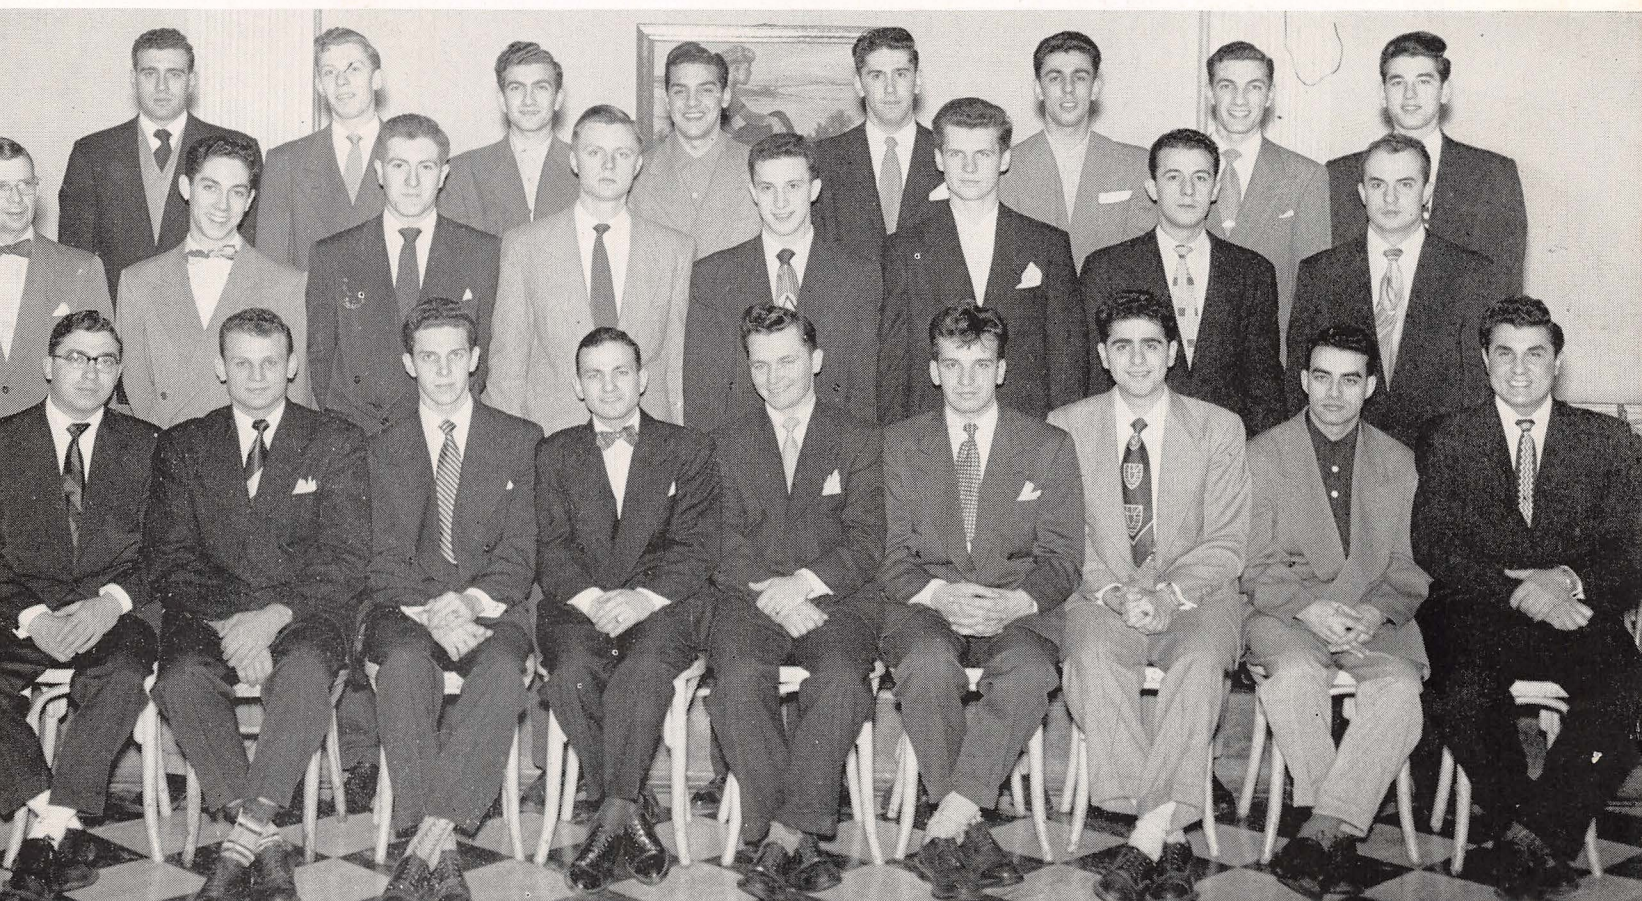

Rush season closed in on us, and after a never-to-be-forgotten pledge season eight new brothers were formally installed at the Pick Ohio Hotel.

The fifth annual Christmas Dance proved to be one of the outstanding social events of the season and once again made the Sig Delts solvent.

The second semester found Frank Perone, Al Yurko, Bruno DeMolli, Charles Horlbeck and Joe Parise as new officers. Proceeds from our second annual Men's Fashion Show, held in February, were donated to the St. Elizabeth's Hospital Drive. Highlighting the spring semester was our annual formal dinner dance held this year at the New Castle Country Club.

Best wishes to our very capable officers, also to our advisor who helped us immeasurably throughout the year, and congratulations to the six brothers who received their degrees in June.

ROW 1: L. Sainato, A. Yurko, H. Lepore, T. Fasline, C. Horlbeck, J. Sontich, C. Zidian, B. Battiluna, J. DeRose.

# Sigma Sigma

H. Luszcz, C. Hanna, J. Petrucci, Frank Vross, Dr. Smith, Advisor; M. Evanoff.

Sigma Sigma's fifth year on campus has been one of the most outstanding in its history.

The highlight of the fraternity's social calendar was the annual Harvest Moon Dance. The dance was held at Yankee Lake for the first time with music by popular Benny Jones and his orchestra. Co-chairman of the affair were Bill Beil and Frank Vross.

Miss Eleanor Finora was crowned Harvest Moon Queen of 1950 by the 1949 ruler, Miss Flossie Meek. Miss Finora was one of five girls chosen by the fraternity members to compete for the title.

When Pan Hellenic Council announced the point averages of the Greek-letter social organizations for the fall semester, Sigma Sigma ranked first among fraternities.

Sigma Sigma took an active part in intramural sports, competing against other organizations in softball, bowling, basketball and football. Congratulations go to Paul Delic, who has taken top individual honors in the bowling league for the past three years.

The fraternity would like to dedicate these pages to our brothers who have left the campus to join Uncle Sam's great outfit.

ROW 1: C. Hanna, Dr. Smith, B. Bullis, W. Valentine, J. Petrucci, J. Grohovsky, B. Broderick, L. Constatino.

