Dear Sweetheart Mary  
Today I received your letter of July 1  
very happy to hear your doing fine  
so far I feel the same.

Well honey very sorry  
you haven't heard from me but  
I been writing all time don't worry  
I feel fine I hope you feel the same  
What you mean I don't write  
to you anymore no honey if I die  
I can't write to you or else nobody  
can't stop me. I write to you all the time  
because you're mine your my wife someday  
this war will be the end then  
we can see each other again and stay together.

Don't worry your heart  
won't break because I love you  
very much with all my heart but  
if you listen to me you won't  
have to worry so much because I  
told you to get some ideas from  
me but you like to do things  
without telling me don't you honey.  
I'm your husband just because I  
don't sleep with you don't mean anything.

Bye the way why did you argue with  
your people honey for tell me  
may be they argue about us I hope  
not because they can't ~~do~~ do  
anything  
about us because I know you love  
me and I love you too

Yes darling I forgive you  
about the letter of 28. But you made  
me cry for while then I says to myself.  
I don't think she means all this words  
she says to me because I don't see  
any reason you to be this mad.

Now you says if I'm upset about  
your job. Yes honey I am I told you  
I don't want you to work at night  
if you can get day light job it's ok  
with me but if I was you keep  
on going to school because it's good  
to finish all your school someday  
you can get better job.

Honey I don't think your  
crazy because I know you was mad  
the day I forgive you don't worry  
your mine now but when I  
came home I'll forgive you different  
way ha" ha" do you going forgive me  
for what I'm going to do to you?

Now sweetheart we are going  
cross soon before 1st of August  
but honey don't worry I'll be

fine and thinking of you and waiting  
to come home to marry my love Mary  
but sweetheart if you don't hear from  
me for about a months don't worry  
because you know where I went because  
we are getting ready to leave this  
camp. Also I don't have much more  
to tell you writing you best luck  
In world Good night now  
Always your  
"Love"
