TABLE OF CONTENTS

This book is dedicated to the founding fathers of Youngstown College, without whose efforts we would not have The Youngstown University.

We tried to bring you a pictorial review of our school's first year as a University. We present our administrators and our faculty, the students and their organizations. But more than all this we present our school. We hope that through this annual the essence of university life may be re-captured and remembered by the alumni, and made more meaningful to all those associated with the institution. We also hope that with the help of this "Neon" you may relive pleasant experiences and gain a clearer insight into the views and aims of The Youngstown University.

PRESIDENT

Dr. Howard W. Jones

Probably no one has watched the amazing progress made by Youngstown University with greater pride and interest than has President Howard W. Jones, head of the school since the fall of 1931.

President Jones has worked energetically and enthusiastically to further the aims of the University to meet the educational needs of the community.

Under his regime the standards of the University have steadily been raised. In 1940 the school was admitted to the Ohio College Association, in 1941 to the Association of American Colleges, in 1945 to the North Central Association of Colleges and Secondary Schools, and in 1954 it was approved by the American Association of University Women. The Youngstown College School of Music became a member of the National Association of Schools of Music in 1950, the Rayen School of Engineering gained recognition by the Engineers Council for Professional Development in 1954, The Youngstown College was re-chartered as a university in September, 1955.

Enrollment has been increased from 500 to 4500 students during these years. In accord with this increase the University has added numerous buildings to its campus.

May The Youngstown University continue its fine record of achievement under the able guidance of Dr. Howard W. Jones.

DEAN OF THE UNIVERSITY

The duties of the Dean are many and varied, but Dean Smith handles them with efficiency and skill. The recruitment and supervision of faculty personnel takes a large part of his time. There is always an open door, a friendly smile and an interested listener to any student who wants to chat or needs expert advice. Youngstown U's "Doc" Smith is a man we are proud to claim.

Dr. Joseph E. Smith

Dr. Joseph E. Smith's first association with Youngstown University was as a part-time professor in 1921. He was subsequently appointed head of the Social Science Department and Dean of Men. In 1949 he assumed his present roles as Dean of the College of Arts and Sciences and Dean of the University.

Dr. Smith significantly distinguished himself as an under-graduate to be awarded a Rhodes Scholarship to Oxford University, England. He received his B. A. degree from Oxford, his A.M. from Nebraska University, and his Ph.D from Wallas College, London, England.

Possessing a keen understanding of the problems and aspirations of youth and men, our Dean provides a ready guide to ethical living. He is admired and respected by all who know him.

DEAN OF WOMEN

Although Dean McCarty is new at The Youngstown University, she has already made many friends both among the faculty and the students. Her efficient handling of her many duties and her wise guidance of the committees whose job it is to coordinate the ever growing numbers of campus activities is awakening the student body to the important position The Youngstown University is assuming in their lives and in the life of the community.

Those who want help, counseling, information, or who just want

to share some good news and a cup of tea are always welcome in Room 210.

Olive Pope McCarty graduated from The Youngstown University with a B.S. in Education degree. She received her Master in Education degree from Boston University and has done additional graduate work at Ohio State University. Dean McCarty's experience is varied as she has a background which includes personnel work in business, industry, and the U.S. Marine Corps, as well as teaching in high school. Before coming to Youngstown University, she served as Assistant Dean of Women at Ohio Wesleyan University.

Her staff and those who have worked with Dean McCarty agree that she is a very welcome addition to the faculty and administrative staff of The Youngstown University.

Philip P. Buchanan

REGISTRAR

Mr. Buchanan came to Youngstown University in 1928; formerly he was the principal of Struthers Schools. He received his A.B. degree at Hiram College, at the University of Pittsburgh, his M.Ed. He has been the Registrar for over 23 years. Mr. Buchanan is a member and vice president of the Ohio State Collegiate Registrars Association, also a member of the American Association of Collegiate Registrars.

ASSISTANT REGISTRAR

Mrs. Smith came to Youngstown University in 1939. She received her A.B. degree in 1939 and her M.A. in Physical Education in 1947 from Ohio State University. Before coming to Youngstown U. she was the Secretary of the Alumni at Hiram College.

Mrs. Joseph E. Smith

BUSINESS MANAGER

Mr. P. Calvin Pickard has competently supervised the business and financial program of Youngstown University since 1936. He stepped right into the role of Business Manager, where his devotion to duty and business "know how" have been fundamental to the growth and advancement of the school. Mr. Pickard has an extensive teaching and vocational background in the business world, and acted as Dean of the School of Business Administration during the war. His long and loyal service has established our Business Manager as an integral part of Youngstown University. It would be impossible in one brief accolade to pay this personality all the respect and gratitude due him.

P. Calvin Pickard

ASSISTANT BUSINESS MANAGER

Assisting Mr. Pickard in his many duties is William G. Nelson. Mr. Nelson came to Youngstown University in November 1946. Previously he had been with the Home Builders Research Institute in Washington, D.C., as chief accountant.

During the war he served with the 11th Airborne Division in New Guinea, the Philippines, and Japan. As chief warrant officer he served as Assistant Regimental Adjutant and Battalion Adjutant and was awarded the Bronze Star Medal for meritorious service.

Mr. Nelson graduated from Youngstown University with an A.B. degree, and has an M.Litt. degree from The University of Pittsburgh.

DEAN'S COUNCIL

Dean's Council operates under constitutional powers granted by the University administration, specifically the president, Dean of the University and Dean of Engineering.

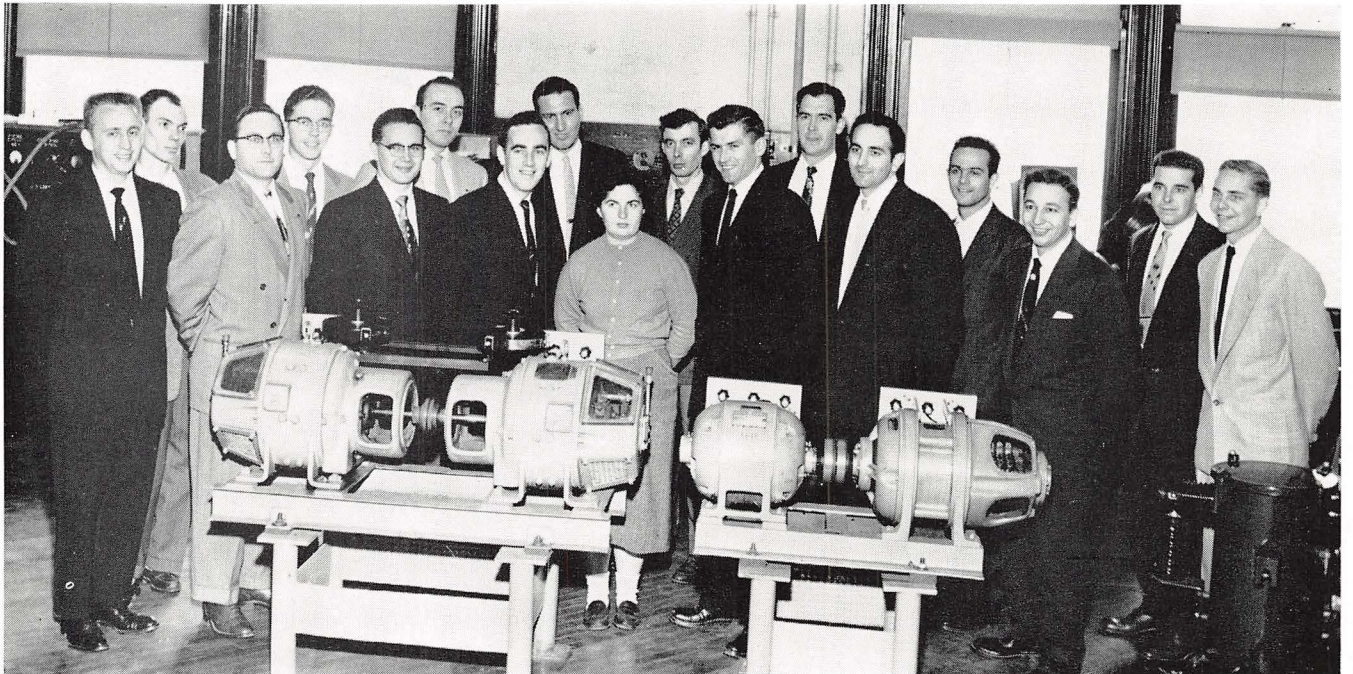

The Council is composed of representatives (the President or Chairman) from each of the authorized honorary and professional societies. In addition there are leaders from the field of athletics, R.O.T.C. and Student Council.

The functions of the organizations are:

1. Recommend necessary disciplinary regulations or suggest modifications in existing regulations to the Dean of Engineering.
2. Supervise policing of the parking lot and appoint the policing organization for specific periods.
3. Assist in Freshman orientation in engineering.
4. Hear appeals from groups or individuals.

LIFE ... IT'S SADIE HAWKINS DAY

Sadie Hawkins Day is a national institution and is duly celebrated here at Youngstown University each year. This past Sadie Hawkins Day was a memorable occasion with Mayor Frank X. Kryzan presiding over the opening of the ceremonies. The day's festivities were highlighted by the traditional race featuring the finest in women's track and field runners against some of the slower men on campus.

The track stars then treked downtown for their chase on Boardman Street and then the masqueraders were interviewed on WFMJ.

The celebration came to an end with the annual Sadie Hawkins Dance sponsored by Kappa Sigma Kappa fraternity.

Youngstown 0 Ohio Univ. 6

The Youngstown University gridgers played the 1955 inaugural before an overflow crowd of 12,500 fans at Rayen Stadium. It was a tenacious struggle throughout with the Bobcats beating down the dogged resistance of the Penguins to gain a 6-0 victory. Contrary to the prospects of an offensive battle, prior to the fray, both teams continually thwarted the advances of their opponents. But midway in the third canto, the Bobcats began a sustained drive that ended in the locals end zone.

Youngstown 25 Great Lakes 0

Youngstown continued to be a "thorn in the side" for the Bluejackets. Pulling a complete reversal from the previous week's game, the Penguins trounced Great Lakes 25-0, in an upset.

Dawson, Kimmel, Rouse and Carter each tallied once for the Beedemen, with Dawson's run being the highlight of the afternoon. Following a punt, Y.U. took over on their own 20 yd. line. On the first play from scrimmage, "Web" Dawson took a pitchout from Beck and rambled 80 yds. to paydirt.

All of Coach Beede's speedy backs looked impressive. Stalwart guards Stafford and Burrelli, ends Cougras and Delsignore and center Vecchia-rella shone on the line. Halfback Tom Mosure was lost for the season with a broken jaw.

Although the record of 4 wins and 5 losses compiled by the Y.U. gridgers for the 1955 season was not impressive, Coach Dwight "Dike" Beede hailed his 1955 team as being, "one of the greatest teams I've ever coached at Youngstown."

One might wonder about a statement like this following such a poor season record. But let us look at the facts. To begin with Youngstown "knocked-heads" with some of the toughest competition available in small college circles. We must consider also that "Dike" had his troubles in trying to find capable replacements to fill the large gaps left in the line due to the graduation of his two tremendous tackles of last season.

Next there was the over-bearing element of bad breaks. It's true that the good and bad breaks generally balance out, but this season they didn't.

Youngstown possessed a wealth of speed in the backfield, and the offensive punch was evident in that the Penguins more than doubled the point output of the opposition for the entire season.

Among those teams that fell victim to the Beedemen were, Great Lakes, Baldwin-Wallace, West Chester, and Gustavus-Adolphus. Conquerors of the locals were, Ohio Univ., Morris-Harvey, Xavier, Marshall and Abilene Christian.

To mention the names of all of the outstanding performers would be too numerous, however, due respect must be given to the seniors who played their final college games. Farewell and best wishes to: Norm Stafford, Dick Franko, Frank Beck, John Martinko, Andy Starinchak, George Sveda, Bill McCabe, John Remias, and Tom Mosure, who was sidelined with a broken jaw in the second game.

HEAD COACH

D. V. "DIKE" BEEDE

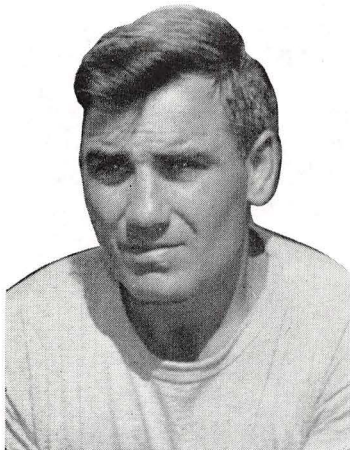

1956 marks the 24th year of collegiate football coaching for "Dike" Beede, who is beginning his 16th season at the helm of Youngstown University Football. Beede has directed the Penquin gridders since football was inaugurated at the local campus in 1938.

Before coming to Youngstown University, Coach Beede spent five years at Westminster College, New Wilmington, Pa., and three years at Geneva College, Beaver Falls, Pa.

