1908 Youngstown University 1958
Semicentennial

Tuesday, September 23, 1958

Youngstown University, Youngstown, Ohio

VOLUME 34, NO. 1

Convocation First Event In Golden Celebration

Dr. Warren Guthrie To Deliver Address At Convocation

Dr. Warren Guthrie, winner of many awards as the best performer on TV in Cleveland and termed a television "natural" by *Variety*, will be the speaker at the Student Convocation. He is considered to be among the country's top news commentators for his unique style.

Unlike other performers, he uses no teleprompters or similar props and reports the news, selected from the wire services, strictly from memory. His only written aid is a "cue sheet" which is used to remind him of cut-ins such as slides, charts, maps and film clips to highlight his remarks.

Now in its sixth year, the "Sohio Reporter" has received many TV awards for excellence in news reporting. The show was launched in May of 1951, as a parallel to "Sohio Reporter" on radio and by July 1951, it was soon on a statewide network of seven television stations.

Heads Speech Dept.

Guthrie has been a college professor at Western Reserve University for the past twenty years. In his "spare" moments, Guthrie still finds time to be a trustee of Cleveland Hearing and Speech Center, a member of the Cleveland Council on World Affairs, The American Association of University Professors, and The Speech Association of America. He recently served on the editorial board for the "Development of Speech Education in America."

He is married and the father of 13-year-old twins, Gayle and Gary. Guthrie served in the Navy from 1942-1946 and now holds a reserve commission of lieutenant commander.

Four Esquires to Be Feature of Pete Penguin Ball

The annual Pete Penguin Ball, presented by Nu Sigma Rho Fraternity, will be held Sat. Sept. 27, 9-1 a.m. at Idora Park Ballroom.

The "Four Esquires", a top night club and recording group, best known for their recording, "Love Me Forever," will be featured. "Hideaway", their latest attempt, is fast becoming a smash hit. Playing for dancing will be Lenny Esposito and his orchestra spotlighting vocals by Jerry Foster. The master of ceremonies will be Bob Hassey of radio station WHOT.

All college students and the general public is invited. Admission is \$2.50 per couple. Dress is semi-formal.

Joe Vukovich is chairman of the affair along with the assistance of Tom Knight, Nick Pupino, and Ed Hritz.

Dr. Warren Guthrie

YU to Host Second Group Of Steel Trainee Students

Youngstown University will host a second group of 15 steel trainee students of India, assigned to study American steelmaking techniques as part of the Ford Foundation's Indian Steel Training and Educational Program.

The group arrived in Youngstown Sat., Sept. 20, and will commence a full year of study as soon as preliminary arrangements are completed. A reception dinner, in their honor, will be held tonight at 6 p.m. at the Youngstown Club.

The trainees are part of a group of 100 who will study for one year at five colleges and steel companies in the United States.

First Group Leaving

The first group, here for the past year, will wind up their activities by Dec. 1. They have been studying steelmaking at the Youngstown Sheet and Tube Co. and American culture, economics, and metallurgy at Youngstown University. The program consists of spending four days a week at Sheet and Tube, and one day a week at the University.

These students, all graduate engineers, are being sent here by the Ford Foundation's program 'INSTEP' which was designed to assist India in the operation of two new million-ton capacity steel mills now being built. India's second five-year economic development plan is centered around industrial expansion.

Alumni Association To Hold Card Party

The Golden Anniversary Alumni Student Union Fund, established by the Alumni Association, will hold its first annual benefit card party and style show Thurs. Sept. 30, 8 p.m. at Calvin Center, 749 Mahoning Avenue. All proceeds from the event will go to the Golden Anniversary Alumni Student Union Fund.

The event is open to the public, both men and women. Bridge and other card games will be played. There will be door prizes, and refreshments will be served.

Charles Livingston and Sons' will present the style show using alumni and Youngstown University students for models.

Tickets are on sale at the public relations office of the University, 410 Wick Avenue; D'Isa Travel Service, 723 Dollar Bank Building; City Printing Company, 114 South Champion Street; and Attorney T.R. Cubbison's office, 2311 South Avenue. For tickets by mail, telephone Mrs. Myron Groves, SK 7-1338.

YOUNGSTOWN STATE UNIVERSITY
LIBRARY

Awards to Be Presented; Classes Are Dismissed Affair Planned for Palace Theater

In order to begin the celebration of Youngstown University's 50th anniversary, Student Council is "calling together" faculty, students, and alumni in their first convocation.

School will be dismissed Wed., Sept. 24, from 9:45 a.m. to 12 noon. Over 150 faculty members will begin the ceremony dressed in colorful caps and gowns. They will march from the university's campus to the Palace Theater where the program will begin with all students participating.

Enrollment Record Set for Fall Terms; 6,000 Register

A record setting number of students will be attending Youngstown University for the fall term of 1958.

Latest figures indicate well over 6,000 students will have enrolled by the time registration ends. The freshman class of 1,100 broke all previous records of attendance. The number may have been greater but many applications had to be refused because of academic standards.

