A VISION

We dedicate this, the 17th edition of the Neon, to the new Youngstown College Library. The proposed building now in the process of construction on the northwest corner of the campus will be accomplishing a threefold purpose.

SOON A REALITY

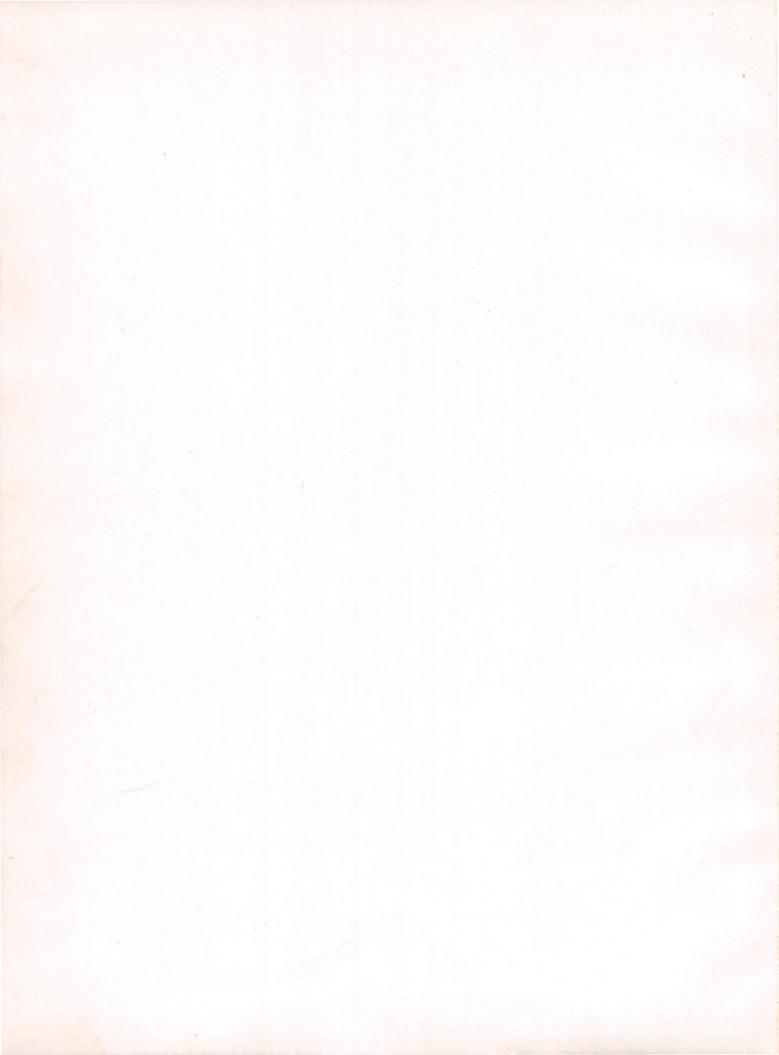

First and foremost is the increased facilities which will benefit both the teacher and the student. The second and most definite accomplishment will be our forward step toward University status, and third this building will most certainly add to campus beauty.

We also take this opportunity to thank President Jones for making this college dream a reality. Without his active interest and participation in this great project it would perhaps still be a dream.

FRESHMAN CLASS

Crisp weather, Homecoming, football and a new crop of bewildered freshmen are the various aspects peculiar to the first semester and fall season. Autumn ushers in these activities and acquaints all students with them.

MAIN ENTRANCE

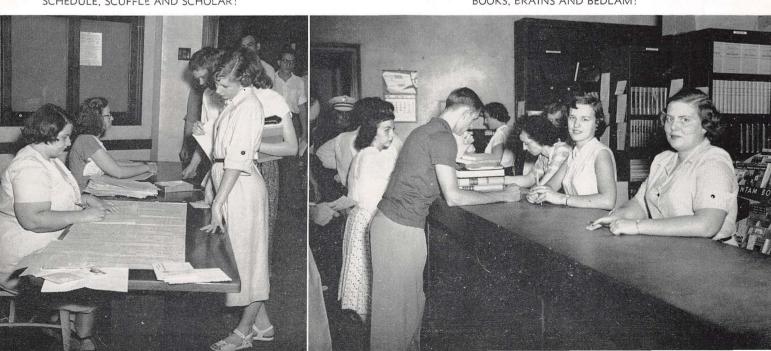

Mr. Philip Buchanan has a wise, all knowing smile of approval on his face as he serenely looks over the milling crowd of students who are registering. Behind that smile lies an easy and ready acknowledgment of old students, transfer students and freshmen students; all a bit bewildered by the efficiency which he, as chief of registration, has established to make the task a little less tiring.

Football games, resounding cheers, energetic cheerleaders, and marching bands: all are typical of the fall semester and as much an educational factor as any academic field. College life isn't all work and no relaxation, but a combination and balance of each. Youngstown College realizes this. Every time you hear a cheer bursting forth—"Go, YoCo"—remember it is not only applicable to the game but to the progress YoCo is making as a school whose main purpose is education and a well-rounded program for an integrated social life. The games, the cheers, the school spirit of the crowd helps to achieve this purpose!

RUTECKI MISSES ONE

Youngstown 6 Lejeune 19

Camp Lejeune made the most of its breaks to score and registered touchdowns in each of the last three periods, while alert defensive play kept the Penguin offense stymied.

Bob Housteau intercepted a leatherneck pass in the final quarter and raced 62 yards for Youngstown's only score. The Penguins out-rushed the Lejeune team but were unable to cross the goal line. Ralph Goldston had as many yards rushing to his credit as the entire Marine team.

Defensively, Leo Coughlin, α line backer, and John Boliver, an end, were standouts for Youngstown, while Ralph Goldston was the offensive show. Augie Yahn, former Penguin now playing with the service team, was easily the game's outstanding lineman.

Youngstown 10 John Carroll 6

Storming from behind in the final quarter the Penguins staged a sustained drive to march to their initial win of the season in the Youngstown home debut.

When the Youngstown offense bogged down in the first quarter, Felix Rutecki entered the game and booted a field goal to give the Penguins a lead that they held until the third quarter. It was in the third period that the John Carroll offense got rolling and scored the visitors' only touchdown.

In the final quarter the Penguins came roaring back to stage their touchdown drive and go ahead to stay. Bob Housteau and Ralph Goldston ran the ball down near the enemy goal line. Housteau faked a plunge into the line and Goldston passed to end John Boliver in the end zone for the score. Rutecki kicked the extra point.

Youngstown 7 Dayton 27

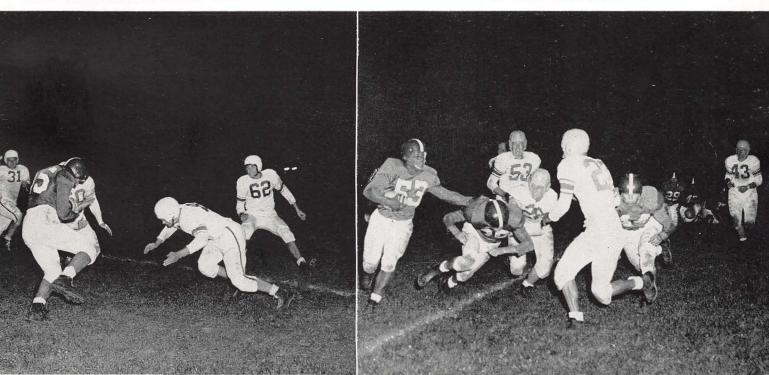

A husky Dayton line looking much like a granite wall almost throttled the Penguins' offensive efforts. Youngstown's only tally came late in the game when Ed Nogowski, substitute fullback from Pittsburgh, intercepted a pass and scampered 34 yards for a touchdown. Felix Rutecki kicked the extra point.

The Flyers continually took to the air to pierce the Youngstown defense. Meanwhile, the Dayton line was rushing through to hurry Dokmanovich, the Penguin passer, and smothering the running plays before Ceremuga or Goldston were able to break into the clear.

Leo Coughlin's sensational line backing featured for Youngstown, whose only satisfaction came in the fact that Dayton's leading ground gainer went nowhere through the Penguin defense.

GOLDSTON STOPPED COLD

GOLDIE BREAKS AWAY

Youngstown 0 Xavier 48

Xavier University's mighty Muskies ran roughshod over an out-manned and out-weighed Youngstown squad. Shorn of Goldston's running and Dokmanovich's aerials, the Penguin offense was impotent and failed to notch a first-and-ten in the first half.

Thom Culkar, Leo Coughlin and Ed Nagowski played a sterling defensive game but the Penguins wilted before the weight superiority of the Muskies, who gradually overpowered the light Youngstown team.

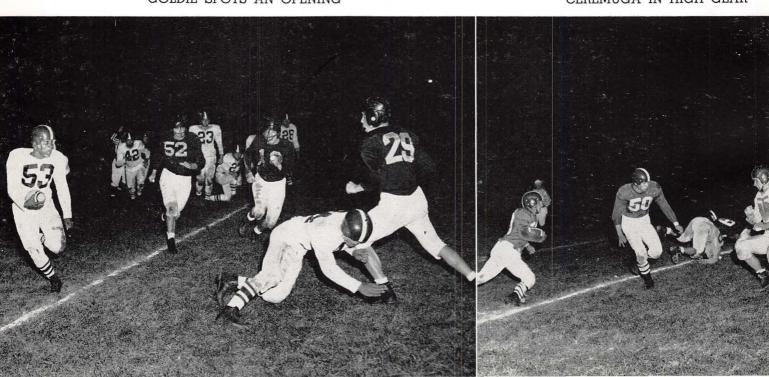

Youngstown 27 St. Francis 7

Boliver and Pezzuolo caught touchdown passes and Ceremuga sprinted for two touchdowns, and Rutecki converted three extra points as the Penguins trimmed Saint Francis, 27-6, to maintain their perfect record through 11 homecoming contests.

Ceremuga, Housteau and Goldston paced the YoCo attack, while tackle Bob Garcar, end Thom Culkar, linebacker Leo Coughlin and guard Lou Chiaro sparkled on the defense.

GOLDIE SPOTS AN OPENING

CEREMUGA IN HIGH GEAR

YOCO STOPS THIS ONE

oungstown 19 Baldwin Wallace 33

The Penguins displayed adequate punch but little staying power as Baldwin-Wallace scored their first victory over Youngstown in a long gridiron history. Early in the game, the Yellow Jackets trailed by two touchdowns, only to come roaring back and forge ahead when they kicked the extra point that Youngstown had missed.

The Penguins went ahead just before the half-time but the Jackets scored three times in the last half to go ahead to stay. When the Baldwin-Wallace "aerial circus" was sidetracked by numerous Penguin interceptions, the Jackets stuck to the ground to grind out their victory.

BONNIES NEAR SCORE

Youngstown 6 St. Bonaventure 39

With their offensive stars sitting on the bench hobbled with injuries, the Penguins seemed to have left their defensive gems at home as St. Bonaventure routed YoCo, 39-6, in the face of strong winds, freezing temperatures and a second half snow storm to gain sweet revenge for the time Youngstown spoiled the gala dedication ceremonies when the Bonnies built their new stadium in 1946.

