

YOUNGSTOWN STATE UNIVERSITY

COMMENCEMENT

MAY 11, 2019 · BEEGHLY CENTER

YOUNGSTOWN STATE UNIVERSITY

AN INNOVATIVE EDUCATIONAL LEADER

*F*ounded in 1908, Youngstown State University originally served 160 students with about a dozen faculty members and provided expanded educational opportunity for all people—store clerks and factory managers, steel industry workers, newly arrived immigrants, women and men and both part-time and full-time learners.

This progressive spirit guided the development of the institution as it evolved from a YMCA technical institute, later as Youngstown College (1928), then as Youngstown University (1955) and, in 1967, as Youngstown State University, a member of the Ohio public higher education system.

Today, Youngstown State University is a leading comprehensive university, serving nearly 15,000 full- and part-time students with 117 undergraduate programs, 48 master's degree programs, one specialist program and three doctoral degree programs. There are approximately 400 full-time faculty and nearly

650 full-time professional and support staff members in administrative departments and eight colleges across campus.

In partnership with schools and the corporate and non-profit communities, Youngstown State University promotes diversity and excellence in teaching, research and service to increase the educational attainment and economic and environmental vitality of the region.

Throughout its history, Youngstown State University has been cited as an innovative educational leader. It has also been recognized through numerous awards—both in academics and athletics—as one of the best urban, public, comprehensive universities in the United States.

Each graduate we celebrate today is a YSU Success Story. They join more than 100,000 outstanding alumni members across the nation and around the world.

PROGRAM

PRELUDE “Stars and Stripes Forever March” by John Philip Sousa
YSU Wind Ensemble

Stephen L. Gage, *Director of Bands & Orchestra/Professor of Music*

During this special ceremony, please be respectful of others and maintain a quiet atmosphere.
Sign language interpreters will be positioned in the upper northwest section of the gymnasium.*

**COMMENCEMENT
SPEAKER
9:30 AM**

Donald Lewis

Donald Lewis is President of Essity's Professional Hygiene business where he leads a \$3 billion enterprise spanning four continents and 110 countries. The company's Tork brand has become the global leader under Don's leadership. Essity is a global leading hygiene and health company based in Sweden.

Don has

distinguished himself throughout his career as an outstanding leader with a passion for customers and employees. His drive for sustainability in business operations and product innovation has led to awards and recognition from around the globe.

After graduating with a Bachelor of Science in Business Administration from Youngstown State University, Don started his career in finance at two Ohio-based companies. From there he moved into sales and marketing management at Fort Howard and eventually was recruited to Encore Paper, a start up company, where he was appointed Executive VP. When Encore was acquired by Essity his role expanded. He went on to become president of Essity's North American tissue business and then president of the company's businesses in North America and Latin America before assuming his current role.

He is a board member of the American Forest & Paper Association (AF&PA), the Swedish-American Chamber of Commerce New York and the American Red Cross of Eastern Pennsylvania. He is actively involved with the United Nations Sustainable Development Goals. Don and his wife Leslie, also a YSU alumna, reside in Canfield and Philadelphia and have three grown children.

**COMMENCEMENT
STUDENT SPEAKER
9:30 AM**

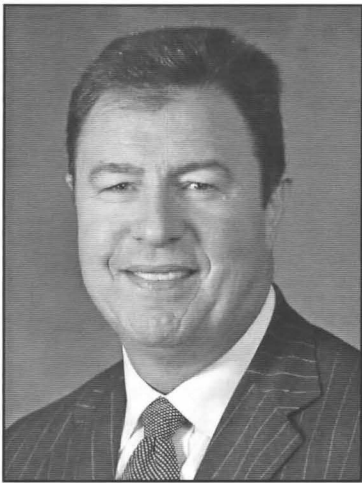

Kyla Nicole Williams

My name is Kyla Williams and I am originally from Cincinnati, Ohio. Growing up I faced the hardships of homelessness and separation from my mom and brother. Today, I am proud to say I am graduating college. I've been on the dean's list since my freshmen year of college and managed to uphold a 3.77 GPA.

As a senior, I work four jobs; TJ Maxx as a sales associate, YSU as a Peer Tutor, a student office assistant in WCBA Dean's office, and a data entry assistant in the Center for Student Progress on campus. On Saturdays, I volunteer for VITA, which is a tax preparation program offered at YSU to help the local community file their tax returns. This is my second year volunteering for the program. Throughout my studies at YSU, I've held multiple officer positions including President of the National Society of Collegiate Scholars, treasurer of Sisters with a Vision, student ambassador of OSCPA's, and an outreach coordinator for the International Business Organization in WCBA.

