Drama Guild Presents 'Importance'

Performances Tonight, Sat., Wind up Wilde's Victorian Age Satire

by Jerry Williams
College dramatists poke fun at Victorian manners this week as members of the Youngstown College Drama Guild present Oscar Wilde's clever satire, "The Importance of Being Earnest."

The play, a three-act comedy of exaggerated motions, manners, and accents, is being staged in Strouss Memorial Auditorium tonight and Saturday night with the curtain rising for evening performances at 8:30. Weeks of rehearsing, polishing, and reshaping have been put into the production to insure its attaining a warm reception from its audiences. The play opened Thursday, March 23.

Foley, Tamburro Directing
Directed by Prof. Will Foley and student director, Don Tamburro, the play centers around Mr. Jack Worthing who invents a brother, Earnest, a youth of reputed wildness, as a means of escaping from his usual social surroundings. Worthing's ward, Cecily, has formed a strong romantic attachment for this hypothetical chap, so when Worthing's friend, Algernon, introduces himself to her in the character of the wayward Earnest, developments arise which result in a very complicated farce.

The cast includes Wilson Hamilton, Millard Biggs, Eleanor Lehn, Margarita Lopez, Marjorie Pope, Louis Mahar, Carole Anderson, Harold Brooks, and Danny Nunamaker. Price of admission is \$1.00, but student admission is 50c plus activity books.

Marjorie Brimmer Gets Jones Award

Mrs. Marjorie Brimmer has been awarded the President Jones scholarship for the 1949-50 school year.

Mrs. Brimmer is a junior majoring in elementary education and is a member of E. T. P. C. She is currently doing student teaching at Warren Harding school. A member of Sigma Alpha Iota honorary music fraternity, she has previously studied for three years at the Dana School of Music.

The annual tuition scholarship is granted by Dr. and Mrs. Jones to the one recommended by a faculty committee as the worthiest YoCo student. Joseph Ezzo, an engineering major, received the award last year.

The photographer got this shot during one of the moments when the whole cast of "The Importance of Being Earnest" is on stage. The performers are, left to right, Millard Biggs, Eleanor Lehn, Wilson Hamilton, Lou Mahar, Carol Anderson, Harry Brooks, Marge Pope, Danny Nunamaker, Margarita Lopez.

Sig Delts Sponsor Men's Style Show

Who says that only women follow the ever-changing fashions? Well, they aren't the only ones, and to prove it Sigma Delta Beta Fraternity is planning a men's style show to be held March 30 at 8:30 p. m.

Yep, the tables are turned (to borrow a rather trite phrase) and the battle of the sexes is on (again). But just to prove (as was said before) that everyone enjoys viewing the new styles, the Gamma Sigs will model the feminine (Continued on Page 2)

Wolter Rejoins Navy; Ed Kinney Takes Post

Dick Wolter, sports editor since January, resigned his post, and the position left open was assigned to Ed Kinney. Wolter, previously an ex-pharmacist mate, has taken up his chores with the Navy again. He was an English major, and was in his Junior year here at YoCo.

Dick Wolter Ed Kinney is a Physical Ed. major, and has also been football manager here for the past several seasons. Also a Junior, Kinney is a former East high student.

WIN FREE NEONS

Free Neons will be awarded to four students selected in a recent drawing by the Library Drive Steering Committee in connection with the Library Drive. The students selected in the drawing are Joseph Duich, Iva Miller, Alvin Kyle and Dick Hannis.

BLOOD DONORS NEEDED

Robert Ferreri, a Youngstown College student, is ill in St. Elizabeth's Hospital. He needs blood for the hospital blood bank to replace that used during his illness. Anyone interested in donating blood should contact the hospital or call Mrs. Ferreri at 2-5316.

Surprises To Mark '50 "Jester's Ball"

by Joseph Pennell
There's a gay, mirth-provoking evening awaiting you when you attend the "Jesters Ball" at the Elms Ballroom on Friday, March 31. Jimmy Malone's orchestra will play a scintillating style of music reminiscent of the late Glen Miller.

All Entertainment will be in the theme of "Jest". Folks are still talking about last year's "Ball", (Continued on Page 8)

McLaughlin Is Chosen Junior Prom Chairman

James McLaughlin, Kappa Sigma Kappa vice-president, has been chosen chairman of the Junior Prom, Jody De-Genaro, social chairman of Student Council, announced recently. McLaughlin, a junior, in electrical engineering.

A Council-sponsored affair, the dance has been set for April 14, at Idora Park. Decorations will follow a spring theme. Applications for the May Prom and Bare Brunch will be accepted until 3 p. m., Friday, March 24.

Cancel Need for Long Campaign; Grant Helps to Attain Student Goal

Student-Faculty Financial Committee Ratifies Donation to Building Fund

The Student Library Drive goal of \$7,500 was reached recently, when a special contribution of \$4,500 was approved by the Student-Faculty Finance Committee. The drive had been originally intended to continue throughout four semesters.

It had been supplemented earlier by the proceeds of the "Yocohooy" variety show. The latest addition makes any future student solicitation unnecessary. A local store has offered to raise, by 10%, any amount collected on the campus by April 1.

Faculty Members In "Who's Who"

The 1950 edition of "Who's Who" added five members of the Youngstown College faculty to its list. Dean William H. Miller of the Dana School of Music, Dean L. A. Deesz of the Engineering School, Dr. Clair Worley, head of the biology department, Dr. L. T. Richardson of the foreign language division, and Professor Karl W. Dykema, head of the division of Literature and foreign languages are the recent additions.

Besides the new listings, the faculty is represented by five other campus figures, President Howard W. Jones, Dr. G. M. Wilcox of the education department, Dr. O. L. Reid, Dr. C. P. Gould, head of the history department, and Raymond L. Falls, dean of the Youngstown College School of Law have been named again in the list.

The finance committee okayed the appropriation of \$2,500 of the money from the special projects budget of the current Student Activity Fund. The remaining \$2,000 was pledged from the projects fund of the '50 fall term. An entire room or some other memorial symbol will commemorate all student contributions.

Judges Picked For College Art Exhibit

William Faddis and Karl Richards have been chosen as judges to select the art work which will appear in the 1950 Youngstown College Art Show. The Show will open March 31 at the Butler Art Gallery.

Faddis is a member of the Westminster College Faculty, and Richards is from Bowling Green University. Both are artists and instructors.

A meeting is scheduled for 8:00 p. m. on opening night, when the judges will discuss the art works chosen for the exhibit.

Ernestine Mouser, 'Backstage Cat'

by Bette Savage
Everyone's heard of "Mary Noble, Backstage Wife", but have you heard of YoCo's own "Ernestine Mouser, Backstage Cat"?

Where she came from, she wouldn't tell, but apparently she's quite contented where she is. It's no dog's life, and that's for sure. Ernestine wakes up each morning in her cracker box boudoir and waits patiently for her servant of the day to bring a breakfast of warm milk and eggs. She never can be quite sure who it will be, though, because the kids are assigned to shifts. Her day includes a quiet stroll through the flats, upstage, downstage, and climaxes in one glorious leap to the bridge. But Ernestine will soon have to stop her athletic escapades because — she's delicately hinted — soon there'll be a little family of backstage cats. Rumor has it there are pretty good odds on the number and sex of the kittens; but Ernestine, smiling, just won't tell.

Ernestine the cat nestles in the arms of Carol Anderson. Some cats have all the luck.