Youngstown scored first when Boliver punted and the Bonnie safety man fumbled when Russell Oates hit him with a jarring tackle. Schaville recovered for the Penguins and two plays later went over for the touchdown.

From there on it was all St. Bonaventure for the boys from Olean scored twice in the first period, three times in the second quarter, and once in the last frame.

Youngstown 0

Bowling Green 20

Three long drives paid off in touchdowns and enabled Bowling Green to defeat the Penguins 20-0.

Fred Durig, the nations' top small college ground-gainer, registered the First Falcon touch-down and carried the brunt of the attack throughout the game.

Youngstown took to the airlanes in the second period but failed to make the necessary yardage as the half ended.

The first time the Falcons got possession of the ball in the third period they drove for a score. Durig set up the tally with a long gallop. Henry Pezzulo halted the hard running Durig on the three yard line but Dick Pont cracked the center of the line twice to score.

The final drive was climaxed by a pass play to Durig. In attempting to elude the Penguin defense he deflected the ball and it was caught by Larry Schreck for the third B-G touchdown. Halfback Ralph Goldston had a recurrence of a leg injury and had to be carried from the field early in the third period and from there on the Penguins failed to threaten the Bowling Green goal line.

Youngstown 13

Mount Union 13

In the waning moments of the ball game as the cold and rain settled over the mud-covered gridiron of Rayen Stadium, Youngstown College's determined gridders staged a drama-laden finish before their chilled but hysterically happy fans to tie Mount Union's Purple Raiders, 13-13.

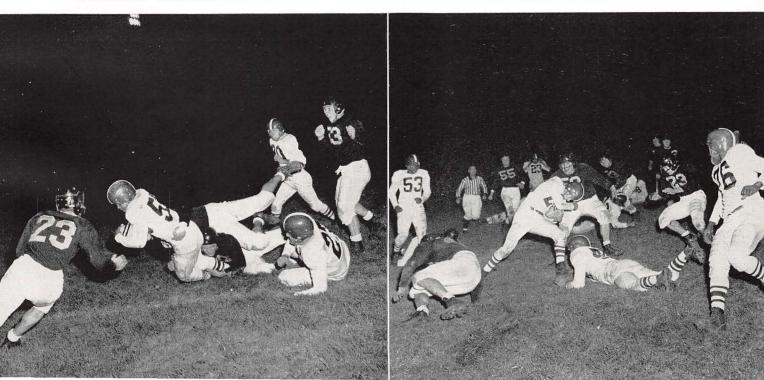

Half-time found the Penguins on the short end of the score but after the intermission it was all Youngstown. Pat Connelly snatched a Raider bobble in mid-air and rambled for the first YoCo touchdown. Then with about a minute and a half left in the game the Penguins caught fire and put on a stirring finish that will long be remembered.

Starting from their own five-yard line, Goldston, Housteau and Ceremuga moved the ball to mid-field. Then on a pass to Boliver in the end zone interference was detected by the officials. The clock had already run out but the rules permitted Youngstown one play. Schaville carried the ball and cracked over for the touchdown. The try for the extra point was wide and it was a tie game.

Six seniors, Ralph Goldston, Felix Rutecki, Jim Jarvis, John Boliver, Bob Housteau and Pete Finamore wound up their collegiate careers.

GOLDSTON KNOCKED DOWN

HOUSTEAU GOING NOWHERE

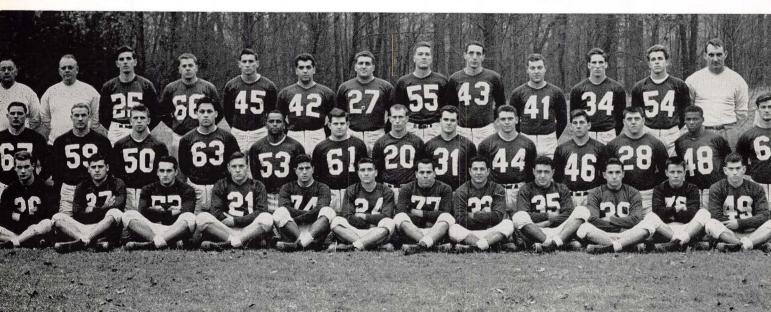

In recounting the details of the past season, there are many things that must be omitted because of lack of space. Things like the dependable punts of John Boliver; the unspectacular but steady line play of Tom Andres; Bob Lynn's great play; Angelo Pezzuolo's development into a great offensive end; the shining play of terminal Bob Garcar; the very steady and almost unnoticed work of vital quarterbacks Ralph Goldston, George Ceremuga and George Dokmanovich; the hard running of Francis Schaville, Lou Chiaro, probably the smallest lineman in college football, and many, many more.

Credit must go, of course, to the fine work of the coaching staff. Headed by "Dike" Beede, the remainder of his staff, Dom Rosselli, Walt Malys, Willard Webster and Ralph Wolf, who drilled, worked, sweated and scouted for the season.

The outlook for the future is quite a bit brighter than it has been for some time in the past. There were only six seniors lost this year through graduation and the freshmen have been made eligible because of the manpower shortage.

Coach Beede has predicted an upsurge in the football fortunes of Youngstown College for next season. The road back has been marked with delays, defeats, disgrace, disgust and discouragement, but we're coming back. A warning of things to come was sounded in the brilliant climax of the season when Mount Union felt the pent up energies of a fighting Penguin squad.

Youngstown College's Homecoming celebrations marked its 11th annual appearance on the college campus with a two-day festival from October 19 to October 20.

Chairman Leo Sainato inaugurated the celebrations on the first day with two rallies, a parade of floats, and a stag dance in the school auditorium.

On the second day a colorful half-time ceremony found Marilyn Dunn crowned queen, Mark Markos, the first Homecoming king, and the Sig Delt float gaining first prize.

With another victory added to our school's Homecoming record, students, alumni and guests retired to Stambaugh Auditorium for the big dance.

FRESHMAN..

Thanks to the generosity of the draft boards, Youngstown College was again overflowing with eager but bewildered freshmen.

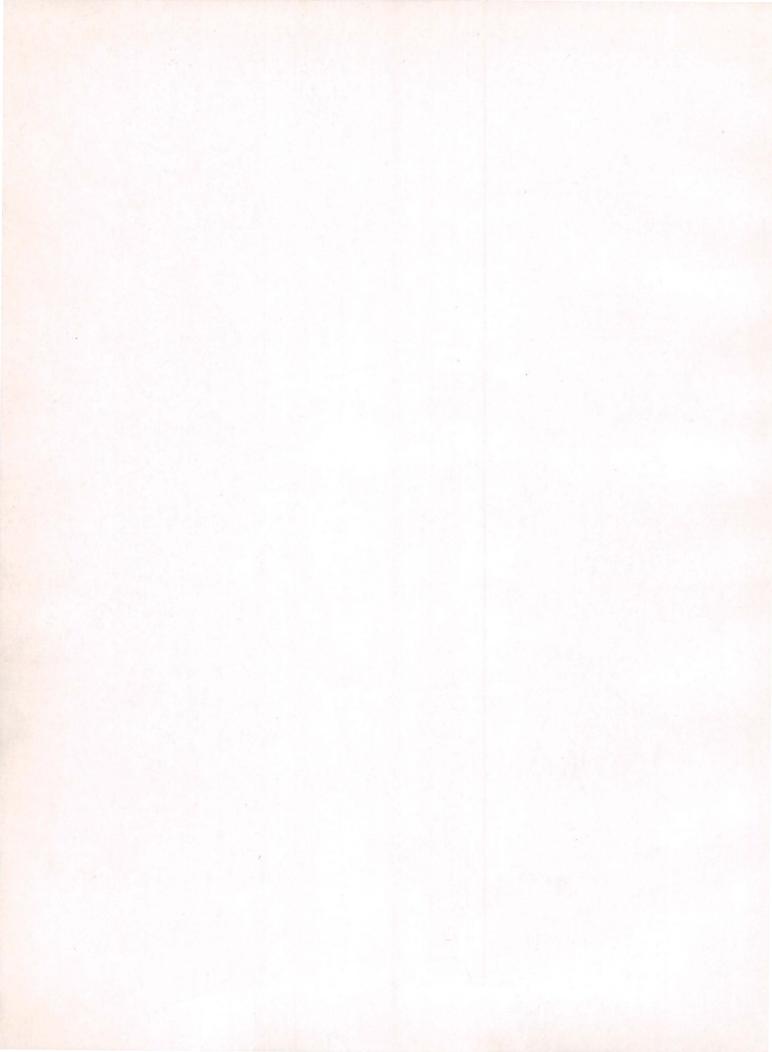

After a short period of adjustment to college life, these frosh, in keeping with YoCo's freshman tradition, provided the usual energetic school spirit.

In October, the freshmen celebrated their annual "Freshman Breakfast" with upperclass guests at the Pioneer Pavilion in Mill Creek Park.

Keep a watchful eye directed toward these frosh. Their talents adequately displayed in studies, sports and extra-curricular activities give indication of another exceptional class.

Alhpa Mu

Alpha Mu is an honorary advertising and merchandising fraternity founded in February, 1949, by students sincerely interested in the advancement of sound merchandising and advertising ethics.

Prominent businessmen have appeared as guest speakers at various meetings, giving the practical side of business, thereby imparting greater understanding of the problems which confront the businessman today.

The fraternity's activities reached a climax at the end of 1951 when a formal installation banquet was held at the Boardman Country Club at which 25 new members were admitted. The President of Youngstown College, Dr. Howard E. Jones, was the distinguished principal guest speaker.

R. BETTS, S. PACHAN, A. SEBASTIANO, G. HURTUK

One of the fraternity's new projects for 1952 is an alumni paper to be sponsored jointly with another local fraternity. This will give the alumni an opportunity to be well versed on fraternity and college activities.

Sincerest thanks to our able advisors, Dean Robert L. Miller, of the Business Administration Department; Professor William Flad, of the Advertising Department, and Professor Mc-Kinley Browne, of the Merchandising Department, for their splendid cooperation shown throughout the year.

Art Club

The dual purpose of the Art Club is to stimulate an interest in and an appreciation of art as a cultural medium and to encourage self-expression through active participation in club activities.

Several displays of famous works are brought to the school each year for study by the students. Besides many interesting projects, an exhibit of Youngstown College art is shown at the Butler Art Gallery each year during May. The works are judged by a famous artist and speaker.

Alpha Pi Epsilon

Ready and raring to put "Others Before Ourselves", our first year has been a busy and successful one. We started off with able Prexy Josie Frazzini handling the chairmanship of the Freshman Women's Tea. Then came the Freshman Breakfast and the Jester's Ball with co-chairmanships for Alpha Pi.

