

THE JAMBAR

Friday, May 24, 1957

Youngstown, Ohio

VOLUME 31, NO. 8

Seely Is Elected Pres. of Student Council

Don Seely, who will be a senior history major next year, has been elected president of the Youngstown University Student Council for the fall semester, 1957. A three year veteran of Council, Seely was unanimously elected by the members of council who were recently elected by the student body early this May.

Other officers who were elected are: Renny Domini, vice-president; Janice Georges, secretary, and Clive Unger, treasurer.

Seely is a member of the Tau Kappa Epsilon fraternity, RIL, and is on the JAMBAR staff.

Domini, an engineering major, is a member of the Theta Chi fraternity, and the Phi Epsilon chemical fraternity.

Is Pre-Med Student

Janice Georges is a freshman pre-med student and is a newly installed member of the Phi Lambda Delta sorority.

Unger, an accounting major, is president of the Sigma Delta Beta fraternity, president of the Alpha Tau Gamma honorary Accounting fraternity.

The new officers will preside at the first meeting of Student Council next September.

DONALD SEELY

Gamma Sigma Becomes Sigma Sigma Sigma

Will Be Installed Tonight At Pollock

Gamma Sigma local sorority is to be formally dissolved when its members will be installed as active members of Sigma Sigma Sigma national sorority, tonight at Pollock House.

The members were installed as pledges of Beta Psi chapter of Sigma Sigma Sigma at Pollock House, Wednesday evening, May 15, 1957, by Mrs. J. Hyde Crawford of Florida, who is national alumnae secretary of Sigma Sigma Sigma. Violets and green ferns decorated the blue room of Pollock House for the formal installation.

Mrs. Crawford is the guest of Mrs. Ruth Wilder, president of the alumnae chapter in Youngstown, in her home at 3603 Hudson Drive. During her stay here, Mrs. Crawford will consult with Dr. J. E. Smith dean of the University and Mrs. Olive McCarty, dean of women.

Mrs. J. E. Smith of the university and Evie Downie an alumnae member are the advisors of the group. Founded in 1898

The Sigma Sigma Sigma national sorority was founded April 20, 1898 at the State Normal School of Farmville, Virginia (now called Longwood College).

The eight founders of the sorority were women preparing for the teaching profession. They were: Sallie Michie, Lucy Wright, Louise Davis, Isabel Merrick, Margaret Batten, Martha Trent Featherston, Lelia Agnes Scott, and Elizabeth Watkins.

Tri Sigma consists of some 72 chapters throughout the United States and its membership amounts to around 20,000. The motto of Tri Sigma is "Faithful Until Death." The sorority's colors are violet and white and the sorority flower is the violet.

Three Students Will Attend Med. Schools

Three pre-med students of Youngstown University have been accepted at various medical schools in the United States. They are: David M. Viselt, Richard T. Niskiewicz, and Ronald L. Nagy.

Viselt has been accepted at the Des Moines Still College of Osteopathy and Surgery at Iowa. At the University, he is a member of Omicron Lambda, American Chemical Society, Chess Club, RIL, and the Make Democracy Work Club. He is a graduate of Farrell High School.

Niskiewicz has also been accepted at Des Moines. At the University, he is a member of Omicron Lambda, Newman Club, and the Sigma Phi Epsilon social fraternity. He is a graduate of Liberty High School.

Nagy has been accepted at the Stritch School of Medicine of Loyola University in Chicago. He is a graduate of Ursuline High School and at the University he is active in the American Chemical Society, Omicron Lambda, Newman Club, and Sigma Phi Epsilon fraternity.

Discipline Committee Warns Students About Lib. Property

By Olive P. McCarty

Chairman, Faculty-Student Discipline Committee

The Faculty-Student Discipline Committee, composed of four members of the faculty and the three members of the Student Council Discipline Committee, has been holding bi-monthly meetings this semester to study a problem referred to it by Mr. James W. Pirie, the University librarian.

The complaint involved the removal of pages from bound copies of magazines. The committee wishes to inform the student body that it views such deprivations most seriously and is prepared to act on them whenever they arise.

Can Impose Penalty

The committee is empowered to impose any penalty, up to expulsion from the University, and to recommend to the President that a student be expelled. The state law provides:

General Code of Ohio - Paragraph 2909.10 DESTROYING BOOKS OR PAINTINGS

No person shall intentionally deface, obliterate, tear, or destroy, in whole or in part, or cut or remove an article or advertisement or any page or part of any scientific material, newspaper, book, magazine, or periodical belonging to another person, association, corporation, or public library, or intentionally deface, obliterate, or destroy in whole or in part, any picture, painting, sculpture, statue, monument, or any work of art or reproduction of a work of art, belonging to another person, association, corporation, museum, or public library.

Whoever violates this section shall be fined not more than \$500 or imprisoned not more than thirty days, or both.

fraternity, Student Council, Business Manager of the JAMBAR, Distinguished Student in the ROTC program, co-chairman of the 1956 Homecoming and 1957 Military Ball, a member of who's who, and an Honor Student.

Bradburn Elected Pres. Of International Assoc.

Having recently held elections for the coming year, the International Students Association elected Brad Bradburn president. Other officers elected were: Vice-President, Bong Lee; Treasurer, Frank Fisher; Secretary, Pete Sloan.

The Association will hold a picnic on June 8. Cards will be sent to the members notifying them of the time and place. Everyone is invited.

Civil Engineers Hold Banquet

The Youngstown University Society of Student Civil Engineers held their first Installation Dinner, Wednesday evening, April 24 at the Wickwood. The dinner was arranged by Ronald Saunders, chairman of the affair.

The guest speaker of the evening was Mr. Philip J. Richley, assistant city engineer of the City of Youngstown and part-time instructor at the University. Mr. Richley's topic "Opportunities for Civil Engineers" was presented.

The newly elected officers who will preside this coming year are as follows: president, Lincoln Snyder; vice-president, John Latell; secretary, Don Baird; treasurer, Jack Howells.

The outgoing officers included, president, Michael Solomon; vice-president, Bruno Gaspari; secretary, Louis Petruska; treasurer, Edmund Salata. Thomas Masure, the society's advisor, will be leaving for the Armed Forces.

A NEW ENGLAND newspaper recently published this announcement: In case you find mistakes in this paper, please consider they were put there for a purpose. We publish something for everyone, and some folks are always looking for mistakes.

Mondok Awarded Scholarship to Pitt

BOB MONDOK

Robert P. Mondok, a senior majoring in advertising, has been awarded a full tuition scholarship to the University of Pittsburgh's School of Retailing. He plans to do graduate work in Merchandising and Advertising.

The son of Mr. and Mrs. Rudolph Mondok, 524 Pargny Avenue, Farrell, Pa., Bob is active in extra-curricular activities here at Youngstown.

He is a member of the Tau Kappa Epsilon fraternity, Alpha Mu Honorary

Sigma Alpha Iota Elects Slicker Pres.

Miss Jeanne Slicker, a junior majoring in music, has been elected president of the Alpha Nu chapter of Sigma Alpha Iota National Professional Music fraternity at the Dane School of Music.

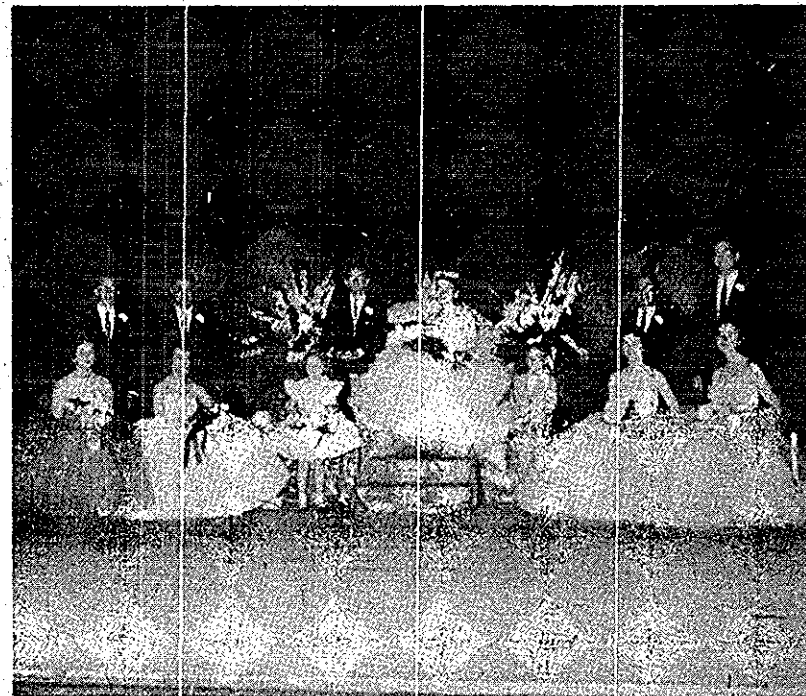

Miss Slicker is the daughter of Mr. and Mrs. H.A. Slicker, 132 Brainard Drive in Youngstown. She is a graduate of Boardman High School and at the University, is a member of the Beta Sigma Omicron social sorority.

