YOUNGSTOWN, OHIO

VOLUME 30 NO. 1

Y. U. ENROLLMENT UP 600 OVER LAST YEAR

Touchdown Trot To Honor Team

Bari le Provides Music For Ninth Touchdown Trot

Sigma Phi Epsilon's Ninth Annual Touchdown Trot will be held Friday evening, October 5, from 9 to 1, at Idora Park's beautiful new ballroom. Nick Bari le and his orchestra, who have played for several Youngstown University and area dances in the past, will provide the music for the evening dancing.

Each year this unofficial opening of the social season is held to honor the football team, and so that the students might become better acquainted with the team.

The dress for the occasion will be semi-formal, with the men in suits, and the women wearing cocktail, or evening attire.

Stan Wyosky holds the post of General Chairman for the second year in a row and has set up the following committees: Pete Citano, publicity; Sandy Foutz, programs; Dick Remick, tickets; John Costarella, intermission and John Tudhope, invitations. Dick Nuskiewicz is heading the committee in charge of decorations.

Tickets for the dance will be sold by all Sig Eps, and may be purchased for \$2. They will also be available in blocks, at a slight reduction, to all Greek organizations. According to tradition the team members and their dates will be admitted free of charge.

R. I. L. Student Reception Held By Rev. Linder

Starting off events of the year for R.I.L. was the Student-faculty Reception held at Rev. Linder's residence last Sunday evening.

The program included vocal and instrumental selections and male quartet numbers. The evening ended with dancing and refreshments.

The next event on the program this year will be a swimming party on Thursday, October 4 at the Y.W.C.A. at 9:00 p.m. There will be social gathering at Reverend Linder's residence after the swim.

As most of you know and for those that don't, Chapel is held every Wed. from 12:00 to 12:20 noon. Bible study groups will be held again this year each Monday noon, from 12:00 to 1:00 p.m. in the second floor parlor of First Christian Church beginning October 1.

And don't forget the first regular meeting of R.I.L. which will be held at St. John's Church (across from the Administration Building) on October 4 at 8:00 p.m. All meetings after that will be held at First Christian Church.

IT'S NOT AS BAD AS THAT! These Education majors seem to be taking the Freshmen Orientation lecture much too seriously. But just wait!

Dean of Law School Dies; Was Prominent In Civic Activities

Attorney Raymond Leonard Falls, one of Youngstown's most prominent and active attorneys and dean of Youngstown University School of Law for 14 years, died last week after being stricken with a heart attack at an attorney's banquet at Squaw Creek Country Club.

Attorney Falls was attending the annual fall outing of the Mahoning County Bar Association and was talking with other attorneys about realization of his long-time ambition for a full-time law school at the University when the first of two attacks struck him.

An ambulance was summoned but delay resulted when it skidded into a ditch at the club entrance and another ambulance had to be summoned. A second attack occurred shortly after as fellow attorneys attempted to give him first aid. He was dead on arrival at Saint Elizabeth Hospital at 10:45 p.m.

Atty. Falls had had a severe coronary attack two years ago but had recovered and returned to his full schedule. The family has lived for many years at 3521 Hopkins Road.

Funeral services were held at 3:30 p.m. Friday at the Shriver-Allison Funeral Home.

Long considered one of the city's most civic minded residents, Atty. Falls took an active part in community affairs and was often called upon to serve on various citizens committees.

He devoted many long hours to the law school at Youngstown University where he first joined the staff as a teacher in 1933, teaching personal property and pleadings, his speciality. In 1942 following the death of Judge George H. Gessner, he was named dean of the law school and, in addition to his new duties as dean, con-

tinued to teach. Atty. Falls was born in New Castle, Pa., July 12, 1899, a son of the late Benjamin F. Falls and Katherine Weir Falls. The family moved to Youngstown when he was a youngster and he attended the old West Side School. His father was in the steel business and the family also operated a grocery on the West Side for many years.

He received his Bachelor's degree from Theil College in 1921 and taught Physics and Mathematics for a year in a high school at Salem, Ill. He then entered Western Reserve University School of Law and graduated from there in 1926.

On his return to Youngstown, Falls entered the office of McKain and Ohl and in 1928 he opened his own office.

Dean Falls was active in his work at the Evergreen Presbyterian Church where he taught Sunday school for 25 years.

Attorney Falls was a 32nd degree Mason in the Mahoning Consistory, member and past president of the Youngstown Optimist Club, member of the Sulgrave Lodge No. 692 F. & A.M. Youngstown Shrine Club, Elks, Delta Sigma Phi and Phi Alpha Delta and the American, Ohio and Mahoning County Bar Associations. He was also a director of and counsel for the Metropolitan Savings and Loan Co.

He is survived by his wife, a son and daughter.

Total Enrollment Now Over 5200

Enrollment for the fall semester for the College of Arts and Sciences, William Rayen School of Engineering and Dana School of Music of Youngstown University has reached a record high of 5,205, according to the latest figures released by the University. This figure, which does not include enrollments for the Secretarial School, Technical School and School of Law, which are as yet incomplete, indicates a gain of approximately 600 students over last year's final figure of 4,597.

Former students were pleasantly surprised at the number of changes made for the purpose of expediting registration and relieving congestion during the registration process. All student records have been moved from the main building to the large basement of the university library where a new records office has been established, so that records were more accessible for use by advisors during registration. The IBM facilities formerly housed in the main building, and the service department in Central Hall, have also been moved near the records office, thus relieving congestion in the Administration office and office of the registrar in the Main Building, according to university officials.

A new plan to expedite payment of tuition and fees also went into effect. After registering at the library, students made payments while in line for scheduling, thus eliminating the necessity of waiting in line at the cashier's office in the main building. Increased facilities and space in the cashier's office were made available for the purpose of speeding up the paying of bills there for new students and others.

In spite of these innovations, many students reported for scheduling who could not be handled during the regular registration time, which necessitated a two-day extension of registration.

Open House Held By Newman Club

Newman Club, the Catholic student organization on campus, will open their social season this year with an open house at the new Cardinal Mooney High School, Sunday, September 30, from 7 till 11 p.m. All Catholic students should make every effort to attend.

The club's first regular meeting will be held Sunday, October 7 when the following newly elected officers will preside: Ron Komer, president; Nancy Puskar, vice president; Gene Trel, treasurer; Ruth Navin, recording secretary; Loretta Liptak, corresponding secretary; Judy Millard and Dick Nuskiewicz, co-chairmen of the social committee; John Gillespie and Barbara Knott, co-chairmen of the publicity committee and Jim Borderkircher, editor of the Heart.

Mrs. Jones Greets New Freshmen

Mrs. Howard Jones, wife of the president of Youngstown University, formally received freshman women students and welcomed them to the university at a reception and tea held last Sunday afternoon in Pollock Hall.

Mrs. Joseph Smith, wife of the Dean of the university, and Mrs. W.H. Ramage, wife of the chairman of the board of trustees, were also members of the receiving line.

The freshmen were presented to the guests by their Big Sisters, members of the Junior Women's Association. Members of the Faculty Committee on Women, Mrs. Helen P. McCarty, chairman, poured. They were assisted by members of Alpha Pi Epsilon, national service sorority at Youngstown University.

WELCOME FRESHMEN

Welcome freshmen! The forty-eighth year in the history of Youngstown University has begun and we the members of the JAMBAR staff cordially welcome each and every one of you to its sacred halls. We also congratulate you on choosing Youngstown University as your choice of a school of higher learning. It is well known by this staff and all of the upper classmen in this university that your choice was a wise one.

That hundreds of Youngstown graduates have found the above statement true is evident in the many responsible positions held by our alumni, not only here in Youngstown, but also in various other cities and towns throughout the country. Job opportunities by the hundreds are offered to all Youngstown graduates, jobs in leadership being standard procedure.

It is true that the so called "glory" of true college life is lacking here at Youngstown. There are no tree-lined campuses, no row upon row of fraternity houses, no towering ivy-covered walls of dormitories, and no "packed-to-capacity" football stadium. But question yourself. Are these the true marks of good and reliable colleges?

The answer is obviously "No!" While all these things naturally help a college or university to become well recognized on the national scene, it tells nothing of the academic quality of any institution of higher learning. You freshmen have the unfortunate opportunity of having to take this for granted. But as your time here at Youngstown progresses these statements will take on a more concrete meaning than they probably do now.

Once again we congratulate you on your decision to enroll in Youngstown University. Make the best of your time here, be it scholastically or socially, because these years are, without a doubt, the best years of your lives.

J.R.P.

