—TUESDAY, OCT. 24, 1950

PETE SAYS

When you're steppin' at the dance,
Keep a sharp watch out below.
If many people slip and fall,
There'll be a strong undertow.

Lois Zuercher Is Homecoming Queen

Open House, Dancing to Feature 1950 Homecoming Celebration

Chairman Stresses "Welcome Alumni" Theme; Parade, Bonfire Rally Planned

Campus-wide Open House will highlight the 1950 Homecoming Dance, Friday night, Oct. 27. Informal dancing to the orchestra of Charlie James in the C. J. Strauss Memorial Auditorium will begin shortly after the Niagara U.-Youngstown College football game.

Pollock Hall, historic Wick Ave. residence recently added to the college property, is one of the buildings to be visited by students and alumni. Guests may inspect the Main Building, the William Rayen School of Engineering, the Dana School of Music and the Business School. There will be no formal tour of the campus buildings but guests may dance and inspect the buildings anytime during the program.

Refreshments will be served in the school cafeteria during the dance. Alumni members have been sent letters of invitation which will admit them to any of the school buildings. Students may enter the dance or any of the buildings by activity book.

A rally Wednesday, and a parade, bonfire rally and informal dance Thursday precede the Friday program. Floats will be judged at 12 noon Thursday in front of Butler Art Institute.

Rally In Auditorium Begins Week's Program

Homecoming celebrations officially got under way Wednesday, Oct. 25 at 11:20 a. m. with a student assembly in the C. J. Strauss Memorial Auditorium.

Joe Hanrahan, chairman of the rally, plans to introduce the queen and her court to the students. Music and readings, according to the chairman, will highlight student entertainment.

Robert Q. Tyrell is Master of Ceremonies.

Parade Will Travel Down Federal St.

Federal Street in downtown Youngstown will be the site of the 1950 Homecoming Parade, it was announced by Chairman Dick Brush. The march will begin at 7:30 p. m. Thursday evening, Oct. 26.

The parade will form at Fifth and Commerce St. at 7:30. According to the plan, units will proceed south to W. Federal St., turn left and move to the Public Square. The floats, students and band members will then proceed up Wick Ave. to the main college parking lot where the bonfire rally will be held. This rally is scheduled for 8:30.

1948, '49 Dance Queens Will Participate In '50 Homecoming Program

Senior Peggy Biga, queen of the 1948 Homecoming Dance and Joyce Webb, '49 queen, will also be honored at the Homecoming Dance Friday night.

Miss Webb will present the 1950 crown to Lois Zuercher in the half-time ceremonies at the YoCo - Niagara game. Miss Biga, a member of Alpha Delta Sorority, will attend the 1950 queen at the dance in the Strauss Auditorium.

Buy A Mum?

The Gamma Sigma Sorority is selling Mums for the Homecoming Dance. The orders may also be placed at a desk set up in the main hall for that purpose.

Sophomore Honored With Title; Will Receive Crown At Half-time

Lois Zuercher, Youngstown College sophomore, will reign at the 1950 Homecoming Dance next Friday evening, Oct. 27. Lois will be crowned Homecoming Queen at a special half-time ceremony at the Niagara University - Youngstown College football game.

The queen was selected by a group of judges chosen by President Howard Jones. The judges chose Miss Zuercher from a group of five candidates who were popularly nominated in a student election.

Miss Zuercher is a member of the Newman Club and also a member of Phi Lambda Delta Sorority. She graduated from Ursuline High School in June, 1949. Lois is attending Youngstown College on a Sharon Steel scholarship.

Mr. Francis Zuercher, the queen's father, is an employee of Sharon Steel's Lowellville plant. The Zuercher family resides at 254 E. Auburndale Ave. in Youngstown.

Brush Appoints Heads Of Fete Committees

Chairman Richard W. Brush has announced the chairmen of the various committees appointed to head the 1950 Homecoming activities.

George Geletka of Nu Sigma

Rho fraternity,

was named

Dance Chair-

man. Gene Lar-

sick (Kappa

Sigma) is Par-

ade Chairman

and Joe Hanra-

han (Phi Sigma

Epsilon) heads

the Wednesday

Rally Commit-

tee.

Other committee chairmen are

Frank Perone, Thursday night

rally; Matt Quinn, dance inter-

mission; Katherine Trenner, dance

decorations; Ed Taylor, field dec-

orations; Kathryn Johnson, dance

programs and Ruth Ondash, invi-

tations.

Donald E. J. Smith, 1949

Homecoming Chairman, is assist-

ing Brush as Co-ordinator of Com-

mittees.

Float Winner Gets Prize

Donald Smith, co-ordinator of

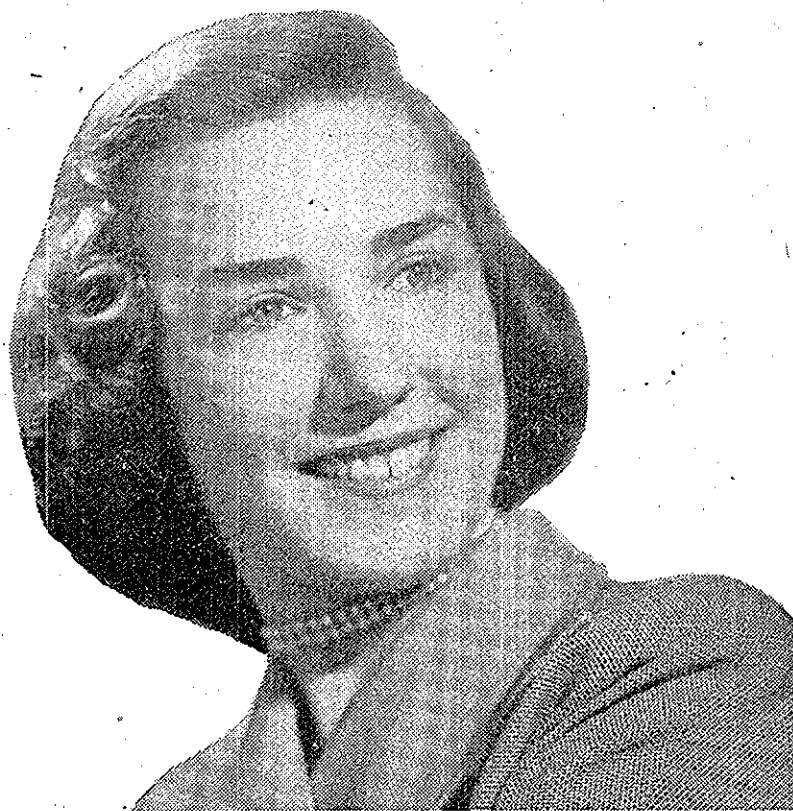

Homecoming committees, an-

nounced that the winner in the

float contest will receive a \$20

gift certificate from Kolesar Co.,

display service organization.

LOIS ZUERCHER

Gala Events Mark Previous Affairs; Penguin Gridders Consistent Victors

Homecoming activities date back to the fall of '38 when Marie Barrett was crowned as YoCo's first Queen. A great many good things were happening on that first day. The gaily decorated floats set off the jubilant spirit that was felt everywhere and the Penguin Eleven took time out to trounce Clarion State Teachers, 46-0.

A year later, same place, same score. The second game that marked the event though, found Westminster College on the receiving end of a 46-0 beating. It was in 1939, that Pete Penguin abandoned his arctic igloo to become the official mascot of YoCo. Margaret Ann Lovell reigned supreme and everyone looked forward to next year's celebration.

Cheerleader captain Adelaide Finnegan was forced into a reverse. For 1940 marked the year when she was the object of the cheers, and Her Majesty not only ruled with the dignity becoming her but took time out to lead a pre-game rally at the Palace Theater. Anything could happen, but no one worried as the Penguins beat a resisting eleven from Tennessee Tech 28-13.

It was all "spit and polish" in '41 as war clouds gathered, but students still found time to celebrate with pretty Jean Belleville, and it seemed that the soldier escort added stateliness to the Queen's presence. Akron University had a tough time as the Red and White posted a 19-0 victory, all of which made you suspect that the Penguins couldn't lose a homecoming tilt.

Students Elect Girls to Queen's Royal Court

Misses Virginia Pitts, Mary Martine, Marlene Rollin, and Josephine Grohovsky will attend the queen in the 1950 Homecoming Court. The attendants were selected by students in a popular vote.

Miss Pitts is the daughter of Mr. and Mrs. Anthony Pitts, 261 Mill Creek Drive. She is a sophomore, majoring in elementary education. Mary Martine, also a sophomore, is studying to be a medical technician. She is a mem-

ber of Alpha Theta Delta Sorority.

