

## Freshmen Wear Caps As Class Insignia

**Elect Committee Enforcing  
Demerit System On  
Newcomers**

Green caps, on which are gold and red 'Y's' are now being worn by all freshmen for the first time in the history of Youngstown College. Freshmen Week officially began Saturday night at the Freshmen reception when the edict was read in detail. The edict is in effect from 8:00 Monday, September 26, until 4:30 Friday, September 30. During this time each article of the Edict must be carried out. A system of demerits has been worked out by the Freshmen Edict Enforcement committee for each item which is not done properly. For that which is not complied with, the freshmen will receive demerit points. These points are recorded by the committee in little notebooks which they carry. Friday night at the Court of Honor, which all freshmen are to attend, the points will be totaled, and the penalties dealt out to the offenders.

"This is the week for upper classmen to put freshmen in their places," says Bob Anderson, Chairman of the Edict Committee. The upper classmen will be seriously handicapped as no padding or parading down town is to be allowed. The report is that this rule was not made for the upper classmen's protection against the husky football players.

The Freshmen Edict Enforcement Committee thinks this week will show us what kind of freshmen we have by their ability to "take it." They advise freshmen to have a copy of the edict handy, and to do all that it tells them without fail. Members of the committee are as follows: Gerard Homes, Dave Nemeth, Cecil Stewart, John Bair, Leonard Lasko, Pete Zarrow, Jay Caslon, Jo Fusco, Katherine Jones, Totty Patrick, Florence McKibbin, and Louise Landers.

Scenes Like This Are Typical Now

(Photo by C. Rosappe)  
Above is Helen Gifford doing a little handiwork on the faces of Betty Gronbacker and Eleanor Chirelli. Such is only a sample of what is slated for Freshmen who don't follow out the demands of upper classmen.

### JUNIOR AND SENIOR CLASS OFFICERS ELECTED TODAY

Election of Junior and Senior officers will be held today after chapel. The elections will be conducted by Student Council members.

Freshmen and Sophomore Class elections will be announced soon at which time the Freshmen will elect a Student Council representative.

### Rushing Rules Set Up By I. F. Council

**Inter-Fraternity Group  
Elects Officers In  
Usual Way**

At the first meeting of the Intra-Fraternity council, rushing rules for the pledging season were set up after the officers had been elected in the usual way.

The council decided that Rushing would begin Monday, October 17 and would end Friday, October 28. During this period parties and smokers are to be given: Silent period begins Monday, October 31 and ends Wednesday, November 2 at 3:00 P. M. Bids go out on Monday of the silent period while the answers are to come in by the next Wednesday. No upper classman shall talk to a freshman during this latter period.

The officers elected by the usual 12-8 system were: president, Galen Elser; vice president, Marie Barrett; secretary, Winifred Patrick; treasurer, Charles Zellers.

Mrs. Seigans, advisor for the organization, called the meeting. She asked each sorority and fraternity to make up a tentative list of dates of social affairs to be handed in to Mr. Pickard. In case of conflict as to dates, Mr. Pickard shall call in the officers of the organizations to settle the differences.

## Western Reserve Here On Saturday Night

**Bag Rush To Be  
Held On Tuesday**

After a week of "Hell"—hence the title—freshmen will have their chance to "get even" with their betters—principally the sophomores—Student Council announced this week. The annual Freshmen - Upper Classmen Bag Rush is set for Volney Rogers field Tuesday, October 4.

Although the bag rush has been an annual affair for the last ten years, one who makes a living by betting on chances would most assuredly bet on the freshmen. The reason: the upper-classmen have never in preceding years been able to capture the annual affair.

At first glance it might look as if the upper-classmen have always been too preoccupied with studies and other serious pursuits, but this has never been quite the story. Observers from other years are all inclined to agree that the reason for the freshmen victory dates back to just a week from the time of the bag rush. That of course being "Hell Week."

However, one thing is certain this year, if the upper classmen make "Hell Week" as tough as it usually is, the freshmen will be out there as in previous year—fighting. Another angle that is guaranteed to make things more interesting this year is that all football players have been barred from participating in the bag rush. It is rumored this rule was made as insurance against injuries to the football players.

"Any freshman who receives too many demerits during Hell Week will not be allowed to participate in the bag rush," says Kenny Ray, chairman of the event. The idea seems to be that the freshmen will have to "take it" all week and then, for just an hour or so, they will be able to make up in part "for hurt feeling" of the previous week.

**Clevelanders Expect  
Penguins to Be Tough**

**Coach Beede Drills Locals  
Strenuously On Team  
Defensive Work**

When the Youngstown College Penguins meet Western Reserve tonight at South High School Stadium another page will be added to our college's football history book. This game will be our first meeting with one of the toughest opponents on this year's schedule.