WHAT DO YOU THINK OF THE PROPOSED SYSTEM OF STUDENT REPRESENTATION IN STUDENT COUNCIL?

E. L. SCHERER— Fr. Would Prevent Monopoly

A distribution of Student Council seats according to schools should provide a more equal representation of the full-time students. Every council member will represent approximately the same number of students. Each one will have earned his seat by obtaining voted support from his classmates.

The new system would also provide protection from any possible continuing monopoly. The actions of the majority would be up for the approval of the voters at the end of each semester.

TOM KENNEDY— Jr. Fairer To All

The advantages of proportional representation from the various major departments here at Yo-Co has been a popular topic for discussion among music students for quite some time.

We music students would like to have a voice in council. Under the present system, however, Dana often has had no representation whatsoever. The other small departments probably experience the same thing. I am definitely in favor of selecting council members from the different schools. With a few minor adjustments, the new system should prove very satisfactory.

HARRY JOYCE— Soph. Leave It Alone

The change in council election methods to proportional representation of the various schools, in my opinion, would not alter the political set-up at all. At present, the Independents hold a two-vote majority among the student representatives. The proposed plan would only strengthen the control that this group now has over student activities and funds. The current system is much fairer.

There are now 24 members in Student Council. I think that the main purpose of the proposed change is to reduce this number to 19. Council has been functioning as a very good unit for a long while with 24 members. I think that this is as wily a number as 19 and that council should be left as it is.

RAY KYLE— Fr. More Efficient

I think that Student Council would be much more efficient under the new system. It's direct responsibility to the voters would prevent any wasted time, money, or effort.

Also, the new system of elections should cause an increased interest in Council. There would be more public campaigning, and more student discussion. Everything would be out in the open. The greater interest in college affairs would better the reputation of the entire school.

JODY DE GENARO— Jr. It's Ideal; But

The newly proposed plan for equal representation in Student Council seems ideal. Some form of it is found on almost every "campus college" in the country. But let's keep our feet on the ground and face the facts.

All we need on our campus is an increase in student interest (School Spirit). The new plan does not make any provision or guarantee for creating this much needed little item. The special Committee spent a good deal of time in setting-up the new system, but they were so busy making sure that no single group could obtain control, that they forgot all about that little item—"School Spirit!"

It would be a shame to lose the present system, because with it, school spirit can be created very rapidly. In Council now, we have every social organization represented as well as students from every school of the campus. These are the essential elements which (and I quote the Jambar) "create much more student interest in council programs." Regardless of which plan we adopt, the student body, with the help of the Administration, can make it a success.

FRED WILLIAMS— Soph. Not Good Enough

Our Student Council constitution does not provide for adequate representation and should be changed.

But does this proposed plan provide the optimum? It is entirely possible under the proposed system, for complete Independent or Greek control of council (which ever could command the best political machine). Elections would be bitter and the "Spoils System" would surely evolve. Student government would be always one-sided. Is this what we want?

I think a new, more feasible plan should be considered.

Men's Fashion Show

(Continued from Page 1)

fashions while the Sig Deltas sport the masculine attire. In addition to the models... Johnny Sincok will entertain (maybe make like Betty Hutton), Bob Filipis will mystify the public with his magic act, Del Castle will have a dance display, and there will be vocals by Wealthy Bush and Pete Lukashik.

So, anyone who likes smart dresses (or sharp suits) or good-looking ties (or good-looking girls) should buy a ticket (they're only twenty-five cents) from a Sig Delt and hurry on down to our auditorium for something new and different. Remember now, the date is the 30th so don't buy your Easter outfit before the 31st... Congratulations to all the Sig Deltas and Gamma Sigs who cooperated with McKinley Browne in working out this clever idea.

1951 Graduates

Everyone planning to graduate during 1951 is requested to fill out an application for graduation and turn it in to Miss Patterson at the Main Office.

Looking Around...

by LULU and FARMER

We've been plugging this here spring kick for the last several issues, and now it's official. It's rather hard to talk about the weather, because it's so changeable. But we've got to talk about something! Here's a poem that ten out of every nine people that read this column will have heard before, but we're going to print it anyhow.

Spring has sprung
 The grass is riz
 I wonder where
 The birdies is?

(There is another verse to this poem but we can't remember it. The lucky person who can finish it will be awarded a free issue of the Jambar for the next 2000 years!)

KENTON

Would like to be writing that "Sharps and Flats" column this issue. We didn't agree with RAY GENTILE'S criticism of "Solitaire". We realize it's all opinion, but Milt Bernhart did a fine job on that side. We've acquired first-hand impressions of Stan Kenton's concert. Picked up a lesson in psychology that no college book contains. Stan has combined the fields of music and psychology to great advantage. He features a trumpet player that starts at high "C" and goes up. If you want our advice, we'd tell you to park yourself on the steps of the Stambaugh Auditorium now.

"T V"

While we were in Cleveland we caught LEO MULLER in his television debut at station WEWS. Half of Youngstown College and all of Struthers were strung out all over town at any bar that featured television for this occasion. The gang at Mogus' practically went mad when the set gave out for a few seconds before the show. Leo, and his dancing partner BOB HORVATH, were given quite a build-up when they were introduced, but anyone who saw them dance knows they lived up to it... To prove that Looking Around wasn't sleeping, we saw JIM MADDIGAN at the Kenton Concert.

STRIKE!

Last weekend Yoco's coeds traveled to Cincinnati for an interscholastic sport day. Miss LA BORDE herded her charges into a bus and took off for parts west. Well on their way, they realized they'd forgotten part of their equipment—basketballs, yet! So the bus driver shifted into reverse and back they came. They made out pretty well, too. The bowlers placed first. With JOYCE WEBB piling up the score, it's understandable. ("GUS" CONKLIN, please take note.)

FASHION PLATES

Speaking of clothes, we can't wait to see the Sig-Delt fashion show. We can just see them practicing now — "All right now, gir — I mean boys, the first thing is to remember you're trying to sell the clothes, not yourselves." — Whoops!

Seriously, tho, it should prove to be interesting. We'll nominate BRUNO "FASHION PLATE" DE MOLI and MIKE "ESQUIRE" STETTS as the ideal models. (We're sending a wire to Louella to get her opinion.)

We've had several requests for a plug for the Sunday afternoon jam sessions at the Sphinx Club in Warren. The valley's best musicians put on a great show... DICK HEALY, MELVIN WANZO, PAUL MACEJKO, and several others. The smaller half of the Nip and Tuck combination shows the peasants how to dance Yoco style.

The name of the college cafeteria has legally been changed from the "Sapphire Room" to the "Shamrock"... not to be confused with a well-known south-side dairy.

We've seen all our old classmates during the spring vacation. PAUL BURKE and JOE NAGEL are haunting all their old haunts. We expect to greet DONNA VOSS this weekend, too. Welcome back, comrades.

AN APPLE A DAY

...We really feel sorry for the poor high school kids — especially since the student (pseudo) teachers have taken over! BOB RAY has been indoctrinating the poor freshmen at Rayen in the field of math. He has finally found someone that will listen to his jokes. (Rule one — laugh at the teacher's jokes.)

RUTH HENDERSON is terrorizing Rayen students; PAT PENNOCK is being terrorized by South High Students; and IRENE "Miss America" CORRADO is being exposed to the trials and tribulations of a teacher at Wilson. Be brave, kids.

THREE CHEERS

Looking Around congratulates BETTE SAVAGE and JIM LOWERY for copping the titles of Mr. and Miss Popularity of 1950! We think that YoCo's students made a wise choice in this poll.

