## CALENDAR OF EVENTS

The students of Youngstown College present a pictorial review of another year on campus. We present our faculty and our administrators, ourselves, our organizations, our achievements, our lives. We present September registration and October football, our annual Homecoming in November and the Snowflake Frolic in December, January basketball and final exams, the February Mardi Gras and the Pan-Hell Dance, the Jester's Ball in March and the Junior Prom in April, May Day, June exams, and finally senior commencement.

But more than all this we present our school. It is hoped that through this annual the essence of college life may be recaptured for our alumni, recreated for our graduating seniors, and made more meaningful for all those associated with the institution. As our social and scholastic calendar is unfolded we hope that you may relive pleasant experience and gain a clearer insight into the views and aims of Youngstown College.

**AS WE VIEWED THE**

Crisp fall weather may seasonally indicate the death of summer but to thousands of college youth the world over it marks the rebirth of intellectual incentive and opportunity. Nowhere is this spirit more vividly portrayed than in our photographers view of the north campus. Students pause a moment between classes to have their pictures taken and add depth to a foliage shrouded view of our President's home, a symbol of knowledge. With the passing of fall the shroud will be removed from our symbol. It is each student's desire, with each passing year at Youngstown College, to remove a part of the shroud from knowledge.

## NORTH CAMPUS

## SOMETHING NEW ON CAMPUS

When school opened in September many of us found ourselves in classes being held in the north wing of Youngstown's nearly completely library. Despite the fact that these classrooms were accessible only through a sea of mud, we were all favorably impressed by the pastel walls, pleasant green blackboards, and ultra modern florescent lights.

We finally gained full access to this million dollar edifice at the beginning of the second semester. Facilities included three large reading rooms, readily accessible book stacks, a combination reading and smoking room, a visual education room, a faculty lounge and a women's lounge.

In this new structure we see the embodiment of all that is progressive. We are proud to be even a small part of educational growth.

## SOMETHING OLD

### ANOTHER MARK IN OUR CALENDAR

We arrive at that one brief moment in our young college careers when we wonder if the whole thing is worth it. Everyone stands endlessly in line. Everyone seems even a bit more confused than we.

We could advance in this linear hierarchy if our advisor would sign our schedule. The "joker" in front of us, though, seems compelled to recreate his childhood in an effort to convince the dear lady that he is simply not emotionally prepared to tackle the rigors of Statistics.

We find ourselves in a line headed toward a placard marked PL 346. We are not here purposefully, it was simply the shortest one. It's the wrong line. We belong in that much more lengthy one now forming just outside the door. In despair we have coffee at the Lincoln.

Back again, and we'll do it this time if it kills us. We near the end of chaos now. An impressive and scholarly looking individual looms before us. Let's turn the page and have a look at him.

TRAINING CORP

The educational program of many youthful male registrants will necessarily include an association with Youngstown's own unit of the Reserve Officers Training Corps. Here, Major Jones, Professor of Military Science and Tactics, discusses the nature of this association with a potential military leader.

ROTC REGISTRATION

At the termination of our chaotic wanderings we view the knowing countenance of Mr. Philip Buchanan, our Chief of Registration.

MR. PHILIP BUCHANAN

His pleasant and understanding smile informs new and old student alike, that even chaos is relative. The student reflects and discovers that the tediousness of registration has been greatly lessened by the capable and efficient administration of this man and his staff.

# ANOTHER EVENT DURING

There are undoubtedly students and former students of Youngstown College who have never met our leading administrator, President Howard W. Jones. There are none, however, who have failed to meet his influence, for during the past twenty-two years he has come to be representative of Youngstown's highest educational traditions.

Dr. Jones came to Youngstown after serving for a short time as assistant president of Hiram College. He also attended that institution as an undergraduate, where the foundation for the quality of leadership with which we have been favored since 1931, was laid. His competent administrative policies have always been in the best cultural interest of both students and faculty. We are justifiably proud.

### **JOSEPH E. SMITH**

DEAN OF THE COLLEGE

Dr. Joseph E. Smith's first association with Youngstown College was as a part-time evening professor in 1921. He was subsequently appointed head of the Social Science Department and Dean of Men. In 1949 he assumed his present roles as Dean of the College of Arts and Sciences and Dean of the College.

Dr. Smith significantly distinguished himself as an undergraduate to be awarded a Rhodes Scholarship to Oxford University, England. He received his B. A. degree from Oxford, his A. M. from Nebraska University, and his Ph.D. from Wallas College, London, England.

Possessing a keen understanding of the problems and aspirations of youth and men, our Dean provides a ready guide to ethical living. He is admired and respected by all who know him.

## **THE FRESHMAN RECEPTION**

With registration behind us, we took an evening off to greet newly enrolled freshmen and to renew old acquaintances. Dancing, cokes, and conversation featured as freshmen came to know those students with whom they would be associating as undergraduates. Bright, smiling, youthful faces gave every evidence of future YoCo greatness.

An eager, milling throng converged on Rayen Stadium to watch the locals open their 1952 football season. Lusty cheers and hearty yells rang out across Youngstown's north side as loyal Penguin fans rooted home a winner. We were proud of our squad, and those of us who considered it, felt a pride in ourselves and our fellow students who had helped make victory more meaningful to our gridders.

**SEPTEMBER 27**

**OUR FIRST FOOTBALL GAME**

At the close of last year's dismal season Coach Dike Beede promised an upsurge in football fortunes at Youngstown College. A host of Freshmen generated the spark for this upsurge, as the Penguins inaugurated the '52 pigskin parade with a 13-12 victory over powerful Gustavus Adolphus.

## AT YOUNGSTOWN COLLEGE

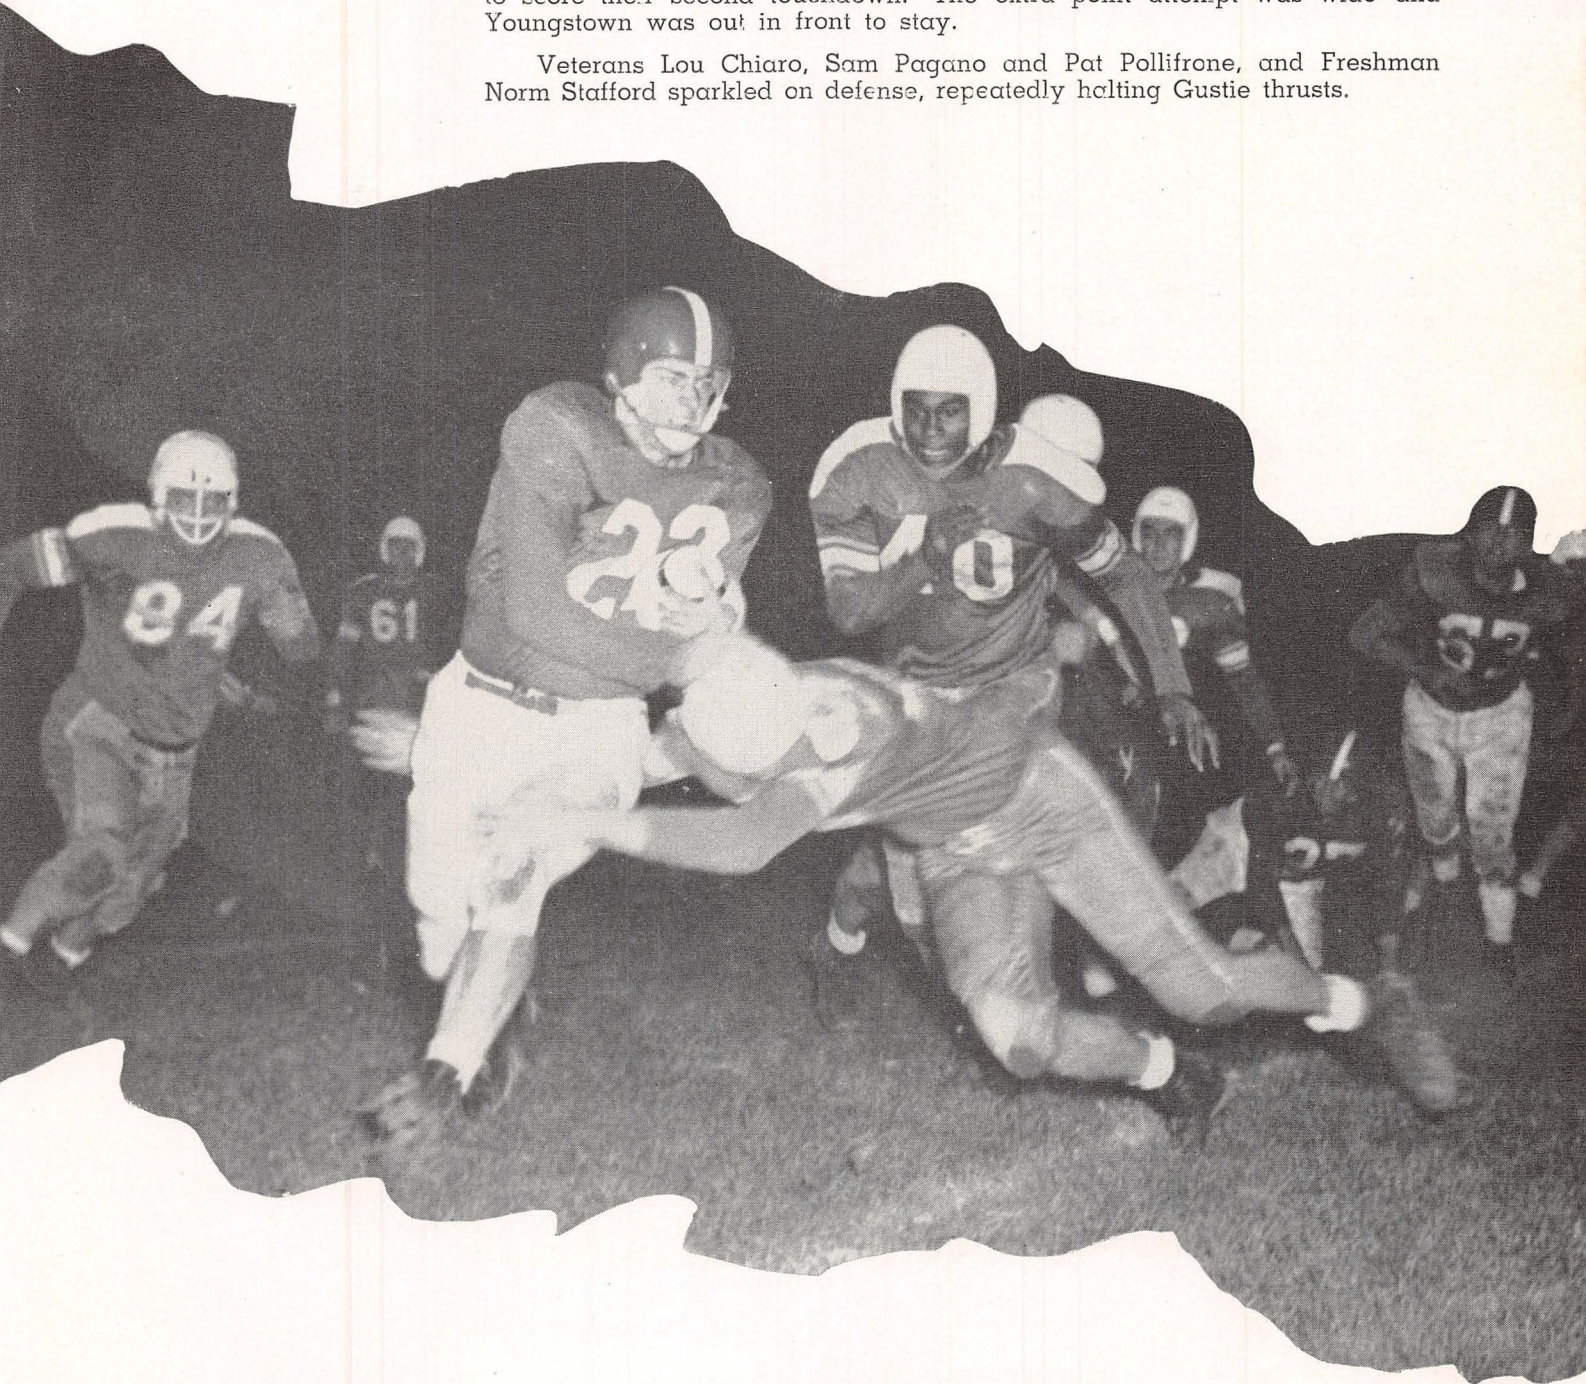

## YOUNGSTOWN 13      GUSTAVUS ADOLPHUS 12

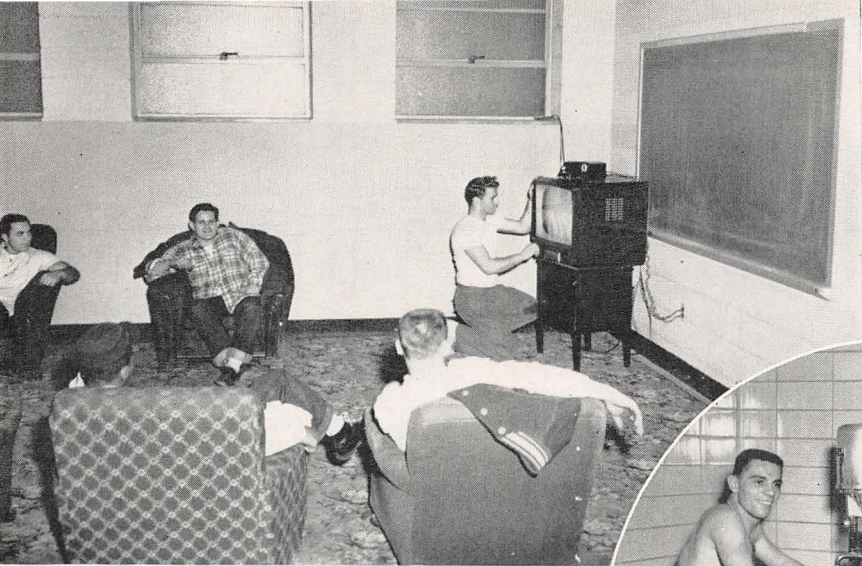

The Penguins displayed everything but a scoring punch in the first quarter. Then midway through the second period, following a Gustie punt, Bobe, Franko and Ceremuga moved the ball goalward. Dick Franko swept right end and lateralled to Bobo, who raced into the end zone for the score. The point-after-touchdown attempt was no good.