Departmental figures have not been broken down as yet, but indications are that the Educational School will show the largest gain. The Business, English, and Music, Departments show the same enrollment. Liberal Arts will show a slight drop.

More States Represented

A greater number of out-of-state students have enrolled. Two students are from California, one from Washington, three from New York, one from Connecticut, and several from Florida, especially the Miami vicinity.

Because of the present international situation, only three foreign students were able to attend. In proportion to previous years more upperclass men returned. There was a sizeable increase in transfer students.

The appointment system of registration proved effective in eliminating the familiar long lines and confusion noticeable in recent years.

At the convocation, representing Youngstown University will be the Board of Trustees, President Jones, Deans, Faculty, Alumni and the student body.

Student Awards Planned

Student awards include the Maag Scholarship, R.O.T.C. awards, Omicron Lambda Honorary Biology Fraternity Award, President and Mrs. Jones' Scholarship, awards to the fraternity and sorority with the highest point averages from last semester and numerous other scholarships.

In conjunction with the Student Convocation, all classes will be excused tomorrow, Wed. Sept. 24, from 10-12 a.m. Classes will resume at 12 noon.

The convocation committee headed by Agnes Biscan, Brenda Hayes, and Jim Roof invited Warren Guthrie to highlight the two hour festivities. Mr. Guthrie is a famous news commentator and the head of the speech department at Western Reserve University.

IFC to Hold Meeting

The first Inter-Fraternity Council meeting of the school year will be held today at 11 a.m. in Room 305 of the library. All fraternities are asked to have a representative present.

Sigma Delta Beta Affiliates With Phi Sigma Kappa

Sigma Delta Beta Fraternity of Youngstown University, founded in 1927, has become the eighth national fraternity on campus by virtue of its affiliation with Phi Sigma Kappa national social fraternity.

Sigma Delta Beta became Mu Tetarton Chapter of Phi Sigma Kappa

fraternity on June 8, 1958, culminating a year of diligent effort toward gaining national status. Mu Tetarton is the 65th chapter of Phi Sigma Kappa, which maintains chapters in the Ivy League schools, all Big-Ten schools, and others in the West and South.

Phi Sigma Kappa was founded at the University of Massachusetts in 1873, which makes it one of the "old line" fraternities, being founded before the 1900's. Phi Sig is

member of the National Inter-Fraternity Conference, the governing body of all national fraternities.

Active Alumni Group

Phi Sigma Kappa has a distinguished list of alumni throughout the nation, among them Lou Boudreau, former player-manager of the Cleveland Indians, U.S. Senator and former Ohio Governor Frank J. Lausche, and Frank Gifford, star halfback of

JAMBAR Changed to Weekly

Youngstown University has a weekly student newspaper.

True, it will mean more work for the members of its staff, but most important, it indicates that the university is taking another step in becoming a larger and better institute of higher learning.

Student Council has realized that a bi-weekly newspaper could not cover sufficiently, the activities of an institute whose student body has increased several fold in the past few years. Consequently, the school now compares with large and well known universities in that its newspaper now publishes at least once a week.

However, the policy of this paper will change to encourage individuality on the part of the student, and raise purposeful controversial issues on the campus. It will not include matters which are confined to expected meetings.

Rather, it will attempt to write of the intellectual activity on campus and will print the whole truth and nothing but the truth.

Frosh Boost Apathy Inc

The freshman class, like all freshmen classes before it, has started out on the right foot toward becoming loyal members of the Youngstown University Apathy Club.

The Apathy club consists of those students who indulge in no extra-curricular activities, attend no sports events, have no school spirit, and have no desire to mix socially with other students.

Eight hundred freshmen have partially qualified by going to high-school pig-skin previews, or attending other functions which in no way or manner compared with the college freshman dance held recently. One must remember that social fraternization in college is almost as important as two hours of study time for every hour in class.

Members of the new class should be reminded that they have been segregated from their high schools. They should not, therefore, devote their time to their secondary school, but rather strive to make Youngstown University an institution of a higher caliber.

Stay out of the Apathy Club. There is nothing to gain by becoming a member except the possibility of not being able to meet and talk with friends and associates after that all-important degree is received.

Is ROTC Justifiable?

When he was Chief of Staff of the United States Army, General Dwight D. Eisenhower sent the following message to ROTC men. These words are still significant in the light of current events.

"College trains leaders for tomorrow. Your academic curriculum will provide the background of knowledge essential to effective leadership, but actual practice in leading others is of inestimable value. While you may gain experience in this direction on athletic teams and in various class and campus activities, the ROTC program is a ready-made course, designed and perfected to develop the qualities of leadership required in both military and civil service."

The Reserve Officer's Training Corps exists for the purpose of developing officers in sufficient quantity to provide a corps of all-around leaders for an army that would have to expand rapidly in the event of a national emergency.

So it is at Youngstown University. Established here in 1950, the Corps has continually taken great strides forward to enable men of college age to become leaders in military and civilian life.

Many students not enlisted shun the program because they are unaware of its advantages. In the basic phase, all study is of an on campus nature and involves but three hours of work per week. The advanced course consists of five hours per week on campus plus a six week summer camp.

