

# ACADEMIC CATALOG

2017-2018

**YOUNGSTOWN  
STATE UNIVERSITY**

# TABLE OF CONTENTS

Undergraduate Catalog .....	8	Student Conduct .....	62
General Information .....	8	Academic Resources .....	62
University Mission .....	8	Campus Safety .....	64
Historical Sketch .....	8	Parking Services .....	65
Accreditation .....	9	University Events .....	66
Assessment .....	9	Alumni Engagement .....	66
Division of Multicultural Affairs .....	9	Campus Facilities .....	66
Office of Equal Opportunity and Policy Development .....	10	University/Community Outreach .....	69
Academic Organization .....	10	Honors College .....	71
Degrees Granted .....	11	Special Academic Programs .....	74
Admission .....	11	Title II, Teacher Education .....	76
Admission with Non-Traditional Credit .....	12	Faculty and Staff .....	76
Application Deadlines .....	13	University Administration .....	76
International Undergraduate Admission .....	13	Full-Service Faculty .....	78
New Freshman Applicants .....	14	Colleges & Programs .....	97
Transfer Applicants .....	17	Beeghly College of Education .....	97
Tuition, Fees, and Charges .....	20	Majors in Teacher Education .....	98
Financial Aid, Scholarships, and Awards .....	27	Department of Counseling, School Psychology and Educational Leadership .....	100
Academic Policies and Procedures .....	30	Department of Teacher Education .....	102
Placement Tests .....	30	AYA Integrated Language Arts (7-12) - Adolescent License .....	115
Academic Advisement .....	31	AYA Integrated Mathematics (7-12) - Adolescent License .....	119
Registration .....	32	AYA Integrated Sciences (7-12) - Adolescent License, Biology Concentration .....	122
Credit Hours/Class Standing/Majors .....	33	AYA Integrated Sciences (7-12) - Adolescent License, Chemistry Concentration .....	126
Courses .....	34	AYA Integrated Sciences (7-12) - Adolescent License, Earth/Space Science Concentration .....	130
Transient Student Authorization .....	35	AYA Integrated Sciences (7-12) - Adolescent License, Physics Concentration .....	134
Complete Withdrawal From The University .....	35	AYA Integrated Social Studies (7-12) - Adolescent License .....	138
Honorable Withdrawal .....	35	Coaching Education P-16 Minor .....	141
Grading System .....	35	Early Childhood Education/Early Childhood Intervention Specialist .....	141
Grade Requirements .....	38	Health Education (PK-12) - Multi-Age License .....	145
Transcripts .....	38	Italian (PK-12) - Multi-Age License .....	149
Academic Honors .....	39	Middle Childhood Education, (4-9), Math/LA .....	152
Academic Misconduct .....	39	Middle Childhood Education, (4-9), Math/SS .....	156
Academic Grievances .....	40	Middle Childhood Education, (4-9), Math/Science .....	160
Student Complaints .....	40	Middle Childhood Education, (4-9), SS/LA .....	164
Student Records .....	40	Middle Childhood Education, (4-9), Science/LA .....	168
Graduation Requirements .....	41	Middle Childhood Education, (4-9), Science/SS .....	172
First Year Experience .....	42	Physical Education (PK-12) - Multi-Age License .....	176
General Education Requirements .....	43	Spanish (PK-12) - Multi-Age License .....	179
Ohio Residency .....	51		
Student Services .....	52		
Housing and Residence Life .....	56		
Student Activities .....	57		

Visual Arts (PK-12) - Multi-Age License .....	182	Bachelor of Arts in Journalism .....	229
Endorsements .....	186	Bachelor of Arts in Journalism, Broadcast and Digital Media Track .....	231
Bachelor of Science in Education in Special Education: Mild/Moderate Licensure .....	187	Bachelor of Arts in Telecommunication Studies, Media Arts Track .....	232
Bachelor of Science in Education in Special Education: Moderate/Intensive Licensure .....	190	Bachelor of Arts in Telecommunication Studies, Sports Broadcasting Track .....	234
College of Creative Arts and Communication .....	193	Minor in Communicating in Diverse Organizations .....	235
Requirements for the BFA, BM, and BA Degrees .....	194	Minor in Communication Studies .....	236
Department of Art .....	194	Minor in Interpersonal Communication .....	236
3 Dimensional Studies Minor For Art Majors .....	201	Minor in Journalism Studies .....	236
3 Dimensional Studies Minor For Non- Art Majors .....	201	Minor in Magazine and Specialty Reporting .....	236
Art History Minor For Non-Art Majors .....	201	Minor in Multimedia Reporting .....	236
Art History Minor for Studio Art Majors .....	202	Minor in Social Media Campaigns .....	236
Bachelor of Fine Arts - Studio Arts Digital Media Track ....	202	Minor in Sports Information .....	237
Bachelor of Fine Arts - Studio Art 3-Dimensional Studies Track .....	203	Minor in Telecommunication Studies .....	237
Bachelor of Fine Arts - Studio Art Graphic + Interactive Design Track .....	205	Dana School of Music .....	237
Bachelor of Fine Arts - Studio Art Interdisciplinary Studio Arts Track .....	206	Bachelor Of Music In Composition .....	247
Bachelor of Fine Arts - Studio Art Painting / Printmaking Track .....	207	Bachelor of Arts in Music, Applied Music Track .....	249
Bachelor of Fine Arts - Studio Art Photography Track .....	210	Bachelor of Arts in Music, Music History and Literature Track .....	250
Bachelor of Science in Education Visual Arts Pre-K to 12 .....	211	Bachelor of Arts in Music, Music Theory Track .....	251
Digital Media Minor For Non-Art Majors .....	213	Bachelor of Arts in Performance, Nonprofit Leadership Track .....	252
Digital Media Minor For Studio Art Majors .....	213	Bachelor of Arts in Performance, Instrumental Track .....	254
Graphic Design Minor For Non-Art Majors .....	213	Bachelor of Music in Education, Instrumental Track .....	254
Graphic Design Minor For Studio Art Majors .....	213	Bachelor of Music in Education, Instrumental Jazz Track .....	256
Interactive Design Minor For Non-Art Majors .....	213	Bachelor of Music in Education, Keyboard Track .....	257
Interactive Design Minor For Studio Art Majors .....	214	Bachelor of Music in Education, Voice Track .....	258
Interdisciplinary Art Minor For Studio Art Majors .....	214	Bachelor of Music with an Emphasis in Music Recording Track .....	260
Interdisciplinary Art Minor for Non-Art Majors .....	214	Bachelor of Music in Performance, Instrumental Track ...	261
Painting Minor For Non-Art Majors .....	214	Bachelor of Music in Performance, Jazz Track .....	262
Painting Minor For Studio Art Majors .....	214	Bachelor of Music in Performance, Organ Track .....	264
Photography Minor For Non-Art Majors .....	214	Bachelor of Music in Performance, Piano Track .....	265
Photography Minor for Art Majors .....	215	Bachelor of Music in Performance, Voice Track .....	266
Printmaking Minor For Non-Art Majors .....	215	Music Minor .....	267
Printmaking Minor for Studio Art Majors .....	215	Department of Theater and Dance .....	268
Department of Communication .....	215	Bachelor of Arts in Dance Management .....	272
Bachelor of Arts in Communication Studies, Interpersonal/Organizational Track .....	222	Bachelor of Arts in Theater Studies .....	273
Bachelor of Arts in Communication Studies, Media Track .....	224	Bachelor of Arts in Theater Studies, Film/Video Track .....	275
Bachelor of Arts in Communication Studies, Persuasion Track .....	225	Bachelor of Fine Arts in Musical Theater .....	277
Bachelor of Arts in Communication Studies, Social Media Track .....	227	Bachelor of Fine Arts in Theater .....	279
		Minor in Dance .....	279
		Minor in Theater Studies .....	280
		Minor in Film Studies .....	280

College of Liberal Arts and Social Sciences .....	280	Certificate in Historic Preservation .....	327
Minor in Africana Studies .....	281	Minor in Applied History .....	328
Minor in American Studies .....	282	Minor in History .....	328
CLASS Associate Degree Requirements .....	283	Minor in Judaic Studies .....	329
Department of Economics .....	284	Department of Philosophy and Religious Studies .....	329
Bachelor of Arts in Economics .....	288	Bachelor of Arts in Philosophy .....	333
Economics 4+1 Bachelor's/Master's Program .....	289	Bachelor of Arts in Philosophy, Pre-Counseling Tracks ....	335
Economics Minor .....	290	Bachelor of Arts in Religious Studies .....	336
Economics with Statistics Minor .....	290	Bachelor of Arts in Religious Studies, Pre-Counseling Tracks	337
Department of English .....	290	.....	337

# UNDERGRADUATE CATALOG

## YOUNGSTOWN STATE UNIVERSITY UNDERGRADUATE CATALOG 2017-2018

One University Plaza

Youngstown, Ohio 44555

## General Information

### University Mission

Youngstown State University—an urban research university—emphasizes a creative, integrated approach to education, scholarship, and service. The University places students at its center; leads in the discovery, dissemination, and application of knowledge; advances civic, scientific, and technological development; and fosters collaboration to enrich the region and the world.

### The University

- Creates diverse educational experiences that develop ethical, intellectually curious students who are invested in their communities;
- Provides access to a broad range of undergraduate programs;
- Offers graduate programs in selected areas of excellence, including those that meet the needs of the region;
- Supports economic development through applied learning and research;
- Integrates teaching and learning, scholarship, and civic engagement;
- Fosters understanding of diversity, sustainability, and global perspectives; and
- Advances the intellectual and cultural life of the city, region, and world.

### Youngstown State University Core Values

We—the faculty, staff, administrators, and students of Youngstown State University—hold the following values essential to achieving the University's mission:

#### Centrality of Students

We are a student-centered institution committed to the education, development, well-being, and success of students of all ages and from all walks in life. In concert with our mission to help students grow intellectually, we strive to foster their personal, social, emotional, and career growth, as well as their capacities for lifelong learning, civic responsibility, and leadership.

#### Excellence and Innovation

We value excellence and innovation inside the classroom and out. Thus, we strive:

- to integrate curricular and extracurricular activities to offer outstanding academic programs;
- to foster intellectual inquiry, exploration, and discovery to transcend traditional boundaries;
- to apply and perfect knowledge to encourage creativity;
- to provide effective tools, technologies, and facilities for learning; and
- to excel in research and scholarly activity, including the "scholarship of teaching and learning"—an area of research that explores how individuals teach and learn.

#### Integrity/Human Dignity

As a campus community, we expect all conduct to be rooted in integrity, mutual respect, and civility. We value ethical behavior in scholarly and other endeavors; believe in the dignity and worth of all people; strive to foster an

appreciation of, and respect for, differences among the human race; and celebrate the diversity that enriches the University and the world.

### Collegiality and Public Engagement

As scholar-citizens of many extended and interconnected communities, we pledge to work collegially and cooperatively to enrich the cultural environment; establish productive partnerships; provide responsible leadership; address community and workforce needs; foster sustainability; and bring about the greater good of the collective whole—be it the University, the city of Youngstown, the state of Ohio, the region, or beyond.

### YSU 2020 The Four Cornerstones

*YSU 2020: The Strategic Plan of Youngstown State University 2011–2020*, adopted by the YSU Board of Trustees in December 2010, is based on four critical guideposts, or "cornerstones":

#### Accountability and Sustainability

Accountability and sustainability entail aligning the University's resources and investments to meet broad strategic goals and maintain institutional vitality.

#### Student Success

Student success is defined as "academic achievement, satisfaction, and productive post-college performance."

#### Urban Research University Transition

Youngstown State University contributes to the development and application of knowledge for the betterment of students and, thus, the communities in which they live and work. The University strives to improve the quality of life in the region and is the primary link to the global community. As an urban research university, YSU is guided by three core principles:

- Faculty research and scholarship are integrated into teaching and learning to improve graduate and undergraduate student experiences;
- YSU answers important questions and solves real problems by sharing information, expertise, and resources with the community;
- YSU invests in research, academic, and other programs that enrich the intellectual, cultural, and economic life of the community.

#### Regional Engagement

Regional engagement refers to activities that enhance the quality of life, well-being, and economic development of communities in and around Youngstown and the surrounding region. YSU has a positive impact on the region through active mutual engagement, not merely by existence.

The YSU 2020 document and related web pages are available at YSU 2020 Strategic Plan. (<http://www.yzu.edu/ysu-2020>)

### Historical Sketch

Youngstown State University traces its beginnings to a commercial law course offered by the Young Men's Christian Association (YMCA) in 1908. The YMCA had offered high school level and vocational courses since 1888, but it wanted to meet the college-level needs of area residents in a society undergoing rapid industrialization and urbanization. The "Y" offered courses on law, business, and engineering, and in 1910, it even instituted a School of Law that granted no degree but prepared students to take the bar exam. In 1916, the YMCA incorporated all of its educational work under the Youngstown Association School.

By the early 1920s, the Ohio Board of Education granted the School of Law the power to confer the Bachelor of Science in Law degree, and in 1924 the School of Commerce and Finance the right to confer the bachelor's degree in commercial science. The YMCA also offered courses to prepare teachers for certification, a program that evolved by 1927 into a separate school named Youngstown College and recognized by the State Department of Education. That same year, the school also established the College of Liberal Arts.

Throughout the 1920s, the schools of law and commercial science were called the Youngstown Institute of Technology, which began a move from downtown to the present location with the purchase of several mansions owned by the Wicks and other prominent Youngstown families.

In 1931, the YMCA constructed its first classroom building, the present-day Jones Hall, and appointed Howard Jones as the educational director. By the mid-1930s, the Board of Directors decided to incorporate with the official name of Youngstown College separate from the other "Y" educational efforts; they appointed Howard Jones as the first president, a position he held until 1966.

In 1944, the trustees of the Young Men's Christian Association transferred control of the institution to the members of the Corporation of Youngstown College, and in 1955 the corporation was rechartered as The Youngstown University. The University joined the Ohio system of higher education in September 1967 as Youngstown State University.

Dana's Musical Institute, founded in nearby Warren in 1869, became Dana's Musical Institute of Youngstown College in 1941. In 1946, the Engineering Department, organized several years before, became the William Rayen School of Engineering; two years later, the Business Administration Department became the School of Business Administration; and in 1981 the school name was changed to the Warren P. Williamson, Jr. School of Business Administration. In 1960, the Education Department became the School of Education.

The Graduate School and College of Applied Science and Technology were created in 1968, and, in 1974, the College of Creative Arts and Communication was established.

In 1972, Youngstown State University, with the University of Akron and Kent State University formed a consortium to sponsor the Northeastern Universities College of Medicine, which enrolled its first students in 1975.

In 1991 the engineering technology departments separated from CAST and joined the new College of Engineering and Technology; the remaining departments formed the new College of Health and Human Services.

In 2007, the Rayen College of Engineering and Technology incorporated the science and mathematics departments from the College of Arts and Sciences. This reorganization linked science, technology, engineering, and mathematics in one academic college, and the humanities and social sciences in another college.

Youngstown State University now consists of the College of Graduate Studies and six undergraduate academic colleges:

- Beeghly College of Education
- Bitonte College of Health and Human Services
- College of Creative Arts and Communication
- College of Liberal Arts and Social Sciences
- College of Science, Technology, Engineering, and Mathematics
- Williamson College of Business Administration

Degrees offered range from the associate, bachelor's, and master's to a Doctorate in Educational Leadership, a Doctor of Physical Therapy, and a Doctor of Philosophy in Materials Science and Engineering.

## Accreditation

Youngstown State University is accredited by the Higher Learning Commission (HLC) (telephone: (312) 263-0456 or (800) 621-7440). The HLC is an independent corporation that was founded in 1895 as one of six regional institutional accreditors in the United States. Please write to [info@hlcommission.org](mailto:info@hlcommission.org) ([hlcommission.org](http://hlcommission.org)) if you have any questions.

For more information about YSU's accreditation, visit the Statement of Accreditation Status (<https://www.hlcommission.org/component/registry/?Action=ShowBasic&Itemid=&instid=1613>).

Academic programs within the individual colleges may be further accredited by their respective professional bodies. Those accreditations are listed in each college section.

## Assessment

The Youngstown State University Office of Assessment coordinates and supports continuous improvement activities across campus, including academic, co-curricular, and general education program student learning assessment. We support the accreditation standards of the Higher Learning Commission by assisting faculty and staff in systematic, comprehensive assessment and improvement of student learning. The Youngstown State University Mission and 2020 Strategic Plan guide our work in building a positive culture of assessment, using data responsibly to improve institutional practice, and using assessment to support and promote student success. A systematic feedback loop also enables both academic and co-curricular units to share information about student learning with students, faculty, staff, and appropriate organizations. All information is shared in aggregate form only, and confidentiality of individual students is safeguarded. If assessment information is shared beyond internal efforts of program improvement or accreditation, departments and the Office of Assessment abide by the Institutional Review Board guidelines at YSU and FERPA regulations, as appropriate.

For more information, visit the **Office of Assessment**.

## Division of Multicultural Affairs

### Division of Multicultural Affairs

The Division of Multicultural Affairs reports to the President and is charged with the day-to-day implementation of diversity, inclusion, and multicultural affairs.

The major responsibilities of Multicultural Affairs are to educate the University and the community regarding diversity, multicultural affairs, and related issues as well as supporting and encouraging diversity initiatives. The division also conducts educational outreach programs and training in the areas of diversity and multicultural affairs.

We believe that a vibrant and diverse institutional climate is essential to providing effective delivery of services and instruction to diverse groups and in preparing them for a diverse and global society. YSU embraces a broad definition of diversity that is comprised of, but is not limited to, differences in cultural, social, economic, racial and ethnic origin, gender, religion, rural and urban communities, geographic origins, academic backgrounds, age, sexual orientation, gender identity and/or expression, ability or disability, physical appearance, personality, learning style, personal experiences, multilingual abilities, and veteran status. This diversity creates a richness that enhances the campus climate.

---

## Chief Diversity Officer

The Chief Diversity Officer works in partnership with the President and senior leadership in advancing diversity and multicultural competence that will foster inclusion and cultivate diverse multicultural interactions among administrators, faculty, staff, students, and the region.

## Mission of Division of Multicultural Affairs

- Create a Culture of Community.
- Cultivate an environment that is inclusive.

- Educate the university community on the importance of diversity in our teaching and learning, curriculum, assessment, climate, environment, advising and student success, and campus-community connection.
- Collaborate with University departments and community businesses, organizations, agencies, etc. as a resource in developing diversity programs and activities that promote a better understanding of the diverse nature of the region.
- Administrates the daily operations of the Multicultural Center.

## Multicultural Center

The Multicultural Center accommodates the staff of the combined offices: Division of Multicultural Affairs (DMA) and International Programs Office (IPO); and has two Interfaith Meditation Rooms that are available Monday through Friday, 8 am - 5 pm.

The Multicultural Center speaks to the university's commitment to value and serve all people through inclusive practices within the campus community and beyond.

## Mission of the Multicultural Center

- Provide an inclusive environment for all (students, staff/faculty and administrators and visitors).
- Encourage and facilitate meaningful interaction through conversation, meetings, projects, coffee hour, etc.
- Increase cultural awareness between diverse American and International students, faculty, and staff.

For more information, visit **Division of Multicultural Affairs**.

## Office of Equal Opportunity and Policy Development

### Office of Equal Opportunity and Policy Development/Title IX Compliance

The Office of Equal Opportunity and Policy Development (EOPD) is responsible for the review and development of University policies and for University compliance with state and federal equal opportunity laws and regulations, including Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972. This responsibility includes:

- Development and implementation of the University's Affirmative Action Plan.
- Development of University Policies.
- Provision of training and educational programs in the areas of affirmative action, equal employment, discrimination, and harassment.
- Investigation of complaints of discrimination or harassment, including student complaints of sexual harassment, discrimination and violence, whether filed by, or against faculty, staff, students, or third parties.

#### TITLE IX COORDINATOR

The Director of EOPD also serves as the University's Title IX Coordinator and oversees the investigation and disposition of student complaints of sexual harassment, including complaints involving dating violence, domestic violence, stalking and sexual assault.

Cynthia A. Kravitz, Esq.  
 Director of Equal Opportunity & Policy Development/Title IX Coordinator  
 One University Plaza, Tod Hall-Room 301  
 Youngstown, Ohio 44555  
 Telephone (330) 941-2340  
 Fax (330) 941-2394  
 cakravitz@ysu.edu or TitleIX@ysu.edu

For more information please see the University's Equal Opportunity and Policy Development (<http://cms.ysu.edu/administrative-offices/equal-opportunity-and-policy-compliance/equal-opportunity-and-policy>) website and the Title IX (<http://cms.ysu.edu/title-ix/title-ix-home>) website.

#### Disability Services/Inquiries:

*Title II/Section 504 Coordinator for Employees and others:*  
 Marcie Patton  
 Manager of Compensation and Employee Benefits  
 (330) 941-1322  
 mlpatton@ysu.edu

*Title II/Section 504 Coordinator for Students:*  
 Gina McGranahan  
 Assistant Director of Disability Services  
 (330) 941-2090  
 glmcgranahan@ysu.edu

**Youngstown State University Non-Discrimination Statement:** Youngstown State University does not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender identity and/or gender expression, disability, age, religion or veteran/military state in its programs and activities.

## Academic Organization

The Academic Division is organized in the following units:

- Beeghly College of Education (<http://www.ysu.edu/academics/beeghly-college-education>)
- Bitonte College of Health and Human Services (<http://www.ysu.edu/academics/bitonte-college-health-and-human-services>)
- College of Creative Arts and Communication (<http://www.ysu.edu/academics/college-creative-arts-and-communication>)
- College of Liberal Arts and Social Sciences (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences>)
- College of Science, Technology, Engineering, and Mathematics (<http://www.ysu.edu/academics/science-technology-engineering-mathematics>)
- Williamson College of Business Administration (<http://www.ysu.edu/academics/williamson-college-business-administration>)
- College of Graduate Studies (<http://www.ysu.edu/academics/college-graduate-studies>)
- Honors College (<http://www.ysu.edu/academics/honors-college>)

Each academic college, along with its major programs and curriculum, is described in its section of this catalog.

YSU also offers the YSU-BaccMed (<http://www.ysu.edu/academics/science-technology-engineering-mathematics/ysu-baccmed>) program leading to medical studies at Northeast Ohio Medical University (NEOMED) for up to 35 selected students with an emphasis on primary care.

The post-baccalaureate programs of the College of Graduate Studies (<http://cms.ysu.edu/college-graduate-studies/college-graduate-studies>) are set forth in the Graduate Catalog (p. 605).

Virtually all departments offer courses during daytime and evening hours, and several majors may be obtained by students who are able to attend only during the evening. Several degree programs are also available online. To accommodate working students, classes are offered on a flexible schedule – from classes that meet five days a week to classes that meet only one day a week. The main academic year runs from late August into May in two 16-week semesters. During the summer term, courses are offered both for a 12-week session and for three sessions of six weeks each. Courses are also offered in shorter time frames.

## Degrees Granted

Youngstown State University grants the following baccalaureate and associate degrees:

- Bachelor of Arts (BA)
- Bachelor of Engineering (BE)
- Bachelor of Fine Arts (BFA)
- Bachelor of General Studies (BGS)
- Bachelor of Music (BM)
- Bachelor of Science (BS)
- Bachelor of Science in Applied Science (BS in AS)
- Bachelor of Science in Business Administration (BS in BA)
- Bachelor of Science in Dental Hygiene (BSDH)
- Bachelor of Science in Education (BS in Ed)
- Bachelor of Science in Nursing (BSN)
- Bachelor of Science in Respiratory Care (BSRC)
- Bachelor of Social Work (BSW)
- Associate of Arts (AA)
- Associate of Applied Science (AAS)
- Associate of Technical Study (ATS)

All bachelor's and associate degrees may be taken as honors degrees. A combined BS/MD degree is offered in conjunction with the Northeast Ohio Medical University.

## Admission

Undergraduate admission is handled by the Office of Admissions, located in Sweeney Welcome Center at the corner of University Plaza and Bryson Street. You may contact the admissions office in any of the following ways:

**Phone:** Toll free (877) GO-TO-YSU | (877) 468-6978 | (330) 941-2000

**TDD:** (330) 941-1564

**Fax:** (330) 941-3674

**E-Mail:** [enroll@ysu.edu](mailto:enroll@ysu.edu)

**YSU Web Site**

**Admissions Web Site**

The Office of Admissions is open on weekdays and selected Saturdays. Please call the numbers above or visit the website for times. Campus tours are available twice daily Monday through Friday and on selected Saturdays. Tours can be scheduled by calling the Admissions Office (<https://cms.ysu.edu/administrative-offices/admissions/undergraduate-campus-visits>) or by scheduling on-line (<https://cms.ysu.edu/administrative-offices/admissions/undergraduate-campus-visits>).

Tours are best scheduled a week or more in advance, but you are welcome to visit the YSU campus and stop in the office any time without an appointment. If you schedule ahead, we can arrange free parking; otherwise, visitors can park in the F-1 (University Plaza) lot across from the Sweeney Welcome Center for a nominal fee that covers parking for a full day.

Admission to the University does not guarantee admission to every program. Some programs within the University have separate admission standards that must be met before a student may enroll in that particular program. Developmental courses are available to assist in satisfying scholastic deficiencies. Those students who lack high school subjects required by the various colleges within the University may be admitted with the understanding that these courses will be completed as soon as possible and no later than the end of the college sophomore year.

Academically qualified 7-12th grade students may apply and enroll in courses prior to high school graduation through the College Credit Plus (CCP) program. For more information, visit the CCP website (<http://cms.ysu.edu/administrative-offices/metro-credit/college-credit-plus>) or click on Special

Academic Programs (<http://catalog.ysu.edu/undergraduate/general-information/special-academic-programs>) and scroll down to Early Enrollment Opportunities.

## Admission With Conditions

Students may be admitted to YSU with conditions under certain circumstances. Please see Conditional Admission for more information.

## State Residency Status

Place of residence for admission and tuition purposes will be determined at the time of admission or readmission by the Office of Admissions on the basis of the residency rules stated in the Ohio Revised Code (<http://codes.ohio.gov/oac/3333-1-10>) and from the information supplied on the "Application for Admission" or the "Undergraduate Application for Readmission" form.

If at any time you have questions about your appropriate classification, you should immediately bring it to the attention of the Office of Admissions for review. Students requesting Ohio residency are required to complete a State of Residency Verification form, available by request from the Office of Admissions, and provide additional supporting documentation. A change to resident status cannot be made retroactive if supporting documentation is received after the first day of the requested semester.

## Residency Status Appeal

After the Office of Admissions makes its determination, a decision will be sent in writing to the student. If a student wishes to appeal the decision, she or he can request an appearance before the Residence Classification Board. Such appearances occur within two weeks of the request, if possible. The Residence Classification Board's appellate decision is final.

Please see Ohio Residency (p. 51) of this *Undergraduate Catalog* for the complete text of the Ohio Department of Higher Education residency criteria.

## Application Fee

A non-refundable application fee of \$45 is required unless the applicant is a former YSU student, or those who have served or are currently serving in the Armed Forces of the United States.

## High School Preparation

Students desiring to pursue a baccalaureate degree should have completed the following college preparatory units:

### Baccalaureate Degree College Preparatory Units<sup>1</sup>

English	4
Mathematics	4
Science	3
Social Studies	3
Foreign Language <sup>1</sup>	2
Arts	1
<b>Total Units</b>	<b>16</b>

<sup>1</sup> Two units in one language

It is recommended that coursework include:

- English composition
- Algebra 1, Algebra 2, and Geometry
- Laboratory science
- United States history and government

In addition, the Bachelor of Engineering (BE) degree program suggests a unit of mechanical drawing, a half-unit of trigonometry, and in the sciences, one unit of chemistry and one unit of physics specifically. Students interested

in programs such as computer information systems, physical sciences, and mathematics should also take a fourth year of mathematics. For the Bachelor of Music (BM) degree program, the applicants are expected to have proficiency in one or more branches of applied music. See the Dana School of Music (p. 237) section.

Students wishing to pursue an associate degree should have completed the following college preparatory units:

### Associate Degree College Preparatory Units

English	4
Mathematics	2
Science	2
Social Studies	2
Other Subjects	6
<b>Total Units</b>	<b>16</b>

Students admitted to the University may have their high school records evaluated by the college in which they are enrolled. Specific coursework, in addition to what is listed above, may be required in order to be accepted into a specific program or major. Since such coursework may vary depending on the college and degree requirements, students should check with advisors as to the academic expectations that need to be met.

## Admission with Non-Traditional Credit

You may be admitted to Youngstown State University with credits from non-traditional educational sources.

### Prior Learning Assessment Credit

Prior Learning Assessment (PLA) is an option that enables students to demonstrate what they have learned outside the classroom and translate that learning into college credit. Prior Learning Assessment validates learning acquired through corporate training programs, extensive volunteer activity, military service, workplace experience, civic engagement, individual readings and studies, training sponsored by professional organizations, and training sponsored by governmental agencies. Credit is awarded for college-level learning (knowledge, skills, and competencies) that students have obtained as a result of their prior learning experiences.

Students must demonstrate their mastery of the knowledge in a subject area in order to earn college credit. Prior learning can be verified by one or more of the following:

- performance on standardized tests or department challenge exams
- creation and evaluation of a portfolio
- demonstration of military service learning

Some certifications awarded by accrediting organizations are given automatic academic credit at YSU once proper paperwork is completed and proof of certification is presented. Please visit the Prior Learning Assessment (<http://cms.yzu.edu/prior-learning-assessment/prior-learning-assessment>) webpage and look at crosswalks. If you have a certificate that is awarded immediate credit, please contact Dr. Tammy A. King, Co-Chair and Acting PLA Coordinator, at [taking@ysu.edu](mailto:taking@ysu.edu) for assistance with the required paperwork for obtaining the credit.

For more information regarding PLA credit and guidelines, please see the Prior Learning Assessment (<http://cms.yzu.edu/prior-learning-assessment/prior-learning-assessment>) website.

## Veterans

The US Military is considered one of the finest training institutes in the world. Every veteran or currently serving military student is entitled to a review of his or her military training to determine if college credit can be awarded.

Courses taken through the United States Armed Forces Institute (USAFI) or the Defense Activity for Non-Traditional Education Support (DANTES) as well as certain formal service school courses may be considered for transfer toward the student's degree program. USAFI or DANTES courses must be evidenced by an official transcript, and service school courses through the (JST) Joint Service Transcript (Army, Navy, Marines, Coast Guard) or the (CCAF) Community College of the Air Force Transcript.

An individual who has served or is serving in the United States Armed Forces and has completed Basic Military Training will receive credit for that training. Credit may also be granted for "military job skill training" obtained while a member of the U.S. Armed Forces. A copy of the applicant's DD Form 214 and JST or CCAF must be supplied to the Office of Veterans Affairs in order to validate and award such credit. Be advised that credit awarded for various military education may not relate, or be applicable to the student's chosen field of study and as a result may not fulfill specific degree requirements.

Questions should be addressed to the Office of Veterans Affairs, (330) 941-2503. See the Office of Veterans Affairs (<http://cms.yzu.edu/administrative-offices/veterans-affairs/office-veteran-affairs>) website for more information.

### Credit By Examination

Credit by examination is available to students who satisfactorily complete the appropriate subject examination.

- Advanced Placement Program (APP) - available *only* through student's high school.
- College Level Examination Program (CLEP)
- Departmental Examinations - Call the specific department for a list of available exams and registration information.

### Online Credit

The University will accept online work taken in connection with a regionally accredited institution under the same circumstances as provided in the section titled "Transfer Credit."

### Transient Applicants

A student seeking a degree at another institution may ordinarily take one semester of course work at YSU as a transient student. The student must apply for admission to the University and provide a statement from the registrar from the student's current institution that she or he is in good standing. Only students in good academic standing and eligible to return to their institution will be permitted to enroll as transients. Students who wish to remain as a transient student for a second consecutive semester should contact Admissions. A transient student who wishes to transfer to Youngstown State University must:

- complete an Undergraduate Application Form
- provide an official high school transcript
- submit official transcripts from all other colleges attended

### Former Student Applicants

All students who have interrupted their attendance at Youngstown State University for three consecutive semesters must reactivate their record. Students who have attended any accredited college or university since last attending YSU must contact the Office of Admissions, submit an application and provide all official documentation described under, "Credentials for Transfer Students."

## Non-Matriculated Admission

The option of non-matriculated admission provides an opportunity for adults out of high school two or more years to enroll in undergraduate courses without completion of the regular admission process. High school or previous collegiate transcripts are not required until the non-matriculated student completes 18 credit hours or decides to seek admission to a degree program. Coursework taken in the 18 semester hours as a non-matriculated student can be applied to a degree program at Youngstown State University. Non-matriculated students are able to register only after current students have registered.

Applications for non-matriculated admission can be obtained through the Office of Admissions.

## Suspended Students

A former student who was academically suspended must apply for reinstatement to the dean of the college he or she wishes to attend. **Reinstatement procedures may vary with the college.** For details, consult either the Office of Records or the appropriate dean's office.

See Grade Requirements (p. 38) for rules regarding suspension and reinstatement.

## Application Deadlines

We encourage all students to apply at least two months prior to the application closing dates listed below. Review of applications received after these dates cannot be guaranteed.

### Fall Semester 2017

#### Freshman

Application Deadline: <sup>1</sup>	Aug. 1
Credentials Deadline:	Aug. 1

#### Former Transfer and Transfer

Application Deadline:	Aug. 1
Credentials Deadline:	Aug. 15

#### Former Transient and Transient

Application Deadline:	Aug. 1
Credentials Deadline:	Aug. 15

**Beginning Dates for Each Semester** Wednesday, Aug. 23, 2017

### Spring Semester 2018

#### Freshman

Application Deadline:	Dec. 1
Credentials Deadline:	Dec. 1

#### Former Transfer and Transfer

Application Deadline:	Dec. 1
Credentials Deadline:	Dec. 15

#### Former Transient and Transient

Application Deadline:	Dec. 1
Credential Deadline:	Dec. 15

**Beginning Dates for Each Semester** Monday, Jan. 8, 2018

### Summer Semester 2018

#### Freshman

Application Deadline:	Apr. 15
Credentials Deadline:	Apr. 15

#### Former Transfer and Transfer

--------------------------------	--------

Application Deadline: Summer II & III:	May 15
--	--------

Credentials Deadline: Summer II & III:	June 1
--	--------

#### Beginning Dates for Each Semester

Full-Term, First 6-Week Term, First 8-Week Term:	Monday, May 14, 2018
--	----------------------

Middle 6-Week Term, Middle 8-Week Term:	Monday, June 11, 2018
---	-----------------------

Second 6-Week Term:	Monday, June 25, 2018
---------------------	-----------------------

<sup>1</sup> If you are accepted for admission by **February 15**, you will be eligible for the Early Advisement and Registration Program (EARLY). If you do not participate in the EARLY program, please keep in mind that your orientation and registration date is based on the date of your acceptance to the University.

## International Undergraduate Admission

Applicants who are not U.S. citizens or legal permanent residents should apply for undergraduate admission through the International Programs Office (IPO). For more information about international undergraduate admission, please visit the IPO website (<https://cms.yosu.edu/administrative-offices/international-programs-office/future-students>). Those wishing to enroll in the English Language Institute (ELI) also apply directly to the IPO; visit the ELI section (<http://www.yosu.edu/english-language-institute>) for more information.

## International Student Applicants

Youngstown State University welcomes applications from qualified students around the world. The University's International Programs Office (IPO) provides a wide range of support services for international students, described in detail in other sections of this *Undergraduate Catalog*.

Applicants who are not U.S. citizens or legal permanent residents apply for admission through the IPO.

For issuance of an immigration document, F-1 and J-1 students must demonstrate the financial ability to pay for at least **one year of academic and living expenses**.

## General Admission Statement

The admission information contained in this section reflects standard admissions requirements. Meeting these requirements does not guarantee admission to the university or to specific programs. Persons who are not citizens of the U.S. but hold permanent resident, refugee, or political asylum status should apply based on their state of residence.

## Academic Credentials

Academic credentials include high school and college transcripts, test scores, GED scores, and/or any other records required for admission or granting credit. **Only properly certified and signed credentials issued to YSU and received directly from the issuing institution will be accepted. All must be in a sealed envelope(s) from the issuing institution. Provisional admission may be offered in certain cases to applicants who submit certified copies of credentials.** Students admitted provisionally will be required to produce all original documents by the end of their first term of enrollment.

## International Application Priority Deadlines

Semester	Freshman	Transfer
Fall	June 1	July 1
Spring	November 1	November 15
Summer	March 1	April 1

## International Freshman and Overseas Transfer Students

Applicants from overseas must submit the following information well in advance of the desired date of admission. Admission is possible during all terms provided the deadline for application is met. Students must attend the mandatory new international student orientation.

- A completed application form, a \$45 non-refundable application fee and a list of all educational experiences including studies undertaken in the U.S. Applicants seeking F-1 or J-1 (student) non-immigrant status must submit certification of sufficient financial resources available for education and living expenses while attending the University.
- Official credentials and transcripts from all secondary schools, colleges, and universities that the student has attended, including subjects studied, grades, and a key to the grading system. If credentials are not in English, official translations must be provided. Transfer credits may be granted for courses taken at U.S. and overseas accredited institutions only if an official syllabus or course description is provided; evaluation of transfer credit will be made prior to the start of classes. Evidence of academic and disciplinary good standing at the last prior institution with a minimum grade point average of 2.00 (on a 4.00 scale). Some YSU programs may have higher requirements.
- *Transfer applicants* must submit official transcripts and syllabi for all college-level work as described above.
- English Language Proficiency - Applicants whose education is from an English-medium secondary or post-secondary institution in certain countries are exempt from the standardized English proficiency testing requirement. International students who graduate from an English medium secondary school in the United States are required to submit either the ACT or SAT in lieu of TOEFL, IELTS, or PTE Academic.

All other applicants for whom English is a second language must present evidence of proficiency in the English language in one of the following ways [Effective August 2018 intake]:

Official Test Score on one of the following:

- Test of English as a Foreign Language (TOEFL) directly from the Educational Testing Service (ETS) with a minimum score of:
  - 65 or higher on the Internet Based TOEFL test (IBT)
- a minimum score of 6.0 composite (with at least 5.0 on each subscale) on the International English Language Testing System (IELTS)
- a minimum score of 950 on the SAT II English Language Proficiency Test
- American College Testing (ACT) [17]
- PTE Academic (Pearson Test of English) [48]
- Successful completion of 24 semester hours of college-level coursework from an accredited English-medium college in the United States or another country where English is an official language.

## The English Language Institute (ELI)

The English Language Institute (ELI) at YSU was established through the International Programs Office (IPO) to provide intensive study of English to speakers of other languages. It offers non pre-college credit courses designed to teach English to students who already have some knowledge of English. In addition, the ELI provides an orientation to college life and culture in the U.S. Courses are available to international students, permanent residents and U.S. citizens whose first language is not English.

English as a second language courses cannot be used as credit toward a degree. Applicants need to understand in advance that deficiencies in English may increase the amount of time and money required for completing a regular program of study.

Proficiency testing is also available by special arrangement. YSU's English Language Institute (ELI) administers the paper-based TOEFL. These scores are valid at YSU only. YSU's Comprehensive Testing Center also offers the Internet Based TOEFL (IBT).

## Types of Admission for International Students

### Regular Admission

Regular admission will be granted if the student's records meet YSU's academic requirements for admission, satisfy the high school curriculum requirements, and show that the applicant has adequate preparation for study in the proposed major. Regular admission is unconditional admission.

### Conditional Admission

Students meeting all the above admissions requirements except the specified level of English proficiency may be admitted conditionally. This admission is conditional upon successful completion of English language study at IPO's English Language Institute (ELI).

### Admission with Transfer Credit

All transfer credit is evaluated by the International Programs Office. Credits from accredited or officially recognized institutions in other countries will be evaluated upon presentation of official transcripts, official translations and complete course descriptions and/or syllabi. Students holding undergraduate degrees equivalent to the bachelor's degree may be admitted to the University for post-baccalaureate undergraduate study upon recommendation of the Dean of the proposed college, IPO's Associate Provost, and the Chair of the relevant department.

### Standardized Academic Testing

Scores on the SAT or ACT are required in lieu of English language proficiency, for the admission of international students from Canada, those who are attending U.S. high schools or international schools that follow a U.S. high school curriculum, and those who intend to participate in the intercollegiate athletic program and need to comply with NCAA eligibility requirements.

### Graduate Admission

Application for admission to the University for graduate study is made directly to Graduate Admissions. (For details, consult the *Graduate Catalog* or the College of Graduate Studies (<http://cms.ysu.edu/college-graduate-studies/college-graduate-studies>) website.)

## New Freshman Applicants

### Application Requirements

Applicants must have graduated from high school or have successfully completed the General Education Development (GED) test to be considered for admission. Freshman applicants applying for admission to Youngstown State University must submit a high school transcript and American College Test (ACT) or Scholastic Assessment Test (SAT) scores. Students are excused from this test score requirement only if they have been graduated from High School for two or more years.

Applicants must have a high school grade point average of 2.00 or higher on a 4.00 point scale, have an ACT composite score of 17 or higher, or a combined SAT score of 910 or higher from the evidence-based writing and reading test, and the math test to be admitted unconditionally.

For more information, visit the Ohio Department of Higher Education Career-Technical Credit Transfer (CT) (<https://www.ohiohighered.org/transfer/ct2/how-to-access-ct2-credit>)<sup>2</sup> Verification of Course/Program Completion Form webpage.

**Home-schooled applicants** must meet the following criteria:

1. Applicants are required to submit results from the ACT or SAT. Those applicants who have been out of school for two or more years are exempt from this requirement.
2. An official transcript showing documentation of coursework completed of grades 9-12 and indicating date of completion of studies or graduation must be sent to Admissions.
3. A copy of academic assessment (i.e. Iowa Basic Skills Test, California Achievement Test, etc.) reports submitted to the appropriate superintendent of school pursuant to Section 3301-34-04 of the Ohio Administrative Code must be received by Admissions.
4. A copy of the Superintendent's Exemption Notice showing the student is excused to receive home schooling.
5. Home-schooled students from states other than Ohio must submit the appropriate documentation required for allowing home-schooling in their state, along with above criteria #1, and #2.

## Athletics Participation

Students planning to participate in intercollegiate athletics in their first year at YSU must take either the SAT or the ACT prior to enrolling in college. Please call the Office of Intercollegiate Athletics at (330) 941-2282 for more information about eligibility for athletics participation.

## English Requirement

YSU requires proof that you have sufficient knowledge of the English language to follow your program of study. If your native language is not English, please see International Student Applicants (<https://cms.yzu.edu/administrative-offices/international-programs-office/english-proficiency-requirements>).

## Articulated Credit

In the presence of a formal agreement between Youngstown State University and a particular career center or high school, students may earn college credit for specified courses they successfully completed in high school. Youngstown State University has many program-specific articulation agreements with career and technical centers and high schools in the following counties: Columbiana, Holmes, Mahoning, Medina, Portage, Stark, Summit, Trumbull, Tuscarawas, and Wayne. Students in those approved articulated programs of study receive instructions from their career and technical center or high school about how to have earned credits posted to their YSU transcripts after they enroll at YSU and meet college readiness criteria. Students who complete career-technical programs of study may also receive specified articulated college credit. For information about College Tech Prep (<http://www.yzu.edu/associate-degree-programs>) at YSU, visit their website.

## High School Transcripts

Applicants must arrange to have their high schools send to the Office of Admissions a record of all work completed. Partial transcripts will be given consideration for early decisions. If the applicant's record clearly indicates satisfactory completion, notification of conditional acceptance will be made before high school graduation. Final high school transcripts showing a graduation date must be received prior to the first day of the semester in which the student is enrolled.

## Conditional Admission

Students with a high school grade point average below 2.00 (out of 4.00) or a composite ACT below 17 (or SAT critical-reading and math composite below 820), or transfer students with a transfer GPA below 2.00 (out of 4.00), are

not eligible for regular admission, but may be admitted with conditions after review by the Admissions Committee.

If a student has not taken the ACT or SAT, or does not have a high school GPA, the student is not eligible for regular admission, but may be admitted with conditions until a placement test is taken. Following the placement test, if a student tests into RSS 1510B Basic College Success Skills or ENGL 1539 Fundamentals of College Writing, the student will remain conditionally admitted. If a student tests out of both RSS 1510B Basic College Success Skills and ENGL 1539 Fundamentals of College Writing, the conditionally admitted status is removed.

Conditionally admitted students must meet the following requirements:

1. Conditionally admitted students shall not be admitted during the summer session. Students who place into conditional admission status based on placement testing in the summer term will have their start date deferred to the fall semester.
2. Conditionally admitted students are required to attend freshman orientation (SOAR); failure to do so will defer admittance to a subsequent semester. Transfer students may meet this requirement by attending a regular or transfer SOAR or by completing the online orientation module for transfer students.
3. Conditionally admitted students shall be classified as having an *undetermined* major (CLASS, BCOE, BCHHS), a *pre-major* (STEM, CCAC) or an *undeclared Business major* (WCBA) designation, a status that shall remain until the student satisfies all requirements to exit the conditional admission classification.
4. During their first semester, conditionally admitted students must fulfill a contract with the Center for Student Progress, which includes meeting weekly with their coordinator and two times during the term with their college academic advisor.
5. Conditionally admitted students cannot register for more than 14 semester hours of courses in a single semester.
6. Students placing into RSS 1510A Advanced College Success Skills, RSS 1510B Basic College Success Skills, ENGL 1539 Fundamentals of College Writing, or ENGL 1540 Introduction to College Writing must take these courses in their first semester. Students may not withdraw from these courses unless they make a complete withdrawal from the university.
7. Conditionally admitted students are restricted to an approved list of courses (see course listing below).
8. All conditionally admitted students are to be advised by their college's professional advisors and not by faculty or departmental advisors.
9. Conditionally admitted students must receive approval of their course schedule by a college academic advisor and may not make further changes without approval of the advisor.
10. Conditionally admitted status is not to be applied to students in the BCHHS's *Emergency Medical Services Certificate* and *Police Academy* programs. Students accepted in the *Police Academy* are not required to take the placement test.
11. If a Youngstown Early College (YEC) student has earned a GPA of 2.00 or above and has passed all required developmental courses, the student's ACT or SAT test score will not be considered in establishing the student's conditional admission status.
12. Students entering Distance Learning Programs will not be considered for conditional admission status.
13. Failure to fulfill the first semester guidelines and achieve good academic standing (a GPA of 2.00 or above) shall result in the conditionally admitted student being dismissed from the university. The student may not be admitted to any other YSU college until the dismissal period has expired.

The restrictions imposed on coursework and semester hours will be removed when the student has done the following:

1. Successfully completed all developmental courses into which the student has tested:

COURSE	TITLE	S.H.
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3
ENGL 1539 or ENGL 1540	Fundamentals of College Writing Introduction to College Writing	4

- Successfully completed six semester hours of non-developmental courses.
- Achieved good academic standing (a GPA of 2.00 or above). See the *Undergraduate Catalog* for more information on academic standing.
- Fulfilled the conditional admission contract.

Students fulfilling these requirements may file a petition with a college academic advisor to have the restrictions and their conditionally admitted status removed.

### Approved Courses for Conditionally Admitted Students

COURSE	TITLE	S.H.
AFST 2600	Introduction to Africana Studies <sup>1</sup>	3
AFST 2601	Introduction to Africana Studies <sup>2</sup>	3
COUN 1587	Introduction to Health and Wellness in Contemporary Society <sup>1</sup>	3

Any college-based first year orientation course

A limited number of additional college-based courses are available with consultation with, and the expressed approval of, the student's college advisor.

<sup>1</sup> General Education course

<sup>2</sup> Developmental course

<sup>3</sup> Transfer students only

<sup>4</sup> Second semester or later only

<sup>5</sup> Only if tested or placed into

## Career-Technical Credit Transfer (CT) <sup>2</sup> / CTAG

Secondary or adult students who successfully complete specified technical programs are eligible to have technical credit transfer to public colleges and universities. This transfer of credit is described in Career-Technical Assurance Guides (CTAG). Students are guaranteed the transfer of applicable credits among Ohio's public colleges and universities and equitable treatment in the

application of credits to admissions and degree requirements. (CT)<sup>2</sup> helps more high school and adult career-technical students to go to college and enter with college credit; technical credit saves students money and time; and Ohio business and industry will benefit from more employees with higher education and advanced skills.

The language in section 3333.162 (<http://regents.ohio.gov/careertechtransfer/archives/documents/HB66Language.pdf>) of the Ohio Revised Code requires the Ohio Department of Higher Education and the Ohio Department of Education to develop policies and procedures ensuring that students at an adult career-technical education institution or secondary career-technical education institution can transfer agreed upon technical courses completed there (that adhere to recognized industry standards) to any public institution of higher education "without unnecessary duplication or institutional barriers."

To access credit, students will need to request a Verification Form be sent by the career-institution from which they attended/graduated, to the college or university that the student wishes to attend. For more information on how to access (CT)<sup>2</sup> credit visit the Ohio Department of Higher Education Career-Technical Credit Transfer (CT) (<https://www.ohiohighered.org/transfer/ct2/how-to-access-ct2-credit>)<sup>2</sup> Verification of Course/Program Completion Form webpage.

## Transfer Applicants

An applicant who has graduated from high school and was enrolled in another college or university for at least one course during the fall semester following high school graduation is classified as a transfer applicant. This classification includes post-graduate applicants from other institutions seeking additional undergraduate coursework.

The Ohio Department of Higher Education in 1990, following a directive of the 119th Ohio General Assembly, developed the Ohio Articulation and Transfer Policy to facilitate students' ability to transfer credits from one Ohio public college or university to another in order to avoid duplication of course requirements. A subsequent policy review and recommendations produced by the Articulation and Transfer Advisory Council in 2004, together with mandates from the 125th Ohio General Assembly in the form of Amended Substitute House Bill 95, have prompted improvements of the original policy. While all state-assisted colleges and universities are required to follow the Ohio Articulation and Transfer Policy, independent colleges and universities in Ohio may or may not participate in the transfer policy. Therefore, students interested in transferring to independent institutions are encouraged to check with the college or university of their choice regarding transfer agreements. In support of improved articulation and transfer processes, the Ohio Department of Higher Education (ODHE) has established a transfer clearinghouse to receive, annotate, and convey transcripts among state-assisted colleges and universities. This system is designed to provide standardized information and help colleges and universities reduce undesirable variability in the transfer credit evaluation process.

## ODHE Transfer Module

The Ohio Department of Higher Education's Transfer and Articulation Policy established the transfer module, which is a subset or entire set of a college or university's general education curriculum in AA, AS, and baccalaureate degree programs. Students in applied associate degree programs may complete some individual transfer module courses within their degree program or continue beyond the degree program to complete the entire transfer module. The transfer module contains 54-60 quarter hours or 36-40 semester hours of course credit in:

- English composition (minimum 5 quarter hours or 3 semester hours)
- Mathematics, statistics, and formal/symbolic logic (minimum of 3 quarter hours or 3 semester hours)
- Arts/humanities (minimum 9 quarter hours or 6 semester hours)

- Social and behavioral sciences (minimum of 9 quarter hours or 6 semester hours)
- Natural Science (minimum 9 quarter hours or 6 semester hours)
- Oral communication and interdisciplinary areas may be included as additional options to satisfy OTM requirements
- Additional elective hours from among these areas make up the total hours for a completed transfer module

Courses for the transfer module should be 100- and 200-level general education courses commonly completed in the first two years of a student's course of study. Each state-assisted university, technical, and community college is required to establish and maintain an approved transfer module.

Transfer module course(s) or the full module completed at one college or university will automatically meet the requirements of individual transfer module course(s) or the full transfer module at another college or university once the student is admitted. Students may be required, however, to meet additional general education requirements at the institution to which they transfer. For example, a student who completes the transfer module at Institution S (sending institution) and then transfers to Institution R (receiving institution) is said to have completed the transfer module portion of Institution R's general education program. Institution R, however, may have general education courses that go beyond its transfer module. State policy initially required that all courses in the Transfer Module be completed to receive its benefit in transfer. However, subsequent policy revisions have extended this benefit to the completion of individual transfer module courses on a course-by-course basis.

## ODHE Conditions for Transfer Admission

1. Ohio residents with associate degrees from state-assisted institutions and a completed, approved transfer module shall be admitted to any state institution of higher education in Ohio, provided their cumulative grade point average is at least 2.0 for all previous college-level courses. Further, these students shall have admission priority over out-of-state associate degree graduates and transfer students.
2. When students have earned associate degrees but have not completed a transfer module, they will be eligible for preferential consideration for admission as transfer students if they have grade point averages of at least a 2.0 for all previous college-level courses.
3. In order to encourage completion of the baccalaureate degree, students who are not enrolled in an AA or AS degree program but have earned 60 semester or 90 quarter hours or more of credit toward a baccalaureate degree with a grade point average of at least a 2.0 for all previous college-level courses will be eligible for preferential consideration for admission as transfer students.
4. Students who have not earned an AA or AS degree or who have not earned 60 semester hours or 90 quarter hours of credit with a grade point average of at least a 2.0 for all previous college-level courses are eligible for admission as transfer students on a competitive basis.
5. Incoming transfer students admitted to a college or university shall compete for admission to selective programs, majors, and units on an equal basis with students native to the receiving institution.

Admission to a given institution, however, does not guarantee that a transfer student will be automatically admitted to all majors, minors, or fields of concentration at the institution. Once admitted, transfer students shall be subject to the same regulations governing applicability of catalog requirements as native students. Furthermore, transfer students shall be accorded the same class standing and other privileges as native students on the basis of the number of credits earned. All residency requirements must be completed at the receiving institution.

## Acceptance of Transfer Credit

To recognize courses appropriately and provide equity in the treatment of incoming transfer students and students native to the receiving institution, transfer credit will be accepted for all successfully completed college-level

courses completed from regionally accredited colleges and universities. Students who successfully complete AA or AS degrees with a 2.0 or better overall grade point average would also receive credit for all college-level courses they have passed. (See Ohio Articulation and Transfer Policy, Definition of Passing Grade, Appendix D on the ODHE (<https://www.ohiohighered.org/transfer/policy>) website.) While this reflects the baseline policy requirement, individual institutions may set equitable institutional policies that are more accepting. Pass/fail courses, credit by examination courses, experiential learning courses, and other nontraditional credit courses that meet these conditions will also be accepted and posted to the student record.

See information for Transfer Students (<http://www.yсу.edu/admissions/apply-to-yсу/transfer-students>) for related documents.

## Transfer Assurance Guides

Transfer Assurance Guides (TAGs) comprise transfer module courses and additional courses required for an academic major. A TAG is an advising tool to assist Ohio university and community and technical college students planning specific majors to make course selections that will ensure comparable, compatible, and equivalent learning experiences across the state's higher-education system. A number of area-specific TAG pathways in the arts, humanities, business, communication, education, health, mathematics, science, engineering, engineering technologies, and the social sciences have been developed by faculty teams. TAGs empower students to make informed course selection decisions and plans for their future transfer. Advisors at the institution to which a student wishes to transfer should also be consulted during the transfer process. Students may elect to complete the full TAG or any subset of courses from the TAG. Because of specific major requirements, early identification of a student's intended major is encouraged. TAG courses count toward the major without adding to the overall total of credits in the particular major.

Students should also check with their department about which courses have received approval from ODHE as part of the Transfer Assurance Guides program. Only those courses that have received such approval can be guaranteed transfer credit as part of the major. Students may also check with the ODHE TAG (<https://www.ohiohighered.org/transfer/tag>) website.

## Transferring to YSU

### Transfer Credit

Transfer credit is given for all coursework taken at a regionally accredited institution, provided that the student has a cumulative grade point average equivalent to at least a 2.0 (on a 4.0 system) at that institution and the work is creditable towards a degree at that institution. Earned credits transferring into YSU will apply to one of three areas including general education, major coursework or elective credit. YSU accepts a "D" grade on the same basis as the rules governing native students. For example, a "D" grade might not satisfy a prerequisite for which a higher grade is needed. Courses from nonregionally-accredited institutions may be accepted on a case-by-case basis with the approval of the chair of the department and the dean of the college in which the course would be housed at YSU.

Conditions for transfer admission to the University are in line with ODHE rules and regulations (see above). Per ODHE policy, the University recognizes the associate degree as preliminary to the baccalaureate and admits advanced-standing students possessing the associate degree from a regionally accredited institution. Transfer credit is granted for all work successfully completed from the associate degree. Admission to the University does not guarantee that a transfer student will be automatically admitted to all majors, minors, or fields of concentration. Some programs within the University have separate admission standards that must be met before a student may enroll in that particular program. Please consult the appropriate college or department for information on restricted program admissions. Once admitted, transfer students shall be subject to the same regulations governing applicability of

catalog requirements, class standing, and other privileges as all other native students.

Transfer applicants who are in good standing at the last institution attended and who have a cumulative grade point average of 2.0 or higher (on a 4.0 system) for all previous college-level courses are admitted in good standing. Transfer applicants with a cumulative grade point average of less than 2.0 or who are on probation may be considered on a case by case basis. Applicants suspended or dismissed from their most recent institutions are not eligible for admission until at least one semester (excluding summer) has passed following the term in which the suspension occurred. Transfer students with multiple suspensions or a dismissal may not be eligible for admission. See the reinstatement policy for YSU students (<http://www.yсу.edu/academic-advising/policies-procedures>) in the *Undergraduate Catalog*. Consistent with undergraduate academic policy, failure to maintain a grade point average of 2.0 or higher (on a 4.0 system) during the probationary semester will result in academic suspension.

The university is continuing the process of examining all courses from surrounding collegiate institutions. The Office of Degree Audit along with the department chairs and the coordinator of General Education work with the Office of Admissions to identify courses that equate or courses that could count toward a major or general education credit. The appropriate school or college and/or department and/or coordinator of general education in accordance with policies governing the fulfillment of degree requirements will determine distribution of any accepted course work.

### Credentials for Transfer Students

Official transcripts may be sent directly from the issuing institution to the YSU Office of Admissions or can be delivered in person in a sealed and stamped envelope. The Ohio Department of Higher Education has established a transfer clearinghouse to receive, annotate, and convey transcripts among state- assisted colleges and universities. Official transcripts may also be sent electronically through a secured provider (e.g. Parchment, eScrip-Safe, National Student Clearinghouse, etc.)

### Pre-baccalaureate

All undergraduate transfer applicants will need to provide the Youngstown State University Office of Admissions with an official copy of their high school transcript and must provide an official copy of all undergraduate transcripts.

### Baccalaureate

Postgraduate applicants are required to submit all undergraduate transcripts from regionally accredited colleges and universities attended. High school transcripts are not required unless specifically requested by YSU.

### Prior Learning Assessment Credit

Prior Learning Assessment (PLA) is an option that enables students to demonstrate what they have learned outside the classroom and translate that learning into college credit. Prior Learning Assessment validates learning acquired through corporate training programs, extensive volunteer activity, military service, workplace experience, civic engagement, individual readings and studies, training sponsored by professional organizations, and training sponsored by governmental agencies. Credit is awarded for college-level learning (knowledge, skills, and competencies) that students have obtained as a result of their prior learning experiences.

Students must demonstrate their mastery of the knowledge in a subject area in order to earn college credit. Prior learning can be verified by:

- Performance on standardized tests or department challenge exams
- Creation and evaluation of a portfolio
- Demonstration of military service learning

For more information regarding PLA credit and guidelines, please see the Prior Learning Assessment (<http://cms.yсу.edu/prior-learning-assessment/prior-learning-assessment>) website.

## General Education and the Transfer Module

1. Per the articulation and transfer module guidelines developed by the Ohio Department of Higher Education, any student transferring to YSU with a completed transfer module from another Ohio public institution of higher learning will receive credit for all hours (36-40 semester hours; 54-60 quarter hours) contained within the module. Furthermore, the transfer module portion of YSU's General Education Requirements will be judged to be completed.
2. Students transferring into YSU with the OTM completed at another institution will have all general education courses completed with the exception of 2 courses under Social and Personal Awareness (6 semester hours) and the capstone course (3 semester hours). Students may find a list of approved capstone courses on the General Education website (p. 43).
3. For those students who have not completed the transfer module at another school, ODHE has guaranteed that any approved transfer module course taken at one institution must receive general education credit at the receiving institution. YSU has also determined that courses beyond the OTM list may satisfy general education requirements. The Office of Degree Audit will process equates between YSU courses and the transferred courses. The General Education Office will determine which courses being transferred fit within the YSU general education model. The student will then be advised as to how many courses in each domain must be taken to satisfy the general education requirements at this university. Each student must complete a capstone course at Youngstown State University.

## Transfer from a Regionally Accredited Institution- Articulation Agreements

YSU also has a number of articulation agreements with colleges in Ohio and western Pennsylvania. Through these agreements a maximum number of credits from the associate-degree-granting institution will be applied toward a bachelor's degree program at YSU. Associate-degree holders meeting that criterion will, in most cases, be admitted with junior standing at Youngstown State and entitled to all the rights and privileges of native junior students, including eligibility for financial aid and priority in registration. Please refer to the Degree Audit (<http://cms.yzu.edu/administrative-offices/degree-audit/degree-audit>) website for more information and for a current list of articulation agreements.

The University also has articulation agreements with many career and technical centers to award college credit for various courses. For a complete list of these agreements, refer to the Degree Audit website under **Agreements with Other Schools**.

Articulation agreements are pending with several other institutions in the region. Applicants who have not completed an associate program are considered on the same basis as other transfer applicants.

## Transferring From YSU

In order to facilitate transfer with maximum applicability of transfer credit, prospective transfer students should plan a course of study that will meet the requirements of a degree program at the receiving institution. Students should use the Transfer Module (see below), Transfer Assurance Guides (<https://www.ohiohighered.org/transfer/tag>), and the Transferology (<https://www.transferology.com>) system for guidance in planning the transfer process. Specifically, students should identify early in their collegiate studies an institution and major to which they desire to transfer. Furthermore, students should determine if there are language requirements or any special course requirements that can be met during the freshman or sophomore year. This will enable students to plan and pursue a course of study that will articulate with the receiving institution's major. Students are encouraged to seek further information regarding transfer from both their advisor and the college or university to which they plan to transfer.

## YSU Transfer Module

Based on ODHE guidelines, students wishing to transfer to another state college or university can complete the general education transfer module by taking the following:

- English 1550 Writing I, English 1551 Writing II (6 semester hours)
- Mathematics, statistics, and logic (3 semester hours)
- Oral Communications (3 semester hours)
- Natural Science (must include one laboratory science, minimum of 7 semester hours)
- Arts and Humanities (minimum of 6 semester hours)
- Social Science (minimum of 6 semester hours)

It is recommended that students take a minimum of six of the hours from Natural Science, Arts and Humanities, or Social Science from courses that are cross-listed as Social and Personal Awareness. In doing so, a student can still complete YSU's General Education Requirements in a timely manner should that student choose not to transfer.

No course may count unless it is on the 1500 or 2600 level. The student must take the minimum credits in each category and at least 36 credits overall to complete the transfer module. However, each course approved as part of a university's Transfer Module is guaranteed credit at another state institution as a general education course.

Students planning to transfer from YSU should refer to the *Undergraduate Catalog* (General Education Courses by Knowledge Domain) for a list of general education courses approved as part of the transfer module. Only those courses with an asterisk will receive general education credit. This information will also be available on the General Education (p. 43) website, which is linked to the YSU homepage.

## Advanced Placement (AP)

The state of Ohio, working through the University System of Ohio, has initiated policies to facilitate the ease of transition from high school to college as well as between and among Ohio's public colleges and universities.

Beginning in the fall term 2009:

1. Students obtaining an Advanced Placement (AP) exam score of 3 or above will be awarded the aligned course(s) and credits for the AP exam area(s) successfully completed.
2. General education courses and credits received will be applied towards graduation and will satisfy a general education requirement if the course(s) to which the AP area is equivalent fulfill a requirement.
3. If an equivalent course is not available for the AP exam area completed, elective or area credit will be awarded in the appropriate academic discipline and will be applied towards graduation where such elective credit options exist within the academic major.
4. Additional courses or credits may be available when a score of 4 or 5 is obtained. Award of credit for higher score values varies depending on the institution and academic discipline.
5. In academic disciplines containing highly dependent sequences (mathematics, sciences, etc.), students are strongly advised to confer with the college/ university advising staff to ensure they have the appropriate foundation to be successful in advanced coursework within the sequence.

## Appeals

A student who disagrees with the award of transfer credit by the receiving institution has the right to appeal the decision and should contact the Office of Degree Audit to begin the process. The institution will make the student aware of the entire appeal process at the time of contact. You can also visit the Appeal (<http://www.yzu.edu/admissions/apply-to-yzu/transfer-students>) website for an explanation of the process.

# Tuition, Fees, and Charges

See Student Fees and Charges below for current figures.

## Payment of Tuition and Fees

Student accounts are billed each semester. Tuition statements are sent out electronically, and an e-mail is sent each time a bill is issued. Current account information – including charges, payments, and refund amounts – is available online at [ysu.edu/viewmybill](http://ysu.edu/viewmybill). Tuition statements may also be printed from this site.

Students are expected to have their student accounts in a paid status prior to attending the first class meeting for a term. In order to have a student account in a "paid status," students must be either paid in full for the term or officially signed up and paid the first payment on the approved payment plan. Late and/or partial payments are subject to late payment fee assessment.

**You are strongly encouraged to pay your bill online at [ysu.edu/viewmybill](http://ysu.edu/viewmybill).**

**You may also make payment:**

\* in person at the payment windows on the second floor of Meshel Hall.

**Cashier Hours are Monday through Friday 10:00 a.m. - 2:00 p.m.**

\*via the payment drop box also located on the second floor of Meshel Hall (check only, no cash) or

\*by mail to: Youngstown State University, Attention Office of University Bursar, One University Plaza, Youngstown, OH 44555 (check only, please do not mail cash). Please make checks payable to Youngstown State University.

You may pay by online by echeck (no additional charge) or with Visa, MasterCard, or Discover. Effective July 1, 2012, there is a 2.75% convenience fee minimum of \$3.00 for payments made by credit card.

If you deliver a check in person, mail it, or place it in the payment drop box, you authorize us to convert that check to an electronic Automated Clearing House (ACH) transaction. That check will then appear on your monthly bank statement as an Electronic Debit. If you do not wish to have your paper check converted to an ACH, you must present it in person or select an alternative payment method (for instance, credit card).

A payment plan is also available that will allow you to spread your payments out over a longer period. Payment plan enrollment must be processed online and requires an initial payment at the time of enrollment. There is a fee for enrollment in the payment plan, and late payments are subject to late payment fee assessment.

Students are solely responsible for timely payment of their tuition and fees. In the event that the account becomes past due, the University reserves the right to withhold services (e.g., transcripts, diplomas, registration, and other University services) until the past-due balance is paid in full. If full payment cannot be obtained, then the delinquent balance must be turned over to the Ohio Attorney General's Collection Enforcement Office for collection and it will be reported to the Credit Bureau. Once an account becomes delinquent, the student will be required to pay in advance of registering for subsequent terms. An account turned over to the Attorney General will incur interest and collection expenses which must be paid before any of the adverse sanctions can be removed.

Your enrollment at the University creates a contract between you and YSU. If you choose not to attend the University, you must officially withdraw from all courses by the 14th day to receive 100% refund or reduction of charges (see refund policy below). All days of the week are counted, including weekends and holidays, to determine the 14th day. Please be advised that all University offices are not open on weekends and holidays; thus, online withdrawal may be required.

If you decide to withdraw from the University once you have enrolled, you must access the registration functions through the *MyYSU Portal*.

## Fees

The Board of Trustees of Youngstown State University has pledged to make every effort to keep the required fees as low as is consistent with providing quality education. It is intended that fees not be adjusted more often than annually and that fee changes be announced in the spring or early summer. The Board of Trustees does, however, reserve the right to change any fee, charge, or fine without notice if conditions warrant.

See Students Fees and Charges. An explanation of each follows.

### Tuition

The sum of the instructional fee, the general fee, and the information services fee constitutes tuition.

### Instructional Fee

This fee is assessed to all students each term. The rate is per academic semester hour of credit for one to 12 credits or for more than 18 credits; it is a flat rate for students registering for 12 to 18 credits during one term. Students registering for 18 or more credits pay the flat rate plus the per-credit rate for each credit over 18. This fee supplements the state subsidy and is a source of revenue for the University's educational and general fund.

### Audited Courses

Students may audit courses (i.e., register to take a course without receiving credit). The fee for auditing a course is the same as if the course were taken for credit.

### General Fee

This fee is also assessed to all students each term; the rate depends upon the number of credits registered for. This fee is for non-instructional services such as Kilcawley Center, intercollegiate athletics, intramural sports, performing artists and lecture programs, student government..

### Non-Resident Tuition Surcharges

As noted above, all students pay the instructional fee, the general fee, and the information services fee. Those students who are not legal residents of Ohio must pay a surcharge in addition. Students who are residents of the Affordable Tuition Advantage area pay a lesser surcharge than do students who are legal residents of other states and/or areas. The Affordable Tuition Advantage area includes the counties of Chautauqua, New York; Armstrong, Clarion, Fayette, Forest, Greene, Indiana, Jefferson, and Warren counties in Pennsylvania; and Brooke, Hancock, Marshall, and Ohio counties in West Virginia. Also included Pennsylvania counties of: Allegheny, Beaver, Butler, Crawford, Erie, Lawrence, Mercer, Venango, Washington, and Westmoreland.

### Information Services Fee

This fee is charged to all students each term. It is applied on a per-credit basis to provide information technology infrastructure and services across campus, including the new Student Information Systems, wireless connectivity, classroom technology, and a continuous strengthening and securing of the computing and networking environment. It provides support for technology enhancements and initiatives contained within the IT Master Plan, supporting the vision to keep pace with an evolving, interactive, student-centered and collaborative electronic learning environment.

### Course Book and Supply Fee

This fee represents the cost for an eBook used in designated course(s). This fee is non-refundable after the 100% tuition refund period and cannot be appealed.

## College Fee

This fee is designed to recognize the differential cost of instruction among colleges. Examples of use include research instrumentation, enhanced teaching equipment, specialized software, specialized information resources (databases), maintenance and repair of capital equipment, technical and laboratory personnel support, and lab and instructional space upgrades.

## Credit by Examination Fee

A fee is charged for each course for an individual examination provided by an academic department to determine whether a student can be given academic credit for his or her knowledge of the course material. The fee must be paid before the test can be taken. This fee is charged on a per-credit basis.

## Graduation Fee

This nonrefundable fee is assessed when students apply to graduate to cover costs associated with graduation. If a student defers graduation and has paid the fee, the payment remains valid for the two academic terms following the term of application. Should a student graduate with more than one degree at a time, the fee will only be charged once.

## GRADUATE CONSORTIAL PROGRAM MFA

The Northeastern Ohio Universities Master of Fine Arts in Creative Writing is offered in a consortium of the four public universities of Northeast Ohio: the University of Akron, Cleveland State University, Kent State University, and Youngstown State University. The partnership program aligns with the missions of all four institutions to offer graduate programs that meet clearly defined regional needs. The hourly tuition rate is calculated annually based on the highest general fund and the highest instructional fee between the four institutions, approved by the fiscal representatives, and approved by the boards of trustees at each institution. The tuition collected supports the administration and the instructional offerings of the program through a revenue sharing model.

## GRADUATE CONSORTIAL PROGRAM Mph

The Consortium of Eastern Ohio Master of Public Health (CEOMPH) Program is provided cooperatively by the University of Akron, Cleveland State University, Northeast Ohio Medical University, and Youngstown State University. Rates of current graduate students for each partner, the rates of other MPH programs and annual increases are considered each year. Tuition and fees are recommended annually by the Fiscal Issues Committee and approved by the Governing Counsel and the boards of trustees at each participating institution. The tuition collected supports the administration and the instructional offerings of the program through a revenue sharing model.

## GRADUATE WORKSHOPS SPECIAL TUITION RATES

The workshop rate is charged for workshop credit for courses taught off-site and by approved and qualified faculty who are paid by another agency.

## NURSE ANESTHETIST PROGRAM SURCHARGE

This fee is charged to students in the CRNA track of the M.S.N. degree to cover costs deemed necessary for specialized equipment and training pertinent to training in anesthesia. The partnership between Youngstown State University and St. Elizabeth Health Center School for Nurse Anesthetists outlines this arrangement. The Board of Directors of the School sets this fee and it is approved by the board of trustees.

## Honors College Fee

This fee is used to offset programmatic funding needs such as Honors College Retreat, Academic Journal, student travel to the National Collegiate Honors Council annual conference and to support co-curricular, senior medallions, volunteer, and community service projects. The fee may also be used for facility needs.

## COLLEGE CREDIT PLUS INSTRUCTIONAL FEE

Fees for CCP are aligned with the state of Ohio's default CCP tuition structure. The fee the district pays to YSU is calculated based upon a percentage of the State ADM, which is paid to the district by the State of Ohio. There is a "floor", "middle", and "ceiling". At YSU, the State default floor is the charge for classes taught in the high school by credentialed high school teachers. The middle rate is for classes taught at the high school by paid YSU faculty. The ceiling is the tuition for classes taught online or on campus. The fee is usually paid by the school district if the course is taken for both high school and college credit, though there are exceptions. If the student only wants college credit, they self-pay.

## YOUNGSTOWN EARLY COLLEGE

Early College High School students pay a reduced fee in virtue of the school district's limited resources and the University and community's interest in promoting college attendance and completion for first-generation students in Youngstown.

## PENGUIN JUMP START

This program allows incoming freshmen who meet the established criteria to take up to six semester hours of specific courses at a significant tuition reduction during the summer term preceding their first fall semester. This enables them to get a jump start toward graduation.

## DISTANCE EDUCATION LEARNING FEES

As noted above, all students pay the instructional fee, the general fee, and the information services fee. Those students who are not legal residents of Ohio must pay a surcharge in addition. This fee is to offset to cost of technology and support needed to support fully online programs.

## Late Add Fee

Late adds will be granted on an exceptional basis only and there will be a late-add fee assessed for each course added after the add deadline. This fee is nonrefundable and cannot be appealed.

## Late Application for Graduation

Application for Graduation must be submitted within the first three weeks of the term. Applications submitted after this date will be assessed a non-refundable late fee.

## Late Payment Fees

Payment of a bill received after the due date results in assessment of a late payment fee. All fees and charges billed must be paid in full. Partial payments will result in assessment of a late fee. Payment plan participants who do not pay their scheduled payment amount by the due date are also subject to assessment of a late payment fee.

## Late Registration Fee

A fee is charged a currently enrolled student who fails to register for the next term at the assigned time and later registers at the time assigned new or returning students.

## SPECIAL PURPOSE FEES

- Bachelor of Science in Engineering
  - This program fee supports the office of professional practice which coordinates internships and co-ops.
- Bachelor of Arts in Telecommunications Studies
  - The Telecommunication Studies program fee is charged to offset the cost of production facilities and equipment, including a television studio, field equipment and other production technology. The fee is used to upgrade equipment to current industry standards.
- Honors College Fee

This fee is used to offset programmatic funding needs such as the Honors College student retreat, Academic Journal, student travel to the National Collegiate Honors Council annual conference, and support for co-curricular, senior medallions, volunteer, and community service projects. The fee may be also used for facility needs.

- **Master of Early Childhood Education**  
This fee covers expenses of recruiting and delivering instruction.
- **MBA Program Fee**  
The MBA Program Fee supports the design and delivery of the MBA program, and MBA activities and services that contribute to the success of MBA students.
- **Performance Music Fee**  
The Music Performance Fee This fee offsets the cost of maintaining the programs and facilities of the Dana School of Music including the purchase and repair of equipment, rental of performance venues, recording and archiving of Dana events, and other expenses. The performance fee helps us provide the best possible experience for our students and follow standards set by the National Association of Schools of Music. This program fee is charged in addition to regular tuition.
- **BCOE Regional Delivery Fee**  
A program fee used to cover expenses of delivering programs to cohorts studying at off-campus locations.
- **Studio Art**  
This fee enables the Department of Art to strategically plan for essential equipment upgrades and investment in new technologies that drive development and implementation of innovative curriculum including the purchase of large and costly equipment and digital technologies. As new processes and directions emerge in contemporary art, the Department of Art must introduce new and innovative instructional art making options into the curriculum to remain enrollment competitive with regional and national peer institutions.

## Transportation Fee

This fee is charged to all students each term registered for six or more credit hours in courses designated as on-campus. This fee will allow students to receive a parking permit (at no additional charge). Students must request the permit via MyYSU portal; the permit will give them unlimited access to shuttle service and admission into designated parking areas. The transportation fee supports the operating and maintenance costs of campus parking facilities, roadways and sidewalks, as well as student shuttle service. The fee does not guarantee an available space in any particular lot. Some facilities are restricted (e.g. for students only, for faculty and staff only, or resident hall residents only). The current Driving and Parking Regulations pamphlet and parking lot map should be consulted. The transportation fee is refundable only if the student has less than 6 credit hours (in courses designated as on-campus courses) by the last day of the 100% tuition refund period AND they return the permit access card and validation sticker within five days of either the withdrawal date or the last date of the 100% tuition refund period-whichever is earlier. The transportation fee is non-refundable after the 100% tuition refund period and cannot be appealed.

## Optional Parking Fee

This fee is optional each term for students registered for less than six credit hours in courses designated as on-campus. This fee is charged, upon request of the parking permit via MyYSU portal – and will appear on students' accounts as a "parking fee." The "optional" fee and parking permit will also allow the student to have unlimited access to shuttle service. Students requesting the parking permit after the 14th day of the term will not have the permit issued or shuttle services made available until payment of the fee. The fee supports the operating and maintenance costs of campus parking facilities, roadways and sidewalks, as well as student shuttle service. The fee

does not guarantee an available space in any particular lot. Some facilities are restricted (e.g. for students only, for faculty and staff only, or resident hall residents only). The current Driving and Parking Regulations pamphlet and parking lot map should be consulted. The fee is refundable only if the student returns the permit access card, validation sticker, and has less than six credit hours in courses designated as on-campus within five days of either the withdrawal date or the last date of the 100% tuition refund period, whichever is earlier. This fee is non-refundable after the 100% tuition refund period and cannot be appealed.

A daily fee is charged anyone without a permit who wishes to park in facilities designated for cash business. Persons other than employees and students who are on campus for a short period of time to conduct business may park in one of the visitors' lots if space is available.

## Performance Music Fee

This fee is charged in addition to the regular tuition. It is assessed students taking music lessons and is applied on a per-credit basis.

## Processing/Matriculation Fee

All first-time students will be assessed a non-refundable processing/matriculation fee to cover costs incurred for the use of University facilities, the development of publications, and other program/registration costs. Students are able to pay the fee by using the invoice located in their orientation packet or it will be billed electronically. If a student decides not to attend the University, he/she is still responsible for paying this fee.

## Proficiency Examination Fee

A fee is charged for an examination provided by an academic department to determine a student's proficiency for some reason other than assignment of academic credit. If academic credit is to be awarded, the credit by examination fee applies and not this fee.

## Technology/Laboratory Materials Fee

This fee is designed to partially offset expenses associated with courses that make use of supplies, equipment or personnel support beyond that associated with typical lecture courses. Examples include chemical supplies, engineering equipment, computers, software, and lab monitors. In addition, the First Year Materials Fee is designed to partially offset expenses associated with Campus Sexual Violence Elimination (SaVe) Act training, Financial Aid materials and training sessions with Financial Aid, Content and programming for a common intellectual experience including speakers and campus-wide events, Other materials, handouts, and software related to common elements of first year experience courses.

## Testing Fees

The University Office of Testing supervises a variety of special tests used for admission to college, graduate, or professional schools. The fees are established by the agencies responsible for the tests. Students are advised to contact the Testing Office for information and to make reservations.

## Transfer Matriculation Fee

All new transfer students will be assessed a non-refundable processing/matriculation fee to cover costs incurred for the use of University facilities, the development of publications, and other program/registration costs. Students cannot prepay this charge; it will be billed electronically. If a student decides not to attend the University, he/she is still responsible for paying this fee.

## Undergraduate Application Fee

This fee is charged to every new applicant for admission. This fee is non-refundable. Former students do not have to pay to apply for re-admission.

## Service Charges

### Computer-Based Placement Re-Test Fee

A nonrefundable fee is charged each time a computer-based placement test is retaken.

### Identification Card Replacement Charge

A nonrefundable charge is made for replacement of an ID card.

### Payment Plan Enrollment Fee

A nonrefundable fee is charged for enrollment in the payment plan. All tuition and fees are due in full by the payment due date unless the student enrolls in the payment plan.

### Physical Education Activity Charge

Certain activity courses (e.g. bowling, skiing, ice skating, scuba diving) are available only upon the payment of a charge sufficient to cover the cost of the facility or transportation. These charges are set by the operator of the facility, are paid by the student to that operator (not to the University), and are in addition to any other applicable fee.

### Housing Charges

University housing is available for the academic year and summer terms. The academic year contract includes fall and spring terms. Charges are billed each semester. The housing contract includes room and full meal plan. In addition to the charge for service, a security deposit is required. Payment and refunds are as scheduled in the housing contract. Meal plans are also available for students who are not residents in University Housing.

### PC Remediation Service Fee

Fee assessed for removal of all spyware and viruses from the PC and for installing the most current updates to applications and the operating system to help reduce the risk of future attacks. The first two PC remediation services are provided free of charge to current YSU students; the fee only applies to remediation performed beyond the first two free services.

### Data Recovery Service Fee

Fee assessed to recover data and/or transfer data that was successfully recovered onto a media device provided by the students i.e. flash drive, hard drive, or DVD. No fee assessed unless some or all of the data is recovered. Note: If it is necessary to remove the hard drive from the PC in order to recover data, the Tech Desk will NOT be able to perform the service, and no fee will be charged to the student.

### Returned Check, ACH (Electronic Check), or Credit Card Charge

A charge is levied on anyone whose check, ACH, or charge is returned unpaid by the bank. If any late payment results therefrom, the applicable fee is also assessed. Failure to pay billing of return check, ACH, and/or charge within six days; and/or a second check, ACH, or charge return will result in the University not accepting this type of payment at any of its collection points and may subject the student to financial suspension for the term.

### Student Locker Rental

A limited number of lockers are available in various buildings for the convenience of commuting students. Locker payments and assignments are made in Kilcawley Center.

### Thesis-Binding Charge

A charge is made for each copy of a master's thesis bound by the William F. Maag, Jr. Library.

### Transcript of Credits Charge

There is a charge for normal transcript processing requests as well as rush or overnight express requests issued by the Office of Records. Transcripts will not be issued for anyone with outstanding debts owed to the University.

## Fines

### Parking Violation Fine

Parking without a permit, parking in unauthorized areas and other offenses as identified in the *Parking Regulations* brochure will result in the issuance of a citation against the vehicle and its owner, or against the student responsible for the vehicle (e.g., a student driving a parent's car). Payment of a fine removes the citation. In certain cases, vehicles may be towed. See the regulations (<https://cms.yosu.edu/administrative-offices/parking-services/rules-regulations>) for detailed information.

### Library Fines

Fines are assessed for failure to return books on time as stipulated or for the unauthorized removal of a reserved book. Willful damage or defacement of library materials or other property is a violation of state law and is punished as such.

### Student Code of Conduct Violation

Fines may be assessed to students who have violated the Student Code of Conduct. These fines can be assessed by the Student Conduct Administrator or the Student Conduct Board after a disciplinary hearing. For a complete list of the possible fines that could be assessed to a student who is found responsible, please visit the Student Conduct Office website at [www.yosu.edu/administrative-offices/student-conduct/art-iv-sect-g](http://www.yosu.edu/administrative-offices/student-conduct/art-iv-sect-g) (<https://cms.yosu.edu/administrative-offices/student-conduct/student-code-conduct>).

## Reduction/Refund of Fees and Charges Upon Withdrawal

To withdraw from a single course, or from all courses (complete withdrawal), it is necessary to access the registration functions online via the MyYSU Portal – Registration. It is the student's responsibility to confirm that the withdrawal was correctly processed, and the course(s) is (are) deleted. Nonattendance of class, or notification to the instructor or department, does not constitute official withdrawal.

Effective Summer 2009, if a student is permitted to withdraw from the University or if a student reduces his or her academic load, a refund of the tuition charge, and the nonresident tuition surcharge, where applicable, shall be made in conformity with the following schedule for regularly scheduled courses:

Length of Course	100% Refund	No Reduction of Charges
<b>Fall and Spring Term Only</b>		
6 weeks or more	thru the 14th day <sup>1</sup>	15th day and later <sup>1</sup>
Less than 6 weeks	15% of course duration	greater than 15% of course duration
<b>New Row</b>		
<b>Summer Term(s) Only</b>	thru the 7th day	8th day or after

<sup>1</sup> Since access to registration/change of registration is now available online 24/7, every day of the week is counted (including weekends and holidays) when calculating tuition refunds. Be advised that University offices are not open most weekends and/or on holidays. Therefore, online withdrawal may be required.

Note: For a complete withdrawal from any term, all applicable fees, fines, and penalties will be deducted from any refunds. If fees were paid by scholarship, loan or grant-in-aid, the appropriate credit will be issued to the fund from which the

initial payment was made. Student accounts paid with financial aid may be subject to a financial aid repayment. No refunds will be issued until after the 15th day of the term.

If the student withdraws after the prescribed time limits (as indicated above), all tuition and other applicable fees and charges are forfeited.

If fees were paid by scholarship, loan or grant-in-aid, the appropriate credit is issued to the fund from which the initial payment was made. Refunds are calculated for Title IV recipients who completely withdraw during the first 60% of the semester.

Title IV financial aid funds are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance was awarded. If a student completely withdraws on or before the 60% point in time of the period of enrollment, calculated using calendar days, a portion of the federal aid awarded (Federal Pell, SEOG, Perkins Loans, Direct Loans, and PLUS Loans – but not Federal Work Study) may need to be returned according to the provisions of the Higher Education Amendments of 1998. This recalculation may result in the student's owing a balance to Youngstown State University and/or the federal Department of Education.

Any withdrawal, or reduction in academic hours **after** the schedule outlined above will not be entitled to a reduction of charges and/or refund unless an Application for Involuntary Withdrawal is submitted and approved by the Fees and Charges Appeal Board. All decisions made by this board are final and binding.

If a student withdraws for reasons beyond his or her control (e.g., illness, military service, job transfer, or shift change imposed by the employer that creates a direct conflict with the class schedule), the fee charges may be reduced in proportion to the number of weeks enrolled, upon submission and approval of an application for involuntary withdrawal.

An application for involuntary withdrawal can be processed only for courses in which the student has already received a grade of "W" (withdrawn). Applications for involuntary withdrawal will be considered only for terms falling within the immediately preceding **one-year time period** (3 semesters). Appeals pertaining to terms beyond this one-year time limit will not be accepted. All applications for involuntary withdrawal must be documented, and are processed only by mail on forms provided by Office of University Bursar. Address such correspondence to:

Fees and Charges Appeals Board  
c/o University Bursar  
Youngstown State University  
One University Plaza  
Youngstown, OH 44555

## Title IV Credit Balance Refunds

Title IV students who meet all eligibility requirements at least 10 days before the start of a payment period and whose funds could have been disbursed and those disbursed funds would have created a Title IV credit balance will receive a refund no later than the seventh day of the payment period. The amount of the refund will be the lesser of the amount of the presumed credit balance or the amount needed to purchase books and supplies as determined by Youngstown State University. Refunds are sent as direct deposit to the student's bank account. A direct deposit profile must be set up via the MyYSU portal. Checks to the current address will be sent if no direct deposit is set up.

## Student Fees and Charges

Effective Fall 2017

(Instructional Fee, General Fee, and Information Services fees are required of all students except where noted).

## TUITION

### INSTRUCTIONAL FEE

Note: does not include College Credit Plus Students

Credits	Price	Per Semester/Hour
<b>Undergraduate Tuition</b>		
1 to 11 credits	\$270.00	per credit hour
12 to 18 credits	\$3,240.00	per semester
Over 18 credits	\$270.00	per credit hours
<b>Graduate Tuition</b>		
1 to 11 credits	\$429.25	per credit hour
12 to 18 credits	\$5,151.00	per semester
Over 18 credits	\$429.25	per credit hour
<b>Graduate Consortial Programs Tuition:</b>		
Master of Fine Arts	\$541.00	per credit hour
Master of Public Health	\$576.00	per credit hour
<b>Graduate Workshops</b>		
<b>Special Tuition Rates:</b>		
In-State Participant	\$155.16	per credit hour
Non-Regional Participant	\$165.46	per credit hour
<b>Doctoral Tuition</b>		
1 to 11 credits	\$429.25	per credit hour
12 to 18 credits	\$5,151.00	per semester
Over 18 credits	\$429.25	per credit hour
Nurse Anesthetist Program Surcharge	\$2,895.29	per semester

### GENERAL FEE

Credits	Price	Per Semester/Hour
1 to 11 credits	\$56.97	per credit hour
12 to 18 credits	\$683.64	per semester
Over 18 credits	\$56.97	per credit hour

### INFORMATION SERVICES FEE

Credits	Price	Per Semester/Hour
1 to 11 credits	\$10.00	per credit hour
12 to 18 credits	\$120.00	per semester
Over 18 credits	\$10.00	per credit hour

### Non-Resident Tuition Surcharge Information

As noted above, all students pay the instructional fee, the general fee, and the information services fee. Those students who are not legal residents of Ohio must pay an additional non-resident tuition surcharge. Students who are residents of the Affordable Tuition Advantage area pay a lesser surcharge than do students who are legal residents of other states and/or areas. The Affordable Tuition Advantage Area includes the New York counties of Chautauqua; Pennsylvania counties of Allegheny, Armstrong, Beaver, Butler, Clarion, Crawford, Erie, Fayette, Forest, Greene, Indiana, Jefferson, Lawrence, Mercer, Venango, Warren, Washington, and Westmoreland; and West Virginia counties of Brooke, Hancock, Marshall, and Ohio.

### AFFORDABLE TUITION ADVANTAGE SURCHARGE

Credits	Price	Per Semester/Hour
1 to 11 credits	\$15.00	per credit hour
12 to 18 credits	\$180.00	per semester
Over 18 credits	\$15.00	per credit hour

### NON-REGIONAL SERVICE AREA SURCHARGE

(Includes on-campus students who are out of state and out of the Affordable Tuition Area)

Credits	Price	Per Semester/Hour
<b>Undergraduate Surcharge</b>		
1 to 11 credits	\$250.00	per credit hour
12 to 18 credits	\$3,000.00	per semester
Over 18 credits	\$250.00	per credit hour
<b>Graduate Surcharge</b>		
1 to 11 credits	\$250.00	per credit hour
12 to 18 credits	\$3,000.00	per semester
Over 18 credits	\$250.00	per credit hour

### DISTANCE LEARNING OUT OF STATE FEES

(Includes students who are enrolled in distance education programs who are out of state and out of the Affordable Tuition Area)

Undergraduate and Graduate 12-18 credit hours bulk rate

Level	Fees
Level 1	\$3,122.40
Level 2	\$3,194.40
Level 3	\$3,338.40
Level 4	\$3,518.40
Level 5	\$3,698.40

Undergraduate and Graduate 1-11 credit hours and over 18 credit hours

Level	Fees
Level 1	\$260.20
Level 2	\$266.20
Level 3	\$278.20
Level 4	\$293.20
Level 5	\$308.20

## COLLEGE FEES

### Undergraduate College Fees

#### Bitonte College of Health & Human Services Fee (Junior and above)

Credits	Price	Per Semester/Hour
1-11 credits	\$12.50	per credit hour
12-18 credits	\$150.00	per semester
Over 18 credits	\$12.50	per credit hour

#### College of Science, Technology, Engineering & Mathematics (Junior and above)

Credits	Price	Per Semester/Hour
1-11 credits	\$25.00	per credit hour
12-18 credits	\$300.00	per semester
Over 18 credits	\$25.00	per credit hour

#### College of Liberal Arts & Social Sciences (Junior and above)

Credits	Price	Per Semester/Hour
1-11 credits	\$8.50	per credit hour
12-18 credits	\$102.00	per semester
Over 18 credits	\$8.50	per credit hour

#### Beeghly College of Education (Junior and above)

Credits	Price	Per Semester/Hour
1-11 credits	\$8.00	per credit hour
12-18 credits	\$96.00	per semester
Over 18 credits	\$8.00	per credit hour

### College of Creative Arts and Communication (All Undergraduates)

Credits	Price	Per Semester/Hour
1-11 credits	\$9.00	per credit hour
12-18 credits	\$108.00	per semester
Over 18 credits	\$9.00	per credit hour

### Williamson College of Business Administration (Junior and above)

Credits	Price	Per Semester/Hour
1-11 credits	\$20.00	per credit hour
12-18 credits	\$240.00	per semester
Over 18 credits	\$20.00	per credit hour

### COLLEGE CREDIT PLUS INSTRUCTIONAL FEE

(High School Students Participating in State of Ohio College Credit Plus program)

Note: General, and Informational Services fees are waived.

Credits	Price	Per Semester/Hour
Taught by the High School teacher at student's high school	\$41.57	per credit hour
Taught by YSU Instructor online	\$163.28	per credit hour
Taught by YSU Instructor on campus	\$166.28	per credit hour

### HOUSING CHARGES

Charges	Fees
<b>Housing Charges</b>	
Room and Board per academic year	\$9,090.00 (Payable as follows: \$4,545.00 fall semester, and \$4,545.00 spring semester)
Residence Hall Security Deposit – Paid first semester	\$200.00 (If a resident does not stay through spring semester, the \$200 deposit is forfeited)
Single Room Surcharge	\$900.00 per semester

#### Student Housing During Academic Breaks

1 to 3 days (no meals, per day)	\$26.00
Per week (includes 7 meals per week)	\$205.00
Summer Room and Board Apartments	\$260.00 (includes 10 meals per week)
Voluntary Board Plan	(students not in University housing) please call Dining Services at Ext. 3391

#### Weller House Apartments (per Academic Year - room only)

Two Bedroom Family Unit	\$10,000.00
One Bedroom single unit	\$8,000.00
Shared apartments with single bedrooms	\$7,000.00

#### Courtyard Apartments (room only, per person)

1 bed/ 1 bath	\$805 per month
2 bed/ 2 bath	\$680 per month
4 bed/ 2 bath	\$590 per month

#### Meal Plan Options (per semester)

Bronze	\$1,766.00
Silver	\$1,806.00

Gold	\$1,946.00
New Row	

### Voluntary Board Plan 9students not in University Housing) please call Dining Services at Ext. 3391.

\*Room and board amount shown here is based on Bronze-level meal plan selections. Rates are for Kilcawley, Wick, Lyden, and Cafaro houses

\*\*Effective FY18, Weller House converted to graduate and family housing, and rates charged per apartment instead of per bed.

### Special-Purpose Fees

Charges	Fees
ACT Test	\$55.00
Art Usage Fee	\$29.00 per course
College Level Examination Program Test Fee (CLEP)	\$25.00
College over 60 Registration fee	\$5.00
Bachelor of Science in Engineering	\$50.00 per student
Bachelor of Arts in Telecommunications Studies	\$35.00 per course
Career Service Fee (per credit hour)	Level 1 - Freshman and Sophomore \$1.75
Career Service Fee (per credit hour)	Level 2 - Junior and Senior \$2.75
Counseling Prep Comprehensive Exam (CPCE)	\$40.00
Credit by Examination <sup>1</sup>	\$20.00 per credit hour
Course Book and Supply	\$ Variable
Deferred Payment fee (employer paid only)	\$50.00
Equipment & Materials Replacement Fee	Market value
Federal Background Check	\$28.00
Finger Printing Fee (per occurrence)	\$37.00
Graduation Fee	\$65.00
Graduation Fee Late Application (after 3rd wk. of term)	\$38.50
Graduate Student Application Fee	\$45.00
Honors College Fee (per semester)	\$25.00
Installment Payment Plan Enrollment Fee	\$45.00 per semester maximum
Internal Revenue Service/1098T penalty for incorrect name/SSN match	\$100.00
International Graduate Student Credential Evaluation	\$45.00
International Student Health Insurance	pass-thru charge, set by Ins. Carrier-Variable
International Undergraduate Student Credential Evaluation	\$75.00
Master in Early Childhood Education	\$30.00 per credit
Late Payment Fee	\$50.00 per month
Late Registration Fee	\$75.00
Late Class Add Fee (Charged for each course added after the last published date to add a class)	\$50.00 per course
MAT Test	\$90.00
Processing/Matriculation Fee (Undergraduate)	\$110.00
Processing/Matriculation Fee (Transfer Students)	\$110.00
MBA Program Fee	\$50.00 per credit

Ohio Attorney General Payment/Collection Fee	Variable
Performance Music Fee	\$75.00 per credit
Parking Permit – Students, Fall & Spring (optional 0-5 credit hours)	\$155.00 per semester
Parking Permit – Students, Summer Term (optional 0-5 credit hours)	\$78.00
Parking Per day without permit	\$5.00
Peace Officer Training Academy Fee	\$300.00 per semester
Physical Therapy Doctoral Acceptance Deposit	\$500.00
Proficiency Examination <sup>2</sup>	\$45.00 per course
Study-Abroad Fee	\$75.00
<b>Technology/Laboratory Materials Fee</b>	
Level 1	\$35.00 per course
Level 2	\$50.00 per course
Level 3	\$65.00 per course
Level 4	\$300.00 per course
Level 7	\$20.00 per course
Level 8	\$85.00 per course
Level 9	\$25.00 per course
Level 10	\$200.00 per course
Level 11 (cooperative charge)	\$350.00 per course
Level 12	\$300.00 per course
Level 13	\$100.00 per course
First Year Experience	35.00 per course
Transportation Fee, Fall & Spring Terms (Required 6 plus credit hours listed in campus courses)	\$155.00 per semester
Transportation Fee, Summer Term (Required for 6 plus credit hours listed on campus courses)	\$78.00 per semester
Undergraduate Application Fee (first-time applicant)	\$45.00
Undergraduate Application Fee (former student returning)	0.00
Web-Based Courses Fee (Distance Learning Fee)	\$100.00 per credit hour
Youngstown Early College	\$106.00 per credit hour
Youngstown Early College (full time bulk rate, 12-18 hours)	\$1,272.00

<sup>1</sup> Credit awarded for courses based upon the successful completion of a test administered by an academic department at YSU. The course title appears on the transcript but no grade is listed.

<sup>2</sup> A course or courses may be waived based on the performance on an examination. No academic credit is given and the course is not listed in the transcript.

### Service Charges

Charges	Fees
Child Preschool Laboratory Fee	\$150.00 per semester
Check Replacement Fee	\$25.00
Computer-Based Placement Re-Test	\$20.00 per test
Duplicate Diploma Fee	\$40.00
Finger Printing Fee	\$37.00 per occurrence
Human Performance and Exercise Science Activity	Variable to cover cost in that course
Credit Card Convenience Fee (student accounts only)	2.75% minimum of \$3.00

I.D. Replacement Charge	\$25.00
Intramural Team Deposit	\$10.00 per team
Library Study Carrel Rental	\$25.00
PC Data Recovery Service Fee	\$100.00 per occurrence
PC Remediation Service Fee (if 3 or more occurrences per academic year)	\$75.00
Reading Tutoring Fee	\$38.00 per semester
Returned Check or Credit Card Charge	\$30.00
Rich Autism Center Pre-School Programs	\$125.00 per week
Student Health Insurance	Go To: <a href="http://cms.ysu.edu/administrative-offices/student-health/student-health">http://cms.ysu.edu/administrative-offices/student-health/student-health</a>
Thesis Binding	\$25.00
Transcript Fee	\$6.00
Transcript Rush Fee (same day processing, US mail or in person)	\$12.00
Transcript Rush Fee (overnight express)	\$35.00

## Parking Violations

Charges	Fees
Class 1 – Minor violations	
1st offense	\$25.00
2nd offense	\$30.00
3rd offense	\$35.00
Class 2 – Major violations	\$100.00
Class 3 – Legal violations	\$150.00

For more information go to Parking Violations Information (<https://cms.ysu.edu/administrative-offices/parking-services/parking-violations>).

## MAGG Library & Curriculum Resource Center Fines & Fees

Overdue charges and loan periods differ by type of materials:

- **Most Library Books, CDs, Videos:** No daily fines. At (15) days past due: \$10.00 processing fee plus the item replacement cost.
- **OhioLINK Materials:** Fine \$0.50 per day to a maximum of \$15.00, plus a \$35.00 processing fee and \$75.00 item replacement cost.
- **Reserves, MMC All Other, CRC Non-Print:** \$0.55 per hour/day to a maximum of \$11.00, plus a \$10.00 processing fee and the item replacement cost.

For further Circulation policy details, visit MAAG Circulation Policy (<http://maag.ysu.edu>).

## Student Fines for Violations of the Student Code of Conduct

Failure to attend Student conduct Conference of Hearing \$25.00; Failure to complete a disciplinary sanction \$25.00; Restitution for lost/stolen/damaged property while in possession \$50 plus restitution.

Substance Abuse Violation: 1st Offense \$75.00; 2nd Of fence \$125.00; 3rd Offense \$175.00.

Drug/controlled substance use/possession/unauthorized prescription drug: 1st Offense \$100.00; 2nd Offense \$150.00; 3rd + Offense \$250.00

Serious Violations of The Student Code of Conduct: Violent/threatening behavior \$150.00; Theft \$150.00; Weapons \$150.00; Drug sales/distribution \$250.00; Other fines corresponding to the nature of the violation up to \$250.00

THE UNIVERSITY RESERVES THE RIGHT TO CHANGE ANY FEE WITHOUT NOTICE.

## Financial Aid, Scholarships, and Awards

Youngstown State University has a comprehensive program of financial assistance which includes scholarships, grants, work-study, and loans. Most of these programs are administered by the Office of Financial Aid and Scholarships.

Links to the following resources are conveniently located at the Office of Financial Aid and Scholarships' website Financial Aid and Scholarships (<http://www.ysu.edu/content/office-financial-aid-and-scholarships>).

1. **Free Application for Federal Student Aid (FAFSA):** A common form used to apply for federal and state need-based grant aid and student loans.
2. **Youngstown State University Scholarship Search:** An online search engine to locate and apply for YSU-specific scholarship funds offered through the Youngstown State University Foundation.
3. **Youngstown State University Foundation Scholarship Application:** An online form application which, upon completion, considers students for a number of scholarships awarded through the YSU Foundation and its donors.

All YSU applicants for admission, or current students, seeking financial assistance through the Free Application for Federal Student Aid (FAFSA) should apply no later than December 1 for new students and February 15 for continuing students. Students interested in applying for institutional grants and scholarships should adhere to those individual deadlines as noted on their respective applications.

For maximum consideration, both new and continuing students are encouraged to meet priority deadlines in applying for financial aid.

## Scholarships

Scholarships are gift aid awarded to students on the basis of superior academic performance or talent, other specific criteria as set forth by the individual donor, and/or on the basis of financial need. Scholarships do not have to be repaid. Amounts may vary depending on the academic ability, financial need, and/or the current state of funding or endowment support for the scholarship. Scholarship funds have been established at YSU by individuals, corporations, clubs, and both religious and fraternal organizations. In addition, the Youngstown State University Foundation administers endowments which provide substantial funding for numerous scholarship programs at Youngstown State University, including the Scholarships for Excellence program.

Scholarships awarded to current Youngstown State University students are based on the student's academic record, character, and/or financial need. Scholarships for incoming freshmen are awarded on the basis of high school academic record, grade point average (GPA), scores on standard college entrance examinations, and in limited situation, class rank. Scholarship applicants are considered for all scholarships appropriate to their aims and interests.

To be considered for scholarships, students should complete all appropriate forms by their established due date each year. To search a complete listing of scholarships, visit the office website (<http://cfweb.cc.ysu.edu/finaid>). Additionally, students seeking consideration for need-based scholarships will also need to complete a Free Application for Federal Student Aid (FAFSA) found at [fafsa.gov](https://fafsa.gov) (<https://fafsa.gov>).

Students are also encouraged to explore these supplemental options for scholarship resources:

- Their particular college or department for academic specific scholarships
- Student's and/or parent(s)' employer for scholarships or fee remission opportunities

- Local community resources for scholarship programs, such as church organizations and libraries
- Free internet web searches through sites such as Fastweb (<http://www.fastweb.com>) or FinAid (<http://www.finaid.org>)

### Scholarships for Excellence

Please check with the Office of Financial Aid and Scholarships for the most current scholarship information.

Scholarships for Excellence are awarded by the University and largely funded by the YSU Foundation. The YSU Foundation, with an endowment of over \$212 million, is committed to providing the “edge of excellence” for the University, providing more than \$8 million in scholarship assistance annually for YSU students. These Scholarships for Excellence are awarded to eligible **new high school graduates, transfer students, and current students**. Current and transfer students will automatically be considered for these scholarships. In addition, incoming freshmen should apply for admission by February 15 to be considered for these scholarships automatically.

**Please note:** Undergraduate Scholarships for Excellence guidelines are **subject to change**. Students cannot be awarded more than one scholarship through the Scholarships for Excellence program.

Click the following link to view a current list of the Scholarships for Excellence (<http://www.yсу.edu/content/office-financial-aid-and-scholarships/scholarships>).

### Other YSU Scholarships

For a listing of scholarship opportunities currently available to YSU students, go to the Scholarship Search ([http://cfweb.cc.yсу.edu/finaid/scholar/est\\_scholar.cfm](http://cfweb.cc.yсу.edu/finaid/scholar/est_scholar.cfm)).

## Grants-in-Aid

Grants-in-Aid are gift monies that do not need to be repaid. The amount of grant aid awarded is determined by the recipient’s financial need and/or academic record and character. The following is a list of Grant-in-Aid funds a student could potentially qualify to receive:

- **Federal Pell Grant:** A need-based federal grant provided to eligible undergraduate students pursuing a first bachelor’s degree or associate’s degree. A FAFSA must be filed yearly to be considered for this grant.
- **Federal Supplemental Educational Opportunity Grant (FSEOG):** A need-based grant funded by the federal government and awarded by YSU. Students who meet the eligibility requirements for the Federal Pell Grant, and meet the priority filing deadline of December 1 for new students and February 15 for continuing students, receive primary consideration for this campus-based aid program.
- **Ohio College Opportunity Grant (OCOG):** Grant funds awarded by the State of Ohio to full-time, undergraduate students who are residents of Ohio and who are pursuing a first bachelor’s degree or associate’s degree. Eligibility is based on family income. The FAFSA must be completed by October 1 of each year to be considered for this grant.
- **Pennsylvania Higher Education Assistance Award (PHEAA):** Grant funds provided to Pennsylvania residents who are YSU students. Students may be full-time or half-time undergraduates enrolled in an approved program of study requiring at least two years to complete. File the FAFSA by May 1 of each year to be considered for this grant.
- **YSU Foundation PHEAA Supplemental Grant:** Due to the legislative cap on Pennsylvania grants to Pennsylvania residents attending Ohio universities, YSU has initiated a supplemental grant program funded by YSU and the YSU Foundation. This grant will be automatically awarded to YSU students who are awarded and eligible to receive a PHEAA grant. The supplemental grant will be awarded in amounts up to 200% of the PHEAA grant, subject to availability of funds.
- **Veterans’ Administration Education Assistance:** The Department of Veterans’ Affairs provides education assistance to veterans or current armed service personnel. Programs include contributory plans,

rehabilitation benefits, work-study, and dependent/spousal benefits. Contact the Office of Veterans Affairs at (330) 941-2503 or toll-free at 888-GI-BILL1 (888-442-4551).

- **Bureau of Vocational Rehabilitation Awards:** Programs funded by the Bureau of Vocational Rehabilitation in Ohio (BVR) and the Office of Vocational Rehabilitation in Pennsylvania (OVR) that provide grants for tuition, fees, and/or books for residents with disabilities. Eligibility is determined by each state’s Bureau.
- **Ohio War Orphans:** Grant funds for children of disabled or deceased U.S. Armed Forces veterans. There is a needs test required, the student must be an Ohio resident attending an Ohio college or university, and be under the age of 25 upon application. The grant pays a percentage of tuition and fees. For additional information, contact (614) 752-9528.
- **Ohio National Guard:** Provides grants paying for 100% of instructional and general tuition fees for members who are full-time undergraduates. Apply through the National Guard. Pay close attention to deadlines. For additional information, contact (614) 336-7053

## Employment

To assist in paying for educational and living expenses, currently enrolled students in good standing may apply for on-campus employment. On-campus employment opportunities are posted in the Office of Student Success, outside of the Office of Financial Aid and Scholarships, or online (<http://cms.yсу.edu/administrative-offices/student-employment/current-student-employment-openings>). Students are encouraged to check regularly for open positions.

**Federal Work-Study** is a need-based program that provides eligible students with funding for on-campus employment. Federal Work-Study students receive paychecks for hours worked and may utilize those funds toward educational and living expenses. To receive maximum consideration for this campus-based program, the FAFSA must be filed by the priority deadline of December 1 for new students and February 15 for continuing students with the student having answered “yes” to the question “Are you interested in being considered for work-study?” on the application.

## Loans

Loans are a form of self-help financial aid utilized by many students to help meet educational expenses. Borrowing responsibly is key as many loans have borrowing limits, accrue interest, and must be repaid.

- **Federal Direct Subsidized and Unsubsidized Stafford Loans:** The federally funded Subsidized Stafford Loan has its interest paid while the student maintains at least half-time enrollment. Federal Unsubsidized Stafford Loan interest accrues from the time the loan is first disbursed. (Note: Graduate students are only eligible for unsubsidized loans.) For a list of the most current interest rates on Stafford Loans, please see the Federal Student Loan (<http://www.yсу.edu/content/office-financial-aid-and-scholarships/student-loans>) page on the Office of Financial Aid and Scholarships website. Repayment of both types of Stafford Loans begins six months after graduation, separation, or enrollment of less than half-time. Student borrowers cannot exceed their designated annual loan limits and maximum total debt allowed by federal law (see the Office of Financial Aid and Scholarship’s website (<http://www.yсу.edu/content/office-financial-aid-and-scholarships>) for more information).
- **Federal Direct PLUS Loan:** This federally funded loan is for the parents of dependent, undergraduate students who are potentially eligible to borrow based on their credit-worthiness. Parents interested in this loan option should log into [www.studentloans.gov](http://www.studentloans.gov) (<https://studentloans.gov/myDirectLoan/index.action>) and complete the Parent PLUS Loan application for consideration. Repayment of the Federal PLUS Loan generally begins sixty days after the final loan disbursement of each academic year. Current interest rates on the Federal Parent PLUS loan can be found on the Federal Student Loan (<http://www.yсу.edu/content/office-financial-aid-and-scholarships/student-loans>) page of the Office of Financial Aid and Scholarships website.

- **Federal Direct PLUS Loans for Graduate and Professional Students:**

This federally funded loan is available to students who are enrolled in a graduate or professional program (a program that leads to a master's or doctoral degree) and who have reached their annual Stafford Loan limit. Additional requirements include minimum half-time enrollment and good credit history as a credit check is required for approval. Repayment will begin within sixty days of the loan reaching full disbursement. Current interest rates on the Federal Direct PLUS Loan for Graduate and Professional Students can be found on the Federal Student Loan (<http://www.ysu.edu/content/office-financial-aid-and-scholarships/student-loans>) page of the Office of Financial Aid and Scholarships website.

- **Federal Perkins Loan:** This federally funded loan has an interest rate of 5% which is subsidized by the federal government while the student is enrolled at least half-time in school. Students must meet the Perkins Loan eligibility criteria, have exceptional financial need, and be enrolled in an eligible program. Repayment of the Perkins Loan begins nine months after graduation, separation, or enrollment of less than half-time status. Awards are subject to availability of funds and issued on a first-come, first-serve basis.

#### Part-time Students

Aid is available for part-time students, though the amount of part-time aid and the types of aid available vary. Be sure to file the FAFSA by December 1 for new students and February 15 for continuing students for maximum consideration. It is also recommended to check directly with the Office of Financial Aid and Scholarships to discuss how part-time attendance can ultimately affect a student's overall financial aid eligibility.

## Federal Verification

Students selected for verification are required to submit certain documentation to the Office of Financial Aid and Scholarships. Students should submit this requested documentation as soon as possible so that the processing of financial aid is not delayed. Even if the student initially applies on time, any delay in processing due to verification could result in that student not receiving financial aid that they may have otherwise been eligible to obtain. Processing typically takes up to 3 weeks, but can take longer during peak processing periods.

Keep copies of all tax forms, tax return transcript(s), and W-2 forms each year, as well as any documents or forms submitted to the Office of Financial Aid and Scholarships.

#### Submitting Tax Information

There are two ways to provide your tax information for the verification process:

1. Use the IRS Data Retrieval Tool provided on the FAFSA (recommended)
2. Provide a copy of your IRS Tax Return Transcript

Tax return transcripts can be ordered by calling 1-800-908-9946, or online (<https://www.irs.gov/individuals/get-transcript.html>).

#### Special Circumstances

If a student and/or their family have unusual circumstances that have occurred during the academic year, such as excessive medical expenses or a loss in income, contact the Office of Financial Aid and Scholarships to discuss the situation with a counselor.

## Satisfactory Academic Progress (SAP) Policy

Federal regulations require that Youngstown State University review the academic progress of students annually, whether they are a previous aid recipient or not. The purpose of this review process is to measure whether a student is making satisfactory progress towards his or her educational goals. The following federal programs are affected when a student is not in compliance with the Satisfactory Academic Progress Policy:

#### Federal Pell Grant

#### Federal Supplemental Educational Opportunity Grant (FSEOG)

#### Federal Work-Study Program

#### Federal Perkins Loan

#### Federal Stafford Loans (subsidized and unsubsidized)

#### Parent PLUS Loans for Undergraduate Students

#### PLUS Loans for Graduate Students

State grant programs such as the Ohio College Opportunity Grant (OCOG) and the Pennsylvania Higher Education Assistance Award (PHEAA) are not governed by the federal Standards of Academic Progress, but rather, by the respective state.

YSU's Satisfactory Academic Progress requirements for undergraduate and graduate students include the following three components:

#### 1. Grade Point Average (GPA)

All students at YSU are required to maintain a minimum cumulative grade point average. To be considered in good academic standing, a student must have a 2.0 GPA. Graduate students are required to maintain a 3.00 GPA. The following grades are included in the GPA calculation: A, B, C, D, and F. The GPA calculation excludes the following grades: CR-Credit, NC-No Credit, AU-Audit, I-Incomplete, and W-Withdrawal. For Incompletes (I), the credit hours apply to the term the student was enrolled, not the term the student was making up the Incomplete.

**\*Students academically suspended cannot receive federal aid during the period of suspension.**

#### 2. Max Time Frame

When a student's attempted hours reach 150% of the maximum hours needed to complete an associate (109 hours) or bachelor's (217 hours) degree, federal financial aid eligibility will be suspended unless the time frame is extended with an appeal accompanied by an Academic Advisor Evaluation. Graduate degrees must be completed by the length of time standards established and monitored by the College of Graduate Studies.

#### 3. Percentage Completion

1. **Freshmen** undergraduate students (0-29 credit hours earned) must complete a **minimum of 55%** of the total hours attempted each year;
2. **Sophomore** undergraduate students (30-59 hours earned) must complete a **minimum of 60%** of the total hours attempted each year;
3. **Junior** undergraduate students (60-89 hours earned) must complete a **minimum of 65%** of the total hours attempted each year;
4. **Senior** undergraduate students (90+ hours earned) must complete a **minimum of 70%** of the total hours attempted each year;
5. **Graduate** students (13+ grad hours attempted) must complete a **minimum of 50%** of the total hours attempted each year

Percentage completion will be calculated by dividing completed hours by attempted hours. For federal financial aid Satisfactory Academic Progress purposes, attempted hours exclude audited hours and withdrawals made by the last date to receive a 100% refund. The following grades negatively impact the percentage completion calculation: F-Failed, NC-No Credit, AU-Audit, I-Incomplete, and W-Withdrawal. For Incompletes (I), note that the credit hours apply to the term in which the student was enrolled in the course, not the term the student was making up the Incomplete.

#### Transfer Students

Transfer students will be eligible for federal aid through the spring semester of the academic year they begin at YSU. During the spring semester, these students will be evaluated under the Satisfactory Academic Progress Policy.

Transfer hours will be included in the number of hours earned and attempted, but only YSU grades enter into the GPA calculation.

**Non-Degree Students (undergraduates, post-undergraduate, and graduate)**

A student must be enrolled in a degree program to receive federal financial aid.

**SAP Appeal Process**

If a student is non-compliant, he/she must **appeal** the denial of financial aid by submitting an appeal form that explains the circumstances. Supporting documentation may be required. Appeals will be evaluated by the Satisfactory Academic Progress Appeal Committee which will respond in writing with the decision within 30 days.

**The decision made by the Satisfactory Academic Progress Appeal Committee is final. The Satisfactory Academic Progress Committee may also cite and deny students who exhibit a pattern of federal student aid abuse. Federal regulations require students who successfully appeal to be placed on a semester-based Financial Aid Probation and Academic Progress Plan. The terms and conditions of the Academic Progress Plans must be met in full to continue to receive federal aid for future semesters by the conclusion of the probationary semester.**

Students who do not appeal, or who are denied by the Committee, will not be eligible for federal financial aid programs. Students will remain denied until their academic record is once again in compliance with the Satisfactory Academic Progress Policy. To attain compliance, students must attend school without federal financial assistance while clearing their Satisfactory Academic Progress. When reinstatement is granted, a student may be considered for those financial aid funds available at the time.

This policy is effective beginning with the 2011-2012 aid year.

## Financial Aid Refund Policy

The refunding of financial aid funds to the appropriate funding source corresponds to federal regulations, the Return to Title IV fund requirements, and YSU's refund policy regarding student fees upon withdrawal from class(es). For additional information, please see the section titled "Reduction/Refund of Fees and Charges Upon Withdrawal" within the Tuition, Fees, and Charges section of the catalog.

## Commonly Used Financial Terms

**Cost of Attendance (COA):** The total cost of attending school for one academic year, including direct costs (tuition, fees, room, and board) and indirect costs (books, supplies, transportation, and additional miscellaneous expenses).

**Expected Family Contribution (EFC):** The amount that a student and their family will be expected to contribute toward educational expenses, as determined by the federal government, based on the information supplied on the FAFSA. For more information regarding the formula used to determine the EFC, go to the "How Aid is Calculated" section of the Federal Student Aid website (<https://studentaid.ed.gov/sa/fafsa/next-steps/how-calculated>). Information on EFC calculations can also be obtained by calling 1-800-4-FED-AID.

**FAFSA (Free Application for Federal Student Aid):** A common form found online at [fafsa.gov](https://fafsa.gov) (<https://fafsa.gov>) that a student (and parents when applicable) complete in order for the federal processor to determine the student/family EFC. The EFC is then used by YSU to determine a student's overall financial need. FAFSA must be completed each year in order for a student to be considered for loans, grants, and certain scholarships.

**Financial Aid:** All forms of financial assistance which include gift aid (scholarships and grants), as well as self-help aid (work programs and loans).

**Financial Need:** The difference between the Cost of Attendance and the Expected Family Contribution.

**Gift Aid:** Aid, usually in the form of scholarships and grants, that does not have to be paid back.

**Grant:** Gift aid awarded to a student on the basis of financial need, and in some cases, academic performance and character. Grants do not have to be paid back.

**Scholarship:** Gift aid awarded on the basis of academic performance, talent, other unique criteria as established by the donor/organization, and/or financial need.

**Subsidized:** A subsidized loan is a need-based loan in which the government pays the interest while the student is enrolled at least half-time in school.

**Verification/Documentation:** The process by which YSU confirms the accuracy of the information supplied on FAFSAs each year as required by federal regulation. If a student is selected for verification/documentation, they (and their parents when applicable) will be asked to supply the Office of Financial Aid and Scholarships with additional information and copies of documents such as W-2's and federal tax return transcripts.

**Unsubsidized:** An unsubsidized loan is not based on financial need. The borrower is responsible for all interest that accrues.

## Office Information And Hours

**Mailing Address:**

Youngstown State University  
Office of Financial Aid and Scholarships  
One University Plaza  
Youngstown, OH 44555-3505

**Telephone:** (330) 941-3505

**Appointment Line:** (330) 941-3506

**Fax:** (330) 941-1659

**Email:** [ysufinaid@ysu.edu](mailto:ysufinaid@ysu.edu)

**Web address:** [www.ysu.edu/finaid](http://www.ysu.edu/finaid) (<http://www.ysu.edu/content/office-financial-aid-and-scholarships>)

**Office Hours:** Monday-Friday; 8:00am-5:00pm

**Walk-in Hours:** Monday-Friday; 10:00am-12:00pm and 2:00pm-4:00pm

## Academic Policies and Procedures Placement Tests

New students may be required to take placement tests to determine their readiness for college-level work. If placement testing shows that students are not prepared for college-level work, they will be placed into one or more developmental courses in English Composition, Reading and Study Skills, and/or Mathematics. The Composition Placement Test, the ACCUPLACER® Reading Test, and the ALEKS® Math Test are required of all students unless there is an automatic placement or exemption due to ACT/SAT scores. Students who have AP credit or transfer coursework may not need placement testing. Students will be informed about what testing is needed when they are accepted for admission to the University.

Students who are required to take one or more placement tests must do so before advisement and registration.

## Composition Placement Test and ACCUPLACER Reading Test

The Composition Placement Test and the ACCUPLACER® Reading Test are required of a student who has not been placed through ACT/SAT scores, or is not required to take the ACT/SAT test. No student is permitted to register for classes without having taken the tests, except those students placed into English classes for non-native speakers and those with approved transfer credit.

Students placing into the following developmental courses must complete the specified coursework within their first 36 semester hours. Otherwise, the student will be limited to enrolling only for those developmental classes until they are completed successfully.

COURSE	TITLE	S.H.
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3
ENGL 1539	Fundamentals of College Writing	4
ENGL 1540	Introduction to College Writing	3

Conditionally admitted students placing into RSS 1510B Basic College Success Skills must take that course in their first semester. Conditionally admitted students placing into the following courses must take these courses within their first 20 semester hours.

COURSE	TITLE	S.H.
RSS 1510A	Advanced College Success Skills	3
ENGL 1539	Fundamentals of College Writing	4
OR		
ENGL 1540	Introduction to College Writing	3

Students directed to enroll in the following courses must do so. The student may not withdraw from these courses unless he or she is making a complete withdrawal from the University.

OR		
RSS 1510B	Basic College Success Skills	3

None of the above-named mandatory developmental courses may be taken more than twice without the approval of the college dean. Should a student not successfully complete any of these courses within two attempts, or if he or she withdraws from them twice, the student will be unenrolled from the University.

*Please note that credit hours from the following courses will not count toward a degree.*

COURSE	TITLE	S.H.
ENGL 1509	Academic English for Non-native Speakers	3
ENGL 1512	English Conversation for Non-native Speakers	1
ENGL 1539	Fundamentals of College Writing	4
ENGL 1540	Introduction to College Writing	3
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3

## English Composition Requirement

A student must complete the regular English composition requirement for graduation within the first 60 hours of coursework. A student who does not complete the English requirement within the first 60 hours of coursework will

be prohibited from registering for any additional upper-division courses until the English requirement has been met. Transfer students having completed 60 hours or more are exempt from this policy for their first 12 hours of enrollment at Youngstown State University.

For more information about Placement Tests, please visit the Testing Center (<http://cms.yzu.edu/administrative-offices/testing-center/testing-center>) website.

## ALEKS Math Test

Students who have not been placed through ACT/SAT scores or are not required to take the ACT/SAT test must take the ALEKS® Math Test unless they have approved AP math credit or sufficient transfer coursework. Students will be placed into appropriate mathematics courses based on their ACT/SAT scores or the ALEKS® Math Test.

*Please note that credit hours from the following developmental courses will not count toward a degree.*

COURSE	TITLE	S.H.
MATH 1501	Elementary Algebraic Models	5
MATH 1505	Intermediate Algebra with Applications	5
MATH 1507	Intermediate Algebra	3

For more information regarding math coursework, visit the Department of Mathematics and Statistics (<http://www.yzu.edu/academics/science-technology-engineering-mathematics/mathematics-major>) website. For a sample math placement test, visit ACT.

## Foreign Language Placement Test

Students in AB degree programs must satisfy a foreign language requirement for the degrees. Students in the BA and BM degree programs in the College of Creative Arts and Communication should consult with advisors in that college.

Students may enroll in any 1550 elementary foreign language course without taking the FLPT.

Students who wish to begin their college-level foreign language study with 2600 Intermediate or above to satisfy the requirement MUST take the foreign language placement test (FLPT).

Students with AP credit in a foreign language have completed the requirement. Students with transfer credit for college foreign language courses may enroll in the next course in the sequence.

Visit the Foreign Language Requirement (p. 280) page for more information.

## Academic Advisement

### Academic Advising Mission

Academic advising at YSU is an integrated teaching and learning process built upon an ongoing interactive partnership between students and their advisors.

Academic advising supports students in developing a balanced scholastic plan that will provide them with a solid foundation for academic success and empower them to take responsibility for achieving their life-long educational and career goals.

(Adopted February 2010)

### Who Requires Academic Advising?

Advisement is required for the following students:

- Freshmen (fewer than 30 hours)
- Students not in good standing (warning, probation)
- First semester transfer students

- Returning former students
- Athletes
- Post-secondary enrollment (College Credit Plus)

## Reasons to See an Advisor

Academic advisors strive to support students as they navigate their way through college so they can reach their academic goals. Here are a few reasons why you might want to make an appointment to see an academic advisor:

- Need help understanding requirements to finish your degree
- Need an explanation of YSU academic policies and/or regulations
- Have questions about majors and/or minors
- Need assistance in the creation of an academic plan toward graduation
- Have academic difficulties and want to know where to find help
- Want to prepare for the application process to restricted majors such as nursing, dental hygiene, respiratory care, and social work
- Feel confused, overwhelmed, or generally unsure about what you should be doing
- Want to keep on the path to graduation

## What You Will Learn from Meeting with Your Advisor

- You will gain an understanding of the requirements of your major
- You will learn about the University requirements to obtain a degree, including:
  - General Education requirements
  - Upper division requirements
  - Total hour requirements
  - Minor requirements
- You will be informed of relevant University policies and learn to navigate them, including:
  - Changing majors
  - Withdrawing from classes
  - Warning, probation, and suspension policies
  - Course repetition
  - Degree audit
  - Application for graduation audit
  - Graduation application
- You will learn about and be referred to relevant campus resources (as needed)
- You will learn to make short-term and long-range plans for your college career that will supplement your career and life goals
- You will understand how your curriculum and college experiences relate to your future career goals

## College Advising Offices

- Beeghly College of Education (BCOE), Room 2102 (Telephone: 330-941-3268)
- Bitonte College of Health and Human Services (BCHHS), Cushwa Hall, Room 2104 (Telephone: 330-941-1820)
- College of Creative Arts and Communication (CCAC), Bliss Hall, first floor (Telephone: 330-941-3625)
- College of Liberal Arts and Social Sciences (CLASS), DeBartolo Hall, Room 121 (Telephone: 330-941-3413)
- College of Science, Technology, Math, and Engineering (STEM), Moser Hall, Room 2325 (Telephone: 330-941-2512)

- Williamson College of Business Administration (WCBA), Student Services Center (Telephone: 330-941-2376)

## What to Expect from Your Academic Advisor

Your academic advisor will:

- Assist you in exploring areas of study on your way to choosing your major
- Encourage and support you in establishing your goals and tracking your progress toward those goals
- Provide a safe setting for you to share your thoughts, goals, and concerns
- Listen to your questions and concerns and provide resources and referrals as needed in order to facilitate your college experience
- Understand and explain YSU policies and procedures, general education requirements, academic programs, and student services
- Maintain confidentiality

## What Your Academic Advisor Expects from You

In order to have a successful advising experience, you must:

- Accept responsibility for your decisions and actions
- Research your areas of interest including YSU programs and degree requirements
- Plan ahead (schedule appointments early and have the courtesy to cancel or reschedule as necessary)
- Come prepared for your advising appointment with your questions and concerns
- Follow up on referrals and inform your academic advisor of the outcome of the referrals
- Use all available campus services as necessary (Math Lab, Writing Assistance Center, Counseling Services, Center for Student Progress, Career Services)

## Registration

All YSU class registration takes place online through the *MyYSU* Portal. Registration day and time are determined by the student classification. Registration dates and appointment times for current students are published on the *MyYSU* Portal.

Registration must be concluded no later than the date published for the particular term. All significant dates for each term are published in the catalog and on the YSU website.

## Advisement

The Office of the Registrar provides instructions for advisement and registration prior to registration.

All students are urged to consult with advisors in their major area. Each department or college has a procedure for either assigning an advisor to a student or having the student select an advisor. Advisement is required for the following students:

1. Freshmen (with fewer than 30 hours of credit)
2. Post-Secondary Enrollment Option/Early Admission Options Program students
3. Any student not in good standing
4. First-semester transfer students
5. All former students returning to the University
6. Athletes

The responsibility for fulfilling all requirements rests ultimately upon the student; the advisors provide assistance in that process.

Students may use the online *Schedule of Classes* to determine the specific classes offered in a particular term. For information about future offerings or when a particular course will be offered again, consult the appropriate department.

## Change of Registration

Registered students may change their registration by accessing the registration functions through the MyYSU Portal. (Also see Reduction/Refund (p. 20) of Fees (p. 20) section).

Students should consult their advisors prior to changing their schedules. In general, each student who needs an advisor's approval for registration must also have an advisor's approval for add/drop (change of registration). However, advisors' approval is not required for:

- withdrawing from a course(s)
- changing sections of a course
- changing physical activity courses

A registered student may add an additional course through the change-of-registration procedure until the last day to add a class as published in the academic calendar.

Withdrawal from a course must be accomplished through the change-of-registration procedure. If a student withdraws from one or more courses during the full-refund period (or the end of the first week of the summer term), no entry will be made on the student's permanent record for the course(s) dropped.

Administrative change(s) of registration may occur if a student is improperly enrolled in any course or has registered for more hours than permitted.

Students who wish to completely withdraw from the University should consult the appropriate section in this catalog.

## Cancellation of Registration

A student's registration may be cancelled for any of the following reasons:

1. Academic suspension for the previous term
2. Disciplinary action against the student
3. Insufficient class enrollment
4. Failure to meet admission or prerequisite requirements
5. Failure to satisfy past-due financial obligations to the University
6. Conditional Admission dismissal

For more information check the Office of the Registrar (<http://cms.yсу.edu/administrative-offices/registrar/registrar-home>) website.

## Credit Hours/Class Standing/Majors

The *class hour* is a weekly 50-minute class period and is the basic unit of instruction. The term "semester hour" (s.h.) signifies one class hour a week carried for one 15-week semester (or the equivalent in a summer term or flexibly scheduled class). A *semester hour of credit* is the amount of credit given for one semester hour successfully completed. Each *semester hour of credit* represents an average of *three hours of study and instruction* every week through the term.

## Maximum/Minimum Credit-Hour Value

Registration is not permitted for less than the approved credit hour value of any course as listed in the *Undergraduate Catalog*. Students may not register for more than the approved credit-hour value of a course.

## Variable Credit Hours

Certain courses have variable credit hours. A student wishing to register for such a course may do so only after consulting with the department offering the course to determine the number of hours for which to register. The last day to add a class is also the last day to change credit hours.

## Student Load

The semester hours of credit a student carries per term depend on the degree sought and on the curriculum being followed. A minimum of 120 semester hours must be satisfactorily completed to earn a baccalaureate degree; a minimum of 60 semester hours for an associate degree. Students expecting to complete a bachelor's degree in four years or an associate degree in two years should average 16 credits per term. Students interested in taking 21 credit hours or more per term must seek approval from the dean of their college.

## Full-time Status

A full-time undergraduate student is one carrying 12 or more hours for credit per term.

## Academic Classification

All students working for any undergraduate degree conferred by this University are ranked in classes, by semester hours completed, as follows:

Freshman	0-29 semester hours of credit
Sophomore	30-59 semester hours of credit
Junior	60-89 semester hours of credit
Senior	90 or more semester hours of credit

For purposes of satisfying course prerequisites, the term "senior standing" may be defined by reference to the specified curricula of a given school or college, if it provides detailed programs leading to the attainment of a degree. A student who has completed a four-year degree and who continues undergraduate enrollment is classified as post-baccalaureate.

## Majors

### Declaring or Changing a Major

A student may enter the University as an undetermined major.

A major and minor (if required) must be declared by the time the student has completed 63 semester hours.

In order to change or declare a major, the student must fill out a form from the department of the desired major. The form will be forwarded to the Office of Records.

Students who need help selecting a major should contact an academic advisor, the academic department, or the Office of Career Services for assistance with academic and career planning.

### Additional Majors and Degrees

A student interested in pursuing more than one major at a time should contact the departments offering majors to be assigned an advisor for each program. Multiple majors or degrees may be awarded concurrently.

### Multiple Majors/single Degree

A degree – e.g. Bachelor of Science, Bachelor of Arts – may be awarded only once. However, more than one major for the degree may be posted on the transcript when the appropriate department chairpersons certify completion of the requirements. The student should indicate in each of the appropriate colleges each major completed when filing for graduation. When the student completes more than one major in a given degree, one diploma is awarded. A minimum of 30 semester hours or 50% of the credits counted towards a major,

whichever is less, must be specific to that major and not shared by any other major.

### Multiple Majors/Multiple Degrees

If a student wishes to complete the requirements for multiple majors that are awarded under different degrees, the student must fulfill all requirements for each major and each degree. The appropriate chairpersons and deans must then certify completion of the requirements for each major and degree. The student must file intent to graduate and graduation application forms for each major and each degree in the appropriate colleges. A minimum of 30 semester hours or 50% of the credits counted towards a major, whichever is less, must be specific to that major and not shared by any other major.

Students may not earn the Bachelor of General Studies concurrently with another bachelor's degree. Students who hold a bachelor's degree are not eligible for a Bachelor of General Studies degree.

Any student who has received a degree from another institution and desires a second degree from YSU must complete a minimum academic residency of 20 semester hours for an associate degree and 30 semester hours for a baccalaureate degree, meet all requirements for the second degree, and complete the requirements for a new major. Students coming from another university or from YSU with an already-completed bachelor's degree will not have to complete any additional general education requirements at YSU but will have to satisfy the residency requirements described above.

## Credit from Professional Schools

Students at YSU wishing to enter professional schools with the option of completing their baccalaureate degree in absentia may do so with the completion of at least 94 semester hours of coursework, which must include the following:

- All general University requirements
- Completion of major
- Completion of minor (if required)
- 54 s.h. of upper-division coursework (3700-4800-Level)

The University will accept the completion of not more than 30 semester hours from any professional school granting any of the degrees listed below and approved by the accrediting agency of that profession, provided that the student has been accepted for further study at the professional school. The student may thus secure the baccalaureate degree after three to three-and-a-half years in the University followed by approximately a year in the professional school. The relevant professional degrees are:

- Doctor of Dental Surgery or equivalent
- Doctor of Medicine
- Doctor of Osteopathy
- Doctor of Podiatry
- Doctor of Veterinary Medicine
- Doctor of Jurisprudence or equivalent
- Doctor of Ministry or equivalent
- Bachelor of Divinity or equivalent

The policy above does not apply to students admitted in the BS/MD Integrated Program of Youngstown State University and the Northeast Ohio Medical University (NEOMED). However, credit of up to 13 s.h. may be granted toward the completion of the BS degree to those students who have participated in the 6th year *Human Values in Medicine* Programs of NEOMED.

## Undergraduate Preparation for Post-Baccalaureate Degrees

Medical schools have specific requirements for pre-medical study, and many law, theological, technological, and graduate schools have curriculum requirements for those seeking admission. Anyone wishing to enter a

professional, technological, or graduate school of any kind should consult advisors in the appropriate undergraduate college of this University as early as possible. Such special needs can usually be met within the degree requirements of Youngstown State University, but the proper selection of courses may have to begin in the first year.

## Course Load Requirements for Enrolled Nonimmigrant International Students

In accordance with federal regulations, F-1 students may not be employed on campus for more than 20 hours per week while school is in session. Furthermore, F-1 students are required to "pursue a full course of study," which for undergraduate students is defined as a minimum of 12 credit hours each semester (9 credits for graduate students). In order to avoid being de-registered from courses and thus violating nonimmigrant status, it is essential that international students pay their YSU tuition and other fees, including health insurance (see below), in full at the beginning of each semester.

During international student orientation, results of any required placement tests in math or English language are coordinated with testing and academic areas to assist students who may need to further improve proficiencies for academic success.

The Center for International Studies and Programs can provide advice on maintaining nonimmigrant status, authorization for a reduced course load, and obtaining additional employment authorization for unforeseen economic hardship or practical training. For more information, visit the Center for International Studies and Programs (<https://cms.ysu.edu/administrative-offices/center-international-studies-and-programs/cisp-home>) website.

## International Student Health Insurance

Enrollment in YSU's student health insurance plan is mandatory for all international students (F and J status) and for their nonimmigrant dependents. Coverage must be maintained for the entire calendar year.

An exception to this requirement is granted only to:

- students who have comprehensive group health insurance coverage through a parent or spouse's U.S. employer OR
- students whose sponsorship by the U.S. government, the student's home government, or a U.S.-recognized international organization includes comprehensive health insurance

To request a waiver from enrollment in the YSU international student insurance plan, students must, *by the end of the first week of classes each semester*:

- Submit a completed YSU International Student Health Insurance Waiver Request Form to the Center for International Studies and Programs **with proof of insurance** (including confirmation of coverage dates and a description of covered expenses and exclusions) through a qualifying relative's employer or qualified sponsor.

## Athletic Eligibility

The Athletic Eligibility Committee is responsible for the athletic eligibility certification for Youngstown State University with respect to academic "standards of progress" for current student athletes and incoming students in compliance with (NCAA) National Collegiate Athletic Association's regulations.

## Courses

### Prerequisites

No student may receive credit towards graduation for a course that is a prerequisite for a more advanced course which the student has already successfully completed, unless an exception to this policy is recommended by the appropriate chair and approved in writing by the student's academic dean.

## Repetition of Courses

A student may repeat a course once, unless otherwise stipulated in the course description or unless an additional repetition is authorized by the student's academic dean. If the course is a prerequisite to another course, the repetition must be successfully completed before the other course is taken. Both the original course and the repeated course must be taken at YSU. Transfer, study abroad, and/or transient courses are not eligible to be used as a repetition. If the student has received credit for a more advanced course in the same subject, a repetition is treated merely as another course, along with the first, in calculating the point average, unless the student secures an approved repetition form for recalculation of point average from the dean of the college in which the student is enrolled. (See Recalculation of Point Average.) A course repeated, however, may be counted only once as credit toward a student's total academic hours for graduation.

The Repetition form and the Petition for a Late Withdrawal cannot be used for the same course. In other words, a Petition for a Late Withdrawal cannot be processed for any course that was repeated and a recalculation of point average processed and posted on the student's academic record.

Credit towards graduation will not be given for a course on the semester system if the student has credit for the equivalent course on the quarter system.

## Closed Classes

Departments set limits to the number of students that can be accommodated in each section. During the registration period or the period for adding courses, many classes become filled. These classes are called "closed," which means that no more students will be admitted to them. Only the chair of the department offering the course can admit a student to a closed class or reopen a closed class.

## Audited Courses

A student may audit any course. The student pays the full tuition, as well as any other applicable fee, for the course(s) audited. Audited courses are carried in a student's load only for fee purposes. A student receiving financial aid should confer with the Office of Financial Aid and Scholarships before electing to audit a course.

A student may not change registration from audit to credit status or from credit to audit status after the last day to add a class.

## Conference Courses

Conference work is available only in exceptional cases and if the academic advisor considers conference work essential. You must obtain the required approval(s) and complete the registration on-line.

Conference courses have the following restrictions:

1. Permission is limited to seniors with a 3.00 average. Exceptions must be approved by the dean of the college in which the student is enrolled.
2. The course must be given by a full-time faculty member.
3. A brief description of the plan of procedure must be given by the full-time faculty member.
4. Must have approval from the department concerned and the dean of the school in which the course is offered.

## Graduate Courses for Undergraduates

An undergraduate student who has senior standing and an unrecalculated grade-point average of at least 2.7 may enroll in 5800 or higher level graduate courses, provided such enrollment does not cause the total schedule for the term to exceed 15 semester hours. Before registering for courses, the student must have the approval of the student's advisor in the program where the credit will be applied, the course instructor, and the dean of the College of Graduate Studies. The credit earned may be used for graduate credit at YSU

only after the student is admitted to the College of Graduate Studies and the credit is accepted by the department in which the student continues graduate work. (Such coursework cannot count toward fulfillment of the requirements for a bachelor's degree.) The maximum amount of such credit that will be accepted at Youngstown State University is nine hours.

## Transient Student Authorization

Current YSU students desiring to attend another institution as transient students must complete and submit the Transient Student Authorization form, available from the dean of the college in which they are enrolled. Instructions are on the form. To be certain the transient class is applicable to the degree, the TSA form must be completed prior to taking the course. If the form is completed after the course is taken, applicability cannot be guaranteed.

To receive credit for approved coursework, the student must have received a grade of "C" or better and must attend Youngstown State University the semester following the completion of the transient term. It is the student's responsibility to have an official transcript sent from the other institution to the YSU Office of Admissions.

## Complete Withdrawal From The University

### Procedure

The student who wishes to withdraw from all courses in a particular term must access the registration system on the MyYSU Portal or come to the Office of the Registrar. **Any student receiving Title IV financial aid should seek advisement from the Office of Financial Aid prior to processing a complete withdrawal.** A complete withdrawal may be executed before classes or after the term starts. The student should consult the MyYSU Portal for deadlines.

## Eligibility for Future Registrations

1. A new applicant who withdraws from all courses prior to the first day of the term will not receive notice for future registrations unless the person requests that the Office of Admissions defer the application to a future term.
2. A former YSU student who withdraws from all courses prior to the first day of the term will not receive notice for future registrations unless the person requests that the Office of Records defer the application to a future term.
3. A current undergraduate student withdrawing on or after the first day of the term will receive notice of future registrations for one academic year.

## Honorable Withdrawal

On occasion, a student voluntarily withdrawing from the University may need a letter stating the conditions of her or his withdrawal.

If a statement of honorable withdrawal is needed, the dean of the appropriate college or other appropriate offices (i.e., University Discipline Officer) will furnish one, provided the student is of good character, has a satisfactory record of conduct, has no financial obligations to the University, and is withdrawing voluntarily for acceptable reasons; and provided that the student, if withdrawing during a term, follows the official procedure for a change of registration.

## Grading System

Faculty assign grades on the basis of achievement in the subject matter of the course and in accordance with accepted professional standards for that subject. The grade earned by a student thus represents the quality of work and is not based merely on competition within the class.

- The grade of **A** represents exceptional work in which the student shows that he or she has firmly grasped and achieved the objectives of the course.
- The grade of **B** indicates very good work and considerable grasp of the essentials of the course.
- The grade of **C** indicates good work and a usable grasp of the essentials of the course.
- The grade of **D** indicates a definite, but not necessarily coherent, knowledge of the course.
- The grade of **F** indicates that the student has not achieved even a minimum grasp of the essentials of the course. This grade can also result from failure to withdraw officially from a course (see Change of Registration (p. 32) and Refund of Fees Upon Withdrawal) (p. 20).

An incomplete grade of **I** may be given to a student who has been doing satisfactory work in a course but, for reasons beyond the control of the student and deemed justifiable by the instructor, had not completed all requirements for a course when grades were submitted. A letter grade may not be changed to an **I** (Incomplete) after the term has ended and grades have been recorded. A written explanation of the reason for the **I** must be forwarded by the instructor to the Office of Records. This explanation will be included in the student's permanent record, with copies to the student and department chairperson. For fall term courses, the final date to complete an **I** will be March 1 of the following term; for the spring term courses, September 1; for all summer term courses, October 1. With approval by the instructor and the dean of the college in which the course is taught, the completion date may be extended. Courses not completed by the appropriate date will be converted to an **F**.

Students should not register for the same course the subsequent term. Rather, the student should work individually with the instructor to fulfill the course requirements. The instructor will initiate a grade change upon completion of the course requirements. If no formal grade change occurs within the allotted time frame, the **I** automatically converts to an **F**. Any **I** that is still pending by graduation will be converted to an **F**.

If a student receives an **I** as a result of being summoned to active military duty, the student will have one academic year from the date when he or she is released from active duty to complete the course requirements and have the change of grade recorded. It is the student's responsibility to inform the registrar or associate director of records regarding the Incomplete grade.

Department chairs are granted authority to convert grades of **I** into final grades in cases where instructors may have severed connections with the University or have been otherwise unable to convert the grades.

A progress grade, **PR**, is given in certain approved courses to indicate that work is still in progress on a project that occupies more than one semester. This grade is changed to a final letter grade at the end of the term in which the work is completed.

The **PR** grade may also be given at the end of a term in courses specifically identified as competency-based<sup>1</sup> to indicate that the student needs more time to demonstrate a mastery of the subject matter. In such instances, the **PR** grade will be converted to a letter grade by the instructor no later than the end of the subsequent term, excluding the summer. A **PR** grade not changed by this time is automatically converted to an **F** grade.

**W** represents a withdrawal properly processed at any time from the end of the full-refund period through the last day to withdraw with a **W** (as published in the Academic Calendar for each semester). For courses involving foreign travel, the last day to drop a course with a **W** shall be the date at which the student first leaves the campus to begin the travel. Withdrawal after the designated date (or an improper withdrawal) is recorded as **F**. Withdrawal thereafter (or improperly done, at any time) is recorded as **F**. Petitions for late withdrawal must be submitted within one year from the time a grade in the course was earned. If the grade resulted from circumstances over which the

student had no control, the student may petition the appropriate dean for a late withdrawal.

A Petition for Late Withdrawal and the Repetition Form cannot be used for the same course. In other words, Petition for a Late Withdrawal cannot be processed for any course that was repeated and a recalculation of point average processed and posted on the student's academic record.

When withdrawals change a student's status (full-time to part-time), the student immediately forfeits any privileges contingent upon full-time status, and all interested parties which legally require it will be notified.