Meanwhile, we've served on the refreshment committee at the Student Council Stag Dances, the Homecoming committee and the Neon staff. We got into the Christmas spirit by helping the A-Phi-O's with their yuletide decorations. Our everyday jobs are delivering the student mail and collecting sales tax stamps.

ROW 1: MRS. DOBRICH, J. FRAZZINI ROW 2: C. BESTIC, R. BUCCIERI, C. CLARK

We've been busy in school activities, too! We have five members serving as class officers, four members in "Who's Who" and four members in Student Council.

By way of recreation we enjoyed ourselves at a slumber party, a square dance, Christmas party and three picnics.

For a year so filled with activity and success, we salute our officers with a "well done", our advisors with a "thanks" and our new members with a hearty "welcome."

Alpha Phi Omega

Epsilon Phi chapter of Alpha Phi Omega, national service fraternity, has been active at Youngstown College for five years. Epsilon Phi patterns itself by the three principles of leadership, friendship and service.

During 1951, the chapter has been very active in carrying out its many service projects. The outstanding project of the year was the re-finishing of the two main driveways, the entrances off Lincoln Avenue and Bryson Street leading into President Jones' private driveway.

The material for the project was donated by the Boardman Roofing Supply Company.

On Campus, Epsilon Phi handled the various drives, one of which was the Harkins fund.

ROW 1: H. R. CRITES, G. GLOSSNER, B. BROTHERS, J. GENOS

ROW 2: E. BYERS, J. IATI, J. McGINTY

Once again at Christmas the fraternity, with the help of the service sorority, Alphi Pi Epsilon, decorated the school and set up a Christmas tree in front of the main building.

The annual Food-for-the-Needy Campaign was a big success, as over 2,000 cans of food were donated by various organizations. The principal donator was the Kappa Sigma Kappa fraternity.

On March 29, the fourth annual Jester's Ball was held at the Elms Ballroom. This successful dance may be attributed to the two chairmen, Marilyn McCallen of Alpha Pi Epsilon Sorority and Bob Anderson, of Alpha Phi Omega Fraternity.

A-Phi-O manned the refreshment booths for the Yocohooey Variety Show and the Youngstown College Style Review in which all proceeds went to the Library Fund.

These are but a few of the many service projects carried out by Epsilon Phi.

In Memoriam

At the last, tenderly,
From the walls of the powerful fortress'd house,
From the clasp of the knitted locks — from the keep of the well-closed doors,
Let me be wafted.
Let me glide noiselessly forth;
With the key of softness unlock the locks — with a whisper
Set ope the doors, O soul!
Tenderly — be not impatient,
(Strong is your hold, O mortal flesh!
Strong is your hold, O love.)

Alpha Tau Gamma is an honorary fraternity composed of students majoring in accounting. Membership requirements include a 2.00 average in accounting and a 1.75 overall average.

Meetings are held each month at which the alumni are invited to participate. Guest speakers acquaint the members with current problems in the accounting field.

The fraternity sponsors a semi-annual accounting breakfast that is held at Mill Creek Park for all Business Administration students. Other activities include a semi-annual dinner dance at which members of the fraternity are awarded keys if they have completed 18 hours in accounting, and scrolls are

awarded to graduating seniors. One of the events that takes place annually and which we are very proud to present is the "Accounting Clinic." It consists of a banquet and a discussion by a panel of experts in the accounting field. Much practical knowledge is gained by those who attend this event.

Drama Guild

One of the most progressive and active groups on campus, and sponsors of many student projects, the highly recreative Drama Guild looks back on a year of great achievement. Under the guidance and counsel of Professor Wilfred M. Foley, these Hams and Hamlettes rebounded from a truly inspiring success in Yocohooey '52, and never stopped bouncing the rest of the year. Following that annual Fall classic the D.G. accomplished the following: Originated and co-sponsored the first Beaux Arts Ball in Youngstown, an invitational costume party of major proportion produced by amateur theatrical and other area organizations as an annual event and held this year in February at the Pick-Ohio Hotel; produced and enacted 6 one-act plays as well

H. BROOKS, C. DICKINSON, J. VARGO, A. VARGO, B. BURCH

as the outstanding spring performance of "Murder in the Cathedral", considered by many as the finest effort of this organization's career. Drama Guild increased its membership over one hundred per cent and enlarged its facilities and properties many-fold. Several new projects were undertaken, such as the introduction of a D.G. membership pin and crest, and the innovation of D.G.-sponsored cultural movies. Hats off to the most improved organization on campus! Lay on you Macduffs!

The plans for the 1952 Neon began in the early summer months of 1951 with Phil Snyder, Neon Editor, and several of his chosen assistants incorporating their ideas to record in one book all the heartwarming events in a year at YoCo. After many months of arduous labor putting these ideas into reality, the editor and staff have accomplished the assigned task of permanently recording the 1950-51 college year with commendable results.

In this year's Neon, the clever artwork of Wilson Price, and excellent copy writing by Jim French and Delores Costello is worth special attention.

Newman Club

Newman Club of Youngstown College, a member of the National Newman Club Federation, has been active at the college for fourteen years. The bi-weekly meetings begin at 7:45 p. m. on the first and third Sundays of each month at the Catholic Action Center.

The religious functions of the year were highlighted by the monthly Communion Breakfasts at St. Columba Cathedral. Religious services were held throughout the year at St. Joseph's Church; outstanding among these were the recitation of the Rosary and Benediction every day at noon during October, and on Wednesdays at noon during the remainder of the year. Bishop McFadden celebrated the Pontifical Mass and spoke at the breakfast in observance of Cardinal Newman Day; the annual Day of Recollection at Ursuline High School on Passion Sunday was conducted by one of the Fathers of the Sacred Heart.

The seventh annual Mardi Gras dance, at which Josie Frazzini reigned as queen, along with the annual banquet and Western night was the spotlight of the social functions of the year.

At the close of the year plans were made for summer picnics and social affairs. Last Summer the YoCo Newman Club won the baseball trophy at the annual picnic held with the Newman Clubs from Akron, Cleveland, and Kent State Universities. In summing up its activities, the Youngstown College Newman Club had a good year in that its fundamental purposes were carried out—the fostering of the religious, intellectual and social life of the Catholic students.

Religion in Life Fellowship

"Religion In Life" is an inclusive religious and social fellowship for students at Youngstown College and their friends in the community. Its organization and program are designed to help students to understand how religion can be made revelant to the whole of life, to encourage personal religious growth, to enlist students for Christian service and to assist them in developing qualities of Christian and social leadership.

The Religion In Life Fellowship offers students participation in a wide variety of religious and social activities. Meeting on the second Sunday evening of each month at the Trinity Methodist Church parlor, the fellowship introduces students to religious issues current today, instructs them in constructive approaches to and concerns for important human problems and encourages students to participate in discussion. General themes adopted each year are broken down into related topics and presented by speakers who are well versed in the field for a discussion.

WEEKLY CONFERENCES

FRIENDSHIP BRIDGE

Meetings of the fellowship are held on the fourth Sunday evening of each month at the home of the Chaplain, Reverend Albert L. Linder, and occasionally at the homes of students in the community. The Religion In Life Caravan recruits leaders and musical talent to aid the Chaplain at weekly chapel services and offers a deputation service to the churches and youth groups in and out of the city. The Caravan broadcasts each week over WBBW on Saturday mornings at 8:15.

The social calendar of Religion In Life includes swimming each month in the fall and spring of the year, roller skating parties in the winter and four or five social events during the year including fall and Christmas parties, an annual banquet, a spring party and commencement picnic. The religious and social activities continue through June and July featuring a summer retreat, picnics and a mid-summer breakfast and devotional service.

Yo Co Quarter Hour

"This is Youngstown College". Every Saturday morning during the school year these words open the YoCo Quarter Hour. Through the generosity of WKBN, YoCoites have been able to keep up with the news and sports of the college. For the past four years a succession of radio editors have made the program one of the finest of its type. For the past year Bob Terrill and Jack Shea have served as directors.

The history of the WKBN college program has included a regular diet of campus news, sportcasts, comedy, drama and even some poetry and mimicacry. Recent innovations have been the presentation of well known guests and the diversification of the program structure.

All this and more characterized the Radio Edition and time has proved its success.

Who's Who

The idea of creating one basis of recognition for students, devoid of politics, initiation fees, and dues, was conceived more than seventeen years ago at the University of Alabama. Names of students named to Who's Who are included in the edition called "Who's Who in American Universities and Colleges."

Functions of the organization are: (1) An incentive for students to get the best results from their college experience, (2) α means of compensation to students for what they have already achieved, (3) α standard of measurement for students comparable to other organized scholastic and service organizations, (4) α recommendation of successful students to the business world.

Who's Who is considered the appropriate climax to a student's college career.

The 1951-2 Cage Season

Mike Magula, the scoring sensation from Sharpsville, Pa., paced the Penguin basketball team to a winning season.

"Mighty Mike", as he was dubbed by the local press, received national mention among small colleges for many months for percentage of free throws converted, average points per game and assists. Many times he topped the listings for several consecutive weeks.

In amassing a total of 462 points for the season he established a Youngstown College record, breaking the mark set by Leo Mogus during the 1941-42 season.

BASKETBALL ENTHUSIASTS

Dom Rosselli, coach of this year's triumphal basketball team, began his playing days at Rayen School. He played both basketball and football for the North Side high school and was captain for two years.

Rosselli played four years of football and basketball for Geneva. He also was a terrific hitter and an adept infielder while captain of the baseball team.

When Dom came to Youngstown College he was cage assistant to Coach Ray Sweeney. It was in 1942 that he became head coach of the basketball squad, a position he has held ever since, except for the four years he spent as a captain in the Air Force.

Dom Rosselli is one of the most active members of the faculty. During the football season he assists Coach Beede, then he is head coach of the basketball team, tutors the baseball squad and is director of intramural athletics.

COACH DOM ROSSELLI

It was a great year for the Youngstown College basketball squad.

Four seniors, Walt Brian, Mike Magula, Cecil Duffett and Sam Jankovich, the captain, formed the nucleus of this season's banner bearers.

Alternating at the pivot post were Tom Hernon from last year's squad and Charley Craig, a freshman.

Harry Myers, α promising junior, was the team's sixth man and the outstanding defensive player. Many times when the Penguins needed α field goal, Myers made the crucial points.

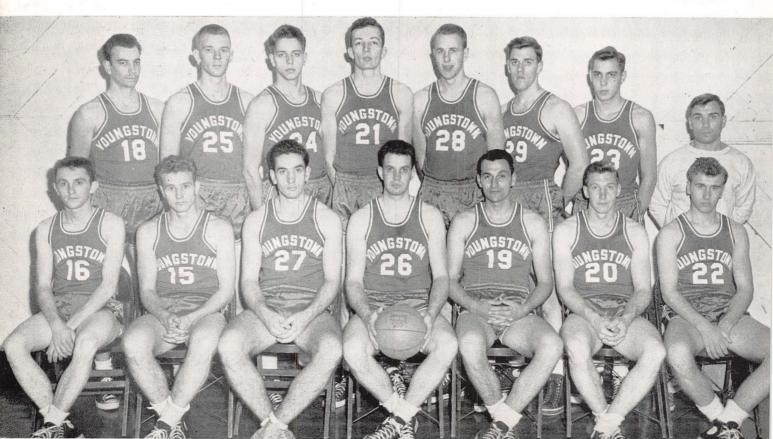

The bench was well stocked with capable reserves. Bud Mayberry and Bob Yuhas, promoted from last year's JV team, Ed Poplava, a good floor man, and Jack Blaski, former Ursuline set-shot wizard, provided offensive reserve strength.

