The meeting was opened by Chairperson Kougl.

Tom Copeland asked for feedback for the Honors Program and Individualized Curriculum Subcommittee report on the Honors Program. Discussion took place on the description of the program and minimum standards for Honors courses and seminars.

Kathy Kougl presented the report from the Ad Hoc Committee of Chairpersons on the Procedure for the Academic Programs and Curriculum Committee. It was moved by Rodfong and seconded by Hopkins to adopt the proposed procedure. Discussion followed and the motion was passed by an unanimous vote.

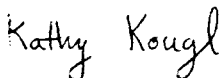

Report on the mail ballot: The following motion was passed by a vote of 9 to 1.

In reviewing course proposals, if the Curriculum Committee thinks a course proposal significantly affects another program, then the Committee may refer the proposal to the Academic Programs Committee.

The motion was passed to make a change on the minutes from the March 10 meeting. Under number 2, it should read: . . . course changes that affect more than one program, instead of program changes that affect more than one program.

The meeting was adjourned.

Respectfully submitted,

Kathy Kougl, Chairperson
