My dear Pete:

Have my lover today? Today were all fine. Yesterday I received your card and letter such a nice letter. Its 11:30 now and I didn't have nothing to do until dinner so I thought I'll start writing to my sweetie. Weather here rained all day yesterday which was Saturday. But today the sun is shining. I hope its nice down there. By the way aren't there a lot of Negroes down there and near which city are you?

You want to know if I get letters from you I do every day so don't worry about that. Sweetie if you put stamps on them air mail or the others I get them in the same time. It takes 2 days just the same.

I sent for the True Stories Magazine but I haven't heard nothing from them so if they ^{don't} ~~can't~~ send them to me I don't hear from them till write to them again. After all you paid for it. And now do you think I'll believe that you say you dream about me every night I will not. So don't lie to me. Maybe everyone in a while but not every night because it can't be possible.

Sweetie is that how bad you wanted to get to know me well you know where I lived why didn't you come up to see me. You never even was near my place cause I never seen you around there.

Listen you, you know your good looking but you just don't want to admit it. Well sweetie

if you want to know what I'll do to you I'll
give you a big kiss that's all. You too big
and I like you too much to do anything to
you. Well dear I hope they let you come
home soon because a lot of boys that left when
you did had their ten days furlough ~~other~~
already.

Well are you welding ^{now} ~~was~~ or did you
change your mind and are going to be cook
again. That fellow that's from the farm
is there too at your camp so maybe you'll
see him sometime.

Has Jerry written and have the old boys?
Is he still in the Air Corps.

Has Lou been writing to you? I hardly
ever see her because she's a working girl
girl. She's working at the Clara Leaf Dairy
The dairy down the corner. You know which
one I'm talking about. Well I guess guess
I have nothing more to say.

Everyone says hello and wishing you
good luck
your sweethearts,
Mary Masullo.

You want to know
if I love you ^{you} ~~very~~ ^{very} much.

Sweetie try to come home
cause I want to see my
sweetheart so bad.

Bye Maw.
Cherio.

Bye Dad

Watch out for those Sutherland gals.
Because I'm
jealous of them.