New Projects Discussed By Spanish Club

The Youngstown University Spanish Club, "Los Buenos Vecinos," which is sponsored by Mrs. Margarita W. Mills and Mr. McKinley Browne, has for its goal this year raising money for three projects. These include the awarding of the annual foreign study scholarship of \$400.00 which the club gives to a sophomore or junior for six weeks of study in a foreign country the awarding of the art prize of \$10.00 for the best drawing shown at the annual Youngstown University Art Exhibit, and a contribution to the Library drive for the purchase of new books.

The officers for this year are: president - Mary Lu Moore, vice president - John Carlisle, recording secretary - Katherine Thorne, corresponding secretary - Laura Mae Ponting, treasurer - Mrs. Bruce McArthur, and historian - Mrs. Neal Linebaugh.

Los Buenos Vecinos holds its meetings in the living room of Pollock House at 8:00 p.m. on the second Thursdays and last Fridays of

every month. The first meeting which will be held on Friday, September 28, will consist of short reports by several of the club members who spent the summer studying and traveling in Mexico.

Other meetings will include a report by John Carlisle, the 1956 winner of the Los Buenos Vecinos scholarship, a talk and slides by several of the club members who visited Guatemala during the summer, lectures by several faculty members about Latin American music and art and the newest acquisitions in the Library for the Spanish department. Talks will also be given by club members and guests about their native countries, including Cuba, Mexico, Puerto Rico, Spain, and Rumania. Latin American songs and dances will be done by several of the club members who learned them in Latin America.

Anyone who is interested in Spanish or international relations is cordially invited to attend the meetings.

Wife (reading an oddity): "It says here that in India a man doesn't know his wife until they are married."

Husband: "That's not the only country."

Ann Arbutina
Mary Ann Margosiak

Question: What humiliating or enjoyable experience did you have at registration or freshman orientation program?

Nancy Veauthier: Education Major

Picnics are a lot of fun. Just ask me - I know. Our picnic started out as almost all picnics do - with a little touch of rain. But even the rain couldn't dampen the spirits of the freshman class of 1956. A fine fan filled crowd turned out.

The dinner was delicious, without a flaw, or should I say fly. After dinner energetic freshmen we are, we decided to have a race. The pavilion is located on the top of a hill - that is where we decided to start our little venture. Can't you imagine a steep hill, wet grass, and tennis, the next natural thing - "plop" - right on my pride. With freshman humility, I got up gracefully as I could, and made my exit.

James Cole: Accounting

While waiting in line to receive my student activity tickets, I received a small card on which I was to put my name and initials. I wrote my name and initials on the card as did the gentleman in front of me. When he gave his card to the man at the window he was angrily told to pay attention to what was being said. He was to print his name and not write his name. Hearing this I quickly turned my card over and printed my name.

Sandy Bailey: Education

I was very pleasantly surprised at the unique and informal manner in which our freshman orientation exercises were held Thursday at Mill Creek Park. It created a friendly atmosphere among all the students and gave us a chance to acquaint ourselves with our classmates and also the activities and standards of Y.U. Since this is the initial time for such a program, I think the promoters of this project should be congratulated for their accomplishment.

John S. Liggett: Engineering

Freshman day was a day of real pleasure for me. I enjoyed the entire day from morning until late afternoon. It made me feel real good to be with such nice people and such a congenial group. In my opinion the MC was the "MOST", if you will pardon the expression. I know that there were a lot of others there that would agree with me on that. All the speakers were interesting. I can not think of a thing that could have been done any better with the limited amount of help that was on hand. We had a swell day, a nice place and a good program. Although I knew only a few of the kids there, I felt that everyone was my personal friend. The chow was great, although I would have rather had coffee instead of coke but you can't please everyone on something like that. All in all it was a wonderful day to remember.

ENGINEER'S ANGLES

Well here we are within the ivy covered halls it's certainly too bad that the ivy isn't on the outside of the building.

Since we have returned from our world trip this summer to many exotic and faraway places such as Rome, the Swiss Alps, Gibraltar, the Soaking Pits of Republic Steel and the Campbell Blast Furnaces we have found many wonderful changes within our school, (known to a few illustrious students as Stala; 17).

The one puzzling question I have in mind is what is secreted behind those drapes in the lounge of the Engineering school. One possible solution could be that John Gyurek is running a Speakeasy for freshmen students. His wares include hat slide rules, hideable ponies, eyeglass with open eyes painted on them so you can sleep in class without being caught.

All kidding aside the Lounge is really an asset to our school and a lot of credit belongs to Mike Solomon and his helpers for doing a great job.

Now a special word for you freshmen and sophomores, we have many good organizations in our school to join such as organizations for the electricals, civils, mechanicals, and chemicals.

Then for all engineers we have the O.S.P.E. See your advisors for full information on these organizations.

Well the colder I stand here the longer I get, so I guess I sign off now and see you next issue.

Faculty Lectures Start Next Week

Once again this year, Youngstown University will attempt to bring students and faculty closer together and to give various students a chance to hear subjects which are not given in their particular field. This will be carried on through faculty lectures. Last year the program, under the direction of Dr. C.A. Evans of the University's Biology department, proved to be a success according to the number of students who expressed their interest.

The lectures are given on Tuesday at 11 a.m. and the following Wednesday at 1 p.m. The following is a list of the instructors and the department in which they are specialized:

October 9&10, Mr. Glassford, Business Administration; October 23&24, Mr. Foley, Department of Speech and Dramatics; November 6&7, Mr. Fisher, Metallurgical Engineering; November 20&21, Mrs. Dehnboitel, Department of Music; and December 4&5, Dr. Durand, Department of Physical Education.

Chemical Society Seeks Members

The Youngstown University Student Affiliate Chapter of the American Chemical Society had its first meeting on Tuesday, September 25. Plans for the fall membership campaign were made. All chemistry and chemical engineering majors are eligible to join as soon as they have completed the first semester of general chemistry. Officers for the year are: Chairman, Paul Wigton; Vice-Chairman, Ron Nagy; Secretary, Frank Gugliotta; Treasurer, Steve Goryanec; Historian, John Novak; Advisor, Dr. Bridgham.

The Navy cook had just whipped up a platter of scrambled eggs for a mob of hungry mates. Wearing by the chore, he sat down and started a letter to his girl.

"Darling," he began, "for the last hour shells have been bursting all around me."

WAYNE MILLER

The first annual Dr. Henry V. Stearns Memorial Scholarship Award has been won by Mr. Wayne Miller from Sharon, Pa. This award is presented by Delta Eta chapter of Phi Mu Alpha Sinfonia Music Fraternity for men.

Mr. Miller is a member of Phi Mu Alpha Sinfonia and a Senior at Dana majoring in Music Education.

A girl riding a horse for the first time - "If you'll show me starter I'll be on my way."

Wiretapping

By JANICE SIMPSON and BOB FOREMAN

WOMEN ARE TAKING OVER AGAIN

Ohio University - Athens, Ohio.

One hundred ninety coeds will move onto East Green, into Biddle Hall, which was a men's dorm last year. The traditionally all male East Green has been turned over to the women this year. It is the first time in 11-year history of the Green that girls have lived "over the hill." A theme has been adopted for the new co-ed "integration" movement. The new plan will be known as "Sharin' of the Green."

INVADING FRESHMAN

Ohio University - Athens, Ohio.

Estimating that 6800 students, 2300 of them freshmen, jammed Chubb Library to register for this semester, University officials find themselves facing the task of preparing for the highest enrollment in the 152-year history of Ohio University.

PARLEZ-VOUS FRANCIS

Otterbein College - Westerville, Ohio.

Maybe a reader of this article who cannot speak French finds the French department strictly out of his class. Not for the Otterbein Students. They presented on television their talent in "parlant francias" (speaking French.)

Dr. La Velle Rosselot, professor of French presented a movie that she had recently directed and filmed from her recent trip to France. Miss Rosselot believes that, "The film will replace the use of a text book."

NEW ATMOSPHERE AT O.U.

Ohio University Post - Athens, Ohio.

A new jukebox, a more extensive menu and enlarged facilities greet the patrons of O.U.'s Frontier Room. They have newly remodeled the snack bar. The room has been paneled with knotty pine, matching the wall of Bunch of Grapes Alcove. Curtains and antiques creating a more, shall we say intimate atmosphere. A new jukebox which consists of 200 new records will replace the old one which played 100 selections. The old price still stands at 5 cents per record.

