

YOUNGSTOWN STATE UNIVERSITY

COMMENCEMENT

MAY 16, 2015 · BEEGHLY CENTER

YOUNGSTOWN STATE UNIVERSITY

AN INNOVATIVE EDUCATIONAL LEADER

*F*ounded in 1908, Youngstown State University originally served 160 students with about a dozen faculty members and provided expanded educational opportunity for all people—store clerks and factory managers, steel industry workers, newly arrived immigrants, women and men, and both part-time and full-time learners.

This progressive spirit guided the development of the institution as it evolved from a YMCA technical institute, later as Youngstown College (1928), then as Youngstown University (1955) and, in 1967, as Youngstown State University, a member of the Ohio public higher education system.

Today, Youngstown State University is a leading comprehensive university, serving more than 13,380 full- and part-time students with 117 undergraduate programs, 44 master's degree programs, one specialist program, and three doctoral degree programs.

There are more than 420 full-time faculty and 700 professional and support staff members in seven colleges, schools and administrative departments.

In partnership with schools and the corporate and non-profit communities, Youngstown State University promotes diversity and excellence in teaching, research, and service to increase the educational attainment and economic and environmental vitality of the region.

Throughout its history, Youngstown State University has been cited as an innovative educational leader. It has also been recognized through numerous awards—both in academics and athletics—as one of the best urban, public, comprehensive universities in the United States.

Each graduate we celebrate today is a YSU Success Story. They join more than 96,000 outstanding alumni members across the nation and around the world.

ACADEMIC REGALIA AND CEREMONY

The gowns, hoods, and caps worn in academic ceremonies today are relics of those worn in medieval times by students and professors. Probably the gowns and hoods were worn for warmth in the unheated halls where lectures were delivered. From the sixteenth century on, somber black garb became the norm, and it is primarily in the hoods worn in academic processions today that the medieval academic pageantry is retained.

The hoods representing graduate degrees granted by various colleges and universities have linings (turned to exhibit their hues to the fullest advantage) in the colors of the granting institutions. In addition, the facing of the hood represents by its color the discipline in which the degree has been granted: white for arts, letters or humanities; golden yellow for science; purple for law; green for medicine; lemon yellow for library science; orange for engineering; olive for commerce or business; light blue for education; pink for music; brown for fine arts; apricot for nursing; dark blue for philosophy; scarlet for theology; citron for social work; sage green for physical education.

There are different opinions about the origin of the caps worn in academic ceremonies. One view is that the “mortar board” is in actuality adapted from the wooden square used by masons. Another is that it stems from the ecclesiastical or clerical head covering of the medieval period.

Recipients of University Honors receive golden honor cords placed around the shoulders. University Scholars wear a specially minted medallion on a red ribbon to denote their academic achievement.

Graduating students who serve or have served in the Armed Forces are invited to wear red, white and blue Patriot cords in recognition of their service to our country.

THE UNIVERSITY CEREMONIAL MACE

The ceremonial mace has its roots in ancient Rome. During the Middle Ages, the types of maces—one a scepter and symbol of royal authority, the other a weapon—gradually evolved into a symbol of lawful power and regal authority. Beginning in fourteenth-century Europe, the academic mace became part of the pomp and ceremony of university commencements, denoting the authority of the University to confer academic degrees.

The Youngstown State University mace was designed and crafted by a collaborative team that included YSU faculty, students, alumni, and area K-12 art educators under the leadership of YSU professor Greg Moring.

THE PRESIDENTIAL MEDALLION

This is a one-of-a-kind medallion that bears an embossment of the Youngstown State University seal on each of the small elements and on the large central piece. On the back of the central medallion are engraved the names of the University’s past presidents.

The presidential medallion was designed and created out of sterling and bronze by Wendell August Forge of Grove City, Pennsylvania.

THE YOUNGSTOWN STATE UNIVERSITY SEAL

The University’s official seal was adopted in 1936. Designed by a student, the seal includes a torch, quills, wings, a globe, and the Latin words *animus liberatus*. In simple terms, those words summarize the transformation—or liberation—that occurs on this campus countless times each day. In English, they are translated *The Mind Freed, or The Spirit Freed*.