He is a graduate of Carnegie Tech, "1926," where he was fullback and captain of his team and played under the famous Judge Walter P. Steffan, U. of Chicago All-American quarterback of 1909.

Besides being successful on the gridiron, Coach Beede has also proven himself to be a very successful rule modifier. The idea of a "Signal Flag" being dropped when rule infractions occur can be added to his laurels, Beede having initiated the practice in 1941 against Oklahoma City.

Youngstown 39

West Chester 6

Following a two week rest, an overwhelmingly superior Youngstown team walloped West Chester, 39-6 on the home gridiron. The Penguins tallied five times within ten minutes during the second quarter. Again the amazing "Girard Dynamo", Web Dawson stole the show as he scored twice on runs of 65 and 75 yds. within a pass and went 53 yds. for another score. The other three markers came on a 10 yd. run by Kimmel, a 2 yd. plunge by Sveda and a 7 yd. scamper by Franko. Reserve back Norm Barron brought the fans to their feet several times with several healthy gains in the second half. Sparkling on the line was Vecchiarella along with Stafford, Starinchak, Rose and Cougras.

Youngstown 12

Morris-Harvey 14

Morris-Harvey coming to Youngstown after three straight losses outscraped the Penguins and pulled a 14-12 upset victory. Although Y. U. lost by virtue of missed extra points, they were not up to par as they had been in their previous encounters.

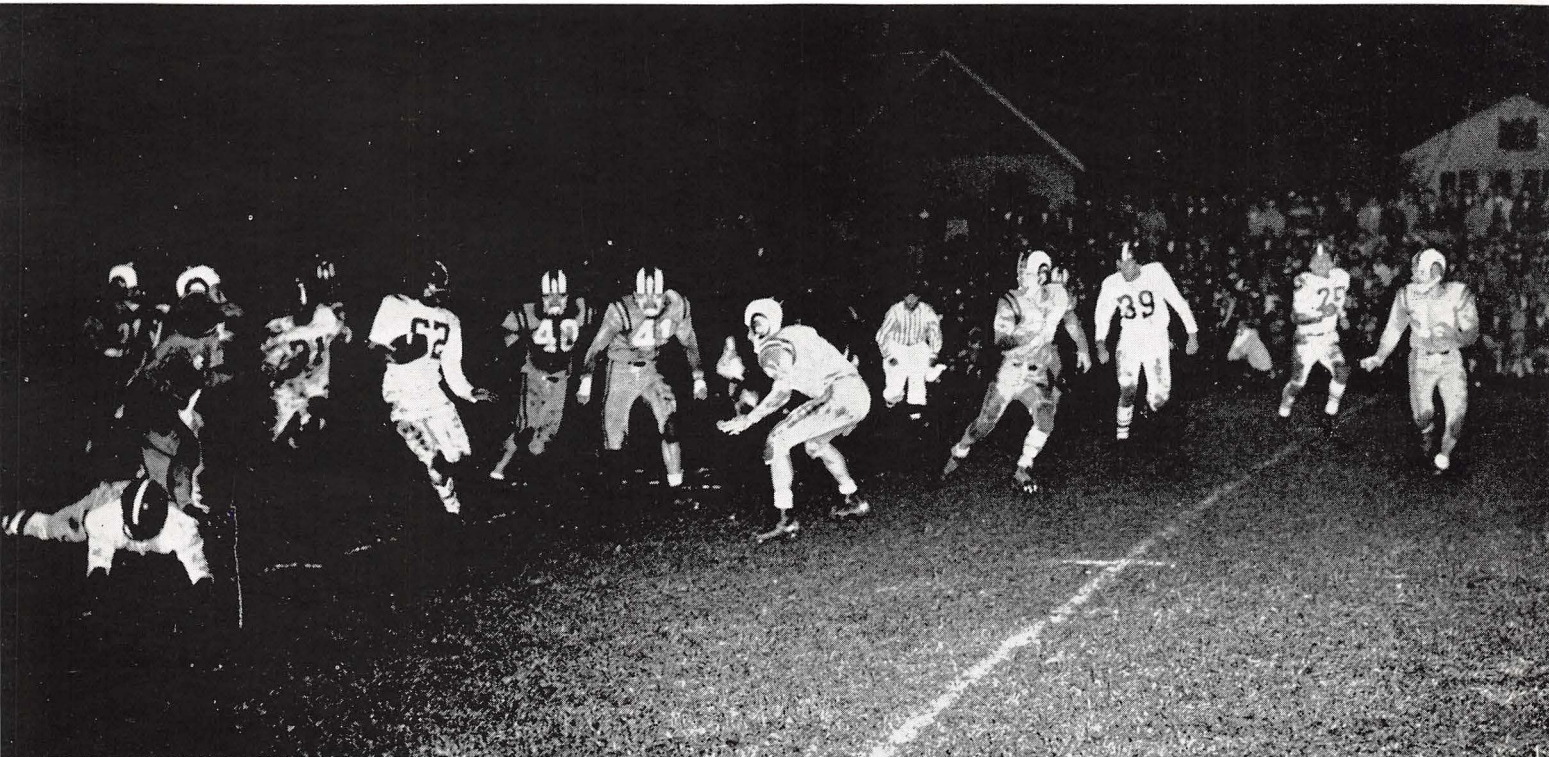

The Golden Eagles scored in the first quarter and held a 7-0 edge at half time. The Beedemen countered with 6-pointers in both the third and fourth frames but both times missed the all-important points after touchdown. Morris-Harvey tallied once again in the final canto to wrap it up. Again the consistent Dawson tallied once on a three yd. plunge. The other touchdown came on a four yd. run by "Fireball Frankie" Beck. John Rouse was a standout all evening on offense and defense.

Youngstown 0

Xavier 26

Youngstown traveled to Cincinnati to meet the powerful Xavier aggregation. The locals entered the contest a four TD underdog and lost just by that, 26-0. The game however, was not as lop-sided as the score indicates. After playing on even terms for quite a while, the alert Musketeer unit took advantage of three Penguin miscues and turned them all into scores. The costly bobbles were all deep in Youngstown territory. The other Xavier tally came on a 70 yd. surge.

In this game, the Penguin defensive play was impressive though marred by costly errors. The front wall all the way down the line deserve credit for a job well done.

Dawson picking up yardage for the Penguins.

Youngstown 28

Baldwin-Wallace 14

Youngstown University's hard-playing football forces had to go all the way to defeat a fired-up B.W. eleven before 10,000 fans at the annual Supermarket Bowl game. Scoring in all but the third quarter, Y.U. finally downed the Yellow Jackets 28-14.

Ray Carter supplied the scoring punch, rambling 33 and 6 yds. for a pair of tallies. The negro speedster from North High put on a brilliant display garnering 42 yards in 5 carries. Tony Cougras, former Campbell Memorial standout, grabbed a Beck aerial on the B.W. 25 yd. line and with a half-step lead on the defense, pivoted and streaked to paydirt for another 6-pointer. The other tally came on a 3 yd. end run by Dave "Flame" Kimmel. Frank Beck's hard-running and deception kept the "Jackets" guessing all night. "Iron-man" Stafford, along with the stalwarts, Burrelli, Vecchiarella, Cougras, DeAscentis, Martinko and Delsignore were outstanding in the line play.

Youngstown 12

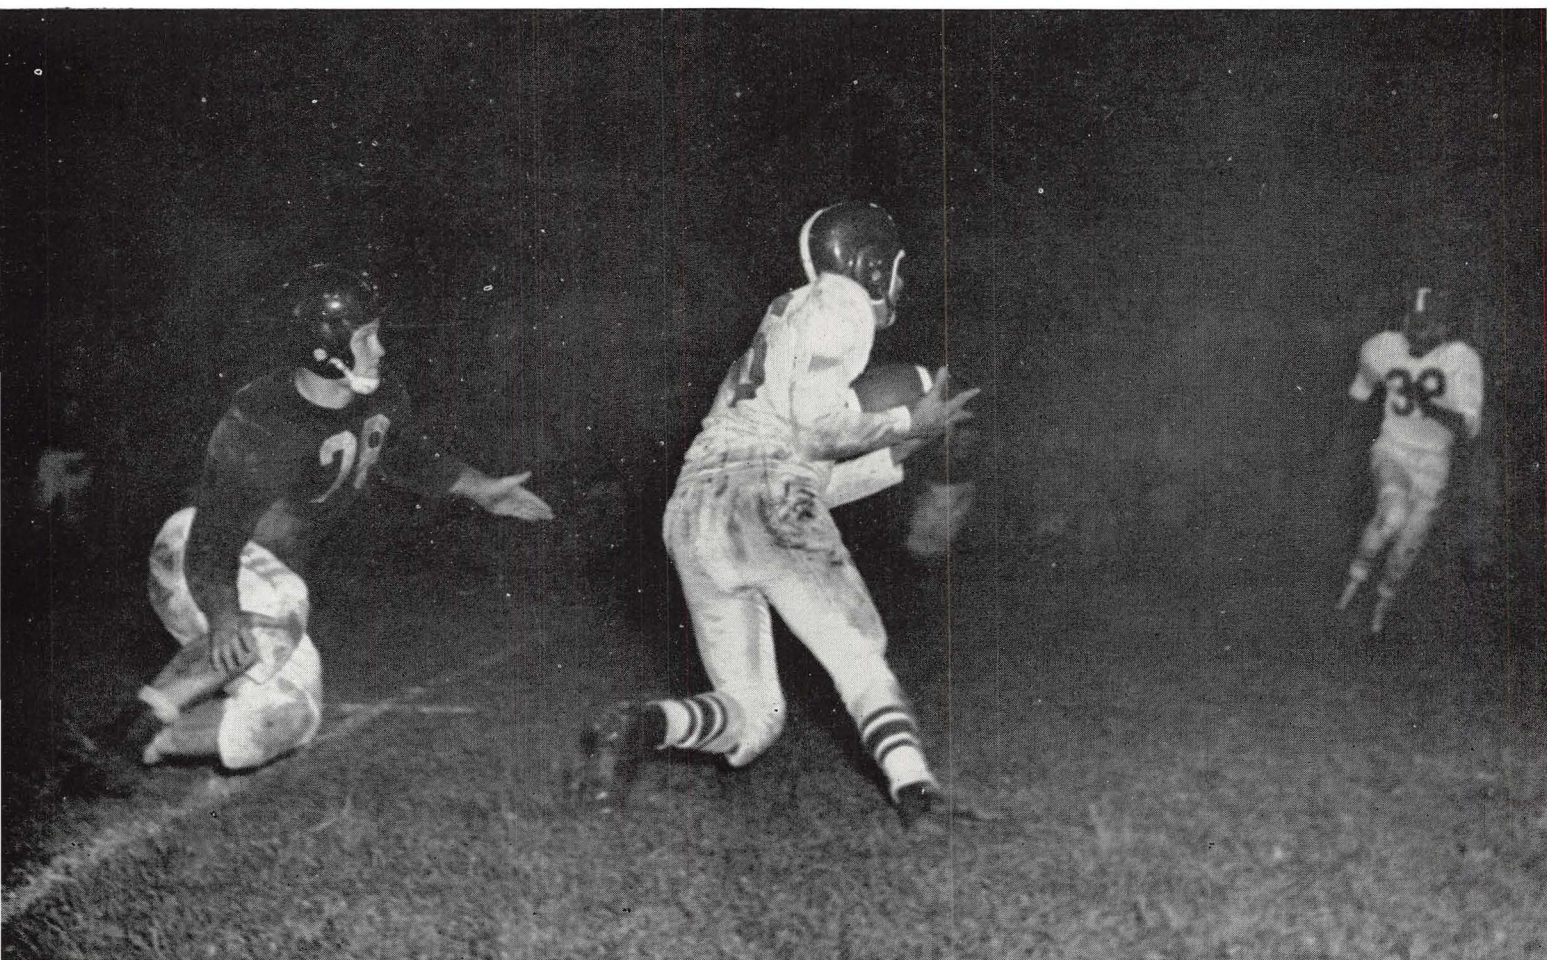

Marshall 20

A hard-driving Marshall College football team captured a 20-12 decision over Yo. University in a fiercely fought contest down at Huntington, W. Virginia.

"Scatback" John Rouse was the Penguins big man in the scoring department, tallying both TD's on pass plays covering 19 and 46 yds. The first pass was thrown by Frank Beck, who was injured shortly afterward, and the 46-yarder by Dick Franko, who replaced Beck. On Franko's pass, Rouse gathered in the pigskin on the "Thundering Herd's" 26 yd. line and outraced a host of Marshall pursuers.

Ray Carter was Youngstown's top ground-gainer with Dawson close behind. Hard-charging end Tony Cougras was outstanding in the line play along with John Martinko, Vecchiarella, Stafford, Burrelli and Delsignore.