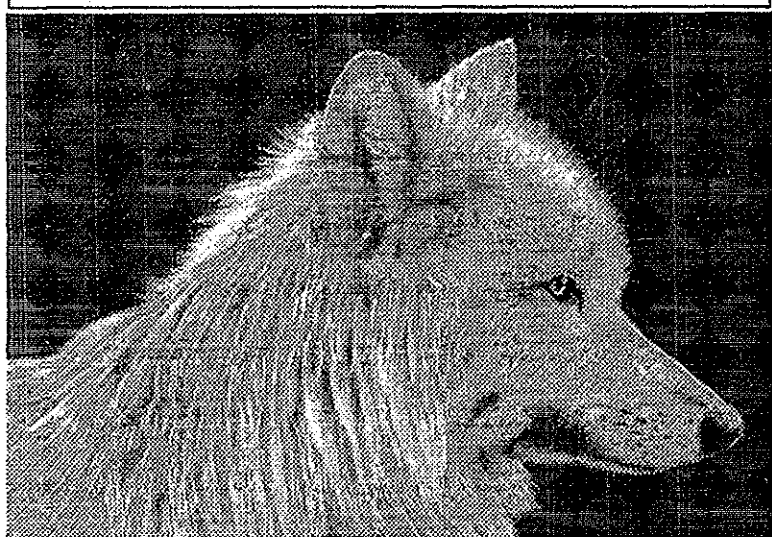

WHAT DO YOU CALL 'EM

University of Illinois - Champaign, Ill.

Freshman rushees at U. of I. are called by a number of names, depending on how they impress the fraternity men who are rushing them. So here are a few of the choice examples used in the classification of them.

- Sharp boy! -- A rushee who is considered great material for a house.
- Face Man! -- A rushee who is good looking but not necessarily sharp.
- Jock! -- An athlete, as a "track jock".
- Crock! -- An undesirable rushee, who gets flushed at the first hash session.
- Closet Case! -- A crock considered so bad he must be secluded and not allowed to mingle with other rushees.
- Furniture! -- A rushee not thought good enough to pledge, but personable enough to make the house look full.

J. Paul Sheedy* Was A Lone Wolf Till Wildroot Cream-Oil Gave Him Confidence

"I'm starved for affection", wailed Sheedy, "but the girls think I'm just a cur. Whenever I paws to talk to one she makes tracks for the tall timber and hides." Poor old Sheedy felt so lousy he wanted to pack up and flea. "Don't be such a shaggy dog", said his Den Mother. "Get yourself some Wildroot Cream-Oil and spruce up." Now J. Paul's the most popular wolf in the forest, because his hair looks healthy and handsome, the way Nature intended... neat but not greasy! Try Wildroot Cream-Oil yourself, in the bottle or handy tube. You'll soon be a howling success with the girls.

*of 131 So. Harris Hill Rd., Williamsville, N. Y.

Wildroot Cream-Oil gives you confidence

New Faculty Members Assume Staff Positions

Youngstown University officials have announced the addition of a number of new faculty members who began their work at the University Monday morning.

A new member of the chemistry faculty is Dr. Paul B. Bien. Dr. Bien taught in China at various universities from 1933 to 1949, worked for the education department of the Hong-kong government from 1949 to 1955, and taught at Indiana University from 1955 until the present time.

Mrs. Frank Braden is a new member of the faculty in the department of education. Mrs. Braden received her degree of Bachelor of Science in Education from Youngstown University and her Masters Degree in Education from the University of Pittsburgh.

Teaches Phys. Ed.

Carl S. Christensen is a new member of the health and physical education faculty. He received his bachelor's degree from Springfield College and his Master's Degree from the University of Illinois. While at the University of Illinois he was an instructor in physical education and assistant freshman football coach while doing graduate work there.

Miss Fanny Cleve, well known as a concert and opera singer in Europe and the United States, has joined the faculty of the Dana School of Music as professor of voice and opera workshop. Miss Cleve has been the prima donna of the Strasburg Opera House, the Darmstadt Opera House, the Cologne Opera House, the Berlin Volks Opera, the Leipzig Opera House, and was starring singer of the State Operas of Vienna, Berlin, and Dresden.

Thaddeus Dillon came to us from John Carroll University where he received his Bachelor's and Master's Degrees in Science. Mr. Dillon will teach in our Mathematical Department. He has done further graduate work at Case Institute of Technology and was a mathematical statistician at Wright-Patterson Air Force Base at Dayton in 1950-51. Since that time he has taught mathematics at John Carroll and Case.

O.L. Dustheimer is also a new member of the mathematics faculty. Dustheimer received his bachelor of science degree from Ohio University and his master of arts from Clark University, master of science and doctor of philosophy degree from the University of Michigan.

Sylvan Einstein will teach in the School of Business Administration. Einstein has studied at the University of Pittsburgh and received his bachelor of science degree in business administration from Youngstown University. He has had experience as merchandising manager of the Bonton Department stores, Greensburg and Indiana, Pa., and the Strouss-Hirshberg Co.

Erwin Mark Evans has been appointed as a full-time member on the faculty in the School of Business Administration. Evans received his degree of bachelor of science in Business Administration from Youngstown University. Evans was an accountant with Burgeson and Thomas, public accountants.

Miss Lillian Hirsch will be on the faculty in the department of biology. Her first semester will be with the student nurses at Trumbull Memorial Hospital, Warren, where Youngstown University faculty members teach all pre-clinical courses in the nursing program. She received her bachelor of arts degree from Youngstown University in 1954. She has taught and done research at Southern Illinois University, Carbondale, Ill. since that time.

Stewart R. Ikeler is a new member of the education faculty. Ikeler has his bachelor of arts and master of arts degrees from Princeton University and Columbia University and has done graduate work toward his doctorate at University of Pittsburgh.

Miss Marilyn Jones will be a member of the health and physical education faculty. Miss Jones has her degrees of bachelor of arts and bachelor of science in education from Youngstown University where she was awarded a graduate assistantship. She has also taught in the Youngstown public schools.

Mrs. Ronald B. Mackall has joined the department of economics. She has her degree of bachelor of arts from Westminster College and her degree of master of arts from Northwestern University. She has taught at Geneva College for 10 years. Mrs. Mackall served as civilian accountant with the Army engineers in the Alaskan Defense Area from 1943 to the end of the war.

Gus Mavrigian has been teaching in the department of mathematics. He has his degrees bachelor of science and master of science from Carnegie Institute of Technology and has done graduate work at the University of Colorado. Mavrigian was a mathematician and engineer with Gates Rubber Co., Denver, Colo. from 1951 to 1953 and since that time an engineer with Truscon Steel Division of Republic Steel Corp.

Miss Elizabeth Sterenberg has joined the social science faculty of the University. Miss Sterenberg has her bachelor's degree from Knox College, Galesburg, Ill., her master's from Radcliffe College and has done graduate work at University of Chicago. She was an exchange student in Wales in 1936-37. She has taught at Genoaed County School for girls in Glamorgan County under the English Speaking Union.

Marshall Scholarship Awards Are Available

The lists are now open for U.S. College students to apply for a two-year Marshall Scholarship award, for study at a British university. Applications should be in as early as possible in October, and in any case not later than October 31, 1956, for the scholarship to be taken up in the fall of 1957.

Any American student of either sex, married or single, may apply for one of the awards, provided he or she is under 28 years of age and has had three years' college education.

Applications are considered by home region -- North Eastern, Southern, Middle Western and Pacific -- and awards are made on the basis of character as well as scholastic attainment.

The Marshall Scholarship Award Scheme has now been operating for three years. Set up in 1953 as a signal of Britain's appreciation for Marshall Aid, it provides twelve awards each year, three for each region.