The other officers that were elected were: Regina Hopfel, vice-president; Eya Pia, recording secretary; Beverly Sanker, corresponding secretary; Marjorie Byers, treasurer; Elizabeth Zaborsky, editor; and Lois Slicker, sergeant-at-arms.

Drivers, Take Notice!

The Youngstown Police Department is initiating action against all cars parked in the parking lot between Elm, Lincoln, and Arlington Streets.

May Day Royalty

Reigning over the annual May Day festivities, May Day Queen, Marianne Kaloscky, with her court strike a royal pose for the JAMBAR photographer. The court, with their escorts are (l to r): Barbara Knott with Jack Shaffer; 1956 May Day Queen, Cookie Korody with Joe Nohra; Queen Kaloscky with Bill Moore; Pat Casey with Nick Pupino; and Loreta Liptak with Dick McLaughlin.

The Campus Voice

By Patty Jo O'Brien

Youngstown University is not a campus school. By this is meant that the students attending Y.U. do not live on campus in dormitories or fraternity and sorority houses. There are definite advantages and disadvantages in attending a college in which the students must commute daily.

PEGGY TILLER

Peggy Tiller, who lives in one of the boarding houses around the school feels that the location of the University has its advantages and disadvantages. Peggy states, "Y.U. is located in the center of the business and industrial district of the town."

"This provides the students with ample opportunity to find employment to help finance them during college. On the other hand, the location also presents the students with many outside interests which interfere with school affairs, thus the students do not receive a great many of the cultural and educational opportunities that the school offers them."

VINCENT CREPS

Vincent Creps says, "It is definitely to the students disadvantage not to be able to attend a campus college. The major disadvantage is the lack of school spirit among the students. Students interests are concentrated on various activities outside the school. The students do not have a strong interest in the events of the school."

BILL BEEMAN

"The big advantage of attending a commuting school is the time element. After you are done with classes, your time is your own. But, students on campus schools gain more responsibility by living away from home."

"Youngstown offers its students everything that larger schools have to offer as far as educational facilities are concerned, but it cannot teach the student how to be independent of family aid."

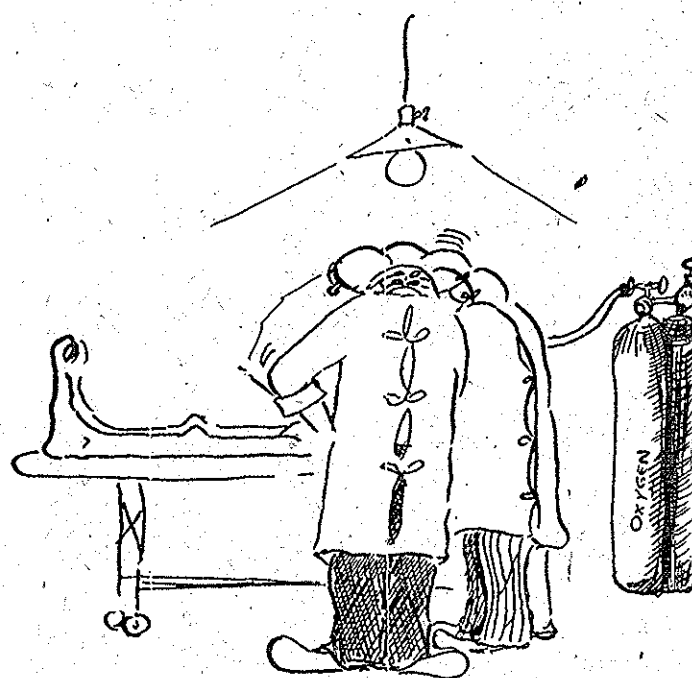

GLORIA KATULA

"A school in which the students commute gives people, who would not otherwise have the opportunity to attend college, a chance to take college courses. However, attending a campus college helps to develop responsibility and independence in an individual."

"Students on campus schools also have more time for study. Students at Youngstown have little time for study, as most of them work full-time or almost full-time."

FRUSTRATION:

When you started reading
This you thought it
Was a poem; by now
You see you
Were quite mistaken: But isn't it
Funny how people will continue
To read something even
When they know they're
Being fooled?

ENGINEER'S ANGLES

By Two Engineers

The student chapter of the A.S.M.E. was treated to a free steak dinner by the parent chapter May 10. To insure a large turn-out, free drinks were served before dinner. Congratulations are in order to the new members of Sigma Tau honorary engineering fraternity who were installed May 18.

The new members are as follows: Ray Snyder, Donald Baird, John Latell, Ted Boop, and M. Wilder. Congratulations also to Andy Bernard who won the Sigma Tau raffle; the prize was \$50.

With finals at the half way mark, everyone is going around with their eyes closed in order to keep from bleeding to death. If you should see clouds of smoke pouring from the Engineering school, don't be alarmed. It's only Ralph Dills with a hot slide rule.

Dick Zbell has been staying up late at nights and cutting his classes so he can finish all his lab reports he's never handed in all semester.

After finals, see you at the ewe ranch...?

Mudge: But this officer says that while you were in a drunken state you tried to climb a lamp-post.

Culprit: Yes, I did, your Honor, but three alligators had been following me about all night, and they were getting on my nerves.

REVEALED

Sophomore Sophisticate: My age is my own business!
Fratty Freshman: You've been in business too long!

End Of The Year Editorial

With finals already in progress and the end of the semester in sight, the time has arrived for the annual "End of the Year" editorial.

Such an editorial was written in the last issue of the JAMBAR last year, but it seemed to be lacking in something. This year has been different, in almost every respect. Just to name a few:

The basketball team won the NAIA championship in Ohio and went on to do well at Kansas City; the golf team placed sixth in an all-colleges in Ohio toumey; the JAMBAR won a total of four awards at journalism conventions throughout the year; numerous students have been accepted at graduate schools throughout the country; social activities have reached an all-time high in attendance; etc.

In an editorial written earlier this year, the question of school spirit was harshly attacked. It is the staffs opinion that this spirit has reached a phenomenal peak during the year and that it is continuing to rise. We hope that it will not fall.

It was the purpose of this newspaper staff to help the administration, student body, and the citizens of Youngstown put the ever growing Youngstown University on the map where it would mean something to all who saw its name. We think that it has been accomplished in part.

The bulk of the job is now partly accomplished. This means that the slightest bit of over confidence could spell disaster for us.

We are now close to the top. Its our job to stay there. This can only be accomplished through the combined efforts of the entire student body of Youngstown University. Be proud of the fact that you are a student here and let it be known to all.

The JAMBAR will see all of you next year, although under new leadership. Our job of serving you this year has been a pleasant one and we wish to thank all of you who were so cooperative with us.

HORIZON

IT'S FOR REAL! by Chester Field

OUR LAWLESS LANGUAGE*

The laws that govern plural words
I think are strictly for the birds,
If geese in plural comes out geese
Why are not two of moose then meese?
If two of mouse comes out as mice
Should not the plural house be hicc?
If we say he, and his, and him,
Then why not she, and shis, and shim?
No wonder kids flunk out of schools
... English doesn't follow rules!

MORAL: The singularly plural pleasures of Chesterfield King make a man feel tall as a hicc. So don't be a geese! Take your pleasure BIG. Take Chesterfield King. Big length... big flavor... the smoothest natural tobacco filter. Try 'em.

Chesterfield King gives you more of what you're smoking for!

*\$80 goes to Paul R. Salomone, City College of N. Y., for his Chester Field poem. \$50 for every philological verse accepted for publication. Chesterfield, P.O. Box 21, New York 46, N. Y.

Officer Installation, Guest Speaker Mark Alpha Mu Fete

Members of Alpha Mu Advertising and Merchandising Fraternity of the Business Organization department held their annual dinner-party at the Columbiana Country Club recently. More than 70 attended the affair which was highlighted by an address by Mr. Robert A. Joyce, president of the Robert A. Joyce Marketing and Advertising Co. of Youngstown.

Special guests at the event were Dean and Mrs. Robert Miller, head of the Business Organization Department. Mr. and Mrs. McKinley Browne, advisors of the Merchandising and Public Relations departments, Mr. William Flad, head of the Advertising department. Short talks were made by the guests.

Toastmaster for the event was Fred Bender, president of Alpha Mu. He introduced all the officers who served the past year and complimented them for the fine work they had accomplished in handling their delegated tasks. Officers who served the past term of office were Dominic Giancarlo vice president; Tom Burns, secretary; and George Raiger, treasurer.

Address Highlights Eve

Highlight of the evening was the address by Mr. Robert A. Joyce whose topic was "Selling Equals Value Plus Persuasion". He urged the audience to evaluate all of the factors which serve to complete a total education in the merchandising field. Mr. Joyce stressed the shortage of qualified, college trained men in the industrial merchandising fields.

He stated that nowhere in the United States does such a potential industrial development exist as in the triangle between Detroit, Mich., Pittsburgh and Erie, Penn. This area is marked out as one of the centers which is tabbed for exploitation and development of the greatest boom in diversified industry in the nations history.

To meet the future demand for competent marketing men, Mr. Joyce stressed the importance of complete knowledge and application of statistics in survey work. This field is requisite in marketing, merchandising and advertising programs in any campaign development.

Holds Many Posts

Mr. Joyce is a graduate of Western Reserve and Brown Universities and has held many posts with industries in the eastern part of the nation. Most of his early post-school years were spent in the New England states until he returned to the Youngstown area in 1944. In 1952 he founded his marketing and advertising firm which is now located on Market St.

Members of Alpha Mu presented the guest speaker with a gift for making his services available for the meeting.

Installation of the newly elected officers for the 1957-58 school year was conducted by Dean Robert Miller, who charged the men with the responsibilities of their respective offices. Inducted to their posts were Fred Bender, president (re-elected); Dominic Marsillio, vice president; John Shamsack, secretary; and Bernard Gaytko, treasurer.

Other members honored were Sam Zonfa for the lettering on the membership scrolls to be presented to the new members of the fraternity. Allen Sandel, who represented Youngstown University at the "Inside Advertising Week" program in New York was singled out for recognition. Ronald Pisoni, Advertising minor was recognized for the selection of the plaque he designed for Alpha Mu jackets.

The committee in charge of the dinner party was Fred Bender, chairman, George Raiger, Dominic Giancarlo, Tom Burns and Charles Frondort.

Hereditarily is what a man believes in until his son begins to act like a fool.

Menosky Elected Nu Sig President

Jack Menosky was recently elected president of the Nu Sigma Rho fraternity for the coming year. Dan Donofrio is the outgoing president.

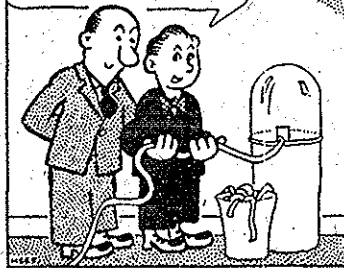

Alex Fedor was elected vice-president, Don Keck, recording secretary; Gilbert Marquis, treasurer; Tony Jannetto, corresponding secretary; and Frank Kpicak, sergeant-at-arms.

FORMAL RETREAT

A minister, making a call, and his hostess were sitting in the parlor when a small boy came running in carrying a dead rat.

"Don't worry, mother, it's dead. We bashed him and beat him until . . ." Noticing the minister for the first time he added in a lowered voice, ". . . until God called him home."

S.E.A. Holds Banquet Elect DiLullo Pres.

The annual spring banquet of the Student Education Association of Youngstown University was held on Saturday, May 11 at Chicone's Restaurant.

Mr. Richard Barrett, President of City Council, spoke on the role of the teacher in the community. He urged teachers to actively participate in the community life outside their usual professional activity.

Dr. George Wilcox, past sponsor and Miss Frieda Chapman, who founded the Elementary Teachers Professional Club in 1941, were honored guests.

The Elementary Teachers Professional Club affiliated with the Future Teachers of America in 1952. This organization became the Student Education Association in 1956.

New officers were installed and are as follows: President, Fred DiLullo; First Vice-President, Olive Driver; Second Vice-President, Frank Markovich; Corresponding Secretary, Agnes Cassidy; Recording Secretary, Nancy Zumrick; Treasurer, Myrtle Ann Gifford; Librarian - Historian, Sally Gribbons; Censor, Mary Hreno;

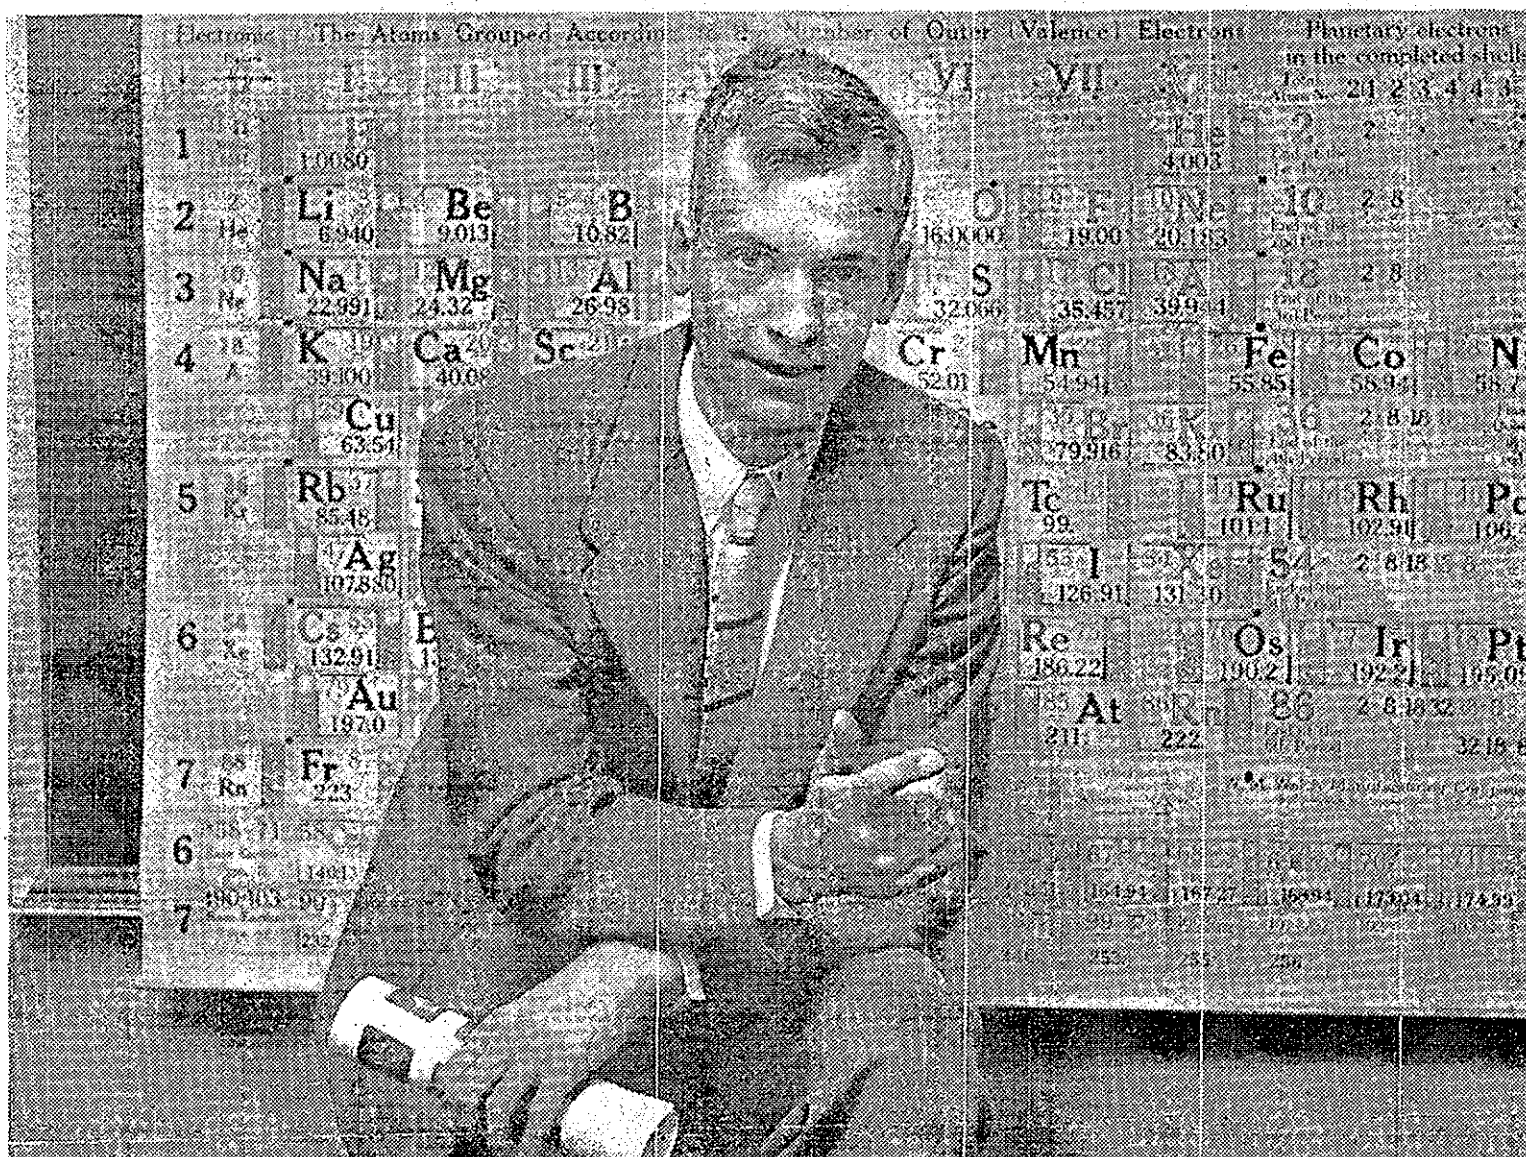

Reporter, Pete Sloan; Sponsor, Mrs. Frank Braden.

