Without students, there would be no faculty.
Without both students and faculty, there would
be no institution of education called Youngs-
town College.

We gratefully dedicate this 1949 Neon to the
students who made it possible.

DR. HOWARD JONES

Yours has not been a fractional education dealing only with techniques, but the culturally enriching fields of study and research have qualified you for citizenry of fine caliber and leadership of comprehensive scope. These are heavy obligations to meet. However, we at the College who are richer for having worked with you believe that yours are the mature judgment and objective efforts needed to meet your responsibilities to yourself and to your society. Our congratulations and best wishes go with you.

President Jones

Louis A. Deesz

To the Graduates of the Class of 1949, we wish you continued success upon entering your chosen field of endeavor. I believe that we can confidently look forward to a new era for the proper fulfillment of the destinies of the college graduate. Out of this world chaos, we see more men and women with college training rising to positions of commanding prominence on all sides. It is simply the working of the inevitable law of the survival of the fittest. To you, who have satisfactorily completed your collegiate career at Youngstown College, we wish Happiness and Success.

Law School --- Library

The Youngstown College School of Law

As a result of the combined effort and splendid co-operation of President Jones, the Administrative Staff of the College and the Law School Faculty, the Law School has maintained a very satisfactory standing among the Law Schools in Ohio. Class room facilities have been enlarged, the library increased in size and class curriculum expanded to include new developments in legal education. The student body has increased in size and the quality of the work has improved. All of this has reflected itself in the fine results of our graduates in the bar examinations and their service to the community.

Dean Miller

You and I have had many obstacles to overcome in our post-war educational program, to provide the greatest advantages and benefits for learning, to the increasing number who are attending college.

You should have great pride in having met and satisfactorily completed the requirements in your course of study. The records you have made in college will stand for many years as a monument to your sincere efforts to do your best in whatever line of endeavor you have chosen.

As you say farewell to the teaching staff and the campus of the college, it is my hope that you will not forget us but will return many times to give the students of tomorrow the benefits of your experiences, so that our own educational program will continue to expand and reach the highest degree of proficiency possible.

I congratulate each of you on each of your individual achievement, and wish each of you success and happiness in the future.

DR. WILLIAM MILLER

The Dana School of Music

In writing this message to the 1949 graduating class of the Dana School of Music, I cannot help but think of the lines of the great philosopher, Herbert Spencer, who said, "*Music must take rank as the highest of the fine arts — as the one which, more than any other, ministers to human welfare.*"

We as musicians must be ever on the alert to see that our music program is so integrated with community life that to be without it would be as though one had lost his speech.

In persuing this program, let us strive to set up standards of what is fine and what is mediocre. Learn to discriminate that that is good and should live from that which is of doubtful quality. In doing this we will develop our own taste to the point where we each may judge accurately that music which should be preserved for posterity and will make our music a contribution to education and to living.

My wish is that each of you will know success and the happiness which comes from a life of service in the field of music.

The Youngstown College Chorus

Oft heard less seen, the Chorus under the most able direction of Doc. Stearns provides the musical background for May Day, presents an annual service at the Palace Theater on Good Friday, and is the foundation for the yearly operas . . . Rehearsing on the second floor of the Cafeteria Building, they serenade the late lunchers . . . With our new auditorium the chorus will in the future be seen more, and we are grateful for that.

Father DeCrane

St. Joseph's Catholic Church — The Catholic Chapel

St. Joseph's Catholic Church — The Catholic Chapel Annex I, Room 25 in the course of a year has become very popular with the Catholic students. Having a chaplain, friend and consultor on the campus of a secular college is little short of an innovation. Academic and vocational problems arise in the life of every college student; but so do spiritual troubles and difficulties. Faith is sometimes shaken; and more often, disputed doctrines are discussed. During the past year it has been spiritually refreshing for the Catholic students to seek the help and advice of the Chaplain. A friendly chat for a few minutes usually dispels the troubling matter; doctrinal difficulties are explained according to Holy Church; and the student leaves knowing in his very soul that he has been helped, comforted or strengthened in his Faith. The students can thank God and the College authorized for this benefit and advantage so cheerfully granted.

St. John's Episcopal Church, The Protestant Chapel

The first year of our newly created position of Chaplain, coordinator of Protestant religious activities, counselor and adviser of the Religion in Life Club has been given to the making of friends among members of the faculty and student body and a study of the religious and social needs and opportunities on our college campus. Our program gained momentum with a revival of activity in our Religion In Life Club and the establishment of simultaneous voluntary chapel services at St. John's for Protestant Students and at St. Joseph's for Catholic students.

Through the Chaplain's office and the expanding program of the Religion in Life Club we expect to reach sizeable numbers of students in the coming year, representing all Protestant and Eastern, Greek and Russian Orthodox groups. Our slogan will be "Religion in Life, more than a club — a movement organized for the purpose of stimulating religious interest in Youngstown College and community."