Every game the Penguins play this year is just as important as the other, because in every game a precedent will be set for future Red and Gold teams to go by. No doubt friendly rivalries will arise that will add color to games in future years.

Western Reserve had dominated college football in Ohio for the past several years, running up a string of consecutive victories that extended over a period of three years, and having a record of 28 wins in its last 31 starts. The Red Cats from Cleveland will most likely give Youngstown College its toughest test between now and the West Virginia game.

The Clevelanders, however are expecting to have plenty of opposition. Just how seriously Coach Edwards is taking this game can be learned from the fact that he plans to start a seasoned line-up with the possibility that one or two sophomores may be on hand at the opening kick-off.

Coach Dyke Beede plans to use the same starting line-up that he used against Geneva College two weeks ago, with possibly one or two changes. The whole squad has been practicing very strenuously, concentrating on defensive work. Warden, Heber, and Perantoni should be hard to stop on the offense, while Chianese, Julian, and Zban will be hard obstacles for Reserves to get by.

## Make Sense Out of This Looney Article and Your Life Is Full

By Johnny and Stew

A noted psychologist recently stated, "To live life to its fullest one must be a little looney." Since we heartily agree with this statement and since we would like to see all you YoCoites live life to its fullest, we write this article with the intention of converting you all into happy little lunatics.

Right away you are in a quandry, you are lost, you say. (After all, wasn't it Shakespeare who said, "He who cannot fynde hymselfe is loste.")

You ask, "How are we to become looney?"

My friends, only one thing stands in the way of your being looney, and that thing is sanity—eliminate this and you are well on your way to a happy state of imbecility. We also suggest that you observe the following ten rules.

1. If you have an impulse to do something looney, do it. Then you will be looney.

2. If you have an empulse to say something looney, say it. Then you

will be looney.

3, 4, 5, 6, 7, 8, 9, 10. (Since there should always be ten rules, and we only have three, we shall group the last seven.) Remember that l-o-o-n-e-y spells looney. Repeat this each night.

If you are not yet convinced that you are looney, read and try to understand this poem.

**WALNUTS, ALSO IS NUTS**

Monkey, hanging from the chandelier,

Wool Wool Oh, fear, fear;

Bolts and nuts and pink elephant guts,

Walnuts, also, is nuts.

Jazz, jazz, raz-ma-taz.

I wonder who has, who has;

Bolts and nuts and boolo huts

Walnuts, also, is nuts.

Waver, waver, in the groove.

It just goes to prove, to prove

Bolt's and nuts and who's in the nuts,

Walnuts also is nuts.

Did you really try faithfully to

get some sense out of it? You did??

Well, aren't you looney!!!

## Every YoCo Student Should Know Members of His Student Council

With Student Council being the all powerful governing group at YoCo, all students should know who the members are. In case any suggestions or "gripes" need airing, this is the group that should hear them. Here follows a brief listing of names and a summary of achievements.

Stanley Sylak was elected president for the school year 1938-1939. A quiet, conscientious student, he has been a varsity man for three years. Stan is taking a course in Business Administration. He is a senior football manager and an officer of his fraternity.

Jean Zebroski, a senior, is the vice president. She is a music student and a member of the Music Club. Jean is noted for her singing ability.

Another senior is the secretary of Council, Helen Gifford. She is president of her sorority and was one of the girls up for Prom Queen last year.

Kennedy Ray, senior, is treasurer of the organization. He also is a fraternity officer and is active in play productions.

Other Council members are William Beckman, Charles Zellers, Marie Barrett, Avis Hibler, and Paul Emch. Beckman is a senior chemistry student. Charles Zellers is a fraternity president and was Junior Class President last year. Zellers is noted for his political leadership. Marie Barrett is a sophomore sorority officer. The two Juniors on Council are Avis Hibler and Paul Emch. Avis is a music student, while Paul is a chemistry student.

## We Want a Good Bag Rush

Are we going to have a good, hard fought, even bag rush—one which is typical at all colleges—or are we going to have a continual race from the middle of the field to the other with Freshmen outnumbering Sophomores ten to one?

In the past, without fail, when bag rush time comes, Sophomores and other upper classmen seem to find many important matters to attend to while the brawl is taking place. Or, if those time taking matters don't show up, these other college men—these delicate wall-flowers—do go out to see some of their classmates take a beating at the hands of enthusiastic Freshmen.

But why do the Sophomore class and its associates do this. Are they afraid of getting dirty? No, that can't be the answer—though it might be partially true—for these same fellows have shown their physical prowess many times in other contests. Then if fear is not the sole answer by any means, what is?