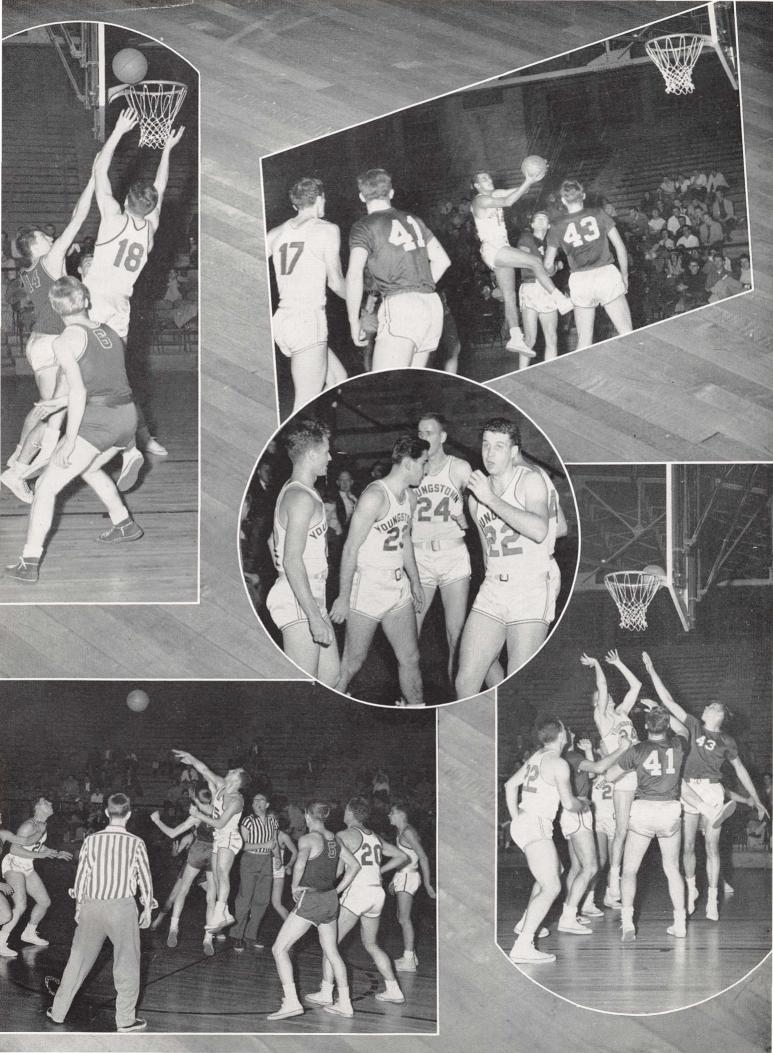

Finishing with a 16-6 record, the Penguins had their best percentage season in history. Last year the record was 16 wins against seven losses.

Every year the Penguins dump one of the nation's major teams. This season was no exception as Dom Rosselli fired the boys up to an upsetting defeat of LaSalle College at the South Field House.

Their successful season gained the Penguins a bid to the National Association Intercollegiate Basketball play-off for the right to represent this district in the national tournament at Kansas City.

Men's Intramurals

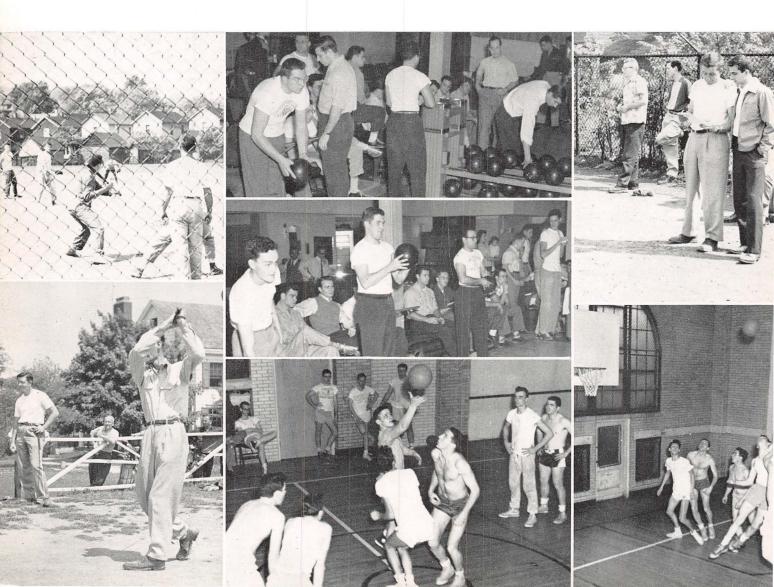

The men's intramural leagues found last year's champion repeating in all three sports.

The Dazzling Dukes, comprised of many of the school's outstanding softball players, combined powerful hitting and fine pitching to annex the intramural softball title.

The Phi Sigma Epsilon fraternity's bowling team won both halves of the intramural bowling league to clinch the crown for the second straight year. Paul Delic won the individual high average for his second straight championship.

Varsity Hall, consisting of members of the football squad, swept the intramural diadem for basketball to make the second straight year they have won the league honors.

The showing of all teams thus far indicates that the champions will repeat again this season. The Dazzling Dukes will field a formidable organization in the Spring, the Phi Sigs won the first half of the bowling league and seemed headed for another clean sweep, and Varsity Hall is continuing to pace the school basketball league.

Women's Intramurals

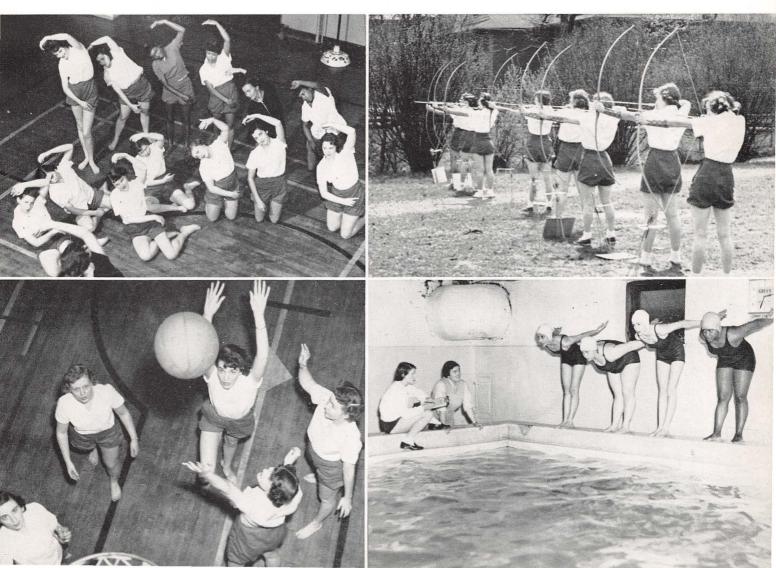

The women of Youngstown College have made great progress this year toward establishing a W. R. A., under the guidance of Bertina Laborde. Until the time that the Women's Recreation Association becomes an official organization, the Women's Intramural Planning Board will continue to present programs of interest which include indoor and outdoor, individual and team sports.

The new W. I. P. B. officers are: Chairman Pat Lowry; Sports Board Chairman, Peg Crishal; Assistant Sports Board Chairman, Fran Sampson; Secretary, Janet Ohl; Treasurer, Evelyn Booth; Assistant Treasurer, Gert Sandusky; Publicity Chairman, Rosalie Centofanti; Assistant Publicity Chairman, Fran Restelli; Newsletter Editor, Nancy Kelley.

This year the girls had journeyed to Mount Union, Geneva College, and Ohio University where they participated in the various sports activities for a day.

The Physical Education Department welcomes Miss Marks to their staff.

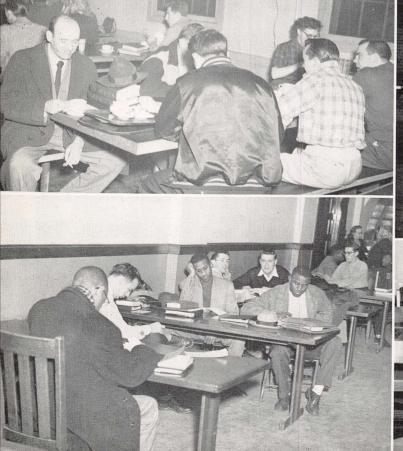

TIME TO GO

Under The Lights

Youngstown College, with the advancement of the community one of its chief concerns, provides a long range plan for part-time students to gain a college education. The road of education, leading to a degree in this manner, is a long and hard one, but the vast number of part-time students who receive their diplomas each year indicates the usefulness of such a plan.

Although their participation is somewhat curtailed, these night school students also find the time to take part in a good many of the social activities offered them. Their earnest and ambitious attitude might well be copied.

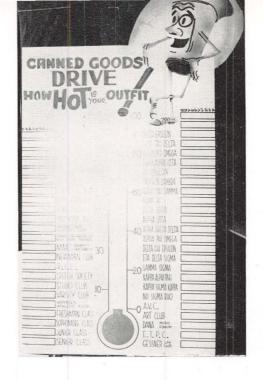

The Alpha Phi Omega launched its annual canned food drive for the poor and at the same time brought with it the spirit of Christmas to the campus. Decorations of red and green and lighted pine trees adorned the halls and entrances and the students attended the last classes before vacation with the hum of Christmas carols coming softly from their lips.

The climax of the holiday season was the ever popular Christmas Dance held by the Sig Delts at Stambaugh Auditorium.

I GIVE UP!

Christmas vacation was over, the instructors had given their last lectures, and the dates for the final exams were posted. So the students who conscientiously finished their assignments only a brief resume was necessary but for the few who had put off their work for tomorrow, an overwhelming task confronted them. Well, anyway, we wouldn't want to miss that flunkers' party.

SOPHOMORE

In September a new and enlightened sophomore group eagerly took their respected berth within the ranks of underclassmen. The significant sophomore enthusiasm is evident in their fine showing in the 1951-1952 school year. They are an outstanding class both academically and socially.

An indication of their success as a class are the many leaders in athletic, student government, scholastic, social and student publication interests.

