- (2) Final approval for the sale of alcoholic beverages at the event is contingent upon the sponsor having or obtaining an appropriate permit from the Ohio division of liquor control to sell such beverages. The sponsor is responsible for contacting the office of university events to obtain the permit application. Once completed, the application and required payment must be returned to university events for required signatures and submittal to the state. The approved permit is forwarded directly to the office of university events from the state of Ohio. A copy of the permit is made and filed and the original is given to the event sponsor to display at the event.

- (A) Policy statement. This policy governs the administration of scholarships and grants at Youngstown state university (YSU) and establishes principles, policies, and responsibilities for the awarding of scholarships. YSU awards scholarships to eligible students through funds provided by the YSU Foundation, private donors, the federal and state governments, university general funds and other external sources. The university's enrollment strategy relies, in part, on the use of student scholarships. Accordingly, the university's enrollment goals shall be aligned with its scholarship strategies. To ensure that annual scholarship spending is within the university's approved budget, and to ensure compliance with all state and federal laws and applicable student aid regulations, the administration of scholarships shall be centrally managed by the office of financial aid & scholarships. The associate vice president for student enrollment & business services shall have the final decision on the suitability of scholarship & grant expenditures.
- (B) Definitions.
- (1) "Scholarships" are financial support based on defined criteria and may be awarded on a one-time or renewable basis to defray the cost of direct tuition and fees charges and indirect college expenses (depending on award criteria) if the total amount of aid received does not exceed the recipients total cost of attendance. Donor agreements establish the award criteria for recipient selection (i.e., financial need, program of study, GPA, etc.).
 - (2) "Grants" are funds based on defined criteria that typically requires financial need. Recipients are selected based on the award criteria

set by federal or state requirements or established by the university.

- (3) “Institutional Aid” is funded by YSU’s general fund or through undesignated & unrestricted scholarship funds the university receives from the YSU Foundation. These scholarship and grant funds are awarded based on enrollment and retention strategies or by required donor award criteria.
 - (4) “Prizes” are awarded during events or are based on competitions or other selection criteria; they act as scholarships for policy purposes.
 - (5) “Fellowships and Graduate assistantships” are financial support awarded to students to defray tuition.
 - (6) “Aid” means funds awarded to students, regardless of the funding source. Aid includes scholarships, grants, work-study employment, and student loans borrowed from federal and alternative loan sources.
 - (7) “Cost of attendance” includes estimated tuition, fees, room & board, transportation, books, and personal expenses. These costs are established by the office of financial aid & scholarships based on the average or actual expenditures.
 - (8) “Total financial aid package” means the aggregate amount of aid provided to a student from all funding sources.
- (C) Procedures.
- (1) Scholarships must be centrally administered by and awarded through the office of financial aid and scholarships.
 - (2) In instances where student aid is decided outside of the centrally managed scholarship programs, it is the responsibility of the awarding authority/department to select students in accordance

with donor stipulations in conformance with state and federal law, to adhere to all applicable rules and regulations pertaining to scholarships and aid, and to promptly communicate award recommendations to the office of financial aid and scholarships. Awarding authorities that do not comply with donor stipulations may be subject to disciplinary action.

- (3) A student's total financial aid package/offer cannot exceed the student's total cost of attendance, and, in the case of need-based scholarships, cannot exceed the recipient's unmet need. Upon notification by the office of financial aid and scholarships, aid may be disbursed to the student's account.
- (4) If a student's total financial aid package/offer exceeds the student's direct tuition, fee, book, and room & board charges, the student may be entitled to a refund. Scholarships may be refundable to the student to use towards indirect colleges expenses depending upon the terms of the scholarship. If a student receives additional aid after the calculation of the total financial aid package, certain forms of need-based financial aid may be subject to reduction. Loans will be reduced before any other aid sources, except if the terms of a particular award require that it be reduced before financial aid from any other source is reduced.
- (5) Scholarships may be awarded on a one-time or renewable basis. Renewable scholarships must have defined criteria for scholarship retention, such as GPA requirements, and specified limits regarding the maximum number of terms or credit hours to be covered.

- (A) Policy statement. The assumption of debt is governed by sections 3345.12, 3345.07, 3345.64, and 3345.66 of the Revised Code and is subject to board approval.
- (B) Purpose. The amount of debt issued by the university impacts the financial health of the university and its credit rating. The purpose of this policy is to establish parameters for the issuance of debt, including refinancing of existing debt, to ensure an appropriate mix of funding sources for the university's capital and strategic plans, while considering the long-term financial sustainability of the university. Debt is a valuable source of capital project financing and its use should be limited to projects that support the mission and strategic objectives of the university.
- (C) Definitions.
- (1) "Debt financing" includes long-term, short-term, fixed-rate, and variable-rate debt, and any instruments that have the effect of committing the university to future payments for current capital or operating needs.
 - (2) "Debt" includes bonds, capital leases, on- and off-balance sheet financing, as well as any legal derivative instruments.
 - (3) For the purposes of this policy, "debt" does not include installment payment plans that are part of a multi-year vendor agreement.
- (D) Parameters.

- (1) When evaluating the issuance of debt, the university will take the following actions:
 - (a) Identify and prioritize capital projects considered eligible for debt financing and ensure that debt-financed projects have a feasible plan of repayment.
 - (b) Define the quantitative tests that will be used to evaluate the university's overall financial health and present and future debt capacity.
 - (c) Define project specific quantitative tests, as appropriate, which will be used to determine the financial feasibility of an individual project.
 - (d) Manage the university's debt to maintain an acceptable credit rating. The university, consistent with the capital objectives, will limit its overall debt to a level that will maintain an acceptable credit rating with bond rating agencies.
 - (e) Limit risk to the university's total debt portfolio. The university will manage debt on a portfolio basis to diversify exposure and will use an appropriate mix of fixed and variable rate debt to achieve the lowest cost of capital while limiting exposure to market interest rate shifts.
 - (f) Monitor the interest rate environment to limit its exposure to risks associated with variable rates.
- (2) Debt funding is not recommended under the following circumstances:
 - (a) To finance purchases of assets whose lives are shorter than five years;
 - (b) To finance recurring maintenance expenditures; and
 - (c) When market conditions are unstable or present difficulties in achieving acceptable interest rates.

- (3) Short-term bond anticipation notes (with final maturities of five years or less) may be issued to finance projects or portions of projects and are appropriate under the following conditions:
- (a) As a source of permanent financing for projects with useful lives of less than five years;
 - (b) As a temporary funding source prior to and in anticipation of other funding sources, such as long-term bonds, state capital appropriations, and philanthropic funding; or
 - (c) When the immediate need for financing is five million dollars or less.
- (4) The following parameters are established for long-term debt:
- (a) To minimize overall interest rate risk, the amount of variable rate financing shall not exceed twenty-five per cent of the university's outstanding debt, on and off balance sheet.
 - (b) Projects financed with long-term debt should have an expected useful life that is equal to or greater than the debt structure.
 - (c) The addition of long-term debt may not be advisable if the university's Senate Bill 6 composite ratio, as measured by the Ohio department of higher education, is below 2.5, or if the addition of debt results in a projected composite ratio of below 2.5.
 - (d) It is the objective of the university to maintain no less than a single "A" category underlying rating for all debt at the time of issue.
 - (e) Refinancing may be considered when net present value savings percentage is equal to or greater than three per cent. Refinancings that do not produce the minimum three per cent net present value savings will be considered when there are substantial benefits to the university, including eliminating restrictive bond covenants.

- (5) The university's current debt structure and debt service schedule will be reported annually as part of the audited financial statements.
- (6) Proposals for future debt financing plans will be presented to the board of trustees in a timely manner.
- (7) Exceptions to this policy require written justification from the vice president for finance and business operations and the approval of the board of trustees.

Housing & Residence Life Proposed Rate Changes, 2024-2025

In looking ahead, Housing & Residence Life proposes the following changes for consideration:

- 1) Continuation of increase to the residence hall room & board rate for the incoming Penguin Tuition Promise cohort (\$5,460/semester and \$10,920/academic year). This rate reflects a board plan that will increase up to 8% per the CPI, in addition to room revenue increasing by 3% from the previous year. Overall, this new rate is a \$533 increase from last year.
 - This is in response to a national fiscal climate in which operating costs continue to increase significantly.
 - Continuation of increase to room and board rates allow us to continue to fiscally support strategic efforts that address significant maintenance and facilities-based deficiencies in our aging residence halls and remain competitive amongst the backdrop of other newer housing options that are close to campus. A complete elevator replacement at Lyden will occur in Summer of 2024 (\$600,000 project), we continue to replace Kilcawley House windows (\$50,000 per floor) and simultaneously save towards a floor coverings renovation in Lyden and Wick, as well as room furniture upgrades in Lyden and Cafaro House.
- 2) In an effort to accommodate an increasing number of students who want to live on campus (driven significantly by our international student population), the number of singles offered into the 2024-2025 year will continue to be reduced. In addition, the single room upcharge will increase from \$1,000/semester to \$1,250/semester.
- 3) With a year of post-COVID occupancy in Weller House, we'd like to maintain the rates for our graduate and family housing program, but introduce a new rate that would allow us to generate extra revenue while also accommodating multiple graduate students in a shared apartment scenario. Typically, we hold our multi-bedroom apartments offline for family housing assignment purposes, however we are proposing that come August, if we cannot fill these multi-bedroom units, that we would allow graduate students to reserve them at the new Graduate shared apartment rate of \$5,850 (Academic year cost) and/or \$650/month over the summer period.

University Courtyard Proposed Rate Changes, 2024-2025

- 1) Rates continue to slightly increase in response to a national fiscal climate in which operating costs continue to also increase significantly and we continue to plan fiscally for many facilities-based upgrades, both short and longer-term (gutter replacement, window replacement, exterior trim).
- 2) Monthly rates will increase by \$15 for each apartment type. FY25 rates will be as follows:
 - 1-BR apartment: \$895/month
 - 2-BR apartment: \$765/month
 - 4-BR apartment: \$670/month

- 3) Included in the 24-25 rates will be the addition of an introductory meal plan of \$50 value (\$25 Pete's Points and \$25 Flex Dollars) that will showcase the dining options on/close to campus and the convenience that a campus meal plan provides.
- 4) In lieu of the \$132 Resident Shield fee (which, from recent experience, has not proven to benefit students in the way that we hoped) the 24-25 Courtyards application process will now feature a \$250 pre-payment step, to further align the Courtyards application process with the Housing & Residence Life Residence Hall housing application process. The \$250 will not be an additional fee; it will be collected as an advance payment of the student's account balance. We will require this to be paid by the student in the initial stages of the application cycle, before their reservation is confirmed.

THE INTERNAL AUDIT CHARTER**

WHEREAS, the Internal Audit Charter (the Charter) defines the internal audit activity's purpose, authority, and responsibility; and

WHEREAS, the Charter establishes the internal audit activity's functional reporting relationship with the audit subcommittee, authorizes access to records, personnel, and physical properties relevant to the performance of engagements, and defines the scope of internal audit activities; and

WHEREAS, the Charter is reviewed and approved by the audit subcommittee annually as part of its oversight of the internal audit function; and

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of Youngstown State University does hereby renew the Internal Audit Charter, attached hereto.

Youngstown State University Internal Audit Charter

Introduction:

This charter is prepared in accordance with the Institute of Internal Auditors' (IIA) guidance as described later under the heading "Standards for the Professional Practice of Internal Auditing."

Purpose and Mission:

Internal audit is an independent and objective assurance and consulting activity designed to add value to improve the operations of Youngstown State University. The mission of internal audit is to enhance and protect organizational value by providing risk-based and objective assurance, advice, and insight. It assists the university in accomplishing its objectives by bringing a systematic and disciplined approach to evaluate and improve the effectiveness of the university's risk management, control, and governance processes.

Role:

The internal audit activity is established by the Board of Trustees ("Board") and its responsibilities are defined by the Audit Subcommittee ("Subcommittee") of the Board as part of its oversight role as defined in the Audit Subcommittee Charter.

Standards for the Professional Practice of Internal Auditing:

IA shall adhere to the mandatory elements of The Institute of Internal Auditors' (IIA) International Professional Practices Framework (IPPF), including the Core Principles for the Professional Practice of Internal Auditing, the Code of Ethics, the International Standards for the Professional Practice of Internal Auditing (the *Standards*), and the Definition of Internal Auditing. This mandatory guidance constitutes principles of the fundamental requirements for the professional practice of internal auditing and for ensuring the effectiveness of the internal audit activity's performance.

Authority:

Authority is granted for full, free, and unrestricted access to any and all of Youngstown State's records, physical properties, and personnel relevant to any function under review. All employees are expected to assist the internal audit activity in fulfilling its roles and responsibilities. The internal audit activity will also have free and unrestricted access to the Subcommittee and the Board.

Documents and information provided to the internal audit during a review will be handled in a prudent and confidential manner.

The Internal Auditor will report functionally to the Subcommittee and administratively (i.e., day to day operations) to the Vice President for Finance & Business Operations. The Internal Auditor collaborates with external providers engaged to assist in the direction and operation of the internal audit activity as determined by the management and the Subcommittee.

The Subcommittee will:

- Approve the internal audit charter.
- Approve the risk based internal audit plan.
- Approve the internal audit budget and resource plan.
- Receive communication from the Internal Auditor on the internal audit activity's performance relative to its plan and other matters.
- Approve decisions regarding the appointment and removal of the Internal Auditor.
- Make appropriate inquiries of management and the Internal Auditor to determine whether there is inappropriate scope or resource limitations.

Independence and Objectivity:

The internal audit activity will remain free from interference by any element in the University, including matters of audit selection, scope, procedures, frequency, timing, or report content to permit maintenance of a necessary, independent and objective mental attitude.

Internal auditors will have no direct operational responsibility or authority over any of the activities audited. Accordingly, they will not implement internal controls, develop procedures, install systems, prepare records, or engage in any other activity that may impair an internal auditor's judgment.

Internal auditors will exhibit the highest level of professional objectivity in gathering, evaluating, and communicating information about the activity or process being examined. Internal auditors will make a balanced assessment of all the relevant circumstances and not be unduly influenced by their own interests or by others in forming judgments.

The internal audit activity may provide consulting services to assist with opportunities for improving internal controls or provide other guidance as needed. This consulting service would not impede independence since management retains operational responsibility.

The Internal Auditor will confirm to the Subcommittee, at least annually, the organizational independence of the internal audit activity.

Scope on Internal Audit Activities:

The scope of internal auditing encompasses, but is not limited to, the examination and evaluation of the adequacy and effectiveness of the University's governance, risk management, and internal controls as well as the quality of performance in carrying out assigned responsibilities to achieve the University's stated goals and objectives. This includes:

- Evaluating risk exposure relating to achievement of the University's strategic objectives.
- Evaluating the reliability and integrity of information and the means used to identify, measure, classify, and report such information.

**RESOLUTION TO PREFER THE STUDENT CODE OF CONDUCT PROCEDURES
OVER O.R.C. 3345.21-3345.23 FOR STUDENTS ARRESTED AND CHARGED WITH
CRIMES OF VIOLENCE**

WHEREAS, Ohio Revised Code section 3345.21, *Authority to maintain law and order on campus*, grants general powers to the Youngstown State University Board of Trustees to maintain and regulate law and order on campus; and

WHEREAS, Ohio Revised Code section 3345.21 directs the Youngstown State University Board of Trustees to “adopt rules for the conduct of the students, faculty, visitors and staff.”; and

WHEREAS, the Youngstown State University Board of Trustees has previously adopted “The Student Code of Conduct” (policy 3356-8-01.1) which contains procedures intended to maintain and regulate law and order on campus while providing procedural due process to students; and

WHEREAS, Ohio Revised Code section 3345.22, *College student or staff member arrested for certain offenses to be afforded hearing; suspension; appeal* and Ohio Revised Code section 3345.23, *Dismissal of student or faculty or staff member on conviction of certain offenses*, passed in 1970 and 1974 respectively, prior to universities developing student codes of conduct, set forth a process to handle students arrested for crimes of violence. The process includes a hearing before a “referee”, and due process to determine whether a student should be suspended or placed on probation, pending the outcome of the criminal matter. This decision can be appealed to the common pleas court. Whether the student is ultimately reinstated or dismissed from the university is dependent upon the outcome of the criminal matter; and

WHEREAS, “The Student Code of Conduct” contains a similar process used to adjudicate incidents of student conduct which result in arrest from crimes of violence; and

WHEREAS, administering concurrent hearing procedures pursuant to both “The Student Code of Conduct” and Ohio Revised Code sections 3345.22-3345.23 is duplicative, laborious and confusing to the student;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of Youngstown State University does hereby approve a preference to conduct hearings pursuant to “The Student Code of Conduct” (policy 3356-8-01.1), rather than utilizing the hearing procedure detailed in Ohio Revised Code section 3345.22 for students charged with crimes of violence.