Gustavus scored, in a race with the clock, as the half ended. Lou Chiaro broke through to block the conversion attempt. Youngstown took a Gustie punt midway in the third quarter and moved to a first down on the 48 yard line. Franko passed to "Choo-choo" Ceremuga and the fleet halfback streaked goalward. Angelo Pezzuolo threw the key block on the 20 and Ceremuga raced into the end zone for the touchdown. Bob Lynn converted.

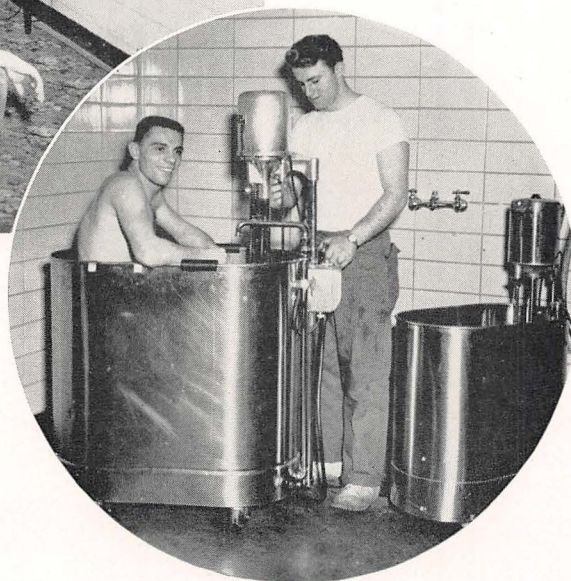

Early in the final chapter the Gusties staged a 36 yard ground assault to score their second touchdown. The extra point attempt was wide and Youngstown was out in front to stay.

Veterans Lou Chiaro, Sam Pagano and Pat Pollifrone, and Freshman Norm Stafford sparkled on defense, repeatedly halting Gustie thrusts.

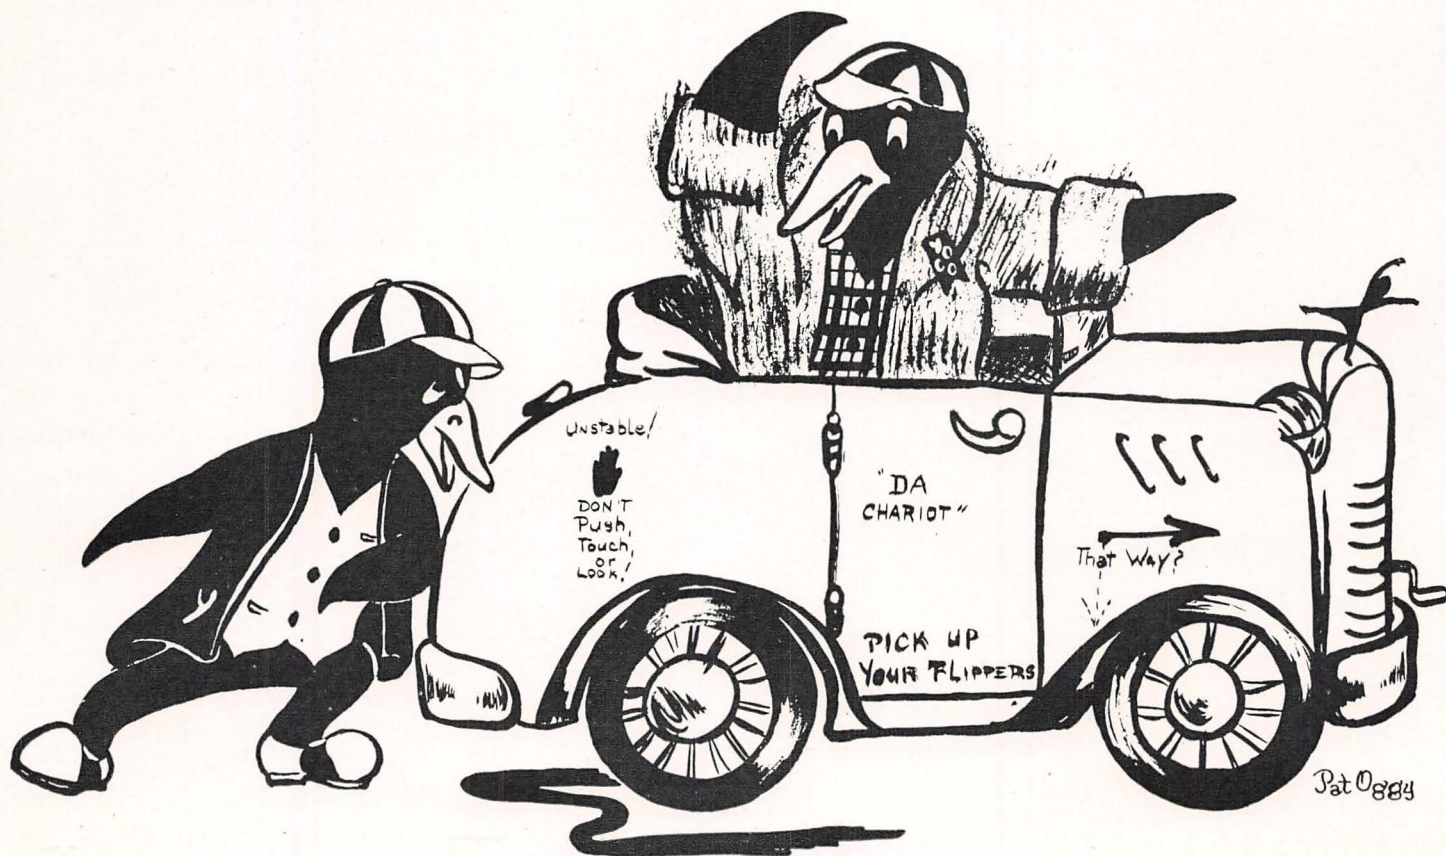

VARSITY CLUB ROOM

An attempt is made to create a home-like atmosphere for our varsity athletes, many of whom come from neighboring communities and live on or near the campus while school is in session. The modern whirl-pool baths, outstanding features in many professional club houses, contribute to the superb conditioning of our athletic teams.

**YOUNGSTOWN 35**

**ST. FRANCIS 0**

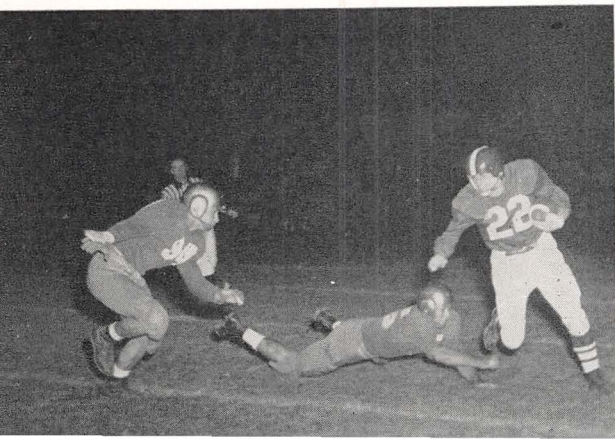

Youngstown's victory minded Penguins struck with terrific power to crush St. Francis 35-0. Freshman Dick Franko ran for two touchdowns and passed for another as the Penguins out-classed the Frankies all the way.

Big Pat Pollifrone recovered a St. Francis fumble in the first period. Franko, Villa and Cere-muga moved the ball to the Frankie one yard line and Franko crashed over for the score. Near the end of the period the Penguins ground out 53 yards, with Schaville plunging over from the three.

Ed Nogowski intercepted a second quarter St. Francis pass to set up Youngstown's third touchdown. Franko, on a pass play, found all this receivers covered and ran the ball over for the score. The Frankies gambled in the third quarter and lost the ball on downs. The Penguins took over, with Franko passing to Angelo Pezzuolo in the end zone.

The final tally came in the third period on a 72 yard touchdown drive. On a Franko to Ray Latsko pass, interference was called in the Frankie end zone. The ball was put into play on the one and Jim Villa drove over for the touchdown. Center Bob Lynn again converted, making good five out of five.

The Youngstown line was impregnable as Lou Chiaro, Leo Coughlin, Pat Pollifrone and Sam Pagano broke through repeatedly to stall the St. Francis attack. The Frankies were never able to penetrate deeper than the Penguin 30 yard line.

BEFORE THE GAME

## CHEERING — FOR ANOTHER

This peppery corps of cheerleaders, led by Captain Bob Anderson, was ever on hand to urge our gridgers on to new heights and not infrequently to incite a robust response from our student cheering section.

The running and passing of Freshmen quarterbacks Dick Franko and Lee Bobo was the difference as Youngstown crushed Mount Union 26-7, in a bitterly contested fray. The Penguins broke the game wide open in the final period with a two touchdown barrage.

Offensive tackle, Ned Mervos shook the Mount Union safety-man with a jarring tackle following a first quarter punt. Warren Gurski recovered the ensuing fumble and little Lee Bobo cracked the middle to score. Bob Lynn converted.

In the second canto Joe Jakovina intercepted a Mount Union pass deep in Raider territory. Franko raced around end to the one and two plays later drove over for the score. The try for extra point was wide. The Raiders threatened with a terrific aerial barrage near the end of the half, but Chiaro recovered a fumble on his own one yard line and the Penguins ran out the clock.

Mount Union threatened through the air repeatedly in the third period and finally pushed over their only tally early in the final quarter. Their extra point attempt ran the score to 13-7.

Late in the final quarter Youngstown's two red hot quarterback again took over. Franko skirted right end behind a slashing wall of blockers for his second touchdown, with Lynn converting. Following Frank Marstellar's interception of a Raider pass, Bobo sneaked around end on a bootleg play and scored unmolested. Lynn missed the extra point and the score stood 26-7.

## D. V. "DIKE" BEEDE

(Head Football Coach)

The 1952 football season marked the twentieth year of intercollegiate football coaching for "Dike" Beede, who has been tutoring Youngstown College teams since the gridiron sport was inaugurated here in 1938.

Before taking over the Penguin helm he spent five years at Westminster College and three years at Geneva College. A graduate of Carnegie Tech, "1926," he was captain and fullback under the famous Judge Walter P. Steffan.

Coach Beede has, in recent years, become known as a successful rule modifier, his suggestion of dropping a flag after a rule infraction having been adopted by football officials.

### **WILLARD WEBSTER** ——— Director of Athletics and Trainer

Willard Webster, a graduate of Geneva College, came to Youngstown College in 1938 as trainer for our athletic teams. In 1946 he became Director of Athletics at Youngstown College and when the Penguins formed their first track and field team, "Doc" Webster was at the coaching helm.

### **DOMINIC ROSSELLI** ——— Assistant Coach

A Geneva College graduate, Dominic Rosselli was one of that school's outstanding athletes. He was captain of both the football and basketball teams.

Besides assisting with the football squad at Youngstown he is head coach of the basketball team, tutors the baseball squad and is director of intramural athletics.

### **RALPH WOLF** ——— Assistant Coach

A three-year letterman at Ohio State University, Ralph held down the center position and captained the O. S. U. 1937 "Buckeyes." In that year he won All-American honors and participated in the 1938 East-West Shrine game. His football experience and "know-how" have been a valuable asset to the Youngstown College linemen since his arrival in 1939.

## FOOTBALL MANAGERS

Ever in the background, but as important as the equipment they care for, are the football managers. They perform all of those incidental tasks, without which a team would have a tough time functioning. They are the unsung men of any athletic team.

## HOMECOMING

We climaxed our fall activities with the Twelfth Annual Homecoming Celebration. A week-end of excitement prevailed, with the crowning of royalty, Joan Pokabla and Lou Lehner, highlighting festivities. We watched the floats parade by, cheered the team during the game, said hello to returning alumni, and danced the evening away, as Homecoming 1953 became material for yearbook copy.

## KING and QUEEN

Lovely Joan Pokabla was crowned the Twelfth Annual Homecoming Queen during half-time ceremonies. A sophomore, elementary education major, Joan, is a member of Alpha Pi Epsilon service sorority, the Newman Club and Phi Lambda Delta sorority.

Co-reigning with our Queen was Lou Lehner, a junior advertising major and member of the varsity football squad. Lou is also a member of the Newman Club and Sigma Delta Beta Fraternity.

Bands and majorettes are to football what chili sauce is to chili. A small, compact corps of musicians provided music and marching as a quintet of baton twirling coeds led them in half-time demonstrations throughout the season.

## THE BAND

**YOUNGSTOWN - 13 BALDWIN WALLACE - 12**

The arm, heart and feet of a lithe little quarterback bewildered a big Baldwin Wallace defense and led an inspired Youngstown team to a 13-12 victory. A chilled but hysterically happy home crowd saw freshman Lee Bobo twice rally his Penguin teammates around him for scoring thrusts after the Yellow Jacket's two sustained scoring drives had apparently wilted the Youngstown team.

**JOHN CARROLL - 40  
YOUNGSTOWN - 0**

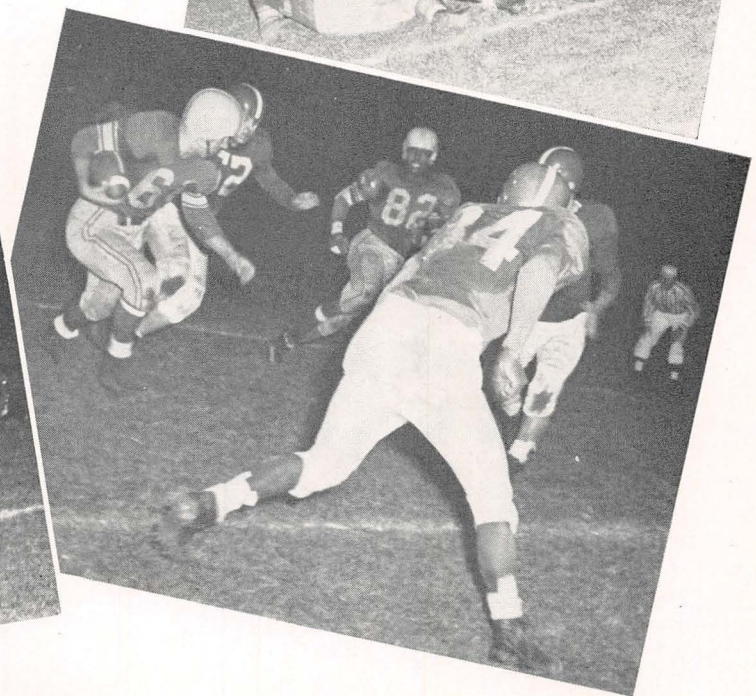

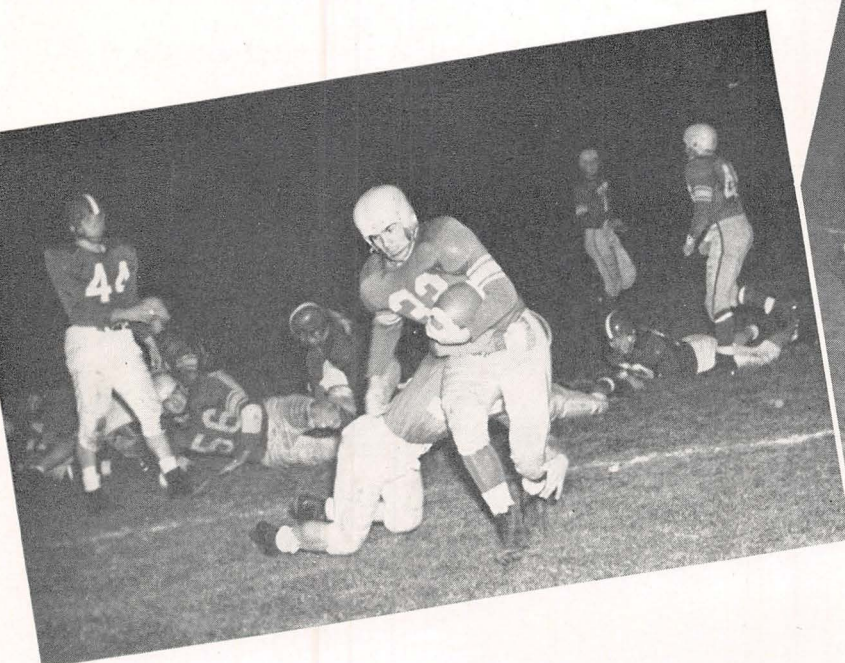

John Carroll's keyed-up Blue Streaks stunned an injury riddled Youngstown squad with a quick touchdown, then crumbled the Penguin's defense to score three times in the final period and hand the YoCo gridders their first set back of the season. The Blue Streaks poured through the line and siruck via the air lanes to build up a wide statistical margin.

