## JAMBAR is Rated Best in State Again Also Wins Top Honors For Adv. Layouts

For the second consecutive year, the JAMBAR captured first place as the best bi-weekly in the state at the Ohio College Newspaper Association convention at Wittenburg College in Springfield last week.

A trophy was awarded at the closing banquet of the convention after all entries in this category had been judged by impartial experts in the field. Second place honors went to the Mount St. Joseph Seton Journal. The Ursuline Quill won third, with the Hiram Advance rating honorable mention.

The JAMBAR also won top honors for advertising layout. The Ohio State Lantern was second in this competition.

The banquet speaker, Maynard Kniskern, editor of the Springfield Sun, urged the delegates to regard the field of journalism seriously as a job opportunity. He stressed newspaper work as a vo-

He lashed schools of journalism as "poor for preparatory work" and vastly inferior to a broad background and experience, "but inasmuch as it provides some experience, they are doing a good job," Mr. Kniskern conceded.

"The only thing a school of Journalism is good for, is to train managing editors, and you'll find that most managing editors interviewing you are not ready to give up their jobs," he concluded.

## Blue Barron Will Play For May Prom; Dance Will Be at Idora Park Ballroom

Breaking precedence, Friday the thirteenth will not be considered a bad luck day this year at Youngstown for on that day, the annual celebrated May Day will be held, featuring a famous name band. General Chairman Harlan Urmsion has scheduled a full card for the day's celebration with activities getting under way at 2 p.m.

Classes will be excused from 2-4 that afternoon. Opening May Day will be the traditional May Pole Dance, followed by the Floral Chain and the Crowning of the Queen.

Afternoon Program Chairwoman, Joanne McCarthy, has worked tirelessly in shaping up what promises to be the top May Day program of many years. She urges all to watch the frolicking and

gamboling (that is not gambling) on the North Campus.

Her highness-to-be is Miss Mary Jane Hoover. Attending her to the royal court will be lovelies: Mildred (Mid) Noufer, Barbara Simpson, Alice (Christy) Woodside, and Mary Agnes (!) Hatagan.

Blue Barron and his nationally-famous orchestra will play for dancing at the Idora Park Ballroom from 9 until 1. Barron was one of the first advocates of singing song titles, making his name in show business in the late thirties.

Dress for the dance is semi-formal and admittance will be by activity book. So make a date for next Friday. It will be a good show, lots of fun, and . . . it's on Student Council!!!

May Prom Court gets primed for afternoon ceremonies by Queen Mary Jane Hoover. The attendants are the Misses Mary Agnes Hatagan, Barbara Simpson, and Alice Woodside. Absent from picture is Mildred Nouffer.

## Radio Show Celebrates First Anniversary

by Joseph Pennell  
If the postman, who delivers mail to WKBN, wonders why his mailbag is so heavy lately; it is because "YoCo Quarter Hour" is celebrating its first anniversary, and congratulatory messages are pouring in from fans around the area.

Just about a year ago Ollie Davis, Editor, and Jimmie Lowery, Sports Editor presented the first "YoCo Quarter Hour" program over WKBN. Officials of the station say that the program is now one of the most popular programs on Saturday morning. Another indication of the popularity of the program is the wide range which it covers. Coach Dike Beede has heard it in Columbus, and Dom Roselli has heard it in Huntington, West Virginia.

Ollie Davis has graduated from YoCo and is now teaching speech and dramatics at Struthers High School. When "Ollie" was graduated Jimmie Lowery took over as editor and Ted Berndt is now Sports Editor. The threesome have done a wonderful job, and many thanks goes to them for making the program's first year a great success.

The program gives "news and views" of happenings on the campus. It also gives students a chance to have their original essays and short stories read over the air. The old and new in recordings are also included in the program, after all, what is a variety program without music?

In the way of reminiscing. All of those who are responsible for the program can look back on the past year and really be proud of the job they have done. Any skeptics, and what new idea doesn't have them, should no longer have any doubt as to the success of the program—it is here to stay. So fellows, here's wishing you a happy birthday, and may your program live to be a hundred.

As a reminder to all YoCo-ites, whether faithful or would be listeners don't forget to dial 570—first on your dial—Saturday morning at 10:15 and hear the latest news about your campus.

## Alpha Delt Conduct Drive For Needy

The Milk Drive is now underway to collect money to furnish milk for the needy children of Youngstown. The drive began Monday, May 2 and will continue through Wednesday, May 11.

Collection bottles have been placed in the main hall and the cafeteria and will be there from 9 to 4 daily.