Local boys played quite an important part on the Marshall squad. Quarterback Billy Zban, former All-City choice from East High, has been a key man in the "Thundering Herd's" attack for the past two seasons along with Ted D'Alesio a regular tackle, who was instrumental in stopping the Penguins, who is also from Youngstown East.

Cougras grabbing a Beck aerial before going in for the score.

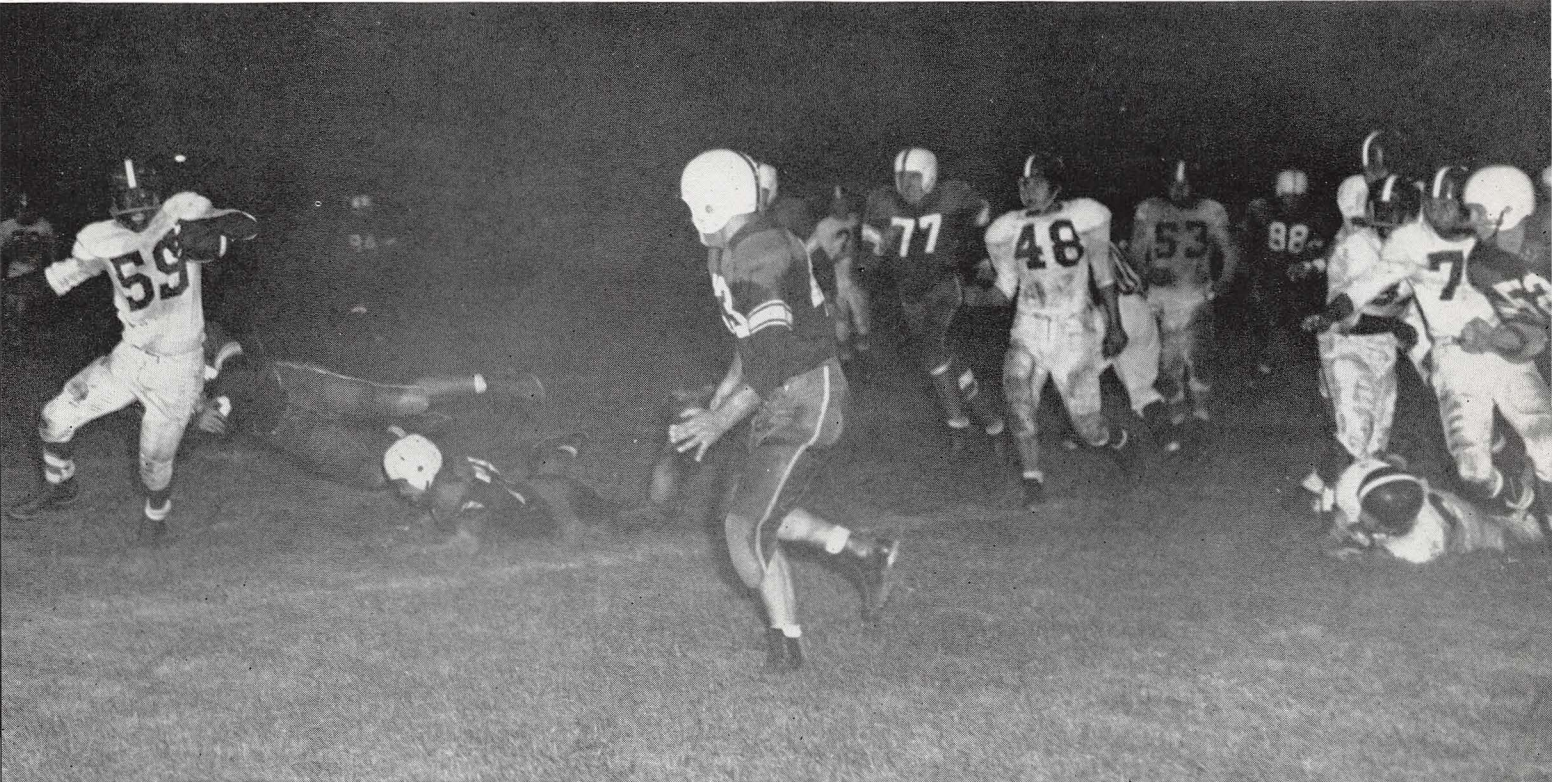

Youngstown 44

Gustavus-Adolphus 7

Although out-weighted 29 pounds to the man, Youngstown University smashed the bulky Gustavus-Aldolphus unit 44-7 in the home finale.

John Rouse, the negro speedster from Struthers, was again the key figure in the scoring department. John took one pass for a score and returned a punt 62 yds. for his other tally. Dawson also tallied twice on run plays. George Sveda, Ray Carter and Dick Franko, who was directing the squad, also ran over single TD's.

Ends DeAscentis, Kellum, Cougras and Delsignore tunred in fine performances along with the hustling, hard-playing Jim Vecchiarella, John Martinko, Bill McCabe, Norm Stafford, John Remias and Ron Stoops.

Carter carrying the Youngstown mail.

Youngstown 12

Abilene Christian 25

Youngstown's gridiron forces after flying down to Abilene Texas, ran into bad luck and an attack of fumbilitis while bowing to the Wildcats 25-12.

Fatigued by the long plane trip, the Penguins could only find consolation in the stellar play of Web Dawson, who once more provided all of the Youngstown fireworks. Dawson's tallies both came via the ground on runs of 29 and 3 yds. Youngstown muffed many opportunities that may have given them a victory. Among them were fumbles on Abilene's 6 yd. line, 1 yd. line, and interceptions by the Wildcats after having gotten deep into their territory.

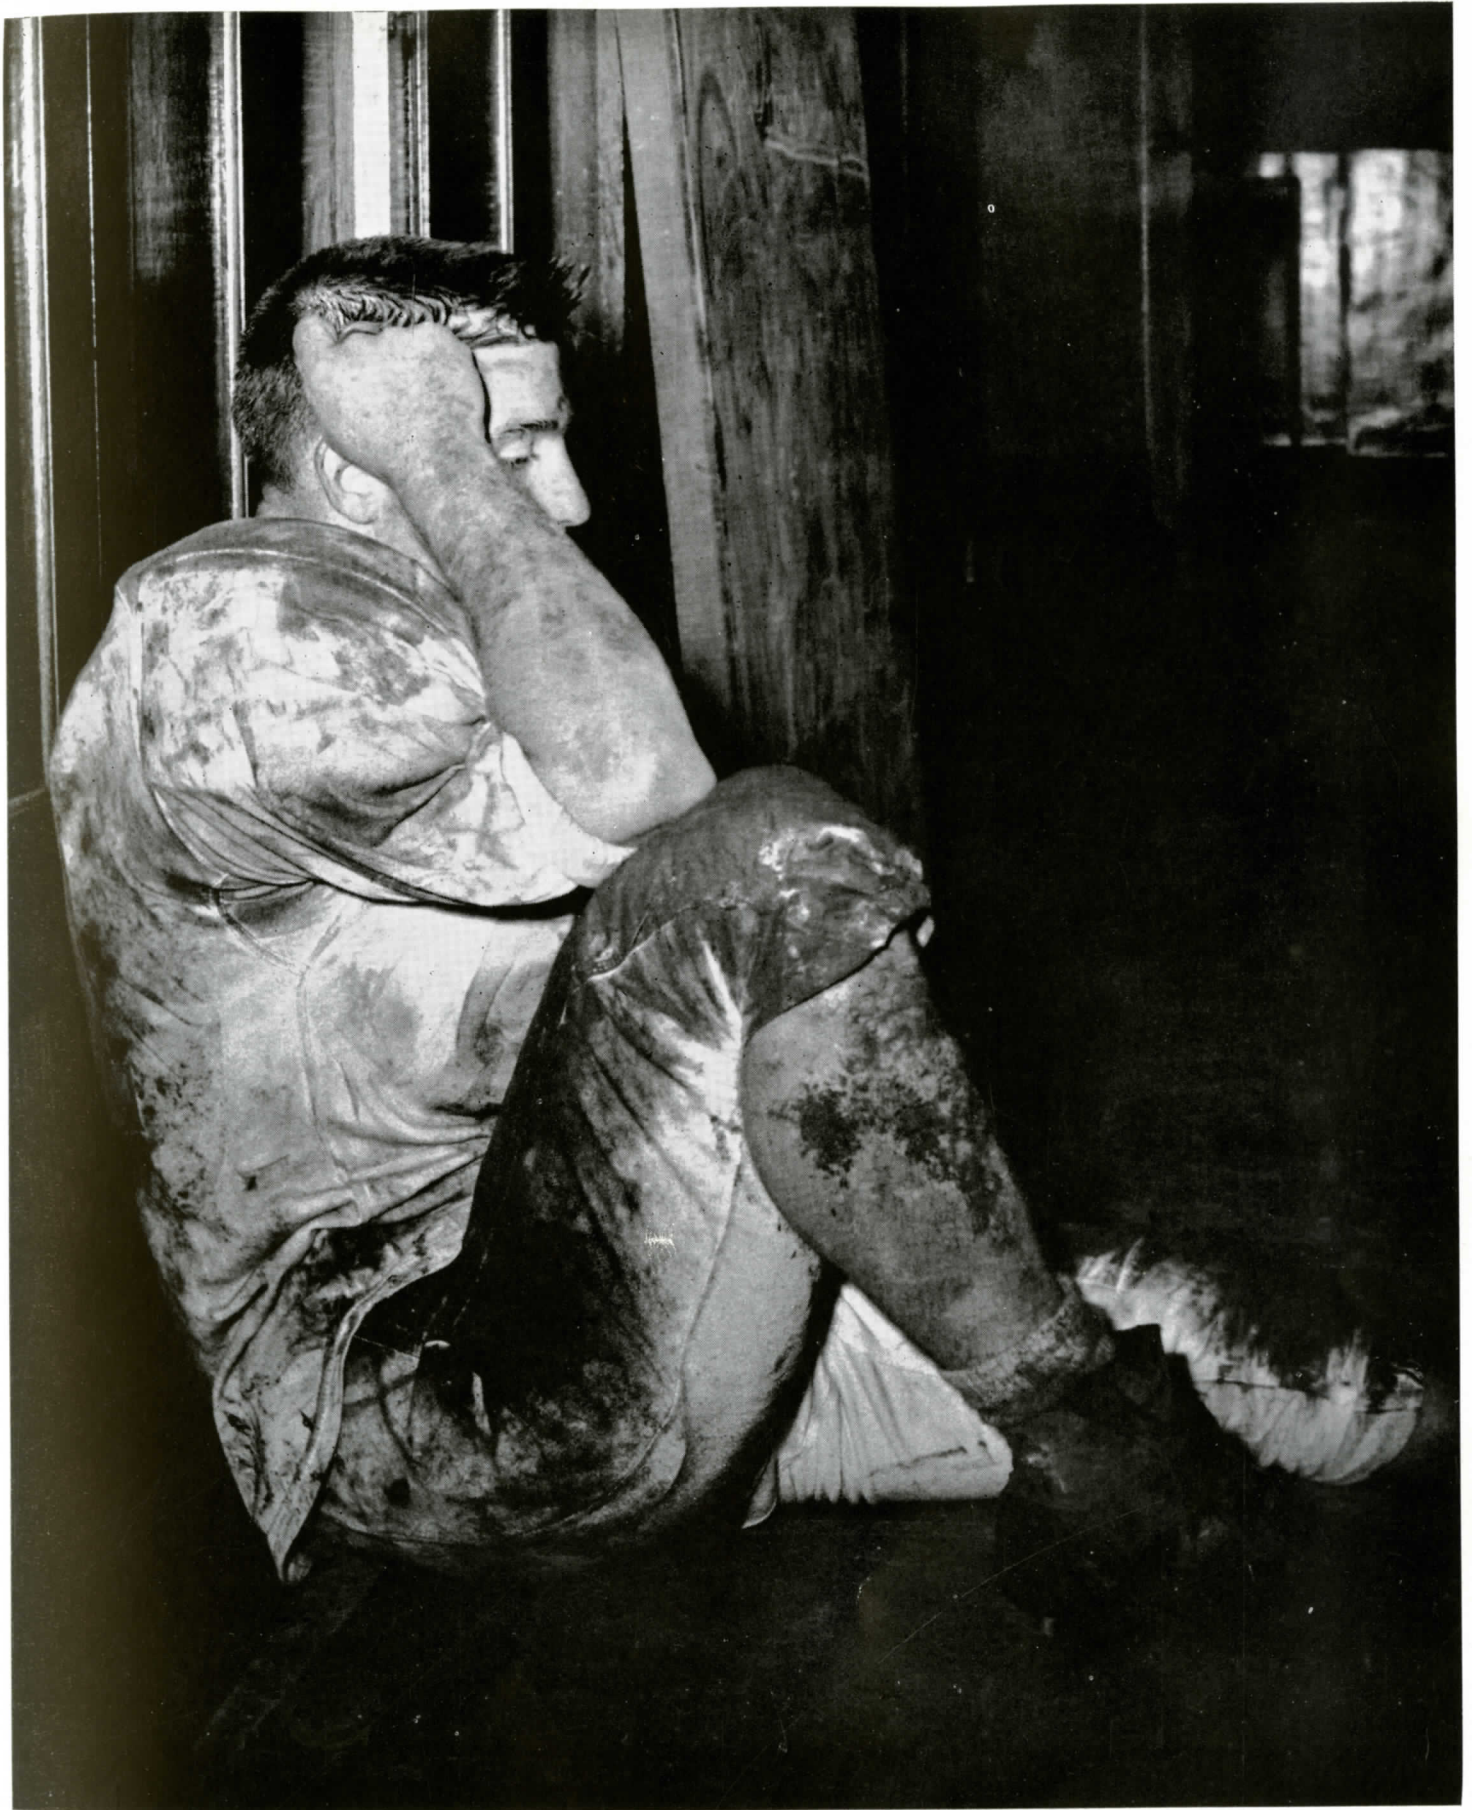

The line play was good and hard throughout by all of the Youngstown linemen.

