Dear Pete:

Your V letter &
the air mail letter
reached me this noon.
Glad that you are well.
I'm OK so far too.
I'm writing this
letter & have your
picture & your girl pic-
ture before me, say
you will get nice
piece meat waiting
for you when the
flight returns, H#!!
Don't mind me Pete
I'm a bit crazier
than when I last
left you, but I really
don't care the crazier
the better.

So you go out & have
good times & expect
your girl to be nice
to you, you had
better be careful
who you go with.

Pete, I'm like the
preacher we used to
have, he used to tell
the people what to do
but himself picked
even on a drink HA!
Here isn't any news
that I can tell you.

So be good & hope
that we get to see
in the near future.

Your Brother
"Tony"
