Dear **STEPHEN GRAF**,

Congratulations! The Program Committee has accepted your panel discussion proposal for presentation at the 1996 Annual Convention of the Association for Behavior Analysis. Attached is the final scheduling information relevant to this event.

As corresponding author, you are responsible for the notification of all participants. This letter is the only notification that will be sent from ABA regarding this event. The chair of each panel discussion is expected to arrive 10 minutes prior to the start of the event, introduce the speakers, and monitor time so the room is vacated for the next scheduled event.

This year we are anticipating a large convention attendance. ABA received and accepted more proposals than ever before. Be sure to make your hotel reservation as soon as possible by contacting the Group Housing office of the San Francisco Marriott by phone at (415) 442-6065 or by fax at (415) 442-0141. You should identify the name of our group as *Association for Behavior Analysis* in order to get special room discounts. A reservation form is included in the convention edition of the *ABA Newsletter* (page 31).

ABA will provide basic audio/visual equipment including an overhead projector, a slide projector and a screen. If your event requires additional equipment, you should make your own arrangements by contacting the San Francisco Marriott Audio-Visual Department by phone at 415-442-6143.

If there is a book that you have authored or co-authored, or that relates to your presentation, that you would like convention attendees to be able to buy, please contact Marcie Lifson, at Professional Books, Inc., Newton, MA 02158-1008. Phone: 617-630-9393 or 800-210-READ (7323). Fax: 617-630-9396. E-mail: read9books@aol.com..

Dear **STEPHEN GRAF**,

Congratulations! The Program Committee has accepted your 3-hour workshop proposal for presentation at the 1996 Annual Convention of the Association for Behavior Analysis. Attached is the scheduling information relevant to this event.

Let me remind you that workshops with less than five registrants will be canceled. For those workshops with more than five registrants, the payment to the instructors will be determined as follows: \$150 (base pay) + 20% of participant's workshop fee (with the exception of the five required participants) + materials fee per participant. At the 1996 Convention there will be a Continuing Education Desk in the convention registration area. To receive payment at the end of your workshop, for each participant, you should bring to the Continuing Education Desk: a) a registration ticket, and b) a completed evaluation. The evaluations should be sealed with the total number of attendees clearly marked on the outside of the envelope. The number of attendees used in the calculation of your payment will be determined based on the number of registration tickets and evaluations you provide.

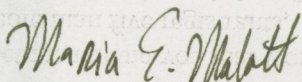

This year we are anticipating a large convention attendance. ABA received and accepted more proposals than ever before. Be sure to make your hotel reservation as soon as possible by contacting the Group Housing office of the San Francisco Marriott by phone at (415) 442-6065 or by fax at (415) 442-0141.