Since we feel it our duty to keep you posted on all social events, we'll remind you that the A-Phi-O's are throwing the Jester's Ball again this year. They guarantee a lot of fun and laughs for everyone. It will be the day before April Fool's Day so we want to see all you fellow fools there. Till then...

The Battle of the Books...

Picture this if you can—a brand new library filled with beautiful untouched books. Untouchable? Well not if you want to stand in the half-mile line around the building.

The above description is NOT a fantasy. It is a definite possibility. The innumerable instances of books, pamphlets and stolen pages from the college library is NOW an imposing problem. Plans for a closed-shelf plan are being seriously considered for the new library. Under this kind of system, no one would be allowed to choose his own book. A catalogue card would be given to a page who would then select the book. No browsing or "nosing around" would be tolerated. Impractical? Yes, but also very necessary IF YoCo students continue in their pilfering methods.

Not only are the selfish individuals who rip the pages from books or take the entire book—never to return it—cheating their classmates, but they are unwittingly narrowing their own field of reference. The library can buy only so many books with any given amount of money. When a large part of it is spent on replacing stolen or damaged books, very few new editions can be purchased.

The students of YoCo should decide right now whether they want to have fun now and suffer later, or abide by the rules and benefit in the long run.

Council Investigates...

In their last meeting Student Council ordered Treasurer Joe Donegan to conduct an investigation. The object of his search was to be the girls' intramural appropriation. The cause of the search seemed to be the indiscriminately angry attitude of some of the members of that august body.

In his original presentation of the budget, Donegan did one of the finest jobs seen in that department in recent years. At the time, there were no questions about the intramural fund. Now, suddenly, some of the student representatives aren't sure what's going on. Naturally though, they couldn't be expected to ask their questions at the proper time. It's probably more fun, and at least more notorious, to imply that the Treasurer didn't do his job. More than one person has ridden to fame by demanding an investigation... of something.

In the future, perhaps the guardians of the right will check their facts, and the source of their facts, a little more closely.

Letter to the Editor ---

In the last issue there appeared a very clever article entitled "School Spirit... You Betcha". The author certainly chose a good target when he accused the vets with contributing least to the school spirit. The vets bear the brunt of many of the ill-will issues of the day, so why make this an exception?

I'm afraid, though, that the rub does not lie within the realm of the veterans, nor the so-called traitors who don't wear their dirty saddle shoes, nor even the long haired music lovers. Put the spotlight on the school itself!

Just why we have not had an assembly of some type in progress before now is certainly beyond me. Surely, with the extraordinary abundance of mentally talented representatives in council, a halfway decent arrangement could have been made possible. Perhaps the ardent backing of the entire student body might induce the council to start some measures toward this end.

Gloria Netto, Sophomore

Whether or not such an assembly plan would have any effect on school spirit, a public airing of student activities, elections or otherwise, would be a healthy move.

Ed.

STUDENT COUNCIL NOTES

MOTION THAT new regulations on posters, cafeteria card-playing, and hall noise proposed by the Discipline Committee be approved passed.

JAMES K. McLAUGHLIN was appointed as the chairman of the Junior Prom.

MOTION THAT the treasurer of Student Council investigate and report on the women's Intramural Fund passed.

MOTION THAT Council appropriate money for prizes at the college art show at the Butler Art Institute defeated.

MOTION THAT Council present non-cash awards to four winners in the college art show. The type of award is to be determined by a three-man Council committee.

What Goes with the Engineers?

by Jim McLaughlin

As we all know, Mr. John P. Barrett has been writing this column for all the eight or ten years that he's been studying engineering, so I don't expect to be able to turn in the same calibre of journalism, at least for awhile. I'd like to thank John for the good wishes and repeat his hope that both students and professors will cut me in on the scoop when the scoop exists.

My first news item concerns our dean. He was notified lately that he has been listed in "Who's Who". He's on the same page as de Gasperi, Prime Minister of Italy. Interesting excerpts: born in Denver, Colorado, May 22, 1888; attended Colorado College, 1907-1911, graduated with B. S.; received E. E. from Carnegie Tech in 1936; was consulting engineer for Freyn Eng. Co., Moscow, and Superpower Plants, Siberia, U. S. S. R., '30-'33. He became a night prof here in 1938, Dean of Night College in 1940 and Dean of William Rayen School of Engineering in 1942.

Mu Pi Epsilon, honorary frat for mathematics, physics, and engineering students, took in six new members this semester. Those 2.0 averages are hard to get. The new members are: Robert L. Brown, Howard Knight, Joseph Davis, Jr., Raymond Owoc, Frank J. Stigliano, and C. F. Whitehill.

Exhibit Disappointing
A good number of engineers attended the 2nd annual Industrial Exposition and most of us were

disappointed to a degree. The Bell Telephone System had a show which would have been very interesting, except that few people could understand the waves, frequency, and cavity resonance involved. The displays downstairs were very interesting, but many of them, also, needed explanations which would have been extremely hard tasks, except to a select audience, such as the student engineers of YoCo.

A favorite remark among sophomores and juniors in the eng. school is "Remember that; it would make a good thesis." It will prove interesting to investigate some of the projects now in progress by some of the seniors. If we start thinking about our theses far enough in advance, the actual writing would be somewhat simplified. I'm going to try to report next time on some of those theses which are now under way.

In closing, I'd like to repeat a question asked me by Ed Komp: "What is the dome directly above the dean's office for?"

IN PAN HELLENIC COUNCIL

- Pan Hellenic Council voted to add the following by-laws to the constitution:
- No Greek organization shall schedule a rush party for the same date as another Greek organization.
- Rush Season shall begin on Monday of the fifth week of the semester and shall end on Sunday night of the ninth week. Sunday is considered the first day of the week.
- These by-laws shall become effective next semester.
- Rushees are to place their bid answers in a box which will be installed for that purpose in the main office. The box will be placed in the office at 8:00 a.m. and remain there until 3:00 p.m. It will be opened in the presence of one member of each organization.
- Pan Hellenic Council sponsored a party last Tuesday at the YMCA. The purpose of the party was to award the Interfraternity Basketball Trophy to Nu Sigma Rho, the league champions.

"Showers" Dance Set For April 28th

The annual April Showers dance will be presented Friday, April 28, at the Nu-Elms Ballroom. Informal dancing to the music of Jim Malone and his orchestra will continue from 9 'til 1.

The dance is sponsored by Phi Sigma Epsilon Fraternity. Chairman Vince Lepore announced that tickets (\$1.00 per head) may be obtained from any member of the frat.