Carolyn Schaefer and Marge Grimsley are co-chairmen for the drive which is being sponsored by Alpha Theta Delta Sorority.

The drive aims to help the underprivileged children of Youngstown. You are requested to drop your contribution in the provided bottle now.

## To Be Named 'C. J. Strouss Memorial'; Local Stations Will Carry Ceremony

Dedication of the new auditorium in the Liberal Arts Building will be held today at 11:30 a.m. All three local stations will broadcast the half-hour ceremony.

The official name of this latest addition to our campus will be the 'Clarence J. Strouss Memorial Auditorium'.

The student body is reminded by President Jones that the late Mr. Strouss, being a community-minded citizen, did all in his power to further the growth of Youngstown College as not only a worthwhile but a necessary part of a thriving cosmopolitan area. Dr. Jones will express the gratitude of the whole college in his speech during today's program.

Mr. Clarence J. Strouss, Jr. will be guest speaker of the day. Mr. William F. Maag has also been invited as a guest speaker.

Music will be produced by the college band and the choir. Miss Helen Lou Ceglie will present a solo of 'My Hero'. William Stalker is producing the show.

All Liberal Arts students will be excused from classes at 11:15 to go directly to the auditorium where attendance will be taken. Doors will be closed at 11:25. Dr. Jones has specified that students must follow the directions of ushers and maintain order during the broadcast.

## Rosenburg Judges Art Show Now Exhibited At Butler Art Gallery

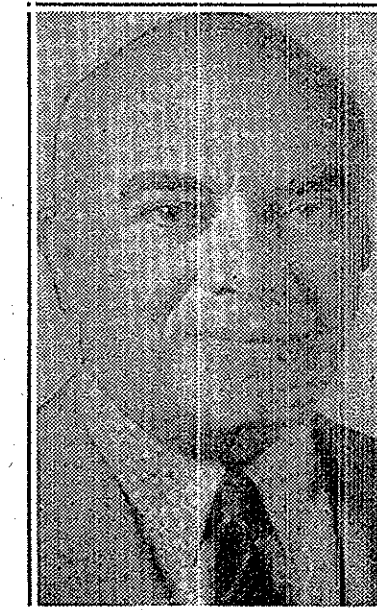

Samuel Rosenburg, one of the top artists in the country, came from Carnegie Tech to judge the annual Youngstown College art exhibit being held at Butler Art Gallery from April 20 through May 8.

Fred Gasser's abstract oil painting, "The Blue Mandorla", won first prize of \$25 presented by Friends of American Art. Gasser also won a \$10 award for having the best group of paintings. The latter was presented by the Sharon Art Asso. Howard Rempes won 2nd prize of \$20 presented by the Art Alliance for his still life, "The Yellow Flower". "Two Acrobats", by John Naberezny, won 3rd prize of \$15 presented by Youngstown Art Engraving.

Beatrice Fried's, "The Parade Is Passing By", in water colors, was awarded first prize of \$20 by City Office and Art Co. Larry Steiner's water color painting, "Abstraction", won a 2nd prize of \$10 presented by Mahoning Art Society.

Honorable mentions went to William Jacobs for his abstract oil painting, "A Church Wedding", Ben Dodds for his oil painting, "Penalty"; Beatrice Fried for "Who Was The Spy In Lovers Lane?"; Bill Wolf for his oil color, "Christ And Roman Soldiers".

There were 64 oil and water color paintings in this year's exhibit by Miss Evan's Art class.

CLARENCE J. STROUSS, SR.

Following the radio presentation there will be an informal stage show for the student body. This will start at noon. It will include the Woodside Sisters, vocal ton twirler; Betty DieMno, accorion; Miss Marlene Schnauffer, badiionist of ABC Radio Fame; a tap routine by "The Hightsteppers" from the Quota Minstrels; a pantomime by John Sinchok; and selections by pianists Johnny Lawhorn and Everett McCollum.

## Student-Directed Plays To Be Given May 17, 18

Three One-Act Plays will be presented in Strouss Auditorium on May 17 and 18. Admission will be by Activity book plus 25 cents or general admission will be 75 cents.

The plays are: "The Pink Dress" by Donald Elser; "Dearly Departed" by Stanley Houghton; and "Happy Journey" by Thornton Wilder. The student directors are Ted Berndt, Don Tamburro, and John Maluso.

### QUESTION: What Do You Think Can Be Done To Improve Registration At Youngstown College?

WILLIAM BRADEN— (Sr.)

During the time that I have attended Youngstown College, I have noticed a definite improvement with every registration. There have been bottlenecks, but a genuine attempt has been made to eliminate them as they come up.

It would help, to post a schedule of periods when the traffic is lightest, but it seems to me that the biggest improvement can be made by the students. If they would register early rather than waiting until the day registration closes, it would be better for everyone concerned.

CORRINE VERSCHOOR— (Fr.)

Improvement of registration is up to the students now, in as much as the College has gone more than half way in doing their part. It seems to me that all the students wait until the last day to see their advisors and then there is confusion and waiting in line to turn in schedules. If the students would have their schedules all made out before going to see their advisors, it would save time and in turn, the advisor would be able to see more students at one time.

PAT WOLFCAL— (Soph.)

To help improve registration at Youngstown College I believe that they should hold registration in a much larger place, and have more people to help with the work. Usually you have to stand in line a mile long, and wait while everyone has their schedule changed, and then when you finally get there, they say,

"I am sorry but you will have to go such and such a place." This causes confusion, as the students usually have classes to attend and cannot spend all their time standing in line.

GENE CRONE— (Jr.)

The registration at YoCo has come a long way from what it used to be. The appointment plan of registering for classes and meetings with advisors speeds up the process to a great extent. Having the registration period weeks before the next semester cuts down the confusion and avoids conflicts with semester exams. I think they're doing a great job with the enlarged enrollment and will continue to make improvements.

JO PRICE— (Jr.)

I think the present set up for registration is a great improvement compared to what it used to be. At YoCo registration is much better than at other colleges. There, a student has to "sweat out" long lines and then when he arrives at his destination, the class is closed and he has to completely change his schedule. The system at YoCo benefits the student tremendously.

CARL J. CONGINI— (Jr.)

To improve registration at YoCo, I believe a more systematic method should be used. I believe the students should be given preference as to their rank; seniors, juniors, etc. The system now in use isn't too efficient; you may be a senior or junior and still not get into the class you want.

## Looking Around

with ZIGGY WHEATSTRAN

Donnelly: "I reckon some people thought we were kind of sarcastic last time."

Durso: "I reckon."

Don: "Maybe we ought to find some nice people and say nice things about them."

Dur: "Maybe."

Don: "Well, open up the jar of honey and let's get to work."

Spring is the nicest season of the year . . . along with summer, fall, and winter. Spring is the season for . . . peanuts, popcorn, crackerjack, and . . . yep . . . you guessed it—BASEBALL . . . and the bug has bit us . . . along with many other YoCoites. Harrison Field is quite the popular place these days and the little kids down there get quite a workout, climbing the fences after those foul balls.

"Strike three . . . you're out!" shouts Sol Guapone and another batter goes grumbling away amid boos and cheers. Might we add that there are quite a few fans at the games . . . all those intra-mural stars are cheered on by such femmes as DOLORES SOSTARIC, PAT PICKARD, and GERRY DIHORO. Guess everyone knows we're yelling for Phi Epsilon . . . How can they lose with GENE "Fireball" BULGOZDY pitching and JOHNNY "Hitting Fool" CRISCIONE playing? . . . That Nu Sigma Rho team looks hard to beat.

### POME

Spring is here  
And it do seem . . .  
That we all drink . . . cokes (?)  
And sit and dream.

### Junior Prom Notes

Pink and green tinted gardenias . . . Lovely queen DONNA LEWIS . . . pretty 1948 queen BARBARA HENGEN . . . crown shifting from Alpha Delt to Alpha Delt . . . nervous PEGGY BIGA . . . Oh . . . what went on underneath that arch! . . . we saw MR. and MRS. ROBERT IRWIN tripping the light fantastic . . . BILL DAVIS and wife CAROL doing likewise . . . also RAY and LOIS CROYSDALE . . . BOBBY RAY drove his newly acquired car . . . guess he's finally learned how to drive . . . we wonder if he's taken any more rides with the emergency brake on . . . JIM CRUM manipulating the spotlight . . . all those bare shoulders . . . yipes! and strapless formals too! Good to see former students back at the dances . . . DUANE SMITH was there with VIVIAN PHILLIPS . . . and JEAN McCORMICK was there with TOM RICHARDSON. PAUL LEONHART was there with wife . . . former MARY DOLWICK . . . DOLORES NOVAK there with an orchid . . . JAMES DONEGAN with SALLY McCREERY jittersbugging with his wife . . . ZOLTAN CIBULAS wasn't there.