PROGRAM

PRELUDE	“Stars and Stripes Forever March” by John Philip Sousa YSU Wind Ensemble Stephen L. Gage, <i>Director of Bands/Professor of Music</i> <i>Dana School of Music, College of Creative Arts and Communication</i>

During this special ceremony, please be respectful of others and maintain a quiet atmosphere.
Sign language interpreters will be positioned in the upper northwest section of the gymnasium.

COMMENCEMENT SPEAKER

*Eric Spiegel
President/CEO
Siemens USA*

Eric Spiegel is the President and CEO of Siemens USA and is responsible for growing the U.S. business in the company's largest market. With over \$22 billion in sales including exports and approximately 50,000 employees in the U.S., Siemens is a global technology powerhouse that has stood for engineering excellence, innovation, quality, reliability and internationality for more than 165 years. Siemens has over 70 manufacturing sites, spends \$1.4 billion in R&D across the U.S. and is represented in all 50 states.

Mr. Spiegel joined Siemens in January 2010 after 25 years of global consulting as a Senior Partner and Global Business Leader at Booz Allen Hamilton. He has extensive experience with companies and other institutions in the oil and gas, power, chemicals, water, industrial and automotive industries.

A graduate of Harvard University and the Tuck School of Business at Dartmouth College, Mr. Spiegel is the Chair of Ford's Theatre in Washington, D.C., and a member of The Board of Overseers at Dartmouth's Tuck School of Business and the Board of Trustees at Rollins College. He is also a Director of Liberty Mutual Holding Company, Inc., Vice Chair of the Education and Workforce Committee at the Business Roundtable, and a member of the President's Advanced Manufacturing Partnership Steering Committee. Mr. Spiegel co-authored the 2009 book *Energy Shift: Game-changing Options for Fueling the Future*.

Most importantly, Mr. Spiegel is a native of Poland, Ohio, and was a 1976 graduate of Poland Seminary High School.

COMMENCEMENT STUDENT SPEAKER

Melanie Shipman

Melanie Shipman is a graduate student in the Beeghly College of Education as a member of the first cohort of the School Psychology program. She graduated with her bachelor's degree in Middle Childhood Education with a concentration in Math and Social Studies from the University of Toledo. She worked for ten years as a seventh grade math teacher at Grand Valley Middle School in Orwell, OH, where she served on the Math Curriculum Team and Building Leadership Team. She earned a master's degree in Curriculum and Instruction in 2007 from Liberty University. After some soul-searching, she decided to take a leap of faith and go back to school to become a school psychologist. She was a member of the first cohort to enter the school psychology program at Youngstown State University. Melanie accepted a position as a graduate assistant to Dr. Mary Lou DiPillo, Associate Dean in the Beeghly College of Education. During her two year assistantship, she helped to organize a reading conference attended by 300 local teachers and university students and helped with the BCOE change from NCATE to CAEP accreditation standards.

While a full-time graduate student and graduate assistant, she managed an active home life as a wife and mother of three children and maintained a perfect GPA. She currently is an intern working for the Trumbull County Educational Service Center.

COMMENCEMENT SPEAKER

*Randall Craig Fleischer
Music Director
Youngstown Symphony Orchestra*

With three Music Director positions, arrangements and compositions played around the world, a demanding guest conducting schedule, major awards, and a career spanning four continents, Randall Craig Fleischer is making a substantial impact.

Mr. Fleischer has appeared as a guest conductor with many major orchestras in the United States and internationally including the Boston Pops, San Francisco Symphony, China Philharmonic, Israel Philharmonic and many others. As Music Director/Conductor of three symphony orchestras, including the Youngstown Symphony, Mr. Fleischer has led each orchestra through a dramatic period of artistic growth and exploration, demonstrating his abilities as a proven orchestra builder and innovator.

Active as a composer and arranger, Fleischer is a national leader in the area of symphonic rock and world music fusion, and his works and arrangements have been played by many major domestic and international orchestras.

Pioneering rock and world music fusion since the late 1980s, he has worked with many well-known artists, and as a fervent advocate of new music, he has commissioned and conducted many works by living composers.