A cadet receives \$652 for attending class and summer camp in the advanced phase. Upon graduation, he can be commissioned a second lieutenant in some part of the US Army.

Since Congress passed the Reserve Forces Act of 1955, every capable young American faces a military obligation. Upon entering the service, which would you rather be, a second lieutenant or a recruit?

Eligible to Vote? Register Now

With the coming Congressional Elections in November, the *Jambar* would like to remind the faculty and those members of the student body who are eligible to vote that the last day to register is Wed. Sept. 24. If you have not previously voted or have not voted for two years you must register in order to vote in the coming Nov. 4th Congressional Elections.

Voting is both the privilege and the duty of every American. It is the opportunity for the governed to express themselves as to their choice of governors. It is the very keystone upon which democracy is founded.

The Board of Elections will be open Tuesday and Wednesday nights until 9 p.m.

Student Assisted Accident Victim; Must Be Located

A search is being conducted to locate a Youngstown University student whose first name is David, who reportedly aided three students from Steubenville College involved in an automobile accident on Jan. 25, 1958.

The accident took place on Route 19, two miles north of Harlansburg, Lawrence County, Pennsylvania.

It is important that this student be located immediately. The student, or anyone knowing of his identity, is asked to contact Dean Gillespie or the *Jambar* Office.

Graduate Study Test Announced

Educational Testing Service has announced that the Graduate Record Examinations, a requirement for admission to a number of graduate schools and for graduate fellowships, will be administered on the following dates: Nov. 15, 1958, Jan. 17, Apr. 25, and July 11, 1959.

ETS advises each applicant to inquire of the graduate school of his choice which of the examinations he should take and on which dates. The GRE tests include a test of general scholastic ability and advance tests of achievement in sixteen different subject matter fields. Candidates are permitted to take the Aptitude Test and one of the advanced tests.

A Bulletin of Information may be obtained from college advisors or directly from: Educational Testing Service, 20 Narsaw Street, Princeton, New Jersey, or P.O. Box 27896, Los Angeles 27, California. Your application must reach the ETS office fifteen days before the desired administration date.

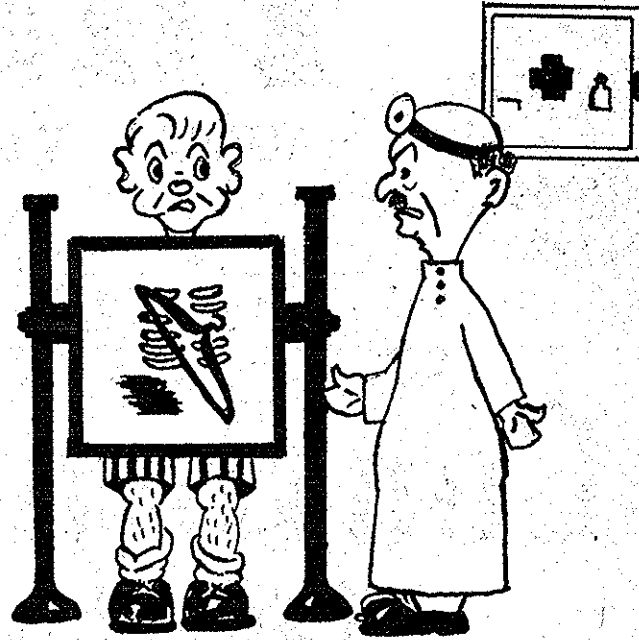

Veterans Are Eligible To Re-enter Training

Mr. Paul R. Kilfoyle, manager of the local Veterans Administration Office, 1218 Union National Bank Bldg., announces that effective August 15, 1958, it may be possible for veterans who had an interruption date in excess of one year, and their delimiting time has passed, to be re-entered in training.

Letters Welcome

Members of the editorial staff of *The Jambar* welcome letters from students and faculty. The editor reserves the right to cut items, however, if they are too lengthy or unnecessary.

Letters must be signed, but upon request, names will be withheld from publication.

I was in the Snack Bar and somebody pushed me ... that's how it happened.

Coat Racks Again Placed In Position of Confusion

To the editor:

Organization and modernization are on the move. Their effects can be seen in all corners of the campus -- except in the Snack Bar. Why? Because the coat racks are back. Student Council moved them last year to convenient and inconspicuous places around the room,

but we return this semester to find them again in the middle aisle. Because of these illplaced structures we must endure utter chaos which turns civilized students into barbaric shovers and scramblers. We are jabbed, stabbed, tripped and showered with sprays of spilled coffee.

The between-class coffee break is now an established institution on all campuses. It is a time for relaxation and social intercourse. In our Snack Bar, however, it is impossible to enjoy a cup of coffee without excessive noise and crowded conditions due to the confusion caused by crowded aisles.

We don't want to make this an annual complaint, but it seems as though it will be necessary. So Student Council if you will again this year --

Sincerely yours,
A Student

Gratitude Expressed For Freshman Days

To the editor:

We wish to extend our thanks and appreciation to the faculty, students, and student organizations, and all others who helped make Freshman Days successful and interesting to all who attended.