# Nu Sigma Rho

Nu Sigma Rho's fifth year on campus has been a busy and successful one. Outstanding among the social and fraternal activities of the year was the annual Pete Penguin Hop. Begun four years ago, it has become a traditional affair and one that is welcomed by the entire student body.

Congratulations are in order for Gus Marulakis, chairman of the Post Exam Hop, and for the industrious Nu Sigma Rhos whose float for the Homecoming Parade won first place for the second consecutive year.

Nu Sigma Rho sponsored its first annual St. Valentine's Dinner for both alumni and active members at the Mahoning Country Club last February. The annual June Banquet, which honored the graduating seniors, and numerous other fraternal affairs were on the social calendar during the school year. Plans are under way to organize an active alumni group.

The fraternity wishes to thank its advisors, Mr. Yozwiak and Mr. Hahn, for their able guidance throughout the entire year.

A. Nacarato, J. Matune, J. Fuller, S. Cepin, E. Fuzer.

FALL, WINTER AND SPRING

# Seasons...

# Fall Homecoming

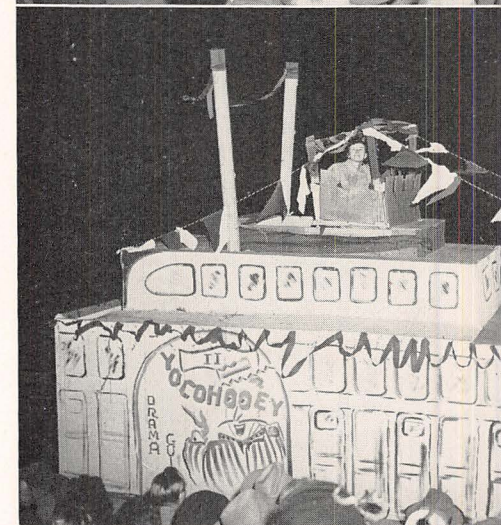

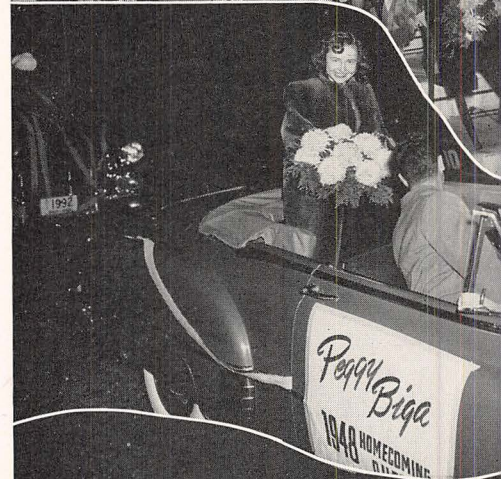

Homecoming—a magic word. It brings back memories of football games with cheering crowds, queens, floats and strutting majorettes, and crisp cool evenings made for hayrides, wiener roasts and long walks. The happiest memories of this colorful season are those of Homecoming itself.

The three-day Homecoming program, planned by Chairman Dick Brush and his committee, opened with a rally on October 25. At a second rally held the following day on north campus a group of attractive floats, constructed by the various campus organizations for the Homecoming parade, were judged. Nu Sigma Rho fraternity won first place for the second consecutive year and their prize winning float led the procession during the halftime ceremonies Friday night.

Festivities continued Thursday evening with a downtown parade of floats and convertibles bearing the Queen, lovely Lois Zuercher, and her court—Marlene Rollin, Virginia Pitts, Jo Grohovsky and Mary Martine. A bonfire rally was held in the student parking lot, followed by an informal stag dance in the school auditorium. Chairman Brush introduced the Homecoming royalty at this time.

The celebration was climaxed during the halftime ceremonies of the game Friday night when Lois received her crown from last year's queen, Joyce Webb. A procession of floats and convertibles circled the field and carried the queen and her court to the flower-decked place of honor on the 50-yard line. A packed stadium of students, alumni and fans witnessed the Penguins' defeat over Niagara, which added another laurel to YoCo's unblemished record of undefeated Homecoming games.

After the game students and alumni flocked to the Homecoming Dance in Strouss Memorial Auditorium and the college open house. The queen and her court were honored and presented gifts during intermission, after which YoCoites, past and present, convened in the halls to review old times and the highlights of the evening.