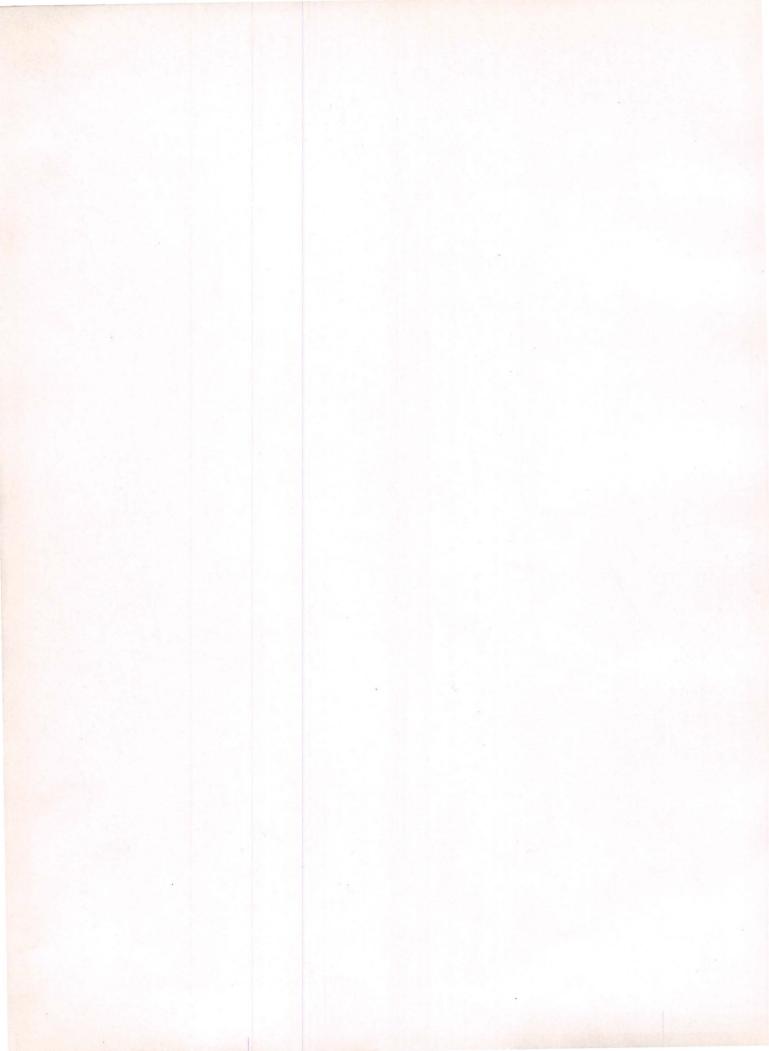

Now, with two years of college experience behind them, these students are ready to assume the upperclass leadership with the same energetic zeal that made their inaugural years noteworthy.

Pan-Hellenic Council

M. WEICHSEL, SEC.-TREAS.; B. HRITZO, PRES.

Under the competent advisement of Dr. Herbert Howard and Mr. Kenneth Kitchen, Pan Hellenic Council regulates all business of the social organizations on the campus. Composed of two members from every social organization, the Council holds monthly meetings, governs rushing, and sponsors several intra-fraternity parties as well as the Sweetheart Dance.

During the fall semester the offices were capably held by Bob Hritzo, Chairman, and Mary Weichsel, Secretary-Treasurer. Industrious officers for the spring semester included Chairman Chuck Moore and Secretary-Treasurer Rose O'Horo.

The highlight of the Pan Hellenic season is the annual Sweetheart Dance at Stambaugh Auditorium on March 22. Co-chairmen were Pete Michaels and Chuck Hanna. During the intermission, Fran Restelli was crowned inter-fraternity sweetheart by last year's sovereign, Marilyn McCallen. All the sororities and fraternities showed close cooperation in the projects sponsored by the Council during the 1951-52 semesters.

One of the most popular events on the Pan Hell social calendar this year was the introduction of an inter-fraternity, sorority square dance. Everyone donned their country clothes, let down their hair, and enjoyed this jamboree of do-se-do's and allamandtlefts. Marilyn McCallen, chairman for this dance, provided refreshments and an intermission entertainment which mimicked the peculiar dancing styles of various fraternities and sororities.

This year the campus Greeks selected Fran Restelli to reign as queen of their annual Sweetheart Dance. This semi-formal affair, sponsored by Pan Hellenic Council, is one of the most celebrated dances of the spring semester and looked forward to yearly by the local fraternal organizations.

At the intermission Chuck Hanna and Pete Michaels, Sweetheart dance chairmen, introduced the queen and her attendants, Viive Prees, Marlene Schnaufer, and Kitty Trenner.

To add further color to this affair each fraternity and sorority decorated assigned sections with their group colors in competition for a prize.

Jam-packed with gala events and activities our fourteenth year on campus has all too soon come to a close. We owe a host of thanks to our advisor, Marcia Welsh, to our wonderful president, Carolyn Clark, and to all our other capable officers.

After shaking the fond memories of our Geneva vacation from our minds we started the school year with our annual Touchdown Trot, which was sponsored jointly with our brothers, the Phi Sigma Epsilon fraternity. To the Homecoming festivities we contributed lovely Martha Clark as a Homecoming Queen attendant, and later in the season we proudly congratulated sister Sally Connelly, who was chosen as a Snowflake Hostess.

Congratulations also were in store for Marilyn McCallen, Josie Frazzini, and Carolyn Clark, who were

selected to appear in the 1951-52 edition of "Who's Who in American Colleges and Universities", and to our talented sisters Liz Davies and Viive Prees, who displayed their abilities in Yocohooey III.

With the help of our alumni our bake sale held in November was a huge success. We never realized we were such good cooks!

The new year brought its traditional resolutions, but it also brought wedding vows for Mary Beth Reen. Januare also brought the Pan Hellenic Mixer Dance with Marilyn McCallen holding the chairmanship.

Gerry Lewis, our capable social chairman, saw to it that our social schedule was filled with fun-packed parties with Simga Sigma, Sigma Delta Beta, Pi Beta Chi, and Nu Sigma Rho fraternities. Annual dinner dances and informal get-togethers also were held with our brothers, the Phi Sigs.

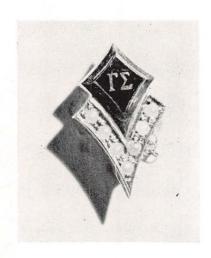

Spring brought rushing, pledges, and a pledge mistress, Patty Baluck, who made the poor unfortunates really tow the line.

Our only regret of the entire year is that it has come to a close and through it we have lost four of our most enthusiastic sisters, Carolyn Clark, Liz Davies, Jeanne Pennock, and Tooie Wilson, who have finally succeeded in getting that all-important degree.

The Gamma Sigs have started their 24th year on YoCo's campus.

Our new actives for the spring of 1951 were Nancie O'Connor, Rosie O'Horo, Marlene Schnaufer, Fran Restelli, Joan Klein, and Jere Wolfe.

Mary Lou Parker and Rose O'Horo were attendants to the Homecoming Queen. The Gamma Sigs and Sig Delts together won first prize for their Homecoming float. As in the past the sorority had its annual mum sale which was a great success.

We were well represented in "YoCohooey III" with several of the members doing the can-can. Also featured was a dance by the O' Sisters (Rosie and Nancie).

Following in the footsteps of Jean Law was her sister, Nancie O'Connor, chairman of the 1951 Snowflake Frolic, and Marlene Schnaufer was hostess at the Frolic.

Our annual Christmas party held at the Bear's Club was a huge success.

Mary Weichsel and Dahlia Vitucci were selected to appear in "Who's Who".

Continuing the yearly tradition, the Gamma Sigs and Phi Gams had a box luncheon with the proceeds going to the March of Dimes.

The spring semester was highlighted by α round of rush parties, dances, queens, and thoughts of graduation.

Congratulations to sister Fran Restelli on being elected Pan Hellenic Sweetheart queen.

Fashion-conscious, we held our fourth annual style show with great success.

As the year drew to a close we looked forward to our spring dinner dance, and extended our congratulations and best wishes to our graduating sisters—Dahlia Vitucci, Estelle Winger, Mary Weichsel, Evelyn Downie, Lillian Salem, and Julia Karavara.

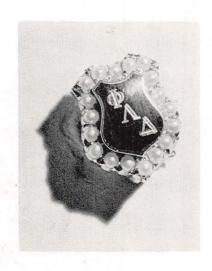

And so, another chapter in Gamma Sigma's history was completed. It's been loads of fun. We owe a great deal to capable guidance from our president, Evie Downie, and our other officers.

So long, we'll see you in September!

The Phi Lambs got into "the swing of things" after two weeks of practicing the "hula" at Madison-on-the-Lake, Ohio. Events throughout the school year made our twenty-fifth year on campus a season to be proud of.

At Homecoming, the sorority cheered for sister Marilyn Dunn, 1952 Homecoming Queen, and for "The Toast of the Town", the Phi Lamb-Phi Gam float symbolizing our mutual Silver Anniversary.

The Christmas season found us busy with our annual Papa party at Christ Mission, our gift exchange at prexy Susan Carlyle's home, and our dinner dance at Club 422. Peg Crishal represented the Phi Lambs as hostess for the Snowflake Frolic.

Along with spring came rush season and we were busy again. Activities as well as rushees enjoyed a bus-ride, a joint rush party with our brothers, the Phi Gams, and a dinner at the Parkview.

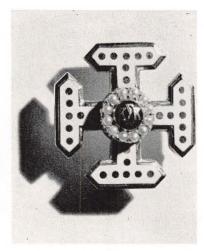

Congratulations are in order for Kitty Trenner, nominee for Pan Hellenic Sweetheart; Joyce Sterling, Junior Prom Queen; and Marion Farnell, nominee for May Queen.

To close the school year, the Phi Lambs will sponsor a tea for alumnae as a Silver Anniversary celebration. The annual June dinner-dance will honor graduating sorority members.

Kappa Sigma Kappa

Kappa Sigma Kappa Fraternity, founded in the year 1867, granted a charter to a group at Youngstown College in 1941. Since then the fraternity has graduated many men who subsequently went on to their various professions remembering the warth, brotherhood and high ideals which embody fraternal life.

In these uncertain times it is good to know that one belongs to a large group of brothers throughout the the country who are ready to stand by if needed. Weleave this thought to those who made the fraternity a success in the 51-52 school year and are now leaving school.

This year saw many successful social functions for the brothers. Among those that stood out are: the two all-day affairs at East Palestine Country Club. Golf, baseball, badminton and plenty of food satisfied physical and mental appetites of all who attended.

The fifteenth annual Sadie Hawkins Dance was an outstanding success even though we had ol'man winter against us.

The Christ Mission Christmas party for under-privileged children brought happiness to the kids and the brothers.

The June dinner dance rounds out the social season.

Listing of all the many smokers, banquets, stag and date parties would take a complete page in itself so we will forfeit this and say that all functions would not have succeeded if not for the hard never-ending work of the various chairmen. Thanks boys-well done.

We thank Dick Hueskens, all officers and committee members for the splendid way in which they performed their duties.

Thanks to Advisors P. Buchanan, Lt. Col. R. Stacey and W. Flad for their attendance at social functions, for their help at meetings and above all for their patient and intelligent guidance.