The distribution of achievement levels, and therefore of grades, in a large unselected group of students generally follows the normal frequency curve, in which 5% to 10% are A's, 20% to 25% are B's, 40% C's, 20% to 25% D's, and 5% to 10% F's. However, since it is likely that substantial variation from the normal will occur in individual classes, the instructor does not use the 'curve' as a standard to be imposed, but only as a model against which the instructor may compare each particular class, using his or her own judgment on the basis of professional standards.

Instructors may use plus and minus modifications of the grades, but they are not recorded or used in calculating the point average.

<sup>1</sup> The definition of competency-based instruction is to be provided by the instructor responsible for the course. Competency-based courses are so designated in the *Schedule of Classes*.

## The Point Average and Scholastic Standing

The student's scholastic standing is indicated by the quality point average (also called "grade point average," "grade average," or "point average").

For determining this average, every grade has a quality point value for each semester hour it represents, as follows:

- **A**, four quality points
- **B**, three points
- **C**, two points
- **D**, one point
- **F**, zero points

For example, an **A** in a three-hour course is worth 12 quality points; a **D** in a four-hour course, four points; and an **F** in any course, zero points. To find the point average, the total number of quality points earned is divided by the total GPA hours. Thus, a student who earns 16 hours and 40 quality points has a point index of 2.50. Only grades of A, B, C, D, and F are included in the calculation of the point average.

## Grading Options

### Traditional Grade (A,B,C)/No Credit

To receive credit for courses offered on a traditional grade/no credit basis, a student must earn a grade of **C** or better. If the student fails to do so, an **NC** is entered on his or her transcript.

An **NC** does not fulfill the requirements for satisfactory completion of the course; it does not affect the grade point average.

### Audit (AU)

The **AU** grade indicates a student has registered for a course on an audit basis and has met the audit attendance requirement established by the instructor. Failure to meet the attendance requirement results in a grade of **AU (W)**.

Students must indicate their election of the audit grading option at the time of registration or within the time limits established for adding a class. The audit

option will not be changed to the standard grading option beyond the last day to add a class.

## Credit/No-Credit (CR/NC)

Credit/no-credit grades are given in some specific courses as approved by the Academic Senate. Such courses are identified in the course descriptions.

## Credit/No-Credit (CR/NC) (Student Option)

To encourage students to experiment with courses outside their major field of concentration, a credit/no-credit policy exists within the following guidelines.

- Youngstown State University students who have completed at least 15 semester hours of credit and have a grade point average of 2.00 or better, or transfer students admitted unconditionally who have at least 30 semester hours of transfer credit, may elect to take a course for credit/no-credit.
- The grade recorded for the student is not a letter grade, but either **CR** (credit) or **NC** (no-credit). If a student who has opted for CR/NC earns an A, B, or C in the class, the grade officially assigned is CR; otherwise it is NC. In either case, the grade point average is not affected.
- This option may be elected for a maximum of twelve (12) semester hours for the baccalaureate degree or six (6) semester hours for the associate degree. Courses offered only under the **CR/NC** option (by department designation) *do not* count as a student-elected credit/no credit class. Students are restricted to taking one CR/NC course per fall and spring semester and one CR/NC course per non-overlapping summer term.
- **Courses taken under the CR/NC option may not be counted toward a student's major or minor.** Students should confer with their advisors prior to electing the CR/NC option.
- Students must indicate their election of the CR/NC option at the time of registration or within the time limits established for adding classes. **The CR/NC option will not be changed to the standard grading option beyond the last day to add a class.**

## Changing of Grading Options

You may change your grading option only through the last day to add a class.

## Excluding Older Grades (Statute of Limitations)

An undergraduate student *currently enrolled* may petition the dean of his or her college to exclude from the calculation of the grade point average grades earned five or more calendar years before. If the petition is approved, all grades (not merely grades of D and F) earned during the specified quarter or semester and all previous grades (not merely grades of D and F) will then be removed from the calculation. However, all grades remain on the permanent record.

Excluded course credit will not count toward the total hours required for graduation. However, courses passed may fulfill basic curriculum requirements and may satisfy prerequisites for higher courses where applicable. Courses excluded from the calculation may be taken again and repeated once without infringing upon repeat privileges specified in catalog course descriptions. Courses excluded are not subject to credit by examination. *A student whose petition has been approved is ineligible for graduation honors.* Only one petition from each student may be approved. Students **may not** petition to exclude older grades after a degree has been conferred.

## Grade Reports

Final grades are available through the MyYSU Portal.

## Grade Changes

A request for a grade change must be made to the course instructor. Applications for grade changes must be signed by the instructor, department chair, and dean. All grade changes must be submitted by the dean or the instructor to the Office of Records; they will not be accepted from the student.

**After a degree has been conferred, in no case may a grade change be made for a course or courses taken while pursuing that degree.**

A student's academic record contains a complete history of his or her academic performance while earning a degree. Therefore, the academic record of a student who graduates may not be revised using a *Grade Change Form*, *Repetition Form*, *Petition for a Late Withdrawal*, or *Statute of Limitations*.

In the case of a student who has completed an associate degree, the above policy may, on occasion, be waived, but only if the student is currently pursuing a baccalaureate degree. However, changes cannot be made in a student's record which would affect the status of the awarded associate degree. Waivers must be approved by the appropriate dean.

## Credit by Examination-Departmental

A currently enrolled student who can demonstrate ability and knowledge in a particular subject area may establish credit in certain courses without enrolling in them, by taking a special examination (through the appropriate department). An examination fee is assessed for each examination. The only grade possible is "CRX", and there is no effect on the student's grade point average. For the examination fee, see "Fees and Expenses". Information on courses for which credit by examination is possible may be obtained from the student's academic dean or the Office of Testing (<http://cms.yosu.edu/administrative-offices/testing-center/testing-center>). Registration for departmental tests is done through the specific department.

## Recalculation of Point Average

A current undergraduate student may wish to improve his or her cumulative point average by repeating a course in which a grade of 'D' or 'F' was earned. In order to recalculate the cumulative point average, the repetition must be consistent with the policy on repetition of courses, and the student must initiate the recalculation process with the approval of his or her advisor (or the dean, if it is a second repetition). A recalculation will be made for only the immediately preceding grade for the course, regardless of the number of repeats, and may be made only once for any course. Although courses are not deleted from the permanent record, the record is adjusted to reflect the inclusion of only the last grade in the computation of the point average. The hours credited toward degree hours completed are those earned with the last grade.

Only undergraduate students currently attending the University may request this recalculation privilege, and only courses taken at Youngstown State University may be used in recalculating the cumulative point average. **A post-baccalaureate student is not eligible to petition for a recalculation unless both the course and the repetition are completed subsequent to the conferring of the degree.** A student holding the associate degree may petition after receiving the associate degree only if currently pursuing a baccalaureate degree. **All YSU grades, including those deducted from accumulative totals as a result of an approved Repetition Form, will be counted in determining honors for graduation.**

## Proficiency in English and Grading

The student's ability to express himself or herself in English is the concern not of the Department of English alone, but of every member of the University faculty. Inadequate competence in English is to be regarded as a reason for lowering a student's grade in any course in the University.

## Absence from Classes and Examinations

The problem of excessive class absence concerns instructor and student, and consequently requires their mutual effort. All students must realize that for their own welfare they are expected to attend all class meetings of courses in which they are enrolled.

The instructor, however, has the prerogative of determining the relationship between class attendance, achievement, and course grades, and the

responsibility for communicating the relationship to the students at the beginning of each term.

A student must have the instructor's consent in order to take any examination at a time other than that scheduled.

The faculty believes that classroom activities are essential to learning. The student is responsible for knowing and meeting all course requirements, including tests, assignments, and class participation, as indicated by the course instructor.

The responsibility for work missed during absence rests with the student. The instructor has no obligation to give make-up graded coursework or to review other class work missed by a student as a result of absence except under those specific conditions cited below:

- Participation in University-sponsored activities. University-sponsored activities are those that are scheduled by academic, student affairs, and athletic units. They include, but are not limited to: intercollegiate athletic competitions activities approved by academic units, including artistic performances; R.O.T.C. functions; academic field trips; professional conferences; and special events connected with coursework.
- Government-required activities, such as military assignments, jury duty, or court appearances.
- Religious observances that prevent the student from attending class.
- Death of an immediate family member, including father, mother, sister, brother, spouse, children, step-children, step-parent, parent-in-laws, sons-in-law, daughters-in-law, brothers-in-law, sisters-in-law, grandparents, foster parents, foster children, legal guardians, any person who stands in the place of a parent (*loco parentis*), or a domestic partner.
- Documented personal illness.

## Procedure

The following guidelines describe procedures for students, sponsors of appropriate activities, and instructors.

Students shall:

- Provide all scheduled activity dates to their instructors at the start of the semester. For unforeseen absences, notify the instructor as early as possible in the semester of the upcoming activity.
- In the case of a University-sponsored event, provide the sponsor of the activity with a list of classes that conflict with the proposed activity.
- In the event the absence was due to illness or injury, verification from a health center or medical professional should be presented to the instructor. If the illness was not severe enough to warrant a medical visit, instructors should use their best judgment in determining if it should be excused.
- Be responsible for all material covered in class during their absence. Students are responsible for completing any work resulting from their absence. In no case is an excuse from class to be interpreted as a release from class responsibility.
- Out of courtesy, remind the instructor of the absence approximately one week prior to the absence.

Sponsors of University-sponsored activities shall:

- Provide each participating student with a signed letter for each of the student's affected classes, to be given to their instructors, including time, date, and location of the event. This letter should be provided at the beginning of the semester, or as early as possible in the semester.
- Address any concerns a faculty member might have related to the scheduled activity.

Instructors shall:

- Inform the student about graded coursework that will be or was missed.
- Determine an alternative due date for graded coursework missed.

## Grade Requirements

Four categories of academic standing are established: Good Standing, Warning, Probation, and Suspension. These categories are intended to signify a student's progress toward graduation or to provide an opportunity for making improvements and achieving academic success.

"Warning" and "Probation" indicate that grade standards consistent with graduation requirements are not being met. An advisor's approval of course load is required prior to continuing studies at the University.

"Suspension" means that a student is separated from the University for a period of time.

Academic standing is based upon the total earned hours (TEH) completed, including accepted transfer hours. YSU requires all students to have a cumulative GPA of 2.00 to be in good standing.

A student whose point average falls below the specified average for the number of credit hours achieved will be given a warning.

Students on academic warning are required to establish an action plan for academic success and have a letter of support from a supervisor as per the existing student employment policy.

A student who has been on warning and who fails to bring the average up to the minimum by the end of the following term will be placed on probation for the next term. A probationary student who has failed to bring the average up to the minimum by the end of the probationary term will be suspended; however, a student who makes substantial improvement during a probationary term and averages at least 2.00 for that term will be continued on probation even though the student's cumulative average does not reach the desirable minimum.

A student on warning is permitted to participate in University activities.

A second suspension will have a duration of at least one full year before reinstatement on probation. Students should not expect to be reinstated after two suspensions unless the dean agrees that extraordinary conditions or circumstances have occurred. Additional suspensions will have durations of at least two years.

**Reinstatement** after any suspension is determined by the dean (or designee) of the college from which the student was suspended, or, if the student wishes to change colleges, by the dean of the new college. Exceptions to the suspension policy may be granted by the dean.

Transfer students admitted in **good standing** or on **probation** must meet those point-average requirements indicated for their total hours, including transfer hours accepted by Youngstown State University.

## Transcripts

The official transcript is a record of all coursework taken at Youngstown State University.

Current and former students, as well as alumni, can request an official transcript for academic work completed at Youngstown State University. Please be aware that only the student may request an official transcript. An official transcript will only verify YSU courses completed. Transcripts may be ordered online at the YSU website (<http://cms.ysu.edu/administrative-offices/registrar/transcript-request>) or in person.

Students are advised that most graduate and professional schools and many employers accept transcripts only if sent directly by the University. Photo identification is required when ordering the transcript in person. Transcripts

will be released only for those students who do not currently have a financial obligation to the University.

Disciplinary action is not shown on a student's academic record.

## Academic Honors

### The Dean's List

The Dean's List (for each term except summer) includes those full-time undergraduate students who have earned at least a 3.4 average for not less than 12 semester hours of credit in the semester just ended.

Included in the listing for the spring term are those part-time students who have earned at least a 3.4 average for the fall and spring terms, and who have accumulated a minimum of 12 hours of credit.

### The President's List

The President's List (for each term except summer) includes full-time undergraduate students who have earned a 4.0 average for not less than 12 semester hours of credit in the semester just ended.

Spring term President's List recipients follow the same rules as Dean's List recipients.

### Class Honors

To be eligible for undergraduate class honors:

- a freshman must have completed at least 12 semester hours at YSU
- a sophomore must have completed at least 24 semester hours at YSU
- a junior must have completed at least 36 semester hours at YSU
- a senior must have completed at least 48 semester hours at YSU

Honors are based on the accumulative point average at YSU only; no transfer work is included. Both full-time and part-time students are eligible, provided they:

1. have a minimum cumulative point average of 3.00;
2. have earned at least 12 credits in traditionally graded courses taken during the three semesters (including summer) preceding the term in which honors are awarded; and
3. are enrolled during the current term.

Non-matriculated, post-secondary enrollment option students, transient students, post-graduate transfer students, and YSU students who have received a baccalaureate degree prior to spring semester in the academic year in which the honors convocation is held are not eligible. A student can receive class honors only once as a member of a particular class (freshman, sophomore, etc.). The number of honor recipients approximates the top one percent of the total fall enrollment of every class in each undergraduate unit of the University, but it may slightly exceed this figure because of ties.

### Honors Convocation

The Honors Convocation recognizes those students who have distinguished themselves academically. Some of the awards listed under Awards and Prizes (see Student Activities section) are announced and presented on this occasion.

### Graduation Honors

Students graduating with a baccalaureate degree who rank high scholastically are awarded special honors at the commencement exercise, as follows:

- Those who attain a quality point average of 3.8 or higher are granted their degrees *summa cum laude*.

- Those who attain a quality point average of less than 3.8 but not less than 3.6 are granted their degrees *magna cum laude*.
- Those who attain a quality point average of less than 3.6 but not less than 3.4 are granted their degrees *cum laude*.

Students graduating with any associate degree who rank high scholastically are awarded special honors at the commencement exercise, as follows:

- Those who attain a quality point average of 3.7 or higher are granted their degrees With High Honors.
- Those who attain a quality point average of less than 3.7 but not less than 3.4 are granted their degrees With Honors.
- A student who has processed an approved *Statute of Limitations* is ineligible for graduation honors. *All YSU grades* (including those deducted from accumulative totals as a result of an approved Repetition Form) *will be counted in determining honors for graduation*.
- Transfer students who are baccalaureate degree candidates must have at least 60 semester hours of credit at Youngstown State University, or those who are associate degree candidates must have at least 40 semester hours of credit at Youngstown State University to be eligible for graduation honors. In addition, no transfer credit is included in the calculation of the point average.

## Academic Misconduct

### Academic Dishonesty

#### What is Academic Honesty?

Academic honesty is essential to the educational process and serves to protect the integrity of the University community. Therefore, all members of the University community have a responsibility of maintaining high standards of honesty and ethical practice. Students should consult with a faculty member if they are not sure what may constitute academic dishonesty. Students suspected of academic dishonesty may be charged with a violation of University conduct regulations under Article III. 1. of the *Student Code of Conduct*.

Although instructors are responsible for taking all reasonable precautions to prevent cheating and plagiarizing, students share a joint responsibility and should report any act of academic dishonesty to the instructor.

After the faculty member has gathered evidence of a possible violation, the faculty member will notify the student within 48 hours in writing, via university email, of the allegations and invite the student to participate in an academic integrity conference. The faculty member and student may hold the conference without written notification. This academic integrity conference shall occur within five university working days of the written notification to the student.

If a faculty member concludes the student was responsible, the faculty member may impose a sanction which may include, but is not limited to, one of the following:

- warn the student
- lower the grade on the exam, paper, or assignment related to the incident
- lower the student's final grade for the course
- request additional action from the Student Academic Grievance Subcommittee, such as removal from a course, University suspension, or expulsion

A complete description of the process is detailed in the *Student Code of Conduct* (Article V. Academic Dishonesty). However, it should be noted that a student can:

- agree to the charge of academic dishonesty and sign the Academic Integrity Form, acknowledging the incident and accepting the sanction

- agree to the charge of academic dishonesty but disagree with the sanction and request further review, thereby initiating further review by the Student Academic Grievance Subcommittee
- disagree with the charge of academic dishonesty and refuse to sign the Academic Integrity Form, thereby initiating further review by the Student Academic Grievance Subcommittee

Regardless of whether the Academic Integrity Form is signed, in situations where suspension or expulsion from the University is recommended by the faculty member, the case will immediately be sent to the Student Conduct Office and forwarded to the Judicial Chair of the Student Academic Grievance Subcommittee to initiate a panel hearing. A representative from the Student Conduct Office must be present at all University suspension and expulsion hearings to serve in an advisory capacity.

In instances in which the student already has one prior academic dishonesty offense, any additional offenses will constitute a violation of the *Student Code of Conduct* and will require the student to undergo a Student Code of Conduct Hearing through the Office of Student Conduct.

The *Student Code of Conduct* (<https://cms.ysu.edu/administrative-offices/student-conduct/student-code-conduct>) is available online. A printed copy can be obtained in the Office of Student Conduct.

## Academic Grievances

### Academic Grievances

The Student Academic Grievance Procedure provides students with a formal channel through which complaints concerning academic matters may be heard. A student must attempt to resolve the complaint by first discussing the issue with the faculty member. If the complaint is not resolved at that level, the student should direct his or her complaint to the department chair and, if the complaint is still not resolved, then to the dean of the college.

Complaints not resolved following a discussion with the dean will be considered by an associate provost or designee, who will serve as Judicial Chair. Upon his or her review, the Judicial Chair determines whether the complaint is grievable. If the complaint is grievable, it is presented to the Student Academic Grievance Subcommittee. Per the YSU-OEA Agreement, Article 20, academic matters that may be grieved are the following:

- Material deviation from the grading scale or weight distribution indicated on the course syllabus by the faculty member, to the detriment of the individual student or the entire class.
- Material deviation of faculty contractual obligations as specified in the article on Teaching Rights and Responsibilities in the Faculty Collective Bargaining Agreement, to the detriment of the individual student or the entire class.

Other areas of contention between a student and a faculty member may not be grieved under this section. The student should contact the department chair of the faculty member's department or the dean of the college housing the faculty member's department for further advisement in these situations.

Students wishing to file a grievance should contact the administrative assistant in the Office of the Provost for an appropriate referral. Further information may be found in the Academic Grievance Guide, which is available online at the Student Success (<http://cms.ysu.edu/administrative-offices/student-success/division-student-success>) homepage. A paper copy may be obtained in the Division of Student Success.

An electronic copy of the Student Academic Grievance Form (<https://www.dropbox.com/s/bbg1w32fdqui29g/Academic%20Grievance%20Form.pdf?dl=0>) is available. An electronic copy of the Student Academic Grievance Procedure (<https://www.dropbox.com/s/5zeuyqxckgy281w/Grievance%20Panel%20Procedure%20072917.pdf?dl=0>) is also available.

## Student Complaints

Youngstown State University is committed to the continuous improvement of the services it provides to its students. Students who have complaints regarding the fairness or quality of service they have received from the university are encouraged to share their concerns pursuant to this policy so that the university may address these concerns in a timely and professional manner.

This policy applies to all university divisions, colleges, departments, and units. This policy does not apply to student complaints regarding academic (grading) grievances, disability accommodations, harassment or discrimination, university admission decisions, or complaints or disciplinary action pursuant to the *YSU Student Code of Conduct*.

A student complaint is defined as a written and/or clearly documented verbal statement alleging improper, unfair, or arbitrary action relating to the university's delivery of academic, administrative, and support services. A student complaint must be based upon a claimed violation of university policy, regulation, or established practice.

There are two kinds of student complaints:

- **Academically Related Complaints:** A student complaint related to the services and responsibilities provided by the departments within academic affairs, including but not limited to academic colleges, academic departments, student success, distance education, library, mathematics assistance center, reading and study skills, and writing center.
- **Non-Academically Related Complaints:** A student complaint related to the services and responsibilities provided by the departments and divisions of budget and finance, enrollment management and planning, equal opportunity and diversity, facilities, human resources, multicultural affairs, and student experience.

## Informal Resolution

Students are encouraged, but are not required, to resolve complaints on an informal basis. In seeking informal resolution, a student should speak directly with the staff, faculty, or administrator with whom the student has an issue. This process allows the YSU official to have an opportunity to hear the student's concerns and work with the student to resolve the issue in a mutually constructive manner. If the student's concern is not resolved to the student's satisfaction, the student may utilize the formal complaint process.

## Formal Resolution

A student complaint page and submission form is available on the university website for students to submit their complaints in writing to the university. The university will respond to the student within ten business days of the alleged issue.

For more information, consult YSU's Student Complaint Process Policy.

## Student Records

### Student Name Changes

Students who need to have their official name changed can complete the Student Change of Information form (<http://cms.ysu.edu/administrative-offices/student-one-stop/frequently-requested-forms>). Legal documentation (marriage license, passport, divorce document, court order, naturalization papers) must accompany the form. This documentation may also be presented to the Office of the Registrar.

## Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. *The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.*

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) he/she wishes to inspect. The University official will make arrangements for access and notify the student of the time when and the place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, such official shall advise the student of the correct official to whom the request should be addressed.

2. *The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights.*

A student should write the University official responsible for the record in question, clearly identifying the part of the record he/she wants changed, and specifying why it is inaccurate, misleading, or otherwise in violation of his/her privacy rights.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision in writing and advise the student of his/her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. *The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.*

Personally identifiable information is information that, if disclosed, would make a student's identity easily traceable, e.g., name, address or social security number. An exception which permits disclosure without consent is disclosure to University officials with legitimate educational interests.

A University official is a person employed by Youngstown State University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student or volunteer serving on an official committee, or assisting a University official in performing his/her tasks.

A University official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility for Youngstown State University.

Also, the requirement for consent does not apply to the following:

- Requests by officials of another institution where the student seeks to enroll or is already enrolled for purposes related to enrollment or transfer.
- Requests in compliance with a lawful subpoena or judicial order.
- Requests in connection with a student's application for or receipt of financial aid.
- Requests by state authorities and agencies specifically exempted from the prior consent requirements by the Act, conducting studies on behalf of the University, if such studies do not permit the personal identification of students to any persons other than to representatives of such organizations and if the personal identification data is destroyed when no longer needed.
- Information submitted to accrediting organizations.
- Requests by parents of a dependent student, when claimed by a parent on one's Federal Income Tax Return.
- In the case of a health or safety emergency, the University may release information from education records to appropriate persons in connection with an emergency, if the knowledge of such information is necessary to protect the health or safety of a student or other persons.
- To authorized federal officials who have need to audit and evaluate federally-supported programs.
- The results of any disciplinary proceeding conducted by the University against an alleged perpetrator of a crime of violence or non-forcible sex offense to the alleged victim of that crime.

- Disclosure to a parent of an underage student in violation of University policy governing the use or possession of alcohol or drugs.

4. *The right to prevent the University from disclosing any or all of the information about the student the University has designated as directory information.* FERPA permits the disclosure of directory information without the consent of the student. Directory information is information contained in a student education record which would not generally be considered harmful or an invasion of privacy if disclosed. Youngstown State University has designated the following types of information as directory information:

- name;
  - address (local, home, and email);
  - telephone listing (campus and home);
  - enrollment status (e.g., full-time, part-time, withdrawn);
  - field of study (including college of enrollment, major and campus);
  - participation in officially recognized activities and sports;
  - weight and height of members of athletic teams;
  - dates of attendance and graduation;
  - degrees, honors, and awards received;
  - previous educational institutions or agencies attended; and
  - photographic, video or electronic images of student.
- Any student wishing to exercise this right must inform the Registrar in writing of the information not to be designated as directory information with respect to that student. If no such written notification is submitted, the University will assume that a student does not object to the release of the directory information. A student's request for such non-disclosure will remain in effect until the student notifies, in writing, the Registrar otherwise.

5. *The right to file a complaint with the U.S. Department of Education concerning alleged failures by Youngstown State University to comply with the requirements of FERPA.*

The name and address of the office that administers FERPA is:

*Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, S.W.  
Washington, D.C. 20202-5920*

Any questions about this notification should be directed to the Registrar (<http://cms.ysu.edu/administrative-offices/registrar/registrar-home>).

## Graduation Requirements

### Catalog of Entry

The *Undergraduate Catalog* in effect when a student first enrolls at the university or any one subsequent catalog will be the guide to graduation requirements, provided the student is in continuous attendance and does not change majors.

When a student changes majors, the guide to graduation requirements will be the catalog in effect at the time of change or any one subsequent catalog. Exceptions to this rule include the requirements for the minor and general education requirements. Unless the minor is specified by the new major, a student who has been in continuous enrollment and changes majors can fulfill the requirements for a minor by using the criteria in effect in either the catalog of entry or the catalog in effect at the time of the change in major. See the section on General Education Requirements for the relevant policy on general education.

Readmitted students will use the catalog in effect at their last readmission or any one subsequent catalog as the guide to graduation requirements. Any exceptions to requirements must be approved by the student's department chair and/or college dean. The University reserves the right to change course offerings and academic requirements.

## Candidacy for a Degree

To be eligible for candidacy for any degree, students must fulfill the following three requirements:

### Application

You must file a Request for Graduation Evaluation form with the dean of your college after the completion of 40 semester hours for the associate and 100 semester hours for the baccalaureate degree.

An Application for Graduation form must be filed by the deadline indicated in the University Academic Calendar. The application is available on the student's YSU Portal.

If the student does not graduate for the term which the application has been filed, the student must reapply. The student must fulfill the University-wide, college, and departmental requirements as well as the minimum credit hours.

### Residency

The last 20 semester hours leading to an associate degree and the last 30 semester hours leading to a baccalaureate degree must be completed at Youngstown State University. (In the pre-forestry, pre-law, and pre-medical curricula, however, which allow the student to earn final credit hours in absentia, the last 30 semester hours prior to the period of absence must be spent at Youngstown State University.) A minimum of 16 semester hours in the concentration area for the associate degree, and a minimum of 16 hours of credits in the major in the baccalaureate degree, must be earned in residence. A minimum of 21 semester hours of upper-division credit for the baccalaureate degree must be earned in residence. Exceptions must be approved by the Office of the Provost. Additional requirements may be specified by individual colleges.

### Grades

The cumulative point average must be at least 2.00 (see The Point Average and Scholastic Standing) at the time candidacy is approved and at the time the degree is granted.

Additional requirements for the associate or baccalaureate degree appear below.

## Baccalaureate Degree

A *minimum* of 120 semester hours must be successfully completed to earn a bachelor's degree. In addition to requirements stated under Candidacy for a Degree, the following requirements must also be fulfilled for a baccalaureate degree:

### Course Levels

At least 60 semester hours must be completed in courses numbered 2600 or higher; at least 48 of these 60 hours must be in courses numbered 3700 or higher.

### Majors

Each student must complete a major. A department major consists of at least 30 semester hours of an approved set of courses. A combined major, in which courses are given by more than one department, consists of at least 48 semester hours. All grades in the major must be "C" or better.

Each department determines the course requirements for its own major or majors. Responsibility for certifying that a student has completed a major rests with the chairperson of the major department. The student may be required to do more than the minimum stated in the preceding paragraph.

As soon as a student has decided on a major, he or she should consult with the department chair of the major department. A major must be declared by the time a student has achieved junior standing. Early consultation with the department chair is strongly recommended, since in some departments the

student must begin coursework related to the major during the freshman year or risk a delay in graduation.

### Minors

A minor is an intellectual venture that broadens and deepens the student's intellectual growth. An intellectual framework and coherence are evident in the scope and sequence of the minor course of study. A minor is intended to contrast with or deepen the major or General Education and is to be taken in a discipline other than that of the major. In approved interdisciplinary minors, courses from the student's major discipline can be counted in the minor provided that the same courses are not counted toward the major. Each student must complete a minor, unless the student has a combined major or is enrolled in a professional or technical curriculum that does not require a delineated minor. Check with an academic advisor for specific information.

A minor consists of at least 18 hours of an approved set of courses. All grades in the minor must be "C" or better. Courses taken under the Credit/No Credit option may not be counted toward the minor. Upper-division courses must comprise at least 1/3 of the credit hours in the minor. An individualized minor may be developed and approved through the Individualized Curriculum Process (ICP). Transfer students may also use the ICP process for approval of a minor course of study. An official minor is designated on the student's transcript at the time the degree is awarded.

Each department develops the specific pattern or sequence of courses for any minor(s) it offers. However, the department in which the student receives the major is responsible for certifying that a student has completed a minor. Certification will be guided by the description of minors published in the *Undergraduate Bulletin*. For a list of minors and their requirements see Minors List.

## Certificates

A certificate identifies a concentration of study in an academic area. There are a limited number of academic areas where certificates are available, and students should consult the program descriptions for this information. All grades for the certificate must be "C" or better.

## Associate Degree

A *minimum* of 60 semester hours must be successfully completed in order to earn an associate degree. Students in associate degree programs must take a minimum of six general education courses, including Writing I and Writing II, and four additional courses selected from at least three of the following areas: mathematics, speech, natural science, arts and humanities, social science, or social and personal awareness. No more than one course counted toward the requirement may be in mathematics. Students should check with their departments to see if certain general education courses are mandated by their program.

## Commencement

Graduation ceremonies take place twice a year. Fall commencement is held in December and spring commencement is held in May. Students who graduate summer are invited to participate in either spring or fall commencement activities.

## First-Year Experience

### The Office of First-Year Experience

The First-Year Experience program at Youngstown State University is designed to assist incoming students during their transition from high school to college, as well as students who may be transferring from a different university.

By discussing topics such as Sexual Violence / Alcohol Awareness, Career Planning, Financial Literacy, and the Common Intellectual Experience as well

as participating in at least four campus activities, first-year students will begin to feel comfortable on campus and connect with the university.

---

## Director of First-Year Experience

Dr. Karen Becker kabecker@ysu.edu 330-941-3544 3046 Jones Hall  
Youngstown State University

---

## Learning Goals and Outcomes:

### Goal #1:

*Students will participate in a culture of community.*

#### Outcomes:

1. Students will identify and participate in student organizations, academic support services, and co-curricular activities that fit their interests and goals
2. Students will establish working relationships with faculty, advisors, and student support services, including an understanding of The Student Code of Conduct and Student Handbook
3. Students will evaluate issues of living in a diverse society
4. Students will engage in and reflect on a common, University-wide experience

### Goal #2

*Students will learn skills that promote academic and professional growth*

#### Outcomes:

1. Students will conduct an exploration and development of their academic interests and career pathways
2. Students will practice skills needed to manage their financial resources and situation
3. Students will practice skills needed to improve written communication and develop critical thinking

---

## The Common Intellectual Experience: PenguinThink

The goal of PenguinThink is to involve incoming students with the campus and community through a mutual investigation of a common topic or theme which includes interdisciplinary collaboration and conference-style presentations for incoming students and also provides opportunity for colleges and programs to collaborate and share ideas with students across campus.

---

## Career Planning

As set out by the General Education committee, students will undergo a career assessment and review the outcomes. All incoming students must complete a Career Planning module per Ohio Department of Higher Education (ODHE) requirements. Career Services or college-specific career advisers must be involved in the process.

The objectives of this module are to:

- Identify students' interests, personality, and values
- Recognize self-awareness
- Explore career fields
- Identify in-demand careers
- Develop self-reflection skills

---

## Financial Literacy: Transit

First-Year Experience (FYE) students will complete an online Financial Literacy component called Transit. Students will receive an email from the company with directions to start the online program.

The goals of Transit are to produce students who will be:

- less likely to default on their student loans
- less likely to draw down more money than needed on their current student loans
- less likely to overspend or spend beyond their budget
- more likely to pay their bills on time
- more likely to check their credit score
- more likely to know and understand the terms and features of their loans, credit cards and financial account
- more likely to set a savings goal

---

## Sexual Violence/ Alcohol Awareness: Think About It

The Campus SaVE Act requires that colleges and universities provide sexual assault prevention and bystander intervention training.

The objectives of this module are to:

- Form healthy relationships
- Prevent sexual violence
- Understand "hooking up" and sex in college

---

## Campus Activities

It is required that FYE students complete at least four campus activities, with at least one of the activities being outside of the specific college. This requirement varies by college, however.

Some examples of events students can attend are:

- Sporting events
- Plays and concerts
- Student organizations
- Internship Fairs
- Volunteer opportunities
- Other events put on by different departments and organizations on campus

---

## General Education Requirements

### Catalog of Entry

The *Undergraduate Academic Catalog* in effect when a student first enrolls at the university or any one subsequent catalog will be the guide to General Education Requirements.

### Goals

The general education program at YSU is designed to help students achieve the following seven goals:

- Students will participate in a culture of community.
- Students will learn skills that will promote academic and professional growth.

- Students will demonstrate the ability to write and speak effectively, reason quantitatively, and think critically so they are prepared to perform appropriately in their professions upon graduation. These skills will be applied in the major and culminate in the successful completion of a senior capstone project.
- Students will demonstrate understanding of the basic facts, principles, theories, and methods of science. Students will demonstrate the interdependence of science and technology and the influence of science and technology on society.
- Students will interpret significant writings and works of art, with a focus on aesthetics, historical responses, and the nature of the human condition.
- Students will demonstrate understanding of the development, diversity, and complexity of human behavior, institutions, and culture.
- Students will demonstrate understanding in any of the following critical areas of contemporary life: Domestic Diversity, International Perspectives, Sustainability, and Well-being.

## Learning Outcomes

To assist students in achieving the goals above, the courses included in the General Education model incorporate some combination of the learning outcomes. The outcomes as they relate to the goals for the various types of General Education courses are listed below:

### First-Year Experience Learning Outcomes:

#### **GOAL: Students will participate in a culture of community**

- Students will identify and participate in student organizations and co-curricular activities that fit their interests and goals
- Students will establish working relationships with faculty, advisors, and student support services
- Students will evaluate issues of living in a diverse society
- Students will engage in and reflect on a common, University-wide experience

#### **Goal: Students will learn skills that will promote academic and professional growth**

- Students will conduct an exploration and development of their academic interests and career pathways
- Students will practice skills needed to manage their financial resources and situation
- Students will practice skills need to improve written communication and develop critical thinking

### Common Intellectual Experience -- PenguinThink

#### **GOALS: The PenguinThink program will**

- involve incoming students with the campus and community, to mutually investigate a common topic or theme
- include interdisciplinary collaboration and conference-style presentations for incoming students
- provide opportunity for colleges and programs to collaborate and share ideas w/students across campus

#### **PenguinThink Outcomes**

- Students will recognize and articulate points of view different from their own.
- Students will appreciate the perspectives and feelings of other classmates whose opinions differ from their own.
- Students will identify the impact of the annual theme on their field of study.
- Students will identify the impact of the annual theme on the local community, state, nation, and/or world.

## Core Competencies Learning Outcomes:

### **GOAL: Students will demonstrate the ability to write and speak effectively, reason quantitatively, and think critically so they are prepared to perform appropriately in their professions upon graduation.**

- Students will demonstrate the ability to write and speak effectively, develop sound arguments, and derive justified conclusions.
- Students will demonstrate the ability to reason using quantitative data, and students will demonstrate use of mathematical methods and concepts in both abstract and concrete contexts.
- Students will demonstrate the ability to reason critically and identify credible sources.

## Knowledge Domain Learning Outcomes:

### **Natural Sciences**

#### **GOAL: Students will demonstrate understanding of the basic facts, principles, theories, and methods of science. Students will demonstrate the interdependence of science and technology and the influence of science and technology on society.**

- Students will successfully perform an experiment to test a hypothesis including the collection and analysis of data.
- Students will demonstrate the knowledge and application of scientific principles.
- Students will use and interpret formulas, graphs, and tables.
- Students will demonstrate understanding of the interactions of science, technology and society.

### **Arts and Humanities**

#### **GOAL: Students will interpret significant writings and works of art, with a focus on aesthetics, historical responses, and the nature of the human condition.**

- Students will analyze and evaluate the elements and the personal and societal impact of multiple types of literary and artistic expressions.
- Students will demonstrate awareness of ethical or cultural values in shaping the human experience.

### **Social Sciences**

#### **GOAL: Students will demonstrate understanding of the development, diversity, and complexity of human behavior, institutions, and culture.**

- Students will demonstrate understanding of the contexts and development of human cultures and institutions.
- Students will demonstrate understanding of individual and social behavior.
- Students will demonstrate an understanding of methodologies used in the social sciences.

### **Social and Personal Awareness**

#### **GOAL: Students will demonstrate understanding in any of the following critical areas of contemporary life: Domestic Diversity, International Perspectives, Sustainability, and Well-being.**

- Domestic Diversity - Students will demonstrate knowledge of the experiences of different groups within the United States where those groups are defined by class, ethnicity, race, religion, disability, sex, or sexual orientation.
- International Perspectives - Students will demonstrate knowledge of the artistic, social, economic, or political life of communities outside the United States.
- Environmental Sustainability - Students will demonstrate understanding of contemporary concerns regarding the environmental sustainability of social, economic, public policy and technological systems and practices.
- Wellbeing - Students will demonstrate understanding of and appreciation for the relationship between personal behaviors and lifelong health and wellness.

## Capstone Learning Outcomes:

**GOAL: Students will demonstrate the ability to write and speak effectively, reason quantitatively, and think critically so they are prepared to perform appropriately in their professions upon graduation. These skills will be applied in the major and culminate in the successful completion of a senior capstone project.**

- Write and speak effectively.
- Acquire, process and present quantitative and qualitative information using the most appropriate technologies.
- Reason critically, to distinguish among forms of argumentation, and to derive justified conclusions.

## Baccalaureate Degree General Education Requirements

### A. First-Year Experience (p. 49)

#### Overview of Components:

- Sexual Violence/Alcohol Awareness: Title IX/Campus SaVE - Campus Clarity: Think About It
- Career Planning: ODHE requirement - Career Services/varies by course
- Financial Literacy: mandate may be coming soon – Everfi: Transit
- Common Intellectual Experience: “PenguinThink” [2017-18: The Unintended Consequences of Innovation]
- Campus Activities: Participate in four activities with at least one being outside of the specific college/varies by college; evidence of participation varies.

More information on each of these components can be found on the First-Year Experience (<https://cms.yсу.edu/general-education/first-year-experience-learning-goals-and-outcomes>) webpage.

### B. Core Competencies (p. 50)

#### Writing

To learn the skills of effective writing, students will:

- Take two courses:
  - ENGL 1550 Writing 1 – the standard introductory writing course
  - ENGL 1551 Writing 2 – a course in which students investigate a thematic topic (students with ACT scores at or above 28 will only need to take ENGL 1551 Writing 2)
- Gather evidence from the library, Internet, or other appropriate sources
- Write a research paper using a computer

#### Speaking

To become effective speakers, students will take CMST 1545 Communication Foundations.

#### Critical Thinking

The critical-thinking learning outcome will be met through each student’s major’s curriculum.

#### Mathematics

Students must take at least one approved course that teaches mathematical and statistical skills. A student may satisfy this requirement by passing an approved course or by passing a higher-level mathematics course.

### C. Knowledge Domains: Arts and Humanities (p. 46), Natural Sciences (p. 47), Social Sciences (p. 46), and Social and Personal Awareness (p. 48)

To become more well-rounded members of the community, students are required to take a total of nine courses from the four knowledge domains. The

coursework gives students exposure to fields of study outside their majors. Students are required to take:

COURSE	TITLE	S.H.
Select two courses from each of the four domains:		
	Arts and Humanities	
	Natural Science (at least one of the courses must include a laboratory component)	
	Social Science	
	Social and Personal Awareness	
Select one general elective from any of the four domains or take a First-Year Experience course		

### D. Capstone (p. 50)

All majors require a capstone course. In the capstone course, students are required to demonstrate knowledge in their major as well as their ability to communicate in writing, their oral communication skills, and their ability to reason critically.

## Baccalaureate Degree General Education Requirements Summary

Core Competencies	
Writing	2 courses
Speech	1 course
Mathematics	1 course
Knowledge Domains	
Arts and Humanities	2 courses
Natural Science	2 courses (1 must include a lab)
Social Science	2 courses
Social and Personal Awareness	2 courses
General Education Elective/First-Year Experience	1 course
Capstone	1 course
<b>Total</b>	<b>14 courses</b>

## Associate Degree General Education Requirements

The general education requirements vary by degree; the requirements for each associate degree are listed in the appropriate college section. All associate degrees require the completion of a minimum of six courses.

COURSE	TITLE	S.H.
ENGL 1550	Writing 1	3
ENGL 1551	Writing 2	3

Select four courses from at least three of the following areas:

Mathematics (no more than one course)
Speech
Natural Science
Arts and Humanities
Social Science
Social and Personal Awareness

Students should consult with their department to see if any general education courses are mandated by their program. All students in associate degree programs who, based on the Math Placement Test, are placed in the developmental math course (MATH 1501 Elementary Algebraic Models) will be required to complete that course to graduate.

## General Education and Transfer Students

### Transfer students with a bachelor's degree

Students with a bachelor's degree from a regionally accredited institution in the United States seeking an additional baccalaureate degree do not have to complete the YSU general education requirements. Students will need to take general education courses required for their major. See the Degree Audit (<http://cms.ysu.edu/administrative-offices/degree-audit/degree-audit>) website for an up-to-date list.

### Transfer students without a bachelor's degree

All transfer students without a bachelor's degree from a regionally accredited institution in the United States must complete the general education requirements. Students should consult with an academic advisor to discuss the coursework they need to complete the YSU general education requirements. See the Transfer Credit (p. 17) section of this catalog for additional information.

## Arts and Humanities

Bachelor's degree seeking students must complete two of the following:

COURSE	TITLE	S.H.
AFST 2601	Introduction to Africana Studies 2 <sup>1,2</sup>	3
ART 1540	Masterpieces of World Art <sup>1,2</sup>	3
ART 1541	Survey of Art History 1 <sup>1</sup>	3
or ART 1541H	Honors Survey of Art History 1	
ART 1542	Survey of Art History 2 <sup>1,2</sup>	3
or ART 1542H	Honors Survey of Art History 2	
DNCE 2698	Survey of Dance <sup>1</sup>	3
ENGL 1590	Introduction to Literature	3
or ENGL 1590H	Honors Introduction to Literature	
ENGL 2610	World Literature <sup>1,2</sup>	3
ENGL 2615	Science Fiction and Fantasy Literature	3
ENGL 2617	Women in Literature <sup>1,2</sup>	3
or ENGL 2617H	Honors Women in Literature	
ENGL 2618	American Literature and Diversity <sup>1,2</sup>	3
or ENGL 2618H	Honors American Literature and Diversity	
ENGL 2620	African Literature	3
ENGL 2631	Mythology in Literature <sup>1</sup>	3
or ENGL 2631H	Honors Mythology in Literature	
ENGL 2665	Introduction to Film Study <sup>1</sup>	3
or ENGL 2665H	Honors Introduction to Film Study	
FNLG 2610	Foreign Film <sup>2</sup>	3
or FNLG 2610H	Honors Foreign Film	
JOUR 2603	Journalism Ethics and Social Responsibilities <sup>1</sup>	3
JOUR 2605	Journalism as Literature	3
MUHL 2616	Survey of Jazz <sup>1</sup>	3
or MUHL 2616H	Honors Survey of Jazz	
MUHL 2617	Film Music <sup>1</sup>	3
or MUHL 2617H	Honors Film Music	
MUHL 2618	Rock n' Roll to Rock	3
or MUHL 2618H	Honors Rock n' Roll to Rock	
MUHL 2621	Music Literature and Appreciation <sup>1,2</sup>	3
MUHL 2622	Popular Music in America	3
MUHL 3771	Music History and Literature 1	3

MUHL 3772	Music History and Literature 2	3
MUHL 3773	Music History and Literature 3	3
MUHL 3774	Music History and Literature 4	3
PHIL 1560	Introduction to Philosophy	3
PHIL 1561	Technology and Human Values	3
PHIL 1565	Critical Thinking	3
PHIL 2608	The Examined Life	3
PHIL/REL 2610	Global Ethics	3

Only one of the following:

PHIL 2625	Introduction to Professional Ethics <sup>1</sup>	
PHIL 2626	Engineering Ethics	
PHIL 2627	Law and Criminal Justice Ethics <sup>1</sup>	
PHIL 2628	Business Ethics	
PHIL 2635	Ethics of War and Peace <sup>1</sup>	3
PHIL 3711	General Ethics	3
REL 2601	Introduction to World Religions	3
REL 2605	Myth, Symbol, and Ritual <sup>1,2</sup>	3
REL/PHIL 2610	Global Ethics	3
REL 2617	Introduction to Asian Religions <sup>1,2</sup>	3
REL 2621	Religion and Moral Issues <sup>1</sup>	3
or REL 2621H	Honors Religion and Moral Issues	
REL 2631	Religion and the Earth <sup>1,2</sup>	3
THTR 1512	Survey of Musical Theater <sup>1</sup>	3
THTR 1560	Understanding Theater <sup>1</sup>	3
THTR 1590	History of Motion Pictures <sup>1</sup>	3
THTR 2690	The Art of Motion Pictures <sup>1</sup>	3

<sup>1</sup> Courses are part of the Ohio Transfer Module and are guaranteed to transfer to any of Ohio's public institutions of higher education as a subject area general education credit. Ohio's Department of Higher Education maintains an up-to-date list of OTM approved courses through the OTM reporting system. ([https://reports-cems.transfercredit.ohio.gov/pg\\_6?17195033559833::NO:6:](https://reports-cems.transfercredit.ohio.gov/pg_6?17195033559833::NO:6:))

<sup>2</sup> Courses are cross-listed with another General Education domain.

## Social Sciences

Bachelor's degree seeking students must complete two of the following:

COURSE	TITLE	S.H.
AFST 2600	Introduction to Africana Studies 1 <sup>2</sup>	3
AMER 2601	American Identity <sup>2</sup>	3
or AMER 2601H	Honors American Identity	
AMER 2605	Turning Points in United States History 1 <sup>1</sup>	3
AMER 2606	Turning Points in United States History 2 <sup>1,2</sup>	3
AMER 2610	Work and Class in American Culture	3
ANTH 1500	Introduction to Anthropology <sup>1</sup>	3
ANTH 1503	The Rise and Fall of Civilizations	3
CJFS 1500	Introduction to Criminal Justice	3
CMST 2600	Communication Theory	3

Only one of the following:

ECON 1501	Economics in Action <sup>1</sup>	
ECON 2610	Principles 1: Microeconomics <sup>1</sup>	
or ECON 2610H	Honors Principles 1: Microeconomics	

ECON 1502	Panic and Prosperity, United States Economic Policy Since the Great Depression <sup>1</sup>	3
ECON 1503	Rich and Poor: Diversity and Disparity in the United States Workplace <sup>1,2</sup>	3
or ECON 1503H	Honors Rich and Poor: Diversity and Disparity in the U.S. Workplace	
ECON 2630	Principles 2: Macroeconomics <sup>1</sup>	3
or ECON 2630H	Honors Principles 2: Macroeconomics	
ENGL 2651	Introduction to Language <sup>2</sup>	3
FNLG 2660	Women in the Ancient World	3
or FNLG 2660H	Honors Women in the Ancient World	
GEOG 2626	World Geography <sup>1,2</sup>	3
or GEOG 2626H	Honors World Geography	
GEOG 2640	Human Geography <sup>1,2</sup>	3
or GEOG 2640H	Honors Human Geography	
GEOG 2650	Global Economic Landscapes <sup>1,2</sup>	3
or GEOG 2650H	Honors Global Economic Landscapes	
GERO 1501	Introduction to Gerontology	3
GERO 3703	Aging and Society <sup>2</sup>	3
HIST 1500	Discovering World History <sup>1,2</sup>	3
HIST 1501	American Dreams: Introduction to United States History <sup>1</sup>	3
HIST 1511	World Civilization to 1500 <sup>1</sup>	3
or HIST 1511H	Honors World Civilization to 1500	
HIST 1512	World Civilization from 1500 <sup>1,2</sup>	3
or HIST 1512H	Honors World Civilization from 1500	
HIST 2605	Turning Points in United States History 1 <sup>1</sup>	3
or HIST 2605H	Honors Turning Points in United States History 1	
HIST 2606	Turning Points in United States History 2 <sup>1,2</sup>	3
or HIST 2606H	Honors Turning Points in United States History 2	
PHLT 1531	Fundamentals of Public Health <sup>2</sup>	3
POL 1550	Introduction to Political Science <sup>1,2</sup>	3
or POL 1550H	Honors Introduction to Political Science	
POL 1560	American Government <sup>1</sup>	3
POL 2640	Contemporary World Governments <sup>1,2</sup>	3
POL 2660	International Relations <sup>2</sup>	3
PSYC 1560	General Psychology <sup>1</sup>	3
or PSYC 1560H	Honors General Psychology	
PSYC 3700	Social Psychology	3
or PSYC 3700H	Honors Social Psychology	
PSYC 3755	Child Development	3
PSYC 3758	Lifespan Development <sup>2</sup>	3
SOC 1500	Introduction to Sociology <sup>1</sup>	3
or SOC 1500H	Honors Introduction to Sociology	
SOC 2601	Social Problems <sup>1</sup>	3
SOC 3703	Aging and Society <sup>2</sup>	3
TCOM 1595	Survey of American Mass Communications <sup>1</sup>	3
WMST 2601	Introduction to Women's Studies <sup>1,2</sup>	3

<sup>1</sup> Courses are part of the Ohio Transfer Module and are guaranteed to transfer to any of Ohio's public institutions of higher education as a subject area general education credit. Ohio's Department of Higher Education maintains an up-to-date list of OTM approved courses through the OTM reporting system. ([https://reports-cems.transfercredit.ohio.gov/pg\\_6?17195033559833::NO:6:](https://reports-cems.transfercredit.ohio.gov/pg_6?17195033559833::NO:6:))

<sup>2</sup> Courses are cross-listed with another General Education domain.

## Natural Sciences

Bachelor's degree seeking students must complete two of the following (one must include a lab):

### Natural Science Courses without a lab

COURSE	TITLE	S.H.
ASTR 1504	Descriptive Astronomy <sup>1</sup>	3
BIOL 1505	Biology and the Modern World <sup>1</sup>	3
or BIOL 1505H	Honors Biology and Modern World	
BIOL 1551	Anatomy and Physiology 1 <sup>1,4</sup>	3
CHEM 1500	Chemistry in Modern Living <sup>1</sup>	3
ENST 1500	Introduction to Environmental Science <sup>1,2</sup>	3
GEOG 1503	Physical Geography <sup>1</sup>	3
or GEOG 1503	Physical Geography	
GEOG 2630	Weather <sup>1</sup>	3
or GEOG 2630H	Honors Weather	
GEOL 1504	The Dynamic Earth	3
GEOL 2602	Introduction to Oceanography <sup>1</sup>	3
PHYS 1500	Conceptual Physics <sup>1</sup>	3
PHYS 1501	Fundamentals of Physics 1 <sup>1,4</sup>	4
PHYS 1502	Fundamentals of Physics 2 <sup>1,4</sup>	3
PHYS 2601	General Physics for Applied Medical Studies 1 <sup>1,4</sup>	4
PHYS 2602	General Physics for Applied Medical Studies 2 <sup>1,4</sup>	4
PHYS 2607	Physical Science for Middle and Secondary Education 4	4
PHYS 2608	Sound	3
PHYS 2610	General Physics 1 <sup>1,4</sup>	4
PHYS 2611	General Physics 2 <sup>1,4</sup>	4

### Natural Science Courses with a lab

Labs must be taken with the associated course in order to count for Natural Science Lab credit.

COURSE	TITLE	S.H.
ASTR 1504 & 1504L	Descriptive Astronomy and Astronomy Laboratory <sup>1</sup>	4
BIOL 1505 & 1505L	Biology and the Modern World and Biology and the Modern World Laboratory <sup>3</sup>	4
BIOL 1505H & BIOL 1505L	Honors Biology and Modern World and Biology and the Modern World Laboratory <sup>3</sup>	4
BIOL 1545 & 1545L	Allied Health Anatomy and Physiology and Allied Health Anatomy and Physiology Laboratory <sup>3,4</sup>	5
BIOL 1551 & 1551L	Anatomy and Physiology 1 and Anatomy 1 Laboratory for Health Professions <sup>3,4</sup>	4

BIOL 1552 & 1552L	Anatomy and Physiology 2 and Anatomy and Physiology 2 Laboratory <sup>3,4</sup>	4
BIOL 2601 & 2601L	General Biology: Molecules and Cells and General Biology: Molecules and Cells Laboratory <sup>3,4</sup>	4
BIOL 2601H & BIOL 2601L	Honors General Biology Molecules and Cells and General Biology: Molecules and Cells Laboratory <sup>4</sup>	4
BIOL 2602 & 2602L	General Biology: Organisms and Ecology and General Biology: Organisms and Ecology Laboratory <sup>3,4</sup>	4
BIOL 2602H & BIOL 2602L	Honors General Biology Organisms and Ecology and General Biology: Organisms and Ecology Laboratory <sup>4</sup>	4
CHEM 1500 & 1500L	Chemistry in Modern Living and Chemistry in Modern Living Laboratory <sup>3</sup>	4
CHEM 1505 & 1505L	Allied Health Chemistry 1 and Allied Health Chemistry 1 Laboratory <sup>3,4</sup>	3
CHEM 1506 & 1506L	Allied Health Chemistry 2 and Allied Health Chemistry 2 Laboratory <sup>3,4</sup>	3
CHEM 1515 & 1515L	General Chemistry 1 and General Chemistry 1 Laboratory <sup>3,4</sup>	4
CHEM 1516 & 1516L	General Chemistry 2 and General Chemistry 2 Laboratory <sup>3,4</sup>	4
ENST 1500 & 1500L	Introduction to Environmental Science and Introduction to Environmental Science Lab <sup>2,3</sup>	4
GEOG 2630 & 2630L	Weather and Weather Lab <sup>1</sup>	4
GEOG 2630H & GEOG 2630L	Honors Weather and Weather Lab <sup>1</sup>	4
GEOL 1500 & 1500L	Environmental Geology and Environmental Geology Laboratory <sup>2</sup>	4
GEOL 1505 & 1505L	Physical Geology and Physical Geology Laboratory <sup>3</sup>	4
GEOL 1505H & GEOL 1505L	Honors Physical Geology and Physical Geology Laboratory	4
GEOL 2611	Geology for Engineers <sup>3,4</sup>	3
PHYS 1500 & 1500L	Conceptual Physics and Conceptual Physics Laboratory <sup>1</sup>	4
PHYS 1501 & 1501L	Fundamentals of Physics 1 and Fundamentals of Physics Laboratory 1 <sup>3,4</sup>	5
PHYS 1502 & 1502L	Fundamentals of Physics 2 and Fundamentals of Physics Laboratory 2 <sup>1,4</sup>	4
PHYS 2601 & PHYS 2610L	General Physics for Applied Medical Studies 1 and General Physics laboratory 1 <sup>1,4</sup>	5
PHYS 2602 & PHYS 2611L	General Physics for Applied Medical Studies 2 and General Physics laboratory 2 <sup>1,4</sup>	5
PHYS 2610 & 2610L	General Physics 1 and General Physics laboratory 1 <sup>1,4</sup>	5
PHYS 2611 & 2611L	General Physics 2 and General Physics laboratory 2 <sup>1,4</sup>	5

<sup>1</sup> Courses are part of the Ohio Transfer Module and are guaranteed to transfer to any of Ohio's public institutions of higher education as a subject area general education credit. Ohio's Department of Higher Education maintains an up-to-date list of OTM approved courses through the OTM reporting system. ([https://reports-cems.transfercredit.ohio.gov/pg\\_6?17195033559833::NO:6::](https://reports-cems.transfercredit.ohio.gov/pg_6?17195033559833::NO:6::))

<sup>2</sup> Courses are cross-listed with another General Education domain.

<sup>3</sup> Lecture component of the course is OTM approved, however, the lab component is not OTM approved.

<sup>4</sup> Courses are designed for science, engineering, and health science majors. Students should consult their advisor before selecting them.

## Social and Personal Awareness

Bachelor's degree seeking students must complete two of the following:

### Domestic Diversity

COURSE	TITLE	S.H.
AFST 2600	Introduction to Africana Studies 1 <sup>1,2</sup>	3
AFST 2601	Introduction to Africana Studies 2 <sup>1,2</sup>	3
AMER 2601	American Identity <sup>2</sup>	3
or AMER 2601H	Honors American Identity	
AMER/HIST 2606	Turning Points in United States History 2 <sup>1,2</sup>	3
CMST 2610	Intercultural Communication	3
ECON 1503	Rich and Poor: Diversity and Disparity in the United States Workplace <sup>1,2</sup>	3
ENGL 2617	Women in Literature <sup>1,2</sup>	3
ENGL 2618	American Literature and Diversity <sup>1,2</sup>	3
ENGL 2651	Introduction to Language <sup>2</sup>	3
HIST/AMER 2606	Turning Points in United States History 2 <sup>1,2</sup>	3
or HIST 2606H	Honors Turning Points in United States History 2	
SOC 2690	Identities and Differences	3
WMST 2601	Introduction to Women's Studies <sup>1,2</sup>	3

### Environmental Sustainability

COURSE	TITLE	S.H.
ART/STEM 1530	Sustainable Design in Practice	3
or ART 1530H	Honors Sustainable Design in Practice	
ENST 1500	Introduction to Environmental Science <sup>2</sup>	3
GEOL 1500	Environmental Geology <sup>2</sup>	4
PHLT 1513	Introduction to Environmental Health and Safety	3
PHIL 2631	Environmental Ethics	3
REL 2631	Religion and the Earth <sup>1,2</sup>	3
STEM/ART 1530	Sustainable Design in Practice	3
or STEM 1530H	Honors Sustainable Design in Practice	

### International Perspectives

COURSE	TITLE	S.H.
ART 1540	Masterpieces of World Art <sup>1,2</sup>	3
ART 1542	Survey of Art History 2 <sup>1,2</sup>	3
ENGL 2610	World Literature <sup>1,2</sup>	3
FNLG 2610	Foreign Film <sup>2</sup>	3
or FNLG 2610H	Honors Foreign Film	
GEOG 2626	World Geography <sup>1,2</sup>	3
or GEOG 2626H	Honors World Geography	
GEOG 2640/2640H	Human Geography <sup>1,2</sup>	3
GEOG 2650	Global Economic Landscapes <sup>1,2</sup>	3
or GEOG 2650H	Honors Global Economic Landscapes	
HIST 1500	Discovering World History <sup>1,2</sup>	3

HIST 1512	World Civilization from 1500 <sup>1,2</sup>	3
or HIST 1512H	Honors World Civilization from 1500	
MUHL 2621	Music Literature and Appreciation <sup>1,2</sup>	3
POL 1550	Introduction to Political Science <sup>1,2</sup>	3

## Well-Being

COURSE	TITLE	S.H.
COUN 1587	Introduction to Health and Wellness in Contemporary Society	3
FNUT 1551	Normal Nutrition	3
GERO/SOC 3703	Aging and Society <sup>2</sup>	3
GERO/SOC 3745	Sociology of Health, Illness, and Healthcare <sup>2</sup>	3
KSS 1500	Physical Activity Core Concepts (Must be taken with two activity classes)	1
PHLT 1531	Fundamentals of Public Health <sup>2</sup>	3
PHLT 1568	Healthy Lifestyles	3
PSYC 2692	Human Sexuality	3
PSYC 3707	Psychology of Intimate Relationships	3
PSYC 3758	Lifespan Development <sup>2</sup>	3
SOC/GERO 3703	Aging and Society <sup>2</sup>	3
SOC/GERO 3745	Sociology of Health, Illness, and Healthcare	3

<sup>1</sup> Courses are part of the Ohio Transfer Module and are guaranteed to transfer to any of Ohio's public institutions of higher education as a subject area general education credit. Ohio's Department of Higher Education maintains an up-to-date list of OTM approved courses through the OTM reporting system. ([https://reports-cems.transfercredit.ohio.gov/pg\\_6?17195033559833::NO:6::](https://reports-cems.transfercredit.ohio.gov/pg_6?17195033559833::NO:6::))

<sup>2</sup> Courses are cross-listed with another General Education domain.

### Physical Activity Courses to be used with KSS 1500 Physical Activity Core Concepts

COURSE	TITLE	S.H.
KSS 1502	Volleyball	1
KSS 1507	Volleyball 2	1
KSS 1508	Group Cycling	1
KSS 1509	Meditation	1
KSS 1510	Archery	1
KSS 1511	Badminton	1
KSS 1512	Bowling	1
KSS 1513	Bowling 2	1
KSS 1514	Fencing 1	1
KSS 1515	Fencing 2	1
KSS 1516	Boxing for Beginners	2
KSS 1519	Racquetball	1
KSS 1520	Golf 1	1
KSS 1521	Golf 2	1
KSS 1522	Tennis 1	1
KSS 1523	Tennis 2	1
KSS 1526	Marksmanship	1
KSS 1529	Recreational Games	1

KSS 1530	Learn to Swim	1
KSS 1531	Aquatics 2	1
KSS 1534	Fitness Swimming	1
KSS 1537	Aquatic Exercise	1
KSS 1544	Step Aerobics	1
KSS 1545	Fold and Square Dance	1
KSS 1547	Flexibility and Core Training	1
KSS 1548	Aerobic Dance	1
KSS 1549	Varsity Competition	1
KSS 1550	Pilates	1
KSS 1551	Student Athlete Experience	1
KSS 1552	Yoga	1
KSS 1553	Yoga 2	1
KSS 1554	Fitness Walking	1
KSS 1555	Jogging	1
KSS 1556	Racquetball 2	1
KSS 1557	Weight Training	1
KSS 1558	Physical Fitness for Life	2
KSS 1563	Rock Climbing	1
KSS 1564	Bicycling	1
KSS 1565	Self Defense	1
KSS 1566	Judo	1
KSS 1568	Taekwondo/Karate	1
KSS 2632	Skin and Scuba Diving	2
KSS 2635	Open Water Scuba Diving	1
KSS 2637	Skin, Scuba and Openwater Diving	3
KSS 2697	Camping	2
MUEN 0006	Marching Band <sup>3</sup>	1

<sup>3</sup> Although the courses is permitted to be taken multiple times, it only counts as 1 activity course.

<sup>4</sup> Although this courses is more than one credit, it only counts as one activity courses. The number of classes (2) is what s required, regardless of how many credits each individual course.

## First Year Experience

During their first year, Bachelor's degree seeking students must elect to take a First Year Experience course as a Gen Ed elective.

COURSE	TITLE	S.H.
AHLT 1500	Introduction to Online Learning in Health Professions	3
or PHLT 1500	Introduction to Online Learning in Health Professions	
or RESC 1500	Introduction to Online Learning in Health Professions	
BUS 1500	Exploring Business	3
or BUS 1500H	Honors Exploring Business	
CCAC 1500	College Success	3
COUN 1589	Success in Career and Life Planning	3
ENGR 1500	Engineering Orientation	3
& ENGR 1550	and Engineering Concepts	
ENGR 1500H	Honors Engineering Orientation	3
& ENGR 1550H	and Honors Engineering Concepts	
ENTC 1501	Introduction to Engineering Technology	2
HAHS 1500	Introduction to the Bitonte College of Health and Human Services	2
HAHS 1510	Investigations into Social Classes in America	3
KSS 1595	Introduction to Kinesiology and Sport Science	2
LASS 1510	Exploring Critical Questions in LASS	3
STEM 1520	STEM First Year Orientation	2

TCED 1500	Introduction to Becoming a Teacher First Year Experience Course BCOE	3
-----------	--	---

<sup>1</sup> Courses are part of the Ohio Transfer Module and are guaranteed to transfer to any of Ohio's public institutions of higher education as a subject area general education credit. Ohio's Department of Higher Education maintains an up-to-date list of OTM approved courses through the OTM reporting system. ([https://reports-cems.transfercredit.ohio.gov/pg\\_6?17195033559833::NO:6::](https://reports-cems.transfercredit.ohio.gov/pg_6?17195033559833::NO:6::))

## Overview of Modules:

- Sexual Violence/Alcohol Awareness: Title IX/Campus SaVE - Campus Clarity: Think About It
- Career Planning: ODHE requirement - Career Services/varies by course
- Financial Literacy: mandate may be coming soon – Everfi: Transit
- Common Intellectual Experience: "PenguinThink" [2017-18: The Unintended Consequences of Innovation]
- Campus Activities: Participate in four activities with at least one being outside of the specific college/varies by college; evidence of participation varies.

More information on each of these modules can be found [HERE](#) (p. 42)

## Core Competencies

### Writing

Bachelor's degree seeking students must complete the following two courses:

COURSE	TITLE	S.H.
ENGL 1550	Writing 1 <sup>1</sup>	3
or ENGL 1550H	Honors Writing 1	
ENGL 1551	Writing 2 (Students with ACT scores at or above 28 will only need to take ENGL 1551) <sup>1</sup>	3
or ENGL 1551H	Honors Writing 2	

### Speaking

Bachelor's degree seeking students must complete the following course:

COURSE	TITLE	S.H.
CMST 1545	Communication Foundations <sup>1</sup>	3
or CMST 1545H	Honors Communication Foundations	

### Mathematics

Bachelor's degree seeking students must complete one of the following courses:

COURSE	TITLE	S.H.
MATH 1510	College Algebra <sup>1</sup>	4
MATH 1513	Algebra and Transcendental Function <sup>1</sup>	5
MATH 1552	Applied Mathematics for Management <sup>1</sup>	4
MATH 1570	Applied Calculus 1 <sup>1</sup>	4
MATH 1571	Calculus 1 <sup>1</sup>	4
MATH 1572	Calculus 2 <sup>1</sup>	4
MATH 1581H	Honors Biomathematics 2	4
MATH 1585H	Accelerated Honors Calculus 1	5
MATH 2623	Quantitative Reasoning	3
MATH 2652	Mathematics for Early Childhood Teachers 2	3
MATH 2665	Foundations of Middle School Mathematics 2	4
MATH 2670	Applied Calculus 2	5
MATH 2686H	Accelerated Honors Calculus 2	5
STAT 2601	Introductory Statistics <sup>1</sup>	3
STAT 2625	Stat Lit and Crit Reasoning <sup>1</sup>	4
PHIL 2619	Introduction to Logic	3

## Capstone

Bachelor's degree seeking students must complete one of the following courses within their major:

COURSE	TITLE	S.H.
AMER 4810	Independent Project in American Culture	1-3
ANTH 4860	Senior Thesis 2	3
ART 4803	Senior Seminar	3
ART 4889	Seminar in Art History	3
ASTR 4815	Undergraduate Astronomy Research	3
CEEN 4863	Integrated Design Project	3
BIOL 4861	Senior Biology Capstone Experience	2
CHEM 4850 & 4850L	Chemistry Research and Chemistry Research Laboratory	3-4
CIS 4840	Business System Analysis and Design	4
CJFS 4848	Loss Prevention and Assets Protection Administration	3
CJFS 5814	Practice and Ethics in Forensic Science	3
CMST 4899	Senior Project	3
CSCI 4890	Computer Projects	2-4
CSIS 4870	Web Communications Capstone	3
DHYG 4840	Directed Dental Hygiene Research	3
ECE 4811	Supervised Student Teaching: Pre-Kindergarten	1-12
ECE 4841	Supervised Student Teaching: Early Childhood	1-10
ECEN 4899	Senior Design Project	4
ECON 4880	Analysis of Economic Problems	3
ENGL 4870	Web Communications Capstone	3
ENGL 4890	Senior Seminar	3
ENGL 4899	Professional and Technical Writing Senior Project	3
ENST 5830	Risk Assessment	3
FNUT 4885	Practicum in Dietetics	4
FNUT 4895	DPD Capstone	3
GEOG 4890	Geography Capstone	3
GEOL 48xxF	Field Camp Course	
GEOL 5802	Sedimentology and Stratigraphy	3
GERO 4851	Capstone in Gerontology	3
HIST 4870	Senior Research Seminar	3
HMEC 4876	Undergraduate Research	2
HMEC 4877	Research Capstone	2
INFO 4880	Information Technology Analysis and Design	3
ISEN 4821 & ISEN 4822	Capstone Design 1: Manufacturing and Service Systems and Capstone Design 2: Logistics Systems	6
JOUR 4893	Journalism Senior Project	3
LASS 4880	General Studies Capstone	3
ITAL 4880	Italian Conversation and Composition Capstone	4
MATH 4896	Senior Undergraduate Research Project	2
MECH 4808 & 4808L	Mechanical Systems Design 1 and Mechanical Systems Design Laboratory	6
& MECH 4809	and Mechanical Systems Design 2	
MGT 4850	Strategic Management and Leadership	3
MRCH 4880	Merchandising Management	3
Music 4802, 4804, or 4806	Applied Studio Instruction	

NURS 4852	Senior Capstone Seminar	1
PHIL 4861	Senior Capstone Project	3
PHLT 4899	Public Health Senior Seminar	3
POL 4801	Senior Research Seminar	3
PHYS 4805	Undergraduate Physics Research	3
PSYC 4890	Senior Thesis	1
PSYC 4895	Senior Psychology Capstone Experience	2
REL 4871	Senior Capstone Project	3
SCWK 4827	Integrated Capstone Seminar	3
SED 4842	Supervised Student Teaching: High School	1-10
SED 4827	Supervised Student Teaching: Language (K-12)	1-10

STAT 4896	Statistical Project	2
TCOM 4899	Capstone	2
TEMC 4802	Student Teaching: Middle Childhood	5-10
THTR 4898	Senior Project	3

# Ohio Residency

## Ohio student residency for state subsidy and tuition surcharge purposes

### 1. Intent and authority

- a. It is the intent of the chancellor of the Ohio Department of Higher Education in promulgating this rule to exclude from treatment as residents, as that term is applied here, those persons who are present in the state of Ohio primarily for the purpose of receiving the benefit of a state-supported education.
- b. This rule is adopted pursuant to Chapter 119 of the Revised Code, and under the authority conferred upon the chancellor of the Ohio Department of Higher Education by section 3333.31 of the Revised Code.

### 2. Definitions

- a. "Resident" shall mean any person who maintains a twelve-month place or places of residence in Ohio, who is qualified as a resident to vote in Ohio and receive state public assistance, and who may be subjected to tax liability under section 5747.02 of the Revised Code, provided such person has not, within the time prescribed by this rule, declared himself or herself to be or allowed himself or herself to remain a resident of any other state or nation for any of these or other purposes.
- b. "Financial support" as used in this rule, shall not include grants, scholarships and awards from persons or entities which are not related to the recipient.
- c. An "institution of higher education" shall have the same meaning as "state institution of higher education" as that term is defined in section 3345.011 of the Revised Code, and shall also include private medical and dental colleges which receive direct subsidy from the state of Ohio.
- d. "Domicile" as used in this rule is a person's permanent place of abode, so long as the person has the legal ability under federal and state law to reside permanently at that abode. For the purpose of this rule, only one domicile may be maintained at a given time.

- e. "Dependent" shall mean a student who was claimed by at least one parent or guardian as a dependent on that person's internal revenue service tax filing for the previous tax year.
- f. "Residency Officer" means the person or persons at an institution of higher education that has the responsibility for determining residency of students under this rule.
- g. "Community Service Position" shall mean a position volunteering or working for:
  - i VISTA, Americorps, city year, the peace corps, or any similar program as determined by the chancellor of the Ohio Department of Higher Education; or
  - ii An elected or appointed public official for a period of time not exceeding twenty-four consecutive months.

### 3. Residency for subsidy and tuition surcharge purposes.

The following persons shall be classified as residents of the state of Ohio for subsidy and tuition surcharge purposes:

- A student whose spouse, or a dependent student, at least one of whose parents or legal guardian, has been a resident of the state of Ohio for all other legal purposes for twelve consecutive months or more immediately preceding the enrollment of such student in an institution of higher education.
- A person who has been a resident of Ohio for the purpose of this rule for at least twelve consecutive months immediately preceding his or her enrollment in an institution of higher education and who is not receiving, and has not directly or indirectly received in the preceding twelve consecutive months, financial support from persons or entities who are not residents of Ohio for all other legal purposes.
- A dependent student of a parent or legal guardian, or the spouse of a person who, as of the first day of a term of enrollment, has accepted full-time, self-sustaining employment and established domicile in the state of Ohio for reasons other than gaining the benefit of favorable tuition rates. Documentation of full-time employment and domicile shall include both of the following documents:
  - a. A sworn statement from the employer or the employer's representative on the letterhead of the employer or the employer's representative certifying that the parent, legal guardian or spouse of the student is employed full-time in Ohio.
  - b. A copy of the lease under which the parent, legal guardian or spouse is the lessee and occupant of rented residential property in the state; a copy of the closing statement on residential real property located in Ohio of which the parent, legal guardian or spouse is the owner and occupant; or if the parent, legal guardian or spouse is not the lessee or owner of the residence in which he or she has established domicile, a letter from the owner of the residence certifying that the parent, legal guardian or spouse resides at that residence.

### Additional criteria which may be considered in determining residency may include but are not limited to the following:

- 1. Criteria evidencing residency:
  - a. If a person is subject to tax liability under section 5747.02 of the Revised Code;
  - b. If a person qualifies to vote in Ohio;
  - c. If a person is eligible to receive Ohio public assistance;
  - d. If a person has an Ohio's driver's license and/or motor vehicle registration.
- 2. Criteria evidencing lack of residency
  - a. If a person is a resident of or intends to be a resident of another state or nation for the purpose of tax liability, voting, receipt of public assistance, or student loan benefits (if the student qualified for that loan program by being a resident of that state or nation);

- b. If a person is a resident or intends to be a resident of another state or nation for any purpose other than tax liability, voting, or receipt of public assistance (see paragraph (D)(2)(a) of this rule).
- c. For the purpose of determining residency for tuition surcharge purposes at Ohio's state-assisted colleges and universities, an individual's immigration status will not preclude an individual from obtaining resident status if that individual has the current legal status to remain permanently in the United States.

**Exceptions to the general rule of residency for subsidy and tuition surcharge purposes:**

1. A person who is living and is gainfully employed on a full-time or part-time and self-sustaining basis in Ohio and who is pursuing a part-time program of instruction at an institution of higher education shall be considered a resident of Ohio for these purposes.
2. A person who enters and currently remains upon active duty status in the United States military service while a resident of Ohio for all other legal purposes and his or her dependents shall be considered residents of Ohio for these purposes as long as Ohio remains the state of such person's domicile.
3. A person on active duty status in the United States military service who is stationed and resides in Ohio and his or her dependents shall be considered residents of Ohio for these purposes.
4. A veteran, veteran's spouse, or dependent of a veteran who meets both of the following conditions:
  - a. Served one or more years on active military duty and was honorably discharged, or received a medical discharge, or was killed while serving on active duty, and
  - b. Establishes domicile in Ohio as of the first day of the term of enrollment.
5. A person who is transferred by his employer beyond the territorial limits of the fifty states of the United States and the District of Columbia while a resident of Ohio for all other legal purposes and his or her dependents shall be considered residents of Ohio for these purposes as long as Ohio remains the state of such person's domicile as long as such person has fulfilled his or her tax liability to the state of Ohio for at least the tax year preceding enrollment.
6. A person who has been employed as a migrant worker in the state of Ohio and his or her dependents shall be considered a resident for these purposes provided such person has worked in Ohio at least four months during each of the three years preceding the proposed enrollment.
7. A person who was considered a resident under this rule at the time the person started a community service position as defined under this rule, and his or her spouse and dependents, shall be considered a resident of Ohio while in service and upon completion of service in the community service position.
8. A person who graduated from an Ohio high school, left the state, and returns to enroll in an Ohio public institution of higher education and establishes domicile in the state.
9. A person who returns to the state of Ohio due to marital hardship, takes or has taken legal steps to end a marriage, and reestablishes financial dependence upon a parent or legal guardian (receives greater than fifty percent of his or her support from the parent or legal guardian), and his or her dependents shall be considered residents of Ohio.
10. A person who is a member of the Ohio National Guard and who is domiciled in Ohio, and his or her spouse and dependents, shall be considered residents of Ohio while the person is in Ohio national guard service.
11. A person who is eligible, or whose benefits have been exhausted or have expired, for benefits under the Post 9/11 Veterans Educational Assistance Act of 2008 or any prior federal act establishing veterans' education benefits, who has been honorably discharged or released from service, who, as of the first day of a term of enrollment, is domiciled in Ohio, and his or her spouse and dependents, shall be considered residents of Ohio

for these purposes as long as Ohio remains the state of such person's domicile.

Documentation determined to be acceptable by the institution:

1. DD214 or other military document showing honorable discharge.
2. Documentation of domicile shall include a copy of the lease under which the person or spouse is the lessee and occupant of rented residential property in the state; a copy of the closing statement on residential real property located in Ohio of which the person or spouse is the owner and occupant; or if the person or spouse is not the lessee or owner of the residence in which he or she has established domicile, a letter from the owner of the residence certifying that the person or spouse resides at that residence.

**Procedures**

1. A dependent person classified as a resident of Ohio for these purposes under the provisions of paragraph (C)(1) of this rule and who is enrolled in an institution of higher education when his or her parents or legal guardian removes their residency from the state of Ohio shall continue to be considered a resident during continuous full-time enrollment and until his or her completion of any one academic degree program.
2. In considering residency, removal of the student or the student's parents or legal guardian from Ohio shall not, during a period of twelve months following such removal, constitute relinquishment of Ohio residency status otherwise established under paragraph (C)(1) or (C)(2) of this rule.
3. For students who qualify for residency status under paragraph (C)(3) of this rule, residency status is lost immediately if the employed person upon whom resident student status was based accepts employment and establishes domicile outside Ohio less than twelve months after accepting employment and establishing domicile in Ohio.

**Reclassification**

1. Any person once classified as a nonresident must apply to the institution he or she attends for reclassification as a resident of Ohio for these purposes if such person in fact wants to be reclassified as a resident. It is the student's responsibility to initiate contact. Should such person present clear and convincing proof that no part of his or her financial support is or in the preceding twelve consecutive months has been provided directly or indirectly by persons or entities who are not residents of Ohio for all other legal purposes, such person shall be reclassified as a resident. Evidentiary determinations under this rule shall be made by the institution which may require, among other things, the submission of documentation regarding the sources of a student's actual financial support.
2. Any reclassification of a person who was once classified as a nonresident for these purposes shall have prospective application only from the date of such reclassification.
3. Any institution of higher education charged with reporting student enrollment to the chancellor of the Ohio Department of Higher Education for state subsidy purposes and assessing the tuition surcharge shall provide individual students with a fair and adequate opportunity to present proof of his or her Ohio residency for purposes of this rule. Such an institution may require the submission of affidavits and other documentary evidence which it may deem necessary to a full and complete determination under this rule.

*Revised 6/13/16*

## **Student Services**

### ***Academic Coaching Services***

The Center for Student Progress (CSP) Academic Coaching Services offers professional academic coaching to assist students on a one-on-one basis with strategies for college success. Coaches provide on-site assistance by teaching students learning and meta-cognitive strategies that apply to coursework.

Academic coaches also make campus referrals and follow-up to ensure students receive all the University support available.

Visit Center for Student Progress Academic Coaching Services (<https://cms.yсу.edu/administrative-offices/center-student-progress/academic-coaching-services>) for more information or call (330) 941-3538.

## Adult Learner Services

The Center for Student Progress Adult Learner Services assists adult students in making the transition to and graduating from college. Adult students are defined as those who are 25 years of age or older or who have been out of school four years or more. The CSP/Adult Learner Services provides academic and personal support both individually and through programming with services such as:

- Academic Coaching
- Starfish Early Alert warning progress reports
- Time management and goal setting for adults

Visit Center for Student Progress Adult Learner Services (<http://cms.yсу.edu/administrative-offices/center-student-progress/adult-learner-services>) for more information or call (330) 941-3538.

## Career & Academic Advising

The Office of Career & Academic Advising serves as the platform to explore career and employment opportunities. This office provides exploratory career & academic advising to first/second year students. And it provides career services to third/fourth year students in all areas of career decision making and the professional job search.

Within the first year of their course of study, students are encouraged to meet with a Career & Academic Advisor in order to utilize available career and major exploration services.

- individual career and major exploration services tailored to the individual to help one choose a career field that matches their interests
- comprehensive online career resource center for students to learn about career fields
- exploratory academic advising

During the junior and senior years of study, students are encouraged to meet with a Career Management Coordinator for professional employment or graduate school preparation.

- resume and interview advice to market individuals for jobs
- workshops and events to connect students with employers
- on-campus programs which brings employers to the YSU campus to interview students for employment after graduation
- job postings from hundreds of local, regional, and national employers
- annual career fairs

Central to the operation of the Office of Career & Academic Advising is Handshake (<https://ysu.joinhandshake.com/login>) (software by Symplicity), a web-based application that makes it possible for students and YSU alumni to connect with hiring employers 24-hours-a-day/7-days-a-week. Through Handshake (<https://ysu.joinhandshake.com/login>), students and alumni can upload their resumes to the database, search job listings and send resumes directly to employers. Students can also receive notifications of recruiting events and sign up for interviews with employers on YSU's campus. For more information, visit Career & Academic (<http://cms.yсу.edu/administrative-offices/career-services/career-and-academic-advising>) Advising on the web.

## Counseling Services

The YSU Student Counseling Services provides high quality, short term, confidential mental health counseling, consultation, outreach (educational training), and referral services to our currently enrolled students. Common

issues that we address include anxiety, depression, stress, relationship concerns, and difficulty managing multiple roles and the impacts of these on being a successful college student. Juggling life's responsibilities is a challenge that causes many individuals to feel anxious, confused, or overwhelmed at times. We are here to help. The Student Counseling Services Center is located in 3009 Jones Hall. Our office hours are Monday - Friday, 8 am - 5 pm. Our phone number is (330) 941-3737 and/or visit Student Counseling Services (<http://cms.yсу.edu/administrative-offices/counseling-services/counseling-services>).

## Day Care

Students who have younger children may wish to place them in on-campus childcare centers.

Wee Care Day Care and Learning Centre is the official provider of childcare services to Youngstown State University students, faculty, staff, and alumni. Special discounted rates are available and we accept ODJFS contracts as well. The Center has a professionally trained staff that takes care of children ages six weeks to 10 years, including preschool and pre-K State approved curriculum based programs. The Centre is located in Fedor Hall and is open from 5 a.m. to 11:30 p.m. The phone number is (330) 941-2936.

Wee Care is equipped with 24-hour-a-day video monitoring and a very strict sign-in and sign-out policy. Besides the convenience of its on campus location, Wee Care has six other locations throughout Mahoning and Trumbull County. Students especially like the flexible scheduling options to meet their university needs.

Students may also be eligible for child care through the Mahoning County Educational Service Center, which has day care facilities throughout Mahoning County, including one on the YSU campus. Please call (330) 965-7828 for more information.

Partial reimbursement is also available to University students for either Wee Care Day Care or other licensed off-campus day care facilities. Contact the Office of Financial Aid and Scholarships at (330) 941-3501 for more information.

For more information, visit Wee Care Day Care (<http://www.weecareohio.com/partners.html>).

## Disability Services

The Center for Student Progress Disability Services provides students, faculty, and staff with assistance and information regarding accommodations for students with disabilities, either permanent or temporary. Compliance with the Rehabilitation Act of 1973 and the Americans with Disabilities Act as amended 2008 involves providing reasonable accommodations to qualified individuals with disabilities. These accommodations are provided in order to ensure equal access to people with disabilities regarding educational opportunities, programs, and activities.

The Center for Student Progress Disability Services addresses the needs of students with disabilities. Support for academic success includes:

- Serving as the gateway for accommodations for YSU students with disabilities
- Providing accommodation information
- Collaborating with faculty/staff regarding issues involving students with disabilities
- Arranging for classroom accommodations for students with disabilities to allow equal educational access
- Making campus referrals/connections

To inquire about receiving disability services, please contact the office at (330) 941-1372 (voice), (866) 757-1353 (video), or (330) 941-7470 (fax). A

confidential appointment will be set up to discuss accommodation needs. The CSP/Disability Services is located at 36 Wood Street.

Visit Center for Student Progress Disability Services (<http://cms.ysu.edu/administrative-offices/center-student-progress/disability-services>) for additional information or call (330) 941-1372.

## First-Year Student Services

### First Year Student Services

First Year Student Services has the main goal of making sure all of our students have a successful first year on campus. We do this by providing important information, opportunities to connect with peers, mentors who can assist students, and more. Our office contains five main programs and services listed below:

#### Orientation:

All incoming first year students will attend one of our programs that happen prior to the semester beginning. During Orientation, students will learn about the expectations of the university, make connections to other incoming students, and register for their academic courses. The orientation program for new transfer students is a shorter version that offers insight in to YSU, however transfer students are able to register for classes even before attending orientation. For any questions regarding Orientation, please contact us at [orientation@ysu.edu](mailto:orientation@ysu.edu) or 330-941-2131.

#### IGNITE:

IGNITE is a program for all Summer and Fall start first year students. It takes place the two days before Fall semester begins and is aimed at allowing the entire incoming class the opportunity to connect to each other, to campus, and to resources offered. It's a dynamic and engaging two days to welcome students to the community.

#### Peer Leaders:

Peer Leaders are YSU students who are dedicated to helping first year students succeed on campus. They serve as a main point of contact, referral agent, and source of knowledge to students. Any first year student can count on their Peer Leader to answer questions, get them connected to campus, and help them find answers to any questions. Peer Leaders work with students for their entire first year at YSU.

#### First Year Leadership Programs:

We are proud to offer programming that will help first year students build the skills they need to be successful inside and outside of the classroom. Our programs will teach essential skills, theory, and knowledge while also allowing students to apply this to their collegiate experience. Programs are open to all first year students.

#### Parent and Family Programs:

We pride ourselves on welcoming the entire family to the Penguin community. We send a monthly newsletter to interested family members sharing campus information and asking for assistance in the first year transition. We also offer programming during Family Day and other university events.

## Kilcawley Center

Since its opening in April 1974, Kilcawley Center has served as the heart of campus. This not only refers to its central location on campus, but also to the many services, conveniences, programs, and amenities it provides to the University community. The Center's casual atmosphere, comfortable lounges, and attractive dining areas focus on making free-time activity an integral part of a YSU education. Through cultural, social, and recreational programming, Kilcawley Center provides for rich and diverse experiences for YSU students. Visit Kilcawley Center (<http://www.kc.ysu.edu>) for details on services, hours

of operation, staff directory, the daily calendar of events, and student job postings.

Kilcawley Center's study lounges are renowned for their comfortable chairs and couches that are perfect for studying, relaxing, or napping. The lounges and restaurant dining areas in Kilcawley Center provide high-speed wireless Internet access. The Center offers convenient ATM banking, copy services at ComDoc, and offices for Student Government, the *Jambar* student newspaper, Rookery Radio, and Student Diversity Programs. Kilcawley Center houses sixteen seminar rooms, two computer-training classrooms, and a large multi-purpose room. On a daily basis, these rooms host luncheons, workshops, seminars, lectures, organization meetings, and programs.

Graphic Services, located on the lower level of the Center, designs flyers, banners, posters, brochures, and graphics for student organizations and student projects.

Kilcawley Center offers diverse choices in dining. Located on the lower level of Kilcawley are:

- YSU Wendy's with all your favorites
- Jamba Juice (smoothies, juices, and steel cut oatmeal)
- KC Food Court - which includes Denny's "The Den" (bold breakfasts, grilled burgers, hot sandwiches, and fresh salads)
- Chop'd & Wrap'd (made-to-order salads and wraps)
- 2.Mato (classic Italian favorites including specialty pizzas)
- Dunkin' Donuts
- Mondo Subs (made to order gourmet subs, wraps, and flatbread sandwiches)

Located on the upper level is Kilcawley Center's popular Chick-fil-A Restaurant offering delicious chicken that is 100% breast meat, no fillers or additives, and is hand-breaded in our kitchens. Visit Dine On Campus (<http://www.dineoncampus.com/ysu>) for meal plans, catering, campus places to eat, and today's menus including sustainability and nutritional information.

Pete's Treats is a popular place for quick snacks and beverages, along with U.S. postage stamps and single-dose healthcare items. Visit Pete's Treats to choose delicious chocolates and candy favorites in glass candy jars. Pete's Treats is located on the lower level of Kilcawley Center.

**Campus Meal Plans** are available for purchase and are offered with a variety of dining options. A YSU meal plan brochure is available at Meal Plans (<http://cms.ysu.edu/administrative-offices/housing-and-residence-life/meal-plan-information>). For answers to frequently asked meal plan questions or to purchase a meal plan, visit the YSU Chartwells webpage at Dine On Campus (<http://www.dineoncampus.com/ysu>).

Adding **Pete's Points** to your YSU ID card will allow you to debit your purchase at ANY Kilcawley dining location including Pete's Treats. Pete's Points are also accepted at many nearby locations both on and off campus and are listed at Times2Dine (<http://times2dine.yisu.edu>). Stop in the Kilcawley Center Staff Office for more information.

Chartwells provides a full catering menu for small group functions to large dinner buffets. Once you have secured a room reservation in Kilcawley Center, or a site location on or off campus, Chartwells catering director will help you coordinate every detail to ensure your event is a success—whether you are planning a quick box lunch or an elaborate buffet. Contact the Chartwell Catering Department at (330) 941-1979, visit Dine On Campus (<http://www.dineoncampus.com/ysu>), or visit the office located on the lower level of Kilcawley Center.

The Office for Student Experience is located on the upper level of the Kilcawley Center. This suite of offices includes the Kilcawley Center Staff Office, the Associate VP for Student Experience Office, and the Office of Student Conduct. The upper level of the Center includes Student Government, Student Activities, and the Office of Career and Academic Advising. The Andrews Student

Recreation and Wellness Center can also be accessed from the upper level of Kilcawley Center.

The YSU Info & PC Lab is where students can find popular software programs on the PCs and access to the Internet. The YSU Info & PC Lab serves as the information center and lost & found for the University, registers students for campus locker rentals, provides estimates for Kilcawley Resume and Typing Service, and offers for purchase 24-hour campus wireless access (ATT) cards. A fax service is also available and includes international faxing. YSU Info is located on the upper level of the Center near the main lobby.

Kilcawley Center's lower level west wing, houses the Center for Student Progress. The east wing of Kilcawley Center is Kilcawley House, where the Office of Housing and Residence Life and Mercy Health Student Health Clinic are located on the first floor.

## Mercy Health Student Health Center

The Mercy Health Student Health Center is located on the first floor of Kilcawley House, which is adjacent to Kilcawley Center. The entrance to the Center is located off University Plaza.

The Center provides health care to all currently enrolled YSU students – both resident and commuter students. Licensed physicians staff the Health Center twelve (12) hours per week during the semester. Appointments are required. Students must call (330) 941-3489 to schedule an appointment. During break weeks and summer term, the Center may have limited hours. Please call the Center for availability.

Health care is available for illness, injury, first aid, and routine health checks. Health screening tests, physical exams for sports and academic programs, gynecological exams, as well as consultations and referrals, are provided. Flu and other immunizations are also given; however, there are charges for these injections.

Office visits are free. Students do not need to have health insurance to use the Center's services. Blood tests, x-rays, lab tests, etc., ordered by a physician are done off campus at the student's choice of provider and at the student's expense.

Student records are kept strictly confidential. Information cannot be released to anyone without the written consent of the student. Certain public health diseases, however, must be reported to the Department of Health as required by law.

For more information, visit Student Health Clinic (<http://cc.yсу.edu/student-services/health/index.shtml>).

## Multicultural Student Services

The Center for Student Progress Multicultural Student Services provides the following services and programs to African American, Hispanic, Asian American, and Native American students:

- Academic support
- Workshops
- Faculty/staff mentoring
- Campus referrals and connections
- Starfish Early Alert warning progress reports
- Co-sponsoring of cultural events
- Advocating for minority students
- Summer Bridge and Bridge and Beyond Learning Community

Visit Center for Student Progress Multicultural Student Services (<https://cms.yсу.edu/administrative-offices/center-student-progress/multicultural-student-services>) for more information or call (330) 941-3538.

## Photo Identification Card

The Division of Student Experience issues a photo identification card to every student enrolled at the University. The student must carry the card while on campus. The use of this card is restricted to the student to whom it was issued. Lost or stolen cards must be replaced at the student's expense (see "Student Fees and Charges" for amount). To replace the card, the student must present proper identification (e.g. driver's license) in Kilcawley Center at the Penguin Xing and pay the applicable replacement fee. The photo identification card is the property of the University and must be surrendered by the student upon request by University officials.

## Student Diversity Programs

The Office of Student Diversity Programs serves to enhance our student's collegiate experience by contributing to an environment supportive of diversity and inclusion. As such, Student Diversity Programs supports individuals and student organizations to advance our culture of community. This promotes an environment conducive to cultivating relationships, creating a sense of belonging, encouraging personal growth and responsibility, and developing a strong set of interpersonal and professional skills for all students. Through the programs and services of this office students learn the value of civic engagement, cultural awareness, and gain an appreciation for diverse perspectives.

The Office of Student Diversity Programs is located on the lower level of Kilcawley Center directly off the International Student Lounge. The office hours are 8:00 a.m. - 5:00 p.m., Monday through Friday. Our phone number is (330) 941-2087.

## Student Tutorial Services

The Center for Student Progress Student Tutorial Services provides support for academic success by offering:

- Academic support in a variety of lower and upper division courses
- Appointments are scheduled on first come first served basis
- Students meet weekly at the same time/day with same Peer Tutor
- Tutors offer review sessions for exams
- Emphasis on clarifying content, providing opportunities to practice, and developing independent learning, critical thinking and problem-solving skills

Visit Center for Student Progress Student Tutorial Services (<http://cms.yсу.edu/administrative-offices/center-student-progress/student-tutorial-services>) for additional information as well as a tutorial schedule or call (330) 941-7253.

## Supplemental Instruction Services

The Center for Student Progress Supplemental Instruction Services (SI) offers academic support through a series of weekly guided review sessions for students enrolled in selected courses to assist students in doing their best.

- Regularly scheduled, weekly review sessions to guide students in course content and learning strategies.
- Peer-led by an experienced and successful student, who has been trained to facilitate learning through collaborative activities that integrate study skills.
- Free, voluntary and open to all students
- Students get together with classmates, compare notes, discuss important concepts, and develop strategies for studying the subject.

For additional information, visit the Center for Student Progress Supplemental Instruction (<http://cms.yсу.edu/administrative-offices/center-student-progress/supplemental-instruction-si-services>) website or call (330) 941-3538.

## Veterans Affairs

Located in the Veterans Resource Center at 633 Wick Avenue, the Office of Veterans Affairs (OVA) serves as a central location to discuss issues, questions, or concerns current and prospective military and veteran students may have regarding their enrollment. The university recognizes the sacrifice of military service and waives the undergraduate and graduate application and new student orientation fees for all veterans and currently serving military members. To have the application fee waived, the applicant must provide a DD Form 214 or other verification of honorable service in the armed forces of the United States.

After their initial registration, all military and veteran students are then qualified for the following veteran benefits at YSU:

- Priority registration
- Enrollment into select "Veterans Friendly" GER courses
- Voluntary membership into the "Armed Forces Student Association" (YSU's Student Veteran Organization)
- Evaluation of military training for possible college credit
- GI Bill counseling and certification
- Assistance with coordination of periods of military service during the semester
- Advocacy and counseling services
- Email information letters with pertinent information related to student veterans
- Special recognition at graduation

The OVA also works with the Office of Veterans Affairs Advisory Council, an independent body that guides and supports the university's efforts to serve those who have or are serving in the armed forces. The Council is a representative body drawn from faculty, students, staff, and the community.

The Veterans Resource Center (VRC) on campus at 633 Wick Avenue is a 6,000 square foot, fully handicap accessible facility that is the first of its kind at any university in Ohio. The VRC features lounge space, a computer lab, meeting rooms, a community/class room, kitchenette, ample office space for outside veteran-related organizations and much more. The VRC is open to all student veterans, currently serving military members and military dependents that are using veteran's education benefits.

Students and all interested parties can contact the OVA by visiting our OVA (<http://cms.ysu.edu/administrative-offices/veterans-affairs/office-veteran-affairs>) website, emailing us at [veterans@ysu.edu](mailto:veterans@ysu.edu), or calling the office at (330) 941-2503. Individual person-to-person meetings are available and encouraged.

## University Housing Housing & Residence Life

YSU owns and operates five housing facilities for students:

- **Kilcawley House**, located on University Plaza
- **Lyden House** and **Cafaro House**, located on Madison Avenue
- **Wick House** and **Weller House**, located on Wick Avenue

On-campus options for students range from traditional residence hall facilities to apartment-style housing.

On-campus living provides students many advantages and opportunities. University housing facilities are structured environments. Each is a small community, and as such, has procedures and regulations addressing such things as noise, safety, guests and security. University residence halls have full-time professional and part-time student staff that oversee the operation of the halls and assist students with the challenges of daily college life. Each facility has state-of-the-art building security systems. On-campus living is a good place to get to know many students in a short period of time. Sharing

bathrooms, lounge space, and corridors with a group means you can't help but make friends quickly. Being on campus also means that classes, the library, the student center, and the wellness center are never very far away.

For more information, see the Housing and Residence Life (<http://housing.ysu.edu>) website.

## Kilcawley House

Kilcawley House was constructed in 1965 and has undergone a complete renovation. This seven-story building can accommodate 224 students. Kilcawley residents live in double-occupancy rooms, complete with loft-style furniture, wall-to-wall carpeting, cable TV, Internet access, and plenty of flexible space. Rooms feature separate room-controlled heating and air conditioning. Lounges and study areas are available on each floor. A computer lab with Internet access is located in the basement. The basement also contains a TV lounge, a game room equipped with ping-pong and pool tables, a kitchen with vending machines, a 24-hour study area, and two music practice rooms. Its residents have the advantage of being located in the heart of the YSU campus and can use all of Kilcawley Center's facilities including a computer center, and copying service without going outdoors.

## Lyden House

When Lyden House opened, a new era began for on-campus housing at Youngstown State. The impressive five-story structure reflects a traditional collegiate gothic style with clean, contemporary lines. Lyden House, located just north of campus along Madison Avenue, houses 300 students. A typical student room is approximately 12' x 17' and houses two students. In addition to a bunk bed, which can be stacked, lofted, or separated, each student has a desk and chair, a dresser, a shelving unit and an armoire wardrobe unit. The furniture is uniquely designed to interchange to suit the individual student's tastes in personal decor.

Rooms also feature separate room-controlled heating and air conditioning units, cable TV, vertical window blinds, overhead lighting and tiled floors. Each room has high-speed Internet access. All rooms in Lyden are designed to be handicapped accessible.

Each wing of this beautifully designed residence hall includes convenient shower and restrooms, quiet study rooms, and comfortable conversation lounges. Students have full access to a kitchenette/vending area, fitness room, computer lab with Internet access and laundry facilities in the lower level of Lyden. A convenient parking area is also available adjacent to Lyden House.

## Cafaro House

Cafaro House is coed, housing 274 students. The facility, which opened fall 1995, houses participants in the University Scholars Program, BSMD program, and Honors College.

Enclosed suites rather than traditional rooms accommodate 4-18 residents, with individual rooms branching off each suite area to house two residents. One traditional hallway is located on the first floor. Each room has cable TV, and high-speed Internet access.

In addition to providing a variety of lounge and recreational spaces similar to Kilcawley and Lyden, this facility also has academic spaces such as a seminar room, computer lab, and music practice rooms.

## Wick House

Located on Wick Avenue next to the Arms Family Museum of Local History and near the Butler Institute of American Art. Wick House is a restored mansion that was at one time the home of the Wick family. This residence hall offers unique living spaces for 33 upperclass residents. Rooms vary in size and design, accommodating one to three residents, and several rooms

offer private bathrooms. Rooms are furnished with beds, desks, and wardrobes similar to those found in Lyden House.

Wick House provides a kitchenette and large lounge on the first floor and laundry facilities in the basement. Ample parking is available adjacent to the building.

## Weller House

Weller House is located along Wick Avenue next to Wick House. Weller House has also recently undergone a complete renovation and accommodates 17 graduate resident apartments.

Having opened in fall 1991, this facility offers apartment-style on-campus living, each unit having a full bathroom with tub and/or shower, a kitchen, high-speed internet access, cable TV, an electric range, refrigerator/freezer, garbage disposal, full size bed and dresser, and a dining table. Apartments vary in size and are designed to accommodate a single student as well as a couple with children.

Weller also offers students a community room and convenient laundry facilities on the lower level.

## University Courtyard Apartments

Established in 2003, University Courtyard Apartments is an added addition to the student housing community, of which the apartments are an ideal option for YSU students wishing to live on campus and still have all the comforts of home.

In 2010, Youngstown State University, obtained ownership of University Courtyard Apartments. The community is located in the Wick Oval area, just minutes away from the center of campus and adjacent to Bliss Hall, home of the College of Creative Arts and Communication. The community is comprised of one, two, and four bedroom apartments and each apartment comes equipped with an appliance package that includes a full size refrigerator, stove, microwave and dishwasher. In addition, the units are fully furnished and equipped with ceiling fans and mini-blinds. Residents can take advantage of the planned activities, computer labs, study lounge, fitness center and recreation area in the courtyard that includes a basketball and volleyball court and grills. The rent is all-inclusive, which means the residents pay one amount for everything including all utilities, Wi-Fi, high-speed internet access and basic cable TV, and charges are assessed through the students portal account. University Courtyard Apartments provide an ideal way to "study hard and to live easy."

## Christman Dining Commons

The Christman Dining Commons serves students with an on-campus resident meal plan or on a per-meal cash basis. The Commons is located adjacent to both Lyden House and Cafaro House and is easily accessible from Elm Street, Madison Avenue, and Custer Street.

This gracious single-floor dining facility architecturally complements Lyden and Cafaro Houses, seats 300 and will serve over 600 per meal.

The Commons offers a wide variety of menu options to campus residents, from self-serve cold foods, beverages, and snack selections to staff-served grille specialties and hot entrees.

Various meal plans are also available to those current students not living in University-owned facilities.

## Application for Housing

Applications are available online at the Housing and Residence Life (<http://housing.yosu.edu>) website.

In order to be accepted for University Housing, a student must first be admitted to the University. Space is allocated on a first-come first-served

basis. If you have not yet applied to the University, contact the Office of Admissions at (330) 941-2000.

## University Housing Partners

### Buechner Hall

Buechner Hall, a privately owned and operated women's residence hall, is located near the center of campus. Although this facility is not operated by University Housing, cooperation and regular communication ensure that the women residents are integrated into campus life.

Designed and built expressly for women, Buechner Hall is operated by the Buechner Foundation, a private, not-for-profit corporation, and is maintained by funds from the original bequest. The Foundation partially underwrites every resident's cost. Located on the YSU campus, Buechner Hall houses 72 women in single and double rooms. The air-conditioned rooms are completely furnished and are cleaned weekly by the housekeeping staff. The dining room provides 15 home-cooked meals a week and weekend cooking facilities are also available. The building has an elevator and sprinkler system, and laundry facilities on each floor. Staff and security guards provide maximum 24-hour security service. A beautiful and immaculately maintained building, Buechner Hall is conducive to a quiet study environment. It is located at 620 Bryson Street, Youngstown, OH 44502. Telephone: (330) 744-5361.

### Independent Living

Off-campus housing is an attractive option for many students. In the greater Youngstown area, there is a wide variety of apartments, houses, and rooms for rent at surprisingly reasonable rates. Much of this housing is within walking distance to campus so students without their own automobile are able to take advantage of it. Many students with transportation opt to live further from campus.

Whatever kind of housing you are interested in, please see options on our website at Housing and Residence Life (<http://housing.yosu.edu>).

## Lockers

Campus lockers are available in Bliss Hall, Moser Hall, and Cushwa Hall at a cost of \$25. A lock is provided by the university and is mandatory for the duration of use. The university assumes no responsibility for property stored in the locker, and all items must be removed at the end of each academic year. Details and rentals are available at the YSU Info & PC Lab located on upper level of Kilcawley Center or at (330) 941-3516.

## Student Activities

Youngstown State University offers a broad range of campus activities geared toward enriching and expanding the student experience beyond the classroom. Participating in student government, intramurals, student publications, art and music groups, and student organizations gives students opportunities to make new friends; meet people from backgrounds, cultures, and perspectives different from their own; develop leadership skills; and balance the demands of university life with the need for relaxation and recreation.

For more information visit the Student Activities (<http://cms.yosu.edu/administrative-offices/student-activities/student-activities>) page.

## Penguin Productions

Penguin Productions is a student group under the Division of Student Experience charged with assessing, initiating, implementing, and evaluating major events for almost 13,000 students on the campus of Youngstown State University.

Penguin Productions conducts campus-wide assessments of students' entertainment interests and identifies possible performers and venues. Performers such as Elton John, Korn, Sugarland, and Danity Kane have come

to campus or the downtown Covelli Centre. Penguin Productions plans Fall Fire Fest and Federal Frenzy, two campus traditions.

Working with Penguin Productions carries no academic credit or pay, but participants get a behind-the-scenes look at events planning, concert staging, ticket management, and other concert business, including meeting the performers.

For more information about upcoming events or becoming a Penguin Productions board member, please call (330) 941-3575.

## Student Organizations

There are over 200 student organizations ranging from academic and social awareness to cultural, Greek, and Student Government. Students are invited to take the first step and discover something that engages their interests. Student organization mailboxes are located in the Student Activities Office, Room 2082, Kilcawley Center.

The following is a partial list of the organizations available at YSU. A complete searchable listing of registered student organizations at YSU, is available on the Student Organization Directory (<http://cms.ysu.edu/administrative-offices/student-activities/student-organization-directory>) web page.

- African Student Union
- Alpha Kappa Alpha Sorority
- Alpha Phi Delta Fraternity
- Alpha Omicron Pi Sorority
- Alpha Xi Delta Sorority (AXD)
- American Institute of Chemical Engineers
- American Marketing Association
- American Society of Civil Engineers
- American Society of Mechanical Engineers
- Anthropology Colloquium
- Armed Forces Student Organization
- Black Student Union
- Bowling Club
- Campus Crusade for Christ
- Catholic Student Association
- Chi Alpha
- College Conservatives
- College Democrats
- Dana Flute Society
- Dance Club
- Dance Ensemble
- Delta Sigma Theta Sorority
- Delta Zeta Sorority
- Early Childhood Association (YSU ECA)
- Economics Club
- Enactus
- Environmental and Animal Rights Coalition
- Environmental Studies Society
- Exercise Science Club
- Food and Nutrition Students
- Film Club
- Golden Key National Honor Society
- Greek Campus Life
- Guitar Association
- Hospitality Management Society
- Ice Hockey Club
- Institute of Industrial Engineers

- Interfraternity Council
- Iota Phi Theta Fraternity
- Jazz Society
- Jewish Student Organization
- Lacrosse Club Team (Club Sports)
- NEOMED
- National Pan-Hellenic Council (NPHC)
- Ohio Collegiate Music Educators Association
- Orthodox Christian Fellowship
- Panhellenic Council
- Penguin Trombone Society
- Phi Alpha Theta (National Honor Society)
- Phi Kappa Phi (National Honor Society)
- Phi Sigma Rho Engineering Sorority
- Physical Education Club
- Rock Climbing Club
- Rookery Radio
- Rotaract
- Rugby
- Running Club
- Sigma Alpha Epsilon Fraternity (SAE)
- Sigma Chi Fraternity (SC)
- Sigma Tau Gamma Fraternity (STG)
- Skating Club
- Slavic Student Association
- Society of Human Resource Management
- Society of Women Engineers
- Sociology Club
- Spanish Club (Los Buenos Veciños)
- STEM Leadership Society
- Student American Dental Hygienists Association (SADHA)
- Student Athlete Advisory Committee (SAAC)
- Student Organization for Respiratory Care
- Student Physical Therapy Association
- Student Social Work Association
- Students In Fashion and Interiors
- Tau Kappa Epsilon Fraternity
- Theta Chi Fraternity Colony
- Urban Gaming Club
- Women's Lacrosse Club
- YSUnitysogie Society
- Zeta Tau Alpha Sorority
- Zeta Phi Beta Sorority

## Greek Life

Greek Life at YSU affords students the opportunity to gain leadership experience and develop a positive social outlet. There are 11 Interfraternity, National Pan-Hellenic Council, and Panhellenic groups from which to choose.

For more information visit the Greek Life (<http://cms.ysu.edu/administrative-offices/greek-life/greek-life>) page.

## Department of Campus Recreation - Andrews Student Recreation and Wellness Center

The Department of Campus Recreation is located in the Andrews Student Recreation and Wellness Center. This state-of-the art facility contains more

than 140 pieces of strength and conditioning equipment. Located near the free-weight and cardio area is the Center's impressive rock wall, at 53 feet Ohio's tallest. Volleyball, basketball, and other activities are situated within the multi-purpose sports forum, which contains four courts. The spacious aerobic studios are home to many group exercise classes and are adjacent to the 1/8-mile indoor track, both on the top floor of the facility.

The Andrews Center also includes a tranquil meditation studio, full-functioning locker rooms, and the Wellness Resource Center. In addition to the Andrews Student Recreation and Wellness Center, the Department supervises programs in Beeghly Physical Education Center, Stambaugh Stadium, and the outdoor complexes (Farmer's Field and Harrison Field).

Participants must have a valid YSU ID card to use the facilities, equipment, services, and programs offered by the Department of Campus Recreation.

The Department is one of the most popular places on campus to be employed. If you are interested in applying for a position, please register for the Semesterly job fair at the department's or complete the department application, including a completed cover letter and resumé, which can be found online at Campus Recreation (<http://cms.yosu.edu/administrative-offices/campus-recreation-and-wellness/campus-recreation>).

For additional information about the Department of Campus Recreation, please contact (330) 941-3488 or visit the Campus Recreation website. (<http://cms.yosu.edu/administrative-offices/campus-recreation-and-wellness/campus-recreation>)

## Campus Recreation Club Sports

The Club Sports program at Youngstown State University provides opportunities for students who desire a more in-depth sports experience than is provided in the Intramural and/or open recreation program. The focus of the Club Sports program blends the aspects of learning new skills, practicing with club members, and possibly competing with other clubs while continuing with your love of a particular sport way long after high school. It also provides a great opportunity to meet new people and become more involved with campus life at YSU. Broaden your college experience and create or join a Club Sport today. Don't see the club sport you want? Start your own. Contact Tessa Padilla in regards to starting your own team! Tessa Padilla at 330-941-2239 or by email at [tdpadilla@ysu.edu](mailto:tdpadilla@ysu.edu).

Current club sports include:

- Bass Fishing
- Bowling
- Equestrian
- Fencing
- Hip Hop Dance
- Ice Hockey
- Ice Skating
- Men's Lacrosse
- Men's Volleyball
- Paintball
- Racquetball
- Rock Climbing
- Running Club
- Soccer
- Trap Shooting
- Ultimate Frisbee
- Women's Lacrosse
- Women's Rugby
- Women's Volleyball
- Wrestling

## Student Government Association

The student body of Youngstown State University is represented by Student Government, which operates under constitutional powers granted by the University. The legislative branch of Student Government is composed of representatives from the six undergraduate colleges and the School of Graduate Studies and Research, in proportion to the enrollment of each. All meetings of student government representatives are open to the student body.

Student Government exercises the power to conduct student elections, to recommend students to serve as members of joint faculty-student committees, and to supervise programs financed from its operating budget.

Student Government selects nominees for the two student positions of the University Board of Trustees.

For more information visit the Student Government (<http://sga.yosu.edu>) page.

## The Jambar

The University supports two student publications that provide an avenue for students to express their literary and artistic talents. Policies and procedures concerning student publications are prepared, reviewed, and applied by the Student Publications Committee.

The *Jambar*, a newspaper published once a week, and *The Penguin Review*, a literary annual, are recognized student publications on campus.

## Theater and Dance

All students are encouraged to get involved in University Theater, Dance and Film productions and classes. Opportunities exist for students to perform on stage, work in tech and Design areas as well as participate in student film productions. Auditions, Classes, and productions are regularly scheduled throughout the academic year. Please check out our Facebook page "YSU Department of Theater and Dance" to find out about upcoming ways to get involved!

Membership in the Eta Phi chapter of Alpha Psi Omega, the country's largest and most active honorary dramatics society, is open to YSU students who distinguish themselves in both theater and scholarship. Membership in dance ensemble is done by audition.

Major University Theater productions are presented in Bliss Hall, the performing arts complex which contains Ford Theater, a 400-seat standard proscenium theater, and the Spotlight Theater. Besides accommodating major productions, the Spotlight Theater also serves as a laboratory for student directed plays, various workshop activities and classroom activities.

With an emphasis on "learning by doing," YSU theater and dance students apply classroom theories and techniques in numerous campus productions. An active guest-artist program has also brought them into working contact with noted practitioners from the professional world. Participation in The Kennedy Center American College Theater Festival and The American College Dance Festival offer undergraduate research opportunities to students.

For more information visit the Theater and Dance (<http://www.yosu.edu/academics/college-creative-arts-and-communication/theater-majors>) page.

## Music

Many campus musical ensembles are open to all students of the University. For these, see the Dana School of Music in the College of Creative Arts and Communication section of this *Bulletin*.

For more information visit Dana School of Music (<http://www.yosu.edu/academics/college-creative-arts-and-communication/dana-school-of-music>).

## Art

Student and faculty art exhibitions, including two annual graduating BFA exhibitions, are held in the John J. McDonough Museum of Art on the YSU campus. The McDonough Museum also exhibits work of nationally and internationally known artists. The Butler Institute of American Art (<http://butlerart.com>), a private institution located in the midst of the YSU campus, sponsors two annual competitive exhibitions, the area annual and the national mid-year, to which students are encouraged to submit work. The Judith Rae Solomon Gallery, located on the 2nd floor of the College of Creative Arts and Communication's Bliss Hall, is used throughout the year for various student and faculty exhibitions, in addition to exhibitions of visiting artists. The Student Project Gallery located in the lower addition of Bliss Hall, is a space dedicated to give students opportunities to exhibit their artwork.

The Student Art Association sponsors an annual exhibition of the work of Youngstown State University students. The work is displayed at the McDonough Museum of Art (<http://www.yzu.edu/mcdonough-museum>) during the month of April, with awards given from various donors. Other area venues also exhibit student work, such as The Oakland Center for the Arts, Trumbull Art Gallery, and the Art Outreach Gallery at the Eastwood Mall.

For more information visit the Department of Art (<http://artdept.yzu.edu>).

## Intercollegiate Athletics

Intercollegiate athletics are conducted at Youngstown State University to meet the needs and interests of the entire student body as spectators or participants in healthful amateur sports. Tryouts are open to any student who qualifies under the Youngstown State University, NCAA, and conference eligibility regulations. Men's teams compete in intercollegiate baseball, basketball, cross country, football, golf, tennis and track and field. Women's intercollegiate teams compete in basketball, bowling, cross country, golf, soccer, softball, swimming and diving, tennis, track and field and volleyball.

The University's intercollegiate athletic programs are governed by the National Collegiate Athletic Association (NCAA).

Students are encouraged to participate as athletes, cheerleaders, trainers, managers or scorekeepers in any of the varsity sports. Students who want to try out should contact the head coach of the sport of interest in either Beeghly Center or Stambaugh Stadium.

See the **YSU Athletics** website for more information.

## Honorary Organizations

Honorary organizations related to academic fields and departments recognize outstanding achievement by University students. Many of these organizations are local chapters of national honor societies, which provide national recognition and local scholarships.

For more information on honorary organizations in your area of academic concentration, contact the faculty department chairperson of that area, or the Student Activities Office (<http://cms.yzu.edu/administrative-offices/student-activities/student-activities>), second floor, Kilcawley Center.

- Alpha Epsilon Delta - Honorary Premedical Society
- Alpha Kappa Mu - Historically African-American Honor Society
- Alpha Lambda Delta - Freshman Honor Society
- Alpha Phi Sigma - Criminal Justice Honor Society
- Alpha Psi Omega - Drama Honorary
- Beta Alpha Psi - Accounting and Finance
- Beta Gamma Sigma - Business
- Chi Sigma Iota - Counseling Honorary
- Eta Sigma Gamma - Health Education Honorary
- Golden Key - National Honor Society for achievement in all undergraduate fields of study

- Kappa Delta Pi - Education Honor Society
- Kappa Omicron Nu - Human Ecology
- Lambda Pi Eta - Communications Studies
- National Society of Collegiate Scholars
- Omega Chi Epsilon - Chemical Engineering
- Omicron Delta Kappa - Leadership
- Order of Omega - Greek Letter Honor Society
- Phi Alpha Theta - History Honorary
- Phi Epsilon Kappa - Physical Education
- Phi Kappa Phi - National Honor Society for achievement in all fields
- Pi Mu Epsilon - Mathematics Honorary
- Pi Sigma Alpha - Political Science
- Psi Chi - Honorary Psychology
- Sigma Alpha Lambda - National Leadership and Honors Organization
- Sigma Pi Alpha - Human Resource Management
- Sigma Theta Tau - Nursing
- Society for Collegiate Journalists
- Tau Beta Pi - Engineering Honor Society
- Theta Alpha Kappa - Religious Studies & Theology
- Upsilon Pi Epsilon - Computing & Information Disciplines

## YSU Annual Awards

The University has established a series of awards to recognize excellence and to encourage participation in campus life. The awards are presented annually at the Student Activities Awards Banquet in the spring. Each year students, faculty, and staff are invited to nominate outstanding individuals and organizations for these prestigious awards. Selections will be made by a committee composed of students, faculty, and staff. Details regarding this program and the different awards listed below may be obtained from the Student Activities Office.

### Cardinal Newman Service Award

The Cardinal Newman Award is given to a graduating senior who, through service to the Newman Center, Catholic Student Association, the Youngstown State University as a whole, and to the wider community, has embodied Cardinal Newman's motto, thus allowing their own feats to be spoken to others in service and in recognition of the responsibility we each have to care for our neighbor.

### Constellation Award-Outstanding University-wide Programs

This award recognizes an outstanding University-wide event sponsored by a registered YSU student organization. The program must be distinguished by its inclusion of the University community and the program's contribution to the quality of student life.

### DeCrane-Houser Award

Scholarship for a student who has been active at the Newman Center. It is in honor of Arthur DeCrane, who was the first Catholic campus minister for Youngstown College and also for the late Judge William Houser, who was active in the Newman Center while going to school here. Judge Houser's family donated a large sum of money to make this scholarship available upon his death.

### Emerging Leaders Program

The Emerging Leader Program provides students with an opportunity to develop and refine the knowledge and skills essential to leadership. Students who complete the program receive designation on their official University transcript, cords for their academic regalia, and a YSU Leadership pin.

## Gillespie-Painter Award

To recognize outstanding achievement in support of the Division of Student Affairs at YSU beyond the scope of assigned duties. All members of the Division of Student Affairs are eligible for this award.

## The John J. Gocala Service Award

The John J. Gocala Service Award was established by the Student Government Association during the 2008-09 academic year to recognize the commitment and contributions of John J. Gocala during his tenure as YSU Police Chief.

The intent of the award is to recognize one individual within the university community who has gone above and continues to go above and beyond the call of duty to serve the first-class reputation and traditions of Youngstown State University.

The individual must truly work to preserve the best interests of the YSU campus and community.

## Kocinski Award

The Kocinski Award is given in honor of Marilyn Kocinski, who taught dance at YSU in the Department of Human Performance and Exercise Science from 1960 to 1983.

Her family was responsible for instituting the award in the late 1990s in her memory. The award is presented to a senior student who has played a significant role as a student leader in the YSU Dance Ensemble and who demonstrates academic integrity as well as artistry and creativity in the field of dance.

## Libra Award-Outstanding Advisor

The Libra Award is presented to the outstanding faculty/staff advisor of a registered student organization. The award is designed to recognize the contributions and commitment to furthering student leadership development made by advisors.

## Dr. Martin T. "Marty" Manning Award

The Martin T. "Marty" Manning Award, established during the 2010-2011 academic year by the Student Government Association, is in honor of the late Dr. Martin T. "Marty" Manning. The award is in recognition of the superior student mentoring of Dr. Manning.

The award is given to a full- or part-time student, administrator, faculty or staff member, or alumnus/a who has exemplified the student-mentoring capacity that Dr. Manning so consistently displayed throughout his Youngstown State University career.

## Dr. Charles A. McBriarty Award

This award was established by Student Government during the 1992-93 school year to recognize and remember the commitment and contributions to students and student services by Dr. Charles McBriarty during his tenure as Vice President for Student Affairs. Its intent is to recognize individuals within the university community who have a reputation for being exceptionally student-oriented and who possess the traits, ethics, and friendly style exhibited by Dr. McBriarty.

## Edna K. McDonald Cultural Awareness Award

Award to recognize an outstanding individual who has made a lasting contribution to encourage and increase awareness of cultural diversity at Youngstown State University. All faculty, staff, students, and members of the extended YSU community are eligible for the award.

## Mentor of the Year

This award honors the faculty or staff mentor who has contributed the most during the past year to the development of a YSU student.

## Multicultural Student Services Leadership Award

The Multicultural Student Services Leadership Award recognizes up to two minority students served through the Center for Student Progress who have achieved academic success and demonstrated effective leadership in promoting cultural awareness to the campus and community.

## Nova Award-Outstanding New Student Organization

Recognizes a newly registered student organization exhibiting initiative in organizational development and strong potential to contribute to the quality of life as a recognized student organization at Youngstown State University.

## Orion Award-Outstanding Student Organization

The Orion Award recognizes an exceptional student organization for its outstanding leadership and service to the University community during the current academic year.

## President Cynthia E. Anderson Lifetime Achievement Award

Awarded to a full-time student who has exhibited an extended commitment and dedication to serving the student body through various positions on Student Government.

## Sirius Award-Student Employee of the Year

This award recognizes student employees who have made outstanding contributions to their employers and demonstrated skills and commitment above and beyond expectations.

## Smith-Murphy Award

The award shall be given to one full-time faculty member each year. The recipient shall possess the qualities of Lester Smith and Gratia Murphy and display a genuine concern for the well-being and success of the students he or she teaches.

## Student Government Spirit Award

Given by Student Government to a member of the campus or Youngstown metropolitan community who has displayed enthusiasm for the work of YSU Student Government over the past academic year.

## Student Service Award

To recognize an outstanding individual who has demonstrated exceptional commitment to the students of YSU. All faculty, staff (excluding the Divisions of Enrollment Planning and Management, Student Experience, and Student Success), and members of the University community are eligible for this award.

## Gina Tenney Memorial Scholarship

Gina Tenney was one of YSU's best and most dedicated students. Before her tragic death in 1985, Gina had been actively involved in campus life and had achieved excellent academic standing. She served in Student Government and was a student assistant in the Student Services Office. She was also active in the University Theater Department. In honor of Gina's memory, the Gina Tenney Memorial Scholarship Fund was established in January of 1986 by the YSU Student Government.

## YSU Pin

Begun more than 60 years ago, in 1948, the YSU pin recognizes up to five graduating seniors who have achieved academic success and demonstrated outstanding leadership, motivation, and creativity in University and community activities.

## The Luke N. Zaccaro Award

The Luke Zaccaro Award is given to a YSU student who may be a member of Student Government. The individual should have done something exceptional

for the university, Student Government, or fellow students during the course of the current year.

## Other Awards and Prizes

### YSU Leadership Scholarship

The YSU Leadership Scholarship recognizes outstanding students for their contribution to and leadership in campus activities. Each year up to seven students are awarded \$600 for Fall tuition and fees.

### The Greek Campus Life Awards for Scholarship

Given annually to the fraternity and sorority chapter with the highest aggregate point index and to the member of a fraternity with the highest individual point index, based on the academic work of the previous two semesters. The awards are presented during the spring semester at the annual Greek Sing competition.

### Who's Who Among Students in American Universities and Colleges

A list of upper-class students and graduate students achieving outstanding academic and curricular records.

## Student Conduct

### Student Conduct

Students at YSU have an obligation to conduct themselves in a manner that is compatible with the University's purpose as an institution of higher education. The policies and regulations in *The Student Code of Conduct* have been established to ensure a positive educational experience for every student. Each student is expected to be fully acquainted with all published policies, procedures, and regulations of the University and is held responsible for compliance with them. Therefore, all students should take time to familiarize themselves with *The Student Code of Conduct*, residence hall policies, university lease agreements, student organization policies, and other related policies to ensure they are aware of both the expectations of them and the rights afforded to them as a member of the university community.

Students who are believed to be in violation of *The Student Code of Conduct* or other university policies will be referred to the Office of Student Conduct for a conference and possible hearing. The student conduct process at YSU adheres to procedural due process and is intended to be part of the larger university educational process. Therefore, outcomes of student conduct hearings wherein students are found responsible for violations of *The Student Code of Conduct* may include educational sanctions, fines, status changes, restriction of privileges, and even expulsion from the University.

In the event that a member of the university community needs to report a potential violation of *The Student Code of Conduct*, they can contact a staff member from Housing & Residence Life, University Courtyards, Student Experience, Student Conduct, or Youngstown State University Police Department. Additionally, the YSUPD website has a Confidential Tip Form that can be used to provide anonymity to the reporting person.

More information and the full text of *The Student Code of Conduct* can be found on the Student Conduct website (<http://cms.ysu.edu/administrative-offices/student-conduct/welcome-student-conduct>).

## Academic Resources

### The Writing Center

The YSU Writing Center is operated by the Department of English to provide individualized instruction in writing for all students. The goal of the Center is to help clients become more independent, confident, and successful writers.

The Writing Center staff includes faculty, graduate assistants or interns, undergraduates, and a full-time coordinator.

Services include one-to-one feedback on any writing task, at any stage, for any course, as well as peer-group reviews, workshops, and access to instructional handouts. The services offered by the YSU Writing Center are free of charge to all registered YSU students.

The Writing Center is located on the lower level of Maag Library, Room 171. Writing Center hours are Monday through Thursday 9 a.m. – 5 p.m., and Friday 10 a.m. – 1 p.m. Students can schedule appointments through WOnline (<https://ysu.mywconline.com>). Consultants are also available for walk-in sessions on a first-come, first-served basis. Evening, weekend, and satellite hours at Stambaugh Stadium and the Veterans Resource Center vary by semester.

For more information about the Writing Center, please call (330) 941-3055, visit the Writing Center (<http://cms.ysu.edu/writing-center/writing-center>) website or e-mail [wcenter@ysu.edu](mailto:wcenter@ysu.edu). Appointments outside regular hours, online advice for distance learning students, and extended sessions for papers longer than 10 pages (i.e. capstone projects) can also be arranged.

## Mathematics Assistance Center

The Mathematics Assistance Center (MAC) is an academic support service integrated with the Department of Mathematics and Statistics. Its mission is to offer YSU students assistance in the strengthening of their fundamental mathematics skills necessary for success in the study of mathematics. This mission is accomplished through services provided such as one-on-one or group tutoring and the provision of resource materials for independent study.

The MAC has many services available to currently enrolled YSU students. The main service, tutoring, is provided to students currently enrolled in mathematics courses ranging from elementary algebraic modeling through calculus. In addition, other services such as computer-assisted instruction, video-based instruction, mathematics course solutions manuals, some mathematics "hand-outs" for selected topics, and specific workshops (offered as needed and as resources permit) are available to any currently enrolled YSU student.

The Mathematics Assistance Center (MAC) operates on a **walk-in** basis during business hours (listed below) at its location in Room 408, Lincoln Building. The staff of the MAC consists of a coordinator, assistant to the coordinator, graduate and undergraduate tutors, and student office assistants.

For any additional information, call the Mathematics Assistance Center (MAC) at (330) 941- 3274. Hours for fall and spring semesters: Monday through Thursday, 9:00 a.m. to 5:00 p.m., and Friday, 9:00 a.m. to 3:00 p.m. For summer hours, call the MAC. For more information, visit the Mathematics Assistance Center (<http://cms.ysu.edu/mathematics-assistance-center/mathematics-assistance-center-mac>) website.

## Reading and Study Skills Center

The Reading and Study Skills Center provides individualized and course instruction in improving reading rate and comprehension as well as enhancing strategies for studying at the college level. Staffed by instructors, graduate students, undergraduate peer tutors, an administrative assistant, and a coordinator, the Reading and Study Skills Center primarily maintains classes and tutoring sessions for RSS 1510A Advanced College Success Skills, RSS 1510B Basic College Success Skills and RSS 1510C STEM Advanced College Success Skills – courses students may be mandated to take based on the COMPASS® Reading Test (CRT). RSS 1570 Approaches to Professional Assessments and RSS 1571 Approaches to Professional Assessments/ Applications are currently designed to assist students preparing for the CORE. Only students who are taking or completed their college level English and math requirements may register for this course. Additional services offered by the Reading and Study Skills Center include individual tutoring, college success workshops, and assistance with preparation for standardized tests such as APK, MCAT and GRE. Students may call or visit our website to schedule an

appointment for individual tutoring or to view the semester calendar of free workshops.

The workshops and individualized tutoring are free of charge to all registered YSU students. The Center is located in the lower level of Maag Library. For more information, contact the Reading and Study Skills Center, telephone (330) 941-3099, e-mail [rdgstudyskillsctr@ysu.edu](mailto:rdgstudyskillsctr@ysu.edu), or visit the Reading and Study Skills (<http://cms.ysu.edu/administrative-offices/reading-and-study-skills/reading-and-study-skills-center>) website. Follow us on Twitter for workshop announcements and tips: @YSU\_StudyHelp.

## Maag Library

The six-story William F. Maag Library is an attractive, comfortable, yet technically advanced environment for study and research at the center of the YSU campus. Maag Library provides comprehensive information services as well as access to information in print, analog, micro and digital formats. A professional staff provides in-depth assistance in a wide variety of disciplines. Maag Library is open for on-site use more than 80 hours per week during the term. Virtual access to library services, the on-line catalog, and direct digital information resources is available via MaagNet, providing constant access from home or office.

Maag Library is a member of OhioLINK, a statewide library and information network linking the libraries of all of Ohio's public and private colleges and universities. OhioLINK provides straightforward, easy access to a combined collection of over 39 million items. The vast majority of this state-wide collection is open to patron-initiated borrowing with rapid delivery to any member site. The network also provides access to over 100 indexing and abstracting databases in a wide variety of disciplines and direct access to the full text of over 8,000 scholarly journals. OhioLink currently provides direct Internet access to a wide variety of audio, visual, and primary-source materials.

Maag Library itself offers instructional and research materials in books, periodicals, microforms, CD/DVD, and sound recordings to a combined catalog of over 1.5 million records. These holdings number close to 100,000 government documents (with access to millions on-line), 700,000 bound volumes, and 900,000 microforms. Periodicals, microforms, and micro-readers are housed on the third floor. Copiers are available for self-service. User service points such as reference and circulation, as well as most staff offices, are conveniently located on the Library's entrance floor. The book collection is in open stacks, with split-level design between stack and reading areas. Study rooms and carrels are located on five of the floors.

Maag Library houses contemporary computer workstations, connected to a high-speed network, located throughout the building. The fourth floor of Maag houses a general-purpose productivity computer lab that is open to faculty and students as many hours as the library is open. Moreover, laptop computers with wireless network connections can be checked out for use anywhere in the library. In addition, any YSU faculty, staff or student with a wireless device is able to connect to the Maag wireless hubs.

Two group study rooms on the fourth floor offer unique accommodations including multiple presentation viewing for laptops and improved wireless connections. Rooms can be checked out at the circulation desk.

In 2004, Maag Library initiated the development of the Archives and Special Collections unit. Located on the fifth floor of Maag, this unit not only collects and preserves documents detailing the history of YSU and its environs but also is developing the capacity to provide searchable Internet access to its entire collection. The Maag Multi-Media Center on the third floor contains over 20,000 phonograph recordings, audio and video tapes as well as audio and data disks. The collection is strong in recordings of opera, jazz, and the collected works of J.S. Bach. A significant effort is currently underway to digitize most of the collection's analog recordings.

The Curriculum Resource Center (CRC) located in the Beeghly Hall College of Education is also a vibrant part of Maag Library, offering curriculum materials and support for students in education.

The lower level of Maag Library houses the Writing Center, The Reading and Study Skills Center, the English Language Institute, and the Center for Communication Excellence.

## Information Technology Services

YSU's Information Technology Services (ITS) mission is to provide services to meet the technology needs of students, faculty, and staff. ITS includes Computer Services, Media and Academic Computing, ITS Operations, Website Management, and Network Telecommunications and Security.

The ITS Tech Desk is the primary point of contact for technology customer support needs and is located on the fourth floor of Maag Library. Support is provided by phone and in person. The Tech Desk provides first-level technical support of all the YSU computer systems, telephones, and assists faculty, staff, and students with password-related problems, helps students with installing "academic-related" software, and configuring their devices to connect to the YSU wired and wireless networks. More information is available at the Tech Desk (<http://cms.ysu.edu/administrative-offices/media-and-academic-computing/tech-desk>) website.

Overall, ITS provides:

- Administrative and Student systems including registration and finance
- Desktop technology support in labs and offices
- Classroom technology support
- Wired and Wireless networking and security
- Telephony technology support (desktop and cellular)
- Data Center Operations
- Website technology support
- Electronics repair
- Academic technology support

More than 4,000 online technology devices, including personal computers, printers, and multimedia systems are located on campus. Personal computers are available on campus for instruction and research. Currently, more than 80 labs exist within the 14 campus buildings. This is a comprehensive list of all computer labs and the hardware and software they contain: <http://mac.ysu.edu/~maclabs>. Selected classrooms are equipped to facilitate broadcast quality, full-motion video distribution, and distance-learning opportunities. The YSU Network provides faculty, staff, and students the opportunity to access networks and current-generation computer hardware and software via a high-speed state-of-the-art network infrastructure. A Virtual Private Network (VPN) is provided for remote access to campus. A campus-wide wireless network provides mobility for students and employees. AT&T Wi-Fi services are also available for visitors.

Detailed information on technology support and services is provided on the ITS (<http://cms.ysu.edu/administrative-offices/information-technology-services/its-home>) website.

## Laboratories

In addition to the Computer Center, Youngstown State University offers students a wide range of up-to-date laboratories and equipment across campus.

Located in DeBartolo Hall, the **Language Learning Resource Center** is a state-of-the-art foreign language lab facility designed for both classroom use and individual study in second-language acquisition and the study of foreign languages, literatures, and cultures.

The LLRC audio lab was completely renovated and remodeled in 2009. The new audio lab carrels are equipped with the most current digital Sanako hardware and software for language learning. The audio lab, which is reserved for foreign language study, has 30 student stations each equipped with Dell personal computers with CD-RW/DVD-ROM combo drives, Windows 7, and Tandberg Educational headphones. With Sanako, a digital audio or video file

may be played back from a program track while students simultaneously record their response on the student track. The LLRC computer lab has an additional 50 student Dell personal computers and is an open lab when not in use for a class. Student assistants are hired to assist with the various types of equipment and to tutor the languages taught at YSU.

In the **psychology laboratories**, located in the basement of DeBartolo Hall, students can learn basic techniques of experimental psychology, child psychology, social psychology, and survey research. Equipment includes an electromagnetically isolated room, animal housing areas, a child observation room, equipment for the control of animal behavior, and various physiological recording devices.

The **anthropology and archaeology laboratory** has a wide range of specialized equipment including:

- standards for the parameters of a biological profile (age, sex, ancestry and stature)
- statistical analysis packages for biological anthropology research
- anthropometry instruments
- archaeology research tools

The **Department of English has eight computer labs** in DeBartolo Hall primarily for the use of students enrolled in English composition and professional and technical writing classes, one lab for journalism classes in Fedor Hall, and one lab for composition classes and Writing Center use in Maag Library.

Computer facilities in the new **Williamson Hall** include three networked computer labs, a Financial Service Lab, and Professional Sales Lab. Specialized software used in business courses is also available.

In **Cushwa Hall**, laboratories are provided for radio broadcasting, physical therapy, dental hygiene, microbiology, nursing, criminal justice, respiratory care, human ecology, medical laboratory technology and science, clothing and textiles, medical assisting, emergency medical services, and polysomnography.

Laboratories in **Moser Hall** are described in the College of Science, Technology, Engineering, and Mathematics section of the catalog.

For more information, visit the **Campus Computer Labs**.

## YSU Bookstore

The YSU Bookstore, located at its new location at 300 Fifth Avenue, is YSU's only official bookstore. The YSU Bookstore is your source for all of your course needs. We know textbooks play a huge role in your success so we work hard to make them affordable!

Take advantage of the services the YSU Bookstore has to offer to help you save on textbooks: free reservation (pick-up) service for textbooks, rentals on just about every textbook, discounted used textbooks, price matching to Amazon.com and BarnesandNoble.com (some exclusions do apply), eBooks, and a book buyback program that pays you cash for books!

You will receive assistance from our recognizable and friendly staff with over 100+ years of combined bookstore experience. The YSU Bookstore is not just about textbooks – it offers a wide array of quality YSU official apparel, gifts, supplies, and a brand new cafe!

Students, alumni, and friends can shop anywhere anytime, including from their mobile phones.

For more information, visit the YSU Bookstore (<http://ysu.bncollege.com/webapp/wcs/stores/servlet/BNCBHomePage?storeId=88176&catalogId=10001&langId=-1>) website, or download our app (My College Bookstore in both the App Store and Google Play).

## Comprehensive Testing Center

The Comprehensive Testing Center is a part of the Division of Student Affairs. Among the testing services provided are administrations of national admission and certification examination. These include:

- American College Test (ACT)
- Graduate Record Exam (GRE) Subject Test
- Miller Analogies Test (MAT)
- Law School Admissions Test (LSAT)
- PRAXIS exam

Additionally, YSU's computer-based placement testing is administered through this office. Placement tests are administered year-round in both group and individual sessions.

General and vocational-interest examinations for guidance purposes are available on campus. Current YSU students wishing to take such tests may make arrangements with the University's Career and Counseling Center. For more information visit the Testing Center (<http://cms.ysu.edu/administrative-offices/testing-center/testing-center>) website.

## Center for International Studies and Programs (CISP)

The Center for International Studies and Programs (C I S P) (<http://cms.ysu.edu/administrative-offices/center-international-studies-and-programs/cisp-home>) is an integral part of the Division of Academic Affairs and is responsible for coordinating the international dimensions of the university, including international student and faculty services, study abroad and exchange programs, and the English Language Institute. For more information on studying abroad and about the English Language Institute (<http://cms.ysu.edu/administrative-offices/english-language-institute/eli-home>), visit the website.

## International Student and Faculty Services

CISP coordinates international student recruitment and admission, the international student health insurance program, and the Stephen and Brigitta Hanzeley International Student Scholarship. The CISP also provides immigration-related services for international students, faculty, and staff. For more information about requirements for enrolled international students, see Requirements for Nonimmigrant Students (located under the Credit Hours/Class Standing/Majors section of the catalog).

## International Student Association (ISA)

Originally founded in 1958 as the International Student Federation, the purpose of ISA is:

- To promote positive interactions among U.S. American and International students;
- To increase awareness of international cultures at Youngstown State University and in the Youngstown community;
- To be a place where international students can find common ground; and
- To support international students at Youngstown State University.

## Campus Safety

### University Police Department

Youngstown State University maintains a well-trained and well-equipped campus police department. The department is located in Clingan Waddell Hall at the corner of Fifth Ave. and Wood St.

The staff consists of 26 sworn full time police officers, 70 intermittent sworn police officers, and five civilian support staff. All sworn police officers are trained and certified by the Ohio Peace Officer Training Academy and have full police powers. The department is a community-service, technology-efficient law enforcement agency. The staff is supported by a sophisticated communication system, closed circuit television, well-equipped police vehicles, and a computer-based record-keeping system.

The training of the departmental personnel is ongoing, and crime prevention is a departmental priority. During the academic year, various University organizations sponsor educational programs that feature YSU police officers speaking to students and employees about personal safety, awareness, security, rape/acquaintance rape, sexual-assault and prevention, as well as the prevention of burglary and vandalism.

The Youngstown State University Police Department has mutual aid agreements with the Youngstown City Police Department, the Mahoning County Sheriff's Department, and a majority of other police Departments in Mahoning County and with other state universities in Ohio. The agreements provide for the Youngstown State University Police Department to exercise the same law enforcement authority when engaged in law enforcement functions as their partners in the various mutual aid agreements, in order to provide a safe and secure environment for the Youngstown State University Community. Certain officers from the department are also members of the Mahoning Valley Law Enforcement Task Force as well as the Mahoning County OVI Task Force. These task forces make available additional resources to the YSU Police Department.

The University Police Department is open 24 hours a day. The general business telephone number is (330) 941-3527. The emergency service number is extension 911 dialed through any campus extension. Campus emergency telephones are located throughout campus that will connect you directly to the YSU Police Department in the event of an emergency. 911 calls made from cell phones are answered by the City of Youngstown Communications Center. If a 911 call is made on a cell phone, it is important for the person to tell the call taker they are calling from the YSU Campus. All students are encouraged to program the YSU Police Department phone number (330) 941-3527 into their cell phones for immediate contact with a YSU Police Dispatcher when a campus phone is not available or convenient.

## Campus Safety Statistics

Youngstown State University has an outstanding record of safety on campus. For a detailed description of campus safety measures and FBI Uniform Crime Report statistics, see the publication *Annual Campus Safety and Fire Report* available from YSU Police, the Vice President for Student Affairs, or from the campus crime-prevention boards located in all campus buildings. Statistics collected by the department on crimes occurring on or near campus are submitted to the U.S. Department of Education annually in compliance with the The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

**Campus Crime Alerts, as well as other information regarding campus safety, can be viewed at the University Police Department website.** (<http://cms.yosu.edu/administrative-offices/police/ysu-police>)

## Emergency Notification System

The University has in place an emergency notification system that instantly reaches cell phones and other mobile devices when an urgent campus situation needs to be communicated. In the event of an emergency, a text message is sent to the mobile number and/or email registered with the system. Students must register at the YSU Alert Notification System website to receive emergency notifications. Parents and family of students may also sign up at the same website to receive alerts.

## Student Security Service (SSS)

SSS is a free service provided by specially trained YSU student employees who will accompany students, faculty, and staff safely anywhere on campus.

During the hours of operation, you can be escorted to the near North Side if an officer is also available to assist with the escort. Student Security Service aides are available Monday through Thursday from 7:00 a.m. to 11:00 p.m., and on Friday from 7:00 a.m. to 8:00 p.m., every day school is in session. The exception is summer semester and during breaks, when escorts are available from 7:00 am to 6:00 p.m. Monday through Friday. Those with disabilities who need assistance are encouraged to make special arrangements to be safely escorted to any location on campus, day or night. Call (330) 941-1515 for more information or to schedule an escort. After hours or on holidays and weekends, call the YSU Police Department at (330) 941-3527 if you need assistance.

## Parking Services

Parking for students is available close to all campus buildings. Students assessed a transportation fee may order a semester parking permit at no additional charge. Students with the transportation fee must order their parking permit online through the MyYSU Portal. Students registered for fewer than six credit hours may opt into the transportation fee by ordering a semester parking permit through the MyYSU Portal or purchase a daily parking permit. Valid YSU parking permits are required at all times in all YSU parking lots and decks.

Parking permits are required at all times in all lots and spaces on the YSU campus.

Parking areas are designated as follows:

M-Mixed Parking (faculty, staff, and students)

R-Resident Parking

F-Faculty/Staff Parking

S-Student Parking

Parking facilities for students include two parking decks and surface lots. Although some lots are designated for faculty/staff parking during the day, after 5 p.m. daily, most F-lots become mixed (except the F-1 lot on University Plaza).

Street parking is under the jurisdiction of the city of Youngstown. Tickets received for street parking violations must be appealed to the city. For more information, call the Parking Office at (330) 941-3546.

The current parking regulations can be found on the YSU Parking (<http://cms.yosu.edu/administrative-offices/parking-services/parking-services>) web page.

For information on registration of vehicles and applicable fees, see the Tuition, Fees, and Charges section of this catalog.

## Motorists' Assistance Program

Parking Services offers on-campus help with jump starts and lockouts to anyone with a valid YSU parking permit. The MAP will also lend out lug wrenches, jack stands, and gas cans. To contact the MAP program and shuttle service, call (330) 941-3051 or stop at any staffed parking booth.

## Disability Parking

All students who wish to utilize YSU handicap parking must bring their valid state handicap registration to Parking Services in order to receive a handicap sticker. Once the sticker is applied to your permit, you may utilize all handicap parking on campus.

If a handicap permit registered to someone other than the YSU parking permit holder is used in conjunction with the YSU parking permit, it is invalid for parking in handicap spaces on campus.

## University Events

The office of University Events creates, coordinates, and/or assists with university events on campus and in the community. University Events fashions and implements a standard "University Look" to carry across all events to uphold the exacting standards of YSU and to ensure all events exhibit the same level of quality that envisions YSU's dedication to tradition and excellence. The mission of the office is to communicate and visualize YSU's message, motivation, and image in the best way possible to internal and external audiences in order to build campus and community spirit and highlight all that the University has to offer.

University Events is charged with coordinating and implementing major university events. Annually, these include commencement, convocations, graduation, the faculty and staff awards banquet, the Canfield Fair, Friend of the University, Youngstown Day, and various lecture series. University Events is also assigned unique one-time events such as political and dignitary visits, residential installations, partnering community, campus, faculty, and athletic events.

A remaining aspect of University Events is assisting campus colleges, departments, and programs with their events when requested. Under this realm, University Events institutes the University Look and helps with event planning, logistics, and day of support when needed.

## Alumni Engagement

The Office of Alumni Engagement serves a constituency of more than 100,000 YSU alumni by developing and maintaining lifelong involvement between the University and its alumni as well as by providing a strong force for the advancement and support of the University by its alumni. The Office of Alumni Engagement strives to strengthen relationships with alumni, students, and University friends while upholding academic traditions and University vision. The primary objectives of Alumni Engagement are:

- To foster and promote the influence, welfare, and reputation of Youngstown State University
- To strengthen the position of the University in the community, region, and nation
- To establish, promote, and coordinate alumni groups and other University activities that support lifelong relationships between the university and its alumni
- To encourage and promote Alumni Society membership, volunteerism, and philanthropy by its alumni for the benefit of the University

For more information, visit Alumni Engagement (<http://ysu.edu/alumni>).