The **NEON** YEARBOOK **QUEEN**  
LOIS the \*SALUTES HOMEcoming **QUEEN**

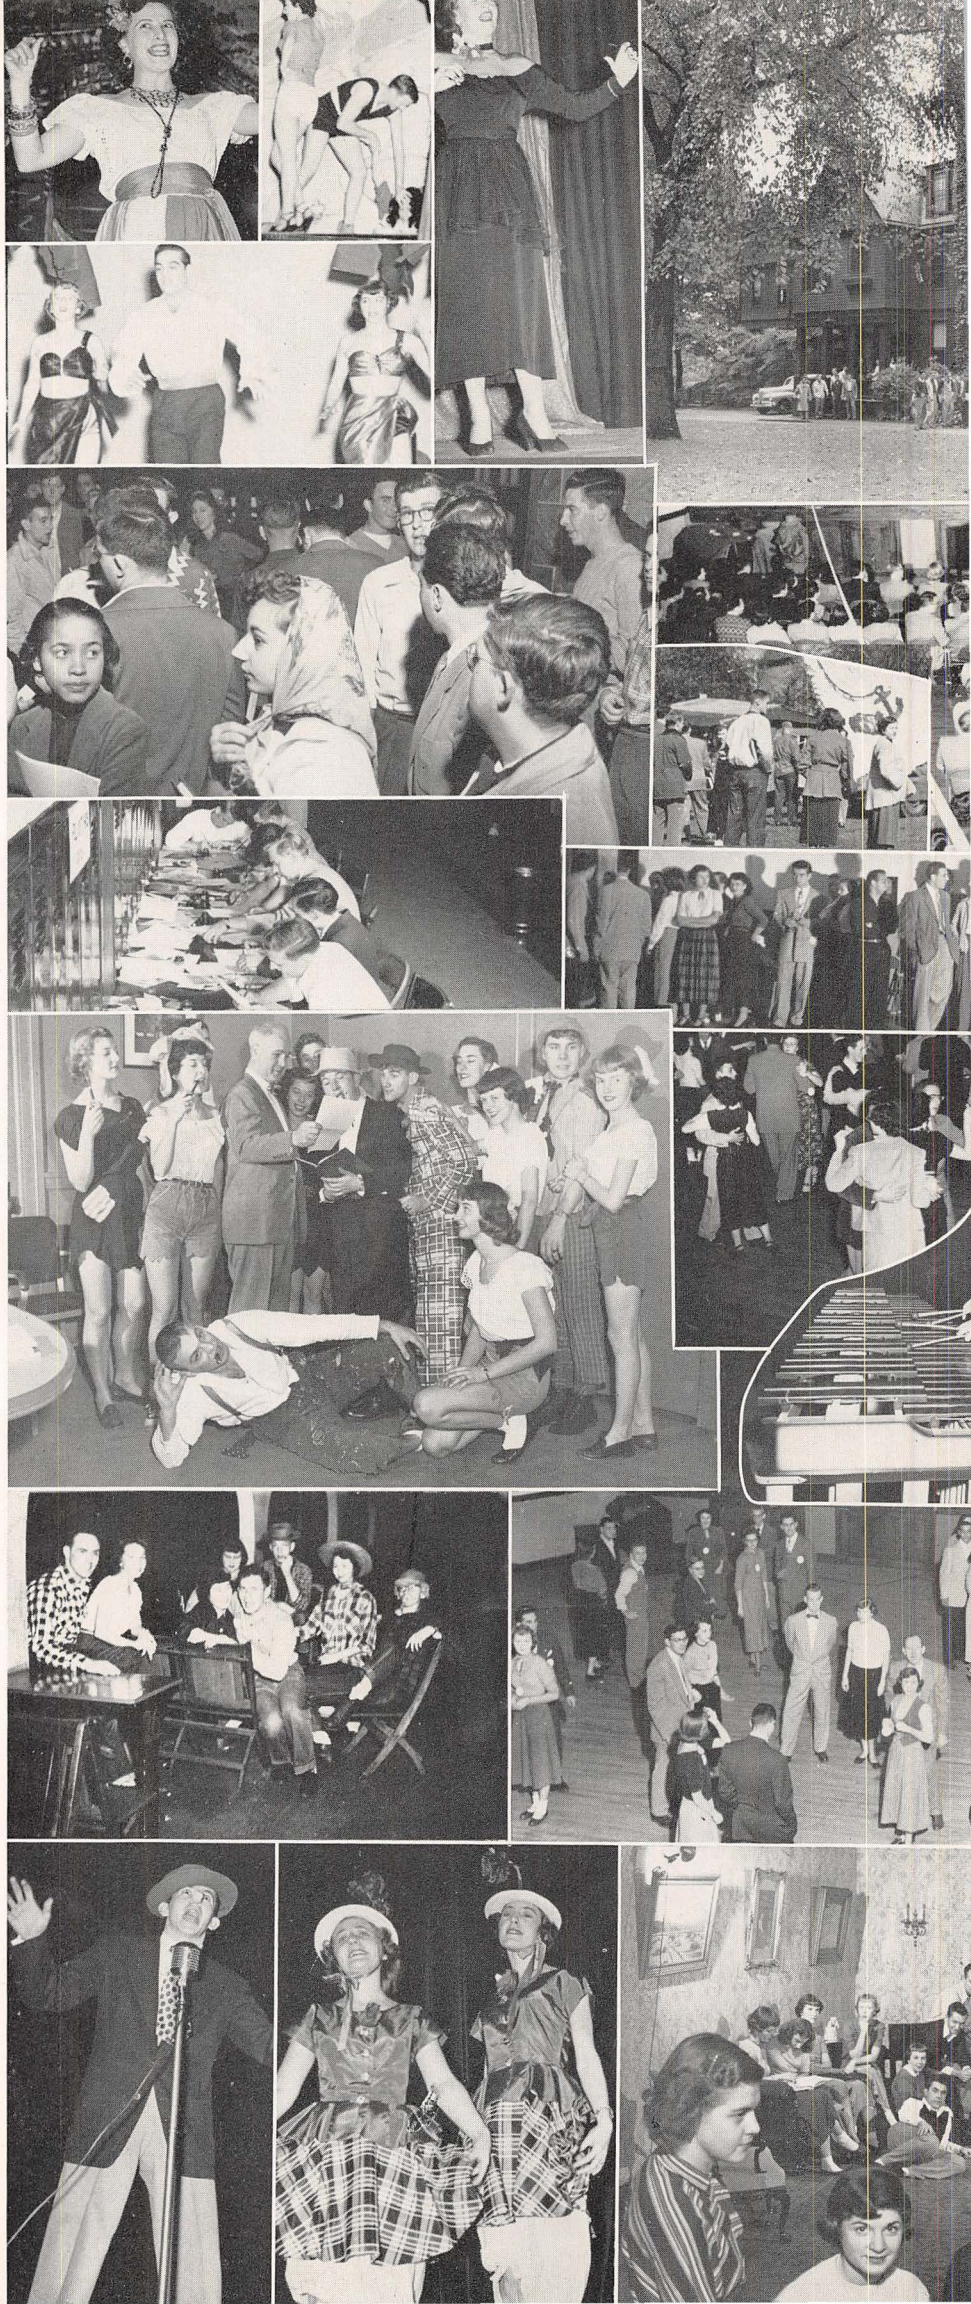

# Fall

The round of fall social activities on campus began with a tea and fashion show at Pollock Hall for freshman women a few days before the opening of school. A welcome was extended to all freshman students in the form of the Freshman Breakfast at Pioneer Pavilion early in October.

Football season in full swing, a series of social events followed in its wake. The Touchdown Trot, sponsored by Alpha Theta Delta and Phi Sigma Epsilon, Nu Sigma Rho's Pete Penguin Hop and the Harvest Moon Dance of Sigma Sigma fraternity lent a festive note to the early fall days.

Newman Club socials, RIL swimming parties, chapel services, Wednesday assemblies, a concert presented by the Dana School of Music, a Student Council sponsored stag dance and the Neon's Mr. T Dance offered a continuous variety of entertainment and a welcome relief from schoolwork.

# Fall

Homecoming highlighted the social calendar for three consecutive days and took the spotlight as the foremost campus event of the season.

The Sadie Hawkins Dance, sponsored by Kappa Sigma Kappa, was attended by a novel assemblage of students in Dogpatch attire.

The varied talents of YoCo students combined with the ability of faculty directors proved the success of YoCo-hoey II, presented to capacity audiences from November 20 to 24. A return engagement early in December was made necessary by popular demand and the big snow.

The semester moved along in seven-league boots and before we knew it winter was upon us.

Johnny Desmond, Jean Law, Bob Tyrrell

## *Snowflake Frolic*

Homecoming, it seems, was scarcely over before plans for the Christmas season and the Snowflake Frolic were well underway.

Under the chairmanship of Jean Law, the Frolic officially opened the winter social season on the campus. Six girls were chosen by the chairman to act as hostesses for this all-important formal affair. They were: Ruth Wear, Delphine Olenick, Pat McCauley, Marilyn Dunn, Carolyn Clark and Dahlia Vitucci. Hats off to Miss Law, the first girl ever chosen chairman of a major all-college social event at YoCo, who ably proved the capability of the coeds. The music of Lee Barrett and his orchestra and vocalist Johnny Desmond were high-lights of the 1950 Snowflake Frolic.

