OUR TEAM

Our basketball team has suffered defeats in all their encounters thus far, but in the last two games have been nosed out by one or two point margins.

Considering all the difficulties confronting Coach Jack McPhee, we certainly have to take off our hat and give him a hand. Coach McPhee has practically a new aggregation.

The new system is difficult for the players too. McPhee, like many other coaches, is having a hard time trying to find the combination which works best together. The team, however, is showing much improvement over the first part of the season.

On Saturday, January 17, the team plays Hiram at the Youngstown "Y" gym. There is quite a bit of rivalry existing between the two schools and you may be assured that there will be a warm battle. The boys on the team are doing their utmost to give our school a good athletic standing and it is our part to cooperate with them and all turn out for the games.

Jimmie Marks and James Chambers report that Bob Mullin has such an angelic expression on his face when he sleeps that they were unable to get any rest the night at Indiana for fear he would pass out while he was so completely happy.

INDIANA 14 - YOCCO 13

In a hair-raising game last Saturday night, Indiana State Normal nosed out the YoCo cagers by a single point. The winning basket was scored in the last minute of play by Studebaker, the brilliant Indiana forward.

The game was close, the score see-sawing back and forth throughout. At the half, the score stood six all.

Boylan and MacDonald showed best for the Youngstown team.

MEN SHOW CONFIDENCE IN TEAM!

Youngstown College men refuse to be discouraged by the record made so far this year by their team. They have resolved to wear mustaches until the team registers a win. The girls are hoping the school will not bear a resemblance to the House of David.

Starting today, the men's fencing squad resumed practice in preparation for a match on January 20, with Wittenberg at the Y.M.C.A. gym. Let's get behind the team before they decide to wear goatees.

Two Youngstown College men have recently been rechristened. Charles Kerins is known as Abner and Dale Johnson is now Little Abner to his pals. Three guesses why.

It is the policy of this paper to remain neutral in all matters pertaining to school or inter-club affairs.

This paper is to be the organ of expression of the school at large and is dependent upon the student body for its material.

It is the hope of the editors that no offence will be taken at the mention of names in other than news items.

We would like to know if crooning to the little blonde in the reference room had anything to do with Red's recent promotion to Technical Librarian.

Doctor Foard tried to pull a One-Eyed Connolly act in Indiana, by crashing a show in the company of Jim Frost. He was gently (?) removed by the management.

YOUNGSTOWN 18 - BUTLER 19

Youngstown College basketeers lost a thrilling battle to the highly touted Paulists of Butler last Thursday night. Trailing 14 to 5 at the half, the Red and Gold came back in the final quarter to hold the Butler team without a field goal.

Inability to make foul shots cost the Red and Gold team the game.

The whole Youngstown team played well, with Jimmie Marks as high point man. MacDonald starred on the defence.

TOPAZ

After a hilarious theater party last Monday evening, the Topaz Club enjoyed themselves at a waffle supper at the home of Josephine Kirchner. Ask Jo Leonard how to break balloons.

SIGMA DELTA BETA

There will be a Sigma Delta Beta meeting Thursday, January 15th, at 12:30 in the clubrooms.

PHI LAMBDA DELTA

Phi Lambda Delta Sorority met Monday night at the school. Routine business was discussed and plans for a Valentine party to be given by the pledges were formulated. Committee in charge will be - Grace Gail, Dorothy Riegel, Mabel Wilson, and Thelma Duffey. Two members for the "Pep" Council were appointed - Beatrice McDermott and Dorothy Riegel. The next meeting will be announced later.

INTERCLASS BASKETBALL

All men interested in interclass basketball, will hold a meeting in Room 2 on Friday, January 14. Intramural sports depend on your attendance.

Wally Gursch says get your stickers at the office. You'll want them - lots of them - for they're a great improvement over last year's.

McPhee, the well known Youngstown College mentor, says that if James MacMillan Chambers wears that bearskin coat again, he is going to get a grindorgan and make some money.

"Stuff" Johnson declares he never saw so many girls at one time as were in the gym at Indiana. There are 1200 girls in the school and only 300 boys. "Stuff" couldn't come anywhere near the basket - he was so flustered. But - they had to be in at 10:00 P.M.

Ida Mae Fulton has been complaining of a bad case of High Blonde Pressure since January 7th.

Have you seen Mickey MacDonald practicing on the Jew's Harp that he bought in Butler? He claims that after six more lessons, he will be able to play "Home Sweet Home" for us.

Oh, Fellows!!! Jimmie Marks claims that those hot pajamas that he wore on the basketball trip were NOT purchased at the Youngstown Tent and Awning Company. He also insists that they are the latest thing for smart young men.

Once again Youngstown College moves forward. Not content with the necessarily limited space allotted to the college in the Spotlight, a few interested students have launched this new paper for your approval. Its success will depend upon you.

If you cooperate by handing in news and other contributions it may be possible to issue the "JANBAR" in regular printed form sometime in the near future. Success to the new venture.