## Campus Facilities

### Campus Development

During its earlier years, the institution had a number of homes. Starting in the old Central YMCA building, it occupied various sites on Wick Avenue until the completion of Jones Hall in 1931. Additional buildings have been constructed and nearby properties converted to University use so that today the campus extends through most of an area five blocks long and four blocks wide, covering almost 150 acres. The University also owns 118.4 acres in Hartford Township.

### Stambaugh Stadium

The long-time home of the YSU Football program, the Arnold D. Stambaugh Stadium complex is one of the top FCS facilities in the country. The Penguins play all their home games on Beede Field, which features a state-of-the-art artificial-turf surface. The Stadium itself has a seating capacity of 20,630 and has a loge complex that houses 26 individual suites. The building is the location of the Jermaine Hopkins Academic Center, the Athletics Strength and Conditioning Complex, Athletic Training Room, Athletic Ticket Office, ROTC,

a travel agency, racquetball courts, three full-length basketball courts, and numerous athletics offices. The locker rooms for the softball, soccer, baseball, and football programs are also housed in the building.

Atop the stadium and overlooking the city of Youngstown is the DeBartolo Stadium Club. The club provides meeting and dinner/party seating for more than 200 guests and is available to campus and community organizations or individuals. For reservation information, please contact the Athletic Department at (330) 941-2385.

### Beeghly Physical Education Center

The longest-standing on-campus athletics facility is the Beeghly Physical Education Center. The facility, which was first used in 1972, is home to the basketball, volleyball, and swimming and diving programs. The Department of Kinesiology and Sport Science, the basketball programs offices, and many YSU athletic teams are located in the building. The Beeghly Center court is named after longtime basketball coach Dom Rosselli. The arena has a seating capacity of more than 6,000 and serves as the home court for the volleyball and basketball teams. The natatorium features four diving platforms and an impressive swimming pool. Also in the new-look building is the Coaches Court, a room used by the YSU Penguin Club. Additionally, Beeghly houses faculty offices, 10 classrooms including laboratories for research and kinesiology, physical education for handicapped, a dance studio, a rifle range, and a fitness center.

### YSU Softball Complex

The Youngstown State Softball Complex opened in the spring of 2014 and provides a full-time on-campus home for the Penguins. The facility is located on the west side of campus west of Stambaugh Stadium and just south of Farmers National Bank Field. The lighted complex has access to concessions and restrooms and has seating for more than 200 spectators.

### WATTS

The Watson and Tressel Training Site opened in the fall of 2011. One of the more eye-popping buildings on campus, the WATTS is an indoor athletic facility containing a 300-meter competition track, a full-length football field, batting cages, a putting green, protective netting, and locker room facilities. Built at a cost of nearly \$14 million, this facility allows for year-round training for all athletic programs, as well as a competition site for the track and field teams. Students are permitted in the facility at most times, the WATTS is open for public use in the evening during the winter.

### Farmers National Bank Field

YSU's soccer and track and field programs call the brand new Farmers National Bank Field, located on the west end of campus across from Stambaugh Stadium, home. The full-length soccer field and eight-lane 400-meter NCAA regulated track is one of the best in the region. The facility opened in the fall of 2013 and is utilized by the campus recreation department for intramurals throughout the year.

### YSU Tennis Courts

The area between Stambaugh Stadium and the WATTS is the location of the YSU Tennis Courts. The tennis facility features 10 lighted hard-surfaced courts that are used for practice and competition.

### Andrews Student Recreation and Wellness Center

The Department of Campus Recreation is located in the Andrews Student Recreation and Wellness Center. This state-of-the-art facility contains more than 140 pieces of strength and conditioning equipment. Located near the free-weight and cardio area is the Center's impressive rock wall, at 53 feet Ohio's tallest. Volleyball, basketball, and other activities are situated within the multi-purpose sports forum, which contains four courts. The spacious aerobic

studios are home to many group exercise classes and are adjacent to the 1/8-mile indoor track, both on the top floor of the facility.

The Andrews Center also includes a tranquil meditation studio, full-functioning locker rooms, and the Wellness Resource Center. In addition to the Andrews Student Recreation and Wellness Center, the Department supervises programs in Beeghly Physical Education Center, Stambaugh Stadium, and the outdoor complex.

Participants must have a valid YSU ID card to use the facilities, equipment, services, and programs offered by the Department of Campus Recreation.

The Department is one of the most popular places on campus to be employed. If you are interested in applying for a position, complete the department application found online at the Campus Recreation (<http://cms.ysu.edu/administrative-offices/campus-recreation-and-wellness/campus-recreation>) website. Submit a cover letter and resumé to the Department of Campus Recreation administration office, located in the Andrews Student Recreation and Wellness Center.

For additional information about the Department of Campus Recreation, please contact (330) 941-3488 or visit Campus Recreation (<http://cms.ysu.edu/administrative-offices/campus-recreation-and-wellness/campus-recreation>).

## Off-Campus Athletics Facilities

While Youngstown State has some impressive on-campus facilities, programs still utilize areas off campus for events and competition. The baseball program plays all home games at Eastwood Field in Niles. Eastwood Field, a 6,000-plus seat stadium, is home to the Cleveland Indians' short-season Class A affiliate. The golf programs call Mill Creek Park's course its official home, but practice at various courses throughout the area. During the winter portion of its campaign, the tennis programs utilize the Boardman Tennis Center. The BTC features 10 indoor courts for all-year use.

## Beeghly Hall

The four-story, 96,600-square-foot Beeghly Hall opened in the fall of 1998 to serve as the College of Education building.

On the main floor are the main north/south entrance and access, dean's suite, Wilcox Curriculum Resource Center, Child Study Center, and the 400-seat multi-purpose and multi-media Mckay Auditorium.

The Beeghly College of Education building includes:

- interactive distance-learning classroom
- classroom of the future
- Center for Teaching and Learning Technology
- Macintosh- and Windows-based computer labs
- Curriculum Resource Center
- counseling clinic
- child-study center

## Bliss Hall

Housing the College of Creative Arts and Communication, Bliss Hall, completed in 1977, was named in memory of William E. Bliss, a prominent area industrialist. Its facilities include:

- the 390-fixed seat Ford Theater, named for the Ford family
- the 248-seat Bliss Recital Hall
- an experimental theatre with flexible seating for up to 250
- 80 music practice rooms equipped with Steinway studio or grand pianos
- a Schlicker performance organ and two Flentrop practice organs
- 30 faculty office-studios which can be used for music instruction
- a band/orchestra room with a library

- a photography studio with enlargers
- a metals studio
- fully equipped drawing, printmaking, sculpture, and painting studios
- a MIDI/graphics computer lab
- a video editing suite
- a Mac-based graphic design laboratory with dye-sublimation printer
- ceramics studios with gas, electric, raku, and salt kilns
- a complete shop with heavy equipment for working in three-dimensional design
- art faculty office-studios
- a student lounge/art gallery
- conference and seminar rooms

Bliss Hall has recently seen major renovations to administrative offices. A new jazz rehearsal room, video production studios, and upgrades to art and sculpture areas were part of same renovation project. Opened in Fall 2005, a painting and sculpture addition included a foundry and metal fabrication, wood shop, sculpture and painting labs, offices, a 3D visualization lab, and an exterior work court.

## Cushwa Hall

Opened in 1976, this structure houses the Bitonte College of Health and Human Services, as well as Media and Academic Computing, the Peace Officer Training Academy, and Janitorial Services and Recycling. One of the largest buildings on campus, it contains 27 classrooms, 44 laboratories, 173 offices, and two lecture halls. In summer of 2013, the building underwent a \$2.2 million renovation. Various medical artifacts from the Rose Melnick Medical Museum are currently displayed throughout Cushwa Hall as well.

## DeBartolo Hall

First occupied in 1978, DeBartolo Hall houses the departments of Economics, Philosophy and Religious Studies, Political and Social Science, Psychology, Sociology and Anthropology, and the Africana studies and women's studies programs. Also housed in DeBartolo Hall is the Center for Peace and Conflict Studies. In this six-story structure are more than 165 offices for faculty and staff, five student lounges and study areas, 15 classrooms, 15 laboratories, a computer terminal room, a 200-seat lecture hall, and special varied laboratories for the Department of Psychology. Building renovations took place summer of 2013 and 2014.

## Fedor Hall

Fedor Hall is located on the west side of Elm Street. It was constructed in 1949 and purchased from the Youngstown Board of Education in September 1965. A \$1,100,000 renovation project was completed in 1992. It houses the student newspaper, Wee Care Day Care Center, the Rich Autism Center, and Youngstown Early College.

## Historic Buildings

Listed in the National Register of Historic Places in recognition of their representing important eras in Youngstown's development, these two buildings are in the Wick Avenue Historical District. Renovation efforts were dedicated to maintaining the visual, architectural and physical character of these structures while recognizing, identifying, and preserving their heritage.

## Fok Hall

The Honors College is housed in the oldest building on campus, built in 1893 and originally the home of the Myron Israel Arms Family. It is located on the corner of Wick Avenue and University Plaza.

## Coffelt Hall

This two-story brick building, located on the north side of University Plaza, was constructed in 1933 and renovated in 2010 to house the College of Graduate Studies.

## Jones Hall

One of the oldest buildings on the present campus is Howard W. Jones Hall, a limestone structure of conventional Tudor style on the northwest corner of Wick and Lincoln avenues. Built in 1931 and long the institution's "main building," it was renamed in 1967 to honor the man whose energy and acumen, during his 36 years as president, brought an embryonic college to membership in the state university system.

The structure was enlarged in 1949 by the addition of the C.J. Strouss Memorial Auditorium, named for the then president of the Strouss-Hirshberg Company, a friend and trustee of the University. In 1978 the interior was completely remodeled to accommodate administrative offices. Jones Hall currently houses the Offices of Student Success, Payroll, Accounting, Enrollment Management, Records, the Center for International Studies and Programs, Associate Degree and Technical Preparation Programs, and Office of Diversity and Multicultural Affairs

## Kilcawley Center

Kilcawley Center is the community center of the University. The Center's facilities and services include numerous dining rooms with a variety of diversified food service programs, lounges, 19 conference and multi-purpose rooms, ATM machine, graphic services, candy counter, copy services, stage and entertainment areas, and a billiards recreation area, as well as a FAX service, campus locker rentals, the University's lost and found, and the Center's reservations and conference services office. Kilcawley Center also includes a computer/word processing access center, campus information center, catering offices, and the Center's staff offices. Student organization mailboxes, Student Government, and student organizations are located in Kilcawley, as is the Center for Student Progress and Career Services.

## Lincoln Building

The Lincoln Building houses the Department of Mathematics and Statistics, the Math Assistance Center, and the offices of distance education and Metro Credit, as well as 14 classrooms and four laboratories.

## Maag Library

The University's six-story William F. Maag, Jr., Library, completed in 1976, provides an attractive and comfortable environment for study and research. A member of the Online Computer Library Center (OCLC), Maag Library provides reference and inter-library loan services, CD-ROM as well as online database searching, access to government documents, and other services necessary to the needs of the University community. The University Archives are housed on the fifth floor, and the Tech Desk is located on the fourth floor. The lower level of Maag houses the Writing Center, the Reading and Study Skills Center, and the English Language Institute.

## Melnick Hall

Located on Wick Avenue, the YSU Foundation and WYSU-FM are housed in Melnick. In the future, a space will be created for the Rose Melnick Medical Museum.

## Meshel Hall

Meshel Hall, dedicated January 1986, houses expanded facilities for academic and administrative computer use that broaden Youngstown State University's educational programs. The state-of-the-art center is for instruction, research and application in advanced computer technology that serves the entire University community.

The four-story steel, concrete, stone and glass structure contains 90,100 square feet of space and is located to the west of the Wick Avenue Parking Deck with its main access and entry by the pedestrian walkway over Wick Avenue. The building contains 5 classrooms, 10 specialized computerized laboratories, and 23 faculty offices. The Office of University Bursar, the Office of Financial Aid and Scholarships, and the Enrollment Center are located on the second floor.

The Department of Computer and Information Systems is located on the third floor. The fourth floor houses the University's main computer facilities and Computer Center staff.

## John J. McDonough Museum of Art

The John J. McDonough Museum of Art, located on Wick Avenue between Bliss Hall and Meshel Hall, opened for the fall quarter of 1991. The 14,000 sq. ft. multi-level building exhibits faculty and student art work, which in the past has been displayed in the Bliss Art Gallery and the Kilcawley Center Art Gallery. It also exhibits works by artists from other universities as well as local and regional artists, and serves the academic program of the Art Department with shows and competitive exhibits. The museum has the following spaces and functions: installation gallery, traditional galleries, art lecture hall, work/preparation area, storage, public lobby and restrooms, offices, loading dock and receiving area, and the necessary mechanical and electrical equipment spaces.

## Moser Hall

Moser Hall, a five-level structure completed in 1967, houses the College of Science, Technology, Engineering, and Mathematics. In addition to 49 laboratories, 11 classrooms, 2 research and development rooms, 7 conference rooms, and 76 offices, it contains the 200-seat state-of-the-art Schwebel Auditorium. A \$6,873,000 renovation project was completed in fall 1996. Moser Hall also houses the Clarence R. Smith Mineral Museum.

## Phelps Building

The Phelps Building, located on the corner of Lincoln Avenue and Phelps Street on campus, houses the Department of Geography and the Public Service Institute, including the Center for Urban and Regional Studies and the Center for Human Resources Development, and Institutional Research and Analytics.

## Service Buildings

The buildings at various locations on campus that house specific services include:

### Salata Complex

Salata Complex, located on Rayen and Wood Streets, houses University planning and construction, maintenance, administration staff, Grounds Department staff and equipment, Central Receiving, Key Control, Motor Pool, various repair shops, Printing Services, and Mail Room.

### Central Utility Plant

The Central Utility Plant is located south of the new WATTS Center on the north side of campus. The produces steam and chilled water for University needs and is distributed through a system of underground tunnels and direct-burial utility lines.

### Smith Hall

Parking Services has been moved to this new location at 275 Fifth Avenue (southeast corner of Rayen and Fifth Avenues).

## Sweeney Hall

Sweeney Hall—formerly Dana Hall—a classic one-story building located at the corner of Bryson Street and University Plaza, was constructed in 1908. The building houses the Sweeney Welcome Center and the Office of Admissions.

## Tod Hall

The University's main administrative offices are in Tod Hall, a former library building built in 1952 and thoroughly renovated in 1978. These offices include:

- Office of the President
- Office of the Provost
- Office of the Vice President for Finance and Administration
- Office of the Vice President for Student Affairs
- University Development, Grants, and Contracts
- Office of Assessment
- Office of Marketing Communications
- ASECU Credit Union
- Office of Equal Opportunity and Policy Compliance
- YSU Board of Trustees' meeting room
- Human Resources
- The Office of Alumni and Events Management

## Veterans Resource Center

The brand new Veterans Resource Center, located at 633 Wick Avenue, houses the Office of Veterans Affairs (OVA) which serves as a central location to discuss issues, questions, or concerns current and prospective military and veteran students may have regarding their enrollment.

The Veterans Resource Center (VRC) is a 6,000 square foot, fully handicap accessible facility that is the first of its kind at any university in Ohio. The VRC features lounge space, a computer lab, meeting rooms, a community/class room, kitchenette, ample office space for outside veteran-related organizations, and much more. The VRC is open to all student veterans, currently serving military members, and military dependents who are using veteran's education benefits.

Students and all interested parties can contact the OVA by visiting our OVA (<http://cms.yzu.edu/administrative-offices/veterans-affairs/office-veteran-affairs>) website, emailing us at [veterans@ysu.edu](mailto:veterans@ysu.edu), or calling the office at (330) 941-2503/2523. Individual person-to-person meetings are available and encouraged.

## Ward Beecher Hall

This building houses the departments of Biology, Chemistry, and Physics and Astronomy. The five-story original unit was constructed in 1958, a major addition was built in 1967, and a small addition comprising chemical storerooms was completed in 1997. It was built with funds contributed by Mahoning Valley Industries and area industrialist Ward Beecher. Presently the building contains 31 laboratories, including a planetarium and a greenhouse, nine classrooms, 66 academic offices, 53 faculty-research rooms, and a conference-seminar room.

## Williamson Hall

Opened in fall 2010, Williamson Hall houses the Williamson College of Business Administration offices, including:

- Office of the Dean
- Center for Student Services and the Professional Practice Program
- MBA program
- Lariccia School of Accounting and Finance
- Department of Management

- Department of Marketing

In addition, the building houses 14 classrooms, a Financial Services Lab, a Professional Sales and Business Communication Lab, interview rooms, a 200-seat auditorium, and a conference center. WCBA student organizations share office space in the building, and students have access to eight student team rooms, three networked computer labs, a quiet study lounge, and collaborative areas. Williamson Hall is also home to:

- Center for Nonprofit Leadership,
- Williamson Center for International Business,
- Nathan and Frances Monus Entrepreneurship Center,
- Ohio Small Business Development Center at YSU
- Executive-on-Campus office

The Gallery of Industry, Business, and Entrepreneurship, a spacious sky-lit atrium, and café with outdoor seating are also part of the 110,000 square feet facility.

LEED-certified by the US Green Building Council, Williamson Hall is the first "green" building on the Youngstown State University campus.

## University/Community Outreach

### Regional Economic Development Initiative (REDI)

The Regional Economic Development Initiative (REDI), located in the Office of Research at Youngstown State University (YSU), was established in 1967 as the Center for Urban and Regional Studies (CURS) to act as a research and public service arm of YSU.

The mission of CURS has been to integrate professional staff, faculty, students, and other University resources to focus on issues and problems of urban and regional development through an ongoing program of basic and applied research and technical assistance and by providing training for local government, community, and economic development organizations and businesses.

During the fall of 2015, CURS transitioned to REDI and toward the role as "Navigator" in research-based, implementation-focused economic development support services for the Mahoning Valley. REDI's change in focus and mission will reflect organizational focus on a plan-implement structure known as design-build, a model often seen in the architecture and construction industries. This focus will enable REDI to serve as the "Navigator" in economic development implementation and support services throughout the Mahoning Valley. Economic development partners throughout the region have affirmed YSU REDI's "Navigator" role.

REDI coordinates and leads monthly Economic Action Group (EAG) meetings in support of economic development in the city of Youngstown and Mahoning Valley. The EAG convenes and engages representatives from a broad cross-section of industries and organizations throughout the Mahoning Valley. REDI provides leadership on federal, state, and private grant-writing initiatives, and also provides valuable GIS mapping and data services to a number of local and regional government, nonprofit, and social service agencies throughout the Mahoning Valley and beyond.

### Center for Human Services Development

In 1985, the University Board of Trustees established the Center for Human Services Development to serve as a community resource for health and human service organizations and community leaders. Staff members at the Center work with a community-wide spectrum of people to identify community problems and needs, develop solutions, and evaluate activities in the health and human services field.

**The Center offers a variety of services, including:**

- Establishing and maintaining networks or linkages among service providers and the broader community.
- Offering technical assistance for social service program evaluation.
- Providing training for agency directors, boards, and staff members.
- Conducting community-wide needs assessments and sharing information.
- Helping organizations to develop strategic plans.
- Identifying and obtaining grants for community organizations who are working collaboratively to address community needs.

The Center is housed in the Beeghly College of Education. The Center's phone number is (330) 941-3469.

**Continuing Education**

Continuing education non-credit programs offer area residents a wide variety of adult study or lifelong-learning courses and seminars to meet the needs of a changing society for updating and upgrading professional skills, for mid-career adjustments, and for lifestyle changes.

Area residents participate annually in more than 200 non-credit programs, many of which are in the academic disciplines and professional areas, varying from half-day seminars to multi-week courses conducted in local business and government settings and other off-campus locations.

**Center for Creative Retirement****The College for the Over Sixty**

- a state-mandated program providing for the enrollment of Ohioans 60 years of age or older (who have been residents of the State for the preceding 12 months) in undergraduate credit classes on a space-available basis. Residents who meet eligibility requirements based on income level may earn credit toward a degree through the Over Sixty program.

**The YSU-ILR (Institute for Learning in Retirement)**

- an affiliate of the Elderhostel Institute Network, providing seniors with the opportunity to develop and conduct educational and social opportunities for the members of YSU-ILR.

**Community Counseling Clinic**

The Community Counseling Clinic (CCC) is a training clinic for students who are earning their master's degree. The clinic's counselors and trainees provide individual, family, couples, and group counseling services to YSU students and their families, as well as all children, adolescents, and adults living in Youngstown and its surrounding communities. All counseling services provided to YSU students are free of charge. Services are provided to non-YSU students and their families for a greatly reduced fee—usually \$1 a session, depending on income level.

The CCC offers a relaxed and confidential environment to discuss personal, relationship, academic, or work-related problems. Examples of matters which may cause one to seek counseling include: academic success-related concerns, relationship problems, family conflicts, adjustment-related problems, depression, anxiety, career indecision, and loss and grief issues. Talking with a counselor can be an important first step in making desired life changes.

In addition to clinical services, CCC staff members offer presentations and workshops on a variety of mental health issues. A small sampling of these topics includes enhancing self-esteem, dealing with stress, coping with loss, health and wellness issues, and drug and alcohol issues.

Day and evening appointments are available. Appointments can be made in person or by calling (330) 941-3056. The CCC is located in Room 3101 in the Beeghly College of Education, which is at the corner of Fifth and Rayen avenues. Additional information is available at the Community Counseling Clinic (<http://www.ysu.edu/community-counseling-clinic>) website.

**The Ohio Small Business Development Center****The Ohio Small Business Development Center (SBDC) and export assistance Network at youngstown state university**

The Ohio Small Business Development Center (SBDC) and Export Assistance Network at YSU is part of the most comprehensive and effective business assistance network in the nation. Its purpose is to help existing businesses develop, grow, and retain a competitive advantage in the ever-changing global economy while helping entrepreneurs realize their goals of business ownership.

In Ohio, the SBDC program is a partnership of the Ohio Development Services Agency and the U.S. Small Business Administration. Locally, the SBDC is hosted by Youngstown State University and the Williamson College of Business Administration. The Center provides professional, in-depth business, exporting, and international trade consulting and training to existing and new business ventures to help foster a strong and successful business community in the counties they serve. There is no fee for the consulting services, and all company and project information is held in strict confidence.

The Ohio Small Business Development Center and Export Assistance Network at YSU is located in the Williamson College of Business Administration – Room 1155, and can be reached at: (330) 941-2140.

**Telecommunication Services****WYSU-FM, 88.5 MHz**

Youngstown State University owns and operates WYSU-FM, a 50,000-watt radio station that serves the Mahoning and Shenango Valley region with fine arts and news and information programming from its studios in Cushwa Hall. The station broadcasts a mix of news and classical music programs on its main analog channel, on its HD1 (digital) channel, and as an Internet stream; it also broadcasts all-classical music on its HD2 channel and second Internet stream. The station broadcasts at 88.5 MHz in Youngstown, at 88.1 MHz in Ashtabula, and 97.5 MHz in New Wilmington, Pennsylvania.

WYSU-FM is non-commercial, listener-supported public radio, committed to being the community's leading source for trusted, in-depth news, engaging conversation, and music that stimulates the mind and spirit.

As one of Youngstown State University's most visible daily representatives to the community, WYSU also strives to be a valuable ambassador to that community, providing a forum to promote the artistic and intellectual activities of the university. The core of the radio operation is a full-time professional staff. Youngstown State University students whose qualifications meet professional broadcasting standards are also employed to support various aspects of the station's operations.

**FM-SCA Programs**

The University transmits special educational programs for the sight-disabled on a multiplex basis using a sub-carrier frequency of 67 kilohertz.

**Western reserve public media, Northeastern Educational Television of Ohio**

The University is a member of NETO (Northeastern Educational Television of Ohio), a public television consortium of the state universities at Akron, Kent, and Youngstown, which operates UHF Channels 45 and 49.

Common transmitters at Salem and Akron broadcast programs acquired from the Public Broadcasting Service and the Ohio Educational Television Network as well as local programs produced at Kent, Akron, and by contract at Youngstown.

## Honors College

### HONORS COLLEGE

**Director, Amy L. Cossentino**

### Mission of the Honors College

The mission of the Youngstown State University Honors College is to provide academically talented students of any discipline with a community of excellence to develop their full intellectual and cultural potential. Through a combination of extraordinary learning experiences in small classes and experiential seminars, living-learning communities, unique and flexible resources for commuter students, leadership and innovative engagement activities, service-learning and traditional volunteer initiatives, interdisciplinary projects, research opportunities, and community, regional, and global perspectives, we fulfill this mission. As a direct outgrowth and articulated in the YSU Mission Statement, the Honors College "places students at our center" of an energized and inclusive community of faculty, staff, and alumni who share in the pursuit of life-long excellence in learning and civic engagement.

### Outcomes

#### ENRICHMENT

Eligible students who desire an enriched education may take honors courses and thus participate in the "honors experience" by applying to the Honors College.

#### HONORS RECOGNITION CEREMONY

An event held in spring recognizes students in the Honors College for having reached various completion milestones. Recognition will be in the form of the following:

- First-year students in honors will receive a certificate of participation.
- Students with 12 credits of honors completed by the end of fall semester, no matter what year in the program, will receive the Honors Pin.

#### HONORS DIPLOMA

Students may apply to the Honors College, pursuing excellence in a broad range of subjects. Successful completion of this guided course of study will be acknowledged with a special designation on the commencement program, diploma, and final transcript.

### Benefits of Joining

- Students enjoy the benefits of early registration each semester they are actively participating.
- Honors students are eligible to live in the Honors College's living and learning center, Cafaro House Residence Hall, or The Courtyards Apartments - Building #2.
- Course material is covered in much greater depth than in a traditional class. Therefore, Honors students receive a "value-added" education;
- Members may use the computer facilities in Fok Hall, which includes wireless connectivity, study space, and a student lounge.
- As reflected by the transcript and diploma, an Honors student has shown the desire and ability to go above and beyond what is traditionally required by the University. This is particularly impressive to graduate and professional schools and potential employers.
- High-achieving students benefit from the experience of taking classes and learning with some of the most academically talented students in the nation.
- It is a gift that a person who loves learning gives to oneself and to others.

## Administration of the Honors College

The program is operated by the Honors Director under the jurisdiction of the Honors Committee of the University Senate. The Honors Director reports to the Provost.

## Baccalaureate Honors

### ENTRANCE REQUIREMENTS

1. Students qualify with a 3.5 overall grade point average and at least a composite ACT score of 26, or combined SAT score of 1760 or 1260 on the new SAT.
2. Current YSU students must have completed at least 12 semester hours of college-level study (not to include remedial courses) with a cumulative GPA of at least a 3.4.
3. Transfer students must have completed at least 15 semester hours of college-level study accepted for credit at YSU (not to include remedial courses) with a cumulative GPA of at least a 3.4.
4. Students enrolled in or eligible to enter the Honors College and others approved by the instructor and director of Honors may take honors courses.
5. To remain in good standing in the Honors College, students must maintain a GPA of at least a 3.4. Students falling below this level for two consecutive semesters will be dropped from the program.
6. Students who complete no honors work for two consecutive semesters will be suspended from the program. Satisfactory progress must be made in order to fulfill all applicable honors college scholarships.
7. Completing the honors requirements necessitates an average of three to six hours of honors work per semester for the first six semesters, unless the student will graduate in less than four years. If graduating in less than four years, the student should work with the Honors Director to map out a plan for completion. All honors coursework, except for the senior honors thesis or capstone, should be completed before the senior year.

## Baccalaureate Honors Curriculum

(for students who enroll beginning Summer semester 2015)

Students who enter into the Honors College beginning summer semester 2015 are required to complete at least 25 semester hours of honors work, including a senior thesis or capstone.

Further requirements include the following:

- *First Year Honors Seminar (Intro to Honors)* – 1 credit (to be taken in either the first or second semester)
  - *General Education Requirements* – 9 credits (GER's should be taken as actual honors courses and not contracted)
  - *Other* – 12+ credits (Combination of seminars, upper division courses, or general education requirements)
  - *Senior Honors Capstone*<sup>1</sup> 1-3 credits
- <sup>1</sup> During the senior year, a capstone thesis/project in the major department is required. This is generally worth 1-3 semester hours depending upon the department. A faculty advisor, selected by the student and approved by the Director of Honors, will oversee this project. The completed capstone in the form of a thesis should be bound and archived by the Library and stored in the Honors College, Fok Hall. Certain projects other than theses may be presented in poster form or technologically recorded and similarly archived and stored. A public defense is required and may be in the form of an exhibition, recital, formal presentation at a regional/national conference or Quest. Projects completed by individuals, teams, and teams of students working with community officials are all appropriate.

## Associate Honors

The pre-college requirements for the Honors Associate track are identical to those of the four-year Honors Program. Students who have not completed the college preparatory subjects are admitted to the Honors Associate Program on the condition that their course of study includes at least one course prescribed for correcting a deficiency each semester until the deficiencies have been erased. Courses taken at the college level and used to make up a deficiency will be applied toward the Honors Associate Program.

The following students qualify, upon application for the Honors Associate track:

- Students with a 3.5 overall grade point average and a Composite ACT score of 26 or a combined SAT of 1260 (new) 1760 (old).
- Current YSU students having completed at least 12 semester hours of college-level study (not to include remedial courses) with a cumulative GPA of at least 3.4.
- Students having completed at least 15 semester hours of college-level study accepted for credit at YSU (not to include remedial courses) with a cumulative GPA of at least a 3.4.

## Honors Associate Curriculum

- *First Year Honors Seminar* – 1 credit (To be taken in either the first or second semester.)
- *General Education Requirements* – 6 credits (GER's should be taken as actual honors courses and not contracted.)
- *Other* – 3+ credits (Combination of seminars, upper division courses, or general education requirements.)
- *Honors Capstone* – 1-3 Credits

## Individualized Honors Curriculum (IHC)

An individualized honors curriculum (IHC) is available for high-achieving students who wish to alter any of the requirements listed above for either the associate or baccalaureate Honors Programs. The IHC may be necessary for first-year students entering with more than a year of college credits from College Credit Plus, Advanced Placement and other transfer credits. However, the student should prepare a full proposal that includes:

- application for IHC (available from the Honors Office)
- reasons for choosing not to follow the prescribed honors program
- goals of the IHC
- exact courses and the course format (i.e. honors class, contract honors, independent study, study abroad, etc.)
- outcomes of the IHC
- estimated time to completion

## Course Credit Generation

Honors credit generation includes:

- special sections of traditional courses
- seminars on special topics
- contract honors as necessary
- advanced course work in areas outside of the major
- a common theme when possible
- a capstone project or thesis in the senior year

## Transfer of Honors Credit

- Honors credit from other institutions will be accepted as honors credit and can be used to partially fulfill the requirements for the Honors Program at Youngstown State University provided that the honors credit was earned in a college-level course with a grade of B or higher.

- Upon application, all students from other honors programs who were in good standing relative to their previous program will be admitted into the YSU Honors Program. Honors credit earned at other institutions will be accepted as honors credit and can be used to partially fulfill the requirements for honors at YSU subject to review by the Honors Program Director.
- To graduate with an Honors diploma, a student must complete at least 13 of the total 25 semester hours of honors course work from YSU, fulfill the depth and breadth requirements of the Honors program, and complete a senior thesis or capstone in the major discipline. For more details, consult with the Honors Director.
- Students who transfer into the YSU Honors Program have all the rights and privileges granted to its members, e.g., honors housing, priority registration, use of honors facilities, etc.

## Courses of Instruction

### THE NATURE OF AN HONORS COURSE

When compared to a non-honors course, an honors course should:

- Cover material in greater depth
- Encompass more complex concepts, stressing analysis
- Place greater emphasis on communication skills
- Include discussion of applicable theories in the field
- Require of the students more preparation and class participation, including more ambitious papers or projects, as well as a greater share of responsibility for learning
- Involve more state-of-the-art technology whenever possible and appropriate

### HONORS COLLEGE COURSES

#### HONR 1500 Intro to Honors 1 s.h.

Prepares students for the expectations and requirements of the Honors Program. Students develop skills that aid in their overall academic endeavors and explore topics pertinent to their development within the Honors Program and as citizens of the university, local, national and global communities.

**Prereq.:** Admission to the University Honors Program or eligibility for admission to the University Honors Program.

#### HONR 1599 Special Topics 3 s.h.

An introductory-level examination of some topic appropriate for honors study. Typically team-designed. In certain cases, students may arrange to have the course counted toward the major by negotiation with the major department. With approval of the director of Honors, may be repeated for credit with different topics.

**Prereq.:** Admission to the Honors Program or permission of instructor and director of Honors.

#### HONR 2601 Honor Seminar 1-2 s.h.

An interdisciplinary seminar series dealing with topics appropriate to students in the Honors Program. The subjects include, but are not limited to, creativity, the organization and function of the university, the total human being, critical thinking, current events, etc.

**Prereq.:** Eligibility for the Honors Program.

#### HONR 2602 Honor Seminar 1-2 s.h.

An interdisciplinary seminar series dealing with topics appropriate to students in the Honors Program. The subjects include, but are not limited to, creativity, the organization and function of the university, the total human being, critical thinking, current events, etc.

**Prereq.:** Eligibility for the Honors Program.

#### HONR 2602N Honor Seminar Serving the Underserved 1-2 s.h.

An interdisciplinary seminar series dealing with topics appropriate to students in the Honors Program. The subjects include, but are not limited to, creativity, the organization and function of the university, the total human being, critical thinking, current events, etc.

**Prereq.:** Eligibility for the Honors Program.

**HONR 2699 Special Topics 3 s.h.**

A close examination of some topic appropriate for lower-division honors study. Typically team-designed. In certain cases, students may arrange to have the course counted toward the major by negotiation with the major department. With approval of the director of Honors, may be repeated for credit with different topics.

**Prereq.:** Admission to the Honors Program or permission of instructor and director of Honors.

**HONR 3701 University Honors Seminar 1-2 s.h.**

A critical investigation of selected areas underlying civilization, embracing and integrating the particular studies of science, society, and the humanities.

**Prereq.:** Eligibility for the Honors Program.

**HONR 3702 University Honors Seminar 1-2 s.h.**

A critical investigation of selected areas underlying civilization, embracing and integrating the particular studies of science, society, and the humanities.

**Prereq.:** Eligibility for the Honors Program.

**HONR 3799 Special Topics 3 s.h.**

A close examination of some topic appropriate for upper-division honors study. Typically team-designed. In certain cases, students may arrange to have the course counted toward the major by negotiation with the major department. With approval of the director of Honors, may be repeated for credit with different topics.

**Prereq.:** Admission to the Honors Program or permission of instructor and director of Honors.

**HONR 4890 Senior Honors Thesis 1-3 s.h.**

Directed research for students pursuing senior honors thesis research. May be repeated for up to 3 s.h.

**Prereq.:** Junior status; completion of 18 s.h. of Honors coursework; submission of an approved Honors thesis proposal; and permission of the honors director.

## Contract Honors Courses

Any course other than those which are offered as an honors course (ENGL 1550H Honors Writing 1, MATH 1585H Accelerated Honors Calculus 1, etc.), remedial, or high school remedial courses may be taken for honors credit with the concurrence of the faculty teaching the class and the approval of the Honors Program Director. The contract honors option does not involve more credit hours for a course, but rather credit of a different kind. Proposals should involve not simply more work on the part of the student, but rather work in greater depth. Proposals are initiated by the student and instructor, then carefully reviewed by the department chair. Chairs certify that by the standards of the discipline, proposals meet the criteria listed on the contract form. The further approval process is outlined on the form.

Request for Contract Honors Credit form is available for download at the honors website (<http://www.ysu.edu/academics/honors-college>).

Remedial courses are not suitable for contract honors. Contracts are not normally approved when an honors section exists for the same course (e.g. ENGL 1551H Honors Writing 2). Projects in the historiography of any discipline are acceptable. Contract proposals must be submitted with proper signatures by the due date listed on the contract honors form.

Grades are reported to the Honors Program Director, using the form "Grade Report for Contract Honors." This form, in either electronic or paper format, is sent to the sponsoring faculty member after the project has been accepted by all appropriate individuals.

## University Honors Program Engagement Requirements

### ORIENTATION

All honors students are required to participate in the orientation program held before the start of fall semester. Residential and commuter students are required to attend.

### VOLUNTEERISM AND SERVICE-LEARNING

Honors students are required to complete 60 hours of volunteerism on an annual basis. Twenty hours may be accumulated in the summer with the approval of the Honors Director. Reporting of volunteerism is required at the conclusion of each activity. Students are required to engage in at least two Honors College sponsored volunteer events of their choice. All Honors students are required to participate in the annual Global Day of Service held at the beginning of fall semester.

### ENGAGEMENT/LEADERSHIP/CO-CURRICULARS

Students who connect to the university through active participation demonstrate higher satisfaction and retention. Honor students are required to engage in student life. A total of 15 cocurriculars are required for the first year, 10 the second year, and five in both the junior and senior years. The co-curricular activities are divided among the following categories: Music, Theater, Art, Lecture/Seminar/Symposium, and Sports.

Honors students must attend or participate in at least one activity in each category per year. It is encouraged that Honors students attend most of their co-curricular activities on campus and within the Mahoning Valley. During the sophomore through senior years, additional requirements of organization membership, leadership, and networking experiences are encouraged and developed with guidance. *All Honors students are required to take part in the Honors College Retreat in January, as well as Honors College organized co-curricular each semester.*

#### Student Organizations

All Honors Students are members of the Honors Trustees. The Trustees is an official student organization at YSU. The group receives funding from YSU to sponsor events and volunteer projects that are available to the University community at large. Rotaract is also an organization available to students ages 18-30 with the focus on the development of young adults in their communities through service and leadership. New to launch in fall 2016 is the Honors College Health & Wellness Club.

#### National Fellowships and Scholarships

The Honors College leads the National Scholarship Committee composed of faculty and staff from across the campus to advertise scholarship opportunities and prepare students for prestigious competitions such as the Truman, Marshall, Goldwater, and Rhodes Scholarships. Information and applications for these scholarships are maintained by the Honors College Office.

### STUDY ABROAD/GLOBAL CITIZENSHIP

Honors students are encouraged to participate in study abroad experiences. The Honors College staff will assist students with letters of recommendation for participation and potential scholarship opportunities. Opportunities for Global Citizenship will be available for students and may take the form of Volunteerism or Leadership opportunities when a formal study abroad experience is not possible.

### LIVING-LEARNING ENVIRONMENTS (OPTIONAL)

Both residential and commuter students can enjoy the community that exists within honors. Two on-campus honors residential learning communities—Cafaro House and Building #2 of the Courtyards are available. Cafaro House is equipped with a computer lab and academic wing. The accommodations are 4-, 8-, and 18-person suites with two students per room. The Courtyards

offer either 4-person, 2-person, or single apartments. No matter the apartment type, each student has his/her own bedroom. Fok Hall now serves as the home for the Honors College staff and is situated half-way between both residential communities and within convenient walking distance from the six academic colleges. Available in Fok Hall is a student lounge, conference room, study space, meeting rooms, relaxation room, and the Penguin Pantry—all of which provide space for community building and learning. Commuter and residential students enjoy the home-like atmosphere within Fok Hall to foster learning and collaboration.

## DOCUMENTATION OF ANNUAL STUDENT LEARNING OUTCOMES AND PROGRAM REQUIREMENT COMPLETION

Honors students are required to complete documentation of all requirements for the annual end of the year review. The review will determine scholarship renewals and progress in the program to meet annual student learning outcomes for the five pillars: Leadership/Engagement, Interdisciplinary Perspectives, Volunteerism/Service Learning, Research and Scholarship, and Academics & Research.

Students are required to maintain records and report all service conducted outside of the university, student work demonstrating mastery of student learning outcomes, and other scholarly and academic work of added value to retain in the online portfolio.

## DOCUMENTARY RECOGNITION OF SUCCESS IN THE HONORS COLLEGE

### GRADE RECORDS

A student's permanent record will be the sole official record of his or her honors courses and seminars, each of which will be designated with an "H" after the catalog number, or in some cases, with a note detailing that honors credit was earned for that particular course.

### COMPLETION OF THE HONORS COLLEGE REQUIREMENTS

When a student's record satisfies the requirements, the Honors Director will initiate having the following notation entered on the student's record: "Has successfully completed the University Honors Program," and upon graduation the student will be awarded the Honors Medallion, special recognition in the commencement program, and an Honors diploma.

# Special Academic Programs

## Honors College

The Honors College is open to students meeting select criteria from any associate or baccalaureate program. Completion of Honors College requirements results in the placement of the Honors College distinction on the student transcript and diploma.

See the Honors College (p. 71) section of the *Undergraduate Catalog* for more information.

## Early Enrollment Opportunities

Youngstown State University offers programs that provide additional academic challenges to 7th - 12th grade students who have demonstrated college readiness. The programs allow students to experience college-level course work, supplement their high school curriculum, enjoy special interests and accumulate college credit. Course work may be applied toward a program at Youngstown State University or may be transferable. Students who plan to continue at YSU after graduation from high school must reapply to YSU and provide a final high school transcript to the Office of Admissions. These programs include:

*College Credit Plus*

The YSU College Credit Plus program (CCP) offers credit-bearing college courses to 7th - 12th grade students. Students earn college credit on an official YSU transcript that is transferable to any state-funded college or university in Ohio and some private and out-of-state schools. CCP students who plan to continue at YSU after graduating high school must reapply to YSU and provide their final high school transcript. See the College Credit Plus (<http://cms.ysu.edu/administrative-offices/metro-credit/college-credit-plus>) website for eligibility and information about course offerings in each school district. In addition:

- Students can enroll in any class for which they are qualified. Classes may be taken on campus, online or at the high school (course offerings vary). See the College Credit Plus (<http://cms.ysu.edu/administrative-offices/metro-credit/college-credit-plus>) website for eligibility and information about course offerings in each school district.
- There are two payment options in the CCP program. Students can either be self-pay (Option A) or state-funded (Option B). See the Student Cost: Option A vs Option B (<http://cms.ysu.edu/administrative-offices/metro-credit/student-cost-option-vs-option-b>) webpage for more information.

### *College Tech Prep*

Ohio College Tech Prep blends high-level academics with advanced career technology education. Focused on student success and workforce development, this educational initiative requires collaboration among secondary and postsecondary partners to support students through a smoothly structured transition from high school to college to careers.

Students successfully completing the secondary portion of College Tech Prep and continuing in their career pathway at the postsecondary level may earn articulated college credit or Career Technical Credit Transfer (CT)<sup>2</sup>/CTAGs.

College Tech Prep is coordinated in Ohio through six regional centers. Ohio College Tech Prep is jointly managed by the Ohio Department of Higher Education (formerly the Ohio Board of Regents) and the Ohio Department of Education's Office of Career-Technical Education. For more information, contact the Office of Associate Degree and Tech Prep Programs or visit the College Tech Prep (<http://cms.ysu.edu/administrative-offices/associate-degree-programs/college-tech-prep>) site.

### *Youngstown Early College*

YEC, the first school of its kind at a public university in Ohio, helps Youngstown city school district students succeed in high school and make a successful transition to higher education. From YEC's home base in Fedor Hall on the YSU campus, students take a combination of high school and university classes, graduating from high school with up to 64 hours of college credit. The YEC program operates in partnership with Eastern Gateway Community College and YSU. Youngstown Early College was developed with the assistance of the KnowledgeWorks Foundation and the Bill and Melinda Gates Foundation.

## *Individualized Curriculum Program*

The student whose needs are not met by existing conventional programs may wish to investigate and apply for the Individualized Curriculum Program (ICP). This option requires a student to design the curriculum suited to his or her particular background and needs, allowing alternative paths for reaching the currently offered undergraduate degrees.

A student admitted to the program will have the help of a committee of faculty advisors selected by the student. This committee will help to develop a program that will serve a valid educational goal not attainable within the regular curricular structure of the University. To receive approval, the overall program needs to be of a scope and intensity comparable to conventional programs leading to the degree being sought.

Students wishing to develop an individualized curriculum must meet the following requirements:

1. Sophomore standing 32 s.h. completed (for baccalaureate degree)
2. GPA of at least 2.50
3. Students pursuing a baccalaureate degree must have at least 30 s.h.'s to complete once the program has been approved. Students pursuing an associate degree must have at least 20 s.h.'s remaining upon approval.

The ICP does not provide for new or modified courses or degrees, or for changes in course prerequisites. Credit by examination may be sought, subject to approval through normal channels.

Detailed information is available from the director of the program, Room 104, DeBartolo Hall or on the web at ICP (<http://www.yzu.edu/academics/college-liberal-arts-social-sciences/individualized-curriculum-program>).

## Interdisciplinary Programs

The University offers a number of interdisciplinary programs. More information on these programs may be found in the College of Liberal Arts and Social Sciences section of the catalog:

- Africana Studies
- American Studies
- Global Education
- Judaic and Holocaust Studies
- Islamic Studies
- Peace and Conflict Studies
- Women's Studies
- Working-Class Studies

## International Programs Office (IPO)

The IPO is an integral part of the Division of Academic Affairs and is responsible for coordinating the international dimensions of the university, including international student and faculty services, study abroad and exchange programs, and servicing the English Language Institute (ELI).

For more information on International Student Services, see International Programs Office (<http://cms.yzu.edu/administrative-offices/center-international-studies-and-programs/cisp-home>) under Student Services; for more information about international student admission, see International Applicants.

## Study Abroad

Youngstown State University encourages students to engage in international study as part of their YSU education. Credits earned through study abroad at postsecondary institutions overseas must be approved in advance through the IPO in consultation with academic colleges and departments. Students studying abroad through YSU-affiliated programs and institutions with the requisite amount of credits maintain full-time status at YSU and remain eligible for state, federal, and institutional financial aid. Credits earned by foreign study through YSU-approved study-abroad programs are treated as transfer credit and therefore are not computed into the student's grade point average. Students must be in good academic standing and meet the GPA requirements of both YSU and the host program in order to be approved to study abroad.

## Scholarships for Study Abroad

Most YSU tuition scholarships apply to study-abroad programs. The IPO also coordinates advising for the Fulbright, Gilman, Freeman-Asia, National Security Education Program (NSEP), and Rhodes Scholarships.

## Study-Abroad Programs

### International Exchange Programs

YSU students pay tuition and fees at YSU and exchange places with students from the overseas institution for one or two semesters. YSU maintains reciprocal exchange agreements with the University of Jyväskylä in Finland, Fontys University of Applied Sciences in the Netherlands, Sejong University in South Korea, and Lunghwa University of Science and Technology in Taiwan. All programs offer coursework in English.

### Affiliated Programs

Youngstown State University is a member of the Ohio International Consortium (OIC). This membership provides YSU students with access to OIC scholarships and study-abroad opportunities. YSU maintains affiliation agreements with other high-quality study-abroad organizations, including University Studies Abroad Consortium (USAC), the American Institute for Foreign Study (AIFS), Cultural Experiences Abroad (CEA), and International Studies Abroad (ISA).

### Faculty-Led study abroad Courses

The IPO works with YSU faculty who teach YSU international field study courses, which are YSU courses that incorporate an international component, usually one to four weeks in length. Recent YSU faculty-led study abroad programs have been conducted in the Bahamas, China, England, France, Mexico, Italy, South Africa, and South Korea. YSU credit is also available for an intensive Italian language program offered in the summer in Italy during select years.

## The English Language Institute

The English Language Institute (ELI) at YSU was established through the IPO and the Department of English to provide intensive study of English to speakers of other languages. It offers non-degree credit courses designed to teach English to students who already have some knowledge of English. In addition, the ELI provides an orientation to college life and culture in the United States. Courses are available both to international students and to immigrants.

The ELI welcomes all students, as well as professionals, who wish to increase their English language proficiency. The ELI prepares students for academic study in American universities, using the following curriculum:

- Five levels (Introductory, Beginning, Intermediate, High Intermediate, and Advanced) covering Grammar, Reading, Writing, Listening, and Speaking
- TOEFL Preparation for a total of 20 hours per week.
- There are two seven-week modules per semester (fall and spring) and one eight-week summer session.

ELI admission is through the CISP. Students must be at least 17 years old or have completed high school. For an application and more information about the ELI, visit the ELI (<http://cms.yzu.edu/administrative-offices/english-language-institute/eli-home>) website.

## Off-site Degree Programs

### Allied Health and Public Health

The University offers baccalaureate degree-completion programs in allied health and in public health on the campus of Lorain County Community College (LCCC). Allied health is also offered at Cuyahoga Community College (CCC) and Lakeland Community College (LCC). Students in these programs are registered at Youngstown State University and attend classes online or at the LCCC, CCC, or LCC campuses. Courses are taught by YSU faculty members via online (web-based delivery). LCCC, CCC, and LCC provide support services and access to facilities, such as computer labs and the library, including Ohio LINK online research services. Students are advised by YSU faculty members or a YSU academic advisor. Faculty members may hold office hours at the off-site campus, online, or through video conferencing systems. Students communicate with faculty members using a variety of methods

including online discussions, e-mail, video conferencing, phone, and face-to-face meetings.

## Criminal Justice

Youngstown State University offers a baccalaureate degree-completion program in criminal justice on the campuses of Lorain County Community College (LCCC) and Lakeland Community College (LCC). Students in this program are registered at YSU and attend classes at the LCCC or LCC. Courses are taught by YSU faculty members, using interactive video conferencing systems. LCCC and LCC campuses provide support services and access to facilities, such as computer labs and the library, including Ohio LINK online research services. Students are advised by a YSU academic advisor. Faculty members may hold office hours online, by phone, or through video conferencing systems. Students communicate with faculty members using a variety of methods including online discussions, e-mail, video conferencing, phone, and face-to-face meetings.

## Social Work

YSU offers Bachelor of Social Work degree completion programs at the following off-campus sites:

- Lakeland Community College (Kirtland, Ohio)
- Loraine Community College (Elyria, Ohio)
- Stark State College (North Canton, Ohio)

Students in these programs take course work at the host community college and combine credits earned with YSU social work courses taught on the site of the respective community college to fulfill requirements for the BSW degree. All YSU instruction is provided by YSU faculty members through face-to-face meetings, telephone, or video conferencing. Students have access to Ohio LINK online research services and student support available on the community college campus.

## Electric Utility Technology, Power Plant Option

The University offers an Associate of Technical Studies degree in electric utility technology, power plant option (EUT/PPT) on the campuses of Eastern Gateway Community College (EGCC) in Steubenville, Ohio and Belmont Technical College (BTC) in St. Clairsville, Ohio. Students in the program are registered at Youngstown State University and attend classes at the community college campuses. The community colleges provide supporting courses, services, and access to facilities. Students are advised by both YSU faculty members and EGCC/BTC academic advisors. Faculty members may hold office hours at the off-site campuses, online, or by phone. Students communicate with faculty members using a variety of methods, including video conferencing, e-mail, phone and face-to-face meetings.

At EGCC, the EUT/PPT courses are taught by YSU faculty members via interactive video conferencing; at BTC, the courses are taught on site by YSU faculty members.

## Metro Credit Education Outreach

Metro Credit Education Outreach, working in partnership with University colleges and departments, school districts, employers, and community and government agencies, offers opportunities for a variety of populations to obtain college credit and degrees. The department designs programs to deliver college-credit coursework to high school students, teachers and others needing graduate education, the unemployed, the under-resourced, student-inmates at local correctional facilities, and those who cannot access campus services and programs.

In addition to College Credit Plus (see above), specific programs include:

### The Learning Community

This program is designed by and for first-generation college students. The Learning Community provides a supportive college experience that helps

students achieve college-level performance and build the resources needed to complete their goals.

### Advanced Job Training (AJT)

Metro Credit delivers core undergraduate courses at local correctional facilities offering course completion certificates via in-person teaching and interactive distance learning.

## Title II, Teacher Education

### Title II of the Higher Education Act: Teacher Education

The United States Department of Education maintains data on pass rates on licensure exams for all institutions of Higher Education. The most recent data on the pass rate for Youngstown State University and other Ohio institutions is available on the Department of Education (<https://title2.ed.gov/Public/Home.aspx>) website.

## Faculty and Staff

### University Administration

#### Ohio Department of Higher Education

The Ohio Department of Higher Education (<https://www.ohiohighered.org/board>) is a Cabinet-level agency for the Governor of the State of Ohio that oversees higher education for the state.

The Ohio Board of Regents, a nine-member advisory board to the chancellor with two ex-officio representatives from the state legislature, was created in 1963 by the General Assembly. Members of the Board of Regents are appointed by the governor with the advice and consent of the senate.

Responsibilities of the board include developing an independent annual report on the Condition of Higher Education in the state of Ohio and issuing an annual performance review of the chancellor. The board is also responsible for advising the chancellor on issues of statewide importance affecting higher education.

Member		Term Expires
Chancellor John Carey (ex-officio)	<a href="https://www.ohiohighered.org/chancellor-john-carey">https://www.ohiohighered.org/chancellor-john-carey</a>	
Thomas Humphries, Vice Chair	<a href="https://www.ohiohighered.org/node/2185">https://www.ohiohighered.org/node/2185</a>	2018

James P. Tressel, MA	President
Martin A. Abraham, PhD	Provost and Vice President for Academic Affairs
Holly A. Jacobs, JD	Vice President and General Counsel
Neal P. McNally, MPA	Vice President for Finance and Business Operations

## Division of Academic Affairs

Division of Academic Affairs	Position
Kevin E. Ball, PhD	Associate Provost, Academic Programs and Planning
Jennifer Pintar, PhD	Associate Provost, Academic Administration
Nathan P. Myers, PhD	Associate Provost, International Programs
Kristine L. Blair, PhD	Dean, CLASS, College of Liberal Arts and Sciences
Charles L. Howell, PhD	Dean, BCOE, Beeghly College of Education
Betty Jo Licata, PhD	Dean, WCBA, Williamson College of Business Administration
Joseph L. Mosca, PhD	Dean, BCHHS, Bitonte College of Health and Human Services
Phyllis M. Paul, PhD	Dean, CA&C, College of Creative Arts and Communication
Sal A. Sanders, PhD	Dean, College of Graduate Studies
Wim F. Steelant, PhD	Dean, STEM, College of Science Technology, Engineering and Mathematics
Amy Cossentino, PhD	Director, Honors College
Michael Hripko, MBA	Associate Vice President for Research
Ana M. Torres, BBA	Interim Director, Maag Library

## Division of Enrollment Planning and Management

Division of Enrollment Planning and Management	Position
Gary D. Swegan, MA	Associate Vice President for Enrollment Planning and Management
Susan E. Davis	Director, Admissions
Elaine Ruse	Director, Financial Aid and Scholarships
Jeanne M. Herman, BSBA	University Registrar
Rick Williams	Coordinator, Office of Veterans Affairs

## Division of Finance and Administration

Division of Finance and Administration	Position
Neal P. McNally, MPA	Vice President for Finance and Business Operations
Katrena S. Davidson, CPA, MBA	Controller
John P. Hyden, BCT	Executive Director, University Facilities
Gloria J. Kobus	Bursar

Marilyn K. Ward	Budget Officer, Academic Affairs
James A. Yukech	Associate Vice President for Technology and Chief Information Officer

## Division of Legal Affairs and Human Resources

Division of Legal Affairs and Human Resources	Position
Holly A. Jacobs, JD	Vice President and General Counsel
Gregory Morgione, JD	Associate General Counsel
Cynthia Kravitz, JD	Associate General Counsel, Equal Opportunity and Policy Compliance
Kevin W. Reynolds	Chief Human Resources Officer
Ronald A. Strollo	Executive Director, Athletics

## Division of Multicultural Affairs

Division of Multicultural Affairs	Position
Sylvia J. Imler, PhD	Associate Vice President for Multicultural Affairs

## Division of Student Experience

Division of Student Experience	Position
Eddie J. Howard Jr., MA	Associate Vice President for Student Experience
Joy L. Polkabra-Byers	Director, Campus Recreation & Andrews Recreation & Wellness Center
Kate Fitzgerald	Director, Housing & Residence Life & Program Coordinator, Title IX
John L. Young	Director, Kilcawley Center
Erin E. Driscoll	Director, Student Activities and Greek Life
William J. Blake	Director, Student Diversity Programs

## Division of Student Success

Division of Student Success	Position
Claire Berardini, PhD	Associate Provost, Student Success
Amy Gordon	Director, Comprehensive Testing Center
Christina Hardy	Director, Career and Academic Planning
Ann Jaronski, PhD	Director, Student Counseling Center
Nicole Kent-Strollo	Director, Student Outreach and Support
Leslie Page	Director, First Year Student Services
Becky L. Varian	Director, Center for Student Progress
William Border	Coordinator, Academic Achievers

## Division of University Relations

Division of University Relations	Position
Shannon Tirone, AB	Associate Vice President for University Relations
Catherine A. Cala	Director, Alumni Engagement
Ronald A. Cole	Director, University Communications
Jacquelyn M. LeViseur	Director, University Events
Ross L. Morrone	Director, University Marketing
Gary A. Sexton, MM	Director, WYSU-FM
Shawn Varso	Chief of Police

## Full-Service Faculty

### A

#### Dr. Martin A. Abraham

Provost and Vice President for Academic Affairs and Professor of Civil/  
Environmental and Chemical Engineering  
Graduate Faculty Member  
B.S., Rensselaer Polytechnic Institute, 1982  
Ph.D., University of Delaware, 1987

#### Dr. Samuel Adu-Poku

Professor of Art  
Graduate Faculty Member  
B.A., University of Science and Technology (Ghana), 1987  
Dip. Ed., University of Science and Technology (Ghana), 1988  
M.Ed., University of New Brunswick (Canada), 1995  
Ph.D., University of British Columbia (Canada), 2002

#### Dr. Mari L. Alschuler

Associate Professor of Social Work  
Graduate Faculty Member  
B.A., Brown University, 1980  
M.Ed., Teachers College of Columbia University, 1987  
M.S.W., Fordham University, 1990  
Ph.D., Barry University, 2012

#### Dr. Isam E. Amin

Professor of Geological and Environmental Sciences  
Graduate Faculty Member  
B.S., University of Khartoum, 1977  
M.S., New Mexico Inst. of Mining and Technology, 1983  
Ph.D., University of Nevada-Reno, 1987

#### Dr. Tiffany M. B. Anderson

Assistant Professor of English  
B.A., Southern Methodist University, 2004  
M.A., Southern Methodist University, 2006  
Ph.D., The Ohio State University, 2012

#### Dr. Corey E. Andrews

Professor of English  
Graduate Faculty Member  
B.A., Miami University, 1992  
M.A., Ohio University, 1995  
Ph.D., Ohio University, 2000

#### Joseph Angelo

Instructor of Marketing  
B.S., Youngstown State University, 1992  
M.S., Youngstown State University, 1995  
M.B.A., Case Western Reserve University, 2004

#### Dr. Felicia P. Armstrong

Associate Professor of Geological and Environmental Sciences  
Graduate Faculty Member  
B.S., University of Dayton, 1987  
M.S., Alabama AM University, 1996  
Ph.D., Oklahoma State University, 2003

#### Dr. Christopher Arntsen

Assistant Professor of Chemistry  
B.S., University of Connecticut, 2008  
Ph.D., University of California, Los Angeles, 2014

#### Dr. Abdurrahman Arslanyilmaz

Associate Professor of Computer Science and Information Systems  
Graduate Faculty Member  
B.E., Gazi University (Turkey), 1998

Certificate, Intensive English School, Middle East Technical University (Turkey), 2000  
M.Ed., University of Missouri-Columbia, 2002  
Ph.D., Texas AM University, 2007

#### Dr. David K. Asch

Associate Professor of Biological Sciences  
Graduate Faculty Member  
B.S., University of Nebraska-Lincoln, 1981  
M.S., Creighton University, 1983  
Ph.D., University of Kansas Medical Center, 1991

#### Dr. Kathleen Aspiranti

Assistant Professor of Counseling, School Psychology, and Educational  
Leadership  
Graduate Faculty Member  
B.A., Wright State University, 2004  
M.S., University of Tennessee, 2009  
Ph.D., University of Tennessee, 2011

#### Dr. Diana Awad-Scrocco

Assistant Professor of English  
Graduate Faculty Member  
B.A., Youngstown State University, 2006  
M.A., Kent State University, 2008  
Ph.D., Kent State University, 2012

#### Dr. Daniel Ayana

Professor of History  
Graduate Faculty Member  
B.A., Addis Ababa University, 1980  
M.A., Addis Ababa University, 1984  
Ph.D., University of Illinois at Urbana-Champaign, 1995

### B

#### Dr. Rebecca Lee Badawy

Assistant Professor of Management  
Graduate Faculty Member  
B.A., State University of New York at Buffalo, 2008  
M.A., West Chester University of Pennsylvania, 2010  
Ph.D., State University of New York at Buffalo, 2014

#### Dr. Snjezana Balaz

Assistant Professor of Physics and Astronomy  
Graduate Faculty Member  
B.S., Northland College, 2001  
M.S., University of Nebraska, 2005  
Ph.D., University of Nebraska, 2007

#### Dr. Ganesaratnam K. Balendiran

Professor of Chemistry  
Graduate Faculty Member  
B.S., University of Sri Lanka, 1985  
Ph.D., University of Wisconsin-Madison, 1991

#### Dr. Kevin E. Ball

Associate Provost and Professor of English  
B.A., Truman State University, 1992  
M.A., Truman State University, 1994  
Ph.D., University of Nebraska-Lincoln, 2000

#### Dr. Kimberly A. Ballone

Professor of Nursing  
Graduate Faculty Member  
B.S.N., Youngstown State University, 1987  
M.S.N., Kent State University, 1989  
D.N.P., Case Western Reserve University, 2009

#### Dr. Rebecca A. Barnhouse

Professor of English  
 Graduate Faculty Member  
 B.A., Florida State University, 1983  
 M.A., University of North Carolina, 1986  
 Ph.D., University of North Carolina at Chapel Hill, 1994

**Dr. Andrea Barrick**

Assistant Professor of Social Work  
 Graduate Faculty Member  
 B.S.W., Barton College, 2001  
 M.P.A., West Virginia University, 2008  
 M.S.W., West Virginia University, 2008  
 M.A., West Virginia University, 2012  
 Ph.D., West Virginia University, 2015

**Christopher Barzak**

Professor of English  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1998  
 M.A., Youngstown State University, 2003  
 M.F.A., Chatham University, 2010

**Dr. Patrick J. Bateman**

Associate Professor of Management  
 Graduate Faculty Member  
 B.S., Rutgers University, School of Business, 1995  
 M.S., Temple University, Fox School of Business, 2002  
 Ph.D., University of Pittsburgh, 2008

**Dr. Coskun Bayrak**

Professor of Computer Science and Information Systems  
 B.S., Slippery Rock University, 1985  
 M.S., Texas Tech University, 1989  
 Ph.D., Southern Methodist University, 1994

**Dr. Laura L. Beadling**

Associate Professor of English  
 Graduate Faculty Member  
 B.F.A., Bowling Green State University, 1995  
 M.A., Purdue University, 2001  
 Ph.D., Purdue University, 2007

**Dr. Jane Beese**

Associate Professor of Counseling, School Psychology, and Educational Leadership  
 Graduate Faculty Member  
 B.A., University of Akron, 1987  
 M.A., Case Western Reserve University, 1991  
 Ed.D., University of Akron, 2008

**Dr. Jennifer Behney**

Assistant Professor of Foreign Languages and Literatures and English  
 Graduate Faculty Member  
 B.A., Capital University, 1995  
 M.A., University of Findlay, 1997  
 Ph.D., Michigan State University, 2011

**Dr. Raymond E. Beiersdorfer**

Professor of Geological and Environmental Sciences  
 B.A., Queens College, City University of New York, 1979  
 M.S., University of California at Davis, 1982  
 Ph.D., University of California at Davis, 1992

**Dr. Christopher M. Bellas**

Associate Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., Edinboro University of Pennsylvania, 1997  
 A.S., Edinboro University of Pennsylvania, 1998  
 M.S., Youngstown State University, 2001

Ph.D., Kent State University, 2010

**Dr. James A. Benedict**

Assistant Professor of Physical Therapy  
 Graduate Faculty Member  
 B.S., The Ohio State University, 1982  
 M.Ed., Kent State University, 1989  
 Ph.D., Walden University, 2016

**Dr. Terry Benton**

Assistant Professor of English  
 Graduate Faculty Member  
 B.S., Youngstown State University, 1999  
 M.A., Youngstown State University, 2001  
 Ph.D., Kent State University, 2015

**Dr. Deborah Fairchild Benyo**

Assistant Professor of Biological Sciences  
 B.S., University of New Hampshire, 1985  
 M.S., The Ohio State University, 1987  
 Ph.D., The Ohio State University, 1991

**Claudia A. Berlinski**

Assistant Professor of Art  
 B.F.A., Buffalo State College, 1986  
 M.F.A., The Ohio State University, 1991

**Meghan Bileci**

Instructor of Social Work  
 B.A., Mount Vernon Nazarene University, 2002  
 M.S.W., Cleveland State University, 2007

**Joshua Blackann**

Assistant Professor of Engineering Technology  
 B.S., Youngstown State University, 2003  
 M.S., Youngstown State University, 2011

**Dr. Kristine Blair**

Dean of the College of Liberal Arts and Social Sciences and Professor of English  
 Graduate Faculty Member  
 B.A., California State University, 1986  
 M.A., California State University, 1988  
 Ph.D., Purdue University, 1994

**Sheila M. Blank**

Clinical Instructor of Nursing  
 B.S.N., Youngstown State University, 2001  
 School Nurse License, Youngstown State University, 2005  
 M.S.N., Youngstown State University, 2007

**Dr. Shelley Blundell**

Assistant Professor of Communication  
 Graduate Faculty Member  
 B.A., Kent State University, 2006  
 B.S., Kent State University, 2007  
 M.L.S., Kent State University, 2009  
 Ph.D., Kent State University, 2015

**Dr. Ewelina Boczkowska**

Associate Professor of Music  
 Graduate Faculty Member  
 D.E.C., Jean-de-Brebeuf College and Vincent-d'Indy School of Music, 2000  
 B.M., McGill University, 2002  
 Ph.D., University of California, 2009

**Dr. Brian Bonhomme**

Professor of History  
 Graduate Faculty Member  
 B.A., City College of the City University of New York, 1993

M.A., City College of the City University of New York, 1996  
Ph.D., The City University of New York Graduate Center, 2000

**Dr. Theodore R. Bosela**

Professor of Engineering Technology  
B.E., Youngstown State University, 1981  
M.S., University of Akron, 1985  
Ph.D., University of Pittsburgh, 1993

**Dr. Frank J. Bosso**

Professor of Human Performance and Exercise Science  
B.S., Slippery Rock University, 1978  
M.S., West Virginia University, 1979  
Ph.D., NEOUCOM / Kent State University, 1990

**Dr. Philip Sean Brady**

Professor of English  
Graduate Faculty Member  
B.A., Bucknell University, 1977  
M.A., University of Delaware, 1979  
M.A., San Francisco State University, 1986  
Ph.D., State University of New York, 1990

**Dr. Margaret L. Briley**

Assistant Professor of Teacher Education  
Graduate Faculty Member  
B.S., Indiana University of Pennsylvania, 1976  
M.Ed., Georgia State University, 1981  
Ph.D., University of Pittsburgh, 1999

**Dr. S. Cory Brozina**

Assistant Professor and Director of First-Year Engineering  
B.S., Virginia Tech, 2005  
M.S., Virginia Tech, 2007  
Ph.D., Virginia Tech, 2015

**Dr. Kristin L. Bruns**

Assistant Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.S., University of South Dakota, 2006  
M.A., University of South Dakota, 2008  
Ph.D., Kent State University, 2014

**Dr. Jeffrey M. Buchanan**

Professor of English and Teacher Education  
Graduate Faculty Member  
A.B., University of Michigan, 1990  
M.A., University of Pittsburgh, 1997  
Ph.D., University of Michigan, 2002

**Dr. William R. Buckler**

Associate Professor of Geography  
B.A., Wayne State University, 1969  
M.A., Michigan State University, 1973  
Ph.D., Michigan State University, 1981

**Edward Burden**

Instructor of Electrical and Computer Engineering  
B.E., Youngstown State University, 2010  
M.S., The Ohio State University, 2012

**Dr. Michael Butcher**

Associate Professor of Biological Sciences  
Graduate Faculty Member  
B.S., Christopher Newport University, 1996  
M.S., Wake Forest University, 2000  
Ph.D., University of Calgary, 2006

**C****Dr. Jonathan J. Caguaiat**

Associate Professor of Biological Sciences  
Graduate Faculty Member  
B.S., University of Michigan, 1988  
Ph.D., Michigan State University, 1995

**Dr. Kivie Cahn-Lipman**

Assistant Professor of Music  
B.M., Oberlin College, 2001  
M.M., Julliard, 2003  
D.M.A., University of Cincinnati, 2016

**Dr. Martin Cala**

Professor of Mechanical and Industrial Engineering  
Graduate Faculty Member  
B.S., Duke University, 1978  
M.S., State University of New York at Binghamton, 1987  
Ph.D., State University of New York at Binghamton, 1991

**Laura Calcagni**

Clinical Instructor of Nursing  
B.S.N., Youngstown State University, 1999  
M.S.N., Youngstown State University, 2013

**Dr. Craig S. Campbell**

Professor of Geography  
B.A., Indiana University (Purdue University at Indianapolis), 1984  
M.A., University of Kentucky, 1987  
Ph.D., University of Kansas, 1993

**Lori A. Carlson**

Instructor of Mathematics and Statistics  
B.S., Youngstown State University, 1988  
M.S., Youngstown State University, 1997

**Cara A. Carramusa**

Instructor of Physical Therapy  
Graduate Faculty Member  
B.S., D'Youville College, 2000  
M.S., D'Youville College, 2000

**Dr. Dawna Lynn Cerney**

Associate Professor of Geography  
Graduate Faculty Member  
B.S., University of Lethbridge (Canada), 1994  
M.E.Des., University of Calgary (Canada), 2000  
Ph.D., Texas State University, 2006

**Stephen Chalmers**

Associate Professor of Art  
B.A., Allen R. Hite Art Institute, University of Louisville, 1993  
B.S., University of Louisville, 1993  
M.F.A., Southern Illinois University, 1999

**Dr. Guang-Hwa (Andy) Chang**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.S., Nat'l. Taiwan Col of Marine Sc. and Tech., (China), 1981  
M.S., Texas Tech University, 1987  
Ph.D., Texas Tech University, 1993

**Dr. Huaiyu (Peter) Chen**

Associate Professor of Accounting and Finance  
Graduate Faculty Member  
B.A., Wuhan University, (China), 1997  
M.B.A., Clarkson University, 1999  
Ph.D., Syracuse University, 2003

**Dr. Kyosung Choo**

Assistant Professor of Mechanical and Industrial Engineering  
 Graduate Faculty Member  
 B.S., Handong Global University, 2005  
 M.S., Korea Advanced Institute of Science and Technology, 2011  
 Ph.D., Korea Advanced Institute of Science and Technology, 2011

**Dr. Ronald K. Chordas**

Assistant Professor of Health Professions  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1970  
 M.S., Youngstown State University, 1977  
 Ph.D., Kent State University, 1996

**Joy Christiansen Erb**

Associate Professor of Art  
 B.F.A., Miami University, 2001  
 M.F.A., Texas Woman's University, 2005

**Susan Ann Clutter**

Associate Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., Clark University, 1995  
 M.F.S., The George Washington University, 2002

**Christine Cobb**

Professor of Theater and Dance  
 B.S., Illinois State University, 1976  
 M.A., The Ohio State University, 1989

**Dr. Jeffrey T. Coldren**

Professor of Psychology  
 Graduate Faculty Member  
 B.A., Albright College, 1983  
 M.A., University of Kansas, 1988  
 Ph.D., University of Kansas, 1992

**Dr. Kelly Colwell**

Assistant Professor of Health Professions  
 Graduate Faculty Member  
 B.S.A.S., Youngstown State University, 1999  
 M.R.C., Youngstown State University, 2013  
 Ed.D., Youngstown State University, 2017

**Dr. Eleanor A. Congdon**

Associate Professor of History  
 Graduate Faculty Member  
 B.A., Williams College, 1988  
 M.A., University of Minnesota, 1993  
 Ph.D., University of Cambridge - Gonville and Caius College, 1997

**Dr. Brett P. Conner**

Associate Professor of Mechanical and Industrial Engineering  
 Graduate Faculty Member  
 B.S., University of Missouri, 1998  
 M.S., Massachusetts Institute of Technology, 2000  
 Ph.D., Massachusetts Institute of Technology, 2002

**Dr. Chester R. Cooper**

Professor of Biological Sciences  
 Graduate Faculty Member  
 B.S., University of Pittsburgh, 1979  
 M.A., University of Texas, 1983  
 Ph.D., University of Texas, 1989

**Dr. Pedro Cortes**

Associate Professor of Civil/Environmental and Chemical Engineering  
 Graduate Faculty Member  
 B.S., Inst. Tecnológico de Celaya (Mexico), 1997  
 M.S., Inst. Tecnológico y de Estudios Superiores de Monterrey (Mexico), 2001

Ph.D., University of Liverpool (UK), 2005

**Michael D. Costarell**

Associate Professor of Engineering Technology  
 B.S.M.E., Youngstown State University, 1989  
 M.S.M.E., Carnegie Mellon University, 1999

**Daniel P. Coyne**

Instructor of Engineering Technology  
 B.A., Youngstown State University, 1980

**Dr. Amy Graban Crawford**

Associate Professor of Communication  
 B.S., Miami University, 1991  
 M.A., Indiana State University, 1995  
 Ph.D., Florida State University, 2002

**Dr. Michael J. Crescimanno**

Professor of Physics and Astronomy  
 Graduate Faculty Member  
 B.A., Princeton, 1985  
 Ph.D., University of California, Berkeley, 1991

**Dr. M. Kathleen L. Cripe**

Associate Professor of Teacher Education  
 Graduate Faculty Member  
 B.S., Youngstown State University, 1986  
 M.S., Youngstown State University, 1998  
 Ph.D., University of Akron, 2009

**Dragana Crnjak**

Associate Professor of Art  
 Graduate Faculty Member  
 B.F.A., University of Akron, 2002  
 M.F.A., Virginia Commonwealth University, 2004

**Courtney Cruz**

Instructor of Teacher Education  
 B.A., Mount Vernon Nazarene University, 2005  
 M.S., Youngstown State University, 2014

**Dr. Lauren Cummins**

Professor of Teacher Education  
 Graduate Faculty Member  
 B.S., Dyke College, 1978  
 M.Ed., Kent State University, 1982  
 Ed.D., Nova Southeastern University, 2000

**Dr. Rebecca M. L. Curnalia**

Associate Professor of Communication  
 Graduate Faculty Member  
 B.A., Olivet College, 2001  
 M.A., Northern Illinois University, 2003  
 Ph.D., Kent State University, 2007

**Dr. Larry S. Curtin**

Associate Professor of Chemistry  
 Graduate Faculty Member  
 B.S., Northern Illinois University, 1985  
 M.S., University of Wisconsin-Madison, 1986  
 Ph.D., University of Wisconsin-Madison, 1990

**D****Joseph D'Uva**

Associate Professor of Art  
 B.F.A., The School of the Art Institute of Chicago, 1996  
 M.A., University of Iowa, 2000  
 M.F.A., University of Iowa, 2000

**Dr. Ramesh Dangol**

Associate Professor of Management  
 Graduate Faculty Member  
 B.A., Middlebury College, 1997  
 M.B.A., Ball State University, 2002  
 Ph.D., Purdue University, 2012

**Cynthia Daniels**

Clinical Instructor of Nursing  
 Diploma, Sharon General Hospital - School of Nursing, 1988  
 B.S.N., Youngstown State University, 1996  
 M.S.N., Youngstown State University, 2001

**Dr. Dana Davis**

Assistant Professor of Social Work  
 Graduate Faculty Member  
 B.A., University of Maryland, 1992  
 M.S.W., University of Pittsburgh, 1998  
 Ph.D., Widener University, 2013

**David Davis**

Journalism Fellow, Communications  
 B.A., The Colorado College, 1983  
 M.S., Columbia University, 1985

**Dr. Donna M. DeBlasio**

Professor of History  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1974  
 M.A., Youngstown State University, 1976  
 Ph.D., Kent State University, 1980

**Maria Fenty Denison**

Assistant Professor of Theater and Dance and Music  
 B.M., Westminster Choir College, 1986  
 M.M., University of Miami, 1989  
 D.M.A., University of Miami, 2012

**Dr. Richard Albert Deschenes, Jr.**

Assistant Professor of Civil/Environmental and Chemical Engineering  
 B.S., University of Arkansas, 2012  
 M.S., University of Arkansas, 2014  
 Ph.D., University of Arkansas, 2017

**Laura J. Dewberry**

Instructor of Marketing  
 B.S., John Carroll University, 2003  
 M.B.A., Cleveland State University, 2006

**Dr. Suzanne Diamond**

Professor of English  
 Graduate Faculty Member  
 B.A., Rutgers University, 1986  
 Ph.D., Rutgers University, 1996

**Dr. Jeffrey C. Dick**

Professor of Geological and Environmental Sciences  
 Graduate Faculty Member  
 B.S., Kent State University, 1980  
 M.S., Kent State University, 1982  
 Ph.D., Kent State University, 1992

**Todd Dicken**

Assistant Professor of Theater and Dance  
 B.A., Youngstown State University, 1988  
 M.F.A., Kent State University, 1998

**Dr. Thomas P. Diggins**

Professor of Biological Sciences  
 Graduate Faculty Member

B.A., Kent State University, 1986  
 M.S., State University of New York, 1991  
 Ph.D., State University of New York, 1997

**Dr. Mary Lou DiPillo**

Associate Dean and Professor of Teacher Education  
 Graduate Faculty Member  
 B.A., Mercyhurst College, 1971  
 M.S., Youngstown State University, 1988  
 Ph.D., University of Akron, 1994

**Dr. Kevin Disotell**

Assistant Professor of Mechanical and Industrial Engineering  
 B.S., The Ohio State University, 2010  
 Ph.D., The Ohio State University, 2015

**Sean-Michael Doty**

Instructor of Kinesiology and Sport Science  
 B.S., Ashland University, 2014  
 M.Ed., Ashland University, 2015

**Dr. Patrick R. Durrell**

Professor of Physics and Astronomy  
 B.S., University of Victoria (Canada), 1990  
 M.S., McMaster University (Canada), 1992  
 Ph.D., McMaster University (Canada), 1996

**E****Dr. Adam C. Earnhardt**

Professor of Communication  
 Graduate Faculty Member  
 B.S., Clarion University of Pennsylvania, 1995  
 M.S., Clarion University of Pennsylvania, 1999  
 Ph.D., Kent State University, 2007

**Dr. Mary Beth Earnhardt**

Associate Professor of Communication  
 B.A./B.S., Clarion University, 1997  
 M.S., Clarion University, 1999  
 Ph.D., Kent State University, 2006

**Michael Ekoniak**

Assistant Professor of Electrical and Computer Engineering  
 B.S., Kettering University, 2003  
 M.E., Virginia Tech, 2014

**Dr. Kent J. Engelhardt**

Professor of Music  
 Graduate Faculty Member  
 B.M., Youngstown State University, 1986  
 M.M., Youngstown State University, 1993  
 M.A., University of Pittsburgh, 1999  
 Ph.D., University of Pittsburgh, 2001

**Dr. Rangamohan V. Eunni**

Professor of Management  
 Graduate Faculty Member  
 M.S., University of Bath (UK), 1997  
 D.B.A., Boston University, 2003

**F****Dr. Diana L. Fagan**

Professor of Biological Sciences  
 Graduate Faculty Member  
 B.S., University of Texas Medical Branch, Galveston, 1976  
 Ph.D., University of Texas Southwestern Medical Center, Dallas, 1986

**Dr. Jaelyn Farris**

Assistant Professor of Psychology  
 B.S., Allegheny College, 1998  
 M.S.Ed., Youngstown State University, 2000  
 M.A., University of Notre Dame, 2005  
 Ph.D., University of Notre Dame, 2007

**Dr. Johnathan Farris**

Assistant Professor of Art  
 B.A., Yale University, 1993  
 M.A., University of Virginia, 1995  
 Ph.D., Cornell University, 2004

**Dr. Amanda Fehlbaum**

Assistant Professor of Sociology, Anthropology, and Gerontology  
 B.A., University of Texas, 2007  
 M.A., University of Texas, 2009  
 Ph.D., University of Oklahoma, 2014

**Dr. John J. Feldmeier**

Associate Professor of Physics and Astronomy  
 B.A. and B.S., University of Texas, 1994  
 Ph.D., Pennsylvania State University, 2000

**Amy Flick**

Instructor of English  
 B.A., Youngstown State University, 2003  
 M.A., Youngstown State University, 2005

**Dr. Stephen R. Flora**

Professor of Psychology  
 Graduate Faculty Member  
 B.A., University of North Carolina, 1985  
 M.S., University of Georgia, 1987  
 Ph.D., University of Georgia, 1990

**Dr. Neil Flowers**

Assistant Professor of Mathematics and Statistics  
 B.S., Michigan State University, 1986  
 M.A., Temple University, 1988  
 Ph.D., Michigan State University, 1996

**Patricia Foltz**

Instructor of Communication  
 B.A.Ed., Arizona State University, 1979  
 M.A., Kansas State University, 1990

**Dr. Francois P. Fowler**

Associate Professor of Music  
 Graduate Faculty Member  
 B.M., University of Ottawa, 1996  
 M.M., Florida State University, 1998  
 D.M., Florida State University, 2002

**Dr. Kendra Fowler**

Associate Professor of Marketing  
 Graduate Faculty Member  
 B.S., Kent State University, 1993  
 M.B.A., Kent State University, 1995  
 Ph.D., Kent State University, 2011

**Dr. Timothy Francisco**

Professor of English  
 Graduate Faculty Member  
 B.A., Western Connecticut State University, 1987  
 M.A., Western Connecticut State University, 1993  
 Ph.D., University of Alabama, 2001

**Dr. Gordon G. Frissora**

Associate Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member

B.A., Mercyhurst College, 1975  
 M.S., Youngstown State University, 1990  
 Ph.D., Kent State University, 1996

**Dr. Adam L. Fuller**

Assistant Professor of Politics and International Relations  
 B.A., San Diego State University, 1999  
 M.A., University of British Columbia (Canada), 2001  
 Ph.D., Claremont Graduate University, 2009

**Lori Ann Fusco**

Clinical Instructor of Nursing  
 B.S.N., Youngstown State University, 1997  
 M.S.N., Youngstown State University, 2013

**Ida Fusillo**

Assistant Professor of Health Professions  
 A.A.S., Youngstown State University, 1996  
 B.S.A.S., Youngstown State University, 1997  
 M.P.H., Youngstown State University / NEOMED, 2007

## G

**Dr. Stephen L. Gage**

Professor of Music  
 Graduate Faculty Member  
 B.M., State University of New York at Fredonia, 1978  
 M.M., Eastman School of Music, 1983  
 Ed.D., University of Illinois at Urbana-Champaign, 1994

**Katherine N. Garlick**

Assistant Professor of Theater and Dance  
 B.A., Indiana University of Pennsylvania, 2004  
 M.F.A., Indiana University Bloomington, 2007

**Dr. Jeanette M. Garr**

Professor of Civil/Environmental and Chemical Engineering  
 Graduate Faculty Member  
 B.A., State University of New York at Buffalo, 1978  
 M.A., State University of New York at Buffalo, 1984  
 Ph.D., State University of New York at Buffalo, 1989

**Dr. Weiqing Ge**

Associate Professor of Physical Therapy  
 Graduate Faculty Member  
 B.S., Tianjin University (China), 1987  
 M.S., Xi' An Medical University, Xi' An (China), 1992  
 Ph.D., Peking Union Med. Coll. Chinese Acad. Of Med Sc. (China), 1996  
 D.P.T., Youngstown State University, 2011

**Dr. Omer Genc**

Assistant Professor of Marketing  
 B.S., Middle East Technical University, 2005  
 M.S., University of Illinois, 2008  
 Ph.D., Temple University, 2013

**Dr. Douglas T. Genna**

Assistant Professor of Chemistry  
 Graduate Faculty Member  
 B.S., Haverford College, 2006  
 M.A., The John Hopkins University, 2008  
 Ph.D., The John Hopkins University, 2011

**Dr. Julia M. Gergits**

Professor of English  
 Graduate Faculty Member  
 B.A., DePaul University, 1978  
 M.A., Penn State University, 1980  
 Ph.D., University of Minnesota, 1987

**Dr. Jill M. Gifford**

Associate Professor of Biological Sciences  
 Graduate Faculty Member  
 B.S., Arizona State University, 1996  
 Ph.D., Kent State University, 2001

**Robert Gilliland**

Instructor of Computer Science and Information Systems  
 B.S., Youngstown State University, 1998  
 M.C.I.S., Youngstown State University, 2008

**Dr. Karen Giorgetti**

Associate Professor of Psychology  
 B.S., Sweet Briar College, 1995  
 M.S., Purdue University, 1997  
 Ph.D., Purdue University, 2004

**Dr. Priscilla N. Gitimu**

Associate Professor of Human Ecology  
 B.S., Moi University (Kenya), 1996  
 M.S.Ed., Southern Illinois University at Carbondale, 1999  
 Ph.D., Southern Illinois University Carbondale, 2005

**Dr. Randall E. Goldberg**

Associate Professor of Music  
 Graduate Faculty Member  
 B.M., University of Texas, 1996  
 M.M., New England Conservatory of Music, 1998  
 Ph.D., Indiana University Bloomington, 2011

**Dr. Richard G. Goldthwait**

Assistant Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.S., Carnegie Mellon University, 1976  
 M.S., University of Pittsburgh, 1981  
 Ph.D., University of Texas at Dallas, 1988

**Dr. Paul B. Gordiejew**

Associate Professor of Sociology, Anthropology, and Gerontology  
 B.A., Southern Connecticut State College, 1977  
 M.S., Southern Connecticut State College, 1980  
 Ph.D., University of Pittsburgh, 1993

**Dr. Jay L. Gordon**

Associate Professor of English  
 Graduate Faculty Member  
 B.A., Brandeis University, 1991  
 M.A., Carnegie Mellon University, 1995  
 Ph.D., Carnegie Mellon University, 2001

**Dr. Stacy Graber**

Assistant Professor of English and Teacher Education  
 Graduate Faculty Member  
 B.A., University of Michigan, 1989  
 M.A., Wayne State University, 1993  
 Ph.D., Arizona State University, 2011

**Betty L. Greene**

Instructor of Teacher Education  
 B.S., Miami University, 1974  
 M.Ed., Miami University, 1983

**Dr. David William Griswold**

Assistant Professor of Physical Therapy  
 Graduate Faculty Member  
 B.A., Muskingum College, 2005  
 D.P.T., Youngstown State University, 2008  
 Ph.D., Nova Southeastern University, 2017

**Dr. Max V. Grubb**

Assistant Professor of Communication  
 B.S.C., Ohio University, 1979  
 M.A., Kent State University, 1994  
 Ph.D., Ohio University, 1999

**H****Dr. Guohong (Helen) Han-Haas**

Associate Professor of Management  
 Graduate Faculty Member  
 B.A., Shandong Normal University (China), 1991  
 M.A., Shandong University (China), 1994  
 M.A., University of Minnesota, 2002  
 Ph.D., University of Illinois, 2007

**Dr. Lucas D. Hardy**

Associate Professor of English  
 Graduate Faculty Member  
 B.A., University of Maine, 2003  
 M.A., University of Maine, 2005  
 Ph.D., State University of New York at Albany, 2012

**Guy Harrison**

Instructor of Communication  
 B.A., Barry University, 2005  
 M.S., Nova Southern University, 2009

**Dr. John M. Hazy**

Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1988  
 M.A., Kent State University, 1990  
 Ph.D., Kent State University, 1995

**Richard Helfrich**

Assistant Professor of Art  
 Graduate Faculty Member  
 B.S., La Roche College, 1996  
 M.F.A., Savannah College of Art and Design, 2008

**Dr. Jolien A. Hesel**

Assistant Professor of Economics  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1992  
 M.A., Youngstown State University, 1995  
 Ph.D., Kent State University, 2008

**Dr. Christopher Austin Hill**

Assistant Professor of Theater and Dance  
 B.A., University of Utah, 2008  
 M.A., The Ohio State University, 2010  
 Ph.D., The Ohio State University, 2013

**Tami W. Holcomb-Hathy**

Instructor of Social Work  
 B.A., Ursuline College  
 M.S.S.A., Case Western Reserve University, 2002

**Dr. Charles Howell**

Dean of the Beeghly College of Education and Professor of Educational Foundations, Research, Technology, and Leadership  
 Graduate Faculty Member  
 B.S., Georgia State University, 1973  
 M.F.A., University of Iowa, 1985  
 Ph.D., Syracuse University, 2000

**Dr. Patricia L. Hoyson**

Professor of Nursing  
 Graduate Faculty Member  
 B.S.N., Pennsylvania State University, 1986

M.S.N., Kent State University, 1991  
Ph.D., University of Pittsburgh, 2001

**Dr. Ou Hu**

Professor of Economics  
Graduate Faculty Member  
B.A., Beijing Inst. of Business, 1997  
M.A., West Virginia University, 2001  
Ph.D., West Virginia University, 2004

**Dr. Marsha M. Huber**

Associate Professor of Accounting and Finance  
Graduate Faculty Member  
B.A., Ohio University, 1981  
M.B.A., Miami University, 1983  
Ph.D., The Ohio State University, 2003

**Dr. Tiffany F. Hughes**

Assistant Professor of Sociology, Anthropology, and Gerontology  
Graduate Faculty Member  
B.S., Allegheny College, 2001  
M.P.H., University of South Florida, 2008  
Ph.D., University of South Florida, 2008  
Postdoctoral Scholar, University of Pittsburgh, 2012

**Dr. Allen D. Hunter**

Professor of Chemistry  
Graduate Faculty Member  
B.S., University of British Columbia (Canada), 1981  
Ph.D., University of British Columbia (Canada), 1985

**Dr. Shakir Husain**

Professor of Civil/Environmental and Chemical Engineering  
Graduate Faculty Member  
B.S., The Aligarh Muslim University (India), 1974  
M.S., University of Mississippi, 1984  
Ph.D., University of Mississippi, 1987

**Dr. Sylvia Imler**

Associate Professor and Associate Vice President for Multicultural Affairs  
Graduate Faculty Member  
B.S., East Texas State University, 1975  
M.S., Youngstown State University, 1986  
M.T.S., Logos University, 1989  
Ph.D., Oxford Graduate School, 1993

**Dr. AKM Anwarul Islam**

Professor of Civil, Environmental, and Chemical Engineering  
Graduate Faculty Member  
B.S., Bangladesh University of Engineering Technology, 1992  
M.S., Florida State University, 2000  
Ph.D., Florida State University, 2005

**J**

**Dr. Carrie R. Jackson**

Assistant Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.A., California University of Pennsylvania, 2000  
M.A., California University of Pennsylvania, 2001  
D.Ed., Indiana University of Pennsylvania, 2013

**Jaietta Jackson**

Instructor of Communication  
B.F.P.A., Kent State University, 1993  
M.A., New York University, 1998

**Dr. John A. Jackson**

Associate Professor of Chemistry  
Graduate Faculty Member  
B.A., University of Minnesota, 1982  
Ph.D., University of Iowa, 1990

**Dr. Cryshanna A. Jackson Leftwich**

Associate Professor of Politics and International Relations  
B.S., Miami University, 2001  
M.S., West Virginia University, 2002  
Ph.D., University of Akron, 2006

**Dr. Alan M. Jacobs**

Professor of Geological and Environmental Sciences  
Graduate Faculty Member  
A.B., The City University of New York, 1963  
A.M., Indiana University Bloomington, 1965  
Ph.D., Indiana University Bloomington, 1967

**Dr. Jalal Jalali**

Professor of Electrical and Computer Engineering  
Graduate Faculty Member  
B.S., University of Missouri-Columbia, 1979  
M.S., University of Missouri-Columbia, 1980  
Ph.D., University of Missouri-Columbia, 1984

**Dr. Jozsi Z. Jalics**

Associate Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.S., John Carroll University, 1996  
M.S., The Ohio State University, 1999  
Ph.D., The Ohio State University, 2002

**Dr. Charles Jeffords**

Assistant Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.S., Grove City College, 1962  
M.S., Edinboro University, 1969  
Ed.D., Youngstown State University, 2008

**Sarah E. Jenyk**

Instructor of Economics  
B.A., Youngstown State University, 2006  
M.A., Youngstown State University, 2007

**Dr. Michael K. Jerryson**

Associate Professor of Philosophy and Religious Studies  
B.A., University of Wisconsin, 1996  
T.E.F.L., U.S. Peace Corps, Mongolia, 1997  
M.A., University of Wisconsin, 2000  
Ph.D., University of California, 2008

**Dr. Qi Jiang**

Professor of Sociology, Anthropology, and Gerontology  
B.A., Second Beijing Inst. of Foreign Languages (China), 1972  
Diploma in English Literature, Carleton University (Canada), 1977  
M.A., University of Pittsburgh, 1986  
Ph.D., University of Pittsburgh, 1994

**Dr. Carl G. Johnston**

Professor of Biological Sciences  
Graduate Faculty Member  
B.S., University of Manitoba, 1981  
M.S., University of Alaska, 1986  
Ph.D., University of Cincinnati, 1992

**Dr. James Juergensen**

Assistant Professor of Psychology  
B.A., Youngstown State University, 2009

M.A., Case Western Reserve University, 2012  
Ph.D., Case Western Reserve University, 2014

**Dr. Jai K. Jung**

Assistant Professor of Civil/Environmental and Chemical Engineering  
Graduate Faculty Member  
B.S., Han Yang University, 2006  
Ph.D., Cornell University, 2011

**Dr. Debbie Juruaz**

Professor of Health Professions  
B.S., The Ohio State University, 1975  
D.D.S., The Ohio State University, 1983

**K****Dr. Diane P. Kandray**

Professor of Health Professions  
B.S. Ed., The Ohio State University, 1984  
R.D.H., The Ohio State University, 1984  
M.Ed., Kent State University, 1989  
Ed.D., Youngstown State University, 2016

**Dr. Birsen Karpak**

Professor of Management  
Graduate Faculty Member  
D.B.A., University of Istanbul (Turkey), 1974

**Dr. Maria Paulina Kassawat**

Assistant Professor of Accounting and Finance  
B.S., University of Guanajuato, 2006  
M.S., West Virginia University, 2008  
M.B.A., West Virginia University, 2009  
Ph.D., Florida Atlantic University, 2015

**Susan E. Kearns**

Assistant Professor of Health Professions  
A.D.N., Kent State University, 1995  
B.S.N., Kent State University, 2000  
M.S.N., University of South Alabama, 2008

**Dr. Bruce Keillor**

Professor of Marketing  
Graduate Faculty Member  
B.A., University of Minnesota, 1987  
M.B.A., Minnesota State University, 1989  
Ph.D., University of Memphis, 1994

**Dr. Daniel Keown**

Assistant Professor of Music and Teacher Education  
Graduate Faculty Member  
B.S., University of Wisconsin, 2001  
M.M., Indiana State University, 2004  
Ph.D., University of Missouri, 2013

**Dr. G. Jay Kerns**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.A., Glenville State College, 1999  
M.A., Bowling Green State University, 2000  
Ph.D., Bowling Green State University, 2004

**Dr. Lucy Xiaojing Kerns**

Assistant Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.A., Hangzhou University, 1994  
M.S., Bowling Green State University, 2002  
Ph.D., Bowling Green State University, 2006

**Dr. Peter Kimosop**

Assistant Professor of Geography  
Graduate Faculty Member  
B.S., University of Nairobi (Kenya), 2000  
M.A., Western Michigan University, 2005  
Ph.D., University of Cincinnati, 2011

**Dr. Tammy A. King**

Associate Dean and Professor of Criminal Justice and Forensic Sciences  
B.S., Youngstown State University, 1987  
M.S., Youngstown State University, 1990  
Ph.D., Indiana University of Pennsylvania, 1996

**Dr. Alena Kirova**

Assistant Professor of English and Foreign Languages and Literatures  
B.A., Yakutsk State University, 2003  
M.A., Florida State University, 2011  
Ph.D., Rutgers University, 2016

**Dr. Brian D. Kiser**

Associate Professor of Music  
Graduate Faculty Member  
B.M.E., University of Northern Iowa, 1998  
M.M., University of Illinois, 2000  
D.M.A., Indiana University Jacobs School of Music, 2007

**Robert J. Korenic**

Associate Professor of Engineering Technology  
B.E.C.E., Youngstown State University, 1997  
M.S.E., Youngstown State University, 1999

**Dr. Anthony J. Kos**

Professor of Management  
Graduate Faculty Member  
B.S.B.A., Youngstown State University, 1983  
M.B.A., Youngstown State University, 1987  
Ph.D., Kent State University, 1997

**Dr. Robert W. Kramer**

Associate Professor of Computer Science and Information Systems  
B.S., Youngstown State University, 1987  
M.S., University of Pittsburgh, 1991  
Ph.D., University of Pittsburgh, 1998

**Dr. Victoria E. White Kress**

Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
M.A. Ed., University of Akron, 1995  
Ph.D., University of Akron, 1999

**Joseph Kromholz**

Instructor of Music  
B.M., Cleveland Institute of Music, 2007  
M.M., Cleveland Institute of Music, 2008

**Dr. Johanna Krontiris-Litowitz**

Professor of Biological Sciences  
Graduate Faculty Member  
B.A., Case Western Reserve University, 1974  
M.S., Case Western Reserve University, 1977  
Ph.D., Cleveland State University, 1984

**Dr. Christopher Krummel**

Professor of Music  
Graduate Faculty Member  
B.M., Miami University, 1985  
M.M., University of Illinois at Urbana-Champaign, 1992  
D.M.A., University of Illinois at Urbana-Champaign, 1997

**Dr. Yongung Kwon**

Assistant Professor of Human Performance and Exercise Science

Graduate Faculty Member  
 B.S., Yeungnam University, 2006  
 M.S., University of North Carolina at Greensboro, 2010  
 Ph.D., Virginia Commonwealth University, 2015

## L

### Dr. Jacob Labendz

Assistant Professor of History  
 Graduate Faculty Member  
 B.A., Brandeis University, 2000  
 A.M., Washington University, 2009  
 Ph.D., Washington University, 2014

### Carol M. Lamb

Associate Professor of Engineering Technology  
 B.S., Youngstown State University, 2001  
 M.S.E., Youngstown State University, 2005  
 D.B.A., Northcentral University, 2017

### Dr. Nancy Crum Landgraff

Professor of Physical Therapy  
 Graduate Faculty Member  
 B.S., University of Pittsburgh, 1982  
 M.H.S., University of Florida, 1988  
 Ph.D., University of Pittsburgh, 2004

### Dr. Karen H. Larwin

Associate Professor of Counseling, School Psychology, and Educational Leadership  
 Graduate Faculty Member  
 B.A., Kent State University, 2003  
 M.A., Kent State University, 2004  
 Ph.D., Kent State University, 2007

### Dr. Mary E. LaVine

Associate Professor of Teacher Education  
 Graduate Faculty Member  
 B.A., North Central College, 1978  
 M.S., University of Illinois at Chicago, 1990  
 Ph.D., Kent State University, 1998

### Dr. David B. Law

Professor of Accounting and Finance  
 B.A., Youngstown State University, 1975  
 M.B.A., Youngstown State University, 1985  
 Ph.D., Cleveland State University, 1995

### Dr. Alina Lazar

Professor of Computer Science and Information Systems  
 Graduate Faculty Member  
 B.S., Western University of Timisoara (Romania), 1995  
 Ph.D., Wayne State University, 2002

### Dr. Kenneth Learman

Professor of Physical Therapy  
 Graduate Faculty Member  
 B.S.P.T., State University of New York at Buffalo, 1989  
 M.E.H.E., Pennsylvania State University, 1993  
 Ph.D., University of Pittsburgh, 2007

### Dr. Thomas E. Leary

Associate Professor of History  
 Graduate Faculty Member  
 B.A., John Fisher College, 1969  
 Ph.D., Brown University, 1985

### Dr. Loren R. Lease

Associate Professor of Sociology, Anthropology, and Gerontology  
 B.A., Kenyon College, 1994

M.A., The Ohio State University, 1996  
 Ph.D., The Ohio State University, 2003

### Dr. Hae-Jong Lee

Associate Professor of Music  
 Graduate Faculty Member  
 B.M., Seoul National University, 1989  
 M.M., Westminster Choir College, 1995  
 D.M.A., University of Illinois at Urbana-Champaign, 2003

### Dr. Ju Yup Lee

Assistant Professor of Human Ecology  
 B.S., Hanyang University, 2003  
 M.S., Hanyang University, 2005  
 Ph.D., Iowa State University, 2012

### Dr. Keith J. Lepak

Associate Professor of Politics and International Relations  
 B.A., Carroll College, 1976  
 M.A., University of Virginia, Charlottesville, 1980  
 Ph.D., University of Virginia, Charlottesville, 1986

### Dr. Brian D. Leskiw

Professor of Chemistry  
 Graduate Faculty Member  
 B.S., Niagara University, 1998  
 Ph.D., Pennsylvania State University, 2003

### Dr. Lillian L. Lewis

Assistant Professor of Art and Teacher Education  
 B.S., Howard Payne University, 1999  
 M.A., University of North Texas, 2008  
 Ph.D., Pennsylvania State University, 2015

### Dr. Frank Xiyang Li

Professor of Electrical and Computer Engineering  
 Graduate Faculty Member  
 B.S.E.E., The Ohio State University, 1996  
 M.S.E.E., Youngstown State University, 1999  
 Ph.D., Case Western Reserve University, 2005

### Dr. Betty Jo Licata

Dean of the Williamson College of Business Administration and Professor of Management  
 Graduate Faculty Member  
 B.A., State University of New York at Geneseo, 1978  
 M.B.A., Rensselaer Polytechnic Institute, 1981  
 Ph.D., Rensselaer Polytechnic Institute, 1982

### Dr. Matthew Lindberg

Assistant Professor of Psychology  
 B.A., University of Florida, 2002  
 B.S., University of Florida, 2002  
 M.S., Ohio University, 2007  
 Ph.D., Ohio University, 2010

### Dr. Clovis Linkous

Professor of Chemistry  
 Graduate Faculty Member  
 B.S., Purdue University, 1976  
 Ph.D., Michigan State University, 1983

### Nora Lipscomb

Instructor of Nursing  
 B.S.N., Kent State University, 1983  
 M.S.N., University of Akron, 1993

### Dr. Susan A. Lisko

Associate Professor of Nursing  
 Graduate Faculty Member

B.S.N., Youngstown State University, 1984  
 M.S.N., Gannon University, 1992  
 D.N.P., Case Western Reserve University, 2009

**Dr. Megan List**

Assistant Professor of Teacher Education  
 Graduate Faculty Member  
 B.A., Roberts Wesleyan College, 2001  
 M.E., Roberts Wesleyan College, 2005  
 Ph.D., North Carolina State University, 2012

**Dr. Heather E. Lorimer**

Associate Professor of Biological Sciences  
 Graduate Faculty Member  
 A.B., University of Chicago, 1982  
 M.A., Columbia University, 1988  
 M.Phil., Columbia University, 1989  
 Ph.D., Columbia University, 1992

**Dr. J. Paul Louth**

Associate Professor of Music and Teacher Education  
 Graduate Faculty Member  
 B.M., University of Toronto, 1995  
 B.E., University of Toronto, 1997  
 M.M., University of Western Ontario, 2004  
 Ph.D., University of Western Ontario, 2008

**Dr. Sherri R. Lovelace-Cameron**

Professor of Chemistry  
 Graduate Faculty Member  
 B.S., Drexel University, 1986  
 Ph.D., University of Pittsburgh, 1992

**Kelsey Lyda**

Instructor of Mechanical and Industrial Engineering  
 B.S., Youngstown State University, 2010  
 B.E., Youngstown State University, 2010  
 M.S., Youngstown State University, 2017

**Dr. Joseph P. Lyons**

Associate Professor of Health Professions  
 Graduate Faculty Member  
 B.A., Bloomsburg University, 1971  
 Sc.D., John Hopkins University, 1975

**M****Dr. Eric MacDonald**

Professor of Electrical and Computer Engineering and Phyllis Friedman Chair  
 in Engineering  
 B.S., University of Texas at Austin, 1993  
 M.S., University of Texas at Austin, 1997  
 Ph.D., University of Texas at Austin, 2002

**Dr. Thomas L. Madsen**

Assistant Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.S., University of Aarhus (Denmark), 2004  
 M.S., University of Aarhus (Denmark), 2007  
 Ph.D., University of Oklahoma, 2014

**Dr. Hazel Marie**

Associate Professor of Mechanical and Industrial Engineering  
 Graduate Faculty Member  
 B.S.M.E., University of Texas at Austin, 1984  
 M.S.E., Youngstown State University, 1998  
 Ph.D., University of Akron, 2005

**Dr. Don Martin**

Professor of Counseling, School Psychology, and Educational Leadership

Graduate Faculty Member  
 B.A., Roanoke College, 1974  
 M.S., Radford University, 1976  
 Ph.D., North Texas State, 1981

**Dr. Holly J. Martin**

Assistant Professor of Civil/Environmental and Chemical Engineering  
 Graduate Faculty Member  
 B.S., Mississippi State University, 2002  
 Ph.D., Mississippi State University, 2006

**John D. Martin**

Assistant Professor of Engineering Technology  
 B.E., Youngstown State University, 2006  
 M.S., Youngstown State University, 2010

**Dr. Ndinzi Masagara**

Associate Professor of Foreign Languages and Literatures  
 M.A., University of Southern California, 1986  
 Ph.D., University of Southern California, 1991

**Dr. Marcia Matanin**

Professor of Teacher Education  
 Graduate Faculty Member  
 B.S., Youngstown State University, 1987  
 M.E., Kent State University, 1990  
 Ph.D., The Ohio State University, 1993

**Dr. Walter T. Mathews**

Associate Professor of Communication  
 A.B., Oberlin College, 1974  
 M.S., Case Western Reserve University, 1977  
 Ph.D., Michigan State University, 1987

**Matthew Mazuroski**

Associate Professor of Theater and Dance  
 B.A., Emporia State University, 2002  
 M.F.A., Northwestern University, 2006

**Paula McClusky**

Instructor of Nursing  
 B.S.N., Slippery Rock University, 1987  
 M.S.N., Chamberlain College of Nursing, 2015

**Missy McCormick**

Associate Professor of Art  
 Graduate Faculty Member  
 B.F.A., Georgia Southern University, 1994  
 M.F.A., University of Florida, 2001

**Christine E. McCullough**

Professor of Art  
 Graduate Faculty Member  
 B.F.A., University of Maryland Baltimore County, 1978  
 M.F.A., Maryland Institute College of Art, 1993

**Dr. Colleen McLean**

Associate Professor of Geological and Environmental Sciences  
 Graduate Faculty Member  
 B.S., Youngstown State University, 1997  
 M.S., Kent State University, 2002  
 Ph.D., Michigan State University, 2011

**Dr. Hojjat Mehri**

Professor of Mechanical and Industrial Engineering  
 B.S., Abadan Institute of Technology, 1968  
 M.S., Illinois Institute of Technology, 1973  
 Ph.D., Illinois Institute of Technology, 1981

**Dorian Mermer**

Instructor of Communication  
B.A., Hiram College, 1987  
M.A., Kent State University, 1989

**Dr. Monica Merrill**

Assistant Professor of Criminal Justice and Forensic Sciences  
Graduate Faculty Member  
B.A., Kent State University, 2006  
M.A., University of Akron, 2011  
Ph.D., University of Akron, 2014

**Dr. Sara Michaliszyn**

Assistant Professor of Human Performance and Exercise Science  
Graduate Faculty Member  
B.S.A.S., Youngstown State University, 2000  
M.S., University of Pittsburgh, 2003  
Ph.D., University of Pittsburgh, 2006

**Dr. Stacie Renee Mickens**

Associate Professor of Music  
Graduate Faculty Member  
B.A., Luther College, 2002  
M.M., University of Wisconsin-Madison, 2004  
D.M.A., University of Michigan, 2012

**Dr. Kenneth L. Miller**

Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.A., Purdue University, 1979  
M.S., Purdue University Calumet, 1985  
Ph.D., Purdue University, 1990

**Dr. Xiangjia Min**

Associate Professor of Biological Sciences  
Graduate Faculty Member  
B.S., Laiyang Agricultural College (China), 1984  
M.S., Beijing Agricultural University, 1987  
Ph.D., University of Hawaii, 1995  
M.S., University of British Columbia, 2002

**Dr. Jeanine L. Mincher**

Associate Professor of Human Ecology  
B.S., Youngstown State University, 1985  
M.S., Youngstown State University, 1989  
Ph.D., Kent State University, 2010

**Dr. Mustansir Mir**

Professor of Philosophy and Religious Studies  
B.A., Government College, Punjab University (Pakistan), 1967  
M.A., Government College, Punjab University (Pakistan), 1969  
M.A., University of Michigan, 1980  
Ph.D., University of Michigan, 1983

**Joseph J. Mistovich**

Professor of Health Professions  
A.A.S., Youngstown State University, 1982  
B.S., Youngstown State University, 1985  
M.Ed., Kent State University, 1988

**Dr. Stefan Moldovan**

Assistant Professor of Mechanical and Industrial Engineering  
Graduate Faculty Member  
B.S., The Polytechnic University of Bucharest, 2004  
M.S., The Polytechnic University of Bucharest, 2005  
Ph.D., University of Akron, 2013

**Dr. Dennis Morawski**

Associate Professor of Social Work  
B.S., Lake Superior State College, 1978  
M.S.W., Wayne State University, 1980

Ph.D., University of Tennessee, 1990

**Dr. David S. Morgan**

Professor of Music  
Graduate Faculty Member  
B.M., University of Texas, 1990  
M.M., University of Texas, 1993  
D.M.A., University of Texas, 1996

**Greg Moring**

Associate Dean and Professor of Art  
Graduate Faculty Member  
B.F.A., State University of New York at New Paltz, 1973  
M.F.A., Rinehart School of Sculpture, Maryland Institute College of Art, 1975

**Dr. Joseph L. Mosca**

Dean of the Bitonte College of Health and Human Services and Professor of Social Work  
Graduate Faculty Member  
B.S.W., University of Illinois at Chicago, 1980  
M.S.W., University of Illinois at Chicago, 1981  
Ph.D., University of Pittsburgh, 1992

**Dr. Allan Mosher**

Professor of Music  
Graduate Faculty Member  
B.A., San Francisco State University, 1974  
B.A., University of California, Berkeley, 1977  
M.M., Eastman School of Music, 1978  
D.M.A., University of Cincinnati, 1986

**Dr. Faramarz Doc Mossayebi**

Associate Professor of Electrical and Computer Engineering  
Graduate Faculty Member  
B.E., Youngstown State University, 1981  
M.S., Youngstown State University, 1987  
M.S., Youngstown State University, 1990  
Ph.D., University of Akron, 1994

**Kin Ping Moy**

Professor of Engineering Technology  
B.E., Youngstown State University, 1971  
M.S., Youngstown State University, 1973

**Dr. Nicole Mullins**

Professor of Human Performance and Exercise Science  
B.S., University of New Hampshire, 1994  
M.A., Kent State University, 1997  
Ph.D., Kent State University, 2002

**Kathleen E. Mumaw**

Assistant Professor of Accounting and Finance  
B.S., Youngstown State University, 1978  
M.B.A., Youngstown State University, 1981

**Dr. Nathan Myers**

Associate Professor and Associate Provost for International and Global Initiatives  
B.A., Mount Vernon Nazarene College, 1999  
Ph.D., University of Kentucky, 2005

## N

**Dr. Denise A. Narcisse**

Associate Professor of Sociology, Anthropology, and Gerontology  
B.A., University of Illinois at Chicago, 1977  
M.P.A., Roosevelt University, 1980  
M.A., University of Illinois at Chicago, 1997  
Ph.D., University of Illinois at Chicago, 2006

**Michelle Nelson**

Professor of Art  
 B.F.A., Herron School of Art, 1993  
 M.F.A., Indiana University, 1998

**Dr. Nguyet Thi Nguyen**

Assistant Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.S., Hanoi National University of Education, 1998  
 M.S., Hanoi National University of Education, 2002  
 M.S., Florida State University, 2011  
 Ph.D., Florida State University, 2014

**Dr. Peter Norris**

Professor of Chemistry  
 Graduate Faculty Member  
 B.S., The University of Salford (England), 1986  
 Ph.D., The Ohio State University, 1992

**O****Joan O'Connell-Spalla**

Assistant Professor of Health Professions  
 B.S.A.S., Youngstown State University, 1991  
 M.S., Youngstown State University, 2011

**Dr. Valerie Marie O'Dell**

Associate Professor of Nursing  
 Graduate Faculty Member  
 B.S.N., Youngstown State University, 1985  
 M.S.N., Kent State University, 1993  
 D.N.P., Case Western Reserve University, 2009

**Dr. Patrick O'Leary**

Assistant Professor of Human Ecology  
 B.S., Bowling Green State University, 2005  
 M.S., Purdue University, 2007  
 Ph.D., Purdue University, 2010

**Dr. Matt O'Mansky**

Associate Professor of Sociology, Anthropology and Gerontology  
 B.A., Indiana University, 1991  
 Ph.D., Vanderbilt University, 2007

**Dr. Anita C. O'Mellan**

Professor of Mathematics and Statistics and Teacher Education  
 Graduate Faculty Member  
 B.S., Southern Illinois University Carbondale, 1987  
 M.S., Texas AM University, 1988  
 Ph.D., Memphis State University, 1993

**Dr. Daniel J. O'Neill**

Professor of Communication  
 B.A., Wayne State University, 1961  
 M.A., Bowling Green State University, 1962  
 Ph.D., Michigan State University, 1969

**Dr. Tom Nelson Oder**

Professor of Physics and Astronomy  
 Graduate Faculty Member  
 B.S., Makerer University (Uganda), 1984  
 M.S., University of St. Andrews (UK), 1986  
 Ph.D., Auburn University, 1999

**Dr. Nicole Olshanski**

Assistant Professor of Nursing  
 A.D.N., Butler County Community College, 1997  
 B.S.N., Slippery Rock University, 1999  
 M.S.N., University of Pittsburgh, 2002

D.N.P., Waynesburg University, 2010

**Dr. Caroline Oltmanns**

Professor of Music  
 Graduate Faculty Member  
 Diploma, Greiburg, Germany, 1989  
 M.M., University of Southern California, Los Angeles, 1991  
 D.M.A., University of Southern California, Los Angeles, 1995

**Dr. Christian C. Onwudiwe**

Assistant Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., Southern University and AM College, 1986  
 M.A., Southern University and AM College, 1988  
 Ph.D., Howard University, 1995

**Dr. Tomi P. Ovaska**

Professor of Economics  
 Graduate Faculty Member  
 M.A., University of Jyvaskyla (Finland), 1997  
 M.A., West Virginia University, 2001  
 Ph.D., West Virginia University, 2003

**Dr. Alfred W. Owens**

Professor of Communication  
 B.A., Baldwin Wallace College, 1969  
 M.A., Kent State University, 1971  
 Ph.D., Kent State University, 1983

**P****Dr. Diana Q. Palardy**

Associate Professor of Foreign Languages and Literatures  
 B.A., Reed College, 1997  
 M.A., University of Colorado, 2004  
 Ph.D., University of Virginia, 2008

**Dr. Joseph Palardy**

Professor of Economics  
 Graduate Faculty Member  
 B.S., Frostburg State University, 1997  
 Ph.D., West Virginia University, 2002

**Ruth Palich**

Assistant Professor of Health Professions  
 A.A.S., Youngstown State University, 1994  
 B.S.A.S., Youngstown State University, 2005  
 M.H.H.S., Youngstown State University, 2008

**Dr. Martha Pallante**

Associate Dean and Professor of History  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1977  
 M.A., College of William and Mary, 1982  
 Ph.D., University of Pennsylvania, 1988

**Dr. Gabriel Palmer-Fernandez**

Professor of Philosophy and Religious Studies  
 B.S., Florida International University, 1977  
 M.A., West Georgia College, 1978  
 M.T.S., Harvard University, 1981  
 A.M., Harvard University, 1988  
 Ph.D., Harvard University, 1992

**Cathy Bieber Parrott**

Assistant Professor of Physical Therapy  
 Graduate Faculty Member  
 B.S.P.T., University of Texas Medical Branch, 1984  
 M.S., University of Pittsburgh, 1994

**Dr. Phyllis Paul**

Dean of the College of Creative Arts and Communication and Professor of Music  
Graduate Faculty Member  
B.M., Lenoir-Rhyne University, 1983  
M.M., Florida State University, 1989  
Ph.D., Florida State University, 2003

**Dr. Matthew Paylo**

Associate Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.S., Grove City College, 2000  
M.A., Slippery Rock University, 2004  
Ph.D., University of Virginia, 2007

**Dr. Brandt Payne**

Associate Professor of Music  
B.M., University of Iowa, 2001  
M.M., Arizona State University, 2004  
D.M.A., Arizona State University, 2010

**Teresa Peck**

Instructor of Nursing  
B.S.N., Youngstown State University, 1996  
M.S.N., University of Phoenix, 2014

**Dr. Nicole Pettitt**

Assistant Professor of English  
B.A., University of Minnesota, 2003  
M.A., University of Minnesota, 2012  
Ph.D., Georgia State University, 2017

**Dr. Dennis A. Petruska**

Professor of Economics  
Graduate Faculty Member  
B.A., University of Pittsburgh, 1973  
M.A., The Ohio State University, 1975  
Ph.D., The Ohio State University, 1984

**Dr. Karin A. Petruska**

Associate Professor of Accounting and Finance  
Graduate Faculty Member  
B.S., Youngstown State University, 1989  
M.B.A., Youngstown State University, 1993  
Ph.D., Kent State University, 2008

**Dr. Jennifer Pintar**

Associate Provost and Professor of Kinesiology and Sport Science  
Graduate Faculty Member  
B.A., Washington and Jefferson College, 1994  
M.S., University of Pittsburgh, 1995  
Ph.D., University of Pittsburgh, 2001  
M.P.H., University of Pittsburgh, 2004

**Kimberly Pleva**

Instructor of Management  
B.S.B.A., Youngstown State University, 2000  
M.B.A., Youngstown State University, 2005

**Dr. Rachael J. Pohle-Krauza**

Associate Professor of Human Ecology  
Graduate Faculty Member  
B.S., D'Youville College, 2001  
M.S., D'Youville College, 2001  
Ph.D., State University of New York at Buffalo, 2007

**Dr. David H. Pollack**

Associate Professor of Mathematics and Statistics  
B.S., University of Illinois, 1976

M.S., University of Illinois, 1982  
Ph.D., University of Illinois, 1989

**Michael Pontikos**

Instructor of Marketing  
B.S., Bowling Green State University, 1991  
M.B.A., Youngstown State University, 1995

**Dr. Tod Porter**

Professor of Economics  
Graduate Faculty Member  
B.A., Syracuse University, 1978  
M.A., Syracuse University, 1981  
Ph.D., Syracuse University, 1984

**Dr. Nicolette Powe**

Assistant Professor of Health Professions  
B.S., Kent State University, 1999  
M.S., North Carolina Central University, 2003  
Dr.P.H., Loma Linda University, 2016

**Dr. Douglas M. Price**

Associate Professor of Civil/Environmental and Chemical Engineering  
B.S., Pennsylvania State University, 1984  
M.S., University of Notre Dame, 1986  
Ph.D., University of Notre Dame, 1988

**Dr. Alicia Prieto Langarica**

Associate Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.S., University of Texas at Dallas, 2008  
Ph.D., University of Texas at Arlington, 2012

**Dr. Donald Priour**

Assistant Professor of Physics and Astronomy  
Graduate Faculty Member  
B.A., Rice University, 1995  
M.A., Princeton, 1997  
Ph.D., Princeton, 2000

**Dr. Jake J. Protivnak**

Professor of Counseling, School Psychology, and Educational Leadership  
Graduate Faculty Member  
B.S., Andrews University, 1998  
M.Ed., Kent State University, 2002  
Ph.D., Ohio University, 2005

**R****Amy Raabe**

Instructor of Human Ecology  
B.S., Indiana University of Pennsylvania, 2010  
M.S., Indiana University of Pennsylvania, 2013

**Dr. Crystal L. Ratican**

Assistant Professor of Teacher Education  
Graduate Faculty Member  
B.S., Edinboro University, 2002  
M.Ed., Walden University, 2006  
Ph.D., Walden University, 2011

**Dr. Michael Raulin**

Assistant Professor of Psychology  
Graduate Faculty Member  
B.A., University of Wisconsin, 1972  
M.S., University of Wisconsin, 1975  
Ph.D., University of Wisconsin, 1977

**Dr. Steven M. Reale**

Associate Professor of Music

Graduate Faculty Member  
 B.A., Indiana University, 2001  
 M.A., University of Michigan, 2003  
 Ph.D., University of Michigan, 2009

**Dr. Peter A. Reday**

Associate Professor of Marketing  
 B.A., Oakland University, 1971  
 M.I.M., American Graduate School of International Management, 1977  
 Ph.D., Nanyang Technological University (Singapore), 2002

**Dr. Steven Reese**

Professor of English  
 Graduate Faculty Member  
 B.A., Bucknell University, 1981  
 M.A., University of Delaware, 1983  
 Ph.D., University of Delaware, 1988

**Dr. Ian J. Renne**

Associate Professor of Biological Sciences  
 Graduate Faculty Member  
 B.S., Syracuse University, 1992  
 M.S., Clemson University, 1996  
 Ph.D., Clemson University, 2001

**Dr. Keisha T. Robinson**

Associate Professor of Health Professions  
 Graduate Faculty Member  
 B.S., Xavier University of Louisiana, 1999  
 M.P.H., St. Louis University, 2002  
 Dr.P.H., University of Pittsburgh, 2007

**Amanda Roby**

Assistant Professor of Health Professions  
 Graduate Faculty Member  
 B.S.R.C., Youngstown State University, 2000  
 M.H.H.S., Youngstown State University, 2011

**Molly Roche**

Clinical Assistant Professor of Nursing  
 A.A.S., Youngstown State University, 1978  
 B.S.N., Kent State University, 1979  
 M.S.N., Kent State University, 1987

**Dr. Gregory C. Rocheleau**

Assistant Professor of Sociology, Anthropology, and Gerontology  
 B.A., University of Michigan, 2003  
 M.A., Eastern Michigan University, 2008  
 Ph.D., Bowling Green State University, 2012

**Dr. Stephen Rodabaugh**

Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.A., University of Missouri-Columbia, 1970  
 M.A., University of Missouri-Columbia, 1971  
 Ph.D., University of Missouri-Columbia, 1974

**Dr. Richard Lee Rogers**

Assistant Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., University of Illinois at Chicago, 1983  
 Ph.D., Princeton University, 1996

**Dr. Jena Root**

Associate Professor of Music  
 Graduate Faculty Member  
 B.M., Shenandoah Conservatory, 1993  
 M.M., Syracuse University, 1996  
 Ph.D., University of Minnesota, 2000

**John Rossi**

Instructor of Marketing  
 B.S.B.A., The Ohio State University, 1981  
 M.B.A., Youngstown State University, 1996

**Dr. Zara C. Rowlands**

Associate Professor of Human Ecology  
 Graduate Faculty Member  
 B.S., Howard University, 1991  
 M.S., Howard University, 1995  
 Ph.D., Florida International University, 2003

**Dr. Jae Joong Ryu**

Assistant Professor of Mechanical and Industrial Engineering  
 Graduate Faculty Member  
 B.S., Iowa State University, 2003  
 M.S., Iowa State University, 2005  
 Ph.D., Iowa State University, 2009

**S**

**Dr. Christina Saenger**

Assistant Professor of Marketing  
 Graduate Faculty Member  
 B.A., University of Akron, 2003  
 M.B.A., University of Akron, 2005  
 Ph.D., Kent State University, 2012

**Dr. Salvatore Sanders**

Dean of the Graduate College and Professor of Health Professions  
 Graduate Faculty Member  
 B.S.A.S., Youngstown State University, 1985  
 M.S., University of Akron, 1988  
 Ph.D., University of Akron, 2006

**Joseph S. Sanson**

Assistant Professor of Engineering Technology  
 B.E., Youngstown State University, 1993  
 M.S., Youngstown State University, 2013

**Dr. John E. Sarkissian**

Professor of Foreign Languages and Literatures  
 B.A., Michigan State University, 1971  
 Ph.D., Duke University, 1977

**Dr. Gail Saunders-Smith**

Associate Professor of Teacher Education  
 Graduate Faculty Member  
 B.S., Kent State University, 1974  
 M.A., Kent State University, 1977  
 M.S., Youngstown State University, 1980  
 Ph.D., University of Akron, 1994

**Dr. Glenn Schaft**

Professor of Music  
 Graduate Faculty Member  
 B.M., Baldwin Wallace College Conservatory of Music, 1982  
 M.A., Eastern Illinois University, 1983  
 D.M.A., University of Illinois at Urbana-Champaign, 1993

**Dr. Kriss A. Schueller**

Professor of Computer Science and Information Systems  
 B.A., Youngstown State University, 1981  
 M.S., Youngstown State University, 1982  
 Ph.D., Northwestern University, 1987

**Dr. Pamela A. Schuster**

Professor of Nursing  
 Graduate Faculty Member  
 B.S.N., The Ohio State University, 1975

M.S.N., Kent State University, 1982  
Ph.D., Case Western Reserve University, 1990

**Dr. Jeremy T. Schwartz**

Assistant Professor of Accounting and Finance  
Graduate Faculty Member  
B.B.A., Kent State University, 1993  
M.S., Kent State University, 1994  
M.A., Indiana University, 1998  
Ph.D., Indiana University, 2003

**Dr. Michael A. Serra**

Associate Professor of Chemistry  
Graduate Faculty Member  
B.S., Adrian College, 1984  
B.A., Adrian College, 1984  
Ph.D., Iowa State University, 1990

**Swati Sethi**

Instructor of Psychology  
B.A., Youngstown State University, 2010  
M.A., Cleveland State University, 2012

**Dr. Raymond J. Shaffer**

Assistant Professor of Accounting and Finance  
B.A., Grove City College, 1974  
M.B.A., Youngstown State University, 1985  
D.B.A., University of Kentucky, 1990

**Dr. Ronald V. Shaklee**

Professor of Geography  
Graduate Faculty Member  
B.A., University of Kansas, 1975  
M.A., University of Kansas, 1979  
Ph.D., University of Kansas, 1983

**Dr. Bonita Sharif**

Associate Professor of Computer Science and Information Systems  
Graduate Faculty Member  
B.S., Cyprus College (Cyprus), 1997  
M.S., Kent State University, 2003  
Ph.D., Kent State University, 2010

**Dr. Suresh Sharma**

Assistant Professor of Civil/Environmental and Chemical Engineering  
Graduate Faculty Member  
B.E., Tribhuvan University (Nepal), 2000  
M.Sc., Tribhuvan University (Nepal), 2005  
Ph.D., Auburn University, 2012

**Guy Shebat**

Instructor of English  
B.A., Boston College, 1979  
M.A., Boston College, 1986

**Dr. Bradley A. Shellito**

Professor of Geography  
Graduate Faculty Member  
B.S., Youngstown State University, 1994  
M.A., The Ohio State University, 1996  
Ph.D., Michigan State University, 2001

**Cynthia M. Shields**

Clinical Associate Professor of Nursing  
Graduate Faculty Member  
B.S.N., Bowling Green State University, 1984  
M.S.N., Idaho State University, 1992  
D.N.P., Case Western Reserve University, 2016

**Dr. Elvin B. Shields**

Professor of Mechanical and Industrial Engineering  
Graduate Faculty Member  
B.E.M.E., Youngstown State University, 1974  
M.S.M.E., University of Akron, 1979  
Ph.D., University of Akron, 1991

**Dr. Mary P. Shortreed**

Assistant Professor of Nursing  
B.S.N., University of Akron, 1982  
M.S.N., Kent State University, 1991  
D.N.P., Case Western Reserve University, 2015

**Dr. Thelma Silver**

Professor of Social Work  
Graduate Faculty Member  
B.A., McGill University, 1969  
M.S.W., McGill University, 1971  
Ph.D., Mandel School of Applied Social Sciences, 1995

**Dr. Josef B. Simeonsson**

Professor of Chemistry  
Graduate Faculty Member  
B.S., University of North Carolina at Chapel Hill, 1986  
Ph.D., University of Florida, 1990

**Dr. David A. Simonelli**

Professor of History  
Graduate Faculty Member  
B.A., University of Connecticut, 1988  
M.A., Tulane University, 1991  
Ph.D., Tulane University, 2001

**Dr. Carla Anne Simonini**

Associate Professor of Foreign Languages and Literatures  
B.A., Amherst College, 1987  
M.A., University of Rhode Island, 1994  
Ph.D., Brown University, 2006

**Dr. Dolores V. Sisco**

Assistant Professor of English  
Graduate Faculty Member  
B.A., University of Baltimore, 1995  
M.A., Central Michigan University, 1998  
Ph.D., Michigan State University, 2005

**Atty. Ronald Slipski**

Instructor of Politics and International Relations  
B.A., Youngstown State University, 1975  
M.A., Youngstown State University, 1976  
J.D., University of Akron, 1979

**Dr. Stephanie Smith**

Professor of Art  
B.A., Washington and Lee University, 1989  
M.A., Rutgers University, 1998  
Ph.D., Rutgers University, 2000

**Suzanne Smith**

Assistant Professor of Health Professions  
A.A.S., Youngstown State University, 1988  
B.S.A.S., Youngstown State University, 1991  
M.Ed., Kent State University, 2006

**Dr. Thomas Smotzer**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.M., Baldwin Wallace, 1988  
M.S., Indiana University Bloomington, 1991  
Ph.D., Indiana University Bloomington, 1995

**Frank G. Sole**

Assistant Professor of Management  
B.A., Youngstown State University, 1976  
M.B.A., Youngstown State University, 1989

**Dr. Virgil C. Solomon**

Associate Professor of Mechanical and Industrial Engineering  
Graduate Faculty Member  
Engineer's Diploma (equiv. B.S./M.Sc.), Gheorghe Asachi Polytechnic Institute, (Romania), 1990  
Ph.D., Kumamoto University, 2002

**Dr. Doori Song**

Assistant Professor of Marketing  
Graduate Faculty Member  
B.A., Dankook University, 2007  
M.A., Michigan State University, 2009  
Ph.D., University of Florida, 2013

**Dr. Angela Spalsbury**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.S., Kent State University, 1989  
M.A., Kent State University, 1991  
M.Sc., University of Pretoria (South Africa), 1992  
Ph.D., Kent State University, 1996

**Dr. Patrick T. Spearman**

Associate Professor of Teacher Education  
Graduate Faculty Member  
B.A., University of Cincinnati, 1992  
M.Ed., University of Cincinnati, 2000  
Ph.D., Temple University, 2005

**Jonathan Dana Sperry**

Associate Professor of Art  
Graduate Faculty Member  
B.F.A., Southern Methodist University, 1995  
M.F.A., Indiana University, 2001

**Dr. Paul A. Sracic**

Professor of Politics and International Relations  
B.A., Albright College, 1984  
M.A., Rutgers University, 1990  
Ph.D., Rutgers University, 1993

**Dr. Wim F.A. Steelant**

Dean of the College of Science, Technology, Engineering and Mathematics and  
Professor of Chemistry  
Graduate Faculty Member  
B.S., St. Lieven College (Belgium), 1992  
M.S., West-Brabant College (The Netherlands), 1993  
Ph.D., University of Amsterdam (The Netherlands), 2000  
Post-Doctoral, University of Washington, 2000-2002

**Dr. Silvia Stefan**

Assistant Professor of Health Professions  
A.A.S., Youngstown State University, 1994  
B.S.A.S., Youngstown State University, 2001  
M.H.H.S., Youngstown State University, 2003  
Ed.D., Youngstown State University, 2016

**Dr. Nina V. Stourman**

Associate Professor of Chemistry  
Graduate Faculty Member  
B.S., Moscow State University (Russia), 1984  
M.S., Moscow State University (Russia), 1984  
Ph.D., Moscow State University (Russia), 1992

**Dr. Sharon A. Stringer**

Professor of Psychology  
Graduate Faculty Member  
B.S., Georgetown University, 1977  
M.S., University of Miami, 1980  
Ph.D., University of Miami, 1982

**Dr. Linda J. Strom**

Associate Professor of English  
Graduate Faculty Member  
B.A., Portland State University, 1983  
M.A., Portland State University, 1986  
Ph.D., University of Oregon, 1992

**Dr. William Gregg Sturris**

Professor of Physics and Astronomy  
B.S., Hope College, 1983  
Ph.D., University of Notre Dame, 1989

**Dr. John R. Sullins**

Associate Professor of Computer Science and Information Systems  
Graduate Faculty Member  
B.S., Massachusetts Institute of Technology, 1983  
M.S., University of Rochester, 1985  
Ph.D., University of Maryland, 1990

**Dr. Albert J. Sumell**

Professor of Economics  
Graduate Faculty Member  
B.A., Salisbury State University, 1999  
M.A., Georgia State University, 2003  
Ph.D., Georgia State University, 2006

**Dr. Lin Sun**

Assistant Professor of Electrical and Computer Engineering  
Graduate Faculty Member  
B.S., Tsinghua University, 2001  
M.S., Tsinghua University, 2004  
Ph.D., University of Illinois at Urbana-Champaign, 2010

**T****Dr. Ying Joy Tang**

Assistant Professor of Psychology  
B.A., Wesleyan College, 2009  
M.S., Syracuse University, 2012, 2014  
Ph.D., Syracuse University, 2015

**Dr. Jamal K. Tartir**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.A., Hiram College, 1991  
M.A., Miami University, 1993  
Ph.D., Ohio University, 1998

**Dr. Padraic ("Paddy") W. Taylor**

Associate Professor of Mathematics and Statistics  
B.A., McDaniel College (fka Western Maryland College), 1999  
M.S., North Carolina State University, 2003  
Ph.D., North Carolina State University, 2006

**Wendy Thomas**

Instructor of Nursing  
B.S.N., Youngstown State University, 1994  
M.S.N., Youngstown State University, 2011

**Robert J. Thompson**

Assistant Professor of Art  
B.S., California University of Pennsylvania, 2007  
M.F.A., Savannah College of Art and Design, 2011

**Dr. Stephanie A. Tingley**

Professor of English  
 B.A., Wittenberg University, 1980  
 M.A., University of Illinois at Urbana-Champaign, 1981  
 Ph.D., University of Illinois at Urbana-Champaign, 1987

**Dr. Alan E. Tomhave**

Associate Professor of Philosophy and Religious Studies  
 B.A., University of Texas at Austin, 1996  
 M.A., St. John's College-Santa Fe, 1997  
 M.A., University of Missouri, 2007  
 Ph.D., University of Missouri, 2008

**James P. Tressel**

President of the University and Professor of Teacher Education  
 B.A., Baldwin Wallace College, 1975  
 M.A., University of Akron, 1977

**Dr. Tacibaht Turel**

Associate Professor of Human Ecology  
 B.S., Ege University (Turkey), 1997  
 M.S., Auburn University, 2002  
 Ph.D., Auburn University, 2008

**Robert Twomey**

Assistant Professor of Art  
 B.S., Yale University, 2001  
 M.F.A., University of California, 2007

**Dr. Jeffrey L. Tyus**

Associate Professor of Communication  
 B.S.C., Ohio University, 1993  
 M.A., Ohio University, 1995  
 Ph.D., Ohio University, 1999

**U****Dr. Emre Ulusoy**

Assistant Professor of Marketing  
 Graduate Faculty Member  
 B.A., Istanbul Bilgi University, 2004  
 M.A., University of Portsmouth (UK), 2005  
 M.A., Galatasaray University (Turkey), 2008  
 Ph.D., The University of Texas-Pan American, 2013

**Dr. James C. Umble**

Professor of Music  
 Graduate Faculty Member  
 B.M., Susquehanna University, 1978  
 M.M., Bowling Green State University, 1984  
 D.M.A., University of Michigan, 1995

**Dr. Kathryn T. Umble**

Professor of Music  
 Graduate Faculty Member  
 B.M., University of Michigan, 1983  
 M.M., Bowling Green State University, 1985  
 B.S., Youngstown State University, 1989  
 D.M.A., Michigan State University, 1998

**Dr. Yogesh Uppal**

Professor of Economics  
 Graduate Faculty Member  
 B.A., University of Delhi, 1998  
 M.A., Delhi School of Economics, University of Delhi, 2000  
 Ph.D., University of California, Irvine, 2006

**Dr. Ebenge E. Usip**

Professor of Economics  
 B.S., State University of New York at Albany, 1974

M.A., State University of New York at Albany, 1976  
 Ph.D., University of Connecticut, 1984

**V****Dr. Daniel J. Van Dussen**

Associate Professor of Sociology, Anthropology, and Gerontology  
 Graduate Faculty Member  
 B.A., Mount Union College, 1997  
 M.A., University of Akron, 2001  
 Ph.D., University of Maryland Baltimore County, 2005

**Dr. Richard W. VanVoorhis**

Associate Professor of Counseling, School Psychology, and Educational Leadership  
 Graduate Faculty Member  
 B.A., Ohio University, 1990  
 M.A., The Ohio State University, 1992  
 D.Ed., Indiana University of Pennsylvania, 2003

**Dr. William G. Vendemia**

Professor of Management  
 B.S.B.A., The Ohio State University, 1980  
 M.B.A., Kent State University, 1981  
 Ph.D., Kent State University, 1991

**Dr. Anthony S. Vercellino**

Assistant Professor of Civil/Environmental and Chemical Engineering  
 Graduate Faculty Member  
 B.S., Southern Illinois University Edwardsville, 2007  
 M.S., Texas Tech University, 2010  
 Ph.D., Texas Tech University, 2012

**Dr. Charles B. Vergon**

Professor of Counseling, School Psychology, and Educational Leadership  
 Graduate Faculty Member  
 B.A., Denison University, 1968  
 J.D., University of Michigan Law School, 1971

**Dr. Fred W. Viehe**

Professor of History  
 Graduate Faculty Member  
 B.A., Lewis and Clark College, 1971  
 M.A., University of California, Santa Barbara, 1974  
 Ph.D., University of California, Santa Barbara, 1983

**Cynthia Vigliotti**

Assistant Professor of English  
 B.A., Youngstown State University, 1998  
 M.A., Youngstown State University, 2001

**Dr. Gina Villamizar**

Assistant Professor of Foreign Languages and Literatures  
 B.A., Universidad del Atlantico, 2004  
 M.A., University of Arkansas, 2007  
 Ph.D., University of Pittsburgh, 2013

**Anthony Viviano**

Instructor of Mechanical and Industrial Engineering  
 B.E., Youngstown State University, 1995  
 M.S., Youngstown State University, 1998

**Dr. Mark C. Vopat**

Professor of Philosophy and Religious Studies  
 B.A., Cleveland State University, 1994  
 M.A., Cleveland State University, 1996  
 Ph.D., University of Western Ontario, 2003

**Brian D. Vuksanovich**

Associate Professor of Engineering Technology

B.E.M.E., Youngstown State University, 1992  
 M.S.M.E., Youngstown State University, 1996

## W

### **Dr. Nancy Wagner**

Professor of Nursing  
 Graduate Faculty Member  
 B.S.N., University of Cincinnati, 1977  
 M.S.N., Indiana University, 1983  
 D.N.P., Case Western Reserve University, 2009

### **Atty. Patricia Bergum Wagner**

Associate Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.A., University of Texas, 1979  
 M.A., University of Texas, 1982  
 J.D., Northwestern University School of Law, 1985

### **Dr. Timothy R. Wagner**

Professor of Chemistry  
 Graduate Faculty Member  
 B.S., University of Wisconsin, 1981  
 Ph.D., Arizona State University, 1986

### **Dr. Abel Waitthaka**

Assistant Professor of Human Ecology and Teacher Education  
 B.S., Moi University Eldoret (Kenya), 1996  
 M.Ed., Youngstown State University, 2009  
 E.D.S., Liberty University at Lynchburg, 2012  
 Ph.D., Liberty University at Lynchburg, 2014

### **Dr. Thomas P. Wakefield**

Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.S., Youngstown State University, 2002  
 B.A., Youngstown State University, 2002  
 M.A., Kent State University, 2004  
 Ph.D., Kent State University, 2008

### **Dr. Gary R. Walker**

Professor of Biology  
 Graduate Faculty Member  
 B.A., University of Colorado, 1977  
 Ph.D., Wayne State University, 1984

### **Dr. Jason Walker**

Assistant Professor of Mechanical and Industrial Engineering  
 B.S., Case Western Reserve University, 2010  
 Ph.D., University of Toledo, 2014

### **Dr. Darrell R. Wallace**

Associate Professor of Mechanical and Industrial Engineering  
 B.S.M.E., The Ohio State University, 1995  
 M.S.M.E., The Ohio State University, 1998  
 Ph.D., The Ohio State University, 2006

### **Dr. Jessica Wallace**

Assistant Professor of Human Performance and Exercise Science  
 Graduate Faculty Member  
 B.S., University of Miami, 2006  
 M.A., University of Central Florida, 2008  
 Ph.D., Michigan State University, 2015

### **Dr. Bruce N. Waller**

Professor of Philosophy and Religious Studies  
 B.A., Louisiana Tech, 1968  
 M.A., University of North Carolina, 1975  
 Ph.D., University of North Carolina, 1979

### **Donna Walsh**

Instructor of Marketing  
 B.S., University of Akron, 1985  
 M.B.A., Youngstown State University, 2008

### **Dr. Alice M. Wang**

Associate Professor of Music  
 B.M., University of Southern California, 1998  
 M.M., Royal Conservatory of Music in Antwerp (Belgium), 2000  
 D.M.A., University of Texas at Austin, 2007

### **Dr. Yaqin Wang**

Professor of Economics  
 Graduate Faculty Member  
 B.A., Beijing Tech and Business University, 1997  
 Ph.D., University of Kansas, 2002

### **Dr. Ying Wang**

Associate Professor of Marketing  
 Graduate Faculty Member  
 B.A., People's University of China, 1993  
 M.A., Kent State University, 1998  
 Ph.D., Kent State University, 2006

### **Robert E. Wardle**

Associate Professor of Criminal Justice and Forensic Sciences  
 Graduate Faculty Member  
 B.S., Youngstown State University, 1998  
 M.S., Youngstown State University, 2007  
 M.S., University of Florida, 2010

### **Dr. Amy Weaver**

Associate Professor of Nursing  
 Graduate Faculty Member  
 B.S.N., West Liberty University, 1994  
 M.S.N., Youngstown State University, 2006  
 Ph.D., Villanova University, 2013

### **Dr. Cary Wecht**

Professor of Communication  
 Graduate Faculty Member  
 B.A., Youngstown State University, 1989  
 M.A., Kent State University, 1993  
 Ph.D., Kent State University, 1999

### **Dr. Jane Wetzel**

Associate Professor of Physical Therapy  
 Graduate Faculty Member  
 B.A., Ohio Wesleyan University, 1975  
 Certificate, University of Pittsburgh, 1976  
 M.S., University of Southern California, 1987  
 Ph.D., University of Pittsburgh, 2001

### **Dr. Amy E. Williams**

Assistant Professor of Counseling, School Psychology, and Educational Leadership  
 Graduate Faculty Member  
 B.S.E., Lock Haven University, 2002  
 M.S., University of Scranton, 2006  
 M.Ed., College of William and Mary, 2013  
 Ph.D., College of William and Mary, 2016

### **Dr. Eric J. Wingle**

Professor of Mathematics and Statistics  
 Graduate Faculty Member  
 B.S., Eastern Illinois University, 1974  
 M.A., Eastern Illinois University, 1975  
 Ph.D., University of Illinois, 1982

### **Dr. Fran Marie Wolf**

Professor of Accounting and Finance  
Graduate Faculty Member  
B.A., Miami University, 1974  
M.B.A., Youngstown State University, 1988  
Ph.D., Kent State University, 1994

**Dr. Mark D. Womble**

Professor of Biological Sciences  
Graduate Faculty Member  
B.S., Texas Christian University, 1975  
M.S., University of Kentucky, 1978  
Ph.D., University of Michigan, 1983

**Dr. Peter Woodlock**

Professor of Accounting and Finance  
B.S.B.A., Youngstown State University, 1979  
M.S., The Ohio State University, 1990  
Ph.D., The Ohio State University, 1990

**Dr. Sherri Harper Woods**

Assistant Professor of Social Work  
B.S.W., Youngstown State University, 1998  
M.S., Case Western Reserve University, 2002  
D.M., Ashland Theological Seminary, 2012

**Karla A. Wyant**

Instructor of Social Work  
B.A., Youngstown State University, 1998  
M.S., Case Western Reserve University, 2001

## Y

**Mary Yacovone**

Associate Professor of Health Professions  
Graduate Faculty Member  
B.S., Youngstown State University, 1982  
M.Ed., Kent State University, 1990

**Dr. Xiaolou Yang**

Associate Professor of Accounting and Finance  
B.A., Jilin University (China), 1996  
M.S., University of Texas at Austin, 2003  
Ph.D., University of Texas at Austin, 2006

**Dr. George Yates**

Professor of Mathematics and Statistics  
Graduate Faculty Member  
B.S., Purdue University, 1971  
M.S., California Institute of Technology, 1972  
Ph.D., California Institute of Technology, 1977

**Dr. Feng Yu**

Assistant Professor of Computer Science and Information Systems  
Graduate Faculty Member  
B.S., Northeastern University, 2005  
M.S., Shandong University (China), 2008  
Ph.D., Southern Illinois University Carbondale, 2013

**Dr. Cecilia Yudha**

Associate Professor of Music  
Graduate Faculty Member  
B.M., Cleveland Institute, 2002  
M.M., New England Conservatory of Music, 2006  
D.M.A., University of North Carolina at Greensboro, 2012

**Dr. Misook Yun**

Professor of Music  
Graduate Faculty Member  
B.M., Han-Yang University (Korea), 1986  
M.M., Han-Yang University (Korea), 1989

M.M., University of Oregon, 1995  
D.M.A., University of Oregon, 1999

## Z

**Jason Zapka**

Assistant Professor of Engineering Technology  
B.E., Youngstown State University, 1998  
M.S., Youngstown State University, 2010

**Mark Zetts**

Instructor of Human Ecology  
B.A., Mercyhurst College, 1980  
M.B.A., Youngstown State University, 1993

**Dr. Yong Zhang**

Associate Professor of Computer Science and Information Systems  
Graduate Faculty Member  
B.S., Ocean University of QingDao (China), 1986  
M.S., Ocean University of QingDao (China), 1989  
M.S., University of South Florida, 2001  
Ph.D., University of South Florida, 2005

## Colleges & Programs

### The Beeghly College of Education

*Charles Howell, Dean*

*Mary Lou DiPillo, Associate Dean*

In the Beeghly College of Education, professional courses are offered leading to teacher licensure and to the Bachelor of Science in Education degree.

