YOUNGSTOWN, Ohio - Sixty-four outstanding students at Youngstown State University have been selected for inclusion in the 1987 edition of Who's Who Among Students in American Universities and Colleges.

They join an elite group of outstanding campus leaders selected from more than 1,400 institutions of higher learning in all 50 states, the District of Columbia and several foreign countries.

The students are chosen by campus nominating committees and editors of the directory on the basis of academic achievement, service to the community, leadership in extracurricular activities and future potential.

Who's Who Among Students in American Universities and Colleges has been honoring outstanding students since its first publication in 1934.
