Dear Sweetheart:

How is my handsome darling today? Everyone here is fine I guess. Today it looks like rain probably will too well I don't care because I'm not going anywhere.

Yesterday I didn't write to you sweet because I went to town in afternoon and then I was to see your brother because he wanted to know if my father would take him to the farm today but my good father hasn't come home yet from yesterday afternoon 3:00 and now its 12:00 Sunday well sweetie what do you think of that. If we get married I hope your not like that, but I know your not because I'd leave a man like that.

Well sweetheart I'm glad you finally got my letter and about that package you say the cake was good but I doubt it because it took too long to get there.

Sposa mia I hope you come home next month because I want to see you for I'm getting lonesome for you and I miss you terribly. Do you miss me hon just curious to know

Well yesterday I took some pictures with my camera.= but I haven't developed them yet if any come out and one good I'll send you some. Talking about picture, that's very smart of you how you take our pictures together. As I told you in the other letter I'll be getting my big picture in about a couple of weeks as soon as they have it made I'll send it if you still want it dear. (I just heard dad's car coming in the drive I thought I'd just let you know what kind of man he is.

Well dear how do you like my future sposed to be husband and 5 girls not even 1 g boy. I mean that card I got from Idora. Well I don't believe it and a bunch of hooey. But I thought I'd send it and let you know see I hope you didn't laugh.

I guess we'll be eating now I hope you could be here dear but someday you will for good. Well I can't think of much to say so wishing you all the good luck in this old world and Good Bless My honey.

Your sweetheart,
Mary Massullo