No doubt, poor organization is the main fault. One can hardly blame some of the fellows, because this is their reasoning: "Now if I go out there what will happen? Golly, I'd like to go but those Freshmen will outnumber us 10 to 1. Then too, they're after my hide. Yet, if everyone else would go out, I'd go too. But what's the use, three-fourth of the class I know for sure have already decided against going. I'm not going to be a sucker." In other words, if the others would go so would everyone else. And those others would go if the event were properly organized.

Never in the history of the college have we had a good bag rush. Never in the history of the college will we have a good bag rush until the affair is properly organized—until everyone is sure every other classmate is going to be there.

There is absolutely no reason why our bag rush shouldn't be equal to those on other campuses. We have the same spirit; we have the same set up. Come on, Sophomores, get out there and give us a good, hard fought, even bag rush.

## Student Council Needs Help

Last year we saw college politics in its worst form. Last year we saw one group ousted another, not because that group wasn't qualified—for it most certainly was—but because one other faction in the student body wanted its chance at the steering wheel.

Now that ousting faction has succeeded—at least it has succeeded in getting the steering wheel. Whether or not the reign is successful remains to be seen. Of course student council cannot expect to succeed unless the entire student body gets behind it. After all the main thing YoCo students are striving for—at least should be striving for—is the betterment of the college. Improvement is the ideal. Our different political factions might rise and fall, but the ideal should always be the same.

Student Council is organized as the student governing body of our college. Its purpose is to conduct extra-curricular and social affairs in the best possible way. All student activities, other than those in the class room, are directly or indirectly responsible to this group. Such an organization cannot be overlooked. Such an organization must have assistance before it can achieve success.

Whether or not one body was better qualified than the other doesn't matter now. The point is that Student Council elections are over and this group is now starting its period of administration for the betterment of YoCo. Politics, dissention, and petty rivalries must be tossed out. Student Council as the student governing agency must work for the college, and we as YoCo students must assist in every way possible.

## CAMPUS COMMENTS

By DAVE MACKIL

In our last column we prognosticated the score of the YoCo-Geneva game as 13-6. Number one miss for the season. However, we are sure that everyone who witnessed the great fight our boys put up will be willing to overlook the final score. Nice going, fellows! You have a team that any large college could be proud of. Sports laurels of the week to Jim Heber and Sibby Warden for a flashy attack and sustained ground gaining plays.

We hasten to take up our predecessors place on the lounge situation. It has been our custom in the past to call it the lounge room, but it seems to us that a gathering place, filled with people who strew the floor freely with cigaret butts and ashes, who have little or no regard for the furniture, who believe that bellowing across the room to a friend is a sign of popularity, could be called by a better name. How about the Ash Can, or the Pig Sty? The faculty has threatened several times to close this room if the misuse continues. We want to keep it open—do you? And about this gambling, isn't a word to the wise usually sufficient?

Could the student council suggest to the faculty heads a resumption of Friday noon dancing or is it their business, as was their last meeting, closed to outsiders?

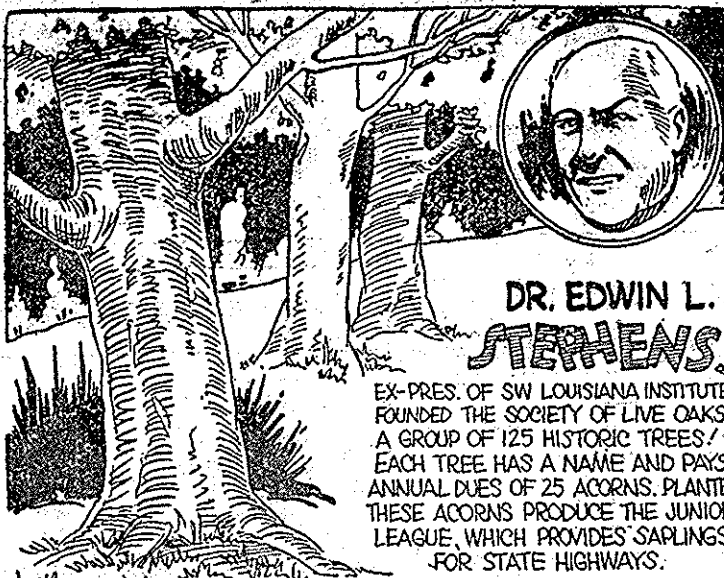

We are glad to note the gradual disappearance of the overgrown "club badges" from the sweaters of some of our prominent campus personalities. Perhaps it was the country atmosphere that made them grow to such enormous proportions but we feel that any sweater insignia other than college athletic awards are a bit gauche.