I will be earning an honor's Bachelor of Science in Business Administration, majoring in accounting with a minor in international business. After graduating, I plan to move to Columbus, Ohio to pursue a jumpstart on my career at Ernst & Young's accounting firm. I will return to Ernst & Young as a client serving intern, participating in the Assurance service line. This will be my second internship with Ernst & Young's Columbus office and my third internship throughout my college career. In August 2019, I will sit for the GMAT and prepare to attend The Ohio State University in Fall 2020. I will be continuing my education by pursuing a Master of Accounting degree to obtain the 150 credits needed to sit for the CPA exam. I will sit for parts of the CPA exam starting in 2021. I plan to have my CPA licenses by the year 2022 and continue my career at Ernst & Young's Columbus office. I will be the first in my immediate family to graduate from college and pursue a CPA license.

COMMENCEMENT SPEAKER 2:30 PM

Sam Grooms

Chief Executive Officer (CEO) Sam Grooms is responsible for measuring risk, managing growth, and maintaining relationships with Hy-Tek Material Handling's vendors, bankers, and other valuable business partners.

Based in Columbus, Ohio, Sam Grooms has spent his entire professional

career, more than 38 years, at Hy-Tek. Working his way through the ranks from Aftermarket Sales Representative and Capital Sales Representative to Vice President of Integrated Systems, Sam was named CEO in 1997.

Under Sam Grooms' leadership, Hy-Tek's revenues have grown nearly eight-fold over the past decade, with sales of \$144 million recorded in 2018. Recognized for his business acumen, Sam has twice been a finalist for Ernst & Young's Entrepreneur of the Year Award.

As an Employee Stock Ownership Plan (ESOP), Hy-Tek is owned by its associates. CEO Sam Grooms retains one-quarter ownership of the company, with the remaining three-fourths divided among Hy-Tek's employee-owners.

Active professionally, Sam served on the board of directors of the Material Handling Equipment Distributors Association (MHEDA) from 1994-2002. In addition, he was a member of MHEDA's executive board, 1995-2002, and served as the association's youngest ever president in 1999. Grooms served on Key Bank's Advisory Council as well as NACCO Material Handling Group and Unarco's Client Advisory Councils.

Sam holds a Bachelor of Science in Business Administration from Youngstown State University and served on the Board of Trustees from 2016-2018. He is also very proud to have served as the starting center on YSU's first team to have played for an NCAA Championship in 1979.

COMMENCEMENT STUDENT SPEAKER 2:30 PM

Gulay Toslu

My name is Gulay Toslu. I am a 36-year-old mother of three beautiful children, Eray, Edanur and Yunus Yazar. I was born in Turkey in 1982 and immigrated to the United States in 1994. I am the fourth child of my parents six children. I am a late bloomer as I got married at an early age and raising my kids was my priority.

However, going to college was something that I always wanted to do but I was waiting for the right time. I started YSU in 2014 and am now graduating with my Bachelor of Science in Nursing.

YSU has opened so many doors to me that I never imagined was possible. I got the opportunity to be the president of the Muslim Student Association which led me to learn so many things beyond the classroom. We worked together with so many students with very different backgrounds and we built love bridges between different religions and cultures.

Nursing, on the other hand, has bestowed me with nothing but rewards. Caring for people when they are most vulnerable has given me a feeling of gratification that I never felt with anything else in life. Through nursing I will continue to touch hearts and souls and take care of my community, and perhaps one day I will get the opportunity to help those who are less fortunate around the world.

MACEBEARER

9:30 AM

Chester R. Cooper, Jr., PhD

Professor, Biological Sciences

Dr. Chester Cooper, a professor in the Department of Biological Sciences, received his PhD in microbiology from the University of Texas. Prior to joining the University's faculty 19 years ago, he served as a research scientist at the New York State Department of Health as well as a faculty member at the University of Texas Medical Branch and Case Western Reserve University. In addition to his teaching and research activities at Youngstown State University, Cooper is Chair of the Academic Senate and the Faculty Athletics Representative to the NCAA. He also serves as faculty representative to the Academic and Student Affairs Committee of YSU's Board of Trustees. Cooper has been the recipient of Distinguished Professor Awards for Research and for Service. He is active in many community efforts including serving as an officer in various church organizations and as a Little League official including his current positions as District Administrator and Regional Umpire Evaluator. Cooper worked as an umpire in two Little League World Series and was recently appointed to the Little League International Advisory Board. He was inducted into the Curbstone Coaches Hall of Fame for his contributions to youth sports and his work in the community has been recognized with a Presidential Volunteer Service Award.