Fleischer first came to international attention when he conducted Dvorak's Cello Concerto with Mstislav Rostropovich as a soloist in 1990. This was the first time Rostropovich had played the cello in Russia since his forced exile in 1972, and Fleischer was featured in the PBS documentary on Rostropovich, "Soldier of Music."

In December of 1992, Fleischer conducted an ensemble of over 70 cellos, including YoYo Ma, in a tribute to Rostropovich, with then-President and Mrs. Bush presiding. In 1993, he conducted a private concert for Pope John-Paul at the Vatican. The Pontiff awarded him a medal for his achievements in music.

A passionate educator, Fleischer has co-authored several instructional pieces for children in collaboration with his wife, comedian Heidi Joyce. Their programs, "Cool Concerts for Kids" have been performed with nationwide success.

Winner of *Newsweek* Magazine's "Parent's Choice Award" for his recording of Peter and the Wolf, Fleischer stands alone as the only American conductor to receive this prestigious award.

Fleischer studied with Leonard Bernstein as a conducting fellow at Tanglewood in 1989. He served as the Assistant Conductor of the American Symphony Orchestra from 1986 to 1989. He earned his Master of Music degree at the Indiana University School of Music and his Bachelor of Music Education from the Oberlin Conservatory of Music. He has studied conducting privately with Otto Werner Mueller and in Master class. Mr. Fleischer lives in Los Angeles with his wife Heidi and daughter Michaela.

COMMENCEMENT STUDENT SPEAKER

Kayleigh Perline

Kayleigh is a double major in Psychology and Interpersonal/Organizational Communications, and she has made the Dean's List every semester at YSU. She has also been awarded numerous awards and scholarships, such as the Karl W. Dykema Scholarship, the James P. LaLumia Memorial Scholarship (two years in a row), the William H. Farnell Scholarship (two years in a row), the Dr. Kathleen Kougl Scholarship in Communication, the Allen Jones Scholarship in Psychology, and the Albert & Adele Krotzer Scholarship. Ms. Perline is also very involved on campus. She has been involved with Alpha Xi Delta sorority, Psi Chi, Lambda Pi Eta, Room of Requirement and Phi Kappa Phi. She held leadership positions in Alpha Xi Delta, Psi Chi and Lambda Pi Eta. She was even involved with the YSU Study Abroad Program and had the opportunity to study at the University of Winchester in England during the Fall 2013 semester. Aside from campus involvement, Kayleigh has done some community service as well. She has helped out at the Rich Center for Autism, Animal Charity Humane Society, Walk Now for Autism Speaks in Youngstown and in Canton, and Angels for Animals. After graduation she plans to attend Miami University in Oxford, Ohio, to obtain her Master's and EdS in School Psychology. After that her goal is to work in a school system as the school psychologist and help all students get the best education possible. Once she has a few years of practice as a school psychologist, she is thinking of going back to school to receive her PhD in School Psychology.

CANDIDATES FOR BACCALAUREATE DEGREE HONORS

Because the list of candidates for graduation honors had to be prepared in advance, it is tentative. The diploma, together with a certified transcript, is the proof of graduation with honors.

SUMMA CUM LAUDE

MACEBEARERS

10:00 am

David E. Stout, PhD

David E. Stout is the John S. and Doris M. Andrews Professor of Accounting, Lariccia School of Accounting & Finance, Williamson College of Business Administration, Youngstown State University. Previously, he held the position of the John M. Cooney Professor of Accounting, College of Commerce & Finance, Villanova University. David earned his PhD (1982) from the University of Pittsburgh, with a major in accounting and a minor in taxation. He teaches primarily in the cost/managerial accounting area.

He serves currently as editor-in-chief for the *Journal of Accounting Education*. Previously, he served as editor of *Issues in Accounting Education*, as a member of the editorial advisory board of *Accounting Education: An International Journal*, and as Senior Associate Editor of the *Journal of Accounting Education*. He serves currently as a member of the editorial board of: the *Journal of International Accounting, Auditing & Taxation*; *China Finance and Accounting Review*; the *IMA Educational Case Journal*; and, *Management Accounting Quarterly/Strategic Finance*.