Miscellaneous Provisions

R.C. § 3345.22

3345.22 College student or staff member arrested for certain offenses to be afforded hearing; suspension; appeal

Currentness

(A) A student, faculty or staff member, or employee of a college or university that receives any state funds in support thereof, arrested for any offense covered by [division \(D\) of section 3345.23 of the Revised Code](#) shall be afforded a hearing, as provided in this section, to determine whether the person shall be immediately suspended from the college or university. The hearing shall be held within not more than five days after the person's arrest, subject to reasonable continuances for good cause shown, which continuances shall not exceed a total of ten days.

(B) The arresting authority shall immediately notify the president of the college or university of the arrest of a student, faculty or staff member, or employee of the college or university for any offense covered by [division \(D\) of section 3345.23 of the Revised Code](#). The hearing to determine whether the person shall be immediately suspended shall be held in the county where the college or university is located, before a referee appointed by the president. The referee shall be an attorney admitted to the practice of law in Ohio, but the referee shall not be attorney for, or a faculty or staff member or employee of, any college or university. Immediate notice of the time and place of the hearing shall be given or sent to the person.

(C) The referee may administer oaths, issue subpoenas to compel the attendance of witnesses and the production of evidence, and enforce the subpoenas, as well as preserve the order and decorum of the proceedings over which the referee presides, by means of contempt proceedings in the court of common pleas as provided by law.

(D) The hearing shall be adversary in nature and shall be conducted fairly and impartially, but the formalities of the criminal process are not required. A person whose suspension is being considered has the right to be represented by counsel but counsel need not be furnished for the person. The person also has the right to cross-examine witnesses against the person, to testify, and to present the testimony of witnesses and other evidence in the person's behalf. In the absence of a waiver of the right against compulsory self-incrimination, the testimony of a person whose suspension is being considered, given at the hearing, shall not subsequently be used in any criminal proceeding against the person. The referee may require the separation of witnesses and may bar from the proceedings any person whose presence is not essential to the proceedings, except that members of the news media shall not be barred from the proceedings.

(E) Upon hearing, if the referee finds by a preponderance of the evidence that the person whose suspension is being considered committed any offense covered by [division \(D\) of section 3345.23 of the Revised Code](#), the referee shall order the

person suspended, except that when the good order and discipline of a college or university will not be prejudiced or compromised thereby, the referee may permit the person to return to the college or university on terms of strict disciplinary probation. Subsequent violation of the terms of the probation automatically effects a suspension. A person suspended under this section may be readmitted pursuant to [division \(A\) of section 3345.23 of the Revised Code](#). A suspension under this section is in effect until the person is acquitted or convicted of the crime for which the person was arrested. If convicted, the person is dismissed pursuant to [section 3345.23 of the Revised Code](#).

(F) Upon acquittal, or upon any final judicial determination not resulting in conviction, of the charges for which a person is suspended pursuant to this section, the suspension automatically terminates, and the person suspended shall be reinstated and the record of the suspension expunged from the person's college or university record.

(G) An order of a referee pursuant to this section may be appealed on questions of law and fact to the court of common pleas of the county in which the college or university is located, within twenty days after the date of the order. If the court to which an appeal is taken determines that the good order and discipline of a college or university will not be prejudiced thereby, it may permit the person suspended to return to the college or university on terms of strict disciplinary probation.

(H) A person afforded a hearing pursuant to this section who does not appear at the hearing shall be declared suspended by the hearing officer.

3345.23 Dismissal of student or faculty or staff member on conviction of certain offenses

Currentness

(A) The conviction of a student, faculty or staff member, or employee of a college or university which receives any state funds in support thereof, of any offense covered by division (D) of this section, automatically effects the student's, faculty or staff member's, or employee's dismissal from such college or university, except as provided in division (E) of this section. A student dismissed pursuant to this section may be readmitted or admitted to any other college or university which receives state funds in support thereof, in the discretion of the board of trustees, but only upon the lapse of one calendar year following the student's dismissal, and only upon terms of strict disciplinary probation. The contract, if any, of a faculty or staff member or employee dismissed pursuant to this section is terminated thereby. A faculty or staff member or employee dismissed pursuant to this section may be re-employed by any such college or university, in the discretion of the board of trustees, but only upon the lapse of one calendar year following the faculty or staff member's or employee's dismissal.

(B) Upon conviction of a student, faculty or staff member, or employee of a college or university which receives any state funds in support thereof, of any offense covered by division (D) of this section, the court shall immediately notify the college or university of such conviction. The president, or other administrative official designated by the board of trustees, shall immediately notify such person of the person's dismissal. The notice shall be in writing and shall be mailed by certified mail to the person's address as shown in both the court and the university records. (C) No degrees or honors shall be conferred upon, no instructional credit or grades shall be given to, and no student assistance, scholarship funds, salaries, or wages shall be paid or credited to any student, faculty or staff member, or employee, in respect of the period such person is properly under dismissal pursuant to this section or under suspension pursuant to [section 3345.22 of the Revised Code](#).

(D) Without limiting the grounds for dismissal, suspension, or other disciplinary action against a student, faculty or staff member, or employee of a college or university which receives any state funds in support thereof, the commission of an offense of violence as defined in [division \(A\)\(9\)\(a\) of section 2901.01 of the Revised Code](#) or a substantially equivalent offense under a municipal ordinance, which offense is committed on or affects persons or property on such college or university, or which offense is committed in the immediate vicinity of a college or university with respect to which an emergency has been declared and is in effect pursuant to [section 3345.26 of the Revised Code](#), is cause for dismissal pursuant to this section or for suspension pursuant to [section 3345.22 of the Revised Code](#). Criminal cases resulting from arrests for offenses covered by division (D) of this section shall take precedence over all civil matters and proceedings and over all other

criminal cases.

(E) If a final judicial determination results in an acquittal, or if the conviction is reversed on appeal, the student, faculty or staff member, or employee shall be reinstated and the college or university shall expunge the record of the student's, faculty or staff member's, or employee's dismissal from the student's, faculty or staff member's, or employee's college or university records, and the dismissal shall be deemed never to have occurred.

ARTICLE 1

AGREEMENT AND RECOGNITION

1.1 This is an Agreement by and between Youngstown State University (hereinafter, “the University”) and the Youngstown State University Association of Classified Employees, an affiliate of the Ohio Education Association and the National Education Association (hereinafter, “the Union”). The purpose of this Agreement is to describe the terms and conditions of employment of the members of the bargaining unit defined in Article 2.

1.2 The University recognizes the Union as the exclusive representative of the bargaining unit defined in Article 2.

1.3 This Agreement constitutes the sole and only Agreement between the parties with respect to matters set forth herein. The parties acknowledge that each party had an opportunity during the negotiations leading to this Agreement to present for consideration of the other party any issue believed appropriate for negotiations.

1.4 Where this Agreement makes no specification about a matter, the University and the Union are subject to all University policies and work rules, applicable federal, state or local laws or ordinances pertaining to the wages, hours, and terms and conditions of employment for public employees, as specified in federal law and the Ohio Administrative and Revised Codes.

ARTICLE 2

SCOPE OF UNIT

2.1 The bargaining unit shall include all regular full-time, permanent part-time and intermittent classified civil service employees of the University certified by the Ohio State Employment Relations Board (hereinafter, SERB) on April 10, 1985, in Case Number 84-RC-09-2011; on October 8, 1987, in Case Number 87-REP-7-0030; on September 4, 1992, in Case Number 92-REP-04-0078; on December 15, 1995, in Case Number 95-REP-03-0060; on March 19, 1997, in Case Number 97-REP-02-0026; on April 24, 2004, in Case Number 04-REP-03-0059; on January 13, 2005, in Case Number 04-REP-11-0215; on June 21, 2007, in Case Number 07-REP-05-0080; and on March 14, 2019, in Case Number 2019-REP-01-0006. Appendix A to this Agreement specifies by position classification the full-service and permanent part-time service positions included in the bargaining unit; Appendix B to this Agreement specifies by position classification and department the classified positions which are currently excluded from the bargaining unit. Section 28.1 (“Intermittent Employees”) specifies the method by which intermittent employees will be included in the bargaining unit. Any new classification(s) added to the bargaining unit,

either by mutual agreement or SERB determination, shall be added to Appendix A as though originally included in the bargaining unit.

2.2 The parties will meet and confer to discuss the bargaining unit status of regular full-time, permanent part-time or intermittent classified civil service employees (as cited in Section 2.1 above) and/or classified or unclassified vacancies that are newly created or involve potential classification changes. This action will take place before either party submits the matter to SERB for a final and binding determination of bargaining unit status. Pending a decision reached by the parties and/or SERB determination the incumbent employee and newly created or vacant classified positions not excluded under Section 2.3 below will be placed into the bargaining unit. If a position previously deemed excluded is reclassified and the new position maintains all the duties that qualified it for exclusion, the new position will remain excluded.

2.3 Exclusions from the Bargaining Unit: The parties agree that the positions identified as excluded shall be excluded positions for the life of this agreement. Decisions related to additional excluded positions shall be by mutual agreement or shall be resolved by SERB.

2.4 Scope of Work: The University recognizes the integrity of the bargaining unit and therefore agrees it will not take any action, either arbitrary or capricious in nature, against the bargaining unit in the attempt to erode the bargaining unit.

In that regard, unless indicated otherwise in this agreement, it is the intent of the parties that non-bargaining unit employees be limited to performing work specifically and/or exclusively performed by bargaining unit employees under the following circumstances: 1) in cases of emergency; 2) to provide coverage for unplanned absences when a qualified bargaining unit member is not available; 3) when necessary to provide break and/or lunch relief; 4) to instruct or train employees; 5) to demonstrate the proper method of accomplishing the tasks assigned; 6) to assess work practices; 7) to allow the release of employees for union activities or 8) for any other reason mutually agreed upon by the parties. Non-bargaining unit employees may be permitted to assist bargaining unit employees with performing work specifically and exclusively performed by bargaining unit employees.

3.6 Distinguished Classified Civil Service Awards: Each year, up to eighteen (18) bargaining unit members will be granted a Distinguished Classified Civil Service Award in recognition of outstanding performance of their duties and/or public/community service. The recipients will be selected by a three (3) member Distinguished Service Committee, which will be chaired by the Chief Human Resources Officer of the University or their designee, with one (1) member designated by the President of YSU-ACE or their designee, and the third member designated by the first two (2) members.

Full-time Bargaining Unit Member Eligibility: Bargaining unit members must have at least three (3) complete years of University service ~~and Bargaining Unit Status by July 1 of the selection year.~~

Part-time recipients of the Distinguished Classified Civil Service Award will receive a cash award of \$700.00 prior to August 1 of the calendar year in which they were selected.

The ~~President of the~~ University will make ~~an appropriate~~a public announcement of the awards each year. There will be no restriction on the number of times an individual may receive the award, except as specified in Appendix H. The cash award will be in a separate check or direct deposit separated from all other pay.

3.7 Emergency Closings: When the University closes due to an emergency, pay for members of the bargaining unit shall be determined as follows:

- A) Bargaining unit members whose work is interrupted by an emergency closing, and who are released from duties for the remainder of their shift, shall receive straight pay as though they had completed their scheduled hours.
- B) Bargaining unit members who are scheduled to work, but who are directed by the University not to report to work due to an emergency closing, shall receive straight pay as though they had completed their scheduled hours. In order to be paid for an emergency closing, employees must work their last scheduled ~~work day~~workday before and after the closure.
- C) Bargaining unit members who are working when an emergency closing occurs, and who are directed by the University to continue to work, shall receive straight pay for hours before the effective time of the closing and ~~overtime~~ payment at the rate of one and one-half (1.5) times their normal rate for hours after the announcement

of the closing in addition to their straight pay. ~~In such cases, time sheets will be marked to indicate regular hours and overtime hours.~~

- D) Bargaining unit members who are scheduled to work after an emergency closing occurs, and who are directed by the University to report to work, will receive pay at one and one-half (1.5) times their normal rate for all hours worked during the closing. ~~In such cases, time sheets will be marked to indicate regular hours and overtime hours.~~
- E) Bargaining unit members who are not scheduled to work during a period of emergency, but who are directed by the University to report to work, will receive pay at two and one-half (2.5) times their normal rate for all hours worked.
- F) During the period of an emergency closing, the University will not require any bargaining unit member to work who is on vacation or sick leave.
- G) If a bargaining unit member is scheduled to work during an emergency closing, but is unable to reach the campus due to conditions which prompted the closing, then the bargaining unit member will be charged (at the bargaining unit member's discretion) vacation leave, compensatory time, or leave without pay for the period of their scheduled shift prior to the official closing.

3.8 OPERS Salary Reduction Pick-Up: The University will continue the “Salary Reduction Pick-Up” in accordance with applicable rulings of the Internal Revenue Service and the Ohio Attorney General. This means the University will reduce the bargaining unit member's salary by the amount of the bargaining unit member’s contribution to OPERS and will then contribute that amount to OPERS as an “employer contribution” in lieu of the “employee contribution.” In the event the “Salary Reduction Pick-Up” is subsequently found to be contrary to law or applicable regulations, the University will cease the “Salary Reduction Pick-Up,” will cease the reduction of salary, and will have no residual obligation to members of the bargaining unit concerning the impact of the cessation of the “Pick-Up” upon any bargaining unit member’s income tax liabilities at the state or federal level. The “Salary Reduction Pick-Up” shall be a condition of employment for all members of the bargaining unit, and shall be applied to any payments made to bargaining unit members by the University during the term of this Agreement and determined by OPERS to be compensation for retirement purposes.

3.9 Alternative Retirement Program (ARP): For full-time bargaining unit members electing to enroll in an ARP, the University shall reduce their salary by the applicable OPERS rates. 5.8 Union Grievance Officers recognized in Section 5.7 shall collectively be permitted up to twelve (12) Grievance Officer-hours each week to investigate possible grievances and/or grievances during the paid working hours of the Grievance Officers. The Union President shall be free to conduct Union business on University premises during the eight (8) hour release period in accordance with the other provisions of the Agreement. This release time is in addition to all other release time contained in the Agreement. Such request shall not be unreasonably withheld.

5.13 The Union shall be invited to participate in scheduled employee orientations for the purpose of introducing all newly hired employees to the Union. Such presentation will not exceed thirty (30) minutes. The University shall make a good faith effort to notify the Union no less than five (5) days prior to each employee's start date.

The parties agree further that each party shall be totally free of interference from the other in the selection of individuals designated to fulfill the various responsibilities of each party described in this Agreement. Finally, the parties affirm their mutual commitment to the principle that each party to the Agreement shall provide whatever financial or human resources are necessary to fulfill its obligations under this Agreement. The Union agrees that there shall be no Union activity during paid working hours, except as explicitly provided for by this Agreement. The University agrees that it shall take appropriate steps to see that all bargaining unit members shall have the opportunity to enjoy the provisions of this Agreement, regardless of their scheduled working hours, subject to specific provisions elsewhere in this Agreement.

6.2 Representatives of the University's Office of Human Resources and the Union shall meet at mutually convenient times during regular working hours to discuss matters of mutual concern. Either party may request that a specific topic be discussed, providing the request is made in writing a minimum of five (5) working days prior to the scheduled meeting. Unless otherwise required by law, there shall be no obligation on the part of the University or the Union to renegotiate or reopen any provisions of this Agreement during any meeting with representatives of the other party. The provisions of Section 6.2 shall not apply to negotiations for a successor Agreement.

ARTICLE 7

EMPLOYEE DISCIPLINE

7.1 A member of the bargaining unit may be disciplined, demoted, suspended or removed for just cause, which shall include, incompetency, inefficiency, unsatisfactory performance, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public,

neglect of duty, violation of any University policy or work rule, or any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony.

Article 7 shall not apply to separations from employment due to an inability to return from a leave of absence, inability to perform the essential duties of a position, or loss of licensure or other certification required to perform a position.

7.2 Corrective action is normally progressive in nature; that is, repetitions of causes for disciplinary action should lead to progressive responses of reprimand, suspension, removal. It is expected that most cases will be disposed of by an informal verbal warning without formal disciplinary action; such verbal warning shall be documented by the employee's supervisor but shall not be recorded in the bargaining unit member's official personnel file unless connected to subsequent progressive discipline. The supervisor will follow-up with an email to the employee documenting that a verbal warning was issued. Prior to the issuance of a written reprimand, a meeting will be held between the employee and the employee's supervisor, which may include a University and Union representative. However, the seriousness of certain offenses may justify a more severe initial disciplinary action, including removal. Disciplinary actions shall be reduced to writing and the Union and bargaining unit member will be notified that disciplinary action materials are being inserted into their official personnel file.

