Makes Petition To Run For Congress*

Dr. Robert D. Bowden, head of the Youngstown College Social Science Department has taken out petitions for Representative to Congress in the nineteenth district. Dr Bowden hopes to run against Congressman John G. Cooper in the coming election. Cooper has been in that office for a good many years and the people of Youngstown can stand a change. Dr. Bowden has a good chance to replace Cooper and serve the people of Youngstown in better manner than others have tried. Dr. Bowden's petition may be signed in the main office.