Miss Marlene Rollin, a freshman in secretarial study, is also one of Youngstown College's cheerleaders. She resides at 40 S. Maryland in Youngstown. Josephine Grohovsky, daughter of Mr. and Mrs. Joseph G. Grohovsky, 67 Morley St., Campbell, is enrolled in the Dana School of Music. A sophomore, Josephine is a member of Gamma Sigma Sorority.

Last Year's Royal Homecoming Court

The 1949 Homecoming Court: (left to right) Betty DiManno, Mary Jo Davin, Bette Savage, Joyce Webb and Phyllis Galose. Miss Webb was 1949 Queen.

The JAMBAR

STUDENT PUBLICATION OF YOUNGSTOWN COLLEGE

PETE SAYS

It's the end of October again,
The season of Hallowe'en.
But forget the witches and goblins,
And cheer for our lovely Queen.

VOL. 23--NO. 3--

—YOUNGSTOWN, OHIO—

—FRIDAY, OCT. 27, 1950

Queen Will Reign On Royal Throne At 50-Yard Line

Court, '48, '49 Queens To Flank Miss Zuercher

Lois Zuercher, 1950 Homecoming Queen, will reign over the assemblage at tonight's contest between the University of Niagara and Youngstown College from a specially built throne on the 50-yard line.

The 1948 and 1949 queens will flank Lois along with the 1950 Royal Homecoming Court. Decoration chairman Ed Taylor plans to use colored streamers in trimming the student section.

After the football game, the 10th annual Homecoming Dance will be held in the C. J. Strauss Memorial Auditorium. According to the plans, colored lights and stage decorations will be used to decorate the auditorium. The colors of Niagara U., purple and white, and the red and white Yo-Co emblems will be the basis of the color scheme. Miss Kathryn Tremner is in charge of the dance floor decorations.

Seniors Elect Warden 1950 Class President

Art Warden, senior merchandising major, was elected Senior class president by a popular election held October 20. Jody De Genaro received the most votes for vice-president, and the remaining offices were won by William Houser (treasurer) and Sally O'Brien (secretary).

Dom Martin was elected Junior class president, and Harry Altman, vice-president. Ruth Long and Evelyn Booth were elected Junior class secretary and treasurer respectively.

Sophomores elected Gus Marulakis president and Jack Shea, vice-president. Howard Graham was chosen treasurer and Mary Martine is the new class secretary.

The Freshman offices were voted for on October 19, and Herb C. Williams was elected class president, with Charlotte Italiano voted in as vice-president. William B. Dryburgh won the most votes for the office of treasurer, while Mary Lou Babola was elected class secretary.

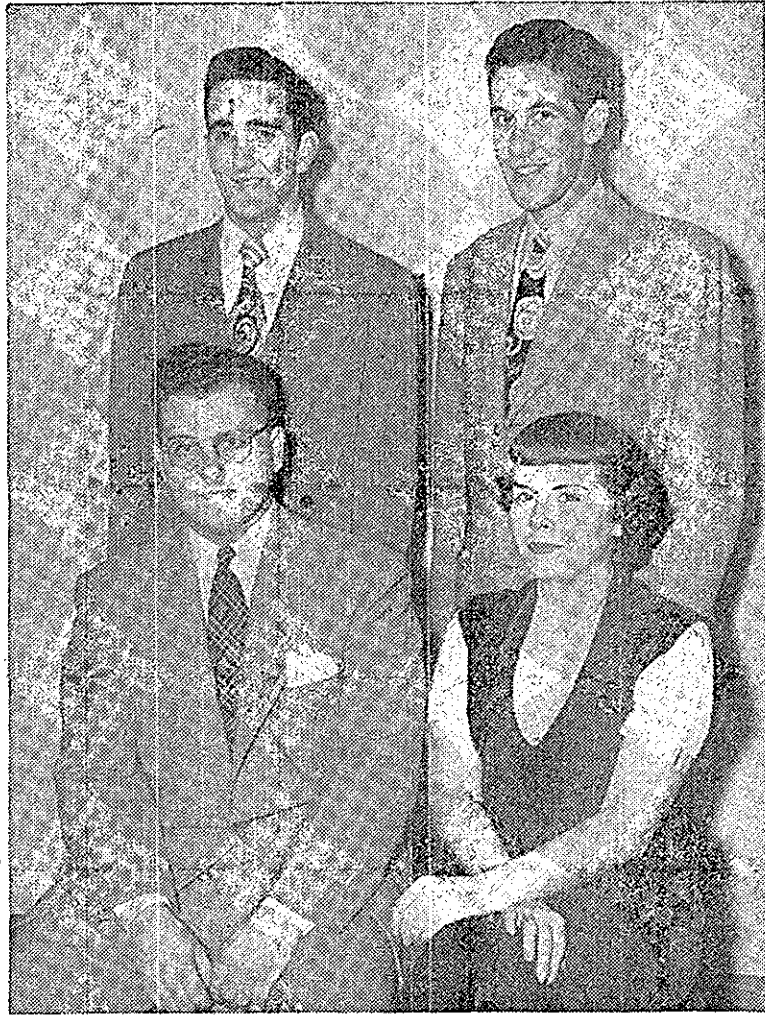

WOLTER SERVES UN IN KOREAN BATTLE

Dick Wolter, former Sports Editor, is now serving with the United Nations' forces in Korea. He resigned his post on the JAMBAR staff last March to join the U. S. Navy. Dick is a Navy corpsman serving with the Marines.

Wolter was one of three servicemen pictured in the Sunday rotogravure section of the Youngstown paper under the title "Road to Recovery".

1950-51 Senior Class Officers Are Elected

Officers of the senior class pose after being elected. Seated left to right are: Art Warden, president and Sallie O'Brien, Secretary. Left to right standing are: Bill Houser treasurer and Jody De Genaro, vice-president. These seniors will arrange all business subject to the 1950 class' approval.

Sheet & Tube Marks 50th Anniversary; Engineers Visit Campbell and Brier Hill

Engineering students who visited the Youngstown Sheet and Tube Co. during the 50th anniversary Open House found the trips interesting and informative. All classes in the William Rayen school were excused for those who wished to visit the mills.

The younger students predominated among those who toured the Sheet and Tube Co. plant. Many of the older ones have worked in one of the steel plants in the surrounding area. The most frequently heard comment was that no one was allowed close enough to inspect the machinery. The areas visited had to be roped off in order to protect the visitors.

Five separate tours were conducted through the Sheet and Tube's two plants. Three trips through the Campbell works allowed visitors to watch the Open Hearth, Blooming Mill, Hot and Cold Strip Mills, Seamless and Continuous Tube Mills, Rod and Wire Mill along with several other places of interest.

Visitors of the Brier Hill Works had the opportunity to inspect the Plate and Electric Weld department, Round Mill, Blooming Mill and Cold Drawn Mill. The Brier Hill section of the Youngstown Sheet and Tube Co. was purchased from the Brier Hill Steel Co. in 1923. The most important of its facilities are the electric weld pipe mill and the subsidiary, Youngstown Metal Products Co.

\$11,000 Fall Budget Is Approved By Student-Faculty Committee

One-Third Is Allotted to Social Program; Approved Sum Is Near Last Year's Figure

An \$11,000 1950 fall semester student activity budget was approved by the Student-Faculty Relations Committee as recommended by student council. The one exception was an \$850 item for the Music Fund transferred from the general activity fund into the special projects budget.

Seven Girls Await "Esquire" Results

Seven candidates in the Esquire "Calendar Girl" contest have completed the preliminary steps for the judging of the JAMBAR entry. Individual and group photographs have been taken and are now ready to be submitted to a panel of two men and two women judges.

Photographs of the winning entry will be forwarded to Esquire Magazine where the national judging will take place. The national winner receives television, movie and radio auditions, along with other honors.

The following girls are entered in the local JAMBAR-sponsored contest: Dolores DaCunto, sponsored by the Drama Guild; Rose Cook, backed by Sigma Delta Beta; Jo Anne Ashley representing the YoCo Camera Club; Maxine Mateja, Nu Sigma Rho entry; Evelyn Booth, sponsored by Pi Beta Chi and Mary Lou Rawson, entered by Phi Gamma fraternity.

Alumnae Are Publishers Of Campbell Newspaper

Sally O'Horo, former JAMBAR managing editor, and Mary Agnes Hatagan, a former columnist on the staff, are publishing "The Campbell News", a weekly newspaper for the residents of the Youngstown suburb.