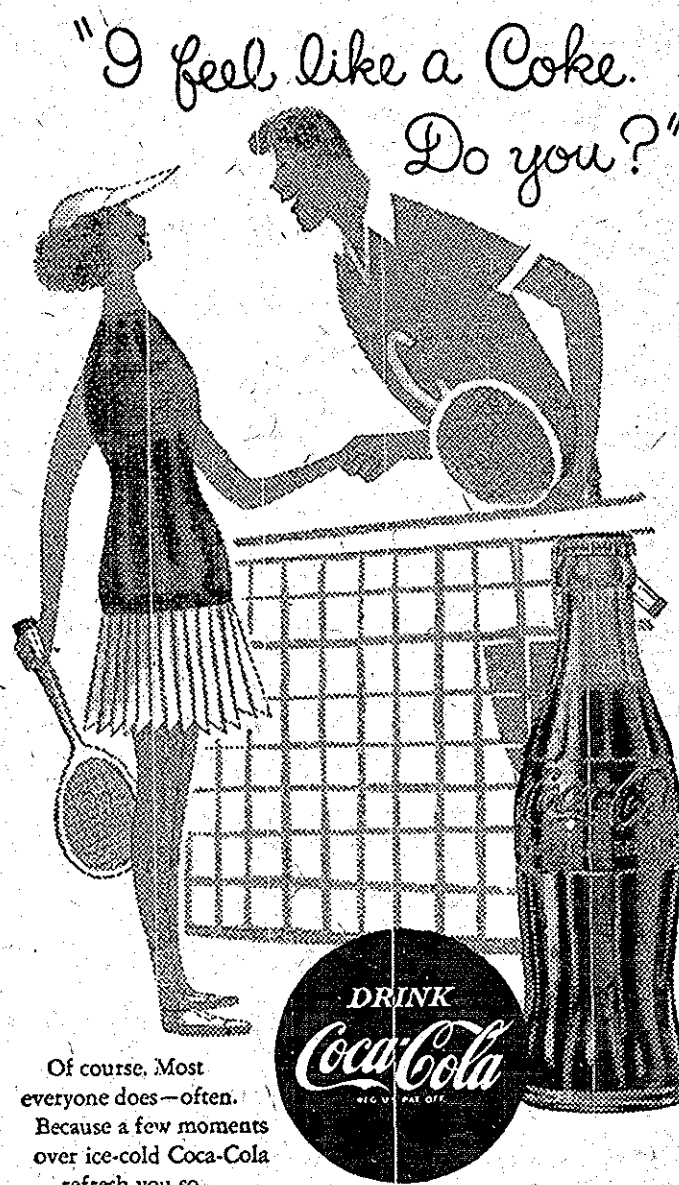

The scholarships are for two years' study at any British university (the student's preference will be followed wherever possible), plus a cash award of \$1,540 a year for living expenses and tourist class transportation to and from the United Kingdom.

Students wishing to try for an award should apply to their regional committee.

Announcement of the winners is made in Washington each April for the following October.

A woman driver is a person who drives the same way a man does ... only she gets the blame for it.

This farmer worked his way through college milking cows ... just skimmed his way through.

Of course, Most everyone does--often. Because a few moments over ice-cold Coca-Cola refresh you so. It's sparkling with natural goodness, pure and wholesome--and naturally friendly to your figure. Feel like having a Coke?

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY COCA-COLA BOTTLING COMPANY OF YOUNGSTOWN

"Coke" is a registered trade-mark. © 1956, THE COCA-COLA COMPANY

IT'S GREEK TO ME

By PAT HRINKO and PAT GUBANY

greetings to all returning Greeks. A hearty welcome is also extended to all freshmen and other "new faces" seen on the YU campus for the first time. Again this year we face the crowded halls and classrooms and the overflowing 'caf at noon. To be looked forward to are the coming social events of this new school year.

Gamma Sigma

Exit summer! And what summer for the Gamma Sigs it was! Especially that last week of August, up at the lake. Everyone had a wonderful time. Have you ever heard of a "mop" party? Well, Pat Julian, Moe Cooney, Gay Wollitz, Dot Daley, and Nancy O'Conner (now Mrs. Stephen Pierce, the junior chaperone) had quite a splash when they washed the cottage and everything in it with several mops. Remember that, Bill Holt?

Thanks to the Nu Sigs, the Kappa Sigs, and the Theta Chi's for making their week at the lake a "winner". Another winner was Moe Cooney who created the new "dreamy look" that was so "romanceful".

Congratulations to newly weds: Norma Derrano and Gay DeSantis, Pearl DePaul and Bob Tamburo and Joan Lantz and Danny O'Horo, about to take the big step is Nance Johnson and Ray Howell. Special to Jody Konesky who will take her marriage vows in December. The lucky man is Neil Masten.

Butch Ryan will not be seen around campus this year as she has transferred to Mercy Hurst College. Janie Huff is becoming a career girl but she will be taking courses at night school. Welcome back to Gloria Katula and Patty Flynn.

New officers for the coming year are: Loretta (Lip) Liptak, President; Madalyn Sweeney, Vice-president; Patty Flynn, Recording Secretary; Kay Harmon, Treasurer; Pat Julian and Joanne Kaschak, Social Chairman; Dot Daley, Historian, and Patty O'Brien, Publicity Chairman.

The Gamma Sigs are looking forward to the coming school year and wishing all "lots of luck. Yea heah!"

Kappa Sigma Kappa

The frat enjoyed a very successful week at Madison this summer. Among the highlights of the week was the fish fry held by KSK at their cottage. Thanks to all who attended to make it a success.

The brothers of Kappa Sigma Kappa return to the fall semester after a very fun-filled summer. Their good times were set around different parties and picnics with the various sororities.

Ray McCullough, Joe Schiffer, Marv Levy and Ed Tragesser attended this year's convention in Flint, Michigan. Much news was brought back about the fraternities doings in the past and future, and stories of course?

As everybody knows summer is also the time for work and the Kappa Sigs had their own chapter working for the county.

Bits of News ... Joe Schiffer's 6 weeks VACATION at Fort Bragg ... Paul Malenky finally got hooked on August 6 ... Tom Rhattigan and Tom Blum leave for the service this month ... Ray Baker is teaching along with his regular work ... Tickets on sale for the annual tuition raffle (14 hours or its equivalent of \$168.00).

We wish to welcome Dave Allen, a KSK from Flint, Michigan. Dave is a junior in engineering and plans to get his degree from Youngstown University.

Jim and Ev Mangie are expecting a blessed event. Our congratulations to both.

November 9, 1956 brings our annual Sadie Hawkins Dance which promises to be bigger and better than ever.

BRIGHTENING UP THE SCENE of Youngstown University's first annual Freshmen Day were (l to r): Toni Ross, Barbara Jones, Peggie Abraham and Marilyn Jones.

Beta Sigma Omicron

After a week at the lake the Beta Sigs are finally ready to settle down and start studying. Thanks to Louise Maron all arrangements of food and etc. were taken care of. Even though the cottage was a little too small all the girls had a good time. Just ask Judy Barrett, Barb Neisen, Pat Parkas, Gerry Wargo, Sally Gribbon and Louise Maron if they'll ever spend a whole week again at Geneva.

The Beta Sigs had their fill of weddings this summer. Some of them were: Teddy Morgan and George Guja's wedding which took place the early part of the summer, Mary Veauther's and Bill Swift's wedding the last of August, and Elaine Ohl's wedding on the first of September.

A couple other important happenings this summer were May Ann Bartik's engagement to Jim Fedorchak, and Barb Wentz received a TKE pin from Don Seely.

If you have any questions about European customs just ask Joanne Witherow. She spent her summer touring Europe. We all envy you, Joanne.

Louise Gossick and Mary Ann Kalocsy spent part of their summer vacation in the hospital. Both are out now and are in good health.

Congratulations are in order for Judy Johns and Fran Minghetti for making cheerleading, and also to Lahni Stanier for majorette.

Congratulations to Lucy Liberatore on her graduation from nursing. She is now working at the university as school nurse. If you don't feel well you can always find her on the second floor of the cafeteria.

Peg Potts and Peg Kramer decided to go out and earn their living. They are both teaching at Washington Grade School, 1st and 3rd grades, respectively. We certainly feel sorry for their students. We hear you're both pretty rough.

A couple important coming events for Beta Sigs are Lucy Zarlenga's and John Smith's wedding on Thursday, October fourth and Joanne Witherow's and Jay Troy's wedding on Thanksgiving, November 22 at St. Dominic's.

Phi Gams

The Phi Gams would like to extend to all the freshmen a most hearty welcome to YU. They hope your stay here will prove most beneficial.

The Phi Gams had a wild summer in case you weren't at Geneva. Their cottage was the scene of a very re-

fined party over the Labor day weekend. It seemed that everyone from YU was there.

Where did the summer go? It just doesn't seem possible that already school is in session and it's time to settle down to some real parties!

During the summer their Phi Lam sisters joined them in some excellent parties, two at their fraternity rooms and a rain soaked affair at Farmer Jims.

Congratulations are certainly in order for Roger Dempsey. He got a job!

Former school teacher Tom Moran is now protecting our fair country down in Arkansas. Thanks, private!

Seriously tho', the P.G.'s are eagerly anticipating another school year with all the functions that help to make this life the greatest. See you at the football games.

Phi Lambda Delta

Congratulations are in order to Mary Summers upon her engagement to Tom Moran, Tessie Todarello, on her recent pinning to Jack McGuire and Joan Verba on her pinning to Jim Crowe. Also best wishes are extended to Marilyn Whiteacre, Rose Morley and Sylvia Lebio who were married this summer.

Highlighting the summer months were the picnics with various frats. Climaxing the summer activities was the week at the lake which proved to be very successful.

A sincere "Thank you" is made to all fraternities who helped make the week at the lake more enjoyable.

The Phi Lams "dearly loved" their cottages and Fran (Smiley) Doyle appreciated the quiet (?) co-operation of her sisters as she slept.