IN MEMORIAM

If Sleep and Death be truly one,
And every spirit's folded bloom
Through all its intervital gloom
In some long trance should slumber on;

Unconscious of the sliding hour
Bare of the body might it last,
And silent traces of the past
Be all color of the flower:

So then were nothing lost to man;
So that still garden of the souls
In many a figured leaf enrolls
The total world since life began;

And love will last as pure and whole
As when he loved me here in Time,
And at the spiritual prime
Rewaken with the dawning soul.

O living will that shalt endure
When all that seems shall suffer shock,
Rise in the spiritual rock,
Flow through our deeds and make them pure.

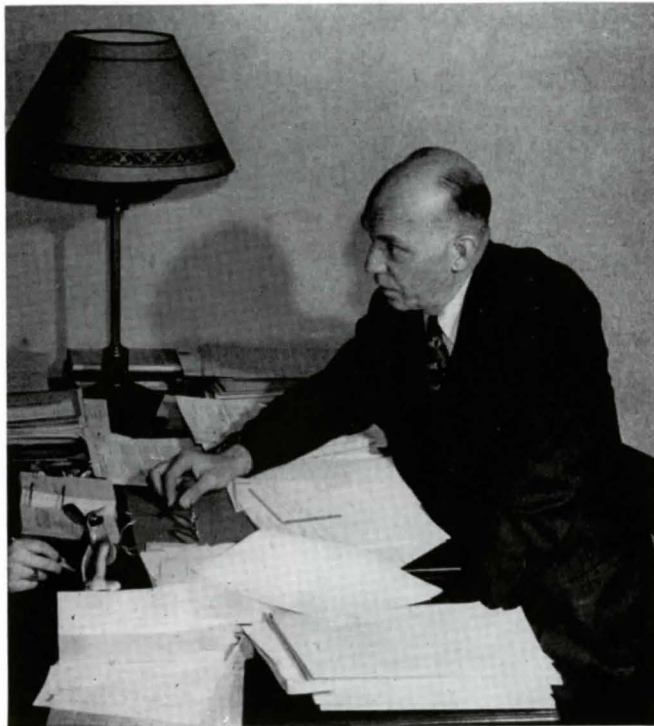

That we may lift from out of dust
A voice as unto him that hears,
A cry above the conquered years
To one that with us works, and trust,

With faith that comes of self-control,
The truths that never can be proved
Until we close with all we loved,
And all we flow from, soul in soul.

That God, which ever lives and loves,
One God, one law, one element,
And one far-off divine event,
To which the whole creation moves.

Alfred, Lord Tennyson

DR. GEORGE WILCOX

The College of Liberal Arts

TO THE CLASS OF 1949, the first large class of veterans. Your war service was terminated with honor to yourself and our country. Now you approach the successful achievement of another important stage in your career. This is a good time for stock taking and for a long look ahead. Where will you be thirty years from now? In one area of achievement all can succeed; it is not competitive, it is personal and individual. What will people think of you thirty years from now? When you speak, will men trust you, or will they wonder, "Now, just what are the facts?" Will they realize that you are motivated by good will, justice, and right, or by favoritism, prejudice, and selfishness? Do you trust God and respect your fellow men? Are your horizons still broadening, or is life closing in on you? What you are thirty years from now you are becoming today and each day. I crave for each of you this greatest of all successes, the building of integrity and character, CLASS OF 1949.

Football Staff

Sportsman and gentleman . . . these words best describe YoCo's head coach, "Dike" Beede. He has coached the Penguin teams since 1938 when YoCo began inter-collegiate play. "Dike" stresses clean, hard-driving game with good sportsmanship as his rule.

Football

1948 Varsity — Won 3, Tied 3

Playing the toughest schedule in its gridiron history, the Penguins came through with a fine season marked by some thrilling encounters. Next year's schedule promises to be even more difficult, but we have a good team.

The Freshman Football Team

For the first time in the schools history, Frosh team was formed. The team played one official game, losing to Western Reserve Frosh 19 to 13. This is not the end, only the beginning; they'll be off to win next year.

Sports -- Activities

Penquines board airliner for trip to Oklahoma City. Making the longest trip ever taken by a Penguin-Grid team, the trip also marked the first via the airlines. The trip was an excellent one with the only mishaps being the final score — O.C.U. 26 YoCo 13.

Typical of Youngstown College spirit is the Pep Rally that preceded Homecoming Game. The student body rallied behind the football team with enthusiasm and the festivities were climaxed by bonfire.

Action was the keynote throughout the Penguin football season. The YoCo team displayed a speedy defense featured by a vaunted aerial game.

Homecoming

Pretty Miss Peggy Biga 1949 Homecoming Queen is shown shortly after she received her crown. The Ceremonies were very colorful and the entire homecoming was a huge success.

On hand for the football games was the colorful YoCo band. The band, some 60 strong, are shown here led by the attractive coeds and high stepping Drum Major.