### NOTES IN PASSING

Ah! Untainted youth! BOB DeWITT has never read this column . . . in fact he never reads the Jambar . . . Congratulations to May Queen, MARY JANE HOOVER . . . also to the new prexy of Alpha Phi Omega . . . CLAUDE VASU. One of the general chemistry labs has a Greek corner all its own . . . ALEXIS LINARDOS, STEVE STEVENS, PETE PANAGIS, and JOHN (Gorgeous George) VAPO-RIS . . . according to their lab instructor, they are continually discussing retail prices of bananas, apples, etc., their fruit stands . . . and in Greek, too. Wonder why BOB HAYNES always has such a belligerent attitude in Marriage Psych? . . . JOE PESUT was complaining because we never put his name in the column. Also what happened to JOE "Georgia" FULLER'S front teeth. HARLAN URMSON runs around like a chicken with its head cut off . . . trying to get everything done at once. JOE CANON is certainly busy, trying to get everything straightened out for that A.C.S. trip to Cleveland. PAUL BECKMAN is as bony as ever. HARRY MESHEL and LADDIE FEDOR are full of plans for the seniors. Donnelly: "That's the last of the honey." Durso: "Then we had better stop."

See you all at the May Dances.  
DONNELLY and DURSO

## What Winning the Trophy Means

Since the JAMBAR has repeated its performance of last year by winning the Ohio State College Newspaper trophy, it might be a good idea to explain just what the trophy is, who awards it, and what it means. The Ohio College Newspaper Association is a group composed of many of Ohio's college newspapers. Each year the Association holds a convention at which current problems are discussed and trophies are given to the best papers in each of three classes, bi-weekly, weekly, and daily. It was the bi-weekly award which the JAMBAR annexed.

The inscription on the trophy is self-explanatory:  
 "Scripps Howard Newspapers of Ohio  
 Annual Award  
 Outstanding Ohio College  
 Bi-Weekly Newspaper"

The JAMBAR has taken the trophy a total of four times, "40", "41", "48", and "49". In this year's competition the JAMBAR also won first place for Advertising layout which included all the papers in the association.

Even in the best there is room for improvement but the JAMBAR staff feels that it has brought to Youngstown College an award which may stand on equal terms with any other honor the School has received. It is only through student and faculty co-operation that the JAMBAR has reached its high position. It can remain there only through continued co-operation.

If you have any suggestions for improvement or any criticism, then address a letter to the JAMBAR Editor and drop it in the JAMBAR mail box in the main office.

## May Day Afternoon Ceremonies

For the past few years the afternoon ceremonies of May Day have not been quite up to par. To say that this is a crime is a gross understatement. This May Pole dance with the daisy chain and the accompanying pageantry could be a beautiful production and should be so, since it is a student-produced function.

But it has been losing the ingenuity and attractiveness that it apparently had in the past—in the days when it used to rate a full page of roto in the Vindicator.

Last year and the year before one of the saddest parts of the whole afternoon was the obvious fact that no one had done any practicing. The JAMBAR staff has snooped around enough this year to have overheard rehearsal plans for an innovation in May Day ceremonies. Completing the success of the day will be an adequate student attendance.

## WE ARE GRATEFUL . . . For the Strouss Auditorium

Students of Youngstown College are extremely grateful to benefactors who make the growth of our school possible. We realize that without the loyal and unselfish support of community-minded citizens YoCo would be lost. We realize too, that we, the students, are the direct beneficiaries of such bequests.

The "C. J. Strouss Memorial Auditorium" is typical of the graciousness of our Youngstown citizens. In today's dedication ceremony the students' aim is to pay tribute in our small way to a great humanitarian who was extremely interested in furthering higher education and the ideals for which it stands. As the auditorium is christened, we bow our heads in humble tribute, and with the utmost respect, to the late Mr. Strouss.

## Debaters Conclude Successful Season

The Youngstown College Debate Team journeyed to the University of Virginia at Fredericksburg, Virginia to participate in the three day Grand National Forensic Tournament.

This year's decision has not been made as yet. However, last year the team placed 11th in competition with 67 other schools.

On the way to the tournament,

a stop-over was made at Fairmont State College for a non-decision debate.

Members of the four man team are Joseph Klein, John Stephens, John Bartol, and Bruce Mills who is debate manager and president of the YoCo Speech Society.

The last scheduled debate of the season will be held at Slippery Rock State Teachers College.

#### Alpha Theta Delta—(S)

The installation of pledges, April 19, was held at the home of Aurelia Isalie. Pledges were presented gold bracelets engraved with the sorority letters.

Initiation started April 20 and will continue through May 17.

Pledges and actives enjoyed a delightful evening, April 25, at a Stunt Night program given by the alumni.

The sorority together with the Phi Gamma fraternity had a party Sunday evening, May 1. Pledges, actives, and alumni of both were there.