7.3 Eligibility to Grieve: A non-probationary bargaining unit member who is disciplined, suspended or removed may grieve the discipline pursuant to Article 9.

7.4 All aggrieved disciplinary action(s) shall be immediately moved to the Step 3 grievance hearing as identified in Section 9.7. A notation shall be placed on any aggrieved disciplinary action materials while the grievance is pending, which shall be removed once the grievance has been resolved. Any disciplinary action that is determined by the grievance process to be invalid will result in said action being removed from the employee's personnel file.

7.5 In situations involving a suspension or removal, the Chief Human Resources Officer or their designee shall conduct a due process meeting with the bargaining unit member to discuss the reasons for such suspension or removal prior to issuing the order of suspension or removal. Prior to a due process meeting, the Union and University shall exchange a copy of all materials related to the matter including, but not limited to, police reports, statements of complaint, or any other documentation that may be related to employee discipline. Documents which are not exchanged at least two (2) calendar days in advance of a hearing may not be entered at the hearing. At the request by either party, the hearing will be postponed to comply with this requirement. The bargaining unit member shall have the choice of whether they wish such a meeting, and shall further have the choice of deciding whether or not they wish to have a Union representative present. In addition, within twenty-one (21) calendar days of the completion of the meeting, the Chief Human Resources Officer, or their designee, shall send via hand delivery or by email, to a suspended or removed bargaining unit member, written notification stating the reason(s) for the suspension or the removal. The parties agree that orders of suspension or removal shall be treated as confidential personnel matters between the University and the bargaining unit member,

unless the bargaining unit member wishes to consult the Union in the matter. In the event the employee does not wish to consult with the Union and requests that copies of the disciplinary action not be forwarded to the Union President, a record of the incident will be provided to the Union President. Suspensions and removals may be appealed directly to Step 3 of the grievance process.

7.6 The University through the Chief Human Resources Officer has the option of having a bargaining unit member who is suspended serve the suspension or have the hours of suspension deducted from their accumulated total of vacation and/or compensatory hours.

7.7 The parties agree that physical violence, discriminatory harassment, and threats of physical violence are unacceptable in any relationship between employees of the University. Complaints regarding discriminatory harassment shall be directed to the Office of Equal Opportunity Policy Development. Complaints regarding violence may be directed to Campus Police. Only unresolved matters may be grieved by the employee under the grievance procedure in Article 9. Disputes concerning alleged discriminatory harassment may be grieved, but the grievance may not be appealed beyond Step 3; this means grievances of this nature may not be submitted to arbitration. However, the employee does reserve the right to file a complaint with the Equal Employment Opportunity Commission or the Ohio Civil Rights Commission.

7.8 If a department head or supervisor has decided to hold a meeting or investigatory interview and the employee has a reasonable belief that discipline or other adverse consequences may result from what they say, the employee has the right to request union representation. The role of the Union representative during such meeting is non-adversarial. However, the representative does have the right to assist and counsel the employee during the meeting. Employees may choose from among authorized union representatives or its legal counsel available on the same shift they are working and who is available during that shift. Absent an authorized union representative or its legal counsel, the employee may contact the Union President or Grievance Chair. If the employee's attempts to contact these representatives, officers or legal counsel are unsuccessful, then the interview will be rescheduled as soon as is practicable and no later than two (2) work days.

7.9 If a manager or supervisor has reason to suspect a member of the bargaining unit is under the influence of alcohol or non-prescribed controlled and/or illegal drugs while on duty, the bargaining unit member and the Union will be advised of the reasonable suspicion, and shall further be advised that the employee will be taken immediately to a medical facility for an examination and/or testing to determine whether they are under the influence of alcohol or non-prescribed controlled and/or illegal drugs. Any employee who is sent for an examination and/or test under this provision will, at the discretion of the University, be placed on administrative leave with pay at the employee's regular rate of pay or assigned duties that will not pose a threat to the employee or any other person until the results of the test are known. Bargaining unit members who are required to undergo an examination or testing under the provisions of this section shall be advised by the University of off-campus resources available for persons suffering from problems of alcohol/drug abuse. The University at its discretion shall be free to utilize an on-site testing

service for immediate testing. Confidentiality is of the utmost importance and will be maintained throughout the process. If the medical examination indicates that the employee is not under the influence of alcohol or non-prescribed controlled and/or illegal drugs, no record of the medical examination shall be placed in the employee's official personnel file. However, if an incident (e.g., car accident) is linked to the reasonable suspicion resulting in the medical examination, a record of the incident shall be placed in the employee's official personnel file.

7.10— Any action taken by the University in accordance with Section 7.9 will not preclude or negate any additional action taken by the University, which may include medical examination/treatment, counseling, and/or disciplinary action, due to a bargaining unit member determined to have been under the influence of alcohol or non-prescribed controlled and/or illegal drugs while on duty.

ARTICLE 8

PERSONNEL FILES

8.1 The parties agree that the University may establish regulations for the custody, use, and preservation of appropriate records pertaining to bargaining unit members. Only one official personnel file shall be maintained by and in the Office of Human Resources for each member of the bargaining unit. Personnel files are maintained, and access provided to them in accordance with law.

8.2 Based on a prior scheduled appointment, each bargaining unit member shall have access to their official personnel file during normal working hours. The University will also grant access to a bargaining unit member's official personnel file to the bargaining unit member's designated representative.

8.3 Any bargaining unit member who has reason to believe that there are inaccurate or outdated materials contained in their personnel file has the right to submit a memorandum to the Chief Human Resources Officer or their designee noting their objections to the material in question. The Chief Human Resources Officer or their designee shall attach the bargaining unit member's statement to the material objected to, and shall include a note in the personnel file indicating that any person reviewing the original material should also review the bargaining unit member's objections to the material.

8.4 Individual letters of appointment, appointment forms, sick leave forms, vacation forms, notices of disciplinary action, and other material deemed appropriate by the University may be included in the official personnel file. However, any document which does not include as part of its normal distribution a copy to the individual, or which does not originate with the individual, shall not be placed in a personnel file unless the bargaining unit member is simultaneously provided a copy by campus mail or via email.

8.5 Materials Related to Disciplinary Action: Materials related to disciplinary action (see Article 7: “Employee Discipline”) shall cease to have force and effect, providing a minimum of eighteen (18) months have passed since the insertion of the material into the file without an intervening occurrence of disciplinary action. Upon the written request of the bargaining unit member, such materials shall be moved to an alternate file.

8.6 Performance evaluations may be moved to an alternate file, at the request of the bargaining unit member, provided the evaluations have been on file for at least five (5) years.

8.7 Unsuccessful bids for vacancies and correspondence related thereto shall not be placed in a bargaining unit member's personnel file.

8.8 To the extent feasible under Ohio law, official personnel files shall not be open to the general public.

ARTICLE 9

GRIEVANCE PROCEDURE

9.1 Definition: The purpose of this article is to set forth a prompt and equitable method to resolve disputes between the Union and the University during the term of the Agreement. Under this article, a member of the bargaining unit or the Union may file a grievance alleging a violation, misapplication and/or misinterpretation of the terms of the Agreement. Nothing in this article is intended to discourage or prohibit informal discussion and/or resolution of a dispute prior to the filing of a formal grievance.

9.2 Procedure: A grievance is filed at Step 1 or at the lowest level at which the remedy sought may be granted. A grievance is filed on the form which appears in Appendix C to this Agreement. A completed form must be submitted to the Chief Human Resources Officer or their designee, at which time a grievance number is assigned. The form may be submitted via email. A grievance must be filed no later than forty-two (42) days after the grievant knew or should have reasonably known the facts giving rise to the grievance. (All references to “days” are to calendar days.) The time limits specified in this article may be extended by mutual agreement of the parties. If the grievant or the Union fails to appeal a disposition of a grievance within the specified time limit, the grievance shall be considered settled on the basis of the last disposition by the University. No grievance will be automatically advanced to Step 4 without the approval of the Union Executive Committee. If the University fails to hold a hearing or grant a disposition within the time limit prescribed, the right to proceed to the next step shall be granted automatically and immediately. All grievances withdrawn by the Union shall be considered withdrawn with prejudice.

9.3 Grievance Hearings: Each grievance hearing will be conducted by the designated administrator to determine what, if any, violation of this Agreement has occurred. Hearings will

be attended by the grievant, the designated administrator, and up to two (2) additional representatives designated by the parties' respective sides. The parties may request and mutually agree that additional witnesses/representatives may attend. Witnesses will be permitted to attend hearings in those instances when the grievant and/or the Union need information more specific than that available to the grievant or Union. ~~The~~Unless there is mutual agreement, the parties agree that the University will schedule grievance hearings no later than two (2) hours prior to the end of the grievant's and/or Union representative's work shift, and the grievant will be released from duty early enough to be able to attend the grievance hearing as scheduled. If such hearings extend beyond the end of the normal work schedule of any bargaining unit member(s), the bargaining unit member(s) present at the grievance hearing will not be paid for any time spent after the end of the work schedule. Grievance hearings for bargaining unit members whose work schedules are other than the standard day shift will be scheduled at mutually convenient times.

A "class action" grievance is when more than one (1) employee files a grievance over the same alleged violation, misapplication and/or misinterpretation of the terms of the Agreement. When such occurs, the grievant or the Union will attempt to identify the bargaining unit members initially involved in the class action grievance, or will provide a description of the class in sufficient detail to enable the University to investigate the grievance. In class action grievances no more than one (1) grievant may attend the hearings.

9.4 Independent Grievances: A bargaining unit member has the right to present a grievance to the University, and have it adjusted without the involvement of the Union or Union representatives if the adjustment is consistent with the terms of the Agreement and the Union was given the opportunity to have a representative present at such a hearing and/or adjustment. Any grievance adjusted under Section 9.5, 9.6 or 9.7 which the Union believes is inconsistent with the Agreement is grievable under Article 9 of the Agreement.

9.5 Step 1: Within forty-two (42) days after the grievant knew or should have reasonably known the facts giving rise to the grievance, they may file a formal grievance as specified in Procedure 9.2. Within fourteen (14) days after receiving the grievance, the appropriate department head will hold a grievance hearing. If the individual against whom the grievance is filed is the department head, the grievance will be automatically heard at Step 2. The University must notify the appropriate Union representative at least three (3) work days prior to the scheduled hearing. Within fourteen (14) days following the hearing, the department head will complete a Grievance Disposition Form, distributing the original to the grievant and providing a copy to the Union. Within fourteen (14) days following receipt of the department head's Step 1 disposition, the grievant may appeal the disposition to Step 2 by completing and distributing a Grievance Disposition Reaction Form.

9.6 Step 2: Within fourteen (14) days following receipt of an appeal from a Step 1 disposition or the receipt of an original filing at Step 2, the department head's administrative superior, or their designee, not to be the same individual who heard the grievance at Step 1 or the individual against whom the grievance has been filed, will either hold a grievance hearing or complete and distribute a Grievance Disposition Form, in the latter case providing the original to

the grievant and a copy to the Union. If the administrator holds a grievance hearing, they will execute and distribute a Grievance Disposition Form within fourteen (14) days following the hearing. A hearing is required if the grievance is filed initially at Step 2. Within fourteen (14) days following receipt of the administrator's Step 2 disposition, the grievant may appeal the disposition to Step 3 by completing and distributing a Grievance Disposition Reaction Form.

9.7 Step 3: Within fourteen (14) days following the receipt of an appeal from Step 2 or the receipt of an original filing at Step 3, the Chief Human Resources Officer or their designee must hold a grievance hearing. The Chief Human Resources Officer or their designee will complete and distribute a Grievance Disposition Form within fourteen (14) days following the hearing. Within fourteen (14) days following receipt of the Step 3 disposition, the grievant may appeal the disposition to Step 4 by completing and distributing a Grievance Disposition Reaction Form.

9.8 Step 4: Mediation/Arbitration

- A) Within thirty-five (35) days following receipt of an appeal to Step 4, the Union Executive Committee will inform the University in writing whether it supports the appeal to arbitration or alternately to grievance mediation under the auspices of the Federal Mediation and Conciliation Services (FMCS).
- B) Within seven (7) days following notification by the Union of the desire to participate in grievance mediation the University will inform the Union in writing if it agrees or does not agree to proceed with grievance mediation. If the University does not agree to grievance mediation, the Union will request arbitration pursuant to this Article.
- C) Within seven (7) days following notification of agreement to participate in grievance mediation from the University the parties shall submit a signed joint request to FMCS for grievance mediation. The parties acknowledge that FMCS may require the parties to waive any time limits in the collective bargaining agreements if grievance mediation is to occur.
- D) Within twenty-one (21) days following an unsuccessful grievance mediation or notification that the Union supports the appeal to arbitration, the Union must request from the Federal Mediation and Conciliation Service (FMCS) a panel of seven (7) arbitrators whose primary addresses are within a 200-mile radius of Youngstown, Ohio. The parties may mutually agree to expand the radius. A copy of the Union's request to FMCS must be sent simultaneously to the ~~Chief Human Resources Officer~~ Director Labor and Employee Relations.
- E) If the parties are unable to agree upon which of those seven nominees shall serve as arbitrator, then the arbitrator will be chosen by each party alternately striking names, beginning with the moving party, and the name remaining shall be the arbitrator. Prior to commencing striking, each party shall have the option to

completely reject one (1) panel of arbitrators provided by the FMCS and request another list. Agreement on an arbitrator or to reject the list provided by the FMCS shall be made within forty-five (45) days from the receipt of the list. The selection of an arbitrator from the second list provided by the FMCS shall be made within forty-five (45) days from receipt of the list. The hearing shall commence in accordance with the rules and regulations of the FMCS within one hundred fifty (150) days of selection of the arbitrator, unless the parties mutually agree to extend the deadline or because the arbitrator's schedule will not allow for the hearing within one hundred fifty (150) days.

~~F)E)~~ If there is a question of arbitrability of a grievance, the parties will request the arbitrator to rule first on the arbitrability of the grievance. If the arbitrator rules that the grievance is arbitrable, they shall proceed to conduct a hearing of the merits of the grievance.

~~G)F)~~ The following matters shall not be arbitrable: determinations of bargaining unit status of any employee (see Article 2, "Scope of Unit"); grievances not supported by the Union in the appeal to Step 4 (see Section 9.2 above); the suspension or removal of a probationary bargaining unit member (see Article 7, "Employee Discipline"); alleged acts of discriminatory harassment (matters under the purview of the EEO and/or state and federal agencies) (see Section 7.7); layoffs and recalls (see Article 16, "Layoff and Recall"); an alleged act of illegal discrimination (see Article 19, "Non-Discrimination"); the reclassification of a position or a refusal to reclassify a position (see Article 20, "Classifications and Position Audits"); any action that is appealable to the State Personnel Board of Review or the State Employment Relations Board and has been appealed to the Board with jurisdiction; performance evaluations; decision by Administration that are referenced in this Agreement as final or final and binding, and any matter not pertaining to the meaning and intent of this Agreement.

~~H)G)~~ The arbitrator will have no power to add to, subtract from, or modify in any way the terms of this Agreement. The arbitrator's decision is binding upon the University, the Union, and the grievant.

~~I)H)~~ The arbitrator will be requested to render a decision within twenty-eight (28) days after the arbitration hearing. The arbitrator's fees and expenses will be borne equally by the University and the Union, except costs incurred by the calling of witnesses, which will be borne by the party calling that witness.

~~J)I)~~ Arbitration hearings will be held on the University campus in a room provided at no cost to the Union.

~~K)J)~~ If the arbitrator requests a transcript of the hearing, the cost will be shared equally by the University and the Union; if either party requests a transcript, it will bear the cost of the transcript.

~~L)K)~~ Bargaining unit members who appear as witnesses at an arbitration during their regular hours will be paid for the time spent at the arbitration hearing; however, no more than five (5) bargaining unit members will be present at the arbitration hearing on behalf of and/or at the request of the Union, unless otherwise mutually agreed.

WORK SCHEDULES

10.1 The week is defined as the one hundred sixty-eight (168) hours beginning at 12:01a.m. on Sunday and ending at midnight the following Saturday.

10.2 Normal Scheduling: Each full-time member of the bargaining unit will be scheduled to work eight (8) consecutive hours a day (subject to the provisions of Section 10.3 below) and forty (40) hours each week. Each permanent part-time member of the bargaining unit will be scheduled to work their full-time equivalency (FTE) times eighty (80) hours each biweekly pay period. In situations in which the University has previously determined that another schedule of forty (40) hours weekly is required by operational needs, that schedule will be grandfathered in. If subsequent situations arise necessitating other forty (40) hour weekly schedules, as required by operational needs, the University will meet and confer with the Union prior to the establishment of such schedules. The parties recognize that it is desirable that the days of work for all bargaining unit members be scheduled consecutively, Monday through Friday, to the extent possible. In the case of "part-time" bargaining unit members, listed in Appendix A, the schedule to which they were assigned prior to this Agreement will be their "normal" schedule. Any changes in "part-time" schedules will be subject to the above noted stipulations. With regard to intermittent bargaining unit members the University will continue to have the right to either schedule on a regular basis or on an as-needed basis. Full Time Equivalency (FTE) shall be based on two-thousand eighty (2080) hours per calendar year for full-time employee(s).