We especially wish to thank the chaperones, Alpha Pi Epsilon Service Sorority and the many offices of the University for their aid in the preparation and planning of the program.

Sincerely,
Mike McCarthy
Fred Anderson
Co-chairmen of Freshman Days

Students Must Return Yellow Activity Books

The following students were issued yellow activity books during registration. The ticket office requests that all individuals concerned return these books to the ticket office on Wednesday, Sept. 24, 7-9 pm, Friday, Sept. 26, 10-11 am and 2-4 pm, or Tuesday, Sept. 30, 1-3 pm, and they will be replaced with the correct books.

The students are:

Anderson, James L., Balzic, John W., Calo, Angie M., Chumita, George R., Conley, Stanley J., Conteauarie, Luca., Crosbie, Dick J., Csejely, Imre Cornel., DeForest, Nancy L., Di Loreto, Larry J., Dorling, Barbara E., Dunn, Kenneth R., Dunn, Victor S., Duritza, Charles J., Florenza, Ada M., Gwin, Richard K., Hammar, Robert F., Hill, James V., Hrofazzo, Tom F., Hogen, Gloria B., Holmes, Lowell J., Hutchison, Jack L., Iachini, Robert R., Jay, Edward J., Jefferies, Donald G., Jonesco, Marlene K., Kane, Jim J., Kennedy, Glenn H., Kling, Robert J., Kolesar, Charles W., Kremasky, Ronald, Kyle, Howard H., Lambert, Larry G., Lo Grasso, Francismarie, H., Loque, Patty L., Lucas, James G., Lusk, Wylie H., Lyons, Joseph P., Lysowski, Robert J., McCreary, Arthur C., McDermott, Loyal B., McIntyre, Jim H., McMahon, Richard P., Melek, John R., Micchia, Frank A., Mika, James S., Moore, Jane E., Morgan, Ronald Y., Murphy, Lucy M., Ohlin, Ronald J., O'Malley, Edward J., Oskorip, Walter E., Opalenik, John R., Parm, Donald J., Pesut, Robert N., Petrasky, Wm. E., Pleso, Donald W., Porrini, Gerald L., Querriera, James L., Reeser, Don R., Robertson, Ronald H., Rohovsky, Joseph E., Roman, Rudolph., Rowan, James D., Ryan, George T., Sampson, Donna L., Sanders, Janet M., Sanders, Robert J., Schlvetter, Henry., Schrack, Wm. R., Shook, Thomas G., Splain, Cornelius I., Stanekewich, Andrew W., Sizza, Dianna J., Strubalik, Richard S., Sullinger, Thomas H., Szabo, Steve Jr., Taylor, Thomas J., Jr., Thomas, Robert D., Thompson, Florine, Trimbur, Wm. C., Vivolo, Jay C., Wechbacher, William E., Wonderlich, Gilbert E., Young, Charles E., Zaidman, R., Zamary, Jim J., Zins, Robert P.

The yellow books are useless. Please return at once.

"I like lectures if they are not over my head."

"I feel the same way about pigeons."

Youngstown Squad Defeated By Ohio University Gridders

Ohio University rambled to a 38-0 shutout over the Youngstown University Penguins last Saturday at Athens, Ohio. The Bobcats were no match for "Dike" Beede's gridders. O.U.'s linemen were hitting very hard and the speedy backs were running equally as hard.

Ohio University kicked off and Youngstown's Ray Carter received the kick. Carter gained a few yards and was dropped immediately. The Bobcat's hard charging line held Youngstown forcing them to punt, with O.U. taking possession of the ball. In a series of plays the Bobcats hit pay dirt

making the score 6-0. O.U.'s quarterback, Chuck Stobart, failed in the attempt for the point after touchdown.

On the kickoff, Larry Jordan received the ball, and when tackled, fumbled with Ray Carter recovering. The Bobcats forward wall once again held the Penguins as the first quarter ended. With 12:15 left in the second quarter, Chuck Stobart of Ohio University scored for the second time, making the count 12-0, O.U.'s favor. This time the extra point was good giving O.U. a 13-0 margin.

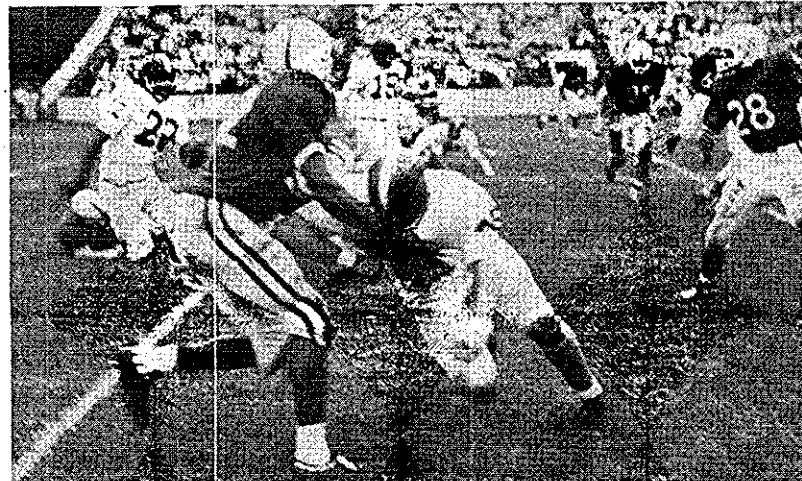

Threatens Again

O.U. kicked off once again and Youngstown took over the ball. The ball changed hands a couple of times and soon O.U. was knocking at the Penguins front door again. The Penguins held and recovered an O.U. fumble on the 1 yard line. Youngstown's Paul Ceremuga, in an attempt to kick out of trouble, stepped out of the end zone for an O.U. safety, making the score 15-0.

The Penguins held O.U. scoreless in the 3rd quarter. In the 4th quarter the ball changed hands once again. The Penguins passing attack started to click but an intercepted pass stopped the forward march. O.U. took over possession of the ball and rambled to another T.D., with Stobart scoring on a 6 yard end run. The extra point was good making the count 29-0.

Make Final T.D.

The final T.D. was scored by Sargent on a 3 yard plunge after a march of 29 yards. The point after the touchdown was good making the final score 38-0 in favor of the Ohio

Unidentified players from Youngstown and Ohio Universities look as though they can't find the ball. The Bobcats defeated the Penguins, 38-0.

University Bobcats.

For Youngstown, it was the worst opening day defeat in the history of the school. The Bobcats were stronger and had depth in many of their positions. They had fresh boys in the game constantly. Mervin Spencer, former South High School athlete, showed fine form on defense along

with Abdo, Arlow, Tom Richards and Ray Carter.

Coach Bill Hess of the victorious Bobcats commented, "Our boys made less mistakes than Youngstown, and mistakes can hurt any ball club. The Penguin's offense is a lot harder to teach. It takes a lot of intricate ball handling, but Youngstown put up quite a fight."

Rosselli Outlines Intramural Sports Agenda for Year

For all the eager, ambitious, fun-loving sports enthusiasts among the male gender of YU's student body, we have just the ticket in the intramural sports program.

The intramural sports program is open to any and all male students enrolled at Youngstown University. It offers to all sport lovers the opportunity to participate in an organized, competitive league composed entirely of fellow students. All that one must do to belong to any of the leagues is organize a team, send a representative of the team to the meeting when it is called and Coach Rosselli will handle the rest.

The 1958-59 program will include competition in five different fields of endeavor. First on the agenda will be the bowling league, which will hold a meeting of all team captains or representatives from any team interested in joining the league on Oct. 4, at 12, in the athletic office located in the Tod Hall. The keggers will do their pin scattering every Sunday afternoon at the Champion Recreation Center, near the YMCA. Trophies will be awarded to the members of the team capturing top honors at the end of the season.

Basketball Next

Basketball will be the second sport to occupy the spotlight. The "tall man's game" will probably start some time during November or as Coach Rosselli put it, "Whenever the basketball fever starts to take hold." All of the action will again take place at the Christ Mission gym as it did last year.

The outdoor sport enthusiasts are not forgotten either. As soon as spring with its warm sunny days rolls around again, you can look forward to some busy activity in the intramural program with three types of competition sharing the limelight.

Intramural sports afford each participant immense enjoyment and good clean fun, a chance to enjoy the thrill of being engaged in competitive sports, and the opportunity of meeting new people and making new friends. So, if you want to share in the advantages afforded by the intramural program, why not start right now?

QUI'S QUIPS

There's an old adage about the weather that goes something like this: everybody talks about it but nobody does a thing about it.

A simile could read everyone talks about school spirit but nobody cheers.

So there hasn't been an opportunity to show school spirit yet this year. Well there has been many chances in the past ---we've muffed them all. If there were a teacher present, Youngstown University wouldn't even receive a "withdrawn."

The school baseball team won the State Championship last spring. At the championship game played at Pemberton Park, not more than 50 pupils were in attendance to see the top small college baseball teams in the state. The loyal baseball fans in the city outnumbered the University students.

Football Cheering Nil

Football is a horse of a different color. The attendance is good. But the cheerleaders, who spend hours preparing to "lead" the yells, end up carrying the entire cheering load. By the way how many of the readers know the school Alma Mater?

We can't wish for more school spirit, we must supply it. Our interscholastic athletic program expands and improves with each passing year. We've had more than our share of top calibre athletic squads at Youngstown in the past three years.

Let's show the coaches at Youngstown University we're behind them. School spirit isn't like the weather. We're capable of doing something about it.

Penguin Line-up Intact

The Penguins starting lineup is sprinkled with holdovers from last year's team which compiled a mediocre three win, six loss mark. Ray Carter has started his fourth year as a regular halfback in Coach Dike Beede's "A" formations. John Abdo, out with a broken leg after the second game of the 1957 campaign, has switched from guard to center in the Youngstown forward wall without a great deal of difficulty.