Vocal entertainment was presented by Nancy Zumrick, accompanied by Ann Marie Chianducci. William Moore served as toast master.

IMPOSTER PERHAPS

Rastus was dead. A wonderful funeral was in progress. The preacher talked at length of the good traits of the deceased brother, what an honest man he was, what a good provider for his family, what a loving husband and kind father.

At length the widow whispered to her offspring: "Go up dere and take a look in de coffin and see if dat's yore pa."

"Business and pleasure do mix..."

ROBERT H. WENTORF, JR., Ph.D., University of Wisconsin, 1951

"Until I joined General Electric's Research Laboratory in 1951, I never realized science could be such a challenge — or so much fun. My job involves research in physical chemistry — the investigation of new ideas which can lead to new and better products people can use. In a company of this size, I have the unique advantage of having the tools and facilities I need and the experience of others close at hand. And in return, of course, I'm expected to apply myself to the best of my ability in each new job. As I see it, if a big company like General Electric invests time, money and faith in my creative ability, and if I respond by creating, then we both benefit. To me, at General Electric business and pleasure do mix."

created borazon — a completely new, diamond-hard substance which promises far-reaching effect on industrial processes and everyday living.

There are more than 27,000 college graduates at General Electric. Each is provided the opportunity for self-development in the hope that his creative ability will bring forth new ideas. As General Electric sees it, these new ideas, stemming from man's native curiosity, will lead to the development of countless products as yet undreamed of for our nation's defense, industries, and homes.

A physical chemist at General Electric conducts studies of the atomic structure of matter, and of the way atoms and molecules interact under a wide variety of conditions.

Progress Is Our Most Important Product

GENERAL ELECTRIC

The achievements of 31-year-old Robert Wentorf speak well of his ability to make the most of the opportunities offered at General Electric. He recently

By Fran Doyle and Peggy Higgins

Ohio University Post

DO YOU LIKE ELVIS?

Those who don't can sport "I Like Ludwig" buttons as thousands of others are doing on campuses all over the country. Now that we have you all completely confused we'll explain what Ludwig has to do with Elvis.

Two Yale students who didn't appreciate Elvis' "style" decided to start a cultural revolution of the youth in America, by starting a contingent in favor of Ludwig Beethoven.

They have one thousand "I like Ludwig" buttons made up and these were sold in a matter of hours. Anybody liking to make some fast cash can have some "I like Oscar" buttons made up. Who's Oscar? We don't know, but if Ludwig made money for the Yale men, why shouldn't Oscar do the same for the Y.U. students.

The Ohio State Lantern

HERE'S to CARDINAL PUFF

Merely by fulfilling a simple, enjoyable ritual you too can become a Cardinal. Want to know how to go about it? Well just ask any Cardinal on campus, Editor Poulson for instance.

Once you become a member, you get a Cardinal Puff certificate and button, and membership card. Send for this handy-dandy kit today. Application blanks available in JAMBAR office.

Cincinnati News Record

EXCLUSIVE FOR MEN ONLY

What would you say is the typical dress for men on our campus. Khaki pants, ivy league shirts, burmuda shorts or "just anything goes, I'm only going to class". Well down at the University of Cincinnati they have suddenly become clothes conscious, and recently held a Men's style show.

One attraction was that male members of the faculty did some of the modeling. Another feature was the door prize which was an Ivy League dinner jacket. Mind we are not complaining fellows but it would be a different idea for any group with courage enough to show their knobby knees, etc., and interested in an original money making proposition.

Duquesne University

-INDEPENDENTS, UNINTERESTED!

We don't like to preach but we would like to reprint something from the Duquesne News that really struck home when we read it. "The independents are actually the majority at Duquesne.

Unfortunately, seldom if ever do they exercise their power. The school is for everyone. The great sleeping majority - the independent - has received enough benefits without shouldering any of the responsibility. It's time to change." (Continued on Page 8)

What is a Collegiate?

(Reprinted from Xavier University News)

In the lapse between girl-hating adolescence and respectable father-hood, we find an interesting animal called the college boy. He is a composite of the future, wearing loafers, maturity with a crew-cut, and knowledge in need of a shave. College boys may be found in all sizes and shapes, but all have one thing in common, each thinks he is more irritable than the others.

College boys have been seen in almost any place on or near the campus, but they may be most easily observed in one of three habitats: where food is served, where beer is sold, or in their beds. There are even a few proven cases of being found in the college library.

Each college boy is two distinct personalities, heterogeneously mingled in the same shell. The side most frequently seen is characterized by missing buttons, mis-matched socks, and uncombed hair.

The other facet, however, does fight its way to the fore occasionally, primarily on weekend evenings after seven. A startling metamorphosis takes place and a polished gentleman emerges shaven and shiny, shoes glitter-like glass and ivy-league fastened.

Fathers are wise to them, mothers are proud of them, little brothers are impressed by them, sisters try to ignore them, and Deans find them a necessary evil.

Nobody else can talk for hours on end in a bull-session with the boys and yet be incapable of uttering a single syllable when confronted by one tiny member of the opposite sex. Nobody else can spend thirty dollars a month on a fifteen dollar allowance.

Nobody else can be in love with three different girls simultaneously and still hunt for more. Nobody else can write a thousand word theme in fifteen minutes and yet not be able to write home more than once a month.

A college boy likes beautiful coeds, other college boys, cold beer, pretty coeds, being loud, cute coeds, button-down shirts, coeds, convertibles, and other people's cigarettes.

He dislikes professors, class, the handsome athlete in the next room, Monday mornings, starched collars, warm beer, football players from other colleges, the draft, and waiting.

He is a lovable enigma, masterful as Rhett Butler, imaginative as Walter Mitty. He is a paradox, as debonair as Anthony Eden, as devilish as Dennis the Menace. He has the heart of Santa Clause and the head of Willie Sutton. Like him or not, it appears he's here to stay.

Jeanne Slicker Presents Recital

Miss Jeanne Slicker, assisted by Miss Lois Slicker, presented her junior recital recently in the C.J. Strouss Memorial Auditorium at the University. Both are students at the Dana School of Music and are studying the piano under the leadership of Mr. William E. Hurlbert.

Numbers performed on the varied program were by J.S. Bach, Mozart, Pinto, Saint-Saens, and Khachaturian.

Both girls are members of the Sigma Alpha Iota National Professional Music fraternity for women and Beta Sigma Omicron social sorority.

Sinn Wins Spanish Club Scholarship

HAROLD SINN

Harold Sinn, a junior in engineering, is the winner of the Spanish Club Scholarship. The scholarship consists of six weeks full tuition at the University of Mexico in Mexico City starting July 1.

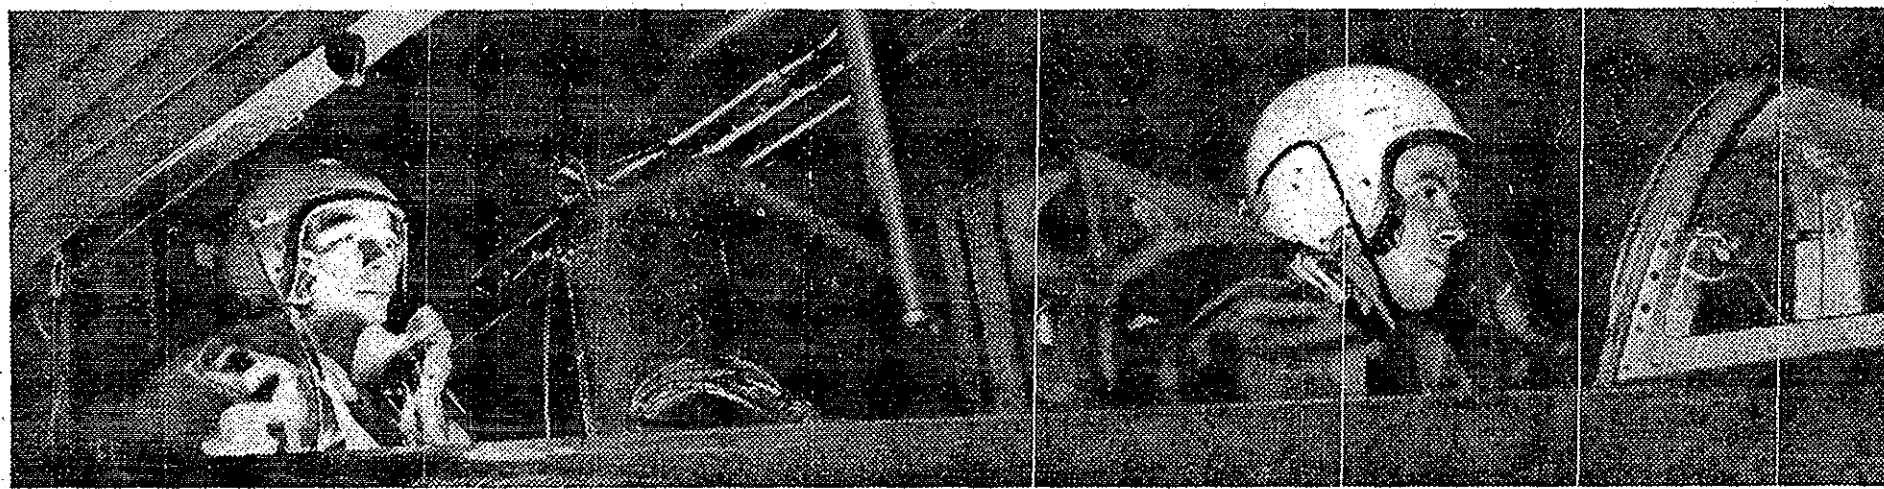

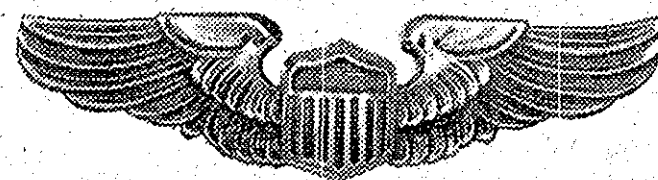

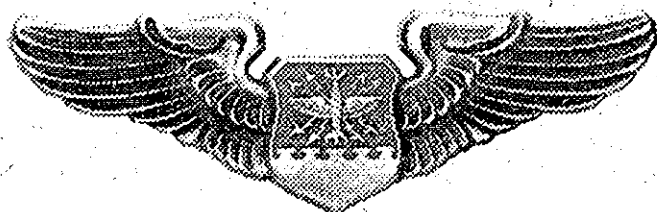

Sinn, an honor student at the University, is a member of the Theta Chi social fraternity, Ohio Society for Professional Engineers, R.I.L. and the Youngstown University Students' Association.

Sinn is a resident of Mineral Ridge.

NO PAIN

Judge: You admit that you drove over this man with a loaded truck. Well, what do you have to say in your defense?

Offender: I thought he was dead.

AS NAVIGATOR OR PILOT

The flying U. S. Air Force is a team of men who command the aircraft and men who plan the attack. These are the pilots and navigators, both equally important to the defense of America.

**GET ON
THE TEAM
THAT DEFENDS
AMERICA**

You, as a young man of intelligence and sound physical health, may join this select group in the world's most exciting and rewarding adventure. Your training will stand you in good stead, whatever your future plans may be—and you'll be earning over \$6,000 a year 18 months after training.*

If you are between 19 and 26½ years of age, investigate your opportunities as an Aviation Cadet in the U. S. Air Force. Priority consideration is now being given to college graduates. For details, write: Aviation Cadet Information, P. O. Box 7608, Washington 4, D. C.

*Based on pay of married 1st Lieutenant on flight status with 2 years' service or more.

Graduate - Then Fly... **U. S. AIR FORCE AVIATION CADET PROGRAM**

IT'S GREEK TO ME

By Pat Hrinko and Pat Gubany

Many thanks are extended to Alice Jean Starr and Mary Lou Moss on a job well done this May Day. Congratulations also to Queen Marianne and her attendants.

The midnight oil will be burning late this week as students begin to cram for finals. UGH! With the closing of the spring semester you will see around campus coffee-olics, no-doz addicts and of course the chain-smokers. By the time finals are over everyone will be ready for a good party.

Coming up are the fraternity and sorority dinner dances, and then there's the LAKE, at the end of August. I guess we'll have a good time in the near future.

IFC

The Interfraternity Council of Youngstown University held elections at their meeting May 14, 1957. Newly elected officers are: President, Dick McLaughlin; Vice-President, Marv Levy; Secretary, John Tudhope; and Treasurer, Edward Wall.

President Joseph Nora commended the delegates on their choice of officers and thanked them for the cooperation given him the past year.

PHI GAMMA

The new officers for the coming college year are: Herb Bartelmay, President; Bill Burby, Vice-President; Steve Goryanec, Secretary; and Larry Baytos, Treasurer. The men would like to express their sincere thanks to this past year's officers: Dick McLaughlin, Ed Zamarelli, Dick Cagna, and Larry Baytos.

Well, the Bare Brunch went over in good shape, but the fans broke up the softball game because of the commotion. What are pennies made from?

I guess there was a dance that night! All had a ball at it except old Mac who always seems to park his car in the wrong place.

A hayride was held out in Poland last week and everyone had a ball. Full moon, no less!

Congratulations to Marianne Kalocky, May Day Queen.

More congratulations are due our past prexy Dick McLaughlin, who was recently elected President of Interfraternity Council. Also to Herb Bartelmay and Steve Goryanec, who were named co-chairmen for next year's homecoming.

Well, the finals are at last here and there are no more excuses. This is it! RPMP Price is doing quite well, thank you.

See you at Geneva-on-the-Lake over Labor Day, again this year. (Look out BARN, here comes that big kid with glasses!)

PHI LAMBDA DELTA

Sunday, May 19, the installation dinner for the pledges was held at the Parkview in Canfield. A delicious dinner was served and each new active received the traditional "Phi-Lamb".

Also on Sunday, Barb Knott played hostess for a linen shower in honor of Hannah Moore.

We would like to congratulate our speedy sisters in running away with the May Day Chase trophy. The runners were Norma Jo Mitchell, Dolly Stizza, and Sandy Bailey. I guess the Phi Lams are singers and athletes!

Congratulations to Liz Davis who became pinned recently. The lucky guy is Art Moore.

The sisters had a terrific party at the Nu Sig house last week. Marlene Betras and Jeri Zeller entertained with a unique little act. Everyone really got a "Bang" out of it.

Squaw Creek Country Club will be the scene of the Phi Lam Dinner Dance to be held June 11.

THETA CHI

The brothers of Theta Chi extend their thanks to Bob Fitch and Bob Hope on leading them to the winning of the Greek Sing. Congratulations also, to Phi Lambda Delta on sharing

Hold Annual Tea

Alpha Phi Delta fraternity held its fourth annual Mother and Son tea recently at Pollock House. The guests included: President and Mrs. Harold W. Jones, Dean and Mrs. Joseph Smith, Mr. and Mrs. D.N. Nelson, and Dean and Mrs. John P. Gillespie.

Miss Theresa Capuzello of Chi Delta Chi sorority entertained the guests with several piano selections. In charge of the affair was Edward Stizza.

the winners circle with them.

The first anniversary of Epsilon Delta chapter was celebrated with a picnic Sunday, May 12. During the afternoon a softball game was played with the old members vs. the new. The new members felt sorry for the old men and let them win. The whole day was a great success.

Congratulations to Brother Harold Sinn on winning a six week full scholarship to the University of Mexico at University City, Mexico. This scholarship is made possible through the Spanish Club.

Thanks to the Phi Gams and the TKE's on the wonderful party they had after the Greek Sing.

Congratulations to the Gamma Sig's on going national. We wish you the best of luck, new Sigma Sigma, Sigma sisters.

Everyone have a wonderful summer and they'll see you next September.

TAU KAPPA EPSILON

Congratulations are in order to the lovely May Queen, Marianne Kalocky, and her charming attendants Barbara Knott, Loreta Liptack and Pat Casey.

The Tekes are saying a final farewell to the graduating seniors, Bob Bucher, John Bradshaw, Tom Porey, Randy Gutheridge, Bob Mazur, Bob Mondok and Tom Songer. Good Luck. The brothers wish them every success in the coming years.

Congratulations to the Phi Lams and Theta Chi's for winning the sing and also to the other sororities and fraternities for their fine presentation.

At a recent meeting we voted to have Dave Houlihan and Bob King attend their National Conclave, which will be held the last week in August at Bedford Springs, Pa.

Congratulations are in store for their two fraters Jerry King and Frank Bogan for winning the IFC golf tournament.

SIGMA PHI EPSILON

Right off the bat, congrats go to Mike Petro and his new spouse, on their recent marriage. Brothers Thorns, and Fedorchak will be tying that fatal knot this summer. Good

health and good fortune to you. men.

A terrific "South Sea Island" party was held recently, and the decorations and atmosphere were definitely "with it." Even though the straw was a little itchy, everyone had a great time.

Two important events are coming up in the near future. On Memorial Day a picnic will be held at Arrowhead Lake! It will serve a double purpose, being a celebration of our third year as Sigma Phi Epsilon, Ohio Mu chapter.

On August 9, our annual Dinner Dance will be held at Tippecanoe Country Club. If anything like those of the past, all Brothers will want to be sure and be there.

So long for another summer, folks.

BETA SIGMA OMICRON

Congratulations to sister Marianne Kalocky, who was chosen to be Youngstown University's 1957 May Queen. Also to Fran Minghetti on her election as Newman Club Corresponding Secretary.

Newly elected officers of Beta Sigma Omicron are Judy Barrett, President; Joan Melek, Vice-President; Fran Minghetti, Corresponding Secretary; Louise Gossick, Recording Secretary; Gerry Wargo, Pledge Trainer; Sally Gribbon, Warden; Ann Arbutina, Editor; Barbara Wentz, President of Pan-Hell; Patty Sfora, Delegate; and Louise Maron, alternate. Best wishes go to all these officers for a successful year.

The victories of Fran Minghetti and Nick Pupino as Miss and Mr. Popularity were celebrated with a party at the Nu Sig house. Hits of the evening were Glenn Spilman's "art major type" shirt, and Fran and Melvin with their version of the "Three Legged Mamba". Thanks to the Nu Sigs for a swell time.

Jeanne Slicker was elected President of Sigma Alpha Iota, national women's music fraternity.

Everyone is scurrying to pay their dues so they can go to the Dinner Dance which will be held May 26, at Ma Perkins.

Looking Around...

DICK BLAKE

TIM BOWSER

Once again we conclude a year of arduous study, and many memorable occasions of great enjoyment. (Sounds corny, eh?) Oh, well, we've gone through two more knock-down, drag-out semesters, and I've gone through two assistants, from the looks of things.

It seems my old buddy, and colleague, Dick Blake, got roughed-up a bit by "some Marine" while trying to do his duty. He was taking pictures of the May Day activities for the JAMBAR when he was rudely interrupted, and hence, unable to get as many nice shots as we would have liked.

Since my pard is unable to be with us, I guess I get the job of saying goom-bye for another year. Dick and myself would like to wish you all a happy, and profitable, summer. To our loyal readers (?) we wish an extra swim, or two, and an extra buck, or two.

During the trials and tribulations of the past 16, or so, issues, we have made many "rash" statements. They were meant in fun, (most of them anyway), but if anyone had their wittle feelwings hort, we're sorry!

No cuts this issue. Aren't all you naughty folks glad?

"Parting is such sweet sorrow," or some such thing. We'll make it quick, and painless. We hope to be back with you again next year, so until then (sniff) --

GET LOST !!!

It's not hard to tell that the month of June is coming up, what with all the showers being held. Recent ones were the double shower for Pat Beacom and Shirley Grann; and the one for Marri Anne Bartik. Every joy and happiness is wished to Shirley Grann, who married Ed Howley on May 18.

The Beta Sigs would like to congratulate the Phi Lams and Theta Chi's on winning the sing. Also best wishes to the Gamma Sigs on their affiliation with Sigma Sigma, Sigma national sorority.

P.S. Sue and Push have jobs!

SIGMA DELTA BETA

First of all, the SDB's wish to congratulate the Gamma Sigs on their recent induction into the Tri-Sig (Sigma Sigma Sigma) national sorority. Best of luck in the future.

The Sig Deltas had a wonderful time during the IFC golf tournament. Sig Delt Larry Kremasky and John Hernandez played with Jack and Larry Menosky, Nu Sigs, and Bill O'Neill and Tony Pannoza played with Tony Conti and Lou Gossick, Sig Eps.

Congratulations to the TKE's on winning and all we can say is watch out for the Sig Deltas next year.

The biggest thing in the Sig Delt wig-wag is the Dinner Dance coming up June 8, at the Astoria. Joe Nohra did a splendid job on planning the affair, and it promises to be a "winner."

The Sig Deltas mourn the passing of three of the greatest guys alive. (What a sentence that was.) By passing we mean graduating. Ernie Bodo, Harry Fry, and Joe Nohra are leaving the halls of Ivy and seeking employment. Their brothers will never forget all they done for the Sig Deltas and the University. Good luck, Alumni.

PHI MU

Congratulations to Pat Casey, May Day attendant.

The Recognition Dinner, given by the alums every year, was held at Wick Park Pavilion on May 14. Peggy Crea was selected as the outstanding Junior, and Chuckie Van Den Handel was honored for having the highest point average in the active chapter. The gold bracelets that Lucille Elias, Mary Jane Lewis, Dolly Lenton, and Pat Casey are wearing are the senior gifts from the alums. The pledges supplied the entertainment by putting on a skit. That was a skit? Well, everybody laughed, anyway.

And uttering those famous sighs of relief were Anna Marie Battagine,

Donna Casciano, Shirley Bobanic, June Gerlack, Jane Moore, Dorothy Thomas, Nancy Urban, Ilona Walko, Loretta Massaro, Donna Sampson, Mary Young, Mary Mazi, Betsy O'Neill, and Amy Badal who were installed at an impressive ceremony on May 18.

KAPPA SIGMA KAPPA

A new Kappa Sigma Kappa has been born to brother Jim Corbett, congratulations Jim and Lois.

This weekend many of the brothers traveled to Strouss Auditorium to see the play "Dear Brutus." The only comment was "GREAT."

Congratulations Zeta Phi Eta and Phi Lams on winning the May Day chase. Brother Frank Maslok was chairman.

Brother Vinnie Creps has been elected Treasurer of YUSA.

New officers of Kappa Sigma Kappa are: John Hanna, President; Vinnie Creps, Vice-president; John Pavlov, Treasurer; Ray Glozer, Recording Secretary; Buck Gillespie, Corresponding Secretary; Rog Cain, Sergeant at Arms; and Rog Cain, Social chairman.

NU SIGMA RHO

Congratulations to the lovely reigning Queen of May, Marianne Kalocky and to her court.

The Nu Sigs recently had a tremendous blast with the Beta Sigs where Pete Torek, Pat Sfora and their trio rendered one of their "FAMOUS" Songs.

Two words to say for the future "MORE PARTIES."

Talking about parties, a terrific Phi Lam get together was held and everyone really enjoyed Geri Zeller's and Marlene Betras' "Balloon Act." WOW!

The baseball team beat Varsity Y 7-6 with "Error-less" Ace Verdrem driving in 5 runs. Nice going, men.

In the IFC golf tournament, Wen Jones, Dick Moskosky and Jack and Larry Menosky participated. Congratulations to TKE the winners.

Brother Bob Buccieri is the chairman of the Annual Dinner Dance and picnic to be held in mid-June.

Brother Alex Fedor has designed the cover for the May Day program.

Pledge season is fast drawing to a close with Pledges, Joe Cortese, Nick Raich, Chet Miller, Ron Martin, Bob Murphy, John and Charles Africa, Bill Mosblack, and Bill Shrack awaiting Hell Night. Sure they are!

(Continued on Page 8)

Jet's Jargon

BY JOHN E. TUDHOPE

Well, here it is that time of year when we must leave the confines of our scholastic world and venture into the wonderful world of the steel mills for the next three months. We have two things to look forward to as we go.

All summer there will be a full slate of summer activities in the sports world and then when we return in the fall there will be another glorious year ahead for the athletic teams of Youngstown University.

The track and baseball teams have surprised their opponents and have carried on the tradition that was established by the football and basketball teams. Two other teams not often mentioned, the tennis and track teams, have also done their part to further the name of the Penguin athletic program.

Had Tough Road

The tennis team had a bit of trouble this spring and were not quite as successful as in the past few years. The golf team heaped praise on itself for the fine showing they made in the Ohio Tournament. The Penguin Linksmen finished in fifth place and defeated many schools that are considerably larger than ours.

We should all be looking forward to a fine year in Penguin athletics and do all in our power to urge the team onward. Many students have no spirit and should do something to correct this. How about taking it upon ourselves to learn the Alma Mater for the games next year? This could help to boost school spirit.

On the national scene everyone is conceding the American League pennant to the New York Yankees except Lou Boudreau. The Kansas City manager is not at all concerned with the stories that the Bombers have been trying to create.