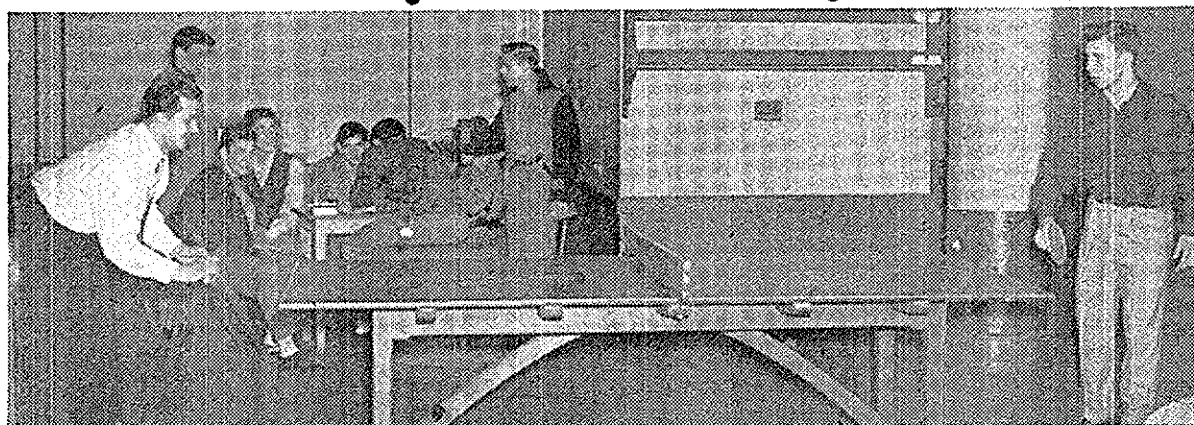

College Grad is Licensed

A mechanical engineer's license has been granted to Anthony Gambrel, a recent Youngstown College graduate. The license was okayed by the State Board of Registration of Professional Engineers.

Gambrel was an Army Air Corps Engineer in the last war,

and while at college was a member of the Sigma Delta Beta fraternity.

Student Center Ping Pong Tournament Opens Early in April: Registration by Singles and Doubles Participants Is Requested

Bellen Peretic and Don Medland engage in a fast flurry during one of the hot ping-pong contests that typify competition at the YMCA Student Center.

Excitement has been mounting among frequenters of the YMCA Student Center over rumors of a new ping pong tournament. Spectators have been oiling the swivels on their necks, and the more athletic students have been loosening their swinging arms in preparation for the contest.

Rumor gave way to fact today when YMCA secretary, Eloise Rosenquist announced March 24-29 as the dates for registration for the competition. All interested students are asked to register with Miss Rosenquist at the Student Center between these dates in order that competition may be divided into singles, doubles, and mixed doubles. As an added incentive, trophies have been donated by Student Council to be given to the winners in each of the three divisions.

"The tournament is open to women, too," said Miss Rosenquist. "We don't have many women at the Center as a rule, but they are always welcome."

Spectators are invited to watch tournament play, and a large crowd is anticipated. Students are coming to realize that a ping pong tournament can have all the excitement of a wild hockey game, and requires the grace and skill of an expert fencer.

Dates for competitive play will be announced as soon as registration has been completed.

Recollection Day Heads April 7 Is Deadline Newman Club Schedule For Yearbook Sales

At the last Newman Club meeting held March 19, at the Catholic Action Center, plans were completed for the club's annual Day of Recollection to be held Sunday, March 26, at Ursuline High School.

Confessions will start at 8 a.m. followed by Solemn High Mass at 9 a.m. Discussion and prayer will follow the breakfast in the Ursuline cafeteria. At 8 p.m., those making the retreat will see the "Passion Play" at Rayen High School Auditorium. The play is being presented by Father Ralph Frederick and his Hubbard players.

Retreat tickets are \$1.50 and tickets for the "Passion Play" are \$1.00. Both may be purchased in Father DeCrane's office Annex 1, room 25.

College Announces Enrollment Figures

Total enrollment excluding the Business and Law Schools has reached 3994; it was announced recently. This figure includes both full and part-time students.

The men still outnumber the coeds by a 5-1 margin. Male enrollment figures were reported to be 3325, while women students represented 669 of the total. 2259 were veterans studying under the G.I. Bill.

April 7 Is Deadline For Yearbook Sales

Neon editor George Snyder has announced that no \$3.50 yearbook subscriptions will be accepted after April 7. Until then the 15th Anniversary Neon may be purchased from the salesmen in the hall, from members of the staff,

or at the Neon Office above the cafeteria.

Snyder reported that he would welcome more responses to his request for applications for the 1951 Neon Staff. He is planning to have the next editor begin working before the important events of the semester are completed.

DONEGAL FITZHUGH

THE SPORTS SHIRT THAT Fits You!

MADE IN YOUR OWN SIZE!

EXACT COLLAR SIZES AND SLEEVE LENGTHS

Here's the famous Donegal Fitzhugh Sports Shirt in a brand new rayon fabric that is completely washable, shrinkage controlled and color fast. With or without a tie, it's equally correct for dress, business or your favorite sport. The Fitzhugh comes in your own individual measurements and the body of the shirt is proportioned accordingly. Collar sizes from 14 to 18, sleeve lengths from 32 to 35. Complete selection of new fall colors.

With the Greeks . . .

by BARBARA FLINT

Code: Social (S); Honorary (H); National (N); Business (B)

PHI SIGMA EPSILON—(S)

The Founder's Day Banquet was held recently at Raver's Tavern. Judge Clifford Woodside gave a very interesting talk, and Advisor Karl Benkner was given a useful token gift.

Honorary member Dr. Howard Jones was among the many brothers who enjoyed the judge's talk. Our thanks to the active and alumni who added to the celebration and to Gene Barko for directing the dinner.

Two successful rush parties have been thrown so far. Almost everyone has recovered from the coffee served at the breakfast out at the Bears' Club. Saturday night is our joint rush party with the Alpha Deltas. The mixer winds up Rushing Season. We hope everyone has enjoyed our little get-togethers.

Next on the agenda is the Phi Sigs' April Showers Dance, April 28. Vince Lepore and his committee are hustling to make it a big affair.

SIGMA DELTA BETA—(S)

The men's fashion show will be March 30, at 8:30 p.m. Price of admission is twenty-five cents.

Al Yurko was chairman for the first rush party at the V. F. W. in Struthers. President Jack Russell and Treasurer Dick Morrison spoke. Entertainment was provided by Bob Philips and Joe Arquilla. The second party was a joint rush party with Gamma Sigma Sorority at the American Legion Hall in Struthers. Tom Lynch, Tom Manche and Lyall Rodgers are taking square dance lessons in preparation for the next party.

NU SIGMA RHO—(S)

Congratulations to Bette Savage and Jimmy Lowery, most popular girl and man at YoCo. The frat is very proud of Jimmy, their Vice-president.

A joint party with Tau Kappa Nu sorority was held recently. A rush party is planned for Friday night, March 24. Frat pins should be in before the semester's end.

PHI EPSILON—(H)

The semi-annual installation banquet of the Phi Epsilon chemistry honorary was held Saturday evening, March 18, at the Astoria Cafe in Warren. The new members admitted were John Moteff, Robert De Witt, Ted Kaszubowski, Fred Klem, George Potor and Donald Ashmus. Congratulations to the incoming pledges were extended by Mr. Paul C. Luginbill, of the chemistry faculty. The program was arranged by Sam Tochtenhagen and his committee and the initiation proceedings were handled by Joseph Ceryan.

Titus Weaver, chief chemist at the Ohio Leather Works, showed films on synthetic rubber and on the operation of his factory. Mr. Weaver also spoke entertainingly on the underlying principles of the tanning of leather.

PI BETA CHI—(S)

Technicolor movies of a YoCo football game were featured at a rush party at the home of President Harry Schwab. Joseph Kulfay and Harry Schwab planned the affair.

Congratulations to Donald Fishu for the recent addition to his family. Best wishes to Russell Behme who took the big step—matrimony, that is.

All students attention! Don't forget the big dance May 5. It's a stag or drag affair. More details later.

The frat is very proud of their high point average which topped that or any other social fraternity.

PHI LAMBDA DELTA—(S)

Congratulations to Jimmy Lowery and sorority sister Bette Savage, winners of the popularity poll.

