

UNDERGRADUATE  
COMMENCEMENT

YOUNGSTOWN STATE UNIVERSITY

SATURDAY, MAY NINETEENTH  
TWO THOUSAND AND SEVEN  
TEN O'CLOCK, BEEGHLY CENTER

## Youngstown State University—An Innovative Educational Leader

Founded in 1908, Youngstown State University originally served 160 students with about a dozen faculty members and provided expanded educational opportunity for all people—store clerks and factory managers, steel industry workers, newly arrived immigrants, women and men, and both part-time and full-time learners.

This progressive spirit guided the development of the institution as it evolved from a YMCA technical institute, later as Youngstown College (1928), then as Youngstown University (1955) and, in 1967, as Youngstown State University, a member of the Ohio public higher education system.

Today, Youngstown State University is a leading comprehensive university, serving more than 12,800 full- and part-time students with 120 undergraduate programs, 40 master's degree programs and a doctorate in education. There are more than 420 full-time faculty and 750 professional and support staff members in seven colleges, schools and administrative departments.

In partnership with schools and the corporate and non-profit communities, Youngstown State University promotes diversity and excellence in teaching, research, and service to increase the educational attainment and economic and environmental vitality of the region.

Throughout its 99-year history, Youngstown State University has been cited as an innovative educational leader. It has also been recognized through numerous awards—both in academics and athletics—as one of the best urban, public, comprehensive universities in the United States.

Each graduate we celebrate today is a YSU Success Story. They join more than 80,000 outstanding alumni members across the nation and around the world.

### **Alma Mater**

All hail to thee, O Youngstown,  
Our Alma Mater fair;  
In sunlight and starshine  
We see thee in all thy glory.  
The Red and the White, thy glorious colors,  
Ever we praise and hold them  
High to the breeze as the symbol of our  
Most loyal allegiance.  
This anthem, O Youngstown,  
Our pledge of trust shall be  
That thy sons and daughters  
Shall keep faith with thee forever.

# PROGRAM

PRELUDE.....	“National Emblem March” by E. E. Bagley “Stars and Stripes Forever March” by John Philip Sousa YSU Symphonic Wind Ensemble Dr. Stephen L. Gage, <i>Director of Bands</i> Dana School of Music, College of Fine and Performing Arts

Atty. John Pogue, Chairperson of the Board of Trustees, and Associate Provost Bowers will invest Dr. Martinez with the hood.  
The audience is asked to be seated after the singing of the Alma Mater and to remain seated during the remainder of the program and the recessional.

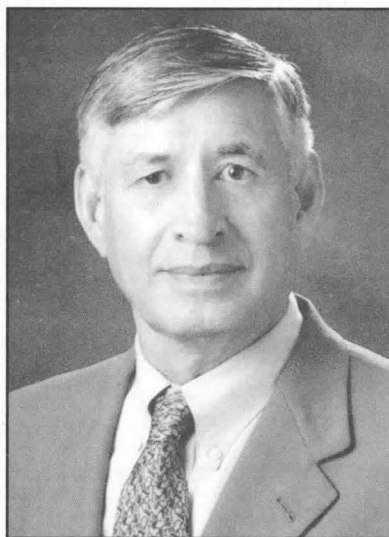

## Commencement Speaker and Recipient of the Degree Honorary Doctor of Science

Today's commencement speaker, Dr. Joseph V. Martinez, is senior advisor for institutional outreach in the Office of Science of the U.S. Department of Energy.

Dr. Martinez received his bachelor's degree from Northern Arizona University, his Master of Science from Washington State University, and a Ph.D. in chemistry from Oregon State University. With support of a Sloan Fellowship, he received a Master of Management Science from the Massachusetts Institute of Technology. He completed a post-doctoral appointment at Cornell University.

Prior to his current position, he was a program manager for the Atomic, Molecular and Optical Physics Program in the Office of Science, responsible for research projects in the U.S. At various periods in his career, he was a research scientist for the Dupont Chemical Company, Xerox Corporation and the Eastman Kodak Company. He was a professor of physics for a decade before joining the Atomic Energy Commission, which has been succeeded by the Department of Energy.

Dr. Martinez is a founder of two groups, both of which aspire to increase the participation of minorities and women in science: the Society for Advancement of Chicanos and Native Americans in Science (SACNAS), and the Committee of Minorities in Physics of the American Physical Society (APS). He is a former SACNAS president.

*Joseph V. Martinez, Ph.D.*

Dr. Martinez is a founder of the National Association of Latino Elected Officials (NALEO) and was a participant in the advisory committee of the National Hispanic Leadership Agenda (NHLEA) during the Clinton administration. The latter group was active in meeting with the various cabinet secretaries to promote an increase in the number of Hispanic employees in the federal government and their promotion to executive levels. He was a charter member of the U.S. Republican Senate Conference Task Force on Hispanic Affairs formed in 1987.