MACEBEARER

2:30 PM

Nancy Wagner, PhD

Chair and Professor, Nursing

Dr. Nancy Wagner is Chair and Professor in the Department of Nursing in the Bitonte College of Health and Human Services. She graduated with a Bachelor's of Science in Nursing (BSN) from the University of Cincinnati and subsequently earned her MSN in Nursing of Children at Risk from Indiana University in Indianapolis and her Doctorate in Nursing Practice from the France Payne Bolton School of Nursing at Case Western Reserve University. With a focus in nursing of children and community health, teaching and connections with students has always been her primary interest at both the bachelor's and master's levels. Additionally, she has taught research and continues to work individually with graduate students for their scholarly capstone projects.

Dr. Wagner has held various leadership positions at the departmental, college and university levels. Since

becoming the Chair of the Department of Nursing in 2013, she has led one of the largest departments on campus through multiple approval and accreditation survey visits. She was also instrumental in the creation of the John and Dorothy Masternick Nursing Simulation Lab, providing YSU nursing students with the most innovative educational strategies. Dr. Wagner was awarded major grant funding from the Ohio Department of Nursing for program development and expansion of the RN-BSN online completion program and graduate program options. She is currently collaborating on the nurse anesthetist Doctorate of Nursing Practice degree. Dr. Wagner previously accompanied undergraduate students on medical missions to Mexico and recently coordinated and traveled with students for a spring break experience to Israel.

Dr. Wagner has conducted research related to the impact of scenario simulation on students' critical thinking, student international travel, transcultural nursing, and most recently collaborated on the project, *Social Support for Pregnant and Parenting Women: A Pilot Study*. She has presented her work at national and international conferences and has been published in various pediatric and nursing education textbooks. Dr. Wagner holds leadership positions on the Ohio Council of Nursing Deans and Directors, Hadassah National Nurses Council and serves on multiple community boards. She is a member of Sigma Theta Tau International Honor Society of Nursing and Ohio Nurses Association, District Three. She received the YSU Watson Award for Excellence in Academic Leadership and the Excellence in Leadership and Chapter Service awards from the Xi Xi Chapter of Sigma Theta Tau. She was the recipient of the YSU Distinguished Professor Award for Excellence in Service.

ALUMNI PIN

Prior to today's Commencement ceremony, YSU Alumni and Pete's Pride Members "pinned" each graduate with an Alumni Pin. In Penguin Spirit, this is our way of saying congratulations to all graduates on their hard work and success and welcome them to the global network of YSU Alumni!

CANDIDATES FOR DEGREES

COLLEGE OF GRADUATE STUDIES

DOCTOR OF EDUCATION

Cara Ann Berg-Carramusa

Dissertation: *Markers of an Effective Physical Therapist from the Perspective of Key Stakeholders: A Delphi Study*

YSU PIN AWARD RECIPIENTS

The YSU Pin is the University's most prestigious award, presented to graduating seniors. Established in 1948 by then University President Dr. Howard W. Jones, the Pin recognizes our outstanding, well rounded, graduating seniors. Congratulations to the following seniors who have received this award.

Diana Maria Bodrogi-Podoaba

Tyler Wesley Carver

Ashley Lauren Labatte

Lexi Elaine Rager

Jenna Rose Roesch

READER

Jeffrey L. Tyus, PhD, *Associate Professor of Communication*

ACADEMIC REGALIA AND CEREMONY

The gowns, hoods and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic pageantry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education. International degrees do not always follow this protocol.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the "mortar board" is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

Recipients of University Honors receive golden honor cords placed around the shoulders. Honors College graduates wear a specially minted medallion on a white ribbon to denote their academic achievement.

Graduating students who serve or have served in the Armed Forces are invited to wear red, white and blue Patriot cords in recognition of their service to our country.

THE UNIVERSITY CEREMONIAL MACE

The ceremonial mace has its roots in ancient Rome. During the Middle Ages, the types of maces—one a scepter and symbol of royal authority, the other a weapon—gradually evolved into a symbol of lawful power and regal authority. Beginning in fourteenth-century Europe, the academic mace became part of the pomp and ceremony of university commencements, denoting the authority of universities to confer academic degrees.

The Youngstown State University mace was designed and crafted by a collaborative team that included YSU faculty, students, alumni and area K-12 art educators under the leadership of YSU professor Greg Moring.

THE PRESIDENTIAL MEDALLION

This is a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University's past presidents.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania.

THE YOUNGSTOWN STATE UNIVERSITY SEAL

The University's official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe and the Latin words *animus liberatus*. In simple terms, those words summarize the transformation—or liberation—that occurs on this campus countless times each day. In English, they are translated *The Mind Freed*, or *The Spirit Freed*.

Alma Mater

All hail to thee, O Youngstown,
Our Alma Mater fair;
In sunlight and starshine
We see thee in all thy glory.
The Red and the White, thy glorious colors,
Ever we praise and hold them
High to the breeze as the symbol of our
Most loyal allegiance.
This anthem, O Youngstown,
Our pledge of trust shall be
That thy sons and daughters
Shall keep faith with thee forever.