The second rush party was a joint cabaret-style party with the Phi Gams at the Bears Club.

A dinner for rushees and actives will be held Sunday night at the Parkview in Canfield.

Joan Parrot was hostess at the meeting last Tuesday night.

ALPHA THETA DELTA—(S)

Rush season has arrived and the Alpha Deltas began their activities by holding a tea at Shady Lawn Tea Room, Sunday, March 12, for their rushees, alumnae, and actives. A pleasant surprise was the appearance of the Woodside sisters who have just returned from Florida. The next "Rush" was a "blue jean" party at the Log Cabin.

Congratulations to Barbara Taylor who was chosen the first JAMBAR Sweetheart. A special "thank you" to the Phi Sigs from Marge Grimsley for the lovely gift given her by that frat.

GAMMA SIGMA—(S)

A joint rush party was held last Thursday with the Sigma Delta Beta Fraternity. It was a combination square dance and box social. Oscar Pannier was the caller.

Congratulations to Bette Savage and Jimmy Lowery for being chosen Mr. and Miss Popularity . . . Orchids to Phyllis Galose for her wonderful performance with the "pop" concert, Sat. night.

Jean Law, Lillian Salem and Evelyn Downie enjoyed a weekend in Cincinnati, participating in an interscholastic Play Day.

The next meeting will be at Carol Anderson's, Monday, March 27.

Our next rush party will be a dinner at Raver's on Thursday, March 23. Margaret Vasu is chairman of this party.

KAPPA ALPHA PSI—(S)

The Kappa basketball team will play the Cleveland Omegas Saturday at 7:30 p.m. at the West Federal YMCA.

The "rush" week for pledges will be April 2-8, and initiation will take place April 29. Scrollers to be initiated into Beta Pi Chapter are William McElroy, Arthur McFarly, Ernest Butler and Thomas Ford. Men to be initiated into the Scroller club are Ralph Goldston, Richard Lynch and Thomas Grant.

SIGMA SIGMA—(S)

Rushees, actives and inactive members and their dates congregated at the Boardman Ex-Servicemen's Club last Friday night. The third and last party will be held Saturday night.

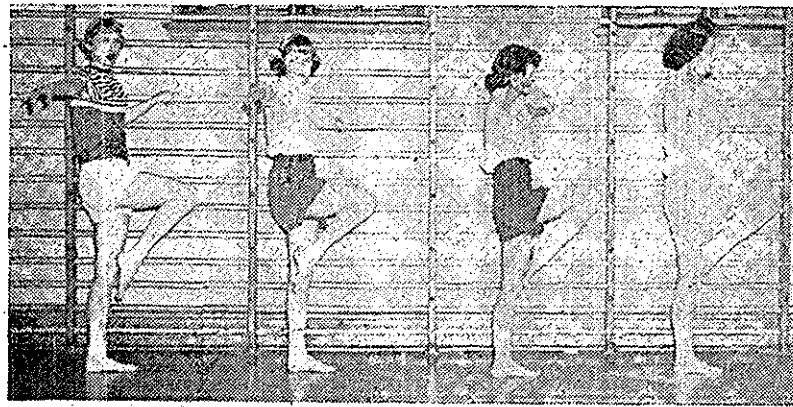

The fraternity congratulates Barbara Taylor who is certainly a well chosen JAMBAR sweetheart. Congratulations also go to Bette Savage and Jimmy Lowery, Miss and Mr. Popularity.

Summer Advisement Under Way April 7

Advisement for summer registration will begin on April 7 and continue 'til May 1. All students planning to attend summer school are urged to see their advisors before final registration week May 8.

Class schedules will be issued to students during advisement week. Final processing for veterans will be held June 5 through June 10. The summer session will begin on June 13, at 8 a.m.

Modern Dance Part of Phys. Ed. Program

Rosemarie Smith, Nancy Tapley, Ellamae Jones and Peggy Ann Yeaton practice their leg exercises in the new Modern Dancing Class. The class is part of the expanded Phys. Ed. program.

YoCo Intramurals Enjoy Beginner's Luck At First W A A Play Day In Cincinnati

By Jean Law

After taking part in the Invitational Play Day at Mt. Union recently, Youngstown College received an invitation to participate in a Play Day sponsored by the University of Cincinnati W. A. A. On a distinctly larger scale the Cincinnati "Day" included representatives of 18 Ohio Colleges.

The invitation was made known to the students by announcements to the gym classes and notices placed on the bulletin boards. More than 40 girls responded to the announcements. These girls were then divided to compose three bowling teams, two basketball teams, a volleyball team and a swimming team. However, due to illness, ineligibility and, in some cases, a conflict with previous arrangements, the group was reduced to thirty.

The trip was made by chartered bus. Miss Bertina LaBorde, Director of Women's Athletics, accompanied the girls as director and also acted as chaperone. The group left Friday morning at 11 o'clock and arrived in Cincinnati Friday evening. On the way, in order to save time and expenses, the girls ate sack lunches they had brought along. They spent the night at the Fountain Square Hotel where they roomed in groups of three.

The next morning after a rather brief sightseeing tour, the bus took the girls to the University campus, where they had lunch at the Student Union. A general assembly for everyone was held after lunch and games started promptly at 2:00.

YoCo Takes First Event

The first event in which the Youngstown girls participated was a basketball game between the YoCo B team and the Ohio University B team. The game was played in six minute halves with the YoCoites coming out on top in a low scoring game, 10-6. In another basketball game played at three o'clock the Earlham (Indiana) B team defeated the Youngstown A team by the score of 18-10. JoAnne Olive was top scorer in the first game with six points and Peggy Crisnal topped the A-team with 5 points.

Swimmers Place Second

While the A-team was losing to Earlham the swimming team fared better, placing second in the swimming event with a total of 13½ points. The volleyball and bowling teams also captured their events. The volleyball team was victorious over Marietta 28-13, and the bowling teams defeated Butler, Mt. St. Jo. and Western Colleges.

All in all, the YoCo girls were very successful in their second Play Day and are looking forward to next year when they hope they will again be invited to Cincinnati.

The Physical Education Dept. wants to remind the girls of the Intra-Mural basketball play which is to start soon at the YWCA. Groups who wish to enter teams and have not contacted the Intra-Mural Planning Group should do so immediately.

Employment Office Offers Placement

Seniors who seek employment after graduation are requested to make appointments with Mr. Cooper, job placement director, at once.

Mr. Cooper's office is located on the first floor of the Business School.

Cast Choices To Be Made For Operetta

Final casting and early rehearsal are under way for the Gilbert and Sullivan opera "Patience" which will be presented by Dana Music School April 27-28 in the Strouss Memorial Auditorium.

Musical director for the performance is Dr. Henry Stearns and Prof. Wm. Foley is handling the dramatics. Dean Wm. H. Miller of Dana's is general manager.

Prof. Dykema Speaks On "Scholarship"

Professor Karl W. Dykema, director of the division of language and literature and head of the English department of Youngstown College, spoke at Girard High School recently. He addressed the general assembly of students on the occasion of the installation of members of the National Honor Society. Prof. Dykema's subject was "Scholarship".

McKELVEY'S

Engineers Hear Concrete Lecture

A brief course in the fundamentals of concrete design was presented recently to engineering students in the Rayen School of Engineering. The two and one-half hour illustrated lecture was given by W. J. Hagenlocher, Field Engineer for the Portland Cement Association.