It's finally over.

Coach Dom Rosselli

This was really the year for the fans who enjoy real "first-class" basketball. While the record compiled by the "Rossellimen" was not a phenomenal one, the action provided by the team was at times beyond explanation.

Here are some of the "name" teams which the Penguins defeated during the campaign. Early in the season they met the big Steubenville College quintet, led by high-scoring Paul Browlee, who was an All-American choice the year before. After losing to Youngstown U., Steubenville went on to win 17 straight games before suffering another loss. The powerful Akron aggregation came to Youngstown riding the crest of a 16 game winning streak without having been beaten. The Y. U. cagers were about a 15 point underdog but came out on top by a 64-62 score in one of the most thrilling games ever witnessed at the South High Field House. The hero was Charles Bushman, a freshman, who pushed in a beautiful one-hander with two seconds remaining. Loyola College of Chicago was beaten by Youngstown just a week before they dumped the "Irish" of Notre Dame.

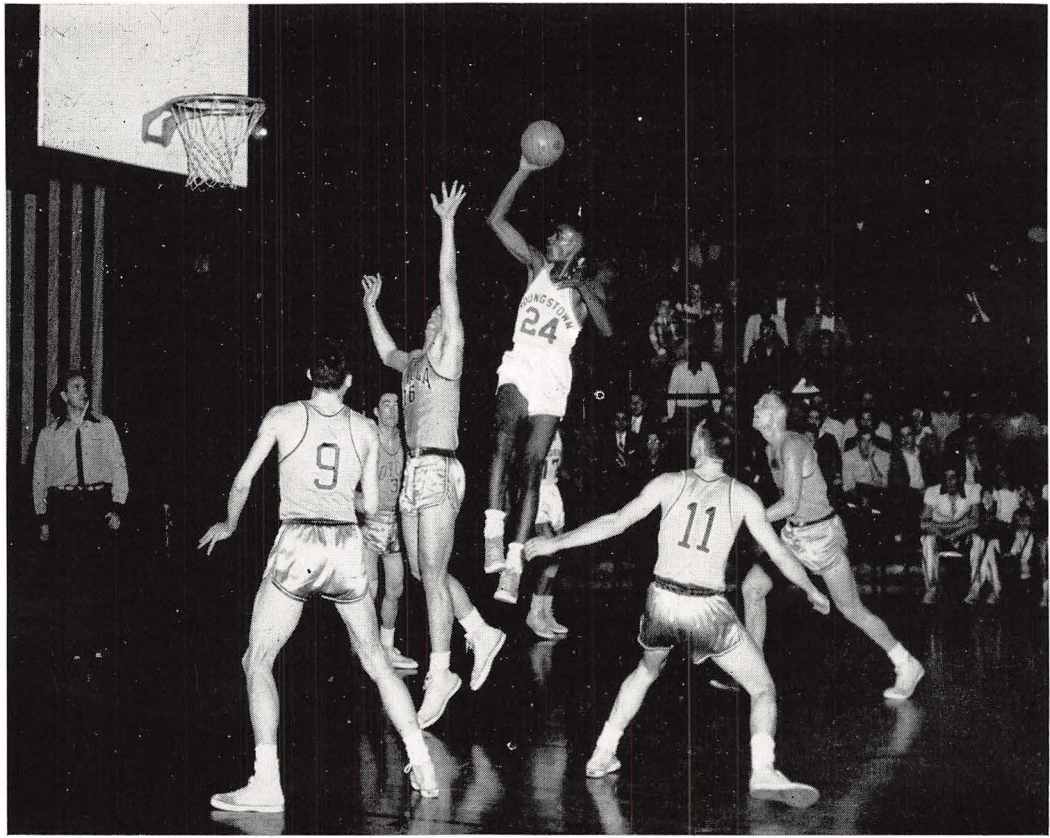

Credit must be given to all of the boys for their fine play, but probably the most outstanding performance was turned in by Tony Knott. Tony set a new season record to eclipse the one that he had already set, and finished up his college career with 2218 points to join a handful of players who have surpassed the 2000 point mark. Next in scoring was a freshman from Midland Pa., named Herb Lake. Lake established a new record for points scored by a freshman and lent a hand in the rebound department. Bob Atterholt, a former All-American High School cager from Sharon, Pa., was the "playmaker" and astounded the fans with his amazing accuracy from outside with his "set shots". Tall Bob Mayberry had his best season yet as he displayed versatility in shooting, passing, and especially rebounding. Paul Danilov, Charley Moore, and Andy Woodall, who made up the fifth man, were equally capable of fine ball handling and play making. They could also shoot from outside when they had to.

Losing only one man by graduation, senior Tony Knott, the Penguins should have another good year in 1956-57.

Seated L. to R.: Ralph Melfi, Jim Lewis, Bill Swift, Tony Knott, Paul Danilov, Bob Atterholt, John Melfi.

Standing L. to R.: Coach Dom Roselli, Jim Dellick, Herb Lake, Bob Mayberry, Charley Bushman, Alan Hegedus, John Zban.

Herb Lake goes way up high.

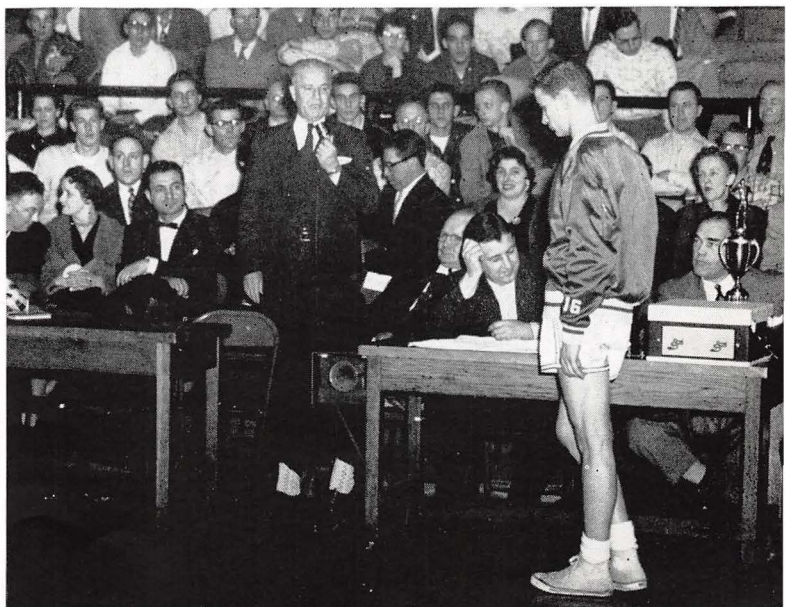

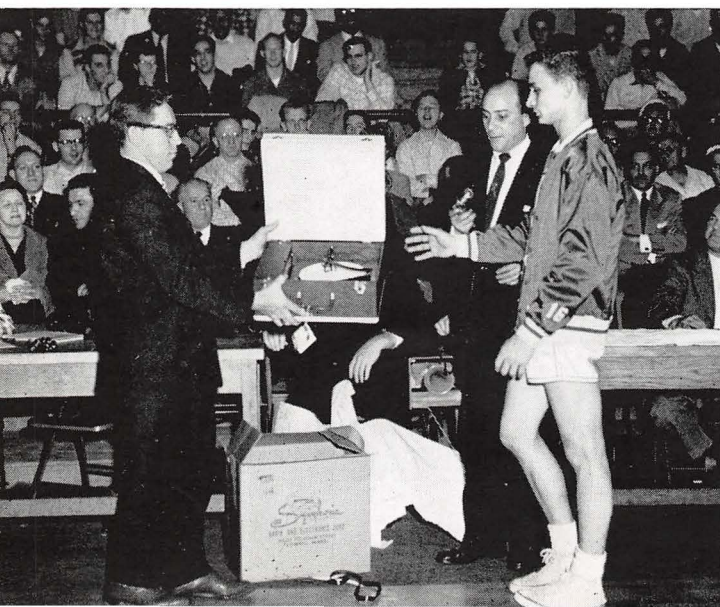

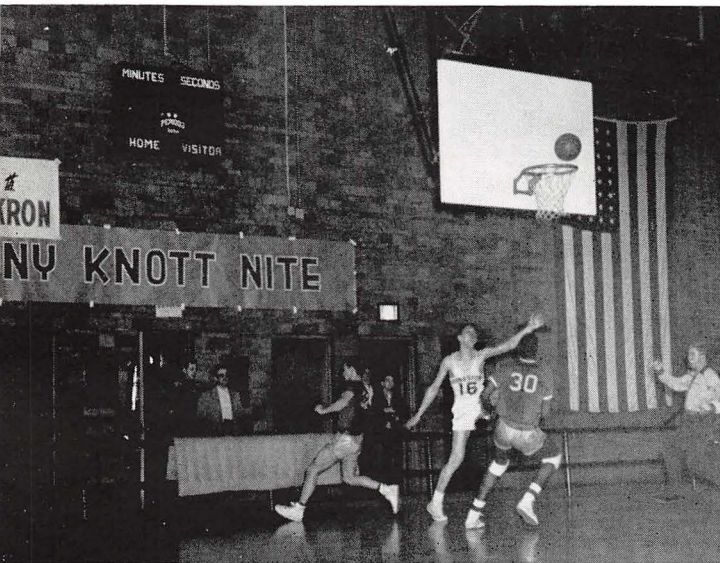

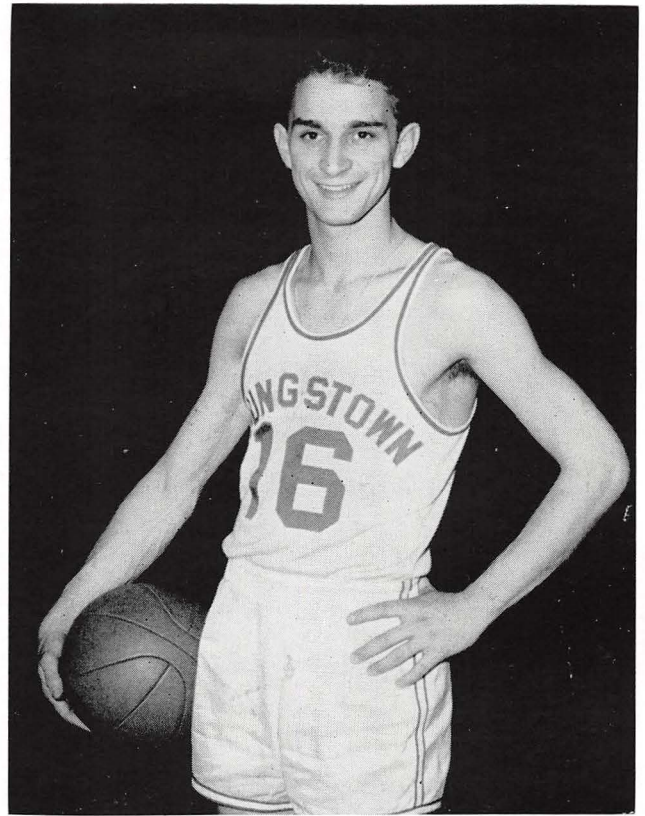

THE CHARMED CIRCLE

Playing in his final basketball game for the Youngstown cagers was one of the greatest players in the College's history. This young man's name is Tony Knott, from Farrell, Pa. Tony established records on the hardwood that will stand for many years to come. Most paramount is the accumulation of 2218 points which places Tony eleventh (11) highest among all of the college players in the country for all time. Naturally, this is a school record along with the highest season total, 705 and the highest game total, 50. He has also other records of lesser importance.