Professor Stout has published over 90 articles in numerous professional and academic journals including: *Advances in International Accounting*, *Issues in Accounting Education*, the *Journal of Accounting Education*, *The Accounting Educators' Journal*, *Advances in Accounting Education*, *Behavioral Research in Accounting, Educational and Psychological Measurement*, *Management Accounting*, *Management Accounting Quarterly*, the *IMA Educational Case Journal*, the *CPA Journal*, *Financial Practice and Education*, *Strategic Finance*, *Accounting Education: An International Journal*, *Managerial Finance and Advances in Accounting*. He is a co-author *Cost Management: A Strategic Emphasis*, 6th edition (McGraw-Hill, 2013).

David is the recipient of the 2007 *Brummet Award* from the Institute of Management Accounting (IMA) (an award given each year to honor a distinguished educator in the area of management accounting), the 2007 *Ohio Outstanding Accounting Educator (OOAE) Award* (co-sponsored by The Ohio Society of CPAs and the AAA Ohio Region), the 2008 *Distinguished Achievement in Accounting Education Award* (AICPA) and the 2008 *IMA Faculty Leadership Award—Distinguished Service Award for Educators* (which recognizes a faculty member who has demonstrated exemplary leadership within and service to the IMA). He is the co-recipient of the 2012 *Jim Bulloch Award for Innovation in Management Accounting Education* (sponsored by the IMA and awarded by the Management Accounting Section (MAS) of the AAA) and the 2011 *Mark Chain/FSA* (Federation of Schools of Accountancy) *Innovation in Graduate Teaching Award*. In 2008 he was inducted into the Hall of Honor of the AAA's Teaching, Learning & Curriculum (TCL) Section.

David serves currently as a member of the Joint IMA/MAS Curriculum Task Force. He is past president of the AAA Ohio Region, the AAA Teaching, Learning, and Curriculum (TLC) Section, and the Academy of Business Education (ABE).

2:30 pm

William Guy Vendemia, PhD

Dr. Vendemia graduated from The Ohio State University with a Bachelor of Science in Business Administration with a major in Accounting in 1980. He went on to Kent State University, where he earned a Master of Business Administration degree in 1981 and a Doctor of Philosophy in Operations Management in 1991.

He began his career at Youngstown State University in 1982, leading the Accounting Technology program in the College of Applied Science and Technology. In 1994, he joined the Management Department in the Williamson College of Business Administration.

Teaching has always been Dr. Vendemia's primary interest. As such, he has taught a broad range of courses including those in accounting, operations research, operations management and entrepreneurship. In addition, his students have ranged from freshmen to graduate students. In recognition of his efforts, he was awarded the Distinguished Professor of Teaching award in 2004.

His involvement in the college of business has been active and varied. He led the undergraduate curriculum team through several major curriculum revisions, including the move to semesters and change of requirements to meet the standards of accreditation. Another area of focus was his effort in the development of the freshman business course, Exploring Business. Dr. Vendemia was on the team that developed the course in 1995 and is currently the course coordinator. Perhaps his biggest contribution is in leading the YSU Chapter of Beta Gamma Sigma International Honor Society. In this role, he determines student eligibility, leads a formal tapping ceremony to encourage membership acceptance and plans and executes the annual initiation ceremony. As a result of these and other efforts, Dr. Vendemia has been recognized as a Distinguished Professor of Service, both in 2007 and 2015.

Finally, Dr. Vendemia's intellectual contributions are as varied as his teaching. His work has been published in *Business Education Innovation Journal*, *Journal of International Business and Economics*, *International Journal of Management and the Journal of the Operational Research Society*. In addition, he has presented at conferences around the world.

He is married to Maureen C. Vendemia, Professor in the Department of Health Professions. Their two children are both YSU graduates; Megan in 2011 and Eric in 2014.

Alma Mater

All hail to thee, O Youngstown,
Our Alma Mater fair;
In sunlight and starshine
We see thee in all thy glory.
The Red and the White, thy glorious colors,
Ever we praise and hold them
High to the breeze as the symbol of our
Most loyal allegiance.
This anthem, O Youngstown,
Our pledge of trust shall be
That thy sons and daughters
Shall keep faith with thee forever.
