FOR RELEASE:

Mailed February 19, 1987

YOUNGSTOWN, Ohio - An illustrated lecture, "The Soviet Space Program - A Formula for Success," will be presented at 9 p.m. Feb. 27 in the Youngstown State University Planetarium by Richard Pirko of Southington.

Pirko, an astronomer and member of the International Planetarium Society, is a consultant in electronics design for the Planetarium.

The program is free and open to the public.

Those attending the Feb. 27 showing of the Planetarium show, "Pilots of the Purple Twilight," are invited to remain for this lecture. Reservations are required for the Planetarium show, but none are needed for the lecture.

YOUNGSTOWN, Ohio - Youngstown State University's College of Arts and Sciences will present its Faculty Forum at 4 p.m. Thursday, Feb. 26, in Rooms 121 and 122 of DeBartolo Hall, Fifth Avenue and Spring Street.

A reception with refreshments will be offered at 3:30 p.m., before the forum begins.

The program is titled "Cheating and the Quest for Truth."

Faculty Forums are free and open to the public. They are offered by the College of Arts and Sciences to provide students, faculty and the public with information and insight into various topics by qualified experts from many fields.

The topic, "Making It by Faking It, or A Funny Thing Happened on the Way To the Truth," will be discussed by Dr. Charles Reid of Youngstown, professor of Philosophy and Religious Studies.

"Cheating from a Clinical Perspective" will be presented by Dr. George Letchworth of Canfield, director of Counseling and Health Services at YSU.

Beverly Gartland of Warren, associate professor of Sociology, Anthropology, and Social Science, will present "Deviance in Science."

The moderator will be Dr. John Smythe of Boardman, associate professor of Economics.

FOR RELEASE:

IMMEDIATE

Mailed February 19, 1987

YOUNGSTOWN, Ohio - A total of \$36,000 has been awarded to 24 graduating high school seniors, under Youngstown State University's second annual Dean's Scholarships, in recognition of their academic achievement.

In addition to the \$1,500 scholarships for each of these incoming freshmen for the 1987-88 school year, another \$36,000 in Dean's Scholarships has been renewed for the first recipients, who will become sophomores next fall.

Additional scholarships in the next two years will increase the total to \$144,000 for 96 students, four in each class level in YSU's six undergraduate schools and colleges:

College of Applied Science and Technology

College of Arts and Sciences

Warren P. Williamson, Jr. School of Business Administration

School of Education

William Rayen School of Engineering

College of Fine and Performing Arts

The Dean's Scholarships are renewable for up to three years providing recipients continue to meet the criteria established by their particular school or college.

Because the individual schools decide which students will receive the scholarships, each has its own set of requirements that the students had to meet.

Following is the list of incoming freshmen who are recipients of 1987-88 Dean's Scholarships:
