

### **Faculty member named associate dean**

Dr. Ted Boseia, a member of YSU's engineering technology faculty since 1989, has been appointed associate dean of the Rayen College of Engineering and Technology at YSU. Boseia has a bachelor's degree in electrical engineering from YSU, a master's in electrical engineering from the University of Akron and a doctorate in electrical engineering from the University of Pittsburgh. He was senior electrical engineer at Schneider Engineers Inc. in Bridgeville, Pa., before joining YSU's faculty in 1989. He is the author of a textbook titled "Introduction to Electrical System Design."