### Mission

The Beeghly College of Education serves Northeast Ohio, Western Pennsylvania, and beyond as a premier provider of programs that prepare teachers, counselors, educational administrators, and school psychologists as well as providing developmental education programs to the YSU community.

The Beeghly College of Education, within our conceptual framework **Reflection in Action**, is dedicated to:

- preparing teachers, counselors, school psychologists, and administrators who apply rigorous scientifically-based professional knowledge to contemporary educational practice and issues;
- facilitating, encouraging, and supporting all departments and allied programs in meeting internal and external standards;
- recruiting, tenuring, promoting, and rewarding faculty who demonstrate excellence in teaching, scholarship, and service to the university, community, and stakeholders;
- promoting the educational ideals of a democratic and diverse society for candidates and P-12 students, faculty, staff, and the community across age, race, class, gender, culture, ethnicity, disability, and lifestyle;
- educating reflective practitioners and leaders who are committed to empowering those whom they serve.

### Conceptual Framework: Reflection in Action

At the initial level, the College's professional education programs are defined within a conceptual framework that articulates goals and identifies institutional standards that all teacher candidates are expected to meet. Our Conceptual Framework, **Reflection in Action**, seeks to develop reflective teachers who are:

**Reasoned:** Candidates exercise rational judgment and give thoughtful consideration to their professional activities and decisions.

**Ethical:** Candidates act in a moral, legal, and principled manner in professional practice.

**Fair:** Candidates exercise democratic fairness, principled concern, and humane care in their professional activities.

**Logical:** Candidates think analytically in a deliberately consistent and rationally defensible manner.

**Effective:** Candidates apply professional knowledge in a consciously purposeful and deliberate manner.

**Critical:** Candidates use professional knowledge, objectively applying it to their own professional actions and the professional actions of others to the benefit of their students and clients.

**Technical:** Candidates attend to procedural details and optimize the use of technologies appropriate to professional practice.

This conceptual framework functions to inform, guide, and inspire faculty and teacher candidates by providing a central core of related ideas from which programs evolve, are explained, and are assessed.

## Academic Departments

- Department of Counseling, School Psychology and Educational Leadership
- Department of Teacher Education

## Undergraduate Academic Programs

- Early Childhood Education/Early Childhood Intervention Specialist (Grades PK – 3)
- Middle Childhood Education (Grades 4 – 9)
- Adolescent Young Adult (Grades 7-12)
  - Integrated Language Arts
  - Integrated Mathematics
  - Integrated Science
  - Integrated Social Studies
- Multi-Age License (Grades PK – 12)
  - Health Education
  - Italian Education
  - Physical Education
  - Spanish Education
  - Visual Arts
- Intervention Specialist (Grades K-12)
  - Mild/Moderate Disabilities
  - Moderate/Intensive Disabilities

## Endorsements

- Adapted Physical Education (Grades PK-12)
- Early Childhood Generalist (Grades 4-5)
- Middle Childhood Generalist (Grades 4-6)
- Reading (Grades K-12) – Graduate Level Only
- TESOL (Grades K-12)

## Minor

- Coaching

Note: Minors are not required in the College of Education. Students wishing to pursue a minor should consult the list of official minors and seek advisement in the department that houses the minor. Minors consist of at least eighteen (18) semester hours, and one-third of the hours must be upper-division. In

approved interdisciplinary minors, courses from the student's major discipline can be counted in the minor provided that the same courses are not counted toward the major.

## Field Experiences

The field experiences designed by the Beeghly College of Education provide an opportunity for teacher candidates to implement the ideals embraced in the conceptual framework in actual classroom practice. These field experiences take place in a variety of school and community settings that encompass cultural and demographic diversity, as well as exceptional populations. The nature and duration of field-based activities vary in the amount of observation and participation based on specific course and program requirements, culminating in the clinical experience referred to as student teaching. Student teaching is a full day commitment for sixteen weeks for all majors. All field and clinical experiences encourage the teacher candidate to reflect on current practices both observed and experienced. An integral part of the reflection process is the feedback that candidates receive from the College of Education faculty, school faculty and their peers.

## Accreditation

Youngstown State University teacher education programs are accredited by the Ohio Department of Education and the National Council for Accreditation of Teacher Education (NCATE). These programs are subject to the sections of the Ohio law and regulations governing teacher education and licensure. The Beeghly College of Education serves as the recommending agent for all Youngstown State University graduates who wish to qualify for state of Ohio licensure as well as for licensure in other states.

## Degree Requirements

Requirements for completion of a baccalaureate degree (BSEd) within the College of Education include all University requirements detailed in the Academic Policies and Procedures section of the Undergraduate Catalog (i.e., graduation and general education requirements, university credits, course levels, majors, grade point average, residency and degree applications). Specific requirements for each major in the College of Education are listed in the catalog.

For more information, visit the Beeghly College of Education (<http://www.yasu.edu/academics/beeghly-college-education>).

## Majors in Teacher Education

The following designations indicate student majors:

- **Early Childhood Education/Early Childhood Intervention Specialist with Teaching English to Speakers of Other Languages (TESOL) Endorsement** - (Pre-kindergarten through grade three). For teaching children who are typically developing, at-risk, gifted, and who have mild/moderate educational needs.
- **Middle Childhood Education** - (Grades four through nine). For teaching learners in at least two of four curriculum concentration areas named on the teaching license. Students choose two areas from the following four:
  - Language Arts
  - Mathematics
  - Science
  - Social Studies
- **Adolescent Education** - (Grades seven through twelve). For teaching learners in a curriculum area named on the teaching license. Students may choose from:
  - Integrated Sciences Education
  - Integrated Language Arts Education
  - Integrated Mathematics Education
  - Integrated Social Studies Education

- **Multi-age Education** - (Pre-kindergarten through grade twelve). For teaching in a curriculum area named on the teaching license. Students may choose from:
  - Art Education
  - Italian Education
  - Spanish Education
  - Health Education
  - Physical Education
  - Music Education
- **Special Education** - (Intervention specialist, kindergarten through grade twelve). For teaching learners with Mild/Moderate Disabilities or Moderate/Intensive Disabilities.

## Requirements for Admission to Teacher Education Licensure Programs

Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the Beeghly College of Education (BCOE)'s teacher education programs or candidacy for a teaching license. *Formal admission to teacher education is required before students are allowed to enroll in junior and senior level courses in the College.*

After candidates have completed a minimum of 50 semester hours and fulfilled all other admission requirements, they should submit an application for admission to the teacher education program (Upper Division). The application for Upper Division must be completed and submitted to BCOE Room 2101 by:

- September 1st to register for Upper Division courses for Spring;
- February 1st to register for Upper Division courses for Summer and Fall.

Students who submit an application after the deadline are NOT guaranteed acceptance in time to register for Upper Division courses.

Each completed application will be reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, student will be allowed to register for Upper Division courses the following semester.

Admission to the Teacher Education Program (upper division) is obtained upon satisfactory completion of the following requirements:

- Minimum completion of 50 semester hours
- Minimum 2.75 overall GPA
- Competency in Reading, Writing, and Math

Overall GPA 3.4 OR

ACT - Reading 21, English 18, Math 22 OR

SAT - Reading 450, Writing 430, Math 520 OR

Praxis Core - Reading 156, Writing 162, Math 150

- ENGL 1550 Writing 1 and ENGL 1551 Writing 2 "B" average or better OR ENGL 2601 Intermediate Writing for Teachers "B" or better
- EDFN 1501 Introduction to Education, CMST 1545 Communication Foundations, SPED 2630 Individuals with Exceptionalities in Society and a content course (see curriculum sheet for content area course) "B" average or above
- Completion of Good Moral Character Statement
- Current BCI/FBI check (taken within the last year)
- Dispositional assessment

Candidates for degrees outside the College of Education are enrolled in the college awarding the particular degree, however these students must meet the above requirements and be admitted to Teacher Education in order to enter the

junior and senior level courses offered in the College of Education leading to teaching licensure.

Students should meet the requirements for admission to teacher education by the end of their sophomore year. Later qualification does not justify waiving any course prerequisites or planned sequences, and usually results in prolonging the period of study beyond the usual four years.

## Graduation and/or Licensure Evaluation

A Request for Graduation and/or Licensure Evaluation form should be completed and submitted to BCOE Room 2101 one year prior to student teaching and/or application for licensure. This form generates a program evaluation to assure that candidates are meeting graduation and/or licensure requirements.

## Requirements for Student Teaching

Application for a student teaching assignment must be filed with the Student Field Experiences Office (BCOE Room 2101) during the preceding semester in which student teaching is to be completed. Teacher candidates must register for 10 hours of student teaching and two hours for the student teaching seminar in their licensure area. Students anticipating more than one teaching license should seek advisement in the College of Education. To qualify for a student teaching assignment, the student must have satisfied the following requirements:

1. BCOE Upper Division Status
2. a minimum overall G.P.A. of a 2.75
3. completion of the program prerequisites
4. an average of 2.67 in the major/teaching area and professional education courses (each computed separately with no grade less than a C)
5. a passing score on the Ohio Assessment for Educators (OAE) tests and/or the equivalent as required by the Ohio Department of Education
6. completion of a criminal background check

No additional courses may be taken with student teaching, with the exception of the TESOL practicum. The Administrator of Student Field Experiences must be notified in writing prior to a student's attempt to register for course(s) outside of student teaching. Student teachers are required to complete, submit for national scoring, and pass the edTPA, Teacher Performance Assessment. The Ohio Department of Education's determination of the edTPA pass rate, and as a licensure requirement is pending. The Beeghly College of Education requires the passage of the edTPA with a minimum score of 37 (32 for Foreign Language) as one of the requirements for licensure endorsement. Student teaching is a full-time course, which may deviate somewhat from the University calendar depending on the calendar of the assigned school.

## Requirements for Licensure

### Initial Licensure

The Dean of the College of Education has the authority to recommend to the Ohio State Board of Education, and other licensure agencies, those Youngstown State University graduates who qualify for licensure in any teacher education program offered by the University. Students earning degrees in schools other than the Beeghly College of Education must complete all requirements of the teacher education program in order to be licensed. All candidates for any teaching license must meet the requirements for program admission in the Beeghly College of Education, but the degree earned may be conferred by any of the University colleges in accordance with the specific requirements for the degree desired.

However an overall undergraduate grade point average of 2.75 and 2.67 in the major field(s) and professional-education courses must have been earned if the student is to be recommended for licensure by Youngstown State University, irrespective of the type of degree received. **In addition, each candidate for licensure must pass the State of Ohio prescribed licensing examination(s) Ohio Assessments for Educators, ACTFL (foreign language)**

and the Teacher Performance Assessment (edTPA) prior to receiving YSU's recommendation for licensure.

For more information regarding additional fields, or endorsements, consult the academic advisors in the College of Education.

## Post-Baccalaureate Licensure

Post-baccalaureate students desiring Youngstown State University's recommendation for licensure in Ohio and any other state must be admitted to the University. Post-baccalaureate students are advised in the undergraduate student advisement office (BCOE Room 2101) and are advised in the same manner as undergraduate students. They must meet the standard set of requirements for admission and upper-division status in the College of Education. They must satisfy the teaching field, and professional education requirements comparable to the undergraduate program. Post-baccalaureate students may use approved, documented program equivalency to satisfy appropriate parts of the licensure program.

## Licensure in a Second Teaching Field

Post-baccalaureate and undergraduate students seeking licensure in a second teaching field will need to satisfy the approved academic program as stated in the catalog under the section "Teaching Fields." The same quality point requirements apply to second teaching fields as those for initial licensure. A passing score on the specialty exam of the State of Ohio for the second teaching field is required prior to YSU's recommendation for the second teaching field.

## Advisement

All prospective teachers are advised by the academic advisors in the College of Education. Secondary students, middle childhood students, and multi-age students are also advised in the department in which their major or areas of concentration are located.

## Title II, Higher Education Act

Please click here for the Institutional Report on the Quality of Teacher Preparation, Title II, Higher Education Act.

## Curricula and Courses of Instruction

Each curriculum leads to an Ohio resident educator license. Minimum requirements for teachers' licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. State department minimal requirements may be, and usually are, exceeded by University requirements.

*Disclaimer:* Educator Licensure tests and qualifying scores listed in the ODE charts and on the ODE website are subject to change by the Ohio State Board of Education.

For more information, visit **The Beeghly College of Education** (<http://www.yzu.edu/academics/beeghly-college-education>).

# Department of Counseling, School Psychology and Educational Leadership

## Welcome

Youngstown State University is located an hour from Cleveland and Pittsburgh. The Department of Counseling, School Psychology and Educational Leadership develops professionals who are committed to empowering individuals to achieve their full potential.

The mission of the Department of Counseling, School Psychology and Educational Leadership is to develop professional counselors, school

psychologists, and related helping professionals. We seek to produce graduates who are sensitive to the impacts of human development, culture, and context upon students and consumers of education and counseling services. Graduates are caring and compassionate administrators, counselors and helping professionals; who are self-reflective; who promote opportunity and social justice for the impoverished urban and rural populations; and, who are committed to empowering individuals to thrive, and to achieve their fullest potential.

We offer several graduate degree programs. The CACREP accredited masters degree in Counseling has options in a) Clinical Mental Health Counseling, b) School Counseling, c) Addiction Counseling, and d) Student Affairs & College Counseling. The educational specialist degree in School Psychology includes a master's degree in Intervention Services. An ELCC approved masters degree in Educational Administration and doctoral degree in Educational Leadership. Post-masters program coursework can lead to licensure as a principal, superintendent, or administrative specialist.

The faculty and students within the Department of Counseling, School Psychology and Educational Leadership are committed to academic success, excellence, and engagement. The department has a consistent record of accomplishments in relation to the mission and goals of YSU, assessment activities/results, research and scholarly activity by faculty and students, examples of student success and academic excellence, and community engagement activities.

Jake J. Protivnak, Ph.D.  
Department Chairperson / Associate Professor

For more information about the Department of Counseling, School Psychology and Educational Leadership, contact the Department Office at 330-941-3257 or visit our Department website.

## undergraduate course Work Areas Counseling

The counseling program offers a limited number of undergraduate elective courses for students who are interested in developing counseling knowledge and skills and/or pursuing a graduate degree in counseling. The undergraduate counseling courses focus on mental health and wellness, leadership, career/life planning, and helping skills. The counseling program offers an MS in Education degree with program options in clinical mental health counseling, school counseling, student affairs, college counseling, and addiction counseling. Candidates in clinical mental health, school, college, and addiction counseling are prepared to meet the requirements for licensure and national certification as a counselor. A complete listing of program options and course descriptions are presented in the YSU *Graduate Catalog* and on the department's website.

COURSE	TITLE	S.H.
COUN 1587	Introduction to Health and Wellness in Contemporary Society	3
COUN 1588	Exploring Leadership: Theory and Practice	3
COUN 1589	Success in Career and Life Planning	3
COUN 2650	Foundations of Helping Skills for Allied Health Professionals	3
COUN 2651	Foundations of Helping Skills for Human Ecology Professionals	2

## Reading and Study Skills (RSS)

The Reading and Study Skills Center offers undergraduate courses for students who are interested, improving reading rate. The Center maintains a

laboratory component for the following courses mandated for students based on the COMPASS® Reading Test (CRT):

COURSE	TITLE	S.H.
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3
RSS 1510C	STEM Advanced College Success Skills	4

#### Chair

**Jake J. Protivnak**, Ph.D., Professor, Acting Chair

#### Professor

**Kathleen Aspiranti**, Ph.D., Assistant Professor

**Jane Beese**, Ed.D., Associate Professor

**Kristin L. Bruns**, Ph.D., Assistant Professor

**Sylvia Imler**, Ph.D., Associate Professor

**Carrie R. Jackson**, D.Ed., Assistant Professor

**Charles Jeffords**, Ed.D., Assistant Professor

**Victoria E. White Kress**, Ph.D., Professor

**Karen H. Larwin**, Ph.D., Associate Professor

**Don Martin**, Ph.D., Professor

**Kenneth L. Miller**, Ph.D., Professor

**Matthew Paylo**, Ph.D., Associate Professor

**Richard W. VanVoorhis**, D.Ed., Associate Professor

**Charles B. Vergon**, J.D., Professor

**Amy E. Williams**, Ph.D., Assistant Professor

## Counseling

### **COUN 1587 Introduction to Health and Wellness in Contemporary Society 3 s.h.**

Provides an introduction to the wellness model integrating physical, mental, and emotional well-being. Using current research, students explore decision-making models examining ethical, theoretical, multicultural, and practical concerns in developing their own wellness strategies.

**Gen Ed:** Well Being, Social and Personal Awareness.

### **COUN 1588 Exploring Leadership: Theory and Practice 3 s.h.**

Introduction to the study of leadership through theoretical and practical applications. Through group interaction, discussions, and change projects, students will develop their leadership knowledge while acquiring skills to solve leadership challenges within diverse organizations. The course will provide students with intellectual and interpersonal opportunities to practice the process of becoming effective leaders.

### **COUN 1589 Success in Career and Life Planning 3 s.h.**

The course will facilitate the development of career and life planning skills. This course is designed for, but not restricted to, entering and undeclared students. This course will emphasize identifying strengths, clarifying values, exploring career options, developing effective decision-making skills, and learning life skills related to health, finances, relationships, and community responsibility.

### **COUN 2650 Foundations of Helping Skills for Allied Health Professionals 3 s.h.**

Skill development in learning how to foster helping relationships and increase communication skills with individual, family, or group-related patient needs in a health care setting. Emphasis on ethical, cultural, socioeconomic, and special needs in allied health care settings. Includes an experiential skill video training component.

### **COUN 2651 Foundations of Helping Skills for Human Ecology Professionals 2 s.h.**

The course will facilitate the development of helping skills with individual, family and/or groups. Emphasis is on ethical, cultural, socioeconomic, and special needs in human service settings. Courses will include overview of counseling skills and theories that will assist students to address client care needs.

### **COUN 5821 Seminar in Guidance and Counseling 1-3 s.h.**

Study of selected topics chosen by staff, e.g. career guidance, counseling process, and other contemporary issues in school personnel work.

**Prereq.:** Upper-division standing.

### **COUN 5822 Seminar in Guidance and Counseling 1-3 s.h.**

Study of selected topics chosen by staff, e.g. career guidance, counseling process, and other contemporary issues in school personnel work.

**Prereq.:** Upper-division standing.

### **COUN 5823 Career Education and Career Guidance 2 s.h.**

Study of public school career education and career guidance programs; the career education continuum, legislation relating to vocational programs, historical development, and principles of vocational education and vocational guidance. Also a survey of economic services: distributive education, human resources, programs, and placement.

**Prereq.:** Upper-division standing.

### **COUN 5825 Group Processes in the School 2 s.h.**

An introduction to group activities applicable to the needs of students in the school setting. Includes the study of group processes and group dynamics for social and personal problem solving as well as in the general area of individual and group behavior. Also a study of programs that provide for counselor-teacher cooperation in the development of groups in the classroom.

**Prereq.:** Upper-division standing.

### **COUN 5879 Talented Students and Their Families 3 s.h.**

A study of consulting and referral practices related to the developmental, social and personal difficulties often experienced by gifted/talented students and their families. Includes a field study component.

**Prereq.:** Upper-division standing.

### **COUN 5888 Introduction to Health and Wellness Counseling 3 s.h.**

Provides an introduction to basic counseling principles with special focus on those factors encountered in the provision of health and wellness-related services.

**Prereq.:** Upper-division standing.

### **COUN 5895 Counseling Workshop 1-3 s.h.**

Selected topics related to prevention and intervention approaches in school and community settings. Designed primarily as continuing professional education, this course is not included in counseling degree programs.

**Prereq.:** Upper-division standing.

### **COUN 5898 Orientation and Ethical Issues in Community Counseling 3 s.h.**

This course provides students with an introduction to the field of professional counseling and the foundations of community counseling. The course addresses the following topics: history, philosophy, cultural dynamics, advocacy, consultation, technology applications, and trends in professional and community counseling. The counseling profession's ethical standards are also addressed with an emphasis on the ACA code of ethics and counselor ethical decision making processes. Requirements differ for undergraduate and graduate students.

## Reading & Study Skills

### RSS 1510A Advanced College Success Skills 3 s.h.

A course designed to develop students' skills essential for college studying. The primary focus is improving the comprehension and retention of college textbooks. Major topics include reading rate flexibility, vocabulary growth, learning style preferences, and critical reading skills. Students meet for classroom instruction, computer-aided instruction, and small group tutoring sessions to discuss and practice strategies. Open to students based on Composition and Reading Placement Test (CRPT). Grading is A, B, C, NC. Does not count toward a degree.

### RSS 1510B Basic College Success Skills 3 s.h.

A course designed to acquaint and assist students in their transition to studying at the college level. Course content stresses development of skills in word recognition, vocabulary, and reading to find main ideas, supporting evidence and conclusions in college textbooks. Students meet for classroom instruction and small group tutoring sessions to discuss and practice various thinking, listening, and reading strategies to improve college performance. Open to students based on Composition and Reading Placement Test (CRPT). Grading is A, B, C, NC. Does not count toward a degree.

### RSS 1510C STEM Advanced College Success Skills 4 s.h.

Develops study skills in STEM disciplines by improving comprehension and retention of textbook and lecture materials. Covers reading rate flexibility, vocabulary growth, learning style preferences, critical reading, and problem solving. Uses classroom instruction, computer-aided instruction, and small-group tutoring sessions to apply strategies, including STEM-based lecture applications. Grading: A, B, C, N/C. Does not count toward a degree.

**Prereq.:** placement into MATH 1501 and ENGL 1540 and RSS 1510A.

### RSS 1570 Approaches to Professional Assessments 2 s.h.

A course designed to assist students in preparation for graduate and professional-level standardized tests. Students will critically analyze the basic components of such tests. Emphasis will be placed on test requirements, test formats, guidelines for answering and scoring, and test-taking strategies.

### RSS 1571 Approaches to Professional Assessments/Applications 1 s.h.

A course designed to prepare students for graduate and professional-level standardized tests. In study groups, students will critically analyze the basic components of the test for which they are preparing, including requirements, test formats, guideline for answering and scoring, and test-taking strategies, in conjunction with effective pedagogical procedures.

## Department of Teacher Education

Dr. Marcia Matanin, Chairperson

Office: BCOE 2405

Office Phone: (330) 941-3251

Administrative Assistant: Jean Berger

Email Address: [jhberger@ysu.edu](mailto:jhberger@ysu.edu)

## Mission

The mission of the Department of Teacher Education is to provide baccalaureate degree programs aimed at fostering excellence in the preparation of teachers for a global society while promoting a climate of respect for the diversity of individuals encountered in educational settings.

## Programs

Early Childhood Education (ECE) Grades P-3 (This program will be terminating upon initiation of the new dual licensure ECE/ECIS Program)

- For teaching children who are typically developing, at-risk, gifted, and who have mild/moderate educational needs in the general education classroom.

Early Childhood Education/Early Childhood Intervention Specialist (ECIS) Grades P-3 (available Fall, 2017)

- For teaching children with physical, cognitive, behavioral or communication delays. Early intervention specialists can work inside a P-3 classroom, provide individual services to children within their homes, work with regionally based programs, medical providers or private education companies.

Middle Childhood Education (MCE) Grades 4-9

- For teaching learners in at least two of four curriculum concentration areas named on the teaching license. Students choose two areas from the following four: language arts, mathematics, science, and social studies.

Adolescent/Young Adult Education (AYA) Grades 7-12

- For teaching learners in a curriculum area named on the teaching license. Students may choose from: Integrated Sciences Education, Integrated Language Arts Education, Integrated Mathematics Education, or Integrated Social Studies Education.

Intervention Specialist Grades K-12

- For teaching learners with mild/moderate disabilities or moderate/intensive disabilities, grades K-12

Multi-Age Education (MULT) Grades PK-12

- For teaching in a curriculum area named on the teaching license. Students may choose from: Health Education, Italian Education, Music Education (please refer to the Dana School of Music (<http://www.ysu.edu/academics/college-creative-arts-and-communication/dana-school-of-music>) for this program area), Physical Education, Spanish Education, or Visual Arts Education.

Endorsements (Endorsements may be added to a teaching license)

- Adapted Physical Education Endorsement
- Early Childhood Generalist Endorsement Grades 4-5
- Middle Childhood Generalist Endorsement (additional content areas)
- Teaching English to Speakers of Other Languages (TESOL) Endorsement

Minors

- Coaching Minor: For teaching knowledge, skills and understanding to effectively develop age appropriate practices; plan age appropriate training programs; understand and plan events, tournaments, budgeting and management of coaching personnel.
- Education Minor: Students majoring in a program other than education may select an Education minor. This minor is currently under review and will be available Spring, 2017. Please contact a BCOE academic advisor for more information

## Accreditation

The Teacher Education programs was accredited nationally by the National Council for the Accreditation of Teacher Education (NCATE) in 2010. Our next accreditation will take place in 2016-2017 by the Council for the Accreditation of Educator Preparation (<http://www.caepnet.org>) (CAEP). Additionally, Youngstown State University Teacher Education programs are fully approved by Ohio Department of Education and their respective Specialized Professional Associations (SPAs).

**Chair**

**Marcia Matanin**, Ph.D., Professor, Acting Chair

**Professor**

**Margaret L. Briley**, Ph.D., Assistant Professor

**Jeffrey M. Buchanan**, Ph.D., Professor

**M. Kathleen L. Cripe**, Ph.D., Associate Professor

**Lauren Cummins**, Ed.D., Professor

**Mary Lou DiPillo**, Ph.D., Associate Professor

**Stacy Graber**, Ph.D., Assistant Professor

**Charles Howell**, Ph.D., Professor

**Daniel Keown**, Ph.D., Assistant Professor

**Mary E. LaVine**, Ph.D., Associate Professor

**Lillian L. Lewis**, Ph.D., Assistant Professor

**Megan List**, Ph.D., Assistant Professor

**J. Paul Louth**, Ph.D., Associate Professor

**Nathan Myers**, Ph.D., Associate Professor

**Anita C. O'Mellan**, Ph.D., Professor

**Crystal L. Ratican**, Ph.D., Assistant Professor

**Gail Saunders-Smith**, Ph.D., Associate Professor

**James P. Tressel**, M.A., Professor

**Abel Waithaka**, Ph.D., Assistant Professor

#### Instructor

**Courtney Cruz**, M.S., Instructor

**Betty L. Greene**, M.Ed., Instructor

## Majors

- Italian (P-12) - Multi-Age License (p. 149)
- Physical Education (P-12) - Multi-Age License (p. 176)
- Spanish (P-12) - Multi-Age License (p. 179)
- Visual Arts (P-12) - Multi-Age License (p. 182)
- Special Education: Mild/Moderate Licensure (p. 187)
- Special Education: Moderate/Intensive Licensure (p. 190)
- Italian (P-12) - Multi-Age License (p. 149)
- Physical Education (P-12) - Multi-Age License (p. 176)
- Spanish (P-12) - Multi-Age License (p. 179)
- Visual Arts (P-12) - Multi-Age License (p. 182)
- Special Education: Mild/Moderate Licensure (p. 187)
- Special Education: Moderate/Intensive Licensure (p. 190)
- Coaching Education P-16 Minor (p. 141)
- Middle Childhood Education/Early Childhood Intervention Specialist (p. 141)
- Middle Childhood Education, (4-9) (<http://catalog.yzu.edu/undergraduate/colleges-programs/college-education/department-teacher-education-middle-childhood-4-9>)
- Middle Childhood Education, (4-9), Math/LA (p. 152)
- Middle Childhood Education, (4-9), Science/LA (p. 168)
- Middle Childhood Education, (4-9), SS/LA (p. 164)
- Middle Childhood Education, (4-9), Math/Science (p. 160)
- Middle Childhood Education, (4-9) Math/SS (p. 156)
- Middle Childhood Education, (4-9), Science/SS (p. 172)
- Health Education (P-12) - Multi-Age License (p. 145)
- Adolescent/Young Adult Education (7-12) (<http://catalog.yzu.edu/undergraduate/colleges-programs/college-education/department-teacher-education-aya-education-7-to-12>)
- Integrated Language Arts (7-12) - Adolescent License (p. 115)
- Integrated Mathematics (7-12) - Adolescent License (p. 119)
- Integrated Sciences (7-12) - Adolescent License, Biology Concentration (p. 122)
- Integrated Sciences (7-12) - Adolescent License, Chemistry Concentration (p. 126)
- Integrated Sciences (7-12) - Adolescent License, Physics Concentration (p. 134)
- Integrated Sciences (7-12) - Adolescent License, Earth/Space Science Concentration (p. 130)
- Integrated Social Studies (7-12) - Adolescent License (p. 138)

#### Minors

- Coaching Education P-16 Minor (p. 141)

## Early Childhood Education

### ECE 2629 Best Practices in Early Childhood Intervention Specialist 3 s.h.

Gives teacher candidates a research-based inquiry into early childhood education and promotes the acquisition of knowledge, skills, and dispositions that will facilitate best practices within the field. 10 field/clinical hours.

### ECE 3713 Teaching of Mathematics: Early Years 3 s.h.

Using NCTM/NAEYC/NCATE and Ohio Model guidelines as the framework, focus on identifying and modeling developmentally appropriate strategies used for problem solving, communicating, and reasoning in early childhood mathematics. Learning to use mathematical connections to stimulate diverse students' development of math concepts and skills and create learning environment combining mathematics pedagogy/methodology in an early grades classroom.

**Prereq.:** BCQE upper-division status and approval of chair.

**Coreq.:** ECE 3715, ECE 3780, and ECE 4814.

### ECE 3715 Teaching Science: Early Years 3 s.h.

Using NSTA/NCATE and Ohio Model guidelines as the framework, focus on establishing and maintaining learning environments that provide diverse students with a holistic, interdisciplinary understanding of science. Topics include teaching for meaningful science understanding, planning and providing an effective and supportive learning environment, planning and implementing curriculum and lessons appropriate for children in their early years, selection and use of instructional aids and resources, assessment, and professional development. Experiences that promote the use of science processes and problem-solving skills for life-long learning. Field experience combining science pedagogy/methodology in an early childhood setting.

**Prereq.:** BCQE upper-division status and approval of chair.

**Coreq.:** ECE 3713, ECE 3780, and ECE 4814.

### ECE 3760 Cross-Curricular Applications and Classroom Management/Guidance 3 s.h.

Synthesis and application of developmental theories and appropriate practices and methods in classrooms for young children, including curriculum integration, quality classroom environments, and classroom management/guidance. (10 hours of focused field placement.)

**Prereq.:** BCQE upper-division status.

### ECE 3780 Social Studies for Young Children 3 s.h.

Methods of teaching social studies to young learners (PreK-3) including exploration of a variety of effective teaching and assessment behaviors related to diverse learner needs. Use of key concepts, application of tools of social studies to foster social development and encourage independent problem solving, investigate the use of technology, create instructional resources; collaboratively plan, teach, and evaluate lessons in inclusive instructional settings; keep a reflective learning log.

**Prereq.:** BCQE upper-division status and approval of chair.

**Coreq.:** ECE 3713, ECE 3715, and ECE 4814.

### ECE 3790 Assessing Learning in Early Childhood Education P3 3 s.h.

This course examines the theoretical foundations and developmentally appropriate assessment strategies in a P-3 classroom. Candidates will explore a variety of informal, formal, formative and summative classroom assessment strategies and critically investigate standardized assessments used in the current national and state movements toward accountability and "high-stakes" assessment. This course is a required part of the TEC experience to provide candidates with an authentic classroom assessment experience.

**Prereq.:** ECE 3760.

**ECE 4811 Supervised Student Teaching: Pre-Kindergarten 1-12 s.h.**

Student teaching consists of a 10-week assignment in a preschool. Grading is CR/NC.

**Prereq.:** CHFM 2664, ECE 2630, SPED 2631.

**Gen Ed:** Capstone.

**ECE 4814 Language Arts Methods in the Early Years (Ages 3-8) 3 s.h.**

Teaching oral and written communication through consideration of listening, speaking, reading, viewing, and related skill areas in the elementary school.

**Prereq.:** BCOE upper-division status and approval of chair.

**Coreq.:** ECE 3713, ECE 3715, and ECE 3780.

**ECE 4841 Supervised Student Teaching: Early Childhood 1-10 s.h.**

A 16-week assignment in a kindergarten-grade 3 setting. Grading is CR/NC.

**Prereq.:** BCOE upper-division status, passing scores on PRAXIS II content and PLT tests, criminal background check, and completion of early childhood program excluding student teaching and student teaching seminar.

**Coreq.:** ECE 4842.

**Gen Ed:** Capstone.

**ECE 4842 Student Teaching Seminar in Early Childhood Education 2 s.h.**

Development of an effective and developmentally appropriate K-3 classroom environment including: teacher work sample, daily lessons, classroom management, reflective teaching and growing as a professional in the field of early childhood education.

**Coreq.:** ECE 4841.

**ECE 4859 Pre-Kindergarten Teaching Methods and Materials 3 s.h.**

Methods and techniques used to implement the pre-kindergarten curriculum with emphasis on communication and creative arts, social, emotional, and physical development, and concept formation. Required for prekindergarten validation of other teaching certificates.

**Prereq.:** SPED 2631, ECE 3759.

**ECE 6910 Curriculum, Theories, and Methods in Early Childhood Education, Pre-K-Grade 3 3 s.h.**

Investigation of curriculum, theories, and assessment and how they relate to children's learning. Attention given to the role of parents as teachers.

**ECE 6911 Early Childhood Pedagogy in Math and Science 4 s.h.**

By exploring math and science teaching practice for grades K-3, the candidates will review teaching methods of math and science, find and design math and science programs and lessons, incorporate national and state standards in teaching math and science, and strengthen the assessment methods for classroom instruction. This course is linked to ECE 6921 in terms of an action research to solve real problems in teaching math and science for the participating teachers.

**ECE 6920 Current Social Issues in Early Childhood Education 3 s.h.**

Analysis of contemporary issues, trends, and current educational policies that impact classroom practices. Includes service-learning component.

**Prereq.:** ECE 6910 or ECE 6911.

**ECE 6921 Action Research in Early Childhood Education, Pre-K-Grade 3 3 s.h.**

Designed as a culminating experience. Direct participation is required for the successful completion of a field study, onsite project, or other classroom-based experience deemed suitable by the student's major faculty advisor.

**Prereq.:** ECE 6911 and FOUN 6904.

## Early Childhood Intervention Specialist

**ECIS 2600 Educating the Whole Child 3 s.h.**

This course is designed to provide teacher candidates with the knowledge and skills needed to educate the whole child. A balanced approach is studied which includes a strong foundation in core subjects in addition to the whole child tenets of: healthy, safe, engaged, supported, and challenged.

**ECIS 2629 Best Practices in ECIS 3 s.h.**

Gives teacher candidates a research-based inquiry into early childhood education and promotes the acquisition of knowledge, skills, and dispositions that will facilitate best practices within the field. 10 field/clinical hours.

**ECIS 3700 Integrated Strategies in ECE/ECIS Inclusive Environments 4 s.h.**

This course examines developmentally appropriate teaching practices in a PK-3 inclusive classroom. Candidates will explore the concepts of differentiation, integration, universal design, IEPs and classroom designs, along with schedules that support learning for all students. Requires 10 hours of field experience.

**Prereq.:** Upper division status in BCOE.

**ECIS 3790 Assessing Learning in Early Childhood Education PK3 3 s.h.**

This course examines the theoretical foundations and developmentally appropriate assessment strategies in a PK-3 classroom. Candidates will explore a variety of informal, formal, formative and summative classroom assessment strategies and critically investigate standardized assessments used in the current national and state movements toward accountability and "high-stakes" assessment. This course is a required part of the preclinical experience to provide candidates with an authentic classroom assessment experience. Requires 65 hours of field experience.

**Prereq.:** Upper-division status in BCOE.

**ECIS 4801 Teaching of Language Arts and Social Studies: The Early Years 4 s.h.**

Candidates focus on identifying and modeling developmentally appropriate strategies used for problem solving, communicating, and reasoning in early childhood language arts and social studies. Candidates create effective learning environments using content-specific pedagogy to make connections to stimulate students' development of language arts and social studies concepts and skills in a diverse PK-3 classroom. Requires 65 hours of field experience.

**Prereq.:** Upper-division status in BCOE, ECIS 3700, TERG 3703.

**Coreq.:** ECIS 4802, ECIS 3790, SPED 5866.

**ECIS 4802 Teaching of Mathematics and Science: The Early Years 4 s.h.**

Candidates focus on identifying and modeling developmentally appropriate strategies used for problem solving, communicating, and reasoning in early childhood math and science. Candidates create effective learning environments using content-specific pedagogy to make connections to stimulate students' development of math and science concepts and skills in a diverse PK-3 classroom. Requires 65 hours of field experience.

**Prereq.:** Upper-division status in BCOE, ECIS 3700, TERG 3703, MATH 2652.

**Coreq.:** ECIS 4801, ECIS 3790, SPED 5866.

**ECIS 4841 Supervised Student Teaching: ECE/ECIS 10 s.h.**

Sixteen week supervised clinical teaching experience which provides the candidate an opportunity to apply knowledge, skills and dispositions needed to effectively teach in diverse early childhood classroom. CR/NC. Co-req.: ECIS 4842.

**Prereq.:** Upper-division status in BCOE, FOUN 3702, PSYC 3709, successful completion of pre-clinical experience.

**ECIS 4842 Student Teaching Seminar in ECE/ECIS 2 s.h.**

Student teaching seminar provides an opportunity to explore in-depth, relevant issues related to teaching/learning in the PK-3 classroom. Topics include: diversity, differentiated instruction, professional ethics, reflection, classroom management, and the edTPA. CR/NC Coreqs: ECIS 4841, ENGL 4857.

**Prereq.:** Upper-division status in BCOE, FOUN 3708, PSYC 3709, successful completion of preclinical experience.

## Early and Middle Childhood Education

**EMCE 4815 Seminar in Elementary School Science 2 s.h.**

Critical study of current developments in objectives, methods, materials, and evaluation in science education as they affect the elementary science program. Includes discussions, field trips, demonstrations and laboratory work.

**Prereq.:** Admission to COE upper-division status.

**EMCE 5811 Early Childhood Generalist: Math and Science 3 s.h.**

By exploring math and science teaching practice for grades 4-5, the candidates will review teaching methods of math and science, master the contents stated in the Ohio Academic Standards, find and design math and science programs and lessons and strengthen the assessment methods for the classroom instruction.

**Prereq.:** Upper division status.

**EMCE 5812 Integrated Language Arts and Social Studies for 4th and 5th Grades 3 s.h.**

Candidates will learn language arts and social studies teaching methods, design integrated lessons, incorporate state and national standards, and utilize assessment methods for grades 4-5.

**Prereq.:** Upper division status.

**EMCE 5816 Diagnosis and Remediation of Elementary School Mathematics 2 s.h.**

In-depth study of diagnosis and remediation as they affect the elementary school mathematics program. Includes discussions, field trips, demonstrations and laboratory work.

**Prereq.:** Admission to COE upper-division status.

**EMCE 5854 Middle School Theory and Practice 3 s.h.**

Students will analyze and reflect on major concepts, research, and theories about the physical, cognitive, emotional, moral, and social development of students in grades 4-9 and research information concerning the historic, philosophical, and organizational components of middle level schools, including program assessment and evaluation of learning environments.

**EMCE 5900 Early/Middle Childhood Education Workshop 1-4 s.h.**

Intensive study of selected topics, issues, or problems of current interest in early and/or middle childhood education. Grading is S/U. May be repeated.

**EMCE 5901 Early/Middle Childhood Education Workshop 1-4 s.h.**

Intensive study of selected topics, issues, or problems of current interest in early and/or middle childhood education. Grading is S/U. May be repeated.

**EMCE 5902 Early/Middle Childhood Education Workshop 1-4 s.h.**

Intensive study of selected topics, issues, or problems of current interest in early and/or middle childhood education. Grading is S/U. May be repeated.

**EMCE 5903 Early/Middle Childhood Education Workshop 1-4 s.h.**

Intensive study of selected topics, issues, or problems of current interest in early and/or middle childhood education. Grading is S/U. May be repeated.

**EMCE 6918 Elementary School Mathematics Programs 3 s.h.**

An analysis of past and present programs of elementary school mathematics; evaluation of programs, including a consideration of adequacy of content, recognition of mathematics as a system, and provision of number experiences for the learner.

**EMCE 6919 Social Studies Programs in the Elementary School 3 s.h.**

Objectives of elementary school social studies programs in terms of current needs; adaptation of materials of instruction in terms of the social science skills; evaluation of student progress; critical analysis of methods of improving instruction in social studies.

**EMCE 6920 Elementary School Science Programs 3 s.h.**

Focus on the objectives for science education in the elementary school; the elementary school science curriculum; process and inquiry in the elementary school science curriculum; process and inquiry in the elementary school science program; teacher education; educational media; and the evaluation of science teaching.

**EMCE 6921 Issues, Problems, Developments, and Curriculum in Elementary Education 3 s.h.**

A study of recent trends in elementary school organization and instruction (non-graded units, team teaching, middle schools, etc.) Developing an understanding of the meaning of curriculum at the elementary level, evidence of need for curricular changes, influences of society on curriculums, exploration of current status and trends; and the role of teacher and administrator in curriculum appraisal and development.

**EMCE 6990 Independent Study 1-4 s.h.****EMCE 7042 Professional Development for Classroom Teacher Educators 2 s.h.**

A restricted professional development course for classroom teacher educators invited to supervise the instructional program of student teachers and field experience students. The course concentrates on developing analytical observation, conferencing, evaluation, and supervision skills based on scientific knowledge and theoretical constructs.

**Prereq.:** Invitation from YSU and endorsement from home school district to serve as a classroom teacher educator.

**Cross-listed:** SPED 7042 and SED 7042.

## Educational Foundations

**EDFN 1501 Introduction to Education 3 s.h.**

Historical, political, legal, cultural and ethical perspectives on the work and roles of teachers and schooling. Issues confronting educators, voters, parents and children. Twenty-five hours of field work, orienting students to classrooms and to the organization and governance of school districts.

**EDFN 3708 Education and Society 3 s.h.**

School as a dynamic social institution. An analysis of how schools interact with diverse communities and with social, political, and cultural institutions and traditions. Twenty-five hours of field research.

**Prereq.:** Admission to the College of Education or permission of chairperson.

**EDFN 3710 Educational Assessment 3 s.h.**

Critical review of types, purposes, procedures, uses, and limitations of assessment strategies and techniques including authentic assessment, value-added assessment, and alternate assessment. Standardized testing and implications for current practice.

**Prereq.:** Upper Division.

## Foundations of Education

**FOUN 5875 Seminar in Foundations of Education 1-3 s.h.**

Selected topics for a focused study on problems, issues, or concerns to be addressed by a sociological, historical, philosophical, assessment, or research perspective.

**Prereq.:** Permission of chairperson.

**FOUN 5880 Special Topics in Foundations of Education 1-3 s.h.**

An advanced study of sociological, historical, and/or philosophically based research which provides analysis of a particular educational issue with special emphasis on implications for diverse populations and/or diverse school settings.

**Prereq.:** Permission of chairperson.

## Health Education Physical Education

**HEPE 1567 Performance and Analysis of Invasion Games 3 s.h.**

Analysis, performance, content and strategy development, teaching, and assessing of invasion games (basketball, football, soccer, team handball, rugby, ultimate frisbee, field hockey, floor hockey, and lacrosse). Two hour lecture, two hour lab.

**HEPE 1573L Tactical Approach to Teaching Team Sports 1 s.h.**

Analysis and practice in performance and strategy development, for teaching team sports using a concept-based model. Two hours lab per week.

**Prereq.:** Physical Education major.

**HEPE 1574 Performance and Analysis of Target and Fielding Games 3 s.h.**

Analysis, performance, content and strategy development, teaching, and assessing of target and field games (golf, bowling, softball, cricket and other lifetime activities). Two hour lecture, two hour lab.

**HEPE 1575 Performance and Analysis of Net and Wall Games 3 s.h.**

Analysis, performance, content and strategy development, teaching, and assessing of net/wall games (tennis, raquetball, volleyball, badminton). One hour lecture, two hours lab.

**HEPE 1577 Performance and Analysis of Aquatic Activities 1 s.h.**

Analysis and practice in performing and teaching swimming, diving, water safety skills, and aquatic exercise. Two hours lab.

**Prereq.:** Physical education major.

**HEPE 1579 Rhythmic Movement for Children 1 s.h.**

Content and teaching strategies related to rhythmic movement for children grades PreK-4. Rhythmic movement skills and concepts explored to provide successful dance experiences for children. One hour lecture, one hour lab.

**Prereq.:** Physical education major.

**HEPE 2610 Introduction to Outdoor Pursuits 3 s.h.**

Introduction to outdoor education including participation in initiatives, cooperative, orienteering, hiking, high and low ropes, and water based outdoor pursuits. Focus on activities to challenge by choice. One hour lecture, two hour lab.

**HEPE 2624 Physical Education for Children in Early Childhood Settings 3 s.h.**

Principles, methods, materials, and organization of activities for preschool-grade 3 children. Active participation, approximately 15-20 hours field work in area preschools/schools.

**Prereq.:** 30 hours.

**HEPE 2628 Movement for Early Childhood 3 s.h.**

Movement education approach to teaching fundamental movement patterns, educational dance, gymnastics, games, and creative activities for grades PreK-3. Two hours lecture, two hours lab. 20 hours field experience required.

**Prereq.:** Physical Education major.

**HEPE 2650 Ethics in Sport and Coaching 2 s.h.**

An introduction to ethics in sport, exploring ethical issues in relation to coaching K-12 student athletes. Skills related to exploring ethical dilemmas and ethical decision making. Discussion of District, State and National policies related to ethics.

**HEPE 2661 Games Analysis 3 s.h.**

Analysis, adaptation and creation of games for varying developmental levels and environmental situations in grades 3-12. Large and small group, coeducational, field day events, self-challenging, multicultural activities, and developmentally appropriate lead-up games. Two hours lecture, two hour lab.

**Prereq.:** 4 s.h. from among HEPE 1567, HEPE 1574, HEPE 1575 and HEPE 1577.

**HEPE 2672 Mechanical Principles of Movement 3 s.h.**

Knowledge and methods of mechanical concepts as they relate and apply to the structure and function of human movement. Muscular structure and function in relation to physical movement, analysis of fundamental human movements. Includes the physical characteristics of the human body and applicable principles of mechanical physics. Two hours lecture. Two hours lab.

**Prereq.:** BIOL 1552, BIOL 1552L or BIOL 1545, BIOL 1545L.

**HEPE 2689 Scientific Basis of Fitness 3 s.h.**

Introduction to components of fitness and their physiological basis. Role of exercise and physical activity in the life of the P-12 learner. Application of training principles and participation in a variety of fitness activities. Introduction to physical fitness assessment. Two hour lecture, two hour lab.

**Prereq.:** Physical Education major and PHLT 1568.

**HEPE 3702 Health Education Theory and Methods 4 s.h.**

Theory, curriculum and methods for teaching health education in P-12 classroom. Provides both content and pedagogical knowledge. 3 hour lecture and 2 hour lab. 20 hours of field experience required.

**Prereq.:** PHLT 1568.

**Concurrent with:** HEPE 3767.

**HEPE 3715 Health Education for Middle School 3 s.h.**

Curriculum, methods and materials for teaching middle school health education. Two hour lecture, Two hour lab. 60 hours field experience required.

**Prereq.:** HEPE 3702, BIOL 1545 and BCOE upper-division status.

**HEPE 3716 Health Education for High School 3 s.h.**

Curriculum, methods and materials for teaching high school health education. Two hour lecture and two hour lab. 60 hours field experience required.

**Prereq.:** HEPE 3702, BIOL 1545 and BCOE upper-division status.

**HEPE 3740 Coaching the Young Athlete 3 s.h.**

This course will address the pedagogy and practice of coaching sports with emphasis on youth sport development. The course will include coaching techniques, responsibilities, interaction with students and parents, injury prevention and sport psychology utilizing discussion, case method study, and practical application. The intent of the course is to help the student develop a coaching philosophy to positively affect youth sport development.

**Prereq.:** HEPE 2689.

**HEPE 3750 Organization and Management of Sport Programs and Events 2 s.h.**

The purpose of the course is to provide students with an understanding of the responsibilities of administrators and coaches involved in K-12 athletics. Content will focus on sport team scheduling, athletic facility requirements, fundraising, budgeting, event planning, career networking/advancement, coaching acquisition and termination, and increasing sport programs of an athletic program. Students will be introduced to the requirements of set policies by the school district, athletic conferences, state athletic associations, state and federal law and the National Collegiate Athletic Association (NCAA).

**Prereq.:** Junior standing.

**HEPE 3766 Principles and Analysis of Motor Development 3 s.h.**

Application of a lifespan motor development approach to critically analyzing movement patterns. Emphasis on motor development including biomechanical aspects of movement, and on teaching applications. Two hours lecture, two hours lab. 8 hours field experience required.

**Prereq.:** BIOL 1545 and BIOL 1545L.

**HEPE 3767 Pedagogy in P-12 Health Education and Physical Education 3 s.h.**

Effective teaching practices and development of skills including classroom management, lesson planning, and selection of appropriate methods of instruction. Peer teaching and reflection. Two hours lecture, two hours lab. 20 hours of field experience required.

**Prereq.:** 20 s.h. in major and HEPE 3766.

**HEPE 3768 Advocacy and Best Practices in Health and Physical Education 2 s.h.**

Emphasizes the advocacy role of the health and physical educator. Includes use of research and best practices documents to advocate for the inclusion of health and physical education for all P-12 learners. One hour lecture, two hour lab.

**Prereq.:** 20 s.h. in Physical Education major or Health Education major and HEPE 3767.

**HEPE 3780 Methods of Teaching Dance 2 s.h.**

Rhythm and movement fundamentals and forms: folk, square, social and aerobic. Methods and materials of teaching dance culminating in clinical or field experiences. One hour lecture, two hours lab.

**Prereq.:** HEPE 3767.

**HEPE 4808 Standards Based Assessment in Health and Physical Education 3 s.h.**

Theory, purposes, procedures, and uses of standards-based assessment for teaching P-12 health and physical education settings including cognitive, motor, and affective domains. Limitations of traditional assessment. Practical experience in designing assessments, collecting and analyzing data. Three hours lecture. 10 hours field experience required.

**Prereq.:** Physical Education or Health Education major and admission to BCOE upper-division status.

**HEPE 4851 Cultural Aspects of Physical Education and Sport 3 s.h.**

Survey of major historical, psychosocial developments, and philosophical issues in physical education and sport from ancient times to the present.

**Prereq.:** Junior standing.

**HEPE 4852 Psychosocial Aspects of Physical Education and Sport 2 s.h.**

Survey of major psychosocial principles, developments and concerns as they relate to the participant in physical activity and sport.

**Prereq.:** 20 s.h. in major.

**HEPE 4860 Internship for Coaching Education 3 s.h.**

The internship will consist of 180-220 field hours. The field experience will be in a youth sport and/or P-12 youth sport program. Examination of issues related to the coaching early childhood, middle childhood, special education, or adolescents/young adults program.

**Prereq.:** HEPE 3740, HEPE 3750, and HEPE 3767.

**HEPE 4876 Teaching of Elementary Physical Education 3 s.h.**

Curriculum, methods and materials for teaching elementary physical education. Critical task includes completion of a learning segment in area schools. Two hours lecture, two hours lab. 60 hours field experience required.

**Prereq.:** HEPE 3767 and BCOE upper-division status.

**HEPE 4878 Teaching of Middle/Secondary Physical Education 3 s.h.**

Curriculum, methods and materials for teaching secondary physical education. Critical task includes completion of a learning segment in area schools. Two hours lecture, two hours lab. 60 hours field experience.

**Prereq.:** HEPE 3767 and BCOE upper-division status.

**HEPE 4889 Selected Topics in Health and Physical Education 2 s.h.**

In depth study of special topics in Health and/or Physical Education. Topics to be determined. Two hour lecture. 30 hours field experience required.

**Prereq.:** HEPE 3768.

**Concurrent with:** HEPE 3702.

**HEPE 4895 Introduction to Adapted Physical Education 4 s.h.**

Introduction to developmentally appropriate, inclusive physical education for P-12 learners. Emphasis on acquiring a basic understanding of planning, delivering, and assessing appropriate inclusive physical education experiences for all children. Approximately 20 hours of field work. Three hour lecture, two hour lab.

**Prereq.:** HEPE 3766.

**HEPE 4899 Physiological Effects of Exercise on Children and Adolescents 3 s.h.**

Examining the body's response to physical activity in relation to the P-12 learner. Study of how physical activity influences the body's systems. Primary focus is application in a physical education setting.

**Prereq.:** HEPE 3766.

**HEPE 6900 Pedagogical Analysis 3 s.h.**

Description and analysis of pedagogical theories, models, and practices in physical education with emphasis on teaching methodology, the improvement of teaching skills, and planning for maximum student learning.

**HEPE 6901 Sport in Society 3 s.h.**

Sport studied as a social system interdependent with culture and society and as a social institution which is related to, or a part of, other basic institutions, such as the family, education, religion, the economy, politics, and the mass media.

**Prereq.:** HEPE 4851.

**HEPE 6903 Curriculum Development 3 s.h.**

Progressive development of the physical education curriculum for P-12 based on an analysis of contemporary curriculum theories and models in physical education. Emphasis on program planning and theory to practice.

**HEPE 6905 Contemporary Issues in Sport Pedagogy 3 s.h.**

A critical investigation and analysis of contemporary sport pedagogy issues, trends, problems, and concerns.

**HEPE 6910 Teaching of Motor Skills 3 s.h.**

Analysis of research on motor learning and its application to the acquisition, the teaching, and the coaching of movement skills.

**HEPE 6920 Mechanical Analysis of Motor Movements 3 s.h.**

Scientific basis for teaching correct form for the exact execution of movement skills through the fundamental laws of physics pertaining to motion. Analysis of various motor activities to determine the proper mechanics for obtaining the most effective and efficient results.

**HEPE 6945 Technological Integration in Physical Education 2 s.h.**

An analysis of the instructional design process and technology integration applied to physical education. Includes step-by-step process of designing, implementing, and evaluating the effectiveness of technological instructions into both existing and new units of instruction.

**Prereq.:** CSIS 1500 Computer Literacy or equivalent.

**HEPE 6955 Physical Activity Principles for Children and Adolescents 3 s.h.**

Scientific basis of physical fitness and its physiological basis. The role of health-related and performance-related physical fitness in physical activity and the lifespan. Analysis of acute responses and chronic adaptations of the body to the physiological demands of physical activity. A primary focus of the practical application to the teaching of physical education and sport coaching.

**Prereq.:** HEPE 4899 or equivalent.

## Secondary Education

**SED 3706 Principles of Teaching Adolescents 3 s.h.**

Classroom management, instructional strategies, and technology integration for diverse learners in the high school classroom. Cross-disciplinary curriculum exploration. Reflection and analysis of peer and classroom teaching experience. 30 hours of field experience required.

**Prereq.:** BCOE upper-division status.

**Coreq.:** TERG 3711.

**SED 4800B Special Methods: Integrated Business 3 s.h.**

Techniques used in teaching integrated business subjects. Observation of teaching in a vocational setting, presentation of a lesson in a secondary or vocational school, unit development, reflective writing. Organization, administration, implementation, and evaluation of vocational business education programs at the secondary and adult education levels.

**Prereq.:** BCOE upper-division status and approval of chairperson.

**Coreq.:** SED 3706, TERG 3711 and FOUN 3710.

**SED 4800C Science Methods for Adolescent and Young Adult Learners 3 s.h.**

Using NSTA/NCATE and Ohio content standards, candidates establish and maintain learning environments that provide diverse students with a holistic, interdisciplinary understanding of science. Background for teaching science, instructional strategies, classroom management, planning instruction, assessment, professional development, integration of content with inquiry emphasized. 80 hours field experience required.

**Prereq.:** BCOE upper-division status, SED 3706, 24 s.h. science.

**Concurrent with:** SED 4800L.

**SED 4800E English Methods for Adolescent and Young Adult Learners 3 s.h.**

Exploring and demonstrating reflective teaching methods for adolescent learning of English: planning instruction, execution of teaching/learning activities, representations of English concepts, authentic assessment, English communication, purposeful use of instructional technology, classroom management for effective teaching. 80 hours field experience required.

**Prereq.:** BCOE upper-division status, SED 3706.

**Concurrent with:** SED 4800L.

**SED 4800L Laboratory Experience for Teaching Adolescent and Young Adult Learners 0 s.h.**

Laboratory Experience for creating effective classroom environments that are developmentally appropriate, engaging, and integrate the use of technology to positively impact learning. Peer and clinical teaching designed to meet needs of all learners.

**Coreq.:** One of SED 4800C, SED 4800S, SED 4800M, SED 4800E.

**SED 4800M Mathematics Methods for Adolescent and Young Adult Learners 3 s.h.**

Exploring and demonstrating reflective teaching methods for adolescent learning of mathematics: planning instruction, execution of teaching/learning activities, multiple representations of mathematical concepts, problem-solving strategies, authentic assessment, manipulative materials, mathematical communication, purposeful use of instructional technology, classroom management for effective teaching. 80 hours field experience required.

**Prereq.:** BCOE upper-division status and SED 3706.

**Concurrent with:** SED 4800L.

**SED 4800S Social Studies Methods for Adolescent and Young Adult Learners 3 s.h.**

Theory and practice in learning how to plan, execute, and evaluate social studies lessons that are empowering, interesting, and reflective. Topics include: creating thematic unit plans; interpreting academic standards; writing instructional objectives; creating authentic learning activities; authentic assessment; classroom management and democratic discipline.

**Prereq.:** BCOE upper-division status and approval of chairperson.

**Coreq.:** SED 3706, TERG 3711 and FOUN 3710.

**SED 4827 Supervised Student Teaching: Language (K-12) 1-10 s.h.**

Sixteen weeks supervised student teaching experience in foreign language education.

**Prereq.:** passing scores on OAE exams, BCI/FBI background check, BCOE upper-division status.

**Concurrent with:** student teaching seminar.

**Gen Ed:** Capstone.

**SED 4842 Supervised Student Teaching: High School 1-10 s.h.**

Sixteen weeks supervised student teaching experience in adolescent/young adult education.

**Prereq.:** BCOE upper-division status, passing scores on OAE exams, BCI/FBI background check.

**Concurrent with:** student teaching seminar.

**Gen Ed:** Capstone.

**SED 4842A Student Teaching Seminar for Secondary Education 2 s.h.**

Seminar topics are based on research and theory related to pedagogy, classroom management, cultural bias, academic language, differentiation, collaboration, and reflection. Examination of OSTP standards and professional ethics. Completion of the edTPA is required.

**Coreq.:** One of SED 4827, SED 4842, SED 4843, SED 4844, SED 4845, or SED 4846.

**SED 4843 Supervised Student Teaching: Art (K-12) 1-10 s.h.**

Sixteen weeks supervised student teaching experience in visual arts education.

**Prereq.:** passing scores on OAE exams, BCI/FBI background check, BCOE upper-division status.

**Concurrent with:** student teaching seminar.

**Gen Ed:** Capstone.

**SED 4844 Supervised Student Teaching: Music (K-12) 1-10 s.h.**

Sixteen weeks supervised student teaching experience in music education.

**Prereq.** passage of OAE exams, BCI/FBI background check, upper division admission. Grading is CR/NC.

**Prereq.:** Passage of OAE exams, BCI/FBI background check, BCOE upper division status.

**Coreq.:** SED 4842A.

**Concurrent with:** student teaching seminar.

**Gen Ed:** Capstone.

**SED 4845 Supervised Student Teaching: Health (K-12) 1-10 s.h.**

Sixteen weeks supervised student teaching experience in health education.

**Prereq.:** passing score on OAE exams, BCI/FBI background check, BCOE upper-division status.

**Concurrent with:** student teaching seminar.

**Gen Ed:** Capstone.

**SED 4846 Supervised Student Teaching: Physical Education (K-12) 1-10 s.h.**

Sixteen weeks supervised student teaching experience in physical education.

**Prereq.:** passing score on the OAE exams, BCI/FBI background check, BCOE upper-division status.

**Concurrent with:** student teaching seminar.

**SED 4850 Supervised Student Teaching: Career/Technical 1-10 s.h.**

Full-time 16 week student teaching in grades 4-adult supervised by University faculty and experienced career/technical practitioners licensed in the teaching subject of the candidate. Grading is CR/NC.

**Prereq.:** BCOE upper-division status, passing scores on PRAXIS II content and PLT test, criminal background check, and completion of adolescent/young adult or career/technical program excluding student teaching and student teaching seminar.

**Coreq.:** SED 4842A.

**SED 6910 Supervision Secondary Schools 2 s.h.****SED 6920 Field Experience Supervision 2 s.h.****SED 6931 The Secondary School Curriculum 3 s.h.**

Historical development of the American secondary school curriculum, present nature, and recent developments. Study of reports, experiments, and typical programs. The roles of supervisors, administrators, teachers, pupils, and public in the development of curriculum.

**Prereq.:** Admission to the School of Graduate Studies and Research.

**SED 6935 Curriculum Development in VBME 2 s.h.****SED 6957 Practicum in Language Arts 2 s.h.****SED 6958 Instructional Supervision for Nonschool Personnel 3 s.h.**

Strategies of teaching and supervision, including the use of media, the evaluation of instruction and pupil performance, and related personnel issues will be covered. The course is designed for personnel in nonschool settings who have teaching or supervisory responsibility in in-service programs.

**Prereq.:** Permission of instructor.

**SED 6965 Supervised Student Teaching: High School 5 s.h.**

Full-time 16-week student teaching in grades 7-12 supervised by University faculty and experienced A/YA practitioners licensed in the teaching subject of the candidate. To be taken concurrently with SED 6965A. Grading is S/U.

**Prereq.:** Completion of all requirements for initial Adolescent/Young Adult licensure and permission of advisor.

**SED 6990 Independent Study 1-4 s.h.**

Individual investigation of advanced topics under guidance of selected staff.

**Prereq.:** FOUN 6904.

**SED 6999 Thesis 2-6 s.h.**

**Prereq.:** Approval of department graduate faculty and chair.

**SED 7025 Seminar in Secondary Education 1-5 s.h.**

Study of selected topics chosen by the secondary education staff. May be repeated by non-degree students. See TCED 7032.

**Prereq.:** Permission of instructor.

**SED 7042 Professional Development for Classroom Teacher Educators 2 s.h.**

A restricted professional development course for classroom teacher educators invited to supervise the instructional program of student teachers and field experience students. The course concentrates on developing analytical observation, conferencing, evaluation, and supervision skills based on scientific knowledge and theoretical constructs.

**Prereq.:** Invitation from YSU and endorsement from home school district to serve as a classroom teacher educator.

**Cross-listed:** EMCE 7042.

## Special Education

**SPED 2630 Individuals with Exceptionalities in Society 3 s.h.**

Characteristics, adjustment problems, special needs with emphasis on educational solutions, co-teaching, and inclusionary practices. The laws and implementation; placement, programming, due process, resources recommended for accommodation of exceptional learners in diverse settings.

**SPED 2631 Intervention Strategies with Special Needs Children in Early Childhood 3 s.h.**

Development of teaching skills of the regular early childhood educator in meeting the intervention needs of young children with special needs (disabilities, at-risk, and/or gifted) in inclusive classrooms and programs. Emphasis on classroom support for IEP/IFSP goals and objectives.

**Prereq.:** PSYC 3755.

**SPED 3715 Characteristics and Needs of Children and Youth with Mild/Moderate Disabilities 3 s.h.**

Description and classification of students with mild/moderate disabilities and the impact on academic, social and emotional development. Relationship to the contributions of diverse disciplines to theory and practice. A developmental approach to motor, perceptual, cognitive, language and social-emotional functioning within inclusive educational settings. Use of Universal Design for Learning as a framework for accessible and varied learning opportunities for individuals with exceptionalities. Field Requirement of 15 hours.

**Prereq.:** SPED 2630.

**SPED 4831 Assessment and Referral in Early Childhood 3 s.h.**

Development of skills in referral and assessment techniques for the regular early childhood educator with emphasis on both formal and informal methods such as observation, authentic assessment, standardized measures and interviewing. Attention to children with disabilities and/or gifts and talents.

**Prereq.:** Upper-division status.

**SPED 4839 Supervised Student Teaching: Moderate/Intensive Intervention Specialist 4-12 s.h.**

Grading is CR/NC.

**Prereq.:** FOUN 1501, FOUN 3708; PSYC 3709; EDTC 3771; SPED 2630 or SPED 2631, SPED 5828, SPED 5833, SPED 5835, SPED 5851, SPED 5853, SPED 5863, SPED 5864, SPED 5866, SPED 5867; senior status and approval of the chair.

**Concurrent with:** SPED 4869.

**Gen Ed:** Capstone.

**SPED 4849 Supervised Student Teaching: Mild Moderate/Disabilities 4-12 s.h.**

Grading is CR/NC.

**Prereq.:** FOUN 3708, completion of the reading block (TERG 2601, TERG 3701, TERG 3702, TERG 3703) & STEP block (SPED 4854, SPED 5835, SPED 5864, TERG 3703) SPED 2630 or SPED 2631, SPED 5853, SPED 5863, SPED 5866, senior status, and approval of the chairperson; see requirements for student teaching under BCOE.

**Concurrent with:** SPED 4869.

**Gen Ed:** Capstone.

**SPED 4854 Cross-Curricular Interventions 4 s.h.**

Field application of principles of reading in the content areas, organization and implementation of cross-curricular content areas across grade levels. Includes management of special education/inclusionary classrooms; part of a ten-week intensive field experience entitled STEP (Special Teacher Education Program).

**Prereq.:** SPED 5828, SPED 5834, or SPED 5868.

**SPED 4857 Applied Technology in the Education of Children and Youth with Disabilities 4 s.h.**

Explores various concepts related to the use of applied technology for children and youth with disabilities. Includes assistive technology and alternative modes of communication as well as the use of appropriate software.

**Prereq.:** Admission to upper-division COE status.

**SPED 4869 Student Teaching Seminar for Special Education 2 s.h.**

Applied behavior management and classroom environment, reflective teaching techniques. Daily lessons, the student teacher's interactions with children and youth, teachers and administrators. Grading is CR/NC.

**Prereq.:** Concurrent with: SPED 4839 or SPED 4849.

**Concurrent with** student teaching.

**SPED 5810 Introduction to Sign Language 3 s.h.**

Deaf Culture, ASL, and English Sign Language differences will be discussed. Students will acquire basic proficiency in sign language.

**Prereq.:** Special approval.

**SPED 5828 Education for Children and Youth with Emotional and Behavior Needs 4 s.h.**

Instruction, curriculum and program development for youth who are identified with emotional disturbance and as a result are often in conflict with educational and social systems. Successful completion of 30-hour field experience is required.

**Prereq.:** BCOE upper-division status.

**SPED 5833 Characteristics and Needs of Exceptional Children and Youth with Moderate/Intensive Disabilities 3 s.h.**

Identification and intervention in critical areas of development for individuals with moderate/intensive disabilities including autism. Developing objectives, planning and implementing adapted curriculum in consultation with interdisciplinary specialists.

**Prereq.:** Upper-division status in COE, SPED 3715.

**SPED 5834 Educational Strategies and Methods for Children and Youth with Moderate/Intensive Disabilities 4 s.h.**

Curriculum planning, teaching methods, habilitation and rehabilitation for persons with multiple and/or severe developmental disabilities. Practicum included.

**Prereq.:** Upper-division status in COE, SPED 5833.

**SPED 5835 Classroom Management for Exceptional Children and Youth 4 s.h.**

Development, implementation and evaluation of behavior management plans and strategies for students with exceptionalities in the classroom environment. Behavior management techniques to facilitate learning, self-management, and the development of social skills. Communicating effective management programs to parents, caregivers, teachers, and stakeholders. Part of the STEM block (field requirement).

**Prereq.:** Upper-division status in BCOE and special approval.

**SPED 5851 Transition Planning, Social Skill Development and Health-Related Issues 3 s.h.**

Emphasis on lifelong career orientation and the development and implementation of a K-12 prevocational/vocational curriculum. Effective teaching of interpersonal communication and social skills. Classroom climate, self-esteem, health-related issues. Integration of practical experiences in the classroom, home, and community.

**Prereq.:** Upper-division status in COE.

**SPED 5852 Prog Development Instructional Strategies for Learners with Moderate to Intensive Except Learn Needs 3 s.h.**

This course is designed to expand technical terminology and applied practices for candidates working towards licensure for students with moderate to intensive exceptional learning needs. Candidates will create individualized objectives, apply evidence-based practices, and report progress. Successful completion of a 30 hour field experience is required.

**Prereq.:** Admission to BCOE Upper Division, SPED 5834.

**SPED 5853 Diagnosis and Intervention in Mathematics for Special Education 3 s.h.**

Principles, practices, materials and aids for teaching mathematics in special education. Diagnostic and evaluation procedures; individualized instructional techniques; observation, tutoring, and participation. Field experience required.

**Prereq.:** Upper-division status in COE.

**SPED 5858 Intervention Concepts and Strategies in Early Childhood Special Education 2 s.h.**

Review and analysis of the methods by which young children construct knowledge about their physical, social and intellectual worlds. Study of patterns of normal and atypical development from birth through age eight, as well as the development of appropriate models for effective intervention.

**Prereq.:** PSYC 3755.

**SPED 5864 Service Coordination, Collaboration, and Consultation for Students with Special Needs 3 s.h.**

Methods and strategies for the cooperation and involvement of related services professionals, parents, and children in the coordination of comprehensive educational and service plans. Collaboration, communication skills and sensitivity to individual and cultural differences are stressed. Part of the STEP block (field requirement).

**Prereq.:** Upper-division status in BCOE and special approval.

**SPED 5865 Workshop in Special Education 1-4 s.h.**

Intensive study and related activities in one or more of the following special education curriculum areas: trainable mentally retarded, educable mentally retarded, learning disability/behavior disorder, multi-handicapped. May be repeated if content is different.

**Prereq.:** Admission to upper-division COE status.

**SPED 5866 Assessment and Referral of Exceptional Children and Youth for the Intervention Specialist 3 s.h.**

Development of skills in referral and assessment techniques in the areas of mild/moderate and moderate/intensive disabilities. Informal and formal methods including observation, authentic assessments, standardized measures, interviewing. Referral, initial and subsequent evaluation, annual review concerns.

**Prereq.:** Upper-division status in COE.

**SPED 5867 Intervention and Remediation of Receptive/Expressive Language Dysfunction 3 s.h.**

Theory and practice of intervention and remediation of basic cognitive processes especially in the areas of receptive and expressive language and cognitive skills for the intervention specialist.

**Prereq.:** Upper-division status in COE.

**SPED 5868 Mild/Moderate Disabilities Practicum 4 s.h.**

Diagnostic procedures used to develop a comprehensive assessment of a child's current functioning. Individualized education program/case study developed and partially implemented.

**Prereq.:** Upper-division status in COE, SPED 5866 and SPED 5867.

**SPED 5870 Independent Study in Special Education 1-4 s.h.**

Individual work under special education staff guidance; curriculum development or special education areas; individual problems in community agencies or school.

**Prereq.:** Admission to upper-division COE status.

**SPED 5871 Characteristics and Needs of Gifted Children 3 s.h.**

Introduction to gifted education. Overview of the theoretical and research base for gifted education, including appropriate classroom environments, teacher qualifications, and support services to meet the diverse social, emotional, and intellectual needs of gifted children. Current program standards.

**Prereq.:** Admission to COE upper-division status.

**SPED 5872 Assessment and Referral for Children and Youth with Exceptionalities for the Intervention Specialist 3 s.h.**

Development of skills in referral and assessment techniques for the special educator in the areas of moderate/intensive disabilities. Emphasis will be given to informal and formal methods such as observation, authentic assessment, alternate assessment, rubrics, inventories, interviewing, task analysis, functional behavioral analysis, curriculum based measurement, DIBELS/SWIS, and formal standardized measures.

**Prereq.:** Admission to BCOE Upper Division Status.

**SPED 5873 Communication and Literacy Skills for Learners with Significant Disabilities 3 s.h.**

This course focuses on enhancing functional communication and literacy skills of students with severe disabilities. Assessment and strategies to increase communication form, function and literacy are covered. The course addresses aided and non-aided augmentative systems and alternative communication systems with an emphasis on using a multi-modality approach.

**Prereq.:** Admission to BCOE Upper Division Status.

**SPED 5878 Teaching Gifted and Talented Students 4 s.h.**

Theory and organization of curriculum with design and integration of content subjects into varying models. Wide range of strategies and identification of resources and materials as well as investigations in educational technology and appropriate applications for gifted children.

**Prereq.:** Upper division status in COE; SPED 5871 and permission of instructor.

**SPED 5965 Special Education Workshop 1-5 s.h.**

A workshop designed to examine contemporary topics in the field.

**SPED 6900 Issues, Trends & Foundations in Special Education 3 s.h.**

Exploratory study of the issues, trends, and foundations in special education. Evidence-based principles, laws and policies, diverse and historical points of view, and human issues that focus on the education of individuals with mild or intensive exceptional learning needs are examined. The relationship of special education to the organizations and functions of schools/agencies is explored.

**Prereq.:** Admission into the program and approval of the department chair.

**SPED 6901 System-Wide Consultation/Collaboration in the Schools 3 s.h.**

Current educational practices have made collaboration an essential way education professionals do their work. This course will cover the theoretical bases and consultation/collaboration skills necessary for affecting change in the educational environment from a system wide perspective. The aim of this course is to prepare Intervention Services students to function as collaborative consultants promoting systematic and planned strategies for use within the public schools and with families with children with disabilities.

**SPED 6905 Cultural/Ethnic Issues Relating to Youth and Families 3 s.h.**

Introduces pertinent theoretical cultural issues which relate to mental health professionals as they work with diversified populations. In particular, therapeutic skill enhancement of professionals will be advanced, since all counseling may be seen as cross-cultural. Group work and experiential exercises will provide an avenue for the professional and personal cultural growth of each participant. The goal is to also enhance participant's level of cultural sensitivity.

**SPED 6906 Characteristics and Behaviors of Learners with Mild/Moderate and Moderate/Intensive Exceptional Le 3 s.h.**

Course focuses on federal and state laws and initiatives that influence the operations and decisions of educational opportunities for students with mild/severe disabilities. Topics include categories of disabilities, current trends and best practices for instruction and assessment. Also, recommended collaboration strategies for educators, administrators and families.

**Prereq.:** Successful completion or concurrent enrollment in SPED 6900.

**SPED 6909 Assessment and Intervention for Students with Low Incidence Disabilities 3 s.h.**

Emphasis will be on current most effective practices of the professional collaboration process across three tiers of service to include specific models and strategies for students in general education and especially those with autism and/or a low incidence disability. Candidates will develop a team training model and will evaluate evidence-based practices.

**SPED 6911 International Area Study: Project Learning Around the World 3 s.h.**

This course is designed to enhance mental health or teacher's professional and personal level of sensitivity and competence via introducing them to innovative and traditional forms of intervention or healing in community and school settings in a developing country. Students will participate in philanthropic activities by helping to gather and deliver educational supplies via Project Learning Around the World ([www.platw.org](http://www.platw.org)).

**SPED 6912 Multilevel Tier Interventions Across General Education and Special Education Programming 3 s.h.**

Direct experiences in planned multilevel interventions across the three tiers of services within educational school systems for regular education and children with disabilities. Participation in RTI team meetings, curriculum academic and applied and functional behavioral analysis, progress monitoring, goal attainment scaling and determining effectiveness of intervention plans will be introduced.

**SPED 6914 Behavior Management for Educators 3 s.h.**

Classroom application consistent with the study of behavior management with a focus on ethical strategies and implementation of intervention techniques for learners with mild/intensive exceptional learning needs. Successful completion of a 30-hour field experience is required.

**Prereq.:** Successful completion of SPED 6906 or concurrent enrollment in SPED 6906.

**SPED 6915 Classroom Management and Crisis Intervention for Learners with Severe Emotional and Behavior Disor 3 s.h.**

Behavior analysis, behavior management, instruction, curriculum and program development for youth with severe emotional and/or behavior disorders.

Advanced behavior change interventions and a practicum consisting of work in the field with emotionally and/or behaviorally disturbed youth required.

**Prereq.:** Successful completion of SPED 6909.

**SPED 6927 Curriculum Design, Adaptations and Resources for Learners with Mild/Moderate Exceptional Learning 3 s.h.**

Knowledge of curriculum terminology approaches and models, content, and design to provide and enhance access to the general curriculum for students with exceptional learning needs. Course focuses on the skills to select and implement curricular adaptations for learners with exceptional learning needs within the general education classroom.

**Prereq.:** Successful completion of SPED 6906.

**SPED 6928 Transition and Life Skill Supports for Learners with Moderate/Intensive Exceptional Learning Needs 3 s.h.**

Course focuses on best practices of the professional collaboration process with regard to the transition process for students with moderate/intensive exceptional learning needs. Learner's individual strengths and characteristics will be considered to facilitate social, vocational and daily living skills for all learners. Successful completion of a two-hour field experience is required.

**Prereq.:** Successful completion of SPED 6906.

**SPED 6929 Assessment of Gifted and Exceptional Learners 3 s.h.**

Course focuses on the educational assessment process as it applies to exceptionalities (learners with disabilities as well as gifts and talents). Topics include a review of state and federal regulations, data collection techniques including both formal and informal methods, appropriate test preparation and interpretation, design of identification and placement procedures.

**Prereq.:** Successful completion of SPED 6906.

**SPED 6930 Instructional Methodologies for Learners with Mild/Moderate and Moderate/Intensive Exceptional Learning 4 s.h.**

This course is designed to provide candidate with the opportunity to research, study, apply and analyze instructional strategies and delivery systems in the four major content areas. The candidates will use the referenced strategies to both support and promote single subject and cross-curricular high quality instruction for candidates with special needs.

**Prereq.:** Successful completion of SPED 6914, SPED 6927, SPED 6928, SPED 6929.

**SPED 6931 Clinical Experience-Learners with Exceptional Learning Needs 1 3 s.h.**

Supervised clinical experience incorporation theory, planning and implementation of services for students with mild/moderate learning needs. Weekly seminars will connect theory to practice.

**Prereq.:** SPED 6906, SPED 6927, SPED 6928, SPED 6929, SPED 6930 or taken concurrently with SPED 6930 and passage of state licensure exam.

**SPED 6932 Clinical Experience-Learners with Exceptional Learning Needs 2 3 s.h.**

Supervised clinical experience incorporation theory, planning and implementation of services for students with mild/moderate learning needs. Weekly seminars will connect theory to practice.

**Prereq.:** SPED 6906, SPED 6927, SPED 6928, SPED 6929, SPED 6930, SPED 6931 and passage of state licensure exam.

**SPED 6965 Special Topics in Disabilities Education 1-4 s.h.**

Workshop will include information on various current topics appropriate to the education of students with disabilities. These include assessment, identification, and instructional processes.

**Prereq.:** PRAXIS passage.

**SPED 6980 Topical Seminar in Special Education 1-4 s.h.**

Selected topics in special education. May be repeated for different content.

**SPED 6981 Seminar in Special Education 3 s.h.**

This course details current issues in the field of special education involving research, pedagogy, methodologies, and application. Emphasis is on the intervention and remediation of receptive/expressive language dysfunctions, as well as other issues related to children and youth with disabilities.

**Prereq.:** SPED 6983.

**SPED 6982 Educational Assessment in Gifted and Special Education 3 s.h.**

The course focuses on the educational assessment process as it applies to students with exceptionalities. Topics include a review of state and federal regulations; data collection techniques, including both formal and informal methods; appropriate test preparation and interpretations; and design of identification and placement procedures.

**Prereq.:** SPED 5871.

**SPED 6984 Major Concepts and Program Design for Students in Special Education 3 s.h.**

Major concepts, program development, and program evaluation involving youth with special needs are parts of this course. Programs related to the transition process will be studied and reviewed.

**SPED 6986 Severe Behavior Disorders 3 s.h.**

A comprehensive analysis of programs and the description of the delivery of services to a wide range of seriously emotionally disturbed children and youth.

**Prereq.:** SPED 6906 or SPED 6983.

**SPED 6991 Referral and Assessment in Early Childhood Special Education 3 s.h.**

Intensive hands-on experience in referral and assessment of young children. Emphasis on philosophies and ethical considerations, as well as techniques, instruments, and the referral process. Participation within the assessment team with parents involved as equal partners in the multidisciplinary process. Written assessment reports are required based upon knowledge of child development and a variety of sources of input.

**Prereq.:** Admission to College of Education upper division; SPED 5858.

**SPED 6992 Teaching Methods in Early Childhood Special Education 3 s.h.**

Examines accepted curricular models in early childhood special education, as well as classroom management and motivation strategies as they relate to young children with special needs. Emphasizes the inclusion of parents in planning process. Students will learn to integrate curriculum with individual IEP/IFSP goals and objectives.

**Prereq.:** SPED 5858.

**SPED 6993 Health and Related Issues in Early Childhood Special Education 2 s.h.**

A study of curricular experiences focusing on those aspects of early childhood special education dealing with the instructional applications of technology and the use of adaptive equipment and related services as these relate to technologically dependent or chronically ill children.

**SPED 6994 Field Experiences in Early Childhood Special Education 4-8 s.h.**

Supervised field experiences incorporating theory, planning and implementation of services for young children with special needs.

**Prereq.:** SPED 5858, SPED 6991, SPED 6992, SPED 6993.

**SPED 6996 Teaching Strategies/Autism 4 s.h.**

Application of assessment, curriculum planning, preparation of materials and practice teaching methods for students with autism spectrum disorders and related disabilities. Methodology emphasizes most effective practices for instructing students who need academic and/or life skills curricula.

**Prereq.:** SPED 6914 or equivalent.

**SPED 6998 AAC Strategies 3 s.h.**

Assessment and application of methods to increase communication form, function, and literacy for individuals who need alternate and/or augmentative communication (AAC).

**Prereq.:** SPED 6996 and PSYC 6960 or PSYC 6990.

**SPED 6999 Field Experiences Autism/Related Disorders 3-6 s.h.**

Supervised clinical field experiences incorporating theory, planning, and implementation of services for children with autism spectrum disorders. Weekly seminars connect theory to practice. May be repeated once for a maximum of 6 s.h.

**Prereq.:** SPED 6996, SPED 6998, and PSYC 6960 or PSYC 6990.

**SPED 7021 Field Experience 1 3 s.h.****SPED 7040 Field Experience in Gifted and Talented Education 2 s.h.**

Supervised field experience that incorporates theory, planning, and implementation of curriculum for gifted and talented students. Individual conferences and completion of contracted assignments.

**Prereq.:** SPED 5871, SPED 5878, SPED 6982, SPED 6983 and COUN 5879.

**SPED 7042 Professional Development for Classroom Teacher Educators 2 s.h.**

A restricted professional development course for classroom teacher educators invited to supervise the instructional program of student teachers and field experience students. The course concentrates on developing analytical observation, conferencing, evaluation, and supervision skills based on scientific knowledge and theoretical constructs.

**Prereq.:** Invitation from YSU and endorsement from home school district to serve as a classroom teacher educator.

**SPED 7043 Instructional Leadership in Special Education 3 s.h.**

Implementation, coordination, and evaluation of quality instructional programs for exceptional, at-risk, and other students experiencing learning problems. Administrative roles and strategies related to instructional leadership, school climate, collaborative decision making, and restructuring.

**Prereq.:** COUN 6961 and SPED 7977.

**SPED 7077 Leadership in Special Education 3 s.h.**

The course focuses on leadership, administration, and supervision of a broad range of programs and services for students with exceptionalities (students with disabilities). Topics include review of theoretical foundations, historical and sociological issues as these relate to education for special populations, as well as in-depth study of federal and state legal issues, differentiated programming and procedures, student identification and placement, individualized education plans, due process, least restrictive environment, and program monitoring and evaluation.

## Teacher Education Middle Childhood

**TEMC 3702 Teaching & Learning in Middle Schools 3 s.h.**

Physical, social, emotional, intellectual, and moral development within social and cultural contexts to uncover implications for developmentally and culturally responsive curriculum and instruction.

**Prereq.:** BCOE upper-division status.

**TEMC 3703 Thematic Instruction and Assessment Methods in Social Studies 3 s.h.**

Investigation and application of principles from history, geography, civics, economics, and related fields to create appropriate learning experiences for early adolescents. Exploration of middle grade level group and individual assessment, thematic, problem-solving instructional approaches, and reflective evaluation of learning in a field-based setting.

**Prereq.:** TEMC 3702, BCOE upper-division status, and approval of chairperson.

**Coreq.:** TEMC 4801 and one of TEMC 3704, TEMC 3705, or TEMC 3706.

**TEMC 3704 Teaching Mathematics in the Middle School 3 s.h.**

Focus on identifying and modeling strategies used for problem solving, communicating, and reasoning in mathematics. Learning to use mathematical connections to stimulate diverse students' development of math concepts and skills and creating learning environments in which students feel free to take risks. Field experience combining mathematics pedagogy/methodology in a middle grade classroom.

**Prereq.:** TEMC 3702, BCOE upper-division status and approval of chairperson.

**Coreq.:** TEMC 4801 and one of TEMC 3703, TEMC 3705, or TEMC 3706.

**TEMC 3705 The Teaching of Science in the Middle School 3 s.h.**

Using NSTA/NCATE and Ohio Model guidelines as a framework, students focus on establishing and maintaining learning environments that provide diverse students with a holistic, interdisciplinary understanding of science. Topics include goals formation, planning instruction, instructional strategies, resource selection, assessment procedures. Promotion of the use of science processes and problem-solving skills for life-long learning, the integration of science/technology/society. Field experience combining science pedagogy/methodology in a middle grades classroom.

**Prereq.:** TEMC 3702, 12 s.h. science, BCOE upper-division status, and approval of chairperson.

**Coreq.:** TEMC 4801 and one of TEMC 3703, TEMC 3704, or TEMC 3706.

**TEMC 3706 Teaching Language Arts in the Middle School 3 s.h.**

Integrated strategies for enabling diverse students to participate successfully in the activities of a literate society through listening, viewing, and communicating orally and in writing. Emphasis on integration of the language arts, higher order thinking skills, flexibility in applying the language arts in meaningful contexts across the curriculum.

**Prereq.:** TEMC 3702, BCOE upper-division status, and approval of chairperson.

**Coreq.:** TEMC 4801 and one of TEMC 3703, TEMC 3704, or TEMC 3705.

**TEMC 3707 Science/Technology/Society 3 s.h.**

In-depth exploration of science/technology/society connections. A subject matter-problem-solving-learning environment triad provides opportunities for study of real-life, personal, and societal science and technology problems. Field experience in which students assess STS problems, devise solutions, apply and evaluate knowledge for community improvement.

**Prereq.:** BCOE upper-division status, 12 s.h. science.

**TEMC 4801 The Middle School Learning Community 3 s.h.**

History, philosophy, and concepts of middle level education, including interdisciplinary instruction, collaborative teams, cooperative learning, classroom management, teacher-based advisory programs, flexible scheduling, cross-age grouping, departmentalized/core curriculum, adapting curriculum to the needs of culturally diverse populations, and working with families, resource persons, and community groups.

**Prereq.:** TEMC 3702, BCOE upper-division status, and approval of chairperson.

**Coreq.:** Two of TEMC 3703, TEMC 3704, TEMC 3705, or TEMC 3706.

**TEMC 4802 Student Teaching: Middle Childhood 5-10 s.h.**

Demonstration of ability to integrate knowledge of early adolescents, learning theory, best-practice and content information in diverse teaching/learning settings. Full-time 16 week student teaching in grades 4-9 supervised by University faculty and experienced middle-level practitioners. CR/NC.

**Prereq.:** BCOE Upper Division status, passing scores on PRAXIS II content and PLT tests, criminal background check, and completion of middle childhood program excluding student teaching and student teaching seminar.

**Coreq.:** TEMC 4803.

**Concurrent with:** TEMC 4803.

**Gen Ed:** Capstone.

**TEMC 4803 Student Teaching Seminar for Middle Childhood Education 1-2 s.h.**

Seminar topics are based on pedagogy, knowledge, and application of professional practice and standards, critical theory, and knowledge of the children/adolescent learners. Completion of the Teacher Work Sample is required. CR/NC.

**Coreq.:** Concurrent registration in student teaching: two of TEMC 4802C, TEMC 4802E, TEMC 4802M, or TEMC 4802S.

**TEMC 4804 Middle Level Instructional Design and Student Outcomes 3 s.h.**

Presents teacher candidates with skills in predicting, understanding, and controlling the fundamental principles of learning. Classroom assessment, test administration, construction, scaling, norming, reliability, validity, and interpretation of individual and group tests will be covered. Attention will be paid to how these impact instruction and assessment in middle grades. To be taken concurrently with TEMC 4801.

**Prereq.:** TEMC 3702, BCOE upper division status, approval of chair.

**TEMC 6938 Early Adolescent Characteristics and Educational Program Needs 3 s.h.**

Application of research and theories about the physical, cognitive, emotional, moral, and social development of ten- to 15-year-olds to middle grade instructional decisions. Students will reflect upon and analyze policy and program implications based on developmental principles and investigate effective collaboration with family and others involved with the age group. Includes field inquiry.

**TEMC 6939 Organizational Components of Middle Level Schools 3 s.h.**

Reflection on theory and research information concerning the historic, philosophical, and organizational components of middle-level schools, including program assessment and evaluation of learning environments for appropriateness to early adolescent learners.

**Prereq.:** TEMC 6938.

**TEMC 6940 Inquiry into Current Issues in Middle-Level Education 1-3 s.h.**

Application of previously acquired knowledge, critical thinking, inquiry techniques, including Internet searches, and collaborative synthesis strategies to significant middle-level education problems. Cohort inquiry team participants will present a multimedia reform proposal. May be repeated.

**Prereq.:** TEMC 6938 and TEMC 6939.

**TEMC 6941 Pedagogy Appropriate for Early Adolescent Learners 3 s.h.**

A course linking the learning needs of early adolescents with a variety of curricular and instructional approaches and assessments. Students will reflect on pedagogical theories and research on ways to integrate middle-level curriculum and promote learning construction by students, participate in professional collaboration, investigate alternative assessment techniques, and design an action research project to apply their understanding.

**Prereq.:** TEMC 6940.

**TEMC 6942 Action Research: Pedagogy Appropriate for Early Adolescent Learners 3 s.h.**

A culminating middle-grade-level classroom teacher research project implementing the design of the study organized in TEMC 6941. Students will review authentic assessment literature, collect and analyze evaluation data collaboratively with students, interpret results, and propose improvements.

**Prereq.:** TEMC 6941.

**TEMC 6943 Field Experience: Service Learning and School-Community Collaboration 3 s.h.**

Field experience study of middle-grade-level school-community collaboration and opportunities for service learning to promote healthy development of early adolescents. Participants design, administer, and analyze an interview survey and propose a collaborative model for interaction.

**TEMC 6950 Pedagogical Content Knowledge in Mathematics for Middle School Teachers 1 3 s.h.**

Integrates mathematics content, mathematics pedagogy, and results from mathematics education research through direct instruction and inquiry-based experiences with manipulative materials and technology. Develops conceptual foundations through topics of number, number sense, and measurement; operations, functions, patterns, and algebra; and mathematical processes. Field experience in a middle grades learning environment is required.

**Prereq.:** Middle Childhood Licensure in area(s) other than mathematics.

**TEMC 6951 Pedagogical Content Knowledge in Mathematics for Middle School Teachers 2 3 s.h.**

Integrates mathematics content, mathematics pedagogy, and results from mathematics education research through direct instruction and inquiry-based experiences with manipulative materials and technology. Develops conceptual foundations through topics of geometry, measurement, and spatial sense; data analysis and probability; and mathematical processes.

**Prereq.:** Middle Childhood Licensure in area(s) other than mathematics, TEMC 6950.

**TEMC 6952 Science for Middle School Teachers 1 3 s.h.**

Using NSES/NSTA/NCATE and Ohio Standards as the framework, candidates engage in a purposefully integrated in-depth exploration of science content and pedagogy appropriate for middle grades teachers. Topics include content, inquiry, general skills of teaching, curriculum, assessment, safety and welfare, and professional growth. Experiences that integrate science content with processes and problem-solving skills for achieving life-long learning and science literacy will be emphasized. Portions of the course may be offered on-site, on-line, or as a combination of both. Field experience in a middle grades learning environment is required.

**Prereq.:** Admission to the School of Graduate Studies and Research and Middle Childhood Licensure area(s) other than science.

**TEMC 6953 Science for Middle School Teachers 2 3 s.h.**

Using NSES/NSTA/NCATE and Ohio Standards as the framework, candidates engage in a purposefully integrated in-depth exploration of science content and pedagogy appropriate for middle grades teachers. Topics include content, nature of science, issues, science in the community, and professional growth. Experiences that integrate science content with processes and problem-solving skills for achieving life-long learning and scientific literacy will be emphasized. Portions of the course may be offered on-site, on-line, or as a combination of both. Field experience in a middle grades learning environment is required.

**Prereq.:** Admission to the School of Graduate Studies and Research and Middle Childhood Licensure in area(s) other than science.

**TEMC 6954 Middle School: Theory, Research, and Practices 3 s.h.**

Major concepts, research, and theories about the physical, cognitive, emotional, moral, and social development of students in grades 4-9. Research historical, philosophical, and organizational components of middle grades schools, including program assessment and evaluation of learning environments. Emphasis will be placed on research and position statements from National Middle School Association. Students will design an action research project to apply their understanding.

**Prereq.:** Admission to School of Graduate Studies and Research.

**TEMC 6955 Field Experience: Middle Years School/Community Collaboration 3 s.h.**

Field experience study of middle grades level school/community collaboration and opportunities for service learning to promote healthy development of early adolescents. Additional research into current issues and challenges facing middle schools today. Participants design, administer, and analyze an interview and survey instrument and propose a collaborative service learning model.

**Prereq.:** Admission to School of Graduate Studies and Research.

## Teacher Education Reading

**TERG 2601 Reading Application in Content Area Early Years 3 s.h.**

Study of the Ohio Academic Content Area Standards, comprehension skills, word attack skills, pre-reading strategies, and writing development as they relate to early years reading in the content area. The role of early childhood language development and literature in the early childhood content-area classroom. 30 hours of field experience required.

**Prereq.:** 20 s.h. completed.

**TERG 2610 Reading Application in Content Areas Middle Years 3 s.h.**

Study of the Ohio Academic Content Area Standards, comprehension skills, word attack skills, pre-reading strategies, and writing development as they relate to middle years, multi-age and special education reading in the content area. The role of literature in the content-area classroom. 30 hours of field experience required. h. completed.

**Prereq.:** 20 s.

**TERG 3701 Phonics in Reading Instruction 3 s.h.**

Phonics subject matter, instructional strategies and applications, and planning for intensive, phonic-based word analysis in the early and middle stages of literary acquisition. 30 hours of Field Experience required.

**Prereq.:** TERG 2601 or TERG 2610.

**TERG 3702 Developmental Reading Instruction 3 s.h.**

Theories and related models of reading, various approaches to teaching reading, and creative integrative literature strategies to meet the needs of diverse learners. 30 hours of Field Experience required.

**Prereq.:** TERG 2601 or TERG 2610 and TERG 3701.

**TERG 3703 Assessment and Instruction in Reading 3 s.h.**

Application and interpretation of selected formal and informal assessment tools. Strategies for ensuring diverse students' reading and the related language arts with ongoing assessment. 30 Hours of Field Experience required.

**Prereq.:** TERG 2601 or TERG 2610 and TERG 3701 and TERG 3702.

**TERG 3704 Assessment and Instruction in Reading Internship 1 s.h.**

Required of students seeking licensure in Reading and Language Arts. Practicum experience involving assessment of reading needs of the middle school student, planning and carrying out a program of remedial assistance, reporting results.

**Prereq.:** TERG 3701 and TERG 3702.

**Concurrent with:** TERG 3703.

**TERG 3705 Advanced Literature Strategies 3 s.h.**

Advanced reading and language arts, holistic teaching strategies with emphasis on non-textbook approaches. Field experience.

**Prereq.:** TERG 3703.

**TERG 3706 Reading Practicum 3 s.h.**

Supervised experiences in reading assessment and instruction in the elementary, middle, or secondary school setting. Six hours per week in a designated school, two hour seminar.

**Prereq.:** TERG 3705.

**TERG 3710 Reading Application in Content Areas, Middle Years 3 s.h.**

Study of the Ohio Academic Content Area Standards, comprehension skills, word attack skills, pre-reading strategies, and writing development as they relate to middle years, multi-age and special education reading in the content area. The role of literature in the content-area classroom. Requires 30 hours of field experience in addition to course responsibilities.

**Prereq.:** completion of 50 hours.

**TERG 3711 Reading Application in Content Areas, Secondary Years 3 s.h.**

Study of the Ohio Academic Content Area Standards, comprehension skills, word attack skills, pre-reading strategies, and writing development as they relate to secondary and career/technical reading in the content area. The role of literature in the content-area classroom. 30 Field Hours is required.

**Prereq.:** 50 s.h. completed and concurrent with SED 3706.

**TERG 6917 Literacy, Reading, and Language Arts Programs 3 s.h.**

A critical appraisal of literacy, reading, and language arts programs in schools and an analysis of contemporary methodological issues.

**TERG 6922 Organizing and Managing Diverse Literacy Environments 3 s.h.**

Creating a literate environment that fosters student interest in reading and writing by integrating foundational knowledge, use of research-based instructional practices, curriculum materials, and assessment-based decision making to form instructional groups. Emphasis on student interests, reading abilities, and cultural and linguistic backgrounds as foundations for a reading and writing program that incorporates a large supply of books, technology-based information, and non-print materials.

**TERG 6923 Literacy and Phonics Instruction: Early Years 3 s.h.**

An investigation and research of the philosophy, principles, and practices of reading (including phonemic and phonetic developments) and language arts of the child, birth through age 8. Examination and application of formal and informal assessment procedures in the context of reading and language arts instruction. Language learning needs of diverse populations will be addressed.

**TERG 6924 Content Literacy Young Adolescent to Adult 3 s.h.**

Investigation of research-based philosophies, principles, and best practices for reading to learn and using the language arts in comprehending and meaning-making; using reading and the language arts as tools in learning communication.

**TERG 6926 Reading and Language Arts Assessment 1 3 s.h.**

An examination and application of formal and informal assessment procedures in the context of reading and language arts instruction. Emphasis will be placed on the use of background information and discrete data. Strategies providing for effective appraisal procedures and developmentally appropriate activities will be included.

**Prereq.:** TERG 6917.

**TERG 6927 Practicum: Coaching for Effective Literacy Instruction 3 s.h.**

The role of the literacy coach as an instructional leader in assessment-based decision making, research-based instruction, and delivery of high-quality professional development. Emphasis placed on techniques for working with individual teachers in a coaching context and groups of teachers in whole group PD settings.

**TERG 6928 Practicum: Case Study in Reading and Language Arts 3 s.h.**

Application of previous course content involves supervised formal and informal assessment of school-age pupils, developing an individualized reading plan, selecting appropriate strategies and materials for teaching, writing, tutoring log entries, developing a student portfolio, evaluating results of instruction, and writing a case study report.

**Prereq.:** TERG 6926.

**TERG 6929 The Reading and Language Arts Professional 3 s.h.**

Investigation of theories and performance-based procedures for creating, analyzing, guiding, and changing school- and system-wide reading and language arts programs.

**Prereq.:** TERG 6926.

**TERG 6970 Coaching in Diverse Classrooms 2 s.h.**

The focus of this course is on the preparation of literacy specialists to coach teachers in the implementation of culturally responsive instruction for diverse learners. This population includes special needs, culturally and linguistically diverse students. Emphasis will be placed on connections between current theory, research, and instructional practice.

**TERG 6971 Pedagogy of Effective Literacy Instruction 2 s.h.**

Candidates demonstrate knowledge of a wide range of instructional practices, methods, and curriculum materials, including technology, that support effective reading and writing instruction. Candidates integrate their knowledge and dispositions regarding curriculum, instructional practices, curricular materials, assessment, and evaluation to create literate environments that foster both reading and writing in all students.

**Prereq.:** TERG 6970.

**TERG 6972 Coaching for Effective Assessment Practice 2 s.h.**

Designed for reading specialists, this course teaches knowledge, skills, and dispositions in school-based professional development and coaching on K-12 reading assessment concepts and skills.

**Prereq.:** TERG 6971.

**TERG 6973 Professional Development in Literacy 2 s.h.**

An introduction to research and knowledge bases related to teacher professional development from a variety of perspectives. Examines coaching as one venue of supporting teacher professional development.

**Prereq.:** TERG 6972.

**TERG 6974 Advanced Action Research in Literacy 2 s.h.**

Intro to literacy research as an integral part of professional development. Builds candidate understanding of a variety of literacy research paradigms, supports engagement in inquiry to significantly advance candidates' understanding of literacy, and provides opportunities for candidates to collaborate with other literacy professionals to advance understanding of evidence-based practice.

**Prereq.:** TERG 6973.

**TERG 6975 Internship 1 4 s.h.**

Culminating activity supporting and integrating accomplishment of the Literacy Specialist Endorsement Standards I-VII. School-based practicum providing group and individual professional development to colleagues for continuous improvement of literacy curriculum, instruction, and assessment. Diagnostic reading and writing clinical experiences focus on data-based decision making to inform professional development provided in both group and individual settings (coaching).

**Prereq.:** TERG 6971.

**TERG 6976 Internship 2 4 s.h.**

Continuation of the culminating activity supporting and integrating accomplishment of the Literacy Specialist Endorsement Standards I-VII. School-based practicum providing group and individual professional development to colleagues for continuous improvement of literacy curriculum, instruction, and assessment. Diagnostic reading and writing clinical experiences focus on data-based decision making to inform professional development provided in both group and individual settings (coaching).

**Prereq.:** TERG 6975.

## Teacher Education, Department of

**TCED 1500 Introduction to Becoming a Teacher First Year Experience Course BCOE 3 s.h.**

This course will focus on practical and academic preparation to enter the teaching profession, social and emotional wellness and academic support. Students will have an opportunity to explore the teaching profession. This course will examine various facets of preparing to teach in a diverse, 21st century classroom. The First Year Experience course will also teach first year students how to make informed decisions and successfully function in the university setting.

**TCED 1501 Preparation for Praxis Core Mathematics 1 s.h.**

A course designed to prepare students for professional-level standardized tests. Students will critically analyze the basic components of the Mathematics test for which they are preparing, including requirements, test formats, guideline for answering and scoring, and test-taking strategies, in conjunction with effective pedagogical procedures. One hour lecture, one hour lab.

**TCED 1502 Preparation for Praxis Core Writing 1 s.h.**

A course designed to prepare students for professional-level standardized tests. Students will critically analyze the basic components of the writing test for which they are preparing, including requirements, test formats, guideline for answering and scoring, and test-taking strategies, in conjunction with effective pedagogical procedures. One hour lecture, one hour lab.

**TCED 1503 Preparation for Praxis Core Reading 1 s.h.**

A course designed to prepare students for professional-level standardized tests. Students will critically analyze the basic components of the reading test for which they are preparing, including requirements, test formats, guideline for answering and scoring, and test-taking strategies, in conjunction with effective pedagogical procedures. One hour lecture, one hour lab. 1 s. h.

**TCED 1509 Orientation to On-Line Learning 1 s.h.**

This course provides an introduction and orientation to on-line learning, while acquainting students with the platform of BB9, distance education technologies, YSU and BCOE. CR/NC.

**Coreq.:** DE ECE 2629.

**TCED 2650 LGBTQ Issues in History and Popular Culture 3 s.h.**

Explores the historical and present day representation of LGBT issues and individuals and their portrayal in popular culture.

**Cross-listed:** WMST 2650.

**TCED 4830 Undergraduate Capstone Course for Education Majors 3 s.h.**

Senior Seminar which substitutes for student teaching. This course requires a career/field component and research project. Placement is negotiated by the student with approval from course instructor.

**Prereq.:** Education major and junior standing.

**TCED 5888 Topical Seminar 1-3 s.h.**

Examination of issues related to the teaching of early childhood education, middle childhood education, special education, multi-age education, family and consumer vocational education, or adolescent/young adult education not covered in depth of other courses.

**Prereq.:** Admission to upper-division status in COE or admission to the School of Graduate Studies.

**TCED 5888J Topical Seminar Introduction to African American Education 1-3 s.h.**

Examination of issues related to the teaching of early childhood education, middle childhood education, special education, multi-age education, family and consumer vocational education, or adolescent/young adult education not covered in depth of other courses.

**Prereq.:** Admission to upper-division status in COE or admission to the School of Graduate Studies.

## Learning Outcomes

The learning outcomes for the Department of Teacher Education are to prepare 21st century classroom-ready teacher-candidates with the knowledge, skills, and dispositions to:

- Know and understand the content for which they have instructional responsibility
- Plan and deliver instruction that impacts the learning of all PK-12 students
- Use varied assessments to inform instruction
- Establish and maintain learning environments that ensure learning for all PK-12 students
- Collaborate and communicate with all stakeholders
- Accept the responsibility for professional growth, performance, and involvement as an individual and as a member or a learning community
- Expect that all teacher candidates will learn while modeling respect for PK-12 students' diverse cultures

## Bachelor of Science in Education in Integrated Language Arts (7-12) - Adolescent License

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Language Arts, approved by the Ohio Department of Education. The Integrated Language Arts license, Bachelor of Science in Education Degree requires a minimum of 127 semester hours of coursework including a semester of student teaching. Please refer to the four-year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this

major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		12
Core Competencies		
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Select one of the following two Math courses or any higher Math course. Math 2652 is preferred math course if you are required to take the Math Praxis Core.		
MATH 2623	Quantitative Reasoning	
Or:		
MATH 2652	Mathematics for Early Childhood Teachers 2	
General Education Knowledge Domains		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Courses listed for GER's below are required in this program.		
Arts and Humanities		6
These 6 s.h. of AH requirements, are met with courses in the major		
Natural Sciences (2 courses, 1 lab)		7
Social Science		6

Select one of the following Language/Linguistics courses:		3			
ENGL 3750	Language and Culture				
ENGL 3757	Development of the English Language				
ENGL 4850	Sociolinguistics				
ENGL 4851	Language Acquisition				
ENGL 4855	Advanced Linguistics				
ENGL 4856	TESOL Methods				
ENGL 4858	English Grammar				
Select one of the following Media Literacy courses:		3			
TCOM 1595	Survey of American Mass Communications				
THTR 1590	History of Motion Pictures (AH)				
ENGL 2665	Introduction to Film Study (AH)				
ENGL 3743	Professional and Technical Writing				
Select one of the following Upper Division British Literature courses:		3			
ENGL 4830	Major Figures in British Literature				
ENGL 4831	British Genres, Circles, and Movements				
ENGL 4860	The Medieval World				
ENGL 4882	The English Renaissance				
ENGL 4886	Restoration and Eighteenth Century British Literature				
ENGL 4887	The Romantic Period				
ENGL 4892	Nineteenth Century British Literature Studies				
ENGL 4895	Early Twentieth Century British Studies				
ENGL 4896	British Literature from World War II to the Present				
Select one of the following Advanced English Studies courses:		3			
ENGL 3706	Introduction to Literary Theory				
ENGL 4890	Senior Seminar				
Additional Upper Division American					
Additional Upper Division British					
Select two of the following Oral Communication courses:		6			
CMST 2655	Communication in Groups and Organizations				
CMST 2656	Interpersonal Communication				
THTR 2670	Oral Interpretation				
Professional Education Curriculum					
PSYC 3709	Psychology of Education	3			

If failure to meet “B” average above must also complete:

\_\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 3700

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical

- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.

- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Integrated Mathematics (7-12) - Adolescent License

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Mathematics, approved by the Ohio Department of Education. The Integrated Mathematics license, Bachelor of Science in Education Degree requires a minimum of 121 semester hours of coursework including a semester of student teaching. Please refer to the four-year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

#### Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

#### Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

#### Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience

must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

**Student Teaching**

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

**ADVISEMENT**

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

**REQUIRED ASSESSMENTS**

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

**ENDORSEMENTS**

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

<sup>2</sup> Upper division course

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ MATH 3715

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Integrated Sciences (7-12) - Adolescent License, Biology Concentration

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Sciences/Biology Concentration, approved by the Ohio Department of Education. The AYA Integrated Sciences License, Grades 7-12 (Biology) as the primary concentration), Bachelor of Science in Education degree requires a minimum of 148-151 semester hours of course work. The Integrated Science license qualifies the license holder to teach all areas of science (Biology, Chemistry, Earth/Space, and Physics). This teaching field

also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

## EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

<sup>1</sup> Prerequisites for preclinical curriculum.

<sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet “B” average above must also complete:

\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_ EDFN 1501 \_\_\_ CMST 1545

\_\_\_ SPED 2630 \_\_\_ GEOL 1505 or BIOL 2602 or CHEM 1516 or PHYS 2610

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:

- **September 1**—for Fall preclinical
- **February 1**—for Spring preclinical

- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content

of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Integrated Sciences (7-12) - Adolescent License, Chemistry Concentration

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Sciences/Chemistry Concentration, approved by the Ohio Department of Education. The AYA Integrated Sciences License, Grades 7-12 (Chemistry as the primary concentration), Bachelor of Science in Education degree requires a minimum of 146-149 semester hours of course work. The Integrated Science license qualifies the license holder to teach all areas of science (Biology, Chemistry, Earth/Space, and Physics). This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to

provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

#### Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

#### Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

#### And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

#### Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

#### Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

#### Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

#### Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
MATH 1571	Calculus 1	
General Education Knowledge Domains		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Some majors prescribe specific GE courses. If a course has been added to the domains, it is required.		
Arts and Humanities		6
Natural Sciences (2 courses, 1 lab)		7
This requirement met by courses in major.		
Social Science		6
Social Science GER		
PSYC 1560	General Psychology	
Social and Personal Awareness		6
General Education Elective / First-Year Experience		3
TCED 1500	Introduction to Becoming a Teacher First Year Experience Course BCOE	
Subject Area Curriculum		
MATH 1572	Calculus 2	4
Chemistry Concentration		
All of the following:		
CHEM 1515 & 1515L	General Chemistry 1 and General Chemistry 1 Laboratory	4
CHEM 1516 & 1516L	General Chemistry 2 and General Chemistry 2 Laboratory	4
CHEM 2604 & 2604L	Quantitative Analysis and Quantitative Analysis Laboratory	5
CHEM 3719 & 3719L	Organic Chemistry 1 and Organic Chemistry 1 Laboratory	4
CHEM 3720 & 3720L	Organic Chemistry 2 and Organic Chemistry 2 Laboratory	4
CHEM Elective (select any 3000 or 4000 level course)		3
If primary science concentration is Chemistry, then take the following:		
BIOL 2601 & 2601L	General Biology: Molecules and Cells and General Biology: Molecules and Cells Laboratory	4
BIOL 2602 & 2602L	General Biology: Organisms and Ecology and General Biology: Organisms and Ecology Laboratory	4
PHYS 2608	Sound	3
PHYS 2610	General Physics 1	4
PHYS 2610L	General Physics laboratory 1	1
PHYS 2611	General Physics 2	4
PHYS 2611L	General Physics laboratory 2	1

GEOL 1505 & 1505L	Physical Geology and Physical Geology Laboratory	4
GEOL 2602	Introduction to Oceanography	3
GEOG 2630	Weather	3
ASTR 1504	Descriptive Astronomy	3
Select 5 s.h. from the following BIOL electives:		
BIOL 3741 & 3741L	Animal Diversity and Animal Diversity Laboratory	4
BIOL 3702 & 3702L	Microbiology and Microbiology Laboratory	4
BIOL 3721	Genetics	3
BIOL 3762 & 3762L	Field Botany and Field Botany Laboratory	4
BIOL 3759	Evolution	3
BIOL 4890	Molecular Genetics	3
BIOL 4890L	Molecular Genetics Laboratory	1
BIOL 3730	Human Physiology	4
BIOL 3730L	Human Physiology Laboratory	1
Select a minimum of 3 s.h. from the following PHYS electives:		
PHYS 3703	Classical Mechanics and Dynamics	4
PHYS 3705	Thermodynamics and Classical Statistical Dynamics	3
PHYS 3705L	Thermodynamics and Classical Statistical Mechanics Laboratory	1
PHYS 3704	Modern Physics	4
PHYS 3704L	Modern Physics Laboratory	1
PHYS 3722	Advanced Optics and Light	3
PHYS 3722L	Advanced Optics Laboratory	1
PHYS 4805	Undergraduate Physics Research	3
PHYS 2607	Physical Science for Middle and Secondary Education	4
Select one of the following E/SS electives:		
ENST 2600	Foundations of Environmental Studies	3
GEOL 2615	Geology and the Environment 1	3
GEOG 3703	Human Impacts on the Environment	3
GEOG 3730	Global Climates	3
GEOL 3720	Field Investigations in Geology	1-4
Professional Education Curriculum		
EDFN 1501	Introduction to Education	3
PSYC 3709	Psychology of Education	3
SPED 2630	Individuals with Exceptionalities in Society <sup>1</sup>	3
SED 3706	Principles of Teaching Adolescents <sup>2</sup>	3

Total Semester Hours: 146-149 s.h.		

<sup>1</sup> Prerequisites for preclinical curriculum.

<sup>2</sup> Upper division course.

BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, OR

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, AND/OR

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, AND/OR

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. If you receive a "C" or below you will need to retake the course.

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ GEOL 1505 or BIOL 2602 or CHEM 1516 or PHYS 2610

If student does not have a "B" average, student will be required to retake one or more of these courses until the "B" average is achieved.

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated one time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Bachelor Science in Education in Integrated Sciences (7-12) - Adolescent License, Earth/Space Science Concentration

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Sciences/Earth-Space Concentration, approved by the Ohio Department of Education. The AYA Integrated Sciences License, Grades 7-12 (Earth/Space as the primary concentration), Bachelor of Science in Education degree requires a minimum of 147-150 semester hours of course work. The Integrated Science license qualifies the license holder to teach all areas of science (Biology, Chemistry, Earth/Space, and Physics). This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September

1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	

MATH 1571	Calculus 1	
General Education Knowledge Domains		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Some majors prescribe specific GE courses. If a course has been added to the domains, it is required.		
Arts and Humanities		6
Natural Sciences (2 courses, 1 lab)		7
This requirement met by courses in major		
Social Science		6
Social Science GER		
PSYC 1560	General Psychology	
Social and Personal Awareness		6
General Education Elective / First-Year Experience		
TCED 1500	Introduction to Becoming a Teacher First Year Experience Course BCOE	3
Subject Area Curriculum		
MATH 1572	Calculus 2	4
Earth/Space Science Concentration		
All of the following:		
GEOL 1505 & 1505L	Physical Geology and Physical Geology Laboratory	4
GEOL 2605	Historical Geology	4
GEOL 2602	Introduction to Oceanography	3
GEOG 2630	Weather	3
ASTR 1504	Descriptive Astronomy	3
ASTR 2609	Moon and Planets	3
One of the following E/SS electives:		
GEOL 3720	Field Investigations in Geology	1-4
GEOL 2615	Geology and the Environment 1	3
ENST 2600	Foundations of Environmental Studies	3
One of the following E/SS Electives:		
GEOG 3703	Human Impacts on the Environment	3
GEOG 3730	Global Climates	3
GEOG 3737	Soils and Land Use	3
If primary science concentration is Earth/Space Science, then take the following:		
BIOL 2601 & 2601L	General Biology: Molecules and Cells and General Biology: Molecules and Cells Laboratory	4
BIOL 2602 & 2602L	General Biology: Organisms and Ecology and General Biology: Organisms and Ecology Laboratory	4
CHEM 1515 & 1515L	General Chemistry 1 and General Chemistry 1 Laboratory	4
CHEM 1516 & 1516L	General Chemistry 2 and General Chemistry 2 Laboratory	4
CHEM 3719 & 3719L	Organic Chemistry 1 and Organic Chemistry 1 Laboratory	4
PHYS 2608	Sound	3
PHYS 2610	General Physics 1	4
PHYS 2610L	General Physics laboratory 1	1
PHYS 2611	General Physics 2	4
PHYS 2611L	General Physics laboratory 2	1
Select 5 s.h. from the following BIOL electives:		
BIOL 3741 & 3741L	Animal Diversity and Animal Diversity Laboratory	4
BIOL 3702 & 3702L	Microbiology and Microbiology Laboratory	4
BIOL 3721	Genetics	3

BIOL 3762 & 3762L	Field Botany and Field Botany Laboratory	4
BIOL 3759	Evolution	3
BIOL 4890	Molecular Genetics	3
BIOL 4890L	Molecular Genetics Laboratory	1
BIOL 3730	Human Physiology	4
BIOL 3730L	Human Physiology Laboratory	1
Select one of the following CHEM electives:		
CHEM 2604 & 2604L	Quantitative Analysis and Quantitative Analysis Laboratory	5
CHEM 3720 & 3720L	Organic Chemistry 2 and Organic Chemistry 2 Laboratory	4
CHEM 3785	Biochemistry 1	3
Select a minimum of 3 s.h from the following PHYS electives:		
PHYS 3703	Classical Mechanics and Dynamics	4
PHYS 3705	Thermodynamics and Classical Statistical Dynamics	3
PHYS 3705L	Thermodynamics and Classical Statistical Mechanics Laboratory	1
PHYS 3704	Modern Physics	4
PHYS 3704L	Modern Physics Laboratory	1
PHYS 3722	Advanced Optics and Light	3
PHYS 3722L	Advanced Optics Laboratory	1
PHYS 4805	Undergraduate Physics Research	3
PHYS 2607	Physical Science for Middle and Secondary Education	4
Professional Education Curriculum		
EDFN 1501	Introduction to Education	3
PSYC 3709	Psychology of Education	3
SPED 2630	Individuals with Exceptionalities in Society <sup>1</sup>	3
SED 3706	Principles of Teaching Adolescents <sup>2</sup>	3
EDFN 3708	Education and Society	3
TERG 3711	Reading Application in Content Areas, Secondary Years <sup>2</sup>	3
TEMC 3707	Science/Technology/Society <sup>1,2</sup>	3
Preclinical Curriculum		
EDFN 3710	Educational Assessment	3
SED 4800C	Science Methods for Adolescent and Young Adult Learners <sup>2</sup>	3
Student Teaching Curriculum		
SED 4842	Supervised Student Teaching: High School <sup>2</sup>	10
SED 4842A	Student Teaching Seminar for Secondary Education <sup>2</sup>	2

Total Semester Hours for the Degree: 147-150 s.h.

<sup>1</sup> Prerequisites for preclinical curriculum.

<sup>2</sup> Upper division course.

BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the

Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ GEOL 1505 or BIOL 2602 or CHEM 1516 or PHYS 2610

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall

- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

Course	Title	S.H.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

# Bachelor of Science in Education in Integrated Sciences (7-12) - Adolescent License, Physics Concentration

Dr. Katie Cripe, Program Coordinator

## OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program

(grades 7-12), Integrated Sciences/Physics Concentration, approved by the Ohio Department of Education. The AYA Integrated Sciences License, Grades 7-12 (Physics as the primary concentration), Bachelor of Science in Education degree requires a minimum of 144-147 semester hours of course work. The Integrated Science license qualifies the license holder to teach all areas of science (Biology, Chemistry, Earth/Space, and Physics). This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

## EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

#### Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ GEOL 1505 or BIOL 2602 or CHEM 1516 or PHYS 2610

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.

- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content

of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Integrated Social Studies (7-12) - Adolescent License

Dr. Katie Cripe, Program Coordinator

### OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year AYA Education Program (grades 7-12), Integrated Social Studies, approved by the Ohio Department of Education. The AYA Integrated Social Studies License, Grades 7-12, Bachelor of Science in Education degree requires a minimum of 122 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Adolescent/Young Adult Program will be qualified to teach in the 7-12 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Teaching English to Speakers of Other Languages (TESOL) endorsement to increase marketability. Graduates wanting to teach College Credit Plus courses should consider a Master of Science in Education Content Area Concentration degree.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 120 hours of pre-clinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Adolescent/Young Adult preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- EDFN 3710 Educational Assessment
- SED 3706 Principles of Teaching Adolescents

And

- SED 4800C Science Methods for Adolescent and Young Adult Learners

Or

- SED 4800E English Methods for Adolescent and Young Adult Learners

Or

- SED 4800M Mathematics Methods for Adolescent and Young Adult Learners

Or

- SED 4800S Social Studies Methods for Adolescent and Young Adult Learners

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842 Supervised Student Teaching: High School
- SED 4842A Student Teaching Seminar for Secondary Education

### ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

### REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

003 Assessment of Professional Knowledge Adolescence to Young Adult (7-12) (All AYA Teacher Candidates)

020 English Language Arts (for teacher candidates with ELA concentration)

027 Mathematics (for teacher candidates with Math concentration)

024 Integrated Science (for teacher candidates with Science concentration)

025 Integrated Social Studies (for teacher candidates with Social Studies concentration)

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement.

Total Semester Hours: 122 s.h.

<sup>1</sup> Prerequisite for preclinical curriculum

<sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_\_ ENGL 1550 \_\_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ HIST 2606 or 2605

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Minor in Coaching Education P-16

The coaching minor is open to all students interested in obtaining a position coaching at the P-12 level. Course content focuses on knowledge and skills needed to effectively manage a team and provide developmentally appropriate activities for student athletes. Completion of this minor may assist an individual in securing an athletic director position. For more information, contact Dr. Mary LaVine.

## Bachelor of Science in Education in Early Childhood Education/Early Childhood Intervention Specialist

## Bachelor of Science in Education in Early Childhood Education/Early Childhood Intervention Specialist Program

Dr. Crystal Ratican, Program Coordinator

### Overview

In cooperation with various discipline departments in the University, the Department of Teacher Education offers a four-year early childhood education program approved by the Ohio Department of Education. The Early Childhood License (P-3), Bachelor of Science in Education degree requires a minimum of 124 semester hours of course work. Please refer to the four-year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

In 2016-2017 the program will be transitioning from an Early Childhood Education (ECE) license to a dual Early Childhood Education (ECE)/Early Childhood Intervention Specialist (ECIS) license. This new license will also include a Teaching English to Speakers of Other Languages (TESOL) Endorsement. This combined program can be completed in four years and will require 136 hours of coursework. This teaching license also requires passage

of the Ohio Assessments for Educators in order to be eligible to student teach. Please contact a BCOE advisor for additional information.

## EMPLOYMENT OPPORTUNITIES

Graduates of the new ECE/ECIS dual license will be able to work in the following areas: in schools as the classroom teacher of record, inclusion classroom teacher of record, or P-3 special education classroom of record. Graduates will also be trained to work with children who are currently learning the English language. Other employment opportunities include: working with regional Educational Service Providers, providing individual services to children within their homes, working with regionally based programs, medical providers, or private education companies.

## Field Experiences and Student Teaching

Students complete over 300 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

### Field Experiences

- ECIS 3700 Integrated Strategies in ECE/ECIS Inclusive Environments
- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 2601 Reading Application in Content Area Early Years
- TERG 3701 Phonics in Reading Instruction
- TERG 3702 Developmental Reading Instruction
- TERG 3703 Assessment and Instruction in Reading

### Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Early Childhood preclinical experience is scheduled during the fall and spring semesters. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for fall preclinical, and February 1 for spring preclinical. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- ECIS 4801 Teaching of Language Arts and Social Studies: The Early Years
- ECIS 4802 Teaching of Mathematics and Science: The Early Years
- ECIS 3790 Assessing Learning in Early Childhood Education PK3
- SPED 5866 Assessment and Referral of Exceptional Children and Youth for the Intervention Specialist
- ENGL 4857 TESOL Practicum

### Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- ECIS 4841 Supervised Student Teaching: ECE/ECIS
- ECIS 4842 Student Teaching Seminar in ECE/ECIS

## Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all early childhood majors must complete a preclinical experience.

## Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new license area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

001 Assessment of Professional Knowledge: Early Childhood (PK-3)

012 Early Childhood Education

090 Foundations of Reading

013 Early Childhood Special Education

021 Teaching English to Speakers of Other Languages

## Endorsements

The Department of Teacher Education offers the Early Childhood Generalist (Grades 4-5) endorsement. This endorsement may be added to an existing Early Childhood Education (P-3) license, for teaching grades 4-5 in Math, Science, Social Studies, and Language Arts. This endorsement is not a major and does not stand alone as an area of study. This endorsement may increase a teacher candidate's ability to acquire a teaching position. See an academic advisor for additional information.

 2 Upper division course

BCOE Notes:

Advisement:

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

- \_\_\_ Minimum completion of 50 SH
- \_\_\_ Minimum 2.75 overall GPA
- Meet one of the following criteria:
- \_\_\_ Overall GPA 3.4 or better, **OR**
- \_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**
- \_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**
- \_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_ ENGL 1550 \_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_ EDFN 1501 \_\_\_ CMST 1545

\_\_\_ SPED 2630 \_\_\_ ECIS 2629

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.

- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## LEARNING OUTCOMES

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning.

Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The Learning outcomes for this program, align with the six Standards of the National Association for the Education of Young Children (NAEYC):

- Effectively promote child development and learning in the classroom
- Build family and community relationships to support the development and learning of each child
- Utilize effective formative and summative assessments to support young children and their families.
- Use developmentally effective approaches in teaching and learning.
- Use content knowledge to build meaningful curriculum in prek-grade 3 classrooms.

The Learning outcomes for this program, also align with the seven Standards of the Early Childhood Special Education (ECSE):

- Learner Development and Individual Learning Differences
- Learning Environments
- Curricular Content Knowledge
- Assessment
- Instructional Planning and Strategies
- Professional Learning and Ethical Practice
- Collaboration

Professional Dispositions:

Teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## Bachelor of Science in Education in Health Education (PK-12) - Multi-Age License

Dr. Mary LaVine, Program Coordinator

### Multi-Age Education (PK-12) Health Education

#### Overview

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year Multi-Age Education, Physical Education license (grades PK-12) program approved by the Ohio Department of Education.

The Multi-Age PK-12 Health Education, Bachelor of Science in Education degree requires a minimum of 121 semester hours of course work including a semester of student teaching. Please refer to the four year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

#### Employment Opportunities

Graduates of the Health Education program will be qualified to teach in the PK-12 Health Education classroom. Graduates also find rewarding careers in the private health sector. It is recommended that students in this major

consider adding the Physical Education Education license to increase marketability.

#### Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## Field Experiences and Student Teaching

Students complete over 300 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, whole class teaching).

#### Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 2610 Reading Application in Content Areas Middle Years

#### Pre-clinical Field Experiences:

- HEPE 3715 Health Education for Middle School
- HEPE 3716 Health Education for High School

The pre-clinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Health Education pre-clinical experience occurs over two semesters. Applications for the pre-clinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for fall pre-clinical and February 1 for spring pre-clinical. Contact the Beeghly College of Education, academic advisors for minimum pre-clinical prerequisites.

#### Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4845 Supervised Student Teaching: Health (K-12)
- SED 4842A Student Teaching Seminar for Secondary Education

## Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a pre-clinical experience.

## Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

### 004 Assessment of Professional Knowledge: Multi-Age (PK-12)

#### 023 Health

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
One of the following courses may be taken to fulfill Math Ger. Math 2652 is preferred math course if you are required to take Math Praxis Core.		
MATH 2623	Quantitative Reasoning (or higher)	
Or:		
MATH 2652	Mathematics for Early Childhood Teachers 2	
<b>General Education Knowledge Domains</b>		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Courses listed below for GERs are required in the program.		
Arts and Humanities		6
PHIL 2625	Arts and Humanities Course	
Natural Sciences (2 courses, 1 lab)		8
BIOL 1545 & 1545L	Allied Health Anatomy and Physiology and Allied Health Anatomy and Physiology Laboratory	
Natural Science Course		
Social Science		6
PSYC 1560	General Psychology	
PSYC 3758	Lifespan Development	
Social and Personal Awareness		6
PHLT 1568	Healthy Lifestyles	
SOC 2690	Identities and Differences	
General Education Elective		3
TCED 1500	Introduction to Becoming a Teacher First Year Experience Course BCOE	
<b>Subject Area Curriculum</b>		
FNUT 1551	Normal Nutrition	3
ECIS 2600	Educating the Whole Child	3
KSS 1509	Meditation	1
HEPE 2628	Movement for Early Childhood	3
HEPE 2689	Scientific Basis of Fitness	3
HEPE 3766	Principles and Analysis of Motor Development (This is changing to a 4 s.h. course)	3
HEPE 3768	Advocacy and Best Practices in Health and Physical Education	2
HEPE 4899	Physiological Effects of Exercise on Children and Adolescents	3
PHLT 3731	Drug Use and Abuse	3
PHLT 3757	Health and Disease	4
PHLT 3791	Community Health	3
PSYC 2692	Human Sexuality	3
<b>Professional Education Curriculum</b>		
EDFN 1501	Introduction to Education	3
EDFN 3708	Education and Society	3
PSYC 3709	Psychology of Education	3
SPED 2630	Individuals with Exceptionalities in Society	3
TERG 2610	Reading Application in Content Areas Middle Years	3

Preclinical Curriculum (blocked courses must be taken concurrently and in the following sequence.

Preclinical (Fall Semester)

HEPE 3702	Health Education Theory and Methods <sup>1</sup>	4
HEPE 3767	Pedagogy in P-12 Health Education and Physical Education	3

Preclinical 2 (Fall Semester)

HEPE 3715	Health Education for Middle School <sup>2</sup>	3
-----------	---	---

Preclinical 3 (Fall Semester)

HEPE 4808	Standards Based Assessment in Health and Physical Education	3
HEPE 3716	Health Education for High School <sup>2</sup>	3
HEPE 4889	Selected Topics in Health and Physical Education	2

Student Teaching Curriculum

SED 4845	Supervised Student Teaching: Health (K-12) <sup>2</sup>	10
SED 4842A	Student Teaching Seminar for Secondary Education <sup>2</sup>	2

**Total Semester Hours** **120**

1 Prerequisites for preclinical curriculum

2 Upper Division Courses

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ HEPE 3702

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.

- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical

- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Italian (PK-12) - Multi-Age License

Dr. Jennifer Behney, Program Coordinator

### Multi-Age Education (PK-12) Italian OVERVIEW

The program in Italian Education prepares students to become a teacher of foreign language at the high school, middle school, and elementary school levels in the state of Ohio. Graduates are fully licensed to teach Italian in Ohio (Multi-age P-12 Licensure) and are fully prepared in their knowledge of the target language, of best practices and standards in general pedagogy, and of specific Second Language Acquisition (SLA) theories and foreign language education techniques. Students enter student teaching in the last semester of study with a level of Advanced Low in both oral and written communication in the target language, as measured by the Oral Proficiency Interview (OPI) and the Writing Proficiency Test (WPT) and as required by the American Council on the Teaching of Foreign Languages (ACTFL).

The Multi-Age Italian License, Grades P-12, Bachelor of Science in Education degree requires a minimum of 122 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

#### Professional Dispositions

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### Field Experiences and Student Teaching

Students complete over 120 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, whole class teaching).

Field Experiences:

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

#### Pre-clinical Field Experiences

The pre-clinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Italian Education pre-clinical experience is scheduled during the fall semester. Applications for the pre-clinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the pre-clinical experience. Contact the Beeghly College of Education, academic advisors for minimum pre-clinical prerequisites.

- FNLG 4801 Methods of Foreign Language Teaching
- SED 3706 Principles of Teaching Adolescents
- EDFN 3710 Educational Assessment

#### Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4827 Supervised Student Teaching: Language (K-12)
- SED 4842A Student Teaching Seminar for Secondary Education

### Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new license area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

004 Assessment of Professional Knowledge: Multi-Age (PK-12)

ACTFL Oral Proficiency Interview

Writing Proficiency Test

These exams are administered by Language Testing International/ACTFL.

### Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a pre-clinical experience.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
<b>Mathematics Requirement</b>		
One of the following courses may be taken to fulfill Math GER:		
Math 2652 is preferred math course if you are required to take Math Praxis Core		
MATH 2623	Quantitative Reasoning	
or MATH 2652	Mathematics for Early Childhood Teachers 2	
or PHIL 2619	Introduction to Logic	

or STAT 2601 Introductory Statistics

#### General Education Knowledge Domains

Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Some majors prescribe specific GE courses. If a course has been added to the domains, it is required.

Total Semester Hours: 120

<sup>1</sup> Prerequisites for preclinical curriculum

<sup>2</sup> Upper Division Courses

BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.

- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services.** If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ITAL 2605

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:

- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.

- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

2 Take ITAL 3798 during even year for 4 sh; or take Elective during odd year for 3 sh.

3 Take Elective during odd year for 3 sh; or take ITAL 3798 during even year for 4 sh.

1. Prior to student teaching, students must achieve a level of Advanced Low on the Oral Proficiency Interview and on the Writing Proficiency Test, both administered by the American Council on the Teaching of Foreign Languages.
2. Students who change from the B.S. in Italian Education to the B.A. in Italian will need to complete a minor and, in addition to coursework in the Italian major, will need 20 hours at the 3700 level or higher.

## Learning Outcomes

- Cultural Understanding – The student will develop an understanding and appreciation of the history and culture of those areas in which the target language is spoken.
- Reading Comprehension – The student will be able to read and understand a variety of materials written in the target language. These materials may include but are not limited to: novels, plays, poetry, newspaper and magazine articles, and private correspondence (e.g., business communications).
- Listening Comprehension – The student will be able to understand the target language when spoken in a variety of contexts. These contexts may include but are not limited to: conversation with another individual or individuals, formal lectures, song, and film.
- Oral Expression – The student will be able to carry on a conversation and deliver a speech in the target language. The student will achieve a level of Advanced Low on the Oral Proficiency Interview administered by the American Council on the Teaching of Foreign Languages.
- Written Expression – The student will be able to compose in the target language a variety of written documents. These documents may include but are not limited to: formal and casual correspondence, essays, and creative works. The student will achieve a level of Advanced Low on the Writing Proficiency Test administered by the American Council on the Teaching of Foreign Languages.

# Bachelor of Science in Education in Middle Childhood Education (4-9), Mathematics-Language Arts Concentration

Dr. Megan List, Program Coordinator

## OVERVIEW

In cooperation with various discipline departments in the University, the Department of Teacher Education offers a four-year middle childhood license approved by the Ohio Department of Education. The Middle Childhood License (Grades 4-9), Bachelor of Science in Education degree requires a minimum of 127 semester hours of course work (each concentration area requires a specific number of semester hours) including a semester of student teaching. Please refer to the four year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

## EMPLOYMENT OPPORTUNITIES

Graduates of the Middle Childhood Program will be qualified to teach in the grades 4-9 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Middle Childhood Generalist Endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 150 hours of preclinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3701 Phonics in Reading Instruction
- TERG 3702 Developmental Reading Instruction
- TERG 3703 Assessment and Instruction in Reading
- TERG 2610 Reading Application in Content Areas Middle Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Middle Childhood preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the

preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- TEMC 3702 Teaching & Learning in Middle Schools
- TEMC 4801 The Middle School Learning Community
- TEMC 3703 Thematic Instruction and Assessment Methods in Social Studies

And

- TEMC 3704 Teaching Mathematics in the Middle School

Or

- TEMC 3705 The Teaching of Science in the Middle School

Or

- TEMC 3706 Teaching Language Arts in the Middle School

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- TEMC 4803 Student Teaching Seminar for Middle Childhood Education
- TEMC 4802 Student Teaching: Middle Childhood

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

002 Assessment of Professional Knowledge (All MCE Candidates)

028 Middle Grades English Language Arts (for those with English Language Arts concentration)

030 Middle Grades Mathematics (for those with Mathematics concentration)

029 Middle Grades Science (for those with Science concentration)

031 Middle Grades Social Studies (for those with Social Studies concentration)

090 Foundations of Reading

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement, Middle Childhood Generalist Endorsement (enables teaching in content areas not included in current course of study).

COURSE	TITLE	S.H.
<b>General Education Requirements</b>

BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.

- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The learning outcomes for this program, align with the 5 Standards of the Association for Middle Level Education (AMLE):

- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to young adolescent development and use that knowledge in their practice. They demonstrate their ability to apply this knowledge when making curricular decisions, planning and implementing instruction, participating in middle level programs and practices, and providing healthy and effective learning environments for all young adolescents.
- Middle level teacher candidates understand and use the central concepts, standards, research, and structures of content to plan and implement curriculum that develops all young adolescents' competence in subject matter. They use their knowledge and available resources to design, implement, and evaluate challenging, developmentally responsive curriculum that results in meaningful learning outcomes. Middle level teacher candidates demonstrate their ability to assist all young adolescents in understanding the interdisciplinary nature of knowledge. They design and teach curriculum that is responsive to all young adolescents' local, national, and international histories, language/dialects, and individual identities (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand the major concepts, principles, theories, and research underlying the philosophical foundations of developmentally responsive middle level programs and schools, and they work successfully within middle level organizational components.
- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to data-informed instruction and assessment. They employ a variety of developmentally appropriate instructional strategies, information literacy skills, and technologies to meet the learning needs of all young adolescents (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand their complex roles as teachers of young adolescents. They engage in practices and behaviors that develop their competence as middle level professionals. They are informed advocates for young adolescents and middle level education, and work successfully with colleagues, families, community agencies, and community members. Middle level teacher candidates demonstrate positive dispositions and engage in ethical professional behaviors.

## **Bachelor of Science in Education in Middle Childhood Education (4-9), Mathematics-Social Studies Concentration**

Dr. Megan List, Program Coordinator

### **OVERVIEW**

In cooperation with various academic discipline departments in the University, the Department of Teacher Education offers a four-year Middle Childhood Education Program (grades 4-9), Math and Social Studies Concentration, approved by the Ohio Department of Education. The Middle Childhood, Math and Social Studies License (Grades 4-9), Bachelor of Science in Education degree requires a minimum of 137 semester hours of course work. This

teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### **EMPLOYMENT OPPORTUNITIES**

Graduates of the Middle Childhood Program will be qualified to teach in the grades 4-9 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Middle Childhood Generalist Endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### **FIELD EXPERIENCES AND STUDENT TEACHING**

Students complete over 150 hours of preclinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3701 Phonics in Reading Instruction
- TERG 3702 Developmental Reading Instruction
- TERG 3703 Assessment and Instruction in Reading
- TERG 2610 Reading Application in Content Areas Middle Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Middle Childhood preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- TEMC 3702 Teaching & Learning in Middle Schools
- TEMC 4801 The Middle School Learning Community
- TEMC 3703 Thematic Instruction and Assessment Methods in Social Studies

And

- TEMC 3704 Teaching Mathematics in the Middle School

Or

- TEMC 3705 The Teaching of Science in the Middle School

Or

- TEMC 3706 Teaching Language Arts in the Middle School

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- TEMC 4803 Student Teaching Seminar for Middle Childhood Education
- TEMC 4802 Student Teaching: Middle Childhood

## ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

## REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

002 Assessment of Professional Knowledge (All MCE Candidates)

028 Middle Grades English Language Arts (for those with English Language Arts concentration)

030 Middle Grades Mathematics (for those with Mathematics concentration)

029 Middle Grades Science (for those with Science concentration)

031 Middle Grades Social Studies (for those with Social Studies concentration)

090 Foundations of Reading

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement, Middle Childhood Generalist Endorsement (enables teaching in content areas not included in current course of study).

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_ Minimum completion of 50 SH

\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_ Overall GPA 3.4 or better, OR

\_\_\_ ACT scores of Reading-21, English-18, Math-22, AND/OR

\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, AND/OR

\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_ ENGL 1550 \_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_ ENGL 2601 grade of "B" or better. If you receive a "C" or below you will need to retake the course.

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_ EDFN 1501 \_\_\_ CMST 1545

\_\_\_ SPED 2630 \_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a "B" average, student will be required to retake one or more of these courses until the "B" average is achieved.

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major

- Professional education and block courses may only be repeated one time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - September 1—to register for Upper Division Courses for Spring
  - February 1—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - September 1—for Fall preclinical
  - February 1—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.

- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The learning outcomes for this program, align with the 5 Standards of the Association for Middle Level Education (AMLE):

- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to young adolescent development and use that knowledge in their practice. They demonstrate their ability to apply this knowledge when making curricular decisions, planning and implementing instruction, participating in middle level programs and practices, and providing healthy and effective learning environments for all young adolescents.
- Middle level teacher candidates understand and use the central concepts, standards, research, and structures of content to plan and implement curriculum that develops all young adolescents' competence in subject matter. They use their knowledge and available resources to design, implement, and evaluate challenging, developmentally responsive curriculum that results in meaningful learning outcomes. Middle level teacher candidates demonstrate their ability to assist all young adolescents in understanding the interdisciplinary nature of knowledge. They design and teach curriculum that is responsive to all young adolescents' local, national, and international histories, language/dialects, and individual identities (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand the major concepts, principles, theories, and research underlying the philosophical foundations of developmentally responsive middle level programs and schools, and they work successfully within middle level organizational components.
- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to data-informed instruction and assessment. They employ a variety of developmentally appropriate instructional strategies, information literacy skills, and technologies to meet the learning needs of all young adolescents (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand their complex roles as teachers of young adolescents. They engage in practices and behaviors that develop their competence as middle level professionals. They are informed advocates for young adolescents and middle level education, and work successfully with colleagues, families, community agencies, and community members. Middle level teacher candidates demonstrate positive dispositions and engage in ethical professional behaviors.

## Bachelor of Science in Education in Middle Childhood Education (4-9), Mathematics-Science Concentration

Dr. Megan List, Program Coordinator

### OVERVIEW

In cooperation with various academic discipline departments in the University, the Department of Teacher Education offers a four-year Middle Childhood Education Program (grades 4-9), Math and Science Concentration, approved by the Ohio Department of Education. The Middle Childhood Math and Science License (Grades 4-9), Bachelor of Science in Education degree requires a minimum of 136 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Middle Childhood Program will be qualified to teach in the grades 4-9 classroom. Additional opportunities may be available in the

private sector to tutor students. It is recommended that students in this major consider adding the Middle Childhood Generalist Endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 150 hours of preclinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society

Total Hours Required for the Degree: 136 s.h.

<sup>1</sup> Prerequisites for preclinical curriculum.

<sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the**

Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline

- **September 1**—to register for Upper Division Courses for Spring
- **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The learning outcomes for this program, align with the 5 Standards of the Association for Middle Level Education (AMLE):

- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to young adolescent development and use that knowledge in their practice. They demonstrate their ability to apply this knowledge when making curricular decisions, planning and implementing instruction, participating in middle level programs and practices, and providing healthy and effective learning environments for all young adolescents.
- Middle level teacher candidates understand and use the central concepts, standards, research, and structures of content to plan and implement curriculum that develops all young adolescents' competence in subject matter. They use their knowledge and available resources to design, implement, and evaluate challenging, developmentally responsive curriculum that results in meaningful learning outcomes. Middle level teacher candidates demonstrate their ability to assist all young adolescents in understanding the interdisciplinary nature of knowledge.

They design and teach curriculum that is responsive to all young adolescents' local, national, and international histories, language/dialects, and individual identities (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).

- Middle level teacher candidates understand the major concepts, principles, theories, and research underlying the philosophical foundations of developmentally responsive middle level programs and schools, and they work successfully within middle level organizational components.
- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to data-informed instruction and assessment. They employ a variety of developmentally appropriate instructional strategies, information literacy skills, and technologies to meet the learning needs of all young adolescents (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand their complex roles as teachers of young adolescents. They engage in practices and behaviors that develop their competence as middle level professionals. They are informed advocates for young adolescents and middle level education, and work successfully with colleagues, families, community agencies, and community members. Middle level teacher candidates demonstrate positive dispositions and engage in ethical professional behaviors.

## Bachelor of Science in Education in Middle Childhood Education (4-9), Language Arts-Social Studies Concentration

Dr. Megan List, Program Coordinator

### OVERVIEW

In cooperation with various academic discipline departments in the University, the Department of Teacher Education offers a four-year Middle Childhood Education Program (grades 4-9), Social Studies and Language Arts Concentration, approved by the Ohio Department of Education. The Middle Childhood Social Studies and Language Arts License (Grades 4-9), Bachelor of Science in Education degree requires a minimum of 134 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Middle Childhood Program will be qualified to teach in the grades 4-9 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Middle Childhood Generalist Endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 150 hours of preclinical experiences in ad Field experiences are included in the following courses and offer opportunities to

provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3701 Phonics in Reading Instruction
- TERG 3702 Developmental Reading Instruction
- TERG 3703 Assessment and Instruction in Reading
- TERG 2610 Reading Application in Content Areas Middle Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Middle Childhood preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- TEMC 3702 Teaching & Learning in Middle Schools
- TEMC 4801 The Middle School Learning Community
- TEMC 3703 Thematic Instruction and Assessment Methods in Social Studies

And

- TEMC 3704 Teaching Mathematics in the Middle School

Or

- TEMC 3705 The Teaching of Science in the Middle School

Or

- TEMC 3706 Teaching Language Arts in the Middle School

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- TEMC 4803 Student Teaching Seminar for Middle Childhood Education
- TEMC 4802 Student Teaching: Middle Childhood

### ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

### REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

002 Assessment of Professional Knowledge (All MCE Candidates)

028 Middle Grades English Language Arts (for those with English Language Arts concentration)

- 030 Middle Grades Mathematics (for those with Mathematics concentration)
- 029 Middle Grades Science (for those with Science concentration)
- 031 Middle Grades Social Studies (for those with Social Studies concentration)
- 090 Foundations of Reading

## ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement, Middle Childhood Generalist Endorsement (enables teaching in content areas not included in current course of study).