The formal installation of pledges will be at Shady Lawn, May 22. The date set for the Formal Dinner Dance is June 18, both of these dates were determined at the regular Tuesday, April 26, meeting.

Let's all remember to make our contribution to the MILK DRIVE!

#### Pi Beta Chi—(S)

The fraternity has planned a dinner dance for May 7, to be held at the Mahoning Country Club. This event is in honor of the new members who were recently initiated and installed.

We also wish to congratulate all those who worked on the Junior Prom Committee for making it such a fine event.

Another sweater order is going in, soon so all of the members are urged to pay Ted and Bill a visit.

#### Phi Lambda Delta—(S)

The actives were entertained by the pledges last Tuesday night at the Women's City Club—and no coffee grounds and raw eggs, thank you!

Last Sunday the pledges and actives met at the home of Barbara McKinney for breakfast. A softball team, headed by Peggy Shook, was organized and began practice. Unfortunately, Lou Boudreau and Gene Bearden were unable to attend.

The last regular meeting of the pledges and actives was held at the home of Mary Alice Joyce. A meeting of the pledges and actives was held Thursday at school. Two events in the planning are a Mother and Daughter dessert-bridge, and a parent and date barn dance.

Tonight a joint party with Sigma Sigma is scheduled. During the second week in May the pledges will be formally installed.

#### Phi Gamma—(S)

In the spring everyone seems to be in a party spirit—witness the deluge of dances and joint parties scheduled. The Phi Gams are trying to keep up with everything but we seem to have reached the apex at a joint party with the Sigma Sigma Fraternity. We can't see how we can beat that one.

Our softball team doesn't seem to be able to win any games but we at least get a chance to wear our new T-Shirts.

The Phi Gams wish to extend a cordial welcome to the newest fraternity on the campus, Alpha Sigma Chi. We wish you the best of luck.

We will see you at the May Prom. Just check the white carnations in our lapels.

#### Gamma Sigma—(S)

Next on the agenda is the pledge party for the actives, still in a planning status. Pledges Patt Pickard, Mary Lou Delp, Lillian Salem, Jean Law, and Mary Hines will be installed as actives in two weeks.

The sorority extends its gratitude to everyone who helped make "Fashions on Review" such a fine success, especially Chas. Livingston & Sons, who planned the show.

#### Alpha Phi Omega—(S)

Claude F. Vasu, Youngstown College freshman, has been elected president of Alpha Phi Omega, national service fraternity, to succeed George B. Snyder III who has served as president for the past two terms. The new officers are Jack Crandall, vice-president; Wilbur Anderson, pledge-master; Robert Dailey, recording secretary; Alan Davies, corresponding secretary; Joseph Kanik, treasurer; Kenneth E. Johnson, historian, and Harris Edmonds, alumni secretary. Prof. Harold R. Crites was reelected senior faculty adviser.

The retiring officers, in addition to Snyder, are: Joseph Pennell, David W. Sinclair, Carl Sabo, Fred Pisani, and Abraham Walters. The new officers will conduct their first meeting on Monday evening, April 25, at the fraternity clubrooms, 120 E. Rayen Ave.

day evening, April 25, at the fraternity clubrooms, 120 E. Rayen Ave.

#### Sigma Kappa Phi—(NB)

Jack Ritter, 23 W. Salem St., Columbiana, has been elected president of the Youngstown College chapter of Sigma Kappa Phi, fraternity, to succeed George Honational business administration, the retiring president.

John Welker was elected vice-president, Stanley Wittenauer, secretary, Thomas Toot, treasurer and Myron Roh, governor for Gamma chapter.

F. E. McLaughlin and Danny Mirto were named as delegates to the national convention of the fraternity to be held in Columbus in May, with Jack Lawis named as alternate.

#### Alpha Iota

Alpha Iota held a dinner-theater party on April 19, at the V. F. W.'s Mural Room. Following the dinner, the actives were hostesses to Jean Fisher and Mrs. Jane Allen, of Sebring, O., sister of Mrs. Hilda Hanna, sorority adviser, at the Warner Theater.

Mildred Wadley has been chosen by the Phi Sigma Epsilon Fraternity to represent our chapter as candidate for Queen at the

Ohio State Conclave to be held in Cleveland on May 13, 14 and 15.

#### Alpha Sigma Chi—

Repeating a cooperative social venture which had proven successful when previously attempted in March, members of Alpha Sigma Chi joined with the members of Tau Kappa Nu sorority in presenting a barn dance at the Pioneer Pavilion, Wednesday evening, April 27, for the entertainment of their combined memberships. The evening of dancing to folk tunes was punctuated by the serving of refreshments.