**BOWLING GREEN - 50  
YOUNGSTOWN - 0**

The Penguins received their second straight trouncing at the hands of a fast, rugged Bowling Green squad. Beset with injuries and not yet recovered from the John Carroll pasting, our boys from "steel town" were never really in the ball game, as the Bee Gees walked off with a 50-0 victory.

**TOLEDO - 24 YOUNGSTOWN - 21**

A battered and crippled Youngstown squad bounced back in the season's finale against the highly touted Rockets from Toledo. The dogged Penguins played the visitors off their feet for three quarters, but weight and depth made the difference as the Rockets pulled out a 24-21 victory in the waning moments of the final quarter.

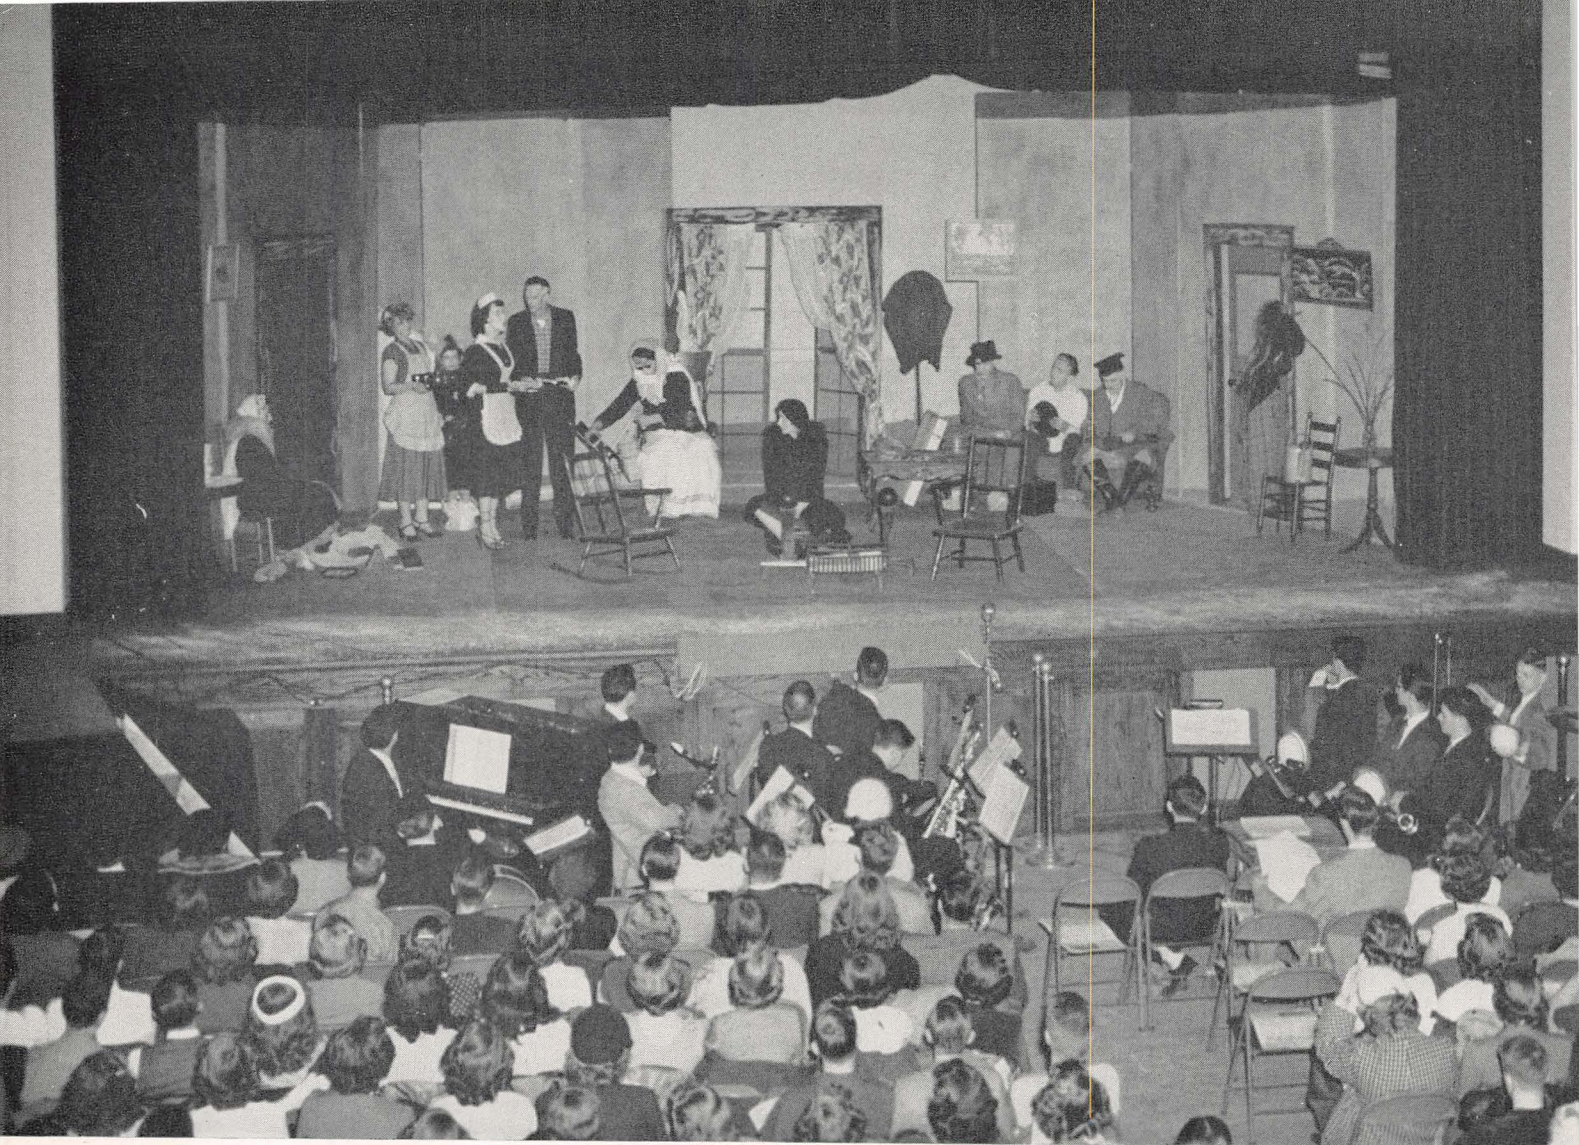

## **FRESHMAN CLASS**

Dick McLaughlin held the reins on the spirited class of '56 and skillfully brought them over the jumps and hurdles to sophomore prestige. Able leadership coupled with a winning personality gave us a memorable introduction to this freshman leader.

## **FRESHMAN BREAKFAST**

The annual Freshman Breakfast was held October 8 at Pioneer Pavilion in Mill Creek Park. This event, in honor of the freshmen, gave them a chance to get acquainted with the upperclassmen. To aid in this, a full program of events was planned, including dancing, baseball and football. Alpha Pi Epsilon service sorority fed the hungry mob.

THE THIRD ACT

# *Yocco Hooley*

"Yocohoey '52" featured Thornton Wilder's Pulitzer Prize play, "The Skin of Our Teeth." This three-act comedy, built around the lives of average Americans at grips with destiny, was completely double cast, with alternate casts performing each evening. Featured as Mr. and Mrs. Antrobus were Ed Cunningham and Anita Proverbs, and Mr. and Mrs. Andy Vargo, while the role of Sabina was played by Eileen Bott and Betty Hinson.

FRANCES SAMPSON — Unicycle Act

W. M. FOLEY

Between acts, and also in Act Two, the show was sparked by several variety acts, ranging from opera and comedy, to specialties in the Latin American mood. The Act Two fiasco featured Bill Kassam in a skating routine and Fran Sampson, unicyclist extraordinary. Bill toured Europe in 1950 with the "Skating Vanities."

The entire show was produced and directed by Will Foley, director of dramatics at Youngstown College, and music for the show was arranged and directed by Francis Gampietri.

## THE LUNCH HOUR

## SOPHOMORE CLASS OFFICERS

L. Mirage, S. Fish, Y. Mariano, C. Dittmar

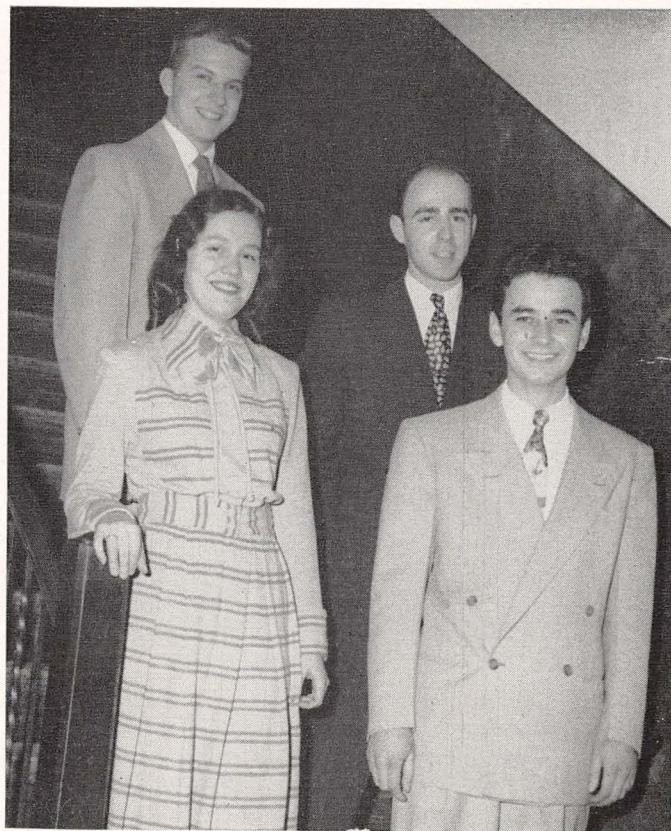

Lew Mirage, with the assistance of Charles Dittmar, Shirley Fish and Yolanda Mariano, took over the leadership of the sophomore class by popular acclaim. Under their guidance the not-too-long-ago freshman, settled into the serious business of gaining an education.

## JUNIOR CLASS OFFICERS

Under the capable direction of Tony DiVito, president and his fellow officers, Virginia Brown, Walt Hogan and Bob Jones, the Juniors mark the half-way mark in their climb up the ladder and become upper classmen.

THE QUEEN'S DANCE

Pan Hellenic Council completed its twenty-third year as the sole governing body for all Greek-letter social organizations on campus. A representative unit, its primary purpose has been to establish and maintain the conditions of fraternal membership.

In addition to its administrative functions, this year's council staged an All-Greek Mixer and the colorful Eleventh Annual Sweetheart Dance, a highlight of the Greek social season. Many members of its member organizations accepted an invitation extended to council to attend a dance sponsored by the Society for the Blind, and this year Pan Hellenic Council inaugurated an Interfraternity and sorority sing as a part of the May Day festivities.

Dick Hill served as Council Chairman for the first semester and Claranne Lyden as Secretary-Treasurer. Tom Hoyt and Marian Pickard were named to these offices for the second semester and Dr. Hubert Howard and Mr. Kenneth Kitchen again served competently as faculty advisors.

# BETA SIGMA OMICRON

Completing one gloriously successful year on Youngstown's campus, Beta Sigma Omicron proudly looks back on her momentous hours.

During the year the Beta Sigs enjoyed socials with the sororities and fraternities on campus thanks to our social chairman Amelia Schiavone.

Wedding bells chimed last summer as Betty Jane Seeger changed her name to Paul. Stella Ballack became engaged. Waists expanded as the girls enjoyed the traditional five pound box of candy received from the lucky fiance.

Yocochooey also featured the talent of several Beta girls.

Beta Sigma Omicron and Nu Sigma Rho joined forces in creating the winning Homecoming Float.

The parents of the girls were invited to an informal tea at Pollock Hall, which proved what good hostesses the girls can be.

Aprons were donned by the Betas as they prepared for a bake sale in October. Now you see the goodies and now you don't — they were delicious.

Congratulations are in order for Rosemary Dundon who was selected as a Snowflake Frolic hostess.

Founders day, December, was celebrated with a traditional dinner. The girls all wore their pink and ruby ribbons. Alumni from other colleges were present as guests.

Trips were made to visit our sister chapters at Baldwin-Wallace, Tiel, Hiram, and Westminster Colleges.

Rushing season toppled upon us in no time at all. Two fine groups of girls were pledged and installed in fine flourish. Joint rush parties were held with Pi Beta Chi.

Pajama parties were enjoyed tremendously at the homes of Betty Paul and Barbara Donovan. Oh, what sleepless night can do to a girls eyes!

Congratulations to Virginia Pitts who reigned as May Day Queen.