10.3 Changes in bargaining unit members' normal work schedule will be posted in writing on a bulletin board in the department or work unit a minimum of ten (10) work days prior to the effective date of the change, except when earlier notification is mutually agreeable to the bargaining unit member and the University, and except when changes are necessitated by emergency. The parties agree where workload demands can be addressed without incurring overtime using bargaining unit employees and without violating the ten (10) work days' notice on change of schedules the University shall do so. The announcement will specify the duration of the schedule change. Only Executive Directors or above are authorized to declare that an emergency exists.

10.4 When overtime is unavoidable, it will be paid in accordance with Section 12.2. In the event a daily overtime opportunity becomes available after the ten (10) work day notice period commences, the affected department shall utilize the procedure found in Section 12.2.

10.5 The University may schedule bargaining unit members to work another shift when the University determines such action is necessary. In making such shift changes, the departmental seniority by classification of the bargaining unit members involved will govern. Nothing herein precludes a bargaining unit member from requesting a shift change within their department.

10.6 Bargaining unit members who are late for work will be docked no more than the time of tardiness. If a bargaining unit member is occasionally tardy for work for a period of fifteen (15) minutes or less, the bargaining unit member may request to make up the work missed on the day of tardiness during their break, lunch break, or at the end of their shift. Such request will not be unreasonably denied if the make-up is practicable in terms of the operation of the department or work area. It is understood that "occasionally" means no more than twice monthly. It is also understood that abuse of this provision will be grounds for denying all such requests to an individual, and that non-occasional tardiness may be grounds for disciplinary action under the provisions of Article 7 ("Employee Discipline").

10.7 The University recognizes that there are many departments in which regular operations make possible flexible work schedules. The University will permit department heads to develop with bargaining unit members' mutually acceptable schedules that vary somewhat from the standard schedules in the department. The parties agree further, however, that the University

retains the right to schedule bargaining unit members and to determine the method whereby bargaining unit members' arrival at and departure from work are recorded.

10.8 No bargaining unit member will work continuously for more than sixteen (16) hours.

10.9 Each member of the bargaining unit who is scheduled to work for more than five (5) hours a day is entitled to have a scheduled unpaid lunch period of thirty (30) minutes or one (1) hour approximately in the middle of their daily shift, except for those bargaining unit members who work continuous shifts, for example, Central Utility Plant. Bargaining unit members who receive a one (1) hour lunch period and who work in areas which must be staffed continually through the entire work period, may be assigned to "staggered" lunch periods in order to provide continued staffing in the department or work area; in these situations, the department head will consult the bargaining unit members involved prior to establishing lunch schedules.

10.10 Breaks:

- A) Each bargaining unit member shall be entitled to receive one (1) 15-minute break for each four (4) hour shift during the work day. The break shall be taken at

approximately the middle of each shift. Break periods shall never abut the lunch period.

- B) Bargaining unit members shall be entitled to receive a five-minute “wash-up” break before lunch time and before the end of the shift.

10.11 Both parties agree that a bargaining unit member’s breaks and lunches should be away from their work station.

10.12 When a bargaining unit member is on their break and is interrupted by their supervisor due to an unforeseen occurrence and recalled back to their work area/station, the employee will be entitled to complete their fifteen (15) minute break.

10.13 When a bargaining unit member is on their unpaid lunch and is interrupted by their supervisor due to an unforeseen occurrence and/or recalled back to their work area/station, the employee shall be entitled to one and one-half (1.5) times their total rate of pay for the entire lunch period.

~~**10.14 Nepotism:** No employee shall be directly supervised by a member of their immediate family. "Immediate family" is defined for the purposes of this Section to include: spouse or significant other ("significant other" as used in this Agreement is defined to mean one who stands in place of a spouse and who resides with the employee), child, step-child, grandchild, parent, step-parent, grandparent, great-grandparent, brother, sister, step-sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, legal guardian or other person who stands in the place of a parent.~~

10.14 Nepotism: Nepotism is addressed in University Policy 3356-7-26 Nepotism and Potential Conflicts in Employment Situations.

ARTICLE 11

HOLIDAYS

11.1 Holiday Pay: The University holidays for members of the bargaining unit shall be the first day of January; (New Year’s Day), the third Monday in January; (Martin Luther King Day), the third Monday in February; (President’s Day), the last Monday in May; (Memorial Day), the nineteenth day of June (Juneteenth), the fourth day of July; (Fourth of July), the first Monday in September; (Labor Day), the second Monday in October; (Columbus Day), the eleventh day of November; (Veteran’s Day), the fourth Thursday in November; (Thanksgiving Day), the twenty-fifth day of December; (Christmas Day), and any day appointed and recommended by the governor of this state or the President of the United States.

| 2. Martin Luther King Day | 7. Columbus Day |
| 3. President's Day | 8. Veterans Day |
| 4. Memorial Day | 9. Thanksgiving Day |
| 5. Fourth of July | 10. Christmas Day |

11.1 Holiday Pay: All full-time and permanent part-time bargaining unit members shall be compensated at their total daily rate of pay for the holidays specified herein. "Total daily rate of pay" is defined as a bargaining unit member's total hourly rate of pay times the number of hours they are normally scheduled to work on that day. To be eligible for holiday pay, a bargaining unit member must actually work or be approved to take paid leave, their entire scheduled workday immediately preceding the holiday and their entire scheduled workday immediately following the holiday. The only exceptions are when the employee: (a) actually works the holiday; (b) is on approved FMLA leave; (c) is using paid sick leave for a serious health condition that would otherwise be covered by the FMLA but the employee has exhausted all available FMLA leave or is ineligible to use FMLA leave, or (d) the employee uses sick leave to undergo or recover from a medical procedure. When a full-time or part-time bargaining unit member is required to work on a holiday as specified in Section 11.1, the following guidelines shall apply:

- A) A member of the bargaining unit who is required to work on a paid holiday shall be paid one and one-half (1.5) times their total hourly rate of pay for each hour worked in addition to their total holiday pay.
- B) A bargaining unit member who is scheduled to work on a paid holiday, but requests and is granted vacation, compensatory time off, or personal/sick leave conversion, will receive their total holiday pay and will not be charged with the leave. A bargaining unit member who is scheduled to work on a paid holiday, but reports off sick, will be required to request the use of sick leave for the time missed.
- C) The method used to determine which bargaining unit members work a holiday will be determined by classification seniority of the persons scheduled to work each shift that holiday.
- D) The hours worked on a holiday will not be considered overtime and subsequently will not be added to a bargaining unit member's total aggregate hours for purposes of rotation of overtime opportunities.

11.2 When a paid holiday falls on a day when a full-time bargaining unit member is not normally scheduled to work, the following guidelines shall apply:

- A) If a bargaining unit member has actually worked forty (40) hours during the week in which the holiday falls, they are entitled to one and one-half (1.5) times their total daily rate of pay. However, at the bargaining unit member's option, they may request these hours be added to their accumulated compensatory time balance instead of receiving pay.

- B) A paid holiday that is not worked by an employee shall be considered hours “actually worked” by an employee for purposes of overtime compensation eligibility for the workweek when the holiday occurs.

11.3 The Board of Trustees of Youngstown State University may authorize the observance of days other than those specified in Section 11.1 above for those holidays normally observed on the third Monday in February and the second Monday in October.

11.4 Should a holiday fall on a Saturday or a Sunday, the holiday will be observed on the preceding Friday or the following Monday, at the discretion of the University.

11.5 Election Day shall be observed as a holiday as per the Ohio Revised Code which states:

5.20 Portion of Election Day a holiday

The first Tuesday after the first Monday in November of each year, between the hours of twelve noon, Eastern Standard Time, and five-thirty p.m., Eastern Standard Time, is a legal holiday.

Bargaining unit members are free to observe Election Day as a holiday as specified above, but may not be paid for hours during which they are absent.

11.6 Since many important religious observances occur on days not designated as legal holidays under this article, the University, upon request, will grant a bargaining unit member any/all opportunities to observe a religious holiday provided that the time off is first charged to vacation, compensatory time, or personal/sick leave conversion if available, or leave without pay if paid leave is not available.

11.7 The University must give great deference to a bargaining unit member’s request(s) for small amounts of vacation, compensatory time or personal/sick leave conversion in order to attend special worship services.

11.8—_____The University will consult with the Union prior to adopting the calendar for each academic year, which specifies the actual dates on which holidays are to be observed. However, the parties recognize that the University bears responsibility and retains final authority in the development of the University calendar.

ARTICLE 12

OVERTIME

12.1 Bargaining unit members who are not exempt from the overtime provisions of the Fair Labor Standards Act and who have worked for more than forty (40) hours during a given week, at

the direction of the University, shall be paid overtime based on applicable statutory provisions and rules of the Ohio Revised Code, or at the discretion of the bargaining unit member, shall be given compensatory time off at the rate of one-and-one-half (1.5) hours for each hour worked. Holidays shall be considered time actually worked for the purposes of calculating overtime eligibility. Compensatory time off must be taken at a time mutually convenient to the bargaining unit member and the University. Compensatory time not taken by December 31 will be paid off at the bargaining unit member's current rate of pay. A bargaining unit member may not exceed a two hundred forty (240) hour compensatory time balance. If a two hundred forty (240) hour balance exists, the bargaining unit member will automatically be given pay for any overtime worked. Upon termination of employment, an employee shall be paid for unused compensatory time at a rate equal to the final total rate received by the employee. The parties agree that the University retains the authority to determine which bargaining unit members are qualified to perform specific duties. The University agrees that it will not abuse this authority (such as those stated in Section 10.3) in order to deny an overtime opportunity to any bargaining unit member who is properly qualified to perform the work involved and consistent with specifications listed elsewhere.

12.2 Regular Overtime:

- A) Regular overtime occurs when the volume of work in a department or work unit justifies the assignment of a bargaining unit member for more than forty (40) hours in work status during a given week; overtime of this type does not involve emergencies, as defined in Section 12.3.A below; overtime of this type normally involves a bargaining unit member working beyond the regular end of their eight (8) hour daily shift. Regular overtime opportunities will be offered to bargaining unit members in the following order: first to full-time, then to permanent part-time and then to intermittent. The bargaining unit member has the right to accept or reject an overtime assignment of this type.

- B) The University shall rotate regular overtime opportunities among qualified full-time bargaining unit members within a College or Non-Academic Division department or work unit who regularly perform the work to be assigned on an overtime basis. ~~The University agrees to post and maintain overtime rosters, copies of which shall be sent to the President of the Union on a quarterly basis. Said rosters shall be posted at least monthly on bulletin boards visibly accessible to bargaining unit members in their departments and will include a list of overtime worked and refused.~~ Overtime rosters will be maintained for areas where overtime was offered. Upon written request by the Union President, overtime rosters for areas where overtime was offered will be provided. Overtime shall be offered to the bargaining unit members within the department or unit who, on the roster, have the fewest aggregate hours -- worked, refused and credited (12.2.D) -- among those whose job classifications include the work being assigned.

The first overtime opportunity in the new calendar year shall be offered to the bargaining unit member(s) in order of greatest to least College or Non-Academic

Division seniority within a department or work unit. A bargaining unit member who is offered but refuses overtime assignments shall be credited on the roster with the amount of overtime refused.

- C) Overtime rosters provided for in Section 12.2.B shall lapse on December 31 of each year and be re-established effective January 1 of the following year.

Should it become apparent that the University has erred by failing to offer overtime to the qualified individual with the smallest aggregate of overtime -- worked, refused and credited (Section 12.2.B) -- the University shall have the opportunity to correct the error by granting the bargaining unit member involved the next normal opportunity for overtime within their overtime group. The time period for identifying and correcting overtime assignment errors shall be extended until June 30 of the year following the lapsing of an overtime roster. The University may pay for hours missed if it confirms repeated errors involving the same supervisor and/or bargaining unit member.

- D) Any bargaining unit member who is absent on leave without pay, when their regular opportunity for overtime occurs, shall be given overtime "absence credit" for purposes of overtime rotation as if they had received and accepted the overtime assignment, ~~and this absence credit shall be posted. Absence credit shall not be posted when the bargaining unit member is on paid leave.~~ The status of a bargaining unit member, new or transferred to a department, shall be to have the highest number of aggregate hours posted.
- E) Where overtime is necessary, the bargaining unit member who normally does that job shall be offered the overtime.

12.3 Emergency Overtime:

- A) Emergency overtime occurs when the University faces an emergency, declared by the President of the University or their designee, and it is necessary for bargaining unit members to respond immediately to the situation. Emergency overtime generally, but not always, requires that the bargaining unit member be "called in" to perform duties outside their normal eight (8) hour shift. The University will attempt to notify all qualified bargaining unit members to report for emergency overtime prior to notifying any permanent part-time or intermittent bargaining unit members. Situations involving emergency overtime include snow removal; floods; major failures of electrical, water, or mechanical systems; the absence of a bargaining unit member scheduled to work in an area such as the Central Utility Plant, when state law or regulations require the presence of that bargaining unit member or someone of comparable ability; and other situations where in the judgment of the President of the University or their designee emergency conditions require the presence of bargaining unit members on campus. A bargaining unit

member shall be required to work overtime when notified of the emergency and then assigned under the provisions of Section 12.3.A. Failure of a bargaining unit member to report for duty when called in to perform emergency overtime, or failure to remain on the job when instructed that the situation involves emergency overtime, shall be an unauthorized absence, and shall be subject to the provisions of Article 7 (“Employee Discipline”).

Any bargaining unit member who does not wish early notification of assignment to emergency may so notify their department head, and shall not be telephoned for call-in purposes until the decision is final that the bargaining unit member is to report for emergency overtime duty. Disciplinary action will not be taken under the provisions of this article for bargaining unit members failing to report in for emergency overtime until the Chief Human Resources Officer or their designee has met with the bargaining unit member to determine if they had a valid reason for failing to report on duty.

- B) If in the judgment of the President or their designee there are general situations which by definition would constitute an emergency as defined by Section 12.3.A (e.g., failure of an electrical system, predicted snowfall in excess of a certain accumulation, etc.), the President or their designee shall prepare a written directive specifying the situation(s) so designated and shall provide copies of the directive to the Union and to bargaining unit members in the department(s) or work unit(s) involved. The purpose of this provision is to seek to standardize, where possible, the designation of emergency situations. In any situation which has not been previously designated by a directive, only the President or their designee may declare an emergency situation for the purpose of Section 12.3.A of this Agreement.
- C) When a bargaining unit member is called in to work emergency overtime prior to their scheduled workday, the bargaining unit member shall have the opportunity to work the regularly scheduled eight (8) hours in addition to the work performed during the additional call-in period. If, conversely, the bargaining unit member wishes to quit work after having worked eight (8) hours from the beginning of the call-in period, and if the University can spare the bargaining unit member for the remainder of the day, the bargaining unit member shall have the right to quit work after having worked eight (8) hours.

12.4 Call-Back Pay: An employee who is called to report to work and reports outside their regularly-scheduled shift shall be paid a minimum of either: 1) five (5) hours at the employee’s total rate of pay or 2) for the actual hours worked at the overtime rate. In lieu of payment and at the discretion of the employee, compensatory may be granted. An employee shall be paid at the greater rate providing such time does not abut the employee’s regular shift. Work which is to be performed by the employee off premises shall not be subject to call back pay, however shall be paid at the applicable overtime rate for the time worked. Call-back pay at straight time is excluded from the overtime calculation.

12.5 Consecutive Overtime: If a bargaining unit member works more than ten (10) consecutive hours, they will be offered a thirty (30) minute paid meal break between the tenth and twelfth hour of work. Bargaining unit members called in two (2) or more hours before their normal starting time shall be offered a fifteen (15) minute paid rest break during their first four (4) hours of work. Food will be made available in one or more locations on campus. If a bargaining unit member's position does not permit them to leave their work station, and if they cannot be relieved for the meal break provided in this section, they shall have the opportunity to have food delivered to their work station.