We all miss Joanie Verba who has begun her career as a medical technician at St. Elizabeth's. She now spends her day looking for germs.

Opening the social year, the Phi Lams enjoyed a party with their brothers, the Phi Gams, at the Phi Gam Room, September 14.

Since it's "not for knowledge that we came to college" here's to the new school year.

Sigma Phi Epsilon

Now that they have recuperated from the lake, they can once again concentrate on school and related activities.

Preparations are already in full swing, with their main interest at the

Looking Around...

With Ernie Gauld

Gosh! oh hemlock, as the old saying goes, summer is gone. Geneva is in the past for another year and by George here we are back on our Little Dairy Farm again. (According to Jack Chugden it's more like a sardine can the way they have all us innocent hard working, little, "students" packed in here.)

Just think no more lake for another whole year. The week we spent up there this year would never be forgotten by Steve Goryanec, Lloyd Krantz, John Youngsted, Bob Mondok, and numerous others if they could only remember it.

What I know about Janice Simpson and Pat Hrinko's vacation in Michigan would sure be interesting reading but I'm going to keep it to myself and make everyone guess??

Well, let's get more up to date and see what has been going on around our "little rock garden" in the past couple of weeks.

One thing for sure is that Vivian Sherwin, Charlie Young, Peggy Murphy, Marve Minniman, Dave Houlihan, Fran Minghetti, Barbara Hoover, and Louise Maron are losing that freshman look and are sometimes mistaken for sophomores.

I want to warn all you unsuspecting freshmen such as Jim Remick, "Liz" Davis, Bob Amy, Marcie Potts, (we get rid of one Potts and right off we get another one) "Dee" DeNiro, Mike D'Amico, Pat Higgins, and Donna Murrelbrink about Chuck "The Unscrupulous" Yeaton. For he is a person who has no pity on anyone when trying to sell his books. The books he has been trying to sell were used by his great, great, grandfather when he was a student at Harvard sometime before the Civil War.

Of course if you want the low down on a real clever guy there is always the case of Jim Hudson. Now here is a kid who really knows the angles. When he started to college he took all sophomore, junior, and senior classes so he wouldn't seem like a little freshman but now that he is a junior he is taking freshman courses and it seems he is quite interested in freshman. Why is this so Jim??

By the way did anyone see Dick Blake selling positions in the registration line? A real nice racket! Karl Mogg had to pay a pretty steep price to get ahead of the line, but Judy Willard, who was sleeping at the head of the line, had to have her cut before she would put down her gun and let anyone ahead of her.

Then there is Don Seely who was willing to pay double rates to sit behind a registration desk next to Barbara Wentz, who was selling forged class cards (another nice racket). It is very simple to perform if you know how. All you have to do is make up a slew of schedules get them all approved by Luke DeMarinis, who is pretty good at forging the Dean's name, collect all the class cards (not the classes on the schedule) and proceed to sell them after the classes have been closed. In fact he even will sign your advisor's name for an additional fee.

Jerry Tindall was seen running a counselling service for frustrated freshman women. His office hours are 9-10 A.M. and 12-1 P.M. in the cafeteria and also any time after 8 o'clock in the evening where information from his little black book can be procured for a nominal fee. So if any of you girls desire counselling of any type just see Jerry and I know he will be able to solve your problem. Won't you Jerry??

Speaking of frosh they sure can get in the oddest situations. Professor Behen was quite shocked on the first day of classes as he was giving his first lecture when the door to Tod 22 opened and a "young" freshman stuck his head in the door and asked "Hey dad, is this here class Tap Dancing 608?" Of course it wasn't his fault because it turned out he was a freshman at Westminster College and had made a left turn where he was supposed to make a right. Oh, well we all get lost one time or another.

As usual your old dad doesn't have any books yet, soooooo if anyone has books for Advanced Basket Weaving, Sewing 444, Biological Study of The Sex Life of a Tape Worm, or History of the African Headhunters please get in touch with me.

Well, here comes that cotton-picking dog-catcher again so I'd better scam for now. See ya all around school.

present being the plans for the Touch-down Trot, which will be held October 5, at Idora Park Ballroom.

Of course, memories of this summer are still fresh for conversation during their idle moments, or over lunch. The main occasion of the summer for them was the Annual Dinner-Dance, held at Tippecanoe Country Club. After dinner Lou Gossick and Ed Bair were presented with awards from the National Chapter for their scholastic achievements of the past school year. Everyone in attendance heartily enjoyed themselves.

During the vacation some of the boys lost their heads. Jay Troy, Fred Melquist, and Jim Fedorchak became engaged, while Ron Shink, Dick Troxil, John Costerella, Don Miller, Bill Swift, Jack Moore and Stan Wosky went one step further and got married. Congratulations!

Some of the brothers were unable to return to school this semester. Jack Hamley, Ron Rogers, and Pledge Ron

S. C. Inaugurates Days For Freshmen

Freshmen of Youngstown University observed "Freshman Days" Thursday and Friday with a full program of activities both days topped off with a dance for freshmen only in the Strouss Memorial Auditorium, Friday at 8 p.m. The two-day program was sponsored by student council under the direction of William Moore, past president of student council.

Thursday, students assembled in front of the university library where busses and cars provided transportation to Mill Creek Park where a picnic was held at the new Rock Ridge Pavilion. The program at the park was opened with an address of welcome by Dr. Howard W. Jones, president of the university and was followed by talks by students on the various campus organizations. Lunch was served at noon.

In the afternoon, students reported to specified areas where department heads and advisors discussed requirements and other problems on an informal basis. The closing activity of the day was musical entertainment by Joe Parlink and students of the Dana School of Music.

Friday's activities took place on the university campus. Students took the various required tests and heard faculty lectures on subjects pertinent to campus life. Students brought their own lunches and beverages were served on the campus. The dance was the final activity.

Faculty speakers included, in addition to Dr. Jones, Dr. J.E. Smith, dean of the university; Prof. Olive McCarty, dean of women; Prof. Karl Dykema, director of the division of languages and literature; Prof. John Gillespie, an admissions counselor and member of the faculty; Lt. Col. Hummel, head of the department of military science and tactics; and the Rev. Paul M. Petric and the Rev. Albert Linder, Catholic and Protestant chaplains respectively.

Students who spoke concerning the campus organizations and activities are: Paul Kennedy, Lucille Elias, Jack Chugden, Sam SanFilippo, Allen Hedgudus, Mrs. Jean Kelly, Ralph Reel, and Tom Mosure. Ray Schindell served as master of ceremonies. Chairmen of the committee included: Don Seely and Peggy Tiller, co-chairmen of the dance; Mike Soloman, technical chairman; Sam SanFilippo, stage and sound effects chairman; Prof. Wilma Brown, head of the department of home economics, food chairman, assisted by members of Alpha Pi Epsilon service sorority;

Bob Moridok, posters; and Joe Parlink, entertainment. Faculty advisors are Dean McCarty and Dean Smith. Members of the Junior Women Advisors organization served as guides.

Continued from page 4

Theta Chi

Youngstown's Epsilon Delta chapter of Theta Chi is ready for another big year. During the long summer months, members enjoyed a few parties and stags. The big ones however, were held the week at the lake and at Theta Chi's National Centennial convention at Norwich University in Northfield, Vermont.

Almost everyone was present during the stay at the lake and a good time was had by all. The convention was attended by Tom Lavin, Jack Storey, Dick Shoemaker, Paul Anstead, Bill Simon and Jack Minahan. Tom Lavin and Jack Storey were delegates while the remaining members went to the School of Fraternity Practices. However, Jack Minahan doesn't recall meeting everyone he shook hands with. A good time and an education was had by all, including the three days Paul Anstead and Dick Shoemaker spent in Boston doing some "Historical Sight seeing".

Fall elections were held and Jack Chugden was elected President for the coming year.

Other officers are: Vice-president, Bill Metzler; Secretary, Al; Treasurer, Fred Fisher; Marshall, Bill Bigley; Chaplain, Paul Kennedy; First Guard, Tom Carney; Second Guard, Jack Minahan; Historian, Fred Redman; Librarian, Don Riley; Asst. Treasurer, Judge Repasky; Public Relations, Dick Shoemaker; Social Chairman, Jim Reed.

Let's not forget Saturday September 29, Theta Chi is sponsoring a dance after the football game. It will be held in Strouss Memorial Auditorium.

Professor: (Pointing to cigarette butt on the floor) Jones, is this yours?

Jones: (Pleasantly) Not at all, sir. You saw it first.

Gillespie Appointed New Dean of Men

Dr. Howard W. Jones announced, Friday, the appointment of Mr. John P. Gillespie to the office of Dean of Men of Youngstown University.