BCOE Notes:

### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.

- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- “B” average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet “B” average above must also complete:

\_\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social

Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.

- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CFAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The learning outcomes for this program, align with the 5 Standards of the Association for Middle Level Education (AMLE):

- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to young adolescent development and use that knowledge in their practice. They demonstrate their ability to apply this knowledge when making curricular decisions, planning and implementing instruction, participating in middle level programs and practices, and providing healthy and effective learning environments for all young adolescents.
- Middle level teacher candidates understand and use the central concepts, standards, research, and structures of content to plan and implement curriculum that develops all young adolescents' competence in subject matter. They use their knowledge and available resources to design, implement, and evaluate challenging, developmentally responsive curriculum that results in meaningful learning outcomes. Middle level teacher candidates demonstrate their ability to assist all young adolescents in understanding the interdisciplinary nature of knowledge. They design and teach curriculum that is responsive to all young adolescents' local, national, and international histories, language/dialects, and individual identities (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand the major concepts, principles, theories, and research underlying the philosophical foundations of developmentally responsive middle level programs and schools, and they work successfully within middle level organizational components.
- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to data-informed instruction and assessment. They employ a variety of developmentally appropriate instructional strategies, information literacy skills, and technologies to meet the learning needs of all young adolescents (e.g.,

race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).

- Middle level teacher candidates understand their complex roles as teachers of young adolescents. They engage in practices and behaviors that develop their competence as middle level professionals. They are informed advocates for young adolescents and middle level education, and work successfully with colleagues, families, community agencies, and community members. Middle level teacher candidates demonstrate positive dispositions and engage in ethical professional behaviors.

## Bachelor of Science in Education in Middle Childhood Education (4-9), Language Arts-Science Concentration

Dr. Megan List, Program Coordinator

### OVERVIEW

In cooperation with various academic discipline departments in the University, the Department of Teacher Education offers a four-year Middle Childhood Education Program (grades 4-9), Science and Language Arts Concentration, approved by the Ohio Department of Education. The Middle Childhood Science and Language Arts License (Grades 4-9), Bachelor of Science in Education degree requires a minimum of 130 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### EMPLOYMENT OPPORTUNITIES

Graduates of the Middle Childhood Program will be qualified to teach in the grades 4-9 classroom. Additional opportunities may be available in the private sector to tutor students. It is recommended that students in this major consider adding the Middle Childhood Generalist Endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### FIELD EXPERIENCES AND STUDENT TEACHING

Students complete over 150 hours of preclinical experiences in ad Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3701 Phonics in Reading Instruction
- TERG 3702 Developmental Reading Instruction
- TERG 3703 Assessment and Instruction in Reading
- TERG 2610 Reading Application in Content Areas Middle Years

Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Middle Childhood preclinical experience is scheduled during the fall semester. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- TEMC 3702 Teaching & Learning in Middle Schools
- TEMC 4801 The Middle School Learning Community
- TEMC 3703 Thematic Instruction and Assessment Methods in Social Studies

And

- TEMC 3704 Teaching Mathematics in the Middle School

Or

- TEMC 3705 The Teaching of Science in the Middle School

Or

- TEMC 3706 Teaching Language Arts in the Middle School

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- TEMC 4803 Student Teaching Seminar for Middle Childhood Education
- TEMC 4802 Student Teaching: Middle Childhood

### ADVISEMENT

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

### REQUIRED ASSESSMENTS

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

002 Assessment of Professional Knowledge (All MCE Candidates)

028 Middle Grades English Language Arts (for those with English Language Arts concentration)

030 Middle Grades Mathematics (for those with Mathematics concentration)

029 Middle Grades Science (for those with Science concentration)

031 Middle Grades Social Studies (for those with Social Studies concentration)

090 Foundations of Reading

### ENDORSEMENTS

The following endorsements are available to individuals holding this teaching license and may increase marketability: K-12 TESOL Endorsement, K-12 Reading Endorsement, Middle Childhood Generalist Endorsement (enables teaching in content areas not included in current course of study).

Total Hours Required for the Degree: 130 s.h.

- <sup>1</sup> Prerequisites for preclinical curriculum.
- <sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services.** If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- “B” average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet “B” average above must also complete:

\_\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

- <sup>1</sup> Prerequisites for preclinical curriculum.
- <sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services.** If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet “B” average above must also complete:

\_\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ENGL 2651 or MATH 1564 or HIST 2606/1511 or BIOL 1505

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.

- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical

- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

The learning outcomes for this program, align with the 5 Standards of the Association for Middle Level Education (AMLE):

- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to young adolescent development and use that knowledge in their practice. They demonstrate their ability to apply this knowledge when making curricular decisions, planning and implementing instruction, participating in middle level programs and practices, and providing healthy and effective learning environments for all young adolescents.
- Middle level teacher candidates understand and use the central concepts, standards, research, and structures of content to plan and implement curriculum that develops all young adolescents' competence in subject matter. They use their knowledge and available resources to design, implement, and evaluate challenging, developmentally responsive curriculum that results in meaningful learning outcomes. Middle level teacher candidates demonstrate their ability to assist all young adolescents in understanding the interdisciplinary nature of knowledge. They design and teach curriculum that is responsive to all young adolescents' local, national, and international histories, language/dialects, and individual identities (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand the major concepts, principles, theories, and research underlying the philosophical foundations of developmentally responsive middle level programs and schools, and they work successfully within middle level organizational components.
- Middle level teacher candidates understand, use, and reflect on the major concepts, principles, theories, and research related to data-informed instruction and assessment. They employ a variety of developmentally appropriate instructional strategies, information literacy skills, and technologies to meet the learning needs of all young adolescents (e.g., race, ethnicity, culture, age, appearance, ability, sexual orientation, socioeconomic status, family composition).
- Middle level teacher candidates understand their complex roles as teachers of young adolescents. They engage in practices and behaviors that develop their competence as middle level professionals. They are informed advocates for young adolescents and middle level education, and work successfully with colleagues, families, community agencies, and community members. Middle level teacher candidates demonstrate positive dispositions and engage in ethical professional behaviors.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness

# Bachelor of Science in Education in Physical Education (PK-12) - Multi-Age License

Dr. Mary LaVine, Program Coordinator

## Multi-Age Education (PK-12) Physical Education OVERVIEW

In cooperation with various academic disciplines in the University, the Department of Teacher Education offers a four-year Multi-Age Education, Physical Education license (grades PK-12) program approved by the Ohio Department of Education.

The Multi-Age PK-12 Physical Education, Bachelor of Science in Education degree requires a minimum of 124 semester hours of coursework including a semester of student teaching. Please refer to the four-year plan for additional information. This teaching license requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

### Employment Opportunities

Graduates of the Physical Education program will be qualified to teach in the PK-12 physical education classroom. Graduates also find rewarding careers in the private business sector with corporations that offer fitness programs for their employees and in the recreation sector. It is recommended that students in this major consider adding the Health Education license and the Adapted Physical Education endorsement to increase marketability.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### Field Experiences and Student Teaching

Students complete over 300 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 2610 Reading Application in Content Areas Middle Years

Pre-clinical Field Experiences

The pre-clinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The physical education pre-clinical experience occurs over two semesters. Applications for the pre-clinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for fall

pre-clinical and February 1 for spring pre-clinical. Contact the Beeghly College of Education, academic advisors for minimum pre-clinical prerequisites.

- Fall Semester Year 3
- HEPE 3767 Pedagogy in P-12 Health Education and Physical Education
- HEPE 4808 Standards Based Assessment in Health and Physical Education
- Spring Semester Year 3
- HEPE 4876 Teaching of Elementary Physical Education
- Fall Semester Year 4
- HEPE 4878 Teaching of Middle/Secondary Physical Education
- HEPE 4895 Introduction to Adapted Physical Education

Student Teaching

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

- SED 4842A Student Teaching Seminar for Secondary Education
- SED 4846 Supervised Student Teaching: Physical Education (K-12)

### Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a pre-clinical experience.

### Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new license area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

004 Assessment of Professional Knowledge: Multi-Age (PK-12)

034 Physical Education

### Endorsements

The Department of Teacher Education offers the Adapted Physical Education Endorsement. This endorsement may increase a teacher candidate's ability to acquire a teaching position. This endorsement may be added to an existing Physical Education PK-12 teaching license. This endorsement is not a major and does not stand alone as an area of study. See an academic advisor for additional information.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
One of the following courses may be taken to fulfill Math GER. Math 2652 is preferred math course if you are required to take Math Praxis Core.		
MATH 2623	Quantitative Reasoning	
Or:		
MATH 2652	Mathematics for Early Childhood Teachers 2	

General Education Knowledge Domains

Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model. Courses listed below for GERs are required in the program.

Arts and Humanities		6
PHIL 2625	Introduction to Professional Ethics	
Arts and Humanities Course		
Natural Sciences (2 courses, one must include a lab)		8
BIOL 1545 & 1545L	Allied Health Anatomy and Physiology and Allied Health Anatomy and Physiology Laboratory	
Natural Science Course		
Social Science		6
PSYC 1560	General Psychology	
Social Sciences Course		
Social and Personal Awareness		6
PHLT 1568	Healthy Lifestyles	
FNUT 1551	Normal Nutrition	
General Education Elective / First-Year Experience		3
TCED 1500	Introduction to Becoming a Teacher First Year Experience Course BCOE	
Subject Area Curriculum		
HEPE 1567	Performance and Analysis of Invasion Games	3
HEPE 1574	Performance and Analysis of Target and Fielding Games	3
HEPE 1575	Performance and Analysis of Net and Wall Games	3
HEPE 1579	Rhythmic Movement for Children	1
HEPE 2610	Introduction to Outdoor Pursuits	3
HEPE 2628	Movement for Early Childhood	3
HEPE 2689	Scientific Basis of Fitness	3
HEPE 3766	Principles and Analysis of Motor Development (This course is changing to 4 s.h.)	3
HEPE 3768	Advocacy and Best Practices in Health and Physical Education	2
HEPE 4895	Introduction to Adapted Physical Education <sup>2</sup>	4
PSYC 2692	Human Sexuality	3
HEPE 4899	Physiological Effects of Exercise on Children and Adolescents	3
HEPE 3740	Coaching the Young Athlete	3
HEPE 3750	Organization and Management of Sport Programs and Events	2
Professional Education Curriculum		
EDFN 1501	Introduction to Education	3
PSYC 3709	Psychology of Education	3
EDFN 3708	Education and Society	3
SPED 2630	Individuals with Exceptionalities in Society <sup>1</sup>	3
TERG 2610	Reading Application in Content Areas Middle Years	3
Preclinical Curriculum		
(Blocked courses must be taken concurrently and in the following sequence)		
Preclinical 1 (Fall Semester)		
HEPE 3767	Pedagogy in P-12 Health Education and Physical Education <sup>1</sup>	3
HEPE 4889	Selected Topics in Health and Physical Education	2
Preclinical 2 (Spring Semester)		
HEPE 4876	Teaching of Elementary Physical Education <sup>2</sup>	3
Preclinical 3 (Fall Semester)		
HEPE 4878	Teaching of Middle/Secondary Physical Education <sup>2</sup>	3

HEPE 4808	Standards Based Assessment in Health and Physical Education <sup>1</sup>	3
HEPE 3780	Methods of Teaching Dance <sup>2</sup>	2
Student Teaching Curriculum		
SED 4846	Supervised Student Teaching: Physical Education (K-12) <sup>2</sup>	10
SED 4842A	Student Teaching Seminar for Secondary Education <sup>2</sup>	2
<b>Total Semester Hours</b>		<b>123</b>

<sup>1</sup> Prerequisites for perclinical curriculum.

<sup>2</sup> Upper division course.

BCOE Notes:

**Advisement:**

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services.** If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_\_ ENGL 1550 \_\_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_\_ EDFN 1501 \_\_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ HEPE 2628

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.

- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

## Bachelor of Science in Education in Spanish (PK-12) - Multi-Age License

Dr. Jennifer Behney, Program Coordinator

### Multi-Age Education (PK-12) Spanish

#### OVERVIEW

The program in Spanish Education prepares students to become a teacher of foreign language at the high school, middle school, and elementary school levels in the state of Ohio. Graduates are fully licensed to teach Spanish in Ohio (Multi-age PK-12 Licensure) and are fully prepared in their knowledge of the target language, of best practices and standards in general pedagogy, and of specific Second Language Acquisition (SLA) theories and foreign language education techniques. Students enter student teaching in the last semester of study with a level of Advanced Low in both oral and written communication in the target language, as measured by the Oral Proficiency Interview (OPI) and the Writing Proficiency Test (WPT) and as required by the American Council on the Teaching of Foreign Languages (ACTFL).

The Multi-Age Spanish License, Grades PK-12, Bachelor of Science in Education degree requires a minimum of 123 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

### Field Experiences and Student Teaching

Students complete over 120 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, whole class teaching).

Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 3711 Reading Application in Content Areas, Secondary Years

## Pre-clinical Field Experiences

The pre-clinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Spanish Education pre-clinical experience is scheduled during the fall semester. Applications for the pre-clinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the pre-clinical experience. Contact the Beeghly College of Education academic advisors for minimum pre-clinical prerequisites.

- FNLG 4801 Methods of Foreign Language Teaching
- SED 3706 Principles of Teaching Adolescents
- EDFN 3710 Educational Assessment

## Student Teaching

- SED 4827 Supervised Student Teaching: Language (K-12)
- SED 4842A Student Teaching Seminar for Secondary Education

Students complete a 16-week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

## Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a pre-clinical experience.

## Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new license area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

004 Assessment of Professional Knowledge: Multi-Age (PK-12)

ACTFL Oral Proficiency Interview

Writing Proficiency Test

These exams are administered by Language Testing International/ACTFL.

<sup>1</sup> Prerequisites for preclinical curriculum

<sup>2</sup> Upper Division Courses

**BCOE Notes:****Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the**

Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ SPAN 2605

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall

- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

#### Program Notes:

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

#### Preclinical Application with Request for Graduation Evaluation

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

#### Student Teaching:

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a "C" (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

#### Graduation Process:

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

#### Completing a Bachelor of Science in Education without Licensure:

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Bachelor of Science in Education in Visual Arts (PK-12) - Multi-Age License

Dr. Samuel Adu-Poku, Program Coordinator

## Multi-Age Education (PK-12)

### Visual Arts

#### OVERVIEW

The B.S. in Education Visual Arts, Pre-K-12 degree program is offered in collaboration with the Department of Art, CCAC and the Department of Teacher Education, BCOE. Art Education students are first and foremost artists who want to teach. They are dedicated to becoming lifelong learners, artists, researchers, and teachers. Prospective art teachers are leaders and advocates for the arts in schools, museums, community centers and other settings while also caring about students with diverse abilities, their learning, and nurturing their love of visual art. This program nurtures professional teaching skills along with creative and intellectual growth. Students work with art education faculty with diverse set of research interests ranging from the use of digital technology in the classroom, art curriculum and instruction, to international studies and multicultural art education. Small class sizes and hands-on field teaching experiences effectively prepare students to enter the profession of teaching.

The Multi-Age Visual Arts License, Grades PK-12, Bachelor of Science in Education degree requires a minimum of 135 semester hours of course work. This teaching field also requires passage of the Ohio Assessments for Educators in order to be eligible to student teach.

#### Employment Opportunities

Graduates of the Art Education program will be qualified to teach in the PK-12 Art Education classroom. Graduates find rewarding and meaningful employment in public and private schools, community centers, museums and galleries.

#### Field Experiences and Student Teaching

Students complete over 300 hours of pre-clinical experiences in addition to student teaching. Field experiences are included in the following courses and offer opportunities to provide varying levels of classroom support (observing, one-on-one tutoring, small group teaching, co-teaching, whole class teaching).

##### Field Experiences

- EDFN 1501 Introduction to Education
- EDFN 3708 Education and Society
- SPED 2630 Individuals with Exceptionalities in Society
- TERG 2610 Reading Application in Content Areas Middle Years

##### Preclinical Field Experiences:

The preclinical experience is conducted in local schools and provides an opportunity for teacher candidates to complete an in-depth field experience prior to student teaching. This field experience requires a substantial time commitment, as teacher candidates spend the entire day in schools during designated weeks. The Art Education preclinical experience is scheduled during over two semesters. Applications for the preclinical experience must be submitted (1) one year in advance to BCOE Room 2101, by September 1 for the fall preclinical experience and February 1 for the spring preclinical experience. Contact the Beeghly College of Education, academic advisors for minimum preclinical prerequisites.

- ART 3737 Pre-K-4, Visual Arts Education
- ART 4837 Professional Practices in Middle School
- ART 4838 Professional Practices in Secondary School

##### Student Teaching

- SED 4843 Supervised Student Teaching: Art (K-12)
- SED 4842A Student Teaching Seminar for Secondary Education

Students complete a 16 week student teaching experience. Students must pass the edTPA performance-based assessment with a minimum score of 37 during this experience.

#### Advisement

Advisement is provided by the academic advisors in the Beeghly College of Education. Majors in this program must complete general education requirements, subject area curriculum requirements, reading course requirements, and professional education requirements. Prior to student teaching, all adolescent/young adult majors must complete a preclinical experience.

#### Required Assessments

The Ohio Assessments for Educators (OAE) assess the content area and professional (pedagogical) knowledge of candidates who are seeking initial Ohio educator license or adding a new licence area. The assessments are aligned with Ohio's New Learning Standards. Teacher candidates must pass these exams prior to student teaching.

#### BCOE Notes:

#### Advisement:

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

#### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.

- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**

- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.

- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- "B" average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ ART 1541 or ART 1542

If student does not have a "B" average, student will be required to **retake one or more of these courses until the "B" average is achieved.**

- A grade of "C" or better is required in all required major courses. Courses taken as "CR/NC" will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

#### Upper-Division Application Process

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the "+" symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

## Learning Outcomes

The following learning outcomes are based on The Ohio Standards for the Teaching Profession. These standards were developed for use as a guide for teachers as they continually reflect upon and improve their effectiveness as educators throughout all of the stages of their careers. These standards serve as an important tool for teachers as they consider their growth and development in the profession. These standards in developing and content of our teacher education programs. They are interrelated and connect in teachers' practice.

- Teachers understand student learning and development and respect the diversity of the students they teach.
- Teachers know and understand the content area for which they have instructional responsibility.
- Teachers understand and use varied assessments to inform instruction, evaluate and ensure student learning.
- Teachers plan and deliver effective instruction that advances the learning of each individual student.
- Teachers create learning environments that promote high levels of learning and achievement for all students.
- Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.
- Teachers collaborate and communicate with students, parents, other educators, administrators and the community to support student learning. Teachers assume responsibility for professional growth, performance and involvement as an individual and as a member of a learning community.

Professional Dispositions:

In addition to the above learning outcomes, teacher candidates are expected to display the following professional dispositions:

- Creating fairness in the classroom
- Providing an inclusive environment that is safe and conducive to learning
- Demonstrating the belief that all students can learn
- Fostering collaborative relationships to support student learning and well-being
- Exhibiting professional skills

## Endorsements

### Adapted Physical Education (Grades K-12)

The Department of Teacher Education offers the Adapted Physical Education Endorsement. This endorsement is approved by the State of Ohio and offered online in collaboration with Otterbein University. This endorsement may be added to an existing P-12 Physical Education teaching license. This endorsement allows a person with a P-12 Physical Education license to teach Adapted Physical Education in the K-12 classroom. This is not a major and does not stand alone as an area of study.

16 s.h. of required coursework in addition to HEPE 4895 Adapted Physical Education (taken as a degree requirement)

PHED 5000 Sport and Recreation for Individuals with Disabilities

University: Otterbein University

Credit Hours: 4.0

COURSE PREREQUISITE: PHED 3600 or instructor permission

CATALOG DESCRIPTION:

This course is designed to investigate recreation and sports organizations that serve individuals with disabilities as well as the practical application of principles underlying the provision of services. The course will focus on individual populations and the respective barriers to participation, the process of program planning and resources development that alter these limitations, and the practical experience of application of a particular plan. Topics to be explored include the role of the United States Olympic Committee, Committee on Sports for the Disabled, classification of athletes for competition, role of the National Governing Bodies in promoting sports, and ways people with disabilities can access sports & non-competitive opportunities. Attention will also be devoted to a study of successful community and institutional programs.

PHED 5500 Adapted Physical Education Assessment & Program Planning

University: Otterbein University

Credit Hours: 4.0

COURSE PREREQUISITE: PHED 3600 or instructor permission

CATALOG DESCRIPTION:

Focus will be on assessment and program planning for students in a Physical Education Setting. Students will be exposed to principles for adapting both curriculum and equipment in the physical education environment to meet the diverse needs of learners in inclusive and exclusive learning environments. This course will require practical experiences with students in a physical activity setting including assessment and application of the latest assessment instruments for students with and without identified disabilities.

PHED 6000 Field Experience and Seminar in Adapted Physical Education

University: Otterbein University

Credit Hours: 3.0

COURSE PREREQUISITES: PHED 5000 and PHED 5500

COURSE COREQUISITE: PHED 6500 or instructor permission

CATALOG DESCRIPTION:

This course is designed to provide students the opportunity to explore the field in depth. Focus will be on examination of issues in Adapted Physical Education as they relate to physical and motor performance behavior of children with disabilities. This course will primarily be designed around case

study discussion, research literature and analysis of program-related field observations.

PHED 6500 Field Experience and Seminar in Adapted Physical Education Lab (Otterbein) or HPES 6990 Independent Study (Youngstown State University)

**University:** The field experience is offered at both universities

**Credit Hours:** 1.0

**COURSE PREREQUISITES:** PHED 5000 and PHED 5500

**COURSE COREQUISITE:** PHED 6000 or instructor permission

**CATALOG DESCRIPTION:**

**COURSE DESCRIPTION:** The course is designed to provide the student with experience with children who have a variety of physical, cognitive, sensory, and emotional needs in the physical education environment.

## Early Childhood Generalist (Grades 4-5)

The Department of Teacher Education offers the Early Childhood Generalist (Grades 4-5) endorsement. This endorsement is approved by the State of Ohio and offered online. This endorsement may be added to an existing Early Childhood Education (P-3) license, for teaching grades 4-5 in Math, Science, Social Studies, and Language Arts. This is not a major and does not stand alone as an area of study.

Offered summer semesters, through web-based instruction. A 45-hour field experience is required. Passage of the OAE 018 (subtest 1) and 019 (subtest 2) examinations are required.

EMCE 5811 Early Childhood Generalist: Math and Science

EMCE 5812 Integrated Language Arts and Social Studies for 4th and 5th Grades

EMCE 5854 Middle School Theory and Practice

## Middle Childhood Generalist (Grades 4-5)

The Department of Teacher Education offers the Middle Childhood Generalist Endorsement. This endorsement is approved by the State of Ohio and may be added to an existing Middle Childhood License. An endorsement to teach grades 4 – 6 in one or more additional areas can be added to a present Middle Childhood License. This endorsement also requires the passage of the OAE Elementary Education subtest 1 – 018 with a passing score of 220 or higher & subtest 2 – 019 with a passing score of 220 or higher or the respective content area test.

Approved English Courses

ENGL 3704 Literature for Middle School Readers

ENGL 3739 Writing for Middle School Teachers

Score of 220 on the OAE Middle Grades Language Arts (028).

Approved Mathematics Courses

MATH 1564 Foundations of Middle School Mathematics 1

MATH 2665 Foundations of Middle School Mathematics 2

Score of 220 on the OAE Middle Grades Math test (030).

Approved Science Courses

GEOL 1504 The Dynamic Earth

PHYS 2607 Physical Science for Middle and Secondary Education

Score of 220 on the OAE Middle Grades Science test (029).

## Reading Endorsement (K-12)

The Department of Teacher Education offers the Reading Endorsement (Grades K-12). This endorsement is approved by the State of Ohio and can be added to any standard teaching license or certificate. This endorsement also requires the passage of OAE (Ohio Assessments for Educators) Reading – Sub test I (038) passing score of 220 or higher; and OAE Reading - Sub test II (039) passing score of 220 or higher. Candidates must purchase a TaskStream account.

TERG 6923 Literacy and Phonics Instruction: Early Years

TERG 6924 Content Literacy Young Adolescent to Adult

TERG 6926 Reading and Language Arts Assessment 1

TERG 6927 Practicum: Coaching for Effective Literacy Instruction

TERG 6928 Practicum: Case Study in Reading and Language Arts

## TESOL (Teaching English to Speakers of Other Languages) (Grades K-12)

The Department of Teacher Education offers the Teaching English to Speakers of Other Languages (TESOL) Endorsement in cooperation with the Department of English and can be added to any Teacher Education license. This endorsement also requires the passage of OAE (Ohio Assessments for Educators) #21 English to Speakers of Other Languages, passing score of 220 or higher. The 18 s.h. of required coursework includes:

ENGL 2651 Introduction to Language

Or:

ENGL 3755 Principles of Linguistic Study

ENGL 4850 Sociolinguistics

ENGL 4851 Language Acquisition

ENGL 4852 Linguistics and Literacy

ENGL 4856 TESOL Methods

ENGL 4857 TESOL Practicum

## Bachelor of Science in Education in Special Education: Mild/Moderate Licensure

### Introduction

Candidates of the program are prepared for careers as intervention specialists who provide enhanced social skills of those with a disability, reinforcement-based behavioral interventions, inclusion strategies, and assistive technology to individuals with exceptionalities. Each of our degree programs prepares candidates to successfully pass the Ohio licensure exam which will result in the corresponding Intervention Specialist Licensure. The YSU student chapter of Council for Exceptional Children (CEC) participates in multiple college, university, and community events to advocate for individuals with exceptional learning needs.

### Welcome

Our Special Education (Mild-Moderate Licensure) program is designed to prepare graduates with the knowledge, skills, and dispositions to best serve in schools and agencies in the area. Our Special Education program seeks

to meet the educational and service needs of Northeast Ohio and Western Pennsylvania. Our program is exemplified by the quality and diversity of classroom instruction, field experiences, program options, student, faculty, and graduates in the community. YSU has a long history of producing accomplished graduates who have served the area as Special Education teachers, Intervention Specialists, and Special Education Professionals. We have a strong connection with our alumni, program supervisors, schools and agencies, and others who support students with exceptional learning needs in the Youngstown area.

Undergraduate candidates will find a unique educational experience that prepares them for employment and/or advanced study in Special Education. For more information, review our website and contact Special Education faculty with any questions.

 Department Chairperson / Professor  
 2405 Beeghly College of Education  
 (330) 941-3251  
 mjmatanin@ysu.edu (jjprotivnak@ysu.edu)

## Program Director

For specific questions about the Intervention Specialist (Mild/Moderate) Licensure Option in Special Education program, please contact the program director.

## Intervention Specialist License (K-12)

The Intervention Specialist program requires a minimum of 121 s.h. The BS in Education degree requires the courses listed on the curriculum sheet. Licensure also requires passing the Ohio Assessments for Educators Exams prior to student teaching.

BCOE Notes:

**Advisement:**

- It is highly recommended that all teacher candidates meet with an academic advisor every semester.
- Freshmen, athletes, and students on warning and probation are required to meet with an advisor before registration.
- At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

**Important Notes:**

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.

- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_\_ Minimum completion of 50 SH

\_\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- “B” average or better (A-C, B-B) for:

\_\_\_\_ ENGL 1550 \_\_\_\_ ENGL 1551

If failure to meet “B” average above must also complete:

\_\_\_\_ ENGL 2601 grade of “B” or better. **If you receive a “C” or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ SPED 3715

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social

Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.

- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

The Learning Outcomes for this program align with the seven Standards of the Council for Exceptional Children (CEC):

- Candidates will analyze learners to determine unique needs using the principles and theories of human development.
- Candidates will prioritize areas of the general curriculum and accommodations for individuals with exceptional learning needs.
- Candidates will individualize instruction to meet the unique learning, communication, social and behavior needs of students with exceptional learning needs.
- Candidates will develop and use appropriate technology adaptations for all individuals with exceptional learning needs.
- Candidates will demonstrate reinforcement-based classroom management interventions with students with exceptional learning needs.
- Candidates will evaluate the progress of students with exceptional learning needs on their IEP goals to inform the adjustment of learning and behavior plans

# Bachelor of Science in Education in Special Education: Moderate/Intensive Licensure

## Introduction

Candidates of the program are prepared for careers as intervention specialists who provide enhanced social skills of those with a disability, reinforcement-based behavioral interventions, inclusion strategies, and assistive technology to individuals with exceptionalities. Each of our degree programs prepares candidates to successfully pass the Ohio licensure exam which will result in the corresponding Intervention Specialist Licensure. The YSU student chapter of Council for Exceptional Children (CEC) participates in multiple college, university, and community events to advocate for individuals with exceptional learning needs.

## Welcome

Our Special Education (Moderate-Intensive Licensure) program is designed to prepare graduates with the knowledge, skills, and dispositions to best serve in schools and agencies in the area. Our Special Education program seeks to meet the educational and service needs of Northeast Ohio and Western Pennsylvania. Our program is exemplified by the quality and diversity of classroom instruction, field experiences, program options, student, faculty, and graduates in the community. YSU has a long history of producing accomplished graduates who have served the area as Special Education teachers, Intervention Specialists, and Special Education Professionals. We have a strong connection with our alumni, program supervisors, schools and agencies, and others who support students with exceptional learning needs in the Youngstown area.

Undergraduate candidates will find a unique educational experience that prepares them for employment and/or advanced study in Special Education. For more information, review our website and contact Special Education faculty with any questions.

BCOE Notes:

### Advisement:

- **It is highly recommended that all teacher candidates meet with an academic advisor every semester.**
- Freshmen, athletes, and students on warning and probation are **required** to meet with an advisor before registration.
- **At the completion of 30 SH any teacher candidate who: 1) was required to and has not passed PRAXIS Core Exam(s), or 2) holds a GPA of 2.25 or below** will be referred to Central Advising for advising and career services. If at a later date the teacher candidate passes all required parts of the Praxis Core Exam and attains a GPA of 2.25 or higher that student may return to BCOE for advising.

### Important Notes:

- Neither admission to the University nor declaration of a major related to a teaching field guarantees admission to the BCOE's Teacher Education Programs or candidacy for a teaching license.
- **Formal Admission to Teacher Education (Upper-Division) is required before teacher candidates are allowed to enroll in certain junior and senior level courses in BCOE.**
- Undetermined education majors must declare a major before applying for admission to a Teacher Education Program.
- Admission to a Teacher Education Program is obtained upon satisfactory completion of the following requirements:

\_\_\_ Minimum completion of 50 SH

\_\_\_ Minimum 2.75 overall GPA

- Meet one of the following criteria:

\_\_\_ Overall GPA 3.4 or better, **OR**

\_\_\_ ACT scores of Reading-21, English-18, Math-22, **AND/OR**

\_\_\_ SAT scores of Reading-450, Writing-430, Math-520, **AND/OR**

\_\_\_ Praxis CORE scores, Reading-156, Writing-162, Math-150

(Attach a copy of your CORE scores to the application)

- "B" average or better (A-C, B-B) for:

\_\_\_ ENGL 1550 \_\_\_ ENGL 1551

If failure to meet "B" average above must also complete:

\_\_\_ ENGL 2601 grade of "B" or better. **If you receive a "C" or below you will need to retake the course.**

- “B” average or better (B-B-B, A-B-C) across the following:

\_\_\_\_ EDFN 1501 \_\_\_\_ CMST 1545

\_\_\_\_ SPED 2630 \_\_\_\_ SPED 3715

If student does not have a “B” average, student will be required to **retake one or more of these courses until the “B” average is achieved.**

- A grade of “C” or better is required in all required major courses. Courses taken as “CR/NC” will not count towards the major
- Professional education and block courses may only be repeated **one** time.
- Minimum requirements for teaching licenses are determined by the Ohio Department of Education; if those requirements change, they become effective immediately at Youngstown State University. (YSU Undergraduate Catalog).

**Upper-Division Application Process**

- Upper division application and forms must be printed from the BCOE website.
- After completing a minimum of 50 SH, submit the following:
  - Upper Division application
  - Good Moral Character Statement
  - copy of BCI & FBI clearances
  - schedule an upper division interview with the BCOE Office of Student Services, room 2101, no later than:
- Upper Division Application Deadline
  - **September 1**—to register for Upper Division Courses for Spring
  - **February 1**—to register for Upper Division courses for Summer & Fall
- Each completed application is reviewed and approved by the Upper Division Admission and Retention Committee. If all requirements are met, the teacher candidate may register for Upper Division courses for the following semester. Upper Division courses are the courses designated with the “+” symbol. Applications submitted after the deadline will not be processed until the end of the respective semester.

**Program Notes:**

- If Math concentration is chosen, Math GER is not required. If Science concentration is chosen, Natural Science GER is fulfilled through subject area curriculum. If Language Arts concentration is chosen, Arts & Humanities GER is fulfilled through subject area curriculum. If Social Studies concentration is chosen, Social Sciences GER is fulfilled through subject area curriculum.
- Candidates will not be permitted to take the following professional education courses more than twice: EDFN 1501, EDFN 3708, PSYC 3709, SPED 2630, TERG 2601, 3701, 3702, 3703, 2610, 3711, TEMC 4802, SED 4800, ECIS 2629, ECIS 3700, all preclinical experience courses, student teaching, and student teaching seminar.
- If the program is concerned regarding teacher candidate performance in the preclinical experience, as determined by CPAST criteria, the program coordinator may require the teacher candidate to complete an additional preclinical experience prior to the student teaching experience.

**Preclinical Application with Request for Graduation Evaluation**

- Preclinical application is completed on TaskStream. Directions are available on the BCOE website.
- Preclinical application and graduation evaluation request must be submitted one year prior to the intended preclinical semester no later than:
  - **September 1**—for Fall preclinical
  - **February 1**—for Spring preclinical
- Preclinical candidates are screened for eligibility based on GPA and course completion.

**Student Teaching:**

- Prerequisites:
  - BCOE Upper Division and Senior status,
  - Overall 2.75 GPA
  - Minimum of 2.67 GPA in subject area curriculum and professional education courses with no grade less than a “C” (each computed individually),
  - Passage of OAE test(s) and ACTFL tests for foreign language.
- Instructions for completing the Student Teaching Application and Forms are available on BCOE website. The application and forms must be completed and printed from the BCOE website and submitted to the BCOE Office of Student Services no later than:
  - September 1—to Student Teach the following Spring Semester
  - February 1—to Student Teach the following Fall Semester

**Graduation Process:**

- Apply for graduation during the first three weeks of the semester you plan to graduate. Graduation evaluation must be completed in advance of application for graduation.

**Completing a Bachelor of Science in Education without Licensure:**

- Teacher candidates who choose to graduate without licensure must apply for approval in the BCOE Office of Student Services.
- Once approved, teacher candidates graduating without licensure must take TCED 4830 (3 SH) capstone in place of student teaching.

The Learning Outcomes for this program align with the seven Standards of the Council for Exceptional Children (CEC):

- Candidates will analyze learners to determine unique needs using the principles and theories of human development.
- Candidates will prioritize areas of the general curriculum and accommodations for individuals with exceptional learning needs.
- Candidates will individualize instruction to meet the unique learning, communication, social and behavior needs of students with exceptional learning needs.
- Candidates will develop and use appropriate technology adaptations for all individuals with exceptional learning needs.
- Candidates will demonstrate reinforcement-based classroom management interventions with students with exceptional learning needs.
- Candidates will evaluate the progress of students with exceptional learning needs on their IEP goals to inform the adjustment of learning and behavior plans

## The College of Creative Arts and Communication

*Phyllis M. Paul, Dean*

*Greg Moring, Associate Dean*

The College of Creative Arts and Communication consists of the following departments:

- Department of Art (<http://artdept.yсу.edu>)
- Department of Communication (<http://cms.yсу.edu/college-creative-arts-and-communication/communication/department-communication>)
- Dana School of Music (<http://www.yсу.edu/academics/college-creative-arts-and-communication/dana-school-of-music>)
- Department of Theater and Dance (<http://www.yсу.edu/academics/college-creative-arts-and-communication/theater-majors>)

The Department of Art is accredited by the National Association of Schools of Art and Design and the Dana School of Music is a member of the National Association of Schools of Music. The National Association of Schools of Theatre accredits the Department of Theater and Dance.

The degrees granted are the Bachelor of Arts (BA), Bachelor of Fine Arts (BFA), and Bachelor of Music (BM).

Majors are offered in:

- studio art
- art education (in conjunction with the Beeghly College of Education)
- applied music (performance)
- music education
- music history and literature
- music theory or composition
- communication studies
- telecommunication studies
- journalism
- theater
- musical theater
- dance management

The activities of the college are conducted primarily in Bliss Hall, which houses the administrative offices of the college as well as classrooms, studios, laboratories, and performance areas serving most of the curricular and co-curricular programs in art, communication, theater, and music. Additional activities are held in the John J. McDonough Museum of Art, The Butler Institute of American Art, Stambaugh Auditorium, Powers Auditorium, the Beecher Center, Meshel Hall, Maag Library, and Kilcawley Center.

The college holds as its major objective the highest quality of instruction, including pre-professional training in areas such as studio art, applied music, communication studies, telecommunication studies, theater and dance; the training of teachers<sup>1</sup>; and the offering of a wide variety of courses to non-majors from all areas of the University.

The major programs in the college constitute an excellent basis for a liberal education. Students not pursuing degrees in the College of Creative Arts and Communication are welcomed and encouraged to participate in special opportunities in art, music, communication, or theater and dance as a means of broadening and complementing their university experience.

Another important objective of the college is to provide the University community maximum opportunity for experiencing the creative arts.

<sup>1</sup> For the Institutional Report on the Quality of Teacher Preparation, Title II, Higher Education Act, please see Title II, Teacher Education of this *Undergraduate Catalog*.

## Degree Requirements

### High School Preparation

Please refer to the "High School Preparation" section in the *Undergraduate Catalog* under Admissions.

Music majors will need to have sufficient musical performance ability to undertake college-level music courses. Voice majors will benefit from taking French, German, and/or Italian in high school.

## Requirements for the BFA, BM, and BA Degrees

Basic Skill Courses (See "General Education Requirements" under "Academic Policies and Procedures" in the undergraduate Catalog)	BFA	BM	BA
ENGL 1550 & ENGL 1551 (Writing 1 & 2)	6	6	6
MATH 2623	3	3	3
CMST 1545	3	3	3
Domain Courses (See "General Education Requirements" under "Academic Policies and Procedures" in the undergraduate Catalog)	BFA	BM	BA
Arts & Humanities	6	6	6
Social Sciences	6	6	6
Natural Sciences (includes one lab science)	7	7	7
Social & Personal Awareness	6	6	6
First Year Experience	3	3	3
Foreign Language	0	0-12 <sup>1</sup>	0-8 <sup>2</sup>

<sup>1</sup> This requirement is for voice majors only. Each student must take the equivalent of an introductory course (1550) in French, German, and Italian. Consult the Department of Foreign Languages and Literatures for information about the Foreign Language Placement Test.

<sup>2</sup> Students must complete the equivalent of intermediate study (2600) in one language. Consult the Department of Foreign Languages and Literatures for information about the Foreign Language Placement Test.

## Professional Courses

These courses are listed under the appropriate department or school curricula.

Creative Arts and Communication students pursuing the BS in Education degree should consult the Beeghly College of Education section of this catalog.

## Additional Degree Requirements

- Upper-division status (including completion of any specified preparatory units lacking at entrance)
- Major and minor requirements
- Course-level requirements
- Point index requirement
- Residency requirement
- Completion of semester hours required for the degree
- Application for graduation

## Courses of Instruction

Course descriptions can be found in a separate section in the *Undergraduate Catalog*.

For more information, visit The College of Creative Arts and Communication (<http://www.yсу.edu/academics/college-creative-arts-and-communication>).

## Department of Art

(330) 941-3627

Email: Connect Form (<http://artdept.yсу.edu/connect>)

Website: Department of Art (<http://artdept.yсу.edu>)

Twitter: YSU Art Department (<http://artdept.yсу.edu/Twitter>)

The Department of Art offers courses that satisfy major requirements in art for the degrees of:

- Bachelor of Fine Arts
- Bachelor of Science in Education

These degrees may be earned in eight semesters if students average 16 hours per semester, with the exception of art education, which requires nine semesters.

The requirements for curricula and for graduation are in accordance with the published regulations of the National Association of Schools of Art and Design (NASAD).

For the Bachelor of Fine Arts degree, the programs in studio art are designed to familiarize the student with the basic concepts in art and the language of visual form. Concentration is on the development and involvement of the student with the processes and practices of art. A minimum of 126 semester hours is required for the BFA degree. Most BFA students require four and a half years to complete the degree. Passing ART 1503 Foundation Portfolio Review is required at the completion of the foundation sequence to continue in the program. In addition, BFA students are required to exhibit in a senior show at the John J. McDonough Museum of Art.

Students majoring in art who wish to qualify for licensure in Pre-K-12 art are required to complete a minimum of 68 semester hours in studio art and art education, at least 15 of them in art history. These students, after completing two years of study with a grade point average of 3.0, may apply for admission to the Beeghly College of Education. (Other requirements for admission are listed under the College of Education section.) No minor is required.

A minimum GPA of 2.5 is required to transfer into a Department of Art degree program. Studio art credit for transfer students is awarded based on a combination of portfolio work and prior college credit. Transfer credit is not awarded solely on a listing of courses on a transcript except for state mandated transfer courses. Transfer students should make an appointment

to show their portfolios. For more information regarding transferring into the Department of Art, visit Transfers (<http://artdept.yzu.edu/prospective-students/transfers>).

Not all emphases or programs are available in the evening. Students seeking a degree in art through an evening program should consult with the department chair to determine if it is possible.

## Facilities

The Department of Art includes 70,000 square feet of specialized labs for two-dimensional design, three-dimensional design, drawing, painting, printmaking, photography, ceramics, sculpture, art education, graphic and interactive design, digital media, art history lectures, and exhibitions. The Department of Art is housed in Bliss Hall, Youngstown Design Works is in the Phelps Building across campus, the McDonough Museum of Art is directly adjacent to Bliss Hall on the YSU campus, and The Beecher Center, a joint-use space for the University and the Butler Institute of American Art, is located across the street from Bliss Hall.

For further information about the department, including meeting with a faculty member who will discuss degree requirements with you, contact the department office at (330) 941-3627. The department office is located in Bliss Hall, Room 4001.

## Mission Statement

The mission at the Department of Art at Youngstown State University is to provide a teaching and learning environment for the development of skills, concepts and sensitivities essential to professional artists, designers, art educators, and art historians. This mission and the cultural enrichments that it entails are directed at the entire student body and at the community as a whole. This mission is accomplished within the context of a local multicultural society, thereby demanding special concern for the dissemination and sensitivity to a wide cultural heritage.

The department also recognizes the rapid changes occurring in technology and is dedicated to developing leadership in the application of technology to the arts. It is the commitment of the department to address both traditional issues and innovations in its educational environment.

The commitment to excellence in teaching, scholarship and service takes place within a wide array of disciplines at the undergraduate level. Majors are offered in studio art, and art education. Studio art includes concentrations in digital media, graphic design, painting, photography, printmaking, and 3-dimensional studies (sculpture/ceramic) as well as an interdisciplinary studio arts course of study. Degrees offered are the BFA (studio art), BA (art history), and the BSE (art education) in conjunction with the College of Education.

The department is committed to enhancing the intellectual and cultural climate of the University and community by presenting public activities and producing graduates with firm cultural and intellectual grounding, developed creativity, and problem-solving abilities.

There is a strong recognition in the department of the role of responsible, productive, and creative individuals in society and the place of the arts in determining the quality of life in a multicultural society.

## Teaching and Learning

The Department of Art will continue to offer a curriculum that balances creativity with traditional skills and emerging technologies while also focusing on contemporary issues and historical perspectives presented with varied methodologies.

## Accreditation

In support of the broader goals of the College of Creative Arts and Communication, the Department of Art is committed to the general standards for all undergraduate degree programs in art and design as expressed by

our accrediting agency, the National Association of Schools of Art and Design (NASAD). The Department of Art was reviewed in 2016, and the next campus visit is scheduled for 2026. For more information regarding NASAD accreditation, visit NASAD (<https://nasad.arts-accredit.org>).

## Art Career Possibilities

Advertising Consultant or Designer • Animator • Architectural Blacksmith • Architectural Illustrator • Art Advisor • Art Appraiser • Art Buyer • Art Consultant • Art Critic • Art Director • Art Educator • Art Fabricator • Art Historian • Art Journalist • Studio Artist • Art Librarian • Art Publicist • Art Therapist • Author • Backdrop Designer • Billboard Artist • CAD Designer • Caricaturist • Cartographer • Cartoonist • Ceramic Artist • Ceramic Designer • Commercial Artist • Commercial Photographer • Community Activist • Community Artist • Community Arts Instructor • Concept Illustrator • Conservator • Digital Fabrication • Digital/new media artist • Creative Director • Display Designer Commercial • Display Designer Retail • Documentarian • Draftsman • Editor • Fashion Illustrator • Fiber Artist • Fine Art Photographer • Gallery Director • Graphic Designer • Illustrator • Information Architect • Interactive Media Designer • Installation Artist • Jewelry Designer • Master Printer • Medical Illustrator • Metalsmith • Metals Artist • Muralist • Museum Curator • Museum Educator • Museum Registrar • Museum Staff • Painter • Performance Artist • Photographer • Photo Journalist • Police Sketch Artist • Exhibit Preparator • Printmaker • Prop Fabricator • Public Artist • Renderer • Sculptor • Set Decorator • Set Designer • Storyboard Artist • Technical Illustrator • Textile Designer • Video Artist • Videographer • Web Designer • Wood Artist • Wood Worker

## History

The Department of Art at Youngstown State University began in 1935 as an initiative of Howard Jones, the first president of the University. He supported the concept that aesthetics and art play a major role in the development of the individual in society. Howard Jones appointed Margaret Evans, former director and curator of the Butler Institute of American Art, to teach and direct the development of art courses in the curriculum. Evans began to establish a curriculum leading to a career in art education in elementary and secondary schools. During this period of development, art classes were held at the Butler Institute of American Art, the Mill Creek Park art museum and various locations on the campus, ranging from private mansions along Wick Avenue to the World War II army barracks built on the campus.

Since 1935, the department has grown to over 30 faculty members who teach 250 art majors studying drawing, painting, printmaking, photography, ceramics, sculpture, digital media, graphic design, interdisciplinary studio, art history, and art education. The department's facilities are located in Bliss Hall on the YSU campus and encompass over 70,000 square feet of specialized art studios and exhibition spaces. The exceptional arts programming by the YSU Department of Art is acknowledged by full accreditation by the National Association of Schools of Art and Design, an organization whose membership includes 309 schools out of approximately 2,500 art departments nationwide.

### Chair

**Joy Christiansen Erb**, M.F.A., Associate Professor, Acting Chair

### Professor

**Samuel Adu-Poku**, Ph.D., Professor

**Claudia A. Berlinski**, M.F.A., Assistant Professor

**Stephen Chalmers**, M.F.A., Associate Professor

**Dragana Crnjak**, M.F.A., Associate Professor

**Joseph D'Uva**, M.F.A., Associate Professor

**Johnathan Farris**, Ph.D., Assistant Professor

**Richard Helfrich**, M.F.A., Assistant Professor

**Lillian L. Lewis**, Ph.D., Assistant Professor

**Missy McCormick**, M.F.A., Associate Professor

**Christine E. McCullough**, M.F.A., Professor

**Greg Moring**, M.F.A., Professor

**Michelle Nelson**, M.F.A., Professor

**Stephanie Smith**, Ph.D., Professor

**Jonathan Dana Sperry**, M.F.A., Associate Professor

**Robert J. Thompson**, M.F.A., Assistant Professor

**Robert Twomey**, M.F.A., Assistant Professor

## Majors

- Bachelor of Science in Education Visual Arts Pre-K to 12 (p. 211)
- Bachelor of Fine Arts
  - Studio Art Digital Media Emphasis (p. 202)
  - Studio Art Interdisciplinary Studio Arts Emphasis (p. 206)
  - Studio Art Graphic + Interactive Design Emphasis (p. 205)
  - Studio Art Painting / Printmaking Emphasis (p. 207)
  - Studio Art Photography Emphasis (p. 210)
  - Studio Art 3-Dimensional Studies Emphasis (p. 203)

## Minors

- Art History Minor for Studio Art Majors (p. 202)
- Art History Minor For Non-Art Majors (p. 201)
- 3 Dimensional Studies Minor For Non- Art Majors (p. 201)
- 3 Dimensional Studies Minor For Art Majors (p. 201)
- Digital Media Minor For Non-Art Majors (p. 213)
- Digital Media Minor For Studio Art Majors (p. 213)
- Graphic Design Minor For Non-Art Majors (p. 213)
- Graphic Design Minor For Studio Art Majors (p. 213)
- Interactive Design Minor For Studio Art Majors (p. 214)
- Interactive Design Minor For Non-Art Majors (p. 213)
- Interdisciplinary Art Minor For Studio Art Majors (p. 214)
- Interdisciplinary Art Minor for Non-Art Majors (p. 214)
- Painting Minor For Studio Art Majors (p. 214)
- Painting Minor For Non-Art Majors (p. 214)
- Photography Minor For Non-Art Majors (p. 214)
- Printmaking Minor For Studio Art Majors (p. 215)
- Printmaking Minor For Non-Art Majors (p. 215)

### ART 1501 Fundamentals of 2D Design 3 s.h.

The fundamental ideas and principles of 2-dimensional form. Emphasis on basic design concepts, pictorial composition, color theory, vocabulary, media and processes. Slide lectures, directed readings and studio problems.

### ART 1502 Fundamentals of 3D Design 3 s.h.

Investigation of the interactions between line, plane, mass, and space. Emphasis on basic 3D concepts, color theory, vocabulary, media and techniques. Slide lectures, directed readings, writings and studio problems.

**Prereq.:** ART 1501.

### ART 1503 Foundation Portfolio Review 1 s.h.

A mandatory review of work completed in the Freshman Foundation Studio courses for students seeking the BFA in Studio Art degree. Students must pass the review to continue in the program and prior to selecting a concentration.

**Prereq.:** Art 1501, ART 1521 and enrollment in ART 1522 and ART 1502.

### ART 1505 Creative Art Appreciation 3 s.h.

This course will introduce to the non-art major creative techniques including drawing, painting, monoprinting, xerography, paper casting, and the artist books. Students will acquire the vocabulary necessary to talk, write and communicate intelligently about their own creative art as well as the creative art of others and gain technical visual skills as well as aesthetic training and appreciation of art through exposure to the diversity of the world's creative development of the pictorial narrative record and books.

### ART 1521 Foundation Drawing 3 s.h.

An introduction to basic drawing concepts, materials and methods. Emphasis on observational drawing. Concepts including the effective use of line, mass, volume, composition, space, and the formal principles of design.

### ART 1522 Intermediate Drawing 3 s.h.

A continuation of ART 1521 with greater emphasis on process, technique, spatial organization, and the development of pictorial content. Various topics are explored including figure drawing and the use of color.

**Prereq.:** ART 1501 and ART 1521.

### ART 1530 Sustainable Design in Practice 3 s.h.

Design in Practice Introduction to the visual and organizational components of two and three dimensional design, development of ideas and creative critical thinking as applied to tangible form. The course leads to an understanding of design as a verb and encourages inventiveness and collaboration to generate ideas.

**Gen Ed:** Environmental Sustainability, Social and Personal Awareness.

### ART 1530H Honors Sustainable Design in Practice 3 s.h.

Introduction to the visual and organizational components of two and three dimensional design, development of ideas and creative critical thinking as applied to tangible form. The course leads to an understanding of design as a verb and encourages inventiveness and collaboration to generate ideas.

**Gen Ed:** Environmental Sustainability, Social and Personal Awareness.

### ART 1540 Masterpieces of World Art 3 s.h.

An introduction to the ways that art communicates and how art interacts with our environment, our society, and our lives. Rather than a chronological study of the development of art, the course emphasizes the in-depth study of a number of works and issues, drawn from art from throughout the world, both past and present. Intended for non-art majors.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

### ART 1541 Survey of Art History 1 3 s.h.

A study of world art, focusing on the western European tradition. Covers the period from prehistoric times through 1500. Introduces key concepts, methods, and vocabulary for the study of art.

**Gen Ed:** Arts and Humanities.

### ART 1541H Honors Survey of Art History 1 3 s.h.

A study of world art, focusing on the western European tradition. Covers the period from prehistoric times through 1500. Introduces key concepts, methods, and vocabulary for the study of art.

**Gen Ed:** Arts and Humanities.

### ART 1542 Survey of Art History 2 3 s.h.

A study of world art, focusing on the western European tradition. Covers the period from 1500 to the present. Introduces key concepts, methods, and vocabulary for the study of art.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**ART 1542H Honors Survey of Art History 2 3 s.h.**

A study of world art, focusing on the western European tradition. Covers the period from 1500 to the present. Introduces key concepts, methods, and vocabulary for the study of art.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**ART 2611 Introduction to Sculpture 3 s.h.**

An introductory course for those who have little or no experience with sculpture. Students explore basic sculptural concepts and theories using a variety of materials and methods. Directed readings, writings, technical workshops, and participation in course work exhibitions required.

**Prereq.:** ART 1503 and ART 1522.

**ART 2615 Introduction to Metals 3 s.h.**

Basic metals fabrication in the creation of jewelry and small metal objects. Design as applied to hand processes.

**Prereq.:** ART 1502, ART 1522.

**ART 2621 Life Drawing 3 s.h.**

Students develop sound composition based upon accuracy of observation of the human figure. Understanding of proportion and the detailed study of skeletal and muscular systems will be addressed.

**Prereq.:** ART 1502, ART 1522.

**ART 2625 Introduction to Printmaking: Intaglio and Relief 3 s.h.**

An introduction to basic intaglio and relief printmaking processes, including etching, collagraph, lino-cut, woodcut, and multiple-block printing. Emphasis on technical, formal, and conceptual issues related to each technique.

**Prereq.:** ART 1503.

**ART 2626 Introduction to Printmaking: Lithography and Screenprinting 3 s.h.**

An introduction to basic lithography and screenprinting processes, including stone and plate lithography and photo-mechanical screen-printing. Emphasis on technical, formal, and conceptual issues related to each technique.

**Prereq.:** ART 1503.

**ART 2631 Introduction to Ceramics 3 s.h.**

Introduction to handbuilding methods, low-fire glaze application, pit firing, and firing procedures.

**Prereq.:** ART 1503 and passing the foundation portfolio review, or permission of instructor.

**ART 2640 Ceramics for Non Majors - Handbuilding 3 s.h.**

Introduction to the basic building methods, a variety of surfacing techniques, glaze and electric firing. Class projects will allow students to practice techniques while developing their personal aesthetic within the realm of ceramic art.

**ART 2641 Ceramics for Non-Majors- Wheel and Alternative Processes 3 s.h.**

Introduction to the basic wheel throwing technology, mold making, and slip casting process. A variety of surfacing techniques, glaze and kiln firing will be covered. Class projects will allow students to practice techniques while developing their personal aesthetic within the realm of ceramic art.

**ART 2648 Experience Art: Social and Behavioral Perspectives 3 s.h.**

An introductory course incorporating art education research methods to investigate social and behavioral influences on visual art learning. Classic and contemporary studies of artistic development and aesthetic response will be introduced. Learning encounters with art from early childhood through late adulthood will be addressed. Intended for education majors.

**ART 2650 Introduction to Painting 3 s.h.**

Exploration of new and traditional painting techniques and media. The student is encouraged to see significantly rather than imitatively in the process of developing form and content.

**Prereq.:** ART 1502, ART 1522, and passing the foundation portfolio review.

**ART 2653 Watercolor 3 s.h.**

Opaque, transparent, and inventive procedures with watercolor. Emphasis is on expressive use of the medium and development of personal style.

**Prereq.:** ART 1503.

**ART 2661 Introduction to Graphic Design 3 s.h.**

The basic concepts of graphic design theory including layout and organization of space, the elements of visual communication and the process of presentation from thumbnails through comprehensives.

**Prereq.:** ART 1503 and passing the foundation portfolio review.

**ART 2662 Introduction to Typography 3 s.h.**

Introduction to the basic technical understanding of type, including classification, anatomy, legibility, readability, and specification as well as an understanding of typography as an art form with an emphasis on typographic space in the page layout.

**Prereq.:** ART 2661.

**ART 2669 Introduction to Interactive Design 3 s.h.**

An Investigation of the aesthetic and practical processes, philosophies, and history behind the field of interactive design for on screen applications. Students employ various hardware/software tools available to designers for visual interactive design.

**Prereq.:** ART 2661.

**ART 2670 Photography for Non-majors 3 s.h.**

An introduction to fine art photography emphasizing visual literacy and technical skills for non-art majors. Course content focuses on digital camera operation, composition and design, lighting, ethics, basic computer editing, and outsourced printing. Student must provide camera.

**ART 2674 Introduction to Photography 3 s.h.**

Introduction to black and white digital photographic image capture emphasizing visual literacy, creative possibilities and critical awareness of the medium as an art form. Course content focuses on DSLR camera operation, composition and basic computer editing. A digital SLR camera is required.

**Prereq.:** ART 1503 or permission of instructor.

**ART 2691 Introduction to Digital Media 3 s.h.**

This course is designed to give students a technical and theoretical overview of digital media as a means of personal and cultural expression, strengthening visual literacy. Students will explore static and dynamic digital methods.

**Prereq.:** ART 1503 and passing the foundation portfolio review.

**ART 3703 Junior Portfolio Review 1 s.h.**

A mandatory review of work within each studio concentration. Students must pass to continue in the program.

**Prereq.:** Junior standing.

**ART 3712 Intermediate Sculpture 3 s.h.**

Examination of sculptural concepts through individual projects. Emphasis is on contemporary sculptural issues, techniques, and media. Directed readings, technical workshops and critiques required.

**Prereq.:** ART 2611.

**ART 3713 Advanced Sculpture Studio 3 s.h.**

This course continues the examination of contemporary sculptural issues, techniques and media. Students explore alternative sculptural approaches. Individual student projects determined by faculty consultation and critiques. Directed readings, writings, group discussions.

**Prereq.:** ART 3712 or permission of instructor.

**ART 3715 Intermediate Metals 3 s.h.**

This course examines the casting process used in creating jewelry and small metal objects. Emphasis will be on sound craftsmanship and successfully meeting the design challenges of the metals medium. Slide lecture, demonstrations, assigned readings and studio problems.

**Prereq.:** ART 2615.

**ART 3721 Expressive Drawing 3 s.h.**

Course work intended to provide a wider and more unusual format in the drawing process within the context of drawing philosophy and concepts. Use of color dynamics and different experimental materials, as well as increased scale and gestural action.

**Prereq.:** ART 1522.

**ART 3725 Intermediate Printmaking: Intaglio and Relief 3 s.h.**

Further exploration of intaglio and relief printmaking processes, including digital and photo-mechanical processes, and color inking techniques. Emphasis on refining technique, experimentation, and further development of concept through the study of historical and contemporary printmaking artists.  
**Prereq.:** ART 2625.

**ART 3726 Intermediate Printmaking: Lithography and Screenprinting 3 s.h.**

Further exploration of lithography and screenprinting processes, including digital and photo-mechanical processes, multiple-plate color printing, and alternative screenprinting methods. Emphasis on refining technique, experimentation, and further development of concept through the study of historical and contemporary printmaking artists.  
**Prereq.:** ART 2626.

**ART 3727 Topics in Advanced Printmaking 3 s.h.**

Variable topics including silkscreen, intaglio, monoprining, woodblock, bookmaking, and lithography. Students will develop their individual aesthetic through one of the processes. May be repeated up to four times with different topics.  
**Prereq.:** permission of instructor.

**ART 3732 Intermediate Ceramics 3 s.h.**

Continuation of handbuilding methods; introduction to wheel-thrown ceramics.  
**Prereq.:** ART 2631.

**ART 3733 Advanced Ceramics 3 s.h.**

Emphasis on clay as a means of personal expression through handbuilt and wheel-thrown ceramics.  
**Prereq.:** ART 3732.

**ART 3737 Pre-K-4, Visual Arts Education 3 s.h.**

Cognitive and interdisciplinary arts activities for multiple age levels to meet the developmental needs of learners at diverse ages. Curriculum development, long- and short-range planning, motivational procedures, assessment processes, field-based activities.  
**Prereq.:** Junior standing (63 s.h.).

**ART 3741 Topics in Medieval Art 3 s.h.**

Topics in European Art from the beginnings of Christianity through the Gothic period (500 and 1500 A.D.). Specific content varies by semester and may include a general survey of Medieval art, or in-depth topics such as Early Christian and Byzantine art or Medieval sculpture. May be taken twice for credit if content differs.  
**Prereq.:** ART 1541 or consent of instructor.

**ART 3741B Topics in Medieval Art: Early Medieval 3 s.h.**

Topics in European Art from the beginnings of Christianity through the Gothic period (500 and 1500 A.D.). Specific content varies by semester and may include a general survey of Medieval art, or in-depth topics such as Early Christian and Byzantine art or Medieval sculpture. May be taken twice for credit if content differs.  
**Prereq.:** ART 1541 or consent of instructor.

**ART 3742 Topics in Renaissance Art 3 s.h.**

The art and architecture of Europe during the 15th and 16th centuries. Examines the work of Michelangelo, Leonardo da Vinci, Durer, and others. Topics vary by semester and include the Renaissance in Italy and the Renaissance in Northern Europe. May be repeated if the content is different.  
**Prereq.:** ART 1542 or consent of instructor.

**ART 3743 Baroque and Rococo Art 3 s.h.**

Art and architecture of the 17th and early 18th centuries, an era of world exploration and scientific investigation. The works of such artists as Bernini, Velazquez, and Rembrandt are included.  
**Prereq.:** ART 1542 or consent of instructor.

**ART 3744 Seventeenth and Eighteenth Century American Art 3 s.h.**

Covering all aspects and media of painting, sculpture, architecture, and the decorative arts of 17th and 18th centuries.  
**Prereq.:** ART 1542 or consent of instructor.

**ART 3745 Nineteenth Century European Art 3 s.h.**

European painting and sculpture of Neo-classicism, Romanticism, and Realism. Include Impressionism and related movements. Art as part of social and political developments, and the foundations of modern formalism.  
**Prereq.:** ART 1542 or consent of instructor.

**ART 3746 Nineteenth Century American Art 3 s.h.**

Covering all aspects and media of painting, sculpture, architecture and the decorative arts of the 19th century.  
**Prereq.:** ART 1542 or consent of instructor.

**ART 3747 African-American Art 3 s.h.**

A survey of Black American art history from the 17th century through the 20th century.  
**Prereq.:** AFST 2601 or ART 1541 or ART 1542, or consent of instructor.

**ART 3748 Special Topics in Studio Art 3 s.h.**

Study in one of the many areas of the visual process that focuses on specific content or technical methods.  
**Prereq.:** ART 1503 or consent of instructor.

**ART 3751 Mixed Media Painting 3 s.h.**

Coursework is extended to expand the format for the painting process. Students will be introduced to variety of materials, mixed media painting processes as well as a range of technical and conceptual strategies that will provide avenues for diverse investigation of painting practice and a foundation for personal expression.  
**Prereq.:** ART 2650.

**ART 3752 Intermediate Painting 3 s.h.**

An understanding of painting processes in relation to both historical and contemporary painting practices. Concentration on individual content, direction, style, and technique.  
**Prereq.:** ART 2650.

**ART 3761 Intermediate Graphic Design 3 s.h.**

The interaction of type and images in visual communication. Students will be introduced to typographic grid as an organizing principle as well as the relationship of form to content.  
**Prereq.:** ART 2662.

**ART 3762 Advanced Typography 3 s.h.**

The development of sensitivity for specific typefaces and their effective use in communications. Emphasis will be directed toward the expressive use of type in interpretive, symbolic, and metaphoric solutions.  
**Prereq.:** ART 3703 and ART 3761.

**ART 3763 Illustration 3 s.h.**

Visual expression through various media, both electronic and traditional. Emphasis is on problem-solving through the exploration of technique, creative process and the development of personal styles.  
**Prereq.:** ART 1503.

**ART 3764 Typeface Design 3 s.h.**

An investigation of typeface design. Students will engage in developing one or more unique typefaces, and the promotional materials used to market them. Students will engage in research related to the history of type design, and current type trends and cultural inspirations.  
**Prereq.:** ART 2661.

**ART 3765 Motion for Interactive Design 3 s.h.**

An Investigation of motion for interface/web design. Students will engage current technologies to create dynamic motion for screen-based design.  
**Prereq.:** ART 3703 and ART 3761.

**ART 3768 Pre-Press Production 3 s.h.**

Introduction to the technical requirements of preparing a design for production including the importance of understanding pre-press software, printing technology and printing specifications.  
**Prereq.:** ART 2661.

**ART 3769 Intermediate Interactive Design 3 s.h.**

A further investigation of interactivity/screen design. Students will encounter projects ranging from web design to interactive screen-based publications.  
**Prereq.:** ART 2669 and ART 2662 or permission of instructor.

**ART 3771 Analog Photography 1 3 s.h.**

Introduction to photographic analog printing emphasizing photography as an expressive art form. Course content focuses on lighting, film development and black and white enlargement and printing. 3 s.h.

**Prereq.:** Art 2674 or ART 2671.

**ART 3772 Digital Photography 1 3 s.h.**

Introduction to color digital still photography utilizing the computer as a fine art tool. Course content focuses on retouching, image manipulation, color management and high quality printing.

**Prereq.:** ART 2671 or ART 2674.

**ART 3775 Photography: Issues and Practice 3 s.h.**

An examination of the critical theories of contemporary photographic practice. Trends within photography and related art forms are examined, from aesthetic, cultural, social and political points of view. Lectures are supplemented by directed readings, essays, and hands-on studio projects.

**Prereq.:** ART 3703.

**ART 3777 Alternative Intermediate Photography 3 s.h.**

Selected technical and conceptual topics developing alternative image making strategies that may include mural printing, mixed media, transfer imagery, digital negatives, non-silver processes, image toning and liquid emulsions. Readings and discussions.

**Prereq.:** ART 2674.

**ART 3780 African Art 3 s.h.**

Study of African tribal art forms and their relationship to the historical period in which they were created. The impact and influence of African art on the development of contemporary Western art trends.

**Prereq.:** AFST 2601 or ART 1541 or ART 1542, or consent of instructor.

**ART 3781 Native North American Art 3 s.h.**

The art and architecture of the native peoples of North America. Includes archeological sites and living artistic traditions, stressing the relationship between art and society.

**Prereq.:** ART 1542, a course in cultural anthropology, or consent of instructor.

**ART 3782 Topics in Pre-Columbian Art 3 s.h.**

The art and architecture of the ancient peoples of Mexico, Central and south America. Topics vary by semester, and include Mesoamerica (Mexico and northern Central America) and the Andes (Peru and Bolivia). May be taken twice if the content is different.

**Prereq.:** ART 1541, a course in cultural anthropology, or consent of instructor.

**ART 3783 History and Theory of Graphic Design 3 s.h.**

A chronological survey of graphic design from ancient to modern times. An emphasis on critical visual theory, specific designers who influenced the field as well as the relationship between visual communication and historical/cultural events.

**Prereq.:** ART 1542.

**ART 3786 History of Art and Technology 3 s.h.**

The historical overview of the role of technology in the art-making process as well as the identification of current and future uses of technology in the art world.

**Prereq.:** ART 1542.

**ART 3787 History and Appreciation of Art and Music 3 s.h.**

Illustrated lectures on art and music to develop the cultural growth of the non-art and non-music student. Art and music forms, comparisons of compositional styles, and discussion of the developments, influences, and experiments of the important periods to date. No prior training in art or music required. (Not intended for art majors). Listed also as MUHL 3787.

**Prereq.:** Junior standing.

**ART 3788 Theory of Art 3 s.h.**

The theories and philosophical implications of form in the visual arts, with emphasis on contemporary thought.

**Prereq.:** ART 1541, ART 1542, and junior standing.

**ART 3792 Video Art 3 s.h.**

This course introduces video as an expressive form of communication ranging from narrative to non-narrative structures. Students will gain technical knowledge by working individually and in small teams on pre-production, production and post production.

**Prereq.:** ART 2691 or permission of instructor.

**ART 3794 Introduction to Motion Studies 3 s.h.**

An introductory study of time-based motion graphics including traditional and two-dimension (2D) computer animation. Principles and techniques of motion graphics from storyboarding to digital composition. Discussion of exemplary works, historical background, and technological trends in motion graphics.

**Prereq.:** ART 2691.

**ART 3795 Advanced Digital Audio/Video Production 3 s.h.**

A project-oriented advanced study in digital audio/video production. A forum for further study of methods, procedures, and results attainable with video editing software, advanced editing techniques, digital compositing, and tilting software.

**Prereq.:** ART 3792 or permission of instructor.

**ART 3796 Ideation 3 s.h.**

This course focuses on learning about and practicing creative strategies that improve communication of content and ideas. While emphasis will be on strategies related to digital culture, outcomes can be in digital or non-digital mediums. This course is studio based with additional emphasis on reading, writing and discussion of related topics.

**Prereq.:** ART 2691.

**ART 3797 Web as Art 3 s.h.**

An introduction to web authoring within art context emphasizing the development of a creative and critical artistic practice while covering practical technical skills in web authoring.

**Prereq.:** ART 2691.

**ART 4800 Studio Problems 1-3 s.h.**

Advanced, independent study in any two- or three-dimensional studio discipline. May be repeated for a maximum of 9 s.h.

**Prereq.:** Senior standing and/or permission of instructor.

**ART 4800A Studio Problems Ceramics 1-3 s.h.**

Advanced, independent study in any two- or three-dimensional studio discipline. May be repeated for a maximum of 9 s.h.

**Prereq.:** Senior standing and/or permission of instructor.

**ART 4800B Studio Problems Digit Imaging 1-3 s.h.**

Advanced, independent study in any two- or three-dimensional studio discipline. May be repeated for a maximum of 9 s.h.

**Prereq.:** Senior standing and/or permission of instructor.

**ART 4800E Studio Problems Photography 1-3 s.h.**

Advanced, independent study in any two- or three-dimensional studio discipline. May be repeated for a maximum of 9 s.h.

**Prereq.:** Senior standing and/or permission of instructor.

**ART 4800F Studio Problems Printmaking 1-3 s.h.**

Advanced, independent study in any two- or three-dimensional studio discipline. May be repeated for a maximum of 9 s.h.

**Prereq.:** Senior standing and/or permission of instructor.

**ART 4801 Interdisciplinary Studies in the Visual Arts 1-4 s.h.**

Interdisciplinary courses developing areas of self-interest using the most suitable range of visual strategies, media and methods of artistic production. Students select faculty from different visual disciplines to form team of two mentors. Directed readings, structured research initiatives and individual projects. Experience in selected disciplines required.

**Prereq.:** ART 3703.

**ART 4802 Senior Project 3 s.h.**

A studio concentration intended as preparation and production of work for the Senior Show graduation requirement.

**Prereq.:** Senior status and permission of instructor.

**ART 4803 Senior Seminar 3 s.h.**

Capstone course for studio majors integrating writing, oral, and critical reasoning skills specific to the student's discipline within the larger framework of the visual arts.

**Prereq.:** Senior standing in Art.

**Gen Ed:** Capstone.

**ART 4805 Urban Internship in Art 3 s.h.**

This internship opportunity is open to any qualified studio art, art history or art education students. Interns work in galleries, art centers or an approved community art entity. Competitive and based on GPA, interview and portfolio. May be repeated in different locations up to three times.

**Prereq.:** Senior standing.

**ART 4814 Senior Project: Spatial Arts 3 s.h.**

Students prepare for their senior exhibition. Development, selection and installation of work determined through critiques by faculty. Career options for the professional artist explored. Portfolio and resume preparation, artist statements, gallery representation graduate study and other professional issues are considered.

**Prereq.:** ART 4834.

**ART 4824 Advanced Printmaking 3 s.h.**

Advanced study to include individual technical and conceptual research, refinement of technique utilizing a variety of printmaking processes, development of personal imagery through a portfolio of work. Emphasis on invention and concept development. Repeatable to 9 credit hours.

**Prereq.:** ART 3725 or ART 3726.

**ART 4829 Senior Project: Printmaking 3 s.h.**

The preparation, selection and development of a body of work in the printmaking discipline. Career options for the professional artist explored. Portfolio and resume preparation, artist's statement, gallery representation, graduate study and other professional issues are considered.

**Prereq.:** ART 4834.

**ART 4834 Advanced 3D Studies 3 s.h.**

Advanced students work on individual projects determined through discussions with and critiques by faculty. Emphasis is on personal aesthetic development, mainstream art issues, interdisciplinary approaches, and refinement of technical skills. Directed readings, writings, group discussions.

**Prereq.:** ART 3713 and ART 3733, or permission of instructor.

**ART 4837 Professional Practices in Middle School 3 s.h.**

An exploration of middle school multiarts teaching strategies including observation, presentation, assessment and lesson planning. Direct observation included.

**Prereq.:** ART 3737.

**ART 4838 Professional Practices in Secondary School 3 s.h.**

An exploration of secondary school multiarts teaching strategies including observation, presentation, assessment and lesson planning. Direct observation included.

**Prereq.:** ART 3737.

**ART 4839 Seminar in Art Education 1 s.h.**

Discussions of problems of the prospective teacher which involve plant facilities, tools, and supplies. Planning individual exhibits on site and on campus. Assembly of comprehensive portfolio and portfolio review. Required of all art education students and must be taken concurrently with student teaching.

**Prereq.:** ART 4838.

**ART 4851 Advanced Painting 1 3 s.h.**

Concentration on individualized content, direction, style, and technique.

**Prereq.:** ART 3751.

**ART 4852 Advanced Painting 2 3 s.h.**

An extension of individualized content, direction, style, and technique.

**Prereq.:** ART 4851.

**ART 4853 Advanced Painting 3 3 s.h.**

A further extension of individualized content, direction, style, and technique.

**Prereq.:** ART 4852.

**ART 4854 Senior Project: Painting 3 s.h.**

Advanced self-directed study in painting leading to the creation of a specific body of work supported by written documentation. Work from this project must relate to the Senior Show.

**Prereq.:** ART 4853.

**ART 4861 Publication Design 3 s.h.**

The use of type and visual elements in publication formats including newspaper design, newsletters, magazines, annual reports, book design and specialty publications.

**Prereq.:** ART 3703 and ART 3761.

**ART 4863 Corporate Identity Systems 3 s.h.**

The development of logos and their applications within an identity system. How corporate signatures are the fulcrum of an identity program and how its systemic usage impacts on the corporate image.

**Prereq.:** ART 3703 and ART 3761.

**ART 4864 Package Design 3 s.h.**

The application of graphic design concepts to three-dimensional problems in the creation of packaging design. Students will consider form, visual impact, and environmental concerns related to the creation of packaging.

**Prereq.:** ART 3703 and ART 3761.

**ART 4865 Advertising Graphics 3 s.h.**

The use of graphic elements in conjunction with type to produce advertisements for many different venues.

**Prereq.:** ART 3761 or permission of instructor.

**ART 4867 Graphic Design Internship 3 s.h.**

An application of graphic design theory and practices within a professional work experience. Students are selected on the basis of preparation, portfolio, GPA, and competitive interview. Enrollment is contingent upon the availability of internship positions.

**Prereq.:** ART 3703 and ART 3761.

**ART 4868 Graphic Design Practicum 3 s.h.**

Students will work with faculty members, and a real world client to produce promotional materials from concept to print. This course will offer a full service design firm-to-client experience that will allow the student to engage in all levels of the creative/production process.

**Prereq.:** Permission of instructor.

**ART 4869 Advanced Interactive Design 3 s.h.**

Continued investigation of interactivity/screen design. Students will engage in developing a more specific and individualized body of work in the area of web design or interactive screen-based publications.

**Prereq.:** ART 3703 and ART 3761.

**ART 4871 Analog Photography 2 3 s.h.**

An exploration of concepts and techniques in traditional analog fine art photography. Course content includes medium and large format films, advanced black and white printing and lighting techniques.

**Prereq.:** ART 2676 or ART 3771, or ART 2672 and ART 2673.

**ART 4872 Digital Photography 2 3 s.h.**

An exploration of concepts and techniques in digital fine art photography. Course content focuses on advanced image manipulation, lighting skills, large-scale printing and conceptual development.

**Prereq.:** ART 2675 or 3772, or ART 2672 and ART 2673.

**ART 4873 Advanced Photography 3 s.h.**

Advanced study of fine art photography exploring conceptual development and creative expression through individual projects. Course content focuses on project development, refinement of technical skills, reading and writing assignments. May be repeated a total of three times.

**Prereq.:** Passing of ART 3703 or permission of instructor.

**ART 4874 Photography Internship 3 s.h.**

Application of photographic knowledge and skills in the professional work environment. Admission based on preparation, portfolio, GPA, competitive interview, and the availability of internship locations.

**Prereq.:** ART 3776.

**ART 4880 Special Topics in Art History 3 s.h.**

Study in one of the many areas of art history. May be taken for up to three times for credit if the topic is not repeated.

**Prereq.:** ART 1541, ART 1542, or consent of instructor.

**ART 4883 Introduction to Museum Practices 3 s.h.**

An introduction to the field of museology. Lecture topics include museum history, architecture, the building and care of art collections, exhibitions, security and current trends. The facilities, collection and staff of The Butler Institute of American Art are a resource for the class as are other area museums.

**Prereq.:** 9 s.h. of art history and junior standing.

**ART 4884 Museum Internship 3 s.h.**

Practical experience in the museum working with the professional staff of The Butler Institute of American Art and/or other museums of the region. Students observe and assist in virtually every phase of museum operations from care of the collections through exhibition design and implementation. May be repeated up to three times.

**Prereq.:** ART 4883.

**ART 4885 Museum Registration Methods/Collections Management 3 s.h.**

This course will provide a practical basis for understanding registration procedure as it applies to all phases of a museum's collection-management policy. Course topics include documentation, collections management, processes, administration, risk management, ethical and legal issues.

**Prereq.:** ART 4883.

**ART 4889 Seminar in Art History 3 s.h.**

A seminar on problems in art history. Topics will be drawn from all periods and media. May be repeated with different topics up to 9 s.h.

**Prereq.:** Senior standing, 6 s.h. of art history, or consent of instructor.

**Gen Ed:** Capstone.

**ART 4891 Multimedia Design 3 s.h.**

Exploration of non-linear digital presentation involving compilation of still and moving images, live video, text, and sound. An overview of multimedia in the fields of web design, interactive programming and onscreen visual communication.

**Prereq.:** ART 2691.

**ART 4893 Advanced Digital Media Studio 3 s.h.**

Advanced students work on individual projects in guidance with faculty through directed readings, writings, group discussions and critiques. While refinement of technical skills is essential, emphasis is placed on experimentation, critical thinking and manipulation of the aesthetic experience. (May be repeated up to 12 s.h.).

**Prereq.:** ART 3792, or ART 3796, or ART 3797 or permission of instructor.

**ART 4894 Topics in Digital Imaging 3 s.h.**

This advanced level course provides an opportunity for the student to focus on one of the following areas of digital imaging: 2D imaging, 3D modeling, animation, video, or multimedia design. The student completes an independent project, meeting with the instructor on a weekly basis.

**Prereq.:** ART 2691.

**ART 4896 Art and Technology Internship 3 s.h.**

An application of theories and practices in the field of art and technology within a professional work environment. Admission is based on preparation, portfolio, GPA, competitive interview, and the availability of internship location.

**Prereq.:** ART 2691.

**ART 5840 Topics in Ancient Art 3 s.h.**

The art and architecture of the ancient cultures of the Mediterranean region and the Near East. Topics vary by semester, and include Egypt, the Ancient Near East, Greece, and Rome. May be taken twice if content is different.

**Prereq.:** Junior standing.

**ART 5850 Topics in Painting and Drawing 3 s.h.**

Selected topics in advanced painting and drawing. Specific content varies by semester and includes Landscape and Interiors; Portraiture; and Personal Narrative. May be repeated with a different topic for a total of three times.

**Prereq.:** ART 2650 or portfolio presentation and permission of instructor.

**ART 5860 Topics in Design 3 s.h.**

Selected topics in graphic design including typography, layout and computer applications. May be repeated for a total of three times with different topics.

**Prereq.:** Permission of instructor and portfolio.

**ART 5881 Twentieth Century Art to 1960 3 s.h.**

A survey of the visual arts history of the 20th century beginning with its 19th century roots. The influential artists, movements, and motivating theories will be covered against a backdrop of world events. Primary emphasis is placed upon French Impressionism, German Expressionism, Fauvism, Surrealism, and American Abstract Expressionism.

**Prereq.:** ART 1542 or permission of instructor.

**ART 5882 Twentieth Century Art from 1960 3 s.h.**

A survey of the visual arts history of the late 20th century beginning with those ideas and trends which followed Abstract Expressionism. Beginning with the late 1950s every principle artistic movement from Pop through post-Modernism will be explored against a backdrop of Post-War world events.

**Prereq.:** ART 1542 or permission of instructor.

## Minor in 3-Dimensional Studies for Art Majors

COURSE	TITLE	S.H.
Select six from the following:		
ART 3712	Intermediate Sculpture	18
ART 3713	Advanced Sculpture Studio	
ART 3732	Intermediate Ceramics	
ART 2615	Introduction to Metals	
ART 3715	Intermediate Metals	
ART 4834	Advanced 3D Studies	
ART 4800	Studio Problems	

**Total Semester Hours** 18

## Minor in 3-Dimensional Studies for Non-Art Majors

COURSE	TITLE	S.H.
ART 1501	Fundamentals of 2D Design	3
ART 1502	Fundamentals of 3D Design	3
ART 2611	Introduction to Sculpture	3
ART 2631	Introduction to Ceramics	3
Select three of the following:		
ART 3712	Intermediate Sculpture	9
ART 3713	Advanced Sculpture Studio	
ART 3732	Intermediate Ceramics	
ART 3733	Advanced Ceramics	
ART 4834	Advanced 3D Studies	

**Total Semester Hours** 21

## Minor in Art History for Non-Art Majors

COURSE	TITLE	S.H.
ART 1541	Survey of Art History 1	3
ART 1542	Survey of Art History 2	3
Select four of the following:		
ART 3741	Topics in Medieval Art	12
ART 3742	Topics in Renaissance Art	
ART 3743	Baroque and Rococo Art	

ART 3744	Seventeenth and Eighteenth Century American Art
ART 3745	Nineteenth Century European Art
ART 3746	Nineteenth Century American Art
ART 3781	Native North American Art
ART 3782	Topics in Pre-Columbian Art
ART 4880	Special Topics in Art History
ART 4889	Seminar in Art History
ART 5881	Twentieth Century Art to 1960
ART 5882	Twentieth Century Art from 1960
<b>Total Semester Hours</b>	
<b>18</b>	

## Minor in Art History for Studio Art Majors

COURSE	TITLE	S.H.
Select six of the following:		
ART 3741	Topics in Medieval Art	18
ART 3742	Topics in Renaissance Art	
ART 3743	Baroque and Rococo Art

## Learning Outcomes

The student learning outcomes for studio art are as follows:

- Students will demonstrate thorough knowledge of arts vocabulary.
- Students will demonstrate skills in communicating verbally and visually in their knowledge about the arts.
- Students will achieve the highest possible level of technical skills in the appropriate medium.
- Students will achieve the highest possible level of content expression in the appropriate medium.
- Students will demonstrate working knowledge of trends in general art history and theory with an emphasis in 20th century art.

## Bachelor of Fine Arts in Studio Art Painting / Printmaking Track

The areas of studio art emphasis for the BFA degree are:

- Interdisciplinary Studio Arts
- Graphic and Interactive Design
- Painting/Printmaking
- Photography
- Three-Dimensional Studies (Ceramics and Sculpture)

The general requirements for this degree are listed in the College of Creative Arts and Communication section.

Please note that lab fees are charged for all studio classes. Lab fees help pay for some supplies, lab assistants, software, and small equipment.

- ART 2625 and ART 2626 may vary semesters and ART 3725 and ART 3726 may vary semesters.
- ART 2625 is the prerequisite for ART 3725. ART 2626 is the prerequisite for ART 3726.
- May be repeated for up to 9 credit hours (varied topics)

## Learning Outcomes

The student learning outcomes for studio art are as follows:

- Students will demonstrate thorough knowledge of arts vocabulary.
- Students will demonstrate skills in communicating verbally and visually in their knowledge about the arts.
- Students will achieve the highest possible level of technical skills in the appropriate medium.
- Students will achieve the highest possible level of content expression in the appropriate medium.
- Students will demonstrate working knowledge of trends in general art history and theory with an emphasis in 20th century art.

# Bachelor of Fine Arts in Studio Art Photography Track

The areas of studio art emphasis for the BFA degree are:

- Interdisciplinary Studio Arts
- Graphic and Interactive Design
- Painting/Printmaking
- Photography
- Three-Dimensional Studies (Ceramics and Sculpture)

The general requirements for this degree are listed in the College of Creative Arts and Communication section.

Please note that lab fees are charged for all studio classes. Lab fees help pay for some supplies, lab assistants, software, and small equipment.

Student Teaching		

## Learning Outcomes

The student learning outcomes for visual arts Pre-K to 12 are as follows:

- Students will demonstrate thorough knowledge of arts vocabulary.
- Students will demonstrate skills in communicating verbally and visually in their knowledge about the arts.
- Students will achieve the highest possible level of technical skills in the appropriate medium.
- Students will achieve the highest possible level of content expression in the appropriate medium.
- Students will demonstrate working knowledge of trends in general art history and theory with an emphasis in 20th century art.
- Students will demonstrate pedagogical skills and insights as they pertain to specific classroom needs.
- Students will demonstrate awareness and growth in confidence in teaching contemporary strategies while teaching the visual arts.
- Students will demonstrate skill in discriminating between creative (divergent) experiences and those that do not promote the artistic growth of the child (convergent).

## Minor in Digital Media for Non-Art Majors

## Department of Communication

(330) 941-3631

Twitter - YSU Communication (<https://twitter.com/youngstownstate>)  
 Facebook - Youngstown State University Department of Communication (<https://www.facebook.com/youngstownstate>)  
 Web - Department of Communication (<http://cms.yzu.edu/college-creative-arts-and-communication/communication/department-communication>)

### Mission Statement

The faculty of the Department of Communication share Youngstown State University's mission to maintain high standards in teaching, research, and service. To this end, faculty members are productive scholars in the discipline, staying abreast of technological and theoretical developments. These advancements are brought into the classroom to foster students' ability to communicate competently using traditional and mediated channels. Students are introduced to the most recent and relevant communication theory, research, and technological skills through practical activities in mediated, interpersonal, public, and professional contexts that serve students' long-term goals, promote the university, and serve the larger Youngstown community.

### Department Overview

The Department of Communication houses three Bachelor of Arts (B.A.) degree programs and one Master of Arts (M.A.) degree program. The B.A. programs include Communication Studies (p. 216), Journalism (p. 216), and Telecommunication Studies (p. 217). The M.A. in **Professional Communication** is a multidisciplinary graduate program with courses in communication, marketing, and professional and technical writing.

In addition to completing general education and major courses within specific programs, students are required to complete a minor. B.A. degrees can be earned in four years (eight semesters) if a student averages 15 to 16 hours per semester, and in three years (six semesters) if a student averages 18 to 21 hours per semester. The M.A. degree can be earned in three or four semesters.

Department of Communication students find many outlets to build on the skills they learn in and out of the classroom. For example, Lambda Pi Eta, a communication honorary organization, recognizes our outstanding students and provides opportunities for greater involvement and leadership. Opportunities for active involvement in media production and programming exist with YSU Athletics (<http://www.ysusports.com>) (NCAA D1 sports productions), Penguin Rundown (<https://www.facebook.com/Penguinrundown>) (weekly sports web show), *The Jambar* (YSU's student newspaper), Light the Wick (<https://www.youtube.com/channel/UCPSmcPPEDs-YwLMVZDb1AcA>) (arts-based web show), and Rookery Radio (<http://www.rookeryradio.com>) (YSU's first-ever, internet-only, student-run radio station).

Our full- and part-time faculty are more than teachers and professors. They are mentors and motivators. Many come with experience from various communication- and media-related industries (e.g., *Cleveland Plain Dealer*, ESPN (<http://espn.go.com>), WHOT 101 FM (<http://www.hot101.com>), WFMJ (<http://www.wfmj.com>), WKBN (<http://www.wkbn.com>), WYTV (<http://www.wyvtv.com>), NewsRadio 570AM (<http://570wkbn.heart.com>), *The Vindicator*, etc.). They are active scholars engaged in their disciplines. Most of our faculty have interest in the study of mass media and new media, but

other research interests include argumentation and rhetoric, group and organizational communication, interpersonal and intercultural communication.

The department's home office is located in Bliss Hall within the College of Creative Arts & Communication. Here, you will find a medium-sized department (a little more than 350 students) with a warm and cheerful environment that puts students first. Our facilities include smart classrooms, audio and video labs, journalism labs, and an full-HD television studio.

For more information about the department, including meeting with a faculty member who will help you prepare for the future, contact the department office at (330) 941-3631, or email our department administrative assistant, Ms. Debbie Yiannaki, at [dayiannaki@ysu.edu](mailto:dayiannaki@ysu.edu). The department office is located in Bliss Hall, Room 2000.

## Programs

### Communication Studies, B.A.

Courses in this B.A. degree program provide students with the necessary communication skills for an evolving global marketplace and future career demands. The Communication Studies program deals, in part, with people in conversations in settings that are usually face-to-face, but that are increasingly becoming mediated (such as computer-mediated). Public speaking, media and public relations, persuasion, conflict management, social media, and gender communication are some of the areas students examine in this major. Courses touch on a wide variety of areas including social and political movements, the process of legislation, or new media communication.

### Program Tracks

Communication Studies courses address the universal emphasis placed on effective, competent communication skills by employers and recruiters. The core curriculum of 18 credit hours includes courses covering these communication skills. The curriculum is then divided into four unique tracks to better prepare students for a particular career. Each of the tracks is described below. The overriding goal of each track is to challenge each student to explore and apply the many forms of communication:

- Human resources or management careers in profit or nonprofit organizations, or those looking for a general, all-encompassing communication degree, should consider the **interpersonal/organizational track**.
- A career path in media management, media criticism, or public relations and advertising should choose the **media track**.
- Careers in pharmaceutical sales, industrial sales, retail and corporate sales, politics, or law (including law school) should choose the **persuasion track**.
- Our newest curricular offering focuses on social media management, marketing, literacy, communication, and campaigning. Students interested in these new media options should choose the **social media track**.

Students completing their degree in communication studies are uniquely qualified to enter the job market and compete effectively throughout their careers for advancement and promotion.

Through course offerings and applied learning experiences, the communication studies program combines a rich liberal arts emphasis with a much needed specialized professional and career focus for undergraduate students.

### Admission Policy for Communication Studies

To major in communication studies, entering freshmen may simply declare a communication studies major. Transfer students must have a GPA of 2.00 and be in "good academic standing." Students are expected to meet with a communication studies faculty advisor prior to registration and are encouraged to meet with an advisor when they have questions or concerns, and to monitor progress.

### Journalism, B.A.

Information is power. Society must have professionals who can supply people with the information they need to make decisions about their lives and their futures. At Youngstown State University, we believe in the importance of journalism to society and to democracy. We believe that journalists have the power to shape the world.

Guided by this philosophy, YSU's journalism major gives you a balance of practical and theoretical experience. We teach you to ask tough questions, to uncover and interpret information, to write leads, to conduct interviews, and to work with technologies to deliver the news in multiple platforms from print to broadcast to podcast. We also encourage you to think critically about the stories you report and the impact they will have on communities and society in general.

The journalism program trains students for entry-level positions in reporting, editing, and newspaper design. The curriculum is a blend of courses that support this goal, such as news reporting, editorial and opinion writing, feature writing, editing and design for newspapers, a journalism practicum (journalism workshop) in which students write for the student newspaper, and a battery of courses designed to enhance editing, writing and publishing skills. Journalism majors are encouraged to declare minors that support their specific career objectives, such as public relations, photography, political science, telecommunications, or art/design.

### Why Journalism?

There has never been a better time to study journalism.

With the explosion of available information, people now need and want credible information. They need what journalists do and there are more venues now than at any other point in history for how to disseminate that information.

Be prepared. This is not the journalism of yesterday. While still loyal to the basic principles of giving people accurate and reliable information that they need to make decisions about their lives, journalism has changed in how news is delivered.

Ink and newsprint are virtually obsolete. Instead, you will be telling stories with video cameras and still cameras and you will be getting story tips from readers and linking to other people's reporting. The world of modern journalism is all about innovation and entrepreneurial spirit.

### Why Journalism at YSU

At Youngstown State University, we understand the importance of journalism in society.

With a hands-on teaching philosophy and a strong belief in practical experience, YSU journalism instructors train students for careers in journalism. We also train students to be entrepreneurial in their thinking about how to apply their journalistic skills. From the basics of news judgment to more sophisticated ethical decisions, YSU journalism majors graduate with the skills to land jobs, build careers and most importantly, report important stories in all media platforms.

We keep close watch on trends in the industry and are always eager for ways to integrate new ideas and technologies into what we teach. We are also deeply committed to innovation and experimentation. We work hard to help our students gain professional experience and routinely help them get their work broadcast or published by local, state and national media.

Reporters and editors from numerous legacy and new media organizations, from *The Vindicator* and *The New York Times* to ProPublica and WFMJ Television, offer us regular feedback about our program and what we need to be offering students.

### Admission Policy for journalism

To major in journalism, entering freshmen may simply declare a journalism major. Transfer students must have a GPA of 2.00 and be in "good academic standing." Students are expected to meet with a journalism faculty advisor

prior to registration and are encouraged to meet with an advisor when they have questions or concerns, and to monitor progress.

### Telecommunication Studies, B.A.

Telecommunication Studies (TCOM) at YSU is a dynamic, cutting edge baccalaureate program comprising about 125 majors and 12 full- and part-time faculty. We focus on the messages that bombard us every day – through advertising, television and film, news, the Internet, magazines, friends, family and more. We study how to make those messages, how to package and distribute them, and how to profit from them.

Our program addresses human communication that passes through some medium such as television, radio or the Internet. For example, in this area, students may study how the Internet impacts traditional forms of broadcast media (i.e., radio, television). Students learn about early stages of the field, as well as contemporary combinations of telecasting through the Internet. Courses in the TCOM curriculum provide students with an in-depth knowledge and intellectual challenge in electronic communication. Students receive practical orientation to the skills and techniques of broadcasting. Students explore contemporary theories and problems which are central to media, as well as examine new communication media.

From a liberal arts perspective, the TCOM curriculum is designed to aid the student in pursuit of careers not only in broadcasting but also in recently expanding avenues of communication such as non-commercial broadcasting, corporate communication, industrial communication, cablecasting, and independent production. Internships are available in media organizations to students of superior academic achievement.

### Program Tracks

Your degree program will comprise several clusters of requirements:

**General Education**, which helps you learn the core knowledge for a college education and to master the skills you'll need to be effective in learning at advanced levels.

**Major and Minor**, where you develop mastery of your main interest areas. Also, you study at levels far above that in any other course area.

You'll find two types of courses in your major. Some are regular classroom courses where you develop your intellectual knowledge and skill. Others are **applied or studio courses** that help you master your media performance, production or business skills.

**Tracks** are clusters of required and elective courses within your major to develop a specific focus of study or a particular set of media skills. There are two tracks in the B.A. degree program in telecommunication studies:

- Media Arts Track
- Sports Broadcasting Track

**Electives**, which are courses you elect to take because of their particular importance to your intellectual growth.

### Admission Policy for teleCommunication Studies

Students who declare an intent to major in telecommunication studies, whether on the media arts track or sports broadcasting track, will be assigned to the "Pre-Telecommunication" (Pre-TCOM) category. Upon completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581 (with grades of A or B in all three), students will be reassigned to the "Telecommunication Studies" (TCOM) category and track of choice (media arts OR sports broadcasting).

Students may transfer to the Pre-TCOM, but not TCOM, category from another program at YSU or from another institution. Students who have completed associate- or bachelor-level degrees also may enter the Pre-TCOM, but not TCOM, category. Upon completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581

(with grades of "A" or "B" in all three), students will be reassigned to the TCOM category.

Students who have interrupted their attendance at YSU for three consecutive semesters or more will be assigned to the Pre-TCOM category upon return (even if the student was a TCOM major). After completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581 (with grades of "A" or "B" in all three), students will be reassigned to the TCOM category.

#### Chair

**Amy Graban Crawford**, Ph.D., Associate Professor, Acting Chair

**Adam C. Earnhardt**, Ph.D., Professor, Chair

#### Professor

**Shelley Blundell**, Ph.D., Assistant Professor

**Rebecca M. L. Curnalia**, Ph.D., Associate Professor

**Mary Beth Earnhardt**, Ph.D., Associate Professor

**Max V. Grubb**, Ph.D., Assistant Professor

**Walter T. Mathews**, Ph.D., Associate Professor

**Daniel J. O'Neill**, Ph.D., Professor

**Alfred W. Owens**, Ph.D., Professor

**Jeffrey L. Tyus**, Ph.D., Associate Professor

**Cary Wecht**, Ph.D., Professor

#### Instructor

**David Davis**, M.S., Instructor

**Patricia Foltz**, M.A., Instructor

**Guy Harrison**, M.S., Instructor

**Jaietta Jackson**, M.A., Instructor

**Dorian Mermer**, M.A., Instructor

## Majors

- **Bachelor of Arts in Communication Studies**
  - Social Media Track (p. 227)
  - Interpersonal/Organizational Track (p. 222)
  - Media Track (p. 224)
  - Persuasion Track (p. 225)
- Bachelor of Arts in Journalism (p. 229)
- Bachelor of Arts in Journalism Broadcast and Digital Media Track (p. 231)
- **Bachelor of Arts in Telecommunication Studies**
  - Media Arts Track (p. 232)
  - Sports Broadcasting Track (p. 234)

## Minors

- Minor in Communicating in Diverse Organizations (p. 235)
- Minor in Communication Studies (p. 236)
- Minor in Interpersonal Communication (p. 236)
- Minor in Journalism Studies (p. 236)
- Minor in Magazine and Specialty Reporting (p. 236)

- Minor in Multimedia Reporting (p. 236)
- Minor in Social Media Campaigns (p. 236)
- Minor in Sports Information (p. 237)
- Minor in Telecommunication Studies (p. 237)

**CMST 1545 Communication Foundations 3 s.h.**

Theories, strategies, and skills for competent participation in interpersonal, group, and public communication situations. Application exercises in interpersonal, group, and public communication.

**Prereq.:** Qualified to take ENGL 1550.

**CMST 1545H Honors Communication Foundations 3 s.h.**

Theories, strategies, and skills for competent participation in interpersonal, group, and public communication situations. Application exercises in interpersonal, group, and public communication.

**Prereq.:** Qualified to take ENGL 1550.

**CMST 2600 Communication Theory 3 s.h.**

The study of significant theories of communication that reflect the diversity of communication studies and address different communication contexts: interpersonal, group, public, organizational, and mass.

**Gen Ed:** Social Science.

**CMST 2610 Intercultural Communication 3 s.h.**

The study of key historical and contemporary theories that affect communication across cultural boundaries. Exercises for improving communication skills in intercultural communication situations are included.

**Gen Ed:** Domestic Diversity, Social and Personal Awareness.

**CMST 2630 Social Media Literacy 3 s.h.**

Analyze and evaluate social media communication in its variety of forms. Includes message evaluation, digital media curating, ethics and privacy.

**CMST 2645 Presentational Speaking 3 s.h.**

In-depth examination of the theory and practice of preparing and delivering presentations in today's work environment. Emphasis on using technology aids during presentations.

**Prereq.:** CMST 1545 or equivalent.

**CMST 2650 Rhetoric of Film 3 s.h.**

Conceptual examination and critical analyses of film including mythic, feminism, Marxist, auteur, genre, and rhetorical perspectives.

**Prereq.:** ENGL 1551.

**CMST 2655 Communication in Groups and Organizations 3 s.h.**

Introduction to theories and concepts relating to group and organizational communication effectiveness with practical career applications.

**CMST 2656 Interpersonal Communication 3 s.h.**

An examination of the skills necessary to develop, maintain, and evaluate one-to-one relationships. Through practical experiences from everyday life, the class examines what occurs when one person communicates with another.

**CMST 3700 Designing Communication Research 3 s.h.**

A study of the processes involved in designing both qualitative and quantitative communication research projects. Communication research design and implementation.

**Prereq.:** 15 s.h. of Communication Studies including CMST 2600, and ENGL 1551.

**CMST 3717 Intro to Media Relations Campaigns 3 s.h.**

An experiential, service-learning course in designing and implementing Media Relations campaigns.

**Prereq.:** CMST 1545.

**CMST 3740 Social Media Communication 3 s.h.**

Examination of applications and strategies for communicating through social media, including managing personal and professional social media messages, social media content development, and dissemination.

**Prereq.:** CMST 2630.

**CMST 3745 Individual Studies 1-3 s.h.**

Student selects a special problem or issue in communication to research in detail under the direction of a faculty member, pending department committee approval. Repeatable to 6 hrs.

**Prereq.:** Junior standing.

**CMST 3750 Gender Communication 3 s.h.**

Principal concepts and issues of gender and communication as they apply to identity, and communication within and between the genders in a variety of contexts.

**Prereq.:** CMST 1545.

**CMST 3754 Argumentation 3 s.h.**

Developing critical thinking through systematic evaluation of theories, principles, and practices of argumentation.

**Prereq.:** CMST 2600.

**CMST 3756 Interviewing 3 s.h.**

Theories of communication applied to interview situations with a special concern for developing student understanding of and skills needed to participate in one-to-one and panel interviews.

**Prereq.:** CMST 1545 and junior standing.

**CMST 3757 Media Relations Writing 3 s.h.**

A lecture-lab course in writing pamphlets, advertisements, newsletters, and websites for media relations campaigns.

**Prereq.:** ENGL 1551.

**CMST 4850 Social Media Campaigns 3 s.h.**

Integrated media campaign development using social media applications; theory and practice of social media campaign lifecycles including inception, implementation, and evaluation of client-based projects.

**Prereq.:** CMST 1545 and junior standing.

**CMST 4851 New Communication Media 3 s.h.**

New media histories, technologies, and cultures. Considers promising future forms, and includes issues of authorship, community, identity, interactivity, visuality, the nature and power of technology, intelligent systems, and artificial life.

**Prereq.:** CMST 2600 and junior standing.

**CMST 4855 Interpersonal Communication Relationships 3 s.h.**

Theories of relationship development, maintenance and termination. The impact of face-to-face and mediated communication on interpersonal relationships.

**Prereq.:** CMST 2600 and CMST 2656 and junior standing.

**CMST 4859 Organizational Cultures 3 s.h.**

Analysis of organizational cultures. Relationships between organizational culture and communication in modern organizations.

**Prereq.:** CMST 2655 or junior standing.

**CMST 4896 Internship 3 s.h.**

An application of communication theories and practice within organizational settings. Weekly meetings with faculty supervisor are required. Weekly field work is 15 hours. May be repeated to a maximum of 6 s.h.

**Prereq.:** CMST 2655, junior standing, major in Communication Studies, and approval of Internship Proposal form.

**CMST 4898 Media Analysis 3 s.h.**

Application of methods of analysis to describe and critique the content of various types of media, including new media, news media, and entertainment media. Emphasis on the relationship between media content, uses, and effects.

**Prereq.:** CMST 3700.

**CMST 4899 Senior Project 3 s.h.**

Synthesis of research, writing, and presentation skills through the completion of a communication research project and professional development activity. Repeatable to a maximum of 6 s.h. Grading is Traditional/PR.

**Prereq.:** Senior standing, major in Communication Studies, 24 s.h. of communication studies major complete, including CMST 3700 or 3799.

**Gen Ed:** Capstone.

**CMST 5852 Conflict Management and Negotiation 3 s.h.**

An in-depth analysis of the theories and variables influencing conflict management, resolution, and negotiation. Includes strategies and skills for mediation and arbitration.

**Prereq.:** CMST 2600.

**CMST 5860 Persuasion and New Media 3 s.h.**

Introduction to persuasion theory and application of theory to new communication media.

**Prereq.:** CMST 2600 and CMST 3700 or graduate status.

**CMST 5898 Seminar 3 s.h.**

A cooperative exploration of topics in communication studies. May be repeated up to 6 s.h.

**Prereq.:** CMST 2600.

**CMST 5898M Seminar Global Seminar France 3 s.h.**

A cooperative exploration of topics in communication studies. May be repeated up to 6 s.h.

**Prereq.:** CMST 2600.

**CMST 6900 Introduction to Graduate Study 1 s.h.**

Orientation to teaching, learning, and research in the communication discipline for new graduate students.

**CMST 6945 Communication for the Classroom Teacher 3 s.h.**

The study of communication theory and practice appropriate for the prospective classroom teacher. Theories and application exercises focus on interpersonal communication, group communication, and classroom speaking.

**CMST 6950 Computer Mediated Communication Research 3 s.h.**

Theory, research, and application of CMC including examination of computer communication theories and relevant research methodologies, web design theory and critiques, blogging, podcasting, e-mailing, social media, multimedia storytelling. Design, implementation, and evaluation of CMC.

**CMST 6953 Group Dynamics: Theory and Research 3 s.h.**

Theory and research of group processes, critical thinking and creativity strategies, theory of group leadership and teamwork, conflict management and mediation, advanced group decision-making and problem solving, motivational strategies.

**CMST 6957 Organizational Communication Research 3 s.h.**

Applies theories of organizational communication to a chosen organization. Culminates with report and presentation.

**CMST 6970 Internship 3 s.h.**

Communication-related work in a non-academic professional setting.

**Prereq.:** Completion of the MA core courses.

**CMST 6980 Applied Research Methods 3 s.h.**

Introduction to and application of qualitative research methods relevant to business communication settings.

**CMST 6990 Measurement and Analysis 3 s.h.**

Research processes using social scientific, quantitative methodologies and practical experience in conducting research. Essential skill development in research design, measurement, data collection and data analysis.

**CMST 6991 Communication Problems: Independent Study 3 s.h.**

Individual study and practical application of communication research principles to various organizational, group and mediated communication problems.

**CMST 6994 Capstone 3 s.h.**

Applied research paper on a communication topic. Oral presentation required. For non-thesis option students only. Thesis option students should take CMST 6995: Thesis.

**Prereq.:** Completion of the MA core courses.

**CMST 6995 Thesis 1-6 s.h.**

Research study on an applied communication topic. Oral presentation required. Total of 6 s.h. required for the MA thesis option. For thesis option students only. Non-thesis option students should take CMST 6994: Capstone.

**Prereq.:** Completion of the MA core courses.

**JOUR 2600 Investigative Reporting Workshop 1 s.h.**

Students become part of a team of reporters. The program will identify one reporting project that will be the focus of this laboratory. The project will be reported until completion. Students are expected to participate in gathering and analyzing information and in the writing and/or production of stories. Repeatable for up to 3 s.h.

**JOUR 2602 Media Writing 3 s.h.**

Introduction to writing for the mass media. Development of writing techniques and examination of styles and approaches used in writing for various mass audiences. Fulfills requirement for Integrated Language Arts Middle Childhood teaching license.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**JOUR 2603 Journalism Ethics and Social Responsibilities 3 s.h.**

Examination of ethical standards and moral theories and their practical application in professional journalism through case studies. Students will learn to become active critics of media professionals.

**Gen Ed:** Arts and Humanities.

**JOUR 2605 Journalism as Literature 3 s.h.**

Examination of literary works by journalists. Study of journalism techniques transferred to literary storytelling.

**Gen Ed:** Arts and Humanities.

**JOUR 2622 News Reporting 1 3 s.h.**

Study of news reporting and writing, with emphasis on journalistic and AP style, development of news judgment, interviewing, and storytelling through traditional and new media. Coursework may require travel for reporting projects.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**JOUR 2624 Imaging and Design of Media 3 s.h.**

Focus on the use of photographs, graphics, tables, charts, and other visual products to convey messages. Includes study of basic visual literacy, design principles and technology. Crosslisted as ENGL 2624.

**JOUR 2626 American Journalism 3 s.h.**

The development of journalism in America, the role of the news media and its effects on American society, and special consideration of journalism as a tool of diversity and as a literary tradition.

**Prereq.:** Completion of ENGL 1550 with a "C" or better.

**JOUR 2632 Introduction to Photojournalism 3 s.h.**

The basics of photojournalism, including composition, lighting, editing, news judgment, and ethics.

**JOUR 3716 Introduction to Magazine Journalism 3 s.h.**

Focus on forces driving the magazine industry. Study of business models, freelancing, and writing for specialized audiences; includes basic feature writing and imaging techniques.

**Prereq.:** JOUR 2622 and JOUR 2624.

**JOUR 3717 Editorial and Opinion Writing 3 s.h.**

Techniques, approaches and practice in writing reviews, editorials, and opinion columns. Exercises in criticisms of the arts, editorial research, and editorial style.

**Prereq.:** JOUR 2622.

**JOUR 3720L Magazine Journalism Workshop 1 s.h.**

Working for campus publications to apply news gathering and reporting skills. Emphasis on organizational culture of magazines. Coursework may require travel for reporting projects. May be repeated for up to 3 s.h.

**Prereq.:** JOUR 3716 or consent of instructor.

**JOUR 3721L Journalism Workshop 3 s.h.**

Application of the principles of news reporting skills in student media. May be repeated once.

**Prereq.:** JOUR 2622.

**JOUR 3722L Radio News Workshop 3 s.h.**

Production of news and feature stories to be aired on radio; development of interview and media production skills for news. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 2622.

**JOUR 3723 Advanced Journalism Editing and Design 3 s.h.**

Application of visual literacy and editing skills. Emphasis on editorial decision making, journalistic style editing, quantitative reasoning, fact-checking, and practice of traditional and multimedia design techniques.

**Prereq.:** JOUR 2622 and JOUR 2624.

**JOUR 3725 News Reporting 1 3 s.h.**

Study of news reporting and writing, with emphasis on journalistic and AP style, development of news judgment, interviewing, and storytelling through traditional and new media. Coursework may require travel for reporting projects.

**Prereq.:** completion of JOUR 2624 or ENGL 1551 with a grade of "C" or better.

**JOUR 3726 American Journalism 3 s.h.**

The development of journalism in America, the role of the news media and its effects on American society, and special consideration of journalism as a tool of diversity and as a literary tradition.

**Prereq.:** Completion of ENGL 1550 or JOUR 2624 with a C or better.

**JOUR 3758 Projects in Working Class Reporting 3 s.h.**

Collaboration with the Center for Working Class Studies. Emphasis on using journalistic techniques to cover issues important to working-class people. Coursework may require travel for projects.

**Prereq.:** ENGL 1551.

**JOUR 3759 Sports Journalism 3 s.h.**

Techniques of sports reporting with emphasis on game reporting, sports features, columns, photography and new media storytelling. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 2622 or consent of instructor.

**JOUR 3760 News Reporting 2 3 s.h.**

Focus is on advanced news reporting and storytelling skills. Includes in-depth coverage of feature writing, investigative, and enterprise journalism. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 2622.

**JOUR 3761 New Media Journalism 3 s.h.**

Focus on new trends and techniques of electronic news organizations. Emphasis on storytelling using multimedia and non-linear methods of delivery. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 2622 and JOUR 2624.

**JOUR 3762 Political Reporting 3 s.h.**

Development of skills necessary to report, write, record, and publish stories about the American political system. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 2622.

**JOUR 4821 Advising Student Media 3 s.h.**

Study of the role and responsibilities of the media advisor in high school and college. Topics include the unique legal and ethical concerns of student media, the training of student staff, the relationship of the student press to the academic administration, and publication-management concerns. Listed also as ENGL 4821.

**Prereq.:** JOUR 2622 or ENGL 3741.

**JOUR 4822 Magazine Writing and Reporting 3 s.h.**

Advanced study of writing and reporting techniques for magazine journalists. Emphasis on learning freelance skills, getting work published, and marketing yourself as a magazine writer. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 3716.

**JOUR 4823 In-Depth Reporting 3 s.h.**

Emphasis on extended research, extensive interviewing and investigative reporting techniques. Coursework may require travel for reporting projects.

**Prereq.:** JOUR 3721L.

**JOUR 4824 Press Law and Ethics 3 s.h.**

Study of First Amendment rights of the press; examination of laws concerning libel, privacy, copyright, obscenity, censorship, open meetings and open records in Ohio; discussion of press responsibilities.

**Prereq.:** JOUR, 2622 or JOUR 3721L.

**JOUR 4825 Selected Topics in Journalism 3 s.h.**

Study of approaches to and special aspects of journalism not covered in depth in other journalism courses. May be repeated once with change of topic.

**Prereq.:** JOUR 2622 or JOUR 3721L.

**JOUR 4860 News Reporting 2 3 s.h.**

Focus is on advanced news reporting and storytelling skills. Includes in-depth coverage investigative, and enterprise journalism.

**Prereq.:** JOUR 3725.

**JOUR 4893 Journalism Senior Project 3 s.h.**

Capstone experience for journalism major. Individualized enterprise/investigative reporting projects with demonstration of advanced newsgathering techniques. Coursework may require travel for reporting projects.

**Prereq.:** Senior standing; and JOUR 3760 and JOUR 4824.

**Gen Ed:** Capstone.

**JOUR 4894 Journalism Internship 3 s.h.**

Supervised journalism work experience. Students complete 60 hours for each hour registered. Internship placement is selective. Coursework may require travel for reporting projects. May be repeated with the approval of the department chairperson for up to 6 hours.

**Prereq.:** JOUR 3760 and JOUR 3721L; senior standing, 2.5 GPA and permit.

**TCOM 1500 Orientation to Telecommunication Studies 1 s.h.**

Survey of University and Department programs, policies, practices and facilities with particular emphasis on needs of telecommunication studies majors. Creation of telecommunication studies portfolio materials and other aspects of the Telecommunication Studies program. To be taken prior to TCOM 2682 and TCOM 2683.

**TCOM 1510 Sports Field Production 1 1 s.h.**

Assignment to one or more production crews in conjunction with YSU Athletics and Horizon League Sports. Student responsibilities will be determined in light of skills and interests, as well as the production need. May be repeated.

**TCOM 1555L Radio Workshop 3 s.h.**

Application of the principles of radio production and broadcasting skills in student media.

**TCOM 1570 Elements of Sports Production and Law 3 s.h.**

A study of electronic media as business and social forces; also an overview of studio/OB production. Attention given to how media and sport industries grew as consorts into Sports Broadcasting. Basic legal considerations for sports broadcasters. The equivalent of 2 hours lecture and 2 hours field-based lab per week.

**TCOM 1580 Introduction to Telecommunication Studies 3 s.h.**

A survey course designed to familiarize students with the principles and practices involved in radio and television broadcasting, cable, and other electronic communication systems.

**TCOM 1581 Telecommunication Technologies 2 s.h.**

Operational principles of audio, data, and video telecommunication technologies. One hour lecture and two hours lab per week.

**TCOM 1595 Survey of American Mass Communications 3 s.h.**

A rhetorical examination of the development, operation, and function of radio, television, film, and print media in America. Television documentaries and films illustrate the implication of mass communication. Students examine how a person may be individually affected by mass communication.

**Gen Ed:** Social Science.

**TCOM 2610 Sports Field Production 2 1 s.h.**

Assignment to one or more production crews in conjunction with YSU Athletics and Horizon League Sports. Student responsibilities will be determined in light of skills and interests, as well as the production need. May be repeated.

**Prereq.:** TCOM 1510.

**TCOM 2682 Scriptwriting for Electronic Media 3 s.h.**

Fundamentals of telecommunication media writing with emphasis on the theory analysis and practices in the preparation of continuity, news, and documentaries.

**Prereq.:** TCOM 1570 or TCOM 1580; TCOM 1581; and ENGL 1550 with a grade of "C" or better in all.

**TCOM 2683 Media Operations and Performance 3 s.h.**

An introduction of practices and procedures basic to media production facilities. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 1580 or TCOM 1570 and ENGL 1550 with a grade of "C" or better in both.

**TCOM 2684 Broadcast News Practices 3 s.h.**

Organization, preparation, and presentation of radio and television news programs. Includes study of journalistic requirements of broadcast media and broadcast newsroom operation. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 2685 Studio Operations 1 1 s.h.**

A supervised application of operations and performance skills to audio and/or video programming. Repeatable to a maximum of 2 s.h.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 3710 Sports Field Production 3 1 s.h.**

Assignment to one or more production crews in conjunction with YSU Athletics and Horizon League Sports. Student responsibilities will be determined in light of skills and interests, as well as the production need. May be repeated.

**Prereq.:** TCOM 2610.

**TCOM 3780 Principles and Practices of Media Announcing 3 s.h.**

A study of the announcer's role in electronic mass media. Examination of theories, techniques, and major styles of media announcing. Three hours lecture, two or more hours of individualized lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major in Telecommunication Studies.

**TCOM 3781 Audio Production 3 s.h.**

Study of the concepts of audio production, including student production of various types of programs. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major in Telecommunication Studies.

**TCOM 3782 Video Production 1 3 s.h.**

Study of studio production elements such as equipment, lighting, scene design, graphics, and special effects. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major in Telecommunication Studies.

**TCOM 3783 Telecommunications Regulation 3 s.h.**

Responsibilities of electronic media communicators as prescribed by law and administrative agency policies, and court decisions. Analysis of the regulatory environment of broadcasters, common carriers, and cable.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major or minor in Telecommunication Studies.

**TCOM 3784 Telecommunication Programming 3 s.h.**

A study of contemporary broadcast and cable programming, including development, scheduling, and competitive strategies.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major or minor in Telecommunication Studies.

**TCOM 3785 Studio Operations 2 1 s.h.**

Individual projects or assignments in planning, coordinating and assessing production and programming related to studio procedures.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; acceptance of project Proposal Form by coordinating faculty member and department chairperson.

**TCOM 3786 Video Production 2 3 s.h.**

Study and application of television production elements and editing. Production values of composition, transition, and sequence explored from a communication perspective. Students produce field-based productions. Three hours lecture, two hours lab.

**Prereq.:** TCOM 3782.

**TCOM 3787 Practicum in Telecommunication 1-3 s.h.**

Individual study and practical application of communication principles to various telecommunication problems. Repeatable to a maximum of 6 s.h.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 3788 Professional Residency 2 s.h.**

Professional telecommunication-related experience under direction of University faculty members and employees of firms participating in the residency program. The student is responsible for securing the professional residency with assistance of Telecommunication Studies program faculty.

**Prereq.:** TCOM major, junior standing.

**TCOM 3789 Electronic Media Interviewing 3 s.h.**

A study and application of interviewing and reporting techniques, emphasizing the local news interview and public affairs reporting. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 3790 Broadcast News Lab 3 s.h.**

Study and lab in news programs for TV, radio and web. Requirements of broadcast media and newsroom operation. Students create the weekly webcast, Light the Wick, or similar content. Two hours lecture and two hours lab per week.

**Prereq.:** JOUR 2622 or TCOM 2682 or TCOM 2683.

**TCOM 3791 Electronic Media Sales and Promotion 3 s.h.**

An examination of the principles and practices of selling electronic media. Analysis of rating-based sales and promotion strategies, as well as relations with agencies and station representatives. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 3792 Broadcast Sports Producing and Writing 3 s.h.**

A study of the fundamentals of producing broadcast sports media content, including script development and line producing.

**Prereq.:** TCOM 1570, TCOM 2682, TCOM 2683 with a grade of "C" or better.

**TCOM 3793 Broadcast Sports Performance 3 s.h.**

Students receive instruction on play-by-play announcing and on the preparation and extemporaneous discussion of player and team statistics as well as other appropriate sports-related information. Skills for conducting media interviews.

**Prereq.:** TCOM 1570, TCOM 2682, TCOM 2683.

**TCOM 3794 Cross-platform Sports Broadcasting 3 s.h.**

Examination of and instruction in new media technologies to deliver sports media content. Emphasis on how the interactive nature of online content changes traditional notions of presentation and distribution.

**Prereq.:** TCOM 1570, TCOM 2682, TCOM 2683.

**TCOM 3795 Sports Media Production 1 3 s.h.**

Theory and practice of remote radio and television sports production for volleyball, soccer, and baseball. Students produce and direct coverage of sporting events. Meets equivalent of 2 hours lecture plus 4 hours field lab per week. May be repeated once.

**Prereq.:** TCOM 1570, TCOM 2682, TCOM 2683.

**TCOM 4850 Advanced Audio/Video Production and Editing 3 s.h.**

Advanced techniques and procedures in audio/video production. Techniques include digital editing and video post-production procedures. Recognize current video and audio technology and how to troubleshoot problems associated with such technology.

**Prereq.:** TCOM 3781 or TCOM 3782 with a grade of "C" or better.

**TCOM 4881 Telecommunication Management 3 s.h.**

A study of the relationships of communication management with government, networks, ownership and other groups. Organization and procedures of typical units; common planning models.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major or minor in Telecommunication Studies.

**TCOM 4882 Studio Operations Management 3 2 s.h.**

Advanced individual projects or assignments in planning, coordinating and assessing production and programming related to studio procedures. Repeatable for a maximum of 4 s.h..

**Prereq.:** TCOM 3785; acceptance of Project Proposal Form by coordinating faculty member and department chairperson.

**TCOM 4884 Video Production Direction 3 s.h.**

A study and application of the communication roles and skills associated with video directing. Emphasis on audience analysis. The equivalent of three hours lecture and two hours lab per week.

**Prereq.:** TCOM 3782.

**TCOM 4885 Developments in Telecommunication Media 3 s.h.**

Study and application of uses of telecommunication media apart from commercial broadcasting. Study of new technologies and their potential.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 4886 Audience and Market Measure 3 s.h.**

Methods of collecting, analyzing, and using information about media markets. Includes quantitative and non-quantitative techniques.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both.

**TCOM 4887 Theories and Criticisms of Telecommunication 3 s.h.**

Study of contemporary theories and research in telecommunication.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major or minor in Telecommunication Studies.

**TCOM 4888 Internship Telecommunication 3 s.h.**

An application of telecommunication theory and practices within organizations primarily concerned with telecommunication. Students are selected on the basis of special qualifications, including GPA, courses taken, and competitive interview. Enrollment is contingent on the availability of internship positions. Twenty hours a week.

**Prereq.:** Junior standing in telecommunications and permission of internship coordinator.

**TCOM 4889 Broadcast Sports Internship 3 s.h.**

An application of sports media theory and practices within sports and sports media organizations such as university, semi-professional and professional organizations.

**Prereq.:** TCOM 1570, TCOM 3792, TCOM 3793, TCOM 3794, and TCOM 3795; selection by sponsoring organization.

**TCOM 4890 Producing Broadcast News 3 s.h.**

Supervision of news programs for TV, radio and web. Story development, shooting/editing, script management, graphics creation, studio operations, and on-camera performance. Creation and marketing of the webcast, Light the Wick, or equivalent. Two hours lecture and two hours lab per week.

**Prereq.:** TCOM 3790.

**TCOM 4897 Seminar in Telecommunication 3 s.h.**

Designed to investigate contemporary aspects of telecommunications. May be repeated for credit if topic is different.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major in Telecommunication Studies.

**TCOM 4897J Seminar in Telecommunication Audio Drama for Public Performance 3 s.h.**

Designed to investigate contemporary aspects of telecommunications. May be repeated for credit if topic is different.

**Prereq.:** TCOM 2682 and TCOM 2683 with a grade of "C" or better in both; major in Telecommunication Studies.

**TCOM 4899 Capstone 2 s.h.**

Students demonstrate mastery of knowledge in a variety of degree assessment areas. Students prepare and present a portfolio of their work. The course assists students in assembling and presenting the portfolio to department faculty and other interested parties. To be taken after achieving senior status as a Telecommunications Studies major.

**Prereq.:** senior status in Telecommunication Studies.

**Gen Ed:** Capstone.

## Bachelor of Arts in Communication Studies, Interpersonal/Organizational Track

### Overview

Our combination of interpersonal and organizational courses provides students with practical skills relevant to traditional and emerging workplace settings as well as personal skills that employers value highly.

Interpersonal communication courses introduce one-to-one communication behaviors and the impact of those behaviors on personal relationships. Through a blend of theory and practice, students are encouraged to develop confidence and ability as ethical communicators; to view communication events from multiple perspectives; to understand the multicultural character of communication in contemporary society; to analyze and evaluate variables operating in verbal transactions; and to probe the basic problems of human communication in order to understand self, others, and events.

The organizational communication courses enable you to not only increase your understanding of communication and its impact on complex organizations, but also to enhance your effectiveness as a member of various organizations. Organizational communication courses within this track focus on a plethora of skills which will allow you to hone your abilities as a communicator in the business context and guide you through society's changing career demands.

This track includes skills you will need for success in various interviewing scenarios. By learning employee, performance and persuasive interviewing skills, you will be more adept at seeking the proper job, meeting a client's needs, and performing more effectively within an organization. Enacting problem-solving techniques, adapting to different conflict management styles, learning group member roles, trying on different leadership styles, recognizing and adapting to changing organizational cultures, and learning about effective superior-subordinate communication styles are but a few of the skills you will acquire which will also enhance the success of both you and your organization in classes such as organizational cultures (CMST 4859) and conflict management and negotiation (CMST 5852). Organizational communication courses provide you with an abundance of applicable skills which will transcend the various positions, stages of employment, and organizational types you may experience in today's dynamic job market.

This track also includes courses which will expand your interpersonal skills. These courses include intercultural communication (CMST 2610) and gender communication (CMST 3750). Intercultural communication focuses on the application of theory and research about intercultural communication to provide you with an intellectual framework that allows the description and understanding of communication between culturally heterogeneous individuals. It also helps you to develop communication skills that improve competence in intercultural communication situations. In the gender communication course, you will learn concepts and issues of femininity and masculinity as they apply to communication between and among genders in a variety of contexts.

### Possible Careers

- Human resource specialist
- Graduate programs (masters, doctoral degree)

- Training and development specialist
- Internal communication specialist
- Organizational training & development
- Labor negotiator/recruiter
- Section/branch manager
- Regional manager
- Store manager
- Product buyer
- Community affairs coordinator
- Government affairs coordinator
- Account representative
- Retail salesperson
- Real estate salesperson
- Insurance salesperson
- Career development specialist
- Business analyst
- Corporate communications manager
- Student advising/recruitment

## Complementary Minors

- Accounting
- Business
- Languages
- General Sociology
- Human Geography
- Human Resources
- Social Work
- Loss Prevention & Asset Protection
- Management Information Systems
- Nonprofit Leadership
- Professional Ethics
- Psychology
- Social Institutions

Students majoring in communication studies must successfully complete all core courses and one of the specified tracks for a total of 39 semester hours in CMST. Students must complete 18 credits of 3000- and 4000-level courses in the CMST major. Students must also complete all requirements for a Bachelor of Arts degree, including the completion of an approved academic minor.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2

## LEARNING OUTCOMES

Regardless of track, students graduating with a B.A. degree in communication studies will:

- differentiate between key theories and concepts in communication
- find, interpret, evaluate, and synthesize academic research in communication studies
- demonstrate verbal and nonverbal competence

Students completing their degree in communication studies are uniquely qualified to enter the job market and compete effectively throughout their careers for advancement and promotion.

Through course offerings and applied learning experiences, the communication studies program combines a rich liberal arts emphasis with a much needed specialized professional and career focus for undergraduate students.

# Bachelor of Arts in Communication Studies, Media Track

## Overview

Our Media Track was developed in conjunction with new courses in media relations writing, media relations campaigns, and media analysis. The goal of this track is to provide students with practical, hands-on experience with media relations applications and strategies, new media technologies, and current and emerging mass communication practices. This track provides professional skills in media management and public relations. You will be introduced to old and new technologies as well as more challenging issues related to research of new communication technologies.

Media analysis (CMST 4898) will teach you to critically analyze media messages; explore how political, social, and economic forces affect media messages; and discuss how media content affects media users. In media relations writing (CMST 3757) and media relations campaigns (CMST 3717), you will learn how to write press releases and ad content for different types of media and how to plan and implement a public relations, marketing, and advertising campaign using a variety of mass media outlets. Because media

relations campaigns and information technology skills are often applied in business settings, you will take a course in organizational cultures (CMST 4859) to prepare you to use your media skills in diverse organizational settings.

## Possible Careers

- Advertising
- Agent (e.g., sports, entertainment)
- Web Designer/Director
- Writer
- Community Relations
- News Service Researcher
- Public Relations Manager
- Market Research
- Information Management
- Media Buyer/Ad Sales
- Audience/Media Research

## Complementary Minors

- Advertising/Public Relations
- Art & Technology
- Language
- Graphic Design
- Information Systems Programming
- Integrated Technologies
- Journalism
- Management Information Systems
- Marketing
- Multimedia and Web Design
- Photography
- Professional and Technical Writing
- Telecommunication Studies

Students majoring in communication studies must successfully complete all core courses and one of the specified tracks for a total of 39 semester hours in CMST. Students must complete 18 credits of 3000- and 4000-level courses in the CMST major. Students must also complete all requirements for a Bachelor of Arts degree, including the completion of an approved academic minor.

## LEARNING OUTCOMES

Regardless of track, students graduating with a B.A. degree in communication studies will:

- differentiate between key theories and concepts in communication
- find, interpret, evaluate, and synthesize academic research in communication studies
- demonstrate verbal and nonverbal competence

Students completing their degree in communication studies are uniquely qualified to enter the job market and compete effectively throughout their careers for advancement and promotion.

Through course offerings and applied learning experiences, the communication studies program combines a rich liberal arts emphasis with a much needed specialized professional and career focus for undergraduate students.

# Bachelor of Arts in Communication Studies, Persuasion Track

## Overview

Our Persuasion Track is designed for students interested in careers that involve a great deal of personal interaction and influence. Courses of instruction will deepen your understanding of argumentation, persuasive techniques, public speaking, and help you improve your knowledge and skills in intercultural and social media contexts.

Courses on this track include the core communication courses as well as intercultural communication, presentational speaking, interviewing, argumentation, persuasion, social media campaigns, and new communication media. Classes in presentational speaking, argumentation, and persuasion will develop your public speaking skills beyond the basic skills learned in CMST 1545. Social media and new communication media will prepare you for advancements in communication specifically related to the use of new media for persuasion.

In addition to learning how to present ideas effectively in person-to-person and mediated contexts, students also learn skills relevant to persuading people and developing arguments, which will prove to be essential in careers in sales, customer service/relations, marketing and/or advertising. In intercultural

communication, students will learn how to effectively adapt to culturally diverse audiences when preparing and delivering persuasive messages.

This degree prepares students for several career paths (see below), but also leads students to advanced areas of study. For example, graduate study in communication will prepare you for a life of research and teaching in areas such as argumentation (and debate), persuasion, and public speaking. Students who choose this track are often prepared for a Master's in Business Communication (MBA). The MBA, coupled with a B.A. degree in communication studies with an emphasis on persuasion, is useful in many industries, especially the corporate setting. The persuasion track will prepare you for law school, or for public service in government and politics. Other students may choose this track in preparation for divinity school which, in turn, can lead to a career as a religious leader. Additionally, students who earn a communication degree with an emphasis on persuasive skills are qualified for many sales and marketing positions.

## Possible Careers

- Speech Writer
- Political Consultant
- Political Debate Coach
- Political Analyst
- Public Relations
- Advertising
- Lobbyist
- Commentator
- Consumer Advocate
- Press Secretary
- Book Publicist
- Campaign Manager
- Community Relations
- Ministry
- Legislator
- Motivational Speaker
- Account Representative
- Communication Consultant
- Forensics Coach
- Fundraiser
- Spokesperson
- Lawyer
- Business-to-Business Sales

## Complementary Minors

- Political Science
- Journalism
- Marketing
- Advertising/Public Relations
- Psychology
- Criminal Justice
- Human Geography
- Nonprofit Leadership
- Social Institutions
- Public Administration
- Telecommunication Studies
- Foreign Affairs

Students majoring in communication studies must successfully complete all core courses and one of the specified tracks for a total of 39 semester hours in CMST. Students must complete 18 credits of 3000- and 4000-level courses in

the CMST major. Students must also complete all requirements for a Bachelor of Arts degree, including the completion of an approved academic minor.

a much needed specialized professional and career focus for undergraduate students.

# Bachelor of Arts in Communication Studies, Social Media Track

## Overview

Social media management requires a unique set of skills that take students far beyond traditional communication and media production proficiency. However, our social media track does more than just prepare graduates to competently use leading social media platforms like Facebook, Twitter, and Instagram. Beyond learning the general functionality of social media, students learn to employ ethical standards for communicating with social media while applying their own moral standards. Students on this track explore the dangers of social media, and the importance of setting social media policies for the workplace.

With the appropriate support courses and possible minor options, the social media track prepares students for communicating and marketing with social media, including effective use of interactive designs. Students can learn to examine the social press and how to share client and personal expertise and experiences with the online world, how to use social tools for collaborative work, and how to distinguish the characteristics and methods, advantages and pitfalls, of virtual communities, social photos and videos, collective intelligence, crowd-sourcing, social production, and wiki collaboration.

## Possible Careers

- Communications Director
- Consumer Media Experience
- Content Marketing Manager
- Digital and Social Media Strategist
- Digital and Social Analytics
- Internet Marketing Director
- Multimedia and Content Producer
- Online Community Manager
- Public Relations Manager
- Social Influencer Manager
- Social Media Manager, Producer
- Social Media Sales

Through course offerings and applied learning experiences, the communication studies program combines a rich liberal arts emphasis with a much needed specialized professional and career focus for undergraduate students.

## Bachelor of Arts in Journalism

The B.A. in Journalism track in broadcast and digital media prepares students for entry-level positions in media production, reporting and writing. The curriculum offers a blend of courses from journalism and telecommunications to support this goal. Course will focus on writing and reporting, video production, professional practices and legal issues. Students are encouraged to build a strong publication and production portfolio by working for our award winning campus media outlets which include The Jambar, the *Penguin Review*, the *\*yo magazine* (<http://www.thejambar.com/category/yo-magazine>), *The Jenny*, **Rookery Radi** (<http://www.rookeryradio.com>), and **thejambar.com**. Internships and opportunities are available at local and national media outlets. Additionally, Journalism majors on the broadcast and digital media track are encouraged to declare minors that support their specific career objectives, and allow them to develop complementary skills and knowledge (students on this track are prohibited from minoring in telecommunication studies because of the wide overlap in requirements). Students who are interested in pursuing a career in writing or print journalism should explore the B.A. Journalism.

## Complementary Minors

- Advertising and Public Relations
- American Politics
- Business
- Communication Studies
- Creative Writing
- Criminal Justice System or Juvenile Justice System
- Digital Media or Graphic Design (for Non-Art Majors)
- Economics
- Entrepreneurship
- Marketing
- Multimedia and Web Design
- Photography (for Non-Art Majors)
- Professional and Technical Writing
- Public Health
- Social Media Campaigns
- Statistics
- Web Communications

## Elective Support Courses

Select two of the following (or a total of 6 s.h.):

COURSE	TITLE	S.H.
ACCT 2602	Financial Accounting	3
CJFS 2601	Policing	3
CJFS 2602	Criminal Courts	3
CMST 2600	Communication Theory	3
CSIS 1510	Global Electronic Information Resources	3
ENGL 3740	Advanced Writing	3
ENGL 3743	Professional and Technical Writing	3
ENGL 3745	Writing for Online Environments	3
ENGL 4849	Professional and Technical Editing	3
ENGL 4850	Sociolinguistics	3
POL 3702	Law and Society	3
POL 3714	American Public Opinion	3
POL 3722	State and Local Government	3
STAT 2601	Introductory Statistics	3
TCOM 1580	Introduction to Telecommunication Studies	3

## Learning Outcomes

The Communication Department has established the following learning outcomes for students completing the journalism major. Journalism students will demonstrate an understanding of:

- what constitutes news.
- practical applications of First Amendment law.
- strategies for finding and extracting news.
- writing and editing stories for various audiences and media formats.
- principles and practices of ethical and professional news.

## Bachelor of Arts in Journalism, Broadcast and Digital Media Track

The B.A. in Journalism prepares students for positions in media production, reporting, editing and design. There are two tracks for students majoring in journalism, journalism and journalism broadcast and digital media. The curriculum offers a blend of courses to support this goal. The coursework begins with basic photo, video, writing, reporting and visual literacy skills. These are then followed by courses that focus on design, and advanced reporting and writing projects. Students in the broadcast and digital media track will take several courses in broadcast news and telecommunication. Those in journalism will take a series of electives and interdisciplinary courses, to build skills in interviewing, writing, social media and specialized journalism.

Other on-campus outlets for student writing and productions include the *Penguin Review*, the *\*yo magazine* (<http://www.thejambar.com/category/yo-magazine>), *The Jenny*, **Rookery Radio**, and **thejambar.com**. Internships and other writing opportunities are available at local media outlets including local TV, radio and newspapers. *The Business Journal*, *The Vindicator*, and the *Tribune Chronicle*. Additionally, Journalism majors are encouraged to declare minors that support their specific career objectives, such as public relations, political science, telecommunications, or art/design.

## Learning Outcomes

The Communication Department has established the following learning outcomes for students completing the journalism major. Journalism students will demonstrate an understanding of:

- What constitutes news.
- Practical applications of First Amendment.
- Strategies for finding and extracting news.
- Writing stories for various audiences and media formats.
- The principles and practices of ethical and professional news.

# Bachelor of Arts in Telecommunication Studies, Media Arts Track

## Overview

The media arts track prepares students to produce and deliver content that passes through some medium such as television, radio, or the Internet. For example, on this track, students may study how content created for the Internet and social media (e.g., YouTube) impacts traditional forms of broadcast media such as radio and television. Students learn about early stages of the field as well as contemporary combinations of telecasting through various media outlets. A major in the telecommunication studies-media arts track curriculum provides students with an in-depth knowledge and intellectual challenge in electronic communication. Students receive practical orientation to the skills and techniques of broadcasting. Further, students explore contemporary theories and problems central to mass media, as well as examine new communication media.

From a liberal arts perspective, the telecommunication studies-media arts track curriculum is designed to aid the student in pursuit of careers not only in broadcasting but also in recently expanding avenues of communication such as non-commercial broadcasting, corporate communication, industrial communication, cablecasting, and independent production. Internships are available are regionally based, national and international media organizations.

## Possible Careers

- Audio producer, director, editor
- Camera operator
- Content producer
- Digital media producer, director, editor
- On-air host
- Media sales
- Media management
- Multimedia producer
- Radio DJ
- Social media manager
- Video blogger (vlogger)
- Video producer, director, editor

## Complementary Minors

- Advertising and Public Relations
- Business
- Computer Databases
- Computer Networking
- Computer Science
- Creative Writing
- Digital Media
- Electronic Commerce Tech
- Entrepreneurship
- Graphic Design
- Interactive Design
- Journalism
- Magazine and Specialty Reporting
- Management
- Marketing
- Multimedia and Web Design
- Multimedia Reporting
- Photography

- Professional Writing and Editing
- Social Media Campaigns
- Web Communications

### Admission Policy

Students who declare an intent to major in telecommunication studies, whether on the media arts track or sports broadcasting track, will be assigned to the "Pre-Telecommunication" (Pre-TCOM) category. Upon completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581 (with grades of "A" or "B" in all three), students will be reassigned to the "Telecommunication Studies" (TCOM) category and track of choice (media arts OR sports broadcasting).

Students may transfer to the Pre-TCOM, but not TCOM, category from another program at YSU or from another institution. Students who have completed associate- or bachelor-level degrees also may enter the Pre-TCOM, but not TCOM, category. Upon completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581 (with grades of "A" or "B" in all three), students will be reassigned to the TCOM category.

Students who have interrupted their attendance at YSU for three consecutive semesters or more will be assigned to the Pre-TCOM category upon return (even if the student was a TCOM major). After completion of 15 semester hours while in the Pre-TCOM category, and completion of ENGL 1550, TCOM 1570 OR 1580, and TCOM 1581 (with grades of "A" or "B" in all three), students will be reassigned to the TCOM category.

## LEARNING OUTCOMES

The student learning outcomes for the B.A. degree program in telecommunication studies are as follows:

- The student will construct arguments using basic reasoning skills and avoiding fallacies;
- The student will compose messages using multi-media technology;
- The student will design written, oral, and visual messages to communicate ideas to a specific audience;
- The student will appraise the values, attitudes, and goals of a potential audience using demographic and psychographic variables;
- The student will describe the prevailing theories of electronic media and appraise the relative value of each.

## Bachelor of Arts in Telecommunication Studies, Sports Broadcasting Track

### Overview

The sports broadcasting track was designed to prepare students for the ever-expanding field of sports media. Students on this track have direct access to sports broadcasting opportunities through Youngstown State University Athletics, including NCAA Division I sports, via Horizon League and Missouri Valley Conference (i.e., Penguin football) streams and broadcasts. Students learn the process of preparing content through the pre- and post-production phases as well as evaluation of the content. Courses include Broadcast Sports Producing & Writing, Broadcast Sports Performance, Cross-Platform Sports Broadcasting, Sports Media Production, and Sports Field Production.

The telecommunication studies-sports broadcasting track curriculum is designed to prepare students in pursuit of careers not only in sports media but also in expanding avenues of communication such as cross-platform sports production (i.e., preparing sports content for multiple platforms), media sales and advertising, writing and editing, and independent production. Sports media internships are available at regionally based, national and international media organizations such as ESPN and Fox Sports affiliates and flagship locations.

### Possible Careers

- Camera operator
- Digital media producer, director, editor
- On-air host
- Media sales
- Media management
- Multimedia producer
- Public and media relations
- Radio DJ
- Sports journalist, blogger

- Sports media content producer
- Sports media director, editor
- Social media manager, content creator
- Sports TV/Radio show host, producer
- Sports video blogger (vlogger)
- Video producer, director, editor

### Complementary Minors

- Advertising and Public Relations
- Business
- Creative Writing
- Digital Media
- Electronic Commerce Tech
- Entrepreneurship
- Graphic Design
- Interactive Design
- Journalism
- Magazine and Specialty Reporting

<b>Total Semester Hours</b>		<b>22</b>

are available to full or part time students in the areas of composition, theory, education, history, performance (including conducting) and jazz studies.

The requirements for entrance and for graduation are in accordance with the published regulations of the National Association of Schools of Music, of which the Dana School of Music is a member.

## Mission Statement

The Dana School of Music fosters a vibrant community of student and faculty musicians/scholars who work across broad yet interrelated areas of inquiry including performance, improvisation, composition, pedagogy, theory, history, technology, mind/body research, and the music industry. The Dana School of Music leads in the discovery, dissemination, and application of knowledge; encourages creativity and collaboration; and advocates for the importance of the arts in society.

The Dana School of Music

- Creates diverse educational experiences that develop ethical, intellectually curious students who advance the intellectual and cultural life of the University, city, region, and the world through performances, recordings, and other public activities
- Offers undergraduate programs in performance, jazz performance, music education, composition, music theory, music history and literature, and music recording as well as tracks in entrepreneurship, non-profit leadership, and video production
- Offers graduate programs in performance, music education, jazz studies, conducting, music theory/composition, and music history and literature

## Minor in Telecommunication Studies

Students interested in developing mass communication skills should consider the telecommunication studies minor. The minor focuses on different areas of mass media studies and will help students develop an introductory skill set that would serve as a complementary minor to many different majors. These skills are in high demand by employers and recruiters in a variety of fields. To complete the minor in telecommunication studies, a student must successfully complete 20 s.h. in:

COURSE	TITLE	S.H.
TCOM 1580	Introduction to Telecommunication Studies	3
TCOM 1581	Telecommunication Technologies	2
TCOM 2682	Scriptwriting for Electronic Media	3
TCOM 2683	Media Operations and Performance	3
Select three of the following:		9
TCOM 3783	Telecommunications Regulation	
TCOM 3784	Telecommunication Programming	
TCOM 3791	Electronic Media Sales and Promotion	
TCOM 4881	Telecommunication Management	
TCOM 4885	Developments in Telecommunication Media	
TCOM 4886	Audience and Market Measure	
TCOM 4887	Theories and Criticisms of Telecommunication	
<b>Total Semester Hours</b>		<b>20</b>

## Accreditation

The Dana School of Music is accredited by the National Association of Schools of Music (NASM) (<https://nasm.arts-accredit.org>).

- Date of Initial Accreditation: 9/1/1947
- Year of Most Recent Comprehensive Review: 2010
- Academic Year of Next Scheduled Comprehensive Review: 2020-2021

## Programs

The curriculum may be divided into seven components:

- composition
- music education
- music theory
- music history
- performance
- music recording
- liberal arts

## Dana School of Music

Audition Information (<http://www.ysu.edu/academics/college-creative-arts-and-communication/dana-school-of-music/admission>)

Founded over 145 years ago, the Dana School of Music is one of the oldest music schools in the United States. More than 50 faculty and staff maintain a tradition of conservatory-style music training in an urban university setting. We offer students a wide range of degree programs and majors. Bachelor of Music degrees are awarded in composition, music education, music performance, jazz studies, and music recording. Candidates may also earn the Bachelor of Arts degree with majors in music history, music theory, or applied music. At the graduate level, programs leading to the Master of Music degree

## Bachelor of Music

Courses are available leading to the degree of Bachelor of Music with the major in:

- piano
- organ
- voice
- standard string, brass, or wind instruments
- percussion
- composition
- music education
- jazz

It is also possible to obtain a Bachelor of Music degree with emphasis in Music Recording.

## Bachelor of Arts

In addition, it is possible to obtain the degree of Bachelor of Arts with majors in:

- music history
- music theory
- applied music

The BA degrees allow for work in minor areas. The BA in Applied Music allows for more extensive minor areas like nonprofit leadership, entrepreneurship, and video production.