#### Sigma Delta Beta

The pledge season is over and 11 more men have been made deliriously happy as they are to be Sig Deltas! They are: Tony (laughing boy) Fasline; Lyle Rogers; Leo (the Champ) Brooks; Tony DeAscentis; John Danus, Joe Arquilla; Frank Perone; Henry (Stinguh) Klenuewski; Charley Horlbeck; Henry Lepore; and Joe Gerek. These men held a Stag Spag affair for the active members at the Boardman Vets club on April 27. Stringy time was had by all (\* Below) Following the dinner, the men indulged in Mah Jong, Red Dog, and Quits. Brother Sheffield lost three cents.

What's your favorite tune? Could it be "Somehow" or is it "Comme Ci Comme Ca"? Might it be "Forever and Ever" or perhaps "Careless Hands"? Or maybe its something quite different.

If you would like to hear your favorite tune sung and played on WFMJ from 9 to 9:30 on Thursday, just drop your vote in the box at the bottom of the poster as you come in the front door.

"Three Fenders" Hageman had to leave early to reach Sharpsville by 5 a. m.

to balance a glass of vodka but it wouldn't fit in the hole in his head and as a result, friends have been sniffing at him as if he were the Face on the Barroom Floor for nigh on to ten days. Advisor for the fraternity, McKinley Browne, takes this opportunity to deliver his semi-annual address to his fraternity brothers: "Drop Dead!"

Father Arthur B. DeCrane, advisor of the YoCo Newman Club is the Chaplain of the Ohio Valley Province of Newman Clubs. He was elected at a Chaplains' meeting in Muncie, Indiana last December.

**YoCo Alumni Receive Art Awards at Iowa**

John Naberezny, Youngstown College graduate and now a student at Iowa State University graduate school, has been awarded first prize for a painting entered in the annual student salon, composed of the works of graduate students of the university. Naberezny had one painting and

three drawings accepted for the exhibit.

Marion Bertolini, another graduate of Youngstown College attending Iowa State University, had an oil painting accepted for the student salon. Both Bertolini and Naberezny entered graduate study at mid-year.

**Blue Baron Tunes Are Soft 'n Sweet**

"One of the youngest bandleaders ever in history to achieve top rating." That's what they are saying about Blue Barron who brings his famous "Music of Yesterday and Today" orchestra to the Idora Park Ballroom on May 13 for our May Prom.

And it's true! Blue was only 22 when his orchestra was rated as one of the foremost name bands in the country. His phenomenal success at such an early age was due in part to the distinctive styling of his music, which is soft and sweet and adaptable to all types of dancing.

At the peak of his success, the personable young maestro was called into the service of his country and has only recently exchanged his khaki uniform for his civies. During his absence, the Blue Barron orchestra carried on under the leadership of various members of the band with the guiding hand of Blue's sister, Claire.

At all times, the orchestra retained the distinctive Blue Barron styling which has been a big factor in the band's continued popularity at leading hotels, night clubs and theaters from coast to coast.

Now Blue Barron is back at the head of his brilliant group of musicians and entertainers. This news is welcome indeed to his friends and admirers everywhere

**Medical Officer of Vets Addresses Biologists**

Sidney Franklin, M.D., M.S.P.H., Chief Medical Officer of the local Veterans Administration and at present a second year law student at Youngstown College, addressed a group of biology seminar students Wednesday at Youngstown College. Dr. Franklin received his M.D. from the Yale Medical School and his M.S. in Public Health at Yale University.

Dr. Franklin's address was confined chiefly to Public Health service, the Veteran Administration's medical services and England's plan of socialized medicine.

He elaborated on the beginning and present expansion plans of public health centers, as well as their function and importance.

He explained the procedure used in accepting veterans for veteran hospitals.

Congratulations from the frat go to Ray Freisen for his competent and efficient management of the Bare Brunch.

Phi Sigs also congratulate Youngstown College on the opening and dedication of the new Strouss auditorium.

Money received from checking at the April Showers Dance was donated to the Youngstown College Library Fund.

**Council this Week . . .**

Bruce Mills, of the Debate Team, gave a talk on the activities of the debate team. He made a recommendation that Council increase the number of honor points for the debate team.

1. That Council increase the honor points to 3 per semester for all Varsity Debators that participate in 2 College debates.

2. That we allow additional points for each debator that debates, making a total of 5 points ticipates in at least 3/4 of all deper semester.

3. That the debate manager be allowed 2 additional points a semester as he spends a great deal of time in preparation for a debate.