Arrangements for the course were made by Professor Benkner, who introduced the speaker. Before discussing mix design, Mr. Hagenlocher gave a short explanation of the functions of the association as well as a history of the portland type cement. "Our group's activities are in the fields of research, development, education, technical service, promotion and safety work", he reported. "The association engages in no marketing or pricing."

The major part of the lecture was devoted to recommended practices in the design, mixing and placing of concrete to insure durable, watertight structures. Slides were used to illustrate various facts throughout the lecture.

Joyce To Lecture On Advertising Problems

Robert Joyce, advertising manager of Automatic Sprinkler Co., will speak on the problems of an advertising man today, to students of copywriting and advertising layout.

Mrs. Barbara Pound, "Sister Sue" of radio station WFMJ, spoke to Youngstown College advertising students. The students are from the classes of Prof. William Flad, member of the business administration faculty of the college.

Engineer Speaks On Russian Expansion

Samuel S. Wyer, consulting engineer of Columbus, addressed more than 200 social science students recently in the C. J. Strouss Memorial Auditorium at the college on the subject "Understanding Russia."

Wyer traced the development and expansion of Russia from 862 to the present time. Wyer represents the Better World Fund, and has addressed groups of students and others throughout the United States in the interest of free enterprise and the American way of life.

Dancing, Canasta, At Recent Faculty Party

St. Patrick's Day decorations enlivened the faculty-staff party given for Youngstown College personnel last Friday evening in the college auditorium. A blustery March snow-storm didn't discourage the more than one hundred guests who entertained themselves with dancing, canasta, and refreshments.

The group gathered in the C. J. Strouss Memorial Auditorium at the college for dancing to the music of Bob Alexander and his orchestra. The college cafeteria was decorated in the bright green of the holiday motif, and refreshments were served there by a committee of faculty wives. Arrangements were made by the social committee of the faculty, with Mr. and Mrs. William Hugh Miller as chairmen.

Dana Presents "Patience"

The Music School has scheduled their annual operatic production for April. The Opera, "Patience" by Gilbert and Sullivan, will be performed in conjunction with the Drama Guild. Professor Will Foley is the Producer; Dr. Henry V. Stearns, Music Director; and Dean Wm. Hugh Miller, General Manager.

Phi Mu Alpha

Members of Phi Mu Alpha Sinfonia have announced their newly elected officers. They are: Presi-

NOTICE

Any person or group that disregards student council regulations regarding dance advertisements, card playing in the cafeteria during lunch hours, or conduct in the halls is subject to severe disciplinary action.

Group charters may be revoked, all card playing in the cafeteria may be prohibited, and violators may be brought before the Student-Faculty Discipline Committee.

dent, Bill Pugh; Vice-President, Steve Safran; Secretary-Treasurer, Lester Dull.

The Dana String Quartet and Madrigal Singers, under the direction of Dean Wm. H. Miller will perform for members of The Clio Club, Tuesday evening, April 4th.

S. A. I.

At the last meeting of Sigma

Alpha Iota, Miriam Suosio, president, was selected by the group to attend The National Alpha Nu Chapter Convention. It is scheduled from August 25th to 30th. The Convention is designed to acquaint various local chapters with national activities and ideas in order to further the growth of individual groups.

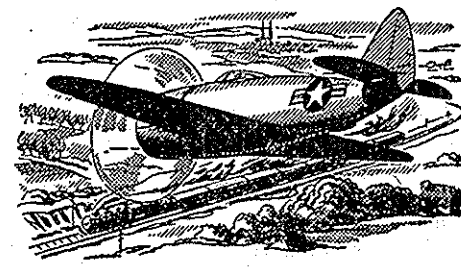

Major Roy Carlson, U. of Iowa, Training Executive, U.S. Air Force!

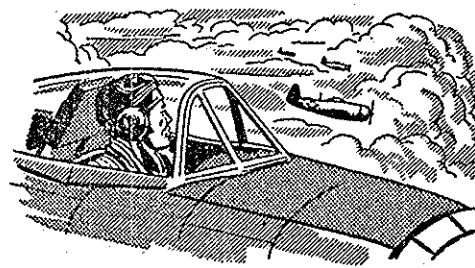

Born in Red Oak, Iowa, Roy graduated from Thomas Jefferson High School at Council Bluffs. He was ready to enter the University when war changed his mind.

He went to work at Consolidated Vultee in San Diego, building PB-24's and B-24's. But it wasn't long until he had put in his application for Aviation Cadet training.

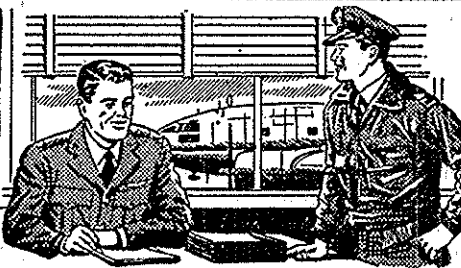

Cadet Carlson won his wings in April, 1943, was assigned to P-47 "Thunderbolts" with the 368th Fighter Group in England, to break ground for the Normandy invasion.

Roy completed 125 combat missions, leading many of them, supporting the invasion and the advances on into Germany. Won Air Medal, D. F. C., many other decorations. Promoted to Captain, then to Major.

Back home, he married the lovely Army nurse from Lowell, Massachusetts, whom he had met at Cannes, France. After the honeymoon, he returned to finish his studies at the University of Iowa.

Major Carlson is now Chief of Operations, 2471st Air Force Reserve Training Center, at O'Hare International Airport, near Chicago. Has two husky sons, a fine job, a great career still ahead of him!

Bette Savage, Jim Lowery Most Popular; Feted At Phi Gamma Annual Dance

Bette Savage and Jimmy Lowery won the titles of "most popular man and woman at YoCo" in a recent poll conducted by Phi Gamma Fraternity, it was announced at the frat's fourth annual Popularity Dance held Saturday, March 11, at Tri-Lan Ballroom.

Bette, a sophomore, is a member of Phi Lambda Delta Sorority, feature editor of the Jambar, Organizations editor of the Neon, a member of the Religion In Life Club and Sigma Tau Delta honorary English fraternity, and elections chairman of Student Council.

A senior, Jimmy is editor of the Jambar radio broadcast "The Yo-Co Quarter Hour", vice-president of Nu Sigma Rho Fraternity, athletic publicity director of the college, has been captain of cheerleaders for four years, has been listed for two years in "Who's Who Among Students in American Colleges and Universities", and was co-editor of the 1949 football program.

Gifts were presented to the winners by the fraternity and by various merchants throughout Youngstown. Music for dancing was provided by Emmy Williams and his orchestra.

Penguin Patter

by Tom Manche
Anybody want to chip in so's I can buy a Dale Carnegie book? One of those thick jobs that tell ya' how to get along with your fellow man. Why? Well, I've alienated upwards to a dozen people in the past month or two or three and all on account of a very simple question, and I quote: "Can animals think?" I have been shocked and amazed to find that there are so very many who answer, quickly and boldly, an irrevocable "Yes!" and are quite adamant to any constructive and informative discussion on the question.

