V. Psychological Test Rating of Senior Class

Following is a report of the status of the members of the class of 1938 as shown by the results of the Ohio State University Psychological Test:

Group	Standards for Ohio College Students Per cents	Youngstown College Class of 1938 Per cents
A	5	15.4
B	20	25.6
C	50	53.9
D	20	5.1
E	5	0.0
	<u>100%</u>	<u>100.0%</u>

This report conforms very closely with the report made by Dean Stradley when he was in Youngstown last year, that 80% of former Youngstown College students who are now working in the Ohio State University, are in the upper half of their distribution instead of 50% as would be the normal expectation.