## Bachelor of Music in Education

In cooperation with the College of Education, the music education program prepares students for licensure as music teachers in the public schools and also provides other courses necessary for general elementary teaching certificates. Music education students have a variety of opportunities for observation and practice teaching through excellent cooperation between the University and area schools.

## Facilities

The Dana School is one of four departmental units in the College of Creative Arts and Communication. The school is housed in Bliss Hall, which provides practice rooms, faculty studios, classrooms, rehearsal rooms and a recital hall with a seating capacity of 237. Additional use is made of Stambaugh Auditorium and the DeYor Performing Arts Center.

## Equipment

Equipment includes

- 92 Steinway pianos
- 30 MIDI pianos
- harpsichords by Dowd
- two Schlicker pipe organs
- three Flentrop pipe organs
- consorts of Renaissance wind and brass instruments
- a comprehensive collection of standard band and orchestral instruments

Many University-owned instruments are available for use by students enrolled in related courses. There is no charge for use of these instruments, although failure to comply with check-in deadlines will result in a \$5.00-a-day fine or replacement for each instrument.

## MIDI Classroom

Bliss Hall offers students the opportunity to work with state-of-the-art music computer software and hardware, including advanced music notation, music sequencing (composition/arranging) and automatic accompaniment applications. The classroom features Macintosh workstations, each fully MIDI-equipped.

## Music Recording Studio

The Dana Recording Studio centers around a 12 core Intel Mac tower running Avid Pro-Tools 11, MOTU Digital Performer 7.24, and Apple Logic DAWs software. We have Universal Audio Apollo interfaces and a Tascam DM4800 fully automated mix surface which also serves as an additional audio interface. The studio utilizes outboard Kurzweil and Roland keyboards, controllers, and synths, as well as Reason 7 and the Native Instruments Komplete 10 software package. We feature Shure Large Diaphragm Condenser mics, Audio Technica SDC mics, Shure Beta 58s and 57s. Rounding out our mic locker is a matched pair of Cascade Fathead II ribbon microphones. We are currently exploring the potential of adding audio over IP. We use Genelec 1031 monitoring system with 7050b Sub.

## Libraries

The school's extensive libraries of band, orchestral, and choral music represent musical periods from the Renaissance to the present. Maag Library contains books, printed music, records, CDs, videos, and CD ROMs.

## Scholarships and Loans

The Dana School of Music offers a wide range of scholarships, which are awarded, after competitive auditions, on the basis of talent and academic achievement. For other scholarships, see Loans and Scholarships in the Scholarships and Financial Aid section.

## Musical Activities, Ensembles

The Dana School of Music supplements the concerts offered by community ensembles with the Dana Concert Series. This series brings to the University and to the public artistic solo and ensemble programs featuring faculty members and guest artists, composers, and musicologists.

The School has numerous performing ensembles:

- Dana Chorale
- University Chorus
- Wind Ensemble
- Concert Band
- Marching Band
- Dana Symphony Orchestra
- Opera Workshop
- Jazz Ensemble
- Jazz Combos
- Gospel Choir
- Woodwind, Brass, String and Percussion Ensembles
- Chamber Orchestra
- Early Music and Composers Ensembles

## Music

Many campus musical ensembles are open to all students of the University. For these, see the Dana School of Music in the College of Creative Arts and Communication section of this *Catalog*. For more information visit Dana School of Music (<http://www.ysu.edu/academics/college-creative-arts-and-communication/dana-school-of-music>).

## Student Activities

Music students may participate in all Youngstown State University student activities. Of special interest to music students are the student chapters of:

- Ohio Collegiate Music Educators Association
- New Music Society
- Dana Vocal Society
- Dana Guitar Association
- Dana Piano Guild
- Youngstown Jazz Collective
- Phi Mu Alpha
- Sigma Alpha Iota
- Dana Research Society
- Youngstown Percussion Collective

## Fees

See the Fees and Expenses (p. 20) section of the Undergraduate Catalog.

## Application and Admission Examinations

An applicant for admission to the Dana School of Music must satisfy the general requirements for admission to the University (see the Admission section).

Applicants are required to pass entrance auditions in their performance area and to take placement examinations in music theory and piano. These auditions and examinations are on announced dates preceding the commencement of classes in the fall.

## Admission to Courses for the Degree of Bachelor of Music

The applicant's high school courses should include the preparatory courses specified under High School Preparation of this Catalog.

## Musical Proficiency

It is expected that the applicant will be proficient in one or more branches of applied music before entering the University, as certain standards in technique and repertory must be met. Qualifications are determined by the placement tests mentioned above; the student not qualifying for the first regular course in a major branch of applied music must take preparatory work until ready to undertake the regular courses.

The Dana School of Music theory placement examination is used to determine theory proficiency. Those scoring less than the 80th percentile will be assigned to MUTC 1531N Music Theory 1 Intensive, while those scoring above the 80th percentile will be assigned to MUTC 1531 Music Theory 1.

Prospective composition majors must present evidence of ability to handle the materials of music by placing at or above the 80th percentile of the Dana School of Music theory entrance examination. Proficiency on a musical instrument sufficient for admission to the freshman level of applied music must be demonstrated before the appropriate applied faculty in an audition.

## Admission from Other Institutions

The general policy is stated in the Academic Policies and Procedures section. Advanced standing in musical performance and in music theory is granted tentatively and must be validated by examinations.

## Requirements for the Degree Bachelor of Music

It is the student's responsibility to see that all the graduation requirements for the degree sought are satisfied. These degrees may be earned in eight semesters if students average 16-18 hours per semester. For the Bachelor of Music degree, these consist of:

### Pre-college or preparatory study, of two kinds

1. Academic. These courses are normally taken in high school. Deficiencies must be overcome prior to completing 60 semester hours at YSU.
2. Musical. An entrant lacking suitable proficiency must develop it before undertaking the required college-level music courses.

## University Requirements

Non-music courses and other requirements to be completed in the University are listed in the Degree Requirements chart at the beginning of the College of Creative Arts and Communication section.

## Degree Requirements

Curricula leading to music degrees require from 126 to 137 semester hours of credit and are designed to be completed in four academic years.

## Double Major: Music Performance and Music Education

Students who wish to complete a major (Bachelor of Music or Bachelor of Arts degree) in an instrument or in voice, theory, or composition, and also a major in music education, should consult the Director of the Dana School of Music.

While the Dana School of Music offers a variety of degrees and majors in music, it is our desire that all music students have significant musical experiences as a foundation for more specialized training.

## Curricular For All Music Majors

Acceptance into a performance area is contingent upon an audition. The student not qualifying for Music 1501 may take the relevant course 1500 until the deficiency is corrected.

Advanced standing in performance may be granted tentatively after an examination given by members of the faculty. The final classification is made at the end of the first semester of resident study.

Enrollments in applied music are contingent upon the approval of the director of the Dana School of Music, with priority given to full-time music majors and music minors participating in major ensembles.

### Teacher Assignment

Assignment of students to teachers is made by the area coordinator. Requests for change of teacher should be addressed to the coordinator in writing. A student's choice of teacher will be respected as far as possible, but final assignment rests with the Director of the School of Music.

### Lessons

Students registered for 4 s.h. courses receive 50-minute individual instruction and one 50-minute seminar weekly. They are required to practice three hours daily. Students registered for 2 and 3 s.h. courses receive 50-minute individual instruction and one 50-minute seminar weekly; they are required to practice two hours daily. Students registered for A and B applied courses receive individual instruction for 30 minutes each week and are required to practice one hour daily.

No credit will be given in a performance course if the student misses more than three lessons in any semester. Lessons missed due to legal holidays or school closings will not be made up. In case of prolonged illness the lessons may be made up at the discretion of the teacher.

### Recitals

Recognizing that performing before an audience plays a vital role in musical development, the Dana School offers its students many opportunities to appear in public as a way to foster that development. Attendance at 30 recitals is mandatory in the first two years.

### Convocation

The Assistant Director of the School arranges weekly programs of lectures, student and faculty performances. Attendance at 36 convocations is mandatory in the first two years.

### Young Artist Competition

An annual concert by the Dana Symphony Orchestra features student soloists chosen by competition.

### Dana Young Scholars Award

Dana Young Scholars Award celebrates student research in music. The competition is open to all graduate and undergraduate students at the sophomore level or higher who are enrolled in a music degree at the Dana School of Music.

## Degree and Non-degree Recitals

Each candidate for the degree Bachelor of Music must present a senior recital in partial fulfillment of the graduation requirements. Performance majors must present a half-hour recital their junior year and a one-hour recital their senior year. Composition majors must present 75 minutes of music, and music education majors a half-hour recital of music. Outstanding students may present non-degree recitals, subject to certain conditions (for particulars, consult the coordinator of the Dana Concert Series). Planning for all these recitals should include selection of varied and balanced repertory, preparation of properly detailed copy for the printed program and program notes, and consideration of performance aspects such as attire, stage department, and ways to attract an audience. A recital hearing will be held no later than 21 days prior to the projected recital date. During that time a student who plans to present a degree recital must be prepared to perform the recital program for faculty approval.

All students registered for major-level applied lessons must attend weekly seminars as posted in the schedule of classes.

## Examinations

During examination week of each term, performance faculty members convene to determine whether or not students may proceed to the next higher proficiency level (performance course number). Frequency of required examinations differs among the various performance areas (for specifics consult the syllabus of the performance area concerned). Transfer students are examined at the end of their first or second term of study, as established by the individual performance area. Students presenting an approved degree recital may be granted a waiver of examination for the term of the recital. Students may be retained in the same proficiency level with a grade of C or lower or with a grade of PR. Students who fail to meet the standards of the examining faculty may be required to reduce the number of credits for which they register in subsequent terms; or they may be required to withdraw completely from the course sequence.

Each applied area (keyboard, brass, etc.) may vary the above to meet certain needs. Consult with area coordinator for details.

For more information, visit the Dana School of Music (<http://www.yсу.edu/academics/college-creative-arts-and-communication/dana-school-of-music>).

## Jazz or Applied/BA Major

The following courses differ only in degree from those listed under Performance Major according to the credit hours earned. (See courses Applied Studio Instruction for specific requirements.) A high standard of proficiency is expected. For the jazz major, junior and senior recitals are required.

COURSE	TITLE	S.H.
1501, 1502. See Performance Major		4
2603, 2604. See Performance Major		6
3703, 3704. See Major/Performance		6
4803, 4804. See Major/Performance		6
<b>Total Semester Hours</b>		<b>22</b>

## Music Education Major

The following courses differ only in degree from those listed under Performance Major according to the credit hours earned. (See courses Applied Studio Instruction for specific requirements.) Concentration in the development of basic technics relative to teaching in the elementary and secondary school systems is an integral component of study. A high standard of proficiency is expected. Senior recital required. This degree may be earned in eight semesters if students average 17 hours per semester.

COURSE	TITLE	S.H.
<b>General Education Requirement</b>		
Core Competencies		12

ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations

## Ensembles

There are two types of ensembles in the Dana School of Music:

- large ensembles
- chamber ensembles

Large ensembles rehearse a total of three or four hours per week, and chamber ensembles for two hours per week.

## Large Ensembles

COURSE	TITLE	S.H.
MUEN 0002	Dana Chorale	1
MUEN 0003	Dana Madrigal	1
MUEN 0004	University Chorus	1
MUEN 0005	Concert Band	1
MUEN 0006	Marching Band	1
MUEN 0007	Wind Ensemble	1
MUEN 0008	Symphony Orchestra	1
MUEN 0023	Jazz Ensemble	1
MUEN 0040	University Band (spring only)	1

## Chamber Ensembles

COURSE	TITLE	S.H.
MUEN 0009	Percussion Ensemble	1
MUEN 0010	String Ensemble	1
MUEN 0012	Dana Opera Ensemble	1
MUEN 0013	Contemporary Ensemble	1
MUEN 0014	Women's Chorus	1
MUEN 0015	Early Music Ensemble	1
MUEN 0016	Woodwind Ensemble	1
MUEN 0017	Brass Ensemble	1
MUEN 0018	Horn Choir	1
MUEN 0019	Trombone Ensemble	1
MUEN 0020	Tuba Ensemble	1
MUEN 0021	Brass Chamber Ensemble	1
MUEN 0022	Trumpet Ensemble	1
MUEN 0024	Composer's Ensemble	1
MUEN 0026	Chamber Orchestra	1
MUEN 0028	Chamber Winds	1
MUEN 0029	Guitar Ensemble	1
MUEN 0030	Jazz Combo	1
MUEN 0035	Saxophone Quartet	1

MUEN 0041	Basketball Pep Band (spring only)	1
MUEN 0051	Piano Chamber	1

Ensemble courses are open to all students in the University who are qualified for them and any ensemble course may be repeated any number of semesters.

Requirements in addition to the above but unique to each ensemble:

- Opera workshop 0012 culminates in the production of one or more operas. Credit is given in accordance with the amount of work chosen by the student, ranging from one to three semester hours.
- Woodwind and brass ensembles may include quartets, quintets, and various other combinations of instruments. 1 s.h. each

For more information, visit the **Dana School of Music** (<http://www.yсу.edu/academics/college-creative-arts-and-communication/dana-school-of-music>).

## Majors

- Bachelor of Music in Performance, Instrumental Emphasis (p. 261)
- Bachelor of Music in Performance, Jazz Emphasis (p. 262)
- Bachelor of Music in Performance, Organ Emphasis (p. 264)
- Bachelor of Music in Performance, Piano Emphasis (p. 265)
- Bachelor of Music in Performance, Voice Emphasis (p. 266)
- Bachelor of Music in Composition (p. 247)
- Bachelor of Music in Education, Instrumental Emphasis (p. 254)
- Bachelor of Music in Education, Keyboard Emphasis (p. 257)
- Bachelor of Music in Education, Voice Emphasis (p. 258)
- Bachelor of Arts in Music, Applied Music Emphasis (p. 249)
- Bachelor of Arts in Music, Music History Emphasis (p. 250)
- Bachelor of Arts in Music, Music Theory Emphasis (p. 251)
- Bachelor of Arts in Music, Nonprofit Leadership Emphasis (p. 252)
- Bachelor of Music with an Emphasis in Music Recording (p. 260)

## Minors

- Music Minor (p. 267)

#### *Music Applied Classes*

#### **MUAC 1521 Keyboard Musicianship for Non-Music Majors 1 1 s.h.**

Intended for the student with no previous music studies, this first-semester course develops fundamental piano playing, through the study of music fundamentals and repertoire.

#### **MUAC 1522 Keyboard Musicianship for Non Music Majors 2 1 s.h.**

Continuation of MUAC 1521. Intended for the student with no previous music studies, this second-semester course develops fundamental piano playing, through the study of music fundamentals and repertoire.

**Prereq.:** MUAC 1521 or permission of instructor.

#### **MUAC 1556 Singer's Diction: English/Italian 1 s.h.**

Application of the principles of Lyric diction; utilization of the International Phonetic Alphabet in developing and reading phonetics transcriptions of English, Italian song texts.

#### **MUAC 1557 Singer's Diction: German 1 s.h.**

Application of the principles of Lyric diction; utilization of the International Phonetic Alphabet in developing and reading phonetics transcriptions of German song texts.

#### **MUAC 1558 Singer's Diction: French 1 s.h.**

Application of the principles of Lyric diction; utilization of the International Phonetic Alphabet in developing and reading phonetics transcriptions of French song texts.

#### **MUAC 1581 Class Piano 1 1 s.h.**

Intended for and required of all non-keyboard music majors, the first-semester course builds functional skills at the piano. Students develop techniques to perform all major scales and arpeggios, sight reading, triads and inversion, primary chords, harmonization of popular and/or folk tunes, and repertoire with both hands.

**Coreq.:** Major-level applied lessons (1501 or higher) or permission of coordinator.

#### **MUAC 1582 Class Piano 2 1 s.h.**

Continuation of MUAC 1581 and required of all non-keyboard music majors. Students hone piano techniques by performing major and minor scales and arpeggios, score analysis, transposition, harmonization of popular and/or folk tunes with extended chords, and solo/ensemble repertoire with both hands.

**Prereq.:** grade of "C" or better in MUAC 1581.

**Coreq.:** Major-level applied lessons (1501 or higher), placement test, or permission of coordinator.

**MUAC 2667 Jazz Improvisation 1 3 s.h.**

Jazz techniques with emphasis on analysis of harmonic progressions, form, style, and performance requirements of the jazz idiom. Classes must be taken in sequence.

**Prereq.:** MUAC 1525 or a grade of "B" or better on the Jazz Placement Test.

**MUAC 2668 Jazz Improvisation 2 3 s.h.**

Jazz techniques with emphasis on analysis of harmonic progressions, form, style, and performance requirements of the jazz idiom. Classes must be taken in sequence.

**Prereq.:** MUAC 1525 or a grade of "B" or better on the Jazz Placement Test.

**MUAC 2681 Class Piano 3 1 s.h.**

Continuation of MUAC 1581-1582 and required of all non-keyboard music majors. Students perform all technical requirements with fluidity and early intermediate repertoire with appropriate musical style. Emphasis on two- to three-part score reading involving transpositions, harmonization with secondary dominant chords and various accompanying patterns.

**Prereq.:** grade of "C" or better in MUAC 1582.

**Coreq.:** Major-level applied lessons (1501 or higher), placement test, or permission of coordinator.

**MUAC 2682 Class Piano 4 1 s.h.**

Final class piano required of all non-keyboard music majors that culminates in the Piano Proficiency Exam. The course emphasizes solo repertoire (including a patriotic selection for Music Education and Voice majors), three- and four-part score reading excerpts of choral, mixed-instruments repertoire, advanced accompanying, and introduction to piano pedagogy.

Final class piano required of all non-keyboard music majors that culminates in the Piano Proficiency Exam. The course emphasizes solo repertoire (including a patriotic selection for Music Education and Voice majors), three- and four-part score reading excerpts of choral, mixed-instruments repertoire, advanced accompanying, and introduction to piano pedagogy. **Prereq.:** grade of "C" or better in MUAC 2681.

**MUAC 2691 Professional Piano Skills 1 1 s.h.**

The course consists of a combination of piano skills in addition to vocal and instrumental accompanying. These may include transposition, sight reading, improvisation, creation of piano accompaniment, reading of lead-sheets and numbered bass, playing basic piano accompaniments in a number of styles including gospel, country, classical, new age, and/or the knowledge of and ability to play excerpts of the major classical works for piano for medley play and demonstration in a teaching environment.

**MUAC 2692 Professional Piano Skills 2 1 s.h.**

The course consists of a combination of piano skills in addition to vocal and instrumental accompanying. These may include transposition, sight reading, improvisation, creation of piano accompaniment, reading of lead-sheets and numbered bass, playing basic piano accompaniments in a number of styles including gospel, country, classical, new age, and/or the knowledge of and ability to play excerpts of the major classical works for piano for medley play and demonstration in a teaching environment.

**MUAC 2693 Professional Piano Skills 3 1 s.h.**

The course consists of a combination of piano skills in addition to vocal and instrumental accompanying. These may include transposition, sight reading, improvisation, creation of piano accompaniment, reading of lead-sheets and numbered bass, playing basic piano accompaniments in a number of styles including gospel, country, classical, new age, and/or the knowledge of and ability to play excerpts of the major classical works for piano for medley play and demonstration in a teaching environment.

**MUAC 2694 Professional Piano Skills 4 1 s.h.**

The course consists of a combination of piano skills in addition to vocal and instrumental accompanying. These may include transposition, sight reading, improvisation, creation of piano accompaniment, reading of lead-sheets and numbered bass, playing basic piano accompaniments in a number of styles including gospel, country, classical, new age, and/or the knowledge of and ability to play excerpts of the major classical works for piano for medley play and demonstration in a teaching environment.

**MUAC 3732 Brass Methods 1 s.h.**

Designed to prepare students for instrumental music teaching relative to brass instruments. Emphasis on tone production, the harmonic series, technique development, ranges and transposition, pedagogy, troubleshooting, and arranging techniques for brass instruments. Meets 2 hours per week.

**Prereq.:** FOUN 1501 and MUTC 1532.

**MUAC 3733 Woodwind Methods 1 s.h.**

Designed to prepare students for instrumental music teaching relative to woodwind instruments (flute, clarinet, oboe, bassoon, saxophone). Components include concepts of tone production, embouchure, articulation, and technique. Study material stresses common features as well as differences.

**Prereq.:** FOUN 1501.

**MUAC 3734 String Methods 1 s.h.**

Designed to prepare students for instrumental music teaching relative to string instruments (violin, viola, cello, string bass). Components include concepts of tone production, bowing, fingering as well as appropriate evaluation of pedagogy. Study material stresses common features as well as differences.

**Prereq.:** FOUN 1501.

**MUAC 3735 Jazz Methods 1 s.h.**

Designed to prepare students jazz teaching relative to instruments and voice. Components include fundamental techniques and approaches for directing small and large jazz ensembles, teaching of basic improvisation skills, rhythms section/soloist interaction, and stylistic interpretation. Students will demonstrate basic performance proficiencies in jazz on their applied instruments and/or voices. Meets 2 hours per week.

**Prereq.:** FOUN 1501 or MUTC 1532.

**MUAC 3755 Guitar Class 1 s.h.**

Study of the guitar at the beginning level to explore techniques and approaches appropriate to school music instruction. A minimum level of performance is required.

**Prereq.:** FOUN 1501.

**MUAC 3759 Voice Class 1 s.h.**

A study of voice at the beginning level to explore techniques and approaches appropriate to school music instruction. A minimum level of performance is required. May be repeated.

**Prereq.:** FOUN 1501.

**MUAC 3763 Percussion Methods 1 s.h.**

Study of snare drum, marching percussion, timpani, jazz drum set, keyboard, Latin percussion, and orchestral accessories. Topics include instrument selection and maintenance techniques as well as pedagogical approaches. Designed to prepare students for instrumental music teaching careers.

**Prereq.:** FOUN 1501.

**MUAC 3781 Jazz Class Piano 1 1 s.h.**

(For keyboard and non-keyboard majors). Class instruction and keyboard experience in jazz chordal voicing techniques including shell voicings and open voicings. Techniques will be applied to blues and jazz repertoire including performance of melodies, rhythmic accompaniments, and improvised comping. Classes must be taken in sequence. Meets two days per week.

**Prereq.:** grade of "B" or better in MUAC 1582 or permission of instructor.

**MUAC 3782 Jazz Class Piano 2 1 s.h.**

(For keyboard and non-keyboard majors). Class instruction and keyboard experience in jazz chordal voicing techniques including a study of open voicings using altered dominants and quartal voicings. Techniques will be applied to blues and jazz repertoire including performance of melodies, rhythmic accompaniments, and improvised comping. Meets two days per week.

**Prereq.:** MUAC 3781, or permission of instructor.

**MUAC 4867 Jazz Improvisation 3 3 s.h.**

Advanced jazz techniques with emphasis on analysis of harmonic progressions, form, style, and performance requirements of the jazz idiom. Courses must be taken in sequence.

**Prereq.:** MUAC 2668.

**MUAC 4868 Jazz Improvisation 4 3 s.h.**

Advanced jazz techniques with emphasis on analysis of harmonic progressions, form, style, and performance requirements of the jazz idiom. Courses must be taken in sequence.

**Prereq.:** MUAC 2668.

## Music Conducting

**MUCO 3715 Choral and Instrumental Conducting 3 s.h.**

Designed to develop skills, hone competencies, and share conceptual knowledge relative to the art and pedagogy of conducting. Students develop skills in conducting, score analysis and preparation, rehearsal techniques, and error detection, and create artistic interpretation with peer-lab ensemble.

**Prereq.:** MUTC 2632.

## Music Education

**MUED 2611 Computer Applications in Music Education 2 s.h.**

An overview of computer applications as they relate to the music educator. Specific hardware and software in music education will be discussed. Project topics: administrative software, music notation, MIDI, arranging and improvisation with computers, and designing multimedia. Meets two hours per week.

**Prereq.:** MUTC 1532.

**MUED 2622 Foundations of Music Education 2 s.h.**

Introduction to the principles and current practices of teaching music in K-12 settings. Strategies and approaches to teaching music of various genres with emphasis on the unique challenges of public school music instruction in the 21st Century. Includes 15 hours of exploratory fieldwork. Topics include assessment, curricular design, student engagement, classroom management, and multiculturalism.

**MUED 3722 Music in Early Childhood 3 s.h.**

Fundamental skills, repertoire, materials, and techniques for teaching music to pre-kindergarten through third grade children. For non-music majors.

**Prereq.:** CHFM 2633.

**MUED 4821 Instrumental Music Education 2 s.h.**

Materials, methods and literature for teaching elementary, middle school, and high school instrumental music programs. Emphasis on curriculum design, pedagogy, orchestration/arranging techniques, and learning theories related to jazz, concert, marching band, and orchestra. Requires 5 hours of field experience.

**Prereq.:** MUED 2622 and upper-division status in the College of Education.

**MUED 4822 Teaching Choral Music 2 s.h.**

Materials, methods and literature for school vocal ensembles. Additional emphasis is on vocal pedagogy, curriculum design, score study, adolescent voice, vocal literacy, arranging techniques, vocal improvisation, programming, designing and implementing choreography in vocal ensembles, and current issues in vocal music education. Requires 5 hours of field experience.

**Prereq.:** MUED 2622 and upper division status in the college of education.

**MUED 4823 Music Teaching in Early Childhood (Pre K-3) 2 s.h.**

Course emphasizes strategies, curriculum development, materials, classroom management, and developmentally appropriate practices for teaching diverse populations of pre K through third grade students. Candidates design and implement lessons aligned to state standards, based on established methods (Orff, Kodály, Dalcroze) in simulated and authentic settings. Requires 10 hours of field experience.

**Prereq.:** Upper division status in the college of education.

**MUED 4824 Music Teaching in the Middle School 2 s.h.**

Music materials and methods of instruction in middle schools with emphasis on understanding the physiological and psychological development of early adolescents in the context of general music classes. Course content includes managing the learning environment, motivating students, developing music curricula, planning musical experiences and assessing musical behaviors. Requires 12 hours of field experience.

**Prereq.:** MUED 4821 or MUED 4822 or concurrent enrollment, and upper division status in the college of education.

**MUED 4825 Music Teaching in the High School 2 s.h.**

Methods of organizing, administering, teaching, and conducting music in the high schools; instruction methods, curriculum, technology, scheduling, philosophy, classroom management, and applying learning theories and research to practice. Special focus on designing and implementing standards-based music objectives in both instrumental and vocal rehearsal settings. Requires 10 hours of field experience.

**Prereq.:** Upper-division status in the College of Education and either MUED 4821 or MUED 4822, plus concurrent enrollment in or completion of MUCO 3715.

**MUED 5814 Selected Topics in Music Education 2 s.h.**

Course title will be listed each semester in the Schedule of Classes. May be repeated for credit with different topics.

**Prereq.:** MUED 4823 or MUED 4825.

**MUED 5841 Music Workshop 1-3 s.h.**

For students and teachers in service; topics may vary from year to year. Specific topics are announced each time the workshop is offered. May be repeated with different topic.

**MUED 5858 Piano Pedagogy 3 s.h.**

Methods and materials involved in teaching piano in private and classroom settings. Fundamentals of technique as well as repertoire. Supervised practice teaching.

**Prereq.:** Two years of applied keyboard.

**MUED 5880 Vocal Pedagogy 1 s.h.**

A comparative study of physiological and psychological approaches to voice instruction and their application to private and class instruction.

**Prereq.:** Two years of applied voice classes.

## Music Ensembles

**MUEN 0002 Dana Chorale 1 s.h.**

Dana Chorale.

**MUEN 0002P Dana Chorale 0 s.h.**

Dana Chorale.

**MUEN 0003 Dana Madrigal 1 s.h.**

Dana Madrigal.

**MUEN 0003P Dana Madrigal 0 s.h.**

Dana Madrigal.

**MUEN 0004 University Chorus 1 s.h.**

University Chorus.

**MUEN 0004P University Chorus 0 s.h.**

University Chorus.

**MUEN 0005 Concert Band 1 s.h.**

Concert Band.

**MUEN 0005P Concert Band 0 s.h.**

Concert Band.

**MUEN 0006 Marching Band 1 s.h.**

Marching Band.

**MUEN 0006P Marching Band 0 s.h.**

Marching Band.

**MUEN 0007 Wind Ensemble 1 s.h.**

Wind Ensemble.

**MUEN 0007P Wind Ensemble 0 s.h.**

Wind Ensemble.

**MUEN 0008 Symphony Orchestra 1 s.h.**

Symphony Orchestra.

**MUEN 0008P Symphony Orchestra 0 s.h.**

Symphony Orchestra.

**MUEN 0009 Percussion Ensemble 1 s.h.**

Percussion Ensemble.

**MUEN 0009P Percussion Ensemble 0 s.h.**

Percussion Ensemble.

**MUEN 0010 String Ensemble 1 s.h.**

String Ensemble.

**MUEN 0010P String Ensemble 0 s.h.**

String Ensemble.

**MUEN 0011 Men's Chorus 1 s.h.**

Men's Chorus.

**MUEN 0011P Men's Chorus 0 s.h.**

Men's Chorus.

**MUEN 0012 Dana Opera Ensemble 1 s.h.**

Opera Ensemble.

**Prereq.:** By audition and by permission of instructor and voice teacher only.**MUEN 0012P Dana Opera Ensemble 0 s.h.**

Opera Ensemble.

**Prereq.:** By audition and by permission of instructor and voice teacher only.**MUEN 0013 Contemporary Ensemble 1 s.h.**

Contemporary Ensemble.

**MUEN 0013P Contemporary Ensembles 0 s.h.**

Contemporary Ensembles.

**MUEN 0014 Women's Chorus 1 s.h.**

Women's Chorus.

**MUEN 0014P Women's Chorus 0 s.h.**

Women's Chorus.

**MUEN 0015 Early Music Ensemble 1 s.h.**

Early Music Ensemble.

**MUEN 0015P Early Music Ensemble 0 s.h.**

Early Music Ensemble.

**MUEN 0016 Woodwind Ensemble 1 s.h.**

Woodwind Ensemble.

**MUEN 0016P Woodwind Ensemble 0 s.h.**

Woodwind Ensemble.

**MUEN 0017 Brass Ensemble 1 s.h.**

Brass Ensemble.

**MUEN 0017P Brass Ensemble 0 s.h.**

Brass Ensemble.

**MUEN 0018 Horn Choir 1 s.h.**

Horn Choir.

**MUEN 0018P Horn Choir 0 s.h.**

Horn Choir.

**MUEN 0019 Trombone Ensemble 1 s.h.**

Trombone Ensemble.

**MUEN 0019P Trombone Ensemble 0 s.h.**

Trombone Ensemble.

**MUEN 0020 Tuba Ensemble 1 s.h.**

Tuba Ensemble.

**MUEN 0020P Tuba Ensemble 0 s.h.**

Tuba Ensemble.

**MUEN 0021 Brass Chamber Ensemble 1 s.h.**

Brass Chamber Ensemble.

**MUEN 0021P Brass Chamber Ensemble 0 s.h.**

Brass Chamber Ensemble.

**MUEN 0022 Trumpet Ensemble 1 s.h.**

Trumpet Ensemble.

**MUEN 0022P Trumpet Ensemble 0 s.h.**

Trumpet Ensemble.

**MUEN 0023 Jazz Ensemble 1 s.h.**

Jazz Ensemble.

**MUEN 0023P Jazz Ensemble 0 s.h.**

Jazz Ensemble.

**MUEN 0024 Composer's Ensemble 1 s.h.**

Composer's Ensemble.

**MUEN 0024P Composer's Ensemble 0 s.h.**

Composer's Ensemble.

**MUEN 0025 Gospel Choir 1 s.h.**

A choral music performance group whose repertoire focuses on African American Gospel music and the culture in which it was created. Musical styles will encompass Spirituals through Contemporary Gospel. Meets 2 hours per week. Open to all YSU students.

**MUEN 0026 Chamber Orchestra 1 s.h.**

Chamber Orchestra.

**MUEN 0026P Chamber Orchestra 0 s.h.**

Chamber Orchestra.

**MUEN 0028 Chamber Winds 1 s.h.**

Chamber Winds.

**MUEN 0028P Chamber Winds 0 s.h.**

Chamber Winds.

**MUEN 0029 Guitar Ensemble 1 s.h.**

Guitar Ensemble.

**MUEN 0029P Guitar Ensemble 0 s.h.**

Guitar Ensemble.

**MUEN 0030 Jazz Combo 1 s.h.**

Jazz Combo.

**MUEN 0030P Jazz Combo 0 s.h.**

Jazz Combo.

**MUEN 0035 Saxophone Quartet 1 s.h.**

Saxophone Quartet.

**MUEN 0035P Saxophone Quartet 0 s.h.**

Saxophone Quartet.

**MUEN 0040 University Band 1 s.h.**

University Band.

**MUEN 0040P University Band 0 s.h.**

University Band.

**MUEN 0041 Basketball Pep Band 1 s.h.**

Basketball Pep Band.

**MUEN 0041P Basketball Pep Band 0 s.h.**

Basketball Pep Band.

**MUEN 0051 Piano Chamber 1 s.h.**

Piano Chamber.

**MUEN 0051P Piano Chamber 0 s.h.**

Piano Chamber.

## Music History and Literature

**MUHL 2616 Survey of Jazz 3 s.h.**

A historical survey of the origins, influences, and stylistic features of jazz from its beginnings to the present, with emphasis on performers, compositions, and innovations.

**Gen Ed:** Arts and Humanities.**MUHL 2616H Honors Survey of Jazz 3 s.h.**

A historical survey of the origins, influences, and stylistic features of jazz from its beginnings to the present, with emphasis on performers, compositions, and innovations.

**Gen Ed:** Arts and Humanities.

**MUHL 2617 Film Music 3 s.h.**

A historical survey of the use of music in the motion picture. Examination of different styles in works by major composers.

**Gen Ed:** Arts and Humanities.

**MUHL 2617H Honors Film Music 3 s.h.**

A historical survey of the use of music in the motion picture. Examination of different styles in works by major composers.

**Gen Ed:** Arts and Humanities.

**MUHL 2618 Rock n' Roll to Rock 3 s.h.**

A historical survey of the evolution of rock n' roll into rock with emphasis on the interrelationships of the music and social and political influences and the interaction of rock with other musical styles.

**Gen Ed:** Arts and Humanities.

**MUHL 2618H Honors Rock n' Roll to Rock 3 s.h.**

A historical survey of the evolution of rock n' roll into rock with emphasis on the interrelationships of the music and social and political influences and the interaction of rock with other musical styles.

**Gen Ed:** Arts and Humanities.

**MUHL 2619 Music of Non-Western Societies 3 s.h.**

A historical survey of music as it relates to the different cultures, with emphasis on the development of instruments, vocal practices and performance media within specific cultures.

**MUHL 2620 Music of African Americans 3 s.h.**

The study of African American musical genres from slavery to the present with focus on stylistic features, innovations, and the culture in which they were created. Topics may include Folk Music, Blues, Gospel, Ragtime, Jazz, Musical Theater, Art/Classical Music, Rhythm & Blues, Funk, Disco and House, Techno, Hip-Hop, Rap, Gender Issues, Popular Music Industry, and Musical Agency.

**MUHL 2621 Music Literature and Appreciation 3 s.h.**

The development of listening techniques applicable to Western and non-Western music through the comparison and contrast of the music of significant historical periods. For non-music majors.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**MUHL 2622 Popular Music in America 3 s.h.**

The changing styles in American popular music from its origins to the present day studied through an examination of representative compositions and performers.

**Gen Ed:** Arts and Humanities.

**MUHL 2623 Core Concepts of Music 1 s.h.**

Introduction to the study of music and culture. Basic parameters of music and its function in society are explored. Two MUEN large ensembles other than Marching Band must be taken in addition to this course to satisfy the requirements for GER credit. 1 s.h.

**MUHL 3771 Music History and Literature 1 3 s.h.**

An introduction to the intersection of music and culture. Students will explore the cultural contexts and the social, economic, and technological forces that influence the creation and dissemination of music. In addition to the core content of the class, students will be introduced to parallel narratives in the visual arts, literature, and theater. Students will demonstrate, through examination and written assignments, their understanding of how music history is a function of cultural values and choices.

**Prereq.:** sophomore standing and MUTC 1520 or permission of instructor.

**Gen Ed:** International Perspectives, Social and Personal Awareness.

**MUHL 3772 Music History and Literature 2 3 s.h.**

An introductory history of musical culture in Europe from Antiquity to 1750 C.E. Students will study the important composers and musical genres and the cultural contexts and social forces that influence the creation and dissemination of music. In addition to the core content of the class, students will be introduced to parallel narratives in the visual arts, literature, and theater. Students will also demonstrate, through examination and written assignments, their understanding of how music history is a function of cultural values and choices.

**Prereq.:** sophomore standing, MUTC 1520 or by examination, and MUHL 3771.

**Gen Ed:** Arts and Humanities.

**MUHL 3773 Music History and Literature 3 3 s.h.**

An introductory history of musical culture in Europe from 1750 C. E. to the present. Students will study the important composers and musical genres and the cultural contexts and social forces that influence the creation and dissemination of music. In addition to the core content of the class, students will be introduced to parallel narratives in the visual arts, literature, and theater. Students will also demonstrate, through examination and written assignments, their understanding of how music history is a function of cultural values and choices. **Prereq.:** sophomore standing and MUTC 1520 or by examination, and MUHL 3772.

**Gen Ed:** Arts and Humanities.

**MUHL 3774 Music History and Literature 4 3 s.h.**

A historical survey of music in America. Students will study the important composers and musical genres and the cultural contexts and social forces that influence the creation and dissemination of music. In addition to the core content of the class, students will be introduced to parallel narratives in the visual arts, literature, and theater. Students will also demonstrate, through examination and written assignments, their understanding of American musical styles and how they have developed within America's unique historical context, demographics, and social structures.

**Prereq.:** sophomore standing and MUTC 1531 or permission of instructor, and MUHL 3773.

**Gen Ed:** Arts and Humanities.

**MUHL 3775 Jazz History 3 s.h.**

Students will study and develop an understanding of jazz origins, influences, performers, compositions, and stylistic features from the turn of the century to the present. This will include study of early jazz, the swing era, bebop, cool, hard bop, post bop, modal music, modal chromatic music, free jazz, and fusion. **Prereq.:** MUTC 1520 or minimum 80% on the music theory placement exam.

**MUHL 3787 History and Appreciation of Art and Music 3 s.h.**

(General) Illustrated lectures on art and music to develop the cultural growth of the non-art and non-music student. Art and music forms, comparisons of compositional styles, and discussion of the developments, influences, and experiments of the important periods to date. No prior training in art or music required. Not intended for Art majors. Listed also as ART 3787.

**MUHL 5860 Keyboard Literature 3 s.h.**

An investigation of the solo keyboard works of major composers from the earliest times to the present day.

**Prereq.:** MUTC 2632.

**MUHL 5871 Baroque Music 3 s.h.**

The evolution of musical styles during the period 1600-1750. A historical survey of documents and music literature of the time: opera from Monteverdi to Handel; keyboard and instrumental works; significant choral works, etc.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773, and MUHL 3774.

**MUHL 5872 Eighteenth Century and the Viennese Classical School 3 s.h.**

Musical developments from the decline of the baroque to the turn of the century; historical and stylistic elements contributing to the rise of classicism and culminating in the works of Mozart, Haydn, Beethoven.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773 and MUHL 3774.

**MUHL 5873 Opera History 3 s.h.**

A historical survey of opera: its development as an art form from its beginnings to the present.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773 and MUHL 3774.

**MUHL 5874 Nineteenth Century 3 s.h.**

Musical developments from Beethoven through Wagner; aesthetic, formal, technical and historical trends with special emphasis on nationalism and the music drama.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773, and MUHL 3774.

**MUHL 5878 Selected Topics in Music History 3 s.h.**

A study of a specific topic to be announced each time the course is offered. May be repeated once with different topic.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773, and MUHL 3774.

**MUHL 5879 Vocal Literature 3 s.h.**

A study of vocal literature from all periods. Special emphasis on English language repertoire and on material especially suitable for high school students. Songs are prepared for performance in class.

**Prereq.:** MUTC 2632, MUHL 3771, MUHL 3772, MUHL 3773, and MUHL 3774.

## Music Industry

**MUIN 1561 Music Recording Workshop 4 s.h.**

Introduction to the music recording process and the recording studio. An overview of music recording grounded in history and the principles of acoustics. An exploration of analog and digital technology involved in music recording. Two hours lecture, two hours lab.

**MUIN 3700 Survey of Music Industry 2 s.h.**

A general overview of the major functional areas of the music industry, with attention to the theoretical foundations and practical application of current business practices in the music industry.

**Prereq.:** Junior standing or permission of instructor.

**MUIN 3762 Digital Sound Production 2 s.h.**

An overview of MIDI and electronic musical instrument technology. Sequencers and mixing in the MIDI environment. Basic compositional techniques using MIDI and the computer and the application of MIDI in the music recording environment.

**Prereq.:** MUIN 1561.

**MUIN 3763 Digital Recording and Editing 2 s.h.**

A study of both linear and non-linear music recording and editing various hardware and software options, as well as the production of recording projects in both domains.

**Prereq.:** MUIN 1561.

**MUIN 3764 Advanced Microphone Techniques 2 s.h.**

Investigation of the characteristics of different microphones, microphone design, microphone selection, and microphone placement. The accessories of various miking situations will be investigated. Experiments with different microphone techniques in both the analogue and digital domains.

**Prereq.:** MUIN 3763.

**MUIN 3765 Advanced Recording Techniques 2 s.h.**

Investigates advanced elements of music recording from the recording session procedures to product manufacture. Advanced techniques in noise reduction, amplification, sound compression, and synchronization.

**Prereq.:** MUIN 3764.

**MUIN 4866 Recording Internship 3 s.h.**

Practicum in appropriate music recording environments. Addresses all aspects of the music recording industry. Students meet once a week on campus to share and discuss experiences from the intern position. A minimum of 12 hours per week will be spent in the field.

**Prereq.:** MUIN 3765 and senior standing in music recording.

**MUIN 4867 Senior Project 4 s.h.**

Independent student project to showcase skills and techniques learned in the content courses. Presentation of project in a public exhibition required.

**Prereq.:** MUIN 3765 and senior standing in music recording.

## Music Theory and Composition

**MUTC 1520 Materials of Music 3 s.h.**

Musical styles, listening concepts, and harmonic techniques as they relate to the literature of music. For students who do not qualify for MUTC 1531 or MUTC 1531N.

**MUTC 1531 Music Theory 1 2 s.h.**

The first of four courses in the Music Theory sequence. Accelerated review of scales, intervals, and chords. Principles of harmonic progression with diatonic chords in common-practice and popular styles. Introduction to analysis and phrase structure. Two-part counterpoint. Introduction to four-voice writing with diatonic, root-position triads.

**Prereq.:** Music majors who have completed a successful audition for the Dana School of Music, and have achieved 80% or higher on the Theory Placement Exam, or permission of the instructor.

**MUTC 1531N Music Theory 1 Intensive 2 s.h.**

Intensive section of Music Theory 1. Music fundamentals, including pitch notation in treble and bass clefs, major and minor scales and key signatures, rhythm and meter, intervals and triads. Principles of harmonic progression with diatonic chords in common-practice and popular styles. Introduction to analysis and phrase structure.

**Prereq.:** Music major, having achieved a successful audition for the Dana School of Music.

**MUTC 1532 Music Theory 2 2 s.h.**

The second of four courses in the Music Theory sequence. Review of four-part writing and analysis. Non-harmonic tones, expanding harmonic functions with diatonic triads and seventh chords, six-four chord techniques.

**Prereq.:** grade of "C" or better in both MUTC 1531 and MUTC 1541.

**MUTC 1532N Music Theory 2 Intensive 2 s.h.**

Intensive section of Music Theory 2. Introduction to two-part counterpoint and four-voice writing with diatonic, root-position triads. Non-harmonic tones, expanding harmonic functions with diatonic triads and seventh chords, six-four chord techniques.

**Prereq.:** Grade of "C" or better in MUTC 1531N and MUTC 1541.

**MUTC 1541 Aural Theory 1 2 s.h.**

Dictation exercises including solfege patterns, bass line recognition, melody with simple rhythm, and 2-part counterpoint examples. Sight-singing including simple diatonic melodies, duets, chord-singing, and improvisation. Keyboard exercises including solfege patterns, play-and-sing, and transposition exercises. Solfege drills to build and maintain fluency with the solfege system.

**Prereq.:** Music majors who have completed a successful audition for the Dana School of Music.

**MUTC 1542 Aural Theory 2 2 s.h.**

Sight-sing diatonic and chromatic melodies. Aurally recognize and sing all diatonic triads and seventh chords. Diatonic and chromatic melodic dictation. Dictation and singing of diatonic chord progressions. Dictation of diatonic two-voice counterpoint in both strict species and free styles. Mastery of cadential patterns and voice-leading at the keyboard.

**Prereq.:** Grade of "C" or better in both MUTC 1531 (or MUTC 1531N) and MUTC 1541.

**MUTC 2631 Music Theory 3 2 s.h.**

The third of four courses in the Music Theory sequence. Continued mastery of basic voice-leading. Chromatic harmony including secondary dominants, modulations, modal mixture, and augmented sixths. Study of small and large classical forms.

**Prereq.:** Grade of "C" or better in both MUTC 1532 or MUTC 1532N and MUTC 1542.

**MUTC 2632 Music Theory 4 2 s.h.**

Advanced chromaticism, including chromatic and enharmonic modulation, extended tertian structures, chromatic mediants, altered dominants, and common tone diminished-sevenths. Early twentieth-century musical styles and model composition.

**Prereq.:** Grade of "C" or better in both MUTC 2631 and MUTC 2641.

**MUTC 2641 Aural Theory 3 2 s.h.**

Practice and mastery of advanced sight singing, aural recognition, and piano/instrumental skills. Dictation exercises including chromatic solfege patterns, chord progressions, contextual listening, and chromatic melodies. Sight-singing exercises including chromatic patterns, melodies, duets, chord-singing, and improvisation.

**Prereq.:** MUTC 1532 or MUTC 1532N and MUTC 1542 with grade of "C" or better.

**MUTC 2642 Aural Theory 4 2 s.h.**

Dictation exercises include melodies, melodic fragments, chord qualities, and harmonic progressions with enharmonic and chromatic modulations. Sight-singing exercises include melodies with advanced chromaticism and post-tonal melodies. Sight-singing repertoire including four-part chorales and music from the late nineteenth and early twentieth centuries. 2 s.h.

**Prereq.:** MUTC 2631 and MUTC 2641 with grades of "C" or better.

**MUTC 3712 Jazz Arranging 1 3 s.h.**

Scoring in the jazz idiom with emphasis on harmonic concepts, voicing procedures, form, and stylistic trends developed by major jazz composer-arrangers. Detailed study of instrumental techniques with projects scored for various size ensembles. Student arrangements are performed in reading sessions and concerts. Classes must be taken in sequence.

**Prereq.:** MUTC 1532 and MUAC 2668 or permission of instructor.

**MUTC 3713 Jazz Arranging 2 3 s.h.**

Scoring in the jazz idiom with emphasis on harmonic concepts, voicing procedures, form, and stylistic trends developed by major jazz composer-arrangers. Detailed study of instrumental techniques with projects scored for various size ensembles. Student arrangements are performed in reading sessions and concerts. Classes must be taken in sequence.

**Prereq.:** MUTC 1532 and MUAC 2668 or permission of instructor.

**MUTC 3750 Analytical Techniques 3 s.h.**

Analysis of representative repertoire from the Renaissance, Baroque, Classical, Romantic, and Contemporary periods.

**Prereq.:** MUTC 2632 and MUTC 2642 with grades of "C" or better.

**MUTC 5821 Composition for Minors 2 s.h.**

Composition in two- and three-part forms, and other compositions of small scope, such as variation and sonatina. Works are composed both for piano alone, and in combination with other instruments or voice. May be repeated by composition majors to meet requirements for freshman and sophomore composition for majors.

**Prereq.:** MUTC 2632 with a grade of "C" or better, or permission of instructor for composition majors.

**MUTC 5822 Composition for Minors 2 s.h.**

Composition in two- and three-part forms, and other compositions of small scope, such as variation and sonatina. Works are composed both for piano alone, and in combination with other instruments or voice. May be repeated by composition majors to meet requirements for freshman and sophomore composition for majors.

**Prereq.:** MUTC 2632 with a grade of "C" or better, or permission of instructor for composition majors.

**MUTC 5828 Music Technology 3 s.h.**

An exploration of the use of computers and technology in music. Applications related to composition, performance, analysis, teaching, and research.

**Prereq.:** MUTC 2632 with grade of "C" or better or permission of instructor.

**MUTC 5830 Materials of 20th Century Music 3 s.h.**

Study of the various elements of 20th century compositions, including melody, harmony, rhythm, texture, and form.

**Prereq.:** MUTC 2632 with a grade of "C" or better.

**MUTC 5831 Modal Counterpoint 3 s.h.**

Sixteenth century contrapuntal style including introduction of species technique; analysis of liturgical and secular repertoire; writing of imitative counterpoint with stylistic rhythms and cadences.

**Prereq.:** MUTC 2632 with a grade of "C" or better.

**MUTC 5832 Tonal Counterpoint 3 s.h.**

Contrapuntal style of baroque music including an analysis of examples in imitative and invertible counterpoint; writing two- and three-part inventions and three- and four-part fugal expositions.

**Prereq.:** MUTC 2632 with a grade of "C" or better.

**MUTC 5833 Theory Seminar 3 s.h.**

Topics in music theory not covered in regular upper-division offerings. May be repeated once with different topic.

**Prereq.:** MUTC 2632 with a grade of "C" or better.

**MUTC 5834 Electronic Music 3 s.h.**

Techniques of analog and digital synthesis including tape composition, musique concrete; advanced MIDI applications such as sequencing and sampling; and digital audio editing. Composition in electronic and mixed media.

**Prereq.:** For composition majors, COMP 1502 or equivalent; for non-composition majors, MUTC 2632 with a grade of "C" or better; for non-majors, permission of instructor.

**MUTC 5840 Instrumentation 3 s.h.**

Ranges, transposition, technical characteristics, and tonal features of the instruments. Scoring for large and small ensembles which are available as laboratory reading groups.

**Prereq.:** MUTC 2632 with a grade of "C" or better.

## Bachelor of Music in Music Composition

COURSE	TITLE	S.H.
<b>I. General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Arts and Humanities (satisfied by 6 hours of MUHL 377x)		0
Natural Sciences		7
Social Science		6
Social and Personal Awareness		6
General Education Elective / First Year Experience		
<b>II. Core Music Requirements</b>		
MUTC 1531 & MUTC 1541	Music Theory 1 and Aural Theory 1	4
Students who score below 80% on the Theory Placement Exam will substitute MUTC 1531N for MUTC 1531		
MUTC 1532 & MUTC 1542	Music Theory 2 and Aural Theory 2	4
Students in the Intensive Track will substitute MUTC 1532N for MUTC 1532		
MUTC 2631 & MUTC 2641	Music Theory 3 and Aural Theory 3	4
MUTC 2632 & MUTC 2642	Music Theory 4 and Aural Theory 4	4
MUTC 3750	Analytical Techniques	3
MUTC 5840	Instrumentation	3
MUHL 3771	Music History and Literature 1	3
MUHL 3772	Music History and Literature 2	3
MUHL 3773	Music History and Literature 3	3
MUHL 3774	Music History and Literature 4	3
MCMP 1501	Composition	2

## Learning Outcomes

The student learning outcomes for the major in music are as follows:

- Students will perform a public recital in their applied area.
- Students will analyze music, discriminate pitch, harmony, and rhythm and perform harmonic progressions at the piano.
- Students will demonstrate critical thinking about the various historical periods, cultural contexts, and social forces that influence musical activity.

- Students will demonstrate basic keyboard proficiency including scales, arpeggios, harmonization, repertoire, transpositions, and score reading.
- Students will compose music in a variety of genres.

## Learning Outcomes

The student learning outcomes for the major in music are as follows:

- Students will perform a public recital in their applied area.
- Students will analyze music, discriminate pitch, harmony, and rhythm and perform harmonic progressions at the piano.
- Students will demonstrate critical thinking about the various historical periods, cultural contexts, and social forces that influence musical activity.
- Students will demonstrate basic keyboard proficiency including scales, arpeggios, harmonization, repertoire, transpositions, and score reading.
- Students will record, edit, and produce music.

## Learning Outcomes

The student learning outcomes for the major in music are as follows:

- Students will perform a public recital in their applied area.
- Students will analyze music, discriminate pitch, harmony, and rhythm and perform harmonic progressions at the piano.
- Students will demonstrate critical thinking about the various historical periods, cultural contexts, and social forces that influence musical activity.
- Students will demonstrate basic keyboard proficiency including scales, arpeggios, harmonization, repertoire, transpositions, and score reading.

## Minor in Music

The following courses are for the student who has a requirement of study on a secondary instrument or voice or who does not meet the standards required in the major courses. No seminar is required. Initial enrollment is contingent upon successful completion of an audition.

COURSE	TITLE	S.H.
<b>Lower-Division Courses</b>		
Select 8 s.h. from the following:		8

MUTC 1531N Music Theory 1 Intensive and Aural Theory 1 4

Students may take MUTC 1531 instead of MUTC 1531N with permission of the instructor

Any Dana School of Music Ensemble (may be repeated)

MUAC 1500 Minor Applied Study (taken two times)

MUAC 2600 Minor Applied Study (taken two times)

MUED 2611 Computer Applications in Music Education

MUHL 2616 Survey of Jazz

MUHL 2617 Film Music

MUHL 2618 Rock n' Roll to Rock

MUHL 2619 Music of Non-Western Societies

MUHL 2621 Music Literature and Appreciation

MUHL 2622 Popular Music in America

MUTC 1532 Music Theory 2

MUTC 2631 Music Theory 3

MUTC 2632 Music Theory 4

#### Upper-Division Courses

Select 6 s.h. from the following: 6

MUHL 3771 Music History and Literature 1

MUHL 3772 Music History and Literature 2

MUHL 3773 Music History and Literature 3

MUHL 3774 Music History and Literature 4

MUTC 3700 Music Theory Elective

MUTC 5800 Music Theory Elective

MUED 3722 Music in Early Childhood

MUHL 5800 Music History Elective

**Total Semester Hours** 18

## Department of Theater and Dance

(330) 941-3810

The Department of Theater and Dance offers coursework leading to the following degrees:

- Bachelor of Arts in Theater Studies with concentrations in Acting/Directing, Design/Tech, or Film Studies
- Bachelor of Arts in Dance Management
- Bachelor of Fine Arts in Musical Theater
- Minor in Theater Studies, Dance, or Film

All theater programs are fully accredited by the National Association of Schools of Theatre (NAST).

## Learning Outcomes

The student learning outcomes for the major in theater are as follows:

- **Public Performances** – Students demonstrate competence in the creation and presentation of public theater events, either as performers, designers, or technicians.
- **Knowledge of History and Cultural Dimensions** – Students demonstrate knowledge of the history and cultural influences of and upon the institution of theater throughout the ages.
- **Informed Assessments of Quality** – Students demonstrate the ability to critically evaluate works of theater.
- **Critical Thinking** – Students demonstrate the ability to define a desired goal in creating a work of theater and find solutions to achieve that goal.

In addition to the above outcomes, learning outcomes in musical theater also include:

- **Musical Knowledge** – Students demonstrate an understanding of music theory, the keyboard, and the ability to read music.
- **Vocal Competence** – Students demonstrate an ability to sing and act a musical selection in the musical theater style.

## Professional Societies

### Alpha Psi Omega

The Department of Theater and Dance is a member of Alpha Psi Omega, the National Honorary Dramatics Fraternity. Students may become members of the local chapter by:

- achieving the prescribed cumulative grade average
- earning a prescribed number of points through participation in dramatic activities

Membership requires sophomore standing.

#### Chair

**Matthew Mazuroski**, M.F.A., Associate Professor, Chair

#### Professor

**Christine Cobb**, M.A., Professor

**Maria Fenty Denison**, D.M.A., Assistant Professor

**Todd Dicken**, M.F.A., Assistant Professor

**Katherine N. Garlick**, M.F.A., Assistant Professor

**Christopher Austin Hill**, Ph.D., Assistant Professor

## Majors

- Bachelor of Arts in Theater Studies (p. 273)
- Bachelor of Fine Arts in Theater (p. 279)
- Bachelor of Fine Arts in Musical Theater (p. 277)
- Bachelor of Arts in Dance Management (p. 272)

## Minors

- Minor in Theater (p. 280)
- Minor in Dance (p. 279)

## Dance

### DNCE 1540 Modern Dance 1 1 s.h.

Elementary techniques of body movement. Rhythmic fundamentals and improvisation.

### DNCE 1541 Modern Dance 2 2 s.h.

Intermediate modern dance techniques, composition, and improvisation. May be repeated up to six credit hours.

**Prereq.:** DNCE 1540 or permission of instructor.

### DNCE 1542 Dance Composition 2 s.h.

Basic principles related to the form and structure of dance composition.

**Prereq.:** DNCE 1541 or permission of instructor.

### DNCE 1550 Wellness for Actors and Dancers 1 s.h.

Conditioning, relaxation, and injury prevention techniques related to the needs of dancers and actors.

**Prereq.:** 2 hours credit in any jazz, ballet, or modern dance technique classes or permission of instructor.

### DNCE 1565 Topics in Dance 1-2 s.h.

Selected topics in the practice, theory or scholarship of dance. May be repeated if the topic is different.

**DNCE 1565F Topics in Dance Dance Repertoire 1-2 s.h.**

Selected topics in the practice, theory or scholarship of dance. May be repeated if the topic is different.

**DNCE 1570 Tap and Jazz 1 1 s.h.**

Principles and practices of the basic techniques of tap dance, soft shoe, jazz, and the fundamental forms of dance movement found in musical theater.

**DNCE 1571 Tap and Jazz 2 2 s.h.**

Further refinement and development of jazz and tap skills. This course may be repeated up to six credit hours.

**Prereq.:** DNCE 1570 or permission of instructor.

**DNCE 1572 Ballet 1 1 s.h.**

Theory and practice of classical ballet with emphasis on body placement and muscular awareness. Fundamentals of vocabulary, structure, and placement.

**DNCE 1573 Ballet 2 2 s.h.**

Expands on vocabulary and established patterns of balletic movement. This course may be repeated up to six credit hours.

**Prereq.:** DNCE 1572 or permission of instructor.

**DNCE 2606 Creative Dance for Children 1 s.h.**

Skills and methods development, and the learning process as it applies to teaching children's dance and creative movement.

**Prereq.:** Sophomore standing or permission of the instructor.

**DNCE 2662 Practicum in Theater and Dance 1 s.h.**

Practical application of theater or dance skills through participation in special programming of the department, or specified studio/laboratory activities.

Expected participation should amount to a minimum of thirty hours per semester. May be repeated for a maximum of 5 s.h.

**Prereq.:** THTR 1561 or special permission.

**Cross-listed:** THTR 2662.

**DNCE 2680 Tap Dance 3 2 s.h.**

Intermediate/advanced tap skills, with emphasis on speed, clarity of sound, and improvisation.

**Prereq.:** DNCE 1571 or permission of the instructor.

**DNCE 2698 Survey of Dance 3 s.h.**

The role of dance in culture and history, tracing the evolution of various folk, social, and concert forms. Structural and stylistic elements important for the appreciation of movement and dance.

**Gen Ed:** Arts and Humanities.

**DNCE 3730 Music for Dance 2 s.h.**

Designed to provide the dance student with basic musical knowledge and skills necessary for quality dance performance, production, and accompaniment.

**Prereq.:** Minimum of 6 hours coursework in DNCE.

**DNCE 3751 Modern Dance 3 2 s.h.**

Intermediate/advanced techniques in modern dance designed to develop professional performance quality. May be repeated up to six credit hours.

**Prereq.:** DNCE 1541 or consent of the instructor.

**DNCE 3767 Choreography for Musical Theater 2 s.h.**

The study of dance, movement, and staging for the musical theater, culminating in student choreographed/staged works from a variety of musical theater productions.

**Prereq.:** DNCE 1540 and DNCE 1570, DNCE 1572.

**DNCE 3770 Jazz Dance 3 2 s.h.**

Intermediate/advanced level class building upon a strong foundation in jazz dance. Refinement of technical and artistic proficiency. May be repeated for a maximum of 6 credit hours.

**Prereq.:** DNCE 1571 or permission of the instructor.

**DNCE 3781 Ballet 3 2 s.h.**

Intermediate/advanced course building upon skills acquired in Ballet 1 and 2. Designed to enhance technique and artistry. May be repeated for a maximum of six credit hours.

**Prereq.:** DNCE 1573 or consent of the instructor.

**DNCE 3791 Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791A Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791B Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791C Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791D Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791E Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791F Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 3791G Dance Participation 1 s.h.**

Involvement with the Dance Ensemble rehearsal process and performance. Must be taken seven semesters during the time a student is a dance major.

**Concurrent with:** DNCE 1540 or DNCE 1570 or DNCE 1572 or by audition.

**DNCE 4871 Jazz Dance 4 2 s.h.**

Refinement of skills and artistic qualities essential for the performance of jazz dance repertory at a pre-professional level. May be repeated for a maximum of 6 credit hours.

**Prereq.:** DNCE 3770 or permission of the instructor.

**DNCE 4881 Ballet 4 2 s.h.**

Advanced-level movement skills and terminology. Skills increase in speed, complexity, and duration. This course may be repeated for a maximum of 6 credit hours.

**Prereq.:** DNCE 3781 or permission of instructor.

**DNCE 4885 Dance Kinesiology 3 s.h.**

Anatomy and kinesiology for the dancer, common injuries in dance and their care and prevention, study of physiological support systems, as well as applied knowledge of one's body potential and limitations in dance.

**Prereq.:** junior/senior standing or consent of instructor.

**DNCE 4892 Pedagogy of Dance Technique 3 s.h.**

The theory and practice of sound dance teaching methods. An outside field experience in teaching dance will be required. Senior standing.

**Prereq.:** Completion of minimum of 2 hours of dance technique in each of the following forms: Modern, Ballet and Jazz (satisfied by the completion of course work in those areas or by permission of the instructor), plus DNCE 1550, DNCE 2606, DNCE 3730 and DNCE 4885.

**DNCE 4898 Senior Project 3 s.h.**

Capstone experience expected of all students in the major. Significant demonstration of practical or scholarly ability in Dance choreography and/or pedagogy.

**Prereq.:** Senior standing.

## Theater

### THTR 1512 Survey of Musical Theater 3 s.h.

The history and development of the musical theater genre, including an in-depth study of significant works and individual practitioners.

**Gen Ed:** Arts and Humanities.

### THTR 1559 Play Production 3 s.h.

An introduction to the processes of analyzing, directing, staging, and producing plays; demonstration and practice.

### THTR 1560 Understanding Theater 3 s.h.

The theory, history, cultural role, and physical characteristics of the theater as an institution in human society.

**Gen Ed:** Arts and Humanities.

### THTR 1561 Stagecraft 3 s.h.

The technical elements of play production, with emphasis on stage mechanics, set construction, and scene painting.

### THTR 1563 Costume Construction and Craft 3 s.h.

Introduction to stage costuming through the study and application of costume construction techniques and costume crafts, the use of appropriate equipment, and costume maintenance through various projects involving the special techniques used for stage costuming.

### THTR 1590 History of Motion Pictures 3 s.h.

The history of the motion picture from its beginnings to the present, with emphasis on the milestones of film as a performing art. Viewing of significant films from various periods and countries.

**Gen Ed:** Arts and Humanities.

### THTR 2600 Theater Participation 1 s.h.

Expected involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken once each semester during the time that a student is in residence as a theater major, for a minimum of 3, or its equivalent.

**Prereq.:** a declared major in theater, and faculty permission.

### THTR 2600A Theater Participation 1 s.h.

Expected involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken once each semester during the time that a student is in residence as a theater major, for a minimum of 3, or its equivalent.

**Prereq.:** a declared major in theater, and faculty permission.

### THTR 2600B Theater Participation 1 s.h.

Expected involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken once each semester during the time that a student is in residence as a theater major, for a minimum of 3, or its equivalent.

**Prereq.:** a declared major in theater, and faculty permission.

### THTR 2600C Theater Participation 1 s.h.

Expected involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken once each semester during the time that a student is in residence as a theater major, for a minimum of 3, or its equivalent.

**Prereq.:** a declared major in theater, and faculty permission.

### THTR 2607 Puppetry 3 s.h.

An overview of the history of puppets in world drama, combined with practical exercises in making inanimate objects come to "life" for the purpose of creating works of theater. Includes puppet construction and performance.

**Prereq.:** Sophomore standing.

### THTR 2661 Stage Management 1 s.h.

Basic principles and techniques of stage management including job functions and responsibilities, production organization, problem solving and specialized paperwork. Stage management of a production and one hour lecture per week. Stage management of a production is a requirement of the class. Grade: Traditional/PR.

**Prereq.:** THTR 1559.

### THTR 2662 Practicum in Theater and Dance 1 s.h.

Practical application of theater or dance skills through participation in special programming of the department, or specified studio/laboratory activities.

Expected participation should amount to a minimum of thirty hours per semester. May be repeated for a maximum of 5 s.h. CROSS LISTED WITH DNCE 2662.

**Prereq.:** THTR 1561 or THTR 1559 or special permission.

### THTR 2664 Musical Theater Lab 1 s.h.

Applied skills course dealing with styles and techniques of performing for the musical theater. Covers auditioning, rehearsal process, and expressive delivery and gesture through song. Culminates in public recital.

**Prereq. or concurrent** THTR 2668 and VOIC 1501T or other evidence of vocal training; and sophomore standing.

### THTR 2667 Acting 2: Voice for the Actor 3 s.h.

Technical elements of voice for the stage. Physical exercises designed to improve stage speech, vocal projection, articulation and clarity. Application of principles and skills to a variety of texts from a performer's perspective.

**Prereq.:** THTR 2668.

### THTR 2668 Acting 1: Fundamentals 3 s.h.

The fundamental theories and techniques of acting. Major emphasis on theater acting, but consideration is given to radio and television acting.

**Prereq.:** THTR 1559 or permission of instructor.

### THTR 2670 Oral Interpretation 3 s.h.

The development of skills necessary for the oral interpretation of various types of literature: prose, poetry, and drama. The thorough analysis of each work and communication of the work to an audience.

### THTR 2690 The Art of Motion Pictures 3 s.h.

Analysis of the structure of the motion picture, the development of the script, the function of editing, the approach to acting in film production, and the problems faced by a director in film production. Criteria of artistic film making. Examples from motion pictures are screened and discussed.

**Prereq.:** Sophomore standing.

**Gen Ed:** Arts and Humanities.

### THTR 3700 Theater Participation 2 1 s.h.

Advanced involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken each semester during the time that a student is in junior/senior residence as a theater major, for a minimum of 4 or its equivalent.

**Prereq.:** 3 s.h. of THTR 2600 or permission of the instructor.

### THTR 3700A Theater Participation 2 1 s.h.

Advanced involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken each semester during the time that a student is in junior/senior residence as a theater major, for a minimum of 4 or its equivalent.

**Prereq.:** 3 s.h. of THTR 2600 or permission of the instructor.

### THTR 3700B Theater Participation 2 1 s.h.

Advanced involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken each semester during the time that a student is in junior/senior residence as a theater major, for a minimum of 4 or its equivalent.

**Prereq.:** 3 s.h. of THTR 2600 or permission of the instructor.

**THTR 3700C Theater Participation 2 1 s.h.**

Advanced involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken each semester during the time that a student is in junior/senior residence as a theater major, for a minimum of 4 or its equivalent.

**Prereq.:** 3 s.h. of THTR 2600 or permission of the instructor.

**THTR 3700D Theater Participation 2 1 s.h.**

Advanced involvement in the main stage productions of the department. Students will audition for all main stage productions, or accept a significant assignment in stage management, costume, scenery, lighting or other technical element of production. Must be taken each semester during the time that a student is in junior/senior residence as a theater major, for a minimum of 4 or its equivalent.

**Prereq.:** 3 s.h. of THTR 2600 or permission of the instructor.

**THTR 3701 Professional Preparation 2 s.h.**

This course covers topics vital to preparation for the business of professional theater. Contracts, taxes, marketing, resumes, e-portfolios, interviewing, job hunting and legal considerations are among several topics to be discussed.

**Prereq.:** THTR 1560, THTR 1561, or THTR 2668 and junior standing as theater major.

**THTR 3761 Stage Makeup 3 s.h.**

Design and application of makeup for the stage including techniques for character and age makeup, making and applying facial hair, and other specialized makeup procedures.

**Prereq.:** THTR 1559 or permission of instructor.

**THTR 3762 Directing 1 3 s.h.**

An intensive study of the process of directing plays. Whenever possible, students direct the equivalent of a one-act play for public presentation. Lab hours by arrangement.

**Prereq.:** THTR 1559 and THTR 3768 or concurrently or permission of instructor.

**THTR 3763 Scene Design 3 s.h.**

The history of design in terms of stage scenery; an investigation of current trends, techniques, and media; practical execution of models and sketches by the student.

**Prereq.:** THTR 1559 and THTR 1561 or consent of the instructor.

**THTR 3764 History of Stage Costume 3 s.h.**

A survey of stage costumes based on western styles from the ancient Egyptians to the present with emphasis on periods in which the theater flourished.

**Prereq.:** THTR 1559 or permission of instructor.

**THTR 3765 Lighting Design 3 s.h.**

A study of historical development, basic electrical theory, switch boards and lighting instruments; color theory, principles and practices in stage lighting. Lab hours to be arranged.

**Prereq.:** THTR 1559 and THTR 1561 or consent of instructor.

**THTR 3766 Stage Combat 3 s.h.**

Applied skills class specializing in armed and unarmed combat for the stage. Safety factors in stage fighting, including safe use of rapier and dagger. Performance in public required.

**Prereq.:** THTR 2668 or MUEN 0012 or KSS 1514 or permission of instructor.

**THTR 3768 Script Analysis 3 s.h.**

Critical approaches to dramatic literature. Analysis of dramatic works for production values.

**Prereq.:** THTR 1559 and THTR 2668 or permission of instructor.

**THTR 3769 Costume Design 3 s.h.**

Costume design for the stage through a study of script analysis, design concepts and principles, and costume rendering techniques.

**Prereq.:** THTR 1559 or permission of instructor.

**THTR 3791 Rehearsal and Performance 3 s.h.**

Faculty-supervised study and practical demonstration of a theater or dance performance. Credit given for significant acting or dancing roles, assistant directing, or stage management assignments in Department of Theater and Dance programming. For students with appropriate experience. May be taken twice.

**Prereq.:** THTR 2668 or DNCE 1542 and faculty approval.

**THTR 3792 Projects in Production 3 s.h.**

Faculty-supervised study resulting in the design and/or execution of scenery, lighting, or costumes for public performance. For students with appropriate experience. May be taken twice.

**Prereq.:** THTR 3763 or THTR 3765 or THTR 3769 and theater faculty committee approval.

**THTR 4860 Theater History after 1700 3 s.h.**

History of the physical theater and representative dramatic texts from 1700 to the modern era.

**Prereq.:** 9 s.h. of THTR coursework, 3 of which must be upper division.

**THTR 4863 Acting 3: Styles 3 s.h.**

A study of specific theories, techniques, and approaches to creating the various styles of acting. Emphasis on scene study featuring important historical styles of performance.

**Prereq.:** THTR 1559 and THTR 2668.

**THTR 4866 Summer Theater Workshop 1-3 s.h.**

Participation in the summer theater program involving all aspects of theatrical production. Positions of significant responsibility.

**Prereq.:** Junior standing in Theater, or permission of instructor.

**THTR 4868 Children's Theater 3 s.h.**

A study of the process of theater production by and for elementary school children, including theory, objectives, and methods.

**Prereq.:** THTR 3762 or senior standing in Elementary Education with permission of instructor.

**THTR 4869 Creative Dramatics 3 s.h.**

Basic elements of playmaking, improvisation, story dramatization, pantomime, dialogue, and characterization. Experience with area school children provided when possible. Intended for elementary education majors and drama certification.

**Prereq.:** Junior standing with 9 s.h. of theater courses (including THTR 1559 and THTR 2668) or junior standing in Elementary Education with permission of instructor.

**THTR 4870 Acting 4: Acting on Camera 3 s.h.**

A exploration of the theory and technique of film and video performance, and the special demands they make upon an actor.

**Prereq.:** THTR 2668 and THTR 2667 and junior standing, or consent of instructor.

**THTR 4891 Theater History Before 1700 3 s.h.**

History of the physical theater and representative dramatic texts from the Classical period through the Renaissance.

**Prereq.:** 9 s.h. of THTR coursework, 3 of which must be upper division.

**THTR 4893 Independent Study in Theater 1-3 s.h.**

Independent work in theater production under faculty/staff guidance. Intended as a continuation of individualized creative work beyond THTR 3791 or THTR 3792. Project dependent upon approval of the evaluating faculty member and the student. May be repeated with different topics for a total of 9 s.h.

**Prereq.:** THTR 3791 or THTR 3792.

**THTR 4895 Arts in Education Internship: Theater 1-3 s.h.**

A practical application of drama/theater in education theories and skills in a field-based lab experience in the schools. Students submit project proposals geared either to the elementary or secondary level. Proposals must be approved by a theater faculty committee. Repeatable for a total of 6 s.h.

**Prereq.:** THTR 1561, THTR 1559 and THTR 3762; or THTR 1559, THTR 3761 and THTR 4868.

**THTR 4898 Senior Project 3 s.h.**

Capstone experience expected of all seniors in the degree programs of the department. Significant demonstration of practical or scholarly ability in one of the sub-disciplines comprising the disciplines of theater or dance, and showing evidence of solid writing, speaking, and critical thinking skills. Grading is A,B,C,NC/PR.

**Prereq.:** Senior standing with the expectation of graduating by the end of the following semester.

**Gen Ed:** Capstone.

**THTR 4899 Topics in Theater 3 s.h.**

In-depth study of selected aspects in theater scholarship, theory or practice. May be repeated if the topic changes.

**Prereq.:** Junior standing or permission of instructor.

**THTR 4899N Topics in Theater: Irish Drama, Literature, and History 3 s.h.**

In-depth study of selected aspects in theater scholarship, theory or practice. May be repeated if the topic changes.

**Prereq.:** Junior standing or permission of instructor.

**THTR 5864 Directing 2 3 s.h.**

A study of specific theories, techniques, and various important styles in play directing.

**Prereq.:** THTR 1559 and THTR 3762.

## Bachelor of Arts in Dance Management

This is an interdisciplinary degree combining a solid selection of practical dance coursework and a protocol of management and entrepreneurial studies offered by the Williamson College of Business Administration. It is designed to provide skills applicable to teaching dance with an understanding of basic practices related to creating or managing a small business such as a dance studio or performance company.

### Important Notes

- View the *Undergraduate Catalog* for information including course descriptions and prerequisites, major and minor requirements, academic policies, etc.
- Check the *Undergraduate Catalog* for course prerequisites; classes taken out of sequence will not count toward graduation.
- A grade of "C" or better is required in all required major and minor courses. Courses taken as "CR/NC" will not count towards the major or minor.
- Courses cannot count toward both the major and minor.
- Courses taken for the major and minor may be applied toward satisfying General Education requirements but credit hours cannot be double counted.
- Course numbers of 3700 and higher are considered upper-division courses.
- You must complete coursework totaling a minimum of 124 s.h. to graduate (at least 60 s.h. must be completed at the 2600 level or higher and 48 s.h. must be at the 3700 level or higher).
- The following courses do NOT count as hours toward graduation:

COURSE	TITLE	S.H.
MATH 1501	Elementary Algebraic Models	5
MATH 1507	Intermediate Algebra	3
ENGL 1509	Academic English for Non-native Speakers	3
ENGL 1512	English Conversation for Non-native Speakers	1
ENGL 1539	Fundamentals of College Writing	4
ENGL 1540	Introduction to College Writing	3
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3
RSS 1510C	STEM Advanced College Success Skills	4

- The residency rule states that the last 30 s.h. of your degree and at least 16 s.h. in your major and 21 s.h. in upper-division courses must be completed at YSU.
- Eligibility to continue receiving federal financial aid is affected by your "satisfactory academic progress." Carefully review details on the Office of Financial Aid and Scholarship (<http://cfweb.cc.ysu.edu/finaid>) website.
- Meet with your advisor on a regular basis to ensure you are meeting requirements for graduation.

## Graduation Process

### • One Year Before Expected Graduation

- Request a Graduation Evaluation
- When your evaluation is complete, make an appointment with the chairperson of your department.

### • Semester You Plan To Graduate

- Apply for graduation during the *first three weeks of the semester* you plan to graduate (you must have a graduation evaluation completed in advance).

**Semester Hours 14**

**Total Semester Hours 124**

Learning outcomes for the degree in dance management include:

- **Basic Management Process** – Students demonstrate an understanding of basic management principles and entrepreneurship.
- **Dance Techniques** – Students demonstrate competence in a number of dance techniques and styles, including a basic understanding of world dance forms and styles.
- **Pedagogy** – Students demonstrate competence in transferring the knowledge, skills, aesthetics, and art of dance through teaching assessment.
- **Choreography and Composition** – Students demonstrate the ability to create movement combinations leading to successful compositional studies and performance choreography.

## Bachelor of Arts in Theater Studies

The Bachelor of Arts in Theater Studies combines an array of liberal arts coursework with extensive practical training in the techniques of theater production. Students work closely with their instructors in the classroom as well as in laboratory settings. As with any liberal arts degree, the BA is primarily designed to provide students with a broad general education, but its location in a department of theater provides special opportunities to develop production/performance skills as well. This degree program is fully accredited by The National Association of Schools of Theatre (NAST).

## Important Notes

- View the *Undergraduate Catalog* online for information including course descriptions and prerequisites, major and minor requirements, academic policies, etc.

## Learning Outcomes

1. Public Performances – Students will competently create and present public theater events, either as performers, designers or technicians.
2. Knowledge of History and Cultural Dimensions: Students will explain the history and cultural influences of and upon the institution of theater throughout the ages.
3. Informed Assessments of Quality: Students will critically evaluate works of theater.
4. Critical Thinking: Students will define a desired goal in creating a work of theater, and devise a plan to achieve that goal.

## Bachelor of Arts in Theater Studies, Film/Video Track

The Bachelor of Arts in Theater Studies, Film/Video Studies combines an array of liberal arts coursework with extensive practical training in the techniques of theater, film, and video production. Students work closely with their instructors in the classroom as well as in laboratory settings. As with any liberal arts degree, the BA is primarily designed to provide students with a broad general education and offers specialty courses within the Theater, Telecommunications, and English departments. Students within this degree program select one of three areas: Production, Visual Media and Design, or Critical Studies.

## Important Notes

- View the *Undergraduate Catalog* online for information including course descriptions and prerequisites, major and minor requirements, academic policies, etc.
- Check the *Undergraduate Catalog* for course prerequisites; classes taken out of sequence will not count toward graduation.

# Bachelor of Fine Arts in Musical Theater

The Bachelor of Fine Arts in Musical Theater is designed to provide intensive training preparing students for professional careers as actor/singers. It is fully accredited by the National Association of Schools of Theatre (NAST), and admission to this program is available by audition/interview only. This degree may be completed in eight semesters if students average 16 hours per

semester. Retention in the program is contingent upon an annual progress review presented by each student.

## Important Notes

- View the *Undergraduate Catalog* for information including course descriptions and prerequisites, major and minor requirements, academic policies, etc.
- Check the *Undergraduate Catalog* for course prerequisites; classes taken out of sequence will not count toward graduation.
- A grade of "C" or better is required in all required major and minor courses. Courses taken as "CR/NC" will not count towards the major or minor.
- Courses cannot count toward both the major and minor.
- Courses taken for the major and minor may be applied toward satisfying General Education requirements, but credit hours cannot be double counted.
- Course numbers of 3700 and higher are considered upper-division courses.
- You must complete coursework totaling a minimum of 124 s.h. to graduate (at least 60 s.h. must be completed at the 2600 level or higher and 48 s.h. must be at the 3700 level or higher).
- The following courses do NOT count as hours toward graduation:

COURSE	TITLE	S.H.
MATH 1501	Elementary Algebraic Models	5
MATH 1507	Intermediate Algebra	3
ENGL 1509	Academic English for Non-native Speakers	3
ENGL 1512	English Conversation for Non-native Speakers	1
ENGL 1539	Fundamentals of College Writing	4
ENGL 1540	Introduction to College Writing	3
RSS 1510A	Advanced College Success Skills	3
RSS 1510B	Basic College Success Skills	3
RSS 1510C	STEM Advanced College Success Skills	4

- The residency rule states that the last 30 s.h. of your degree and at least 16 s.h. in your major and 21 s.h. in upper-division courses must be completed at YSU.
- Eligibility to continue receiving federal financial aid is affected by your "satisfactory academic progress." Carefully review details on the Office of Financial Aid and Scholarship (<http://cfweb.cc.ysu.edu/finaid>) website.
- Meet with your advisor on a regular basis to ensure you are meeting requirements for graduation.

## Graduation Process

- **One Year Before Expected Graduation**
  - Request a Graduation Evaluation
  - When your evaluation is complete, make an appointment with the chairperson of your department.
- **Semester You Plan To Graduate**
  - Apply for graduation during the **first three weeks of the semester** you plan to graduate (you must have a graduation evaluation completed in advance).

Grade of "C" or better is required. Courses cannot be taken "CR/NC".

## Learning Outcomes

1. Public Performances: Students will competently create and present public theater events, either as performers, designers or technicians.
2. Knowledge of History and Cultural Dimensions: Students will explain the history and cultural influences of and upon the institution of theater throughout the ages.
3. Informed Assessments of Quality: Students will critically evaluate works of theater.
4. Critical Thinking: Students will define a desired goal in creating a work of theater, and devise a plan to achieve that goal.
5. Musical Knowledge: Students will understand basic music theory, and the keyboard.
6. Vocal Competence: Students will competently sing and act a musical selection in the musical theater style.

## Bachelor of Fine Arts in Theater

The Bachelor of Fine Arts in Theater is designed to provide intensive training, preparing students for careers in the professional or academic theater. It is fully accredited by the National Association of Schools of Theatre (NAST), and admission to this program is available by audition/interview only. Students admitted to this BFA program will combine a basic foundation of general studies with an extensive selection of performance-oriented coursework (acting, directing, design, and dance) and participation in the co-curricular production activities of the department. This degree may be earned in eight semesters if students average 16 hours per semester. Retention in the program is contingent upon an annual progress review presented by each student.

or ENGL 3765	Film Genres	
<b>Total Semester Hours</b>		<b>18</b>

## The College of Liberal Arts and Social Sciences

*Kristine Blair, Dean*

The College grants three bachelor's degrees:

- Bachelor of Arts (BA)
- Bachelor of General Studies (BGS)

- Bachelor of Science in Applied Science (BSAS)

Additionally an Associate of Arts (AA) degree is offered.

## Academic Departments

- Department of Economics
- Department of English
- Department of Foreign Languages and Literatures
- Department of Geography
- Department of History
- Department of Philosophy and Religious Studies
- Department of Politics and International Relations and Rigelhaupt Pre-Law Center
- Department of Psychology
- Department of Sociology, Anthropology, and Gerontology

## Academic Programs

- Africana Studies
- American Studies
- Global Education
- Islamic Studies
- Judaic and Holocaust Studies
- Peace and Conflict Studies
- Women's and Gender Studies
- Working-Class Studies

## Mission

The mission of Youngstown State University's College of Liberal Arts and Social Sciences (CLASS) embraces interdependent aspects of teaching, scholarship, and service. The College seeks to meet the educational needs of students enrolled in its associate, bachelor's, and master's degree programs and to provide a core of liberal arts coursework for all YSU students.

Youngstown State University's College of Liberal Arts and Social Sciences, through its general education and major requirements, seeks to prepare students for productive and rewarding lives by developing critical and creative thinking, sound judgment, and effective communication skills. The College strives to impart knowledge of the liberal arts and social sciences and to produce educated citizens who value learning. It helps students develop regional, national and global perspectives and a better understanding of the individual and society in the past and present. The College prepares students for careers, or for further graduate or professional study, by immersing them in liberal arts and social science disciplines. College faculty members use their expertise in service to the University, their professions, and the community to serve as advisors, mentors, and career counselors to students. In addition, they contribute to knowledge within their disciplines by presenting conference papers and publishing books and articles.

Finally, the College values diversity, exposing students to experiences and coursework that affirm the richness of ethnic, cultural, gender, and racial differences.

## Programs For the BA Degree

- Anthropology
- Economics
- English
- Geography
- Gerontology
- History
- Italian
- Philosophy

- Political Science
- Professional and Technical Writing
- Psychology
- Religious Studies
- Sociology
- Spanish

## Programs For the BGS Degree

- General Studies

## Programs For the BSAS Degree

- Long-Term Care Administration

## ICP Program

Students whose needs are not met by existing conventional programs may wish to investigate and apply for the **Individualized Curriculum Program** (see Special Academic Programs).

## Minors

Minors are available in all program areas with many programs offering multiple and/or interdisciplinary minors. A minimum of eighteen (18) semester hours are required for the minor, and 1/3 of the hours must be upper division.

## Certificates

Certificate programs are offered in historic preservation, applied gerontology, geospatial science and technology, and comparative international studies.

## Prospective Teachers

Prospective elementary or secondary teachers may work toward a BA or BS in Education degree.

Prospective high school teachers major in the College of Liberal Arts and Social Sciences department of their principal field and are advised by that department, except for the requirements for teacher certification, for which advisement is by the College of Education.

For the Institutional Report on the Quality of Teacher Preparation, Title II, Higher Education Act, please see *Title II, Teacher Education* in the Undergraduate Catalog.

## Degree Requirements

Requirements for completion of a baccalaureate degree (BA, BGS) within the College of Liberal Arts and Social Sciences include all University requirements detailed in the **Academic Policies and Procedures** section of the Undergraduate Catalog (i.e., requirements regarding total General Education Requirements, university credits, course levels, majors, and minors, grade point average, residency and degree applications). Specific requirements for each major in the College of Liberal Arts and Social Sciences are listed by department.

## College Foreign Language Requirement for Bachelor's Degree

All candidates for the BA degree are required to demonstrate proficiency at the 2600 level (two semesters) in any foreign language. Students with a foreign language background may desire to take the foreign language placement test in order to place into the second semester (2600) or beyond (which will satisfy the foreign language requirement). It may be possible to satisfy the foreign language requirement through appropriate college transfer coursework and credit by exam.

## Courses of Instruction and Curricula

In the following department sections, the course requirements for the various majors are given, but other requirements are not repeated from the list above.

Course descriptions can be found in a separate section of the Undergraduate Catalog.

For more information, visit the **The College of Liberal Arts and Social Sciences** (<http://www.yzu.edu/academics/college-liberal-arts-social-sciences>).

## Minor in Africana Studies

### Program Director

Tiffany Anderson

239 DeBartolo Hall

(330) 941-3419

tmanderson03@ysu.edu

The University offers a minor in Africana Studies with the advice and approval of the chair of the department in which the student is majoring. The minor requires completion of 18 hours. For information about the Africana Studies minor, contact the director.

COURSE	TITLE	S.H.
AFST 2600	Introduction to Africana Studies 1	3
AFST 2601	Introduction to Africana Studies 2	3
<b>Select two courses from the following (6 s.h.):</b>		<b>6</b>

A social studies seminar focusing on the historic, economic, political, or social aspects of the experiences of people of African descent. May be repeated once with different content.

**Prereq.:** AFST 2600.

### AFST 3701 Africana Studies Colloquium 2 3 s.h.

A humanities seminar focusing on the art, music, literature and/or philosophy of people of African descent. May be repeated once with different content.

**Prereq.:** AFST 2601.

# Minor in American Studies

## Program Director

Dolores V. Sisco  
245 DeBartolo Hall  
(330) 941-3422  
dvsisco@ysu.edu

American Studies offers students the opportunity to examine the central themes and issues in American life using material and approaches from a variety of disciplines. Students gain awareness of the broad outlines of American history and culture as well as an understanding of important theories of culture and ways of studying American life.

The University offers a minor in American Studies with the advice and approval of the chair of the department in which the student is majoring. The minor requires completion of 18 hours. For information about the American Studies minor, contact the director.

In addition to offering a minor in American Studies, YSU offers a Master of Arts in American Studies. For more information, consult the Graduate Catalog.

COURSE	TITLE	S.H.
AMER 2601	American Identity	3
AMER 3701	Approaches to American Studies	3
<b>Four additional upper division courses, selected from the American Studies list of approved courses, from at least two departments other than the department in which the students' major is housed, and subject to consultation with an American Studies advisor.</b>		12
<b>Total Semester Hours</b>		<b>18</b>

### AMER 2601 American Identity 3 s.h.

Study of American Identity through historical, literary, artistic, material, media and other sources. Emphasis on American pluralism and cultural debates over the meaning of American identity.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

### AMER 2601H Honors American Identity 3 s.h.

Study of American Identity through historical, literary, artistic, material, media and other sources. Emphasis on American pluralism and cultural debates over the meaning of.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

### AMER 2605 Turning Points in United States History 1 3 s.h.

Key episodes in the social, economic, political, and cultural developments of the United States to 1877, exploring how diverse peoples shaped the growing nation.

**Cross-listed:** HIST 2605.

**Gen Ed:** Social Science.

### AMER 2606 Turning Points in United States History 2 3 s.h.

Key episodes in the social, economic, political, and cultural developments of the United States since 1877, exploring how diverse peoples shaped the growing nation.

**Cross-listed:** HIST 2606.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

### AMER 2610 Work and Class in American Culture 3 s.h.

Interdisciplinary thematic exploration of work and class in American culture with emphasis on the Mahoning Valley. Includes the impact of social movements, technological developments, and new ideas and knowledge.

Examines the relationship of class to such social categories as race, gender, sexuality, ethnicity, and place.

**Prereq.:** Placement in ENGL 1550.

**Gen Ed:** Social Science.

### AMER 3700 Minority Groups 3 s.h.

Survey of the origins and characteristics of ethnic and racial minority groups, with emphasis on the significance of membership in such a group for in-group, out-group, and community solidarity.

**Prereq.:** SOC 1500.

**Cross-listed:** SOC 3700.

### AMER 3701 Approaches to American Studies 3 s.h.

Survey of central issues and themes in American cultural studies, with emphasis on interdisciplinary approaches and cultural diversity. May focus on a theme chosen by the instructor, such as nature and culture, work, or class in America. May be repeated once with a different topic.

### AMER 3705 Cultural Anthropology 3 s.h.

A cross-cultural comparison of the cultural norms that regulate society, emphasizing the functional prerequisites for the existence of society and individual demands on society.

**Prereq.:** ANTH 2602.

**Cross-listed:** ANTH 3705.

### AMER 3720 Applied Sociology 3 s.h.

Uses of sociology in practical affairs, providing theory and data for public policy, institutional reform, social action programs, and social inventions. Contributions to architectural design, industrial engineering, community planning, and innovative legislation.

**Prereq.:** SOC 1500.

**Cross-listed:** SOC 3720.

### AMER 3770 American Literature in Historical Perspective 3 s.h.

Poetry, prose, drama, and other forms of literary expression examined within the context of a specific aspect of American social, intellectual, and cultural history. May be repeated once with different topic.

**Prereq.:** ENGL 3701 or ENGL 3702.

**Cross-listed:** ENGL 3770.

### AMER 4801 American Studies Research Seminar 3 s.h.

Capstone seminar. Focuses on development and implementation of research proposal and current American studies research related to topics chosen by students for their senior projects.

**Prereq.:** AMER 3701 and approval of Program Coordinator.

### AMER 4810 Independent Project in American Culture 1-3 s.h.

Work with faculty advisor on senior projects. A total of 3 s.h. is required for completion of the major. May be repeated with permission of coordinator.

**Prereq.:** AMER 4801 and approval of Program Coordinator.

**Gen Ed:** Capstone.

### AMER 4815 American Material Culture 3 s.h.

A discussion and analysis of the use and importance of material artifacts as texts for the recovery of the American past. Emphasis on sources not traditionally utilized by historians. Examples include the contextual analysis of children's books, foodways, and sacred spaces.

**Prereq.:** HIST 2605 and HIST 2606, or AMER 2601 and AMER 3701.

**Cross-listed:** HIST 4815.

### AMER 5845 Work in America 3 s.h.

Examines the changing characteristics, expectations, and representations of work in America. Includes the exploration of demographic, historic, economic, technological, sociological, religious, ethical, popular, and poetic perspectives on work.

**Prereq.:** junior standing.

**Cross-listed:** MGT 5845.

### AMER 5850 Class and Culture 3 s.h.

Theories of social class structure and formation, relationships between class and culture, representations of class and work, intersections of class with other aspects of cultural identity (race, gender, sexuality, place), and theories and methods of working-class studies.

**Prereq.:** graduate standing or AMER 3701.

### AMER 6900 Approaches to American Studies 3 s.h.

Introduction to American studies with emphasis on history of the field, interdisciplinary approaches, and cultural diversity.

**AMER 6910 Introduction to Working-Class Studies 3 s.h.**

Introduction to developments, approaches, and issues in new working-class studies, including intersections of class with other categories of identity, disciplinary and interdisciplinary perspectives, representations of the working class in the arts and media, and political and economic constructions of class.

**AMER 6930 Humanities in the Community 3 s.h.**

Opportunities, challenges, and strategies for developing, promoting, and implementing public humanities projects in various settings, including community development and organizing, community-based adult education, and programs in museums and other public humanities organizations.

**Prereq.:** AMER 6900.

**AMER 6970 Teaching Working-Class Studies 3 s.h.**

Interdisciplinary teaching strategies focused on incorporating attention to work, class, diversity, and local history and culture into K-12 and college courses.

**AMER 6975 Interdisciplinary Teaching 3 s.h.**

Introduction to interdisciplinarity and its application in the classroom with emphasis on integration of humanities and social sciences.

**AMER 6980 Public Humanities Internship 3 s.h.**

Supervised work-and-learning experience in American studies under the direction of an American studies core faculty member and an employee of a participating organization.

**AMER 6982 Special Topics 3 s.h.**

Specialized topics selected by the staff. May be repeated once with a different topic.

**Prereq.:** Permission of the American studies program coordinator and instructor.

**AMER 6985 Independent Study 3 s.h.**

Individual study in American studies or a related discipline under the supervision of a faculty member. May be repeated once.

**Prereq.:** Permission of the American studies program coordinator and instructor.

**AMER 6990 Independent Project 1-3 s.h.**

Completion of individual project in a community or school setting. May be repeated for a maximum of three semester hours.

**Prereq.:** Proposal and review meeting with committee.

## Associate of Arts in CLASS Associate of Arts

Welcome! The College of Liberal Arts & Social Sciences offers a general associate-level degree to students. This two-year degree encompasses general education courses, a concentration of the humanities, social sciences, or natural sciences, and elective hours.

The Associate of Arts (AA) degree allows students to: a) increase their earning potential or increase their level of responsibility within a current position; b) complete YSU's Ohio transfer module (OTM) which ensures coursework will transfer to another state institution within Ohio; c) serve as a short-term goal on their way to a baccalaureate level degree; and d) earn a degree using courses already completed.

## To inquire about earning the Associate of Arts degree, please contact an advisor in the Division of Academic Advising in the College of Liberal Arts & Social Sciences.

### Contact Information

Division of Academic Advising

DeBartolo Hall, Room 121

(330) 941-3413

Associate of Arts (AA) Requirements:

All courses completed for the Associate of Arts general education model must be Ohio Transfer Module (OTM) approved.

COURSE	TITLE	S.H.
ENGL 1550	Writing 1	3
ENGL 1551	Writing 2	3
MATH 1510	College Algebra (or other OTM general education math course)	4
CMST 1545	Communication Foundations	3

**Knowledge Domains: (all General Education courses must be OTM approved courses - please consult an academic advisor regarding GER coursees)**

2 Natural Sciences courses + Lab (one must include a lab)	7
2 Humanities Courses	6
2 Social Science Courses	6
GER Electives (any two additional courses from the above knowledge domains)	6

**Concentration Area: Students choose one of three concentration areas (see list below)** 21

Courses in the concentration must have grades of "C" or better

**Elective(s): Students must complete electives to total 60sh for the AA degree** min. 1

**Total Semester Hours:** 60

The last 20 semester hours and at least 16 s.h. of the concentration area must be completed at Youngstown State University.

## Concentration Areas:

Students choose one concentration area below.

### Humanities

Applicable courses include:

- literature courses in English or Foreign Language departments
- courses in philosophy and religious studies
- survey and/or appreciation courses in the Department of Art, the Department of Communication, the Department of Theater and Dance, or the Dana School of Music
- AFST 2601 Introduction to Africana Studies 2

### Social Studies

Courses must be selected from the following disciplines:

- Africana Studies (AFST 2600 Introduction to Africana Studies 1 only)
- anthropology

- economics
- human and regional geography
- history
- political science
- psychology
- sociology

## Natural Sciences

Courses must be selected from the following disciplines:

- astronomy
- biology
- chemistry
- environmental science
- geology
- physics
- physical geography
- A&S/STEM 2600 (no longer offered)

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>

GER Elective		3
Elective hours	additional hours may be needed to total 60sh	1
<b>Semester Hours</b>		<b>16</b>
<b>Total Semester Hours</b>		<b>60</b>

## Learning Outcomes

All students will:

- (1) Demonstrate effective written communication.
- (2) Develop skills to enter the work force or build upon a liberal arts foundation to succeed in upper division coursework if pursuing a baccalaureate degree.

Social Studies concentrations:

- (3) Students will demonstrate an understanding of relationships of individuals and groups in their geographical, historical, global, societal, or cultural contexts.

Humanities concentrations:

- (4) Students will demonstrate an understanding of artistic expression in multiple forms and contexts. (GER Learning Outcome 8)
- (5) Students will demonstrate an understanding of the humanistic perspective including philosophy, ethics, critical thinking, religious inquiry, and diversity.

Natural Science concentrations:

- (6) Students will demonstrate an understanding of the natural environment and the processes that shape it. (GER Learning Outcome 13)

## Department of Economics

### Introduction

The Department of Economics offers bachelor's degrees in Economics and Business Economics. At the graduate level, we offer master's degrees in Economics and Financial Economics. At both the undergraduate and graduate levels, all students must complete a capstone project which gives them "hands on" experience in empirical research. Our new "4+1" program allows highly qualified students to take up to nine semester hours of graduate coursework that can be counted both towards a bachelor's degree and a master's degree, giving students the opportunity to complete a master's degree in Economics in one year after they have earned their baccalaureate degree.

The Department of Economics is very proud of the many alumni of our programs who have gone on to successful careers in government, the private sector, and academia. Career opportunities for economists continue to be strong, especially for students who complete a graduate degree.

Since 2009, the department's faculty have had more than 30 publications, either articles in refereed journals or chapters in books. Faculty have published in such highly-regarded journals as the *Journal of Financial Research*, *Economic Inquiry*, and *Public Choice*. Three of the department's faculty have received distinguished professor awards for scholarship.

The Economics Club, a student organization, regularly sponsors speakers who describe their careers in the field of economics. We also have an active chapter of Omicron Delta Epsilon, the national honorary society for economics students. The department stays in touch with students, alumni, and the YSU campus community through our biannual newsletter.

### Welcome from the Chair

Economic theory provides a powerful set of tools to analyze behavior and evaluate policies. Studying economics opens a wide variety of different career paths while also being fun because the questions asked are both intellectually stimulating and relevant to people's lives. If you want to discuss our programs please call the department office at (330) 941-3428 to set up an appointment. I encourage you to contact us to learn more about economics at Youngstown State University!

Tod S. Porter, Chair, Department of Economics

### Contact Information

Tod Porter, Department Chair - [tsporter@ysu.edu](mailto:tsporter@ysu.edu) - (330) 941-3431

Ebenge Usip, Graduate Coordinator - [eeusip@ysu.edu](mailto:eeusip@ysu.edu) - (330) 941-1682

Nancy O'Hara, Administrative Assistant - [neohara@ysu.edu](mailto:neohara@ysu.edu) - (330) 941-3428

For more information, visit the Department of Economics (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences/economics-major>).

## Advising

All majors should meet with an advisor each semester prior to registering for their classes. Course selection is a critical part of finishing your degree in a timely manner.

Students majoring in Business Economics are advised through the Williamson College of Business Administration (visit the WCBA Advising website (<http://www.ysu.edu/academics/williamson-college-business-administration/advisement>)). To schedule an appointment, please call (330) 941-2376. Business Economics majors are also encouraged to meet once a year with the department's faculty to discuss their career goals.

Students pursuing a BA in Economics through the College of Liberal Arts and Social Sciences are advised by the Chair of the Department of Economics. Call (330) 941-3428 to set up an appointment to meet with the chair. CLASS students who need to submit repetition forms, study abroad forms, and transient forms or who need to request a graduation evaluation should contact the CLASS Division of Academic Advising at (330) 941-3413 (visit the CLASS Advising website (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences/class-advisement>)).

Students pursuing the MA in Economics and the MA in Financial Economics are advised by the department's Graduate Coordinator, Ebenge Usip. He can be contacted via email at [eeusip@ysu.edu](mailto:eeusip@ysu.edu) and by phone at (330) 941-1682.

## Courses Relevant to Other Majors

Below are several different majors and the economics courses most relevant to those majors:

### Political Science

COURSE	TITLE	S.H.
ECON 3702	Public Finance	3
ECON 4855	Health Economics	3
ECON 5843	Economics of Poverty, Transfers and Discrimination	3

### Accounting and Finance

COURSE	TITLE	S.H.
ECON 3701	Money and Banking	3
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3
ECON 5809	Current Problems in Money, Banking, and Financial Markets	3
ECON 5811	International Trade	3
ECON 5812	International Finance	3

### Marketing

COURSE	TITLE	S.H.
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3
ECON 5801	Economics of Industrial Organization	3

### Management

COURSE	TITLE	S.H.
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3

ECON 4810	Managerial Economics	3
ECON 5801	Economics of Industrial Organization	3
ECON 5831	Labor Markets and the Economics of Unions	3

### Pre-Law

COURSE	TITLE	S.H.
ECON 3702	Public Finance	3
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3

### Environmental Studies

COURSE	TITLE	S.H.
ECON 3705	Environmental and Resource Economics	3
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3

### Chair

**Tod Porter**, Ph.D., Professor, Chair

### Professor

**Jolien A. Helsel**, Ph.D., Assistant Professor

**Ou Hu**, Ph.D., Professor

**Tomi P. Ovaska**, Ph.D., Professor

**Joseph Palardy**, Ph.D., Professor

**Dennis A. Petruska**, Ph.D., Professor

**Albert J. Sumell**, Ph.D., Professor

**Yogesh Uppal**, Ph.D., Professor

**Ebenge E. Usip**, Ph.D., Professor

**Yaqin Wang**, Ph.D., Professor

### Instructor

**Sarah E. Jenyk**, M.A., Instructor

## Majors

- BA in Economics (p. 288)
- "4+1" Bachelor's/Master's Program (p. 289)

## Minors

- Economics Minor (p. 290)
- Economics with Statistics Minor (p. 290)

### ECON 1501 Economics in Action 3 s.h.

An introduction to the United States' economic system and institutions through the examination of current economic problems. Not applicable for a major or minor in economics. Credit will not be given for 1501 if a student has already received credit for ECON 2610 or its equivalent.

**Gen Ed:** Social Science.

### ECON 1502 Panic and Prosperity, United States Economic Policy Since the Great Depression 3 s.h.

Examines the crises and successes of the American economy since 1929, and how the economic policies of different presidential administrations affected the lives of U.S. citizens. Not applicable towards a major or minor in economics.

**Gen Ed:** Social Science.

**ECON 1503 Rich and Poor: Diversity and Disparity in the United States Workplace 3 s.h.**

Examines how labor markets determine the distribution of income and the dramatic changes in the composition of the American labor force. Explores such issues as the widening gap between low and upper income groups, the characteristics of the poor, affirmative action, the glass ceiling, the mommy track, and family-friendly working environments. Not applicable towards a major or minor in economics.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

**ECON 1503H Honors Rich and Poor: Diversity and Disparity in the U.S. Workplace 3 s.h.**

S. Workplace. Examines how labor markets determine the distribution of income and the dramatic changes in the composition of the American labor force. Explores such issues as the widening gap between low and upper income groups, the characteristics of the poor, affirmative action, the glass ceiling, the mommy track, and family-friendly working environments. Not applicable towards a major or minor in economics.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

**ECON 1504 Economics of Aging 3 s.h.**

An introduction to the economic consequences of an aging population and the economic status of the aged. Topics include income adequacy in old age, retirement decisions, retirement income planning, social security income, employer-sponsored pensions, and financing health care. Not applicable toward a major or minor in economics.

**Prereq.:** ECON 1501 or GERO 1501.

**ECON 1505 Introduction to Personal Financial Literacy 3 s.h.**

An introduction to personal financial planning. Topics covered include budgeting, the use of credit, taxes, savings accounts, investment strategies, insurance, buying a home, career planning, and retirement planning. Students will gain the knowledge and resources to be better prepared for their financial future.

**ECON 2610 Principles 1: Microeconomics 3 s.h.**

Introduction to the theory of markets, including the behavior of consumers and the conduct of private and public business enterprise. Effects of monopoly and competition on private and social welfare. The role of government in promoting the economic welfare of consumers, workers, and minorities.

**Prereq.:** MATH 1501, or a level 20 or higher on the math placement exam.

**Gen Ed:** Social Science.

**ECON 2610H Honors Principles 1: Microeconomics 3 s.h.**

Introduction to the theory of markets, including the behavior of consumers and the conduct of private and public business enterprise. Effects of monopoly and competition on private and social welfare. The role of government in promoting the economic welfare of consumers, workers, and minorities.

**Prereq.:** MATH 1501, or a level 20 or higher on the math placement exam.

**Gen Ed:** Social Science.

**ECON 2630 Principles 2: Macroeconomics 3 s.h.**

Studies of growth, inflation, and unemployment at the national level and the performance of the U.S. economy in the global setting. The impacts of national economic policies on individual and social welfare. An extensive discussion and evaluation of the U.S. banking system and its effects on individuals and businesses.

**Prereq.:** ECON 2610.

**Gen Ed:** Social Science.

**ECON 2630H Honors Principles 2: Macroeconomics 3 s.h.**

Studies of growth, inflation, and unemployment at the national level and the performance of the U.S. economy in the global setting. The impacts of national economic policies on individual and social welfare. An extensive discussion and evaluation of the U.S. banking system and its effects on individuals and businesses.

**Prereq.:** ECON 2610.

**Gen Ed:** Social Science.

**ECON 2631 Introductory Macroeconomics for Education Majors 3 s.h.**

Measurement of the national economy's performance (growth, inflation, and unemployment), the banking system, the impact of government on macroeconomic performance, and international macroeconomics. Principles of personal finance, including budgeting, the use of credit, and financial planning are also discussed. Open only to education majors. Credit will not be given for both ECON 2630 and ECON 2631.

**Prereq.:** FOUN 1501 and ECON 2610.

**ECON 3701 Money and Banking 3 s.h.**

Organization and operation of commercial banking in the United States; central banking under the Federal Reserve System; basic theory. Monetary policy as a determinant of national income.

**Prereq.:** ECON 2630.

**ECON 3702 Public Finance 3 s.h.**

The development and present status of public finance; federal, state and local expenditures and taxation; theories of tax incidence, axioms of taxation, theories in justification and government spending; tax reform. Study of the techniques of fiscal policy with emphasis on its role as a determinant of the level of national income.

**Prereq.:** ECON 2610.

**ECON 3703 Behavioral Economics 3 s.h.**

Uses insights from economics and psychology to explain why normally rational people make poor choices in their lives, be it in terms of money, health, education or long-term happiness. This introductory course explores the sources of poor economic choices and examines ways to improve them.

**Prereq.:** ECON 2610 or PSYC 1560.

**ECON 3705 Environmental and Resource Economics 3 s.h.**

Application of economic theory to environmental problems, analysis of policy alternatives for pollution abatement, and the conservation of exhaustible resources. Determination of efficient management of local and national pollution levels, including air, water, and toxic substances. Possible economic consequences associated with global warming.

**Prereq.:** ECON 1501 or ECON 2610.

**ECON 3710 Intermediate Microeconomic Theory 3 s.h.**

A systematic analysis of the theory of demand and the theory of the firm: production input and output choices, and some basic concepts of linear programming. An intensive analysis of the theory of the firm: competitive pricing, monopoly pricing, pricing in imperfect competition; and the theory of rent, profits, interest and wages.

**Prereq.:** ECON 2610, and either MATH 1552, MATH 1570, or MATH 1571.

**ECON 3712 Intermediate Macroeconomic Theory 3 s.h.**

The construction of national income and production accounts and the basic determinant of income, output, and employment. Determination of the level of employment, interest, and money through the classical versus Keynesian aggregate economics.

**Prereq.:** ECON 2630 and either MATH 1552, MATH 1570, or MATH 1571.

**ECON 3720 Comparative Economic Systems 3 s.h.**

An examination of the recent world-wide trend toward free market economy, giving particular attention to basic processes such as resource allocation and product distribution. Frequent references are made to the failure of Socialism in the USSR and the new approach in Russia, Eastern Europe and China toward market economies.

**Prereq.:** ECON 1501 or ECON 2630.

**ECON 3724 Public Budgeting 3 s.h.**

Study of the politics, theories, and techniques of public budgeting. Includes the process of budget preparation, adoption and execution. Topics include debt management and capital budgets. (This course is cross-listed with POL 3724.)

**Prereq.:** POL 3720.

**ECON 3788 Statistics for Business and Economics 1 3 s.h.**

Introduction to statistical methods in data analysis and forecasting. Topics include descriptive statistics, probability, sampling and sampling distributions, and hypothesis testing. Practical application of statistical procedures is incorporated into regularly scheduled computer workshops. Credit will not be given for ECON 3788 if a student has already received credit for ECON 3790 or its equivalent.

**Prereq.:** MATH 1510.

**ECON 3789 Statistics for Business and Economics 2 3 s.h.**

This course builds on concepts introduced in ECON 3788. Specific topics include hypothesis testing, regression analysis, ANOVA and time series analysis. Practical application of statistical procedures is incorporated into regularly scheduled computer workshops. Credit will not be given for ECON 3789 if a student has already received credit for ECON 3790 or its equivalent. 3 s.h.

**Prereq.:** ECON 3788.

**ECON 3790 Statistics for Business and Economics 5 s.h.**

Introduction to statistical methods in data analysis and forecasting. Topics include descriptive statistics, probability, hypothesis testing, regression analysis, ANOVA and time series analysis. Practical application of statistical procedures is incorporated into regularly scheduled computer workshops.

**Prereq.:** MATH 1552, MATH 1570, or MATH 1571.

**ECON 4810 Managerial Economics 3 s.h.**

An application of economic analysis to business problems. Emphasis upon executive decisions for the allocation of resources.

**Prereq.:** ECON 2610.

**ECON 4855 Health Economics 3 s.h.**

Application of basic principles to the study of the health care industry. Topics include the supply and demand of medical care, the effects of private and public insurance on the health care industry, trends in health care costs, public policies to equalize access to medical care and the dilemma caused by the improvement in life-sustaining technology.

**Prereq.:** ECON 2610.

**ECON 4860 Selected Topics in Economics 3 s.h.**

Advanced study of selected topics in economic analysis and issues in economic policy. May be repeated once with different topic.

**Prereq.:** ECON 2610 and ECON 2630.

**ECON 4870 Economics Internship 3 s.h.**

The practical application of economic knowledge and statistical skills in the workplace. Students assist professionals in various kinds of industrial, financial, and public service organizations.

**Prereq.:** By permit only, minimum GPA 2.5.

**ECON 4880 Analysis of Economic Problems 3 s.h.**

The application and extension of the student's skills in economic analysis and statistical techniques to economic issues. The course covers sources of data, exploratory data techniques, matching of data and statistical tests, interpretation and presentation of the results. Students demonstrate their command of research techniques by the completion of a research paper and its oral presentation. Topics to be determined.

**Prereq.:** ECON 3710, ECON 3712, and ECON 3790.

**Gen Ed:** Capstone.

**ECON 4898 Graduate Study in Selected Economic Topics 3 s.h.**

For undergraduates taking courses in the MA in Economics program for credit towards an undergraduate degree. Credit earned cannot be later applied to a graduate degree. The student must meet the criteria for undergraduate students taking graduate coursework listed in the Graduate Bulletin. May be repeated with different graduate courses.

**Prereq.:** A minimum of 20 hours of coursework in economics at the 2600 level and above, permission of the chair, junior standing.

**ECON 4899 Individual Study in Economics 1-4 s.h.**

Individual study of a topic, area, or problem requiring in-depth reading, and a written project. May be repeated once with a different topic, area, or problem.

**Prereq.:** Junior or senior standing, by permit only.

**ECON 5801 Economics of Industrial Organization 3 s.h.**

A systematic analysis of the structure, conduct, and performance of American industry. A quantitative analysis plus a comprehensive review of theoretical models of the market, firm behavior, and performance.

**Prereq.:** ECON 2610.

**ECON 5806 History of Economic Thought 3 s.h.**

Designed to provide students with an understanding of the development of economic ideas to include: Mercantilism, Physiocrats, the English Classical School, Utilitarianism, early Social Thought, Karl Marx, the German Historical School, Institutionalists and the Keynesian School.

**Prereq.:** ECON 2630.

**ECON 5809 Current Problems in Money, Banking, and Financial Markets 3 s.h.**

The financial market system, including money and capital markets. Current problems associated with trends in theory and practice. Theories of the interest rate and monetarism.

**Prereq.:** ECON 3701 or consent of instructor.

**ECON 5811 International Trade 3 s.h.**

Theories of international trade and specialization; free trade vs. protectionism; tariff and non-tariff barriers to international trade; international balance of payments and its components; the role of multinational enterprises in contemporary trade pattern; regional economic integrations and world trade; U.S. commercial policies.

**Prereq.:** ECON 2630.

**ECON 5812 International Finance 3 s.h.**

Theories of foreign exchange and capital movements, international payments, analysis of spot and forward foreign exchange markets, foreign exchange market arbitrage, speculation, and risk hedging. The Bretton Woods agreement and the contemporary international monetary system. The rise of international organizations and multinational enterprises in the international economy.

**Prereq.:** ECON 2630.

**ECON 5822 Urban and Regional Economics 3 s.h.**

Economic analysis of the problems of urbanized areas and the causes of the growth or decline in economic activity in small-area economics. Topics include benefit-cost analysis, economic base analysis, input-output applications, and the theory of location and agglomeration.

**Prereq.:** ECON 2610.

**ECON 5824 Applied Time Series Analysis of Economic and Business Data 3 s.h.**

An in-depth analysis of time series models and their applications to problems in economics and business. Emphasis on forecasting. Extensive use of standard computer programs.

**Prereq.:** ECON 2610 and either ECON 3790 or STAT 4817.

**ECON 5831 Labor Markets and the Economics of Unions 3 s.h.**

Economic theory and analysis of labor as an input in the resource market; principles, labor problems, public policy; theories of the development of the labor movement; economic objectives of trade unions; problems in public control.

**Prereq.:** ECON 2610.

**ECON 5843 Economics of Poverty, Transfers and Discrimination 3 s.h.**

Examines the measurement and causes of poverty, trends in the distribution of income, and antipoverty programs and their effectiveness. Discussions of theories of discrimination, difficulties in measuring the impact of discrimination, and policies designed to reduce discrimination.

**Prereq.:** ECON 2610.

**ECON 5853 Applied Econometrics 3 s.h.**

The practice of econometrics with emphasis on model construction, estimation, and interpretation of results. Applications in the private and public sectors involve the use of computers and economic software.

**Prereq.:** ECON 2630 and ECON 3790.

**ECON 5856 Topics in Quantitative Economics 3 s.h.**

Application of different tools of mathematical economics, computational economics, and econometrics in conjunction with economic theory to model economic problems of firms, consumers, financial institutions, and public sectors. Specific content of the course will vary with the instructor. May be repeated once with a different topic.

**Prereq.:** ECON 3790.

# Bachelor of Arts in Economics

A student can earn either a Bachelor of Arts (BA) in Economics through the College of Liberal Arts and Social Sciences or a Bachelor of Science in Business Administration (BS in BA) in Business Economics (<http://www.yu.edu/academics/college-liberal-arts-social-sciences/economics-major>) through the Williamson College of Business Administration. Either degree may be earned in eight semesters if students average 15 hours per semester.

To earn the BA degree, the student must satisfy all the degree requirements in the College of Liberal Arts and Social Sciences and take 32 semester hours of coursework from the Department of Economics.

The economics major is designed to prepare students for careers both in the public and private sectors and for additional study in the field of economics. Economics graduates are qualified for a wide variety of positions in the financial sector and jobs in business and government. Students frequently use a major in economics as preparation for law school. Graduates choosing to pursue additional study in economics have been very successful in gaining admission to graduate and doctoral programs.

Students who have completed 78 semester hours with a grade point average above 3.3 are eligible to participate in the department's "4+1" program. Students in the program can take up to nine hours of coursework at the masters level which can count both towards their BA and an MA. Students who take nine hours can complete an MA in Economics in one year after graduating with their bachelor's degree.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		9
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		4
MATH 1552	Applied Mathematics for Management	
	or MATH 1570 Applied Calculus 1	
	or MATH 1571 Calculus 1	
Arts and Humanities		6
Natural Sciences (2 courses, 1 lab)		7
Social Science		6
Social Science requirement satisfied by ECON 2610 and ECON 2630		
Social and Personal Awareness		6
Foreign Language Requirement		8
LASS 1510	Exploring Critical Questions in LASS	3
	Foreign Language 1550	
	Foreign Language 2600	
Minor (or double major) minimum of 18 s.h.		18
<b>Major Requirements</b>		
Economics courses at the 1500 level cannot be counted towards the major.		
In addition to the required courses below, students must take 12 hours of upper-division Economics electives.		
ECON 2610	Principles 1: Microeconomics	3

ECON 2630	Principles 2: Macroeconomics	3
ECON 3710	Intermediate Microeconomic Theory	3
ECON 3712	Intermediate Macroeconomic Theory	3
ECON 3790	Statistics for Business and Economics	5
ECON 4880	Analysis of Economic Problems	3

All students must complete a 120 semester hours, 48 hours must be upper-division (courses at the 3700 level or higher)

Students intending to apply for PhD programs in economics should consider taking the following:

COURSE	TITLE	S.H.
MATH 1571	Calculus 1	4
MATH 1572	Calculus 2	4
MATH 2673	Calculus 3	4
MATH 3720	Linear Algebra and Matrix Theory	3

**NOTE:** This schedule is intended solely to illustrate that it is possible for a "typical" student to complete the BA in Economics in four years. The coursework any individual student needs to take will differ. Specifically, the coursework required will vary depending on the mathematics courses you have already taken when you start the degree. Some students will need to take additional courses prior to taking MATH 1510 College Algebra while other students may have already taken a course in calculus and would not need to take either MATH 1510 College Algebra or MATH 1552 Applied Mathematics for Management. The coursework taken will also depend on a student's career goals. It is extremely important that you meet with an advisor to discuss your career aspirations and which courses you personally will need to take.

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>		
ENGL 1550	Writing 1	3
MATH 1510	College Algebra	4
Natural Science and Lab (Gen Ed)		4
First-Year Experience		3
<b>Semester Hours</b>		<b>14</b>
<b>Spring</b>		
ECON 2610	Principles 1: Microeconomics (fulfills the General Education Social Science requirement)	3
MATH 1552	Applied Mathematics for Management (Required for major, students intending to pursue graduate work should take MATH 1571)	4
ENGL 1551	Writing 2	3
CMST 1545	Communication Foundations	3
Social and Personal Awareness (Ged Ed)		3
<b>Semester Hours</b>		<b>16</b>
<b>Year 2</b>		
<b>Fall</b>		
ECON 2630	Principles 2: Macroeconomics (fulfills the General Education Social Science requirement)	3
ECON 3790	Statistics for Business and Economics (Required for major)	5

Elective		3
Elective 37XX or higher		3
ECON 37XX or higher (Required for major)		3
Minor 37XX or higher (Required for minor)		3
Elective		3
<b>Semester Hours</b>		<b>15</b>
<b>Total Semester Hours</b>		<b>120</b>

## Learning Outcomes

To be competitive in the job market, economics majors must have knowledge of microeconomics, macroeconomics, and statistical techniques. They must also be able to apply the theory and statistical techniques they have learned to public policy issues and business problems and be able to present their conclusions. The learning objectives of the economics major are as follows:

### Microeconomics

The student will be able to discuss the characteristics of different market structures and how the structure of a market affects consumers. The student will also be able to explain the conditions that must be met for an economy to use its resources in the most efficient manner possible.

### Macroeconomics

The student will be able to explain the major macroeconomic goals: rapid economic growth, high employment, and stable prices and how the tools of monetary and fiscal policy can be used to achieve macroeconomic goals.

### Statistical Analysis

The student will be able to interpret descriptive statistics, the results of hypothesis tests, and regression estimates.

### Communication Skills

The student will be able to give a well-prepared presentation on an economic problem. By well-prepared, it is meant that the presentation clearly frames the topic of the presentation, discusses the relevant theory and evidence, correctly documents references, and proposes a conclusion consistent with the theory and evidence.

## "4+1" Bachelor's/Master's Program

The accelerated "4+1" program allows students to earn the MA in Economics in one year after completing their bachelor's degree. Students pursuing the MA in Financial Economics can complete the degree in three semesters. Undergraduate students can apply to take graduate courses after completing 78 semester hours with a GPA of 3.3 or higher. Students can take a maximum of nine semester hours of graduate coursework that can count both toward a bachelor's degree and either the MA in Economics or the MA in Financial Economics. Students who successfully complete the master's courses are encouraged to apply for a graduate assistantship.

Qualified students, including students who are not economics majors, can take the courses listed below after having met the following requirements:

- ECON 6912 Microeconomic Theory –
  - A grade of "A" or "B" in ECON 3710 Intermediate Microeconomic Theory, and a grade of "A" or "B" in MATH 1552 Applied Mathematics for Management or MATH 1570 Applied Calculus 1 or MATH 1571 Calculus 1; OR
  - A grade of "A" in ECON 2610 Principles 1: Microeconomics, MATH 1571 Calculus 1, and MATH 1572 Calculus 2 (in this case ECON 6912 Microeconomic Theory is taken in place of ECON 3710 Intermediate Microeconomic Theory)
- ECON 6922 Macroeconomic Theory –
  - A grade of "A" or "B" in ECON 3712 Intermediate Macroeconomic Theory, and a grade of "A" or "B" in MATH 1552 Applied Mathematics for Management or MATH 1570 Applied Calculus 1 or MATH 1571 Calculus 1; OR
  - A grade of "A" in ECON 2630 Principles 2: Macroeconomics, MATH 1571 Calculus 1, and MATH 1572 Calculus 2 (in this case ECON 6922 Macroeconomic Theory is taken in place of ECON 3712 Intermediate Macroeconomic Theory)
- ECON 6939 The Economics of Financial Markets and Institutions –
  - A grade of "A" or "B" in ECON 3712 Intermediate Macroeconomic Theory, and a grade of "A" or "B" in MATH 1552 Applied Mathematics for Management or MATH 1570 Applied Calculus 1 or MATH 1571 Calculus 1
- ECON 6945 Public Finance –
  - A grade of "A" or "B" in ECON 6912 Microeconomic Theory
- ECON 6976 Econometrics –
  - A grade of "A" or "B" in ECON 6904 Quantitative Methods for Economics; OR
  - A grade of "A" in ECON 3790 Statistics for Business and Economics or STAT 3743 Probability and Statistics, and a grade of "A" in MATH 1552 Applied Mathematics for Management or MATH 1570 Applied Calculus 1 or MATH 1571 Calculus 1

## Minor in Economics

An economics minor complements many different majors. Students taking a minor in economics must meet the requirements of one of the following tracks:

- Economics
- Economics with Statistics

Courses at the 1500-level cannot be counted toward the minor. ECON 3790 cannot be counted as an elective in this track.

### Economics Track

COURSE	TITLE	S.H.
ECON 2610	Principles 1: Microeconomics	3
ECON 2630	Principles 2: Macroeconomics	3
12 semester hours of upper-division economics electives other than ECON 3790		12
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Economics with Statistics

An economics minor complements many different majors. Students taking a minor in economics must meet the requirements of one of the following tracks:

- Economics
- Economics with Statistics

Courses at the 1500-level cannot be counted toward the minor.

### Economics with Statistics

COURSE	TITLE	S.H.
ECON 2610	Principles 1: Microeconomics	3
ECON 2630	Principles 2: Macroeconomics	3
ECON 3790	Statistics for Business and Economics	5
9 semester hours of electives in economics at the 3700-level or higher		9
<b>Total Semester Hours</b>		<b>20</b>

## Department of English

(330) 941-3414

### Welcome to the English Department

The English department offers numerous degree and certificate programs, including the following:

- **Bachelor of arts (BA)** degrees in English (p. 290) and Professional & Technical Writing (PTW) (p. 296)
- Undergraduate **minors** in English Studies (p. 298), British and American Literature (p. 298), Professional & Technical Writing (PTW) (p. 299), Linguistics (p. 299), and Creative Writing (p. 298)
- **Master of Arts (MA)** degrees in English (p. 643) and in English with a PTW focus (p. 643)
- A consortial master of fine arts (p. 668) (**MFA**) degree
- **Graduate certificates** in Literature for Children and Young Adults (p. 758), Teaching of Writing (p. 760), Teaching English to Speakers of Other Languages (TESOL (p. 759)), and Professional & Technical Writing (PTW) (p. 759)

The department also advises students seeking teaching licensure in Integrated Language Arts and in Middle Childhood Language Arts.

## Mission

The Department of English at Youngstown State University believes that educated citizens must use language effectively and appreciate the diversity and complexity of their culture. To this end, the department seeks to improve students' abilities to read and write, to think analytically and creatively, to appreciate the aesthetics of literature, and to value diverse cultures.

In addition, the department strives to develop and disseminate insights related to literature, writing, language, culture, and pedagogy through excellent teaching, research and scholarly activity, service to the University, and broad-based community involvement.

For more information, visit the Department of English (<http://www.yсу.edu/academics/college-liberal-arts-social-sciences/english-major>).

### Chair

**Jeffrey M. Buchanan**, Ph.D., Chair, Professor

### Professor

**Tiffany M. B. Anderson**, Ph.D., Assistant Professor

**Corey E. Andrews**, Ph.D., Professor

**Diana Awad-Scrocco**, Ph.D., Assistant Professor

**Kevin E. Ball**, Ph.D., Professor

**Rebecca A. Barnhouse**, Ph.D., Professor

**Christopher Barzak**, M.F.A., Professor

**Laura L. Beadling**, Ph.D., Associate Professor

**Jennifer Behney**, Ph.D., Assistant Professor

**Terry Benton**, Ph.D., Assistant Professor

**Kristine Blair**, Ph.D., Professor

**Philip Sean Brady**, Ph.D., Professor

**Suzanne Diamond**, Ph.D., Professor

**Timothy Francisco**, Ph.D., Professor

**Julia M. Gergits**, Ph.D., Professor

**Jay L. Gordon**, Ph.D., Associate Professor

**Stacy Graber**, Ph.D., Assistant Professor

**Lucas D. Hardy**, Ph.D., Associate Professor

**Alena Kirova**, Ph.D., Assistant Professor

**Nicole Pettitt**, Ph.D., Assistant Professor

**Steven Reese**, Ph.D., Professor

**Dolores V. Sisco**, Ph.D., Assistant Professor

**Linda J. Strom**, Ph.D., Associate Professor

**Stephanie A. Tingley**, Ph.D., Professor

**Cynthia Vigliotti**, M.A., Assistant Professor

### Instructor

**Amy Flick**, M.A., Instructor

Guy Shebat, M.A., Instructor

## Majors

- BA in English (p. 295)
- BA in Professional and Technical Writing (PTW) (p. 296)

## Minors

- Minor in English Studies (p. 298)
- Minor in British and American Studies (p. 298)
- Minor in Professional Writing and Editing (p. 299)
- Minor in Web Communications (p. 299)
- Minor in Linguistics (p. 299)
- Minor in Creative Writing (p. 298)

### ENGL 1509 Academic English for Non-native Speakers 3 s.h.

Development of writing and reading comprehension skills in English through outlining, summary, and response. Emphasis on vocabulary, main idea, detail, and conclusion in assigned reading and writing. Entrance on basis of English-as-a-Second-Language placement test. Must be taken until a grade of C or better is achieved. May be repeated once with a different topic. Does not count toward a degree. Grading is ABC/NC.

### ENGL 1512 English Conversation for Non-native Speakers 1 s.h.

Development of conversation skills. Focus on oral-aural fluency, idiomaticity, extracting and organizing information, and situation-oriented communication strategies. Emphasis on meaningful topics relevant to the students' pursuit of their academic goals. Entrance on basis of English-as-a-Second-Language placement test. Does not count toward a degree. Grading is ABC/NC.

### ENGL 1539 Fundamentals of College Writing 4 s.h.

Intensive individualized instruction in written communication and college-level reading practices in a computer-assisted environment. Open to students based on their Composition and Reading Placement Test results; does not count toward the graduation requirement in composition. Grading for English 1539 is ABC/NC. Does not count toward the graduation requirement in composition and does not count toward a degree.

### ENGL 1540 Introduction to College Writing 3 s.h.

Practice in adapting college-level writing conventions, organizational strategies, and revision and editing techniques to a variety of writing tasks. Focus on responding to written texts in ways that demonstrate expressive, analytical, and evaluative thinking. Students divide their time between regular classrooms and computer classrooms, where they have the opportunity to acquire and develop basic word-processing and electronic communication skills. Does not count toward the graduation requirement in composition. Open to students on the basis of Composition and Reading Test results. Grading is ABC/NC. Does not count toward the graduation requirement in composition and does not count toward a degree.

### ENGL 1550 Writing 1 3 s.h.

Strategies for writing as a means of critical inquiry, with focus on writing processes and on the roles of writer, audience, and purpose as they affect writing. Students divide their time between regular and computer classrooms, where they acquire and develop basic word-processing and electronic communication skills. Open to students on the basis of Composition and Reading Test results or successful completion of ENGL 1509 or ENGL 1539 or ENGL 1540. Grading is ABCDF but must earn a "C" or better to satisfy the General Education requirement and continue to ENGL 1551 or ENGL 1551H.

### ENGL 1550C Writing 1 with Corequisite 3 s.h.

Strategies for writing as a means of critical inquiry, with focus on writing processes and on the roles of writer, audience, and purpose as they affect writing. Students divide their time between regular and computer classrooms, where they acquire and develop basic word-processing and electronic communication skills. This four hour course includes three regular hours of English 1550 along with an additional credit hour of writing support for students to aid in the development of college-level writing conventions, organizational strategies, and revision and editing techniques. Open to students based upon ACT/SAT scores or Composition Placement Test results. Grading is ABCDF but must earn a "C" or better to satisfy the General Education requirement and continue to ENGL 1551 or ENGL 1551H.

### ENGL 1550H Honors Writing 1 3 s.h.

Strategies for writing as a means of critical inquiry, with focus on writing processes and on the roles of writer, audience, and purpose as they affect writing. Writing assignments treat a broad range of ideas, especially in response to challenging readings. Stylistic experimentation is encouraged so that each student can develop a distinctive writing style. Students divide their time between regular classrooms and computer classrooms, where they have the opportunity to acquire and develop basic word-processing and electronic communication skills. Grading is ABCDF but must earn a "C" or better to satisfy the General Education requirement.

**Prereq.:** Eligibility for the Honors Program and permit on the basis of ACT/SAT scores or Composition Placement Test.

### ENGL 1551 Writing 2 3 s.h.

Practice in writing with emphasis on the process of investigation: exploration of topics, formulation of tentative theses, collection of data from suitable primary and secondary sources, and clear and appropriate presentation of the results of these inquiries. Students divide their time between regular and computer classrooms, where they have the opportunity to perform online research. Grading is ABCDF but must earn a C or higher to satisfy the General Education requirement.

**Prereq.:** ENGL 1550 with a grade of "C" or better or ACT/SAT scores or Composition and Reading Test results.

### ENGL 1551H Honors Writing 2 3 s.h.

Research on a topic of some depth, conducted independently and focused on a single project that results in a substantial investigative paper. Students divide their time between regular and computer classrooms, where they have the opportunity to perform online research. Grading is ABCDF but must earn a C or higher to satisfy the General Education requirement. 3 s.h.

**Prereq.:** Admission to the Honors Program and ENGL 1550H with a grade "C" or better.

### ENGL 1560 Language, Ethnicity, and Gender 3 s.h.

Basic understanding of relations between ethnicity, gender, and speech style, distinguishing linguistics, sociolinguistics, and women's issues. Examination of topics such as language, socialization, oral vs written language, language and class membership, and intra-ethnicity variation in Urban Vernacular English.

### ENGL 1590 Introduction to Literature 3 s.h.

Literary works from various genres and periods by culturally diverse authors. Students learn literary terms to analyze and interpret literature. A major goal is to improve critical thinking skills by relating literature to film, music, art and/or live performance.

**Gen Ed:** Arts and Humanities.

### ENGL 1590H Honors Introduction to Literature 3 s.h.

Primarily British or American works in a variety of genres, chosen to illuminate a central topic, are read and discussed critically to promote understanding and enjoyment of reading. Focused on one of four topics: Nature and the Environment, The Good Life, Science and Technology, or Social Justice.

**Gen Ed:** Arts and Humanities.

**ENGL 2601 Intermediate Writing for Teachers 3 s.h.**

A course to increase proficiency in critical reading and writing. Designed specifically for students entering the College of Education; reading, discussions and writing assignments emphasize current issues in Education. Assignments allow students to practice, collaboratively and individually, the kinds of writing used in teaching. Does not count toward the English major.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 2610 World Literature 3 s.h.**

A survey of nonwestern literatures, emphasizing their cultural, historical, literary, and global contexts.  
**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**ENGL 2615 Science Fiction and Fantasy Literature 3 s.h.**

Works from the science fiction and fantasy genres are read and discussed critically to promote understanding and enjoyment of reading.  
**Gen Ed:** Arts and Humanities.

**ENGL 2617 Women in Literature 3 s.h.**

Examination of works by and about women, drawn primarily from American and English writers.  
**Gen Ed:** Arts and Humanities, Domestic Diversity, Social and Personal Awareness.

**ENGL 2617H Honors Women in Literature 3 s.h.**

Examination of works by and about women, drawn primarily from American and English writers.  
**Gen Ed:** Arts and Humanities, Domestic Diversity, Social and Personal Awareness.

**ENGL 2618 American Literature and Diversity 3 s.h.**

Writers and works in relation to the diversity of American culture, politics, lifestyles, and social movements.  
**Gen Ed:** Arts and Humanities, Domestic Diversity, Social and Personal Awareness.

**ENGL 2618H Honors American Literature and Diversity 3 s.h.**

Writers and works in relation to the diversity of American culture, politics, lifestyles, and social movements.  
**Gen Ed:** Arts and Humanities, Domestic Diversity, Social and Personal Awareness.

**ENGL 2620 African Literature 3 s.h.**

Survey of African literature, with emphasis on experiences, styles, and themes of African writers, as well as the effects of African literature on cultural discourse throughout the world.  
**Gen Ed:** Arts and Humanities.

**ENGL 2623 Literature, Work, and Class 3 s.h.**

Analysis of literary representations of work and class, with special attention to working class authors, subjects, and styles. Focuses on social and historical influences, as well as the impact of social changes and new knowledge upon working-class literature.

**ENGL 2631 Mythology in Literature 3 s.h.**

Introductory study of myths, chiefly classical, with some attention to their origins and cultural significance, and of literary works, both classical and modern, in which myths are used.  
**Gen Ed:** Arts and Humanities.

**ENGL 2631H Honors Mythology in Literature 3 s.h.**

Introductory study of myths, chiefly classical, with some attention to their origins and cultural significance, and of literary works, both classical and modern, in which myths are used.  
**Gen Ed:** Arts and Humanities.

**ENGL 2646 Introduction to Fiction Writing 3 s.h.**

Examination and application of narrative techniques and conventions designed to introduce the basic elements of writing fiction.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 2647 Introduction to Poetry Writing 3 s.h.**

Examination and application of poetic techniques and conventions designed to introduce the basic elements of writing poetry.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 2651 Introduction to Language 3 s.h.**

Introduction to language principally for prospective teachers, with emphasis on the nature and function of language and its history, variations, and acquisition.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.  
**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

**ENGL 2665 Introduction to Film Study 3 s.h.**

Introduction to film as a medium of artistic expression. Technical aspects of film and the relationship of film to other media and to society.  
**Gen Ed:** Arts and Humanities.

**ENGL 2665H Honors Introduction to Film Study 3 s.h.**

Introduction to film as a medium of artistic expression. Technical aspects of film and the relationship of film to other media and to society.  
**Gen Ed:** Arts and Humanities.

**ENGL 3700 Literary Study 3 s.h.**

Gateway course for English majors. Content to include key terms, strategies for reading, interpretation, research, and the conventions for assessing and using sources.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3703 Literature for Young Children 3 s.h.**

Study of the development of children's literature, giving the prospective elementary teacher criteria for evaluating books for children. Required of all elementary education candidates.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3704 Literature for Middle School Readers 3 s.h.**

Study of fiction and nonfiction genres for students in the middle school grades, including characters and authors from various cultures and ethnicities. Required of middle childhood reading and language arts majors.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3705 Young Adult Literature 3 s.h.**

Study of literature for and about adolescents and of related topics, including young adults as readers, critical standards for evaluation, and the use of adolescent literature in secondary schools.  
**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3706 Introduction to Literary Theory 3 s.h.**

Provides an introduction to literary theory and criticism for English majors, emphasizing the history and application of critical approaches to literature. By reading core works in literary theory, students will learn application of theoretical approaches to various texts.  
**Prereq.:** ENGL 1551 grade of "C" or higher.

**ENGL 3710 British Literature 1 3 s.h.**

Beginnings to the Enlightenment. Students read a selection of British literature, emphasizing literary history and written analysis.  
**Prereq.:** ENGL 3700 or concurrent with ENGL 3700.

**ENGL 3711 British Literature 2 3 s.h.**

From Romanticism to the Present. Students read a selection of British literature, emphasizing literary history and written analysis.  
**Prereq.:** ENGL 3700 or concurrent with ENGL 3700.

**ENGL 3712 American Literature 1 3 s.h.**

Colonial period to 1865. Examine works from a range of American authors and genres drama, fiction, poetry, short stories, novels, and non-fiction essays within their cultural, historical, and literary contexts.  
**Prereq.:** ENGL 3700 or concurrent with ENGL 3700.

**ENGL 3713 American Literature 2 3 s.h.**

1865 to present. Examine works from a range of American authors and genres drama, fiction, poetry, short stories, and non-fiction essays within their cultural, historical, and literary contexts.  
**Prereq.:** ENGL 3700 or concurrent with ENGL 3700.

**ENGL 3730 Teaching Language Arts 3 s.h.**

Introduces middle school language arts teacher candidates to discussions about the teaching of writing and language and the development of methods of teaching reading, writing, and language.

**Prereq.:** ENGL 1551 with a grade of "C" or better.

**ENGL 3732 Images of Women 3 s.h.**

An examination through language, literature, folklore, film and myth of the ways in which the meanings and representations of women have been constructed and implemented in Western culture. Introduces key concepts and theoretical frameworks drawn from current scholarship about women.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3737 Popular Culture Studies 3 s.h.**

Introduction to critical issues and approaches to popular culture through the study of various texts from literature, television, film, advertising, popular music, and computer cyberculture.

**Prereq.:** ENGL 1551 with grade of "C" or better.

**ENGL 3738 Selected Topics in World Literature 3 s.h.**

A comparative examination of a genre, historical period, or literary movement. May be repeated once with different topic.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3738H Selected Topics World Lit 3 s.h.**

A comparative examination of a genre, historical period, or literary movement. May be repeated once with different topic.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3739 Writing for Middle School Teachers 3 s.h.**

Designed to strengthen proficiency in writing, with emphasis on issues related to the teaching of English in middle school. Limited to students seeking middle childhood licensure with a concentration in Language Arts.

**Prereq.:** Admission to upper division status in the Beeghly College of Education.

**ENGL 3740 Advanced Writing 3 s.h.**

Designed to strengthen proficiency in essay writing, with emphasis on the development of ideas, analysis of style, clarity of thought and expression, editing, and proofreading.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3741 Advanced Writing for Teachers 3 s.h.**

Designed to strengthen proficiency in writing, with emphasis on issues relating to the teaching of English. Limited to students seeking English or Integrated Language Arts certificates.

**Prereq.:** Admission to upper-division status in the College of Education.

**ENGL 3742 Business Writing 3 s.h.**

Introduces composition course to introduce essential elements of business writing: audience and task analysis; techniques of gathering, interpreting, and presenting business research; appropriate conventions, genres, styles, and formats; elements of collaborative, global, and electronic communication; and application of computer technology to document design and production. 3 s.h.

**Prereq.:** C or better in ENGL 1551.

**ENGL 3743 Professional and Technical Writing 3 s.h.**

Introduction to the elements of professional and technical writing, including audience and task analysis; techniques of gathering, interpreting, and presenting information; appropriate conventions, styles, and formats; elements of collaborative, global, and electronic communication; and application of computer technology to the design and production of documents.

**Prereq.:** ENGL 1551 with grade "C" or better.

**ENGL 3743H Professional and Technical Writing 3 s.h.**

Intermediate composition course to introduce essential elements of professional and technical communication: audience and task analysis; techniques of gathering, interpreting, and presenting information; appropriate conventions, styles, and formats; elements of collaborative, global, and electronic communication; and application of computer technology to document design and production.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3744 Proposal and Report Writing 3 s.h.**

Application of rhetorical strategies and principles of design to the preparation of texts in two specific professional writing genres: the proposal (such as grant and research proposals) and the report (such as technical, feasibility, and other kinds of reports).

**Prereq.:** ENGL 1551 with grade "C" or better.

**ENGL 3745 Writing for Online Environments 3 s.h.**

Analysis of the rhetoric of online discourse and exploration of techniques for producing documents meant to be accessed online. Students will use web design applications and other social media platforms for producing their own online writing.

**Prereq.:** ENGL 1551 with grade "C" or better.

**ENGL 3746 Fiction Writing Workshop 3 s.h.**

Supervised workshop in which students develop their individual narrative skills, styles, and talents. May be repeated once.

**Prereq.:** ENGL 2646.

**ENGL 3747 Poetry Writing Workshop 3 s.h.**

Supervised workshop in which students develop their individual poetic skills, styles, and talents. May be repeated once.

**Prereq.:** ENGL 2647.

**ENGL 3748 Screenwriting 3 s.h.**

Examination and application of story concepts, theme and character development, structure, page design, and formatting. Students will develop their own story, treatment, and screenplay. May be repeated once.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3749 Writing the Youth Novel 3 s.h.**

Examination and application of elements associated with novels for young readers. Students will develop their own narrative skills, styles, and talents in a supervised workshop. May be repeated once.

**Prereq.:** ENGL 2646.

**ENGL 3750 Language and Culture 3 s.h.**

Language structure as an instrument in human behavior and social institutions with emphasis on cross-cultural and intercultural communication.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3751 Readings in Professional and Technical Writing 3 s.h.**

Analysis of technical and professional documents and texts that examine issues including clarity, choice of language, audience, tone, and writing in specific genres.

**Prereq.:** ENGL 1551 with grade "C" or better.

**ENGL 3755 Principles of Linguistic Study 3 s.h.**

Survey of elements of linguistic structure, methods of analysis and description, theoretical models, and the role of language in human affairs.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3757 Development of the English Language 3 s.h.**

Sounds, vocabulary, grammar, and usage, from old to contemporary English.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 3765 Film Genres 3 s.h.**

Study of a particular type of film, such as comedy, western, documentary, or science fiction. May be repeated once with a different topic.

**Prereq.:** ENGL 3710, ENGL 3711, ENGL 3712, ENGL 3713 or ENGL 2665.

**ENGL 3770 American Literature in Historical Perspective 3 s.h.**

Poetry, prose, drama, and other forms of literary expression examined within the context of a specific aspect of American social, intellectual, and cultural history. May be repeated once with different topic.

**Prereq.:** ENGL 3700 or concurrent.

**Cross-listed:** AMER 3770.

**ENGL 3780 American Genres 3 s.h.**

Study of a particular type of literature (e.g., short story, autobiography, or film) as it developed in the United States. May be repeated once with a different topic.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 3790 Selected Topics in Multicultural Studies 3 s.h.**

Concentrated study of discourse in English, primarily literature, from cultures other than the dominant or majority culture of a given society. Designed to develop awareness and sensitivity to issues of difference, power, and cross-cultural perspectives, and to address and facilitate students' multicultural literacy. May be repeated once with different topic.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 4830 Major Figures in British Literature 3 s.h.**

Concentrated study of the works of a British writer who has contributed significantly to the literary tradition. May be repeated once with different topic.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4831 British Genres, Circles, and Movements 3 s.h.**

Study of a literary genre, a group of writers who shared a cultural context or who influenced one another's work, or a trend or development in literature. May be repeated once with different topic.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4843 Advanced Professional and Technical Writing 3 s.h.**

Advanced instruction in professional and technical writing, expanding on knowledge and skills developed in ENGL 3743, with emphasis on the creation and design of complex documents using tools such as Microsoft Word and Adobe InDesign.

**Prereq.:** ENGL 3743 with grade "C" or better.

**ENGL 4849 Professional and Technical Editing 3 s.h.**

Study of the skills needed to make appropriate decisions about the content, grammar, mechanics, style, organization, and format of scholarly, trade, journalistic, and other professional publications, including newsletters and electronic publications. Topics include stages in the publishing process, proofreading, hard-copy versus online editing, mechanical and substantive editing, and the use of house and press styles.

