5. Ohio Faculty Council Report – No Report
6. [Charter and Bylaws Committee – Mary Beth Earnheardt (Attachment 1)
   a. Discussion/action/revision:
      • Rachel Q: who meets faculty – PT? and each college has a seat? Above the 70?
      • A: how many PT senators are foreseen – 2 positions
      - Recommendation from committee to accept: bylaws were approve unanimously. This is a major change for senate.
8. [4:15 PM] Reports from Other Senate Committees
   a. Academic Events Committee – No Report
   b. Academic Programs Committee – No Report
      • ASAP – acad stand and prog task force
         • Form an acad publications committee: there is not a body looking over the course catalog, which is our agreement with the students. Build an acad policies and procedures manual, which will make it easier to look at all of the policies at the same time, there should be faculty involved in this process, which is what this committee would be over.
         • Form committee: passed,
         • Processing of all policies and procedures – this would feed into this senate policies manual. It would allow any faculty to submit suggestions to change current policy.
         • Form committee: passed
         • Form a senate chairs committee: allow chairs of senate committees to discuss and share information.
         • Q. McCormick – art – the chairs of the committees will meet, not all of the committee members.
         • A. yes
         • Form committee: passed
         • Modify definitions of a ‘major’ and ‘minor’ (Chet’s slide) – proposed changes to the ‘minor’ “a minor consists of at least 12 hours (but not more than 19 hours) of an approved set of courses”. We most the 18 hour minor, but wanted to give a cap.
         • Q. Betty Jo: what will the 12 hour be on certificates. There is no defined hours on
certificates. That will be the next step as there is a lot of guidelines for certificates. We have yet to define

• Q. AJ. What is the change? What is the difference?
• A. minor consists of at least of 18 hours, with not cap.
• Q. AJ how did you determine 19?
• A. discussed and came to 19, as the state
• Q. if there is a cap, are there programs that would need to go above?
• A. these programs should switch to offering a certificate.
• Q. Sal – grad – will the current fat minors have to go on a diet
• A. some implementation plan of existing minors, the curriculum sheets would also have to change. Yes the fat minors would need to look at reducing. Fatest minor currently at 26? hours.
• Q. Jake – history – we cannot double count courses twice. What is the logic?
• A. Do not know why it is this way. Maybe we need to discuss and look at changing.
• Q. Jolene – economics – we need to look at how this could be interpreted. Does the program determine what courses that count?
• A. This sentence is out of context. Need to read the attachment that was with the agenda.
• Q. Bob Kramer – CSIS – what about students that have 2 separate majors.
• Table this – for next regular senate meeting.

c. Academic Research Committee – No Report
d. Academic Standards Committee – No Report
e. General Education Committee – No Report
f. Honors Committee – No Report
g. Library Committee – No Report
h. Professional Conduct Committee – No Report
i. Academic Grievance Committee – No Report

9. [4:20 PM] Unfinished Business

Susan Clutter: course fees – did not show

10. [4:45 PM] New Business

a. Provost Smith (Attachment 3)

• Program assessment – HLC requires and demonstrate that we tie to decisions that we make in programs. Opportunity to grow and be innovative. Invite external consultant to assist with the process. BoT has tasked academic affairs by March board meeting to come up with a plan. They have proposals from 4 companies and we are currently being interviewing.
• Q. Jonathan Ferris Art – wondering what the parameters for additional investment, is it what industry is looking for, is it what infrastructure that exists in the university already.
• A. normally look at competitor analysis (Kent, Akron), where students are getting jobs, performance measures (enrollment over time, cost of performance), what students are looking for. Trying to be proactive to avoid as much of elimination as possible. Dropping programs does gain millions of $.
• Q. Jonathan – student placement in industry – liberal arts and arts are concerned.
• A. some of these companies look at the skills that the employees need at a job, this maybe different than just a single curriculum.
• A. correct – the group that we engage with are not involved in making the decision or telling us what to do. They are consultants in helping us set up the process. Hopeful they will partner with us and assist us.
• Q. Amy – communication – are peer institutions being compared?
• A. One proposal let us pick both peer and competitive institutions.
• Q. Nicole – HHS – timeline?
• A. already looking at vendors – 2/17 they will choose the consultant and develop the process to present by March 4 BoT meeting.
• Q. Birsen – mgmt. – we may have specific strengths over peer/competitors and we can differentiate ourselves.
• Q. Snow – physics – state of Ohio has data on demand jobs. State has funding for students who are pursuing these demand jobs.
• Q. all departments have been putting together as to what we are good at and what we know we do well. How does these consultants know our strengths, but the departments know this.
• A. Provost did look at this information and did become aware of some things he did not know about specific departments. We do have unique opportunities in the digital age. Do what we can to promote each department. The slide decks do not give enough information to make these decisions.
• Q. will the companies have access to the slide decks?
• A. they will have access to us, faculty and can provide the slide decks.

Provost Report  
Academic Senate  
February 5, 2020

The Higher Learning Commission as well as the State of Ohio mandates academic program assessment to continuously improve academic excellence and student success and to assure teaching/learning, scholarship and service serve the mission of the university. The recent HLC report anticipates an interaction in 2021 related to such an assessment. In addition, such an assessment is expected to be a strategy associated with the continuous improvement goal of the *Plan for Strategic Actions to Take Charge of Our Future*. I envision the development of this process would be inclusive of campus stakeholders, open and transparent, and data informed.

We will be seeking the assistance of an external consultant to provide guidance developing and implementing such a process. A faculty team is involved in assessing responses to a Request for Proposals [Link](#). The team consists of Professors Cooper and Sumell, Professor and Chair Sturrus, Dean Sanders, Associate Provost Pintar, Vice President Sherman, and Provost Smith. You will be updated at each Academic Senate meeting and input sought as advised by Chair Cooper.