POST OFFICE WORK

Applications will be taken for full-time Christmas vacation work for the city post office at the college employment office up until 5 p. m. Friday, Oct. 27. Vets and non-vets may apply for clerk and carrier jobs (\$1.26 per hr.). No experience is necessary.

Latin Rhythms Stressed In Dana Percussion Meet

A percussion clinic, taught by nationally-known authorities on percussion instruments, will be held tomorrow by the Dana School of Music in the music annex above the cafeteria. Demonstrations of accessories pertaining to the adaptability of Latin-American rhythms and modern dance band techniques will be emphasized.

Tom Jenkins, formerly with the Army Ground Forces Band, and Ian McCartney, music director of Floyd Hughes Post V.F.W. Drum and Bugle Corps, will direct the program. McCartney is assistant to "Red" Bird of the Cleveland Browns football organization. James Wisler, head of the percussion department of Dana's, will also handle the demonstrations. (Continued on Page 8)

Booster Club Sits In Reserved Seat Section

A newly organized Booster Club has announced that there will be a reserved section for anyone who holds, in addition to the regular admission ticket, the ten-cent tickets that will be on sale today. A section at the north end of the student stands, between the 20 and 40 yard lines, will be reserved for this purpose.

The Booster Club, under the direction of College Cheerleaders and the Projects Committee, has been formed with the intention of centralizing a concentrated (Continued on Page 8)

ESQUIRE "CALENDAR GIRL" CONTESTANTS

Five of the entries in the JAMBAR-sponsored Esquire "Calendar Girl" contest pose for photographs to be used in judging the local winner. From left to right they are: Evelyn Booth, Dolores DaCunto, Mary Lou Rawson, Jo Anne Ashley and Rose Cook. Absent from the picture are contestants Eileen Russo and Maxine Mateja.

QUESTION: SHOULD COMMUNIST CHINA BE ADMITTED TO THE UNITED NATIONS?

DAVID BARCKHOFF— (Soph.)

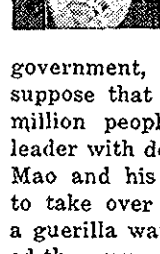

No, I definitely do not think Communist China should be allowed to enter the United Nations. After all, China is simply a Russian controlled puppet state; so why should the U. N. be hindered by a second vote from Russia? Another fact to take into consideration is that the rest of the freedom loving world does not recognize the communist government of China as a duly elected government, but only a totalitarian government of an over-run nation. Aren't we having enough trouble making the world a better place to live in without another stumbling block?

BILL HOUSER— (Sr.)

No! Mao, the Communist ruler, has nothing but contempt for all the democratic principles the U. N. stands for.

CHARLOTTE ITALIANO— (F)

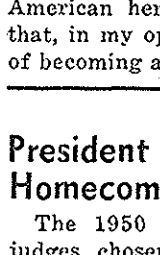

Although Chiang Kai Chek is not the man to run the Chinese government, it is only logical to suppose that in a country of 300 million people there must be a leader with democratic tendencies. Mao and his Communists started to take over in 1920 by fighting a guerilla warfare that undermined the government. Recently there have been reports that guerilla warfare against Mao has broken out. Maybe a new regime in China is in the making.

JOE FLAVELL— (Soph.)

In my opinion, I do not believe that Communist China should be admitted to the United Nations. If she were admitted, it would only mean another communistic mind to try and contend with. Communist China would contribute nothing to the U. N. but another source of Communism and trouble.

MARY MARTINE— (Soph.)

Communists can never negotiate a peace with Christian loving people, for in signing a peace treaty they would dip their pens in the inkwells of hate. Their ideologies are godless. Communism will never be satisfied until the entire world is communistic—until every individual is stifled for the glory of the cause.

President Jones Reveals Homecoming Judges

The 1950 Homecoming Queen judges chosen by President and Mrs. Howard Jones have been announced by the president.

Mrs. F. E. Miller, Mrs. Charles Axtmann, Mrs. Robert Stacy, Mr. Ronald Richards and judge Elmer T. Phillips composed the panel that chose Lois Zuercher from among the five nominees.

Mrs. Miller is a former chairman of the YWCA board. Mrs. Stacy is the wife of Major Stacy of the department of military science. Mrs. Charles Axtmann is an alumna of Youngstown College.

Judge Phillips is a non-partisan candidate for re-election to the Court of Appeals in Mahoning County. Ron Richards is program director of radio station WFMJ.

N. P.

ROSEMARIE SMITH— (Soph.)

No, of course not! We have enough trouble now with only Russia to contend with. If Russia and China were both in the U. N. they would have a better chance of influencing the other members of the assembly. The U. N. can't afford to have this happen.

I realize that keeping China from joining the U. N. is undemocratic, but the U. N. is an organization that is trying to bring peace to the world and I don't think China will help this cause. In fact, I believe that China would be a detriment rather than an asset to the U. N.

MARY MARTINE— (Soph.)

Communist China should be kept out of the U. N. If China were admitted it would give the Communists more power, and this is exactly what we are trying to prevent.

Since the second world war most of the uprisings throughout the world have been instigated by the Communists. All this means more wars and more people killed. Surely, we don't want this.

MARY MARTINE— (Soph.)

Communists can never negotiate a peace with Christian loving people, for in signing a peace treaty they would dip their pens in the inkwells of hate. Their ideologies are godless. Communism will never be satisfied until the entire world is communistic—until every individual is stifled for the glory of the cause.

However, as long as the other Communist countries are in the U. N., I see no reason why China should be excluded. As long as the Communists are in the U. N. we have a chance to prevent a third world war.

We sold China down the river—now we may as well let her join the U. N.

Jobs Are Available Around Election Day

Applications for employment at the Board of Elections and the Youngstown Vindicator on and about election day, November 7, may be made at the college employment office until 5 p.m., Tuesday, Oct. 31.

The election board needs workers for several days before and after election day. Employment at the Vindicator will be on election night only.

The college employment office is located on the first floor of the Business School. Three bulletin boards carry the announcements of part-time employment orders, taken by the office which are available to all students.

Let us have faith that right makes might; and in that faith let us, to the end, dare to do our duty as we understand it.—Lincoln.

Looking Around...

by JEAN LAW and JOSIE FRAZZINI

Music, Music, Music. We've been having plenty of it at the YoCo dances lately. Yes, the joint's really jumping. First, the Phi Sig-Alpha Delt's "Touchdown Trot", which featured Gene Krupa and his famous orchestra. Then the Sigma Sigma "Harvest Moon Dance" with music furnished by Benny Jones. Next was the Sweater Hop with songs by Jo Stafford and Billy Eckstine, on record of course! Rollin Huber did a swell job at the Student Council Stag Dance . . .

Speaking of dances . . . Congratulations to ELEANOR FINORA, George's sister, who was chosen to reign as "Harvest Moon Queen of 1950."

We saw a lot of people we haven't seen for a long time at the Phi Lamb-Phi Gam Sweater Hop. I guess they just couldn't resist the comfort of dancing in sweaters and socks. The dance was a huge success and a lot of fun. Here's hoping they'll make it an annual affair.

By the way, did you get any of the french fries at the "Hop"? It seemed to us the kitchen crew, BOB WATSON, BETTE SAVAGE, JIMMY DUNN, and JOYCE STERLING ate them all before they could be served.

At the Harvest Moon Dance we saw old and new couples. Here are our representatives for both groups. The old — MATT QUINN and ROSEMARY MALONE. The new — GLORIA GURAN and BILL BURKE.

Who said people from YoCo don't get around? Two YoCoites, DON BECK and MARY CIBULAS, have been putting on solo dances in Cleveland and Akron. They specialize in professional waltzing and also do a lively Hungarian Folk dance in colorful costumes.

Then, there is the clever unicycle act done by FRANCES SAMPSON and her younger sister. They can be seen at most of the fairs around Ohio, and they were also one of the main attractions at Yoccohoey last year.

BREAK WRIST, PLAYS TENNIS

You can't keep a good man down. BOB HOUSTEAU, although suffering from a broken wrist sustained in the Gustavus game, has been playing a wonderful game of tennis with his left hand.

Wanted — bowling instructor for freshman JO-ANNE CLARK. The ball is thrown in front of you, Jo, not behind.

Orchids to CHUCK PERAZICH for the bang-up job he's doing as publicity manager for the Youngstown College Varsity Athletics.

Flash — Just received from Special Agent 3. Did you know three of our freshman football players are taking dancing lessons? They are TOM CULKAR, LOU LEHNER, and WARREN GURSKI. We saw Tom dancing at the Sweater Hop and he was doing very well.

