BOOKLIST DUE DATES

SUMMER
MARCH 1

FALL
APRIL 1

SPRING
OCTOBER 1

Due date will be a day or two sooner if dates fall on a weekend.

First Day Ready Courses material deadlines: Summer - February 15 | Fall - March 15 | Spring - September 1

In order to have books/course material for students prior to start of classes, it is important to meet these deadlines.

Late orders impact cost to students and availability of materials.

To allow the book coordinator time to input, the book information will be due to your department ahead of the dates above..

Review the posted booklist at least 3 weeks prior to classes starting for accuracy, especially if there is an instructor change. It must match your syllabus.

The booklist does not carry over to next semester.

The bookstore still needs to know if no textbook is required.