ARTICLE 13

EVALUATIONS

13.1 Bargaining unit members shall have their progress reviewed once during the first half of the probationary period and their performance rated or evaluated prior to the end of the probationary period, and once every year thereafter to evaluate the previous calendar year's performance. The deadline for completion of the evaluation process and form shall be no later than the first week of March of each year. Failure of Management to comply with this provision shall not have a negative impact on any bargaining unit member. If a bargaining unit member has experienced a change in supervision or has accepted a position that is non-probationary within one (1) month of the evaluation date, the evaluation will be converted to a calendar year and an on-line process with the evaluation form and job descriptions available in the system for the benefit of both supervisor and bargaining unit member. The parties may mutually agree to modify the above-mentioned timeline. The performance evaluation process is an on-line process with the evaluation form and job descriptions available in the system for the benefit of both supervisor and bargaining unit member. The form to be used for evaluations appears in Appendix D. The criteria to be used for evaluations are: 1) quality/quantity of work/productivity, 2) knowledge of job/learning and development, 3) communication, 4) cooperation/teamwork, 5) supervisory skills (used only when evaluating a supervisor), 6) goals/benchmarks, and 7) overall performance rating.

13.2 An evaluator will complete an evaluation and will meet with the bargaining unit member during working hours (no later than one (1) hour prior to the end of the bargaining unit member's shift) to review and discuss the evaluation. The purpose of this meeting is to answer questions concerning the evaluation, to clarify it, and to provide such information as is available and relevant to the evaluation. The bargaining unit member shall have an opportunity to review all document(s) utilized in preparing the evaluation. Upon written request, a record of omission shall be included in each bargaining unit member's official personnel file and copied to the appropriate reporting channels when the process has not been completed when due.

13.3 The bargaining unit member shall receive and acknowledge the evaluation electronically after all comments, remarks and changes have been noted. The bargaining unit member's acknowledgement certifies that they have reviewed the evaluation, but does not necessarily

indicate agreement with it. If an employee's evaluation is rated overall, "Below Minimum", a meeting may be required with the Chief Human Resources Officer or their designee.

13.4 A bargaining unit member who believes that the procedural requirements of this article have not been met, or who believes that the information upon which an evaluation was based was improper (i.e., erroneous, incomplete, untimely, or irrelevant), may file a grievance under the provisions of Article 9 ("Grievance Procedure"). If the adjustment of the grievance includes a determination that the evaluation was procedurally flawed or based upon improper information, the University will note such on the electronic copy of the evaluation and will not rely on it for any future personnel action. If a bargaining unit member disagrees with the judgment of the evaluator, the bargaining unit member may so note, with comments in the "Employee's Comments" section of the evaluation.

VACANCIES, TRANSFERS, SEARCHES, AND PROMOTIONS

The following language on vacancies, transfers, searches, and promotions is the sole source of rights and obligations of the parties in these matters. The following language ~~is intended to supersede~~ all provisions applicable to public employees in the Ohio Revised and Administrative Codes including the rules of the Ohio Department of Administrative Services.

14.1 Definitions:

- A) "Vacancy" is any budgeted permanent full-time or permanent part-time position within the bargaining unit that does not have an incumbent and which the University intends to fill under the terms of this Agreement.
- B) "Transfer" is the movement of an employee in the same classification to a vacancy within the University from one department or work unit to another.
- ~~C)~~ ~~E)~~—"Promotion" is the movement of an employee to a posted vacancy in a classification with a higher starting pay rate.
- D) "Demotion" is the movement of an employee to a vacancy in a lower classification. The pay rate assigned to a demotion is described in Article 3.3(B).

14.2 The University reserves the total and explicit authority to determine when a vacant position exists; to determine whether the vacant position is to be continued, abolished, or transferred to another department or work unit within the University; and to determine the classification of any vacant position. The University will inform the Union President at least fifteen (15) calendar days before it implements one of the above decisions regarding bargaining unit positions. All vacancies that the University determines to fill, as defined in 14.1(A), will be posted in compliance with

Section 14.4 within sixty (60) days from the completed employment requisition(s). The parties may mutually agree in writing to waive and/or modify the posting procedure.

14.3 The University shall provide bargaining unit members the first opportunity to be considered for a promotion and/or transfer in accordance with Section 14.6.

14.4 The posting described in Section 14.2 will specify the period during which interested and qualified bargaining unit members may apply, which period shall be no less than ten (10) working days from the day of posting. All postings will include the date posted, the position's title, the department or work unit where the position is assigned, the ~~initial~~ hourly rate of pay, the minimum qualifications for the position, ~~the position requirements, and the date and~~ and if applicable, the application deadline ~~for applying for the position. The University shall not accept applications submitted after the posted deadline. Copies of all job postings shall be sent to the Union President via email.~~ All applicants must fully complete an online employment application in order to be considered for any position.

14.5 Application Procedure:

- A) **Transfers by Bargaining Unit Members:** Employees may apply for a transfer to any vacant position in the same classification elsewhere in the University by submitting ~~a written statement of interest to the Chief Human Resources Officer or their designee~~ an application during the period the position vacancy is posted. Additionally, the employee will notify the Chief Human Resources Officer that they have applied for the position and the employee will be granted an interview.
- B) **Application for Vacant Position:** Any individual who meets the posted minimum qualifications may apply for a position by submitting an online application during the period the position vacancy is posted.

14.6 Selection: In filling all permanent full-time or permanent part-time bargaining unit positions, the University will implement the following procedures:

- A) A search committee will be formed, comprised of one person selected by the hiring authority, one appointed by the Union President or their designee, and one appointed by Human Resources. All search committee members should be selected on the basis of their knowledge of the vacant position. All search committee members must be permanent University employees. Absent unusual circumstances, search committee members are to be appointed within ten (10) calendar days after the hiring authority, Union President and Chief Human Resources Officer are notified they are to make such appointments. If the Union President fails or is unable to appoint a bargaining unit member within ten (10) calendar days of notification, the Chief Human Resources Officer or their

designee will populate the search committee with an ACE bargaining unit member.

- B) Reasonable efforts shall be made not to appoint the same eligible bargaining unit member employee to successive Search Committees.
- C) The committee is responsible for screening the applicants and identifying through interviews the “most qualified” applicants to be referred to the hiring authority. The committee will use the ~~Classified Search Committee Assessment Form (Appendix E) available on the Human Resources website~~applicant tracking system to rank all applicants complete their review.
- D) ~~The Classified Search Committee Assessment Form must at least include measures for job related experience, education, and the qualifications of the specific job as posted.~~ If internal applicants are equally qualified, the seniority of the internal applicants will be determinative in making the final selection.
- E) The University may, at its discretion, re-post vacant positions if a sufficient number of qualified internal and external applications are not received. Additionally, if the search committee deems that there are insufficient qualified applicants, the search committee can recommend a failed search to the hiring manager.

14.7 Eligibility:

- A) Bargaining unit members serving an initial probationary period or promotional probationary period may submit an application for a position; however, they may not be serving such probation period (initial or promotional) at the time the position is offered.
- B) The University reserves the right to post a vacancy internally or externally. For internal postings, a selection will be made from the pool of qualified internal candidates. For external postings, if there are qualified internal candidates, at a minimum, the internal candidates will be interviewed by the search committee along with the external candidates. The search committee shall review both internal and external candidates using the same “most qualified” criteria ~~(Appendix E)~~. In the review of qualified bargaining unit members applying for vacant bargaining unit positions, the search committee will consider the applicant’s education, related work experience, performance evaluations, length of University service in a position or positions related to the position for which they are applying. It is the responsibility of the employee who is applying for a position to maintain and provide updated application materials.

- C) The University and the Union mutually agree that employees will neither be encouraged to apply or not apply for a position ~~solely for the purpose of satisfying numerical requirements for interviews.~~
- ~~D) Once the candidate pool is ranked, bargaining unit members will be awarded a one percent (1%) adjustment for every full year of non-probationary service up to ten (10) years.~~
- ~~E) Upon request, the hiring manager will forward to Human Resources a written rationale in support of the selected candidate and the Assessment Form completed by the search committee chair.~~
- ~~F) Upon request, the Chief Human Resources Officer or their designee will review the selection rationale documents with the Union.~~
- G)D) Allegations of procedural impropriety should be immediately reported to Human Resources.

14.8 In compliance with the University's Affirmative Action policy, job categories and departments will be reviewed. In classifications in which the University can demonstrate under-utilization of protected class members, the University may take remedial action to correct the under-utilization for both vacant positions and promotional/transfer opportunities. Such action may include placement of a Human Resources staff member as an advisor to review candidates, extending the posting period, submission of written justification if an apparently qualified under-utilized candidate is not recommended for hire, transfer or promotion, and Human Resources review and approval of a recommended or selected candidate. The provisions of Article 14 are intended to be in compliance with all applicable federal and state laws. ~~Utilization data must be referenced from the Affirmative Action Plan updated within the most recent twelve-month period. The Search Committee must be informed of such under-utilization prior to beginning a review of candidates.~~

14.9 Each new employee shall serve a probationary period of one hundred eighty (180) days. Should the employee fail to successfully complete the probationary period, the University may, within one hundred eighty (180) days of awarding the position, repost or select from the remaining pool of applicants for the position from the original posting.

Each employee promoted outside of their department or classification series shall serve a promotional probationary period of one hundred twenty (120) days. Each employee promoted within their department and classification series shall serve a promotional probationary period of ninety (90) days.

Any bargaining unit member removed during the promotional probationary period will be relocated back into a position for which they are qualified at a rate no less than their previous position.

Any bargaining unit member promoted may voluntarily request to return to their former classification during the first fifteen (15) working days of their promotional probationary period.

The University may temporarily assign a non-bargaining unit member to a vacancy expected to be less than one hundred twenty (120) days in duration. The University may fill any vacancy in this manner no more than once.

14.10 Involuntary Transfer:

- A) The parties agree that the University retains the right to transfer a bargaining unit member, either on a temporary or permanent basis, into a vacant position within the same classification in another college or non-academic division when it is deemed that such transfer is in the best interests of the University. The bargaining unit member will not suffer a loss in pay as a result of the transfer.
- B) The University will provide its rationale in writing to the Union and bargaining unit member determining that a transfer of a bargaining unit member, whether temporary or permanent, into a vacant position in another college or non-academic division is in the best interests of the University at least fourteen (14) days prior to the initiation of such an action.
- C) The parties agree that this section will not be utilized to circumvent the posting and hiring procedure.

15.2 It is the expectation of the University and the Union that the utilization of sick leave benefits shall occur when an employee is sick to the extent that they are unable to perform their regular job duties. Sick leave shall not be used in place of other paid leaves. The sole purpose of sick leave is to provide income continuance to an employee for time lost due to illness or injury.

If a bargaining unit member is going to be absent for more than five (5) consecutive days for the above-mentioned reason(s), they shall be required to provide written verification for the use of leave for the sick leave to be approved. Sick leave is also authorized for an illness in the bargaining unit member's immediate family when the bargaining unit member's presence is reasonably necessary for the health and welfare of the affected family member. A physician's certification of the family member's illness shall be required if the bargaining unit member is absent for more than three (3) consecutive days. Such certification shall be submitted to Human Resources Benefits.

Whenever possible, the bargaining unit member will inform the department head in advance of scheduled appointments of the employee and immediate family members of the employee with a doctor, dentist or other medical provider when the employee's presence is reasonably necessary.

Any action taken by the University regarding use of sick leave shall not be arbitrary, capricious or discriminatory in nature.

- A) Disciplinary action, including removal, may be taken by the University against any bargaining unit member who falsifies documents relating to the application for sick leave. Such action may also be taken against any bargaining unit member who attributes an absence to sick leave but willfully neglects to follow through on the application for such leave.
- B) The following types or patterns of absence ~~shall constitute~~ may be examples of pattern abuse: before and/or after holidays; Fridays/Mondays; absence following overtime worked; continued pattern of maintaining zero or near zero leave balances. If an employee uses sick leave in a clear pattern, per examples noted above, the Chief Human Resources Officer or their designee may reasonably suspect pattern abuse. If it is suspected, the Chief Human Resources Officer or their designee will notify the employee in writing detailing the reason(s) that pattern abuse is suspected. The notice will also invite the employee to explain, rebut, or refute the pattern abuse claim. Use of sick leave for valid reasons shall not be considered for pattern abuse. Patterns of abuse will be kept in the time frame of the previous twelve (12) months from the date of notification. Any action taken by the University will not be arbitrary, capricious, or discriminatory in nature in all instances.

15.6 To the extent consistent with, or permitted by, federal or state law, a bargaining unit member who is on sick leave but not eligible for Family and Medical Leave Act (FMLA) shall be required to provide to the Human Resources Benefits Unit certification from the bargaining unit member's personal physician that they are able to perform the assigned duties of their position prior to their return to duty.

15.7 Disability Separation: To the extent consistent with, or permitted by, federal or state law, the University may require a bargaining unit member to undergo an examination, conducted by a medical provider or licensed psychologist designated and paid by the University, to determine whether or not the bargaining unit member is physically and/or mentally capable of performing the duties of their position. The Chief Human Resources Officer or their designee will meet with the bargaining unit member and provide detail as to the reason(s) for requiring a medical

examination for work fitness. If the opinion of the bargaining unit member's medical provider or licensed psychologist differs from that of the University's medical provider or licensed psychologist in this matter, and if the University notifies the bargaining unit member it will disability separate the employee, the matter may be appealed to the State Personnel Board of Review (Ohio Administrative Code 123:1-30). All documented travel and reasonably related miscellaneous expenses in excess of five dollars (\$5.00) will be submitted for reimbursement by the employee to the University. The University shall reimburse the employee within thirty (30) working days from submission.

Two (2) consecutive days of paid bereavement leave will be granted to a bargaining unit member at the total rate of pay upon the death of the employee's grandparent, spouse's grandparent. Should the Bereavement Leave about any regularly scheduled days off the paid bereavement leave period shall not be extended beyond the two or four day total. Bereavement leave will also be granted in the case of a stillbirth condition. Bereavement leave shall be taken to attend to any immediate post-death matter and/or to prepare for or attend a funeral.

If the death is the employee's aunt or uncle the employee is entitled to one (1) day of bereavement leave at the total rate of pay.

Part-time and Intermittent bargaining unit members will receive bereavement leave with pay for the hours that they are normally scheduled to work pursuant to the limits in the article.

The University may grant additional use of sick, personal/sick conversion or vacation leave or leave without pay to extend the bereavement leave. The leave and the extension may be subject to verification.

15.20 Emergency Service Leave: A bargaining unit member who is an EMT-basic, EMT-I, first responder, paramedic, or volunteer firefighter will receive up to forty (40) hours of leave with pay each calendar year to use during those hours when the employee is absent from work in order to provide emergency medical service or fire-fighting service. In order to be eligible, a bargaining unit member will submit to their supervisor a written notification signed by the chief of the volunteer fire department, or medical director, with which the employee serves. Such paid leave shall be available during the term of this Agreement only to the three most senior eligible bargaining unit members, based upon the University's seniority list, employed on or before August 16, 2011. All other bargaining unit members may be granted such leave without pay or vacation leave not to exceed forty (40) hours each calendar year. The University will waive any notice requirements for using vacation leave for this purpose, provided operational necessity is not impaired.

- A) "Emergency medical service," "EMT-basic," "EMT-I," "first responder," and "paramedic" have the same meanings as in section 4765.01 of the Ohio Revised Code.
- B) "Volunteer firefighter" has the same meaning as in section 146.01 of the Ohio Revised Code.

15.21 Transitional Work Programs: The University ~~and the Union~~ may mutually develop transitional work programs designed to encourage a return to work by an employee receiving Workers' Compensation benefits. During the time an employee is in a transitional work program, the employee will be assigned duties which the employee is capable of performing based upon the recommendation of the employee's attending physician.

15.22 Emergency Leave:

- A) A bargaining unit member who is an essential employee may utilize paid Emergency Leave if able to document their inability to report (e.g. accident, etc.) in the event the University cancels classes ~~and employees who are deemed essential personnel are required to work in accordance with Section 12.3., closes the University, or invokes University policy 3356-7-16 Unscheduled leave policy.~~ (Use of such leave is limited to one (1) day per contract year.)
- B) In the event that a Level 3 emergency is declared by the governmental entity in which the employee resides, the employee will be granted the use of paid leave or excused leave without pay up to their regularly scheduled hours.

15.23 Personal Leave: Full time bargaining unit employees may convert up to four (4) days of accrued but unused sick leave per fiscal year for personal reasons not necessarily associated with an illness or injury to the employee or an immediate family member.

Part-time bargaining unit employees may convert up to 2 days of accrued by unused sick leave per fiscal year for reasons not necessarily associated with an illness or injury to the employee or immediate family member.

Employees shall provide seven (7) days' notice to the appropriate department head/supervisor for the use of personal/sick leave conversion days. In the event of a family emergency, unforeseen family obligations, or similar emergency situations, personal/sick leave conversion days may be requested and such requests shall not unreasonably be denied. Personal/sick leave conversion days shall not be scheduled for those days or weeks for which vacation time is not permitted. Bargaining unit employees may utilize personal leave in one-half (1/2) hour increments.