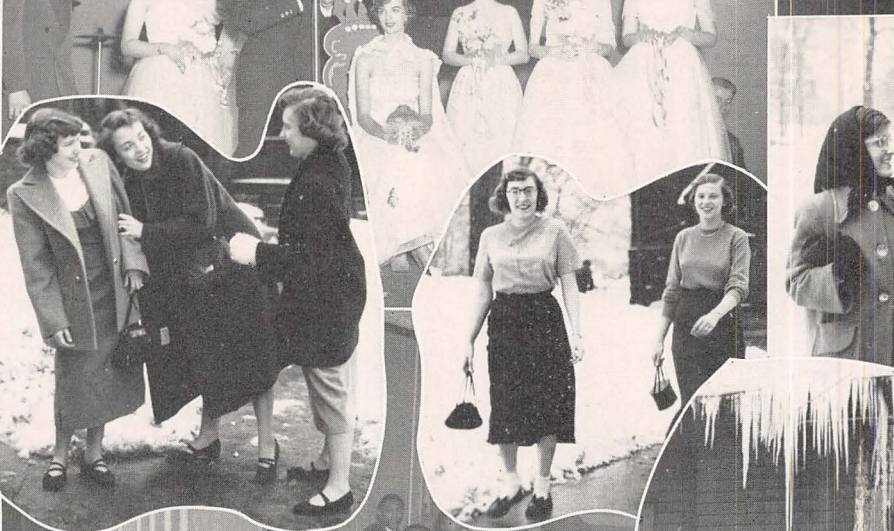

## *Frolic Hostesses*

The decorations carried out the theme of snow. The ceiling of the hall was covered with hundreds of white balloons and the band stand was banked by white snow drifts. Snowmen, snowballs, and glistening snow made up the remainder of the decorations. Once again the Snowflake Frolic was a beautiful and successful affair.

Over 2,000 people attended this annual winter dance. As in the past, they were met and greeted at the door by six lovely hostesses who gave programs to the women and smiles to everyone. During intermission the hostesses were introduced to the group as a whole and given gifts.

Dahlia Vitucci, Marilyn Dunn, Delphine Olenick, Carolyn Clark, Ruth Wear, Pat McCauley.

# Winter

Christmas vacation brought a welcome relief from the rush of school activities. The Phi Lambda Delta "Papa Party" and the Sig Delt Christmas Ball took place during this time.

Vacation was followed only too soon by the first semester finals. Snow covered the ground, some of it remnants of the Thanksgiving record-breaker, but the whirl of activities continued with the Post Exam Hop staged by Gus Marulakis and the Mardi Gras, where Claire Komara succeeded Sally McCreery as the Newman Club's annual pre-Lenten Queen. Attendants to the Mardi Gras Queen were Isabel Raynor, Irene Pavlov, Josie Frazzini, and Delphine Olenick.

Sandwiched between homework and test was the Phi Gamma Popularity Dance, with Mary Lou Rawson and "Red" Tyrrell reigning as most popular. The Blue Jean Brawl, introduced this year by Pi Beta Chi fraternity merited the hearty approval it received.

At the annual all-Greek Pan Hellenic Dance in March, Marilyn McCallen was crowned 1951 Sweetheart by last year's ruler, Joan Parrott. The queen was attended by Mary Lou Rawson, Nancy Tapley, Jean Law, Lillian Salem and Pat Baluck.

Winter had extended its top-coated welcome to 1951 and was now slipping away, leaving only memories and the hope of an equally eventful spring.

# Spring

## May Day

Spring is a gala season on all college campuses and Youngstown is no exception. The big celebration which seems to characterize spring at YoCo is May Day. Here is all the gay pageantry, the color, the laughter that go to paint the picture that the word "spring" implies. The day's activities are a tribute to the senior class and their royalty.

May Day festivities began last year with the traditional outdoor ceremony on the north campus. A procession of co-eds in pastel attire heralded the crowning of the May Queen, Phyllis Galose, by her predecessor, Mary Jane Hoover. The queen was accompanied to her festive throne by her court: Yvonne Pearson, Yvonne Nottingham, Helen Alcott and Pat Pennock. The colorful May Pole Dance, honoring the queen and her court, was performed to the music of the college orchestra. The college choir lent another musical note to the fete. The queen and court were again honored at the May Dance held that evening at Idora Park.

This year's May Fete was celebrated with the traditional outdoor festival on the lawn of Pollock Hall. The attractive procession, coronation and May Pole Dance again paid tribute to the senior royalty. May Queen Alice Zipay was crowned by the last year's queen, Phyllis Galose, while her court—Kathy Shabala, Evelyn Downie, Maxine Blair and Mary Jo Davin—attended. A reception at Pollock Hall for seniors, their guests, faculty and students followed the campus ceremony.

The day's festivities were climaxed by the May Dance at Yankee Lake where the queen and her court were again presented by May Day Chairman, Chuck Hunter.

# Spring

Spring found the college campus in a buzz of activity. Rushing and pledge season, picnics, joint parties, organization sponsored events and schoolwide functions filled the final weeks of the school year which culminated in May Day and graduation.

The Jester's Ball, sponsored by Alpha Phi Omega, celebrated All Fool's Day and ushered in the round of spring social events.

Alpha Theta Delta's annual Milk Drive got under way early in April with all proceeds going to swell the college Campus Chest.

# Spring

Highlight of the month was the Junior Prom, held April 27 at Idora Park in honor of the junior class. Lovely Mary Lou Rawson reigned as queen, attended by Bette Savage, Jean Law, JoAnne Kerola and Barbara Flint. Mary Lou was crowned by 1950 queen, Carole Anderson.

Spring fashions were modeled by members of Gamma Sigma sorority at their annual style show on May 3 in the school auditorium.

The Military Ball, a formal affair initiated this year by the college's R. O. T. C. unit, was held May 11 at Stambaugh Auditorium.

The Drama Guild revealed its talents on May 24, 25, 26, with the presentation of a selection of one-act plays, directed by Professor Will Foley.

The May Day festival and dance climaxed the month's social events.

Banquets, dinners, dances, baccalaureate and commencement rounded out the season's activities and brought the school year to a close.

## *Dana School of Music*

The Dana Musical Institute was founded in Warren, Ohio, in 1869 by William H. Dana, son of Julius Dana, a wealthy and prominent lawyer. The historic old hotel on Park Avenue in Warren was the site for the original Dana Institute. The school gained tremendous recognition, and in 1888, at the annual exposition in Bologna, Italy, Brown's Medal was awarded to William H. Dana in recognition of his work.

The home of the late Charles S. Thomas, Wick Avenue, was purchased in 1941 and the Dana School of Music moved to the Campus and became a part of Youngstown College. Dr. Henry V. Stearns became the first head of the school. He was succeeded by Mr. Hoffman, who was dean until the fall of 1946, when Mrs. Dehnbostel took over. A year later William Hugh Miller was put in charge and is the present dean.

In 1947 the Dana Musical Institute was approved for associate membership in the National Association of Schools of Music.