The cooperation and hard work of all the brothers has made this year undoubtedly one of the best for Iota Chapter of Kappa Sigma Kappa.

Rush parties consisted of a smoker at Dave Flint's, a square dance with Alpha Theta Delta sorority, and

a dinner at Raver's with a party afterwards. Instead of our fall installation banquet we tried something new this year and had a holiday installation party at the home of Tom Hoyt, which turned out to be a popular idea.

Members who had special duties this year were: Sergeant-at-Arms, Dave Flint; Pledge Master, Sam Pitoscia; Student Council representative, Bill Williams; Pan Hellenic representatives, Dean Hawk and Tom Hoyt.

Our Blue Jean Brawl which has become an annual affair on campus, was a great success under the able leadership of our social chairman, Dean Hawk. We enjoyed our usual joint stag with Kappa Sigma Kappa fraternity.

We ended our social year in the now customary manner with a formal dinner dance in June.

We are proud to have our Vice President, James Donegan, among the Youngstown College students who were chosen for this year's "Who's Who in American Universities and Colleges".

Phi Gamma

Phi Gamma, oldest social fraternity on the Youngstown College campus, was founded in 1927. This, their 25th anniversary, was marked by participation in many school activities and their usual amount of intrepid parties.

The Phi Gams started the year off with a Silver Anniversary dance in the Strouss Auditorium to open the festivities of their 25th year.

At homecoming, the Phi Gams exhibited a very unique "Champagne Bottle" float drawn by a 25-year-old car. "The older it gets, the better it is".

The next outstanding event was the 2nd annual Phi Gam-Phi Lam Sweater Dance held at Pioneer Pavilion. This marked one of the phases of close cooperation we held with our sisters, the Phi Lams.

Several joint parties were held with various groups and fall rushing brought a hilarious pledge season.

The first semester was climaxed by a joyous welcome to the New Year.

The Spring semester was highlighted by the 6th annual Popularity Dance held at the Elms Ballroom.

More life to replace graduating seniors was obtained by another successful rush season.

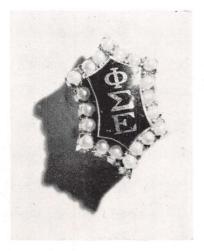

The final social event of the year was the 25th annual Phi Gamma Spring Formal where the alumni showed up in full force.

Congratulations to our capable officers for a successful year. To those in the future let us hope for a glorious 50th aninversary.

Phi Sigma Epsilon

The Phi Sigs started the year by joining with their sisters, the Alpha Delts, to present the school's fourth annual Touchdown Trot. The dance, honoring the Youngstown College Football team, was held at the Nu-Elms.

The Phi Sigs turned undertakers and performed funeral services for the St. Francis football team between the halves of the homecoming game.

The month of November ushered in another rush season, and after the smoke of battle had cleared, we found ourselves with nine new men among the ranks.

The next big affair was our annual Founder's Day banquet at which we welcomed back alumni and rekindled the flames of brotherhood.

As the leaves turned green we found ourselves in the midst of the second semester rush season.

We closed the year of gala events with our annual dinner dance.

Congratulations are in order for President Ted Herman, who supplied us with outstanding leadership; Phil Snyder, who did an admirable job editing our school yearbook; Bob Hritzo, for staging a successful Touchdown Trot; Bob De-Witt for a pleasant Founder's Day banquet, and to the Phi Sig bowling and basketball teams for sterling performances in the world of athletics.

Many thanks to our capable advisor, Mr. Karl Benkner, for his guidance and intellectual help during the past year.

Sigma Delta Beta

The Sigma Delta Beta fraternity inauguarted its 25th year on Youngstown College campus with an arousing display of school interest.

The fraternity was honored in having one of its members, Leo Sainato, elected Homecoming chairman, and another, Mark Markos, elected Homecoming King by the student body. As a crowning effect on the event the Sig Delts, along with their sisters, the Gamma Sigs, took first prize for the best Homecoming float.

Immediately following the college Homecoming the Sig Delts planned and enjoyed α series of social events: α hayride, rush parties, smokers with various fraternities, and one alumni homecoming stag.

With the required aid of a new pledge group and the inspring leadership of George Finora and Jack DeRose, the annual Christmas Night dance at Stambaugh Auditorium was a huge success.

An installation dinner honoring our new brothers, Lou Lehner, Hal Borovetz, Warren Gurski, and Larry O'Neal, put the finishing touch on a successful first semester.

The fraternity began the second semester with its ever popular "Men's Fashion Show." The proceeds for this event were donated to the college library fund.

New officers were elected and began their one year term of office the second week of the new semester. The election results found Joe Matteo, President; Dan De-Genova, repeating as Vice President; Fran McHugh, Recording Secretary; Jim French, Treasurer; and Don Mc-Bride, Corresponding Secretary.

The next few months found the brothers participating to intra-mural and inter-fraternity sports, enjoying parties with local sororities, and indulging in the bi-annual game of making life miserable for the new pledge group.

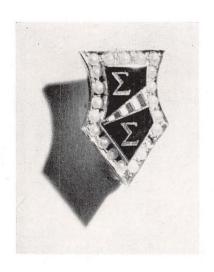

Brother Fran McHugh was elected most popular boy at YoCo by the student body and rates congratulations along with our sisters, Nancy O'Connor, most popular girl, and Fran Restelli, Pan-Hellenic Sweetheart.

The final social of the scholastic year was a formal dinner dance held at the Poland Country Club in honor of our eight graduating brothers.

Business School

J. B. WILLIAMS, SR.

The School of Business of Youngstown College was founded in 1923 and was affiliated with the Youngstown Y. M. C. A. Schools. The school operated under the name Y. M. C. A. Business School.

In 1926 the school was moved to the John C. Wick estate located at the corner of Wick and Lincoln Avenues where the Main Youngstown College building now stands.

The Hall Business University, which at that time had served the students of this area for thirty-six years, was merged with the Y. M. C. A. Business School in 1928 and the new school, which opened on June 1, operated there for eleven years. It was then moved to the building it now occupies next the Main College Building.

In 1944 the school adopted the name of the School of Business of Youngstown College. The increased demand from college students for business training led to the offering of combined college students for business training led to the offering of combined college and secretarial course for the first time in that year.

The School of Business offers business training in day or evening classes and on full time or part time basis. Courses in secretarial studies give credit toward the Degree of Bachelor of Science in Business Administration with a major in Secretarial studies, the Degree of Bachelor of Science in Education with a major in Business Education, and a title of Associate in Business Administration.

Social life at the Business School includes social and national buiness sororities and Alpha Sigma Chi, fraternity. Full time students in day school are eligible to be invited to join Alpha Iota, national, and Tau Kappa Nu, social sororities. Night school students are eligible to be invited to join Delta Chi Epsilon, sorority.

Delta Chi Epsilon

The close of the school year finds the Delta Chi Epsilon sorority completing its twelfth year on campus. Delta Chi Epsilon, denoting the development of character and efficiency, is composed of business girls attending night school.

Last September found us opening our year's activities with a "Get-Acquainted" Tea at Pollock Hall. Rush Season, including a serie initiation night, was climaxed at the Pick-Ohio Hotel when the pledges were formally activated and the new officers were installed.

The other events which helped make the year a success were joint parties with various fraternities, a card party given in honor of our alumnae group, the Mother-Daughter Tea in May, and finally, our formal dinner dance which brought activities to a gay and colorful closing.

We owe a special thianks to our advisors, Miss Pauline Church and Mrs. Robert Miller, for all the time and attention they have given. Through their many wonderful suggestions, each sorority project has been a bigger and better success.

Dana School of Music

DEAN WILLIAM H. MILLER

The Dana Musical Institute was found in Warren, Ohio, in 1869 by William H. Dana, son of Julius Dana, a wealthy and prominent lawyer. The historic old hotel on Park Avenue in Warren was the site for the original Dana Institute. The school gained tremendous recognition, and in 1888, at the annua exposition in Bologna, Italy, Brown's Medal was awarded to William H. Dana in recognition of his work.

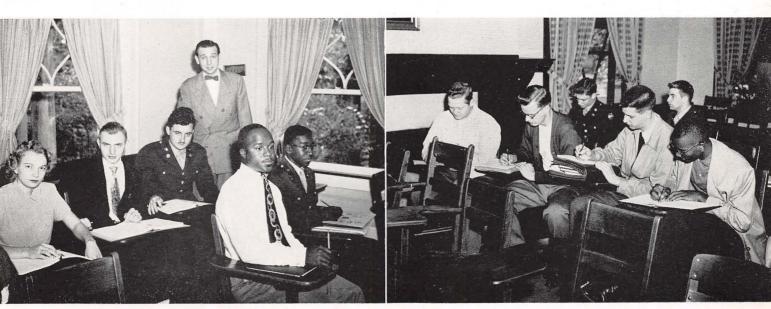

The home of the late Charles S. Thomas, Wick Avenue, was purchased in 1941 and the Dana School of Music moved to the campus and became a part of Youngstown College. Dr. Henry V. Stearns became the first head of the school. He was succeeded by Mr. Hoffman, who was dean until the fall of 1946, when Mrs. Dehnbostel took over. A year later William H. Miller was put in charge and is the present dean.

In 1949 the Dana Musical Institute was approved for associate membership in the National Association of Schools of Music.

Many activities of interest to music students are available including artist series, student recitals, the marching college band, symphony orchestra, A Cappella choir, mixed chorus, madrigal singers, woodwind ensemble, brass ensemble, string quartet, radio, and professional music fraternities. Sigma Alpha Iota, a national honorary professional womens' music fraternity, and Phi Mu Alpha Sinfonia, a national honorary professional men's music fraternity, are chartered to the Dana School of Music.

Students at Youngstown College have unusual opportunity for hearing α wide range of the best in music. There are recitals by the faculty and students of the school of music, organ recitals at Stambaugh Auditorium under the auspices of the American Guild of Organists, concerts by the Youngstown Philharmonic Orchestra and various activities of the Monday Musical Club. These concerts bring to Youngstown each season a number of the world's best musical artists.

Last season the Dana School of Music gave a series of radio broadcasts from Station WFMJ. The various organizations, ensembles and soloists participated on the programs.

National founder's day was celebrated in the V. F. W. Hall in Girard, Ohio, with John Krueger, conductor elect of the Youngstown Philharmonic Orchestra, as the main speaker.

The Chapter sponsored its annual Founder's Day recital on February 28th.

In conjunction with Sigma Alpha Iota, national honorary women's fraternity, Phi Mu Alpha presented its All-American music recital, featuring the works of outstanding American composers, during Music Week.

Parties, meetings, smokers and highly successful rush season climaxed by a banquet and initiation of pledges, highlighted the 1951-52 school year.

Sigma Alpha Iota

Sigma Alpha Iota is a women's national honorary and professional music fraternity.

Alpha Nu chapter was reinstated at Youngstown College in 1945 after being transferred from its original charter location in Warren.