Rates Others Tough

Lou rates the Chicago White Sox, the Detroit Tigers, and the Boston Red Sox just as tough as the Yankees. Not a word has been mentioned about his former team the Cleveland Indians.

Of course what can be said for a team that is still trying to use the old format of "Good pitch - No hit". The way the Indians are hitting the ball I think my grandmother could do as well with an umbrella.

Kerby Farrell cannot be blamed for the condition as it exists. The person to blame is none other than Hank Greenberg. Hank is too slow at making trades for the club. No one will trade with the Indians because he wants front line players for "stumble bums."

Greenberg seems to go on the assumption that he can trade a fellow like Bobby Avila for someone like Yogi Berra or Mickey Mantle. Avila appears to have lost his touch and will not even bring a good price on the market.

Have To Give Up

Hank should learn the fact that in order to get something valuable you sometimes have to part with something that you consider valuable. You cannot give nothing for something. Why not trade Avila, Garcia, and Art Houtteman for someone like Hector Lopez or Vic Power?

Garcia is holding back several promising pitchers simply because they feel that he will make a comeback. Why take a chance? Why not work in younger men that will do them more good over a period of years.

Houtteman deserves a chance to make good with another club. He is still a young man and could probably win for another team. He just has not been able to cut it in Cleveland no matter how hard he tries.

Linksmen Place Sixth In Ohio Golf Tourney

By Ron Vanatsky

Coach Bill Carson's Y.U. golf team finished sixth in a field of 19 teams in the Ohio Intercollegiate Golf Tourney held at the Links of Ohio State University. The Buckeye's "A" team grabbed off the top honors, while Ohio U., and the O.S.U. "B" squads were runners-up.

The Penguins easily had second place in the state tourney clinched, when they produced several excellent rounds in the 18 holes of play, but while many teams were still out on the course, officials questionably called off the day's play because of bad weather and the local's scores were knocked out.

In the next official 18 holes, the boys didn't do as well, but still finished strong for a highly honorable sixth place position.

Leading the locals were Jack Blaski, with a 78, and Pete Rosko and Tom Barto, who each connected for 79s.

Handed First Loss

Kent State's Golden Flashes handed the Penguins their first loss of the season on May 7 at the Twin Lakes Country Club by a score of 14½ to 9½. Pete Rosko shot a 71, but his opponent, Chionchio from Kent, took honors with a 68. Seginak and Galke each had 78s for the Penguins.

In an earlier match, the Penguins downed Grove City College, 11½ to 6½. Pete Rosko paced the Penguins with a 76, and Jack Blaski fired a 78 for runner-up honors. Jack Kennedy led Grove City with a 76.

On May 4, at the Mahoning Country Club, the Penguins defeated Fenn College of Cleveland, 15-1. Tom Barto's 75 led Youngstown and Blaski had a 78. Pacing Fenn was A. Melkus with an 80.

Senior star Ed Seginak played his last match for the Penguins this past week. Congratulations are in hand to Ed for his fine success with the golf team.

The Indians also send out men that could help them tremendously. Stu Locklin was sent out to San Diego for more seasoning. Now that the hitters are having a difficult time why not call him back? He is hitting .400 at the present time.

It is a shame that Stu sat on the Indian bench for so long. Stu has never hit under .300 in any league that he has played in. Certainly he deserves a chance just on that record.

With that we will wind up a year of Jet's Jargon. Have a good summer and we hope to see you at this same spot next year, if the new editor will have us. So long.

Vic Vet says

GI INSURANCE POLICYHOLDERS MAY INITIALLY NAME THEIR BENEFICIARIES IN WILLS AND LAST TESTAMENTS BUT THEY MAY NOT CHANGE THEM IN THIS MANNER. THEY MUST NOTIFY VA OF SUCH CHANGES DIRECTLY TO MAKE THEM LEGAL.

TKEs Take 1st, Sig Eps 2nd In IFC Golf Play

TKE blasted a blazing 163 to take top honors in the IFC Golf Tournament played recently at Mahoning Country Club. Jerry King, erstwhile lefty, paced TKE with a beautiful 75, which, when combined with Frank Bogan's 88, spelled victory.

Second place was won by the Sig Eps, who were paced by Tony Conti's 77 and Lou Gossick's 91, good for 168.

Sig Deltas came in third with a 178. Larry Krempasky's 87 and John Hernandez's 91 paced the Sig Deltas.

With eight fraternities represented, the entire day was filled with action and fun. Fraternities represented were Nu Sigma Rho, Sigma Delta Beta, Kappa Sigma Kappa, Zeta Phi Beta, Theta Chi, Phi Gamma, Tau Kappa Epsilon, and Sigma Phi Epsilon. Chairman for the event was Pat Reardon.

Penguin Nine "Break Even"

The Youngstown University baseball team traveled to Cleveland for a tilt with the Yellow Jackets of Baldwin-Wallace, scoring three runs in the eighth inning brought victory to B-W, 6-5.

The Penguins held the lead at one time 5-3, but couldn't hold off B-W's attack. Joe Zetts pitched the whole game for Youngstown, yielding nine hits. Tom Razum and Rich Suchora each had two hits for the Penguins, while Phil Gulliano had a double and two RBI's.

Duquesne University invaded Evans Field on May 5 and downed the Penguins 13-3. The Dukes 14 hits included five extra-base knocks. Jim Thomas, who had a home run and a double for the Dukes, is the brother of the Pirate's star outfielder, Frank Thomas. John Rouse and Ernie Ruby led the locals, with Rich Suchora.

Avenge Loss

Avenging an earlier one-run loss to B-W, the Penguins downed the Yellow Jackets in a home tilt, 9-5. In another home contest, the Penguins ran rampant over Alliance College, 12-3. Ralph Rappitis and Chet Miller stopped Alliance for five hits. Gulliano had three RBI's, while Razum, Ruby, and Stoops had two each to pace the locals. This win gave the Penguins their third victory in seven starts.

Carter Paces Y.U. Thinclads

By Ron Vanatsky

Although Carl Christensen's trackers went down to defeat at the hands of Geneva, 7½ to 4½, there were several individual standout performances.

In the meet at Beaver Falls on May 11, Ray Carter, the sophomore speedster, won the 100 yard dash in 10.3 sec., the 220 in 23.3 sec., and tied for honors in the high jump at 5'4".

Barnes won the 120 yard dash in 15.8 sec. and took third place in the 220 yard low hurdles. Al Lampkins won the 440 in 53.8 sec., and took honors in the javelin throw with a toss of 153'4". He finished second the 220 yard low hurdles.

This being our adios edition of the JAMBAR it seems appropriate to review the past year of sports here at the Youngstown University. The last year has been eventful, and should go down as one of the greatest in school history.

Undoubtedly, the greatest sports event was the winning of the Ohio NAIA collegiate basketball title by the Penguin basketball team. It was an action packed tournament all the way, with Youngstown gaining the nod over Steubenville by one point. From there the Penguins went to Kansas City for the national event. At Kansas City the boys went to the quarter-finals before being stopped. Their conduct and ability won praise from representatives from all over the nation.

Basketball coach Dom Rosselli was named the Ohio College Coach of the Year by the Columbus Dispatch, and it was a fitting award for the man who made Youngstown University a name to be feared in sports. The basketball team and Coach Rosselli can be proud of their accomplishments.

Football Chills and Thrills

During the football season, many a thrill was had from watching the Penguin charges driving for victory. Davey Kimmel electrified the crowds on many occasions with his rabbit-like running. "Bimbo" Vecherilla provided the crowds with defensive showmanship. In fact, the whole season was one of rib-tarring, nail-biting, and wholesome thrills. Coach "Dike" Beede promises another fine season of football this year.

At the present time the spring sports are sharing the spotlight. Youngstown University's baseball team is building rivalries which promise to provide exciting battles in the future.

I would like to make a prediction now. Watch for the Penguins to produce some star baseballers. Ronnie Stoops is one to watch and so is Chet Miller. Stoops is a skilled batsman and Miller a burning fast-baller. These two could make the majors.

Unheralded but not unseen has been the efforts of the golf team. Although other sports command bigger attention, the progress of the golf team is not to be passed up. For several weeks the team went unbeaten, before being upset in a close match. At the Ohio Collegiate Golf Meet at Columbus, the boys shone brightly.

Carter Paces Thinclads

The track team has had some heartbreaking games. For instance, how about Ray Carter running the 100 in 9.9 and getting beat by a 9.7. This is the sort of thing the thinclads have been faced with all season. It seems that opponents wait for Youngstown to come to town before they decide to break records.

But this being the first year of track, the experience and maturity gained will be a tremendous asset next season. Maybe by then we'll have our own track and we can watch the track team in action. A little support might be a shot in the arm.

The tennis team is not doing too well. Bob Carson's netters have run into some stiff competition lately, but with three new members on the squad they're doing as well as can be expected.