Many activities of interest to music students are available including artist series, student recitals, the marching college band, symphony orchestra, a cappella choir, mixed chorus, madrigal singers, woodwind ensemble, brass ensemble, string quartet, operas, dramatics, radio, and professional music fraternities. Sigma Alpha Iota, a national honorary professional women's music fraternity, and Delta Eta Chapter of Phi Mu Alpha Sinfonia, an honorary professional men's music fraternity, are chartered to the Dana School of Music.

Students at Youngstown College have unusual opportunities for hearing a wide range of the best in music. There are recitals by the faculty and students of the school of music, organ recitals at Stambaugh Auditorium under the auspices of the American Guild of Organists, concerts by the Youngstown Symphony Orchestra and various activities of the Monday Musical Club. These concerts bring to Youngstown each season a number of the world's best musical artists.

# Dana School of Music

The Mixed Chorus of the Dana School of Music, a group of men and women chosen for their vocal and musical ability, forms the nucleus of the operatic productions. The Madrigal Singers is a group of sixteen selected voices from the school of music. A cappella compositions of the English Madrigal School, the more modern arrangements of folk tunes, and such works by contemporary composers as are suitable to the small ensemble are studied and presented. Opera is a tradition in the school of music. The cast is selected through competitive audition and the productions are staged in collaboration with the drama and art departments of the college.

Last season the a cappella choir of the Dana School of Music was invited to participate in the Collegiate Chorale in Cleveland. Youngstown was one of the fifteen institutions attending.

The School of Music also sponsored a percussion clinic. Demonstrators of accessories pertaining to the adaptability of Latin-American rhythms and modern dance band techniques were witnessed by students and music supervisors from eastern Ohio and western Pennsylvania.

# *School of Business*

The School of Business of Youngstown College was founded in 1923 as an evening school and as a part of the Youngstown Y.M.C.A. Schools. At the beginning, classes in a few business subjects met on the third floor of the Y.M.C.A. building on Champion Street, and the school operated under the name of the Y.M.C.A. Business School.

In 1926 the school was moved to the John C. Wick estate, located at the corner of Wick and Lincoln Avenues, where the main Youngstown College building now stands.

The Hall Business University, which at that time had served the students of this area for thirty-six years, was merged with the Y.M.C.A. Business School in 1928, and the new school began operating on June 1 of that year.

In 1939 the school was moved to the building it now occupies next to the main college building.

## *School of Business*

The increased demand from college students for business training led to the offering of combined college and secretarial courses for the first time in 1944.

In the same year the name of the school was changed to the School of Business of Youngstown College.

The School of Business makes it possible for students to take their business training in day or evening classes and on a full-time or part-time basis.

Courses in secretarial studies give credit toward the degree of Bachelor of Science in Business Administration with a major in secretarial studies, the degree of Bachelor of Science in Education with a major in business education, and the title of Associate in Business Administration.

The William Rayen School of Engineering, made available to Youngstown College in January, 1946, accommodates classes in mathematics, physics, and engineering. It cost more than \$125,000 to remodel the old Rayen building, which will now take care of some 350 day and 450 night pupils. In 1945 the name was changed from William Rayen Technical Institute to the William Rayen School of Engineering.

Professor Frank M. Ellis was appointed acting dean by President Howard W. Jones to succeed Dean Louis A. Deez, who died last year. Dean Deez was chairman of the Mahoning Grand River Floodway Committee in Washington.

Professor Ellis became a member of the Youngstown College faculty in 1945. He received his Bachelor of Science degree from Carnegie Institute of Technology and his Master in Education degree from the University of Pittsburgh.

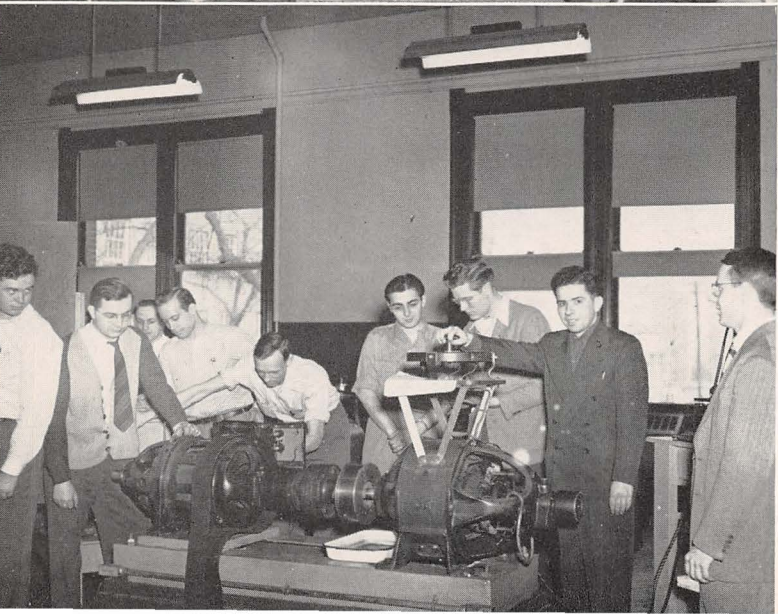

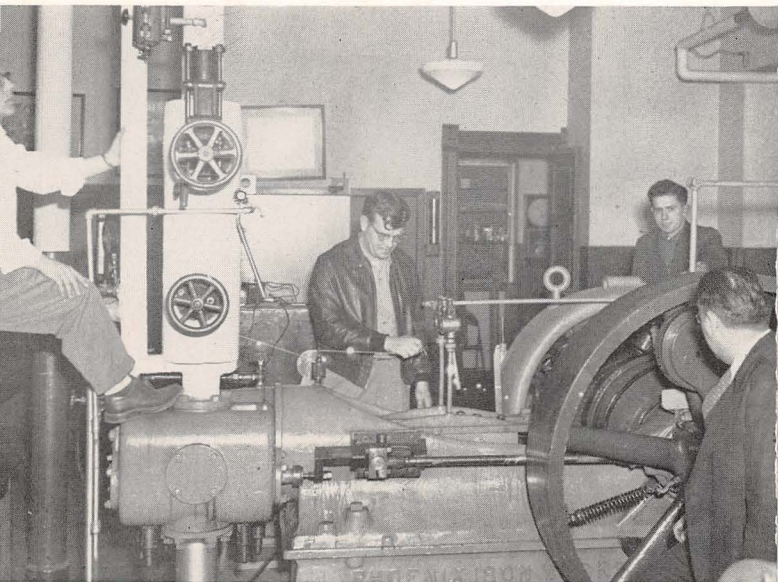

## *William Rayen School of Engineering*

# *William Rayen School of Engineering*

The basement of the engineering building consists of two large rooms which are used for housing some of the power-generating equipment and the auxiliary equipment required for the mechanical engineering laboratory on the floor above. The main floor consists of four modern classrooms, a study room, a library of technical books, the mechanical engineering laboratory, and the materials testing laboratory. On the second floor are the engineering drawing rooms, the physics laboratory and classroom and the electrical laboratories. The electronic laboratory for the experimental work in electro-dynamics and electronic applications is on the second floor. Various oscillators, high-frequency generators, tubes, transformers, condensers, wave meters, and other apparatus are available for student use.