Who is she? Small, dark hair and eyes, usually curled up on a couch and invariably wearing one of those "come on over here, sucker; I like lots of boys around me" smiles. Who is he? Tall and hickish, happiest when in commanding position giving orders to his cohorts.

Last year when the O. K. went through for football Izzy Ozersky wrote two swell marching songs for the team. Both were easily as good as the ones we are now using. Several copies were given to the school but due to inefficiency somewhere along the line all have been lost. Izzy would appreciate it if anyone knowing the whereabouts of copies of the lost marching songs would communicate with him.

Advice to the ladies: Blaine Gerdes and Bill Cubbins have broken down. Gather 'round girls. And Bob Saunders is wearing his pin again. Keep in touch with us; we will let you know.

## The Collegiate Angle

By Ed Lynch

All eyes are today focused upon the Czechoslovakian situation. The Czech Government has finally surrendered to the demands of Hitler—but only after being practically forced to do so by England and France. The latter nations claim that their reason for applying this pressure is to prevent war. But will it do so? England and France say yes—Russia says no.

The answer is an emphatic no. How can it prevent war? England and France propose the seven power pact to keep the new boundaries of Czechoslovakia inviolable. Very nice talk indeed. It sounds wonderful. We wonder just how much of this they themselves believe. The Treaty of Versailles was proposed to do the same thing. What makes England and France think that their seven power pact will succeed where the Treaty of Versailles failed? Can it be that these two nations are merely trying to save face?

Hitler claims that the German minority in the Sudetan region of Czechoslovakia is being oppressed. He further claims that his only reason for interfering is to relieve the people of this oppression. The val-

uable fortifications, industries, and resources of this region would not, by any chance, have anything to do with this interference, would they? Or, would they? Hitler wanted to relieve the oppressed minority in Austria, too. Which leads to the question of what makes England and France think that Hitler will be content with Sudetanland.

It is our belief that England and France are directly responsible for the tragic position in which Czechoslovakia today is placed.

The united backing England, France and Russia would have been sufficient to stop both Germany and Italy together. The latter two nations are at present in absolutely no condition financially to carry on a major war. England, on the other hand, due to her scattered possessions, would have difficulty in defending herself at all points. Germany however, by the conquest of the Balkan States (which she undoubtedly plans) will soon be in a position to hold her own, financially or otherwise, with the most important powers of Europe. When that time comes, England and France will be in a much more dangerous position than they are today.

## Student Opinion

By Medicus and Murphy  
It is the aim of this column to present the opinions and views of the student body concerning questions which are of utmost importance to the students.

Since football has been inaugurated at YoCo, the student body has given the team their wholehearted support. Now, the suggestion that the students should follow the team on at least a few of their road trips, pops up. If enough enthusiasm is aroused, possibly some sort of a program can be arranged. From the results of the recent survey taken, it seems that all students are in favor of obtaining a reputable cheering section for the team while they are on the road. All persons interested should "hand in" their name and their suggestion to the

Jambar office.  
A few of the students have given their opinions. Now we want to hear from ALL of YOU!

Bob Baugh — Senior, "I am in favor of attending the Westminster game. I think we can get the support of the student body in this venture."

Katherine Jones—Senior, "West Virginia, here we come! This trip would be a real vacation. A bus could be chartered and the cost would be well distributed."

Jimmy Williamson — Freshman "I am definitely in favor of such a plan. I believe cars can be obtained and the cost would be very little."

Margaret Ann Lovell — Freshman, "I think that it is a fine idea. The trip would be loads of fun."

# YoCo Gridders Make Second Start Against Reserve

## Mistakes of Geneva Battle Ironed Out

### Penguin Line-up To Have Few Changes

Coach Bill Edwards will bring his Red Cats from Western Reserve here on Saturday night to meet a squad of Beedemen slightly more experienced than the team that went down in defeat against Geneva College two weeks ago. Kick-off time is set for 8:15 p.m.

The Penguins will complete two weeks of hard practice tomorrow afternoon, during which time Coach Beede has been bolstering the weak spots that were evident in the first game. The Red and Gold offensive power is still somewhat of an unknown quantity. The team is capable of playing much more powerful football than that which they showed against Geneva.

The defense was weak against passes, but Beede is counting on one or two more games to eliminate that.

Despite the loss of eight lettermen, Reserve expects to overwhelm the Penguins, because of their record of 28 wins in 31 games for the past three years. Coach Edwards' mainstay will be the veteran Johnny Andrews at half back, who, together with the powerful Steve Belichick is expected to provide the punch for the comparatively green Red Cats.

