

DEANS COUNCIL
April 8, 1986
School of Education

Present: Angle, Mapley, Yozwiak, Hotchkiss, Dodge, Sutton, Richley, McBriarty, Lyons, Gillis, Yiannaki (for Scriven), Loch, and Ruggles.

I. Minutes from March 18, 1986, meeting approved.

II. Old Business

- A. Yiannaki gave a report on scheduling time blocks by various course contact requirements. Brief discussion ensued. (Handout distributed.)
- B. Annual schedule's feasibility was discussed. Hotchkiss urged adoption. Continuous registration is a separate issue. September thru summer was suggested. Yiannaki suggested two quarter revolving firm schedule plan. Sutton suggested one master schedule with an update per quarter. Debate ensued concerning actual scheduling time, specific courses, and what was to be offered. A general positive attitude prevailed.
- C. Meshel Hall Labs: postponed discussion until later date.

III. New Business

- A. Computer printer and terminals were discussed. Nothing definite at this time.
- B. Richley gave a Collective Bargaining update on promotion committee report procedure. No favorable comments were made about such a procedure.

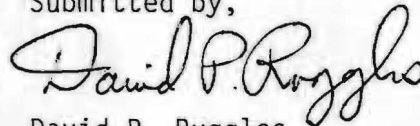

IV. Announcements

- A. Watson Award reminder -- due April 16th.
- B. Distinguished Professor Awards reminder -- also due April 16th.
- C. Dean's List Certificates -- estimate a few more than what you need.
- D. NSF review panel suggestions solicited. If we want any faculty to be on it, notify Dr. Hotchkiss' office.

- E. Personnel employed under Academic Challenge Grants -- a means has been suggested by the Provost to solve the problem without changing Board policy.
- F. Hotchkiss announced research money to be released this Thursday.
- G. HB 497 -- English speaking ability of faculty and teaching assistants. Procedure should be developed by each institution.
- H. University Press Committee about to be formed. Some concern was expressed about such a committee's role.
- I. Scholarship news release? No one was aware of a news release about the scholarships.
- J. Mapley gave an update on the automated degree check computer program. May 9th will be the date of the workshop. More information will come from his office.

Adjourned at 2:40 p.m.