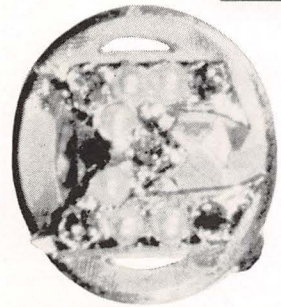

A formal dinner dance was held at the Mahoning Country Club. Phyllis Eberhart was chosen Pink Lady. A very amusing skit was performed by the first pledge class.

"The January Jump" appeared for the first time at "Yoco" this year. It was an informal dance sponsored by the Beta Sigs and Pi Beta Chi. We hope the dance can be as successful next year.

As the year closed we had lost Virginia Pitts, Mary Bacon, and Peggy Yeaton who are now making use of their degrees.

Of course, we could never have come through our first year in such full bloom without the help of our first President, Audre Durbin, her successor Phyllis Eberhart, and our advisor, Virginia Buehrle.

We now raise the shade, with great hopes, to a second year on campus.

# GAMMA SIGMA

The Gamma Sigma Sorority is celebrating its Silver Anniversary this year.

Our new actives for the spring of 1952 were Jeanne Shutrump, Becky Ganther, Norma Deramo, Nancy Johnson, Claranne Lyden, and Marguerite Dempsey.

Claranne Lyden and Jeanne Shutrump were attendants to the Homecoming Queen, and again this year, as a standing tradition, we conducted a very successful mum sale. A special thank-you is due sister Norma Deramo and her dad who helped us so graciously.

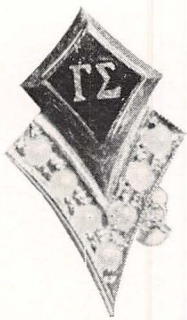

The Snowflake Frolic Hostesses included our own Marguerite Dempsey, while Claranne Lyden was honored as Harvest Moon Queen.

Our "gals" of distinction for the past year were Marlene Schnauffer and "Jo" Grohovsky, selected to appear in "Who's Who." The Sadie Hawkins Day Dance brought three more Gamma Sigs into the spotlight. Prexy, Rose O'Horo took first prize for the best costume, with Nancy O'Connor, second, and Becky Ganther, third.

The busy yuletide season included our annual Christmas Date Party held at Jeanne Shutrump's home. At the end of the first semester, we had our annual box luncheon with the Phi Gams, proceeds going to the March of Dimes.

Spring made its entrance at a fast pace along the scurry of our new lil' pledges. Our gratitude goes to all officers and committee members for their well performed duties and a special thanks to advisors Mrs. Mary Smith and Jean M. Heller for their patient and intelligent guidance.

The cooperation and hard work of all the members has made this year undoubtedly one of the best for Gamma Sigma.

## PHI LAMBDA DELTA

Phi Lambda reached the quarter century-mark this year with a celebration at the Youngstown Club. Organized in 1927 by Dr. Bare, who acted as advisor of the new group, the sorority has grown throughout the year aided by its senior and junior alumni.

In addition to the monthly summer meetings, showers and picnics, a safari to Madison-on-the-Lake began the last week of August and lasted until after Labor Day when the members returned home, tired but happy.

In November we had a large turnout for our annual "Sweater Dance" sponsored jointly by the Phi Gams and Phi Lambs.

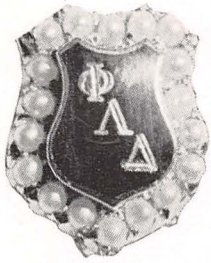

During the Christmas vacation, the fifth annual "Papa Party" was held at the Christ Mission and we also had our annual dinner dance at the Club 422.

Several parties were held during the year with various social fraternities.

Congratulations to sister Joan Pokabla, Homecoming Queen; and Shirley Fish, hostess for the Snowflake Frolic.

A welcome to our new sisters, Leona Gilboy and Joan Pokabla. They braved the trials and tribulations of pledge season in fine spirit.

There are so many things to remember—the spring dances, parties, rushing, meetings, our Mother-Daughter Tea, the formal dinner dance, but most of all the knowledge that the friendships formed will continue to grow throughout the years.

## PHI MU

The fall of 1952 brought a big change to Alpha Theta Delta Sorority, for on Dec. 13, after months of busy preparation, we became the Delta Mu Chapter of Phi Mu National Fraternity. Delta Mu was the third chapter to become organized during Phi Mu's centennial year.

Phi Mu was founded at Wesleyan College, Macon, Ga. in the year 1852 and has been a member of National Panhellenic since 1911. There are now more than 70 active chapter scattered throughout the United States.

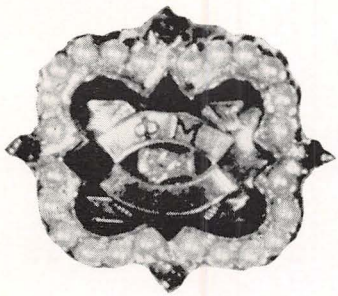

A busy recognition week-end was scattered throughout the United States. An enjoyable rush season followed and we had four new pledges at our mercy. They were Ann Herschel, Janie Olsavsky, Jean Santangelo, and Betty Lindner.

Honors came to the sorority when Peggy Balla and Viive Prees were chosen as attendants to the Homecoming Queen. Marilyn McCallen, Nancy Crofford and Ginny Gething were named in the 1953 edition of Who's Who in American Colleges. "Prexy" and "Crof" were also co-editors of the JAMBAR.

In December Pozzy Martin was chosen a co-chairman of the Snowflake Frolic and Nancy Crofford was one of the lovely hostesses. Congratulations were also in order for Janie Olsavsky, Panhellenic Queen; Ginny Gething, Junior Prom Queen; and Viive Prees, May Day Queen.

After a year of enjoyable parties, meetings, and general get-together we close our first chapter of Phi Mu history and to our graduating seniors, Pozzy Martin, Viive Prees and Marilyn McCallen, we extend congratulations and best wishes.

## KAPPA SIGMA KAPPA

Kappa Sigma Kappa has had its 14th successful year as a national fraternity at Youngstown College, under the able leadership of President Harry Ritchey and our other noble officers.

The year started in the traditional way, with a hilarious rush season and the fourteenth annual Sadie Hawkins Dance, under the direction of Brothers Brigham and Nischwitz.

Brother Sam Pagano was the designer of the Homecoming Float, of which we were very proud.

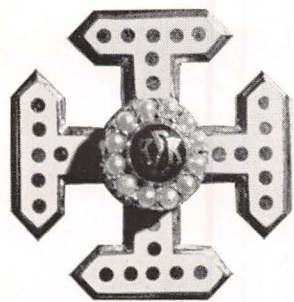

The Christmas Season brought such festivities as the Christmas Party for the children at the Christ Mission Settlement, an annual affair, this year conducted by Brother Herb Williams. Also, numerous social gatherings for the entertainment of the members and their friends were enjoyed.

The second semester brought more entertainment in the way of new pledges and mixed parties.

The highlight of the spring season was the dinner dance held at the El Rio, with Brother Don McCloud as genial host.

To our honor roll of brothers in the service, we are proud to enter the names of —

## PHI GAMMA

Phi Gamma Fraternity concluded its twenty-sixth year on campus in its traditionally successful way.

In the past year the Phi Gams received such laurels on campus as Chairmanship of Freshman Breakfast, and placed several members on the varsity basketball team. In addition we captured the Bowling League Championship, participated in the Intramural Basketball League, and the Intramural Softball League.

Other highlights of the past year included our rush seasons and rush parties (?) with the Phi Lams, the annual Phi Gam — Phi Lamb Sweater Dance, our basketball rivalry with the Sig Deltas with a "keg of frothing beverage" at stake, our 8th annual Popularity Contest for Mr. and Miss YoCo, the Popularity Dance at the Nu-Elms, and to wind up the year, our annual Dinner Dance. In the future when we retrace our college days, we will all find our days as Phi Gams the most pleasurable of our lives.

The entire fraternity wishes to thank its President, Bob Conger; Vice-President, Bud Mayberry; Secretary, Tom Dundon; and Treasurer, Hank Hendel, for the fine work completed as officers of Phi Gams during 1952-53.

We opened our fall rush season by having a joint rush party with Phi Mu Sorority at the Bear's Den Cabin. Next was a joint party with our sister sorority, Beta Sigma Omicron; and our final event of the rush season was a stag party at the home of Tom Hoyt where a good time was had by all except Dick Mills, whose car blew up. Our Installation Banquet was held December 5th in honor of our new members: Bob Dugan, Don Cook, Bob DeDoff, Jim Louth, and Jack Knable.

Our annual dance, the January Jump, was held on January 9th, as a joint affair with Beta Sigma Omicron. Credit goes to Chuck Dittmar and Patty Vross as general chairmen. A party with Gamma Sigma Sorority closed the first semester. Our sociable Social Chairman, Chester Eckman, receives recognition for this and other functions of the year.

Members who had special duties this year were Tom Hoyt and Chuck Dittmar, Pan-Hellenic Council; and Bill Williams, Student Council. A pat on the back goes to all who helped to make this a successful year. Congratulations to Tom Hoyt and Dean Hawk for their very successful Co-Chairmanship of the eleventh annual Pan-Hellenic Sweetheart Dance.

The final event of the year was our annual formal dinner dance in June, held in honor of our graduating seniors.

## SIGMA DELTA BETA

Celebrating its 27th Anniversary, Sigma Delta Beta Fraternity looks over the past year and basks in the light of its outstanding achievements.

Ever since the origination of Homecoming "King," a Sig Delt has won, this year brother Lou Lehner, carried honors for us, Ray Andrasy was chairman of all Homecoming affairs, and Hal Borovetz and Larry O'Neal were responsible for the finest float yet.

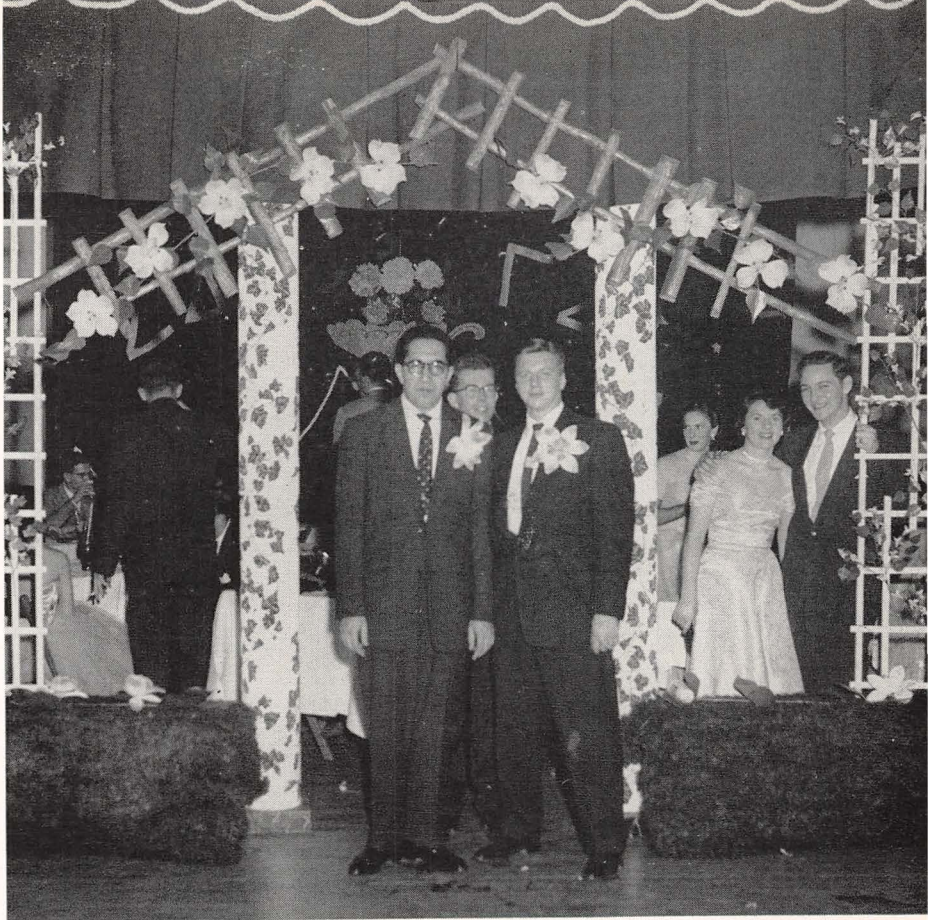

Ten pledges were initiated after enjoying three elaborate rush partys and experiencing the frustrations of being lower than Whale —

President Fran McHugh was elected Senior Class President, other fraternity officers elected in January were Vice-President, Larry O'Neal, Secretary Don McBride, and Treasurer John Bobko.