### Same Line-up

Up till today Coach Beede has been planning to use approximately the same line-up that he started against Geneva. Heber, Warden, Shirock and Fortunato will be at the backfield positions and Benish, Julian, Zban, and Chianese are sure to be on the line again when the game starts. Dave Nemeth is still out with an injured hand.

Originally Reserve scheduled Youngstown as a breather between its games with Ohio Wesleyan and Ohio U., but after witnessing the Geneva game, they will be ready to expect the worst. Bill Edwards has been drilling his Red Cats overtime, for the past week, in aerial defensive maneuvers because most of Reserve's opponents will use a passing attack as their main weapon. Benish and Burns will be the targets for a barrage of passes from Heber. This trio gave Geneva quite a few scares, but both Benish and Burns were a little over-anxious and, consequently, they were not as effective as they might have been.

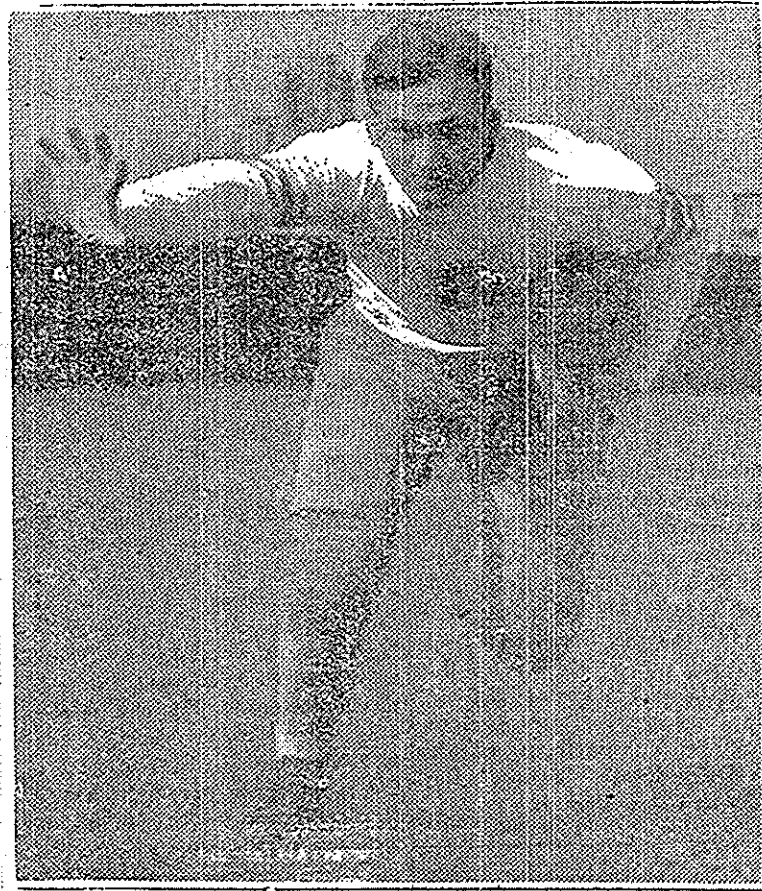

### 1937 Team Graduated

With almost his entire forward wall from last year gone, Edwards does not subscribe to the opinions of so-called gridiron experts who rate Reserve four or five touchdowns better than the Penguins; nevertheless, he has capably fortified his line and has an unusually brilliant array of backfield men.

Coach "Dyke" Beede will not make any predictions about the game, but he intends to use more substitutions in the backfield in order to get a better idea of how some of the fellows who did not see action against Geneva will act under fire.

At this early date the exact starting line-up is not available, but the teams will take the field with approximately the following men:

## Star Reserve Fullback in Action

Steve Belichick, flashy sophomore from Struthers, will start at fullback for the Red Cats of Western Reserve, when they meet the Penguins at South High Stadium on Saturday night.

## Litvin Wins Niles Tennis Tournament

"Bill" Litvin, YoCo basketball letterman, took to tennis this summer to keep in trim for the coming basketball season, and ended up with the Niles senior city tennis championship. Litvin defeated Ken Loury 6-4, 3-6, 6-2, 6-4, for the singles crown.

In one of the best exhibitions of tennis seen in Niles this summer, Litvin teamed up with Winyard to cop the finals of the doubles tournament.

## Future Penguin Opponents Display Gridiron Power

Though Youngstown remained idle last week, many of its future opponents lost little time in playing real football.

Western Reserve, next foe of the Penguins, had little trouble in walloping Ohio Wesleyan 33 to 0. The highly touted Pitt team had difficulty in defeating West Virginia U. 19-0 in one of the finest defensive games ever played by the Morgantown outfit.

In a game last Friday night, John Carroll opened its season with a 19-0 victory over Detroit Tech. Youngstown plays John Carroll and Detroit Tech on October 13 and 13 and November 19, respectively.

