

ACADEMIC RESEARCH COMMITTEE

Minutes of Meeting of

March 11, 1991

PRESENT: Hotchkiss, Genaway, Cicarelli, Harig, Haynes, Khan, Mincey
Tarantine

ABSENT: Umble, deBlois, Stoll

There was a brief discussion about QUEST. It was decided that the posters would be displayed in the Art Gallery both days. Also, presenters will be requested to be available at designated times to answer questions. The displays for publications and theatre clothing will also be set up in the Art Gallery. After some discussion about presentation groupings for QUEST, Vern Haynes and Beth Kushner decided to meet on Wednesday at 2:00 to work on a tentative program.

The final draft of the Faculty Research Survey was next on the agenda. Minor changes were noted and Dean Cicarelli volunteered to take care of the printing expenses. Surveys will be returned to Beth Kushner by a set deadline (i.e., three weeks from printing). The results of the survey will be disseminated.

The group agreed that it would not be necessary to meet again before QUEST, and that committee members would be contacted about chairing QUEST sessions. It was also the consensus of the group to eliminate the QUEST reception due to poor attendance.

The meeting was then adjourned.
