YOUNGSTOWN, Ohio - Due to continuing popularity, Youngstown State University's Planetarium has scheduled three additional showings of its specially prepared, narrated program, "Cosmos: The Spirit of Exploration."

"Cosmos" highlights most of the exciting astronomical and space science topics from Dr. Carl Sagan's recent television series.

Additional showings at the YSU Planetarium will be at 8 p.m. Friday, Dec. 12, and 2 and 8 p.m. Saturday, Dec. 13.

The shows are free and open to the public. Because of limited seating capacity, advance reservations are required. The reservations can be made by telephoning the Planetarium at (216) 742-3616.

Reserved seats will only be held until five minutes before showtime. The programs begin promptly and latecomers cannot be admitted.