John Krafcik and John Armeni fulfill the tackle assignments again this year. Mike Giambattista, after much action last year, has gained a first team spot this year. Three stellar guards, Jim Sevenich, Pete Arlow and Ed Howley team with Abdo to give Youngstown a strong up the middle defense.

Weight is lacking. Krafcik and Armeni are both over 200 pounds. For college ball the backfield is small. Paul Ceremuga, Tom Richards, and Frank Hanzas scale around 180 with Carter slightly lighter.

Logically they must rely on speed. Carter and Richards both run the 100 yard dash in 10 seconds with Carter two steps ahead. Ceremuga has deception to make up for any speed which he lacks while Hanzas is a magician with the football.

Behind Hanzas at quarterback are two former first stringers, Mike Santor and Jerry Cox. Both have the ability to move into the starting lineup. Jim Richards and Harold Green round out the top quintet of field generals locals have seen in recent years.

Freshman Group Impressive

A fine freshman group led by Jim Richards, Merv Spencer of South and Youngstown all-city fame, Ronnie White of Ursuline, Nate Murray and Jerry Stumpo have caused Beede much pleasure.

Spencer is understudying Carter while Murray and White are numbers one and two behind Tom Richards at fullback.

Larry Jordan, Tom Smolanovich and Jim Rich, a guard on last year's squad have been vying for the remaining end position.

Ed Yaugo and Tom Deley will back up Krafcik and Armeni at the tackle spots. Both were impressive in preseason drills. Tony Lucente is second team center and a capable replacement for Abdo lacking only experience.

Penquin Grid Squad Journies To New Haven

The Youngstown University football squad takes its longest journey of the season, a 517 mile jaunt to New Haven, Connecticut, this Saturday to tangle with the New Haven State aggregation.

The Eastern squad, which has had several undefeated seasons the past few years, will play the Penguins in an afternoon contest.

This will be the second of three road games this season for "Dike" Beede's gridders. The Youngstowners play their final game of the campaign in the Glass Bowl when they tangle with the Toledo University Rockets on Nov. 15.

Leave Friday Morning

The Penguins will leave Young-

stown for New Haven this Friday morning. An afternoon practice and meal is slated for the locals somewhere along the way. At New Haven the team will be quartered at the Dixon Hotel.

All Penguin road trips for this season will be made by bus. Last year the Penguins divided their traveling time between buses and airplanes. The longest trip was the November air jaunt to Texas to play North Texas State.

Intra-mural Bowling To Commence Soon

All teams wishing to enter the Intra-mural Bowling League are asked to send either a team captain or a representative to the first meeting of the year to be held on Sun. Sept. 28, at 2 p.m. at the Champion Alleys.

President Ed Wall has announced the league will begin as soon as all teams are enrolled.

