- III. Election of Officers
- IV. New Drive to Parking Lot
- V. Planning Committee
- VI. Approval of Graduates

Meeting of
BOARD OF GOVERNORS
of Youngstown College

June 4, 1940, at noon, the Youngstown Club

I. Financial Report

A financial report is attached.

II. New Laboratory

The barn at the rear of the 416 Wick Avenue property is being renovated to house a new engineering laboratory. Practically all equipment for this lab is being donated by the various industries, the Youngstown Sheet and Tube Company having given equipment estimated to be worth \$7,000.. This equipment includes a twelve foot engine lathe, a milling machine and all accessories, a shaper, a centrifugal pump - all of this equipment complete with motors and controls - and several different types of meters and miscellaneous steam fittings. This laboratory was needed badly in order that we might train men properly in shop practice.

III. Election of Officers

Report of Nominating Committee

IV. New Drive to Parking Lot

In order to eliminate the hazard of students using a one-way drive which has a dangerous curve around the corner of the business school building and has been the only entrance to the college parking lot, the Butler Art Gallery, at the suggestion of Mr. Butler, is granting to Youngstown College an easement through their property on Bryson Street to the rear of the college parking lot.

V. Planning Committee

Report of Mr. McKay, Chairman.

VI. Approval of Graduates

The following students are candidates for the degree of Bachelor of Arts:

Thomas Edward Anderson, Jr.	Wilbur Devereux Jones