The BOLAN family has contributed its share to YoCo this semester. Both NICK and BOB are going to school here. Bob is a freshman and Nick is a junior transfer from Pitt.

All the fellows seemed to have a wonderful time at the Accounting Breakfast, Wednesday the 18th. The food was good, but the guys are suffering from aches and pains suffered in the football game.

If you see RICHARD CRINO, ask him how he liked teaching a girls' sewing class. Richard took over for the sewing teacher at Memorial. His only comment was, "Why couldn't it have been a gym class?" Better luck next time, Rich.

Well, fellows, the girls seem to be taking over again. This time it's field hockey, imported straight from England. The girls are practicing every afternoon behind Butler Art. PATT LOWRY, CAROLYN SANDFORD, and SARAH ABERNATHY are rapidly becoming pros. Well, almost.

A SIMPLE MELODY
 Missing — one juke box from the Lincoln Tea Room. Don't worry, though, Mrs. Metzger promised she'd have another one in soon. 'Til then, the radio will have to suffice.

It seems to us that more and more students are becoming interested in the school elections. Did you see all the posters and campaign slogans up in the hall? The students at YoCo are finally realizing how important these elections really are. Congratulations — it's good to see your school spirit coming out.

Speaking of school spirit, we want to see all of you at the Homecoming Dance. Ask ROSE COOK how she acquired the name of "Horizontal Rosie" this summer. She'll be glad to tell you.

Congratulations to our beautiful new Homecoming Queen, LOIS ZUERCHER.

Education Costs Money

College students can easily appreciate the importance of well-trained instructors in the field of education. The most effective incentive for drawing qualified teachers into the occupation is a sufficient salary.

The salaries of the teachers in the Youngstown public schools will be vitally affected next November 7 when the voters pass on the school tax levy. Voters who refuse to OK the additional two mills must realize that they are hampering their own children's right to an education.

Teachers' salaries are, by no means, the only reason for the requested increase. Supplies of every kind have increased since 1945 when the present 5.6 mill levy was passed. The increase, amounting to \$9.40 per year on an assessed value of \$4600, is only an effort to catch up to the cost of living. The latter, remember, has had a five-year head start!

"Our Yearbook"

Work done is often void of outward signs of accomplishment and in such instances we are often prone to consider visible results as the only measure of worth. To such unfortunate projects and to those students who plan and expedite publication of our annual yearbook we owe some recognition.

Few of us realize how large a job planning and organizing a yearbook is. To us, it means only buying one issue with little or no thought concerning what it represents to each of us.

The Neon does represent more than just a chronological summation of one year's work and play—it should reflect each student's positive or negative effort towards that year.

The point being made here is that each of us, long before publication date, should show an active interest in the Neon. How can this be done? First, to those actually engaged in editing, cutting, writing, and selling the Neon we should extend freely our time and energy when asked to help. We should foster the feeling that "This is OUR Yearbook".

The Neon is now in the building stage and its diligent staff does ask that you share in this project, and that you will feel with sincerity that it is truly "Our Yearbook".

M. M.

Freedom Scrolls

The Freedom Scrolls recently placed in the hall were there for a specific and worthy purpose, that of enlisting signatures as a re-affirmation of faith in freedom for all the world to note and particularly those countries shrouded by the "iron curtain."

When students stoop so low as to scrawl the names of such comedians as Bob Hope and Lou Costello on the list, they are not being humorous, but rather ludicrous. If they did not wish to participate in the Crusade for Freedom by entering their own signatures, they could have walked on. The names of such famous personalities as Messrs. Hope and Costello should not be "tinkered" with, for these men are a few of the many giving their full support to liberty movements.

Remember, college students are no longer children; a supposedly more mature minds calls for more mature action. Pleading guilty to ignorance may be excused; resorting to childish pranks may not.

N. P.

With the Greeks . . .

(H) HONORARY, (S) SOCIAL, (B) BUSINESS

PHI GAMMA—(S)

We wish to thank everyone who helped make our Sweater Dance a big success. A special thank-you to Miss Nancy O'Conner for a most humorous bit of entertainment during intermission.

Plans for the 14th Annual Sadies Hawkins Dance are well under way. The dance will be held at the Nu-Elms Ballroom, Fri., Nov. 10. Stompin' to the music of Benny Jones from 9 to 2. All of the Kappa Sigs are working hard to make the dance a big success.

Rush season began last week. Our first rush party was held Sunday, Oct. 22 at the fraternity rooms of the Pick-Ohio Hotel.

On Tuesday, Oct. 17, a joint party was held with the Phi Lams. A good time was had by all. The party was held at the Elm Crest Cabins.

Our bowling team is still bowling?

KAPPA SIGMA KAPPA—(S)

Plans for the 14th Annual Sadies Hawkins Dance are well under way. The dance will be held at the Nu-Elms Ballroom, Fri., Nov. 10. Stompin' to the music of Benny Jones from 9 to 2. All of the Kappa Sigs are working hard to make the dance a big success.

Rush season began last week. Our first rush party was held Sunday, Oct. 22 at the fraternity rooms of the Pick-Ohio Hotel.

On Tuesday, Oct. 17, a joint party was held with the Phi Lams. A good time was had by all. The party was held at the Elm Crest Cabins.

Our bowling team is still bowling?

PHI LAMBDA DELTA—(S)

Congratulations to Lois Zuercher who was chosen 1950 Homecoming Queen!

That's a nice Sigma Nu fraternity pin on Ellamae Jones. Dick is a lucky guy.

All the Phi Lams had a wonderful time at the joint party with the Kappa Sigs. The following night a successful dance was held at the Pioneer Pavilion by both the Phi Lams and Phi Gams. We hope to make the "Sweater Hop" an annual affair.

This month the home meeting was held at Susan Carlyle's, Oct. 24. Mrs. Pickard and Mrs. Buchanan, our advisors, were guests.

PHI SIGMA EPSILON—(S)

Bill Williams is doing a land-office business since he bought his new . . . uh . . . new . . . well it's new, by golly. It's a thingamajig that gets better pictures. Need any portraits?

First rush party was at the American Legion Hall last Tuesday. We have a nice cross-section of Youngstown College talent. Hope everyone had a good time.

If there are any kicks on the refreshments at regular meetings, Jack Harkins is NOT to blame. He's graduated from chef to Vice President in one big leap.

Congratulations LOIS ZUERCHER!

PI BETA CHI—(S)

The social season got off to a good start with a rush party at the home of Harry Schwab Tuesday, Oct. 17. A group of rushees were present and we hope they enjoyed themselves as much as we enjoyed their company.

A hayride was held with the Kappa Sig's Sat., Oct. 21, and everyone on our end had a swell time.

The next Rush Party will be held Oct. 31 with the Alpha Theta Delta Sorority at the Bears Club. On the committee for this affair are Joe Welsh and Dick Davis.

The bowling team got off to a staggering start, losing two out of three to ROTC and RIL. We've regained our balance, though, and we'll give trouble to our opponents for the rest of the season.

GAMMA SIGMA—(S)

The last meeting of the Sorority was held at the home of Mary Hynes. Plans for rushing were completed.

A hayride followed by a wiener roast at Gloria Guran's was the feature of one of the finest rush parties of the semester. Gloria Guran was chairman of the affair.

Today will be the last chance to purchase a "Mum" for the Homecoming game tonight. See any Gamma Sig member.

Loads of fun was had by everyone who helped our brothers, the Sig Deltas, to build our homecoming float. Thanks to all who helped.

Congratulations to sister Jo Grohovsky on being chosen attendant to the homecoming queen. Congratulations also to Lois Zuercher, 1950 Homecoming Queen.

SIGMA DELTA BETA—(S)

Congratulations to Jerry Bernstein for his fine cooperation in staging our weekly meeting at his home Monday night. Business was kept to a minimum with plans for a homecoming float predominating. Paul Snyder gave a brief talk on the progress of the Alumni Association and outlined plans for the coming year.

The Sig Deltas will take over the Thursday night rally of the Homecoming Program with Frank Perone in charge. Al Yurko and Bruno DeMolli will be in charge of the float.

John Shrilla and Leo Sainato were appointed co-chairmen for the Christmas Night Dance held annually at Stambaugh Auditorium.

Hats off to the Sig Sigs for their Harvest Moon Dance. With the Sig Deltas out in force the dance was a success. John Adams led the way to the Phi Gam-Phi Lamb Sweater Hop followed by a stream of Sig Deltas with Joe Paris bringing up the rear.