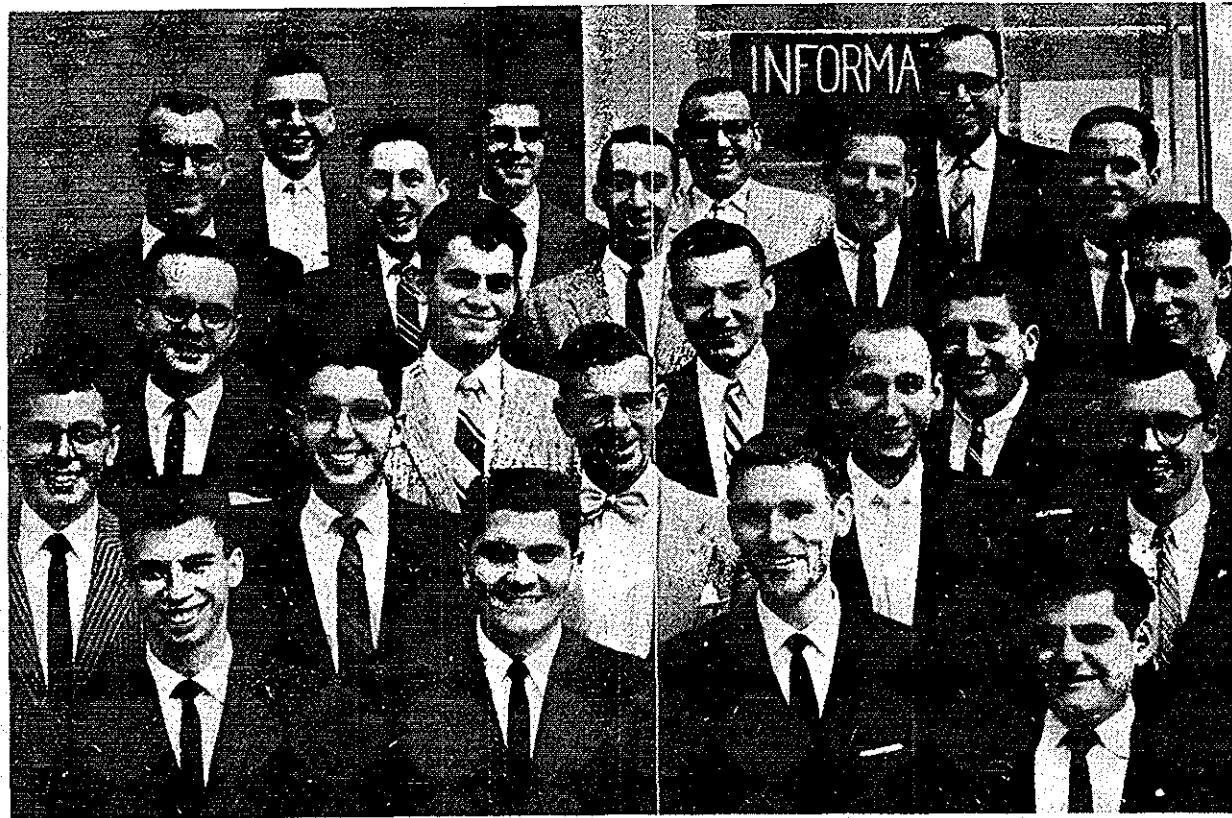

Gosh frosh!

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the hep drink on campus, I mean. Always drink it, you say? Well—how about dropping over to the dorm and downing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.

Bottled under authority of The Coca-Cola Company by
COCA COLA BOTTLING CO. OF YOUNGSTOWN, O.

Members of Phi Sigma Kappa Fraternity, the eighth national social fraternity on campus, are pictured above. Originally the Sigma Delta Beta Fraternity, the group gained national status last June.

Phi Sigma Kappa

(Continued from Page 1)
the New York Giants pro football team.

A leading local personality, Lester J. Mauthe, Chairman of the Board of the Youngstown Sheet and Tube, and a member of the Board of Trustees at Youngstown University, was a Phi Sig at Penn State University, where he played football and was a recently elected member to football's "Hall of Fame."

President Jones Speaks
At the formal installation banquet, held in the California Room of the Victoria Cafe, many dignitaries spoke. Among those present from the University were Pres. and Mrs. Howard W. Jones, Dean and Mrs. John Gillespie, and the fraternity's

advisors, Mr. E.T. Reilly and Mr. Jack Whitelock and their wives. Each spoke on behalf of the University.

Herbert L. Brown, Executive Secretary of Phi Sigma Kappa Fraternity, and John Pfal, Director of Region IV, spoke on behalf of national headquarters.

Would-Be Lawyers Prepare for Exams

The Law School Admission Test, a requirement for entrance into American Law Schools, is scheduled at more than 100 centers on the following dates: November 8, 1958; February 21, 1959; April 8, 1959 and August 1, 1959.

The test, which is prepared and given by the Educational Testing Service, includes objective questions

measuring verbal aptitudes and reasoning ability. Cramping is not advised for this test.

A bulletin of information concerning this test can be obtained from: Law School Admission Test, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey. Applications must be submitted two weeks before the desired testing date.

ROTC Enrollment Largest in History

Lt. Colonel Hummel, Professor of Military Science and Tactics, announced today that the enrollment of students in the ROTC Program was the largest in the history of The Youngstown University. A total of 196 Military Science I students have already enrolled from the Freshman Class and this has also set a new record for first year students.

All told, some 367 cadets have signed up for participation in the program which, when satisfactorily completed, will lead to a commission in the United States Army Reserve.

Lt. Colonel Hummel wanted the news publicized that despite the large number of students participating in the program, no ROTC classes are closed and additional cadets will be accepted in either the basic or advanced courses of instruction until Oct. 3, 1958.

Any information desired relative to the ROTC Program may be obtained from any member of the staff of The Department of Military Science and Tactics - Pollock House - telephone Riverside 4-8451 Ext. 27.

Greek's Averages Are Compiled

Cumulative point averages of the fraternities at Youngstown University have been compiled and are as follows:

1. Theta Chi - 1.5705
2. Phi Gamma - 1.5671
3. Tau Kappa Epsilon - 1.5000
4. Nu Sigma Rho - 1.4900
5. Phi Sigma Kappa - 1.4900
6. Tau Omega - 1.4500
- All fraternity average - 1.4425
7. Omega Phi Psi - 1.4400
8. Zeta Phi Eta - 1.4300
9. Kappa Alpha Psi - 1.3600
10. Alpha Phi Delta - 1.3600
11. Sigma Phi Epsilon - 1.3500
12. Kappa Sigma Kappa - 1.3100

ONCE MORE UNTO THE BREACH

Today begins my fifth year of writing this column, and what an eventful five years it has been! What things have these old eyes not seen! What great discoveries have rocked the world—the anti-proton, for instance, and the anti-neutron, and high-low split, and Brigitte Bardot!

In these five years it has also been discovered that American smokers like two kinds of cigarettes—filter and non-filter. The Philip Morris Company makes both kinds. I mention the Philip Morris Company because they pay me to mention the Philip Morris Company. They sponsor this column. I write it and then they give me money. Then I take the money and pay my grocer, my butcher, my gardener, and my four madrigal singers. In this way full employment is maintained and we avoid a repetition of the Panic of 1873 when bread riots killed over 98 million people in Muncie, Indiana, and millions of others were reduced to ghost-writing Ph. D. theses to keep body and soul together.