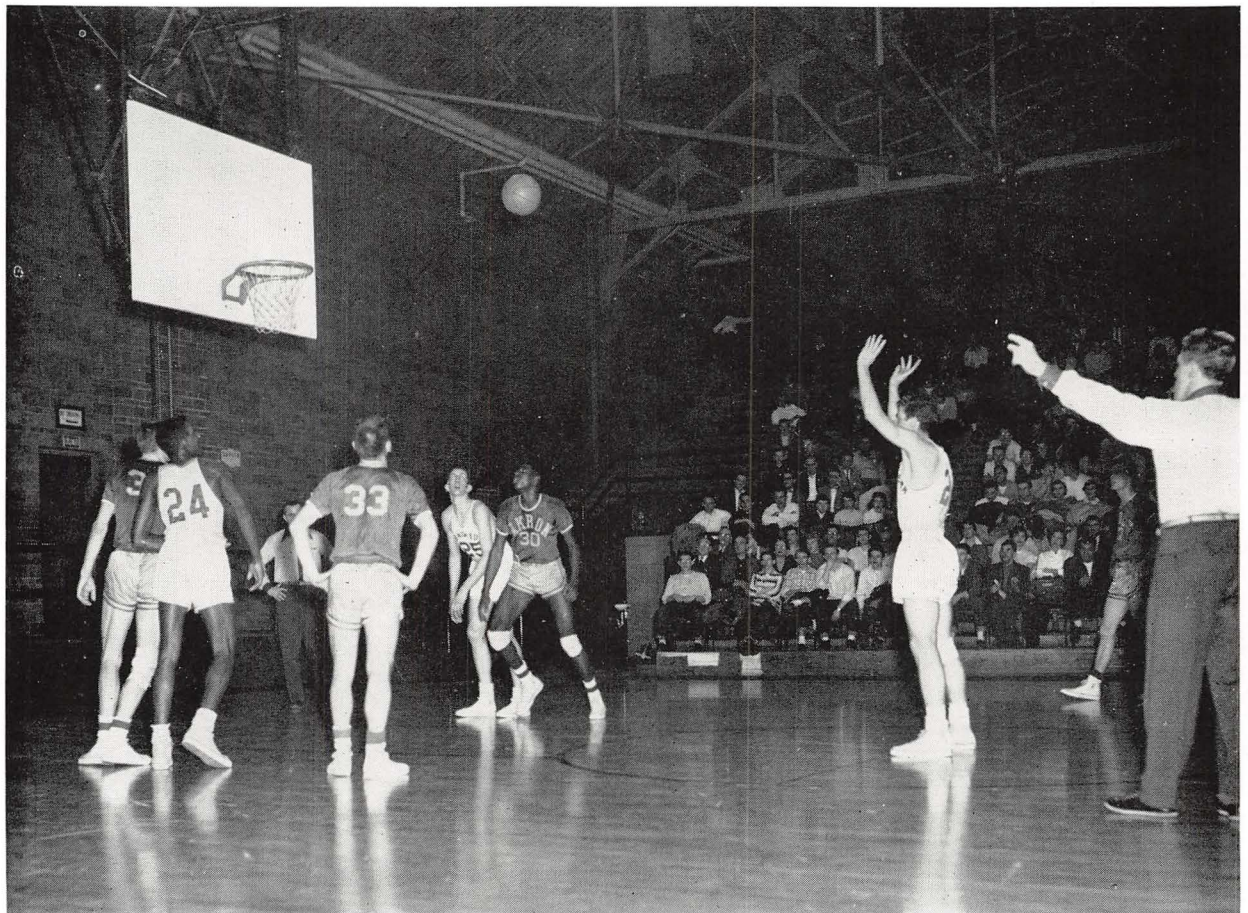

Near the end of the season a night was set aside to honor the great Farrell, Pa., athlete. He was presented a huge trophy from the Student Council, a record-player from the American-Italian Society in Farrell, and was commended for his academic work as well as his accomplishments in sports by President Howard Jones, of the University.

The school as well as the team will really miss Tony next year, and they wish him all the luck in the world. Congratulations and god luck.

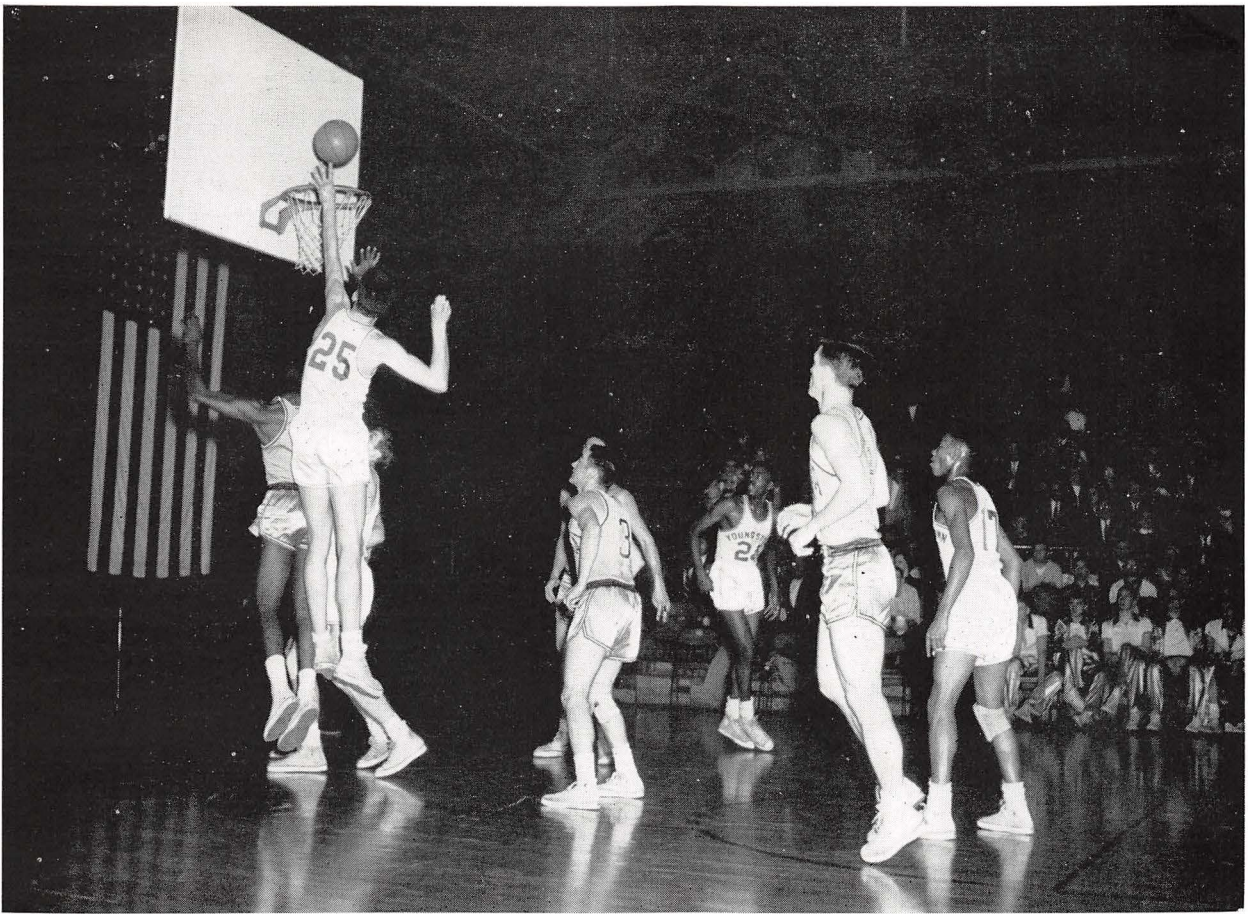

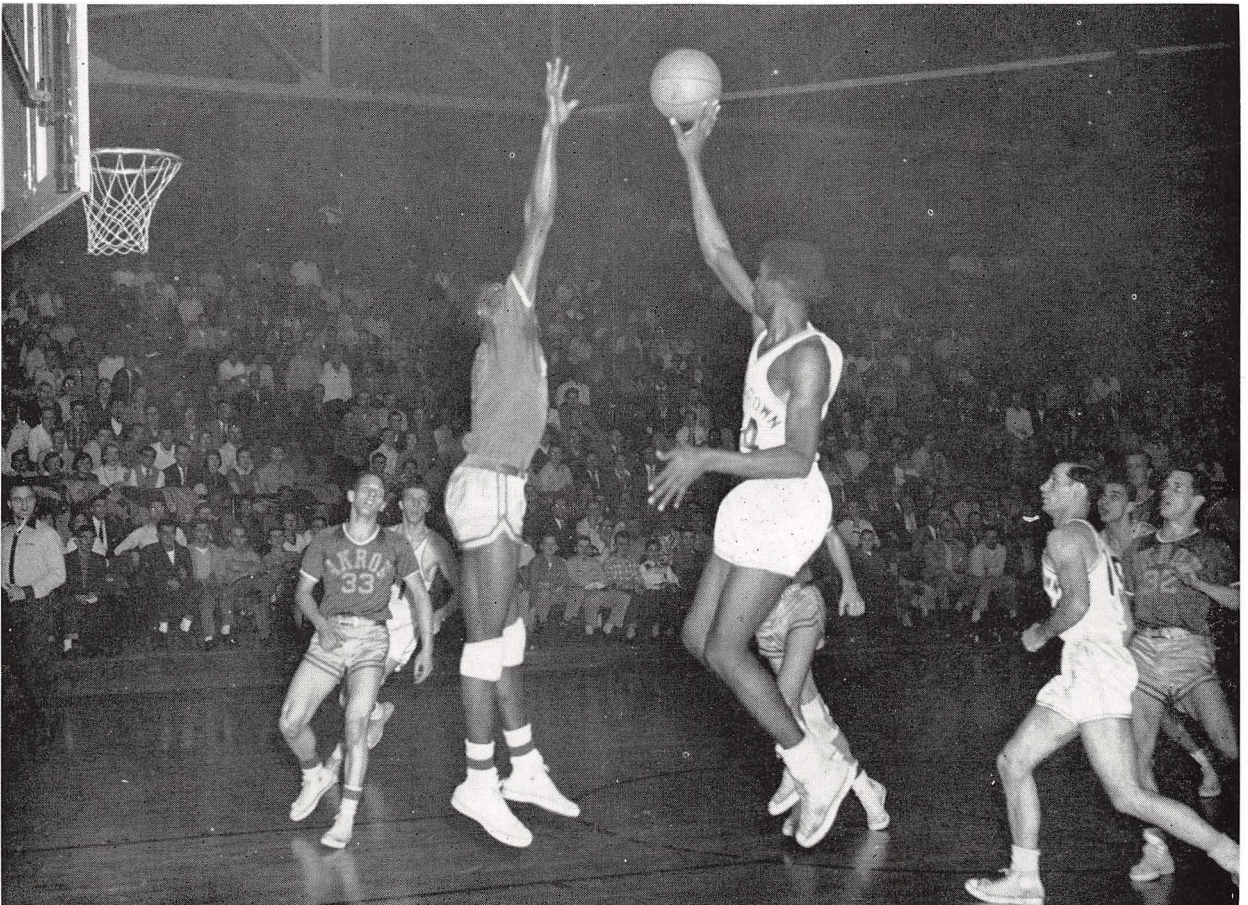

That familiar Tony Knott "jump-shot".

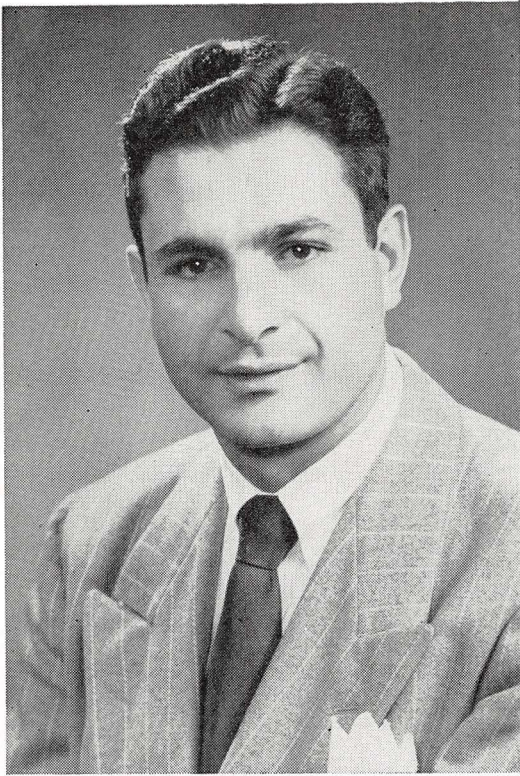

Bob Atterholt "toes the line".

Rangy Bob Mayberry shows how it's done.

Herb Lake, freshman sensation, gets two more.

TONY VIVO

Ticket Sales Manager

Penguin fans and students have known and admired Tony Vivo since his first association with Youngstown University as a student in 1936. He was a 4-year letterman on the Penguin basketball team, which he captained in 1938 and 1940. For two years, 1936 and 1937, Tony was top Penguin scorer.

In his high school days, Tony Vivo captained both the East High gridiron squad and basketball team for two years, 1934-35, and was selected an All-City end.

Tony is one of the best known valley sportsmen and civic leaders and is noted for his outstanding work with under-privileged youngsters. He is the Director of Boys' Activities and Summer Camp Director at the Christ Mission Settlement.