Motion was made that we adopt the plan and passed.

The constitution of the "American Society for Metals" was submitted for approval. Council accepted and passed a motion that this organization be placed on probationary period.

The Constitution of "Shenango Valley YoCo Student Club" was submitted for approval by Council. Motion passed that we place this organization on probationary period.

Discussion on Student Handbook has been postponed until summer or fall in order that all information will be available then.

### What Goes with the ENGINEERS?

by John P. Barrett

Best you Engineers in the junior class tell your wives and sweethearts that you won't be available on the night of May 17th. You see, you'll be at the presentation of the senior theses. It's mandatory that you go. Rumor (unconfirmed) says that the engineering classes will be dismissed that night for the event. Don't count on that, but do count on being there. Watch the bulletin boards for further announcements.

#### Orange Blossoms for Smitty

From the local paper from Enid, Oklahoma, we learn that Mr. T. C. Smith is to marry Miss Marjorie Matson this coming summer. Miss Matson is on the music faculty at Phillips University in Enid. Glad to hear it, Smitty. And may we wish you the best of everything. If you put as much effort into making a success of your marriage as you put into your classes, you can't miss.

We notice too that Mr. Oyen has turned in his registration and will not be with us this fall. Sorry to see you go, Mr. Oyen, but we know you'll make out O.K. wherever you go.

#### Mu Pi Epsilon Goes Visiting

On April the 28th, Mu Pi Epsilon's members cut all their classes and took off to the Irvin Works of the Carnegie-Illinois Steel Corp. down near Pittsburgh. The most striking thing about the whole place was its cleanliness. That's hard to believe about any steel processing mill (especially after visiting the mills in Youngstown), but it's so. From one end of the mill to the other, emphasis is placed on cleanliness and safety. It's really an example to any management group thinking of setting up a plant. The boys visited the preheating furnaces, the sheet finishing division, machine shop, and the electrolytic tin plating line. eW note, in passing, that the walls of the machine shop are finished in two-tone light green. What a place to work. The most interesting thing in the whole mill was the tin plating line. There, they plate sheet steel with tin, in a continuous strip, moving at a rate of 580 feet per minute. All in all, the trip was most instructive and interesting. May all the boys, once again, thank Mr. Thomas Brown of Carnegie for his help in arranging the trip. For Mr. Brown, there's nothing to be gained by giving us all this help, but he does it anyhow. That's just Mr. Brown's way of doing things.

#### A. S. M. Movies

Bo Stevens, president of the American Society for Metals affiliate at YoCo tells me that at their regular meeting on May 12, they'll show movies, and as is their custom, they'll show the movies the next day at the Engineering Building. The titles are: "This is Magnesium — Treasure from the Sea", "This is Aluminum", and "Aluminum — Fabricating Processes". These films are put out by Dow Chemical Co., and the United States Bureau of Mines. It would be well worth your while to make it a point to see these movies.

### Spring Practice Scheduled May 16

The Youngstown College Penguins 1949 spring football practice will begin Monday, May 16. Coach "Dike" Beede hopes to get an early look at his squad in preparation for one of the toughest football schedules YoCo has ever faced. Coach Beede plans on holding the fall training sessions at Camp Fitch, as has been the custom for the past several years. Anyone interested in trying out for the football team is asked to obtain equipment from the athletic office before 4 p. m., May 16. The bus will leave the campus for the practice field at that time.

### YoCo 9 - Akron U. 6

by Rudy Braydich

Paul Andrich and Mike Magula combined their hurling talents to limit the Akron U. baseballers to seven hits as the Penguins defeated the Akron nine, 9-6. Magula got credit for the victory, his second in a row this season. Mike's superb relief pitching and timely hitting were instrumental in downing the visitors. Magula collected two triples in as many times at bat, driving in two runs in the eighth. Al Campana help the cause along with two nicely placed hits. Cal Moore, who went the distance for the losers, fanned 10 Youngstown batsmen.

### RELAXING with the WAXINGS . . .

by Harry Meshel

Nothing more appropriate with which to begin this issue than a disc by the highly competent SARAH VAUGHAN. Now that she's on Columbia we'll be hearing more and better recordings. One of the latest is AS YOU DESIRE ME, a fairly fine piece of wax. The flippo, BLACK COFFEE, keeps you awake, too.

The girls in the Business Office are raving 'bout FRANK WARREN on WHAT'S MY NAME, and rightly so. This chick is undoubtedly one of the greatest. Another platter which caught their attention is the BULL MOOSE JACKSON waxing of ALL MY LOVE BELONGS TO YOU.