**Prereq.:** Completion of ENGL 3743 with grade "C" or better.

**ENGL 4850 Sociolinguistics 3 s.h.**

An investigation of the relationship between language and society. Includes discussion of dialects and standard language, language planning, linguistic identity, multi- and bilingualism, class, gender, ethnicity, and social interaction. Listed also as FNGL 4850.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 4851 Language Acquisition 3 s.h.**

A study of research on the learning of first and second languages. Topics include developmental sequences, learner variables, critical periods and conditions for learning, and the roles of input and interaction. The course is designed for those planning to teach languages. Listed also as FNGL 4851.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 4852 Linguistics and Literacy 3 s.h.**

Examination of the linguistic, social, and cultural dimensions of reading and writing and their impact on literacy acquisition and performance in language.

**Prereq.:** ENGL 2651 or ENGL 3755.

**ENGL 4855 Advanced Linguistics 3 s.h.**

In-depth study of selected issues in contemporary linguistic theory. Especially recommended for students pursuing advanced studies or a minor in linguistics or planning graduate studies.

**Prereq.:** ENGL 2651 or ENGL 3755.

**ENGL 4856 TESOL Methods 3 s.h.**

Introduction to teaching English as a Second Language (ESL), including reading, writing, listening, and speaking. Focus on using communicative methods with non-native speakers.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 4857 TESOL Practicum 3 s.h.**

Supervised teaching in English as a Second Language (ESL) program. Additionally, weekly seminar attendance required.

**Prereq.:** ENGL 4856.

**ENGL 4858 English Grammar 3 s.h.**

Descriptions and analysis of English language structure.

**Prereq.:** Completion of ENGL 1551 with grade "C" or better.

**ENGL 4859 Selected Topics in Discourse 3 s.h.**

Study in depth of a specific topic such as stylistics, semantics, or rhetoric. May be repeated once with different topic.

**Prereq.:** ENGL 3740, ENGL 3741, or ENGL 3755 as appropriate to topic.

**ENGL 4860 The Medieval World 3 s.h.**

British literature from the Anglo-Saxon period to the age of Chaucer, presented in the context of the period's history and culture.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4862 Themes in American Literature 3 s.h.**

In-depth examination of a significant theme in American literature and culture through analysis of prose, poetry, drama, and/or film from different historical periods.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4864 American Literary Conversations 3 s.h.**

Study of two or more American writers whose work is related. Focuses on writers who influenced each other, who wrote during the same period, or who explored similar themes or used similar literary styles.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4865 Selected Topics in Film 3 s.h.**

An important aspect of or approach to film not covered in other courses. May be repeated once with different topic.

**Prereq.:** ENGL 3710, ENGL 3711, ENGL 3712, ENGL 3713, or ENGL 2665.

**ENGL 4870 Web Communications Capstone 3 s.h.**

A project course requiring the integration of website development tools and techniques, database development, effective writing for the web, and audience analysis, to produce a website of substantial depth and breadth. Oral and written presentations of final project. Listed also as CSIS 4870.

**Prereq.:** Senior standing and permission of instructor.

**Gen Ed:** Capstone.

**ENGL 4871 The Black Experience in American Literature 3 s.h.**

Study of African-American literature that explores the intersections between race, gender, and class in America, with emphasis on black minority culture, experience, and perspective.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4881 Shakespeare and His World 3 s.h.**

Study of Shakespeare's works along with an exploration of the artistic and social forces that shaped his writing.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4882 The English Renaissance 3 s.h.**

Study of British literature from 1500 to 1660 and the social, cultural, and artistic forces that influenced it.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4886 Restoration and Eighteenth Century British Literature 3 s.h.**

Study of British literature of the period and the social, cultural, and artistic forces that influenced it.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4887 The Romantic Period 3 s.h.**

Study of British literature from 1776 to 1832 and the social, cultural, and artistic forces that influenced it.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4890 Senior Seminar 3 s.h.**

Study of literature, linguistics, or criticism and theory requiring a long, critical, research-based paper.

**Prereq.:** ENGL 3710, ENGL 3711, ENGL 3712 or ENGL 3713.

**Gen Ed:** Capstone.

**ENGL 4891 Individual Study 1-3 s.h.**

Exploration of a topic in English studies. An academic project or written report produced in consultation with an English instructor is required. May be repeated with different topics for a maximum of 3 s.h.

**Prereq.:** Senior standing in English and department permit.

**ENGL 4892 Nineteenth Century British Literature Studies 3 s.h.**

Nineteenth-century writers, works, and themes read in the context of the period's culture and history.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4895 Early Twentieth Century British Studies 3 s.h.**

Literature read in the context of the period's literary movements, culture, and history.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4896 British Literature from World War II to the Present 3 s.h.**

Literature read in the context of the period's literary movements, culture, and history.

**Prereq.:** ENGL 3700 or concurrent.

**ENGL 4897 English Internship 1-3 s.h.**

Supervised experience directed by an English faculty member and a designated representative of a participating organization. Enrollment is contingent upon the availability of internships. Students are selected on the basis of qualifications including GPA, courses taken, recommendations and an interview.

**Prereq.:** 12 hours of English, junior or senior standing, and a department permit.

**ENGL 4898 Professional and Technical Writing Internship 1-3 s.h.**

Supervised work-and-learning experiences in professional communication under the direction of a faculty member and an employee of a participating firm. Internship encompasses 10 to 20 hours of student time each week. Enrollment is contingent upon the availability of internships. Students are selected on the basis of their current resume, brief statement of interest, and faculty recommendations. May be repeated with the approval of the department chairperson.

**Prereq.:** ENGL 3743 with grade "C" or better.

**ENGL 4899 Professional and Technical Writing Senior Project 3 s.h.**

Capstone experience for the Professional Writing and Editing major. Individualized research, analysis, development, and oral presentation of a project that incorporates audience-appropriate writing, design, and/or editing in a usable high-quality product. Taken during the students final undergraduate year.

**Prereq.:** ENGL 3743 with grade "C" or better.

**Gen Ed:** Capstone.

## Bachelor of Arts in English

The English literature major requires 42 semester hours. This curriculum sheet includes general education requirements and the minor. You'll take electives to complete the minimum 120 sh for graduation.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies 12		
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
MATH 2623	Quantitative Reasoning	3
Arts and Humanities		6
Natural Sciences		7
Social Science		6
Social and Personal Awareness		6
General Education Elective/First-Year Experience		3
<b>Foreign Language Requirement</b>		
FNLG 1550	Elementary Foreign Language	4
FNLG 2600	Intermediate Foreign Language	4
<b>Multicultural Studies</b>		3

Choose one: ENGL 2617 (Women in Literature), 2618 (American Literature and Diversity), 2620 (African Literature), 3732 (Images of Women), 3790 (Sel. Topics in Multicultural Studies), 4850 (Sociolinguistics), or 4871 (Black Experience in American Literature)

**Major Requirements**

ENGL 3700	Literary Study	3
ENGL 3706	Introduction to Literary Theory	3
ENGL 3710	British Literature 1	3
ENGL 3711	British Literature 2	3
ENGL 3712	American Literature 1	3
ENGL 3713	American Literature 2	3
ENGL 4890	Senior Seminar (Capstone)	3

**Language Studies**

ENGL 3755	Principles of Linguistic Study	3
or ENGL 3757	Development of the English Language	3

**British Literature Studies**

Select one of the following:

ENGL 4830	Major Figures in British Literature	
ENGL 4831	British Genres, Circles, and Movements	
ENGL 4860	The Medieval World	
ENGL 4881	Shakespeare and His World	
ENGL 4882	The English Renaissance	
ENGL 4886	Restoration and Eighteenth Century British Literature	
ENGL 4887	The Romantic Period	
ENGL 4892	Nineteenth Century British Literature Studies	
ENGL 4895	Early Twentieth Century British Studies	
ENGL 4896	British Literature from World War II to the Present	

**American Literature Studies**

Select one of the following: 3

ENGL 3770	American Literature in Historical Perspective	
ENGL 3780	American Genres	
ENGL 4862	Themes in American Literature	
ENGL 4864	American Literary Conversations	
ENGL 4871	The Black Experience in American Literature	

Select one additional British or American Literatures Studies Course from the above list (The course must cover a period before 1900.) 3

**Advanced Writing**

Select one of the following: 3

JOUR 3716	Introduction to Magazine Journalism	
JOUR 3717	Editorial and Opinion Writing	
JOUR 3721L	Journalism Workshop	
ENGL 3740	Advanced Writing	
ENGL 3741	Advanced Writing for Teachers	
ENGL 3743	Professional and Technical Writing	
ENGL 3744	Proposal and Report Writing	
ENGL 3746	Fiction Writing Workshop	
ENGL 3747	Poetry Writing Workshop	
ENGL 3748	Screenwriting	

**Minor** 18

**Total Semester Hours** 108

This plan is a road-map to graduation, but you have many options in how you manage your schedule. Speak to a department advisor for help creating a plan that will help you to achieve your professional goals (call 330-941-3414 or email the literature coordinator listed on the department website).

- For the upper-division British Literature requirement, pick one from this list: 4830 (Major Figures in British Literature), 4831 (British Genres, Circles, and Movements), 4860 (The Medieval World), Shakespeare and His World), 4882 (The English Renaissance), 4886 (Restoration and Eighteenth Century British Literature), 4887 (The Romantic Period), 4892 (Nineteenth Century British Literature Studies), 4895 (Early 20th Century British Studies), or 4896 (British Literature–WW II to the Present).
- For the upper-division American Literature requirement, pick one from the following list: 3770 (American Literature in Historical Perspective), 3780 (American Genres), 4862 (Themes in American Literature), 4864 (American Literary Conversations), 4871 (The Black Experience in American Literature).
- For the Advanced Writing requirement, pick one of the following courses (all of these require completion of Comp 2 as a prerequisite, and some have additional prerequisites—check the course descriptions): JOUR 3716 (Intro to Magazine Journalism), 3717 (Editorial and Opinion Writing), JOUR 3721L (Journalism Workshop); ENGL 3740 (Advanced Writing), 3741 (Advanced Writing for Teachers), 3743 (Prof and Tech Communication), 3744 (Proposal and Report Writing), 3746 (Fiction Writing Workshop), 3747 (Poetry Writing Workshop), 3748 (Screewriting), 3849 (Writing the Youth Novel)
- For the Popular Culture Studies requirement, take one of the following: 3750 (Language and Culture), 3765 (Film Genres), 3737 (Popular Culture Studies), 4865 (Selected Topics in Film).

## Learning Outcomes

The English Department has established the following learning outcomes for students completing the English major:

- English majors will deploy varied strategies for engaging with literature on the levels of words, appropriate parts of texts, whole texts, contexts, and criticism.
- English majors will be able to situate texts in the appropriate literary, historical, and cultural contexts.
- English majors will be able to analyze how the production and reception of language and literature are influenced by differences of form, culture, and identity.
- English majors will effectively present and discuss ideas about literature and language in a manner that is appropriate for the situation.

## Bachelor of Arts in Professional and Technical Writing (PTW)

### Overview

The PTW program is designed to help you learn to write, edit, and design electronic and paper documents for businesses, organizations, and institutions. Successful PTW majors demonstrate many kinds of knowledge and skills valued in the field. As a PTW major, you'll analyze existing works—from web sites and manuals to policies and proposals—as well as produce your own original materials for your professional portfolio. Specifically, you will

- learn to produce clear, effective, well-edited writing that serves the needs and interests of various audiences;

- learn to adapt to working environments that are changing rapidly—especially in terms of information technology;
- develop a specialty in a specific field or type of working environment in which you'd like to put your PTW knowledge and skills to use.

Majors in PTW enjoy successful careers as writers, editors, and document developers. Our graduates have gotten work as professional and technical writers at Ohio companies like Radcom and Rockwell Automation, as grant writers at regional nonprofits, as marketing and public relations specialists around the nation, and as teachers, trainers and consultants in the field. Many have continued their studies in graduate programs as well.

A major in professional and technical writing requires 63 semester hours, distributed as follows:

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1550	Writing 1

<b>Spring</b>	
ENGL 4899 Professional and Technical Writing Senior Project	3
PTW Prof Area crs. (6 of 6) <sup>1</sup>	3
Elective 37/48xx	3
Elective 37/48xx	3
<b>Semester Hours</b>	<b>12</b>
<b>Total Semester Hours</b>	<b>120</b>

## Notes:

1. The Professional Area requires 18SH in various areas; GER courses may be counted toward it.
2. Req. II includes 12 upper-division SH in non-PTW classes, including linguistics, journalism, and creative writing.
3. Req. III includes any **two** literature courses in the English department, 2600-level or higher.

Upper-division hours = 48

## Learning Outcomes

The English Department has established the following learning outcomes for students completing the professional and technical writing major:

- PTW majors will define, state, and achieve a specific purpose and target audience, recognizing and adjusting for budgetary and timeline constraints.
- PTW majors will create and implement appropriate formats and designs for specific audiences and purposes.
- PTW majors will use a problem-solving approach and a variety of resources to investigate a problem, acquire and assess information, and organize it effectively.
- PTW majors will design documents professionally, using appropriate technological resources, software and hardware, as well as appropriate elements of design.
- PTW majors will evaluate others' writing, accept and implement the recommendations of others in revision and editing. They will edit appropriately, using conventional grammar, spelling, and diction, and they will apply the appropriate style guide.

## Minor in British and American Literature

COURSE	TITLE	S.H.
ENGL 3700	Literary Study	3
ENGL 3710	British Literature 1	3
or ENGL 3711	British Literature 2	

ENGL 3712	American Literature 1	3
or ENGL 3713	American Literature 2	
Select one upper-division American Literature course from the following:		3
ENGL 3770	American Literature in Historical Perspective	
ENGL 3780	American Genres	
ENGL 4862	Themes in American Literature	
ENGL 4864	American Literary Conversations	
ENGL 4871	The Black Experience in American Literature	
Select one upper-division British Literature course from the following:		3
ENGL 4830	Major Figures in British Literature	
ENGL 4831	British Genres, Circles, and Movements	
ENGL 4860	The Medieval World	
ENGL 4881	Shakespeare and His World	
ENGL 4882	The English Renaissance	
ENGL 4886	Restoration and Eighteenth Century British Literature	
ENGL 4887	The Romantic Period	
ENGL 4892	Nineteenth Century British Literature Studies	
ENGL 4895	Early Twentieth Century British Studies	
ENGL 4896	British Literature from World War II to the Present	
ENGL 4890	Senior Seminar	3
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Creative Writing

Take six of the following courses. Note that ENGL 2646 (Fiction) and 2647 (Poetry) are prerequisites for the upper-division workshops in fiction and poetry.

COURSE	TITLE	S.H.
ENGL 2646	Introduction to Fiction Writing	3
ENGL 2647	Introduction to Poetry Writing	3
ENGL 3740	Advanced Writing	3
ENGL 3746	Fiction Writing Workshop	3
ENGL 3747	Poetry Writing Workshop	3
ENGL 3748	Screenwriting	3
ENGL 3749	Writing the Youth Novel	3

Total Semester Hours 18

## Minor in English Studies

COURSE	TITLE	S.H.
ENGL 3700	Literary Study	3
Select one of the following literature survey courses:		3
ENGL 3710	British Literature 1	
ENGL 3711	British Literature 2	
ENGL 3712	American Literature 1	
ENGL 3713	American Literature 2	

Select one upper division American Literature OR upper division British Literature from the following:

American Literature Courses	
ENGL 3770	American Literature in Historical Perspective
ENGL 3780	American Genres
ENGL 4862	Themes in American Literature
ENGL 4864	American Literary Conversations
ENGL 4871	The Black Experience in American Literature
British Literature Courses	
ENGL 4830	Major Figures in British Literature
ENGL 4831	British Genres, Circles, and Movements

ENGL 4860	The Medieval World
ENGL 4881	Shakespeare and His World
ENGL 4882	The English Renaissance
ENGL 4886	Restoration and Eighteenth Century British Literature
ENGL 4887	The Romantic Period
ENGL 4892	Nineteenth Century British Literature Studies
ENGL 4895	Early Twentieth Century British Studies
ENGL 4896	British Literature from World War II to the Present

Select one other literature course from the following: 3

ENGL 2610	World Literature
ENGL 2617	Women in Literature
ENGL 2618	American Literature and Diversity
ENGL 2620	African Literature
ENGL 2631	Mythology in Literature
ENGL 2665	Introduction to Film Study
ENGL 3703	Literature for Young Children
ENGL 3704	Literature for Middle School Readers
ENGL 3705	Young Adult Literature
ENGL 3738	Selected Topics in World Literature
ENGL 3765	Film Genres
ENGL 4865	Selected Topics in Film

Select two additional English Studies courses – one course from any two of the following groups: 6

**Group 1: Language, Writing, and Culture**

ENGL 2651	Introduction to Language
ENGL 3755	Principles of Linguistic Study
ENGL 3740	Advanced Writing
ENGL 3790	Selected Topics in Multicultural Studies

**Group 2: Journalism**

JOUR 2622	News Reporting 1
JOUR 2626	American Journalism
JOUR 3716	Introduction to Magazine Journalism
JOUR 3717	Editorial and Opinion Writing
JOUR 3723	Advanced Journalism Editing and Design
JOUR 4824	Press Law and Ethics

**Group 3: Creating Writing**

ENGL 2646	Introduction to Fiction Writing
ENGL 2647	Introduction to Poetry Writing
ENGL 3748	Screenwriting
ENGL 3746	Fiction Writing Workshop
ENGL 3747	Poetry Writing Workshop

**Group 4: Technical and Professional Communication**

ENGL 3743	Professional and Technical Writing
ENGL 3744	Proposal and Report Writing
ENGL 4849	Professional and Technical Editing

**Total Semester Hours** 18

## Minor in Linguistics

The minor in linguistics requires completion of a minimum of 18 semester hours including ENGL 3755 Principles of Linguistic Study. Contact Nicole Pettitt, Linguistic Program Director, for further details.

COURSE	TITLE	S.H.
<b>Required Courses</b>		
ENGL 3755	Principles of Linguistic Study	3
<b>Group I</b>		
Select at least two courses: 6		

ENGL 3750	Language and Culture
ENGL 3757	Development of the English Language
ENGL 4850	Sociolinguistics
ENGL 4855	Advanced Linguistics
ENGL 4858	English Grammar
FRNC 3710	Applied French Phonetics
FRNC 4885	French Conversation and Composition Capstone
SPAN 3724	Spanish Pronunciation
SPAN 3735	Advanced Spanish Grammar and Composition
SPAN 3736	Introduction to Spanish Linguistics
SPAN 5855	Topics in Spanish Language and Linguistics

**Additional Coursework for Groups I and II**

Select at least 9 s.h. from the following: 9

ENGL 4851	Language Acquisition
ENGL 4856	TESOL Methods
ENGL 4857	TESOL Practicum
ENGL 4858	English Grammar
ENGL 4859	Selected Topics in Discourse
PHIL 2619	Introduction to Logic
PHIL 3714	Language and Mind
PHIL 3719	Symbolic Logic
CSCI 5835	Artificial Intelligence

**Total Semester Hours** 18

## Minor in Professional Writing and Editing

COURSE	TITLE	S.H.
ENGL 3743	Professional and Technical Writing	3
ENGL 3744	Proposal and Report Writing	3
ENGL 4843	Advanced Professional and Technical Writing	3
ENGL 4849	Professional and Technical Editing	3

Select two of the following: 6

ENGL 3740	Advanced Writing
ENGL 3745	Writing for Online Environments
ENGL 3751	Readings in Professional and Technical Writing
ENGL 3755	Principles of Linguistic Study

**Total Semester Hours** 18

## Minor in Web Communications

COURSE	TITLE	S.H.
CSIS 1590	Survey of Computer Science and Information Systems	3
INFO 3774	Multimedia Technology	4
INFO 3776	Client-Side Scripting Techniques	4
ENGL 3743	Professional and Technical Writing	3
ENGL 3744	Proposal and Report Writing	3
ENGL 4843	Advanced Professional and Technical Writing	3
or ENGL 4849	Professional and Technical Editing	

**Total Semester Hours** 20

## Department of Foreign Languages & Literatures

See Degree Requirements on the College of Liberal Arts and Social Sciences (p. 280) page for information about foreign language requirements.

## Contact Information

John Sarkissian, Department Chair

jesarkissian@ysu.edu

330-941-3460 or -3461

## Introduction to the Department

The Department of Foreign Languages and Literatures offers B.A. degrees in Italian and Spanish and, in conjunction with the Beeghly College of Education, B.S. degrees in Italian Education and Spanish Education.

The Department offers minors in French, Italian, and Spanish and has now introduced Certificate programs in those languages, which require 14 hours of coursework and study abroad (as opposed to the 18-19 hours required by minors).

The Department also offers a limited amount of course work in American Sign Language, Arabic, Chinese, Latin and Ancient Greek.

Students interested in French, Italian or Spanish, even if they are not majors or minors, are invited to participate in the French, Italian or Spanish Club.

## Learning Outcomes

The Department's learning outcomes for all modern language courses, the level of expectation depending on the level of the course, are as follows:

- **Cultural Understanding:** The student will develop an understanding and appreciation of the history and culture of those areas in which the target language is (or was) spoken.
- **Reading Comprehension:** The student will be able to read and understand a variety of materials written in the target language. These materials may include but are not limited to: novels, plays, poetry, newspaper and magazine articles, and private correspondence (e.g., business communications).
- **Listening Comprehension:** The student will be able to understand the target language when spoken in a variety of contexts. These contexts may include but are not limited to conversation with another individual or individuals, formal lectures, song and film.
- **Oral Expression:** The student will be able to carry on a conversation and deliver a speech in the target language.
- **Written Expression:** The student will be able to compose in the target language a variety of written documents. These documents may include but are not limited to formal and casual correspondence, essays and creative works.

## Advising

Advising is carried out by the Chair of the Department in consultation with the faculty in each language group. Student are advised to meet at least once a year with the Chair and encouraged to meet each semester.

## Study Abroad

The Department encourages all students to study abroad and sponsors its own program in Italy (since 2012) and is developing one in Colombia.

## Language Clubs

Each of the Department's three most heavily enrolled languages, French, Italian and Spanish, has a club for majors, minors and any other students who have an interest in that language. Club activities include regular meetings, conversation hours, organized dinners, and attendance at various events such as Opera Western Reserve and the Cleveland International Film Festival.

Chair

John E. Sarkissian, Ph.D., Professor, Chair

Professor

Jennifer Behney, Ph.D., Assistant Professor

Alena Kirova, Ph.D., Assistant Professor

Ndindi Masagara, Ph.D., Associate Professor

Diana Q. Palardy, Ph.D., Associate Professor

Carla Anne Simonini, Ph.D., Associate Professor

Gina Villamizar, Ph.D., Assistant Professor

## Majors

- BA in Italian (p. 306)
- BA in Spanish (p. 307)
- BS in Italian Education (in conjunction with Beeghly College of Education) (<http://catalog.ysu.edu/undergraduate/colleges-programs/college-education/department-teacher-education/italian-p-12-multi-age-license/#curriculumshetext>)
- BS in Spanish Education (in conjunction with Beeghly College of Education) (<http://www.ysu.edu/academics/beeghly-college-education/spanish-education-major>)

## Minors

- French Minor (p. 308)
- Italian Minor (p. 309)
- Spanish Minor (p. 309)
- Greek Studies Minor (p. 308)
- Latin Minor (p. 309)

## Certificates

- French Certificate (p. 309)
- Italian Certificate (p. 309)
- Spanish Certificate (p. 310)

## American Sign Language

**ASL 1550 Elementary American Sign Language 1 2 s.h.**

Introduction to the fundamentals of American Sign Language (ASL), including vocabulary, syntax, and grammatical non-manual signals. Introduction to the history and culture of the Deaf Community. Grading is ABC/NC.

**ASL 1551 Elementary American Sign Language 2 2 s.h.**

Continuation of ASL 1550 with further development of vocabulary, syntax and grammatical non-manual signals and additional study of the history and culture of the Deaf Community.

**Prereq.:** ASL 1550.

**ASL 1552 Intermediate American Sign Language 1 2 s.h.**

Continuation of ASL 1551 with further development of vocabulary, syntax and grammatical non-manual signals and additional study of the history and culture of the Deaf Community.

**Prereq.:** ASL 1551.

**ASL 2600 Intermediate American Sign Language 2 2 s.h.**

Continuation of ASL 1552 with further development of vocabulary, syntax and grammatical non-manual signals and additional study of the history and culture of the Deaf Community.

**Prereq.:** ASL 1552.

## Arabic \*

### ARBC 1550 Elementary Arabic 4 s.h.

Intensive training in understanding, speaking, reading, and writing Arabic. Geography and daily life, as well as appreciation of the culture of Arabic speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

### ARBC 2600 Intermediate Arabic 4 s.h.

A continuation of ARBC 1550 with intensive training in understanding, speaking, reading, and writing Arabic. Geography and daily life, as well as appreciation of the culture of Arabic speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** ARBC 1550.

### ARBC 2605 Advanced Intermediate Arabic 1 3 s.h.

A continuation of ARBC 2600 with intensive training in understanding, speaking, reading, and writing Arabic. Geography and daily life, as well as appreciation of the culture of Arabic speakers, are studied.

**Prereq.:** ARBC 2600.

### ARBC 2606 Advanced Intermediate Arabic 2 3 s.h.

A continuation of ARBC 2605 with intensive training in understanding, speaking, reading, and writing Arabic.

**Prereq.:** ARBC 2605.

### ARBC 3701 Advanced Arabic 1 3 s.h.

A continuation of ARBC 2606 with intensive training in understanding, speaking, reading, and writing Arabic.

**Prereq.:** ARBC 2606.

### ARBC 3702 Advanced Arabic 2 3 s.h.

A continuation of ARBC 3701 with intensive training in understanding, speaking, reading, and writing Arabic.

**Prereq.:** ARBC 3701.

### ARBC 3799 Study Abroad in Arabic 1-15 s.h.

An individually-arranged program of foreign study in the Arabic language. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by the Chair of Foreign Languages and the Dean of CLASS prior to the trip. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** Sophomore status and approval of the Chair of Foreign Languages.

\* Currently only ARBC 1550 and ARBC 2600 are regularly offered.

## Chinese\*

### CHIN 1550 Elementary Chinese 4 s.h.

Intensive training in understanding, speaking, reading, and writing Chinese. Geography and daily life, as well as appreciation of the culture of Chinese speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

### CHIN 2600 Intermediate Chinese 4 s.h.

Continuation of CHIN 1550 with intensive training in understanding, speaking, reading, and writing Chinese. Geography and daily life, as well as appreciation of the culture of Chinese speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** CHIN 1550.

### CHIN 2605 Advanced Intermediate Chinese 1 3 s.h.

A continuation of CHIN 2600 with intensive training in understanding, speaking, reading, and writing Chinese. Geography and daily life, as well as appreciation of the culture of Chinese speakers, are studied.

**Prereq.:** CHIN 2600 or placement test.

### CHIN 2606 Advanced Intermediate Chinese 2 3 s.h.

A continuation of CHIN 2605 with intensive training in understanding, speaking, reading, and writing Chinese.

**Prereq.:** CHIN 2605.

### CHIN 3701 Advanced Chinese 1 3 s.h.

A continuation of CHIN 2606 with intensive training in understanding, speaking, reading, and writing Chinese.

**Prereq.:** CHIN 2606.

### CHIN 3702 Advanced Chinese 2 3 s.h.

A continuation of CHIN 3701 with intensive training in understanding, speaking, reading, and writing Chinese.

**Prereq.:** CHIN 3701.

### CHIN 3799 Study Abroad in Chinese 1-15 s.h.

An individually-arranged program of foreign study in the Chinese language. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by the Chair of Foreign Languages and the Dean of CLASS prior to the trip. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** sophomore status and approval of the Chair of Foreign Languages.

\* Currently only CHIN 1550 and CHIN 2600 are regularly offered.

## Foreign Languages\*

### FNLG 1550 Elementary Foreign Language 4 s.h.

Intensive training in understanding, speaking, reading, and writing a foreign language not regularly offered. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

### FNLG 1550H Honors Elementary Foreign Language 4 s.h.

Intensive training in understanding, speaking, reading, and writing a foreign language not regularly offered. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Students should achieve an intermediate-low level of proficiency. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

### FNLG 2600 Intermediate Foreign Language 4 s.h.

Intensive training in understanding, speaking, reading, and writing a foreign language not regularly offered. Geography and daily life, as well as appreciation of the culture of the speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** FNLG 1550 in the same language.

### FNLG 2601 Advanced Intermediate Foreign Language 1 3 s.h.

Intensive training in understanding, speaking, reading, and writing a foreign language not regularly offered. Geography and daily life, as well as appreciation of the cultures of speakers of the language, are studied.

**Prereq.:** FNLG 2600 in the same language.

### FNLG 2602 Advanced Intermediate Foreign Language 2 3 s.h.

A continuation of FNLG 2601 with intensive training in understanding, speaking, reading, and writing a foreign language not regularly offered.

**Prereq.:** FNLG 2601 in the same language.

### FNLG 2610 Foreign Film 3 s.h.

Study of representative films originally produced in a language other than English; examination of relevant critical theories and of historic and institutional factors affecting the development of the genre; special attention to cultural issues raised in the films.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**FNLG 2610H Honors Foreign Film 3 s.h.**

Study of representative films originally produced in a language other than English; examination of relevant critical theories and of historic and institutional factors affecting the development of the genre; special attention to cultural issues raised in the films.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**FNLG 2660 Women in the Ancient World 3 s.h.**

Study of various aspects of the lives of women in Ancient Greece and Rome. Emphasis on examination and evaluation of primary sources. All readings are in English.

**Gen Ed:** Social Science.

**FNLG 2660H Honors Women in the Ancient World 3 s.h.**

Study of various aspects of the lives of women in Ancient Greece and Rome. Emphasis on examination and evaluation of primary sources. All readings are in English.

**Gen Ed:** Social Science.

**FNLG 3701 Advanced Foreign Language 1 3 s.h.**

A continuation of FNLG 2602 with intensive training in understanding, speaking, reading, and writing in a foreign language not regularly offered.

**Prereq.:** FNLG 2602 in the same language.

**FNLG 3702 Advanced Foreign Language 2 3 s.h.**

A continuation of FNLG 3701 with intensive training in understanding, speaking, reading, and writing in a foreign language not regularly offered.

**Prereq.:** FNLG 3701 in the same language.

**FNLG 3799 Study Abroad in Foreign Language 1-15 s.h.**

An individually-arranged program of foreign study in a language not regularly offered. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by the Chair of Foreign Languages and the Dean of CLASS prior to the trip. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** sophomore status and approval of the Chair of Foreign Languages.

**FNLG 4801 Methods of Foreign Language Teaching 3 s.h.**

Methods of teaching World Languages (P-12) that are focused on developing students' target language communicative proficiency and are based on the ACTFL World-Readiness Standards for Learning Languages (W-RSLLS). Course concentrates on engaging students in the Interpretive, Interpersonal, and Presentational Modes of Communication, Integrated Performance Assessments (IPAs), and the integration of technology into World Language teaching. This course requires 80 hours of field experience in a local high school.

**Prereq.:** Permission of the Department Chair.

**FNLG 4899 Professional Development for Teachers 1 s.h.**

Students will 1) attend an appropriate professional conference and produce a journal detailing their experiences at the conference, and 2) assemble and present a portfolio of their previous language coursework to the faculty and other interested parties.

**Prereq.:** Permission of the Department Chair.

\* FNLG 1550, FNLG 1550H, FNLG 2600, FNLG 2601, FNLG 2602 and FNLG 3799 are used as the YSU equivalents for credit students may have earned in foreign languages not offered by the Department of Foreign Languages.

## French

**FRNC 1550 Elementary French 4 s.h.**

Intensive training in understanding, speaking, reading, and writing French. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

**FRNC 2600 Intermediate French 4 s.h.**

Intensive training in understanding, speaking, reading, and writing French; knowledge of the natural and cultural features of French-speaking countries and regions. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or FRNC 1550.

**FRNC 2605 Advanced Intermediate French 3 s.h.**

Advanced training in understanding, speaking, reading, and writing French; knowledge of the natural and cultural features of French-speaking countries and regions. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or FRNC 2600.

**FRNC 2606 Intensive French Review 3 s.h.**

Intensive review of basic French speaking and writing language skills. Grammatical structures and vocabulary in context.

**Prereq.:** Placement test or FRNC 2600.

**FRNC 3701 Service Learning in French 1-2 s.h.**

Using the French language to engage in community service or an internship. Completion of a journal written in French and detailing the experience is required. May be repeated up to 4 s.h.

**Prereq.:** Approval of Department Chair, and FRNC 2600 or placement test.

**FRNC 3710 Applied French Phonetics 3 s.h.**

A systematic study of French phonetics to correct defects in pronunciation and intonation and give students a better understanding of the differences between the French and English sound systems.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3716 Advanced French Grammar and Composition 3 s.h.**

A systematic study of French language morphology, sentence structure, and usage applied to a variety of written discourse styles. Contrast with English discourse styles and effective grammatical use.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3717 Advanced French Conversation 3 s.h.**

Development of oral expression through discussion of current topics in the context of French and Francophone culture, politics, and economics. Expansion of vocabulary.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3720 Literature and Culture: France 3 s.h.**

A study of major works of French literature through its history, placed in the cultural context which helped produce them.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3725 Francophone Literature and Culture 3 s.h.**

A study of major works representative of Francophone literature in their cultural context.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3736 Introduction to French Linguistics 3 s.h.**

Examination of basic concepts and issues of modern French linguistic theory. Emphasis is on sociolinguistics with attention also to phonology, morphology, syntax and pragmatics.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3740 French for Business and Communication 3 s.h.**

Development of oral and written communication in business and other practical situations. Business practices in French-speaking countries.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3750 French Civilization and Culture 3 s.h.**

A study of contemporary French civilization and culture, focusing on what the French consider typical of their character, as exemplified by their traditions, magazines, films, and heroes. Readings and class work in French.

**Prereq.:** FRNC 2605 and FRNC 2606.

**FRNC 3780 French Composition and Conversation Review 3 s.h.**

Review course emphasizing impromptu conversations and in-class essay writing. Intended for students who need additional coursework to achieve the level of Advanced Low on the ACTFL Oral Proficiency Interview and/or the ACTFL Writing Proficiency Test. May not be counted toward the major. Grading is CR/NC.

**Prereq.:** 15 s.h. in French at the 3700 level or above and permission of Chair.

**FRNC 3799 Study Abroad in French 1-15 s.h.**

An individually-arranged program of foreign study in the French language. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by a member of the French faculty, the chair of Foreign Languages and the dean of CLASS prior to the trip. Credit toward fulfillment of requirements for the French major will be determined by the chair of Foreign Languages and not the French faculty. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** Sophomore status and approval of the chair of Foreign Languages.

**FRNC 4885 French Conversation and Composition Capstone 3 s.h.**

Capstone course emphasizing impromptu conversations and in-class essay writing. Students must achieve a level of Advanced Low on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 15 s.h. in French at the 3700 level or above and permission of Chair.

**FRNC 4886 French Composition and Conversation Capstone 3 s.h.**

Capstone course emphasizing impromptu conversations and in-class essay writing. Student must achieve a level of Intermediate High on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 15 s.h. in French at the 3700 level or above and permission of Chair.

## Greek

**GRK 1550 Elementary Ancient Greek 4 s.h.**

Introduction to Ancient Greek with emphasis on those aspects of grammar most essential for developing the ability to read Greek. Translation of simple Ancient Greek texts into English. Grading is ABC/NC.

**GRK 2600 Intermediate Ancient Greek 4 s.h.**

Continuation of GRK 1550 with emphasis on more complex aspects of Ancient Greek grammar. Translation of more advanced Ancient Greek texts, including some authentic passages.

**Prereq.:** Placement test or GRK 1550.

**GRK 2603 Directed Reading in Ancient Greek 1 3 s.h.**

Reading of selections from an Ancient Greek author or genre with emphasis on translation. Review of Ancient Greek grammar and introduction of some advanced grammatical constructions not covered in Ancient Greek 1550 or 2600. May be repeated once if topic is different.

**Prereq.:** Permission of Chair and either placement test or GRK 2600.

**GRK 3753 Directed Reading in Ancient Greek 2 3 s.h.**

Reading of selections from an Ancient Greek author or genre with emphasis on translation and interpretation of text; review of Ancient Greek grammar, introduction of relevant modern scholarship, and writing of evaluative essays. May be repeated once if topic is different.

**Prereq.:** GRK 2603 and permission of Chair.

**GRK 4883 Directed Reading in Ancient Greek 3 3 s.h.**

Reading of selections from an Ancient Greek author or genre with emphasis on translation and interpretation of text. Review of Ancient Greek grammar. Writing of a research paper. May be repeated once if topic is different.

**Prereq.:** GRK 3753 and permission of Chair.

## Hebrew\*

**HBRW 1550 Elementary Hebrew 4 s.h.**

Beginning training in understanding, speaking, reading, and writing Hebrew. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

**HBRW 2600 Intermediate Hebrew 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Hebrew; knowledge of geography and daily life as well as appreciation of the culture of Hebrew speakers. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or HBRW 1550.

**HBRW 2605 Advanced Intermediate Hebrew 3 s.h.**

Reading and discussion in Hebrew of selections from the Hebrew Scripture.

**Prereq.:** Placement test or HBRW 2600.

**HBRW 3706 Readings in Hebrew Scripture 3 s.h.**

Reading and discussion in Hebrew of selections from the Hebrew Scriptures. May be repeated once if the texts studied are different.

**Prereq.:** HBRW 2605.

**HBRW 3799 Study Abroad in Hebrew 1-15 s.h.**

An individually-arranged program of foreign study in the Hebrew language. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by a member of the Hebrew faculty, the chair of Foreign Languages and the dean of CLASS prior to the trip. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** Sophomore status and approval of the chair of Foreign Languages.

\* Currently only HBRW 1550 and HBRW 2600 are regularly offered.

## Italian

**ITAL 1550 Elementary Italian 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Italian. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

**ITAL 2600 Intermediate Italian 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Italian; knowledge of geography and daily life as well as appreciation of the cultures of Italian speakers. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or ITAL 1550.

**ITAL 2605 Advanced Intermediate Italian 4 s.h.**

Intensive training in understanding, speaking, reading and writing Italian; knowledge of geography and daily life as well as appreciation of the cultures of Italian speakers.

**Prereq.:** Placement test or ITAL 2600.

**ITAL 2610 Introduction to Italian Film 1 s.h.**

Analysis, written and oral, of Italian films presented in conjunction with FNLG 2610. Corequisite FNLG 2610.

**Prereq.:** ITAL 2600.

**ITAL 3701 Service Learning in Italian 1-2 s.h.**

Using the Italian language to engage in community service or an internship. Completion of a journal written in Italian and detailing the experience is required. May be repeated up to 4 s.h.

**Prereq.:** Approval of Department Chair; and ITAL 2600 or placement test.

**ITAL 3702 Intensive Italian Review 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Italian. Grammatical structures and vocabulary in context.  
**Prereq.:** ITAL 2605.

**ITAL 3724 Italian Linguistics and Phonetics 4 s.h.**

Examination of basic concepts and issues of modern Italian linguistic theory in the areas of phonology, morphology, syntax and pragmatics. Special emphasis is placed on sociolinguistics and on theory and practice in Italian phonetics aimed at improving the pronunciation and intonation of second language learners. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702, or ITAL 2605.

**ITAL 3735 Italian Civilization and Culture 4 s.h.**

A condensed study of the geography, history, literature and social heritage of Italy, from the fall of the Roman Empire to the present. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702 or ITAL 2605.

**ITAL 3740 Survey of Italian Literature 1 4 s.h.**

Introduction to Italian literature from the 14th Century to the Renaissance through representative selections of key literary figures. Theoretical and critical approaches to help interpret texts. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702 or ITAL 2605.

**ITAL 3741 Survey of Italian Literature 2 4 s.h.**

Introduction to Italian literature from the Enlightenment to the present through representative selections of key literary figures. Theoretical and critical approaches to help interpret texts. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702 or ITAL 2605.

**ITAL 3750 Contemporary Italian Literature 4 s.h.**

A study of contemporary Italian literature and its movements and innovations across a variety of genres, including fiction, memoir, poetry, song lyrics, rap and journalism. Featuring the works of Ammaniti, Baricco, Benni, Consoli, Khouma, Mazzucco, Severgnini and Virzl. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702 or ITAL 2605.

**ITAL 3760 Literary Representations of 19th Century Italy 4 s.h.**

A study of literary representations of 19th century Italy and the Italians from the pre-Risorgimento era through the turn of the century, with concentration on the works of Foscolo, Manzoni, Verga and di Lampadusa. Regular in-class discussion and occasional in-class writing assignments, all in Italian.  
**Prereq.:** ITAL 3702 or ITAL 2605.

**ITAL 3780 Italian Composition and Conversation Review 3 s.h.**

Review course emphasizing impromptu conversations and in-class essay writing. Intended for students who need additional coursework to achieve the level of Advanced Low on the ACTFL Oral Proficiency Interview and/or the ACTFL Writing Proficiency Test. May not be counted toward the major. Grading CR/NC.

**Prereq.:** 16 s.h. in Italian at the 3700 level or above and permission of Chair.

**ITAL 3798 Study Abroad in Sicily 4 s.h.**

A structured but individualized program of study at the Culturforum Italian Language School in Cefalu, Sicily.  
**Prereq.:** either ITAL 3702 or both ITAL 2605 and permission of Chair.

**ITAL 3799 Study Abroad in Italian 1-15 s.h.**

An individually-arranged program of foreign study in the Italian language. Programs can be of two general types: (1) trips or residential programs sponsored by consortial universities, and (2) independent academic coursework through institutions with which YSU does not have a consortial agreement. A written statement detailing the student's academic plan must be approved by a member of the Italian faculty, the chair of Foreign Languages and the dean of CLASS prior to the trip. Credit toward fulfillment of requirements for the Italian major will be determined by the chair of Foreign Languages and the Italian faculty. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** Sophomore status and approval of the chair of Foreign Languages.

**ITAL 4880 Italian Conversation and Composition Capstone 4 s.h.**

Capstone course emphasizing impromptu conversations and in-class essay writing. Students must achieve a level of Advanced Low on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 16 s.h. in Italian at the 3700 level or above and permission of Chair.  
**Gen Ed:** Capstone.

**ITAL 4881 Italian Composition and Conversation Capstone 4 s.h.**

Capstone course emphasizing impromptu conversations and in-class essay writing. Students must achieve a level of Intermediate High on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 16 s.h. in Italian at the 3700 level or above and permission of Chair.

## Latin

**LATN 1550 Elementary Latin 4 s.h.**

Introduction to Latin, with emphasis on those aspects of grammar most essential for developing the ability to read Latin. Translation of simple Latin texts into English. Introduction to the culture of the late Roman Republic, including reading selected primary sources in English. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

**LATN 2600 Intermediate Latin 4 s.h.**

Continuation of Latin 1550 with emphasis on more complex aspects of Latin grammar. Translation of more advanced Latin texts, including some authentic passages.

**Prereq.:** Placement test or LATN 1550.

**LATN 2603 Directed Reading in Latin 1 3 s.h.**

Reading of selections from a Latin author or genre with emphasis on translation. Review of Latin grammar and introduction of some advanced grammatical constructions not covered in Latin 1550 or LATN 2600. May be repeated once if topic is different.

**Prereq.:** Placement test or LATN 2600.

**LATN 3753 Directed Reading in Latin 2 3 s.h.**

Reading of selections from a Latin author or genre with emphasis on translation and interpretation of text. Review of Latin grammar, introduction to relevant modern scholarship, and writing of evaluative essays. May be repeated once if topic is different.

**Prereq.:** LATN 2603 and permission of Chair.

**LATN 4883 Directed Reading in Latin 3 3 s.h.**

Reading of selections from a Latin author or genre with emphasis on translation and interpretation of text, review of Latin grammar, and writing of a research paper. May be repeated once if topic is different.

**Prereq.:** LATN 3753 and permission of Chair.

## Spanish

**SPAN 1550 Elementary Spanish 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Spanish. Geography and daily life, as well as appreciation of the culture of its speakers, are studied. Assignments in the Language Learning and Resource Center (LLRC). Grading is ABC/NC.

**SPAN 2600 Intermediate Spanish 4 s.h.**

Intensive training in understanding, speaking, reading, and writing Spanish; geography and daily life, as well as appreciation of the cultures of Spanish speakers are studied. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or SPAN 1550.

**SPAN 2605 Advanced Intermediate Spanish 3 s.h.**

Review and expansion of basic Spanish language skills and cultural information. Assignments in the Language Learning and Resource Center (LLRC).

**Prereq.:** Placement test or SPAN 2600.

**SPAN 3701 Service Learning in Spanish 1-2 s.h.**

Using the Spanish language to engage in community service or an internship. Completion of a journal written in Spanish and detailing the experience is required. May be repeated up to 4 s.h.

**Prereq.:** Approval of Department Chair; and SPAN 2600 or placement test.

**SPAN 3702 Intensive Spanish Review 3 s.h.**

Further study of the Spanish language and Hispanic cultures through oral, written, and reading activities. Focus is on contextualized vocabulary and review of grammar to help students move towards a more advanced level.

**Prereq.:** SPAN 2605.

**SPAN 3724 Spanish Pronunciation 3 s.h.**

Theory and practice of Spanish pronunciation. Description of production of Spanish speech sounds and general characteristics of Spanish pronunciation. Topics on intonation. Audio-lingual practice in class and in language laboratory.

**Prereq.:** SPAN 3702.

**SPAN 3735 Advanced Spanish Grammar and Composition 3 s.h.**

A systematic study of Spanish morphology, sentence structure, and usage applied to a variety of written discourse styles such as description, narration, and exposition. Discussion of contrasts with English discourse styles, and effective grammatical use.

**Prereq.:** SPAN 3702.

**SPAN 3736 Introduction to Spanish Linguistics 3 s.h.**

Examines some of the basic concepts and issues of modern Spanish linguistics theory in the areas of phonology, morphology, syntax and pragmatics, with special emphasis on sociolinguistics.

**Prereq.:** SPAN 3702.

**SPAN 3737 Translation and Composition 3 s.h.**

Study of translation techniques, and practice in translating from Spanish into English and from English into Spanish, working with a variety of texts from the social sciences, natural sciences, and technology. Emphasis on interpretation of vocabulary and idioms.

**Prereq.:** SPAN 3735 or SPAN 3736.

**SPAN 3740 Business Spanish 3 s.h.**

Principles of effective commercial letter and report writing and oral communication in business in the Spanish-speaking world.

**Prereq.:** SPAN 2605.

**SPAN 3755 Advanced Spanish Conversation 3 s.h.**

Development of oral expression through discussion of current topics in the context of worldwide Hispanic culture, politics, and economics. Expansion of vocabulary. Laboratory work according to individual needs.

**Prereq.:** SPAN 3702.

**SPAN 3758 Culture and Literature of Spanish-Speaking Groups in the United States 3 s.h.**

Provides an overview of the significant culture and literature of the diverse Hispanic groups in the U.S. The relationship between literature and society broached through an in-depth discussion of several representative texts and their historical and political background.

**Prereq.:** SPAN 3702.

**SPAN 3762 Culture: Spain 3 s.h.**

Examination of the cultural landscape and major issues in Spanish society through the study of art, history, geography, politics, music, cinema, popular culture, and cultural groups in the various regions of Spain.

**Prereq.:** SPAN 3702.

**SPAN 3763 Introduction to Literature: Spain 3 s.h.**

Introduction to Peninsular literature through representative selections of key works of fiction, poetry and film. Theoretical and critical approaches to help the student interpret texts.

**Prereq.:** SPAN 3702.

**SPAN 3766 Culture: Spanish-America 3 s.h.**

This course examines the cultural landscape and major issues in Spanish-American society through the study of art, history, geography, politics, music, cinema, popular culture, and cultural groups in the various regions.

**Prereq.:** SPAN 3702.

**SPAN 3767 Introduction to Literature: Spanish-America 3 s.h.**

Introduction to Spanish-American literature through representative selections of key works of fiction, poetry and film. Theoretical and critical approaches to help the student interpret texts.

**Prereq.:** SPAN 3702.

**SPAN 3780 Spanish Composition and Conversation Review 3 s.h.**

Review course emphasizing impromptu conversations and in-class essay writing. Intended for students who need additional coursework to achieve the level of Advanced Low on the ACTFL Oral Proficiency Interview and/or ACTFL Writing Proficiency Test. May not be counted toward the major. Grading is CR/NC.

**Prereq.:** 15 s.h. in Spanish at the 3700 level or above and permission of Chair.

**SPAN 3798 Study Abroad in Colombia 4 s.h.**

A structured but individualized program of study at the Universidad del Norte in Barranquilla, Colombia. The course encompasses an orientation prior to the study abroad experience and the study abroad experience itself. A grade will not be given until the student returns from the study abroad.

**Prereq.:** SPAN 3702.

**SPAN 3799 Study Abroad in Spanish 1-15 s.h.**

An individually-arranged program of foreign study in the Spanish language. Programs can be of two general types: (1) trips or residential programs sponsored by consorcial universities, and (2) independent academic coursework through institutions with which YSU does not have a consorcial agreement. A written statement detailing the student's academic plan must be approved by a member of the Spanish faculty, the chair of Foreign Languages and the dean of CLASS prior to the trip. Credit toward fulfillment of requirements for the Spanish major will be determined by the chair of Foreign Languages and the Spanish faculty. May be repeated up to a total of 15 s.h., if specific course content changes. Note: study abroad generally requires about one year's advance planning.

**Prereq.:** Sophomore status and approval of the chair of Foreign Languages.

**SPAN 4880 Spanish Conversation and Composition Capstone 3 s.h.**

Capstone course emphasizing impromptu conversation and in-class essay writing. Student must achieve a level of Advanced Low on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 15 s.h. in Spanish at the 3700 level or above and permission of Chair.

**SPAN 4881 Spanish Composition and Conversation Capstone 3 s.h.**

Capstone course emphasizing impromptu conversations and in-class essay writing. Students must achieve a level of Intermediate High on both the ACTFL Oral Proficiency Interview and the ACTFL Writing Proficiency Test.

**Prereq.:** 15 s.h. in Spanish at the 3700 level or above and permission of Chair.

**SPAN 5855 Topics in Spanish Language and Linguistics 3 s.h.**

An introduction to the terminology, concepts, bibliography and current issues in Spanish language and linguistics. Major topics include phonology, morphology, semantics, syntax, applied linguistics, transformational grammar, and other topics related to language variation and society. May be repeated once when topic varies.

**Prereq.:** Any 3700-level SPAN course.

**SPAN 5870 Topics in Spanish Literature: Spain 3 s.h.**

Study of an author, a genre, or a movement in Spanish literature from 1492 to the present. The topic will be announced each time the course is offered. May be taken three times if content is not repeated.

**Prereq.:** SPAN 3762 or SPAN 3763.

**SPAN 5885 Topics in Hispanic Literature and Film 3 s.h.**

Examines the relationship between the Hispanic narrative discourse and cinema, including film adaptations of literary works. Modern social and cultural issues, as well as Hispanic self-images. May be taken three times if content is not repeated.

**Prereq.:** one of SPAN 3762, SPAN 3763, SPAN 3766, SPAN 3767.

**Gen Ed:** Capstone.

**SPAN 5890 Topics in Spanish Literature: Spanish-America 3 s.h.**

Study of an author, a genre, or a movement in Latin America from 1492 to the present. The topic will be announced each time the course is offered. May be taken three times if content is not repeated.

**Prereq.:** SPAN 3766 or SPAN 3767.

**Gen Ed:** Capstone.

## Learning Outcomes

The department's learning outcomes for foreign language majors are as follows:

### CULTURAL UNDERSTANDING

The student will develop an understanding and appreciation of the history and culture of those areas in which the target language is spoken.

### READING COMPREHENSION

The student will be able to read and understand a variety of materials written in the target language. These materials may include but are not limited to: novels, plays, poetry, newspaper and magazine articles, and private correspondence (e.g., business communications).

### LISTENING COMPREHENSION

The student will be able to understand the target language when spoken in a variety of contexts. These contexts may include but are not limited to: conversation with another individual or individuals, formal lectures, song, and film.

### ORAL EXPRESSION

The student will be able to carry on a conversation and deliver a speech in the target language. The student will achieve a level of Advanced Low on the Oral Proficiency Interview administered by the American Council on the Teaching of Foreign Languages.

### WRITTEN EXPRESSION

The student will be able to compose in the target language a variety of written documents. These documents may include but are not limited to: formal and casual correspondence, essays, and creative works. The student will achieve a level of Advanced Low on the Writing Proficiency Test administered by the American Council on the Teaching of Foreign Languages.

COURSE	TITLE	S.H.
<b>Required Courses</b>		
FRNC 2600	Intermediate French	4
FRNC 2605	Advanced Intermediate French	3
FRNC 2606	Intensive French Review	3
Select an additional 8-9 hours of French (FRNC) courses at the 3700 level.		8-9
<b>Total Semester Hours</b>		<b>18-19</b>

## Credit by Examination for FRNC 2600 Intermediate French

A student who places into FRNC 2605 Advanced Intermediate French and successfully completes that course or who has received credit by examination for it (e.g., AP or CLEP) may apply for credit by examination for FRNC 2600 Intermediate French, thereby expediting the attainment of a French minor.

## Minor in Greek Studies

COURSE	TITLE	S.H.
<b>Required Courses</b>		
GRK 2600	Intermediate Ancient Greek	4
GRK 2603	Directed Reading in Ancient Greek 1 (may be repeated with different content)	3-6
GRK 3753	Directed Reading in Ancient Greek 2 (may be repeated with different content)	6-3
GRK 4883	Directed Reading in Ancient Greek 3 (may be repeated with different content)	6-3
One of the following courses may be substituted for a Greek language course:		0-4
FNLG 2660	Women in the Ancient World (3 semester hours)	
HIST 3752	Ancient History 1 (3 semester hours)	
LATN 1550	Elementary Latin (4 semester hours)	
<b>Total Semester Hours</b>		<b>19-20</b>

## Minor in Italian

COURSE	TITLE	S.H.
<b>Required Courses</b>		
ITAL 2600	Intermediate Italian	4
ITAL 2605	Advanced Intermediate Italian	4
ITAL 3702	Intensive Italian Review	4
Select an additional 6-8 hours of Italian (ITAL) courses at the 3700 level		6-8
<b>Total Semester Hours</b>		<b>18-20</b>

### Credit by Examination for ITAL 2600 Intermediate Italian

A student who places into ITAL 2605 Advanced Intermediate Italian and successfully completes that course may apply for credit by examination for ITAL 2600 Intermediate Italian, thereby expediting the attainment of the Italian minor.

### Study Abroad in Sicily

A student who completes ITAL 3702 Intensive Italian Review may complete the Minor by taking ITAL 3798 Study Abroad in Sicily and adding two additional credits of ITAL 3799 Study Abroad in Italian. For additional information see the BA in Italian (p. 306).

## Minor in Latin

COURSE	TITLE	S.H.
<b>Required Courses</b>		
LATN 2600	Intermediate Latin	4
LATN 2603	Directed Reading in Latin 1	3-6
(may be repeated with different content)		
LATN 3753	Directed Reading in Latin 2	6-3
(may be repeated with different content)		
LATN 4883	Directed Reading in Latin 3	6-3
(may be repeated with different content)		
One of the following courses may be substituted for a Latin language course:		0-4
FNLG 2660	Women in the Ancient World (3 semester hours)	
HIST 3753	Ancient History 2 (3 semester hours)	
GRK 1550	Elementary Ancient Greek (4 semester hours)	
<b>Total Semester Hours</b>		<b>19-20</b>

## Minor in Spanish

COURSE	TITLE	S.H.
<b>Required Courses</b>		
SPAN 2600	Intermediate Spanish	4
SPAN 2605	Advanced Intermediate Spanish	3
SPAN 3702	Intensive Spanish Review	3
Select an additional 8-9 hours of Spanish (SPAN) courses at the 3700 level.		8-9
<b>Total Semester Hours</b>		<b>18-19</b>

### Credit by Examination for SPAN 2600 Intermediate Spanish

A student who places into SPAN 2605 Advanced Intermediate Spanish and successfully completes that course may apply for credit by examination for

SPAN 2600 Intermediate Spanish, thereby expediting the attainment of a Spanish minor.

### Study Abroad in Colombia

A student who completes SPAN 3702 Intensive Spanish Review may then take SPAN 3798 Study Abroad in Colombia. For additional information see the BA in Spanish (p. 307).

## Certificate in French

COURSE	TITLE	S.H.
FRNC 2600	Intermediate French	4
FRNC 2605	Advanced Intermediate French	3
FRNC 2606	Intensive French Review	3
FRNC 3799	Study Abroad in French	1-15

### Credit by Examination for FRNC 2600 Intermediate French

A student who places into FRNC 2605 Advanced Intermediate French and successfully completes that course or who has received credit by examination for it (e.g., AP or CLEP) may apply for credit by examination for FRNC 2600 Intermediate French, thereby expediting the attainment of a French certificate.

## Learning Outcomes

### Cultural Understanding

S.H. The student will start to develop an understanding and appreciation of the history and culture of those areas in which the target language is spoken. Attainment of this outcome will be facilitated by the mandated study abroad.

### Reading Comprehension

The student will be able to read and understand a variety of straightforward materials written in the target language. These materials may include but are not limited to: signs, menus, schedules, poetry, newspaper and magazine articles, and private correspondence (e.g., business communications).

### Listening Comprehension

The student will be able to understand the target language when spoken in a variety of contexts. These contexts may include but are not limited to: conversation with another individual or individuals, songs, and films.

### Oral Expression

The student will be able to carry on a rudimentary conversation and deliver a short speech in the target language. The student's discourse will be comprehensible to a native speaker of the language accustomed to dealing with non-native speakers.

### Written Expression

The student will be able to compose in the target language a variety of straightforward written documents. These documents may include but are not limited to: formal and casual correspondence, short essays, summaries, and notes. The student's writing will be comprehensible to a native speaker of the language accustomed to dealing with non-native speakers.

## Certificate in Italian

COURSE	TITLE	S.H.
ITAL 2600	Intermediate Italian	4
ITAL 2605	Advanced Intermediate Italian	4

ITAL 3702	Intensive Italian Review	4	SPAN 2600 Intermediate Spanish, thereby expediting the attainment of a Spanish certificate.
ITAL 3798	Study Abroad in Sicily	4	

## Credit by Examination for ITAL 2600 Intermediate Italian

A student who places into ITAL 2605 Advanced Intermediate Italian and successfully completes that course may apply for credit by examination for ITAL 2600 Intermediate Italian, thereby expediting the attainment of the Italian certificate.

## Study Abroad in Sicily

A student who completes ITAL 3702 Intensive Italian Review may complete the Minor by taking ITAL 3798 Study Abroad in Sicily and adding two additional credits of ITAL 3799 Study Abroad in Italian. For additional information see the BA in Italian (p. 306).

## Learning Outcomes

### Cultural Understanding

The student will start to develop an understanding and appreciation of the history and culture of those areas in which the target language is spoken. Attainment of this outcome will be facilitated by the mandated study abroad.

### Reading Comprehension

The student will be able to read and understand a variety of straightforward materials written in the target language. These materials may include but are not limited to: signs, menus, schedules, poetry, newspaper and magazine articles, and private correspondence (e.g., business communications).

### Listening Comprehension

The student will be able to understand the target language when spoken in a variety of contexts. These contexts may include but are not limited to: conversation with another individual or individuals, , songs, and films.

### Oral Expression

The student will be able to carry on a rudimentary conversation and deliver a short speech in the target language. The student's discourse will be comprehensible to a native speaker of the language accustomed to dealing with non-native speakers.

### Written Expression

The student will be able to compose in the target language a variety of straightforward written documents. These documents may include but are not limited to: formal and casual correspondence, short essays, summaries, and notes. The student's writing will be comprehensible to a native speaker of the language accustomed to dealing with non-native speakers.

## Certificate in Spanish

## Bachelor of General Studies in General Studies

For more information, visit the Bachelor of General Studies (<http://www.yсу.edu/academics/college-liberal-arts-social-sciences/general-studies-major>) webpage.

The Bachelor of General Studies degree (BGS) is a degree-completion option for students who have completed significant coursework but not the requirements for a specific major. Through careful evaluation of coursework already completed at YSU or other colleges and universities, a degree completion plan is constructed for each student. The BGS may also be appropriate for students for whom a general bachelor's degree may lead to career advancement or for those students who seek the personal satisfaction of having completed a bachelor's degree.

Individuals who have a bachelor's degree are not eligible for the BGS degree, and the BGS degree may not be earned concurrently with another bachelor's degree.

All BGS students complete the requirements of the General Education curriculum (old or new). As such, the goals of the general education curriculum are met by BGS students. They are as follows:

- Write and speak effectively
- Acquire, process, and present quantitative and qualitative information using the most appropriate technologies, including computers
- Reason critically, both individually and collaboratively; draw sound conclusions from information, ideas, and interpretations gathered from various sources and disciplines; and apply those conclusions to one's life and society

The specific requirements for the completion of the Bachelor of General Studies (B.G.S.) degree are as follows:

*A 48-semester-hour concentration with at least 24 s.h. of upper-division credit comprised of:*

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Arts and Humanities		6
Natural Sciences		6
Social Science		6
Social and Personal Awareness		6
General Education Elective / First-Year Experience		3
<b>Major Requirements</b>		
Two focus areas consisting of 18-24 s.h. each <sup>1</sup>		36-48
Support courses		0-12
An approved capstone course		1-3
Completion of a Cultural/Diversity Requirement (Students are required to complete two classes from an approved list.)		6
Elective Hours		38
Total Hours Required for Degree: 120 s.h.		

<sup>1</sup> Focus-area requirements are submitted by the departments offering the course work in the focus area and are approved by the director of General Studies in coordination with the General Studies Committee.

## Learning Outcomes

All BGS students complete the requirements of the General Education curriculum (old or new). As such, the goals of the general education curriculum are met by BGS students. They are as follows:

- Write and speak effectively
- Acquire, process, and present quantitative and qualitative information using the most appropriate technologies, including computers
- Reason critically, both individually and collaboratively; draw sound conclusions from information, ideas, and interpretations gathered from various sources and disciplines; and apply those conclusions to one's life and society

In addition BGS students are expected complete requirements specific to the program. They are as follows:

- Demonstrate preparedness for and the behaviors indicative of professionalism in the work environment
- Analyze and synthesize a variety of texts
- Produce capstone level research work

Appreciate importance and value of an interdisciplinary degree

## Department of Geography Introduction

Students majoring in Geography earn the Bachelor of Arts degree, which may be taken in one of two tracks: Geography BA and Geography BA-GIScience/Remote Sensing Track. In addition to completing the University and CLASS requirements, a student majoring in Geography must complete a minimum of 33 semester hours in Geography. The GIScience/Remote Sensing Track requires an additional nine semester hours of support courses. At least 21 semester hours must be earned in upper-division Geography courses. Grades for courses required in the major must be a minimum of "C" or higher. The B.A. degree requires both a minor of at least 18 s.h. and a foreign language through the 2600-level course. This degree may be earned in eight semesters if students average 15 hours per semester.

## Welcome from the Chair

Welcome! We invite to you to explore the exciting and evolving field of geography! We offer a diverse curriculum that fits the interests and needs of students who have a broad outlook on life. Geography offers an alternative that can be employed for the pursuit of many unique and different career paths. We also provide extensive training in the fast growing field of Geographic Information Science. This technology is being employed in virtually every public and private sector of the economy. Our graduates are employed in environmental and urban planning agencies. They serve in areas that focus on ensuring the security interests of the United States. They have been admitted to graduate programs throughout the United States. Please contact me if you have any questions about the field of geography and how it can apply to your long-term career interests.

Ron Shaklee, Ph.D.

## Advising

All majors should meet with an advisor each semester prior to registering for their classes. Course selection is a critical part of finishing your degree in a timely manner.

Students pursuing a BA in Geography through the College of Liberal Arts and Social Sciences are advised by the Chair of the Department of Geography or by any appropriate member of the department faculty whose academic expertise coincides with the interests of the student. Call (330) 941-3317 to set up an appointment to meet with the chair. Geography majors who need to submit repetition forms, study abroad forms, and transient forms or who need to request a graduation evaluation should contact the CLASS Division of Academic Advising at (330) 941-3413 (visit the CLASS Advising website (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences/class-advisement>)).

## Geography Minors

Five minors in Geography are offered:

- General Geography
- Geographic Information Science
- Environmental Geography

- Human Geography
- Regional Geography

Each requires 18 s.h. of courses with at least one-third of the credit earned at the upper-division level.

#### Chair

**Ronald V. Shaklee**, Ph.D., Professor, Chair

#### Professor

**William R. Buckler**, Ph.D., Associate Professor

**Craig S. Campbell**, Ph.D., Professor

**Dawna Lynn Cerney**, Ph.D., Associate Professor

**Peter Kimosop**, Ph.D., Assistant Professor

**Bradley A. Shellito**, Ph.D., Professor

## Majors

- BA in Geography (p. 314)
- BA in Geography GIS/Remote Sensing Track (p. 316)
- Spatial Information Systems (SIS) Individualized Curriculum Program (ICP) (p. 318)

## Minors

- General Geography (p. 320)
- Environmental Geography (p. 320)
- Geographic Information Systems (p. 319)
- Human Geography (p. 320)
- Regional Geography (p. 320)

## Certificates

- Geographic Information Science and Technology (p. 318)

### **GEOG 1503 Physical Geography 3 s.h.**

An introductory analysis of selected elements of the natural habitat and their geographic distribution. Includes processes involved in weather, climates, soils, vegetation, and landforms.

**Gen Ed:** Natural Science.

### **GEOG 1503H Honors Physical Geography 3 s.h.**

An introductory analysis of selected elements of the natural habitat and their geographic distribution. Includes processes involved in weather, climates, soils, vegetation, and landforms.

**Gen Ed:** Natural Science.

### **GEOG 1503L Physical Geography Laboratory 1 s.h.**

Observation, collection and analysis of data pertaining to the Earth's weather and climate, surface landforms, drainage systems, soils, vegetation and changing global environmental conditions. In-class labs, local field excursions, and web-based assignments enable students to investigate these phenomena using the scientific method. The class meets two hours each week. Optional lab to accompany GEOG 1503.

**Prereq.:** GEOG 1503 or concurrent with GEOG 1503.

### **GEOG 2610 Map Use and Interpretation 3 s.h.**

The use of maps, aerial photography, and satellite imagery to depict physical and cultural landscapes. Topics include map elements and how to locate, read, and interpret maps and remotely-sensed imagery.

### **GEOG 2611 Geospatial Foundations 3 s.h.**

An overview of geospatial science and technology, including introductory concepts in spatial analysis, Geographic Information Systems, remote sensing, and GPS. The class provides a survey of theoretical geospatial topics as well as their applications in a computer lab setting.

### **GEOG 2626 World Geography 3 s.h.**

A comparative study of representative regions of the world. Attention is focused on an examination of the physical, cultural, social and political attributes of selected regions.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 2626H Honors World Geography 3 s.h.**

A comparative study of representative regions of the world. Attention is focused on an examination of the physical, cultural, social and political attributes of selected regions.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 2630 Weather 3 s.h.**

An examination of basic weather elements, their interrelationships and the natural laws that govern them. Focus is on both global scale atmospheric processes and localized factors that influence weather conditions and patterns.

**Gen Ed:** Natural Science.

### **GEOG 2630H Honors Weather 3 s.h.**

An examination of basic weather elements, their interrelationships and the natural laws that govern them. Focus is on both global scale atmospheric processes and localized factors that influence weather conditions and patterns.

**Gen Ed:** Natural Science.

### **GEOG 2630L Weather Lab 1 s.h.**

Students observe, collect and analyze atmospheric data, and determine and predict weather conditions. Atmospheric laws and meteorological principles, concepts, and processes are investigated using the scientific method. Weekly investigations are undertaken in this hybrid lab encompassing in-class and online instructions. The class meets in person as needed for guidance. Optional lab to accompany GEOG 2630: Weather.

**Prereq.:** GEOG 2630 or concurrently with GEOG 2630.

### **GEOG 2640 Human Geography 3 s.h.**

An examination of the place to place variation in people's utilization of the earth. Topics include the distribution of people, spatial variations in culture, urbanization and politicization of space.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 2640H Honors Human Geography 3 s.h.**

An examination of the place to place variation in people's utilization of the earth. Topics include the distribution of people, spatial variations in culture, urbanization and politicization of space.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 2650 Global Economic Landscapes 3 s.h.**

Geographic patterns of economic activities such as agriculture, manufacturing, retailing and services, and regional patterns and issues in the emerging global economy.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 2650H Honors Global Economic Landscapes 3 s.h.**

Geographic patterns of economic activities such as agriculture, manufacturing, retailing and services, and regional patterns and issues in the emerging global economy.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### **GEOG 3701 Introduction to Geographic Information Science 3 s.h.**

Introduction to the principles of collection, storage, manipulation, retrieval, analysis and visualization of spatial data in a computer environment. Credit will not be given for GEOG 3701 if a student has already received credit for GEOG 5810.

**Prereq.:** GEOG 2611.

**GEOG 3702 Introduction to Remote Sensing 3 s.h.**

Analysis and interpretation of earth features from both airborne and satellite observation platforms. Topics include photogrammetry, digital data manipulation, multispectral imagery analysis, and interpretation of environmental features. Credit will not be given for GEOG 3702 if a student has already received credit for GEOG 5805.

**Prereq.:** GEOG 2611.

**GEOG 3703 Human Impacts on the Environment 3 s.h.**

Focus is on the interaction between natural systems and human activities that results in environmental change and degradation of the Earth's atmosphere, waters, soil, vegetation, and animal life. Societal conflicts, mitigation, conservation, and sustainable resource strategies are discussed.

**Prereq.:** GEOG 1503 or GEOL 1504 or GEOL 1505 or ENST 1500 or ENST 2600 or HIST 3774.

**GEOG 3705 Mountain Geography 3 s.h.**

Investigates the physical, biological, and cultural processes that take place in selected mountain environments. Topics also include resource use, environmental change, and sustainable development at both regional and global scales.

**Prereq.:** BIOL 1505 or ENST 1500 or ENST 2600 or GEOG 1503 or GEOL 1504 or GEOL 1505.

**GEOG 3712 Thematic Map Design and Symbolization 3 s.h.**

An introduction to cartographic design. Emphasis is on composition elements and the construction and perception of point, line, and area map symbols. The use of color, statistical techniques, and animated maps are also explored.

**Prereq.:** GEOG 2610 or GEOG 2611 or GEOG 2626 or GEOG 2640.

**GEOG 3713 Geography of South America 3 s.h.**

Spatial patterns found in the physical and cultural landscapes of South America.

**Prereq.:** GEOG 2626 or GEOG 2640; or HIST 3728.

**GEOG 3715 Geography of Middle America 3 s.h.**

Spatial patterns found in the physical and cultural landscapes of Middle America (Mexico, Central America, and the Caribbean).

**Prereq.:** GEOG 2626 or GEOG 2640; or HIST 3727.

**GEOG 3717 Geography of Europe 3 s.h.**

Spatial patterns found in the physical and cultural landscapes of Europe.

**Prereq.:** GEOG 2626 or GEOG 2640.

**GEOG 3719 Geography of the United States 3 s.h.**

Spatial patterns found in the physical and cultural landscapes of the United States.

**Prereq.:** GEOG 2626 or GEOG 2640; or HIST 2605 or HIST 2606.

**GEOG 3721 Geography of Ohio 3 s.h.**

Spatial patterns found in the physical and cultural landscapes of Ohio.

**Prereq.:** GEOG 2626 or GEOG 2640; or HIST 2605 or HIST 2606 or HIST 3748.

**GEOG 3724 Themes in Cultural Geography 3 s.h.**

A seminar focusing on cultural traditions in geography in the United States. Primary focus is on scholars, traditions, theory and methodology of cultural geography as published in the professional literature.

**Prereq.:** GEOG 2626 or GEOG 2640 or ANTH 1500 or SOC 1500.

**GEOG 3726 Urban Geography 3 s.h.**

A study of the changing spatial patterns associated with the rise of urbanization, comparative urban developments and cities as a part of the urban system.

**Prereq.:** GEOG 2626 or GEOG 2640; or HIST 3736; or SOC 3707.

**GEOG 3730 Global Climates 3 s.h.**

Focus is on the scientific foundations of Earth's climate system; basic understanding of climate behavior, patterns, variability and change; contributions of human activities to climate change; and societal vulnerabilities and responses to climate variability and change.

**Prereq.:** GEOG 1503 or GEOG 2630 or permission of instructor.

**GEOG 3733 Severe and Hazardous Weather 3 s.h.**

Focus is on severe weather that may threaten harm to life and/or property. The scientific underpinning of severe weather types and their geographic distributions, hazards, and mitigation measures. Topics include extratropical cyclones; thunderstorms; lightning; tornadoes; hurricanes; floods; droughts; cold and heat waves; blizzards; snow, ice and wind storms; and El Niño/La Niña.

**Prereq.:** GEOG 1503 or GEOG 2630.

**GEOG 3735 Water in the Earth System 3 s.h.**

Focus is on the cycling of water within the Earth system. Covers the unique properties of water, the global water cycle, the distribution of water within the various reservoirs of the hydrosphere, the role of water in energy transfer and systems interactions, and human impacts on water resources.

**Prereq.:** GEOG 1503 or GEOG 2630; or GEOL 1504 or GEOL 1505 or GEOL 2602; or ENST 1500 or ENST 2600.

**GEOG 3737 Soils and Land Use 3 s.h.**

Examination of soil characteristics influencing land use planning and development. Topics include the basic physical and chemical properties of soil, soil water, the soil-forming factors, the use and interpretation of county soil reports, and soil characteristics beneficial and detrimental to selected land use practices. Participation in field trips is required.

**Prereq.:** GEOG 1503; or GEOL 1504 or GEOL 1505; or ENST 2600; high school chemistry recommended.

**GEOG 3741 Transportation Geography 3 s.h.**

Spatial properties of interregional and intraurban transportation. Topics include network development, movement patterns of people and commodities and the impact of transportation on other activities.

**Prereq.:** GEOG 2626 or GEOG 2640 or GEOG 2650 or GEOG 3745.

**GEOG 3745 The Automobile in American Culture 3 s.h.**

The impact of the automobile on the economic, cultural and environmental landscapes of the United States from a geographic standpoint.

**Prereq.:** GEOG 2640 or GEOG 2650 or GEOG 3741.

**GEOG 3750 Topics in Regional Geography 3 s.h.**

Application of the regional method to selected areas of the world. Topic is announced each time the course is offered. May be repeated three times for credit if content is not repeated. Maximum credit 9 s.h.

**Prereq.:** GEOG 2626 or GEOG 2640.

**GEOG 3775 Field Methods in Geography 3 s.h.**

Practical experiences in geographic data collection. Emphasis on applying techniques of observation, sampling, surveying, interviewing and mapping to both physical and human spatial phenomena. Participation in field trips is mandatory.

**Prereq.:** GEOG 1503 or GEOG 2610 or GEOG 2640.

**GEOG 3780 Medical Geography 3 s.h.**

A geographical and epidemiological approach to disease study. Examines the diffusion and distribution of illnesses and the social and environmental factors contributing to their occurrence. Global disease trends, health care issues and development are explored and compared.

**Prereq.:** GEOG 2626 or GEOG 2640 or ANTH 1500 or BIOL 2602 or SOC 1500.

**GEOG 3781 GIS Applications for the Social Sciences 3 s.h.**

Applications of Geographic Information Science (GIS) techniques for the social sciences in disciplines such as economics, sociology, anthropology, political science, and urban/cultural geography, as distinct from physical or environmental sciences. Focus is on the integration of a spatial perspective in social research, analysis and policy development and how GIS can be useful for collecting and analyzing both qualitative and quantitative data.

**Prereq.:** GEOG 3701 or GEOG 5810.

**GEOG 3782 GIS Applications for the Natural Sciences 3 s.h.**

Applications of Geographic Information Science (GIS) techniques for the natural sciences in disciplines such as physical geography, geology, biology, ecology, natural hazards, environmental monitoring, planning and infrastructure, water resources, climate change, and energy. Topics range from spatial data quality, data conversion, database design, data management, analysis, and visualization.

**Prereq.:** GEOG 3701 or GEOG 5810.

**GEOG 4801 Advanced Geographic Information Science 3 s.h.**

A continuation of Introduction to Geographic Information Science focusing on theory and application of advanced techniques in spatial data handling, GIS modeling, and spatial analysis. Credit will not be given for GEOG 4801 if a student has already received credit for GEOG 5811. 3 s.h.

**Prereq.:** GEOG 3701 or GEOG 5810.

**GEOG 4802 Advanced Remote Sensing 3 s.h.**

A continuation of Introduction to Remote Sensing focusing on advanced theory of image classification, image processing and enhancement, and methods of spatial analysis. Credit will not be given for GEOG 4802 if a student has already received credit for GEOG 5806.

**Prereq.:** GEOG 3702 or GEOG 5805.

**GEOG 4825 Geography Internship 1-3 s.h.**

Practical application of geographic principles and skills in the public or private workplace. A minimum of 40 clock hours per credit hour per semester is required in the work setting. An activities log must be maintained and oral and written reports of the internship experience are required. May be repeated for up to 6 s.h. By permit only.

**Prereq.:** 3 s.h. upper-division geography.

**GEOG 4840 Seminar in Geography 3 s.h.**

Selected aspects of geography not covered in existing courses. Topic to be announced each time the course is offered. May be taken up to two times for credit if topic is not repeated.

**Prereq.:** 9 s.h. of geography.

**GEOG 4890 Geography Capstone 3 s.h.**

Investigation of research topics, methods, and issues in geography. Students select a geographic research topic, collect and analyze data using appropriate methods and present findings in oral and written form.

**Prereq.:** Senior standing in Geography.

**Gen Ed:** Capstone.

**GEOG 5802 Biogeography 3 s.h.**

The distribution and scale of flora and fauna and the factors and processes that produce these patterns. Topics also include disturbance events, dispersal, colonization and invasion, and biological hierarchy.

**Prereq.:** BIOL 1505 or BIOL 2602 or GEOG 1503.

**GEOG 5805 Remote Sensing 1 3 s.h.**

Analysis and interpretation of earth features from both airborne and satellite observation platforms. Themes include photogrammetry, digital data manipulation, multispectral imagery, and interpretation of environmental features. Not available to students who have taken GEOG 3710.

**Prereq.:** GEOG 2610 or GEOG 2611 or GEOG 3712; and Junior standing.

**GEOG 5806 Remote Sensing 2 3 s.h.**

A continuation of Remote Sensing 1; focusing on advanced theory of image classification, image processing and enhancement, and spatial analytical methods.

**Prereq.:** GEOG 5805.

**GEOG 5810 Geographic Information Science 1 3 s.h.**

Introduction to the principles of collection, storage, manipulation, retrieval, analysis and visualization of spatial data in a computer environment. Not available to students who have taken GEOG 3732.

**Prereq.:** GEOG 2610 or GEOG 2611 or GEOG 3712; and Junior standing.

**GEOG 5811 Geographic Information Science 2 3 s.h.**

A continuation of GIScience 1 focusing on theory and application of advanced techniques in spatial data handling, modeling, and spatial analysis. Not available to students who have taken GEOG 3765.

**Prereq.:** GEOG 5810.

**GEOG 5812 Global Positioning Systems and GIScience 3 s.h.**

Background, application and theory of satellite positioning technology. Incorporates GPS field data collection and subsequent integration with GIS analysis tools.

**Prereq.:** GEOG 3701 or GEOG 5810 or permission of instructor.

**GEOG 5814 3D Modeling and GIS 3 s.h.**

3D modeling and visualization techniques using GIS (Geographic Information Science) and Geo-Spatial technology. Topics include 3D surfaces, animations, design and rendering of spatial data.

**Prereq.:** GEOG 3701 or GEOG 5810.

**GEOG 5820 Directed Research in Geography 1-3 s.h.**

An in-depth study of a specific problem in geography. The problem is dependent upon the student's interest and competence, availability of faculty supervision and department equipment. May be repeated up to 3 s.h.

**Prereq.:** 20 s.h. of Geography.

**GEOG 5850 International Area Study 3 s.h.**

A course in the geography and history of a selected international area with emphasis on cultural development by traveling in the selected region. The class and travel is supervised by the geography and/or history faculty. The course grade is based upon a term paper which must be submitted within 60 days after the end of the course.

**Prereq.:** permission of the chairperson.

## Bachelor of Arts in Geography

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
LASS 1510	Exploring Critical Questions in LASS	
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
MATH 1510	College Algebra	
or MATH 2623	Quantitative Reasoning	
or STAT 2625	Stat Lit and Crit Reasoning	
or STAT 2601	Introductory Statistics	
General Education Knowledge Domains		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model.		
Arts and Humanities		6
Natural Sciences (2 courses, one must include a lab)		7
Required of the major:		
GEOG 1503	Physical Geography	
Social Sciences		6
GEOG 2626	World Geography	
or GEOG 2640	Human Geography	
Social and Personal Awareness		6
General Education Elective		3
At least 21 s.h. of GEOG courses must be at the 3700-level or above. Grade of C or better is required. Courses cannot be taken CR/NC and cannot count towards both the major and minor.		
<b>Required Courses (6 s.h.):</b>		6
GEOG 1503	Physical Geography	
GEOG 4890	Geography Capstone	
<b>Select one of the following courses (3 s.h.):</b>		3
GEOG 2626	World Geography	
GEOG 2640	Human Geography	
<b>Select one of the following courses (3 s.h.):</b>		3
GEOG 2610	Map Use and Interpretation	
GEOG 2611	Geospatial Foundations	

**Regional Geography - Select one course from the following (3 s.h.):** 3

GEOG 3713	Geography of South America	3
GEOG 3715	Geography of Middle America	3
GEOG 3717	Geography of Europe	3
GEOG 3719	Geography of the United States	3
GEOG 3721	Geography of Ohio	3
GEOG 3750	Topics in Regional Geography	3
GEOG 5850	International Area Study	3

**Geography Skills - Select two of the following (6 s.h.):** 6

GEOG 3701	Introduction to Geographic Information Science	3
GEOG 3702	Introduction to Remote Sensing	3
GEOG 3712	Thematic Map Design and Symbolization	3
GEOG 3775	Field Methods in Geography	3
GEOG 3781	GIS Applications for the Social Sciences	3
GEOG 3782	GIS Applications for the Natural Sciences	3
GEOG 4801	Advanced Geographic Information Science	3
GEOG 4802	Advanced Remote Sensing	3
GEOG 5812	Global Positioning Systems and GIScience	3
GEOG 5814	3D Modeling and GIS	3

Select at least 12 s.h. of additional Geography electives (at least 9 s.h. must be 3700-level or higher.)  
 Total Hours Required for the Degree = 120

Suggested Minors Include: Environmental Science, Anthropology, Geoscience, Sociology, Political Science, History

## BA in Geography with GIScience Certificate

### Suggested 4-Year Semester Plan

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>		
GEOG 1503	Physical Geography	3
ENGL 1550	Writing 1	3
MATH 1510	College Algebra (Mathematics Requirement)	4
or MATH 2623	or Quantitative Reasoning	
FNLG 1550	Elementary Foreign Language	4
LASS 1510	Exploring Critical Questions in LASS	3
<b>Semester Hours</b>		<b>17</b>
<b>Spring</b>		
GEOG 2626	World Geography	3
or GEOG 2640	or Human Geography	
GEOG 2610	Map Use and Interpretation	3
or GEOG 2611	or Geospatial Foundations	
ENGL 1551	Writing 2	3
FNLG 2600	Intermediate Foreign Language	4
Arts and Humanities 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>16</b>
<b>Year 2</b>		
<b>Fall</b>		
GEOG 37XX-level Geography Regional course		3
Arts and Humanities 15XX/26XX-level course		3
Social and Personal Awareness 15XX/26XX-level course		3
Natural Science with Lab 15XX/26XX-level course		4
Minor 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>16</b>

**Spring**

Geography Elective 37XX-level course	3	
Geography Elective 26XX/37XX-level course	3	
Social and Personal Awareness 15XX/26XX-level course	3	
Social Science 15XX/26XX course	3	
Minor 15XX/26XX-level course	3	
<b>Semester Hours</b>		<b>15</b>

**Year 3**

**Fall**

GEOG 3701	Introduction to Geographic Information Science	3
GEOG 3702	Introduction to Remote Sensing	3
CMST 1545	Communication Foundations	3
Elective 37XX-level course		3
Minor 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>15</b>

**Spring**

Geography Elective 37XX-level course	3	
GEOG 4802	Advanced Remote Sensing	3
GE Elective 15XX/26XX-level course	3	
Elective 26XX/37XX-level course	3	
Minor 37XX-level course	3	
<b>Semester Hours</b>		<b>15</b>

**Year 4**

**Fall**

GEOG 4890	Geography Capstone	3
GIScience Certificate Elective 37XX-level course		3
Elective 26XX/37XX-level course		3
Elective 37XX-level course		3
Minor 37XX-level course		3
<b>Semester Hours</b>		<b>15</b>

**Spring**

GIScience Certificate Elective 37XX-level course	3	
Geography Elective 37XX-level course	3	
Elective 26XX/37XX-level course	3	
Elective 37XX-level course	3	
Minor 26XX/37XX-level course	3	
<b>Semester Hours</b>		<b>15</b>
<b>Total Semester Hours</b>		<b>124</b>

## BA in Geography Without GIScience Certificate

### Suggested 4-Year Semester Plan

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>		
GEOG 1503	Physical Geography	3
ENGL 1550	Writing 1	3
MATH 1510	College Algebra	4
FNLG 1550	Elementary Foreign Language	4
or MATH 2623	or Quantitative Reasoning	
LASS 1510	Exploring Critical Questions in LASS	3
<b>Semester Hours</b>		<b>13</b>
<b>Spring</b>		
GEOG 2626	World Geography	3
or GEOG 2640	or Human Geography	

GEOG 2610 or GEOG 2611	Map Use and Interpretation or Geospatial Foundations	3
ENGL 1551	Writing 2	3
FNLG 2600	Intermediate Foreign Language	4
Arts and Humanities 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>16</b>
<b>Year 2</b>		
<b>Fall</b>		
GEOG 37XX	Geography Regional Course	3
Arts and Humanities 15XX/26XX-level course		3
Social and Personal Awareness 15XX/26XX-level course		3
Natural Science with Lab 15XX/26XX-level course		4
Minor 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>16</b>
<b>Spring</b>		
Geography Elective 37XX-level course		3
Geography Elective 26XX/37XX-level course		3
Social and Personal Awareness 15XX/26XX-level course		3
GE Elective 37XX-level course		3
Minor 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>15</b>
<b>Year 3</b>		
<b>Fall</b>		
Geographic Skill 37XX/58XX course		3
Geography Elective 37XX-level course		3
CMST 1545	Communication Foundations	3
Elective 37XX-level course		3
Minor 15XX/26XX-level course		3
<b>Semester Hours</b>		<b>15</b>
<b>Spring</b>		
Geographic Skill 37XX/58XX course		3
Geography Elective 37XX-level course		3
GE Elective 15XX/26XX-level course		3
Elective 26XX/37XX-level course		3
Minor 37XX-level course		3
<b>Semester Hours</b>		<b>15</b>
<b>Year 4</b>		
<b>Fall</b>		
GEOG 4890	Geography Capstone	3
Elective 37XX-level course		3
Elective 37XX-level course		3
Elective 37XX-level course		3
Minor 37XX-level course		3
<b>Semester Hours</b>		<b>15</b>
<b>Spring</b>		
Elective 37XX-level course		3
Elective 37XX-level course		3
Elective 37XX-level course		3
Elective 26XX/37XX-level course		3
Minor 26XX/37XX-level course		3
<b>Semester Hours</b>		<b>15</b>
<b>Total Semester Hours</b>		<b>120</b>

- Demonstrate understanding of the fundamental themes of human and physical geography: region, movement, human/environmental interaction, landscape, and place.
- Demonstrate understanding of spatial patterns and processes in the human and physical environment.
- Effectively use, analyze, and interpret maps and other graphic representations of geographic information.
- Be proficient in geographic methods and techniques such as cartography, GIScience, remote sensing, and field methods.
- Effectively communicate geographic information in written and oral forms.
- Complete a research proposal that requires synthesis of relevant literature and development of a viable geographic research project.

## Bachelor of Arts in Geography-GIS/RS Track

COURSE	TITLE	S.H.
<b>General Education Requirement</b>		
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
STAT 2601	Introductory Statistics	
or MATH 2623	Quantitative Reasoning	
or STAT 2625	Stat Lit and Crit Reasoning	
<b>General Education Knowledge Domains</b>		
Some courses are categorized in more than one knowledge domain. Courses can only be used once within the General Education model.		
Arts and Humanities		6
Natural Sciences (2 courses, one must include a lab)		7
<b>NS Required of the major:</b>		
GEOG 1503	Physical Geography	
Social Sciences		6
GEOG 2626	World Geography	
or GEOG 2640	Human Geography	
Social and Personal Awareness		6
LASS 1510	Exploring Critical Questions in LASS	3
<b>Foreign Language Requirement</b>		8
At least 21 s.h. of GEOG courses must be at the 3700-level or above. Grade of C or better is required. Courses cannot be taken CR/NC and cannot count towards both the major and minor.		
<b>Required Courses (15 s.h.):</b>		
GEOG 1503	Physical Geography	
GEOG 2611	Geospatial Foundations	
GEOG 3701	Introduction to Geographic Information Science	
GEOG 3702	Introduction to Remote Sensing	
GEOG 4890	Geography Capstone	
<b>Select one of the following courses (3 s.h.):</b>		
GEOG 2626	World Geography	
GEOG 2640	Human Geography	
<b>Regional Geography - Select one course from the following (3 s.h.):</b>		
GEOG 3713	Geography of South America	
GEOG 3715	Geography of Middle America	
GEOG 3717	Geography of Europe	
GEOG 3719	Geography of the United States	
GEOG 3721	Geography of Ohio	
GEOG 3750	Topics in Regional Geography	
GEOG 5850	International Area Study	
<b>Select one course from the following (3 s.h.):</b>		

## Learning Outcomes

Geography majors, upon fulfilling the requirements of the major, will:

GEOG 4801	Advanced Geographic Information Science	
GEOG 4802	Advanced Remote Sensing	
<b>Select two additional courses from the following (6 s.h.):</b>		
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 3775	Field Methods in Geography	
GEOG 3781	GIS Applications for the Social Sciences	
GEOG 3782	GIS Applications for the Natural Sciences	
GEOG 4801	Advanced Geographic Information Science	
GEOG 4802	Advanced Remote Sensing	
GEOG 4825	Geography Internship	
GEOG 4840	Seminar in Geography	
GEOG 5812	Global Positioning Systems and GIScience	
GEOG 5814	3D Modeling and GIS	
GEOG 5820	Directed Research in Geography	

Select one 3 s.h. GEOG course at the 3700-level or higher 3

Four Required Support Courses (12-13 s.h.):

CSIS 1590	Survey of Computer Science and Information Systems	
CSIS 1595	Fundamentals of Programming and Problem-Solving 1	
CSIS 3722	Development of Databases	

Select one of the following courses which satisfies the General Education MATH requirement:

STAT 2601	Introductory Statistics	
STAT 2625	Stat Lit and Crit Reasoning	
MATH 2623	Quantitative Reasoning	

Total Hours Required for the Degree = 120

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>		
ENGL 1550	Writing 1	3
GEOG 1503	Physical Geography	3
LASS 1510	Exploring Critical Questions in LASS	3

GEOG 4890	Geography Capstone	3
Minor 37XX/48XX- level course		3
GIS Elective GEOG 37XX/48XX/58XX- level course		3
GEOG Elective 37XX/48XX- level course		3
Elective 37XX/48XX- level course		3

**Semester Hours 15**

<b>Spring</b>		
Minor 37XX/48XX- level course		3
GEOG 37XX- level or higher elective		3
GIS Elective GEOG 37XX/48XX/58XX- level course		3
Elective 37XX/48XX- level course		3
Elective 37XX/48XX- level course		3

**Semester Hours 15**

**Total Semester Hours 123-124**

## Learning Outcomes

Geography majors, upon fulfilling the requirements of the major, will:

- Demonstrate understanding of the fundamental themes of human and physical geography: region, movement, human/environmental interaction, landscape, and place.
- Demonstrate understanding of spatial patterns and processes in the human and physical environment.
- Effectively use, analyze, and interpret maps and other graphic representations of geographic information.
- Be proficient in geographic methods and techniques such as cartography, GIScience, remote sensing, and field methods.
- Effectively communicate geographic information in written and oral forms.

- Complete a research proposal that requires synthesis of relevant literature and development of a viable geographic research project.

In addition to the above, students completing the GIS/RS Track or a Certificate in Geospatial Science and Technology will:

- Demonstrate proficiency in one or more applications of geospatial technology: geographic information systems, global positioning systems, and remote sensing.

## Certificate in Geospatial Science and Technology (GSAT)

The certificate in Geospatial Science and Technology provides a program for students and professionals interested in geospatial careers and technologies (including Geographic Information Science, Remote Sensing, the Global Positioning System, Cartography, and spatial data handling and analysis). The Certificate signifies academic proficiency in Geospatial Science and Technology and is administered by the Department of Geography. It is rendered upon completion of the requirements below and includes both a physical copy of the certificate plus an entry on student transcripts.

Students must take a minimum of 18 s.h. (6 courses) as listed below and complete them with a cumulative GPA of 3.00 (B) or higher and no course grade below a C. The certificate is available to undergraduates and non-degree seeking professionals who meet course requirements. Note that some classes may require prerequisites courses for entrance.

COURSE	TITLE	S.H.
<b>Required Courses (9 s.h.)</b>		
GEOG 2611	Geospatial Foundations	
GEOG 3701	Introduction to Geographic Information Science	
GEOG 3702	Introduction to Remote Sensing	
<b>Select one course from the following (3 s.h.)</b>		
GEOG 4801	Advanced Geographic Information Science	
GEOG 4802	Advanced Remote Sensing	
<b>Select two elective courses from the following (6-7 s.h.):</b>		
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 3775	Field Methods in Geography	
GEOG 3781	GIS Applications for the Social Sciences	
GEOG 3782	GIS Applications for the Natural Sciences	
GEOG 4825	Geography Internship <sup>1</sup>	
GEOG 4801	Advanced Geographic Information Science	
GEOG 4802	Advanced Remote Sensing	
GEOG 4840	Seminar in Geography	
GEOG 5812	Global Positioning Systems and GIScience <sup>2</sup>	
GEOG 5814	3D Modeling and GIS	
GEOG 5820	Directed Research in Geography <sup>1</sup>	
CSIS 3722	Development of Databases	
CSIS 3726	Visual/Object-Oriented Programming	
CEEN 2610 & 2610L	Surveying and Surveying Laboratory	

<sup>1</sup> These courses are allowed for credit in the GSAT certificate only if they contain a significant Geospatial Science and Technology related component, are taken for 3 s.h. of credit, and are given approval by the chairperson.

<sup>2</sup> These courses are allowed to count for elective credit only if they have not been taken under required courses.

## Learning Outcomes

The department offers a Certificate in Geospatial Science and Technology. The certificate represents academic proficiency for career-oriented students and professionals in the geospatial field to include geographic information science, remote sensing, global positioning systems, cartography, and spatial data handling and analysis. It is rendered upon completion of the requirements and includes a physical copy of the certificate and entry on the student's transcript.

### Learning Outcomes

Students, upon fulfilling the requirements of the Certificate in Geospatial Science and Technology (GSAT), will:

- Effectively use, analyze, and interpret maps and other graphic representations of geographic information.
- Be proficient in geographic methods and techniques such as cartography, GIScience, remote sensing, and field methods.
- Effectively communicate geographic information in written and oral forms.

Demonstrate proficiency in one or more applications of geospatial technology – geographic information systems, global positional systems, and remote sensing.

## Spatial Information Systems (SIS) Individualized Curriculum Program (ICP)

In addition to offering the Geography major, the department coordinates an Individualized Curriculum Program (ICP) in Spatial Information Systems that combines courses in Geography and Computer Science and Information Systems, which leads to a Bachelor of Applied Science degree. A foreign language is not required to complete this degree.

The program is focused on three areas:

- Geography
- Computer Science and Information Systems
- specialty electives

Required GEOG and CSIS courses are specified on the Curriculum Sheet.

## Learning Outcomes

Spatial Information Systems majors, upon fulfilling the requirements of the major will:

- Demonstrate understanding of spatial patterns and processes in the human and physical environments.
- Demonstrate proficiency in one or more applications of geospatial technology – Geographic Information Systems, Global Positioning Systems and/or Remote Sensing.
- Complete a research proposal that requires synthesis relevant literature and development of a viable geographic research project.

Total hours required for the SIS ICP degree is 124 s.h. of which at least 48 s.h. must be at the 3000-level or higher. No minor or foreign language is required for this degree.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	

Mathematics Requirement		
Arts and Humanities courses		6
Natural Science		7
GEOG 1503 meets 3 s.h. of Natural Science Requirement		
Social Science		6
GEOG 2626 or GEOG 2640 meet 3 s.h. of the Social Science		
Social and Personal Awareness		6
LASS 1510	Exploring Critical Questions in LASS	3
or STEM 1520	STEM First Year Orientation	
<b>Required Geography Core Courses</b>		
GEOG 1503	Physical Geography	3
GEOG 4890	Geography Capstone	3
GEOG 2610	Map Use and Interpretation	3
or GEOG 2611	Geospatial Foundations	
GEOG 2626	World Geography	3
or GEOG 2640	Human Geography	
<b>Required Geospatial Core Courses</b>		
GEOG 3701	Introduction to Geographic Information Science	3
GEOG 3702	Introduction to Remote Sensing	3
GEOG 4801	Advanced Geographic Information Science	3
GEOG 5812	Global Positioning Systems and GIScience	3
<b>Required Complementary Skill Courses</b>		
DDT 1505	CAD Technology 1	4
ENGL 3743	Professional and Technical Writing	3
<b>Required CSIS Core Courses</b>		
CSIS 1590	Survey of Computer Science and Information Systems	3
CSIS 2610	Programming and Problem-Solving	4
CSIS 3726	Visual/Object-Oriented Programming	4
CSIS 3722	Development of Databases	3
Select at least 6 s.h. from the following CSIS/CSCI Info elective courses: 6-8		
CSIS 3760	Electronic Commerce Programming	
CSIS 4822	Database Applications	
CSIS 5824	Applied Artificial Intelligence	
CSIS 5838	Graphics and Animation for Gaming	
CSCI 5895	Special Topics (with approval of the chairperson)	
INFO 3774	Multimedia Technology	
INFO 3775	Multimedia Authoring	
Select at least 6 s.h. from the following GEOG elective courses with approval of the chairperson: 6		
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 3726	Urban Geography	
GEOG 3737	Soils and Land Use	
GEOG 3741	Transportation Geography	
GEOG 3775	Field Methods in Geography	
GEOG 4825	Geography Internship	
GEOG 4840	Seminar in Geography	
GEOG 5806	Remote Sensing 2	
GEOG 5814	3D Modeling and GIS	
GEOG 5820	Directed Research in Geography	
<b>Electives</b>		
Select a minimum of 21 hours of outside electives. <sup>1</sup>		21
<b>Suggested (but not limited to) Courses</b>		
Select an additional 8-10 hours from the following:		8-10
ANTH 3702	Archaeology (Prerequisite ANTH 1500 or ANTH 1503)	
ANTH 3778	Archaeological Techniques (Prerequisite ANTH 3702)	
ANTH 4825	New World Archaeology: Topics (Prerequisite ANTH 3702)	

ANTH 4890	Advanced Topics in Archaeology (Prerequisite ANTH 3702)
BIOL 3780	General Ecology (Prerequisite BIOL 2602)
DDT 2606	CAD Solid Modeling (Prerequisite CCT 1503 or DDT 1505)
DDT 2607	Civil 3D (Prerequisite DDT 1503 or DDT 1505)
GEOG 2615	Geology and the Environment 1 (Prerequisite GEOL 1504 or GEOL 1505 or GEOL 2611)
GEOG 3706	Geology of Economic Mineral Deposits (Prerequisite GEOL 1505 or GEOL 2605)
GEOG 5815	Geology and the Environment 2 (Prerequisite GEOL 2615 or ENST 2600)

**Total Semester Hours 126-130**

<sup>1</sup> Courses taken under this section allow the SIS major to choose areas of application appropriate to his/her field of interest. Or it may allow further development of the student in a direction of her/his choice, such as environmental studies, biological sciences, archeology, or drafting and design. The choice is left open for the student in consultation and with approval of the faculty members overseeing the ICP. Some suggested elective courses are listed but the student may also select additional courses from the GEOG and computer elective listings above. Be aware that selected courses may require prerequisites (in parentheses).

Summary:

GER hours: 40 s.h.

Total GEOG hours: 30 s.h.

Total CSIS/INFO hours: 20-22 s.h.

Total complementary skill hours: 6 s.h.

Outside elective hours: 18 s.h.

Additional hours: 8-10 s.h.

## Minor in Geographic Information Science

COURSE	TITLE	S.H.
<b>Required Courses</b>		
GEOG 2611	Geospatial Foundations	3
GEOG 3701	Introduction to Geographic Information Science	3
GEOG 3702	Introduction to Remote Sensing	3
GEOG 4801	Advanced Geographic Information Science	3
Select 6 s.h. from the following courses: 6		
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 3775	Field Methods in Geography	
GEOG 3781	GIS Applications for the Social Sciences	
GEOG 3782	GIS Applications for the Natural Sciences	
GEOG 4802	Advanced Remote Sensing	
GEOG 5812	Global Positioning Systems and GIScience	
GEOG 5814	3D Modeling and GIS	
The following may be used to fulfill the required 6 s.h. above if the course theme is GIScience related:		
GEOG 4825	Geography Internship	
GEOG 4840	Seminar in Geography	
The following course is suggested but not required:		
CSIS 1590	Survey of Computer Science and Information Systems	

6 s.h. of the minor must be upper-division (3700+)

**Total Semester Hours** 18

## Minor in Human Geography

COURSE	TITLE	S.H.
<b>Required course (3 s.h.):</b>		
GEOG 2640	Human Geography	3
<b>Select 3 s.h. from the following courses:</b> 3		
GEOG 2610	Map Use and Interpretation	
GEOG 2611	Geospatial Foundations	
<b>Select 12 s.h. from the following courses with 6 s.h. being upper-division (3700+) credit:</b> 12		
GEOG 2626	World Geography	
GEOG 2650	Global Economic Landscapes	
GEOG 3701	Introduction to Geographic Information Science	
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 3724	Themes in Cultural Geography	
GEOG 3726	Urban Geography	
GEOG 3741	Transportation Geography	
GEOG 3745	The Automobile in American Culture	
GEOG 3780	Medical Geography	
GEOG 5850	International Area Study	
<b>The following may be used to fulfill the required 12 s.h. above if the course theme is human geography related:</b>		
GEOG 4825	Geography Internship	
GEOG 4840	Seminar in Geography	

**Total Semester Hours** 18

## Minor in Environmental Geography

COURSE	TITLE	S.H.
<b>Select 3 s.h. from the following courses:</b>		
GEOG 1503	Physical Geography	3
GEOG 2630	Weather	3
<b>Select 3 s.h. from the following courses:</b>		
GEOG 2610	Map Use and Interpretation	3
GEOG 2611	Geospatial Foundations	3
<b>Select 12 s.h. from the following courses:</b>		
GEOG 1503	Physical Geography	3
GEOG 2630	Weather	3
GEOG 3701	Introduction to Geographic Information Science	3
GEOG 3702	Introduction to Remote Sensing	3
GEOG 3703	Human Impacts on the Environment	3
GEOG 3705	Mountain Geography	3
GEOG 3730	Global Climates	3
GEOG 3733	Severe and Hazardous Weather	3
GEOG 3735	Water in the Earth System	3
GEOG 3737	Soils and Land Use	3
GEOG 3775	Field Methods in Geography	3
GEOG 3782	GIS Applications for the Natural Sciences	3
GEOG 5802	Biogeography	3
<b>The following may be used to fulfill the required 12 s.h. above if the course theme is environmentally related:</b>		
GEOG 4840	Seminar in Geography	3

**Total Number of Semester Hours - 18**

## Minor in Regional Geography

COURSE	TITLE	S.H.
<b>Select 3 s.h. from the following courses:</b> 3		
GEOG 2626	World Geography	
GEOG 2640	Human Geography	
<b>Select 15 s.h. from the following courses:</b> 15		
GEOG 3713	Geography of South America	
GEOG 3715	Geography of Middle America	
GEOG 3717	Geography of Europe	
GEOG 3719	Geography of the United States	
GEOG 3721	Geography of Ohio	
GEOG 3724	Themes in Cultural Geography	
GEOG 3750	Topics in Regional Geography	
<b>The following may be used to fulfill the required 15 s.h. if the course theme is regionally related:</b>		
GEOG 4840	Seminar in Geography	
GEOG 5850	International Area Study	
6 s.h. of the minor must be in courses numbered 3700 or higher		

**Total Semester Hours** 18

## Minor in General Geography

COURSE	TITLE	S.H.
<b>Required Course:</b>		
GEOG 1503	Physical Geography	3
<b>Select 3 s.h. from the following:</b> 3		
GEOG 2626	World Geography	
GEOG 2640	Human Geography	
<b>Select 3 s.h. from the following physical/environmental geography courses:</b> 3		
GEOG 2630	Weather	
GEOG 3703	Human Impacts on the Environment	
GEOG 3705	Mountain Geography	
GEOG 3730	Global Climates	
GEOG 3733	Severe and Hazardous Weather	
GEOG 3735	Water in the Earth System	
GEOG 3737	Soils and Land Use	
GEOG 5802	Biogeography	
<b>Select 3 s.h. from the following geospatial techniques courses:</b> 3		
GEOG 2610	Map Use and Interpretation	
GEOG 2611	Geospatial Foundations	
<b>Select 3 s.h. from the following human and regional geography courses:</b> 3		
GEOG 2650	Global Economic Landscapes	
GEOG 3713	Geography of South America	
GEOG 3715	Geography of Middle America	
GEOG 3717	Geography of Europe	
GEOG 3719	Geography of the United States	
GEOG 3721	Geography of Ohio	
GEOG 3724	Themes in Cultural Geography	
GEOG 3726	Urban Geography	
GEOG 3741	Transportation Geography	
GEOG 3745	The Automobile in American Culture	
GEOG 3750	Topics in Regional Geography	
GEOG 3775	Field Methods in Geography	
GEOG 3780	Medical Geography	
GEOG 4825	Geography Internship	

GEOG 4840	Seminar in Geography	
GEOG 5850	International Area Study	
<b>Select 3 s.h. from any upper-division course listed above or any course listed below:</b>		<b>3</b>
GEOG 3701	Introduction to Geographic Information Science	
GEOG 3702	Introduction to Remote Sensing	
GEOG 3712	Thematic Map Design and Symbolization	
GEOG 5812	Global Positioning Systems and GIScience	
6 s.h. of the minor must be in courses number 3700 or higher.		
<b>Total Semester Hours</b>		<b>18</b>

## Department of History

### Welcome

Hello! I want to tell you how pleased we are to welcome you to Youngstown State University and to the Department of History. With a faculty of nine, we offer courses across a broad range of subjects and have something, we believe, to interest everyone.

I hope that you will drop by and visit us at the department on the fifth floor of DeBartolo Hall, room 519. Please feel welcome to stop in for advice, general information, or just to chat. You should also watch for History Club and Phi Alpha Theta notices about scheduled events throughout the semester.

I also encourage you to drop by the Youngstown Historical Center of Industry and Labor located at 151 Wood Street on the southern edge of campus. The museum is managed by the department, and you and your guests are very welcome to visit us there. (Your student ID grants you free admission at any time.)

Brian Bonhomme

Acting Chair of the Department of History

### Mission

**The Department of History at Youngstown State University is dedicated to the discovery and dissemination of knowledge about the past, to edify our present, and better plan for the future. The department promotes and integrates scholarship, teaching, and service to educate its undergraduate and graduate students. It promotes civic engagement with the wider community. Through the teaching of history in and out of the classroom the department fosters understanding and appreciation of diversity and provides a global perspective. Our aim is to examine and disseminate knowledge of the past and of the nature of its study and reconstruction through a variety of educational experiences and historical methodologies and to train future scholars of history.**

The student majoring in history must complete, in addition to the general University requirements, the group requirements outlined on the curriculum sheet (p. 326). It is recommended that the student select courses with assistance from an advisor, since certain courses are preferable to others according to whether one contemplates graduate study, secondary school teaching, or some other career.

The Bachelor of Arts in History can be completed in eight semesters if students average 16 hours per semester.

For more information, visit the Department of History in DeBartolo Hall, room 519 or contact us at (330) 941-3452.

#### Chair

**Brian Bonhomme**, Ph.D., Professor, Chair

#### Professor

**Daniel Ayana**, Ph.D., Professor

**Eleanor A. Congdon**, Ph.D., Associate Professor

**Donna M. DeBlasio**, Ph.D., Professor

**Jacob Labendz**, Ph.D., Assistant Professor

**Thomas E. Leary**, Ph.D., Associate Professor

**Martha Pallante**, Ph.D., Professor

**David A. Simonelli**, Ph.D., Professor

**Fred W. Viehe**, Ph.D., Professor

### Majors

- Bachelor in History (p. 325)

### Minors

- Minor in History (p. 328)
- Minor in Applied History (p. 328)
- Judaic Studies Minor (p. 329)

### Certificates

- Certificate in Historic Preservation (p. 327)

#### **HIST 1500 Discovering World History 3 s.h.**

Introduction to the methods, problems, and content of world history from Antiquity to the present. Emphasizes the relevance of past events and developments to the modern world. Does not count toward the major or minor in history, nor toward integrated social science degrees.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

#### **HIST 1501 American Dreams: Introduction to United States History 3 s.h.**

Survey of American history focusing on five strategic events in the American past. Emphasis is on cultural conflict and compromise, institutional developments and revolutions, and the emergence of democracy as concept and practice. This course is intended for those students for whom history is not a requirement.

**Gen Ed:** Social Science.

#### **HIST 1511 World Civilization to 1500 3 s.h.**

Origins and growth of the major civilizations of the world from earliest times to about 1500. Placement into ENGL 1550 or completion of ENGL 1539 or ENGL 1540.

**Gen Ed:** Social Science.

#### **HIST 1511H Honors World Civilization to 1500 3 s.h.**

An honors course in the origins and growth of the major civilizations of the world from earliest times to about 1500 with emphasis on the analysis and critical evaluation of historical developments.

**Prereq.:** Eligibility for admissions to University Honors Program, or recommendation of a history instructor.

**Gen Ed:** Social Science.

#### **HIST 1512 World Civilization from 1500 3 s.h.**

Development of the major civilizations of the world from 1500 to the present. Placement into ENGL 1550 or completion of ENGL 1539 or ENGL 1540.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

#### **HIST 1512H Honors World Civilization from 1500 3 s.h.**

An honors course in the development of the major civilizations of the world from about 1500 to the present with emphasis on the analysis and critical evaluation of historical developments.

**Prereq.:** Eligibility for admissions to University Honors Program, or recommendation of a history instructor.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

**HIST 2601 American Military History 3 s.h.**

A survey of American military history from the origin of the United States Army to the present, with emphasis on how military policies and strategies have been influenced by the domestic and foreign affairs of the United States.

**HIST 2605 Turning Points in United States History 1 3 s.h.**

Key episodes in the social, economic, political and cultural developments of the United States to 1877, exploring how diverse peoples shaped the growing nation.

**Prereq.:** Readiness for ENGL 1550.

**Cross-listed:** AMER 2605.

**Gen Ed:** Social Science.

**HIST 2605H Honors Turning Points in United States History 1 3 s.h.**

An honors course concerning the political, social, and economic development of the United States to 1877 with emphasis on the analysis and critical evaluation of historical developments.

**Prereq.:** Eligibility for admission to University Honors Program, or recommendation of a history instructor.

**Gen Ed:** Social Science.

**HIST 2606 Turning Points in United States History 2 3 s.h.**

Key episodes in the social, economic, political and cultural developments of the United States since 1877, exploring how diverse peoples shaped the growing nation.

**Prereq.:** Readiness for ENGL 1550.

**Cross-listed:** AMER 2606.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

**HIST 2606H Honors Turning Points in United States History 2 3 s.h.**

An honors course concerning the political, social, and economic development of the United States from 1877 to the present with emphasis on the analysis and critical evaluation of historical developments.

**Prereq.:** Eligibility for admission to University Honoree Program, or recommendation of a history instructor.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

**HIST 2655H Honors History of Western Civilization 1 3 s.h.**

An honors course in Western Civilization to 1715 with emphasis on the analysis of historical developments.

**HIST 2656H Honors History of Western Civilization 2 3 s.h.**

An honors course in Western Civilization from 1715 to the present with emphasis on the analysis of historical developments.

**HIST 3700 The Atlantic World 3 s.h.**

Development of the Atlantic rim from 1450 to 1700 with emphasis on the processes of exploration, cultural contact, and colonization. Cross-cultural focus on West Africa, the Caribbean and eastern North America.

**Prereq.:** HIST 1511 or HIST 2605.

**HIST 3702 Early America 3 s.h.**

From the first English interactions with the Native Americans and Africans, to the rebellion for Independence, to the struggles over the creation of the Constitution.

**Prereq.:** HIST 2605.

**HIST 3704 Age of Jefferson and Jackson 3 s.h.**

Early 19th century America, with emphasis on politics and culture before 1845.

**Prereq.:** HIST 2605.

**HIST 3706 Age of Lincoln and Grant 3 s.h.**

The period from 1845 to 1877, including the development of the North-South conflict, the war years, and the Reconstruction.

**Prereq.:** HIST 2605.

**HIST 3710 Incorporation of America, 1877-1919 3 s.h.**

The history of the United States from Reconstruction to the Treaty of Versailles, focusing on the transformation from a rural, agricultural nation to an urban, industrial nation. The nation's political, social, economic and cultural development, along with foreign policy.

**Prereq.:** HIST 2606.

**HIST 3712 United States in Crisis: 1920-1945 3 s.h.**

The Roaring Twenties, Great Depression, New Deal, and World War II. An examination of the social, economic, and political forces that enables America to cope with dramatic foreign and domestic crises.

**Prereq.:** HIST 2606.

**HIST 3713 Cold War America: 1945-1990 3 s.h.**

An exploration of U.S. efforts to grapple with the Soviet Union, civil rights and equality, the role of government, changing sexual and social mores, the welfare state, and deindustrialization.

**Prereq.:** HIST 2606.

**HIST 3715 Introduction to Historic Preservation 3 s.h.**

Introduction to the field of historic preservation. Provides historical context for the discipline as well as a basic grounding in the concepts and opportunities of the field.

**Prereq.:** HIST 2605 and HIST 2606.

**HIST 3717 Constitutional History of the United States 3 s.h.**

The development of the American constitutional system from colonial times to the present.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3723 History of American Sports 3 s.h.**

An examination of sports within America from earliest times to the present. Special emphasis on the manner in which sports and society have influenced each other, such as racial and class relationships, social mobility, politics, religion, and foreign policy.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3724 Colonial Latin America 3 s.h.**

Latin America from pre-Hispanic times to the independence, wars including both Spanish America and Brazil. Examines colonial institutions and the experiences of indigenous people, people of African descent, and women.

**Prereq.:** HIST 1512 or HIST 2605.

**HIST 3725 Modern Latin America 3 s.h.**

History of Latin America from the independence wars to the present. Examines political and economic developments as well as the social history of indigenous people, people of African descent, and women. U.S. influence in the region is also studied.

**Prereq.:** HIST 1512 or HIST 2606.

**HIST 3726 History of Women in the United States 3 s.h.**

Analysis of the various roles and contributions of women in American history.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3727 Mexico and the Caribbean 3 s.h.**

Includes Mexico, Colombia, Venezuela, and the Central American republics. Special consideration is given to 20th century Mexico.

**Prereq.:** HIST 2605 or HIST 1512, or consent of instructor.

**HIST 3730 The Black Experience in American History 3 s.h.**

A historical study of Black people's roles in and contribution to the political, social, and economic development of American society.

**Prereq.:** HIST 2605 or HIST 2606, or AFST 2600.

**HIST 3731 History of African American Mayors 3 s.h.**

Study of African American mayors, beginning with the 1967 elections of Carl Stokes and Richard Hatcher to the present. Focus is on why African Americans were elected mayors, and what benefits they contributed to the African American community as well as to their respective cities.

**Prereq.:** HIST 2606 or AFST 2600.

**HIST 3734 History of Organized Crime in the United States 3 s.h.**

The history of organized crime emphasizes the organization of the criminal underworld, the ethnic, racial, and religious composition of criminal groups, and the impact of organized crime on prostitution, gambling, Prohibition, and drugs.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3736 History of American Cities 3 s.h.**

City politics, social change, ethnic and racial issues, industrialization, and city planning during the 19th and 20th centuries. Other issues include the provision of city services, the rivalry between cities, and the development of the federal-urban relationship.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3740 The Vietnam War 3 s.h.**

American involvement in Southeast Asia from the days of French rule to the fall of the Saigon government and beyond. Includes the war debate at home, and other consequences of the war.

**Prereq.:** HIST 1512, HIST 2606.

**HIST 3741 Diplomatic History of the United States 1 3 s.h.**

A study of American foreign relations as determined by interaction between domestic and international pressures (1) to 1900 and (2) since 1900.

**Prereq.:** HIST 2605.

**HIST 3742 Diplomatic History of the United States 2 3 s.h.**

A study of American foreign relations as determined by interaction between domestic and international pressures (1) to 1900 and (2) since 1900.

**Prereq.:** HIST 2606.

**HIST 3743 Labor in United States History 3 s.h.**

Traces the transformation of American workers and the impact of the labor movement upon the United States. Emphasizes the diversity of the working class and the historical context of the of the political and social implications of the labor movement.

**Prereq.:** HIST 2606.

**HIST 3744 The History of American Business 3 s.h.**

An examination of the growth and structural development of American business and its relationship to government from colonial times to the present with emphasis on the 20th century.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3745 History of Jewish Labor 3 s.h.**

Examines Jewish labor history in Europe, the United States, and Israel. Explores the social history of the worker, gender and national differences, living and working conditions, as well as labor movements and worker political mobilization.

**Prereq.:** HIST 1512 or HIST 2606.

**HIST 3747 History of Appalachia 3 s.h.**

From 18th century settlement to present, emphasizing images of the region and its people, and focusing on issues of economic development, folk culture, religion, race, gender and outmigration.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3748 History of Ohio 3 s.h.**

The important events and movements that have shaped Ohio history in the social, economic, religious and political areas.

**Prereq.:** HIST 2605 or HIST 2606.

**HIST 3749 History of African-United States Relations 3 s.h.**

Survey of African-U.S. relations from the transatlantic slave trade to the present with emphasis on the 20th century.

**Prereq.:** HIST 2606 or HIST 1512, or consent of instructor.

**HIST 3750 History of Modern Africa 3 s.h.**

The impact of colonialism on the peoples of 20th century Africa, focusing on subSahara: Colonialism, colonial administration, urbanization, nationalism, pan-Africanism, decolonialization and the challenges of modern Africa.

**Prereq.:** HIST 1512 or consent of instructor.

**HIST 3751 History of South Africa 3 s.h.**

From the beginnings of the 19th century to the present.

**Prereq.:** HIST 1512, HIST 2605, HIST 2606, or HIST 2663.

**HIST 3752 Ancient History 1 3 s.h.**

From the Neolithic Revolution to the Peloponnesian Wars. Intensive study of civilizations of Mesopotamia and Egypt, as well as Hellenic history.

**Prereq.:** HIST 1511.

**HIST 3753 Ancient History 2 3 s.h.**

The Hellenic Period to the fall of Rome. Intensive study of the Age of Alexander and the Roman Republic.

**Prereq.:** HIST 1511.

**HIST 3755 Early Medieval Civilization 3 s.h.**

A political, economic, intellectual and cultural history which traces events and developments throughout Europe from the collapse of the Ancient World to the beginning of the High Middle Ages.

**Prereq.:** HIST 1511.

**HIST 3756 High Medieval Civilization 3 s.h.**

A political, economic, intellectual and cultural history which traces events and developments throughout Europe during the High Middle Ages (eleventh through fifteenth centuries).

**Prereq.:** HIST 1511.

**HIST 3757 History of Medicine 3 s.h.**

Practices and theories of healing, and their relation to social and intellectual context, from ancient times to the present.

**Prereq.:** HIST 1511 or HIST 1512, or a social science course.

**HIST 3758 Renaissance Europe 3 s.h.**

A survey of European history from the end of the High Middle Ages to the 16th century. Emphasizes the rise of humanism and of Renaissance culture in Italy, its dissemination beyond the Alps as well as the development of national states and the flowering of the Late Medieval tradition in western and eastern Europe.

**Prereq.:** HIST 1511.

**HIST 3759 The Reformation Era 3 s.h.**

The history of Europe from the Lutheran Revolt to the Peace of Westphalia in 1648. Major themes of study are the causes of the Reformation, the impact of Luther, Calvin and the Radical Reformation, the Catholic Reform movement, the Wars of Religion, and the rise of the modern secular states.

**Prereq.:** HIST 1512.

**HIST 3760 The Age of Louis XIV 3 s.h.**

The history of Europe from 1600 to the outbreak of the French Revolution in 1789. Emphasis on France under Louis XIV and Louis XV, Old Regime society, and the intellectual creativity of the Eighteenth-Century Enlightenment. Also focuses on the widening confrontation between science and religion, the growth of Europe's overseas empire, and the emergence of the modern nation-state.

**Prereq.:** HIST 1512.

**HIST 3761 The French Revolution and Napoleon (1789-1815) 3 s.h.**

The French Revolution is examined in detail, especially from its outbreak to the fall of Robespierre. The last portion deals with the rise of Napoleon, his political role, his military campaigns, the reconstruction of Europe, and his fall at Waterloo.

**Prereq.:** HIST 1512.

**HIST 3762 The Second World War 3 s.h.**

An examination of the war's diplomatic and ideological origins; social, economic, and political factors; and strategic, tactical, and technological dimensions of the conflict in all major theaters.

**Prereq.:** HIST 1512 or HIST 2606.

**HIST 3763 Modern France, 1815 to Present 3 s.h.**

France from the fall of Napoleon to the present. Major cultural, intellectual, and political themes of the period. Impact of the two World Wars, France's post-war revival, the student riots of 1968, and the changes which have transformed French politics and society in the 1980s.

**Prereq.:** HIST 1512.

**HIST 3764 Modern Europe, 1715 to the Present 3 s.h.**

A survey of European history from the Enlightenment to the European Union. Themes include the development and debate surrounding European civilization's emphasis on individuality, technology, capitalism, class, war, and progress.

**Prereq.:** HIST 1512.

**HIST 3765 Europe from the Congress of Vienna to the Franco-Prussian War (1815-1871) 3 s.h.**

Such movements as Nationalism, the impact of the Industrial Revolution, Marxism, the growth of Democracy, Liberalism and Conservatism, Romanticism and Realism, Reform and Revolution, from the main themes of the period. The course is divided into two historical periods, from 1815 to the Revolution of 1848, and from 1848 to 1871 with the emphasis on the unification of Italy and of Germany and the New Europe that arose as a consequence.

**Prereq.:** HIST 1512.

**HIST 3766 Europe from the Franco-Prussian War to World War I 3 s.h.**

The impact of the Paris Commune; revolutionary movements and their contradictions; imperialism, political anti-Semitism, and the images of war; the Bismarckian international order and its suicide.

**Prereq.:** HIST 1512.

**HIST 3767 Europe from World War I to the Present 3 s.h.**

War, revolutions, and the European order; Versailles and its contradictions; the Fascist response to Communism and Depression; the interaction of Democracies, Fascism, and Stalinism in the making of World War II and the Cold War.

**Prereq.:** HIST 1512.

**HIST 3769 Modern Germany 3 s.h.**

Unification and modernization; scientific, technological, and cultural splendors; world power and disaster; Nazism, the Holocaust, and German society.

**Prereq.:** HIST 1512.

**HIST 3770 Asia to 1500 3 s.h.**

Political, economic, religious, artistic, and philosophical developments in India, China and along the Silk Road, from ancient times to 1500 C.E.

**Prereq.:** HIST 1511.

**HIST 3772 History of Modern China 3 s.h.**

China from the mid-19th century to date, with emphasis on Western impact, industrialization, intellectual trends, the Revolution of 1911, national reconstruction, student movements, the rise of Communism, and the contemporary scene.

**Prereq.:** HIST 1512 or consent of instructor.

**HIST 3774 Global Environmental History: Topics and Methods 3 s.h.**

The historical development and diversity of ideas and actions regarding the interaction of human societies and the natural environment. From 1492 to the present, with particular emphasis on the nineteenth and twentieth centuries. Economic growth and resource depletion. Emergence and development of conservation, environmentalism, ecology. Ideas, events, and institutions. Historiography and methods of environmental history.

**Prereq.:** HIST 1511, HIST 1512, HIST 2605 or HIST 2606.

**HIST 3775 Global Industrial Revolution 3 s.h.**

Major themes and events in the origins and global diffusion of industrialization from the 18th to the 21st centuries. The Industrial Revolution and associated changes in technology, society, culture, economy, geo-politics, environment, and public health.

**Prereq.:** HIST 1512 or HIST 2605 or HIST 2606.

**HIST 3776 History of Modern Japan 3 s.h.**

Japan's history from the Meiji Restoration to date, including the industrialization, the party movement, intellectual development, the rise and fall of militarism, postwar reconstruction, and current problems.

**Prereq.:** HIST 2662 or consent of instructor.

**HIST 3778 Russia to 1855 3 s.h.**

History of Russia from its ninth century origins to the eve of the Great Reforms of Tsar Alexander II. Surveys political, social, cultural, and intellectual developments, the Orthodox Church, and Russian expansion and colonization in Siberia and Alaska.

**Prereq.:** HIST 1511 or HIST 1512.

**HIST 3779 Russia 1855 to Present 3 s.h.**

The Russian Empire from the Great Reforms of Alexander II to its collapse during WWI, the Revolutions of 1917, the rise and fall of the Soviet Union (1922-1991), and Soviet successor states to the present.

**Prereq.:** HIST 1512.

**HIST 3780 History of Eastern Europe 3 s.h.**

The histories of the nations that have made up Central and Eastern Europe from the earliest times to their present, and their contributions to world civilization.

**Prereq.:** HIST 1511 or HIST 1512.

**HIST 3782 History of the Balkans 3 s.h.**

Southeastern Europe from the 4th century to the present, including the impact of the Byzantine and Ottoman Empires and the two World Wars.

**Prereq.:** HIST 1511 or HIST 1512.

**HIST 3783 Britain and Its Empire 1: 1688-1870 3 s.h.**

An integrative history of Britain and its empire, from the Glorious Revolution to Victoria's crowning as Empress of India. Emphasis on how the development of British liberal politics, industrial society and Romantic culture influenced its empire and vice versa.

**Prereq.:** HIST 1512.

**HIST 3784 Britain and Its Empire 2: 1870-Present 3 s.h.**

An integrative history of Britain and its empire, from the opening of the Suez Canal to the present. Emphasis on how Britain's decline as a world political, diplomatic, military and industrial power impacted its world empire during the twentieth century, noting how the empire changed Britain itself in the process.

**Prereq.:** HIST 1512.

**HIST 3785 The Mediterranean World: Modern Italy, 1815-Present 3 s.h.**

Survey of Italian history from the Risorgimento to the present. Emphasis on the reasons for the late emergence of Italian nationhood, the rise of Italian nationalism, unification, the weakness of Italian democracy, the rise of Fascism, and the political instability Italians have experienced since 1945.

**Prereq.:** HIST 1512.

**HIST 3787 History of Women in Europe 3 s.h.**

Analysis of the various roles and contributions of women in European history from the Renaissance to the present.

**Prereq.:** HIST 1512.

**HIST 3788 The Holocaust 3 s.h.**

Study of the attempted genocide against the Jews in World War II. Special emphasis on racial theories that gave rise to Nazism, politics of collaboration, various forms of resistance, and ethical problems associated with the concentration camps.

**Prereq.:** HIST 1512.

**HIST 3789 Jewish History 3 s.h.**

An overview of Jewish history in the past twenty centuries, with emphasis on achievements in the arts, sciences, and politics, and on precedents for the Holocaust.

**Prereq.:** HIST 1511 and HIST 1512.

**HIST 3790 Medieval Britain 3 s.h.**

From the Celtic times to 1485. Emphasizes the political and cultural evolution of the British people before and after the Norman Conquest, including the creation of the English identity, the development of constitutional monarchy, the propaganda value of architecture, art, and literature, and the role of the Church.

**Prereq.:** HIST 1511.

**HIST 3792 History of Ireland 3 s.h.**

Irish history from St. Patrick to the Good Friday Agreement. Emphasis is on Ireland's relationship with Britain, Europe and the United States, and its troubled status as colony, occupied nation and part of the United Kingdom.

**Prereq.:** HIST 1512.

**HIST 3793 Tudor-Stuart Britain 3 s.h.**

England, Scotland, Wales, and Ireland from the end of the War of the Roses to the ascension of George I to the British throne in 1714. Emphasis on the development of the centralized Tudor state, colonization of the New World and India, the English Civil War and Glorious Revolution, European wars for naval supremacy, and the culture of the Shakespearean age.

**Prereq.:** HIST 1512.

**HIST 3794 The First World War 3 s.h.**

An examination of the origins of the war, the social, economic, intellectual and political repercussions, and the technical and military developments.

**Prereq.:** HIST 1512.

**HIST 3795 The World since 1945 3 s.h.**

Global developments including the Cold War, decolonization and economic dependency in the non-western world; militarism and terrorism; pollution; and the internationalism of the world.

**Prereq.:** HIST 1512.

**HIST 3796 Genocide and Mass Murder 3 s.h.**

The origins, definitions, causes and forms of genocide. Case studies will be drawn from across geographical regions and time periods such as Armenia, the Holocaust, Cambodia, the former Yugoslavia, Rwanda and the Sudan.

**Prereq.:** HIST 1512 or consent of instructor.

**HIST 3797 Middle East 1: The Islamic Centuries 3 s.h.**

From Muhammad to the collapse of the Ottoman Empire. Intensive study of the medieval Islamic caliphates, Crusades, Turks, and European imperialism.

**Prereq.:** HIST 1511 or 2661.

**HIST 3798 Middle East 2: The Modern Period 3 s.h.**

The 20th century. Impact of oil, Arab nationalism, Zionism, Islamic fundamentalism.

**Prereq.:** HIST 1512 or 2661.

**HIST 4801 Select Problems in American History 3 s.h.**

Specific problems in American history in such areas as economics, political theory, and cultural and intellectual history. May be repeated with different content.

**Prereq.:** Consent of instructor.

**HIST 4808 Oral Communication Projects in History 1 s.h.**

Development of oral communication skills for students of history. Emphasizes the understanding of effective speaking practices, the development of self-analysis, and the presentation of material gathered from a linked course.

**Concurrent:** Enrollment in an upper division history course.

**HIST 4809 Documentation and Interpretation of Historic Sites 3 s.h.**

Methods of documenting historic properties especially as related to the National Register of Historic Places. Includes interpretation of historic sites for public exhibit.

**Prereq.:** HIST 3715.

**HIST 4811 Practicum in Historic Preservation 3 s.h.**

Experience in historic preservation through student participation in a wide variety of historic preservation projects. Prepares students for internships outside the university.

**Prereq.:** HIST 3715 and permission of Historic Preservation Committee.

**HIST 4812 Historic Preservation Internship 3 s.h.**

Practical application of principles and methods in the field of historic preservation with the goal of producing a completed project. Internship to be selected by student in conjunction with program director. May be repeated once.

**Prereq.:** HIST 3715 and approval of internship committee.

**HIST 4815 American Material Culture 3 s.h.**

A discussion and analysis of the use and importance of material artifacts as texts for the recovery of the American past. Emphasis on sources not traditionally utilized by historians. Examples include the contextual analysis of children's books, foodways, and sacred spaces.

**Prereq.:** HIST 2605 and HIST 2606, or AMER 2601 and AMER 3701.

**Cross-listed:** AMER 4815.

**HIST 4850 International Area Study 3-9 s.h.**

A course in the geography and history of a selected international area with emphasis on cultural development by traveling in the selected region. The class and travel is supervised by the Geography and/or History faculty. The course grade is based upon a term paper which must be submitted within 60 days after the end of the course.

**Prereq.:** By permit only.

**HIST 4851 Select Problems in European History 3 s.h.**

Specific problems in European history in such areas as economics, political theory, and cultural and intellectual history. May be repeated with different content.

**Prereq.:** Consent of instructor.

**HIST 4860 Select Problems in Transnational History 3 s.h.**

Transnational issues in African, Asian, Latin American, and/or Middle Eastern history in such areas as economic, political, social, cultural and intellectual history. May be repeated with different content.

**Prereq.:** Consent of the instructor.

**HIST 4870 Senior Research Seminar 3 s.h.**

A seminar that requires the writing of an extensive paper based mainly on primary material. All history majors must take this course.

**Prereq.:** Senior standing and completion of four upper-division history courses with a grade of "C" or better.

**Gen Ed:** Capstone.

**HIST 5806 American Architectural History 1 3 s.h.**

Development of structural styles and trends within the United States, focusing on formal architectural styles.

**Prereq.:** HIST 2605 and HIST 2606.

**HIST 5807 American Architectural History 2 3 s.h.**

Development of vernacular, folk, and industrial architecture in the United States. Focus is on local variants with emphasis on 20th Century specimens. Field trips will view representative building types, especially housing.

**Prereq.:** HIST 5806.

**HIST 5810 Conservation of the Historic Built Environment 3 s.h.**

The theory and practice of preserving and rehabilitating all aspects of the historic built environment. Provides broad exposure through field experience.

**Prereq.:** HIST 3715.

## Judaic Studies

**JUDC 1500 Introduction to Jewish Studies 3 s.h.**

A broad overview of Jewish history, culture, literature, and religion. Covers Jewish Civilization from its emergence in the Ancient Near East to its diverse worldwide expressions in the present day.

**JUDC 3751 Lessons of the Holocaust from the United States Holocaust Memorial Museum 3 s.h.**

The history of the Holocaust as revealed by the United States Holocaust Memorial Museum. Requires supervised visit to the United States Holocaust Memorial Museum in Washington D.C. in addition to coursework.

**Prereq.:** By permit only.

## Bachelor of Arts in History

In addition to completing the requirements listed on the curriculum sheet (p. 326), a history major must provide an essay examination, a book review, a research paper, and one additional paper for a portfolio (all produced in history classes) that will be maintained in the Department of History. The essay examination should be from an upper-division course. The book review should include:

- a title page
- bibliographic entry at the beginning
- content analysis and evaluation with a minimum of 1,000 words, typed in a 10-12 font, double-spaced, and one-inch margins

The research paper will be based on primary or secondary sources with a minimum of 3,500 words, typed in a 10-12 font, double-spaced with end notes or footnotes, bibliographic entries based on Chicago Manual of Style, a title page, and one-inch margins. A second paper from an upper-division class is also to be included of at least 1,500 words.

Students transferring 20 or more semester hours in history to Youngstown State University from another institution must meet the group requirements to obtain a major in History for graduation. At least five of the courses in Groups B, C, and D (see curriculum sheet (p. 326)) must be taken at Youngstown State University.

It is recommended that the student in choosing electives should acquire as broad a background as possible in the social sciences and the humanities. Particular attention is called to courses offered by the departments of English, Economics, Political Science, Philosophy, Art, Music, Geography, and Sociology, and to the humanities courses. Students contemplating graduate work in history should consider taking more foreign language courses than the minimum necessary to meet the general degree requirement. Finally, the student is reminded that the Department of History takes seriously the University's emphasis on the importance of adequate competence in the English language (See Proficiency in English, in the Academic Policies and Procedures section of the *Undergraduate Catalog*); when there is need, students majoring in history should include in their programs advanced composition courses and courses in speech.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Arts and Humanities		6
Natural Sciences		6
Social Science		6
Social and Personal Awareness		6
General Education Elective		3
<b>Major Requirements</b>		
<b>Group A - Survey Courses</b>		
Select one of the following Sections:		12
Section 1:		
HIST 1511	World Civilization to 1500	
HIST 1512	World Civilization from 1500	
HIST 2605	Turning Points in United States History 1	
HIST 2606	Turning Points in United States History 2	
Section 2:		
HIST 1511H	Honors World Civilization to 1500	
HIST 1512H	Honors World Civilization from 1500	
HIST 2605H	Honors Turning Points in United States History 1	
HIST 2606H	Honors Turning Points in United States History 2	
Select eight courses from the following with no more than three from each group:		24
<b>Group B - American History</b>		
HIST 2601	American Military History	
HIST 3700	The Atlantic World <sup>1</sup>	
HIST 3702	Early America	
HIST 3704	Age of Jefferson and Jackson	
HIST 3706	Age of Lincoln and Grant	
HIST 3710	Incorporation of America, 1877-1919	
HIST 3712	United States in Crisis: 1920-1945	

HIST 3713	Cold War America: 1945-1990
HIST 3715	Introduction to Historic Preservation
HIST 3717	Constitutional History of the United States
HIST 3723	History of American Sports
HIST 3726	History of Women in the United States
HIST 3730	The Black Experience in American History
HIST 3731	History of African American Mayors
HIST 3734	History of Organized Crime in the United States

*Learning Outcomes*

1. Students will demonstrate the skills necessary for the historian to analyze information and report findings effectively, by recognizing the difference between primary and secondary resources and being able to critically read and analyze their content; by effectively communicating in written and oral media; and by exhibiting satisfactory critical-thinking and synthesis skills.
2. Students will demonstrate comprehension of the basic concepts that guide the historian's work, by understanding: the concepts of historiography and that historical interpretation is not fixed but changes over time; the significance of chronologies and the impact of cause and effect; and the importance and impact of cultural diversity on the past and its relevance in the present.

## Certificate in Historic Preservation

Historic preservation specialists encourage the renovation and re-use of America's built environment: buildings and bridges, farms and factories, battlefields and business districts, and even entire neighborhoods. Professionals in this fast-growing field find employment with consulting firms

or with local, state, or national preservation groups, museums, or government agencies.

Youngstown State University offers a Certificate in Historic Preservation for students at either the undergraduate or graduate level. Classes give students training in historic research skills plus direct experience in real-world preservation tasks.

COURSE	TITLE	S.H.
<b>Preservation Core Courses</b>		
HIST 2605	Turning Points in United States History 1	3
HIST 2606	Turning Points in United States History 2	3
HIST 3715	Introduction to Historic Preservation	3
HIST 5806	American Architectural History 1	3
HIST 5807	American Architectural History 2	3
HIST 5810	Conservation of the Historic Built Environment	3
HIST 4811	Practicum in Historic Preservation (group project in the community)	3
HIST 4812	Historic Preservation Internship	3
<b>Electives</b>		
Select two of the following:		6
HIST 3736	History of American Cities	
HIST 3748	History of Ohio	
HIST 4815	American Material Culture	
GEOG 3726	Urban Geography	
ANTH 4890	Advanced Topics in Archaeology	
ANTH 4825	New World Archaeology: Topics	
MRCH 4870	Global Fashion Economy	
<b>Total Semester Hours</b>		<b>30</b>

Other courses may be substituted with permission of the department. In addition, hands-on instruction in preservation technology is available through arrangement with nationally renowned Belmont Technical College. Undergraduates may earn the certificate as part of a history major or as a minor supplementing work in a related field such as art history, anthropology, geography, or engineering.

## Learning Outcomes

1. Students will demonstrate the skills necessary for the historian to analyze information and report findings effectively, by recognizing the difference between primary and secondary resources and being able to critically read and analyze their content; by effectively communicating in written and oral media; and by exhibiting satisfactory critical-thinking and synthesis skills.
2. Students will demonstrate comprehension of the basic concepts that guide the historian's work, by understanding: the concepts of historiography and that historical interpretation is not fixed but changes over time; the significance of chronologies and the impact of cause and effect; and the importance and impact of cultural diversity on the past and its relevance in the present.
3. Students will demonstrate the ability to translate traditional historical scholarship into media meant primarily for non-academic audiences.

## Minor in Applied History

COURSE	TITLE	S.H.
HIST 2605	Turning Points in United States History 1	3
HIST 2606	Turning Points in United States History 2	3

## Department of Philosophy and Religious Studies

### Introduction

The YSU Department of Philosophy and Religious Studies offers a wealth of productive studies for life and technical knowledge for career opportunities. Our programs make an excellent addition to complement any career. The majors in Philosophy or Religious Studies are also sound preparations for a wide range of graduate programs. The department offers degrees in Philosophy, Religious Studies, and Pre-Counseling (with either a Philosophy or a Religious Studies focus), as well as a number of minors.

### Welcome to Philosophy and Religious Studies

Welcome to Youngstown State University and the Department of Philosophy and Religious Studies! Our department has a lot to offer on matters of central importance to the lives of our students, our community, and the mission of YSU. In addition to our wonderful course offerings, we have a vibrant student organization, organize a speakers series with world-class scholars, and are home to both the James Dale Ethics Center and the Center for Islamic Studies. I encourage you to explore our website (<http://philrel.yosu.edu>) to learn more about the offerings of the Philosophy and Religious Studies Department at Youngstown State University!

-Alan Tomhave, Chair, Department of Philosophy and Religious Studies

For more information, call (330) 941-3448 or visit the Department of Philosophy and Religious Studies (<http://www.yosu.edu/philrel>).

We are located in 401 DeBartolo Hall.

### Specialized Centers

The Department of Philosophy and Religious Studies houses The Dr. James Dale Ethics Center and the Center for Islamic Studies.

#### The Dr. James Dale Ethics Center

The Dr. James Dale Ethics Center was founded in 1993 to support the study and teaching of ethics and to promote moral reflection and conduct in personal and professional life. Its activities are guided by the conviction that institutions of higher education play a crucially important role in creating and sustaining a democratic people, concerned not only with private but also common purposes. To accomplish its mission, the Center:

- Sponsors ethics seminars, workshops, and conferences for regional professionals;
- Offers lectures to the University and general community;
- Provides ethics consultation for regional organizations;
- Promotes the scholarship of teaching and learning of ethics

The director of the Ethics Center is Dr. Mark Vopat, Professor of Philosophy in the Department of Philosophy and Religious Studies.

## The Center for Islamic Studies

The Center for Islamic Studies is devoted to the scholarly study of Islam and to educating the community about Islamic religion, history, and culture. It was created through an agreement between the Youngstown Muslim community and Youngstown State University. To accomplish its mission, the Center:

- Offers lectures to the University and general community;
- Co-publishes (with the Iqbal Academy Pakistan) the *Iqbal Quarterly*, which aims to introduce the works of the South Asian poet-thinker Muhammad Iqbal to general readers in the English-speaking world;
- Participates in The Pluralism Project of the Department of Philosophy and Religious Studies, which publishes *E Pluribus*, a newsletter devoted to interfaith activities in the Mahoning Valley and to events of general interest in the field of religious pluralism.

The director of the Center for Islamic Studies is Dr. Mustansir Mir, University Professor of Islamic Studies in the Department of Philosophy and Religious Studies.

## Philosophy Circle

The Philosophy Circle is a group of more than 140 faculty, alumni, and friends whose donations support special departmental activities, including awards for outstanding student papers and funding for the Dr. Thomas and Albert Shipka Speakers Series. The Shipka Speakers Series has sponsored over 40 lectures by outstanding scholars, on topics related to philosophy and religious studies that are of wide interest to both the university and the larger community. For videos of recent talks, see the Shipka Speakers Series (<http://philrel.yzu.edu/shipka-speakers-series>) page.

## Departmental Scholarships

The Department of Philosophy and Religious Studies offers the following scholarships. Please contact the department office for more information.

- Evangelos Michelakis Meshel Scholarship in Philosophy
- Robert G. & S. Ann Berich Meigetter Scholarships in Philosophy
- Dr. Earl Eugene Eminhizer Scholarship in Religious Studies
- Sister Jean Gillespie Memorial Award in Religious Studies
- Bevan-Dillingham Scholarship in Philosophy and Religious Studies
- Helen Pavlov Memorial Scholarship in Philosophy and Religious Studies

## Philosophy and Religious Studies Club

The Philosophy and Religious Studies Club is a student-run group open to all persons interested in philosophy and religious studies. The club hosts an annual educational fundraiser that showcases the interests of a department faculty member. Topics vary for this popular evening complete with music, food, and wine tasting. The students also organize bi-monthly "Eat Drink Think" events (EDT), which are social events focused on classic and modern texts held over food and drinks. EDT events provide a nice forum for majors, non-majors, and community members to delve deeply into persistent questions in philosophy and religion and their relation to public policy, national and global events, and academics. For more information, please visit Philosophy and Religious Studies (<http://www.yzu.edu/philrel>) website and join our Facebook (<https://www.facebook.com/pages/YSU-Philosophy-and-Religious-StudiesDepartment/188613781180674>) group, "YSU Philosophy and Religious Studies Club," for updates about upcoming events.

## Philosophy

### PHIL 1560 Introduction to Philosophy 3 s.h.

The nature of philosophy and its relation to science, religion, and art; study of the philosophical approach and attitude, the basic problem areas in philosophy, and some typical philosophical viewpoints.

**Gen Ed:** Arts and Humanities.

### PHIL 1561 Technology and Human Values 3 s.h.

An examination of the impact of technology and science on contemporary human values and investigations of social and political perspectives on modern technocracy, based on case studies in science, medicine, and engineering.

**Gen Ed:** Arts and Humanities.

### PHIL 1565 Critical Thinking 3 s.h.

An examination of the logical skills needed for critical thinking in practical situations. Topics include procedures and guidelines for identifying and evaluating arguments, recognizing and eliminating informal fallacies, and writing and critiquing argumentative essays.

**Gen Ed:** Arts and Humanities.

### PHIL 2608 The Examined Life 3 s.h.

Considers the nature of happiness and well-being and their relation to social institutions. Addresses the roles that civic and personal relations, morality, aesthetics, education, and religion play in providing happiness, purpose, and meaning in one's life. Cross listed as REL 2608.

**Gen Ed:** Arts and Humanities.

### PHIL 2610 Global Ethics 3 s.h.

Examination of morality and justice from a global perspective, including such topics as war, terrorism, and states; poverty and the global economy; religion, gender, and identity; globalization and the environment; and markets and intellectual property. Cross-listed as REL 2610.