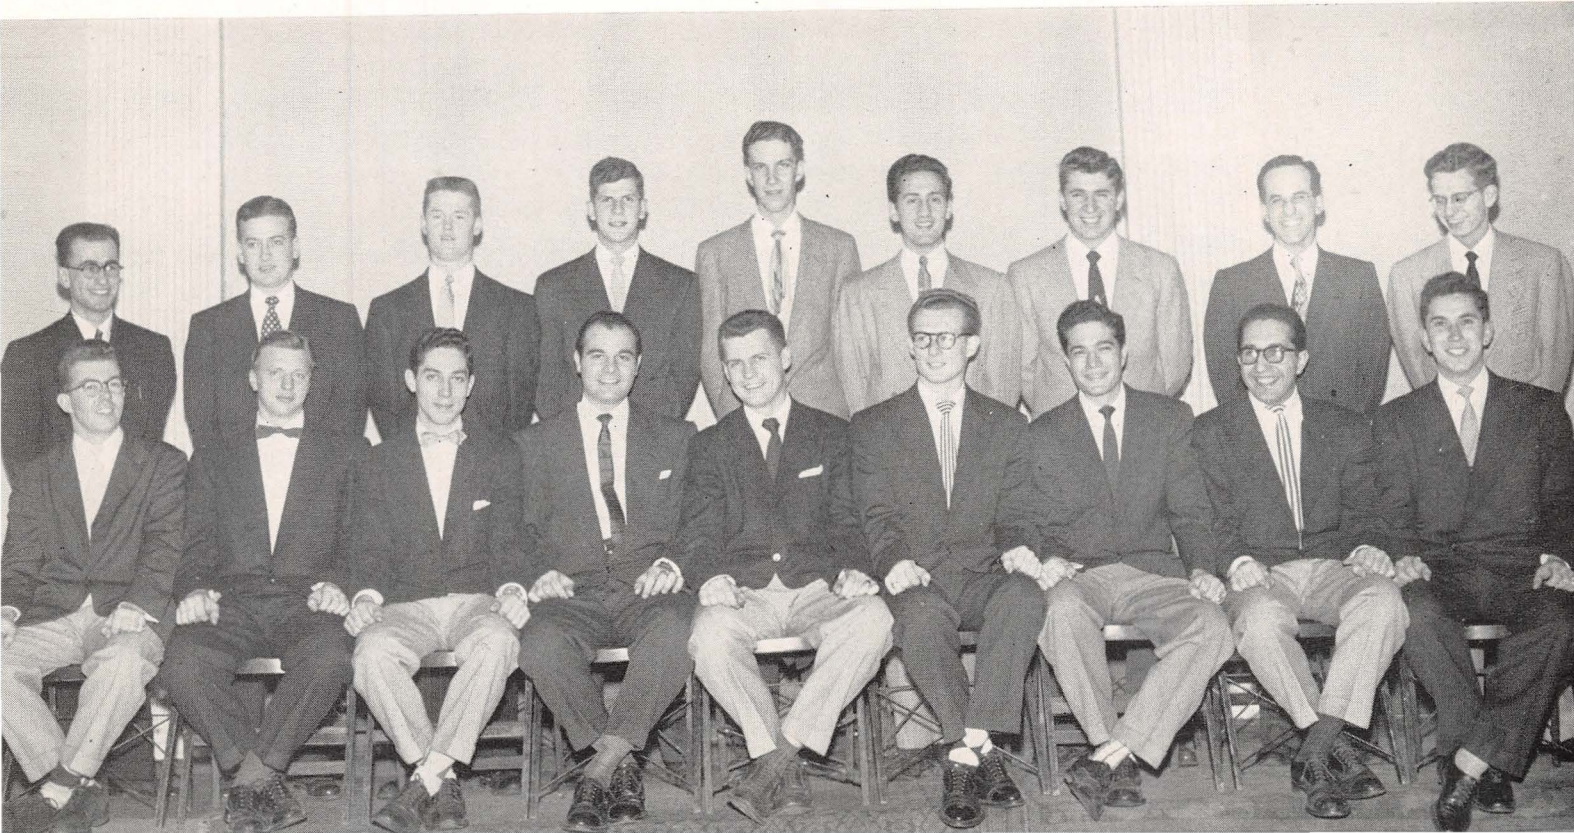

Over 200 couples attended our Seventh Annual Christmas Dance, under the Chairmanship of Hal Borovetz, Larry O'Neal, George Shinas and Ray Andrasy.

1953 was a gala round of parties climaxed by our Spring Formal Dinner Dance.

## SIGMA SIGMA

The Sigma Sigma has successfully completed its seventh year on campus. It has been very active socially by engaging in many school activities.

The top social event of the year was the Annual Harvest Moon Dance, which was held at the Stambaugh Auditorium. It was beneficial to the school as well as the fraternity. A \$100.00 scholarship was raffled off, but the lucky individual was not a student, therefore, the \$100.00 went to the Youngstown College Scholarship Fund.

Miss Claranne Lyden was selected Harvest Moon Queen by the fraternity, and was crowned by Miss Kay Vukovich, last year's queen. The fraternity would like to express its heartiest congratulations to Miss Lyden.

The dance was under the able chairmanship of Ralph Petrucci. Music was furnished by Chuck Fowler.

The rush season has produced a swell group of new members who have been formally installed at the Annual Installation Banquet. The banquet, rush parties, and many other get-togethers have created and instigated a stronger relationship to college life for all its members.

When Pan-Hel Council announced the point averages of all the Greek-letter social organizations for the fall semester, Sigma Sigma ranked highest among fraternities. All the members should be commended for their fine social and scholastic record.

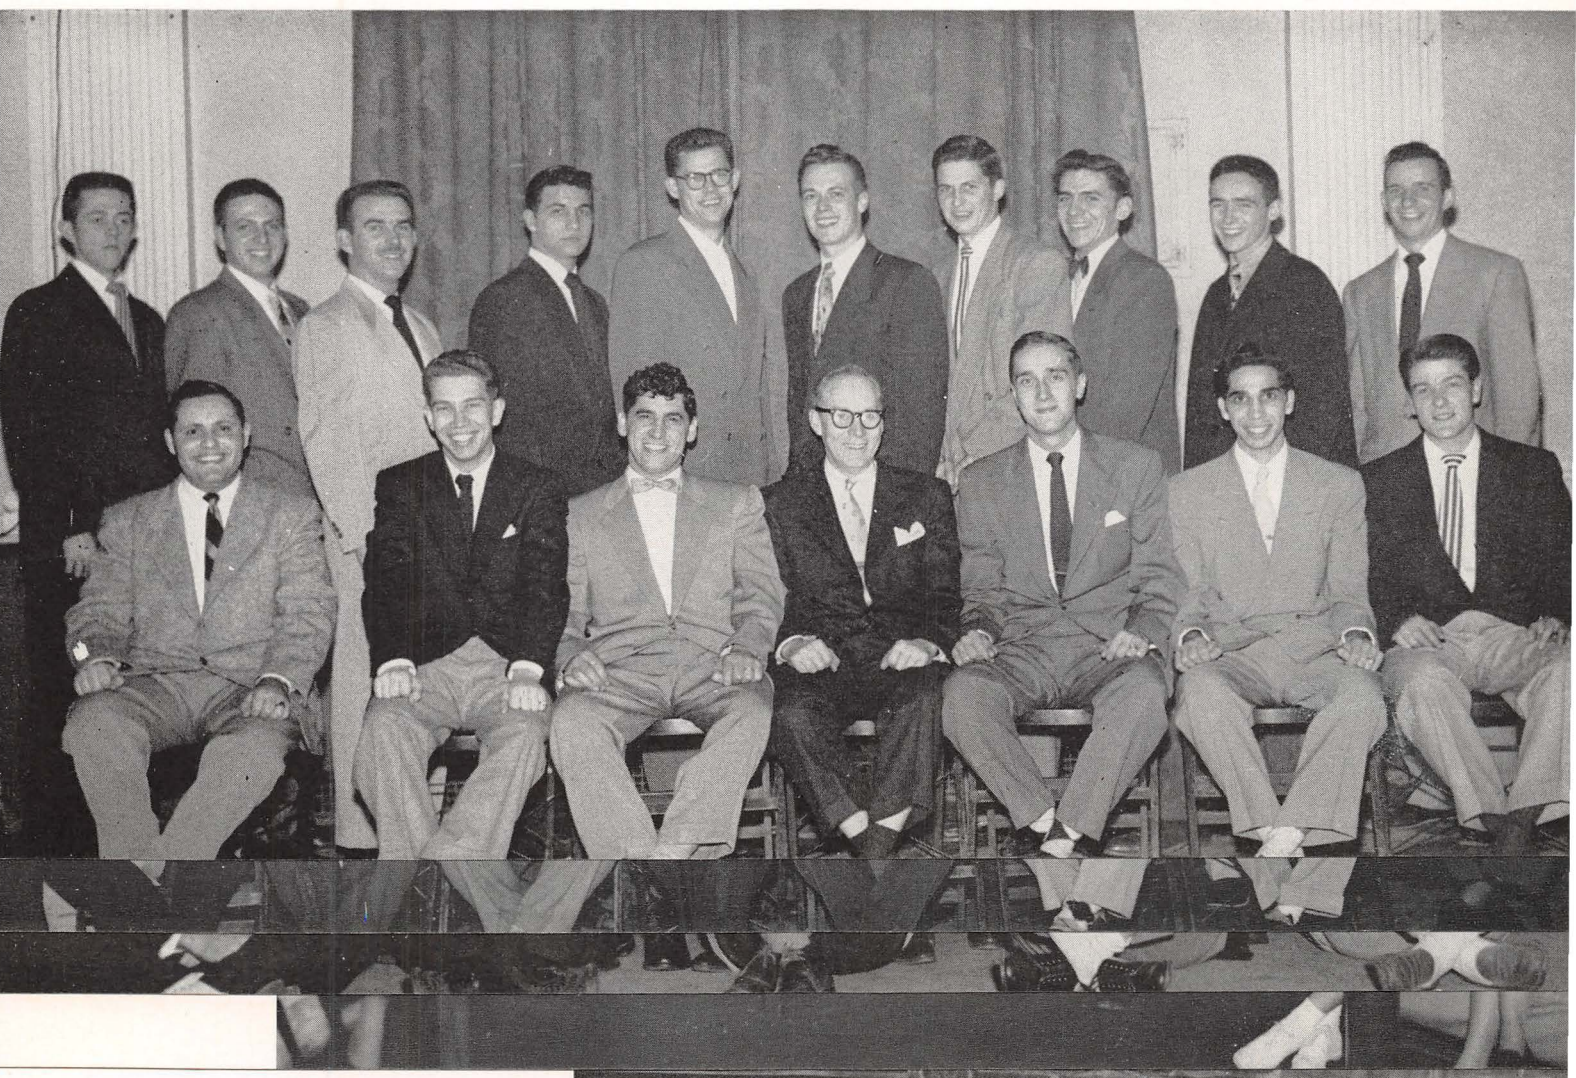

Congratulations to Sam Penrod for his outstanding leadership as president of the fraternity, and also as head of the ROTC.

A beautiful float was submitted by the fraternity for the Homecoming festivities. The design of the float was a large yellow crescent representing our Harvest Moon.

Congratulations and good luck to our graduating seniors, Ralph Petrucci, Sam Penrod, and Bob Pavidonis.

Social Chairman Art Marccone has also kept our social life well balanced. Rush parties, pledge season (our first and a real experience), and a fine Christmas party led the array of events. Now with the hard task of organization behind us, we hope to become a real asset to Youngstown College.

The Fraternity wishes to thank all the "Greeks" and others who have helped and encouraged us in our first year on campus. We wish to express special thanks to Mr. Nelson and Mr. Fulkerson, our very able advisors.

Outstanding among the social and fraternal activities of the year was the Pete Penguin Hop. Originated six years ago, it has become a traditional affair on campus.

Congratulations are in order for Tony DeVito and Lew Mirage, who have served as president of the junior and sophomore classes, respectively.

# PHI SIGMA EPSILON

The Phi Sigs "kicked-off" the fall social season by jointly staging the twelfth annual Touchdown Trot with our Phi Mu sisters. The dance, honoring the football squad, was headed by Bob Anderson and Margie Dodson, and carried out the traditional gridiron theme. Mass attendance at football games and other school functions characterized our early fall activity.

Phi Sigs participated in Homecoming by sponsoring a candidate for Queen, Peggy Balla, lovely member of the Homecoming Court. Our cheerleading brothers, Bill Moskalik, Bill Nagy, Bill Martin, and Bob Anderson, were fiery leaders of the pre-game rally. Shortly after Homecoming, popular brother "Mouse" Moskalik exchanged his red and white for khaki and was feted by his fellow students in a Cycle Club "blow-out." Other active members of last year's organization now in the service are Vic Lamarco, Russ Kaylor, John Pompura, and Joe Conti.

A series of Rush parties produced a number of promising pledges. Don Phillips, Bob Moyer, Glenn Keene, Gerry Janosik, Ronnie Shink, Ralph Bell, and Stan Wyosky joined us in brotherhood at our formal Installation Banquet. In February these men, under chairman Glenn Keene, joined with their sister pledges to honor their big brothers at Schuster's Little Casino. Shortly after midnight we heard the voice of our Pan Hellenic Sweetheart, Miss Janie Olsavsky, over WFMJ's 1340 Club. All applauded when she breathlessly expressed her thanks to "My Phi Sig brothers." Our "regal" booth was filled to capacity (plus) as Phi Sigs went Hellenic in a big way for the eleventh annual Sweetheart Dance.

Our Phi Sig basketball squad advanced to the semi-finals of the Inter-Fraternity tournament. Bill Nagy, an intramural all-star selection, was awarded a trophy as the tourney's leading scorer.

Phi Sig-sponsored candidates reigned as Junior Prom and May Day Queens. Sisters Ginny Gething and Viive Prees were afforded these singular honors.

Just briefly, here are some Phi Sig "BMOC's": Bill Martin, fraternity president and editor of the Neon; Jack Rist, Adjutant and Cadet Major in our corps of cadets; Sam Drake, president of the Drama Guild; Bud Ross, associate editor of the Jambar; and Bob Anderson, captain of the cheer-leading squad.

Congratulations are in order for our officers who performed yeoman service over the past year and did much to further the interests of our fraternity and school. Congratulations also to our graduating seniors, Bob Anderson, Bill Martin, Jack Rist and Harold Graham and to Tom Hess, who plans to enter law school in the fall.

## STUDENT-FACULTY TEA

Classroom restraint was left behind and friendly relations established this year when Mrs. Pauline Botty, Dean of Women, initiated the custom of the Friday afternoon student-faculty teas. Students and faculty met on a social plane and exchanged views on subjects ranging from politics to jazz.

## SETS THE SCENE

Cold wintry winds set the stage and snow and ice provided the back drop as winter was ushered onto the Youngstown campus. As aspiring intellectuals, we avoided sleds and toboggans and snowball fights, retiring with our studies to await the pleasures of the winter social season.

GUEST VOCALIST  
FRANCES ERVIN

Vaughn Monroe and his "Most Talked About Band in America" were the star attraction of the Twenty-second Annual Snowflake Frolic. Not only did the famous Monroe orchestra play for dancing but the ever-popular Moonmaids, Moonmen, and comic Ziggy Talent were on hand to assist the maestro.

Earlier on the day of the dance, Vaughn recorded his show, "Camel Caravan" in the college's C. J. Strouss Memorial Auditorium. The program was aired over a national hook-up the following Saturday. Provocative Frances Ervin, guest vocalist, wowed the audience with her rendition of "Boomerang" and other hit songs.

## SNOWFLAKE FROLIC

The scene for our Snowflake Frolic was set in a winter wonderland, with traditional snowmen and soft blue lighting adding to the realism of the effect. Dancing to the Monroe strains was pleasureable and we laughed at the intermission antics of "Red" Tyrell, our genial Master of Ceremonies. Another intermission highlight was the presentation of our five lovely hostesses, chosen by the dance chairmen for their scholastic achievement and contributions to the school. Chairmen Sally Connelly, Julianna Martin, and Marian Pickard deserve the plaudits of all YoCoites for their untiring efforts in presenting to them one of the finest dances of this or any other year.

THE LONG WAIT

DIDN'T  
HURT  
A BIT

We "gave that they might live" when the Red Cross bloodmobile arrived here in January. Our C. J. Strouss Memorial Auditorium began to resemble an emergency medical aid station and an itinerant observer might have suspected some horrible tragedy had befallen us.

The appearance of the Bloodmobile was arranged by Student Council member Rosemarie Buccieri, who was assisted by the service groups Alphi Pi Epsilon and Alpha Phi Omega. A record 169 pints of blood were collected as a steady throng of donors (that's us) crowded the auditorium most of the day.