YoCo	Pos.	Reserve
Benish	L.E.	Isaacs
Zban	L.T.	Mitko
Julian	L.G.	Crisci
Gill	C.	Sullivan
Chianese	R.G.	Reducha
Cole	R.T.	Saxon
Burns	R.E.	Waggle

## Penguin Patter

By CARL J. ROSAPEPE

No game was ever yet worth a rap  
For a rational man to play,  
Into which no accident, no mishap  
Could possibly find its way.

A. L. Gordon, Ye Weary Wayfarer

Prior to our history-making football debut against Geneva College, a Vindicator article stated that many people who had never seen a football game before, or who had not the slightest interest in football as a game, would come out to see our college's first game. And it was right. The day before the game I happened to get in a conversation with some elderly people who had witnessed a football game for the first time in many years on September 15. (This date will always be remembered in connection with YoCo football as the years go by.)

Unlike football fans, they did not speak of how well the teams played or of how various individuals performed. They were more concerned about the brutality of the game. When John Chianese and Louis Shirock had to be removed from the field because of injuries, the aforementioned people were convinced that they were justified in their attitude towards the game. The injuries of our two players were not serious, and both of them will be out there on the field Saturday night fighting, none the worse for their experience.

SHIROCK

CHIANESE

I would like to remark, for the benefit of parents who object to their sons playing football especially, that football as played today is anything but brutal. The boys are taught rules that they must obey for their own sake, and provided with the finest and latest equipment designed to give them the most protection.

Naturally a boy weighing 140 pounds is not expected to be able to last through sixty minutes of give-and-take with one weighing 190 lbs. no matter what he is taught or how he is equipped; but situations like the above very rarely occur in college football. Serious injuries do befall some players now and then, but they are the rare exception rather than the rule.

## WATER! WATER!

Coach Dike Beede gets dryer than the players during a game. During the Geneva battle Dike was getting up off the bench just about every other play, and each time he made a grab for the players' water bottle. The first quarter was well under way when some "statistician" counted number seven.

## Intramural Committee To Help Plan Program

A committee, consisting of representatives of the four classes and of the fraternities, will meet next week to determine the set-up for this year's intramural program.

Randall Leyshon, Intramural Director, is planning for the best intramural program the college has had since Jim Cannell started our intramural program rolling along several years ago.

Leyshon stated that tentative plans are being made to have an Intramural Night in which both his classes and those of Miss Whittington will cooperate in a huge athletic program.

### Ruth Whittington Replaces Dorothy Bollard at Y. W.

Miss Ruth Whittington, a native of New Jersey and a graduate of Bernard College, New York City, has replaced Miss Dorothy Bollard as physical instructor for women. For the past four years, Miss Whittington has been associated with Russell Sage College as physical instructor.

Miss Whittington is well aware of the difficult arrangement in the present set-up of women's athletics at Youngstown College, but she feels that in the near future we too may have a women's physical education department equal to oldern Eastern Colleges.

### Cosmopolitan Club and International Relations Will Organize Friday

The Cosmopolitan Club and International Relations Club will again organize for the 1938-39 term. The first meeting is scheduled for Friday, September 30 at 12:05 in room 103.

The Cosmopolitan Club is open to all students who are foreign born or whose parents were born abroad. The organization is a member of the International Relations Club which is affiliated with the Carnegie Endowment for International Peace. This enables any student, regardless of nationality, to become a member of the club.

While the main purpose of the group is social, it recognizes the vital need for intelligent public opinion; it also studies international affairs in an honest effort to clarify current problems in the minds of the members. It recognizes that all students of international affairs do not think and feel alike, and it grants complete freedom of thought and expression to its fellow members.

All college and Business College students are welcome to join the International Relations Club together with the Cosmopolitan Club. Dr. Henry V. Stearns and Professor Bare are sponsors; Dan Chance is president.

### Tennis Team to Play Several Matches Soon

With the feel of warmer weather in the air, Dr. Castle Foard is making plans to play the Penguin net team in several matches before long.

Tentative teams on the fall schedule include Hiram and Case, though no opponents have been definitely booked.

About fifteen applicants have expressed their desire to play varsity tennis. Athletic director Foard has set up a tennis ladder to be used in forming the team. The new racket men find they must replace members of last year's squad, consisting of Jack Wagman, Norman Ingling, Stan Sylack, and Dick Thomas, before a position can be gained.

### Large Freshman Class Puts Butler Art Gallery In Use

This semester the rooms at the Butler Art Gallery have been put to the College's disposal. Last semester the College used the Art Gallery for a classroom in the evening.

