

PROCEEDINGS

ACADEMIC DEANS COUNCIL

March 22, 1977

Present: Drew (for Moore), Miller, McGraw, Yozwiak, Paraska, Sutton, Scriven, McBriarty, Bleidt, Yiannaki, and Edgar

Meeting was opened at 1311.

Minutes of the February 9 meeting were approved on a motion by Dean Yozwiak, and seconded by Dean Paraska.

Vice President Edgar announced that the policy established by memorandum dated March 17, 1975, with respect to public schools, was still in effect. Any contacts with schools should be coordinated through the School of Education.

Orientation was discussed. The plan proposed by Dean Bleidt and Dean McBriarty was designed to allow advisement of students in small groups. Extensive discussion ensued on the proposal, with objections raised to the placement of the Dean's session at the end. It was also proposed that orientation be separated from advisement and registration. One suggestion was that each Dean handle his own program.

At the end of almost two hours, agreement (one negative vote and one abstention) was reached on the following **schedule**:

9:00 - 9:20	Opening session				
9:30 - 10:00	Deans' sessions

The possibility of centralizing registration and advisement was discussed, but was left for further discussion after Dr. Jonas was asked about computer facilities.

It was suggested that students who were suspended at the end of a term have their registration cancelled quickly, so the class spaces would become available. Discussion was suspended until Dean Scriven could be present.

The meeting was adjourned at 1513.