ARTICLE 16

LAYOFF AND RECALL

16.1 Whenever it becomes necessary to lay off (reduce in force) bargaining unit employees, the University will follow the procedures found in RC 124.321 to 124.327 and the provisions of the Ohio Administrative Code (Chapter 123:1-41) that are applicable to state supported universities. The only exceptions are that the parties have agreed to allow for the possibility of a voluntary reduction in force in Section 16.4 and extended recall rights for bargaining unit employees laid off during the term of this Agreement in 16.8. The University will also follow the procedure found in OAC 123:1-41-09 to compute retention points. Bargaining unit employees may be laid off as a result of a reorganization for the efficient operation of the University, as a result of a lack of funds, or as a result of a lack of work.

16.2 At least one (1) week prior to the University issuing layoff or displacement (bumping) notices the Union will be afforded the opportunity to meet with representatives of the University in order to discuss the layoff and displacement procedure and employee retention points.

16.3 Individual Notification: Each bargaining unit employee who may be laid off or displaced will be given fourteen (14) days advance written notification by the University. Such written notice must be hand delivered or emailed to the employee at the employee's University email address with a copy to the Union President. The date the letter is hand delivered or emailed shall be the first day of the fourteen (14) day period provided that the notification is hand delivered or emailed. If the aforementioned efforts are taken to notify the employee, such notice shall be considered complete regardless of whether the employee actually receives the notice.

16.4 Voluntary Reduction in Force: When the University determines to reduce the work force, other employees within the affected classifications may volunteer, in writing, to be reduced in force (laid off) without consideration of retention points. If granted by the University, the Office of Human Resources shall report to the Ohio Department of Job and Family Services that it has "laid off" the employee and shall not contest the employee's eligibility for unemployment compensation. Nothing in this section shall be construed to constitute a waiver of such employee's recall rights unless the employee voluntarily waives such recall rights in writing. The ability to volunteer to be reduced in force may be exercised during the fourteen (14) day notice period referenced in Section 16.3 above. The fourteen (14) day notice requirement of reduction in force shall be waived for employees granted voluntary reduction in force.

16.5 Prior to any reduction in force of bargaining unit employees due to one or more reasons as described in Section 16.1, the University agrees to first stop scheduling temporary and intermittent non-bargaining unit employees and intermittent bargaining unit employees, in that order, who are in the affected classification(s). After the aforementioned action has been taken and if additional reductions are still required, the University will follow the order of layoff of employees as listed below until such a time whereas no further reductions are needed:

- A) Probationary Part-time Bargaining Unit Employees in the affected classification(s) who have not completed their probationary period or six (6) months of continuous service in the position, whichever is longer.
- B) Permanent Part-time Bargaining Unit Employees in the affected classification(s) who have completed their probationary period or six (6) months of continuous service in the position, whichever is longer.
- C) Probationary Full-time Bargaining Unit Employees in the affected classification(s) who have not completed their probationary period or six (6) months of continuous service in the position, whichever is longer.

- D) Permanent Full-time Bargaining Unit Employees in the affected classification(s) who have completed their probationary period or six (6) months of continuous service in the position, whichever is longer.

16.6 Outplacement: When an employee has been reduced in force, the University agrees to assist the employee by offering the employee career counseling, resume writing services and tuition remission (employee only), including instructional and general fees, for a period not to exceed eligibility for recall.

16.7 The University agrees not to utilize non-bargaining unit member employees, contract workers, occasional service employees, intermittent employees or student employees in a manner that violates any provision of this agreement for the duration of the recall period.

16.8 Recall Rights: Employees who are laid off or displaced during the term of this collective bargaining agreement shall remain on the appropriate recall list for the classification from which they were laid off for two (2) years. Bargaining unit members who were laid off during the term of the 2017-2020 Agreement will retain their two (2) year recall.

ARTICLE 17

VACATION

17.1 Each full-time and part-time member of the bargaining unit will earn annual vacation leave according to their number of years of service with the University. ~~However, any full-time or part-time bargaining unit member who had been earning vacation leave before August 16, 2011, according to their years of service with the University and the State of Ohio's political subdivisions will continue to earn vacation based upon the combined service time.~~ Furthermore, total service for purposes of calculating vacation hereunder will also include active duty in the U.S. Armed Forces as well as Reserve Duty and National Guard Units as delineated on the employee(s) Department of Defense (DD) 214 or Certificate of Release or Discharge from Active Duty rounded to the nearest full year. If less than six months of service as noted above, they will be credited with the actual amount of prior service.

Vacation accrual shall be credited as follows for full-time employees:

Length of University Service	Hours Earned per 80 Hour Pay Period	Annual Amount per 2080 hours
Less than 6 months	None	None
6 months but less than 7 years	3.1 hours	80 hours
7 years but less than 13 years	4.6 hours	120 hours
13 years but less than 22 years	6.2 hours	160 hours
22 years or more	7.7 hours	200 hours

Vacation will be earned on a prorated basis for part-time employees. ~~Any bargaining unit member who had been earning more vacation based upon the 2008-2011 vacation accrual schedule than they would earn under the current vacation accrual schedule will not experience a reduction in their vacation accrual rate. Instead the bargaining unit member will continue to accrue at the higher rate until such time as his length of service and hours earned per pay period come into alignment with the new vacation accrual schedule. For example, a full-time employee with five (5) or more years of service will continue to earn 4.6 hours per pay period until they complete thirteen (13) years of service, at which time they will begin earning 6.2 hours per pay period.~~

Newly hired members of the bargaining unit do not earn and may not take vacation during their first six months of service at YSU. On the six-month anniversary of employment, a full-time employee shall be credited with forty (40) hours of accrued vacation, and on the first anniversary of employment a full-time employee shall be credited with an additional forty (40) hours of accrued vacation, to be taken in accordance with the provisions of this article. Vacation is accrued each pay period per the schedule noted above. Prior YSU service will be recognized for placement on the accrual schedule. In no case will an employee be permitted to use vacation while on an initial/original probation. Members of the bargaining unit who are employed at the University with a record of one (1) year or more of prior YSU service that counts for vacation accrual immediately begin to earn vacation based upon length of prior YSU service; such vacation may be taken after the employee completes their initial/original probationary period, in accordance with the provisions of this article. An employee must be in active pay status at least 80 hours in a pay period in order to accrue the total designated vacation hours for that pay period. Vacation leave may accumulate to a maximum of that earned in two (2) years of service. Vacation in excess of this maximum is eliminated from the bargaining unit member's vacation leave balance, ~~except that members of the bargaining unit who had vacation balances above the current maximum before July 1, 2015, shall be permitted to draw down their vacation leave balance below the maximum level, provided that: (1) the member of the bargaining unit uses all of the vacation leave accrued during that particular year and each year thereafter; and (2) the bargaining unit member uses at least forty (40) hours of vacation time above the accrual during each year until the balance falls below the maximum level.~~ Thereafter, the bargaining unit member shall be subject to the rules and conditions under Section 17.9 of this Article for cash payout upon reaching the maximum amount allowed. Each member of the bargaining unit will receive a report of their vacation balance and maximum permitted amount of accrued vacation each pay period.

~~Excluding members of the bargaining unit who had vacation balances above the current maximum before July 1, 2015, if~~ if an employee's vacation leave credit has reached the maximum amount allowed or will reach the maximum amount allowed during the next pay period, and the employee has been denied the use of vacation leave, the employee will be paid for the amount of leave that was requested and denied. ~~Employees who have balances exceeding the pre July 1, 2015, maximum and are attempting to draw down their balances to the new maximum will be eligible to receive a cash payment if their supervisor denies the vacation leave if: (a) the employee submits a vacation plan in accordance with Section 17.2 and has that plan accepted by the supervisor; (b) the employee's supervisor directs that the approved vacation listed in the plan be cancelled; and (c)~~

~~the cancellation is approved by the Chief Human Resources Officer or their designee.~~ Employees are entitled to payment not to exceed the amount of vacation denied during a specific pay period. In order for payment to occur, employees must request such payment and the denial of vacation must have occurred during the preceding twelve (12) months. Any vacation leave for which an employee receives payment shall be deducted from the employee's vacation leave balance.

If a vacation request is denied, the University agrees to make every effort to grant the employee's vacation request(s) during the fiscal year in which the request was initially denied.

17.2 The department head may establish a system whereby the bargaining unit member(s) in the department shall have the opportunity each year to indicate the times they wish to be on vacation. Absent unusual circumstances, a department will not change its system later than October 15 of any year for vacation scheduling in the following calendar year. The department head shall specify in writing those times in the year, if any, when the schedule of activities restricts the number of staff who can be absent on vacation. Similarly, the department head may specify times of the year when it is desirable from an operational viewpoint for staff to take vacation. The system shall provide that the bargaining unit member with the greatest University seniority shall have first choice of vacation time, the bargaining unit member with the second greatest seniority shall have second choice, etc. The deadline for vacation sign-up shall be November 15 for vacations to be scheduled the next calendar year. The University will make a good faith effort to grant vacation requests for bargaining unit members who do not sign up prior to November 15 or who subsequently desire to change their scheduled vacation.

17.3 Once a departmental vacation schedule has been developed for the office, it shall be posted in the department.

17.4 If a sign-up system is not in place, vacation requests may be granted on a first come, first served basis. In the event two (2) or more bargaining unit members submit their requests simultaneously, the bargaining unit member with the highest University seniority will be granted the vacation.

17.5 Bargaining unit members going on vacation should submit a signed "Request for Leave" form two (2) weeks prior to the beginning of the vacation period. When a bargaining unit member is requesting vacation not previously approved, the University will make a good faith effort to approve the request. In no circumstance will a response for vacation request be denied after five (5) working days of receipt of such request by the employee's supervisor. If the response is not given within five (5) working days, such vacation request shall be granted. A bargaining unit member who is hospitalized while on vacation may convert the period of hospitalization from vacation to sick leave by providing the University with documentation of hospitalization upon their return. If a member of their immediate family dies while a bargaining unit member is on vacation, up to four (4) days of vacation may be converted to bereavement leave in accordance with Section 15.19, provided the University may require documentation of the death in the family and the bargaining unit member's attendance at the funeral.

17.6 If an employee receives written approval for vacation and the approval is subsequently recalled, the employee will be reimbursed, upon submission of appropriate evidence, for any non-refundable costs incurred as a result of canceling an approved vacation leave or being called to work from their vacation.

17.7 The parties agree that the University retains the right to reschedule vacation in the event of serious and unanticipated problems. Before a vacation is rescheduled, the Principal Administrative Officer (President, Executive Vice President, Provost) will meet with the bargaining unit member to discuss the matter, and will make an effort to make alternate arrangements to permit the bargaining unit member to take the vacation as scheduled.

~~**17.8** A bargaining unit member going on vacation may be paid for the vacation period in advance of the regular payday on which they would normally be paid for the vacation period, providing the bargaining unit member has submitted the request in writing on a form to be provided by the University a minimum of fifteen (15) days prior to the effective date of the vacation. Advance vacation pay shall be available to a bargaining unit member for a minimum period of one (1) week of vacation and only twice during any calendar year. The advance pay will be available to the bargaining unit member at the Payroll Office at the end of the bargaining unit member's last working day prior to going on vacation. The advance vacation pay will be deducted from subsequent paycheck(s) on which the bargaining unit member would have received pay for the vacation period if the bargaining unit member had not chosen advance vacation pay.~~

~~**17.9**~~**17.8** Upon separation of employment, payment for accrued but unused vacation leave shall be made at the member's rate of pay at the time of separation, subject to the accrual and maximum accumulation limits stated in this article and up to a maximum accumulation of two (2) years ~~unless the bargaining unit member is drawing down any excess vacation accumulation in accordance with Section 17.1 of this Article~~ and provided the member had at least one (1) year of continuous service with the University.

~~**17.10**~~**9** In the event of a bargaining unit member's death, any earned but unused vacation for which the member was eligible to be compensated up to a maximum accumulation of two (2) years, ~~unless the bargaining unit member is drawing down any excess vacation accumulation in accordance with Section 17.1 of this Article~~, will be paid at the rate of pay at the time of death to the next of kin or the estate of the deceased member.

~~**17.11** Annually, in the month of September, the Chief Human Resources Officer shall allow bargaining unit employees to carry forward the balance up to the limits specified in Section 17.1 with respect to the unused balance of vacation credit.~~

ARTICLE 18

HEALTH AND SAFETY

18.1 The parties agree that it is the goal of the University and the Union that the University be a place in which bargaining unit members enjoy a safe and healthful environment. To accomplish this, the University will endeavor to assure compliance with all federal, state, and local statutes pertaining to health, safety, and the environment. The University shall make available to the Union a copy of all final reports relating to health or safety reviews conducted by state or federal agencies. Both parties recognize that it will be the University's responsibility to provide all bargaining unit members the necessary training, equipment, and written procedures necessary to conduct their job in a safe and healthful manner. Both parties also recognize that it will be the bargaining unit member's responsibility to follow University health and safety policies which may include the wearing of personal protective equipment and the mandatory attendance of training seminars. It is understood that all mandatory training will be offered in accordance with Section 15.12 of this Agreement. It is further recognized that any violation of University safety policies by bargaining unit members may result in disciplinary action by the University.

18.2 In order to assure the Union an opportunity to provide input on matters related to safety, the President of the Union shall designate three (3) bargaining unit members to serve on the University Safety Committee each year.

The charge of the Committee is advisory. The Committee is to review safety incidents that occur on campus, report to and consult with the Director of Environmental and Occupational Health and Safety regarding hazards, recommend the abatement of hazards and recommend education programs.

Members of the Safety Committee shall be allowed paid time off from their regular work while attending Committee meetings.

18.3 If a bargaining unit member feels that they have been assigned to work under unsafe or unhealthful conditions, they shall report the situation immediately to their supervisor. If the bargaining unit member disagrees with the supervisor's response to the situation, they may report the situation to the Director of Environmental and Occupational Health and Safety or their designee. The bargaining unit member(s) shall not be required to continue performing the duties in question pending the inspection by the Director of Environmental and Occupational Health and Safety or their designee, but may be assigned other duties. The bargaining unit member(s) shall not leave the campus. The Director of Environmental and Occupational Health and Safety or their designee shall inspect the situation immediately and deliver a verbal report on the scene, to be followed by a written report of the situation within three (3) days. The Director of Environmental and Occupational Health and Safety or their designee shall be empowered to order the immediate halt of any operation or activity which in their judgment is unsafe or unhealthful.

18.4 The University will continue to provide optional safety training courses to members of the bargaining unit; those enrolled in such courses will be on active pay status if they are scheduled to work during the time the course is taught.

18.5 All recommendations of the Safety Committee shall be responded to by the Director of Environmental and Occupational Health and Safety or their designee, in writing, indicating whether the recommendations will be implemented or rejected. If the recommendation is rejected, the response will indicate reasons for rejection. If the recommendation is approved, the response will indicate the approximate date of implementation.

18.6 The University retains the right to regulate smoking in all University facilities in order to promote the parties' goal of a safe and healthful workplace. Issues relating to smoking will be subject to the University's policy 3356-4-01 Smoke and tobacco free environment.

ARTICLE 19

NON-DISCRIMINATION

19.1 Both the University and the Union recognize their respective responsibilities for non-discrimination under federal and state constitutions, codes, and statutes. Therefore, both parties hereby reaffirm their legal and moral commitments not to discriminate unlawfully in any manner because of race, color, religion, national origin, gender, age, marital status, sexual orientation, disability, employee organization, veteran status or political organization- in accordance with University policy 3356-2-03 Discrimination/Harassment. The University and the Union agree to cooperate in efforts to comply with the Americans with Disabilities Act of 1990 (ADA), as amended.

19.2 The University and the Union agree that there will be no discrimination in any form, including interference, restraint, intimidation or coercion related to the free exercise of the following rights of a University employee, nor will reassignments be made solely for, the following purposes:

- A) To be a member of a union or employee organization;
- B) To not be a member of a union or employee organization;
- C) To provide support to a union or employee organization;
- D) To not provide support to a union or employee organization.

19.3 Prohibition Against Unlawful Harassment: The University and the Union mutually recognize the deleterious effect that sexual harassment or other unlawful harassment has on the University's educational and professional environment. The University and the Union are committed to maintaining a University environment free of unlawful sexual harassment or unlawful harassment based on race, color, religion, sex, age, sexual orientation, national origin, disability, veteran status or political organization in accordance with University policy 3356-2-03 Discrimination/Harassment.

19.4 The parties agree that our society presently offers various sources of relief to persons found to have been victims of discrimination, such as the Ohio Civil Rights Commission and the Equal Employment Opportunity Commission. The parties further agree that any individual who believes that they have been unlawfully discriminated against, in violation of the provisions of this article, shall proceed to file a complaint with ~~the Director, Equal Opportunity and~~ Policy Development & Title IX, or with other appropriate agency(ies), and that such complaints ~~can be processed under the provisions of Article 9 (“Grievance Procedure”) of this Agreement, but such complaints cannot be arbitrated~~ are not grievable.

