## **Descriptive Summary**

- Title:** Finding aid for the Bitonte College of Health and Human Services, 1966-2013
- Creator:** Files from the Dean's office of BCHHS
- Extent:** **9.45** Cubic feet (26 half size boxes)
- Abstract:** Contains the files from the Deans office of BCHHS. Includes department and committee minutes, accreditation files, faculty information, reports and governance documents mainly from 1990-2010s.

## **Administrative Information**

- Provenance:** Mostly from Deans John Yemma (1992-2008) and Joseph Mosca (2009-2013)
- Preferred Citation:** Youngstown State University, Bitonte College of Health and Human Services RG #18, Archives & Special Collections, William F. Maag, Jr. Library, Youngstown State University, Youngstown, Ohio.
- Restrictions:** None
- Processing :** Processed by Lisa Marie Garofali, 2019 and Oct-Nov. 2023
- Finding Aid:** Written by Lisa Marie Garofali, Nov. 2023

## Historical Background

The College of Health & Human Services at Youngstown State University was created on July 1, 1993, and currently houses the Centofanti School of Nursing, Department of Criminal Justice and Consumer Sciences, Department of Graduate Studies in Health and Rehabilitation Sciences, Department of Health Professions, Department of Military Science, and Department of Social Work. Together these departments offer 2 Associate Degrees, 4 Undergraduate Certificates, 24 Bachelor Degrees, 9 Graduate Certificates, 9 Master's Degrees, and 2 Doctoral Degrees.<sup>1</sup>

The College was created to recognize the common missions of programming in the health and human services industries, and to meet the need for highly educated professionals in those areas within northeastern Ohio. The College is committed to meeting national accreditation standards in each professional area and has demonstrated excellence in its graduates, as evidenced by high rates of licensure.

Following a restructuring of the twenty-five-year-old College of Applied Science & Technology, the departments of Allied Health, Criminal Justice, Nursing, and Human Ecology (formerly Home Economics) became the building blocks for the College of Health & Human Services. The creation of the College was the result of internal and external strategic planning processes. Two community/University task forces were instrumental in shaping the new College and directing new programming. Major successes that were recommended by the task forces and supported by the University include the B.S. in Physical Therapy, the Master of Science in Nursing, and the Master of Health & Human Services degrees.

During the past several years, the Department of Allied Health was renamed the Department of Health Professions and the Department of Military Science joined the College from the College of Arts & Sciences. The Department of Human Performance & Exercise Science and some programming in the health science area moved into the Department of Health Professions from the former Department of Health & Physical Education in the College of Arts & Sciences. The Department of Social Work was created from a restructuring of the Department of Sociology, Anthropology, & Social Work in the College of Arts & Sciences. The Department of Physical Therapy was created in 1996.

Cushwa Hall, which houses The Dominic A. & Helen M. Bitonte College of Health & Human Services, was built in 1972 and named for Charles B. Cushwa, Jr., a local industrialist who was actively involved in education and civic affairs. The naming of the

---

College is another henchmark in establishing Youngstown State University's College of Health & Human Services as the most important and largest institution in the northeast region of the state, preparing health and human service professionals for the 21st century<sup>2</sup>.

## **Scope and Content**

While this collection is dated from 1966-2013, most of the material is dated from the late 1990s to the mid to late 2000s. The collection is artificial with no real original order determined. The Programs and Accreditation series contains information about the colleges programs and information on accreditation or re-accreditation. Most of these files are dated 2000-2010 and is organized from the college level down to the program level. The Committees and Programs series is made up of mostly chairman committee minutes, department minutes and the university curriculum committee which may go hand in hand with program development. The Governance series is mostly a compilation of mission and goal statements from the university, college, and departments. Agreements and Contracts mainly refer to medical facilities and affiliations such as St. Elizabeth's Medical Center. Discusses in narrative form the strengths, weaknesses, and structure of the collection. The reports are assessment and annual reports for the college and its departments. Facilities contains information on the history of the college, the dedications and naming ceremonies, building renovations and classroom space. Subject Files are related to the university but not necessary to the mission of the BCHHS. These include things like materials related to events, building, and people on campus. The final series is the college's newsletter called, "LifeLines" and is dated from 1994-2007. It contains information on the college's events and faculty publications.

## **Colophon**

This collection came to the archives in 2018/2019 in the form of a records transfer from the administrative assistant to the Dean of The Bitonte College of Health and Human Services. Some weeding was done to remove unnecessary items such as purchase orders, copies and some transient materials. The collection was partially processed, but not completely pending more records transfers from the office.

Eventually, the collection was completely processed and this finding aid written in 2023. This collection was processed and finding aid was written by Lisa Marie Garofali, who has a M.A. in History and 16 years of experience working in the YSU Archives and Special Collections

## **Series Description**

Series I: Programs and Accreditation  
Series II: Committees and Minutes  
Series III: Governance  
Series IV: Agreements/Contracts  
Series V: Reports  
Series VI: Facilities  
Series VII: Subject Files  
Series VIII: Newsletters