ALPHA THETA DELTA—(S)

The Alpha Deltas haven't been heard from in this column yet. It isn't that we haven't been active — we just didn't have a pencil. Regular business and social meetings have been held and plans for the semester, including rush season, are well under way. A joint party with Pi Beta Chi and a banquet with our brothers, the Phi Sigs, are scheduled.

Our last business meeting was held at beautiful Pollock Hall. Pat Balock and Peggy Biga were in charge of refreshments.

Note: keep up the good work on point averages, girls.

We would like to pass a few congratulations now to some of our sisters who were married recently: Beverly Williams, Margie Lowry and Fran Bacha. Donna Lewis just announced her engagement!

Drama Guild Exhibits Movies For Students

The Drama Guild recently presented to their own group and a number of other students, films, "March of The Movies" and "Steps of The Ballet."

Plans are made for presentation of such film classics as G. B. Shaw's "Pygmalion" if enough people in college express interest. Those interested may receive notice of future film presentations by writing to College Box 121.

Guild members and friends relaxed last Friday evening by going on a hayride. They are working now, to help get the all-college "Yochooey II" into rehearsal.

The more things you can do without and still be happy, the RICHER you are!

by Betty O'Brien
With the sixth week of school coming to a close, the traditional rush and confusion of a new semester is gradually fading out and making way for concentrated study. This is evident on the faces of students by the disappearance of that "what do I have to do next" expression. To date, Dana's boasts two well-performed student recitals. These, incidentally, are open to all college students.

Sigma Alpha Iota National Girls' Fraternity will hold their regular business meetings every Wednesday at 5 p. m. Their first formal business meeting was held Wednesday, Oct. 25, at 7:00 p. m. in the S.A.I. Room at the School of Music. Plans were made for a joint Alumni-Active Tea to take place Friday, November 17, at 7:45 p. m. at Pollock Hall. Mrs. Ruth Gould, Province Alumni Secretary, will be guest speaker. Her topic will be "Convention Highlights."

Phi Mu Alpha Sinfonia has changed the time of their meetings. They will be held every Wednesday morning at 11:20 in the Music Annex.

Don't forget the Percussion Clinic on Saturday, Oct. 28. Clinic sessions will be presented in the Music Annex between 9 a. m. and 4 p. m. All students interested are invited to attend.

Someone has said: "If you think you think, ask yourself what is the greatest thought you ever thought—then listen to the deafening silence."

Talks, Entertainment Mark RIL Banquet

Dr. Russell J. Humbert, main speaker at the RIL banquet this week, commented on the particular application of Religion In Life. Dr. Humbert was followed with a talk by Dr. Henry V. Stearns of the Dana School of Music on "Echoes and Predictions".

President Howard Jones, Dr. Harvey E. Holt and Rev. Albert L. Linder were among the other guests at the banquet. Thomas

Richardson, RIL president, presided over the dinner. Louis Mahar was master of ceremonies.

Students from the college entertained the guests. Miss Betty DiMenno presented an accordion solo and Patricia Murphy played selections on the marimba. Nancy O'Connor read monologues and Amy Corrado accompanied community singing.

Laziness is contagious. Even the automobiles' lazy people ride in down to the corner drug store, are getting more and more shiftless.

MEN'S SPORTSWEAR — BASEMENT

Strouss-Hirshberg's

In Tempo . . .

By JIM MCGINTY

By now everyone should have made plans for the homecoming activities, so let's make a good showing for Niagara University. As you probably know the "cotillion" this year will be at the college auditorium, with an invitation to all alumni for "open house" after the game.

I suppose there will be plenty of "gripes" in regard to having the dance at the school instead of Stambaugh Auditorium, the Elms, or Tri-Lan Ballroom. In a way, it is a just argument, but, on the other hand, it is "making the best of a bad situation".

The committee, I believe, has tried every way possible to get the above mentioned places, but to no avail. In fact, they couldn't beg, borrow, or steal a "large" ballroom for the night of the 27th, and I don't think that anyone would want an "open-air" dance in late October. Maybe there was a little laxity on someone's part for not reserving the usual place, but when you have to make a reservation in the summer, for a dance in late October or early November, it's pretty difficult to blame anyone. So have a good time and watch your step, it may be your partners feet.

It is hoped that the dance will be a big success, even though we might be a trifle crowded. So be conservative on the floor and follow the rules of what the R.O.T.C. boys call "close formation".

Odds & Ends

The music magazine "Down Beat" is going to sponsor a popularity poll for all male and female vocalists and big name bands. Maybe we should throw our two-cents worth in too! . . . The Les Brown band, with an all-star cast headed by Bob Hope, Jane Russell, and Marilyn Maxwell, is giving shows at all military bases in the Pacific . . . Rosemary Clooney who sings her "A" at a 440 pitch, is now pitching the woo to Grady Hatton, star third baseman for the Cincinnati Reds . . . That smooth-as-silk band of Ralph Flanagan's is making a big noise at the Cafe Rouge at New York . . . A new Dixieland band just out is Dave Cavanaugh's "Curbstone Cops" . . . Vic Damone is now making a big movie for MGM.

Canned Comment

WESTERN HITS (all on Capitol)
"Bright Lights and Blonde Haired Women"—by Tennessee Ernie
"Puppy Love"—Eddie Kirk
"Wild Card"—Tex Williams
"Trouble, Then Satisfaction"—Jess Willard
"Coal Smoke, Valve Oil and Steam"—Tex Ritter

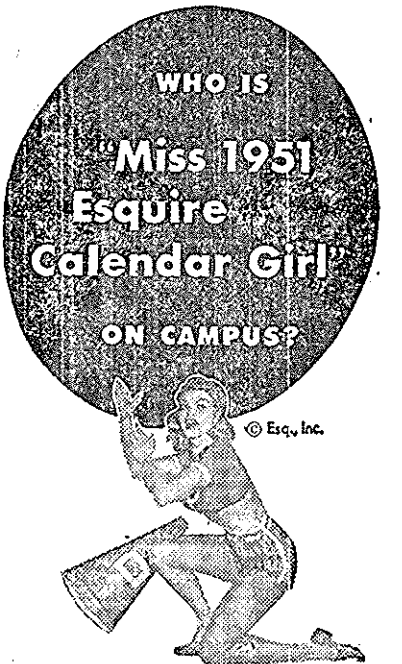

EASTERN HITS

"Brazilian Sleigh Bells"—Harry James (Col.) Without being one-sided, I enjoyed this record very much. He really blows the roof off, gets a big fat tone, and has flexibility too.
"Don't Make Me Sorry"—Frankie Carle & Orch. Vocal by Terri Stevens. This is commercial as they come, but sufficiently disguised to overcome all defects. It's danceable.
"Molasses, Molasses"—Spike Jones (Victor) It starts out like a nursery rhyme, with a zillion verses. This is a pretty quiet record, compared to "Yes We Have No Bananas".
"Bushel and a Peck"—Margaret Whiting & Jimmy Wakely. The vocals will pass, and the band background isn't too bad either, but it's still nothing to write home about.
"Never-The-Less"—Ralph Flanagan. Very smooth with clarinet lead to make it very danceable. Nice change by the bones after the vocal. The band really sounds full.

Musical Comedy Medleys—(album) by The Boston Pops Orchestra. Don't get scared, this album won't bite you—try it—it's not Kenton but it's music. Most of its numbers have made the "hit parade" too—ditties from Annie Get Your Gun, Kiss Me Kate, and South Pacific.

Percussion Clinic

When the "drums go bang, and the cymbals clang", on Saturday, October 28, it won't be MacNamara's hand. It'll be the percussion clinic's all day demonstration by famous instructors of the fundamentals of drumming in both the concert band and symphonic orchestra. The most widely known personnel to be here is "Ted Weems" and Ian McCartney of the Cleveland Brown's Musical Majorettes fame. Dana's James Wisler and the factory representative of the Leedy and Ludwig Drum Co. will also assist. This presentation is open to all students and the general public; so come up to the music annex (over the cafeteria) and enjoy yourself—it's free.

Homecoming Queen is Excited Young Lady; Gives Lowdown on Her Personal Habits

by Jeanne Lyons

Who's the most excited co-ed around YoCo this week? Well, one in particular seems to be the perfect nominee for "most thrilled girl on campus"—Miss Lois Zuercher, 1950 Homecoming Queen.

Lois, the daughter of Mr. and Mrs. Francis W. Zuercher, 254 E. Auburndale Ave. is a sophomore Merchandising major, who has, by the way, a four year Sharon Steel scholarship. She is a member of Phi Lambda Delta sorority and the Newman club.

A graduate of Ursuline High, Lois was active in the library, Dramatics, and Glee clubs and was chosen Ideal Senior by members of her graduating class.

