Hello Sweetheart,

How is my darling Pete today?
I hope you are fine at least now I can
say I'm ok. Well hon today is Sunday
and I thought I'd just write you a
few lines: I got your last letter Thursday
and I answered that. I hope I hear
from you tomorrow.

Today we are going to show, soon
we are going to eat but I thought I'd have
time enough to write to you. SO I can
mail this letter downtown because it goes
quicker.

Hon you ought to be glad your not
here now because couple days ago it
was actually snowing and today it looks
like snowing again. I hate this cold weather
fourth of April and still has to snow. I wish
it would get warmer and stay warm but
this weather is making lots of people sick.
I hope your having nice weather down
there.

Well sweetheart soon it will be one
one year your in army can you imagine
that how time passes. But I hope this
war will be over because you've been in
army long enough. Don't you think so?

Well hon you say you will be home soon. I really can't wait to see my sweetheart. Don't forget I want to know when you are coming home or else well you'll find out. After. No I won't do anything to you but I just want to know.

Well sweetheart what are you doing? Are you a good boy down there? By the way what happened to your friend Kennedy is he still down there or has he gone across. Sweetheart you should see all the soldiers in town. The Y.M.C.A. is a U.S.O. for all the soldiers that come from this Pennsylvania Camp. I wish you would be sent to the Penn. camp.

Well hon I guess I can't think of much to say anymore I hope I'll be seeing you soon I can't wait to see my darling soldier again. So everyone sends best regards and I wishing you best regards and I whing you loads of luck and God Bless You

Your sweetheart,
Mary Massullo

I love
You very
much always.
