KAMPUS KOMENT

What is this thing called "school spirit"? According to preacher "Whoozit", nee the Redhead, it's a wan, timid, flickering flame about whom nobody seems to bother. That it has a bare chance of recovery, was demonstrated at the Pet Meeting, Friday, January 16. Never has Grandma heard such impassioned speechmaking in favor of our poor school spirit, such enthusiastic cheering; the very walls echoed in amazement at the unexpected noise; and the strains of the old Alma Mater floated happily through the ether. It was a grand assembly!! After Coach McPhee's vigorous speech, Johnny Eastlake's criticisms, and the Redhead's acting up, Grandma feels that better days are coming.

Seriously though, school spirit is developed through pride - in our college, our faculty, and our classmates; and it consists in a steadfast loyalty to all ideals and activities whether they are agreeable to the individual or not. Let's have some of this - some of the Old School Spirit!

STUDENTS' BEARDS GROW LONGER

The Hiram College Terriers shellacked the Youngstown College cagers by the score of 32 to 1.

The Youngstown boys seemed unable to get their offense going, nor did they seem to have their usual fight and spirit.

Jimmie Marks, Johnny Hunter, and Bob Mullin, played a very nice game for the losers, while Baker, a Youngstown boy, shone for the winners.

A good-sized crowd turned out to see the contest. Hiram also had a good representation to cheer for its team.

FROM BEHIND THE DESK

"And when the one Great Scorer Comes to write against your name,  
He writes not that you won or lost,  
But how you played the game."

The best feature of the game Saturday night was the way the men on the team played until they were ready to drop, even getting better as the game progressed, and the way the students kept cheering in spite of the fact that the score was nearly two to one against us. It was the best exhibition of school spirit seen here in many a day. With such spirit on the part of the team and the student body, our season will be a success if we never win a game. Needless to say, I am proud of you.