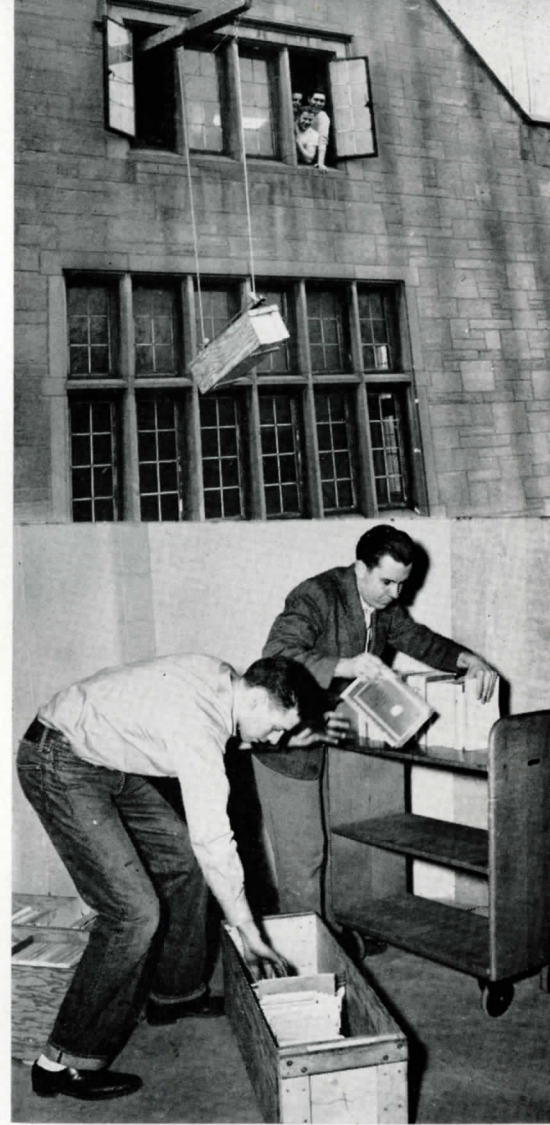

## BLOODMOBILE COMES

The end of the first semester found us looking towards the fourth floor with caution. Every day for a week boxes of books were loaded in crates and lowered on pulleys to the ground where a team of helpers were waiting to carry the precious volumes of knowledge off to their new quarters in the spacious modern library just completed.

YoCo found its hardwood season a little disappointing this year, but in spite of the opposition getting the bigger slice of the win column we still found ourselves proud of a team that placed good sportsmanship as a prime prerequisite for any game.

Dom Rosselli began his athletic career at Rayen High School on Youngstown's near north side, playing both basketball and football. At nearby Geneva College the versatile mentor was an outstanding football and basketball player, and captain of the baseball squad .

Dom came to Youngstown College as an assistant basketball coach under Ray Sweeney. In 1942 Rosselli became head coach of the basketball squad and has served in that capacity ever since, excluding a four year stint as an Air Force captain.

One of the most active members of the faculty, he also assists Coach Beede during the football season, tutors the baseball team, and directs the intramural athletic program.

## BASKETBALL

Midyear graduations, dropouts and the lack of veterans were only a few of Coach Rosselli's worries as he piloted the Penguins through the 1952-53 basketball season.

Beginning the season with only one veteran, Rosselli molded his squad into a fine sharpshooting combination. Big Tom Hernon, Jack Blaski and Dick Timmerman led the early season scoring. Hernon's graduation at mid-semester, and the loss of Timmerman and Blaski necessitated another rebuilding job.

This time Rosselli came up with a combination which proved to be worthy of his fine efforts. With the high scoring Tony Knott and Ed Poplova at guards and Battling Bob Yuhas and Fred Cleary at forwards and the ace rebounder Bud Mayberry at center the Penguins ended their season as a very good combination.

The leading scorer for the season was Tony Knott, the freshman flash from Farrell, closely followed by Bob Yuhas the 6' 4" forward from Levittsburg. In the rebound department it was Bud Mayberry and Tom Hernon showing the way.

## ALPHA PI EPSILON

Firmly established on campus and full of enthusiasm, Alpha Pi Epsilon began its second year of service activities under an energetic and petite new prexy, Rosemarie Buccieri. Under her leadership we welcomed the new women students at the Freshman Breakfast, Freshmen Reception, and the Homecoming Bon Fire Rally and Dance.

The Christmas season found the girls feverishly wielding paint brushes, scrub brushes, and hammers to repair the toys collected for needy children in our campus toy drive.

New semester! New officers! New Activities! An installation tea at Pollock House marked the beginning of another semester. Receiving new titles were Elaine Casey, President; Shirley Orange, vice-president; Natalie Ohl, secretary; Joan Pokabla, treasurer, and Marlene Schnaufer, historian.

Armed with red ribbon badges and plenty of spirit we joined with Alpha Phi Omega to solicit funds for the Friends of the Youngstown College Book Drive. To raise funds for our service projects we cooperated with Alphi Phi Omega in the annual Jester's Ball.

We've been active in other school activities also. Six of our members served on Student Council, (one as president) five listed among "Who's Who," and two have been queens this year.

Looking back over our busy schedule we'll long remember the picnics, parties, the fun of working together, and especially the spirit of our motto "other before ourselves."

## ALPHA TAU GAMMA

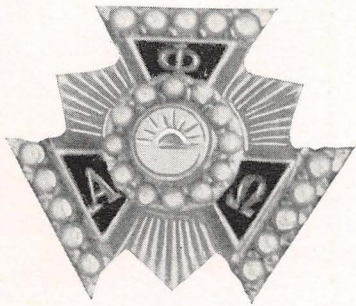

The Alpha Tau Gamma Honorary Fraternity is the center of fellowship for the full-time accounting majors at Youngstown College. Monthly meetings, each with a guest speaker, are rich in information about accounting opportunities and ways of utilizing those opportunities.

The major project each year is the Accounting Clinic. In April, Alpha Tau Gamma sponsors a banquet which is open to accountants and other interested people in the Mahoning Valley Area. Following the banquet, a panel of experts discuss accounting problems of current interest. This annual affair is enjoyed by professionals and students alike.

The two semi-annual Dinner Dances are the high-lights of the fraternity social activities. New members completing 18 hours of accounting (with a 2.0 point average) are presented with keys, and graduating members are presented with scrolls. Alumni also participate in this fellowship.

## ALPHA PHI OMEGA

Epsilon Phi Chapter of Alpha Phi Omega, national service fraternity, has been active at Youngstown College for six years. Epsilon Phi patterns itself by the three principles of leadership, friendship and service.

During the year 1952-53, the chapter carried out many services. One of our largest projects was a very successful Food-for-the-Needy drive. This annual project collected and distributed over 3000 cans of food to needy families throughout the country. The leading donor to the drive was the Drama Guild, with an average of over 100 cans per member. Congratulations!

The Christmas tree set up in front of the main building was also a service of Epsilon Phi.

Another annual affair is the Jester's Ball, sponsored this year jointly with Alpha Pi Epsilon.

DRAMA GUILD

## DRAMA GUILD

The Drama Guild looks back on another year of creative and recreative achievement. Besides producing their annual variety show, "Yocohooley," providing talent for college radio programs, and renovating a large amount of stage equipment, a full social calendar was provided to brighten the lives of our embryonic thespians. Professor Wilfred M. Foley and a hard working Executive Committee, composed of the Youngstown membership of Alpha Psi Omega, National Honorary Dramatics Fraternity, were a continuous source of inspiration and leadership.

## THE NEON

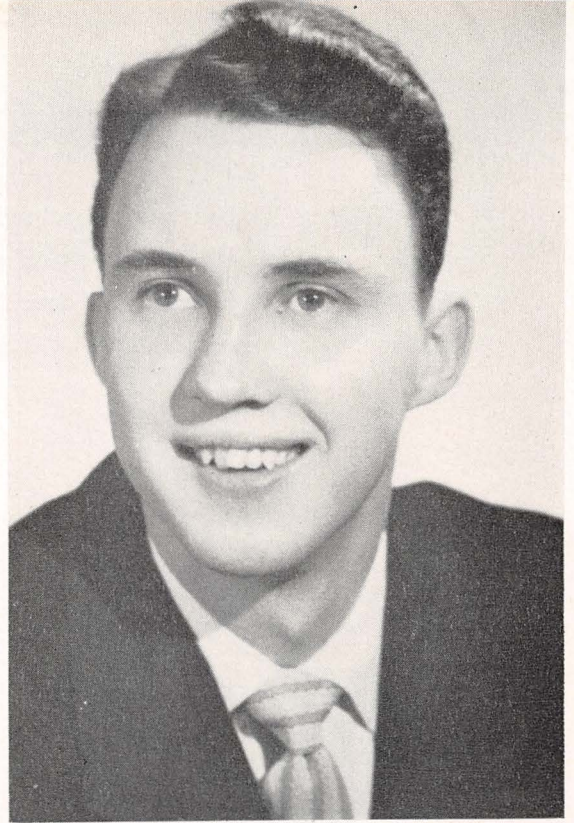

Our '53 Neon reflects in a few pages a full year of applied corporate effort. Editor Bill Martin and his small staff have concientiously endeavored to embody in one brief volume all the events and happenings of another year at YoCo. It seemed at times that the annual was taking form inspite of our efforts rather than because of them and arbitrary "deadlines" imposed by printers and engravers will not soon depart from our memories.

If this or subsequent viewing of this year's Neon add to the meaningfulness of college life for you, the efforts of editor and staff will have been worthwhile.

Artist Pat Oggy has contributed the symbolic penguins which appear throughout our book. Their gay care-free appearance are not, however, symbolic of the arduous labor underlying their creation. The clever work of this creative young 'Miss' is worthy of merit.

In this age of complex economies the success of even a literary venture is founded in a sound system of finance. Our Business Manager, Dick Selby, has expended time and energy to insure the financial soundness of this publication. Under his guidance, Advertising Manager, Sam Drake, the Advertising Salesmen, and Accountant, Fran Adams, have contributing much to the economic success of "Operation Neon."

# NEWMAN CLUB

The Newman Club of Youngstown College, member of the Ohio Valley Province of the National Newman Club Federation, has been an active organization at the college for fifteen years. The bi-weeklys are held on the first and third Sundays of each month at the Catholic Action Center and include a speaker, refreshments and a social hour.

Highlighting the religious functions for the year were the monthly Communion Breakfasts at various parishes in the city. The religious services held throughout the year at St. Joseph's Church included the recitation of the Rosary and Benediction every day during October, and on Wednesdays at noon during the remainder of the year. Discussion club meetings are held every Wednesday evening.

A new religious activity inaugurated in 1952 was that of the May Crowning, held on the grounds of Ursuline High School, at which Joanne Weigel presided. In observance of Cardinal Newman Day, Bishop Walsh celebrated the Pontifical Mass and spoke at the breakfast. The annual Day of Recollection was held at Ursuline High School on Passion Sunday, and was conducted by Father Donald Reagan, assistant principal of the school.

The outstanding social affair of the club was the annual Mardi Gras dance, reigned over by Queen Rosemarie Buccieri. Sharing the spotlight were Open House, Western Night, and the annual banquet, which observed the Club's fifteenth anniversary on campus. Other activities included skating and bowling parties.

At the close of the year, plans were made for summer picnics and social affairs. In summing up its activities, the Youngstown College Newman Club admirably fulfilled its purposes — the fostering of the religious, intellectual, and social life of the Catholic students.

Omicron Lambda, the honorary biology fraternity, began to organize early in the year with its election of officers and a drive for new members. Setting themselves the goals of becoming a more closely knit organization and accomplishing as much as possible, they made their plans accordingly. Under the able leadership of president, Walt Hogan, and advisor, Mr. Marcy, the year saw the accomplishment of such projects as trips to Crile Hospital and Firestone Farms in Columbiana and the printing of the monthly newspaper, "The Nucleus." Plans were also laid for a spring dinner dance to climax the year's activities, with Eli Saadi and Bill Williams, co-chairmen of the affair and doing a splendid job.

Congratulations are also in order to five members, Eli Saadi, Ray Dann, Jim Tisone, Bill Martin and Don Gray, upon their acceptances into medical school.

The regular religious and social activities of Religion In Life through the school year are continued through the months of June and July. These summer activities include the annual picnic, summer breakfast, summer planning conference and other outings with afternoon and evening meetings twice monthly.

The Chaplain's office is always open to students for counselling and friendly guidance. When in doubt about anything personal or religious, the student is urged to see Rev. Albert L. Linder, Chaplain and Counselor. The Chaplain also directs the work of prayer and study groups meeting on Monday and Thursday noons, augmenting other Religion In Life and Chapel activities.

# FELLOWSHIP

The purpose of Religion In Life is to help the student to understand what it means to be a Christian, to show him how to make his faith relevant to all of life, to encourage him in his personal religious growth, to enlist him for some practical Christian service and to assist him in developing qualities of Christian leadership.

The Religion In Life Fellowship provides a program of religious and social activities for from 300 to 400 students who join each year. Regular meetings for discussion, inspiration and sociability are held on the second and fourth Sundays of each month. High on the list of important events is the Annual Religion In Life Banquet, usually held in February. The social program of RIL aims at variety and inclusiveness. Co-Ed. Swims and mid-winter roller skating parties get good student response. Regular seasonal social activities include the New Student Reception, Fall, Christmas and Spring parties, the banquet and the annual RIL Picnic in June. Summer activities continue through June and July.

The Religion In Life Caravan emphasizes Christian action through its many services to churches, youth groups and the community at large. The Religion In Life Caravan is heard over WBBW each week on Saturday at 8:15 A. M. from October to June. This devotional service on the radio is planned and conducted by the students and the Chaplain. It has had a wide reception for over two years, and is designed to render a religious service to the community. The Caravan Treble Sextet and other vocal contributions, a weekly devotional thought, scripture, prayer and a five minute message are presented and announced by the students and Chaplain. Several Caravan units are used on Sunday evenings by appointment for youth and church programs in and about Youngstown.

Chapel each Wednesday noon at St. John's offers students and faculty opportunities for worship and meditation. Students volunteer their services as vocalists and lay worship leaders and take an active part in assisting the Chaplain. Seasonal Chapel Services are held at Thanksgiving, Christmas and Holy Week, at which time the Religion In Life Chapel Choir sings.

DEAN J. B. WILLIAMS, SR.

Operating under the name Y. M. C. A. Business School, the School of Business of Youngstown College was founded in 1923 and was affiliated with the Y. M. C. A. Schools.

In 1926 the School was moved to the John C. Wick estate located at the corner of Wick and Lincoln Avenues where the main building now stands.

