SUBJECT Labor Studies Program

Please be advised that the Academic Senate at its meeting of October 6, 1978, voted to reconsider and recommit to the Academic Affairs Committee the action of June 2, 1978, re: Labor Studies Program. (At that meeting, the Senate approved the Labor Studies Program with two admendments from the floor.)

In effect, this returns the whole matter to the Academic Affairs Committee, and makes the challenge of the President moot.

If I can be of any assistance to the committee in dealing with this very difficult problem, please do not hesitate to call on me.

INTER-OFFICE CORRESPONDENCE

TO DR. LOUIS HILL, CHAIRMAN
ACADEMIC AFFAIRS COMMITTEE

DATE October 16, 1978

FROM FRED FEITLER, CHAIRMAN
SENATE EXECUTIVE COMMITTEE *Fred*

SUBJECT LABOR STUDIES PROPOSAL

At the October 6, 1978 Senate meeting the following motions were passed:

- The Academic Senate will reconsider the June 2, 1978 action to accept, as amended, the Labor Studies Program.
- and
- The reconsidered action of June 2, 1978, to accept the Labor Studies Program, as amended, will be returned to the Academic Affairs Committee.

The Executive Committee hopes that this matter receives high priority consideration from your committee and that the matter can be returned to the floor of the Senate as quickly as possible.

In communicating with President Coffelt, we were told that delay in implementing this new program could result in its not being approved by the Board of Regents as a permanent Y.S.U. program.

The Senate Executive Committee would appreciate the opportunity to discuss the deliberations of the Academic Affairs Committee prior to reconsideration on the Senate floor.