Mr. Gillespie, a member of the University staff, joined the part-time faculty in 1942 and has taught in the fields of salesmanship, advertising, marketing, and public relations. He joined the full-time staff several years ago and has served as an admissions counselor in addition to his teaching program.

A veteran of the business world, Gillespie had his own advertising agency and his own real estate business for a number of years in Youngstown. He has served as vice president of the First Federal Savings and Loan Association, vice president of the Youngstown Real Estate Board and assistant secretary of the commercial division of the Youngstown Chamber of Commerce.

Mr. Gillespie studied at New York University and received his degree of bachelor of science in business administration from Youngstown University.

If it's heads, we hit the sack. If it's tails, we stay up. If it stands on edge, we study.

Vic Vet says

FARM TRAINING UNDER THE KOREA GI BILL IS A COMBINATION OF CLASSROOM INSTRUCTION AND SUPERVISED TRAINING ON THE FARM WHERE THE VETERAN CAN PUT INTO PRACTICE WHAT HE HAS BEEN LEARNING.

Alpha Phi Delta

The first meeting of the new semester was held September 20 with new officers Donald (Red) Nolli, President; Nick Marnejo, Vice-President; Ralph DeVito, Secretary and Al Guerrieri, Treasurer presiding. Tony Mastrangelo and Vince Scoccia, new members, sat in on their first meeting.

IFC delegates for the new semester are Vito Leardi and Tom Fortunato.

Brothers Red and Nick came back from the national convention a little shaky. Probably, they deliberated too long in the Alcohol Room.

A big year is on the Social Agenda ... Watch out for the new look in Alpha Phi Delta!

Phi Mu

Just back from the lake and regaining their footing, the Phi Mu's welcome everyone back for the fall term, especially an old Phi Mu sister, Jo Ann Gentile.

Wedding bells ring out for two of our active sisters, Carol Barallaire and Peggy Vittorio. Joan Sommer also is displaying a diamond on her left hand.

Between weddings, picnics and swimming parties they held a combination PJ party, double birthday party (for the 2 cōsey's) and a homecoming party for Lucille Elias. Lou just came back from a Phi Mu Convention in Mississippi.

The number one item of their meetings is the planning of future rush parties. A party with the TEKE's is also on the agenda.

Sigma Delta Beta

The Sig Dels welcomed the 1956-1957 edition of freshmen at a stag or drag dance in Strouss Auditorium last Friday. Music was provided by top names in show business, namely recordings. A good time was had by all.

The new social co-chairmen Bill Conroy and Joe Nohra seem wrapped up in plans for future parties, or is there something else they're always whispering about. We think someone should investigate the reactions of these two.

P.S. Did anyone notice the change in "Corky" Grohovsky. Could married life agree so well?

Nu Sigma Rho

Big things are happening with Nu Sigma Rho ... Preparations are under way for the annual Pete Penguin Ball held in honor of the University football team. A gala array of talent is planned ... Watch for the big news ...

Oh, the lake!! The story of the "lost weekend" was reenacted by Gib "Millard" Marquis as told by "No-doz" Pupino. In spite of the "fog" a good time was had by all and the Nu Sigs are now back at the old stomping grounds.

During a business trip to Cleveland, Dick Moskosky, Jack Menosky, Don Keck and Gil Prokop happened to eat in an exclusive restaurant. While there the men saw a so-called millionaire bragging about his financial situation but upon further observation they notices he wore no "socks."

Tau Kappa Epsilon

The TEKE's, after summer parties, a family picnic and a stimulating week at Geneva, are happy to be back for another school term.

The first annual Phi Gam-TEKE New Castle to Youngstown bicycle race will be held on Sunday, September 30. The winners prize will be a keg of that golden fluid to be consumed in company with the losers.

Our friend, "Sleepy" Williams was seen carrying books on "safe driving" from the library. Wonder why?

By the way, how much do you owe for parking privileges "Merl"?

Everyone enjoyed the hayride and party at Willow Ranch on Saturday September 22. Parties with the Phi Mu's and other sororities are being planned in the near future. Again this

WHAT'S THE JOKE? These student nurses must be enjoying themselves at the Freshmen Orientation program from the varied expressions on their faces.

year at Homecoming time there will be a "Big Smash." Watch for it!

In closing, if any group wants the recipe for TKO's, see the Phi Lams.

"How did you break your leg?"

"I threw a cigarette into a man-hole and stepped on it."

Nurse: I think that college boy in 372 is regaining consciousness.

Doc: Yes, he tried to blow the foam off his medicine.

An impetuous student negotiated a date with a pair of Siamese twins one night.

"Have a good time?" asked his roommate later.

"Yes and no."

One lightning bug to another: "Give me a shove. I think my battery's dead."

THE 1956 FOOTBALL SCHEDULE

Athletic Director, Willard Webster has announced the 1956 football schedule. Here is the eight-game schedule, with a possibility that another tilt will be added for a September 14 inaugural:

- Sept. 22 - At Colorado Western State (Gunnison, Colo.)
- *Sept. 29 - Midwestern U. (of Wichita Falls, Tex.) at Rayen
- Oct. 6 - At Western, Ky. (Bowling Green, Ky.)
- Oct. 11 - At Morris Harvey (Charleston, W. Va.)
- *Oct. 18 - Baldwin-Wallace at Rayen
- *Oct. 26 - North Texas State (of Denton, Tex.) at Rayen
- *Nov. 3 - Marshall at Rayen
- *Nov. 8 - Gustavus Adolphus at Rayen
- * Home Games

IT'S FOR REAL! by Chester Field

"To catch a man," said Violette
"The wisest gals play hard to get!"
To seem remote and quite aloof
She sat six years upon the roof.

"It doesn't seem to work," she said
And so she clobbered them instead.
She shrugged, "I do the best I can
Unconscious or not, a man is a man!"

MORAL: Faint pleasure ain't pleasure!
In smoking too, take your pleasure **BIG**.
Smoke for real . . . smoke Chesterfield.
Packed more smoothly by **Accu-Ray**
it's the smoothest tasting smoke today.

Student Council Notes

At Youngstown, as at other colleges and universities, the leading governmental body is the Student Council. Here at Youngstown it is composed of 22 members representing the various schools of Business Administration, Engineering, Liberal Arts, Music, and the Secretarial schools.

It allocates money from the Student Activity Fund for the activities of the various groups on campus. It sponsors the big social events of the year such as Homecoming, Snowflake Frolic, Junior Prom and the May Day dances. Student Council also allocates money for the JAMBAR and the university literary magazine, "The Horizon."

The officers for the present Student Council are: Paul Kennedy, president; Mike Solomon, vice-president; Ernie Bado, treasurer; and Peggy Tiller, secretary. Besides these four capable officers, there are five committees consisting of Social, Finance, Activities, NSA, and the Constitutional committees. Each of these committees are headed by capable members and are directly in charge of council's numerous activities.

The first big event on the social calendar, and one of the biggest of the year, is the Homecoming celebration. This includes election of a queen, floats, a parade, the game and finally the Homecoming dance.

The place for the Homecoming dance this year will be Stanbaugh Auditorium. The chairman of the event and the band will be announced at a later date. The dates for the election of the Homecoming queen will be October 17-18 in Strouss Auditorium. The voting will be from 9-3:30 daily. The petitions for queen may be picked up in the Dean of women's office on the second floor of the Main Building beginning Tuesday morning September 25.

Besides the date for Homecoming elections, other dates have been set for two other important elections which are to take place this semester. These are the Student Council elections which are to take place on January 9-10 and the Senior Class elections which are scheduled for October 3-4 in Strouss Auditorium. These petitions also may be picked up in the Dean of women's office beginning September 25.

Two more groups have joined the rapidly growing list of organizations at Youngstown University. These two groups, both from the Engineering school, which received their permanent charters are the Dean's Council and the Civil Engineering Society.

Before ending this article, we of Council would like to extend our appreciation, not only to the members of the Orientation Committee who worked so hard toward its success, but also to the many freshmen who showed so much interest in our program. It has become a project which we shall keep and hope to improve over the years to come.

Pan-Hellenic Council Hears Mrs. Stanley

"National College Pan-Hellenic Societies" was the topic presented by Mrs. Edward F. Stanley at a meeting of the Youngstown University Pan Hellenic Council last Wednesday night in Pollock Hall.

Mrs. Stanley, President of the City Pan Hellenic Council, outlined the organization of the national societies and explained what they are attempting to accomplish on campus colleges throughout the country.

Mrs. Smith Is New Recorder

Mrs. Joseph E. Smith, wife of the Dean of the University has recently been appointed recorder of the university.