But enough of gloom. Let us get back to cheerful subjects, like the products of the Philip Morris Company. For those of you who wish filter cigarettes there is Marlboro, which now, more than ever, gives you a lot to like—a brand new improved filter and a wonderful flavor that comes breezing right through. For those of you who wish non-filter cigarettes, there is Philip Morris, a mild natural blend, flavorful, fresh, and thoroughly agreeable. For those of you who can't decide between filters or non-filters but have an affinity for packages, I should like to point out that both Marlboro and Philip Morris come in both the crushproof Flip-Top Box and the good old-fashioned Soft Pack, and you will surely want several of each for your collection.

Speaking for myself, I smoke both Marlboro and Philip Morris in both packs. What I do is make kind of a fun thing out of it. In my bedroom I have four signs, one on each wall, which say in turn: "PHILIP MORRIS—SOFT PACK", "PHILIP MORRIS—FLIP-TOP", "MARLBORO—SOFT PACK" and "MARLBORO—FLIP-TOP". When I get up in the morning I put on a blindfold and then my faithful cat Rover spins me around six times and then, with many a laugh and cheer, I walk forward with my finger outstretched and the first sign I touch is the cigarette I smoke that day!

As you can imagine, this little game has been a great source of merriment to Rover and me, except for one untoward incident one morning. I was stumbling around in my blindfold and fell out the window right on top of a man named Fred R. Timken, a census taker, and broke all his lead pencils. He was cross as a bear, and though I offered him both Philip Morris and Marlboro in both the Flip-Top Box and Soft Pack, he refused to be mollified. In fact, he refused to put my name down in the census, so when you read population figures of the United States, will you please add one?

But I digress. We were speaking of Philip Morris and Marlboro who will bring you this column throughout the school year. In this space I will take up vital aspects of undergraduate life, like high-low split and Brigitte Bardot, and it is my fondest hope that the column will be half as much fun for you as it is for me.

The makers of Marlboro and Philip Morris welcome you to another year of fun and games from Old Max, and another year of good smoking from us. Filter or non-filter, pick what you please—and what you pick will please you.

Art Club Posts Election Results

Newly elected officers of the Art Club for 1958-59 are, Jacque Jones, President; Sandra Stephens, vice-president; Ed Stizza, treasurer; and Connie Rini, secretary; The committee heads are Social Chairman, Joyce Bailey and Publicity, Shelby Heakin.

The next meeting of the Art Club is Wed., Sept. 24, at 4:00 p.m. in West Hall. All interested in becoming members are urged to attend.

Ruth rode on my motor-bike,
Directly back of me;
I hit a bump
At sixty-five,
And rode on ruthlessly.

RIL Sponsors Reception

Religion in Life will sponsor a Student-Faculty reception Sun., Sept. 28, 8-11 p.m. in the Fellowship Hall at the First Christian Church. Anyone interested in joining RIL is welcome. Entertainment will be provided, followed by refreshments.
There will be a housewarming at Rev. Linder's residence, 634 Bryson St. after the reception.

Looking Around...

John Poulson Sam Sanfillipo

More backstraps, less pegged pants, more saddle shoes, less spades, and study, study, study. Usher in another new year for dear old Y.U. But one thing is for sure. The same old, crabby, and notorious Jambar editor is still with us.

"New policy this year," he says. "Either I like this column or I don't. If I don't, your days are numbered," he tells us.

With these instructions we will hereby attempt to write a column to please the big, bad man.

Has anyone seen a little red tow truck with a bubble-gum machine on top of it bearing the name Giovanni Petraccabli scrawled on the side of it lately.. We bet the faculty members haven't!

Our instructors seem so pleasing this year. All we've heard so far this year is, "Are you two still around?" This can get embarrassing after 7 or 8 years. We guess they just don't appreciate good students.

Overhead in the Annex the other day, "What (bang, bang) did you (bang, bang, bang) say, professor?"

Did anyone hear about Pat Hrinko's engagement?

Also, did anyone hear about a certain contest up at the lake? The news is some heard about it but some don't remember it!

Hi John: Got a cigarette?

From the article of IN and OUT: There are two kinds of things in this world, IN and OUT. There are two kinds of people in this world, IN and OUT. Some OUT people try to get IN by saying that they like IN things but since OUT people can never be IN, they can only manage to louse up some good IN things. (More later.)

CMMS III has a new stock of Fraternity pins. Watch out you frosh lovelies.

Actually they don't have to worry since Mickey's only letting them out of the office for classes. (Journalism classes.)

We saw all those people in the office and thought they were giving out parking lot passes. Now look at us. Later!

Harry S. Truman is IN. Nathan Leopold is OUT. Joan Crawford is a problem. For real IN smoking try a plain-tipped, non-filter, short cigarette. (Thanks, John.)

Then too the coat racks in the snack bar could be IN if they were OUT, so far OUT they could never be brought back IN.

As a parting note, congrats to the 58 Grads who got the only job we know where to start at the top ... Digging Ditches.

Deadlines are OUT.
