YOUNGSTOWN, Ohio - Chi Sigma Iota and the Counseling Department of Youngstown State University will sponsor the lecture, "Innovations in the Private Delivery of Mental Health Services" at 8 p.m. Tuesday, June 3, on the YSU campus.

Dr. Terence Heltzel, a private practitioner in Warren, will lecture in the Ohio Room of Kilcawley Center, Spring Street. The lecture is free and open to the public.

Dr. Heltzel will discuss a new and innovative means by which health care practitioner psychologists can meet today's challenges.

He will also discuss Psycare, a Joint Committee on Accreditation of Hospitals (JCAH) accredited outpatient psychiatric clinic. Psycare is the brainchild of three local practitioners who aim to improve patient care. The clinic will be an interdisciplinary facility employing psychiatrists, psychologists, licensed counselors, social workers, dieticians and psychological assistants.

Dr. Heltzel is a graduate of the University of Notre Dame and the University of South Carolina. He formerly was with the South Carolina Department of Mental Health and was a member of the YSU Counseling Center.

Chi Sigma Iota is honor society of counseling professionals and professionals-in-training dedicated to excellence in scholarship, research and clinical practice.

Chi Sigma Iota will hold a business meeting at 7 p.m. in Room 2068 of Kilcawley Center prior to the lecture.
