The students and the faculty of Youngstown College extend their sincerest sympathy to Mr. and Mrs. Nearpass in their bereavement in the death of his sister-in-law.

DEACON DECANTUR DECLARES

How was that yelling Saturday night? I guess we showed Fen. who had the stronger voices. That old school spirit cropped right out, and that's sure going some for YOCO students. When they'll get out there and forget their dignity and aloofness and actually stand on the seats and yell, then they have 'THE SPIRIT'. That old spirit helped the boys win the Penn game and that's the spirit that we need at YoCo. There are several other ways of showing school spirit too. Get out and push! Push the Jamber, the Annual, and our various clubs, and Bon't forget the fencing team; they need as much backing as the basketball boys. Well that's all folks. See you next Friday night at 8:15.

YOCO PASSERS DEFEAT FENN IN PREMIER VICTORY OF THE SEASON

A LITTLE ABOUT FENCING

It is a very remarkable thing that in this age of heavy guns and pacifism, swordsmanship, which may appear to some as an objectionable pastime or a useless art, has lost none of its popularity. The competition between France and Italy for the swordsmanship title is as keen as ever; fencing tournaments are held in Great Britain and in the United States; sabre play, within limitations has always been the rule in German Universities, foil-work is taught to children as part and parcel of a High School Curriculum in Sweden.

We have read that the fair chubby, angelic Swedish boy wants some spunk drilled into him; in technical language, he needs to have his 'attention' educated. The sharp prod of the sword is, no doubt, an effective means to awaken watchfulness. Even in YOCO I know of a few nice persons who would be none the worse for such an education

On the other hand, scoring may be said to be the object of fencing---the art of giving

YOUNGSTOWN FIVE DISPLAYED GOOD TEAM WORK; PETERSON, BOYLAN STARS OF THE FRAY.

The Youngstown College basketeers came through with their initial win of the season by beating the fast Fenn passers of Cleveland 34-32 last Saturday night at the 'Y' gym.

The Red and Gold team played the best ball of the season, playing as one unit instead of as five individuals which is their usual style of ball.

The contest was nip and tuck throughout, the score standing 13-12 for Fenn at the half.

Don Boylan was the outstanding star of the game, sinking two foul shots in the last forty seconds of play, after McDonald had tied the score with a beautiful shot from the center of the floor.

Harry Peterson, that elongated center, starting his second game as a regular played an inspired game, getting the tip-off and taking the ball from the back-board in great fashion.

DRAMATICS

The Dramatic Club is now taking on definite form. Last Thursday, a tentative constitution was given to the members. A vote will probably be taken at the next meeting.

All students interested in dramatics are invited to join the club. For further information see Dr. Bowden or John Haslake.

GLEE CLUBS

The girls of the school have recently organized a glee club under the direction of Mrs. Bowden. The girls are considering plans for raising money to buy music. Mrs. Bowden would like to meet all girls who are interested at 2 o'clock on Monday in Room 1.

There are still a few boys around the school who should be in the glee club. Dr. Stearns is well pleased with the work being done and has several programs arranged. Let's show our pride in Youngstown College by giving a few hours a week.

HIGHLIGHTS OF THE RECENT
ROLLER SKATING
PARTY

It is hard to believe that a certain young lady would ever need a post for support, but Friday night she certainly did. Unfortunately even the post wasn't sufficient so a certain young gentleman with red hair spent most of his time picking her up. Explain this, Mabel.

FENCING

(continued from page 2)

and not receiving as it is in all other sports.

As a sport fencing has a special value: it is the only one where the big man has no physical advantage over the small one. Every fencer knows that "the battle is not to the strong".

Fencing has had a revival in interest in the Colleges of the United States lately. Practically all of the larger colleges now support fencing teams as do many of the smaller ones. Youngstown had a team last year that was rated as one of the best in the state of Ohio. They... either have met or are going to meet the following colleges of the state this year: Wittenberg, Case, Ohio Wesleyan, Ohio State, Ohio Northern, Cleveland College of Chiropody and many others. Lets get back of the team and boost them!

BEAT INDIANA!

A BIT OF FUN

WHY YOCO BEAT FENN

The stands were tense, the score was tied, every man was giving all he had. It was time for Fenn to give the whistle yell; it would win the game. The y YoCO rooters passed around c rackers to Fenn and Youngso ron the game.

A BIT OF PHILOSOPHY

There are times you'll wish you hadn't,
There are times when you'll wish you had,
But the times when you could have and didn't
Are the ones that'll make you feel sad.

Tom Delanty to 'Little Pal':

People love the flowers,
Flowers love the dew----
Let them love the flowers,
Cause I love you.

And this goes on for hours and hours and hours on the seat in the hall by the window. Good Luck, 'Big Pal'.

"L'Envoi"

With Apologies to Kipling

When the last exam is finished, and
the pencils are worn away,
When the latest pupil has vanished,
and the teachers are left to
stay,
We shall rest, and faith, we shall
need it; lie down for a day
or two,
Till the ruler of all poor children
will set us to work anew;

And those who have passed will be hap-
py; we'll go to another class,
We'll work at more horrible lessons
and long once again to pass,
We'll have more teachers to bother,
and into their clutches fall.
They think we can study forever with-
out being tired at all.

And only the teachers will praise
us and only the teachers
will blame,
And no one will work for money, and
no one will work for fame,
But each in a wretched circle, with
help neither near nor far,
Will work for the grade that he
wants most, from the giver
of grades as they are.