Got some unexpected kicks last week when I caught glib 'BBW jock JACK CLIFTON ("Of the J. C. variety") coverin' this column on his "300 Club" program. Real plug, man. One of the discs spun by Jack was BILL HARRIS' HOW HIGH THE MOON. Harris waxes eloquently (no pun) and weaves some intricate musical patterns throughout. Another waxwork needed on the program was BILL ECKSTINE'S current hit, SOMEHOW. Billy did the same tune years ago with Fatha' Hines. The only thing proved by this deed is that Billy is greater than ever.

A belated "three cheers" to our own BETTY DI MENO for recent successes.

**NEW BAND DEPT.: VIDO MUSO** with a 13 piece band.  
**HUMOR:** Reports have been heard that even GUY LOMBARDO will hit the concert road this spring. Wow

One of the finest pop pianists in the field is LENNIE TRISTANO. He and his combo of stars have cut SUBCONSCIOUS—LEE and JUDY. Two brilliant sides are these. Two of the boys who did a marvelous job on the pair are ex-Thornhill man, Lee Konitz, alto and Billy Bauer, guitar.

Last but not lesser in importance are two groovings by the Happy Monster, CHUBBY JACK.

SON with his big band. ALL WRONG, written by Chubby, is all right! and GODCHILD, are the tunes. Pick up on 'em. See ya' later.

### P. P. Buchanan Attends National Convention

P. P. Buchanan, registrar of the College, attended the annual convention of the National Association of Collegiate Registrars in session last week at the Neil House in Columbus. George F. Zook, president of the American Council on Education, as main speaker of the convention will discuss the report of the President's Commission on Higher Education.

Various topics listed in the program include the place of the registrar in college administration, public relations, machine equipment in registrations, counseling, office procedures, records and their uses.

TENNIS SCHEDULE

Here is the tennis schedule for the first two weeks in May. A intra-mural matches will be played at Volney Rogers tennis courts.

Tennis Varsity Takes 18th Game in Row

Leo Mason Guides '49 Team to Victory in First Four Tilts

After copping opening matches with Fenn, 6-1, Waynesburg, 6-3, and John Carroll, 5-2, the Youngstown College Tennis team extended their streak of victories to eighteen by defeating a strong Kent squad.

Under the expert instruction of Leo Mason, who shares coaching duties with Dr. R. A. Beard, the team swept the entire '48 schedule, establishing a perfect record of 14 wins.

Golfers Win Two, Tie One

The Penguin golf team has captured two victories while playing one tie in their three matches to date.

Three Prokop brothers are on the YoCo team and all are outstanding golfers. Alex Kostyshak is the fourth member of the team and he offers the Prokop trio valuable assistance on the links.

George Prokop has looked outstanding in the matches so far this year with Pete Prokop still to hit his stride. Kostyshak has displayed his usual consistent game and can be counted upon to bring down his score as the season progresses.

Magula Scatters Five Hits To Win Penguin Opener

Youngstown College baseballers defeated Penn College in the season inaugural, 4-3, at Evans Field April 22. The YoCo nine was held to three hits but clutch-hitting by Homsey, Tabachino, and Frank Kawalczyk spoiled the day for the Clevelanders.

Scufflers Lead Softball League; Win 6 Straight

by Jim Mahoney

The Scufflers have taken an early lead in the National Division of the intra-mural softball league. Leading their division by 1 1/2 games with a perfect slate of 6 wins and no losses, the Scufflers are the favorite to capture the National Division title as league play reaches the halfway mark.

In the American Division, the title race is as tight as an Irishman on Saturday night. Three teams, Tapa Kega Beer, Busters, and Nu Sigma Rho, are sharing first place honors.

Table with columns for Division, Team, Won, Lost, and Standings.

Theil Drops Yoco 11-6

Theil College defeated Youngstown College 11-6 at Greenville, Pa. April 28. The loss was the Penguins' first in three starts.

### Gessner Pres. Elected

William L. Boyer has been elected president of the Gessner Law Club of the Youngstown College School of Law. Boyer, who is employed at the Van Huffel Tube Corp. of Warren, succeeds Loren Van Brocklin, retiring president.

Carl J. Rosapape was named vice president and John T. Gessner was elected secretary-treasurer.

### Intra-Mural Golf Tournament Planned

Dom Roselli, intra-mural sports director, announced plans for an intra-mural elimination golf tournament. Match play for tournament honors will begin Wednesday, May 11. Anyone except varsity golf players is eligible to enter. All those wishing to take part are asked to sign up at the Athletic Office on May 9, or 10. Entry deadline is Tuesday, May 10.
