

Aug. 28/42

My dear Pete.

Today I received 3 letters from you 25, and 2 from 26. So glad to hear that my honey is feeling fine and can say some for me.

How its funny how you don't get my letters or cards well I write every day so you should hear from me every day but you was in Alexandria for a couple of days so I can see why you didn't get my mail.

So sorry sweetie but I hope I don't break your heart too much because I love that heart.

Funny how you don't remember this Paul De Genaro but he used to work with you and that day you were leaving for the army he

was with you cause he had to tell  
you something. I've seen him with  
his daughters and he always asked about  
you, he also told me that you're  
a good fellow, your the best of your  
brothers, well I know that and I'm  
pretty lucky too, every body says so.  
Had sweetheart I didn't give him no  
address I guess your brother Emanuel  
must of gave it to him.

Sometimes I could slapp your  
naw ~~how~~ why should I give my  
picture to anyone else after all  
~~you are~~ <sup>you are</sup> my sweetie and no one else.  
Maybe you think that when I  
say I love you I'm fooling well  
I am not. If this war is over  
next year, I'm going to be Mrs.  
Pietro Centofanti next year. Buy that'll

be paradise. That's if you don't change  
your mind. I hope not cause Pete  
I really love you and I'll wait  
for you for ever. I'll always wait  
for you no matter what happens so  
don't forget that and I mean it too.

So sorry lover that I disappointed  
you but maybe this will cheer  
you up. I'm going down this  
afternoon and mail my picture  
so you can be expecting it next  
week. This is Friday so you should  
get it at least Tuesday. I hope you  
like it but I've had it now for  
a couple of weeks and I don't care for  
it so much. By the way don't  
show it to your friends cause it's  
nothing to look at well what I think  
it's really terrible. (I mean my picture)

Now you can tell your boy friends  
that you didn't get fooled. Thanks  
from the compliment but I'm not  
a beautiful girl..

What this that you're going to send  
money to pay for the sending of my  
picture to you, well you better not  
cause I'll send it right back and  
I'm not fooling either.

My father don't say anything  
about you so don't worry about  
him and if he would I wouldn't  
care ~~so~~ forget about him.

You want to know if I'm going  
to Pittsburg well I'm not talking  
to my mother cause she's mad at  
me so I don't know ~~that~~ yet.

⑤ But Gilda asked her and she says ~~maybe~~ yes but I'll write Sunday and tell you for sure any way their address is.

Terrace Village No. 1

Apt. 271 2188 Elmwood Square  
Pittsburg Pa.

You ask in one of your letters if I'm sure about you well I'm not and I do want to send my pictures to you and I am this afternoon.

You say if I know something about you well what should I know about you. I only know that you're my sweetie and you love me and I love you too very much.

Well the weather today is very cloudy I think its going to rain and were just starting to paint our house so when you come on furlough your going to see a new house.

Mary Jane remembers you, some times she says your her boyfriend. She's always talking about you.

Everyone sends best regards and I wish my darling Pete ~~best~~ lots of good luck

Love Your girlfriend