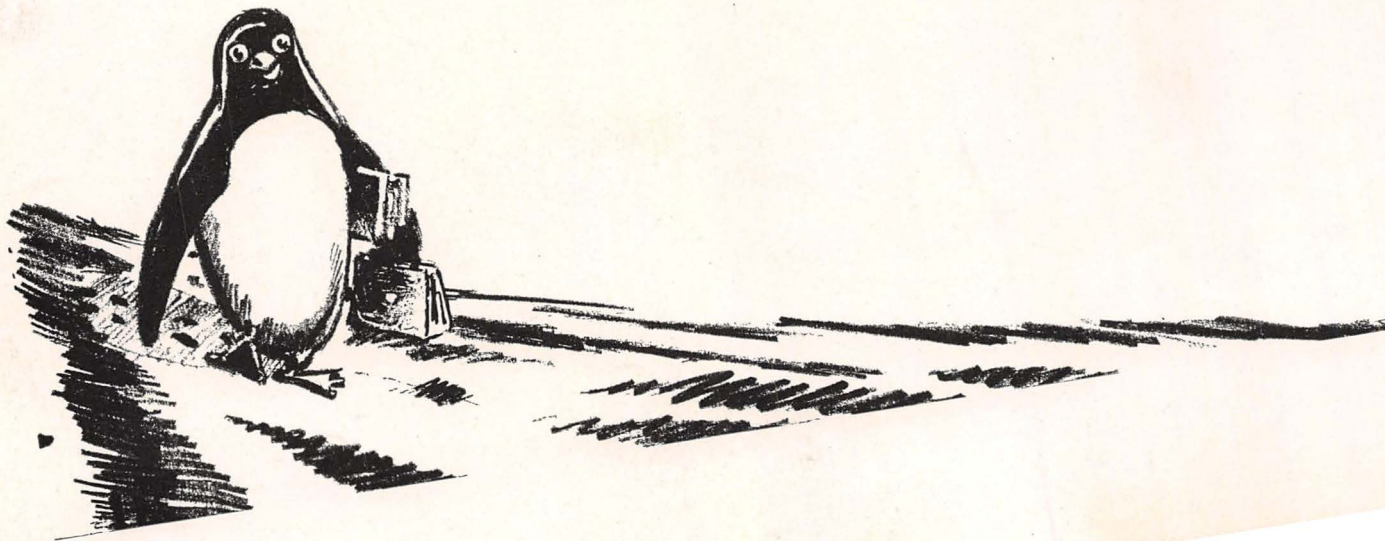

Recently the Mahoning Valley Society of Professional Engineers recognized a student affiliate at Youngstown College. The School of Engineering also sponsors an annual open house day at which time the school invites the general public to tour and inspect the laboratories and classrooms. More than 5,000 made this inspection tour last fall.

## *Homecoming Court*

Miss Lois Zuercher was the lovely queen at the Homecoming game between the Penguins and the University of Niagara. Following three big days of campus activities, Miss Zuercher was presented the traditional Homecoming Crown during the half-time ceremonies at Rayen Stadium. She is a graduate of Ursuline High School, is studying business merchandising and is a member of the Newman Club and Phi Lambda Delta sorority. The charming girls in her royal court included Josephine Grohovsky, Mary Martine, Virginia Pitts and Molly Rollins.