Vital statistics? Here they are! Lois is eighteen years old, five feet seven inches tall, and has blue eyes and dark brown hair. (Sorry fellas—she goes steady,

Neon Advertising Staff Maps Out 1951 Selling Campaign

NEON editor Dan Daniels (extreme left) checks his notes with members of his advertising staff in preparation for the yearbook advertising campaign. Business Manager Tony Donatelli and George Finora inspect possible pictorial layouts to be used in this year's NEON. Dom Martin, advertising manager, sections out the Youngstown metropolitan area for canvassing.

"Operations Blueprint", the 1951 Neon advertising campaign, is now in progress under the directions of Dom Martin, advertising manager and Anthony Donatelli, business manager.

Pictorial advertising, with student models, will be stressed this year, and attempts will be made to attract special attention, according to Martin.

Preparations have been completed to carry on an intensified metropolitan coverage which will include Youngstown, Warren, Niles, Girard, Poland and many of the other surrounding areas.

Territories will be assigned to salesmen from the detailed breakdown of cities and counties, and will be under the direction of George Finora.

Believe in Ghosts? Hamm-? You Were Born 30 Years too Soon

by Elaine Casey

Beware! Beware!
The eve grows near
When goblins stalk
the hemisphere.
And spirits send their
chilling cries.
To pierce the blackest
midnight skies.
The graveyard's filled
with eerie tones.
Just listen to those
rattling bones.

So you don't believe in ghosts, hm? Have you ever walked down a dark, windy hall on Hallowe'en and felt that any minute icy fingers were going to reach out and—brr, I'm even scaring myself. If you had lived in the time of your ancestors, no doubt you would have believed in witches and ghosts—goblins, pookas and bogies.

If you had lived in Scotland, for example, your father would have carried lighted torches thru the fields to save his crops from evil spirits. For this was the night when wicked old dames turned to witches, streaked across the sky on broomsticks and played tricks with the devil. You would not have dared venture out into the night unless you carried a jack-o-lantern to protect you.

In Wales, hilltop fires were an important feature of Hallow-eve. About midnight when the fires had died down to ash, there would be a mad scramble to get down the hill. And it was woe to the

man who was last, for it was said the devil would get the hindmost. But there was also a lighter side to the festivities of this night. In northern England, Hallowe'en has been called Nutcrack Nut. Parties gather about the fire on this chill autumn night to spin ghost tales and discover their future by throwing roasted nuts into the fire. Those that burned brightly meant good luck and prosperity. If a young man and a maid each threw a nut into the fire and they burned together it meant they would marry.

Here's a tip for the girls. Young Scotch girls used cabbages to determine the approximate age of their future hubbys. If a girl selected a cabbage with firm leaves, she would marry a young husband; if it's leaves were loose she would marry an old man.

We don't want to leave the boys out of the picture. So fellows if you want to find the name of your future "boss" use an old English custom. Put five grains of oats in your mouth and walk along till you hear her name spoken.

It's time to go,
But don't forget
Next Hallow Eve
Take heed of me.
Beware the witches
cruel and sly,
Or on a broomstick,
you may fly!

Psychology Club Invites Members

The Psychology Club will hold its next meeting Wednesday, November 1. All students intending to major or minor in psychology who already have taken six hours of psych. are eligible to join. The time and place of the meeting will be announced later.

The club's purpose is to promote the study and discussion of psychology at Youngstown College through movies, lectures and psychology experiments. Application for membership can be made to Mrs. Ebeling of the psychology department.

JAMBAR Will Provide Sadie Hawkins Material

Al Capp Enterprises is making available to the JAMBAR stories, pictures and materials suggesting plans for Sadie Hawkins Day programs. Any student or group of students planning special activities for the Dogpatch celebration may obtain these materials by contacting the JAMBAR editor.

Over 3500 Sadie Hawkins Day Clubs all over the country including groups of college students celebrate the annual event. Al Capp Enterprises is attempting to establish continual circulation with these groups and would appreciate any correspondence.

"Life is easier than you think," declares Kathleen Norris. "All that is necessary is to accept the impossible, do without the indispensable, and bear the intolerable."

DAUGHTERS OF ST. PAUL

With the ENGINEERS . . .

by JIM McLAUGHLIN

A well rounded program of films, lectures and field trips has been announced by the Junior Affiliate of the American Society for Metals in Youngstown College.

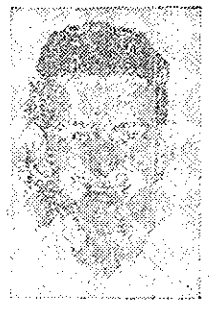

The first meeting was held Wednesday, at which two films dealing with the raw materials of steel-making were shown. There will be three more meetings this semester.

Nov. 9—Alloy Steel and Steel Products.

Dec. 14—Story of Copper and Copper Refining.

Jan. 11—Fabrication of Copper. Lectures and a field trip are planned for the spring semester.

The A. S. M. is open for membership and should be of special interest to metallurgy students, though all Engineers are invited to join. Interested students may sign up at the Engineering office or see Mr. Fisher, of the Metallurgy Dept., whose office is in the Youth Center.

Benkner Attends Institute

Youngstown College was honored recently when Dr. Jones, Mr. Benkner and Mr. Grabski received special invitations to the first regional technical meeting of the American Iron and Steel Institute, at Hotel William Penn in Pittsburgh, on Wednesday, October 11.

President Jones was unable to attend, but the college was represented by Mr. Grabski and Mr. Benkner. The speakers included Admiral Ben Moreell, Chairman of the Jones and Laughlin Steel Corp., K. L. Feters, assistant to the Vice President, Youngstown Sheet & Tube Co., and C. A. Covington, Superintendent, Campbell Coke Plant, Youngstown Sheet & Tube Co. Walter S. Tower, president of the American Iron & Steel Institute presided at the morning session, and E. G. Price, Vice President of the National Tube Co., presided at the afternoon session.

Mu Pi Epsilon has elected the following students to membership: George W. Bregar; Harold C. Chase, John Ellsworth, Thomas O. Flink, Michael Nevinsky, Charles Heaton, Edward J. Kelch, Donald Meigs, Lawrence Lesh, Anthony Mediate, and Stephen G. Vargo.

The new members will be installed at the customary banquet, which is planned for Nov. 5 at Ma Perkins. Youngstown's new Traffic Engr., Mr. Overmire, will be the guest speaker.

Parking Is Problem Again
Walt Vangeloff and his boys must have had a conference or two with Mr. Overmire, considering the admirable attempt they're making to solve our parking problem. The sticker distribution was handled by Mu Pi, and as this column goes to press, the first alien car is probably being towed away.

Halloween Dance Next On Newmanite Agenda

The Newman Club's annual Halloween Dance will be held at Sacred Heart Church this Saturday evening. Dancing is scheduled from 9 p.m. to 12 midnight in the school auditorium.

The evening's entertainment will consist of Square Dancing, a program during intermission and refreshments. Tickets may still be purchased from any Newmanite for 75c per person.

The next club meeting will be held Sunday evening, November 5, at the Catholic Action Center. Plans will be completed for the annual Ohio Valley Province Convention to be held at Kentucky University in Lexington the weekend of November 10. About 40 colleges and universities from Indiana, Ohio, Michigan and Kentucky will be represented. About 30 delegates from the Youngstown Newman Club Chapter are expected to attend with our chaplain Father Arthur B. DeCrane.

The second Communion breakfast of the year will be held November 12. Arrangements will be issued as soon as the details are completed.

Physical Education Department Plans Program For Men and Women During Fall Semester

Recreational Archery held behind Butler Art Institute, for men and women, extends to November 2 if the weather permits. To date, more men than women have been participating.

Peggy Crisal and Frances Sampson, co-managers, are in charge of the archery equipment, which is handed out at 4:00 from the Physical education office, located upstairs in Annex II.

The men will be interested to know that the Physical education department is securing several more bows which will require a greater pull. These heavy bows will tend to increase the accuracy of the archer.

Field hockey, one of the two fall team sports for women, was introduced last week to a small group of girls by Miss Bertina Laborde, Women's Physical Education Director. Plans are being made to introduce hockey as a full time team sport next fall.

The group is planning to journey to Cleveland on Sundays, where they will participate in the Cleveland Association games.

They have already applied for membership in the Field Hockey Association which is a branch of the national organization. The expense for these trips will be met by the girls who attend.

Semi-Weekly Swims

Swimming for fun is the main purpose of the afternoon dips which are held on Tuesday and Wednesday at the "Y" from 3:00 until 4:00. All girls, from the beginner to the most advanced, are heartily welcome. Towels and suits are furnished by the college, but the participants must furnish bathing caps. They must also have had their medical examination.