Mrs. Smith joined the university staff in 1939 leaving Hiram College where she had been serving as alumni representative.

In her 16 years with the University she has done field work, has taught biology and physical education, and has served as assistant registrar and co-ordinator of the department of health and physical education.

She has taught health and physical education in public schools in Trumbull County and Hayes Junior High School in Youngstown.

Mrs. Smith received her degree of bachelor of arts from Hiram College and her master's degree in physical education at Ohio State University.

English Society Holds Meeting

All students, who are either majoring or minoring in English are invited to enroll as members of the Youngstown University English Society. The next meeting will be held at 8 p.m. Wednesday, October 3, at Pollock House.

Plans for informative and entertaining programs were discussed at the first meeting of the year, September 19. At this meeting Peggy Tiller was named program chairman.

The program, conducted by president Keith Scott, consisted of several recordings adapted from the works of Dylan Holmes. Emphasized was Thomas' play for voices entitled "Under Milk Wood."

Dr. Gordon O'Brien, one of the advisors of the society, suggested that panel discussions dealing with contemporary writers be included in subsequent programs.

Moore Selected As F.T.A. Head

William Moore has recently been elected president of the William Holmes McGuffey Chapter of the Future Teachers of America here on campus. Moore, a senior in education, is active in many campus groups.

In addition to his new office in F.T.A., he is a member of the Circle K Club, the president's student committee, on the "JAMBAR" staff, past president of Student Council, and was the chairman of this year's Freshmen Day program.

Other officers are: Fred DiLullo, 1st vice president; James Wrenn, 2nd vice president; William Lester, recording secretary; Robert Rios, librarian and historian; Ann Arbutina, reporter; and Mary Ann Margosiak, censor.

The first meeting of the group will be held Friday, Sept. 21 at 8:00 p.m. at Pollock House, when a definite program for the year will be set up.

The group will have a picnic for its members and those interested in joining on Sunday, Sept. 30, from 3:00 to 7:00 p.m. at the home of Dr. Joseph F. Swartz, 6550 New Road near Canfield.

THE PENGUINS LINE consists of (l to r): T. DeAscentis, J. Armeni, R. Stoops, J. Vecchiarella, F. Ewashko, J. Krafcik, and T. Cougras. The average combined weight of these men is impressive enough to make any opposing player to think twice before trying to break through.

Hernando's Hide-away

By John Hernandez

King Football has stormed its way into the sports headlines both in Youngstown and throughout the nation. High school football is already promising fans more than is usual in the local City Series race. Youngstown University inaugurated its 1956 schedule last Saturday against Colorado Western State. Tomorrow night, the Penguins are scheduled at home, meeting Midwestern U. of Wichita Falls, Texas, at Rayen Stadium. In the inaugural, Coach "Dike" Beede unveiled a well-trained, perfectly conditioned, and highly spirited squad.

Beede, despite criticism from several followers of the Penguins, will employ his famous "A", or short punt offense once again this year. Beede is a staunch supporter of the short punt spread and believes his squad can run better off the "A" than it can off the "R" and other variations.

Has Star-Studded Backfield

Kingpins of the offensive drive will be Beede's star studded backfield which includes Dave Kimmel and John Rouse at halves and Raymond Carter at fullback. Probably the most talked about event this fall has been the decision to pull Dom Delsignore from his end position, which he handled in professional manner, and convert him into a highly effective quarterback. It will be interesting to watch how this move will develop one way or another. If it should prove a dud, Beede will have an array of competent, freshmen signal callers to fall back on. Heading the list is Jerry Cox, mastermind of the undefeated 1955 East High squad and All-City choice. Others are Don Tuel, 159-pound Sebring product, and from Newton Falls Frank Hanzas, a rugged freshman prospect.

Although the squad lacks depth, there is no shortage of enthusiasm and effort. Eleven lettermen are back in action with the starting eleven comprised mostly of veterans. However, a few newcomers displayed enough "savvy" to break into the starting team. Beede will start Tony DeAscentis and Tony Cougras at ends; John Krafcik or Len Batcha and John Armeni, tackles; "Jake" Ewashko and Ron Stoops at guards; and the incomparable Jim Vecchiarella at center. "Big" Jim's work on defense has been nothing short of sensational.

Team Needs Fan Support

Each year we of the sports staff make pleas, offer answers to possible questions, and even offer bribes to students to attend games. However, we don't mean just attend; we mean participate. On several occasions last year the stands were so quiet that you could hear the quarterbacks

Penguins Home, Make Record Trip

Last Saturday's contest with Western State University of Gunnison, Colorado, which opened the season for the Penguin gridders, provided the longest trip a Y.U. squad has ever made to a game.

Gunnison is about 8,000 feet above sea level, and to provide some of the lost oxygen to the boys, who are used to an 800 foot atmosphere here, trainer Willard L. Webster carried along three inhalators.

Of the Penguins 33-man traveling squad, nine are graduates of Youngstown East High School, including Jerry Cox, All-City quarterback in 1955. He is vying with Dom Delsignore, a converted end and former Golden Bear also, for the quarterback position on the varsity squad.

This season's starting backfield for Dike Beede's squad is minus fleet-footed Webster Dawson, the talented youngster for Girard who had an outstanding freshman year in 1955. He was forced to withdraw from school because of scholastic difficulties.

Dike Beede says this year's football squad has the best morale and spirit of any he has coached here previously. Incidentally, Beede's record as a pilot at Youngstown University includes 78 wins, 45 losses, and seven ties, for a very creditable .634 percentage.

Mickey Yugovich, Woodrow Wilson Basketball star and All-City choice for the past two years, is attending Youngstown University this fall and should prove a most valuable addition to Dom, Rosselli's cagers.....

"Doin' " Anything Saturday nite?"
"Nope."
"Kin I use your soap?"

signals. This year, especially, the Penguins are going to need YOUR support. That means you, and you, and you!

This is probably one of the toughest schedules Youngstown University has ever had to face. It's going to be tough enough for them to fight for points, without having to fight for cheers, too! If it is because of a lack of a fight song that students neglect to cheer, we don't know, but we do know that action must be taken soon. Let's all show up tomorrow night and CHEER the Penguins to victory!

A little girl at an information booth in a department store asked, "Did you see a lady walking around here without a little girl that looks like me?"

SPARKING THE BACKFIELD on to another great year will be (l to r): J. Rouse, D. Kimmel, R. Carter, and D. Delsignore. Each of these men have the speed and ability needed in making fast and strong attacks.

Colorado Defeats Penguins 21-7 In Opening Contest

Coach "Dike" Beede's 1956 edition of the Penguins received its baptism on Sept. 22, as Western State, of Gunnison, Colorado capitalized on stray aerial which went for a touchdown to whip Youngstown U. 21-7. Although the score would indicate the game was lopsided, actually it was a very close game for three quarters.

Youngstown's race horse backfield was working to perfection, especially Dom Delsignore and Jerry Cox who alternated the quarterbacking chores, with the line unable to hold up offense. Dave Kimmel did yeoman's duty for Youngstown, gaining 117 yards in 27 carries. Kimmel scored the only Youngstown tally, slashing over from two yards out early in the final quarter.

Rhodes Held in Check

Western State's little All-American, Bill Rhodes was held in check by the Penguin defense, gaining only 69 yards in 16 attempts. However, quarterback Dick Markings made up the deficit. He scored the first State tally, racing over from the four. State led 14-0 at the half.

Statistic-wise the Penguins ran neck and neck with State. Youngstown gained the edge on first down, 13-10, and in yards gained passing, 73 to 1. Youngstown quarterbacks connected

on 6 passes out of 22.

Jim Vecchiarella turned in a sterling performance on defense, the former Rayenite breaking up several State offensive tries. Ron Stoops suffered a cut eye on a sideline marker, but is reported to be able to resume action tomorrow night.

"I've a friend I'd like you girls to meet."

CITY _____ STATE _____

YOUR WESBORO SHOE DEALER _____

BONUS PRIZE: \$250 extra if you win First Prize and your Wesboro Dealer's signature appears here.

Wesboro Dealer's Signature _____
Send as many entries as you wish!
Contest opens August 15, closes October 15, 1956

Jet's Jargon

John Tudhope

With the beginning of the year, yours truly is stationed at a new post. I hope this column will provide you with a few interesting moments.

Well, since the end of last school year a great many things have happened in the world of sports. This summer has seen the rise of the Yankees and the complete collapse of the Indians; a hectic pennant race in the National League; two men running the four-minute mile in one race, the first time on American soil; the crowning of two new boxing champions, Joe Brown and Carmen Basilio; the college football scandals; and last but not least the selection of the U.S. Olympic team.