A class in Economics under Professor Burt, numbering 115, has been divided with one part being sent to the Art Gallery. The new section is to be taught by Professor McCorkle. Professor Burt already has several classes scheduled there.

## Society

### PHI LAMBDA DELTA

Phi Lambda Delta Sorority began their autumn activities with a hay ride the first week in September. Everyone met in Canfield and rode to the Christ Mission Camp, and had a weiner roast. Dr. and Mrs. Seamans were guests. Committee in charge: Ruth Wilcox, Marie Barrett and Marian Parmenter.

This year's officers are: President, Helen Gifford; Vice president, June Wymer; Secretary, Bea Snavelly; Publicity Secretary, Marie Barrett; Treasurer, Betty Mae Jones.

Phi Lambda Delta sorority wishes to invite all freshmen girls and new girls to a tea Sunday, October 2. Co-chairmen of the affair: Marian Parmenter and Bea Snavelly. Committee: Jo Fusco, Zylpha Davis, June Wymer, Shirley Peterson, Eleanor Donnan, Melvina Durig.

### GAMMA SIGMA

The Gamma Sigma Sorority entertained about 140 freshmen girls and faculty wives at their annual tea honoring freshmen which was held Sunday, September 25 at the Westminster Presbyterian Church. The program arranged by Jean Sause was entertaining. Mrs. Eugene Scudder and Dr. Q. L. Reid, head of the English department, were guest speakers. Francena Moore, sorority president welcomed the guests. Rosemary Sullivan gave a reading and Janet Kirkner played. Miss Carolyn Knouss was general chairman assisted by Jean Sause.

The group enjoyed themselves this summer at a week-end party that was held at Jeannette Power's Diehl Lake cottage. The 1938-39 officers were formally installed when they were honored at a dinner given September 7 at Raver's. The senior members were presented with pin guards.

The officers of Gamma Sig are: President, Francena Moore; Vice President, Totty Patrick; Treasurer, Carolyn Knouss; and Secretary, Dimp Jones.

Members are Emily Davies, Betty Hossel, Nancy Findley, Margaret Findley, Peg Cassidy, Lenny Evans, Virginia Dean, Opal Weiss, Louise Landers, Katherine Whan, Maxime Morton, Marian Steadman, Rosemary Sullivan, Florence Arkwright, Elizabeth Dugan, Jean Sause, Irma Shirock, Jean Wright, Betty Brown, and Florence Righter.

### PHI GAMMA

Now that YoCo has a football team it follows that there should be a football rally dance, and there is going to be one. The Phi Gammas are sponsoring a football rally dance at the Nu Elms on the evening of October, 21 the night of the Westminster game. Tee Ross' orchestra is playing for dancing from 9:30 to 12:30. Bob Anderson, as social chairman, is planning the dance with the help of Tutt Roberts, Joe Seefried, Dan Agnone, and Tony Maliturno.

Phi Gamma members include Bob Anderson, Bob Walter, Galen Elser, Stan Sylak, Bob Grandmontagne, Tutt Roberts, Joe Seefried, George Thompson, Dan Agnone, John Wolfe, Ray Alexander, Carl Corletzi, Steve Moray, Earl Williams, Bob Allen, Al Pisani, Tony Maliturno, George Schwagger, Jack Kennedy, Tony De Huccia.

### SIGMA DELTA BETA

Lewis Nauss, president of Sig Delt Alumni, spoke at the Sig Delt meeting Sunday at the home of Ted Holz. The newly elected officers are Leonard Skeggs, president;

### Picture Gallery to Be Started In the Lounge

According to latest reports, Student Council is considering starting a picture gallery in the lounge. Plans are being rushed for fraternity, sorority and other group pictures will be placed on the walls. As each year goes by, more and more photos shall be added so that the collection might be complete.

Persons with suggestions are urged to contact "greek letter" presidents.

### Two Freshmen Will Be Added to Cheer Leading Staff at Tryouts Today

Tryouts for cheerleading will be held today at 12:00 in the auditorium. It was decided the number to be taken in this year will be limited to two freshmen boys.

The captain of the squad for the coming year has not yet been chosen, but an election will be held this week to decide the matter. The two girls, Thelma Evans and Ruth Boldi, will not be eligible for this office because they are not registered in the Liberal Arts College. Those eligible, therefore, will be John Bair, Sturgis Carbin, Roy Beach, and Dan Chance.

Bill Litvin, vice president; Dick Thomas, secretary; and Jerry Holmes, treasurer.

Joe Hanna, one time editor of the Jambar, who returns to Rollins College this fall, was honored by the Sig Delt before his departure at a stag party Thursday night.

