YOUNGSTOWN, Ohio - The recently appointed Youngstown State University Student Housing Task Force is requesting public, as well as the University community, input on additional on-campus housing for YSU, and has scheduled three open hearings.

The Task Force has been asked to first "...determine the present and future need for on-campus housing, considering not only traditional undergraduate students, but also nontraditional and graduate students."

Dr. Charles McBriarty of Boardman, chairman of the Task Force and vice-president of Student Services, announced a series of open hearings at which members of the Task Force will hear input. The first hearing is scheduled for 11:30 a.m. Tuesday, May 13, in the lounge of Kilcawley Residence Hall, Spring Street.

The second hearing will be held at 4:30 p.m. May 14 in the Program Lounge of Kilcawley Center off the first floor arcade. The third hearing is scheduled for 4:30 p.m. May 15 in the Youngstown City Council Caucus Room sixth floor of City Hall in downtown Youngstown.

All of the hearings are scheduled for one hour.

Dr. McBriarty said that the Task Force is looking for any comments, recommendations or reactions regarding on-campus housing. They may be sent to the Task Force in care of him at 203 Tod Hall, Youngstown State University, 44555. In order to be most beneficial, input should be provided on or before May 16.

YSU's only university-owned residence hall, Kilcawley Residence Hall, houses some 240 men and women and the privately owned Buechner Hall, Bryson Street, houses 75 women.

YOUNGSTOWN, Ohio - Robert Clary of California, actor and eyewitness to the Nazi genocide, will present his documentary, "Robert Clary, A5714; A Memoir of Liberation" on the Youngstown State University campus as part of his two-week stay, speaking to YSU classes and at several area high schools as a Raymond J. Wean Lecturer.

Clary, better known for his role as LeBeau of "Hogan's Heroes," and Robert in "Days of Our Lives," will present the documentary at 8 p.m. Thursday, May 15, in the Ohio Room of Kilcawley Center, Spring Street.

The film, made for National Public Television in 1985, follows Clary from the railroad in Paris where he and his parents and brothers and sisters were loaded into boxcars to Buchenwald Concentration Camp in East Germany where he lived with death for more than 30 months.

Dr. Saul S. Friedman of Youngstown, YSU professor of history, wrote the script for the documentary and was co-producer with Dr. Herbert Hockhauser, director of Jewish Studies at Kent State University.

Dr. Friedman was instrumental in tracking down color footage of the liberation of Buchenwald taken by U.S. Air Force personnel in 1945 and never declassified or seen by the public prior to the telecast of the documentary last year.

The documentary also includes Dana School of Music professor and pianist Roman Rudyntsky of Boardman playing the show's musical theme. The music, recorded by the YSU Media Center, is "Peatbog Soldiers," a concentration camp marching song.

As a Wean Scholar, Mr. Clary will spend two weeks in Youngstown speaking at the University to students of psychology, sociology, history and drama classes, as well as lectures at several area high schools.