The really killing feature of this is the fact that these advocates of animal reasoning will not, because they cannot, match a sensible argument point for point. For every logical, proven point you hand them to disprove their theory, they stumble about and come up with some phony incident along the lines of a pipe-smoking chimp or bike-riding terrier. The two standard, classic remarks these alleged debaters will invariably fall back on are: "You can't tell me!" and "I know of a dog or cat or seal or horse who did . . ." and up they come with the most wonderful feat you could conceive. After their repertoire of animal tricks, which usually number four to six, their argument, like the beautiful song, is ended. The memory of a seal honking out "Pop Goes the Weasel" has convinced these trusting folk that animals can match the

SHARPS and FLATS

Gene Vincent and his "Music in the Miller Manner" rate a vote of applause from 'Sharps and Flats'. The music he presented at the St. Patrick's Day dance was very danceable and easy to listen to. Although it was occasionally rough, especially on the ballads, this can be attributed to the fact that the band is not organized and did not practice much together. Giving credit where credit is due, though, we start with the saxes which were the outstanding section in the band. Trombones were rough at times, as were trumpets, especially on the ballads, but the solo work by all brass men was superb.

Drums and bass were adequately handled by Skip Fawcett and Frank Dailey respectively. Pellegrini's trumpet was the outstanding horn in the whole band and he really rates as the 'finest'. Marco did most of the riding in the trumpet dept. Wanzo has the same chore in the trombone section and did a terrific job. Vocals were handled by Paul Trina, who, although he sings with an Eckstine kick, has an original, interesting, individual style coupled with a nice personality. At times he'd warble on, then get sexy, then romantic, then comic, but Gentile liked it and the dancers liked it and the latter is what counts. Then there's Mr. Vincent, the affable, likeable leader, who plays piano and does all of the arranging himself, besides carrying a senior load at Dana. What impressed me most about Gene was the style of his arranging. It's patterned after Glenn Miller and Gene does a fine job of depicting Miller's style besides adding a few kicks of his own. It all adds up to a warm invigorating, danceable

with Ray Gentile

style of music and that's something that goes over anywhere.

SUNDAY'S THE DAY

If you've been reading this column, you're probably curious about what Stan Kenton's new band sounds like. Well, here's your chance—for a few bucks you can see this great musical personality together with his complete show at the Stambaugh Auditorium Sunday nite. This is something no music lover or anybody else should miss. Take it from me, you won't be sorry if you go. (For a brief outline of Kenton's band, check S & F in Jambar 3-10-50). Sorry, no records this time—Gentile's been in the sack for a week on doctor's orders.

Ohio Planning Director To Speak at RIL Forum

Members of the Religion In Life Club will hear Mr. A. E. Suro, Director of the Ohio Planning Commission, at the monthly student forum, April 16, at Trinity Methodist Church. Mr. Suro will speak in connection with the motion picture "Out of the Dust" shown at the last meeting.

Chapel services will be held each Wednesday preceding Easter, with a special service during Holy Week. At this service, Rev. E. W. Bloomquist will speak, and a 36 voice choir, under the direction of Mrs. Abernathy, will present several selections. All students not in class from 12 to 12:15 are urged to attend these services and to bring their friends.

Physical Ed. Forms Expected Early

Veterans who have not filled out Form 47 or any other form in order to receive credit for physical education and hygiene are asked to do so at once. The blanks are available at the desk in the Main Office. Each should be signed by Mr. Nelson of the Business Office and Mr. Buchanan the registrar.

human when it comes to the reasoning department.

Some of these arguers will say, "Well, SOME animals can think.", not realizing that if one animal can, they all can and if one cannot, non can. I can even cite the case of a Mr. J. P., who by the way, has this column dedicated to him, who claims that NOT ALL humans can think. Fantastic? Nope, unfortunately and pitifully true.

It is also fact that animals CANNOT cook but you just watch. One of these days I'll be approached by some wag who will swear by his Fearless Fosdick book that he knows or has heard of a mongoose who turns out the tastiest souffle' you ever wrapped your lips around!!

"College Fun" Asks For Original Art Creations

College students seeking a new outlet for their creative talents, particularly in the fields of humor, verse, parody and cartoon art, are invited to submit material to the new national publication, College Fun, which appeared on the newsstands March 15.

Along with original manuscripts sent in by American college and university students, College Fun will publish the college writings of such outstanding authors as Robert Benchley, Booth Tarkington, Robert Sherwood, and Stephen Vincent Benet, and the cartoons of Peter Arno, Whitney Darrow Jr., Abner Dean and others.

According to the publishers, the magazine's editorial purpose is to encourage new writers and to revive some of the humor classics of other generations of college writers.

Manuscripts and cartoons should be mailed to College Fun, 114 East 54th St., New York, N.Y.

1950 Penquin Football Schedule Revealed by Dike Beede

Newman Club Tops Basketball League

Champions of the 1950 I-M Basketball League line up to admire their recently won trophy. Cagers (left to right): Herman Sostaric, Lou Muehlbauer, Ed Leskovec, "Mousey" Moskalik, Leo Coughlin, Nick Sostaric and Bob Housteau display their prize to Father Arthur B. De Crane, Newman Club Chaplain.

Combining a great height advantage with some fancy basketball savvy, the Newman cagers captured the Intra-mural basketball championship by defeating the Varsity Hall flippers, 33-26.

The game was a see-saw affair for three quarters when finally, in the last period, the ever-present height proved too much for the Varsity Hall boys and the Newmanites walked off with the 1950 Intra-Mural cage crown.

Leo Coughlin and Herm Sostaric were the spark plugs in the Newman Club lineup while George Lucia kept the Hall boys in contention throughout the games. This victory gave the Newman Club a final season record of 14 wins and no defeats.

Prominent in setting this remarkable record were John Boller, Ed Leskovec, Lou Muehlbauer, Leo Coughlin, Mike Modak, Nick and Herm Sostaric, Bill Moskalik, Paul Andrish, Randall Wilson, Ted Wankoviz, Bob Housteau, and Paul Scardina. Each boy is a proven ball player and each has had a lot of basketball time put in around the various high schools and independent leagues of the district.

The entire team will receive gold basketballs as a reward for winning the Intra-Mural Championship.

Phi Gam Keglers Stop Newmanite Win Streak; Club Still Leads League By Three Games

Newman Club's string of victories were halted by Phi Gams recently at 18 straight. The fraternity boys turned the Newmanites back twice.

In Sunday matches, March 19, Kappa Sigs captured one game from the league leaders. Their nearest rival at present is the Phi Sig squad, three games out of first place. For Newman Club, Zill, P. Freisen, and Winslow, led the scoring with 582, 523 and 504 respectively. Harper's 534, Durrett's 526 and Crum's 517 were high for Kappa Sigs.

Phi Sigs swept three from Phi Gam's as Needham paced the winners with 548. Bartelmay of the Gams rolled 483. A-Phi-O forfeited three games to Sigma Sigma. Delic knocked out a 570, and Hay hit 543. Webster's 530 and Vross' 509 were the service frat's high series. Sig Deltas also donated their three via the forfeit route — to the Sharks. Hurluk led the fish with 499.

Heaton, Welsh and Dailey paced their teammates with 577, 509, and 506 as Blue Ribbon downed the South Siders three times. Liberty of the losers had a 455. R. I.L. defeated E.T.P.C. twice as Garcia paved the way with a 500

Nu Sigma Rho Cops Inter-Frat Cage Title

Nu Sigma Rho, sparked by the floor performance of towering Bill Watson and Frank Davanzo, copped the Inter-Fraternity Basketball Tournament championship with a 42-26 win over Kappa Alpha Psi. Throughout the competition the winners left nothing to be desired, going undefeated all the way. Credit also goes to Kappa Alpha Psi cagers who eliminated Kappa Sigs and Sig Deltas before bowing to Nu Sigs.