With the merger of the Hall Business University and the Y. M. C. A. Business School in 1928, the new school operated from its corner position for eleven years. It was then moved to its present location.

An increased demand for business training led to the offering of combined college and secretarial course of the first time in 1944. Along with this change came the adoption of the school's present name, the School of Business of Youngstown College.

Business training in either day or evening classes, and on a full or part time basis is offered by the school. Courses in secretarial studies give credit towards the Degree of Bachelor of Science in Business Administration with a major in secretarial studies, the Degree of Bachelor of Science in Education with a major in Business Education, and a title of Associate in Business Administration.

Organizations of the school include both social and honorary sororities and Alpha Sigma Chi fraternity. Full time students in day school are eligible to be invited to join Alpha Iota, national, and Tau Kappa Nu, social, sororities. Night school students are eligible to be invited to join Delta Chi Epsilon Sorority.

## ALPHA IOTA

Alpha Iota, National Business Sorority, can chalk up another year of fun and unforgettable memories.

Rushing season opened with a square dance at Pioneer Pavilion and a dinner at Raver's Tavern. Marge Umstead, Donna Yohman, Doris Knox, Shirley Sweetapple, Annabelle Davis, Ruth Ashton, Beverly Klauson, Elaine Kavanaugh, Karen Boyd, Arlene Hoffman, Shirley Reichard, Joanne Howley, Mariha Zimmerman, Leana DiVito, Beverly Fink, Jannette Rhea, Nancy Ann Koski, Joyce Finley and Peggy Lewis were welcomed as new actives in the fall of 1952.

Social affairs for the year included a formal Christmas dinner-dance at the Mahoning Country Club, a sorority dinner at the Mural Room, parties with various fraternities and a final spring formal dinner-dance.

Congratulations go to Beverly Fink, Doris Knox and Martha Zimmerman on their engagements.

We also extend congratulations to Martha Zimmerman who was a runner-up in the Ohio Sesquicentennial contest for queen.

Tau Kappa Nu, social sorority comprised of day business students, began its twelfth year on campus with a series of rush parties. The first was a blue jean party and the second a dinner at the Hill Tea Room. Another was a joint party with Alpha Phi Delta Fraternity.

At Christmas we held our annual dance and gift exchange at Mahoning Country Club. We've also enjoyed many diversified activities such as bowling and theater parties.

We had several parties with the various fraternities on campus and also a week-end in Cleveland where we saw the Ice Follies of 1953. Also included in second semester activities were our annual Mother-Daughter tea and spring dinner-dance.

We are eagerly looking forward to the summer months for which we have planned picnics and swimming parties. A week at the lake is also on the summer agenda.

Last year was a very prosperous year for us and we are hoping for an even more successful and pleasant one next year.

Delta Chi Epsilon began its thirteenth year on the Youngstown College campus with an active rush season including "stag" parties, a scavenger hunt, a Christmas party, and closing with a very impressive formal installation at the Youngstown Club, January 6. Eighteen new girls were installed, along with Margaret Fleisher, Joanne Wiegel, Barbara Anderson, and Gloria Soppelsa, the new president, vice president, secretary, and treasurer, respectively.

With the spirit of "a good time" in mind, many many social activities were planned and attended — all of which turned out to be memorable occasions. Hard work, along with some "more fun" ideas made Delta Chi Epsilon's first Shamrock Shuffle a great success. Club 422 was the scene of the sorority's annual formal dinner dance in April.

The school year closed with plans for more such occasions through the summer months.

## DELTA CHI EPSILON

DEAN N. DEHNBOSTEL

William H. Dana, son of Julius Dana, prominent lawyer, founded the Dana Musical Institute in Warren, in 1869. The historic old hotel on Park Avenue housed the original Dana Institute. The Institute won widespread recognition, and in 1888, at the annual exposition in Bologna, Italy, Brown's Medal was awarded to William H. Dana as a formal acknowledgement of his efforts.

With the purchase of the home of the late Charles S. Thomas in 1941, the Dana School of Music moved to the campus and became a part of Youngstown College. The first head of the school was Dr. Henry V. Stearns, who was succeeded by Mr. Hoffman who remained in the position until 1946 when Mrs. Nellie Dehnbostel took over.

The National Association of Schools of Music approved the School for associate membership in 1949.

Activities for music students include artists series, student recitals, the marching college band, symphony orchestra, A Cappella choir, mixed chorus, madrigal singers, woodwind ensemble, brass ensemble, string quartet, radio and professional music fraternities. Sigma Alpha Iota, a national honorary professional women's music fraternity, and Phi Mu Alpha Sinfonia, a national honorary professional men's music fraternity, are chartered to the Dana School of Music.

Students have unusual opportunity for hearing a wide range of the best in music. There are recitals by the faculty and students of the school of music, organ recitals at Stambaugh Auditorium under the auspices of the American Guild of Organists, concerts by the Youngstown Philharmonic Orchestra and the various activities of the Monday Musical Club. Each year these organizations bring to Youngstown many renown artists of the music world.

Sigma Alpha Iota is a national, woman's, honorary, professional music fraternity, this year celebrating its golden anniversary. Alpha Nu Chapter is chalking up its eighth year of existence on the Youngstown College campus.

The highlight of this eighth year was the awarding of the Ring of Excellence, the highest honor conferred on any Sigma Alpha Iota member, to our advisor, Mrs. Nellie Dehnbostel.

On February 4, the chapter presented its annual membership recital in the C. J. Strouss Auditorium. Other musical programs included: a recital in honor of visiting province president, Mrs. Ruth Gould; the Pledge Recital; and the All-American Recital, a program of music by American born composers, given jointly with Delta Eta Chapter of Phi Mu Alpha Sinfonia.

Rush parties, a pledge service and formal initiation took place during the spring semester, climaxed by a banquet with Phi Mu Alpha. The graduating seniors were honored at a farewell breakfast where chapter awards were presented.

An album of records was presented to the music department in April.

Sigma Alpha Iota's advisors are Mrs. Wealthie Prince, Mrs. Nellie Dehnbostel, and Mrs. Leah McIlroy. Patroness members are Mrs. Lucille Jones, Mrs. Bert Prince and Miss Katherine Smith.

## MIXED CHORUS

The Mixed Chorus was organized about fifteen years ago with the purpose of affording to all college students in all departments an opportunity to study and present in public performance the standard work of the oratorio repertoire and to provide the chorus for the many operas which have been presented. Among the great works presented have been "Hora Novissima" by Parker, "German Requiem" by Brahms, and the "The Beatitudes" by Frank.

## CHOIR

The A Cappella choir has been steadily making progress in the field of vocal music. The group has provided fine musical entertainment at many college functions and has been heard for many years at the baccalaureate service. Musical selections during the year included hymns, folk ballads, spirituals and the great polyphonic music of Bach.

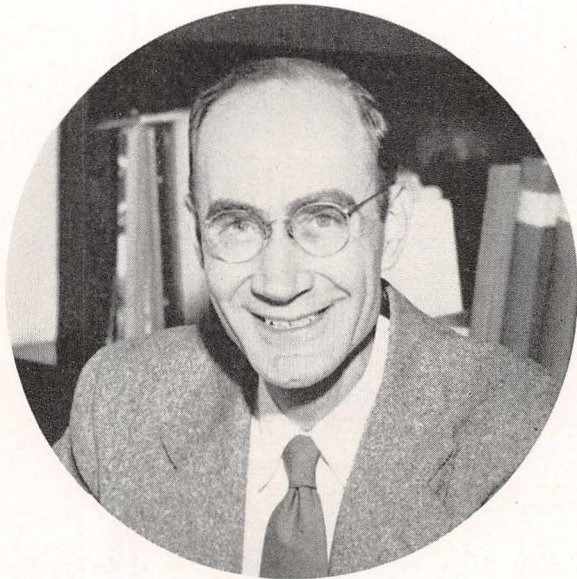

## COLLEGE BAND

The college band, one of the most colorful organizations on campus takes part in many campus activities. It plays at all home football games and at many out of town games. The members of the marching band can usually be found on Mondays, Wednesday, and Fridays from three to five o'clock playing and drilling at Harrison Field. When the final ball game has been played, the band moves into its winter quarters and prepares for the concert season. Usually two or three concerts are given during the academic year and the band also plays for commencement exercises. The band is under the able leadership of Mark Doliver.

## ORCHESTRA

The symphony orchestra, a small but harmonious organization makes at least three public appearances each year. Some of the favorite works performed by the orchestra include selections by Beethoven, Bach, Romberg and Gershwin. Conductor Alvin Myerovich is also head of the string department and concertmaster of the Youngstown Philharmonic Orchestra. With his broad experience and professional education, Mr. Myerovich helps to guide the members and aid in their interpretation of the masters' works.

DEAN FRANK M. ELLIS

The William Rayen School of Engineering, offering degrees in mathematics, physics and engineering, was established as an integral part of Youngstown College in 1946. Operating with limited facilities up to 1945, it was called the William Rayen Technical Institute.

After the death of Dean Louis A. Deesz in 1950, the school was placed under the supervision of Professor Frank M. Ellis, present acting dean. Mr. Ellis, who received his B. S. from Carnegie Institute of Technology and M. in Ed. from the University of Pittsburgh, became a faculty member in 1945. He is assisted in the administration of the school by assistant Dean Michael J. Charignon. Mr. Charignon holds degrees in electrical and mechanical engineering from the University of North Dakota.

At a cost of \$125,000, the school was remodeled into its present form. It contains two floors plus a basement. The main floor is used for classrooms and contains a technical library, study room, mechanical engineering and material testing laboratories. On the second floor are drawing rooms and laboratories for physics and electrical machinery. The basement contains an electronics laboratory, power generating equipment and auxiliary apparatus required by the laboratories.

An engineering award is given each year by the Ladies' Auxiliary of the Mahoning Valley Society of Professional Engineers to a deserving junior student. The student is rated upon scholastic average, extracurricular activities and individual need.

Mu Pi Epsilon, the honorary engineering fraternity, was formed in an effort to foster a closer relationship among those students who have shown, by their ability and scholarship, an intense interest in their chosen fields of technology. The fraternity is under the guidance of Dean Frank Ellis and Professor Frank D'Isa.

The students selected are those majoring in math, physics, or engineering and who have completed a minimum of 90 hours with a 2.0 (B) average. The fraternity at present consists of 16 members. The prospective loss of six of the present members at graduation resulted in a membership drive which netted five new members.

The closing social activity of the year was a combined installation banquet for the new members and a farewell banquet for the graduating members held at the Shenango Inn in Sharon, Pa.

## O. S. P. E.

The Youngstown College Student Chapter of the Ohio Society of Professional Engineers is one of the largest of the nine student chapters in the state of Ohio. Ohio is the only state in the union that has the student engineering chapters.

By its close affiliation with the parent society, the Mahoning Valley Society of Professional Engineers, and its active participation in the Ohio State Student Council, the student chapter develops a professional feeling among its members.

The student chapter is the first step toward the ultimate goal of being a National and State Registered Professional Engineer. Its policy is to indoctrinate each engineering student with the advantages of being a Registered Engineer and tells each student of the uselessness of an engineering degree without the necessary registration that is required for the public practice of engineering.

Throughout the year the student chapter is addressed once each month by someone who excels in his profession.

In addition to its various social activities including dances, banquets and picnics, the student chapter visits many industrial and manufacturing plants within a one hundred mile radius. All members of the society are invited to attend these planned field trips at no charge. Membership is open to all engineering majors with thirty or more credit hours.

One of its projects in the past year was the supervision of the parking lot at the Engineering School. By the issuance of recorded parking permits, each engineering student is assured of a parking space in the heretofore overcrowded lot.

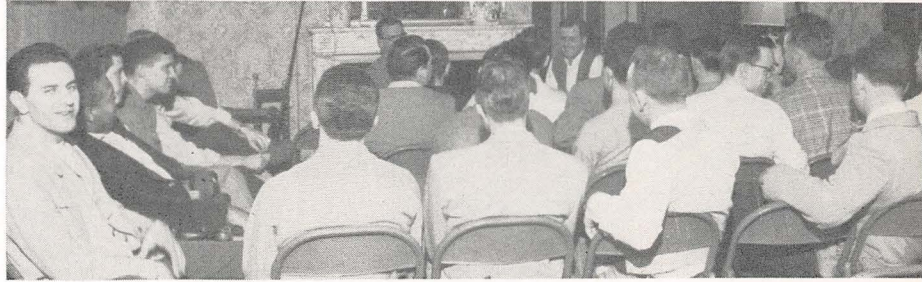

The student chapter counselors are Mr. Frank A. D'Isa and Mr. Michael J. Charignon, both of whom are Registered Engineers and members of the faculty of The William Rayen School of Engineering of Youngstown College.

## Mid-Term Exam

"I'll never pass that test," is the common wail when exam time rolls around every year. Too much coffee, too many cigarettes, and never enough sleep characterize that fateful week of mid-term exams.

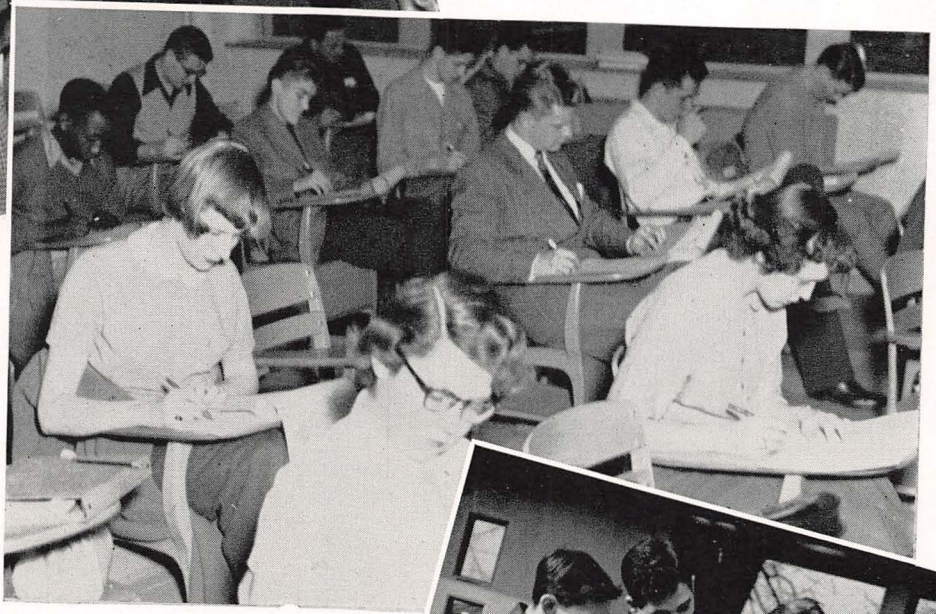

More assignments than anyone believed possible seem to loom up just at that time, and our interests in books ranges from anthropology to zoology. Term papers are pounded out by the thousands.