# Mardi Gras Court

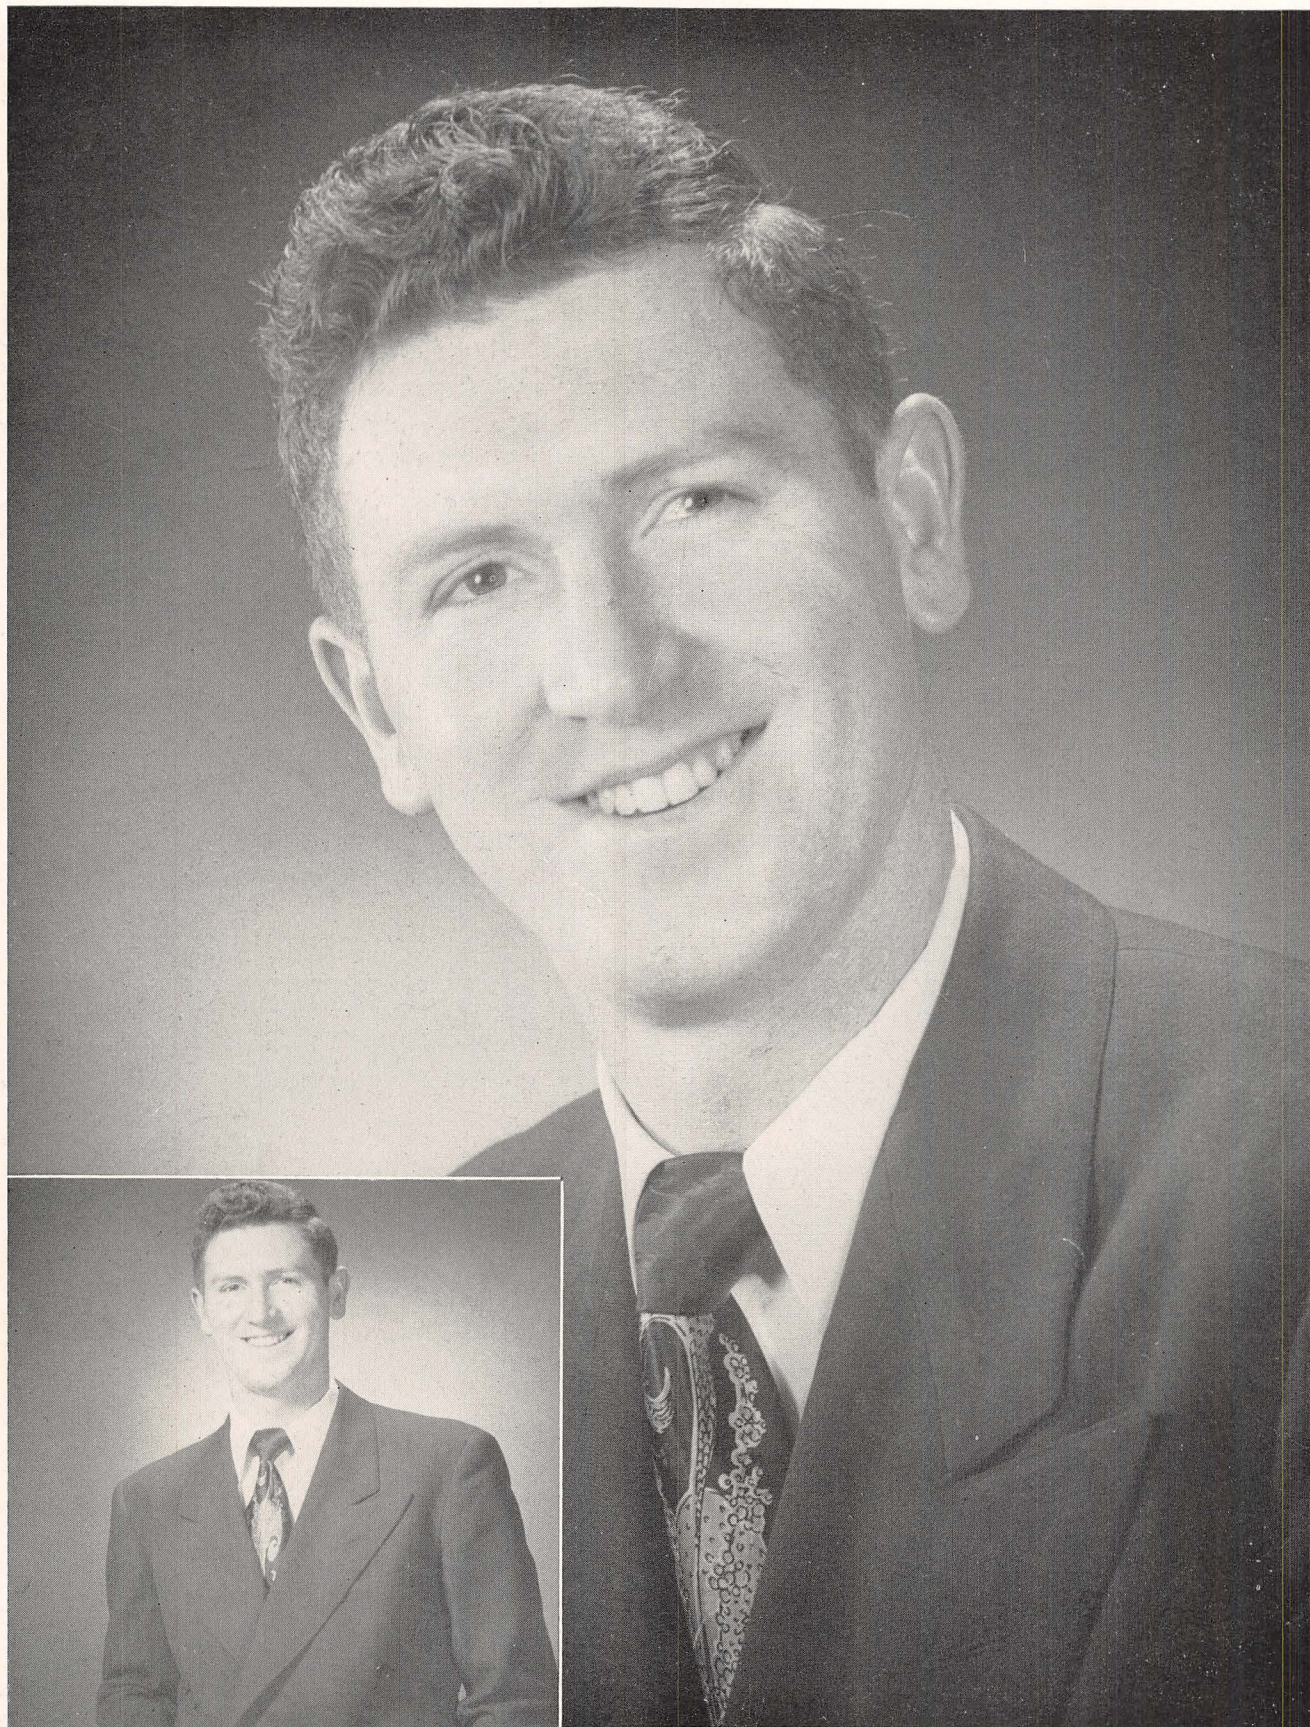

Claire Komara, a graduate of Youngstown's Woodrow Wilson High School, was chosen queen of the Mardi Gras dance by the Newman Club's three hundred members. Claire is majoring in elementary education. As hobbies she enjoys popular music and likes to go horse-back riding. Her court was composed of Delphine Olenick, Josie Frazzini, Isabel Raynor and Irene Pavlov.

## *Pan-Hellenic Court*

Marilyn McCallen, a product of the sophomore class, reigned as queen at the colorful Pan-Hellenic Dance. Miss McCallen graduated from Brookfield High School, is majoring in public school education and is a member of Alpha Theta Delta sorority, Alpha Pi Epsilon sorority and the Newman Club. She is also a drum majorette. The lovely girls in her court included Jean Law, Mary Lou Rawson, Pat Baluck, Lillian Salem and Nancy Tapley.

## *Junior Prom Court*

When South High School lost Mary Lou Rawson in 1948, it was Youngstown College's gain. Mary Lou believes her lucky number is three because she was chosen Junior Prom Queen, Most Popular Girl and an attendant to the Pan-Hellenic Queen, all in one semester. She is a member of Phi Lambda Delta and the Religion in Life Club and is a cheerleader. Her major is elementary education and her hobbies are outdoor sports. The lovely Junior Prom court was graced by Jean Law, Barbara Flint, Bette Savage and Jo Ann Kerola.

## Senior Class

The Senior Class of 1951 has produced outstanding leaders. Our class officers are representative of leadership in extra-curricular activities. Art Warden, president, has been active in Religion in Life, and served ably as ticket chairman for YoCoHooey II. Jody DeGenaro, vice-president, presided as president of Student Council. He participated in many activities, but he was outstanding in the International Relations Club, the debate team, and as chairman of the social committee. Bill Houser, treasurer, gained considerable recognition as a member of the tennis team, as president of Alpha Phi Omega, and as chairman of the Newman Club Mardi Gras Dance. Sallie Lou O'Brien, secretary, attained popularity as an especially active member of the Newman Club and as secretary of Alpha Iota sorority. These are just a few of the many contributions that our class officers have made to Youngstown College.

Art Warden

The senior gift to the college this year was a portrait of President Jones. The portrait was painted by Malcolm Parcell, of Washington, Pennsylvania, and is affiliated with Carnegie Institute of Technology.

We the Senior Class of 1951 are proud of our fellow classmates. Of the 29 students honored in the 1950-51 edition of *Who's Who Among Students in American Colleges and Universities*, 22 were seniors; the officers of Student Council for the spring semester were also seniors. Senior students were active in athletics, outstanding academically, and willing to contribute time and effort to promote the social life of the college. The average senior provided an example of the spirit that prevailed to uphold the ideals of the Class of 1951 and Youngstown College.

J. DeGenaro, B. Houser, S. O'Brien

# Senior Banquet

Mrs. Crites, Mr. Crites, Mrs. Jones, President Jones, J. DeGenaro, K. Shabala

"Look to Tomorrow!" — this was the message delivered by President Jones to the graduating class of 1951 at the senior banquet held on March 3 at Calvin Center.