Continuing from March 13 'til March 20, the tournament stimulated interest among the Greeks. There is hope that this will become an annual affair. Credit must be given to Joe Gerek whose untiring efforts were instrumental in the inauguration, as well as the planning of the loop. Hats off to "Tut" Guappone, George Lucia, Tom Campana and Dale Rex for their patience and non-partisan attitude in officiating the contests.

A grand finale party was staged by the Greeks at the YMCA after the final game. Dancing and refreshments featured the get-together at the "Y" auditorium. Mr. Willard Webster, guest speaker for the evening, presented the trophy to the winning team.

Ray Wise Placed On Marietta Selections

Ray Wise, star guard for the 1949-50 cage quintet, was named on the all-opponent team chosen by Marietta's varsity basketball team.

Two Muskingum "Muskie's", Bill Ruby and Tom Conner, made the selection. Andy Mestrovic of Washington and Jefferson and Wooster's Earl Shaw completed the five-man choice.

SNARKEY SEZ . . .

My right-hand man, hand ball coach Carl Fox, reported that he watched Jim Schaffer's Modern Dancing class run through its routines the other day. Fox, always on the lookout for talent, suggested that some of the girls had varsity possibilities. . . . ATTENTION, COACH BEEDE.

Three New Teams on Roster; Canisius Off, Drops Football

Three new teams hold the spotlight on the 1950 gridiron schedule of the Youngstown College-Penguins. Coach "Dike" Beede today announced that Marshall College, Quantico Marines and Bowling Green State U. have been added to the local slate replacing Canisius, Baldwin-Wallace and Muehlenberg. Returning to the combat list are John Carroll, Dayton, Niagara, Gustavus Adolphus and Mount Union.

Rayen Stadium this fall will be the sight of 4 of the college's eight games. Teams from Gustavus Adolphus, Niagara, Quantico Marines and Mount Union will travel to Youngstown to battle the Penguins in their own back yard. The Steel City crew will visit Dayton, Ohio; Huntington, W. Va. (Marshall); Cleveland, Ohio (John Carroll); and Bowling Green, Ohio, carrying the colors of YoCo into foreign soil in what looks to be four of the roughest road trips in the school's history.

Revenge Sought

Revenge will be sought by John Carroll, Niagara and Mount Union in their games this season because of last year's setbacks handed them by the Beedemen. Then again the Penguins will be out to upset the high flying Dayton Flyers, remembering last year's rocking, in that first encounter in several years. They'll also be out to even up the books with the Golden Gusties who last year scored more touchdowns than the locals.

The three new teams booked should provide plenty of fireworks to replace the many spirited affairs Canisius, B.-W. and Muehlenberg encountered each year with the Penguins.

Scheduling of Marshall College's Thundering Herd will give a chance for revenge to the "Herds" new coach, Willard Petersen. Petersen last fall was at the helm of Mount Union College and the "Hill Boys" soundly thumped his Purple Raiders, 20-7. The West Virginians he coaches are members of a very rough Ohio Valley Conference and each year turn up with a terrific squad. Plenty of action should materialize in that ball game.

Bowling Green U. and the Quantico Marine outfits should also give the Penguins quite a tussle. Both, each year, turn up with good ball teams and will be out to shoot the works in their games with the Beede Crew.

Rivalry Ends

The loss of Canisius, B.-W. and Muehlenberg from the schedule brings a halt to some very keen football rivalry. The latter two are missing due to scheduling difficulties while Canisius has dropped football altogether. Through the years the Canisius boys managed to win one game while losing two. Baldwin-Wallace never did beat the locals, losing twice and tying once. Muehlenberg's

Mules got out with a one victory one tie record and thus is the only team holding the edge in total games played.

Addition of Bowling Green, Quantico Marines and Marshall will offset the loss of these other schools and will make the 1950 gridiron campaign one of the toughest faced by any Youngstown College team.

Following is the complete 1950 Football Schedule.

1950 Football Schedule

- Sat., Sep. 23—Dayton U.
- *Thurs., Oct. 5—Gustavus Adol.
- Sat., Oct. 14—John Carroll
- Sat., Oct. 21—Marshall Col.
- *Fri., Oct. 27—Niagara U.
- *Thurs., Nov. 2—Quantico Mar's
- Sat., Nov. 11—Bowling Green
- *Thurs., Nov. 16—Mount Union
- * home games

Did You Know That

by Chuck Perazich

. . . Intra-Mural softball will soon be on the sporting scene. The league, weather permitting, should get underway about the first week in April.

. . . Art DeGenaro, clever South High cager, is the brother of a fellow YoCoite, Jody DeGenaro. Art is only a junior at the south side institution and his cagey ball handling and floor work should make South High one of the leading contenders for City Series honors next season.

. . . The Serb National Basketball Tourney is in town this week-end. A lot of good basketball will be played so if you get a chance, drop over to the Fitch High School gymnasium on either March 24, 25, or 26. Games start at 10 a.m. and go on all day.

Sporting Views

by

Ed

Kinney

In view of the fact that this is my first article, some mention might be made of the policy this sport page will follow in the future. Special effort will be taken to present a complete sport picture of all intercollegiate events along with accurate coverage of the entire intra-mural program. A whole-hearted attempt will be made to provide YoCo students with a sport page they can truly be proud of. The cooperation of each member of the sport staff is a must if this program is to be carried out. It is the most earnest desire of your sports editor that nothing but harmony will prevail. The ultimate end being, a sport page worth while reading and a credit to the school.

Our best wishes go to Dick Wolter who recently resigned as sports editor when he joined the Navy. Congratulations on your fine work while directing the Jambar sport staff and may your journey be a safe and interesting one.

Kenton Brings "Innovations" Here Sunday

by Ray Gentile

Stan Kenton, the greatest living exponent of modern day jazz, and his complete show of 40 musicians, singers and arrangers will appear in person at the Stambaugh Auditorium Sunday night to present his "Innovations in Modern Music for 1950".

A brief history of Kenton's career takes us back nearly a decade ago when he was an obscure piano player working around Los Angeles. Music at this time was stagnant and rather dull and this prompted the young musician to devise a new style of music which later became known as the "Artistry hops" and "Progressive jazz". To organize his band, Stan

spent much time interviewing and auditioning musicians and finally ended up with a nucleus formed of Ray Wetzel, Kai Winding, Vido Musso, Bob Cooper, Shelly Manne and Eddie Safranski. With these top men and the completely new arrangements of Pete Rugulo, the band started on a barnstorming tour of the United States that was to make musical history.

If you have ever commented on or listened closely to a band on the radio or at a dance, it is your responsibility to yourself to attend this concert Sunday night and acquaint yourself with the latest type of modern American jazz — "Innovations in modern

music for 1950".

Tickets are all reserved and are on sale at Carolyne Jewelers, 16 E. Phelps.

Various prizes will be given away during the program. Dancing will be from 9 to 1.

When you enter the "Jester's Hall" you will be in for a lively evening of entertainment and dancing that will be well worth the price of admission (which is \$1.00 per person). Tickets may be obtained from any member of Alpha Phi Omega or at the door. Bring your friends and treat them to an evening of gaiety that they won't forget for quite sometime to come.

'50 "Jester's Ball"

(Continued from Page 1) but the members of Alpha Phi Omega, sponsor of the affair, are aiming to make this one better than ever.

Intermission entertainment will feature John Sinchoc, well-known YoCo pantomime artist.