The only sound audible when the ordeal is over the sigh of relief that rises from the entire student body.

## INTRAMURAL SPORTS

For the first time in many years the intramural leagues were ruled by new champions. In basketball and bowling the perennial champs fought their way into the play offs only to fall by the way side.

The Phi Sigma Epsilon keglers swept through the first round of the bowling league only to lose the second half and the roll-off to the Newman Club. Herman, DeWitt, Kubilis and Snyder, the Phi Sigs, were dethroned when the Newmanites added strength at the mid-way mark. Webster, Zill, Yurcho and Curtis rolled for the Newman Club.

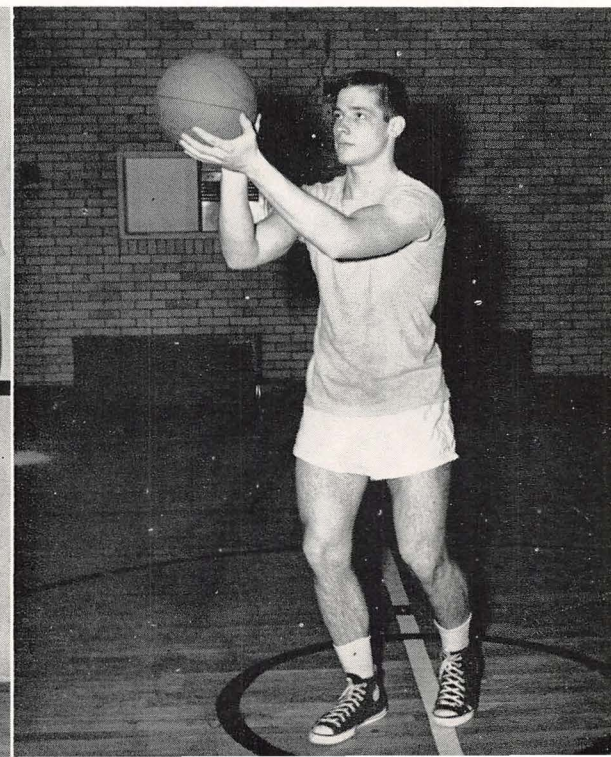

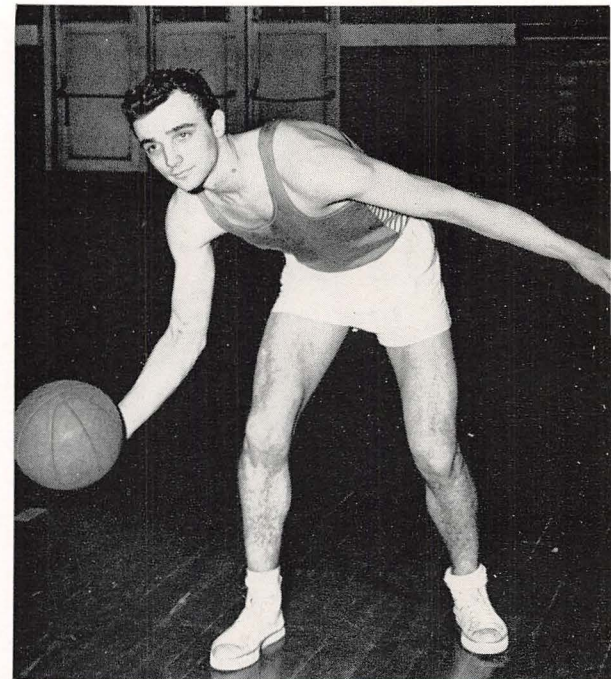

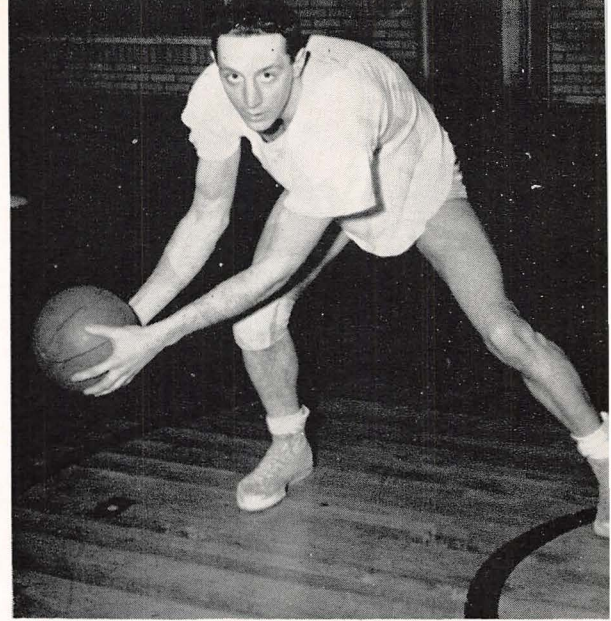

Varsity Hall, comprised of members of the football squad, has dominated the basketball league for years. This was the first season that they have suffered a defeat.

Kappa Sigma Kappa, FIO and Newman Club tied for honors in the Chestnut Division. The Engineers placed second. The ROTC captured the Walnut Division when varsity Hall slipped into second place. In a play-off between the six teams the FIO (figure it out) squad defeated the rangy Kappa Sigs in an overtime battle.

Bob Lynn paced the scoring leaders with Dick Franko leading the scores in the Walnut Division.

In the softball league the Dazzling Dukes were shorn of their outstanding players by graduation and the ROTC and the Alchnols were bolstered by varsity men when baseball was cut from the spring sports card.

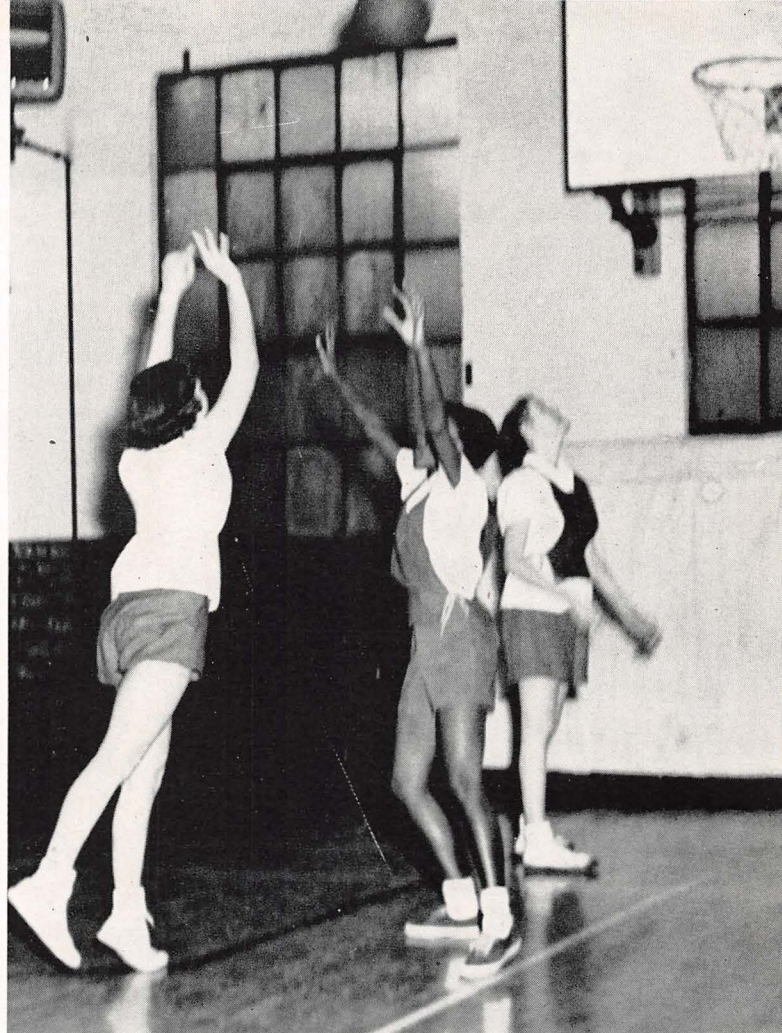

A fast brand of ball was played on the Harrison Field diamond with such teams as Varsity Hall, Newman Club and all the fraternities fighting for the intramural crown.

## CO-ED COURSES

Thanks to the improved facilities in the Women's Physical Education Building Youngstown College co-eds are able to participate in more inter-mural activities and a larger number of physical education courses are now offered.

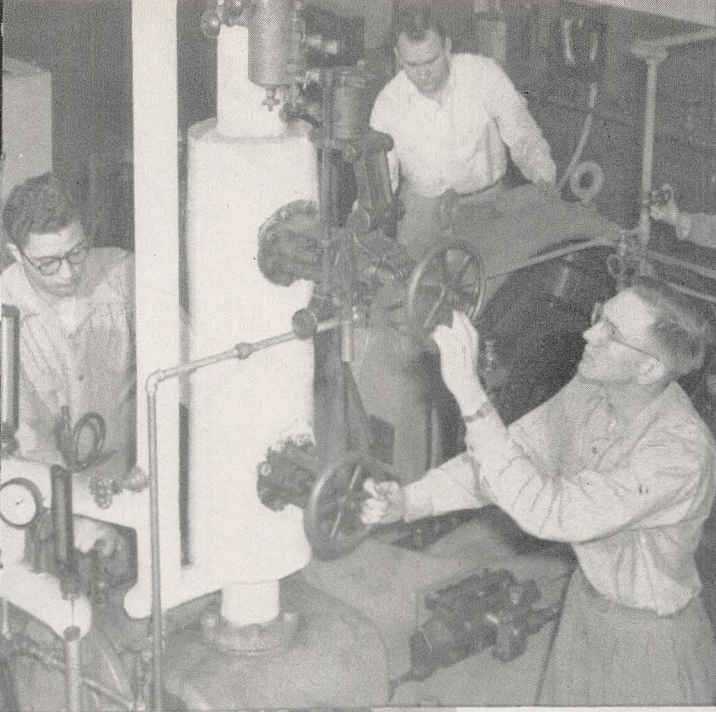

Since the addition of the new gym more sports are available on campus. Basketball, modern and tap dancing, fencing and badmitten courses may be taken by women students.

# Pan Hellenic dance

The danceable music of Tommy Carlyn and his orchestra, colorfully decorated booths, and the crowning of Sweetheart Janie Olsavsky, featured the eleventh annual Pan Hellenic Sweetheart Dance, staged at Stambaugh Auditorium. "The Take it Easy Trio," a vocal aggregation and some very original musical arrangements added to our dancing enjoyment. The Kappa Sigs and the Sig Delts finished in a "dead heat" for the best decorated section. Both of these booths were real eye catchers. Our sparkling, vivacious Sweetheart became the evenings "featured" feature as all Greeks were more pleased than ever that they were Greeks.

With all its showers April failed to dampen our spirits or determination. We ignored the rainy days by pursuing knowledge more conscientiously, and applauded the sunny ones by continuing our social whirl, highlighted by the Junior Prom.

**PLACEMENT OFFICE**

With the co-operation of the Ohio State Employment Service the college maintains a full-time placement office with services available, without fee, to all students. Positions after graduation and full or part-time jobs are found for the student. Mr. R. D. Cooper, head of the Placement Office, is always on hand to give advice or encouragement to prospective employees.

# TENNIS

Youngstown's Tennis team again highlighted the spring sports card. The squad posted a 7-2 record against outstanding state and district opposition. The netters were paced by the continually fine play of Joe Pickering and coached by Ralph Beard and Leo Mason.

May found us appreciating spring at its best, and looking forward to the summer months and all their pleasures that awaited us shortly. To some of us it brought a tinge of sadness and the realization that our college days were almost over. Commencement came much sooner than we had expected.

R.O.T.C. GRAND MARCH

Members of the R.O.T.C. catch a bit of spring fever and take time off from their military duties to spend an evening of dancing to the music of Charlie Pickens and his orchestra.

Soft lights and swaying palms turn the Stambaugh Auditorium into a tropical paradise highlighted by a grand march during intermission.

TAKING IT EASY

Intermission, and the future officers prepare to escort their ladies in the Grand March, highlight of the evening's ceremonies. Ladies keeping a watchful eye on their gowns, take their escorts' arms and engage gayly in the March.

FUN FOR ALL

## MAY DAY FESTIVITIES

Colorful May Day festivities concluded our social calendar for another year. Traditional pageantry surrounded the gay outdoor festivities, and the chase, along with the procession, were but fore-runners to the important task of crowning our lovely queen Viive Prees, who was attended by Jean Shurtump, Nancy Tapley, Ruth McCall and Bettee Patrick.

The colorful semi-formal dance provided a finishing touch to May Day activities. Pleasant thoughts of a forthcoming summer conflicted with the less pleasant anticipation of the close of another school year.

FRAN McHUGH, JAMES PETRELLA

With Fran McHugh at its helm, ably assisted by Peg Crishal, Erwin Evans and James Petrella, the senior class was brought to the end of its four-year journey over sometimes choppy seas, but always a worthwhile voyage.

Four hundred and thirty-two Youngstown College seniors stepped upon the stage of Stambaugh Auditorium to receive their "sheepskins" from President Jones. We were conscious of more than completion of a prescribed course of study. We felt more adequately prepared to lead constructive and meaningful lives.

# THE ALUMNI DINNER

The pendulum of our college life has come to full swing and we arrive at that period of oneness where beginning and ending meet. We hope that we have transfixed and recreated 1953 at Youngstown College. If this Eighteenth edition of the Neon has pleased you, the reader, herein lies full justification for its creation and existence.

The editor and staff would like to dedicate this space not only to you, but to the following individuals and institutions that have helped make the annual possible; George Snyder of Youngstown Arc Engraving, Ed Moeller of Youngstown Printing, Bill Abey of Abey Studio, and Mueller Art Cover and Binding Company.

Adios . . . Au Revoir . . . Auf Wiedersehen . . . Goodby

So nigh is God to man,

When duty whispers, low, "Thou must,"

The youth replies, "I can"!

### Congratulations, Classes of 1953!

This is an inaugural year! Our own land begins a new presidential era. England assumes a new ruler. And YOU open the page to a new and exciting chapter in your own life's story!

But stop for a moment before you begin! Check your equipment and understand your best dreams. Then take to the path that leads to success with confidence. There will be disappointments, of course . . . when your goal seems far off and the course rugged. But remember that many have vested their hopes in you . . . just as America looks to Ike, as England is revived by the wholesomeness of Elizabeth.

And so it is YOUR year of commencement . . . YOUR moment of challenge . . . YOUR year of inauguration! Add our name to your list of friends who are certain that you will reach the high pinnacle of joy and success.