It was a fitting message, for many will find it difficult to leave behind the memories of Youngstown College and look to the future. The past is pleasant to recall — the dances, the cafeteria, the exams, the activities. We are no longer the students of this institution; we are now her graduate sons and daughters. The school is placed in competent hands for new generations of students will prove as capable as we were; we must move on for others to take our place.

We need not yearn for the memorable past nor fear tomorrow. The previous four years were only a preparation for a larger task — to take our places in the outside world. We will face this task guided by the teachings and ideals of Youngstown College, which have equipped us with the means to meet the future.

When we are all successful engineers, businessmen, teachers and artists, let us remember Youngstown College and all the opportunities that it has given us, the Class of 1951. We shall recall the halls, the buildings, the professors and the activities with warmth and gratitude. But we shall live not in the past.

LOOK TO TOMORROW!

Office of The Youngstown Vindicator

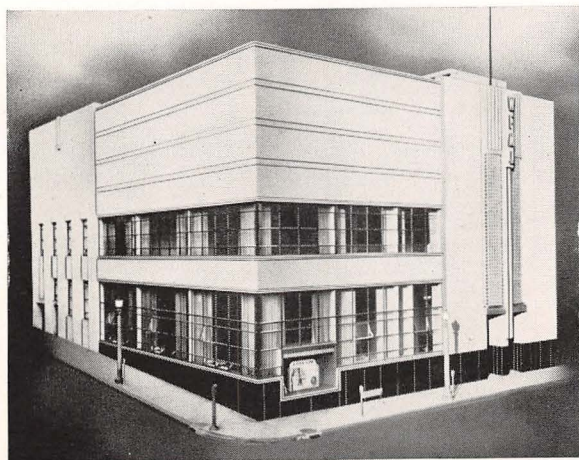

The complete news services of the Associated Press and the United Press, together with all the local news of Youngstown and vicinity gathered by a hundred reporters and correspondents of the Youngstown Vindicator is available for listeners of Radio Station WFMJ. Few stations in the United States offer such complete coverage of the news as you can hear on WFMJ at these times:

Weekdays: Mornings at 6, 6:30, 6:45 (farm news), 7, 7:45, 8 (ABC), 8:55, 12 noon.

Afternoon: 1 (ABC), 3:25, 4, 5, 5:45.

Evenings: 6:30, 8:30, 9:55½, 10:30, 11, 12:30, 12:55.

Sunday: 7, 7:30, 8, 10, noon, 1, 6 (ABC), 9, 9:59½, 10:30 (ABC), 11, 11:20, 12.

The WFMJ Building

## Vindicator Music Programs on WFMJ

Sunday through Friday, Orchestra Hall, 11:30 P. M. and Sunday morning at 7:15.

Monday through Thursday, Music America Loves, 10:35 P. M.

Sunday: Sunday Morning Music Time, 9:30.

For unequalled programs of news and music, turn to

*Congratulations, Classes of 1951!*

You've reached the end of a four-year street . . . or at least that's the way you feel now. The secret's in the word commencement, though. Commence means to begin . . . you'll begin being a part of a startling new world . . . a world that looks to you to guide it . . . away from fear, oppression, prejudice, and hate. "The first years are the hardest," but they're yours! Let's see what you can do with them!

*McKelvey's*

1883 - 1951

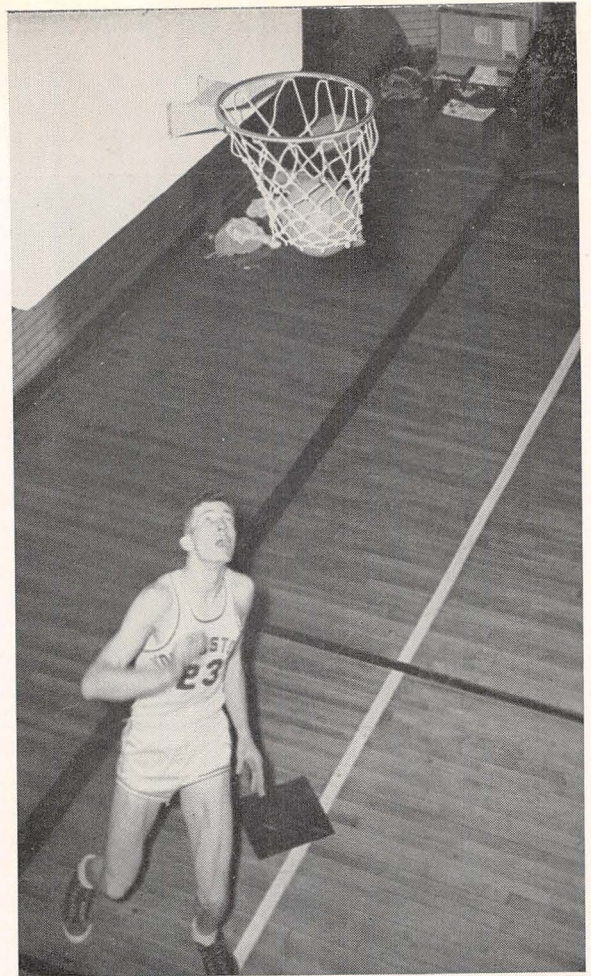

GREETINGS AND BEST WISHES

TO THE STUDENTS OF YOUNGSTOWN COLLEGE

PAST PRESENT FUTURE

FROM The Board and Staff of the

# Young Men's Christian Association

## Congratulations, Class of 1951

"It matters not how straight the gate,  
 How charged with punishment the scroll,  
 I am the captain of my fate;  
 I am the master of my soul!"

(William Ernest Henley)

Congratulations to the Class of 1951

NICE TO BE—

NICE TO KNOW

The Telephone Service Representative

● She handles contacts with telephone customers . . . takes requests, answers questions, makes adjustments . . . all in pleasant company offices. Chosen for friendliness, poise and tact, she's mighty nice to know. College women enjoy this job and do it well . . . graduates or girls with one or two years of campus life.

APPLY: Women's Employment Office

The Ohio Bell Telephone Company

No Appointment Necessary

*Congratulations to the Graduating*

*Class of 1951*

Compliments of a Friend

# Thirst, Too, Seeks Quality

*Months of study—Months of pleasant companionship—*

All of them summarized in this yearbook, a memento to the effort you have put forth to make a success of your school work. It is our hope that Coca-Cola has in some small way made your task easier—contributed a friendly pause for refreshment to your work or play.

Anywhere, anytime, you will find a frosty bottle of Coca-Cola near-by to help you make any pause "The Pause That Refreshes".

*Ask for it either way . . . both  
trade-marks mean the same thing.*

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

COPYRIGHT 1950, COCA COLA COMPANY

COCA-COLA BOTTLING COMPANY OF YOUNGSTOWN

*The Editors and Business Manager  
of the Neon sincerely thank the staff  
members who have made the dream of the  
1951 Neon a reality.*

*The Editor*