**Gen Ed:** Arts and Humanities.

### PHIL 2612 Ancient & Medieval Philosophy 3 s.h.

An examination of philosophers and philosophical systems in Western civilization from the pre-Socratics until the Renaissance.

### PHIL 2619 Introduction to Logic 3 s.h.

Introduction to syllogistic or classical logic, symbolic and inductive logic. Emphasis on the rules of syllogism, immediate inferences, propositional functions, classes, truth tables, Venn diagrams; the use of analogy, generalization, the verification of hypotheses, and scientific method.

**Prereq.:** MATH 1501 or at least Level 20 on the Mathematics Placement Test.

**Gen Ed:** Mathematics.

**PHIL 2625 Introduction to Professional Ethics 3 s.h.**

An examination of the ideals and virtues central to professionalism; study of selected codes of professional ethics and their roots in classical ethical traditions; and analysis of selected ethical issues and problems in a variety of professions.

**Gen Ed:** Arts and Humanities.

**PHIL 2626 Engineering Ethics 3 s.h.**

An examination of ethical problems in the major fields of engineering and an explanation of the methodology needed to address them; an analysis of the rights and duties of engineers in their relations to clients, employers, the public, and the engineering profession.

**Prereq.:** One 2600-level PHIL course, or PHIL 1560 or ENTC 1505 or ENGR 1550.

**Gen Ed:** Arts and Humanities.

**PHIL 2627 Law and Criminal Justice Ethics 3 s.h.**

Examination of major theories in philosophy of law and justice, and the study of ethical issues and professional standards in criminal justice practice.

**Prereq.:** Any 2600-level PHIL course or PHIL 1560 or CJFS 2601, CJFS 2602 or CJFS 2603.

**Gen Ed:** Arts and Humanities.

**PHIL 2628 Business Ethics 3 s.h.**

Examines ethical problems in business, ethical responsibilities of business professional, and business as a global institution. Topics include the corporation, at-will employment, unions, technology, privacy, advertising, whistle-blowing, globalization, environmental impact, human rights, just distribution, affirmative action and cultural diversity.

**Gen Ed:** Arts and Humanities.

**PHIL 2631 Environmental Ethics 3 s.h.**

Application of ethical theories in evaluating human interaction with the natural environment, analysis of rights and duties regarding other species and future generations, the ethics of environmental activism, and philosophical and religious perspectives on environmental issues.

**Gen Ed:** Environmental Sustainability, Social and Personal Awareness.

**PHIL 2635 Ethics of War and Peace 3 s.h.**

Examines reasons for making war, for restraint on the conduct of war, and for rejecting war as an instrument of national policy as understood within a variety of moral traditions, both secular and religious.

**Gen Ed:** Arts and Humanities.

**PHIL 2698 Introductory Individual Study in Philosophy 1 s.h.**

Introductory study of a philosophical problem, movement, thinker, or the relationship of philosophy to problems in other disciplines. Intended to be an independent study course with subject matter dependent upon approval of the faculty member and student. May be repeated up to 3 s.h.

**PHIL 3702 History of Modern Philosophy 3 s.h.**

Study of major Western philosophical figures and movements from the Renaissance through the 19th century.

**Prereq.:** One 2600-level PHIL course or PHIL 1560.

**PHIL 3708 Social and Political Philosophy 3 s.h.**

A study of the philosophical foundations of democracy, dictatorship, and communism, especially their views of reality, knowledge, human nature, and morality, with attention to rights, duties, freedom, authority, dissent, censorship, crime and punishment, and religion.

**Prereq.:** PHIL 1560.

**PHIL 3711 General Ethics 3 s.h.**

Examination and evaluation of the major ethical theories in classical, dialectic, pragmatic and naturalistic, analytic and positivist, and existentialist thought.

**Prereq.:** PHIL 1560.

**Gen Ed:** Arts and Humanities.

**PHIL 3712 Philosophy of Religion 3 s.h.**

The philosophical investigation of religious questions such as existence and nature of the divine, the problem of evil, death and immortality, religion and science, and religious experience.

**Prereq.:** PHIL 1560 or REL 2601.

**Cross listed with** REL 3712.

**PHIL 3713 Philosophy of the Family 3 s.h.**

Examines the family from philosophical, political, and historical perspectives and considers issues of justice in familial relationships. Explores the relationship among parents, children, and the state, and reviews the evolving conceptions of childhood, child well-being, and children's rights.

**Prereq.:** ENGL 1551.

**PHIL 3714 Language and Mind 3 s.h.**

Introduction to the study of traditional philosophical problems in the analysis of linguistic structures and functions and of their implications for the nature of mind, including meaning, mental representation and causation, information processing, and psychological explanation.

**Prereq.:** One 2600-level PHIL course or PHIL 1560.

**PHIL 3715 Philosophy of Science 3 s.h.**

A philosophical consideration of some of the fundamental concepts and assumptions of the sciences: the nature of scientific knowledge; the relation of scientific to other kinds of knowledge and experience.

**Prereq.:** PHIL 1560.

**PHIL 3719 Symbolic Logic 3 s.h.**

The structure and properties of axiomatic systems; the theory of propositional and relational logic; the algebra of classes; related topics.

**Prereq.:** PHIL 2619.

**PHIL 3723 Philosophy of Law 3 s.h.**

Examination of the nature and limits of law, the justification of the legal system, the relationship between law and morality, state punishment of individuals, the justification for punishment, citizens' rights and issues of privacy, liberty, discrimination, and civil disobedience.

**Prereq.:** One 2600-level PHIL course or PHIL 1560.

**PHIL 3725 Biomedical Ethics 3 s.h.**

An examination of ethical issues posed by biomedical research and technology, including issues of informed consent, patients' rights, experimentation, genetic research and intervention, death and dying, and the allocation of scarce resources.

**Prereq.:** One 2600-level PHIL course or SOC 3703 or SOC 3745 or PSYC 3780 or admission to the NEOMED-YSU program or the BS in Nursing program.

**PHIL 3735 Ethics and Scientific Research 3 s.h.**

Definition and examination of the ethical basis of scientific conduct in reporting experimental results, using human and animal subjects, adopting protocols, and pursuing research with broad impact on human rights and social welfare.

**Prereq.:** PHIL 1560 or PHIL 2625.

**PHIL 3740 Muslim Thinkers and Thinkers 3 s.h.**

Examination of the theological, philosophical, legal, and political writings and ideas of major Muslim thinkers and mystics from the classical through the modern period, covering the continuities and differences.

**Prereq.:** any 2600-level REL course or PHIL 1560.

**Cross listed with** REL 3740.

**PHIL 3798 Intensive Individual Study of Philosophy 1 s.h.**

Intensive study of a philosophical problem, movement, thinker, or the relationship of philosophy to problems in other disciplines. Intended to be an independent study course with subject matter dependent upon approval of the faculty member and student. May be repeated up to 3 s.h.

**Prereq.:** One 3700-level PHIL course.

**PHIL 4805 Direct Readings in Philosophy 3 s.h.**

Independent study course with subject matter dependent upon approval of the faculty member in consultation with student.

**Prereq.:** Any 3700 level PHIL course.

**PHIL 4820 Seminar in Philosophy 3 s.h.**

Study in depth of a particular philosopher, topic, or area in philosophy, as determined by the instructor; may be repeated once with different course content.

**Prereq.:** One 3700-level PHIL course.

**PHIL 4859 Capstone Cooperative Seminar 1 s.h.**

The course aids capstone students in developing and following a schedule for timely completion of a major research project, provides general direction on effective methods for working on such a project, and encourages and facilitates cooperative work among advanced students by providing peers with whom to discuss their ideas, exchange drafts, and provide constructive comments on ongoing written work. Must be taken concurrently with PHIL 4861.

**PHIL 4861 Senior Capstone Project 3 s.h.**

Research and writing of a paper, or other committee approved project, on a philosophical topic, under the supervision of a full-time faculty member and in consultation with a committee of at least two other members of the department.

**Prereq.:** Philosophy major with senior standing and completion of at least 21 s.h. of PHIL courses.

**PHIL 4870 Internship in Ethical Practice 1-3 s.h.**

Students work with professionals in a local organization, thereby gaining direct access to the ethical issues involved in such an environment. Students will be supervised by an appropriate working professional and either a faculty member of the Dr. James Dale Ethics Center or another faculty member in the department selected for this purpose. The course grade shall be assigned by the YSU supervisor, based on the project journal, an evaluation of the student's on-site work by the participating professional and the YSU supervisor, and a final project paper. Registration by permit only. 1 s.h., repeatable to a total of.

**Prereq.:** One 3700-level PHIL or REL course.

## Religious Studies

**REL 2601 Introduction to World Religions 3 s.h.**

A survey of the major world religions exploring their distinctive features and common threads. A study of their founders, systems of thought, symbols, and sacred literatures.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**REL 2602 Introduction to Religious Studies 3 s.h.**

Examines the religious features of doctrines, myths or practices and surveys various methods by which religion is explored and scrutinized.

**REL 2605 Myth, Symbol, and Ritual 3 s.h.**

An introduction to the nature and function of myth, symbol, and ritual. Myth interpretation, the relationship between societies and their myths, and the cultural use of myths, symbols, and rituals in religious and spiritual contexts.

**Gen Ed:** Arts and Humanities.

**REL 2608 The Examined Life 3 s.h.**

Considers the nature of happiness and well-being, their relation to social institutions, and the roles that civic and personal relations, morality, aesthetics, education, and religion play in providing happiness, purpose, and meaning in one's life. Cross listed as PHIL 2608.

**REL 2610 Global Ethics 3 s.h.**

Examination of morality and justice from a global perspective, including such topics as war, terrorism, and states; poverty and the global economy; religion, gender, and identity; globalization and the environment; and markets and intellectual property. Cross-listed as PHIL 2610.

**Gen Ed:** Arts and Humanities.

**REL 2611 Judaism Christianity and Islam 3 s.h.**

Judaism, Christianity, and Islam. Examines the origins, foundational texts, beliefs and practices, intellectual and spiritual dimensions, and cultural norms and values of each religion, as well as the structures of authority in the community founded by each religion and the factors that have promoted the survival of each.

**REL 2617 Introduction to Asian Religions 3 s.h.**

A survey of the religions of India, China, and Japan, their systems of thought, moral values, and methods of personal transformation.

**Gen Ed:** Arts and Humanities, International Perspectives, Social and Personal Awareness.

**REL 2621 Religion and Moral Issues 3 s.h.**

The relation of specific religious and moral issues to questions of personal conduct and social policy.

**Gen Ed:** Arts and Humanities.

**REL 2621H Honors Religion and Moral Issues 3 s.h.**

The relation of specific religious and moral issues to questions of personal conduct and social policy.

**Gen Ed:** Arts and Humanities.

**REL 2631 Religion and the Earth 3 s.h.**

A cross-cultural survey of the religious beliefs and values that have shaped our thinking about the earth. An exploration of the shifts in religious thought called for by the ecological crisis of sustainability.

**Gen Ed:** Arts and Humanities, Environmental Sustainability, Social and Personal Awareness.

**REL 2632 Jesus and the Gospels 3 s.h.**

The life and teachings of Jesus in their historical context. Examination of the ways in which Jesus is interpreted within the synoptic gospels.

**REL 2699 Introductory Individual Study in Religious Studies 1 s.h.**

Introductory study of a religious studies problem, movement, thinker, or the relationship of religious studies to problems in other disciplines. Intended to be an independent study course with subject matter dependent upon approval of the faculty member and student. May be repeated up to 3 s.h.

**REL 3708 African-American Religion 3 s.h.**

Development of African-American religion and theology from the days of slavery to the present.

**Prereq.:** One 2600-level REL or AFST course.

**REL 3710 African and Neo-African Religion 3 s.h.**

A study of African religious traditions and their pivotal role in the formation of African civilizations and communities in the African diaspora, including their adaptations of Islam and Christianity.

**Prereq.:** REL 2601 or PHIL 1560 or AFST 2600.

**REL 3712 Philosophy of Religion 3 s.h.**

The philosophical investigation of religious questions such as existence and nature of the divine, the problem of evil, death and immortality, religion and science, and religious experience.

**Prereq.:** PHIL 1560 or REL 2601.

**Cross listed with** PHIL 3712.

**REL 3720 The World of Islam 3 s.h.**

The study of the origins and development of classical and modern Islam, including the Prophet Muhammad, the Quran, and Muslims in America.

**Prereq.:** REL 2601.

**REL 3722 Popes Saints and Rebels 3 s.h.**

The origin and development of Christianity; examination of the life and teachings of Jesus; Christian theology, liturgy, and symbolism; and divisions of contemporary Christianity.

**Prereq.:** Sophomore standing.

**REL 3726 Buddhist Beliefs Practices and Debate 3 s.h.**

An Introduction to Buddhist traditions, their historical development in countries like India, China, Tibet and Thailand, and Buddhist positions on contemporary issues. Special attention to practices, beliefs, and ethics.

**Prereq.:** REL 2601 or REL 2617.

**REL 3728 Hindu Traditions 3 s.h.**

Examines Yoga, meditation, karma, reincarnation, and major devotional and ceremonial traditions that have developed around Shiva, Vishnu, and the Goddess. A central part of the course is the study of the dynamics between popular worship and the contemplative traditions of Hindu culture.

**Prereq.:** REL 2601, REL 2617 recommended.

**REL 3731 Hebrew Scriptures 3 s.h.**

A critical analysis of the Hebrew scriptures in terms of historical background, textual development, and religious and ethical themes.

**Prereq.:** One 2600-level REL course or JUDC 1500.

**REL 3732 Jesus and the Gospels 3 s.h.**

The life and teachings of Jesus in their historical context. Examination of the ways in which Jesus is interpreted within the synoptic gospels. Prereq.: One 2600-level REL or PHIL course 3740. Muslim Thinkers. Examination of the theological, philosophical, legal, and political writings and ideas of major Muslim thinkers from the classical through the modern period, covering the continuities and differences.

**Prereq.:** any 2600-level REL course or PHIL 1560.

**Cross listed with** REL 3740.

**REL 3733 Women And the Bible 3 s.h.**

A study of Biblical interpretation utilizing narratives that portray women in Hebrew and Christian Scriptures. Students will learn analytical skills required for narrative interpretation and exegetical analysis.

**Prereq.:** One 2600-level REL course.

**REL 3740 Muslim Thinkers and Mystics 3 s.h.**

Examination of the theological, philosophical, legal, and political writings and ideas of major Muslim thinkers and mystics from the classical through the modern period, covering the continuities and differences.

**Prereq.:** any 2600-level REL course or PHIL 1560.

**Cross listed with** PHIL 3740.

**REL 3743 Reform, Revolt, or Revolution in Islam 3 s.h.**

Critical examination of the movements of change in Islam intended to (1) reassert the primacy of Islamic religious norms in society (reform); (2) challenge the dominant political structures (revolt); or (3) bring about a radical societal change (revolution). The course examines in depth the use of Islamic motifs and symbols in all these movements.

**Prereq.:** REL 2601 or POL 1550 or permission of instructor.

**REL 3744 Islamic Culture and Literature 3 s.h.**

Introduction to the diversity of Muslim culture and literature across the world. Emphasis on classical and premodern literature, art and architecture.

**Prereq.:** any 2600-level REL course.

**REL 3748 Islam and the West 3 s.h.**

Examination of the historical relationship between the and Islamic and Western worlds, as well as their interaction in modern contexts.

**Prereq.:** any 2600-level REL course.

**REL 3750 Religion and Race 3 s.h.**

Examines race theory and its relation to religious studies through consideration of immigration patterns and the ways in which religion has been affixed to markers of identity over the last two hundred years.

**Prereq.:** REL 2601 or SOC 1500 or ANTH 1500.

**Cross-listed:** SOC 3750 and ANTH 3750.

**REL 3751 Liberation Theologies and Revolutionary Change 3 s.h.**

Study of liberation theologies in the Third World and in minority communities in the West, in relation to questions of underdevelopment, poverty, and oppression.

**Prereq.:** REL 2601.

**REL 3753 Religion and Violence 3 s.h.**

Examines the various approaches to explaining religiously justified violence, focusing on examples from the Middle East, South Asia, Southeast Asia, and East Asia. A central element of the course explores the gap between religious ideals and practices and the importance of recognizing that distinction.

**Prereq.:** REL 2601 or POL 1550.

**REL 3754 Feminism, Ecology and Religion 3 s.h.**

Investigation of religious perspectives related to women and nature, the relationship of the sacred to the natural world, scriptural and theological influences, and deep ecology and other environmental movements from a feminist perspective.

**Prereq.:** REL 2601 or REL 2631 or WMST 2601.

**REL 3756 Psychology of Religion 3 s.h.**

Survey of developments in depth psychology that have shaped our understanding of religious experience and spirituality.

**Prereq.:** PSYC 1560 or one 2600-level REL course.

**REL 3799 Intensive Individual Study in Religious Studies 1 s.h.**

Intensive study of a religious studies problem, movement, thinker, or the relationship of religious studies to problems in other disciplines. Intended to be an independent study course with subject matter dependent upon approval of the faculty member and student. May be repeated up to 3 s.h.

**Prereq.:** One 3700 level REL course.

**REL 4810 Directed Readings in Religious Studies 3 s.h.**

Independent study course with subject matter dependent upon approval of the faculty member in consultation with student.

**Prereq.:** Any 3700 level REL course.

**REL 4825 Methods and Study of Religion 3 s.h.**

This course explores the principal methodological issues in the scholarly study of religion and enables students to expand and synthesize disciplinary knowledge.

**Prereq.:** REL 2601.

**REL 4850 Seminar in Religious Studies 3 s.h.**

Study in depth of a particular figure, topic or area in religious studies, as determined by the instructor; may be repeated once with different course content.

**Prereq.:** One 3700-level REL course.

**REL 4860 On-Site Studies in Religion 3-9 s.h.**

An on-site investigation of the beliefs and practices of a particular religion or sect through readings, lectures, interviews, and travel to locations vital to its origin or development.

**Prereq.:** Two 3700-level REL courses.

**REL 4869 Capstone Cooperative Seminar 1 s.h.**

The course aids capstone students in developing and following a schedule for timely completion of a major research project, provides general direction on effective methods for working on such a project, and encourages and facilitates cooperative work among advanced students by providing peers with whom to discuss their ideas, exchange drafts, and provide constructive comments on ongoing written work. Must be taken concurrently with REL 4871.

**REL 4871 Senior Capstone Project 3 s.h.**

Research and writing of a paper, or other committee approved project, on a topic in religious studies, under the supervision of a full-time faculty member and in consultation with a committee of at least two other members of the department.

**Prereq.:** Religious Studies major with senior standing and completion of at least 21 s.h. of REL courses.

## Bachelor of Arts in Philosophy

The mission of the philosophy program is to foster greater understanding and appreciation of the value of philosophical inquiry and the examination of perennial questions about the nature of human experience, the purpose of human endeavors individually and communally, and the value of knowledge. We create diverse educational experiences that develop ethical, intellectually curious students who are invested in their communities. By developing critical, logical, and creative thinking, sound judgment, and effective civil communication, we produce students who can engage their philosophical reasoning in the service of solving real-world problems, attending to the ethical issues and theoretical complexities of purpose, policy, and implementation.

A major in philosophy is ideal for students who plan to enter the field of philosophy, law, professional or medical ethics, the ministry, or other fields requiring a liberal arts background.

The major consists of 31 semester hours, including:

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	

CMST 1545	Communication Foundations	
<b>Mathematics Requirement</b>		
Arts and Humanities		6
Natural Sciences (one course must include a lab)		7
Social Science		6
Social and Personal Awareness		6
General Education Elective / First-Year Experience		3
<b>Foreign Language Requirement</b>		
<b>Major Requirements</b>		
PHIL 1560	Introduction to Philosophy	3
PHIL 2619	Introduction to Logic	3
PHIL 2612	Ancient & Medieval Philosophy	3
PHIL 3702	History of Modern Philosophy	3
PHIL 3711	General Ethics	3
PHIL 4820	Seminar in Philosophy	3
Philosophy Electives (Three additional courses in Philosophy, 2 of which must be at the 3700-level or 4800-level.)		9
PHIL 4859	Capstone Cooperative Seminar	1
PHIL 4861	Senior Capstone Project	3
<b>Minor</b>		
18		
<b>Electives</b> Must complete a minimum number of electives to meet the 120sh total graduation requirement		
23		
<b>Total Semester Hours</b>		<b>120</b>

This program can be completed in eight semesters if students enroll in 16 hours per semester and enroll in a combination of day and evening classes. The hours for the degree could increase depending upon the student's foreign language placement upon entering YSU.

Course	Title	S.H.
<b>Year 1</b>

PHIL 4859	Capstone Cooperative Seminar	1
Minor 37XX course		3
Elective 37XX		3
Elective 37XX		3
<b>Semester Hours</b>		<b>13</b>
<b>Total Semester Hours</b>		<b>121</b>

## Learning Objectives

- Demonstrated reasoning ability (competently utilize principles of critical thinking, including assessment of definitions, recognition of fallacies, and application of the principles of good inductive and deductive reasoning).
- Demonstrated ability to articulate philosophical ideas and arguments (clarity, nuance, and sophistication of content) and knowledge of seminal figures in history who espouse them.
- Demonstrated ability to engage in charitable reading (willingness to consider alternative and plausible interpretations of an author's work) and to consider arguments from the standpoint and experience of others (suspend one's personal views).
- Master the basics of theoretical writing, including the development of precise definitions, effective analysis of texts, traditions, and theoretical positions, and effective development, defense, and critique of arguments.
- Demonstrated ability to revise beliefs, ideas, and arguments when presented with new sources, criticism, and evidence or to withhold judgment in the absence of reasons (reasonable disagreement and intellectual humility).

# Bachelor of Arts in Philosophy, Pre-Counseling Tracks

## Pre-Counseling Tracks

The pre-counseling tracks in philosophy and in religious studies are designed to provide core knowledge and basic skills to philosophy and religious studies majors who are considering graduate work in counseling, mental health and other service-based professions. Courses are designed to promote:

- self-awareness
- effective decision-making skills
- development of positive character traits
- core knowledge of historical philosophical ideas and religious and cultural practices
- a deep understanding of rights and responsibilities in relationships across a wide range of contexts and settings

The major consists of 31 semester hours, including:

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Arts and Humanities		6
Natural Sciences (one course must include a lab)		7

## Learning Objectives

### PRE-COUNSELING OBJECTIVES

- The student will competently analyze and critically evaluate his/her own beliefs and the beliefs and traditions of others.
- The student will master the basics of theoretical writing, including the development of precise definitions, effective analysis of texts, traditions, and theoretical positions, and effective development, defense, and critique of arguments.
- The student will exhibit knowledge of religious traditions and rituals, as well as cultural practices, beliefs, and values that guide behavior, decision-making, and social policy, and will demonstrate understanding of this diversity and skill in using this knowledge as a reference for understanding others.
- The student will exhibit a detailed understanding of personal yet timeless questions about spirituality, life after death, ethics, personal relationships, and well-being, and will competently use this knowledge to help others address similar questions and concerns.

## Bachelor of Arts in Religious Studies

**Religious Studies**, also known as Comparative Religion, the Science of Religion, or the academic study of religion, is a part of the human sciences, and it engages in the analysis of cross-cultural religious phenomena. As such, the mission of Religious Studies is to foster critical awareness of the role religion in society, the ways in which people's values and worldviews shape their involvement in the world, such as business, law, and government, and to provide tools for students to track and measure these developments socially and reflectively in themselves.

## Learning Objectives

- Students will understand the various approaches to the study of religion under the field that is called Religious Studies. This is accomplished through enrollment in the two core course, "Introduction to Religious Studies," and "Methods and the Study of Religion."
- Students will develop an appreciation of two discrete religious systems to allow for healthy comparisons. This is accomplished by fulfilling the requirement of taking one course from "Class A," which addresses Christian and Jewish traditions, and "Class B," which covers Islamic, Hindu, Buddhist, and African-American traditions.
- Students will accumulate two different methods to study religion. This is accomplished through the enrolment of one course from at least two different analytic groups: anthropology, philosophy, political science, psychology, and sociology.

## Bachelor of Arts in Religious Studies, Pre-Counseling Tracks

### Pre-Counseling Tracks

The pre-counseling tracks in philosophy and in religious studies are designed to provide core knowledge and basic skills to philosophy and religious studies majors who are considering graduate work in counseling, mental health and other service-based professions. Courses are designed to promote:

- self-awareness
- effective decision-making skills
- development of positive character traits
- core knowledge of historical philosophical ideas and religious and cultural practices
- a deep understanding of rights and responsibilities in relationships across a wide range of contexts and settings

## Learning Objectives

### PRE-COUNSELING OBJECTIVES

- The student will competently analyze and critically evaluate his/her own beliefs and the beliefs and traditions of others.
- The student will master the basics of theoretical writing, including the development of precise definitions, effective analysis of texts, traditions, and theoretical positions, and effective development, defense, and critique of arguments.
- The student will exhibit knowledge of religious traditions and rituals, as well as cultural practices, beliefs, and values that guide behavior, decision-making, and social policy, and will demonstrate understanding of this diversity and skill in using this knowledge as a reference for understanding others.
- The student will exhibit a detailed understanding of personal yet timeless questions about spirituality, life after death, ethics, personal relationships, and well-being, and will competently use this knowledge to help others address similar questions and concerns.

## Minor in Islamic Studies

COURSE	TITLE	S.H.
REL 2601	Introduction to World Religions	3
REL 3720	The World of Islam	3
REL 3740	Muslim Thinkers and Mystics	3
Select 9 s.h. of the following:		9
REL 3743	Reform, Revolt, or Revolution in Islam	
REL 3744	Islamic Culture and Literature	
REL 3748	Islam and the West	
REL 4850	Seminar in Religious Studies (on appropriate topic, requiring approval by the Director of the Center for Islamic Studies)	
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Philosophy

COURSE	TITLE	S.H.
PHIL 1560	Introduction to Philosophy	3
Select at least 6 s.h. from the following:		6
PHIL 1561	Technology and Human Values	

PHIL 1565	Critical Thinking	
PHIL 2619	Introduction to Logic	
PHIL 2625	Introduction to Professional Ethics	
Select at least 3 s.h. from the following:		3
PHIL 2612	Ancient & Medieval Philosophy	
PHIL 3702	History of Modern Philosophy	
Select at least 3 s.h. from the following:		3
PHIL 3711	General Ethics	
PHIL 3719	Symbolic Logic	
Any 3700- or 4800-level course in philosophy		3
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Professional Ethics

COURSE	TITLE	S.H.
PHIL 1560	Introduction to Philosophy	3
PHIL 2625	Introduction to Professional Ethics	3
PHIL 3711	General Ethics	3
Select at least nine s.h. from the following, of which one must be upper level:		9
PHIL 1561	Technology and Human Values	
PHIL 2610	Global Ethics	
PHIL 2626	Engineering Ethics	
PHIL 2627	Law and Criminal Justice Ethics	
PHIL 2628	Business Ethics	
PHIL 2631	Environmental Ethics	
PHIL 2635	Ethics of War and Peace	
PHIL 3725	Biomedical Ethics	
PHIL 3735	Ethics and Scientific Research	
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Religious Studies

COURSE	TITLE	S.H.
REL 2601	Introduction to World Religions	3
REL 4825	Methods and Study of Religion	3
Select four additional Religious Studies courses (12 s.h.), at least one of which (3 s.h.) must be at the 3700-level or 4800-level.		12
<b>Total Semester Hours</b>		<b>18</b>

## Department of Politics and International Relations and Rigelhaupt Pre-Law Center

The Department of Politics and International Relations is housed on the fourth floor of DeBartolo Hall. The professors who make up the department are considered experts in their fields and are often quoted in regional, national, and international publications.

In addition to the Political Science major, students can choose to focus on two additional areas: Public Management or Foreign Affairs. When receiving their degree, students will be given a certificate by the department certifying that they have completed either the Foreign Affairs or the Public Management track described in this Undergraduate Catalog. Four areas of study are offered as minors.

The department includes many programs and student organizations. The Urban Internship Program, Peace and Conflict Studies, the Global Education Program, and the Columbus Internship Program offered in conjunction with

the State Legislature are just four examples of curricular programs. An annual Law Day is organized by the department, which brings in Law School representatives from throughout the country to YSU to discuss admission criteria and answer questions. The department also prepares a Moot Court team each year, which is nationally rated and competes in regional and national tournaments sponsored by the American Collegiate Moot Court Association.

The department is also home to Alpha Alpha Rho, YSU's local chapter of Pi Sigma Alpha, the National Political Science Honor Society.

For more information, please contact the Department of Politics and International Relations at (330) 941-3436.

## Pre-Law

*Pre-Law Advisor: Dr. Paul Sracic*

Pre-Law advisement is available in the Rigelhaupt Pre-Law Center to acquaint students with the various fields of legal practice, which require specialized undergraduate study, and to help students prepare for the law school entrance examination (LSAT).

Law school admission standards generally require an undergraduate point average of at least 3.00 and placement above the 50th percentile in the Law School Admissions Test, which is designed to measure capacity for analytic thought and for precision in the use of language. Regional and national law schools may have more rigorous requirements. Interested students are advised to visit the Law School Admission Council's (LSAC) website.

## Chair

**Paul A. Sracic**, Ph.D., Professor, Chair

## Professor

**Adam L. Fuller**, Ph.D., Assistant Professor

**Cryshanna A. Jackson Leftwich**, Ph.D., Associate Professor

**Keith J. Lepak**, Ph.D., Associate Professor

## Instructor

**Ronald Slipski**, J.D., Instructor

## Majors

- Political Science Major (p. 342)
- Foreign Affairs Track (p. 343)
- Public Management Program (p. 345)

## Minors

- Peace and Conflict Studies Minor (p. 344)
- Political Science Minor (p. 345)
- American Politics Minor (p. 344)
- Foreign Affairs Minor (p. 344)

### POL 1550 Introduction to Political Science 3 s.h.

Study of politics, government, and societal institutions at both national and international levels.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### POL 1550H Honors Introduction to Political Science 3 s.h.

Study of politics, government, and societal institutions at both national and international levels.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### POL 1560 American Government 3 s.h.

The foundations of American democratic government with an emphasis on the responsibilities of citizenship, civil rights, and civil liberties, parties and elections, and American political institutions. Students are encouraged to understand and discuss issues of social justice, equality and freedom, and majoritarianism. Topics include the civil rights movement, campaign finance reform, federalism, and affirmative action.

**Gen Ed:** Social Science.

### POL 2640 Contemporary World Governments 3 s.h.

A comparative analysis of the development of institutions, attitudes, public policy, economic, and social systems of a number of foreign political systems.

**Prereq.:** POL 1550 or POL 1560.

**Gen Ed:** International Perspectives, Social Science, Social and Personal Awareness.

### POL 2660 International Relations 3 s.h.

An examination of theoretical and practical issues in the development of modern international politics, law and organization and political economy, with special attention to contemporary global and regional issues.

**Gen Ed:** International Perspectives, Science Substitute, Social and Personal Awareness.

### POL 2695 Model United Nations 1 s.h.

A comparative study of foreign policy, contemporary global issues, international law, and international governmental organizations. Stresses interactive and role playing educational methodologies. Students are required to participate in one or more approved conference or field trips. May be repeated to a maximum of 3 s.h.

**Prereq.:** Consent of instructor.

### POL 3700 American Presidency 3 s.h.

An examination of the role of the chief executive officer within the governmental framework. The offices of mayor and governor are treated, but the primary emphasis is on critical evaluation of the American presidency.

**Prereq.:** POL 1560.

### POL 3701 American Legislative Process 3 s.h.

An examination of the lawmaking function. Emphasis on the United States Congress, with limited consideration of state and local government legislative practices.

**Prereq.:** POL 1560.

### POL 3702 Law and Society 3 s.h.

The American judicial system, its institutional development and its role in policy determination, as evidenced in leading Supreme Court decisions. Limited coverage of state judicial systems.

**Prereq.:** POL 1560.

### POL 3703 American Constitutional Law 3 s.h.

An inquiry into constitutional interpretation by the Supreme Court based on examination of leading cases, with particular emphasis on questions of federalism, executive power, civil liberties, and economic regulation.

**Prereq.:** POL 3702.

### POL 3704 American Political Parties and Elections 3 s.h.

A descriptive analysis of the role of political parties in a democratic society, with emphasis on development of a theory of party, an examination of the history and characteristics of the American party system, and a quantitatively structured description of the national electorate.

**Prereq.:** POL 1560.

### POL 3706 African-American Politics 3 s.h.

The politics of African Americans within American society in terms of organization, behavior, objectives, relative influence and power.

**Prereq.:** POL 1560 or AFST 2600.

**POL 3707 Moot Court 1 3 s.h.**

An introduction to appellate advocacy through the practical application of legal analysis and synthesis. This course analyzes one or two specific constitutional issues based on pre-determined U.S. Supreme Court cases. Students will analyze and synthesize Supreme Court decisions and present simulated oral argument as if before the U.S. Supreme Court based on those decisions. May be repeated for a maximum of 6 s.h.

**Prereq.:** POL 3702 and consent of chairperson.

**POL 3712 Political Behavior 3 s.h.**

An introduction to the primary research theories, perspectives and methodologies common to the study of government and global affairs, including computerized quantitative analysis.

**Prereq.:** POL 1550 or POL 1560.

**POL 3714 American Public Opinion 3 s.h.**

An introduction to the origins, uses, effects, and analysis of public opinion, including a practicum in opinion polling requiring field work and computerized quantitative analysis.

**Prereq.:** POL 1550 or POL 1560.

**POL 3717 Health Care Policy 3 s.h.**

A comprehensive overview of the American healthcare system. Particular attention given to the design and implementation of the Affordable Care Act.

**Prereq.:** BIO 1545 or EMS 1501 or MATC 2600 or MLT 1501 or AHLT major or POL 1560 or permission of instructor 3 s.

**POL 3718 American Public Policy and Policy Analysis 3 s.h.**

The formation, implementation, and evaluation of contemporary American public policy.

**Prereq.:** POL 1560.

**POL 3720 Public Management 3 s.h.**

A study of administrative organizations in American federal and state governments, with special attention to their role in the formulation and implementation of public policy as demonstrated in case studies.

**Prereq.:** POL 1560.

**POL 3721 Urban Government 3 s.h.**

The structure and politics of urban government, with special attention to intergovernmental relationships.

**Prereq.:** POL 1560.

**POL 3722 State and Local Government 3 s.h.**

The political processes and institutions of state and local governments, with special attention to Ohio government.

**Prereq.:** POL 1560.

**POL 3724 Public Budgeting 3 s.h.**

Study of the politics, theories, and techniques of public budgeting. Includes the process of budget preparation, adoption and execution. Topics include debt management and capital budgets. This course is cross-listed with ECON 3724.

**Prereq.:** POL 3720.

**POL 3725 Individualized Study 1-3 s.h.**

A supervised individual study of a special topic or issue in any area of contemporary politics and political science. An academic plan of study including a syllabus is required and will be placed in the student's file. May be repeated for up to 6 s.h.

**Prereq.:** POL 1560 or POL 2640 or POL 2660, and permission of the chairperson.

**POL 3741 Russia and China: From Revolution to Reform 3 s.h.**

A comparative analysis of politics in the Russian Federal Republic and the People's Republic of China, emphasizing contemporary issues of domestic governance and regional international relations as seen in the context of revolutionary Communism and the appearance of post-Communist reform politics.

**Prereq.:** POL 2640 or POL 2660.

**POL 3742 Political Development and Political Regimes 3 s.h.**

A comparative analysis of political development of selected states, with a focus on the social and political forces that lead to the formation of democracies and dictatorships.

**Prereq.:** POL 2640 or POL 2660.

**POL 3744 European Politics 3 s.h.**

Comparative analysis of the political development, governing systems, political behavior, public policy, and interrelations of selected European states, emphasizing the role of the European Union and the formation of new democracies in Eastern Europe.

**Prereq.:** POL 2640 or POL 2660.

**POL 3751 Latin American Politics 3 s.h.**

A comparative analysis of the political development, governing systems, political behavior, public policy, and international relations of selected Latin American states.

**Prereq.:** POL 2640 or POL 2660.

**POL 3757 Aging and Social Policy 3 s.h.**

Critical examination of the social policies and social systems which affect aging and retirement.

**Prereq.:** SOC 1500, GERO 1501, or POL 1560.

**POL 3760 International Political Economy 3 s.h.**

Study of the relationship between global capitalism and the interstate political system, with emphasis on post-Cold War issues and American policy.

**Prereq.:** POL 2660.

**POL 3761 United States Foreign Policy 3 s.h.**

Examination of the domestic political formulation and international execution of U.S. foreign policy, emphasizing regional issues of security and political economy and the changing U.S. role in the post-Cold War world.

**Prereq.:** POL 2640 or POL 2660.

**POL 3763 International Law 3 s.h.**

Analysis of the principles and formation of international law as it has developed through customs and international agreement.

**Prereq.:** POL 2640 or POL 2660.

**POL 3764 International Organizations 3 s.h.**

Analysis of the development, organizational structure, public policy and political behavior of regional and international organizations, with focus on the United Nations.

**Prereq.:** POL 2640 or POL 2660.

**POL 3767 Asian Politics 3 s.h.**

A comparative analysis of the political development, governing systems, political behavior, public policy, and international relations of selected Asian states, with emphasis on their role in the global economy relative to the U.S.

**Prereq.:** POL 2640 or POL 2660.

**POL 3768 International Conflict 3 s.h.**

Examination of the dynamics of international political conflict, with special attention to issues of the use of force, the nature of ethno-political conflict, and the relative effectiveness of various approaches to negotiation, conflict management, and conflict resolution.

**Prereq.:** POL 2660.

**POL 3785 Political Thought 1 3 s.h.**

The development of western political thought from the time of classical Greece through the Medieval period. Among major figures treated: Plato, Aristotle, Cicero, Augustine, Aquinas, and Machiavelli.

**Prereq.:** 9 s.h. of Political Science.

**POL 3786 Political Thought 2 3 s.h.**

The development of western political thought from the Renaissance to the Modern period. Among the major figures treated: Hobbes, Locke, Rousseau, Burke, Smith, Publius, Tocqueville, and Mill.

**Prereq.:** 9 s.h. of Political Science.

**POL 3787 Political Thought 3 3 s.h.**

The development of western political thought of the 19th and 20th centuries. Among the major figures treated: Hegel, Marx, Nietzsche, Arendt, and Rawls.

**Prereq.:** 9 s.h. of Political Science.

**POL 4801 Senior Research Seminar 3 s.h.**

Investigation and presentation of a research project. Students explore a research topic, using appropriate political science methods, and present their results in oral and written form.

**Prereq.:** 24 hours of political science.

**Gen Ed:** Capstone.

**POL 4805 Public Administration and the Political Process 4 s.h.**

Political factors which condition the structure and function of public agencies, including the public interest, agency constituencies, and political influence.

**Prereq.:** YSU/CSU MPA or permission of chair.

**POL 4810 Urban Internship Seminar 2-4 s.h.**

This course is designed to give students firsthand experience working in the field of public management, government, law, and/or urban public service.

Intern appointments are for one semester. The intern is scheduled for fifteen (15) hours a week in the sponsor agency on a calendar confirmed with the agency supervisor. Interns are responsible to agency supervisors for satisfactory performance, as indicated by the supervisor's signature on the weekly Journal Form, and on the end-of-the-term Summary Sheet.

**Prereq.:** Junior or senior standing; POL 1560; and acceptance into the program by the urban internship coordinator prior to registration.

**POL 4850 Sustainability, Climate Change, and Society 3 s.h.**

Explores environmental, economic, and social aspects of sustainable development, with an emphasis on economy and society. Examines the roles of institutions, humans and policies in sustainable development as well as reconfiguring relationships between our institutions and the natural world. Listed also as ENST 5820.

**Prereq.:** Minimum junior standing.

**POL 5800 Select Problems, American Government 2-4 s.h.**

Seminar/capstone course examining topical issues of American Government.

**Prereq.:** 15 s.h. of Political Science and consent of chairperson.

**POL 5830 Public Human Resource Management 4 s.h.**

The issues and public policies that have an impact on the management of human resources in the public sector. Differences between public and private personnel administration; the American civil service system; recruitment, placement, promotion, training, and compensation; performance assessment; rights and duties of public employees.

**Prereq.:** YSU/CSU MPA or permission of the chair.

**POL 5860 Select Problems of Global Affairs 2-4 s.h.**

Seminar/capstone course examining topical issues of contemporary global affairs and international relations. This course may be repeated once.

**Prereq.:** 15 s.h. of Political Science and consent of chairperson.

**POL 5865 Global Environmental Policy and Law 3 s.h.**

An analysis of the development, foundations, and principles of international environmental policy and law; includes consideration of the relationship between domestic and international environmental law, and the role of international organizations in the implementation of international environmental policy and law.

**Prereq.:** POL 3760, or POL 3742, or ENST 3760.

**POL 5880 Select Problems, Political Thought 2-4 s.h.**

Seminar/capstone course examining selected political issues and ideologies within the context of the broader traditions of political thought.

**Prereq.:** 15 s.h. of Political Science and consent of chairperson.

## Bachelor of Arts in Political Science

### Overview

A major in political science comprises 33 political science semester hours with the requirement that the student complete:

- a minimum of two courses in American Government
- a minimum of two courses from Comparative Government and International Relations
- one Political Thought course

- a capstone course

This degree may be earned in eight semesters if students enroll in 16 hours per semester.

## Learning Outcomes

The department's learning outcomes for political science majors are as follows:

- Students will be able to summarize fundamental components of knowledge that have developed in relation to areas of political theory, American government, comparative politics, and international relations.
- Students will recognize and explain the fundamental ideas and constitutional principles that have shaped the American Republic, as well as the institutions and behaviors that provide the setting and substance of American politics.
- Students will recognize and explain the basic ideas, problems and processes of comparative politics and international relations relative to issues of Western and non-Western political development, different forms of national government, and foreign policy behaviors relative to a global economy.
- Students will use and apply the Style Manual of the American Political Science Association (APSA) in conjunction with their research and writing skills associated with the creation of credible political science projects.

## Foreign Affairs

The Foreign Affairs Track provides students with a broad background and understanding of international relations and comparative politics. Students study patterns of conflict and cooperation among nations, international organizations, and other international actors while developing a broader

understanding of the problems of governance, justice, economic development, and political stability.

The program is designed to accommodate students seeking careers in such fields as diplomacy, international security, humanitarian and technical assistance, international education, international trade, and public affairs.

POL 3760	International Political Economy	
POL 3761	United States Foreign Policy	
POL 3764	International Organizations	
POL 3763	International Law	
POL 3768	International Conflict	
<b>Comparative Politics</b>		
Select one to three courses from the following:		3-9
POL 3741	Russia and China: From Revolution to Reform	
POL 3742	Political Development and Political Regimes	
POL 3744	European Politics	
POL 3751	Latin American Politics	
<b>Total Semester Hours</b>		<b>18</b>

## Minor in Peace and Conflict Studies

The university offers a minor in Peace and Conflict Studies with the advice and approval of the chair of the department in which the student is majoring. The multidisciplinary minor focuses on the historical, geographical, political, cultural, psychological, and philosophical dimensions of human conflict and conflict resolution, emphasizing the cross-cultural and global context of

contemporary conflict situations and approaches to conflict management and resolution.

The following is a list of approved recommended courses for the minor; the minor consists of a minimum of 18 semester hours, of which at least nine must be accumulated from approved upper-division courses (number 3700 and above).

COURSE	TITLE	S.H.
Select a minimum of 18 s.h. from the following recommended courses: 18		
HIST 1512	World Civilization from 1500	
HIST 4860	Select Problems in Transnational History	
REL 2601	Introduction to World Religions	
REL 2617	Introduction to Asian Religions	
GEOG 2626	World Geography	
POL 2660	International Relations	
POL 3768	International Conflict	
PHIL 2635	Ethics of War and Peace	
PSYC 3750	Special Topics in Psychology	
SOC 3708	Political Sociology	
<b>Total Semester Hours</b>		<b>18</b>

Students should consult with the program coordinator in determining the particular composition of the minor.

Students interested in further study in the program may design and pursue an Individualized Curriculum Program (ICP) in consultation with program directors. Currently, Peace and Conflict Studies has an approved ICP that allows interested students to pursue coursework in areas of global and regional studies, communications and dispute resolution, and peace strategies.

The ICP offers the possibility of a comprehensive and focused major and is especially useful to students considering graduate studies or employment with non-profit organizations that need individuals with appropriate backgrounds in conflict resolution and cross-cultural knowledge and skills.

For more information about this minor, contact (330) 941-3437.

## Minor in Political Science

A political science minor will provide the student with a basic understanding of government and social institutions at the national and international level. A minor in Political Science consists of 18 semester hours:

COURSE	TITLE	S.H.
POL 1560	American Government	3
POL 2640 or POL 2660	Contemporary World Governments International Relations	3
Select four upper-division political science courses.		12
<b>Total Semester Hours</b>		<b>18</b>

## Public Management Program

The public management track is designed to provide a broad background in government and economics for students who plan a career in national, state, or local government. The program also gives students exposure to specific skills.

This major is designed to prepare students to directly enter the workforce in the public sector, pursue a master of public administration, and pursue careers in the non-profit sector.

Professional training of public servants contributes to the fulfillment of the Mission of Youngstown State University, which states that the "University and

public service are seen, not only as interrelated, but also as fundamental to endeavors both within and outside the University."

Because of the required area specialty, a minor is not required for this track.

## Department of Psychology

Welcome to the Psychology Department

Psychology is a great major! The Bachelor of Arts Program in Psychology is the largest major in the College of Liberal Arts and Social Sciences, and one of the most popular at YSU because an understanding of human behavior is essential for most professions and careers.

The Bachelor of Arts degree may be appropriate for students seeking:

- a general liberal arts degree
- paraprofessional employment
- preparation for graduate study in psychology

We have faculty who teach all major specialties of the field including clinical, personality, learning, cognitive, developmental, physiological, health, and social psychology.

As the theme of the Psychology Department is *Student and Community Success*, faculty members conduct research into topics such as resilience and protective factors; mental and physical health, wellness, and fitness; learning persistence; motivation; personal beliefs; and developing critical thinking.

We are unique because we

- are focused upon student success,
- have small classes that are mostly taught by full-time faculty members,
- conduct personal advising,
- inspire students to participate in research opportunities with faculty,
- encourage student engagement through study-abroad experiences, traveling to conferences, joining Psi Chi, and doing fieldwork / internship placements.

For more information, visit the Department of Psychology (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences/psychology-major>) or call (330) 941-3401

*The Bachelor of Arts in psychology can be earned in eight semesters if students average 15-16 hours per semester. Psychology majors must select an official minor as listed in the Undergraduate Catalog.*

**Jaelyn Farris**, Ph.D., Assistant Professor

**Stephen R. Flora**, Ph.D., Professor

**Karen Giorgetti**, Ph.D., Associate Professor

**James Juergensen**, Ph.D., Assistant Professor

**Matthew Lindberg**, Ph.D., Assistant Professor

**Michael Raulin**, Ph.D., Assistant Professor

**Sharon A. Stringer**, Ph.D., Professor

**Ying Joy Tang**, Ph.D., Assistant Professor

### Instructor

**Swati Sethi**, M.A., Instructor

## Majors

- BA in Psychology (p. 349)
- BA in Psychology - Pre-Physical Therapy (p. 350)

## Minors

- General Psychology Minor (p. 351)
- Developmental Psychology Minor (p. 351)
- Psychology of Mental Health Minor (p. 351)

**PSYC 1560 General Psychology 3 s.h.**

An examination of scientific and clinical approaches to understanding the relationships between one's physical, mental, and emotional well-being, and quality of life, including the basic principles governing the growth and maintenance of behavior, emotion, and cognition.

**Gen Ed:** Social Science.

**PSYC 1560H Honors General Psychology 3 s.h.**

An examination of scientific and clinical approaches to understanding the relationships between one's physical, mental, and emotional well-being, and quality of life, including the basic principles governing the growth and maintenance of behavior, emotion, and cognition.

**Gen Ed:** Social Science.

**PSYC 2617 Research Methods for Psychology 3 s.h.**

An introduction to psychological research methods. Students learn how to conduct ethical research and report their findings as well as to critically evaluate the research of others.

**Prereq.:** "C" or better in PSYC 1560, psychology major or minor, or consent of instructor.

**PSYC 2618 Statistics for Psychology 4 s.h.**

Further exploration of psychological research methods and statistical analysis, with emphasis on descriptive and inferential techniques. Three hours of lecture, two hours of lab per week.

**Prereq.:** "C" or better in PSYC 2617 and psychology major, or consent of instructor.

**PSYC 2692 Human Sexuality 3 s.h.**

An interdisciplinary approach to the study of human sexuality. Listed also as PHLT 2692.

**Gen Ed:** Well Being, Social and Personal Awareness.

**PSYC 3700 Social Psychology 3 s.h.**

Examination of the influence of social interactions on the thoughts, feelings, and behaviors of the individual and the group.

**Prereq.:** PSYC 1560.

**Gen Ed:** Social Science.

**PSYC 3700H Honors Social Psychology 3 s.h.**

Examination of the influence of social interactions on the thoughts, feelings, and behaviors of the individual and the group.

**Prereq.:** PSYC 1560.

**Gen Ed:** Social Science.

**PSYC 3700L Social Psychology Laboratory 1 s.h.**

An introduction to planning and conducting social psychological research. Topics include creating participant impact while minimizing loss of control, reducing demand characteristics and experimenter bias, and enhancing mundane and experimental realism. Two hours per week.

**Prereq.:** PSYC 2617 with grade of "C" or better and PSYC 3700 or PSYC 3700H (may be taken concurrently).

**PSYC 3702 Abnormal Psychology 3 s.h.**

Patterns of deviant behavior, including current systems of classification; classic syndromes; the nature and trend of major maladjustments; possible causative factors; and methods of prevention and treatment.

**Prereq.:** PSYC 1560.

**PSYC 3702H Honors Abnormal Psychology 3 s.h.**

Patterns of deviant behavior, including current systems of classification; classic syndromes; the nature and trend of major maladjustments; possible causative factors; and methods of prevention and treatment.

**Prereq.:** PSYC 1560.

**PSYC 3702L Abnormal Psychology Laboratory 1 s.h.**

An introduction to conducting research on psychological disorders, to include a critical review of research literature, examination of case studies, and gathering field-based data. Two hours per week.

**Prereq.:** PSYC 2617 with grade of "C" or better and 3702 or PSYC 3702H (may be taken concurrently).

**PSYC 3705 Psychology of Learning 3 s.h.**

A study of the learning process with emphasis on factors such as reinforcement, respondent conditioning, discrimination, generalization, transfer, etc.; an introduction to modern learning theory.

**Prereq.:** PSYC 2617; Must be taken concurrent with PSYC 3705L.

**PSYC 3705L Psychology of Learning Laboratory 1 s.h.**

Laboratory studies of learning processes. Students use observational and data-recording techniques relevant to investigations of learning processes. Laboratory activities include investigations of classical conditioning, reinforcement, shaping, extinction, practice effects or other phenomena. Two hours per week.

**Prereq.:** Must be taken concurrently with PSYC 3705.

**PSYC 3707 Psychology of Intimate Relationships 3 s.h.**

Psychological principles pertaining to intimate relationships, both marital and non-marital, and family dynamics. Includes topics such as communication, problem solving, domestic violence, and sexuality.

**Prereq.:** PSYC 1560.

**Gen Ed:** Well Being, Social and Personal Awareness.

**PSYC 3709 Psychology of Education 3 s.h.**

Principles of psychology as applied to the educational process, including characteristics of the individual learner, the classroom, the instructor, methods and techniques, and other factors in the learning process.

**Prereq.:** PSYC 1560.

**PSYC 3709L Psychology of Education Lab 2 s.h.**

Application of principles of psychology in a K-12 educational setting. Evaluation and synthesis of psychological principles, theories, and research. Three hours per week, one hour to be arranged.

**Prereq.:** PSYC 1560.

**Concurrent:** PSYC 3709 or consent of instructor.

**PSYC 3710 Psychophysiology 3 s.h.**

An introduction to the relationship between the psychological and physiological basis of behavior. Response systems, such as cardiovascular, respiratory, and gastrointestinal, as well as applications of principles and theories.

**Prereq.:** PSYC 2617, concurrent with PSYC 3710L.

**PSYC 3710L Psychophysiology Laboratory 1 s.h.**

Measurement and research techniques in basic and applied psychophysiology. Two hours laboratory-discussion.

**Prereq.:** Must be taken concurrently with PSYC 3710.

**PSYC 3712 Industrial/Organizational Psychology 3 s.h.**

Principles of psychology applied to business and industry with emphasis upon both personnel and organizational behavior. Topics include job analysis, selection, performance appraisal, organizational development, job satisfaction, motivation, and leadership.

**Prereq.:** PSYC 2617 or equivalent.

**PSYC 3724 Advanced Statistical Methods in Psychology 3 s.h.**

A continuation of inferential statistics: complex analysis of variance and nonparametric statistics; additional study of special correlational techniques and concepts of regression and prediction, Recommended for the student preparing to seek an advanced degree.

**Prereq.:** "C" or better in PSYC 2618.

**PSYC 3728 Physiological Psychology 3 s.h.**

The structural-functional relationships of the various divisions of the neural system, their relationship to the organism as a whole, and their contributions to human behavior.

**Prereq.:** PSYC 2617.

**PSYC 3728L Physiological Psychology Laboratory 1 s.h.**

An introduction to experimental methods for studying effects of environmental stimuli on brain function and behavior in animals. Two hours per week. Permit required.

**Prereq.:** PSYC 2617 with grade of "C" or better and PSYC 3728 (may be taken concurrently).

**PSYC 3730 Psychology of Women 3 s.h.**

An exploration of psychological research and theories as they apply to girls and women. A critical examination of gender similarities and differences.

**Prereq.:** PSYC 1560.

**PSYC 3730L Psychology of Women Laboratory 1 s.h.**

Laboratory and field-based research techniques relating to the study of women and to gender similarities and differences. Two hours per week.

**Prereq.:** PSYC 2617 with grade of "C" or better and PSYC 3730 (may be taken concurrently).

**PSYC 3734 ABA Principles 1: Applied Behavior Analysis 3 s.h.**

Scientific and conceptual foundations of applied behavior analysis. Basic principles of behavior analysis and application in applied settings are emphasized. The behavioral approach is contrasted with other approaches to the understanding and treatment of behavior, with a focus on scientific criteria and methodological differences. Ethical standards are covered.

**Prereq.:** PSYC 1560.

**PSYC 3740 Psychological Measurement 3 s.h.**

Theories and principles of test construction, and an overview of psychological tests and questionnaires use in mental health, educational, and vocational settings.

**Prereq.:** PSYC 2618.

**PSYC 3740L Psychological Measurement Laboratory 1 s.h.**

Application of psychological measurement techniques, test construction, and psychometric analyses. Optional lab, but must be taken concurrently with PSYC 3740.

**Prereq.:** PSYC 2618.

**PSYC 3750 Special Topics in Psychology 3 s.h.**

Selected areas of study not covered in the mainstream curriculum. May be repeated with different topics to a maximum of 9 s.h. toward the major.

**Prereq.:** PSYC 1560.

**PSYC 3755 Child Development 3 s.h.**

Foundations of human development from conception through approximately the first decade of life. Fundamental issues of developmental processes in biological, cognitive, and social-emotional domains and their broader implications for society and later development of the individual.

**Prereq.:** PSYC 1560.

**Gen Ed:** Social Science.

**PSYC 3755L Child Development Laboratory 1 s.h.**

Experimental and nonexperimental research methods for gathering data on the development of children. Two hours per week. A criminal background check is required to take the course.

**Prereq.:** PSYC 2617 with "C" or better and PSYC 3755 (may be taken concurrently).

**PSYC 3756 Adolescent Development 3 s.h.**

Human development from preteen to young adulthood.

**Prereq.:** PSYC 1560.

**PSYC 3756H Honors Adolescent Development 3 s.h.**

Human development from preteen to young adulthood.

**Prereq.:** PSYC 1560.

**PSYC 3757 Adult Development 3 s.h.**

Human development from adulthood through old age.

**Prereq.:** PSYC 1560.

**PSYC 3758 Lifespan Development 3 s.h.**

Study of theory and research on development from conception to death. Focus upon psychological, physiological, social and cultural influences. May not be taken for credit if the student has received credit for two or more of PSYC 3755, PSYC 3756, PSYC 3757.

**Prereq.:** PSYC 1560.

**Gen Ed:** Social Science, Well Being, Social and Personal Awareness.

**PSYC 3760 Perception 3 s.h.**

Theories and experimental evidence on how environmental, physiological, and personal factors influence the reception, organization, and interpretation of sensory input.

**Prereq.:** PSYC 2617; Must be taken concurrent with 3760L.

**PSYC 3760L Perception Laboratory 1 s.h.**

Laboratory demonstrations and experiments using research techniques in perception. Two hours per week.

**Concurrent:** PSYC 3760.

**PSYC 3761 Cognition 3 s.h.**

Experimental methods, research findings, and current theories concerned with human cognitive processes. The information-processing approach, focusing on how information is transformed, stored, manipulated, and retrieved.

Topics include attention, pattern recognition and categorization, memory, and language.

**Prereq.:** PSYC 2617; Must be taken concurrent with PSYC 3761L.

**PSYC 3761L Cognition Laboratory 1 s.h.**

Laboratory demonstrations and experiments using research techniques in cognition. Two hours per week.

**Prereq.:** Must be taken concurrently with PSYC 3761.

**PSYC 3763 Comparative Psychology 3 s.h.**

The variety of behaviors within the animal world are compared and contrasted with human behaviors.

**Prereq.:** PSYC 2617.

**PSYC 3770 Individual Study 1-2 s.h.**

Individual study of a special problem, or a review of the literature relating to a specific psychological problem or issue. A written report is required, one copy of which remains on file in the department. May be repeated for a maximum of 4 s.h. with different problems.

**Prereq.:** PSYC 1560 and consent of the chairperson.

**PSYC 3775 Personality 3 s.h.**

A critical overview of the major personality theories and theorists in the field of psychology, their application to the understanding of everyday life and a description of the pertinent research applicable to the evaluation of personality theories.

**Prereq.:** PSYC 1560.

**PSYC 3777 Cross-Cultural Social Psychology 3 s.h.**

A psychological examination of the impact of culture on individual social behavior as applied to topics such as attribution, moral reasoning, gender differences, and group dynamics.

**Prereq.:** PSYC 3700.

**PSYC 3779 Careers in Psychology 3 s.h.**

Overview of professional development, including information on career preparation, job search strategies, and graduate studies.

**Prereq.:** PSYC 1560.

**PSYC 3780 Psychological Aspects of Disease and Death 3 s.h.**

The primary factors affecting an individual's attitude toward illness, bereavement, and mortality. The psychological and physiological aspects of disease processes and death.

**Prereq.:** PSYC 1560.

**PSYC 3785H Honors Seminar in Psychology 1 s.h.**

Study of selected topics within psychology suitable to the honors program.

**Prereq.:** Admission to the Psychology Honors Program, permit required.

**PSYC 3790 Field Work in Psychology 3 s.h.**

Exploration of different types of work and issues encountered in professional positions within the field of psychology. Supervised field work hours (approximately 4 hours per week) will be arranged. Criminal background check required. May be repeated one time.

**Prereq.:** 9 s.h. in Psychology, junior/senior standing, and consent of chair.

**PSYC 4800 Introduction to Psychotherapy 3 s.h.**

A critical overview of major psychotherapeutic approaches to mental health including an evaluation of empirical validity. Students will develop an increased sensitivity to multicultural and ethical issues.

**Prereq.:** PSYC 3702 or PSYC 3775.

**PSYC 4815 Health Psychology 3 s.h.**

Psychosocial factors that affect the promotion and maintenance of health, as well as the prevention and treatment of illness.

**Prereq.:** 6 s.h. of 3700-level PSYC courses.

**PSYC 4835 Special Topics in Developmental Psychology 3 s.h.**

Advanced and specialized topics in developmental psychology. Topics vary over semesters, and may include the study of infancy, the development of exceptional children, cross-cultural developmental psychology, among others. May be repeated with different topics to a maximum of 6 s.h. toward the major.

**Prereq.:** PSYC 3755 or PSYC 3756 or PSYC 3757 or PSYC 3758.

**PSYC 4841 History of Psychology 3 s.h.**

The development of scientific psychology, with major emphasis on trends since the mid-19th century.

**Prereq.:** 9 s.h. of psychology.

**PSYC 4850 Seminar 2 s.h.**

Major topics in psychology not covered in listed courses. Two s.h. may be applied to the psychology major.

**Prereq.:** Senior standing in psychology, or consent of instructor.

**PSYC 4857 Biopsychological Aspects of Health and Aging 3 s.h.**

Broad overview of development and change across the adult lifespan, focusing on an examination and understanding of biological aging and how they affect functioning, adjustment, and wellness. Distinction between primary aging (normal, universal biological changes) and secondary aging (disease, lifestyle-determined changes) will be made.

**Prereq.:** PSYC 3757 or PSYC 3758.

**PSYC 4860 Motivation 3 s.h.**

Classical and contemporary theories of motivation. Overview of research and theory on the interactive role of biological, learned, and cognitive components in motivation of human behavior, including emotion, need for achievement, affiliation, and power.

**Prereq.:** PSYC 2618.

**PSYC 4890 Senior Thesis 1 s.h.**

Data collection and a research paper on a topic approved by the thesis advisor. This project takes two semesters to complete. Must be repeated for a maximum of 2 s.h.

**Prereq.:** Senior status, grade of "C" or better in PSYC 2618, one PSYC lab course, & consent of thesis advisor & chair.

**Gen Ed:** Capstone.

**PSYC 4891H Honors Thesis 1 s.h.**

The student prepares an empirical research paper on a topic approved by an honors thesis advisor and honors thesis committee. May be repeated for a maximum of 4 s.h.

**Prereq.:** Senior status, C or better in PSYC 2618, one PSYC lab course, consent of thesis advisor & chair, and admission into the Honors Program.

**Gen Ed:** Capstone.

**PSYC 4895 Senior Psychology Capstone Experience 2 s.h.**

A capstone experience for the major in psychology.

**Prereq.:** Senior status, grade of "C" or better in PSYC 2618, one PSYC lab course, and consent of thesis advisor and chair.

**Gen Ed:** Capstone.

# Bachelor of Arts in Psychology

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
<b>Core Competencies</b>		
ENGL 1550	Writing 1	12

ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
<b>Mathematics Requirement</b>		
Arts and Humanities		6
Natural Sciences		7
Social Science		6
Social and Personal Awareness		6
General Education Elective / First-Year Experience		3
<b>Foreign Language Requirement</b>		
FNLG 1550	Elementary Foreign Language	4
FNLG 2600	Intermediate Foreign Language	4
<b>Major Requirements</b>		
PSYC 1560	General Psychology	3
PSYC 2617	Research Methods for Psychology	3
PSYC 2618	Statistics for Psychology	4
<b>Clinical</b>		
PSYC 3702	Abnormal Psychology	3
or PSYC 3775	Personality	
<b>Social/Developmental</b>		
Only two development courses may count towards the major.		
Select at least one of the following:		3
PSYC 3700	Social Psychology	
PSYC 3755	Child Development	
PSYC 3756	Adolescent Development	
PSYC 3757	Adult Development	
PSYC 3758	Lifespan Development	
<b>Learning/Perception/Cognition</b>		
Select at least one of the following:		3-4
PSYC 3705	Psychology of Learning	
PSYC 3760 & 3760L	Perception and Perception Laboratory	
PSYC 3761 & 3761L	Cognition and Cognition Laboratory	
<b>Physiological</b>		
Select at least one of the following:		3-4
PSYC 3710 & 3710L	Psychophysiology and Psychophysiology Laboratory	
PSYC 3728	Physiological Psychology	
<b>Capstone Course</b>		
Required - Select one of the following:		2
PSYC 4890	Senior Thesis (repeated for 2 s.h.)	
PSYC 4891H	Honors Thesis (repeated for 2 s.h.)	
PSYC 4895	Senior Psychology Capstone Experience	
<b>Additional Courses</b>		
Select 9 hours in courses applicable to the psychology major, excluding PSYC 3770 or PSYC 3790.		9
Select 3 hours in any course applicable to the major.		3
<b>Minor Requirement</b>		18
<b>Electives</b>		18
<b>Total Semester Hours</b>		<b>120-122</b>

Two laboratories related to any psychology course are required.

Note: Remedial coursework needs to be taken first and will most likely require students to attend summer sessions in order to complete a BA in Psychology within four years.

Course	Title	S.H.
<b>Year 1</b>		
<b>Fall</b>		
PSYC 1560	General Psychology (Social Science)	3
ENGL 1550	Writing 1	3
First-Year Experience / GER Elective		3
MATH 2623	Quantitative Reasoning	3
FNLG 1550	Elementary Foreign Language	4

<b>Spring</b>		
PSYC 4895	Senior Psychology Capstone Experience	2
Minor 37XX/48XX course (if needed, otherwise elective)		3
PSYC 37XX	Elective	3
Elective XXXX		3
Elective XXXX		3
<b>Semester Hours</b>		<b>14</b>
<b>Total Semester Hours</b>		<b>122</b>

## Learning Outcomes

1. Students will discriminate amongst the fundamental psychological concepts.
2. Students will demonstrate the ability to clearly communicate ideas in both oral & written forms using APA style.
3. Students will evaluate research using professionally accepted criteria.
4. Students will devise solutions to real-life problems by applying psychological concepts.
5. Students will interpret topics and discussions related to human diversity.

## Bachelor of Arts in Psychology - Pre-Physical Therapy Track

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2	
CMST 1545	Communication Foundations	
Mathematics Requirement		
Arts and Humanities		6
Natural Sciences		6
Social Science		6
Social and Personal Awareness		6

<b>Major Requirements</b>		
PSYC 1560	General Psychology	3
PSYC 2617	Research Methods for Psychology	3
PSYC 2618	Statistics for Psychology	4
PSYC 3702	Abnormal Psychology	3
<b>Social/Developmental</b>		
Only two developmental courses may count towards the major.		
Select at least one course from the following:		3
PSYC 3700	Social Psychology	
PSYC 3755	Child Development	
PSYC 3756	Adolescent Development	
PSYC 3757	Adult Development	
PSYC 3758	Lifespan Development	
<b>Learning/Perception/Cognition</b>		
Select at least one course from the following:		3
PSYC 3705	Psychology of Learning	
PSYC 3760	Perception	
PSYC 3761	Cognition	
<b>Physiological</b>		

PSYC 3710	Psychophysiology	3
or PSYC 3728	Physiological Psychology	
Select two laboratories attached to any psychology course.		2
<b>Capstone Course</b>		
PSYC 4890	Senior Thesis	2
or PSYC 4895	Senior Psychology Capstone Experience	
<b>Additional Courses</b>		
Select an additional 9 hours in courses applicable to the psychology major, excluding PSYC 3770 or PSYC 3790.		9
Select any course applicable to the major.		3
<b>Biology Minor</b>		
BIOL 2601 & 2601L	General Biology: Molecules and Cells and General Biology: Molecules and Cells Laboratory	4
BIOL 2602 & 2602L	General Biology: Organisms and Ecology and General Biology: Organisms and Ecology Laboratory	4
BIOL 3705 & 3705L	Introduction to Human Gross Anatomy and Introduction to Human Gross Anatomy Laboratory	4
Select one of the following:		3-5
Upper-division Elective		
If admitted to the PT program:		
BIOL 5868 & 5868L	Gross Anatomy 1 and Gross Anatomy 1 Laboratory (if admitted to the PT program)	
BIOL 5869	Gross Anatomy 2	
<b>Support Courses</b> 23		
With admission to the PT program:		
CHEM 1515	General Chemistry 1	
CHEM 1515L	General Chemistry 1 Laboratory	
CHEM 1515R	Recitation for General Chemistry 1	
CHEM 1516	General Chemistry 2	
CHEM 1516L	General Chemistry 2 Laboratory	
CHEM 1516R	Recitation for General Chemistry 2	
PHYS 1501 & 1501L	Fundamentals of Physics 1 and Fundamentals of Physics Laboratory 1	
PHYS 1502 & 1502L	Fundamentals of Physics 2 and Fundamentals of Physics Laboratory 2	
<b>Total Semester Hours</b>		<b>123-1:</b>

## Minor in Developmental Psychology

COURSE	TITLE	S.H.
PSYC 1560	General Psychology	3
PSYC 2617	Research Methods for Psychology <sup>1</sup>	3
PSYC 3755	Child Development	3
PSYC 3756	Adolescent Development	3
PSYC 3757	Adult Development	3
An additional 3 s.h. in Psychology from PSYC 2618 or any upper division course.		3
<b>Total Semester Hours</b>		<b>18</b>

<sup>1</sup> A research methods course from another department may be substituted for PSYC 2617 Research Methods for Psychology if approved by the Psychology Department. A student who does not take PSYC 2617 Research Methods for Psychology must take an additional 3 s.h. in psychology to meet requirements for the minor.

## Minor in General Psychology

COURSE	TITLE	S.H.
PSYC 1560	General Psychology	3
PSYC 2617	Research Methods for Psychology	3
PSYC 3700	Social Psychology	3
PSYC 3734	ABA Principles 1: Applied Behavior Analysis	3
PSYC 3702	Abnormal Psychology	3
or PSYC 3775	Personality	
Select one of the following:		3
PSYC 3755	Child Development	
PSYC 3756	Adolescent Development	
PSYC 3757	Adult Development	
PSYC 3758	Lifespan Development	
<b>Total Semester Hours</b>		<b>18</b>

<sup>1</sup> A research methods course from another department may be substituted for PSYC 2617 Research Methods for Psychology if approved by the Psychology Department. A student who does not take PSYC 2617 Research Methods for Psychology must take an additional 3 s.h. of upper division coursework in psychology to meet requirements for the minor.

## Minor in Psychology of Mental Health

COURSE	TITLE	S.H.
PSYC 1560	General Psychology	3
PSYC 2617	Research Methods for Psychology	3
PSYC 3702 & 3702L	Abnormal Psychology and Abnormal Psychology Laboratory	4
PSYC 3775	Personality	3
PSYC 4800	Introduction to Psychotherapy	3
<b>Electives</b>		
Select one of the following:		3
PSYC 3707	Psychology of Intimate Relationships	
PSYC 3730	Psychology of Women	
PSYC 3734	ABA Principles 1: Applied Behavior Analysis	
PSYC 3755	Child Development	
PSYC 3790	Field Work in Psychology	
<b>Total Semester Hours</b>		<b>19</b>

<sup>1</sup> A research methods course from another department may be substituted for PSYC 2617 Research Methods for Psychology if approved by the Psychology Department. A student who does not take PSYC 2617 Research Methods for Psychology must take an additional 3 s.h. in psychology to meet requirements for the minor.

## Department of Sociology, Anthropology, and Gerontology

Welcome to the Department of Sociology, Anthropology, and Gerontology. We are located on the fourth floor of DeBartolo Hall in room 444 and our department phone number is 330-941-3442.

We offer BA degrees in Anthropology, Gerontology, and Sociology, a BSAS degree in Long Term Care Administration, and an MA in Gerontology. We also offer a certificate in Gerontology and minors in seven different areas, including Archaeology, Forensic Anthropology, and others. All of our programs are hands-on, offering students opportunities for internships, fieldwork, and study abroad so that they emerge well-qualified to pursue graduate degrees and rewarding careers.

## SOCIOLOGY

Sociology is the scientific study of society, human social relationships, and social institutions. At the core of sociology is the sociological imagination – a need to make the familiar strange and look beyond what is normally taken-for-granted to more nuanced understandings of social life. Much like society itself, sociological investigations are diverse, covering everything from the analysis of strangers interacting on the street to global social movements. The Sociology Program at YSU gives students a broad education in the field of sociology, emphasizing contemporary issues related to inequality, social institutions, gender and the family, deviance and criminology, aging, and research. Students learn how to think critically about human social life, seek answers to research questions, and help others understand how society works and how we might improve it. Our students have the opportunity to intern with a number of local and regional organizations, such as the Northeast Ohio Coalition Against Human Trafficking and Compass Community and Family Services.

## ANTHROPOLOGY

Anthropology is the cultural and biological study of humankind. It is a discipline that asks such questions as, “What makes us human?” “How did we develop biologically and culturally?” “Where did we come from and where are we going?” Through the study of Archaeology, Biological Anthropology, and Cultural Anthropology at YSU, students explore these questions and the ways in which we begin to answer them. Students are broadly trained in the discipline and emerge well-trained to pursue graduate degrees and careers in and related to anthropology. The program offers numerous opportunities to work with materials in the classroom and lab, including osteological and faunal remains and artifacts. Our students participate on faculty-led archaeological class projects in Guatemala, the Bahamas, and in northeast Ohio and have joined anthropological field schools in Belize, Canada, South Africa, Cypress, and elsewhere.

## GERONTOLOGY

Gerontology is the study of aging and the related issues of aging through interdisciplinary perspectives. The YSU Gerontology Program provides access to innovative internship opportunities that align with coursework to better assist older individuals, starting with our older adults living in the Mahoning Valley. We require internships and have partnered with over 30 organizations. Our courses also offer community based projects with the Mahoning County Probate Court and the Area Agency on Aging XI.

## LONG-TERM CARE ADMINISTRATION (LTCA)

The LTCA program prepares students to work in any part of the spectrum of long-term care services and supports. Settings include home and community-based care, assisted living, skilled nursing, and continuing care retirement community. Students in the YSU LTCA programs are supported to actively pursue projects and internships regarding the multifaceted dimensions pertaining to LTCA.

## Chair

**Matt O'Mansky**, Ph.D., Associate Professor, Chair

## Professor

**Amanda Fehlbaum**, Ph.D., Assistant Professor

**Paul B. Gordiejew**, Ph.D., Associate Professor

**Tiffany F. Hughes**, Ph.D., Assistant Professor

**Qi Jiang**, Ph.D., Professor

**Loren R. Lease**, Ph.D., Associate Professor

**Denise A. Narcisse**, Ph.D., Associate Professor

**Gregory C. Rocheleau**, Ph.D., Assistant Professor

**Daniel J. Van Dussen**, Ph.D., Associate Professor

## Majors

- BA in Sociology (p. 360)
- BA in Anthropology (p. 357)
- BA in Gerontology (p. 358)
- BSAS in Long Term Care Administration (p. 361)

## Minors

- Sociology Minor (p. 364)
- Gerontology Minor (p. 363)
- Anthropology, General Minor (p. 363)
- Anthropology, Biological Minor (p. 362)
- Anthropology, Cultural Minor (p. 363)
- Anthropology, Forensic Minor (p. 363)
- Archaeology Minor (p. 363)

## Certificates

- Certificate in Applied Gerontology (p. 363)

## Anthropology

**ANTH 1500 Introduction to Anthropology 3 s.h.**

An exploration of what it means to be human from a biological and cultural perspective using archaeology, bioanthropology, and ethnography to trace over four million years of human development.

**Gen Ed:** Social Science.

**ANTH 1503 The Rise and Fall of Civilizations 3 s.h.**

Comparative survey of the archaeological evidence on the origins, development, and collapse of the great early civilizations of the world. The transformation of societies from settled villages to urban states in Mesopotamia, Egypt, China, Mexico, and Peru. Analysis of the archaeological discoveries, alternative interpretations, and general theories of cultural evolution.

**Gen Ed:** Social Science.

**ANTH 2600 Human Osteology 4 s.h.**

An examination of the anatomy of the skeleton in a defleshed state to gain an understanding of the characteristics and personal biology of individuals and exploration of the range of human variation within and between populations.

**ANTH 3701 Social Statistics 4 s.h.**

Measurement and interpretation of social data by the use of descriptive techniques. Examines methods of probability theory as a basis for statistical inference, hypothesis testing, correlation, chi-square, and variance analysis. Listed also as SOC 3701.

**Prereq.:** SOC 1500 or ANTH 1500, successful completion of ENGL 1551 and MATH 1501 or a level 3 or higher on the math placement exam.

**ANTH 3702 Archaeology 3 s.h.**

An introduction to the methods and subject matter of archaeology in its reconstruction of Paleolithic and prehistoric cultures as inferred from artifacts.

**Prereq.:** ANTH 1500 or ANTH 1503.

**ANTH 3703 Biological Anthropology 3 s.h.**

The physical origins and development of the human species as a member of the primate order and the biological bases of human differences disclosed by human paleontology and archaeology.

**Prereq.:** ANTH 1500.

**Cross-listed:** BIOL 3704.

**ANTH 3704 Primates 3 s.h.**

Primate evolution throughout the Cenozoic Era, from primate origins to the advent of hominids. Examines research into the natural behavior of a wide range of primates, focusing on the social organization of terrestrial monkeys and apes.

**Prereq.:** ANTH 3703.

**ANTH 3705 Cultural Anthropology 3 s.h.**

A cross-cultural comparison of the cultural norms that regulate society, emphasizing the functional prerequisites for the existence of society and individual demands on society.

**Prereq.:** ANTH 1500.

**Cross-listed:** AMER 3705.

**ANTH 3750 Religion and Race 3 s.h.**

Examines race theory and its relation to religious studies through consideration of immigration patterns and the ways in which religion has been affixed to markers of identity over the last two hundred years.

**Prereq.:** REL 2601 or SOC 1500 or ANTH 1500.

**Cross-listed:** REL 3750 and SOC 3750.

**ANTH 3760 Cultures of the Old World 3 s.h.**

An examination of the ethnography, cultural contributions, and achievements of Old World peoples, which may include the cultures of Europe, Africa, the Middle East, Asia or Australia and Oceania. May be taken up to three times for credit if the topic is different.

**Prereq.:** ANTH 3705 or 6 s.h. in AFST, including AFST 2601.

**ANTH 3760H Cultures of the Old World 3 s.h.**

An examination of the ethnography, cultural contributions, and achievements of Old World peoples, which may include the cultures of Europe, Africa, the Middle East, Asia or Australia and Oceania. May be taken up to three times for credit if the topic is different.

**Prereq.:** ANTH 3705 or 6 s.h. in AFST, including AFST 2601.

**ANTH 3761 Cultures of the New World 3 s.h.**

An examination of various topics in New World cultures. Topics vary by semester and may include native South Americans, native North Americans, Native Americans' civil rights, the reservation system, and others. May be taken up to three times for credit if the topic is different.

**Prereq.:** ANTH 1500.

**ANTH 3762 The Power and Meaning of Food 3 s.h.**

Explores the relationship between culture and food in its material and symbolic forms. Examines the patterns of production, distribution, exchange, and consumption of food across time and within particular cultural and global contexts. Topics include the place of food in ritual, gift-giving, maintaining identities, and culture change.

**Prereq.:** ANTH 3705.

**ANTH 3775 Native North Americans 3 s.h.**

Detailed discussion of the culture and achievements of the tribal peoples native to North America.

**Prereq.:** ANTH 1500.

**ANTH 3777 Bahamian Archaeology 3 s.h.**

Examines the prehistory and ecology of the Bahamas and entails archaeological surveys and excavation of sites. May be repeated once.

**Prereq.:** ANTH 3702 or permission of the instructor.

**ANTH 3778 Archaeological Techniques 1-9 s.h.**

Practice in archaeological field methods, including surveying, mapping, excavation, and artifact analysis. Amount of field work and lab analysis can vary from four weeks to one semester. Credit hours may vary accordingly from 1 to 9 hours with approval of the instructor and department chair.

**Prereq.:** ANTH 3702 or permission of the chair.

**ANTH 3779 Fieldwork in Historical and Industrial Sites Archaeology 3 s.h.**

Excavation of New World sites after 1492, culminating in the physical examination of the remains of historical, industrial, and post-industrial sites. Techniques for literature search and fieldwork. May be repeated once with different site or theoretical focus.

**Prereq.:** ANTH 3702 or permission of chair.

**ANTH 3780 Forensic Anthropology 1 4 s.h.**

Forensics from the perspective of anthropology, especially through hands-on study of human remains. Methods of determining the sex, age, ancestry, and stature of an individual. Field methods for forensic anthropology and trauma analysis. 4 s.h.

**Prereq.:** ANTH 2600 or BIOL 3705.

**ANTH 3790 Aging in Cross-Cultural Perspective 3 s.h.**

Examines the phenomenon of aging from cross-cultural perspectives with an emphasis on cultural evolution and its impact upon the status, roles and cultural values associated with aging and the aged. Listed also as SOC 3790 and GERO 3790.

**Prereq.:** ANTH 1500 or SOC 1500, or GERO 1501.

**ANTH 4800 Undergraduate Research 1-2 s.h.**

Research participation under the direction and guidance of a full-time faculty member. Designed to acquaint the advanced student with special research problems associated with various aspects of the discipline. May be repeated to a maximum of 4 s.h.

**Prereq.:** Permission of chairperson and junior standing.

**ANTH 4801 Anthropological Thought 3 s.h.**

Analysis of the theories and methodology of the major contributors to contemporary anthropological thought, such as the evolutionist, diffusionist, functional, and multilineal schools.

**Prereq.:** ANTH 3705.

**ANTH 4815 Anthropology of Religion 3 s.h.**

A survey of anthropological approaches to the study of religion, illustrated by a critical consideration of past and present contributions to the field. Study of selected religious systems, areally and topically.

**Prereq.:** ANTH 3705 or 6 s.h. in REL including REL 2601.

**ANTH 4824 Old World Prehistory: Topics 3 s.h.**

Examination of the prehistoric development of Old World (Africa, Europe, Far East, Middle East, and Oceanic cultures). May be taken twice for credit if topic is different.

**Prereq.:** ANTH 3702.

**ANTH 4825 New World Archaeology: Topics 3 s.h.**

Examination of the archaeological evidence of the development of New World cultures from early prehistoric to late post-industrial times. Topics vary by semester and may include historical archaeology, North American prehistory, Ohio prehistory, Maya, Aztec and Inca, South American prehistory, and others. May be taken up to three times for credit if the topic is different. Some topics may include field work.

**Prereq.:** ANTH 3702.

**ANTH 4850 Research Methods 3 s.h.**

An introduction to methods employed in social research. Attention is given to (1) the logic of sociological inquiry and the relationship between theory and methods; (2) the various qualitative and quantitative methods; (3) research design, data collection, organization, analysis, interpretation and application; (4) the social, cultural, political, and ethical context of social research; and (5) computer skills employed in data analysis. Listed also as SOC 4850 or GERO 4850.

**Prereq.:** SOC 3701 or ANTH 3701.

**ANTH 4859 Senior Thesis 1 1 s.h.**

Design and completion of a quantitative or qualitative research proposal for the Senior Capstone in Anthropology.

**Prereq.:** Senior status in ANTH; ANTH 3701 and ANTH 4801, concurrent with ANTH 4850.

**ANTH 4860 Senior Thesis 2 3 s.h.**

A capstone experience for the major in anthropology. Implementing and completing a quantitative or qualitative research project and paper on the proposal approved by the thesis advisor during Senior Thesis 1.

**Prereq.:** Senior status in Anthropology; ANTH 4850 and ANTH 4859.

**ANTH 4877 Method and Theory in Archaeology 3 s.h.**

Past and contemporary theory and methodology in archaeology, with emphasis on recent innovations in the U.S. and Europe.

**Prereq.:** ANTH 3702.

**ANTH 4881 Forensic Anthropology 2 4 s.h.**

A continuation of Forensic Anthropology 1. An in-depth examination of the human skeletal system, its differentiation from other commonly found animal remains, and the ways in which skeletal remains help determine the cause of death, trauma to skeleton, antemortem skeletal conditions, postmortem interval, postmortem changes to bone, additional aspects of individualization, etc. Prereq. ANTH 3780 with "C" or better.

**ANTH 4882 Paleoanthropology 3 s.h.**

The origin and evolution of the human species in biological terms from studies of human evolution and emergence of certain critical biocultural essentials. Emphasis on fundamentals of paleoanthropological research, evidence of human evolution, important fossil finds and sites, and phylogenetic relationships.

**Prereq.:** ANTH 3703 with "C" or better; or BIOL 3759 with "C" or better.

**ANTH 4883 Case Studies in Forensic Anthropology 3 s.h.**

Introduction to advanced methods of forensic anthropology. The course consists of discussions and analysis of articles and case studies pertaining to forensic anthropology and the role of the forensic anthropologist.

**Prereq.:** ANTH 4881.

**ANTH 4890 Advanced Topics in Archaeology 3 s.h.**

Study of select subjects dealing with various aspects of advanced archaeological issues, methodologies, techniques, and applications. Topics vary by semester and include archaeological laboratory techniques and cultural resource management. May be taken twice with different topics.

**Prereq.:** ANTH 3702.

**ANTH 4891 Advanced Topics in Biological Anthropology 3 s.h.**

Study of select subjects dealing with various aspects of advanced archaeological issues, methodologies, techniques, and applications. Topics vary by semester and include primate ethology and human paleontology.

**Prereq.:** ANTH 3703 and 9 s.h. in ANTH.

**ANTH 6910 Special Anthropological Problems 3 s.h.**

Advanced seminars focusing on independent study at the graduate level. The study of archaeology, its methods and functions; human origins and differentiation; anthropology of religion; and cultural change and its impact. May be repeated with different topic.

## Gerontology

**GERO 1501 Introduction to Gerontology 3 s.h.**

Basic introduction to the interdisciplinary study of aging. Includes social, psychological, economic, cultural, health, and policy issues. Discussion of normal vs. abnormal (disease-related) aspects of aging.

**Gen Ed:** Social Science.

**GERO 3703 Aging and Society 3 s.h.**

An interdisciplinary introduction to studies in aging. Examines the impact of population aging and its effect on society at large. Also examines individual aging processes and social significance of aging. Listed also as SOC 3703.

**Prereq.:** SOC 1500 or GERO 1501.

**Gen Ed:** Social Science, Well Being, Social and Personal Awareness.

**GERO 3745 Sociology of Health, Illness, and Healthcare 3 s.h.**

Social attitudes toward illness. Cultural and social factors in disease definition of illness, and organization of the health professions and health facilities. Listed also as SOC 3745.

**Prereq.:** SOC 1500, GERO 1501, or admission to NEOMED-YSU program.

**Gen Ed:** Well Being, Social and Personal Awareness.

**GERO 3755 Theories of Gerontology 3 s.h.**

Review and critical analysis of current theories of the social aspects of aging and their use in research. Listed also as SOC 3755.

**Prereq.:** SOC 1500 or GERO 1501.

**GERO 3756 Aging and Ethnicity 3 s.h.**

Aging in American subcultures, noting differences in status/role systems, demographic distributions, life styles, methods of dealing with the elderly, and related problems. Listed also as SOC 3756.

**Prereq.:** SOC 1500 or GERO 1501.

**GERO 3757 Aging and Social Policy 3 s.h.**

Critical examination of social policies and social systems which affect aging and retirement. Listed also as SOC 3757 and POL 3757.

**Prereq.:** SOC 1500, GERO 1501, or POL 1560.

**GERO 3758 Long-Term Care 3 s.h.**

Examines critical issues in long-term care systems, services, and programs. Impacts of social demographic and economic changes on long-term care needs, demands, and supplies. Contemporary trends and future outlooks of long-term care. Listed also as SOC 3758.

**Prereq.:** SOC 1500 or GERO 1501.

**GERO 3759 Physical Change and Aging 3 s.h.**

Designed to provide knowledge about physical aspects of human aging and factors that affect physical aging. Students learn about physical changes that occur naturally with advancing age and changes associated with disease or disability (abnormal changes). Behavioral and inherent factors that influence physical aging are discussed with the goal to increase awareness of prevention strategies.

**Prereq.:** GERO 1501 or SOC 1500.

**GERO 3761 Elder Crimes - Elder Justice 3 s.h.**

Issues in gerontology and aging that affect law enforcement and the criminal justice system.

**Prereq.:** GERO 1501 or SOC 1500 or CJFS 1500.

**Cross-listed:** CJFS 3761 and SOC 3761.

**GERO 3790 Aging in Cross-Cultural Perspective 3 s.h.**

Examines the phenomenon of aging from cross-cultural perspectives with an emphasis on cultural evolution and its impact upon the status, roles and cultural values associated with aging and the aged. Listed also as SOC 3790 and ANTH 3790.

**Prereq.:** GERO 1501 or ANTH 1500, or SOC 1500.

**GERO 4804 Family, Health, and Aging 3 s.h.**

Examines family and health related aspects of aging. Positive and negative interactions among family members and caregivers, and their impact on mental and physical quality of life of the elderly. Listed also as SOC 4804.

**Prereq.:** GERO 3703 or SOC 3703.

**GERO 4821 Internship in Gerontology 3-15 s.h.**

Application of gerontological knowledge in settings such as social agencies, government offices, hospitals, nursing homes, or industry. May be repeated up to 15 s.h., but only a maximum of 6 semester hours can be applied to the gerontology major.

**Prereq.:** Junior standing, 9 s.h. of Gerontology, and permission of chairperson.

**GERO 4850 Research Methods 3 s.h.**

An introduction to methods employed in social research. Attention is given to (1) the logic of scientific inquiry and the relationship between theory and methods; (2) the various qualitative and quantitative methods; (3) research design, data collection, organization, analysis, interpretation and application; (4) the social, cultural, political, and ethical context of social research; and (5) computer skills employed in data analysis. Listed also as ANTH 4850 or SOC 4850.

**Prereq.:** SOC 3701, ANTH 3701.

**GERO 4851 Capstone in Gerontology 3 s.h.**

A capstone experience for the interdisciplinary study of aging. Students will complete a major research project.

**Prereq.:** Senior status in Gerontology and SOC 4850.

**Gen Ed:** Capstone.

**GERO 4860 Senior Thesis 3 s.h.**

A capstone experience for the major in gerontology. Designing, implementing, and completing an empirical research project and paper on a topic approved by the thesis advisor.

**Prereq.:** senior status in GERO; GERO 4850 or SOC 4850.

**Cross-listed:** SOC 4860.

**GERO 6906 Perspectives in Gerontology 3 s.h.**

Focus on the major theoretical perspectives of aging and aging related research with a focus on health. Theories from gerontology, epidemiology, sociology, and psychology will be covered.

**GERO 6915 Service Delivery Aging Policy 3 s.h.**

An interdisciplinary analysis of services for older adults including an examination of major policies, programs, and trends in aging.

**GERO 6960 Epidemiology of Aging 3 s.h.**

Integration and application of epidemiologic theories; major conceptual issues regarding epidemiology and aging; and contemporary interdisciplinary concepts and research. Primary focus will be on the disease distribution and leading causes of death among our aging population.

**GERO 6998 Anatomy and Physiology of Aging 3 s.h.**

Using a systems approach, this course will examine the anatomical and physiological changes that occur with aging. It will discuss age-related disorders and evaluate the impact of these changes on activities and daily function.

**GERO 6999 Research Methods 3 s.h.**

This course serves as an introduction to major methodological issues and basic statistics in the social-scientific study of gerontology. Major topics include developmental perspective and conceptualization of change, basic developmental research design, conceptualization of research problems, research design, measurement, and data analysis. This course should enable students to formulate research questions, design studies, and determine measurement devices and methods of analysis from a developmental perspective.

**GERO 7001 Long-Term Care 3 s.h.**

This course will introduce students to the following topics: who needs long term care; population distribution of long-term care and its current trends; long-term care industry; human medicine and long-term care; social structures and social inequalities in long-term care; culture components of long-term care; family care and social care; government, laws, and social policies of long-term care; and long-term care in a global perspective.

**Prereq.:** GERO 6960.

**GERO 7090 Field Practicum 1-9 s.h.**

Students will complete a 200-hour placement in an aging-related workplace. Variable credit 1-6 s.h. May be repeated for up to 9 s.h.

**GERO 7094 Selected Topics 1-3 s.h.**

An examination of contemporary topics in the field of gerontology. Examples of subject areas that may be covered: Nutrition, Pharmacology, Legal, etc. variable credit 1-3 hours may be repeated for up to 6 credit hours.

**GERO 7094D Selected Topics Individual Research 1-3 s.h.**

An examination of contemporary topics in the field of gerontology. Examples of subject areas that may be covered: Nutrition, Pharmacology, Legal, etc. variable credit 1-3 hours may be repeated for up to 6 credit hours.

**GERO 7094F Selected Topics Health Promotion 1-3 s.h.**

An examination of contemporary topics in the field of gerontology. Examples of subject areas that may be covered: Nutrition, Pharmacology, Legal, etc. variable credit 1-3 hours may be repeated for up to 6 credit hours.

**GERO 7099 Thesis 1-3 s.h.**

A substantive research project with approval of a committee chair and committee. Variable credit 1-3 s.h. May be repeated for up to 6 s.h.

## Sociology

**SOC 1500 Introduction to Sociology 3 s.h.**

An introduction to the science of human societies and groups: analysis of the structures, functions, and processes that bring about changes in societies, groups, communities, classes, and institutions.

**Gen Ed:** Social Science.

**SOC 1500H Honors Introduction to Sociology 3 s.h.**

An introduction to the science of human societies and groups: analysis of the structures, functions, and processes that bring about changes in societies, groups, communities, classes, and institutions.

**Gen Ed:** Social Science.

**SOC 2601 Social Problems 3 s.h.**

A sociological overview of various contemporary social issues, analyzing significant discrepancies between standards of expectation and actual social behavior, attempting to ascertain possible causes, and discussing trends and possible changes.

**Gen Ed:** Social Science.

**SOC 2630 Criminology 3 s.h.**

Study of the social context of crime in America. Review of historical theories offered in explanation of criminal behavior.

**SOC 2640 Gender in Society 3 s.h.**

Sociological analysis of gender role issues by major institutions of society, including political, educational, economic and legal systems as well as media and the family. Focus is on effects of stratification, culture, gender norms, and the socialization process.

**SOC 2690 Identities and Differences 3 s.h.**

A study of personal and social issues that shape the understanding and development of identity and diversity.

**Gen Ed:** Domestic Diversity, Social and Personal Awareness.

**SOC 3700 Minority Groups 3 s.h.**

Survey of the origins and characteristics of ethnic and racial minority groups, with emphasis on the significance of membership in such a group for in-group, out-group, and community solidarity.

**Prereq.:** SOC 1500.

**Cross-listed:** AMER 3700.

**SOC 3701 Social Statistics 4 s.h.**

Measurement and interpretation of social data by use of descriptive techniques. Examines methods of probability theory as a basis for statistical inference, hypothesis testing, correlation, chi-square, and variance analysis. Listed also as ANTH 3701.

**Prereq.:** SOC 1500 or ANTH 2602, successful completion of ENGL 1551 and MATH 1501 or a level 3 or higher on the math placement exam.

**SOC 3703 Aging and Society 3 s.h.**

An interdisciplinary introduction to studies in aging. Examines the impact of population aging and its effect on the society at large. Also examines individual aging processes and social significance of aging. Listed also as GERO 3703.

**Prereq.:** SOC 1500 or GERO 1501.

**Gen Ed:** Social Science, Well Being, Social and Personal Awareness.

**SOC 3705 The Family 3 s.h.**

Family and kinship systems as major institutions; their development, functions, and relation to other basic institutions found in different cultures and social strata.

**Prereq.:** SOC 1500 or ANTH 1500.

**SOC 3707 Urban Sociology 3 s.h.**

A comparative study of cities of pre-industrial and industrial societies, historical and contemporary. The process of urbanization and changing urban structure and functions.

**Prereq.:** SOC 1500.

**SOC 3708 Political Sociology 3 s.h.**

The social conditions that affect government and politics and that may help to determine political order and regulate struggles for power; associations and movements leading to stability or change.

**Prereq.:** SOC 1500.

**SOC 3720 Applied Sociology 3 s.h.**

Uses of sociology in practical affairs, providing theory and data for public policy, institutional reform, social action programs, and social inventions. Contributions to architectural design, industrial engineering, community planning, and innovative legislation.

**Prereq.:** SOC 1500.

**Cross-listed:** AMER 3720.

**SOC 3731 Social Deviance 3 s.h.**

Focuses on problems of drug abuse, sexual deviation, crime, and other forms of deviance. Theoretical approaches to deviant behavior; etiologies and methods of social control are explored.

**Prereq.:** SOC 1500 or CJFS 1500.

**SOC 3733 White Collar Crime 3 s.h.**

Focuses on distinguishing between various types of white collar crime, such as corporate fraud, corruption of public officials, and environmental crime. Also examines theoretical explanations for white collar crime and situates it within larger social contexts of power and status.

**Prereq.:** SOC 1500 or CJFS 1500.

**SOC 3735 Juvenile Delinquency 3 s.h.**

Social and psychological factors underlying delinquency; the juvenile court and probation; treatment and preventive measures.

**Prereq.:** SOC 1500 or CJFS 1500.

**SOC 3736 Crime and the Life Course 3 s.h.**

Examines the development, stability, and change of criminal behavior throughout different stages of the life course. Themes such as criminal trajectories, transitions, and turning points are discussed.

**Prereq.:** SOC 1500 or CJFS 1500.

**SOC 3740 Complex Organizations 3 s.h.**

Structures and processes of large-scale organizations: leadership, control techniques, tensions, bureaucratic pathologies, organizational change.

**Prereq.:** SOC 1500.

**SOC 3741 Social Movements 3 s.h.**

Analysis of the role of social movements, intellectual criticism, and socioeconomic trends; study of the dynamics of change initiated outside of regular and institutionalized channels, including mobs and crowds.

**Prereq.:** SOC 1500.

**SOC 3742 Small Group Processes 3 s.h.**

A study of small group behavior; influence, attitudes, and values of social microsystems.

**Prereq.:** SOC 1500.

**SOC 3743 Social Stratification and Inequality 3 s.h.**

Comparative analysis of social stratification systems with major emphasis on modern Western societies.

**Prereq.:** SOC 1500.

**SOC 3744 Social Deviance 3 s.h.**

Problems of drug abuse, sexual deviation, crime, and other forms of deviance. Theoretical approaches to deviant behavior; etiologies and methods of social control.

**Prereq.:** SOC 1500.

**SOC 3745 Sociology of Health, Illness, and Healthcare 3 s.h.**

Social attitudes toward illness. Cultural and social factors in disease definition of illness, and organization of the health professions and health facilities. Listed also as GERO 3745.

**Prereq.:** SOC 1500, GERO 1501, or admission to NEOMED-YSU program.

**Gen Ed:** Well Being, Social and Personal Awareness.

**SOC 3746 Sociology of the Body 3 s.h.**

This course examines the body and its relationship to the self as a product of complex social arrangements and processes. The body is studied as an object of social control and as the focus of shifting race, gender, and sexual categories. Topics include health, medicine, consumerism, sports, and popular culture.

**Prereq.:** SOC 1500.

**SOC 3749 Sociological Theory 3 s.h.**

The major theoretical traditions in Sociology emerging from the enlightenment period and evolving to the present.

**Prereq.:** SOC 1500 or ANTH 2602.

**SOC 3750 Religion and Race 3 s.h.**

Examines race theory and its relation to religious studies through consideration of immigration patterns and the ways in which religion has been affixed to markers of identity over the last two hundred years.

**Prereq.:** REL 2601 or SOC 1500 or ANTH 1500.

**Cross-listed:** REL 3750 and ANTH 3750.

**SOC 3752 Evaluation Research 3 s.h.**

Introduction to the field of evaluation research of social policy and programs. Current procedures, concepts, and techniques. Social and ethical issues of research.

**Prereq.:** SOC 3701.

**SOC 3755 Theories of Gerontology 3 s.h.**

Review and critical analysis of current theories of the social aspects of aging, and their use in research. Listed also as GERO 3755.

**Prereq.:** SOC 1500 or GERO 1501.

**SOC 3756 Aging and Ethnicity 3 s.h.**

Aging in American subcultures, noting differences in status/role systems, demographic distributions, life styles, methods of dealing with the elderly, and related problems. Listed also as GERO 3756.

**Prereq.:** SOC 1500 or GERO 1501.

**SOC 3757 Aging and Social Policy 3 s.h.**

Critical examination of social policies and social systems which affect aging and retirement. Listed also as GERO 3757 and POL 3757.

**Prereq.:** SOC 1500, GERO 1501, or POL 1560.

**SOC 3758 Long-Term Care 3 s.h.**

Examines critical issues in long-term care systems, services, and programs. Impacts of social demographic and economic changes on long-term care needs, demands, and supplies. Contemporary trends and future outlooks of long-term care. Listed also as GERO 3758.

**Prereq.:** SOC 1500 or GERO 1501.

**SOC 3759 Sociology of Dementia 3 s.h.**

The understanding of the nature, causes, symptoms, and social consequences of dementia. Attention to the status of aging, and to the status of those who suffer from dementia in contemporary society.

**Prereq.:** SOC 1500.

**SOC 3760 Sociology of Death and Dying 3 s.h.**

Analysis of the social aspects of human death, dying, and bereavement using various sociological approaches. Explores data from secondary sources, surveys, and field investigations that relate to the institutional contexts of dying and grieving processes. Includes practical application of sociological analysis of dying and death.

**Prereq.:** SOC 1500.

**SOC 3761 Elder Crimes - Elder Justice 3 s.h.**

Issues in gerontology and aging that affect law enforcement and the criminal justice system.

**Prereq.:** GERO 1501 or SOC 1500 or CJFS 1500.

**Cross-listed:** GERO 3761.

**SOC 3789 Technology and Society 3 s.h.**

A critical exploration of how societal needs affect the creation of technologies and how technology affects society. An interdisciplinary approach in examining the complex interactions between humans and their tools.

**Prereq.:** BIOL 2601 or ENGR 1550 or SOC 1500, and junior standing.

**SOC 3790 Aging in Cross-Cultural Perspectives 3 s.h.**

Examines the phenomenon of aging from cross-cultural perspectives with an emphasis on cultural evolution and its impact upon the status, roles, and cultural values associated with aging and the aged. Listed also as ANTH 3790 and GERO 3790.

**Prereq.:** SOC 1500 or ANTH 1500 or GERO 1501.

**SOC 3798 Select Topics in Sociology 3 s.h.**

In-depth examination of various sociological topics and issues of both current and long-standing interest. May be taken twice with different topics.

**Prereq.:** 3 s.h. in Sociology.

**SOC 37980 ST Culture and People of China 3 s.h.**

In-depth examination of various sociological topics and issues of both current and long-standing interest. May be taken twice with different topics.

**Prereq.:** 3 s.h. in Sociology.

**SOC 3798X Select Topics in Sociology Race, Gender, Soc Class, Crime 3 s.h.**

In-depth examination of various sociological topics and issues of both current and long-standing interest. May be taken twice with different topics.

**Prereq.:** 3 s.h. in Sociology.

**SOC 4800 Undergraduate Research 1-2 s.h.**

Research participation under the direction of a faculty member. Designed to acquaint the advanced student with special research problems associated with various aspects of the discipline. May be repeated for a maximum of 4 s.h.

**Prereq.:** Permission of chairperson and 20 s.h. in Sociology.

**SOC 4801 Later Life Issues 3 s.h.**

An examination of contemporary issues and concerns among the elderly. Topics include family relations, finances, entitlements, Social Security, quality of life, and euthanasia.

**Prereq.:** SOC 3703.

**SOC 4804 Family, Health, and Aging 3 s.h.**

Examines family and health related aspects of aging. Positive and negative interactions among family members and caregivers, and their impact on mental and physical quality of life of the elderly. Listed also as GERO 4804.

**Prereq.:** SOC 3703 or GERO 3703.

**SOC 4810 International Study in Sociology 3 s.h.**

Sociological study of a selected international area. Travel to the area of study under the supervision of a Sociology faculty member. The course grade is based on participation in the trip and a term paper or comparable assignments. May be repeated once. Permission of the chairperson.

**SOC 4821 Internship in Sociology 3-9 s.h.**

Application of sociological knowledge in settings such as social agencies, government offices, hospitals, nursing homes, correctional facilities, and industry. Maximum of 6 s.h. may be applied to the Sociology major.

**Prereq.:** Junior standing and at least 9 s.h. of Sociology, and permission of chairperson.

**SOC 4850 Research Methods 3 s.h.**

An introduction to methods employed in social research. Attention is given to (1) the logic of scientific inquiry and the relationship between theory and methods; (2) the various qualitative and quantitative methods; (3) research design, data collection, organization, analysis, interpretation and application; (4) the social, cultural, political, and ethical context of social research; and (5) computer skills employed in data analysis. Listed also as ANTH 4850 or GERO 4850. **Prereq.:** SOC 3701, ANTH 3701.

**SOC 4859 Senior Thesis 1 1 s.h.**

Design and completion of a quantitative or qualitative research proposal for the Senior Capstone in Sociology.

**Prereq.:** Senior status in SOC; SOC 3701 and SOC 3749, concurrent with SOC 4850.

**SOC 4860 Senior Thesis 2 3 s.h.**

A capstone experience for the major in sociology. Implementing and completing a quantitative or qualitative research project and paper on the proposal approved by the thesis advisor during Senior Thesis 1.

**Prereq.:** Senior status in Sociology; SOC 4850 and SOC 4859.

**SOC 4898 Selected Problems in Sociology and Anthropology 1-3 s.h.**

Readings in sociology and anthropology dealing with current problems in theory and methods. Credit is given according to the nature and extent of the problems and the readings. For students planning to enter graduate school.

**Prereq.:** Departmental major in senior year.

**SOC 6900 Special Sociological Problems 3 s.h.**

Advanced seminars focusing on independent study at the graduate level; social organization in a changing world; social disorganization (or deviance) and social controls; social and cultural factors in personality development; minority relationships; sociology of law; social change; and comparative institutions.

**SOC 6905 Social Gerontology 3 s.h.**

Integration and application of gerontological theories; major conceptual issues regarding life span development; and contemporary gerontological concepts and research.

## Bachelor of Arts in Anthropology

A major in anthropology can take several directions. As the study of humankind, a background in anthropology can be immediately useful in many careers such as business, government, law, elementary and secondary education, urban affairs, administration, and industry (<http://www.americananthro.org/AdvanceYourCareer/Content.aspx?ItemNumber=1783>). Others can use the bachelor's degree as a first step in acquiring an advanced degree and ultimately teaching and doing research at the college or university level.

### Internships in Anthropology

Internships and fieldwork opportunities are available to all Anthropology majors. Internships may be either paid or unpaid. Anthropology majors may have the opportunity to apply their knowledge during an internship at the Mahoning County Coroner's Office or through fieldwork locally, in Guatemala, in the Bahamas, and elsewhere.

To earn the BA degree the student must satisfy all the degree requirements in the College of Liberal Arts and Social Sciences and take 40 semester hours of courses from the Anthropology curriculum. Required courses are:

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2

ANTH 3701	Social Statistics	4
ANTH 3702	Archaeology	3
ANTH 3703	Biological Anthropology	3
ANTH 3705	Cultural Anthropology	3
ANTH 4801	Anthropological Thought	3
ANTH 4850	Research Methods	3
ANTH 4860	Senior Thesis 2	3
Select one area course from each of the three subfields.		9
Select two upper-division anthropology electives.		6
<b>Minor</b>		18

**Electives** Must complete a minimum number of electives to meet the 120sh total graduation requirement 14

**Total Semester Hours** 120

Students are responsible for satisfying all prerequisites and maintaining a "C" or better in all major and minor requirements and cannot take courses on a "CR/NC" basis.

Students wishing to minor in anthropology must complete 18 s.h. in an approved designated minor. Students are responsible for satisfying all prerequisites and maintaining "C" or better in all minor requirements and cannot take courses on a "CR/NC" basis.

Minors in anthropology offered from the department are as follows:

- General Anthropology (p. 363)
- Archaeology (p. 363)
- Biological Anthropology (p. 362)
- Cultural Anthropology (p. 363)
- Forensic Anthropology (p. 363)

**See Minors for course requirements.**

\*Please see your advisor in order to ensure that you are on track to graduate.

\*For General Education electives, be sure that you take two courses from each knowledge domain, including a science lab:

## LEARNING OUTCOMES

The department's learning outcomes for anthropology majors are as follows:

- Students can demonstrate comprehension of the fundamental principles and concepts of the four field holistic approach to anthropology.
- Students can evaluate anthropological theories and guiding ethics.
- Students can evaluate the scientific process and research methods. Students can evaluate the importance of past or present cultures, cultural variation, and cultural change in the global context.
- Students can analyze evolutionary biology using mechanism of evolutionary change.

## Bachelor of Arts in Gerontology

Gerontology is the interdisciplinary study of aging and is a rapidly growing field. The gerontology major prepares the students for a career in the field of aging. Since aging is a multifaceted, complex phenomenon, an interdisciplinary training in gerontology will give students an edge in working with the aging population.

The field of aging provides diverse occupational opportunities in health professions, non-profit organizations, recreation and leisure, for-profit businesses, education, research, government, and service providers. Settings

include community, human service and religious organizations, government agencies, health and long-term care facilities, retirement communities, academic and research settings, business, industry, legal, and professional organizations.

## Learning Outcomes

- Students can demonstrate understanding of the discipline of gerontology and its interdisciplinary approach to aging and society (Disciplinary Knowledge).
- Students can explain the diversity and complexity of aging in our society.
- Students can dispel ageist stereotypes about aging and older adults.
- Students can explain theories, fundamental principles, theories, and core concepts of gerontology.
- Students can assess the scientific process including various qualitative and quantitative methods. Students can synthesize theory and methods by completing an original empirical research project.

## Bachelor of Arts in Sociology

A major in sociology is for advanced graduate/professional study of sociology, law, counseling, social work, criminal justice, urban development, education, and other fields requiring work beyond the bachelor's level. A major in sociology also prepares students for employment in:

- government agencies
- businesses
- hospitals
- education
- urban affairs
- personnel

To earn the BA degree, the student must satisfy all the degree requirements in the College of Liberal Arts and Social Sciences and take 31 semester hours of courses from the sociology curriculum. Required courses are:

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		12
ENGL 1550	Writing 1	
ENGL 1551	Writing 2

- Students can critically evaluate various theoretical perspectives in sociology.
- Students can demonstrate comprehension of the scientific process and evaluate various qualitative and quantitative methods.
- Students can synthesize theory and methods by designing, implementing, and completing an empirical research project.
- Students can evaluate research in at least one substantive area within sociology in depth.

## Bachelor of Science in Applied Science in Long Term Care Administration

The Department of Sociology, Anthropology, and Gerontology offers a Bachelor of Science in Applied Science degree in Long-Term Care Administration. The program prepares students to become specialized, self-critical, accountable administrators in long-term care facilities. Facilities may include home and community based care, assisted living, nursing homes, hospices, and related health care industries.

Students must complete all required coursework for the university and major and have:

- an overall GPA of 2.25
- a "C" or better in all courses in the major
- 1000 hours in an approved internship
- 48 hours of upper-division courses
- 128 hours of coursework overall

A minor is not necessary for this major and the requirements for the 21 semester hour Certificate in Applied Gerontology are fulfilled within the major.

COURSE	TITLE	S.H.

## Minor in Women's and Gender Studies

### Women's and Gender Studies Program Director

Director: Dr. Cryshanna A. Jackson Leftwich

Room 436 DeBartolo Hall

(330) 941-2114

cajackson@ysu.edu

The University offers a minor in Women's and Gender Studies with the advice and approval of the chair of the department in which the student is majoring. The minor requires completion of 18 hours. For information about the Women's and Gender Studies minor, contact the director or visit Women's and Gender Studies (<http://www.ysu.edu/academics/college-liberal-arts-social-sciences/womens-and-gender-studies-minor>).

COURSE	TITLE	S.H.
WMST 2601	Introduction to Women's Studies	3
<b>Select 15 semester hours from the courses listed below, with a minimum of 6 semester hours required at the 3700-level or above.</b>		15
ENGL 1560	Language, Ethnicity, and Gender	
ENGL 2617	Women in Literature	
FNLG 2660	Women in the Ancient World	
PHLT 2692	Human Sexuality	
SOC 2640	Gender in Society	
SOC 2690	Identities and Differences	
CHFM 3731	Individual and Family Development	
CJFS 4851	Women and Justice	
CMST 3750	Gender Communication	
ENGL 3732	Images of Women

HIST 3787	History of Women in Europe	
HMEC 5893	Work and Family	
MGT 3755	Managing Workplace Diversity	
MRCH 3730	Social Psychology of Clothing and Appearance	
PSYC 3707	Psychology of Intimate Relationships	
PSYC 3730	Psychology of Women	
REL 3733	Women And the Bible	
REL 3754	Feminism, Ecology and Religion	
WMST 3750	Special Topics in Women's Studies	
WMST 4850	Senior Research Project	

**Total Semester Hours** 18

#### WMST 2601 Introduction to Women's Studies 3 s.h.

Introduces key concepts, theoretical frameworks, and interdisciplinary research drawn from current scholarship about women. Concentrates on major issues relevant to the status and roles of contemporary women, including examination of effects of sexism, racism, ethnicity, and class distinction.

**Gen Ed:** Domestic Diversity, Social Science, Social and Personal Awareness.

#### WMST 2650 LGBTQ Issues in History and Popular Culture 3 s.h.

Explores the historical and present day representation of LGBT issues and individuals and their portrayal in popular culture.

**Cross-listed:** TCED 2650.

#### WMST 3750 Special Topics in Women's Studies 3 s.h.

May be repeated for a maximum of 6 s.h. with different topics.

**Prereq.:** WMST 2601; or ENGL 1551 and permission of director.

#### WMST 4850 Senior Research Project 1-3 s.h.

Research and writing of a paper on a topic in women's studies, under the supervision of full-time faculty. Grading is Traditional/PR.

**Prereq.:** Senior standing, completion of 15 s.h. in Women's Studies, and permission of program director.

# The Dr. Dominic A. and Helen M. Bitonte College of Health and Human Services

*Joseph L. Mosca, Dean*

*Tammy A. King, Associate Dean*

For more information, visit The Bitonte College of Health and Human Services (<http://www.ysu.edu/academics/bitonte-college-health-and-human-services>).

In support of the University mission to provide a wide range of educational opportunities in higher education, the Dr. Dominic A. and Helen M. Bitonte College of Health and Human Services assumes a broad focus. That focus entails preparing students for competent practice in positions in both the health and human service professions. The College is committed to excellence in education through the quality programs it provides. To assure continuity and opportunity for health and human service majors, the College has encouraged the development of two-plus-two curricula in several majors that allow students to efficiently progress from associate to baccalaureate degree program completion. Master's degree and a professional doctorate degree program further expand and advance the competencies of graduates in the delivery and administration of health care and human services.

## Accreditation

- The emergency medical services (EMS) and medical assisting technology programs are accredited by the Commission on Accreditation of Allied Health Education Programs. The EMS program is also accredited by the Ohio Department of Public Safety - Division of EMS (ODPS).
- The dental hygiene program is accredited by the American Dental Association Commission on Dental Accreditation (ADAC).
- The medical laboratory technology program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS).
- The Bachelor of Science in respiratory care and polysomnography certificate programs are accredited by the Commission on Accreditation for Respiratory Care (COARC).
- The dietetic technology program, the coordinated program in dietetics, and the didactic program in dietetics are approved by the Accreditation Council for Education in Nutrition and Dietetics (ACEND).
- The Department of Human Ecology is accredited by the American Association of Family and Consumer Sciences (AAFCS).
- The family and consumer sciences education programs are accredited by the National Council for Accreditation of Teachers Education (NCATE).
- The Bachelor of Science in Nursing program is accredited by the Accreditation Commission for Education in Nursing and approved by the Ohio Board of Nursing (ACEN and OBN).
- The physical therapy program is accredited by the Commission on Accreditation in Physical Therapy Education (APTE).
- The social work program is accredited by the Council on Social Work Education (CSWE).

## Unique Requirements of the College

Incoming freshmen entering the College as an undetermined major or pre-major student or requires extensive remedial/developmental course work, or is a student returning to the College after a suspension, the student must complete HAHS 1500 Introduction to the Bitonte College of Health and Human Services or HAHS 1510 Investigations into Social Classes in America within the student's first 30 semester hours of coursework. HAHS 1510 is taken by students who are admitted to the University conditionally (restricted admissions).

Students need to be aware that many of the programs in the College require a criminal background check. Some require drug testing and a physical fitness

examination. In a few cases, there may be a requirement for a psychological evaluation. In addition to programs requiring some or all of the checks/evaluations listed above, some of the agencies where students complete clinical training, internships, or other related activities may also require these checks/evaluations. If you are concerned that you may not be able to complete a program or one of its requirements due to any of these checks/evaluations, please speak with an academic advisor or the chairperson of the department.

## Organization/Majors

The Bitonte College of Health and Human Services consists of eight departments:

- Criminal Justice and Forensic Sciences
- Health Professions
- Human Ecology
- Kinesiology and Sport Science
- Military Science
- Nursing
- Physical Therapy
- Social Work

Graduate programs are offered by the Departments of Criminal Justice and Forensic Sciences, Health Professions, Kinesiology and Sport Science, Nursing, Physical Therapy and Social Work. The Northeastern Ohio Universities Master of Public Health program operates through a partnership of YSU, The University of Akron, Cleveland State University, Kent State University, and Northeast Ohio Medical University (NEOMED).

The eight departments are listed below with their associate, baccalaureate, and master's offerings. Students whose needs are not completely met by existing conventional programs may wish to investigate and apply for the Individualized Curriculum Program (see the Academic Policies and Procedures section).

## Department of Criminal Justice and Forensic Sciences

- Basic Peace Officer Training Academy (Certificate)
- Criminal Justice (AAS, BSAS, MS)
- Forensic Science (BSAS) [In collaboration with the College of Liberal Arts and Social Sciences and the College of Science, Technology, Engineering, and Mathematics]

## Department of Health Professions

- Allied Health (BSAS)<sup>1</sup>
- Medical Laboratory Technology (AAS)<sup>2</sup>
- Medical Laboratory Science (BSAS)<sup>2</sup>
- Public Health (BSAS)<sup>3</sup>
- Dental Hygiene (BSDH)
- Paramedic (Certificate)<sup>2</sup>
- Emergency Medical Services (AAS)
- Health and Human Services (MHHS)
- Health Information Systems (Undergraduate Certificate)
- Healthcare Management (Graduate Certificate)
- Medical Assisting Technology (AAS)
- Polysomnography (Certificate)
- Public Health (MPH)
- Respiratory Care (BSRC, MRC)

## Department of Human Ecology

- Dietetic Technician (AAS)
- Family and Consumer Sciences Education (BSEd)<sup>3</sup>
- Family and Consumer Studies (BSAS)
- Coordinated Program in Dietetics (BSAS)
- Didactic Program in Dietetics (BSAS)
- Hospitality Management Technology (AAS, BSAS)
- Merchandising: Fashion and Interiors (BSAS)
- Early Childhood Associate/Pre-Kindergarten (AAS)

## Department of Kinesiology and Sport Science

- Exercise Science (BSAS)
- Health and Wellness (minor only)
- Masters of Science in Athletic Training (MAT)<sup>2</sup>

## Department of Military Science

- Military Science (minor only)
- Army ROTC program<sup>4</sup>

### Aerospace Studies Program

#### Air Force ROTC Program

ROTC students are allowed certain modifications of the requirements, as explained in the Military Science section. ROTC programs are offered in agreement with Kent State University.

## Department of Nursing

### Bachelor of Science in Nursing Programs (BSN)<sup>2</sup>:

- Entry-level (BSN)
- Online RN-BSN Completion Program for licensed RN's only (BSN)

### Master of Science in Nursing Programs (MSN)<sup>2</sup>:

- Family Nurse Practitioner (FNP)
- Nurse Anesthesia (in collaboration with St. Elizabeth Health Center School for Nurse Anesthetists, Inc.)
- Nurse Education

### Certificates<sup>2</sup>:

- School Nursing (Post Baccalaureate)
- Nurse Education (Post Master's)
- Adult-Gerontology Acute Care Nurse Practitioner (Post Master's)

## Department of Physical Therapy

### Physical Therapy (DPT)<sup>2</sup>

## Department of Social Work

### Social Services Technology (AAS)

### Social Work (BSW, MSW)<sup>2</sup>

It is the student's responsibility to satisfy all of the graduation requirements for the degree sought. These consist of:

- The pre-college or preparatory courses for each degree as covered in the Academic Policies and Procedures section.

- The courses and other requirements to be completed in the University as explained in the Academic Policies and Procedures section.
- The specific curriculum requirements of a given program.

Course descriptions can be found in a separate section in the *Undergraduate Catalog*.

- <sup>1</sup> This degree is made available at Cuyahoga Community College and Lorain County Community College in addition to the YSU campus offerings.
- <sup>2</sup> Restricted admission; see department for further information.
- <sup>3</sup> For the Institutional Report on the Quality of Teacher Preparation, Title II, Higher Education Act, please see Appendix C of the *Undergraduate Catalog*.
- <sup>4</sup> ROTC students are allowed certain modifications of the requirements, as explained in the Military Science section. ROTC programs are offered in agreement with Kent State University.

## Department of Criminal Justice and Forensic Sciences

(330) 941-3279

Youngstown State University offers two undergraduate programs in Criminal Justice:

- a two-year program in Criminal Justice leading to the degree Associate of Applied Science
- a four-year program leading to the degree Bachelor of Science in Applied Science with a major in Criminal Justice

The four-year degree is built upon a core-track concept with emphasis (track) areas in law enforcement, corrections, legal processes, and loss prevention/assets protection.

The department also offers eight (8) minors in several emphasis areas.

In each undergraduate area and certificate program, a grade of "C" or better must be received in each required Criminal Justice and Forensic Sciences course.

A graduate program is also available leading to the Master of Science degree in Criminal Justice. Refer to the Graduate Catalog for details.

## Admission Policy

Students wishing to transfer into the Department of Criminal Justice and Forensic Sciences must have a cumulative GPA of at least 2.0. **Note: individuals with a felony, drug, and/or domestic violence conviction will experience difficulty gaining employment in the criminal justice and forensic sciences or forensic science field.** Students with misdemeanor convictions should seek advice from an advisor in the Criminal Justice and Forensic Sciences program. Students with juvenile sex offense convictions should also seek advice.

## Retention Policy

The Department of Criminal Justice and Forensic Sciences expects its majors and students enrolled in its courses to engage in **legal**, ethical, professional, and civil behavior which respects the rights of all persons. Disruptive and inappropriate behavior (as defined in department, college, or University policy) may lead to removal from, or non-acceptance into, the department as a major or as an enrolled student in one of its courses. YSU requires a 2.0 overall GPA in order to graduate.

For more information, visit the *Department of Criminal Justice and Forensic Sciences*.

## Forensic Science Program

*Multidisciplinary program between the departments of Criminal Justice and Forensic Sciences, Biological Sciences, Chemistry, and Sociology and Anthropology.*

Youngstown State University offers an undergraduate degree, the Bachelor of Science in Applied Science, in Forensic Science. The program is housed in the Department of Criminal Justice and Forensic Sciences. Forensic science can be broadly defined as the application of science to law. This program is designed to give students both a theoretical and practical background in the scientific, legal, and investigative aspects of forensic science. Graduates of the program are prepared for continued education in graduate programs or for immediate employment in forensic science related facilities. Many careers in or related to forensic science require academic preparation beyond the undergraduate level. Students should be prepared to pursue advanced degrees within their discipline.

### Admission Policy

Students wishing to transfer into the forensic science program must have and maintain a cumulative GPA of at least 2.5. **Note: individuals with a felony, drug, and/or domestic violence conviction will experience difficulty gaining employment in the fields of forensic science and/or criminal justice.** Students with misdemeanor convictions or juvenile sex offense convictions should seek advice from an advisor in the Department of Criminal Justice and Forensic Sciences.

### Internships

YSU's forensic science program requires a six semester hour internship experience which will provide students with the opportunity to integrate academic studies with the daily operations of a forensic science related facility. Each semester hour requires approximately 45 on-site hours. Internships also foster the development of networking relationships with practitioners who can assist in procuring future employment. Certain criminal convictions may prohibit students from being eligible for an internship experience.

For more information, visit the Forensic Science Program. (p. 379)

## Police Academy and Internships

YSU's Criminal Justice and Forensic Sciences department now offers a full-service police academy, Basic Peace Officer Training Academy. Admission to the academy is open to all qualified applicants who meet admission standards of YSU and the Ohio Peace Officer Training Commission. All instructors in the Academy are certified by the Ohio Peace Officer Training Commission and meet all of the requirements to teach in the Basic Police Academy. YSU students who successfully complete the Academy will receive 16 semester hours of credit and a letter from the Ohio Peace Officers Training Commission that will qualify them for certification upon being commissioned. The new curriculum consists of a minimum 558 hours of training. Application packets can be picked up at the Academy Office, Cushwa Hall Room 2361.

YSU's Criminal Justice and Forensic Sciences Department has an internship experience that provides students with an opportunity to integrate academic studies with the daily operation of a Criminal Justice and Forensic Sciences agency. Internships also foster the development of networking relationships with practitioners who can assist in procuring future employment. **Certain criminal convictions may prohibit students from being eligible for an internship experience.** Student interns register for 3 to 12 semester credit hours. Each credit hour requires approximately 45 on-site hours. This program is for seniors. Students can enroll in the Police Academy or an internship, but not both.

### Chair

**Patricia Bergum Wagner, J.D.**, Associate Professor, Chair

### Professor

**Christopher M. Bellas, Ph.D.**, Associate Professor

**Susan Ann Clutter, M.F.S.**, Associate Professor

**Gordon G. Frissora, Ph.D.**, Associate Professor

**John M. Hazy, Ph.D.**, Professor

**Tammy A. King, Ph.D.**, Professor

**Monica Merrill, Ph.D.**, Assistant Professor

**Christian C. Onwudiwe, Ph.D.**, Assistant Professor

**Richard Lee Rogers, Ph.D.**, Assistant Professor

**Robert E. Wardle, M.S.**, Associate Professor

## Majors

- AAS in Criminal Justice, Law Enforcement Track (p. 371)
- AAS in Criminal Justice, Corrections Track (p. 370)
- AAS in Criminal Justice, Loss Prevention/Assets Protection Track (p. 370)
- BSAS in Criminal Justice, Law Enforcement Track (p. 375)
- BSAS in Criminal Justice, Corrections Track (p. 373)
- BSAS in Criminal Justice, Loss Prevention/Assets Protection Track (p. 378)
- BSAS in Criminal Justice, Legal Process Track (p. 376)
- BSAS in Criminal Justice, Generalist Track (p. 372)
- BSAS in Forensic Science (p. 379)

## Minors

- Minor in Criminal Justice - Corrections (p. 381)
- Minor in Criminal Behavior (p. 381)
- Minor in Criminal Justice Ethics (p. 381)
- Minor in Criminal Justice System (p. 381)
- Minor in Criminal/Legal Processes (p. 381)
- Minor in Forensic Science (p. 382)
- Minor in Juvenile Justice System (p. 382)
- Minor in Law Enforcement (p. 382)
- Minor in Loss Prevention and Assets Protection (p. 382)

## Certificates

- Certificate in Basic Peace Officer Training (p. 381)

### CJFS 1500 Introduction to Criminal Justice 3 s.h.

Overview of the American criminal justice process with emphasis on its constituent foundations, its constitutional limits, and the rights of the individual from arrest through sentencing and release.

**Gen Ed:** Social Science.

### CJFS 1510 Survey of Forensic Sciences 3 s.h.

Overview of history, evolution, and current status. Discussion of training, education, certification, accreditation, and legal issues. Designed to be accessible to students without a science background and provide an introduction to forensic science for those considering further studies.

### CJFS 2601 Policing 3 s.h.

The evolution, structure, and function of modern police organizations; the role of police in a democratic society; the impact of social, political, and economic influences; contemporary practices and controversies.

**Prereq.:** CJFS 1500.

**CJFS 2602 Criminal Courts 3 s.h.**

Structure and function of criminal courts in American society, perceptions of national commissions; organization, administration, and caseload relationships with appropriate social agencies.

**Prereq.:** CJFS 1500 or permission of instructor.

**CJFS 2603 Corrections 3 s.h.**

Development and description of the American correctional systems' history and philosophy; the constitutional foundations of its control, and the rights of those within it. Overview of treatment approaches.

**Prereq.:** CJFS 1500.

**CJFS 3700 Forensic Fire and Explosives Investigation 3 s.h.**

Principles of fire science including fire detection, suppression, and investigation of both fire and explosion scenes. Special emphasis on concepts of fire progression, cause and origin determinations, arson investigation, and bombings.

**Prereq.:** CJFS 1500 or CJFS 1510.

**CJFS 3702 Correctional Strategies 4 s.h.**

Contemporary theory, practice, and research findings in the administration of juvenile and adult corrections. Community-based programs, including probation/parole/post-release control; institutional resources examined within the perspectives of prevention, control, and rehabilitation of the criminal offender. Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** CJFS 2603.

**Concurrent with:** CJFS 3702L.

**CJFS 3702L Correctional Strategies Laboratory 2 s.h.**

Contact, observation, and on-site examination and comparison of community programs and institutional facilities. On-site 6 hours per week for 7 weeks (students are divided into two groups). Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** CJFS 2603.

**Concurrent with:** CJFS 3702.

**CJFS 3710 Social Statistics 3 s.h.**

Measurement and interpretation of social data by use of descriptive techniques.

**Prereq.:** CJFS 1500.

**Cross-listed:** SOC 3701.

**CJFS 3712 Criminal Justice Research 3 s.h.**

Analysis of the major components of social research, including research design, sampling, measurement, data collection, analysis, and interpretation of findings.

**Prereq.:** CJFS 3710 or STAT 2601 or equivalent.

**CJFS 3714 Forensic Science: Crime Scene Investigation 2 s.h.**

An introduction to the legal and practical aspects of crime scene investigation. Emphasis on the value of physical evidence and the skills and tools needed to recognize, collect and preserve physical evidence found at a crime scene.

**Prereq.:** CJFS 1510 and sophomore standing.

**Concurrent with:** CJFS 3714L.

**CJFS 3714L Forensic Science: Crime Scene Investigation Laboratory 1 s.h.**

Laboratory section designed to teach the practical skills employed by criminalists collecting evidence at a crime scene. Students will gain experience using tools, techniques and procedures required to recognize and collect evidence by completing practical exercises.

**Prereq.:** CJFS 1510 and sophomore standing.

**Concurrent with:** CJFS 3714.

**CJFS 3715 Criminal Justice Management Concepts 3 s.h.**

Modern criminal justice management theory; organizational behavior, organizational development, personnel management, executive decision making, supervision problems. Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** CJFS 2601 or CJFS 2602 or CJFS 2603.

**CJFS 3716 Forensic Science Evidence Analysis 2 s.h.**

Serves as an introduction to the techniques, instrumentation and procedures used in the examination and analysis of physical evidence in a forensic laboratory setting and the legal aspects regarding the use of laboratory reports in the investigation process.

**Prereq.:** CJFS 3714, CJFS 3714L.

**Concurrent with:** CJFS 3716L.

**CJFS 3716L Forensic Science Evidence Analysis Laboratory 1 s.h.**

Laboratory section designed to familiarize students with instrumentation that is commonly used in the examination and analysis of physical evidence. Students will gain experience with the tools, techniques and procedures used for examining physical evidence through practical exercises.

**Prereq.:** CJFS 3714, CJFS 3714L.

**Concurrent with:** CJFS 3716.

**CJFS 3718 Family Law 3 s.h.**

Fundamental elements of family law, including premarital contracts, traditional and nontraditional marriages and families, procreation rights, legitimacy and paternity, adoption, divorce and separation, property division and support, custody and termination of parental rights, juvenile law, intra-family tort liability and domestic violence.

**Prereq.:** SOC 1500.

**Cross-listed:** CHFM 3718.

**CJFS 3719 Criminal Law 3 s.h.**

Development, theories, and purposes of criminal law; elements of a crime, parties to a crime.

**Prereq.:** CJFS 2602.

**CJFS 3720 Legal Research 3 s.h.**

In-depth study and legal research of case law, statutes, rules and regulations at the federal and state levels. Emphasis on how to find and use primary and secondary authority, how to conduct legal research, in-depth legal writing in areas such as torts, contracts, real estate, and criminal law.

**Prereq.:** CJFS 2602 or permission.

**CJFS 3721 Evidence 3 s.h.**

Admissibility of evidence, the hearsay rule and its exceptions, opinion evidence, circumstantial evidence, documentary evidence, presumptions, corpus delicti, and evidentiary privileges. Must be a Criminal Justice or Forensic Science major.

**Prereq.:** CJFS 2602.

**CJFS 3735 Crime and Delinquency 3 s.h.**

Study of the social context of crime in society, including a review of historical theories offered in explanation of criminal behavior. Review of social and psychological factors underlying delinquency, touching on treatment and preventive measures.

**Prereq.:** PSYC 1560 or SOC 1500 or CJFS 3736.

**CJFS 3736 Criminal Victimization 3 s.h.**

Dynamics of the victim-offender relationships within the Criminal Justice System. Review of advocacy programs including information on victim compensation/assistance programs. Examination of society's attitudes towards victims. Review of current laws advocacy for compensation of crime victims.

**Prereq.:** PSYC 1560 or SOC 1500 or CJFS 1500.

**CJFS 3740 Criminal Justice Information Systems 3 s.h.**

Information theory and practice applied to criminal justice agencies; automated systems in policing, courts, and corrections at the federal, state, and local levels; problems and constitutional constraints. Microcomputer and Internet assignments.

**Prereq.:** CJFS 1500.

**CJFS 3751 Prevention Strategies 3 s.h.**

Concepts and strategies of crime prevention, the protection of assets in the public and private sectors. Must be CJFS major, or have permission of chairperson.

**Prereq.:** CJFS 2601.

**CJFS 3752 Race, Ethnicity and Crime in America 3 s.h.**

A critical analysis of current research and theories of racial and ethnic discrimination within the American criminal justice system. The discussion will center on issues relating to: patterns of criminal behavior and victimization, police practices, court processing and sentencing, the death penalty, and correctional programs.

**Prereq.:** CJFS 1500, SOC 1500, or PSYC 1560.

**CJFS 3765 Human Relations 3 s.h.**

Methods of coping with conflicts arising from law violation intervention; programs for improving interpersonal relations between police and the community.

**Prereq.:** SOC 1500 and PSYC 1560 plus 9 s.h. in CJFS.

**CJFS 3777 Ohio Peace Officer Basic Training 16 s.h.**

The Ohio Attorney General's Office, Peace Officer Training Academy's requirements for peace/police officers are taught in the academy. The training academy at YSU consists of approximately 585 classroom hours (5 days a week, 8 hours a day for 15 weeks, plus a minimum of three weekends). Upon completion, students receive eligibility from the Ohio Peace Officer Training Commission for certification if they successfully pass the physical, skills, and written exams.

**Prereq.:** Senior standing and permission from the Academy Coordinator.

**CJFS 3799 Directed Individual Study 1-5 s.h.**

Individual study or field research of a special topic related to the criminal justice field. Application must be made to the department prior to registration. May be repeated once for a maximum of 6 s.h.

**Prereq.:** Senior standing and 15 s.h. of CJFS and approval of instructor.

**CJFS 4800 Senior Seminar 3 s.h.**

Overview of the criminal justice system in the United States. Review of constitutional issues, discussion of contemporary issues. Serves as the criminal justice generalist track senior capstone course. Portfolios and resumes prepared, assessment exam. Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** Senior standing.

**CJFS 4803 Correctional Case Management and Treatment 3 s.h.**

Theory and techniques of counseling and interviewing the correctional client including case management. Simulated field and clinical situations to provide experience in interviewing and report writing. Portfolios and resumes prepared, assessment exam. Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** CJFS 3702.

**CJFS 4807 Criminal Justice Internship 3-12 s.h.**

Field experiences in an appropriate criminal justice agency under the direction of qualified and experienced professionals. Grading is CR/NC. May be repeated once for a maximum of 12 s.h.

**Prereq.:** Senior standing in CJFS and specific emphasis area courses per department guidelines.

**CJFS 4848 Loss Prevention and Assets Protection Administration 3 s.h.**

Security standards, policy, and regulations at the state and federal levels as they impact on the security operations. Administrative decisions regarding security program. Plant protection, safety and security; credit and insurance investigative procedures. Portfolios and resumes prepared, assessment exam.

**Prereq.:** CJFS 3751 and senior standing in criminal justice or permission of chairperson.

**Gen Ed:** Capstone.

**CJFS 4850 Special Topics in Criminal Justice 3-5 s.h.**

Contemporary issues in criminal justice. Topics are announced prior to enrollment.

**Prereq.:** Senior standing or permission of instructor.

**CJFS 4850I Special Topics in Criminal Justice Israel 3-5 s.h.**

Contemporary issues in criminal justice. Topics are announced prior to enrollment.

**Prereq.:** Senior standing or permission of instructor.

**CJFS 4851 Women and Justice 3 s.h.**

Examines the historical development and current women's issues as they related to the justice system. Women's roles in the legal system, prisons (as staff and offenders), victims and perpetrators of violence, policing society and organized crime. Female juvenile delinquency and controversial topics such as abortion and capital punishment.

**Prereq.:** Senior standing or permission of the chair.

**CJFS 4870 Law Enforcement Administration 3 s.h.**

Detailed examination of the administration of line and staff services of law enforcement agencies and the role of technology in administration. Portfolios and resumes prepared, assessment exam. Must be a Criminal Justice major or have permission of chairperson.

**Prereq.:** CJFS 3715 and senior standing.

**CJFS 4890 Judicial Administration 3 s.h.**

Court management examined in light of structure, judicial responsibility, and inherent power of courts. Case flow, case management, automation, and judicial staffing. Portfolios and resumes prepared, assessment exam.

**Prereq.:** CJFS 3715 and CJFS 3719 and senior standing in criminal justice or permission of chairperson.

**CJFS 5802 Corrections Law and Liability 3 s.h.**

Analysis and examination of legal mandates and restrictions affecting the field of corrections. History of the development of offender rights, current issues surrounding offender rights, and future concerns in this area. Jail and prison standards, accreditation standards, case law, and liability concerns.

**Prereq.:** CJFS 3702 or approval of instructor.

**CJFS 5814 Practice and Ethics in Forensic Science 3 s.h.**

Overview of the forensic science discipline as it relates to the criminal justice system including discussion of legal aspects, constitutional considerations, expert testimony, the role of the expert witness, and ethical standards and dilemmas. Also includes discussion of current events and the evolution and future of the forensic sciences.

**Prereq.:** CJFS 3714 and CJFS 3714L.

**Gen Ed:** Capstone.

**CJFS 5820 Advanced Legal Research 3 s.h.**

Advanced techniques in conducting legal research using standard reference tools as well as automated on-line services and the Internet. Analysis of findings of legal issues related to criminal justice, report and memoranda writing utilizing the Harvard University System of Citations, legal forms and terminology.

**Prereq.:** CJFS 3720 or approval of instructor.

**CJFS 5825 Criminal Procedures and Constitutional Issues 3 s.h.**

Constitutional foundations of the American criminal justice process with special emphasis on recent Supreme Court decisions. Legal and practical applications of the laws of arrest, criminal procedure, search and seizure, court structures, and federal civil rights.

**Prereq.:** CJFS 3719 and must be a criminal justice major or have permission of chairperson.

**CJFS 5831 Violence in America 3 s.h.**

Analysis of violence in America including official and unofficial statistics, types and levels of violence, research findings, and profiles of offenders. Case analysis of domestic violence, juvenile violence, gangs, and other forms of violence.

**Prereq.:** CJFS 3735.

**CJFS 5865 Gathering and Using Information in Criminal Justice 3 s.h.**

Specialized communication skills to prepare criminal justice practitioners in information-gathering techniques, written presentation techniques, verbal and nonverbal communication skills within constitutional guidelines.

**Prereq.:** CJFS 3712 or CJFS 3765.

**CJFS 5875 Juvenile Justice System 3 s.h.**

In-depth analysis of the specialized agencies and procedures developed to deal with problems of juveniles from a historical and philosophical perspective. Consideration of the juvenile court, community-based programs, institutionalization.

**Prereq.:** Senior standing.

**CJFS 5892 Comparative and International Criminal Justice Systems 3 s.h.**

An examination of how countries' criminal justice systems are shaped and molded by elements of culture, religion, and political ideology of the area. Emphasis will be placed on comparing and contrasting the selected countries' criminal justice systems with those found in the United States of America.

**Prereq.:** Senior standing or permission of the chair.

## Learning Outcomes

The student learning outcomes for majors within the Criminal Justice and Forensic Sciences Department are as follows:

- Students will identify the key aspects to the elements of law (Certificate in Basic Police Training and job preparation).
- Students will develop knowledge about criminological theories and public policy practices (legal, economic, and social) that influence the American Criminal Justice and Forensic Sciences system (Associate of Applied Science degree in Criminal Justice and Forensic Science).
- Students will communicate their knowledge about criminological theories and public policy practices (legal, economic, and social) that influence the institutions of the American Criminal Justice and Forensic Sciences system through details of its subsystems-policing, courts, and corrections (Bachelor of Science in Applied Science in Criminal Justice and Forensic Science).
- Students will understand the basic principles of the scientific disciplines (i.e. chemistry and biology) included in their curriculum. (Bachelor of Science in Applied Science in Forensic Science).

## Associate of Applied Science in Criminal Justice, Corrections Track

The Associate of Applied Science (AAS) degree in Criminal Justice is considered appropriate for persons preparing for employment in many municipal, state, and private police agencies as well as persons considering employment in local, state, federal, and private correctional facilities. The associate degree also is a stepping stone for those students who plan to go on for a bachelor's degree. The associate degree in Criminal Justice has three tracks:

- law enforcement track
- corrections track
- loss prevention/assets protection track

The program requires 60 semester hours:

- 34 hours in general degree requirements
- 18 hours in Criminal Justice and Forensic Sciences core courses
- 8 hours in the selected track

The Associate of Applied Science degree can be completed in four semesters if students average 15 hours per semester.

Transfer students must take at least 20 hours of YSU courses. Sixteen (16) semester hours of Criminal Justice and Forensic Sciences course work must be taken at Youngstown State University.

The associate degree is built upon core/track concept with emphasis (track) areas in:

- law enforcement
- corrections
- loss prevention/assets protection

Core courses for an associate degree are:

COURSE	TITLE	S.H.
CJFS 2601	Policing	3

CJFS 2602	Criminal Courts	3
CJFS 2603	Corrections	3
CJFS 3735	Crime and Delinquency	3
CJFS 3719	Criminal Law	3

Students choose an additional 12 credit hours from one of the emphasis areas. See department for course options.

COURSE	TITLE	S.H.
<b>General Education Requirements</b>		
Core Competencies		
ENGL 1550	Writing 1	3
ENGL 1551	Writing 2	3
CMST 1545	Communication Foundations	3
HAHS 1500	Introduction to the Bitonte College of Health and Human Services	2
SOC 1500	Introduction to Sociology	3
Arts and Humanities		
PSYC 1560	General Psychology	3
PHIL 2625	Introduction to Professional Ethics	3
Natural Sciences (with lab)		
<b>Major Requirements</b>		
CJFS 1500	Introduction to Criminal Justice	3
CJFS 2601	Policing	3
CJFS 2602	Criminal Courts	3
CJFS 2603	Corrections	3
CJFS 3719	Criminal Law	3
CJFS 3735	Crime and Delinquency	3
<b>Elective</b>		
<b>Corrections Track</b>		
Select 12 s.h. from the following:		12
CJFS 3702 & 3702L	Correctional Strategies and Correctional Strategies Laboratory	
CJFS 3715	Criminal Justice Management Concepts	
CJFS 3736	Criminal Victimization	
CJFS 3740	Criminal Justice Information Systems	
CJFS 3765	Human Relations	
CJFS 4803	Correctional Case Management and Treatment	
<b>Total Semester Hours</b>		<b>60</b>

## Learning Outcomes

1. Students can discriminate the influence of the CJ system at the subsystem levels (policing, courts, and corrections).
2. Students can apply CJ theories.
3. Students can analyze legal situations.

## Associate of Applied Science in Criminal Justice, Loss Prevention/Assets Protection Track

The Associate of Applied Science (AAS) degree in Criminal Justice is considered appropriate for persons preparing for employment in many municipal, state, and private police agencies as well as persons considering employment in local, state, federal, and private correctional facilities. The associate degree also is a stepping stone for those students who plan to go on for a bachelor's degree. The associate degree in Criminal Justice has three tracks:

CJFS 3765	Human Relations	
CJFS 3777	Ohio Peace Officer Basic Training	
CJFS 4870	Law Enforcement Administration	
<b>Total Semester Hours</b>		<b>60</b>

## Learning Outcomes

1. Students can discriminate the influence of the CJ system at the subsystem levels (policing, courts, and corrections).
2. Students can apply CJ theories.
3. Students can analyze legal situations.

## Bachelor of Science in Applied Science in Criminal Justice, Generalist Track

A Bachelor of Science in Applied Science (BSAS) degree in Criminal Justice requires a minimum of 120 semester hours. All Bachelor of Science in Applied Science students must complete a minimum of 45 semester hours of Criminal Justice courses of which 36 semester hours or more must be taken from upper-division courses. The courses are listed as CJFS courses. This degree can be earned in eight semesters if students average 15 hours per semester.

Transfer students must complete a minimum of 18 hours in Criminal Justice and Forensic Sciences courses at YSU. All majors must complete:

- the core requirements:

COURSE	TITLE	S.H.
CJFS 2601	Policing	3
CJFS 2602	Criminal Courts	3
CJFS 2603	Corrections	3
CJFS 3710	Social Statistics	3
CJFS 3712	Criminal Justice Research	3
CJFS 3715	Criminal Justice Management Concepts	3
CJFS 3719	Criminal Law	3
CJFS 3735	Crime and Delinquency	3
<b>Total Semester Hours</b>		<b>24</b>

- 27 hours of CJFS electives, (21 hours of 37XX or above and 6 hours of 48XX or above as designated on the department's curriculum sheet) plus CJFS 4800 Senior Seminar.

## Generalist Track

A generalist track is available for transfer students and students seeking a nontraditional area of study such as victim's rights and juvenile justice. This track is available to students at institutions participating in the interactive distance learning (IDL) agreements with the University. Department approval and 15 hours of course work are required.

A grade of C or better must be received in each required Criminal Justice and Forensic Sciences course in order to satisfy the departmental requirements for the degree.