In October the organization was honored by the three-day visit of their Province President, Mrs. Ruth Gould. She came to help the chapter make plans for the coming year.

The spring semester was especially eventful with rush parties, pledge services and formal initiation. Outstanding musical programs included two formal recitals. One was presented by the girls in February and the other was the annual All-American recital which was given with the Phi Mu Alpha fraternity during Music Week.

Highlighting the social events were the wonderful banquet with Phi Mu Alpha and the farewell breakfast for seniors where chapter honors were presented. The annual gift was given to the school in February.

Sigma Alpha Iota's advisors are Mrs. Wealthie Prince, Mrs. Nellie Dehnbostel and Mrs. Leah McIlroy. Patroness members are Mrs. Lucille Jones, Mrs. Dorothy Miller, Mrs. Bert Printz and Miss Katherine Smith.

Choir

The a cappella choir of sixty voices has been steadily making progress in the wide field of vocal music. The highlight of the past season was its concert which was given during music week. The group has provided fine musical entertainment at many college functions. It has also been heard for many years at the baccalaureate exercises. Musical selections during the year include hymns, folk ballads, spirituals and the great polyphonic music of Bach. The membership is open to all college students interested in music.

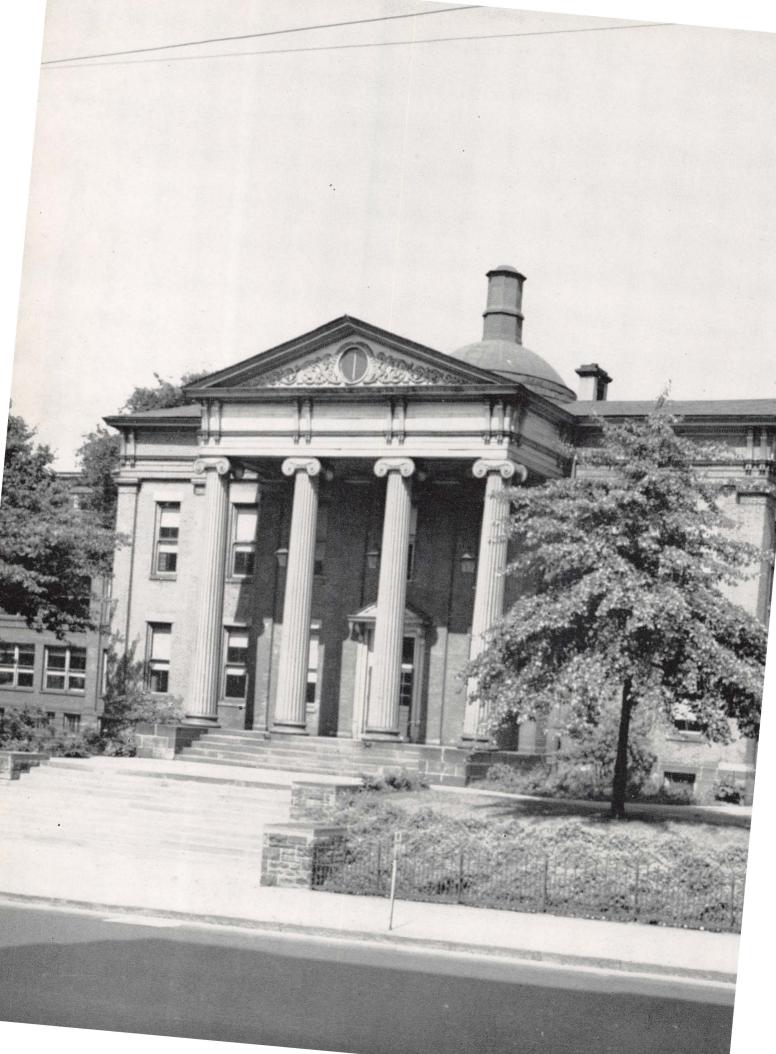

Within the greater body of the choir is a smaller group called the Madrigal Singers. They perform the highly technical works of the masters in the mode of early times. The troupe is directed by W. H. Miller, dean of the music school.

The Mixed Chorus was organized about fifteen years ago with the pupose of affording to all college studetnts, in whatsoever department the might be enrolled, the opportunity to study and present in public performan the standard works of the oratorio repertoire and to provide the chorus of the many operas which have been presented in the past.

Among the great works presented have been "Hora Novissima" by Hora Parker and considerted the finest American work of this type; and also t sublime "German Requiem" by Brahms. This year the Chorus is working "The Beatitudes" by Cesar Franck.

College Band

The college band, one of the most colorful organizations on the campus, takes part in many school activities. It plays at all home football games and at many out-of-town games. The members of the marching band can usually be found on Mondays, Wednesdays and Fridays from three to five o'clock faithfully playing and drilling at Harrison Field. When the last game has been played, the band moves into its winter quarters and prepares for the concert season.

Usually two or three concerts are given during the academic year. The band plays for commencement exercises also. The band is under the very able leadership of Mark Doliver. He teacher clarinet at the Dana School of Music.

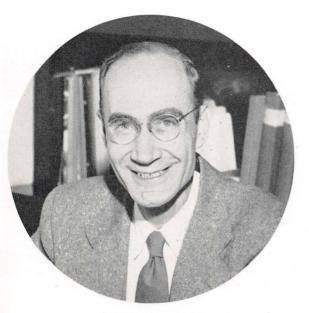

The symphony orchestra is a small but very harmonious organization. Each year it makes at least three public appearances. The favorite works performed by the orchestra include selections by Beethoven, Bach, Romberg and Gershwin. The group rehearses on Tuesday and Thursday afternoons.

The orchestra is conducted by Alvin Myerovich, who is also head of the string department in the Music School. Mr. Myerovich is now concertmaster of the new Youngstown Philharmonic Orchestra. With his broad experience and professional education, Mr. Myerovich helps to guide the members and aid in their interpretation of the masters' work.

William Rayen School of Engineering

DEAN F. M. ELLIS

The William Rayen School of Engineering, offering degrees in mathematics, physics and engineering, was established as an integral part of Youngstown College in 1946. Operating with limited facilities up to 1945, it was called the William Rayen Technical Institute.

After the death of Dean Louis A. Deesz in 1950, the school was placed under the supervision of Professor Frank M. Ellis, the present acting dean. Mr. Ellis, who received his B.S. degree from Carnegie Institute of Technology and M. in Ed. from the University of Pittsburgh, became a faculty member in 1945. He is assisted in the administration of the school by Assistant Dean Michael J. Charignon. Mr. Charignon holds degrees in electrical and mechanical engineering from the University of North Dakota.

At a cost of \$125,000, the school was remodeled into its present form. It contains two floors, plus a basement. The main floor is used for classrooms and contains a

technical library, study room, mechanical engineering and material testing laboratories. On the second floor are drawing rooms and laboratories for physics and electrical machinery. The basement floor contains an electronics laboratory, power generating equipment and auxiliary apparatus required by the laboratories above.

An engineering award is given each year by the Ladies' Auxiliary of the Mahoning Valley Society of Professional Engineers to a deserving junior student. The student is rated upon scholastic average, extracurricular activities and need, in order to determine eligibility for the award.

The Youngstown College Student Chapter of the Ohio Society of Professional Engineers is one of eight chapters throughout Ohio and is open to all engineering majors who have thirty or more credit hours.

The Student Chapter received its charter December 7, 1951.

The petition necessary for application was signed by 117 student engineers, the largest group ever to

sign such a petition.

The purpose of the student chapter is to develop a professional attitude on the part of the engineering student by the affiliation with outstanding men in the field and by mutual intercourse among its members along academic, professional and social lines.

Among the planned activities of the student chapter are field trips to various industrial plants and social events. Monthly meetings are held and professional men in their respective fields are invited to

address the group.

The student chapter's counselors are Mr. Frank D'Isa and Mr. Michael Charignon, both of whom are faculty members of the Engineering School.

JUNIOR PROM QUEEN 1952 Joyce Sterling
Phi Lambda Delta

Junior Prom Court

The Elms Ballroom became a tropical paradise for the evening of April 17th when the Juniors held their annual prom. The tropical decoration theme was accomplished with use of palms and gayly colored streamers. Blending perfectly with these artistic arrangements, Art Mooney and his orchestra provided the musical background.

The high point of the evening featured the crowning of Joyce Sterling, 1952 Prom Queen by Mary Lou Rawson, last year's queen, and the presentation of gifts to Joyce and her comely attendants, Virginia Nicoludis, Nancy Tapley, Jose Frazzini and Joan Bernard.

Congratulations are extended to the lovely queen and the capable chairmen, Dan Dundon and William Snyder.

Bare Brunch

Mill Creek Park was again invaded by a vast horde of YoCoites suffering from that spreading disease called "Spring Fever". This mass migration from the classrooms was legal, however. It was YoCo's annual spring picnic, the Bare Brunch.

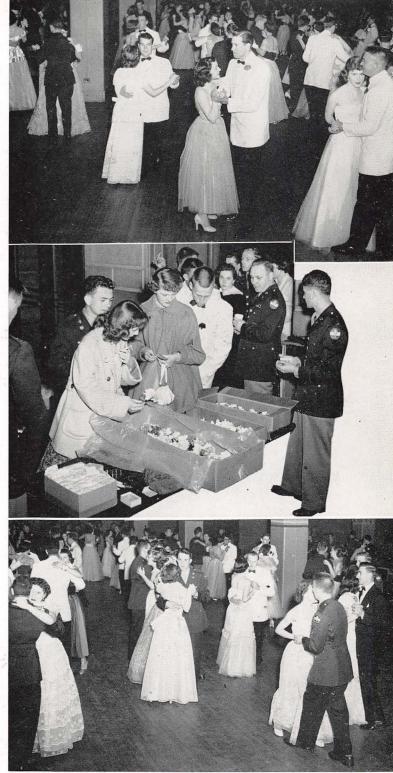

The afternoon's frolic included the senior vs. faculty and Gamma Sig vs. Phi Lamb softball brawls, the early dunk in Lake Cohasset (fully clothed), and the over-abundance of pop and hot dogs for the after dark bonfire.

Military Ball

Relaxing from their Military Science studies the ROTC Cadet Corps at Youngstown College celebrated their second annual Military Ball on May 2nd at Stambaugh Auditorium. In the only completely formal dance on the college social schedule the cadets and their guests enjoyed an evening of well prepared musical entertainment.

An interesting feature of this Military Ball was the Grand March enacted during the intermission. Another interesting sidelight was the invitational attendance of many military, state, and city dignitaries.

President - George Geletha Vice President - Josie Frazzini Secretary - Marilyn McCallen Treasurer - Lou Charles JUNIORS . .

