

ACADEMIC PLANNING COMMITTEE

MINUTES

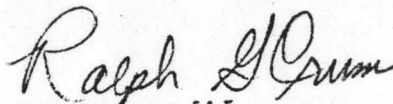

November 23, 1983

Present: Bakos, Brown, Caras, Crum, Gillis, Hugenberg, Cobett,
Khawaja, Yozwiak, Tanner

The Committee agreed upon the final draft of the Mission Statement for the Academic Master Plan. Dr. Gillis tentatively found no problems with the statement. Dr. Gillis will check into any legal ramifications which might preclude post-master's level work.

The committee will come to the first winter meeting prepared to develop the back-up materials. Mission statement final approval and approval of the outline for back-up material will be made at that time.

Respectfully submitted,

Ralph G. Crum