As part of his commitment to equal opportunity, he has been a member of the Coalition for Fairness in Government, which included representation from the League of United Latin American Citizens (LULAC), The Hispanic Link, and the Mexican American Legal and Education Fund (MALEF). Dr. Martinez was former president of the LULAC Council 11113 in the Washington, DC, metro area. He is a cited contributor to Somos Primos and served a liaison role of the organization with the U.S. National Archive and Restoration Agency (NARA). He has served on the advisory committee for the Lemelson Center of the National Museum of American History and recently was named the Department of Energy representative to the National Science Foundation's Committee on Equal Opportunity in Science and Engineering.

A native of Arizona and son of immigrant parents, Dr. Martinez and his wife, Jayme, have six adult offspring, all college graduates.

## Undergraduate Commencement Student Speaker

Our student speaker, Stephanie Marie Mateja, graduates today summa cum laude with a Bachelor of Science in early childhood education. A graduate of Neshannock High School in New Castle, PA, she is the daughter of Thomas and Elaine Mateja. Her older sister, Jennifer, also graduated from the University Scholars program at Youngstown State University.

A member of the University Honors program her first year at YSU, she was selected for the University Scholars program beginning in her sophomore year. As a University Scholar, Stephanie maintained a 4.0 GPA while fulfilling 60 hours of community service

*Stephanie Marie Mateja*

each year and working in the Grounds Department. She has been an active member of the Early Childhood Education Association, as well as Alpha Lambda Delta, a national honorary society for first-year students. Stephanie is currently a member of the following honorary societies: Kappa Delta Pi, Sigma Alpha Lambda, Golden Key, Phi Kappa Phi, and Omicron Delta Kappa. Recently, she received the Frieda Chapman Award in Early Childhood Education, which is presented

to a senior who shows evidence of becoming an outstanding teacher. Upon graduation, Stephanie would like to remain in the area and pursue a teaching career.

**SPRING 2007**  
**BACCALAUREATE DEGREE HONORS**

*Because the list of candidates for graduation honors had to be prepared in advance, it is tentative. The diploma, together with a certified transcript, is the proof of graduation with honors.*

**Summa Cum Laude**

Jason P. Anderegg	Sarah Mary Gillis	Maura K. Patton

**YSU PIN AWARD RECIPIENTS**

Established in 1948 by President Howard Jones, the YSU Pin Award has been a distinguished part of Youngstown State University's rich tradition. The award recognizes up to five graduating seniors annually who have achieved academic success and demonstrated outstanding leadership, motivation, and creativity in university and community activities. Following are the 2005-06 YSU Pin Awardees and their academic majors

**Michael Dinn—Biology and Chemistry**

Mr. Dinn has earned the Arby's Leadership Scholarship as well as the YSU Academic Scholarship. He is a member of the YSU Pre-Health Honor Society, Alpha Epsilon Delta and has tutored YSU students in biology, chemistry and physics in the Center for Student Progress as well as tutoring disadvantaged high school students in math and science.

**Megan Kamath—Combined Science**

Ms. Kamath is a member of the Indian National Student Association. A member of the NEOUCOM student organization, she was chosen by her fellow YSU students to present a community health proposal to state legislators.

**Jennifer McPheron—Social Work**

Ms. McPheron is a member of Phi Alpha, the social work society; Campus Crusade for Christ; Chi Alpha; Sigma Alpha Lambda Honor Society; Circle K and the Emerging Leader Program.

**Lisa Sipes—Music Performance**

Ms. Sipes, a University Scholar, is a member of the Ohio Collegiate Music Education Association, Sigma Alpha Iota music fraternity, Alpha Xi Delta Sorority, Golden Key Honor Society, Order of Omega, the YSU Marching Pride, and the Symphonic Wind Ensemble.

**SPRING 2007**

**William A. Wood, Ph.D.**, *Director and Professor of the School of Technology*

## Academic Regalia and Ceremony

The gowns, hoods, and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic pageantry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

There is something of the same adherence to tradition in commencement processions that exists in academic garb, although each institution has

the right to adapt the ceremony to its own requirement. The faculty leads the line of march followed by the candidates for degrees. Then follow the chief marshals, the president, speaker, trustees, deans, and other members of the party to be seated on the platform.

Recipients of University Honors receive golden honor cords placed around the shoulders. University Scholars wear a specially minted medallion on a red ribbon to denote their academic achievement.

### The Presidential Medallion

President Sweet wears a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University's five past presidents and Dr. Sweet.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania. Dr. Sweet is the first president to wear this medallion.

### The Youngstown State University Seal

The University's official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe, and the Latin words *animus liberatus*. In simple terms, those words summarize the transformation—or liberation—that occurs on this campus countless times each day. In English, they are translated *The Mind Freed*, or *The Spirit Freed*.
