II. Programs reviewed

When a program is returned for revision or approved pending a revision or clarification, the respective department should address the concerns immediately and return the revised materials (note the date and write "revised" on the material in BLUE ORE RED ink) along with the original materials to K.Feld, Dept. of Health Professions. If there is any questions please call K. Feld at 742-1760.

22 Environmental Studies approved pending  
(revision of Q2S approved program)

The revised program requires the program director, the signature of the chair of college curriculum committee and the dean of Arts and Sciences on the APD forms.

17 Mechanical Engineering approved  
(revision of Q2S approved program)

Editorial changes made which had been by approved by Dr. Kim, Chair of the Dept. of Mechanical Engineering.

Adolescent License Programs

With the exception of Social Studies, these programs were submitted with a revision. Found 3708 was added to the Professional Education Requirements. The revisions are being returned to the Dept of Teacher Education for a written justification of the addition of the three semester hours and the course and the signature of the Dean of the College of Education.

These programs were previously approved without Found 3708.

The Social Studies program is being reviewed by the faculty of the content area.