We salute Tony Vivo as he ends his tenth year as Ticket Sales Manager of the Penguin grid games.

JOE SHAGRIN

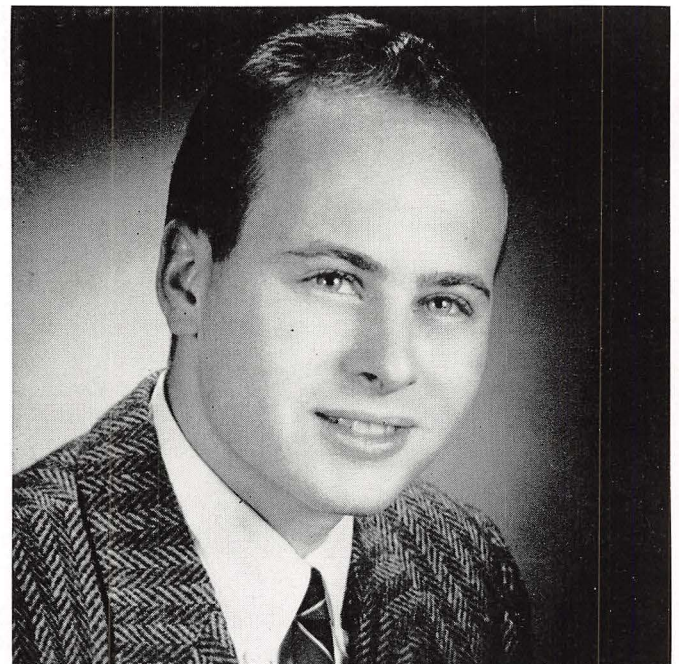

Athletic Publicity Director

Joe Shagrin has been the Athletic Publicity Director at Youngstown University for the past two years. For the same period of time he has also been the statistician for the football squad.

Besides these time-consuming activities, he has also edited the Football Programs and has been the Sports' Editor of the Jambar.

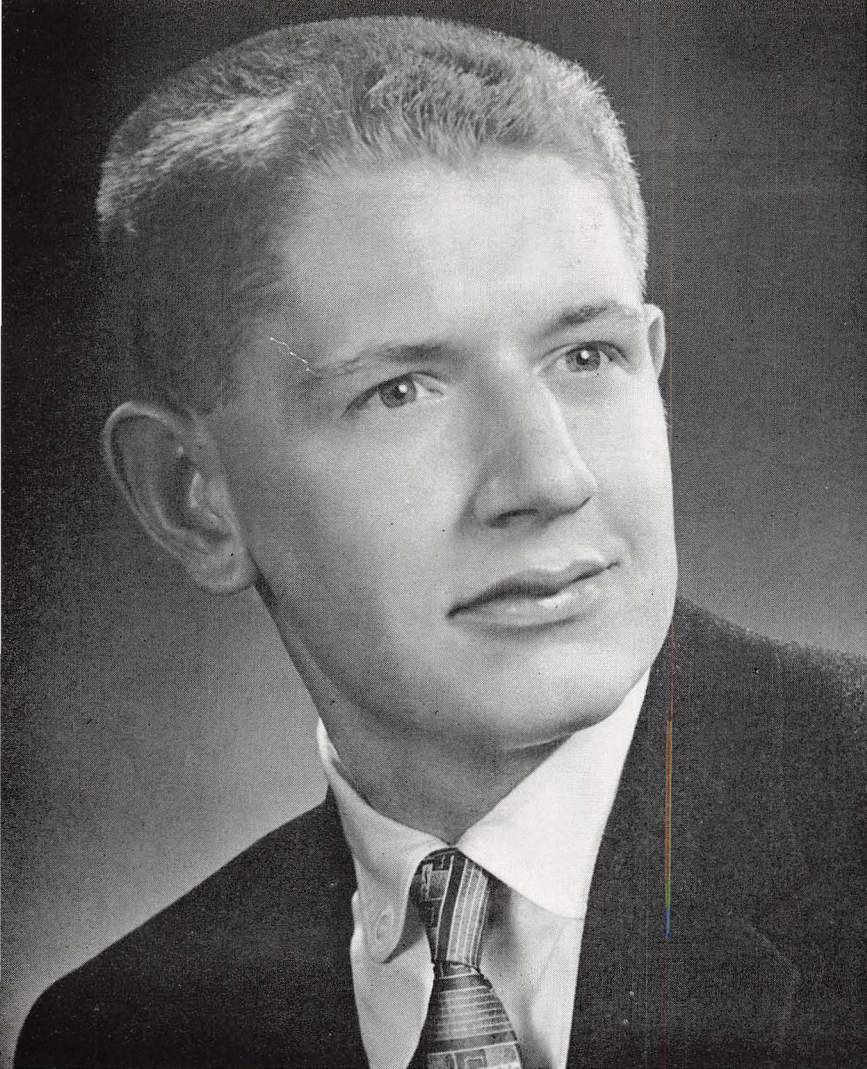

Joe has been assisted at home games by Charles Wagner and Bela Csejtey and by Bela while the Penguins were on the road.

Congratulations to Joe on the fine job he has done during his years at the University.

1956 NEON

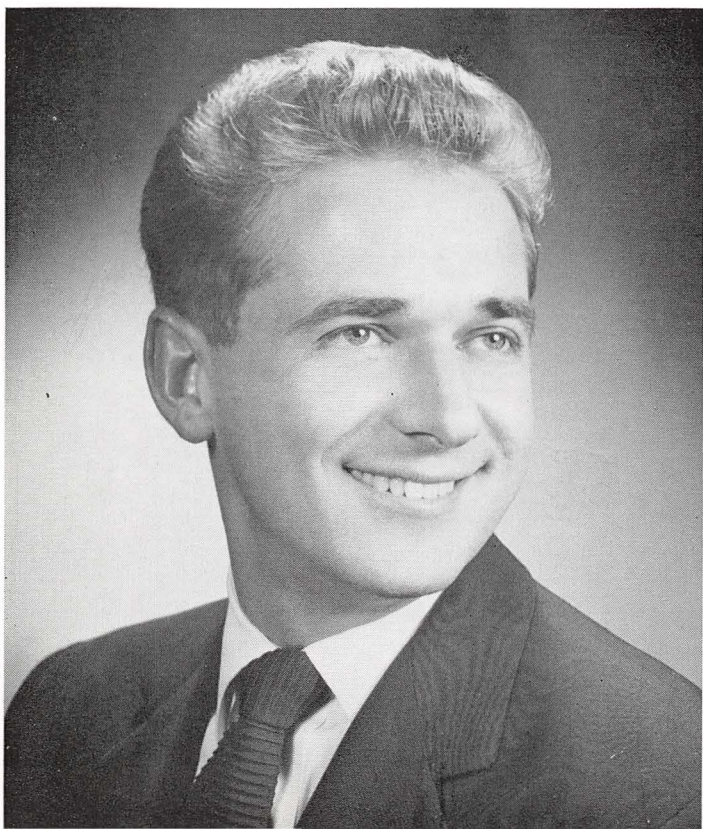

The editors thank sincerely all those who contributed toward the completion of this year's Neon. To mention but a few—Bill Livosky, the business manager who not only handled the Neon's business ably but assisted unselfishly in almost all the phases of the yearbook's production; Marv Jaffee, the advertising manager who accounted for the majority of ads personally; Pat Sfara, the dependable secretary who handled appointments and copy for the seniors; the art editors Jack Menosky and Alex Fedor, for their contributions; Carmen Leone and Andrew Jacobson, the associate editors who were instrumental in welding the organizational section together; Jack Chugden, the sports editor; Miss Vera Jenkins, the advisor; Mr. Pirie, the librarian for his cooperation and patience; Miss Boyer and Mr. Pickard for their sound conselling.

Within these pages we hope to have recorded accurately the first year of Youngstown University's existence. We tried to honor the past by dedicating the first Youngstown University Neon to the founding fathers of Youngstown College and by observing the 25th anniversary of the yearbook with silver on our cover.

Interfraternity Council is the supervisory and governing organization for all male Greeks at the Youngstown University.

Its membership is composed of a permanent and alternate delegate from each full time, day school, social fraternity he represents.

The council establishes and enforces all policies which are to be assumed by each member organization in all matters affecting the Youngstown University and its students. The council also promotes co-operation of its member fraternities, thereby decreasing friction and increasing their value to the University.

The council has become, in the words of its first advisor, Dr. Walter Mayer, head of the psychology department of the University "a supra-fraternity," which is a closely knit and powerfully functioning body that affects many phases of fraternal life.

AMERICAN CHEMICAL SOCIETY

SIGMA ALPHA IOTA

Sigma Alpha Iota is a national honorary and professional music fraternity for women. Alpha Nu is the local active chapter at the Dana School of Music, in Eta Province, having received its charter in 1945.

Active members are informed as to the chapters' activities throughout the nation by "Pan Pipes", a quarterly magazine.

The chapter annually donates a record of a contemporary composer's work to the Dana School of Music library.

Alpha Nu Actives have ushered at the Youngstown Philharmonic Concerts for the past two seasons.

There is a formal recital given every fall and in the spring an All American Recital is presented with the Phi Mu Alpha, Men's Professional Music Fraternity.

Annually the chapter entertains Mrs. Ruth Gould, the Province President.

Alpha Nu Chapter had a special distinction bestowed upon itself when last year's president, Mary Ellen Shaffer, received the

Leadership Award for Eta Province. This award is given to a chapter member who has excelled in fraternity service, scholarship, student activity, and personality. This was the first time that an Alpha Nu member had received the award.

O. S. P. E.

In order to instill in the engineering student integrity, and obligations maintained by professional engineers toward God and humanity, the state and his profession, the Ohio Society of Professional Engineers Student Chapter was established.

The Youngstown University Chapter of the Ohio Society is one of the finest of the eight chapters in Ohio. It is open to all engineering majors who have thirty or more credit hours. By its close affiliation with the parent society, the Mahoning Valley of Professional Engineers, and its active participation in the Ohio State Student Council, the Student Chapter develops a professional feeling among its engineers. Under the leadership of Wallace Grist, the Chapter featured many activi-

RELIGION IN LIFE

Religion in Life aims to minister to the religious, social and intellectual needs of Protestants, Orthodox Catholics and other interested students at Youngstown University. It offers a warm, Christian fellowship. The total program is supported by the Youngstown Council of Churches in cooperation with the University administration. Its purpose is fourfold: worship, fellowship, study and Christian service.

Chapel each Wednesday noon is usually held at St. John's until 12:30. Seasonal chapels, with classes excused, are featured at the beginning of the school year, at Thanksgiving, Christmas, Ash Wednesday and Holy Week.

The Religion in Life Fellowship combines a variety of activities and a well-rounded social and religious program for more than 400 students. Regular meetings are held on the first and third Sunday evenings of the month at First Christian Church, located near the University campus. The social calendar includes Student-Faculty Reception, Co-Ed Swims, Halloween and Christmas Parties, Roller Skating Parties, Annual RIL Banquet in February, Spring Party and Annual Picnic in June.

Bible Study Groups meeting in the second floor parlor of First Christian Church on Monday and Thursday noons are popular. Students bring their lunches while they share their noon hour informally with their friends in profitable Bible study and discussion. Coffee and tea are furnished.

The Religion in Life Caravan is dedicated to Christian action. Its several services include a community-wide devotional program over WBBW each week. Students interested in radio are urged to contact the Chaplain. The Caravan renders a deputation service also to the churches and youth groups in and around Youngstown. Devotional leadership and musical talent for these trips are usually of a high order. The Caravan sponsors Christian service projects also at Christ Mission and other centers.

Religious and personal guidance is offered the student as need arises. The Chaplain, Rev. Albert L. Linder, is available for counsel and assistance to all students who care to make an appointment. Students are encouraged to drop in at the Chaplain's office, number 24 in the Annex Building, for a chat or friendly visit.

MEETING

NEWMAN CLUB

Newman Club of Youngstown University is winding up its eighteenth year on the campus. The Club is a member of the Ohio Valley Province of the National Newman Club Federation. Bi-monthly meetings are held on the first and third Sunday of the month at Ursuline High School. Meetings are centered around the theme, "spiritual, intellectual, and social life."

Highlighting the religious functions of the year are the monthly communion breakfasts held at churches throughout the city. There is a weekly Rosary and Benediction on Wednesday noon at St. Joseph's Church, which is just a block away from the University.

The first annual "Fall Finale" was held last November at Stambaugh Auditorium. The pre-lenten season with the eleventh annual "Mardi Gras" Dance. The year was brought to a close with the May Crowning and Dinner Dance.

The Newman Club enjoys activities with district clubs. Each summer there is a picnic with the Newman Clubs from Akron, Kent and Cleveland. This aids the Newman Clubs to become better acquainted with the work of Newmanites in various districts.

The State, Regional and National Conventions are educational activities which broaden the scope of local Newman Clubs. Year by year the Newman Clubs benefit from these conventions—socially, spiritually, and intellectually.