Well old tiger this concludes another year of sports. Next year we'll be right back here, so until then, have fun with sports.

Basketball Statistics Are Summarized

By Ron Vanatsky

In summarizing final basketball statistics as compiled by cage statistician Ken Brayer, it is found that this past season's squad had a fine field goal shooting percentage. The team average was 45.2%, and leaders among the regulars were: Mickey Yugovich,

52.5%, Bob Atterholt, 46.3%, Herb Lake, 44.5%, and Roy Taylor, 44.1%.

In free throw percentage, Yugovich had 70.3% and Roy Taylor followed with 67%.

Throughout the entire 27 game season, a Penguin left the contest because of personal fouls only five times, which is undoubtedly one of the best marks in national collegiate basketball.

Score 1052 Points

Lake and Yugovich scored 1052 points between them, with an average of 20.3 and 18.6 per game, respectively. Of the team offense total of 2240 points, Lakes 549 and Yugovich's 503 markers combined for 47% of this figure.

Other regulars, Atterholt and Charlie Moore, had 342 and 248 points respectively. Taylor canned 199 tallies and John Melfi had 132.

In reviewing the current season's individual single game highs, Lake holds six, including three against Baldwin Wallace. In the second contest against the Yellow Jackets from Berea, Lake bagged 12 fielders and 11 fouls for 33 points.

Both High Marks

The 11 charity tosses were dropped in 16 attempts, both high marks. Lake grabbed 30 of the team's 52 rebounds in the contest with Geneva on Jan. 26 to help his ranking as third top rebounder in the NAIA, comprised of over 400 teams. Against Westmont at Kansas City, Lake dropped 15 of 31 fielders and scored 33 points.

Team high marks include 45 field goals attempted against B-W, and 42 fouls tried in the Kent State contest. Of these 42 foul shots, 27 of them found the range.

Some low marks by opponents were: Alliance had only 17 free throw attempts and dropped 10; Mt. Union sank only 15 fielders against the Penguins.

Average Was 82.9

The team offensive average per game was 82.9 points, while the tight defense had opponents limited to 67.6 tallies per contest.

An interesting fact is that the Penguins scored 90 or more points in one game eight times. The Cardinal and White defense limited opponents to more than 75 points per game only three times.

Rosselli's fine squad won 23 of 27 games and avenged defeat against every team they played a second time.

Tennis Team Wins First Tilt

The tennis team crashed the victory circle with a 6-3 triumph over Fenn College at Cleveland. Ben Christ, Don Garver, Jim Hart, and Perdue won single matches, while Christ, Hart, and Perdue, Graewell took doubles.

In a home match, Kent State downed the locals 8-1. Ben Christ won the opening singles match for Y.U.'s lone score.

At Beaver Falls, Geneva toppled the Penguins 8-1. Garver defeated Sopp in a singles match for the Penguins tally.

SHE DIDN'T HAVE EVERYTHING

Mary was a first class scholar,
Took all subjects in her stride,
But you can bet your bottom dollar
She was last to be a bride.

and her lovely court. Also to Alice Jean Starr and Mary Lou Moss who did a tremendous job on the May Day festivities.

WEEKLY EVENT

The women's card club met last night, and they had such a lot of fun. Whenever the hostess was out of sight, they panned her, one by one.

Greeks

Continued from page 4
ZETA PHI ETA

The gang was very elated over their victorious team in the May Day Chase. They celebrated in a hospital room at St. E's, where Corky Parm was recuperating. The kid is back though, even if he can't sit down. The members of this speedy outfit were Mike Rinaldo, Mel Klinger, Dick Magni, and Flash Allegretto. Congrats also to the winning sorority, Phi Lambda Delta. Gamp couldn't make the chase due to his new interest in tennis.

It seems Danny Boy Vicarel gets some brainstorm: at the Tropics. His last one made the hair fly.

Congratulations to the queen of May

Wiretapping

Well, we think the shoe fits, don't you? We too would like to see the independents take a more active part in campus affairs. What do you say? Are you just going to stand around and watch others run your school for you or are you going to lend a hand?

Oklahoma Daily

CHECK THIS

Dear Editor:

From your editorial I gather that:

1. You're against compulsory ROTC.
2. You're against the draft.
3. You're against parking meters.
4. You're against campus police.
5. You're against closing the old golf course to spooners.
6. You're against bicycle riders.

WHAT A COMPLETE HARD-HEAD YOU MUST BE!

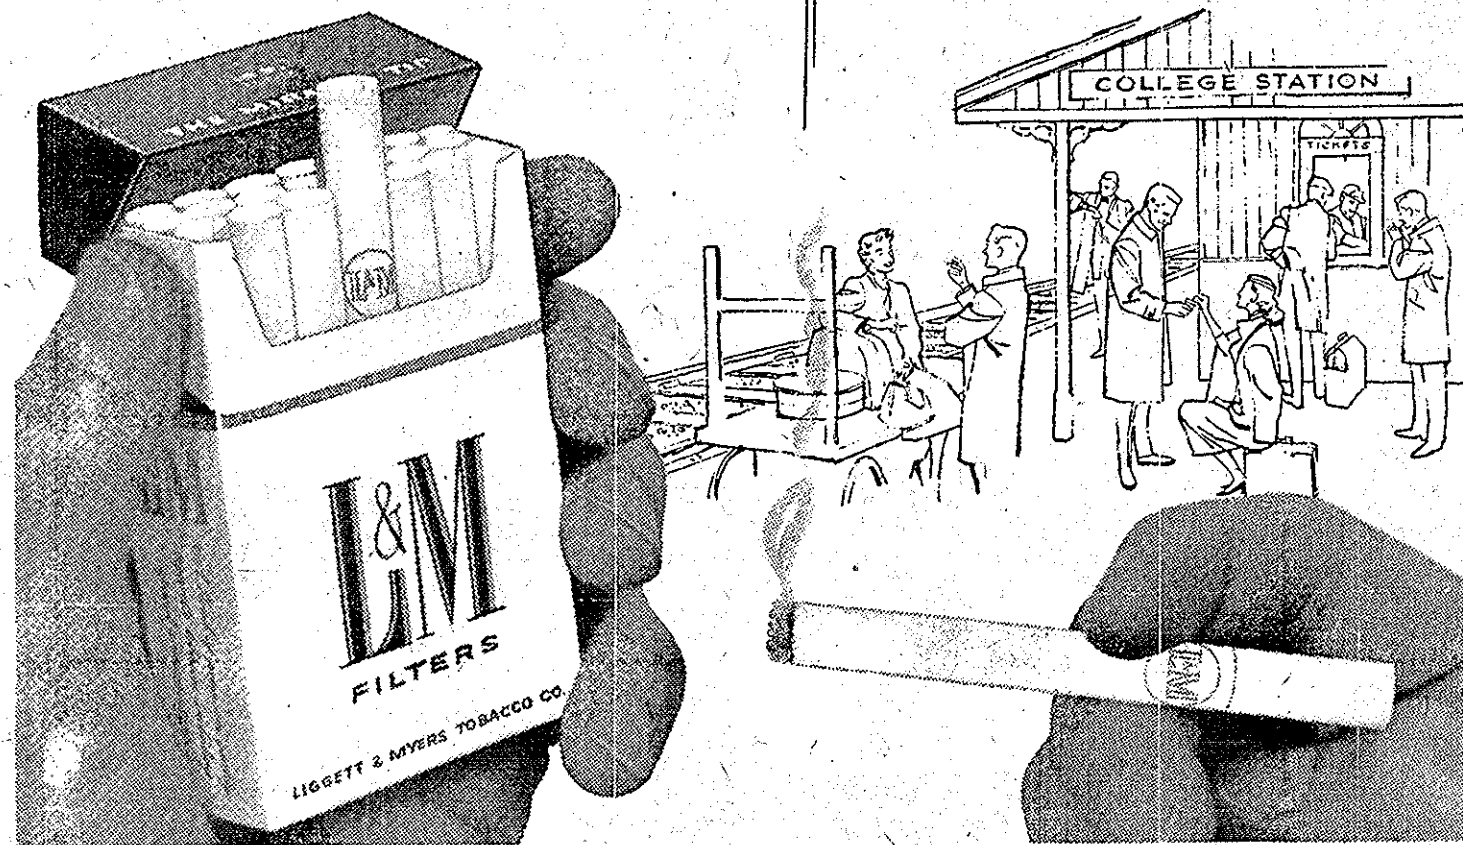

Replied the University of Oklahoma editor:

Dear Sir:

1. You're in favor of coercive volunteering.
2. You like being drafted.
3. You're in favor of picking pockets already empty.
4. Your fater is a cop.
5. You're against love.
6. You can't afford a car.

YOU'RE A HARD-HEAD

Happy Vacation