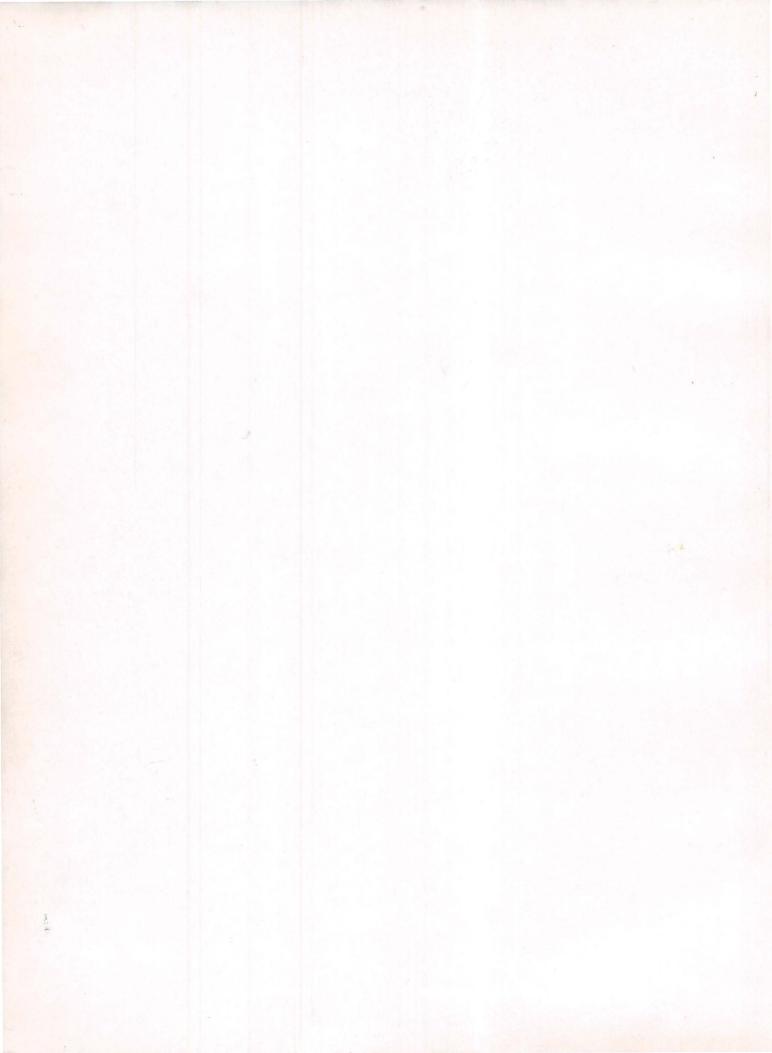

The Juniors can mark down on the experience side of life's ledger a first year of bewilderment, a sophomore year of enlightening discovery, and now an unparalleled year of understanding. This vast network of undergraduate experience has prepared another outstanding class, the Juniors, for the finale.

On the threshold of their final year in school, the members of this class can look back with pride on their academic proficiency and their social success with the annual Junior Prom. Joyce Sterling rules as queen at this event and Dan Dundon and Bill Snyder conducted the chairmanship.

THE ROYAL PROCESSION OF QUEEN AND ATTENDANTS

Serving as a fitting climax to a busy year another May Day Festival was celebrated with a traditional outdoor ceremony. Procession participants, chase team members, and a large floral chain again paid tribute to the senior royalty. The May Queen, Virginia Pitts, was crowned by last year's Queen, Alice Zipay, while Julie Karavara, Marianne Farnell, and Dahlia Vitucci served as attendants.

MAY DAY DANCE

The May Day celebrations moved from the campus to Idora Ballroom where further tribute was paid to the presiding queen and her court. Befitting the occasion, an exceptionally large crowd turned out to enjoy the intermission festivity and the danceable music of Billy May and his orchestra.

The cream of the college crop claims membership to the senior class. Four years of toil and perseverance has sifted them through when the task seemed too enormous. So, now they have reached their goal and attained our school's highest honor, a diploma.

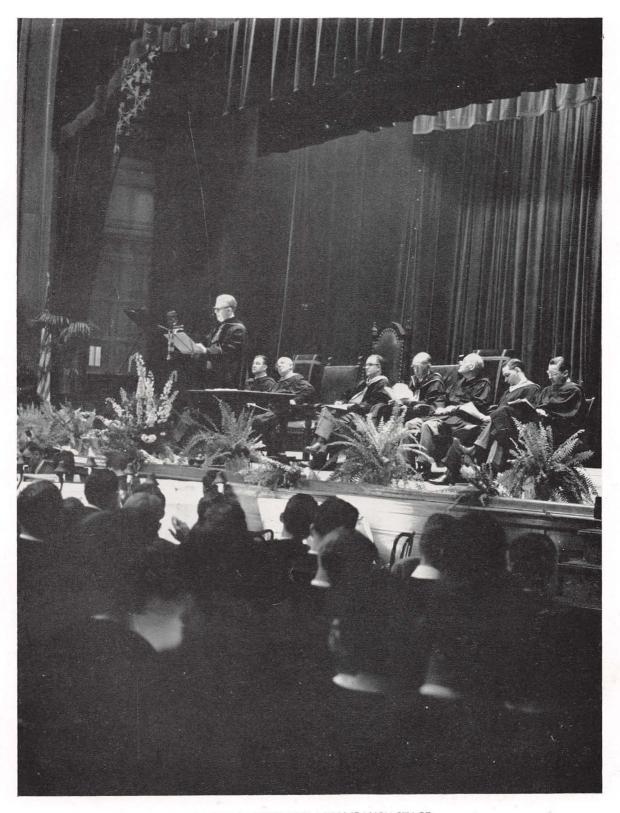

The scholastic, social, and moral qualities shown by the men and women of this class is an inspiring incentive to all underclassmen.

he People Who Wish They Knew

Four hundred and twenty seniors stepped forth to receive from President Howard W. Jones a certificate which represented the satisfactory completion of this college's requirements for graduation. Among them numbered members of both sexes, and nearly every race and creed, all taking another step in that human quest for knowledge.

THEY GET US JOBS

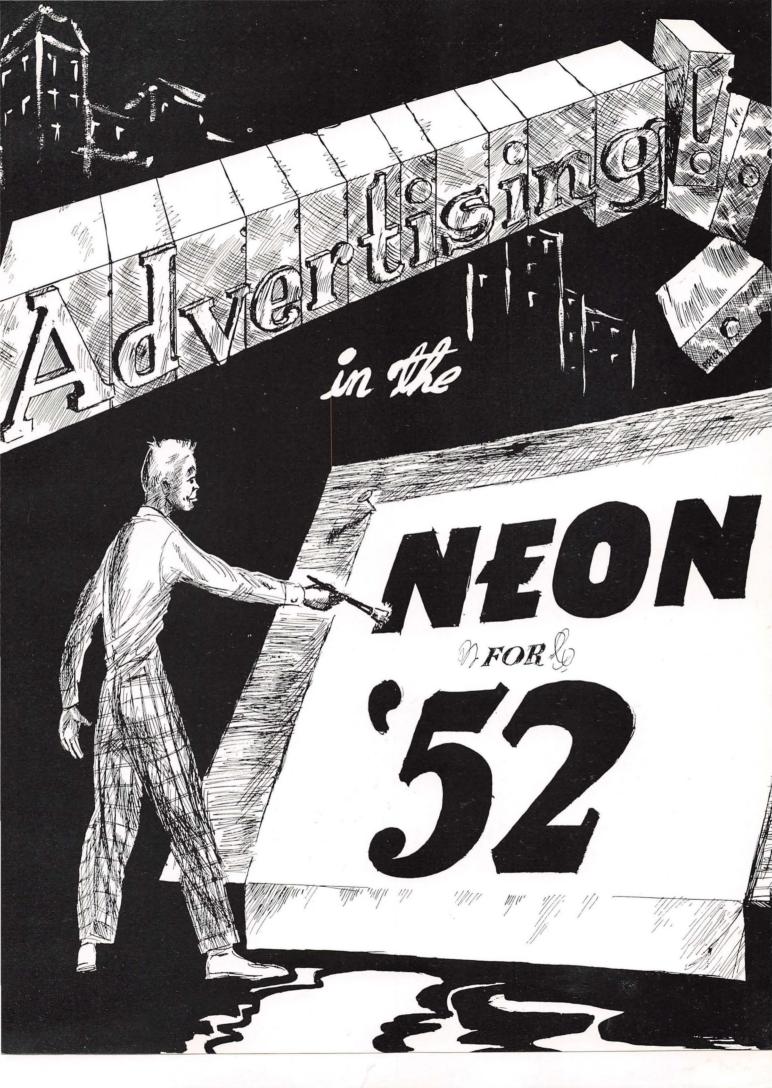

WE'LL SEE WHAT WE CAN DO

At one time or another most of the students at YoCo seek the help of R. D. Cooper, head of the job placement bureau at the college. The employment service is a non-profit organization set up on this campus with the cooperation of the Ohio State referral office for job recommendations, both part and full time.

The head of this department is R. D. Cooper, an understanding gentleman with keen student interest. Many present and former students at Youngstown College owe a great deal to Mr. Cooper for help given them during their education by referral to part-time jobs, and still a larger number for the permanent positions offered them upon graduation.

GOOD LUCK ON YOUR NEW JOB

Congratulations, Classes of 1952!

If yours were the choice . . . the impossible choice . . . of naming the date in history when you would most like to live — w're betting you'd choose tomorrow, with all of its challenge and promise! And so would we — because history never knew a more interesting era!

Wondering what waits to be discovered just outside the classroom door? Well, we're pretty sure that the degree in which your dreams will all come true depends almost completely upon YOUR own determination!

First you'd better BUILD your ladder to the stars . . . and then, with all the faith and hope and trust that true success requires . . . climb to the very top! And our best wishes will go with you all the way!

PRESTIGE

Building up prestige is unlike any other building operation, in that it is never finished. Years of well directed hard work, of fair dealing and of honest service are consumed in the laying of the foundation alone.

From day to day and from year to year, the structure grows and grows. Every piece of work well done brings additional prestige.

For that reason, unusual precautions are taken to maintain the severe standard of quality which the Shutrump organization demands and expects of itself. Chance is eliminated when dealing with a concern of established prestige.

The job, today, of the Shutrump organization and its several hundred skilled construction workers, is to provide construction and maintenance service for Youngstown and Mahoning Valley industrial plants, so that these plants can keep on at top speed and capacity, producing steel and other vital implements — for VICTORY.

The Last Word

This concludes our visulation of life at Youngstown during 1951-52. In vividly portraying life at Youngstown College through the lamp of knowledge we hope we have the approval of you the graduates and undergraduates — if so, our original aim has been achieved .

To record and publish this the 17th edition of the NEON has required a tremendous amount of work from many people, and in the next few lines I would like to thank those who made this dream a reality: to George Snyder of Arc Engraving, Ed Moeller of Youngstown Printing and Mueller Art Cover and Binding Company. Also thanks to Bill Abey of Abey Studio and Ed Hvizdak at Quality Printing.

Special thanks to the office of Public Relations and to McKinley Browne and his salesmanship class.

To single out α few on this years NEON Staff would not tell the whole story, so thanks for α job well done.