Newman Club activities are for the benefit of any Catholic who has enough initiative to take advantage of the opportunities offered.

Alpha Tau Gamma Honorary Fraternity is the center of fellowship for accounting majors at Youngstown University. Monthly meetings, each with a guest speaker, are rich in information about accounting opportunities and way of utilizing those opportunities.

The major project each year is the Accounting Clinic held in April. A banquet is held, open to accountants and other interested people in the Mahoning Valley Area. Following the banquet, a panel of experts discuss accounting problems of current interest. Professionals and students alike enjoy this annual affair.

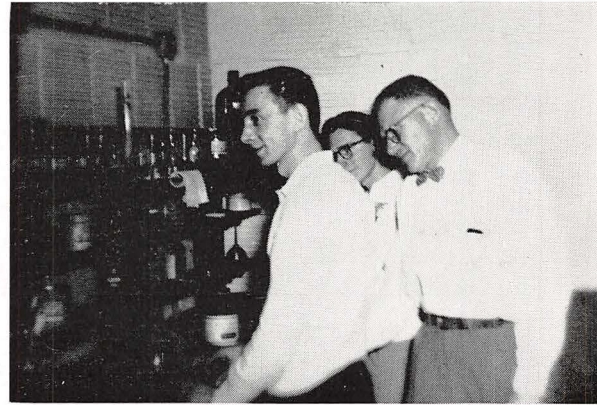

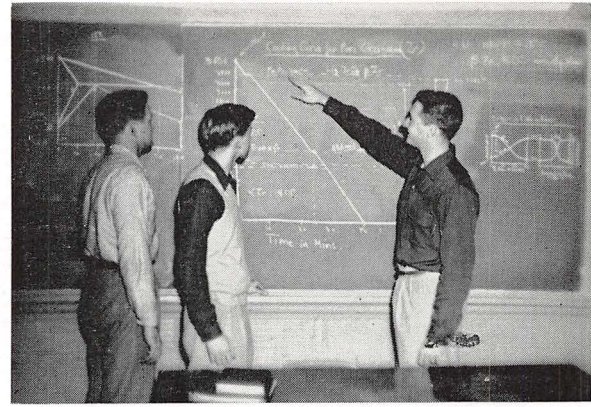

Two semi-annual Dinner Dances highlight the fraternity's social activities. New members completing 18 hours of accounting (with a 2.0 average) are presented with keys and graduating members are presented with scrolls. Alumni also participate in this fellowship.

WHO'S WHO

The Gamma Sigs new actives for the spring of 1955 were Kay Harmon, Maggie Latcheran, Rosemary Pecchio, Gloria Katula, and Madelyn Sweeny.

Other happenings in the spring of 1955 were Junior Prom attendant, Joan Pavlov; 1955 May Day Queen, Louise Sarville and 1955 Newman Club May Queen, Anna Mae Franko.

After an enjoyable week at the lake, the Gamma Sigs came back to school. Gay Wollitz was attendant to the Homecoming queen and again, as a standing tradition, we conducted a very successful mum sale.

Gamma Sigma was very well represented at football games with Joan Pavlov, as a majorette, and Cookie Korody and Helen Savic as cheerleaders. The Sadie Hawkins Day Dance brought Joan Bonpane into the spotlight with her leopard costume.

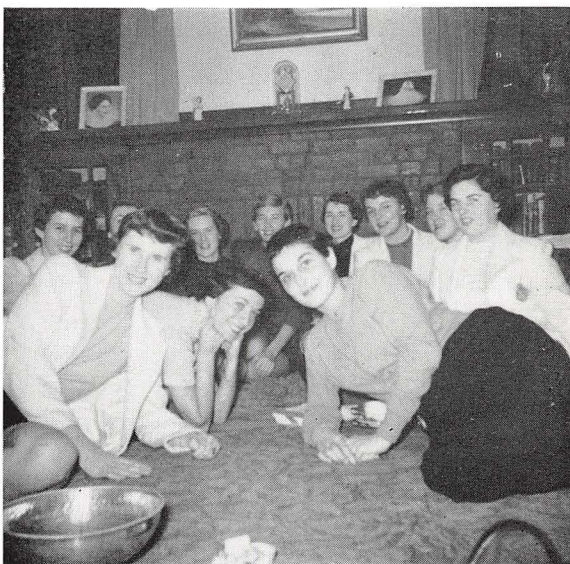

Loretta Liptak was Snowflake Frolic hostess and Helen Savic was Harvest Moon Queen of 1956.

SIGMA

Selected to Who's Who for 1955-1956 were Maggie Docherty, Alma Mackin and Joan Pavlov.

The busy yuletide season included our annual Christmas Date party, that was held at the V.F.W. in Struthers. Our adopted baby boy "Butch" had just celebrated his second birthday.

The Spring semester of 1956, started with Kay Harmon, being I.F.C. queen of 1956 and Joan Pavlov, attendant to the Mardi Gras queen.

The Gamma Sigs then looked forward to another successful rushing season.

Our gratitude goes to all officers and committee members for their well performed duties and a special thanks to advisors, Mrs. Mary B. Smith and Evelyn Downie, for their patient and intelligent guidance.

The cooperation and hard work of all the members has made this year one of the best for the Gamma Sigma sorority.

On December 13, 1955, the Delta Mu Chapter of Phi Mu National Sorority celebrated its third anniversary. The alumnae held a punch party and the chapter had a dinner during the Christmas vacation.

The year brought with it many happy memories, starting with a wonderful week at Geneva. Several girls attended football games at Ohio State University and visited their sisters at Upsilon Chapter.

Honors this year go to Janet Smeltzer, president of Alpha Pi Epsilon; Mary Ellen Conlin, secretary of Newman Club; and to Pat Emerine, vice-president of Pan Hellenic Council. Mary Jane Lewis and Lucille Elias were pledged to Alpha Pi Epsilon. Mary Ellen Conlin and Emily Casey were Drum Majorettes.

Congratulations go to Mary Ellen Conlin, who was a Homecoming Attendant; to Pat Emerine, a Snowflake Frolic Hostess; and to Emily Casey, an attendant to the I.F.C. Sweetheart.

This year brought an engagement ring to Dotty Dolan.

Phi Mu celebrated its 104th birthday on March 4, when it held a Founder's Day Banquet with its alumnae. The alumnae also had the annual Recognition Day Banquet in May. We rounded out the year with our Spring Dinner Dance in honor of our graduating seniors: Emily Casey, Dotty Dolan, Pat Emerine, Gerry Lewis, Janet Smeltzer, and Joan Sommer.

1st Row L. to R.: Dennis Katsaras, Dr. Fred Glenny, Albert Matzys, Gil Prokop, Bill Livosky, Dick Popson, Wendell Jones, Mr. Ben Yozwiak, Dan Donofrio.

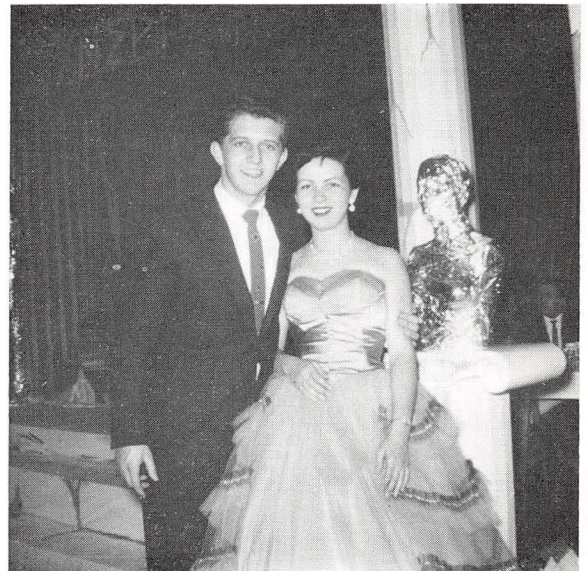

Nu Sigma Rho fraternity was chartered by twenty-five members in the fall of 1946. Prof. Bernard Yozwiak and Prof. Phillip Hahn served as advisors of the group.

The first and foremost purpose of the Nu Sigs is to uphold the principles of Youngstown University in its scholastic requirements; to promote better fellowship among the students and faculty, and to develop a broader social life for its members.

Row L. to R.: Chuck Koutsourais, Al Fedor, Jerry Kuzma, Mike Savko, John Kuhn, Fred Krollop, Herm Sostaric, Dick Moskosky, Bill Tassian, Bob Buccieri, Ray Melewski.

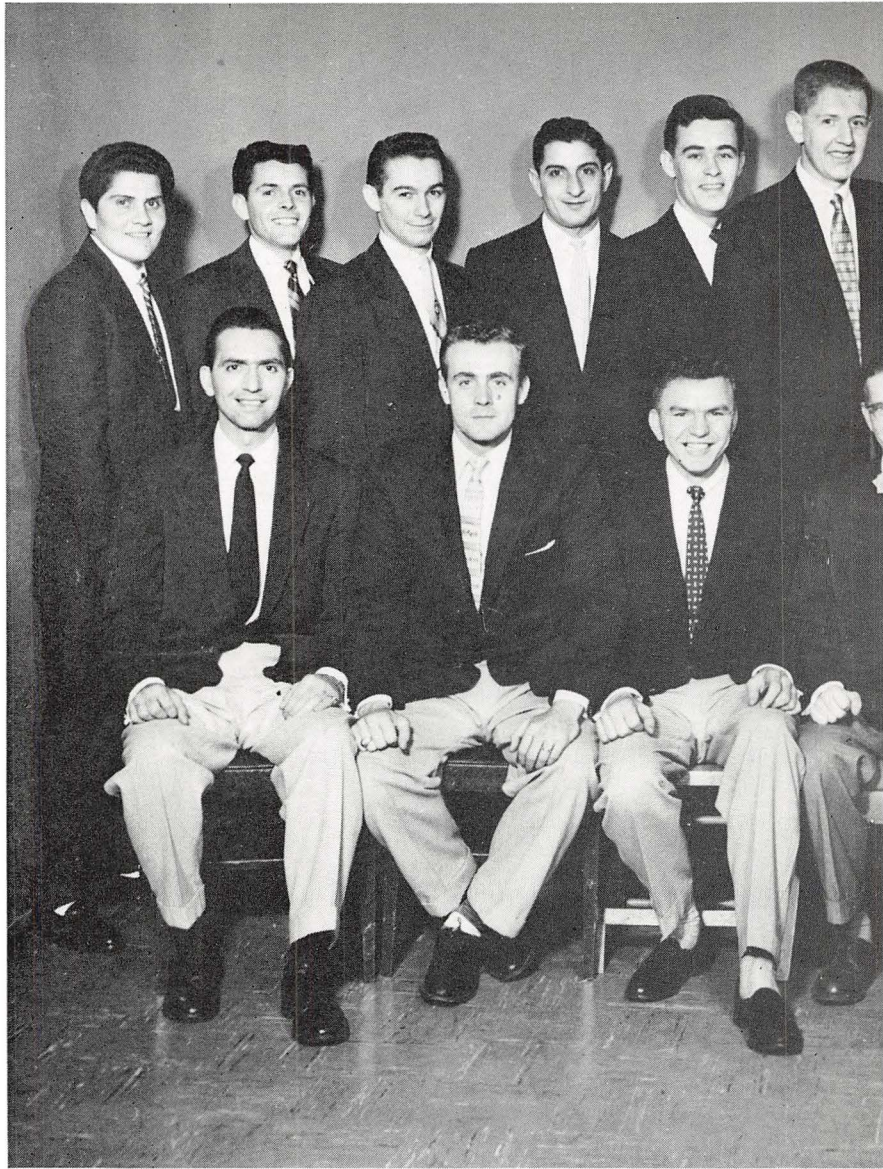

The primary social contribution is the annual "Pete Penguin Hop", which follows the last game of the football season and is one of the highlights of Youngstown University's social season.

The present advisors are Prof. Bernard Yozwiak, faculty member of the School of Engineering, and Dr. Fred Glenn, faculty member in the Biology Department. Under the capable guidance of the advisors and officers, the Nu Sigs have become one of the most recognized fraternities on the campus.

Some of the names which are well known on the campus are Chuck Koutsourais, past president and Co-editor of the 1956 Neon, and President Bill Livosky, Business Manager of the 1956 Neon and Secretary-Treasurer of the Interfraternity Council.