There isn't much to be said about the American League race except, May The Indians Rest in Peace. Hank Greenberg and Al Lopez should be voted "Goats" of the year. Some people didn't think anyone could be as dumb as these two have been.

Created Excitement

In the manly art of self-defense there has been a great deal of excitement. A virtual unknown, Joe Brown, fought and defeated Bud Smith, even though he broke his hand in the third round. Carmen Basilio completely slaughtered Johnny Saxton for the welterweight crown. Carmen looked like a tiger who had just been released from his cage and was out for the kill.

Now that we have reviewed the summer, let's look ahead. On paper the Penguins football team looks very strong. The only weakness seems to be the lack of depth and possibly a quarterback shortage. From here there doesn't seem to be a serious lack of material at this position when you have five quarterbacks to choose from something will turn up. One of them will do a substantial job.

The Penguins have a suicide schedule. Just as an example take North Texas State. State is consistently tough. If they have one man half as good as Ray Renfro, a halfback with the Cleveland Browns, they will be very tough to handle. Renfro is a graduate of State. The coach has a record of turning out fine teams and very good football players. All of the other seven teams are just as good, if not better than this Texas team.

Everyone of these teams that we play are considered to be of high class caliber. If Youngstown fares well against these teams, look for them to really move into the big time next year. Shall we say Miami, Ohio U., and other more noted schools.

Have A Great Time

This football season should be a dilly. Our Washington correspondent, General Confusion, has informed us that between a very tight race in the National Football League and a real scrap in the Big Ten, Midwestern football fans are going to be in for the time of their lives. Look for Michigan, Ohio State, Michigan State, and Iowa to fight for the Big Ten title, with Minnesota not far behind.

In the NFL the defending champion Browns should take the Eastern title and will probably meet the Chicago Bears for the championship. The Baltimore Colts may surprise the Bears and end up in this game. At any rate the Browns won't have as easy a time as they have in the past.

Well, that's all for now, but in closing let me leave a word of advice to all of our athletes here at Youngstown.

"When the one great scorer,
Comes to write beside your name;
He writes not whether you won or lost,
But how you played the game."

ROTC Regiment Formed; Mazur Is Cadet Colonel

Cadet Colonel Robert Mazur has been selected to be the commanding officer of the ROTC regiment at Youngstown University. This announcement was made by Lt. Col. O.R. Hummel, PMST, Department of Military Science of the university.

Other officers appointed were: Cadet Lt. Col. Robert Frantz, executive officer; Cadet Major Dick Nuskevich and Cadet Major George Boask as S-3 and Assistant S-3 respectively.

Battalion commanders include: Cadet Lt. Col. Joseph Cuguni, commander of the first battalion; Cadet Major Bill Sponser, executive officer, and Cadet Capt. Robt. Bucher as S-1. Cadet Lt. Col. Richard Phillips is the commander of the second battalion with Cadet Major Bill Klucher as the executive officer and Cadet Capt. Gordon Metter as the S-1.

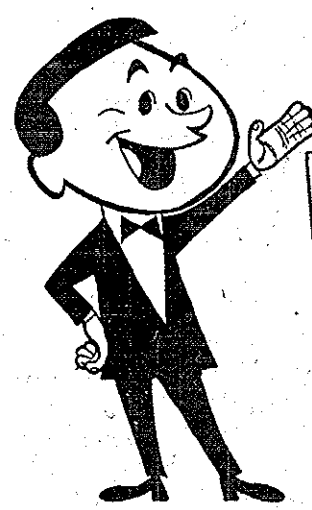

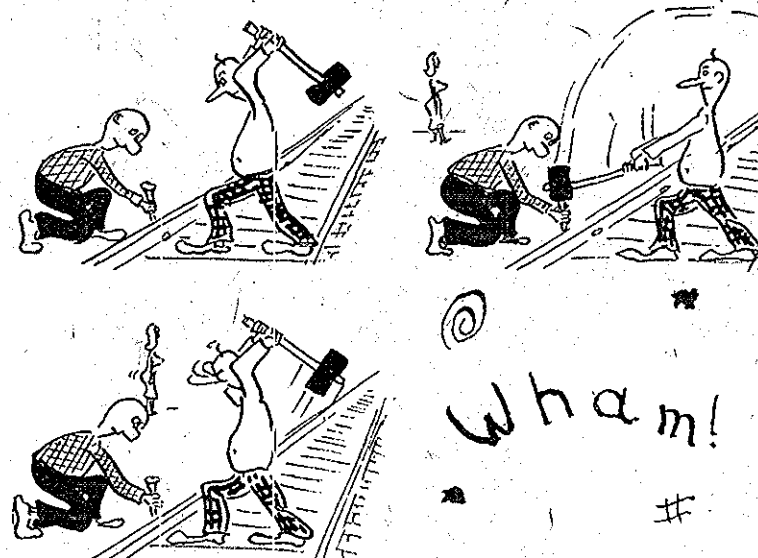

Company commanders that were assigned to the various companies are: Company A, Cadet Capt. George Miller; Company B, Cadet Capt. Richard Marsico; Company C, Cadet Capt. Harold Walter; and Company D, Cadet Capt. Ed Lombard.

Sigma Alpha Iota Holds Reception

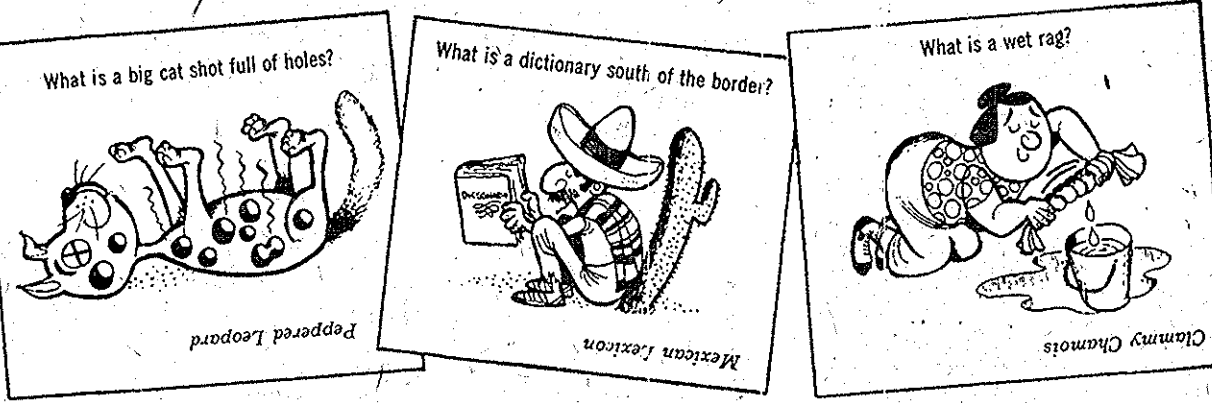

Mrs. A. B. Greene, financial advisor to Sigma Alpha Iota, national professional music fraternity for women, was main speaker Wednesday night at a reception by that organization for freshman women.

Mrs. Greene welcomed the girls, outlined the history of Sigma Alpha Iota, and explained the requirements for membership, one of which is a high point average in music and academic subjects.

Beverly Sanker, chairman of the affair, also welcomed the girls and other guests, women members of the music faculty and patronesses of the fraternity.

HAPPY-JOE-LUCKY presents STICKLERS!

STUCK FOR MONEY? DO A

Stickler!

STICKLERS ARE TICKLERS and a mighty soft way to make money! Just write down a simple riddle and a two-word rhyming answer. For example: What's a ball player who gets a raise? (Answer: richer pitcher.) Note: both words must have the same number of syllables — bleak freak, jolly dolly, yinery finery. Send your Sticklers, with your name, address, college, and class, to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N. Y. Don't do drawings! We'll pay \$25 for every Stickler we use in our advertising—and for hundreds that never see print. And remember—you're bound to Stickle better when you're enjoying a Lucky, because Luckies taste better. Luckies' mild, good-tasting tobacco is TOASTED to taste even better. Fact is, you'll say Luckies are the best-tasting cigarette you ever smoked!

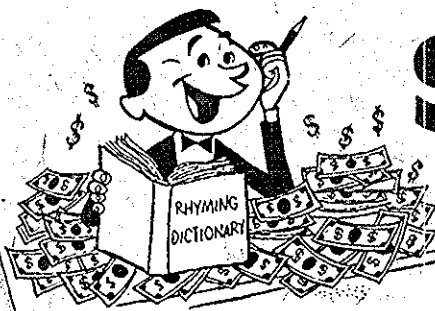

SEND IT IN AND

MAKE

\$25

"IT'S TOASTED" to taste better!

Luckies Taste Better

CLEANER, FRESHER, SMOOTHER!