Notices announcing recreational badminton are to be posted soon. This individual sport is slated to start either October 3 or November 6, depending on how long archery is carried.

The sale of Youngstown College pep shirts by the Women's Intramural Planning Board will start soon! These shirts will have the seal and the name of the college on them in red.

Be Happy-Go Lucky!

I'm pretty bright, I make straight 'A's, I'll soon have my degree, I know the facts you've got to know— Like L.S./M.F.T.

Colorado School of Mines

It's not in any book, I know, But just the same, it's true, If you would like a perfect smoke It's Lucky Strike for you!

By Carolyn M. Lauer
University of Michigan

Enjoy your cigarette! Enjoy truly fine tobacco that combines both perfect mildness and rich taste in one great cigarette - Lucky Strike!

Perfect mildness? You bet. Scientific tests, confirmed by three independent consulting laboratories, prove that Lucky Strike is milder than any other principal brand. Rich taste? Yes, the full, rich taste of truly fine tobacco.

Only fine tobacco gives you both real mildness and rich taste. And Lucky Strike means fine tobacco. So enjoy the happy blending that combines perfect mildness with a rich, true tobacco taste. Be Happy—Go Lucky!

Professors are a different lot, They teach us Lit. and Psych. But when it comes to cigarettes They all teach Lucky Strike!

By John D. Wilson
Brown University

L.S./M.F.T.-Lucky Strike Means Fine Tobacco

COPR., THE AMERICAN TOBACCO COMPANY

★ The NIGHT BEAT ★

by FARMER

What ho! A busy week this be — parades, rallies, dances, assemblies. Who's dizzy? Promises to be a great football battle Friday night, too. If our team comes through like they did at Marshall, we can watch Niagara fall. (Sounds like one of JEANNE LYONS' puns.) Enjoyed Lee Leonard's broadcast of the last game. "Marshall's 'thundering herd' hasn't done much thundering this evening," said he. And no wonder!

TOM RICHARDSON has his own name for this column — the "Cloak and Dagger" he calls it. Other readers probably call it other things, but we can't print them.

Harry Schwab and JIMMIE WELLER turned ten different colors last Friday night. At first I thought they were merely cooperating with Nature and blending in with the trees until I heard they helped HERB CLARKE put over a sales talk advertising — guess what — Hadacol! Mother and baby are doing fine.

JIM MCGINTY has asked me to try and find out why people go mad ohe be-bop and "tin pan alley" while they completely ignore Stravinsky and the great artists. I've been thinking over the problem and haven't been able to solve it. As for me, I can take some of either and a lot of Kenton and Shearing. Sorry I can't answer your question, Jim, but while we're passing the buck, I'll turn the matter over to JIM (Dr. Kinsey) MATTA and Josie (Mrs. Gallup) FRAZZINI, Jambar, poll editors. Let's sit back and watch them sweat!

That'll Teach Him
Our class thought GEORGE HURTAk was a goner one night. George had to leave class early so he went out the back door to avoid confusion. Bedlam broke loose when he wakened all the dogs in the vicinity — sounded like the bloodhounds had him.

All who attended the Sweater Dance will agree with me when I say that NANCY O'CONNOR really has talent. She deserves an A in English because she certainly has her punctuation down pat — audible, too, no less.

There must be someone in this school who can figure out an answer to the problem of parking. I suggested last year that all buildings between Lincoln Avenue and Madison be razed, but, so far—no action. I missed class the other night because I couldn't find a place to park, so I have a legitimate complaint. (Editor's Note: The JAMBAR is not responsible for the authenticity of the preceding statement.)

The army is grabbing all the eligible men again. O unhappy day! CHUCK BANNON shoves off pretty soon. JOHNNY HINES will have a pleasant homecoming after his globe-trotting vacation.

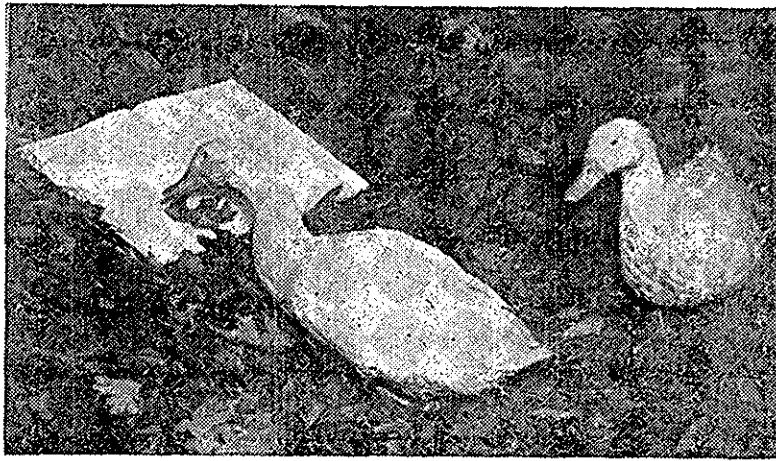

STUDENT COUNCIL DIGEST

October 20, 1950

- The Projects Committee announced plans for the Boosters Club. The charge will be 10c per student. The north side of student section will be sectioned off from the 40 to the 20 yard line to seat the students. After the game begins and the section is not filled the remainder of the seats will be open to the general public.
- Council voted against adding dancing lessons to the Student Activity Budget in the near future.
- Junior and Senior class officers may add their respective honor points to their record for Who's Who on Monday, Oct. 23.
- Instead of the traditional Homecoming Dance at Stambaugh Auditorium the dance will be held at the college auditorium. All the buildings of the college will be open to students and alumni. Thursday's program includes a parade down Federal Street and a bonfire rally in the school parking lot.
- Applications for chairman of the Snow Flake Frolic Dance are still being accepted. The bids must be placed in the student council mail box in the Main Office.

Engineers Study Ground For New Library

Plans for the new Youngstown College Library are awaiting the surveying results of two prominent marine engineers who have been inspecting possible sites for the building. "Feathers" Drake checks a physics calculation as his assistant looks over his shoulder.

BELLS TOLL PRAYER FOR UNITED NATIONS CELEBRATES 5th ANNIVERSARY OF FOUNDING

by Natalie Pavilon

United Nations Day, established by unanimous vote of the General Assembly in October 1947, was celebrated Tuesday, Oct. 24 throughout the world by the ringing of church and school bells at 12:00 noon when citizens joined in praying to God in churches, in schools, in homes, or in their hearts for the UN — our best hope for peace with freedom.

This, the fifth anniversary of the UN, is the most crucial since its founding. The Korean crisis has made it quite clear that if we are to have a world ruled by law instead of force, the members of the UN will have to take all possible means to prevent deliberate and calculated military aggression.

In conjunction with UN week, Dr. Sidney M. Berkowitz, Rabbi of Rodef Sholem Temple, told students and faculty members of Youngstown College at their weekly assembly: "The challenge of the hour is so great that it cannot be met by the oratory of statesmen, or even by the blood of soldiers. It must be met by the will and sacrifice, the moral and intellectual strength of the average man everywhere."

UN Flag Flies Here

A United Nations flag, presented to the college by Student Council on behalf of the student body, has been flying on the campus all week symbolizing the kind of freedom we believe in and are willing to fight to preserve.

We at Youngstown College can do our part by promoting, and understanding the principles of the UN. This can be done through various organizations — social,

Penguin Patter

by MATT QUINN

The great Jolson is dead. Maybe you didn't like him, but you've got to admit that the man was a great entertainer. The first time he reached the peak of his popularity, around the era of the "Jazz Singer," Jolson was the biggest thing in show business, bar none.

Take a look at the number of times that Jolson was imitated. That's one of the true measures of fame, not necessarily lasting, but fame just the same. Churchill was imitated, Roosevelt was imitated, and Shakespeare is still imitated. So is Jolson. It stands to reason that the people who mimic for a living are going to pick the most famous subjects. And that proves it. Jolson's "Mammy" was a favorite among the professional mimics. If you're still unconvinced, then you'll at least admit that in the wee hours of last Tuesday morning, show business lost one of its most colorful characters.