SIGMA DELTA BETA

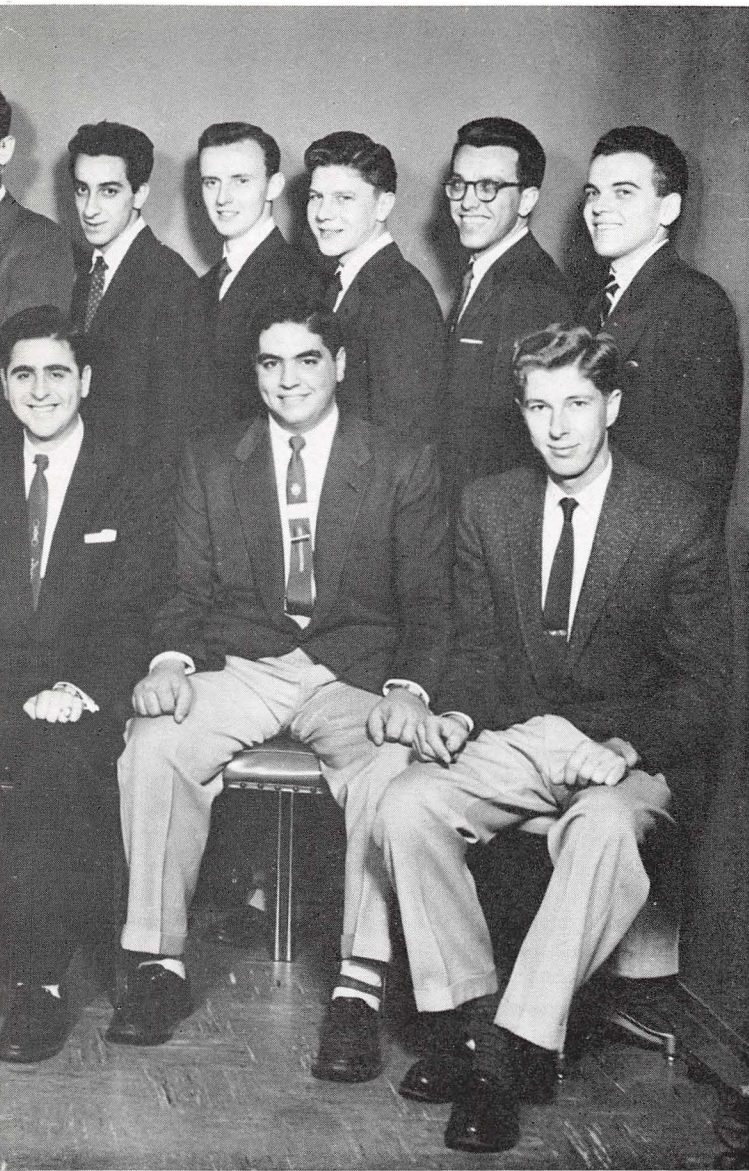

Sigma Delta Beta, founded in 1927 as a medical fraternity, is the oldest social fraternity on campus.

The threefold purpose of the fraternity—character, loyalty, and leadership—has kept its members in close harmony with the purpose of the university itself.

This year Chuck Zidian, John Grohovsky, Joe Nohra, Roy Willis, held the offices in the fraternity. Second semester Jack Cerimele replaced Roy Willis as Secretary.

The Sig Delt float helped promote the "Red Feather" campaign, for which the fraternity received an award from the city; our 15th Annual Christmas Dance was a great success.

Our brother Joe Nohra replaced Harry Fry, also a Sig Delt, as Treasurer of the Student Council. Ernie Bodo is also on the Council.

Chuck Zidian did a wonderful job for the Newman Club on the Annual Retreat. He was chairman.

Bela M. Csejtey took the leading hand in the developing and building of the award winning float. Bela also handled the publicity for the fraternity with the able assistance of Bill Dusch.

Best wishes to our capable officers, also to our advisor, Mr. Riley, who helped us immeasurably through the year and congratulations to our new brothers.

 John F. Schafer, Pledge Master.

PI BETA CHI

1st Row: l. to r., Ian McNabb, Frank D. Bogan, Frank D. Kohler, Robert Bucher, John Wayne Knable, James K. Bucher, P. P. Buchanan.
2nd Row: Bill Petrick, Thomas Furey, Mearl I. Butler, Jr., Rudd Beada, Paul Richardson, George Beelen, Stephen Mondroa, Robert R. Mondok, Don Seely, Randall Guttridge.
3rd Row: John Bradshaw, Richard Marsico, Robert Mazur, Ronald McDermott, Donald McDermott, Robert King, William Crownover, James Obermiyer, John F. Schafer.

Pi Beta Chi started off its eighth school year by affiliating in September with Tau Kappa Epsilon National Fraternity. Most of the school year was spent as pledges, for we were not initiated until May. Guidance was given by our elected officers and our able advisor, Mr. Philip Buchanan.

Before school, a gay week at Madison-on-the-Lake started the year. The fish fry with the Phi Lamb's is one of the many highlights which we'll long remember.

The January Jump was held on Friday, January 13th, but the old "No. 13" jinx was smashed for the dance was a big success. Bob Mazur and Bob Bucher were co-chairmen for the I.F.C. Sweetheart Dance which was enjoyed by all.

Thanks go to our student council representatives Don Seely, Bob Bucher, and Bob Mazur, and also to our interfraternity delegates Bob Bucher and Don Seely for doing such a fine job.

Congratulations also go to William Crownover, Jack Knable, and Ian McNabb for being elected into Who's Who.

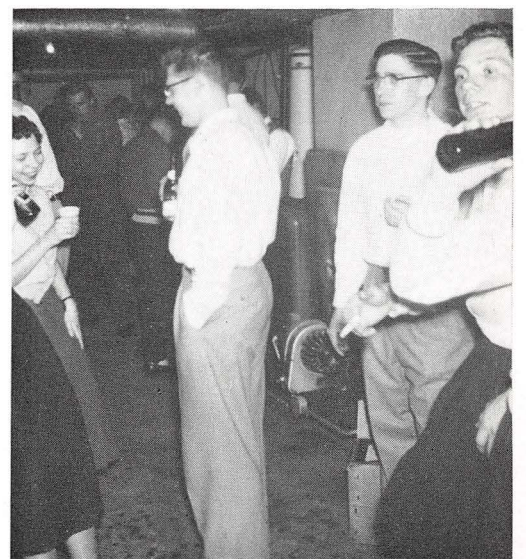

During the year, the fraternity held and enjoyed numerous stag and mixed parties, and two installation banquets. Our annual June Dinner Dance, in honor of our graduating seniors, ended the year.

SIGMA PH

SIGMA SIGMA

Officers: 1st Row: l. to r., Vice-President Dick Stebleton, President Jack Storey.

2nd Row: Treasurer Bill Voyzey, Advisor McKinley Browne, Secretary Karl Mogg.

The Sigma Sigma Fraternity, constantly striving for perfection in its purposes, observed the school year maintaining its old traditions and ideals.

When vacationing at the beach, the fraternity entertained sixty representatives of Youngstown's four sororities at a buffet supper.

In late September, the brothers announced the candidacy of Miss Gay Wollitz of the Gamma Sigma sorority for Homecoming Queen. A lavish campaign followed, adding much to the colorful Homecoming activities. The fraternity constructed a beautiful float. In caricature was presented a huge penguin swatting at a yellow jacket, keeping in harmony with the central theme of the ceremonies.

The Harvest Moon-Thanksgiving Dance, the New Year's Eve Ball, the IFC Sweetheart Ball, were among the social events which the fraternity enjoyed.

Sigma Sigma again entered intramural and inter-fraternity sports in both baseball and basketball. A large percentage of the fraternity turned out and displayed the courage and sportsmanship so typical of the brotherhood's competitive attainments.

1st Row: l. to r., Nicholas T. Billett, Frederick C. Redman, Dick Stebelton, Robert E. Fitch, Jack Storey, McKinley Browne.
2nd Row: Thomas Lavin, Bill Metzler, Paul Anstead, Bill Voyzey, Renny Domini, Jack Chugden, John K. Nierlich.
3rd Row: John Martinko, Tony Cougras, Paul Kennedy, Richard Mershimer, Karl Mogg, Carl A. Vennitti.

KAPPA SIGMA

1st Row: l. to r., William S. Flad, Faculty Advisor, Harry Joyce, Jim Corbett, Edward Tragesser, Don Bergman, Joe Schiffer, Edward E. Vanivk, James Mangie.

2nd Row: William J. McCabe, Lee Crisan, Tom Yazvac, Bob O'Neil, Ray Baker, Paul Malenky, Richard Griffiths.

Kappa Sigma Kappa's main objective is to achieve the full meaning of the word fraternity. This embodies the constant striving by all members toward the objectives which follow:

Increased development of harmony between fraternities and sororities through increased attendance at all Greek sponsored dances, at stag parties with other fraternities, and at joint parties with sororities (such as those enjoyed with Phi Lambda Delta and Gamma Sigma).

Participation in intramural sports, which shows concern for the development of a happy, healthy and competitive student body. In this regard this is one of our better endeavors.

APPA

3rd Row: Fred L. Nebot, Jim Nagy, Chuck Britton, Chuck Lehnerd, Ray McCullough, Frank Di Giacomo, Joe New.

Officers: I. to r., Richard Griffiths, Sergeant-at-Arms; Frank Di Giacomo, Treasurer; Robert O'Neil, Secretary; Harry Joyce, Vice-President; Ray Baker, President.

We emphasize concern between brothers for the improvement in scholarship of all our members, thus promoting true comradeship.

Party success was best exemplified by our annual New Year's Eve Party, planned on a magnificent scale and enjoyed immensely.

Development of even greater cooperative effort among members can be seen in the success of our annual Sadie Hawkins Dance.

The reward for good effort at the end of a successful year is realized at the annual Dinner Dance. There, amid the warmth and pleasantries of brotherhood, we are strongly aware of the satisfaction derived from fraternity life.

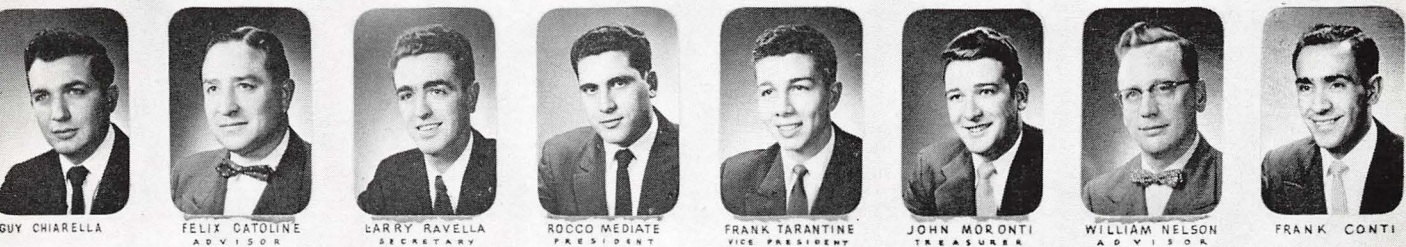

Alpha Phi Delta

Alpha Phi Delta Fraternity has again, for the third year, been very busy on campus. After the excitement of holding its first district convention, the boys settled down to work.

The coping of the first prize in the Homecoming Float contest showed that the men of Alpha Phi Delta are competition conscious and will strive for more first prizes. Another big event for the year was the fraternity's part in the Library Drive. Along with conducting the Organizational part of the drive, the boys held a ribbon dance with the W.A.A. and made an independent contribution to the Library.

Rush parties, sorority-fraternity parties, mother-son party, chapter-alumni parties, annual Valentine's Dance, and our annual dinner dance kept our social co-chairman, Don Nolfi and Larry Mirto quite busy.

Our congratulations and best wishes to the men of Alpha Phi Delta who will be graduated in June. May they serve their community as well as they served our fraternity.

The AIEE Student Branch Chapter was chartered in the spring of 1955 with these objectives: to foster those qualities needed by the engineer which are not fully cultivated in the classroom and to bring to the electrical engineer opportunities for social, technical, and literary bonds with his classmates, instructors, and graduate engineers.

In the past year many outstanding talks have been presented to the group by professional engineers. Field trips were made to several industries pertinent to the electrical engineering profession.

The local chapter is closely affiliated with the National Society—the largest engineering organization in the world. It was brought to the campus through the efforts of Mr. Klingshirn, the chapter's faculty counselor, and Harry Fletcher, the Chapter Chairman.

ADVERTISERS

The advertising section of this book is really a list of those concerns and individuals that are interested enough in Youngstown University and in its institutions to have their names appear here and thereby identify themselves as contributors to the financial success of this publication.

The NEON wishes to thank them for their patronage and asks its readers to remember these firms and merchants as loyal university supporters.

So near is grandeur to our dust,
So nigh is God to man,
When duty whispers low, "thou must,"
The youth replies, "I can"!

You're lucky, graduate! Not just because you've finally finished a prescribed number of years in school, but because you're graduating into the midst of a thrilling era.

It's an era filled with the excitement of nuclear energy and split level houses, of political struggle and miracle fabrics, of automation and frozen dinners.

And what of the coming years as you take your place in the business world? No soothsayer, we venture, would care to make predictions of the future.

But this we know most surely. Yours are the hands that will shape the future. Yours are the hands of parents and teachers, of statesmen, of artists and scientists. Each of you holds the future of our country in his hands. Meet the challenge! Mould the future firmly into a heritage you'll be proud to pass on to the thousands of college graduates who will follow you next year and every year.