19.5 Employees with questions, concerns, or complaints regarding discrimination should contact the University Office of Equal Opportunity ~~and~~ Policy Development ~~and &~~ Title IX at <https://ysu.edu/equal-opportunity-and-policy-development/equal-opportunity-and-policy-development-title-ix>. ARTICLE 20

CLASSIFICATIONS AND POSITION AUDITS

20.1 Definitions:

A Position Description is a statement of job duties assigned to a classified employee. A position description is prepared and approved by Human Resources, in consultation with the department head and/or supervisor of the employee. Position descriptions are prepared to specifically reference the job duties assigned to classified employees in the department for which they are employed.

A Position Classification is the title assigned to a position based on the duties described in the position description. Human Resources makes this determination using the University’s Classification Specification plan. The determination of a position’s classification assignment is based on the job duties of a position, not the qualifications of an employee, nor the volume of work performed by an employee.

20.2 ~~Classification~~Exclusion/Inclusion Disputes: If at any time a dispute exists over the determination that positions are to be excluded from the bargaining unit, either party may petition the State Employment Relations Board (SERB) for a final binding determination. This provision shall be in compliance with Sections 2.2 and 2.3.

The University will notify the Union when it plans to declare a bargaining unit position as “Supervisory.” The Union, or its representative, shall inform the University of its position in

writing within thirty (30) days of receipt of such notification. In the event the Union fails to respond within thirty (30) days, the University's proposal will be deemed accepted.

When a dispute occurs over the designation of a position as "Supervisory," the matter shall be discussed between the Chief Human Resources Officer or their designee and the Union President. If such discussion does not resolve the matter, either party may submit the issue to SERB for resolution, with the position held in a non-supervisory status pending the determination by SERB.

20.3 Position Audit: A member of the bargaining unit may request an audit of the classification of their position by submitting a ~~formal Audit Request Form and a~~ completed Position Audit Questionnaire packet provided by the University. Both forms shall require the signature of the bargaining unit member. Absent unusual circumstances, the Chief Human Resources Officer or their designee will inform the bargaining unit member, in writing, of the results of the audit within 110 calendar days after receipt of the request and completed questionnaire if an on-site audit is not required, or within 130 calendar days after receipt of the request and completed questionnaire if an on-site audit is required. If unusual circumstances arise which prevent the completion of a position audit within these time limits, the University will provide the bargaining unit member and the Union President with a written explanation of the circumstances prior to the above deadline, and the deadline for completion of the audit will be extended to 145 calendar days after receipt of the bargaining unit member's completed request and completed questionnaire for audit. In the event the position audit determines that the bargaining unit member's position is to be reclassified, the effective date of the reclassification shall be no later than the beginning of the pay period immediately following the receipt of the ~~Audit Request Form and~~ completed questionnairePosition Audit packet (see Article 3.3 A) for rate of reclassification).

Requests for position audits may not be submitted more than once a year, unless the employee provides, at the time of request, documentation showing that duties of the position have been substantially changed since the date of the completion of the previous audit. The "one-year period" will be defined as twelve (12) months from the date of the original request for the most recent position audit. New bargaining unit members may not request a position audit during their first twelve (12) months of employment (measured from the date of hire).

20.4 If the results of a position audit determine that a portion of the bargaining unit member's duties do not fall within the bargaining unit member's position classification, the University shall correct the situation, either by reclassifying the bargaining unit member or by ceasing to assign the bargaining unit member that portion of their duties which do not properly fall within the bargaining unit member's position classification. If the University ceases to assign the bargaining unit member that portion of their duties which do not properly fall within the position classification, the University will notify the bargaining unit member and their immediate supervisor of the decision in writing identifying those duties which are to be removed. The University will compensate the employee for performing the duties which are deemed to be out of their classification from the beginning of the pay period immediately following the receipt of the ~~Audit Request Form and~~ completed questionnairePosition Audit packet to the time the employee is

notified that they should no longer perform the duties which are deemed to be out of their classification.

20.5 When the University proposes the reclassification of a bargaining unit position to a new classified or unclassified position the Union President or their designee and the affected bargaining unit member will be notified in writing, setting forth the proposed new classification, pay range, and bargaining unit status as assessed by Human Resources. If disputed, the Union President or their designee will respond in writing to the Chief Human Resources Officer.

20.6 The University will develop and make available to each bargaining unit member a position description which includes the duties and responsibilities of the position. All position descriptions will contain the following: 1) the position classification; 2) the position classification/job title of the immediate supervisor; 3) regular work schedule (days/hours); 4) a list of the job duties and responsibilities; 5) date issued (month/day/year). The University has the right to revise a position description and to assign other duties which reasonably relate to the established job duties and responsibilities described therein or to the position classification. The University will provide the bargaining unit member a copy of their job description within seven (7) days after any revisions are made to it.

20.7 The University will make a good faith effort to review all bargaining unit positions every five (5) years for correct classification, consulting the bargaining unit member as part of the process.

20.8 Working Out of Classification:

- A) In the instance where a bargaining unit member is temporarily assigned to a higher classification, they will receive a pay rate adjustment if they work in the higher classification for a continuous period of two (2) weeks or more. The pay adjustment will increase the employee's hourly rate of pay by ten percent (10%) or to the starting rate of pay for the higher classification, whichever is greater. The parties agree employees shall normally not be "temporarily assigned" for more than one hundred twenty (120) days in any twelve (12) month period, unless the parties mutually agree to a longer assignment. However, in a situation where a bargaining unit member is "temporarily assigned" to a higher classification due to illness, injury or some other approved leave of absence of another bargaining unit employee, the temporary assignment will last for the duration of the approved leave of absence.

- B) It is understood by the parties that if an assignment involves the bargaining unit member being assigned job duties that have a lower pay rate than their regular job classification, the bargaining unit member will be paid wages they earn in their regular job classification.

- C) In the instance where the bargaining unit member is assigned job duties, in accordance with Section 20.8 (A), on a continuous or permanent basis, and these job duties are of a higher classification, the University and the Union may mutually agree to permanently reclassify the bargaining unit member to the higher classification. Pay rates for reclassifications are addressed in Article 3.3 (A).
- D) When a bargaining unit member is assigned a higher classification, in accordance with 20.8 (A) or 20.8 (B), the University shall provide the directive/assignment to the bargaining unit member in writing before the work commences.
- E) Allegations of procedural impropriety should be immediately reported to Human Resources.

20.9 The parties agree that position classifications will be assigned and reviewed and the classification plan maintained by the Chief Human Resources Officer who is authorized to modify, rescind and amend the Classification Plan, as appropriate and necessary in accordance with Board Resolution YR 2018-65 and any applicable provisions of ORC and OAC 124, including any applicable rules of the Department of Administrative Services. Any bargaining unit member whose position is reviewed and/or reclassified retains the right to appeal the classification decision to the State Personnel Board of Review. The University will advise each bargaining unit member of their right to seek such review as part of the notification of the classification decision. (See Section 15.15, Legal Leave.) Questions concerning position classification are not subject to the grievance procedure established in Article 9 (“Grievance Procedure”).

ARTICLE 21

RETIREMENT/RESIGNATION

21.1 There shall be no mandatory retirement age for members of the bargaining unit.

21.2 Retirement Benefits: Bargaining unit members who retire with ten (10) or more years of University service are eligible for the benefits as are referenced in University policy 3356-7-17 Retiree privileges and emeritus status.

21.3~~21.2~~ A bargaining unit member who retires will be entitled to a Bookstore discount for an unlimited period of time, ~~on the same basis as bargaining unit members, to use of the library, Bookstore discount, tickets for University functions, use of Beeghly Center and other recreational facilities. Retired bargaining unit members shall be eligible to purchase a parking permit annually for the annual parking fee established by the University.~~

~~21.3 Retirees, their spouses, and children (as defined in Section 27.3) to the end of the academic year in which they reach age twenty five (25), shall be eligible for remission of all instructional fees (See Article 27).~~

21.4 Bargaining unit members who retire with ten (10) or more years of University service are eligible for a convertible life insurance policy through the carrier as of the date of their retirement (rounded to the nearest multiple of \$1,000) to a maximum of \$75,000. Such policy for a retiree will not include accidental death and dismemberment insurance.

22.1 Summary of Coverage:

- A) **Eligibility:** All group insurance benefits provided in this Agreement and described in the health, dental, and life insurance booklets shall be available to the following eligible employees and their dependents except as expressly identified within this Agreement: all permanent full-time bargaining unit members and permanent part-time bargaining unit members holding a position with a full-time equivalency (FTE) of not less than .50. Dependents are spouses and dependent children to age 26.
- B) **Maintenance of Benefits/Open Enrollment:** Except as provided in this article, the benefits under the University's group health plan shall remain equivalent to or better than those provided in the certificates that are in place in Appendix ~~GD~~ of this Agreement. Members of the bargaining unit will annually have the right to choose to enroll in the plan during the open enrollment period established by the University.
- C) **Working Spouse/Coordination of Benefits:**

1. Working Spouse Coverage Obligations

- a) As a condition of eligibility for coverage under the University's group medical and/or prescription drug plan(s) ("University Coverage"), if an employee's spouse is eligible for group medical and/or prescription drug coverage sponsored, maintained and/or provided by the spouse's current employer, former employer (for retirees), or business for self-employed individuals (other than sole proprietors) (collectively or individually, "Employer Coverage"), the spouse must enroll for at least single coverage in their Employer Coverage unless they are entitled to Medicare.

For purposes of this section, in instances where the spouse's employer makes no monetary contribution for Employer Coverage, such plans will not be considered to be Employer Coverage. This is intended to apply to situations in which the spouse is a current employee in a business, but not to situations in which the spouse is a business owner, including partner of a company and/or firm, is a self-employed individual (other than a sole proprietor) in a business, or retiree in a group medical and/or prescription drug insurance plan.

- b) The requirement of subsection (a) does not apply to any spouse who works less than 25 hours per week AND is required to pay more than

50% of the single premium funding rate OR \$300 per month, whichever is greater, in order to participate in Employer Coverage.

- c) An employee's spouse who fails to enroll in Employer Coverage, as outlined above, shall be ineligible for University Coverage.
- d) Upon the spouse's enrollment in Employer Coverage, that coverage will become the primary plan and the University Coverage will become the secondary plan according to the primary plan's coordination of benefits and participation rules. Notwithstanding the foregoing, in the event the spouse is a Medicare beneficiary and (i) Medicare is secondary to the University Coverage, and (ii) Medicare is primary to the spouse's Employer Coverage, the University Coverage will be the primary coverage. The rules of O.R.C. §§ 3902.11 to 3902.14 shall govern the implementation and interpretation of these coordination of benefits rules.

- 2. **Employer Coverage:** It is the employee's responsibility to advise the University's Human Resource Benefit Manager immediately (and not later than thirty (30) calendar days after any change in eligibility) if the employee's spouse becomes eligible to participate in Employer Coverage. Upon becoming eligible, the employee's spouse must enroll in Employer Coverage unless they are exempt from this requirement in accordance with the exemptions stated in this section.
- 3. Every bargaining unit member whose spouse participates in the University's group medical and/or prescription drug insurance coverage shall complete and submit to the ~~Plan~~University's Human Resource Benefit Manager, upon request, a written certification verifying whether their spouse is eligible for, and enrolled in, Employer Coverage. If any bargaining unit member fails to complete and submit the certification during the annual certification process, such bargaining unit member's spouse will be removed immediately from University Coverage. Any information not completed or provided on the certification form may be requested from the employee.
- 4. If a bargaining unit member submits false material information or fails to timely advise the Human Resources Benefits Manager of a change in the eligibility of the employee's spouse for Employer Coverage within thirty (30) calendar days of notification of such eligibility, and such false information or failure results in the provision of University Coverage to which the employee's spouse is not entitled, the employee's spouse will be disenrolled from University Coverage. Such disenrollment may be retroactive to the date as of which the employee's spouse became ineligible

for plan coverage, as determined by the administrator for the University Coverage. The administrator shall provide at least thirty (30) calendar days advance written notice of any proposed retroactive disenrollment. In the event of retroactive disenrollment, the bargaining unit member will be personally liable to the applicable University Coverage for reimbursement of benefits and expenses, including attorneys' fees and costs, incurred by the University Coverage as a result of the false information or failure. Additionally, if the bargaining unit member submits false information in this context, the employee may be subject to disciplinary action, up to and including termination of employment.

5. The details of the working spouse limitations and coordination of benefits requirements are available on the Human Resources Office website.
6. For purposes of salary deduction toward premium cost sharing, in families in which both spouses are employed by YSU, the higher paid employee shall bear the salary deduction. They shall have the option either to be treated as only one employee, employee plus one, or family coverage, or to select individual coverage and for each to pay the single salary share of the premium.
7. If one spouse works for YSU and the other does not, their dependent children may remain on the YSU insurance. If both spouses work for the University, in the case of family coverage, the higher-paid employee pays for the employee plus one or family coverage.
8. An employee may opt out of health insurance benefits (medical, prescription drug, dental and/or vision coverage).

26.4 In the event a state or federal law affecting this Agreement is enacted or becomes effective during the term of this Agreement, the parties agree to meet promptly and determine those areas of this Agreement which must be revised to bring this Agreement into compliance with the law; this revision shall be limited to those areas in which a revision is mandated by law, and there shall

ARTICLE 29 SENIORITY

29.1 There shall be two (2) forms of seniority for bargaining unit members.

- A) **University Seniority:** This is a bargaining unit member's total service with the University. University-wide seniority shall be applied in determining vacation sign-up and in the filling of vacant positions (as defined elsewhere in this Agreement).
- B) **College or Non-Academic Division Seniority by Classification:** This is a bargaining unit member's total service in a specific classification within a specific College or Non-Academic Division. The bargaining unit member who has the greatest seniority by classification within a College or Non-Academic Division has seniority rights over other bargaining unit members in that classification within that College or Non-Academic Division for all purposes except for those mentioned in Section 29.1.A and Article 16 ("Layoff and Recall").
- C) **Tie Breaker:** The parties agree to utilize the following procedure if two or more members of the bargaining unit hold the same position within the same College or Non-Academic Division and have the identical seniority dates:
 - 1. If two or more bargaining unit members have the same amount of time in a particular classification, the first tiebreaker is the date of continuous University service. Continuous service is that service unbroken by a resignation or termination from the University.
 - 2. In the event that a tie is not broken by the foregoing procedure, the second tiebreaker shall be the uninterrupted service of an employee with a state agency, a county office, or a state-supported college or university where no break in service occurs.
 - 3. In the event a tie is not broken by either of the foregoing procedures, we will use the last four (4) digits of the Social Security Number, in ascending order with the lowest number prevailing (i.e. 0001, 0002, 0003, 0004 – 0001 Prevails).

29.2 A bargaining unit member's University and College or Non-Academic Division Seniority by Classification will continue uninterrupted when activated to military leave as defined in Article 15. Such bargaining unit member will continue to accrue seniority as if they were in active pay status.

29.3 The parties agree that any bargaining unit employee that is a rehired retiree will be considered a new employee for the purpose of leave accruals and retention points and will receive service credit only for time worked since the employee was rehired.

29.4 A bargaining unit member's University and College or Non-academic Division seniority shall terminate if a bargaining unit member:

- A) Quits or resigns.

EVALUATION FORM**

**YOUNGSTOWN STATE UNIVERSITY
CLASSIFIED EMPLOYEE PERFORMANCE EVALUATION**

Employee Name	Department	Type of Evaluation

	Due Date:
Evaluation Period From: _____ To: _____	

Generally, evaluations are completed annually; therefore, regular and ongoing feedback is highly encouraged.

Guidelines for completing the evaluation:

1. Evaluate the employees' performance over the entire evaluation period, not just the most recent period.
2. Base your ratings on the individual's job performance and results only.
3. Do not give someone a high rating to avoid discussing an issue. Do not give someone a low rating in an attempt to motivate or discipline the employee. Make your rating representative of the level of performance.
4. Recognize distinct levels of performance in each area. Do not let an "overall impression," positive or negative, influence the rating of a particular area.
5. If the employee works a different shift than you, or there is minimal interaction between the employee and supervisor, it may be helpful to solicit input from other supervisors/administrators prior to completing the evaluation. Request specific results or examples versus general impressions of their performance.
6. Once you have completed the form, please take a minute to review your work in order to ensure that you have checked all performance boxes.