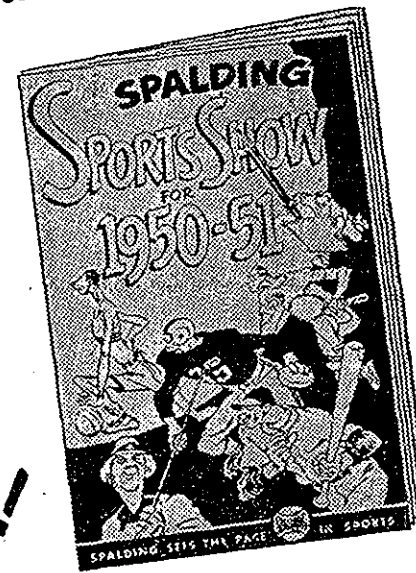

In case you haven't heard, Youngstown plays the Quantico Marines on Nov. 2. The two will play a game called football in which twenty-two oversize youths mistreat a piece of pigskin.

The consensus of opinion seems to be that one Edward LeBaron will wreak havoc when he and his energetic helpers visit the steel town.

Although I won't go as far as to cry no, no, I will sound a warning. The Penguins are a lot tougher than most people realize. Win or lose, Bill Watson, Ralph Goldston and company will do many things to annoy the Marines. Whether or not the annoyances mount up to the point where Youngstown wins the game is something I can't say. I merely sound a warning. If the Penguins are "up", the evening could be unpleasant for LeBaron, Hawking, and the rest of the "police force".

DO YOU KNOW?

- ... which college football team played in the Rose Bowl twice and won both games by identical scores?
- ... where a referee had a whistle knocked out of his mouth by lightning?
- ... when you had your choice of rolling or throwing the bowling ball?

You'll find the answers to these and many other sport facts in the new 1950-51 Spalding Sports Show Book.

Rallying Penguin Gridders To Oppose Purple Eagles At Rayen Stadium

by JOE MICHAELS

Youngstown College, on the rebound after a shaky start, will play host to once beaten Niagara University tonight at Rayen Stadium in their annual Homecoming game. An overflow crowd of more than 10,000 fans are expected to watch the Penguins tangle with their eastern rivals who have tasted defeat only at the hands of the Quantico Marines (34-13). Youngstown routed Niagara 27-7 last year at Varsity Stadium. Kick-off time is 8:00 p.m.

The Purple Eagles, coached by James H. Miller, already claim the scalps of Brooklyn College (34-0), Buffalo University (27-13), and Waynesburg (14-12). Despite the fact that Niagara holds a more impressive escutcheon than Youngstown, the locals appear to stand a better than even chance of checking the Niagara juggernaut. The fact that the home-crew has encountered higher caliber opposition than their opponents looms as a deciding factor in the outcome of the battle.

Both Gustavus Adolphus and John Carroll, victors over Youngstown, are fielding powerful teams in their respective sections. Undeclared Adolphus had to overcome a 14 point deficit to finally over-haul the Penguins 20-14. The Blue Streaks of John Carroll, undoubtedly one of the top five in the state, were forced to launch a fourth period drive that carried for three touchdowns and a victory.

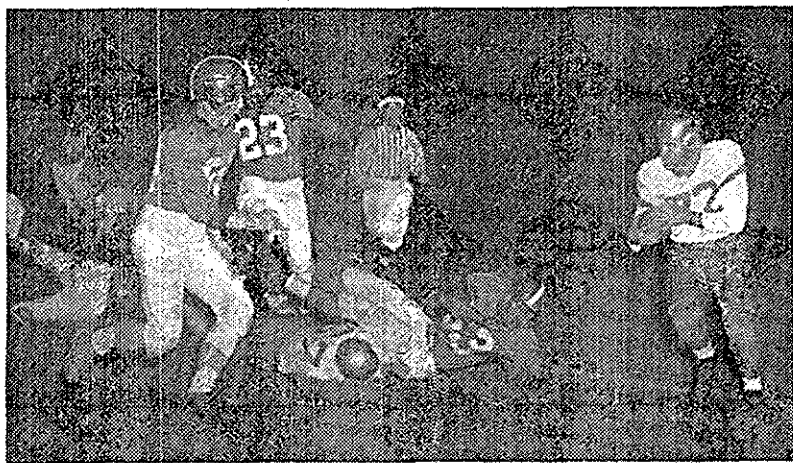

Niagara on the other hand has been tested only once and it turned out to be hardly a test for the rugged Marines. Niagara gained little prestige in their three victories. Their impressive romps merit little attention. Brooklyn College, tabbed as a tackling dum-

(Continued on Page 8)

Tickets Are On Sale For Niagara Contest

The ticket office is being opened from 7 p.m. until 9 Thursday evening to accommodate the night students who wish to buy tickets for the Homecoming Game, Oct. 27. The office is open Friday as usual from 8:30 to 5. Gates open at 6:30 at all home games. Kickoff time is 8 p.m.

ONE PLAY THAT WASN'T FUMBLED

Marshall halfback Frank Mazza (No. 72) makes a short gain, one of the few times during the first half that Marshall had possession of the ball. Mazza didn't fumble on this play.

Phi Sigs, Sigma Sigma Lead Intramural Keglers

by BOB CLAYTON

At the end of three weeks of knock-em-down, drag-em-out bowling the Phi Sigs and Sigma Sigma are tied for the lead with 8 wins and 1 loss. The No. 1 teams of Newman Club, ROTC and Phi Gamma are close behind with 6 victories and 3 setbacks.

HIGHLIGHTS: The Phi Sigs captured three from E.T.P.C. Bob

Conklin was hot with a 554 set. Sigma Sigma swept three from R.O.T.C. No. 1 with Paul Delic chalking up a 525 set. Dunns' 526 led the Phi Gam No. 2 to a 2-1 victory over the Kappa Sigs who were bolstered by Nicol's 510 set. Finora's 508 went down the gutter as the Sig Dels lost two to Phi Gam No. 1.

Tony Zill holds high set with 592 and high average of 174. Johnny Dutzer holds the highest

YoCo Defeats Herd

The Youngstown College Penguins, pouncing on five enemy fumbles that produced three touchdowns, trampled the Thundering Herd of Marshall College 28-13 last Saturday evening to gain their first win of the campaign before a small crowd at Huntington, West Virginia. The Steel City aggregation, out-weighted 20 pounds per man, ran over all their scores in the first half before this disadvantage began to tell. The Big Green suffered their fourth straight defeat of the season after taking the measure of Western Kentucky.

game, a brilliant 231. The boys bowl every Sunday at 4:30 sharp at the Champion Alleys, so if you want to see some fine bowling and team spirit, come on down, O'Brien won't charge you . . . much!
Attention team captains: Joe wants each team to pay for their A.B.C. cards as soon as possible. The fee is \$2.50 per team. See you Sunday.

Latin Rhythms Stressed

(Continued from Page 1)
All public and parochial school music supervisors and students of eastern Ohio and Western Pennsylvania are invited to attend the sessions. The clinic is a service of the Dana School of Music and will be admission free. Registration of guests is scheduled in the music annex between 8:30 and 9:30 Saturday morning.
A complete line of Leedy and Ludwig percussion instruments will be on display.

Penguins vs. Niagara U.

(Continued from Page 7)
my for the '50 season, has been bounced by just about everyone in up-state New York. Buffalo University and Waynesburg, staging torrid battles before subduing to the Eagles, have yet to balance their books for the season.
Coach James Miller, born in the mighty football town of near-by Massillon, Ohio, played under Paul Brown, present mentor of the Cleveland Browns of the National Professional league. Miller was chosen on several All-American teams while playing guard for the Purdue Boilermakers. He took over the head coaching reigns at Niagara last season when he coached a green squad to four wins in a ten game schedule.
The tentative starting lineup for the tussle includes: ends, Roger English, and C. McMahon; tackles, Regis McKenzie and W. Jankowski; guards, Nick Anthony and Paul Loper, and center Bob Sullivan. The starting backfield will have J. Siembida and E. Pacini at halfbacks, J. Theobald at quarterback and J. Russ at the fullback position.

cheering section. Membership to the club is unlimited. Mimeographed copies of the college cheers will be passed out only to those who are in the reserved section.
One ten-cent ticket entitles the

bearer and his date to admission. The reserved section unsold at game time (8 p.m.) will be opened to the public.

OPEN 'EM **SMELL 'EM** **SMOKE 'EM**

JANET LEE, UNIVERSITY OF TEXAS '53
SAYS:

"EASIEST TEST IN THE BOOK"

COMPARE CHESTERFIELD WITH ANY OTHER CIGARETTE!

BEFORE YOU SMOKE THEM
...you can tell Chesterfields will smoke milder, because tobaccos that smell milder smoke milder.

AFTER YOU SMOKE THEM
...you have no unpleasant after-taste.

WHILE YOU SMOKE THEM you get more pleasure than any other cigarette can give you—*that's why millions of smokers say: THEY SATISFY.*