Members are John Bair, Bob Steeber, Grant Beard, Grayson Miller, Loring Sheffield, Blaine Gerdes, Sturgis Carbin, Bill Gubbins, Dave Mackil, Dick Thomas, Mark Medicus, Leonard Skeggs, Jerry Holmes, Bob Saunders, Joe Griffiths, Francis Reinchr, Myron Noll, Mike Groves, Frank McLaughlin, John Rosapepe, Al Freed, Chuck Axtmann, Jack Haynes, Ed Lynch, Clarence Sumner, Walt Burnside.

### PHI KAPPA DELTA

Phi Kappa Delta fraternity had a banquet this summer at the Fish House. Before dinner, a short business meeting was carried on. After dinner the group had a theatre party.

The officers of the fraternity were all re-elected. They are as follows: President, Charles Zellers; Vice-President, John Keiser; Secretary, Kennedy Ray; Treasurer, Frank Stewart.

### Pals Play on Opposing Sides in Grid Battle

Football fans from Niles who witness the game between Western Reserve and Youngstown College on Saturday night will have good cause to be cheering for both teams. Two of their home town boys, in the persons of Charles Griffiths and Paul Kramer, will see action for the Red Cats and the Penguins, respectively.

Both boys worked together this summer at the Niles municipal swimming pool, and are very good friends.

Kramer has just started his first year at YoCo, and has the experience of only one college game under his belt, while Griffiths has had a year on the freshman team and a year as a varsity man. Both tip the scales at approximately 190 pounds.

## Music Notes

Mr. Alvin Myrovitch, conductor of the college orchestra, plans to increase the repertoire of the organization so as to present some concerts in addition to furnishing music for plays and chapels. Two symphonies are already being practiced by the group, and will be presented in the first concert.

working for his Masters degree in Although the orchestra has many stringed instruments, it is still in need of wind and brass instruments. Members of the band are invited to join the orchestra as well as the band, and thereby receive one-half hour credit as well as experience and good fellowship with the organization.

There will be a meeting of the Youngstown College Music Society on Thursday, October 4, at 8:30 p. m., in Mr. Bretz's room, on the fourth floor. An invitation is extended by the president, Harold Levoff, to freshmen and others interested in music. This club is planning several social events, as well as delving into the lives of some of the great musicians and hearing classical music performed by the members of the society.

### Looking Around By Jean Sause

Sitting on the brown chair, the one whose inwards stick out, exact location beneath Condensed American Digest, volume 13 and 14 N. E. corner of the lounge—Fleeting impressions of the Youngstown College student in his more frivolous moments—A pretty sight, scarf tied beneath her chin, Phyllis Jones new Freshman . . . the gingerbread crumbs on Woody aVn Court's upper lip . . . Shamelessly stealing Petey Penguin's chatter, what columnist named Dave was out what Saturday night with what blonde—most mysterious . . . a new Findley in the hall these days, she's Betty and lives up to the fin tradition of her sisters, Nance and Marge . . . The tall dark one you haven't met yet is John Montgomery . . . Sibi Warden with the most distinguished looking bow tie . . . new saddle shoes grow dirtier and lovelier every day . . . Betty Hossel and Bob Murphy—what I mean is doesn't it make one wonder . . . Peg Kirchner, shinningly beautiful . . . Charm bracelets grow madder. Anything from wings to shovels go . . . the pretty grey corduroy shirt of Cecil Stewart's . . . Flossie McKibben and her letter man . . . Marie Barrett trying to find 20 gallons of cider for the Freshman reception . . . It's good to see Howard Rempes', new overcoat and all . . . Chuck Axtmann, the man on the flying trapeze . . . Theo Johnson's lovely speaking voice . . . Margaret Findley knitting one, purring—pretty soon a sweater . . . Ruth Wilcox's baby talk . . . the green versatile that Dimp Jones sports . . . the friendliest person, Virginia Byerely . . . Jack Leedy, feet propped up on waste basket sound asleep.

### Freshmen Girls Requested To Attend W.A.A. Meeting

The Women's Athletic Association will get under way in a new season of activities tomorrow under the leadership of Miss Whittington at the Y. W. C. A.

All former members, and all freshman girls interested in athletics are requested to attend a meeting in Room 110 tomorrow at noon. W.A.A. plans for the coming year will be discussed at this time.

### Group Pictures Available For College Organizations

Glossy prints suitable for framing may now be secured of any group picture used in the 1938 Neon. The photos are one and one-half times the size of the Neon cuts and are made on eight by ten paper.

Fraternities, sororities and clubs have created a demand for these pictures which are attractive for their informal groupings and clearness of detail. The pictures were made by Mr. Hogan, photographer for Arc Engraving. Orders may be given to Howard Rempes.