Definition of Ratings:

Below Minimum (1 point)—Employee does not meet minimum performance requirements in this category. **Needs to Improve (2 points)**—Performance must improve for employee to be successful in this category. **Meets Requirements (3 points)**—Employee meets performance requirements most of the time. **Frequently Exceeds (4 points)**—Employee consistently meets and often exceeds

performance requirements. **Outstanding (5 points)** – Employee consistently exceeds performance requirements.

Please note that the employee’s overall performance rating will be automatically calculated.

Definitions:

Contract Period and Fiscal Year are defined as the 12-month period July—June

Funding Level—The overall dollars needed to cover estimated health care expenses. The Funding Level will be converted to Funding Rates for the Contract Period:

For the Fiscal Year beginning July 1, 2020, and ending June 30, 2022:

$$\text{Medical} = \text{Expected Claims Liability} + (\text{Expected Claims Liability} \times 3\text{-}3/4\%) + \text{Fixed Costs.}$$

~~Rx = Expected Claims Liability + (Expected Claims Liability x 3-3/4%) + Fixed Costs~~

~~Dental = Fully insured rate as set forth by the dental insurance carrier~~

~~Vision = Fully insured rate as set forth by the vision insurance carrier~~

~~Should the dental or vision plans become self-insured in the future, the funding rates for those plans will be determined as follows:~~

~~Dental = Expected Claims Liability + (Expected Claims Liability x 3.75%) + Fixed Costs~~

~~Vision = Expected Claims Liability + (Expected Claims Liability x 3.75%) + Fixed Costs~~

~~**Funding Rates** are based a structure that includes Employee Only; Employee + One Dependent; and Family (Employee + two or more dependents).~~

~~**Expected Claim Liability** is determined by the stop loss carrier and/or Third Party Administrator (TPA) for the Contract Period, and/or actuary for the health care consultant.~~

~~**Actual Costs** = Paid Claims + Fixed Costs — Prescription Drug Rebates~~

~~**Fixed Costs** = Administrative Costs + Stop Loss Premiums~~

~~Funding Rates for the medical, prescription drug, dental and vision plans each July 1st, will be determined using the formulas identified above to calculate Funding Level.~~

~~Reserve~~

~~The University will maintain a health care Reserve in accordance with the guidelines outlined in the HCAC Target Reserve Policy.~~

~~HCAC Target Reserve Policy~~

~~Components of the Target Reserve:~~

- ~~a. **IBNR Reserves** — represent the funds necessary to cover claims Incurred But Not Reported. For purposes of this contract, IBNR Reserves = 2.5 months of Expected Claims for medical, prescription drug, dental and vision claims. These are claims for which members have received services but the claims have not been paid or billed to the University; and~~
- ~~b. **Margin** — represents the difference between the Maximum Claim Liability (applies to medical only) and Expected Claims Liability set by the University's consultant. This amount is calculated by multiplying Expected Claims Liability by 125%.~~

~~Targeted Reserves should be expressed as a range from Optimistic, Intermediate to Pessimistic to reflect the potential for variance.~~

~~Funding of the Reserve should target the Intermediate Targeted Reserve Level of 35% of projected annual costs.~~

~~This Reserve Policy should be integrated in the annual Funding Level Calculations:~~

- ~~c. A three year projection of the Targeted Reserves should be used to effectively plan and adjust accounts through premium increase or decreases;~~

d. ~~Should the reserve balance exceed 45% of the average of the annual actual cost, the Health Care Advisory Committee shall consider options, including premium holidays, and make recommendations intended to reduce the reserve balance. The average of the annual actual cost is defined to be the three year average of the annual actual cost required to operate the health care plan for the previous three fiscal years. The annual actual costs for a particular fiscal year includes claims or premium costs including stop loss insurance, administrative expenses incurred from vendors and consultants, wellness expenditures, all legally required fees and taxes associated with the health care plan, and other expenses that may be required to effectively operate the health care plans.~~

e. ~~Should the reserve balance fall below 25% of the projected annual costs, the Health Care advisory Committee may consider options and make recommendations intended to raise the reserve balance.~~

~~An actuarial consultant will confirm annually that the reserve policy is properly aligned with the stop loss coverage and to identify risks associated with the coordinated policies.~~

~~EMPLOYEE CONTRIBUTIONS~~

~~Employees will contribute, via payroll deduction, an aggregate of 15% of the Funding Level. In each year of the contract, once the funding rates are determined for the Employee Only; Employee + One Dependent; and Family (Employee + two or more dependents) contracts, the University and the Union will meet to identify the flat percentage of salary within the bargaining unit that is required for Funding Level to be reached in each year of the contract. Once both sides agree to the flat percentage, it will be implemented by the University. This will occur each July 1 of the contract thereafter.~~

APPENDIX J
MEMORANDUM OF UNDERSTANDING
ACE COVID-19 COST SAVINGS REDUCTIONS
TERM OF AGREEMENT MAY 24, 2020 - JUNE 30, 2021

~~Youngstown State University (University) and the Youngstown State University Association of Classified Employees (ACE) agree to modify the working conditions and ACE Collective Bargaining Agreement (CBA), where applicable, to effectuate the following, which shall become effective upon its ratification by ACE and its adoption by the University.~~

Furloughs:

- ~~1. The University will implement a plan wherein all bargaining unit employees will be required to take up to twenty-six (26) workdays of unpaid leave (also called "furlough days"). To account for the furlough days, starting on Sunday, July 5, 2020 and continuing through the pay period ending on Saturday, July 3, 2021, a bargaining unit employee's hourly rate will be reduced by 10% for FY2021. Prior to the start of furlough days, an email will be sent to the ACE President regarding furloughs. Individual furlough notifications will not be provided.~~
- ~~2. Bargaining unit employees will continue to receive healthcare at the amounts and terms specified in the CBA during the furlough days. Bargaining unit employees remain responsible for the employee contribution for their chosen healthcare plan as specified in the CBA.~~
- ~~3. The application of furlough days by the University does not require a statement of rationale, is not subject to arbitration, displacement, grievances, notification requirements, and seniority rights or articles contained in the CBA and shall not be appealed to SPBR, or any other forum.~~

BETWEEN THE ASSOCIATION OF CLASSIFIED EMPLOYEES AND
YOUNGSTOWN STATE UNIVERSITY

The parties agree that they will meet on an ad hoc basis to form a committee to discuss compensation issues and make recommendations, including possible adjustments to starting wages relative to ACE bargaining unit classifications when there are justifiable recruitment and retention issues. Either party may request to convene the committee; at which point the committee shall use its best efforts to convene within ten (10) working days from the date of the request. The purpose of the committee will be to provide input on salary and wage issues and make a recommendation to Administration for salary adjustments to specific ACE classifications when necessary, in order to recruit and retain talented employees.

The Chief Human Resources Officer and the Union President will each appoint three (3) individuals to serve on a committee for such purpose. The committee will make recommendations for salary adjustments based on market data, demographics, and University need (recruitment and retention). Should the committee recommend changes to adjust wages and Administration accepts the recommendation(s), the University will prepare a Letter of Understanding (LOU) to reflect and implement the amendments to the Classification Plan. The University will implement wage changes per the LOU within thirty (30) days of the signing of the LOU.

The parties agree that there are no side agreements, promises, or undertakings related to this Letter of Understanding other than those expressly and specifically stated herein.

RENEWING THE PLAN FOR STRATEGIC ACTIONS TO TAKE CHARGE OF OUR FUTURE

WHEREAS, the *Plan for Strategic Actions to Take Charge of Our Future* (“Plan”) was endorsed by the Board of Trustees of Youngstown State University (“YSU or University”) in June 2020;

WHEREAS, leadership proposed and the Board agreed that substantial progress has been made implementing the Plan, and that the Plan should be renewed and presented to the Board in September 2023;

WHEREAS, with the vice presidents as sponsors, five working groups, each convened by a member of leadership and a dean with five to six members, met frequently to evolve renewed goals and/or strategies for the Plan;

WHEREAS, the working groups were Sustainability, Academic Portfolio Design, Student Success, Marketing & Communication, and Community & Workforce with each working group proposing five high-priority strategies to integrate into a renewed Plan;

WHEREAS, a substantially adjusted DRAFT Plan was reviewed with input provided via the Academic Senate and via faculty through chairpersons of departments.

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees endorses the Plan as presented and that is attached as a component of this Resolution;

BE IT ALSO RESOLVED, that the Board understands such a Plan is a working document and may be adjusted over time and the progress on implementing the Plan will occur via appropriate future committee meetings or meetings of the Board.

Board of Trustees
Meeting September 20, 2023

**RESOLUTION RELATED TO THE YSU FUTURE STATE: CRAFTING A
SUSTAINABLE FUTURE IN CONSIDERATION OF THE FALL 2023 14TH-DAY
ENROLLMENT REPORT, ENROLLMENT TRENDS, AND OTHER PERTINENT
FACTORS**

WHEREAS, after significant campus involvement in the process, the Board of Trustees in June 2020 endorsed and in September 2023 renewed the Plan for Strategic Actions to Take Charge of Our Future (“Plan”);

WHEREAS, the Board via various Resolutions and via topics of discussion has consistently stressed the importance of tailoring the academic portfolio in consideration of serving the region and beyond, including the accountability structures currently in place and that are emerging regarding state and federal support of higher education;

WHEREAS, while academic excellence and student success are foundational to the success of the university, athletics and the physical environment are important assets associated with the viability and vitality of the university, as previously resolved during the development of the Plan and via BOT Bylaws related to the governing of athletics;

WHEREAS, the Board endorsed a Resolution* related to resources stating that, “...investment in ongoing commitments to personnel and the physical environment, without net new revenue, requires the reallocation of current resources, meaning if compensation increases, there will be cascading implications...”;

WHEREAS, the Board has engaged the YSU community in Future State Conversations considering a sustainable future related to the inextricable interactions of academic vitality, enrollment, and sustainability;

WHEREAS, the Board considered a Report regarding the 14th-day Preliminary Enrollment Report for fall 2023 (attached), as identified in Article 13 of the [Collective Bargaining Agreement](#) with the Youngstown State University Chapter of the Ohio Education Association.

NOW THEREFORE, BE IT RESOLVED that in consideration of the 14th-day Preliminary Enrollment Report indicating a decline in enrollment in Fall 2023, the decreased enrollment in previous years and potentially, even with significant successful actions to reduce the decline, similar or worse enrollment declines in future years, and because enrollment is related to the academic portfolio both of which directly influence sustainable prosperity of Youngstown State University, this Board of Trustees continues to expect progress be made on the expectations expressed in the Resolutions related to the Fall 2022 and Fall 2021 14th-day Preliminary

Enrollment Reports (attached), particularly related to establishing clear expectations and actionable timelines related to assuring an academic portfolio for which there is sustainable and increased market share;

BE IT ALSO RESOLVED, the Board has confidence in administration to take appropriate actions to optimize the academic portfolio and thereby contribute to the sustainable prosperity of Youngstown State University;

IT IS ALSO RESOLVED, the leadership team will present a framework for a Plan for Strategic Academic Actions at the Governance Committee meeting in December, 2023.

RESOLUTION RELATED TO THE YSU FUTURE STATE: CRAFTING A SUSTAINABLE FUTURE IN CONSIDERATION OF THE FALL 2021 14TH-DAY ENROLLMENT REPORT, ENROLLMENT TRENDS, AND OTHER PERTINENT FACTORS

WHEREAS, after significant campus involvement in the process, the Board of Trustees in June 2020 endorsed the Plan for Strategic Actions to Take Charge of Our Future (“Plan”); and

WHEREAS, the Board passed a resolution related to Academic Program Review implemented as Academic Program Enhancement and Effectiveness that now include curricular efficiencies and included in the Plan expectations associated with such a process with results that were reported to and approved by the Board in June and September, 2021, respectively, requiring taking the steps necessary to finalize the sunseting of such programs; and

WHEREAS, the Board passed a resolution related to implementing student success support structures and included in the Plan expectations of implementing such support structures some of which have now occurred including the Student Success Seminar and the enhancement of the organization of student academic advising; and

WHEREAS, the Board passed a resolution related to aligning resources with strategic priorities and included in the Plan expectations that supported technology investments to enhance student recruiting for enrollment and student retention, persistence, progress and completion some of which have now occurred including implementation of Penguin Pass (degree audit technology) and CRMAdvise (holistic student advising technology) anticipating there will be an increase in persistence, progress and completion; and

WHEREAS, while academic excellence and student success are foundational to the success of the university, athletics and the physical environment are important assets associated with the viability and vitality of the university as previously resolved during the development of the Plan; and

WHEREAS, the Board endorsed a Resolution* related to resources stating that, “...investment in ongoing commitments to personnel and the physical environment,

without net new revenue, requires the reallocation of current resources, meaning if compensation increases, there will be cascading implications...”; and

WHEREAS, the Board endorsed a Voluntary Separation and Retirement Program, implemented this year pursuant to article 13.2b of the OEA collective bargaining agreement, that was designed to support institutional sustainable prosperity, a primary Board responsibility; and

WHEREAS, the Board has engaged the YSU community in three Future State Conversations during 2020-2021 and earlier today held a BOT Future State ADVANCE considering a sustainable future related to the inextricable interactions of academic vitality, enrollment, and sustainability; and

WHEREAS, the Board considered a Report regarding the [14th-day Enrollment for Fall 2021](#) (attached), identified in Article 13 of the [Collective Bargaining Agreement](#) with the Youngstown State University Chapter of the Ohio Education Association.

NOW THEREFORE, BE IT RESOLVED that in consideration of the 14th-day Enrollment Report for Fall 2021, the trend for decreasing enrollment in previous years and potentially, without significant successful actions to reduce the decline, similar or worse enrollment declines in future years, and because enrollment is related to the academic portfolio both of which directly influence sustainable prosperity of Youngstown State University, this Board of Trustees expects the following:

- Continued rigorous quality improvement and academic portfolio optimization via shared governance as has been exemplified which will continue via the Academic Program Enhancement & Effectiveness Initiative and the Curricular Effectiveness Initiative anticipating that:
 - recommendations for grow+, grow, sustain, adjust and sunset are demonstrably clearly aligned with enrollment optimization as informed by the interactions of mission, market, and margin;
 - there are significant reductions in small class sections, the numbers of course offerings are reduced to only the number essential for student progress and degree completion, thereby optimizing the interactions between class section number and class section fill-rates;
 - the percent of undergraduate student credit hours of instruction taught by full-time faculty is increased to enhance the quality of the student experience via steps including but not limited to reducing the amount of time faculty are released from instruction;

- the numbers of majors relative to the faculty full-time equivalent in consideration of substantially reducing part-time instruction is achieved;
- the economic viability of maintaining all of the undergraduate and graduate level majors and degrees that currently exist is directly aligned with optimizing the academic portfolio and quality of instruction;
- the opportunities associated offering additional online courses and programs are thoroughly assessed and implemented as deemed appropriate; and
- While there is no net new revenue, there continues to be investment via disinvestment in faculty positions of the most appropriate classification to support the vitality of the optimized academic portfolio including:
 - engagement in supporting faculty via the Institute for Teaching and Learning to enhance the quality of teaching for enhanced learning including attention to the diversity, equity and inclusion objectives;
 - academic leadership is provided development opportunities to improve the effectiveness of each academic program; and
- The academic priorities are aligned with achieving distinction such as:
 - the emergence of clearly identified areas of intentional research distinction with the scholarship of teaching as a distinction; and
 - a redesigned transformative “general” educational experience that has the potential to be a model of distinction to be implemented no later than fall 2023 including minimizing and preferably eliminating stranded credit hours; and
- Continued diligence to align the activities of the academic support areas to advance the Plan and the academic agenda by:
 - refining and implementing mission, attributes and quality of service objectives;
 - engaging in an assessment of the strategic distribution of resources across the academic support areas to optimize achieving the goals and objectives of the Plan, using already implemented processes for strategic position allocation as well as data already available to assess such resource allocations; and

BE IT FURTHER RESOLVED THAT:

- Progress will be reported to the Board of Trustees at each subsequent meeting, including an update on such matters by the chair of the Academic Senate, until it is determined that such updates are no longer essential;

- At the December 2021 meeting of the Board of Trustees there will be more clearly identified objectives and timeframes for achieving academic program effectiveness and curricular efficiency;
- The president, provost and administration have the authority and full support of the Board to effectively implement these expectations considering the Board Resolution on Shared Governance as intersecting with administration's responsibilities associated with consequential decision-making;
- To Take Charge of Our Future the academic leadership of each college will collaborate with the Office of Academic Affairs and at minimum, convene college-wide sessions of academic program faculty at least once per semester to implement the Plan; and

BE IT ALSO RESOLVED THAT:

- The Board expresses its confidence that faculty and staff engagement activating these expectations will impact and influence the objectives to be achieved: sustainable prosperity that is directly related to academic vitality that realizes optimal enrollment preserving fiscal integrity without which significant adjustments to the academic portfolio will be made.
